Majorettes, Moppets Steal The Show On Opening Night At Annual Ormstown Exhibition

The opening night of Ormstown Exhibition was probably one of the best ever, despite a shower that came just about the time the parade was on its way to the Grounds. As usual the floats were all that has come to be expected for this annual event. The part which made such an attraction was the routine of the Majorettes and Moppets in the Arena after the opening ceremonies had been performed.

The Horse Show had been going on during the afternoon and carried on until just before the Parade arrived at the grounds. It is necessary for this due to the number of entries and the many classes which have to be carried through.

Two surprises were given one in the fact that the two Miss Ormstown's were present in their capacity as Hostesses for the Centennial Year. The other was the first appearance in public of the Chateauguay Valley Pipe Band. We have heard much about this band, but this was its first public appearance of which we are aware.

The parade consisted of Ormstown Band under Bandmaster Lindsay Cullen, the Majorettes and the Moppets followed by a float History of Canada — Confederation 1867 — 1967. The Cubs, float — "Tous Canadiens", Brownies, float — All Provinces, Girl Guides, Miss Ormstown float — Scouting 1967 1st. Ormstown Troop, Chateauguay Valley Pipe Band, float — Lions Club. All were in the theme of the Centennial Year. Much thought, time and labour had gone into the designing and making up of the floats and both Ormstown schools are to be congratulated on this effort to make the opening night of Ormstown Exhibition such a success.

Mr. Bury McGerrigle was responsible for the arrangements of the opening ceremonies including the parade and he carried on as Master of Ceremonies for the opening program. He called upon Mayors J. Reindeau and Beaulieu to escort the Miss Ormstown's to the speakers' stand. He then called upon Mr. John Dickson, President of Ormstown Exhibition to take over. Mr. Dickson welcomed the people to the Exhibition and in doing so he explained that records show that this Fair was held as early as 1864, in a field not so very far away from the present site. He hoped that all patrons would enjoy the program being provided this year — Canada's Centennial Year and the theme being used was along such lines. He then called upon Mayor Beaulieu of Ormstown to welcome the people. This he did addressing his remarks in both French and English. He also offered best wishes on behalf of the Centennial twin town of McGregor, Manitoba. Mayor Reindeau extended a welcome on behalf of Ormstown Parish. Mr. Mallette, Warden of Chateauguay County also extended best wishes for the success of the Exhibition and so did Robert Trudeau of Chateauguay. Mr. Ian Watson, M.P. Chateauguay-Huntingdon-Laprairie, offered his best wishes for success and officially opened the 1967 Exhibition.

This done, the Exhibition got off to its official start and the Parade was cleared from the Arena. The Chateauguay Valley Pipe Band was called upon to play a few numbers and they received a very generous amount of applause for their performance. The pipes seem to generate enthusiasm with all listeners and this was no exception. For a first time appearance they put on a very good show.

The Band, Majorettes and Moppets then returned to the Arena and put on their routines to the theme Canada — This Land is Your Land. The whole company formed a cross and then the numbers 1867 and 1967. This was all very well done and with perfect timing. They then made themselves into three turning circles marching in and out of each with great precision.

Probably the highlight of this performance was when four of the Majorettes in gold glittering costume came into the centre of the arena twirling firey batons. They went through a special routine which won them much applause.

The whole company went into another routine before retiring from the Arena. Then the Majorettes put on a few special routines of their own. Finally the whole company rearranged itself and all danced a polka, before marching out of the Arena. Needless to say the whole won a prolonged applause. The same routine was repeated on Saturday evening for the benefit of those who may not have seen it and as a repeat performance for those who had.

The rest of the evening was rounded out with horse show events and one of these was a class of heavy horses hitched to a wagon. Five were entered in this event and all of them were fine horses.

The midway looked bigger than ever and a number of new rides and shows had been added. It was being well patronized by the opening night crowd.

Car And Train Accident

An accident occurred Monday evening at 9:15 on the Ridge Road. It happened when Mr. François Trépanier of Lee's Corners was driving his car toward his home accompanied by his daughter Pauline, was hit by a N.Y.C freight train travelling in the direction of Montreal. The accident occurred at the second railroad crossing from Huntingdon on the Ridge Road.

It seems that Mr. Trépanier did not see the oncoming train and the car was struck by it and dragged a short distance and then sideswiped a post before landing in the ditch.

Mr. Trépanier and his daughter were taken to the Huntingdon County Hospital for emergency treatment. Mr. Trépanier sustained injuries to his head while Pauline was slightly hurt on one leg. The Provincial Police investigated.

OPENING NIGHT PARADE AT ORMSTOWN EXHIBITION

It was another grand parade for the opening night of Ormstown Exhibition last Wednesday. The Centennial theme was on every hand and the various floats seen above show how the theme was carried out. Plenty of work went into making those floats as usual and no effort was spared to make them attractive. In the centre are shown the two young ladies Miss Louise Laberge on the left and Miss Carol Hughes on the right, who are the Misses Ormstown, Hostesses for the Centennial Year in Ormstown. They are kept busy presiding over many functions in Ormstown.

AT ROCKBURN

9,000 Broilers Saved From Suffocation

Only for the competent and quick action of Mr. Ronald Maither on Friday night, were over 9,000 four pound broilers saved from suffocation when the electric power failed and the temperature in the building went up to 100 degrees.

Mr. and Mrs. Maither and family were attending Ormstown Fair when the storm came up, and they immediately rushed home to investigate conditions in the building, as circulation is a most essential factor.

It was a distressing and exciting experience for both Ronnie and poultry, but fortunately only a few birds were lost in this ordeal.

Mr. and Mrs. Albert Rosevear, Carol and Neil of Smiths Falls, Ont., spent the weekend with Mr. and Mrs. Ronald Williams and family.

Gérald Laniel, M.P. Beauharnois Attends A Veterans' Week Observance In Huntingdon

While there was a disappointing turn-out of Veterans and Members of the Ladies Auxiliary in the Parade and Service in connection with Huntingdon (Que. No. 81) Branch, The Royal Canadian Legion's National Veteran's Week observance; it was nevertheless quite an impressive event.

Under the Parade Marshalship of John Cappiello the Parade Marched-off, from the Legion Hall at 2 p.m. Sunday, June 11, to the music of Ormstown Band under the leadership of Bandmaster Lindsay Cullen. Comprising the Parade were members of the Branch and Ladies Auxiliary, afoot and in open cars generously loaned by a number of good friends of The Legion; St. Francis Unit of the Royal Canadian Sea Cadets; Boy Scouts and Cubs.

The first objective was an Interdenominational Service in St. Andrew's Presbyterian Church, which was conducted by Chaplain of the Branch, Rev. H. Lowenberger; Monsignor J.A. David and Rev. Father Gareau; Rev. G. McMichen and Rev. P.R. Stote. Mr. Gerald Laniel, M.P. who was in attendance as the Official Representative of the Canada Department of Veterans Affairs also gave a brief address as follows:

Beef Cattle A Quality Exhibit Along With The Dairy Breeds At Fine Ormstown Exhibition

At this year's Ormstown Exhibition's Cattle Show, the beef cattle sections were judged on Thursday afternoon, June 8th., and the three dairy breeds on the Friday, June 9. In former years the Holsteins and the beef cattle were judged on Thursday, and the Ayrshires and Jerseys on Friday.

The Beef Cattle compared with the other shows in which those herds represented at Ormstown, will subsequently compete, it was a very small beef cattle show indeed. On the other hand, however, it might well be said that it was a very high quality show indeed.

The catalogued entries of CFRA Broadcasting Ltd. Farm, Ottawa, Ont., did not materialize, but Winfields Farm Ltd., Willowdale, Ont., had on exhibit, what might be called, a duplicate of their last year's exihbit which went on from Ormstown to win high honours at subsequent leading Western Canada and Ontario Exhibitions. Similarly as regards the Massey-Ferguson Farm of Milliken, Shorthorn exhibit, which was here in competition with an exhibit from the herd of Mervin Miller & Sons, Glasgow Station, Ont.

Both the Championship and the Reserve Male Championships went to Massey-Ferguson Farm, also the Female Championship. However, the Reserve Female Championship went to Miller & Sons. The Premier Breeder Award went to Massey-Ferguson, and the Premier Exhibitor Award went to Miller & Sons.

Comprised of exhibits from four leading Western Quebec and Eastern Ontario herds, this year's Hereford Show was not only the largest of that breed ever seen at Ormstown, but it was also of a calibre that would be a credit to any leading beef cattle show. It was comprised of exhibits from the following herds: Dodds Hereford Farms, St. Andrew's East, Que., Flemingvale Farm, Crysler, Ont.; Milton W. Cornish & Sons, Indian River, Ont.; Mike Kenny, Winchester, Ont.

The Cornish & Sons herd won the male Championship, and the reserve went to the Dodds herd which also won the female championship and the reserve female championship.

One of the highlights of the Hereferd Show was the class for 4 animals bred and owned by exhibitor, four groups each like peas in a pod, so to speak, both as regards quality and uniformity. The winners were: 1. Dodds; 2. Cornish; 3. Flemingvale; 4. Kenny.

All three beeg cattle shows were judged by Wesley Nichol, Lennoxville, Que.

Spectacular Dairy Show

With the new Hays classification plan in operation, and thereby fewer classes, it was considered practical to have all three dairy cattle shows on the same day in the arena. It therefore was that on Friday, June 9, Ormstown's Arena resembled a miniature of the dairy cattle show at the Royal Winter Fair, except that here there were no Guernseys. And, remarkably so, each breed had its own quite large ringside gallery of adherents.

Catalogue-wise there was a record entry of Holsteins, 148 in the individual classes. However, we were reliably informed that an actual "nose count" indicated that some 44 of the original entries were not forward. Anyway, it was quite

Ian Watson, M.P. Officially Opens Ormstown Exhibition

This was the scene on Opening Night of Ormstown Exhibition as Mr. Ian Watson, M.P. for Chateauguay-Huntingdon-Laprairie, officially opened the Exhibition. FACTS AND INTERVIEWS ON ORMSTOWN VISIT TO TWIN MUNICIPALITY MacGREGOR

The genuine hospitality of the West — a combination of hard-working, life-loving people and of the vast, wide spaces of free land which they live on — is what we were given so earnestly by the municipalities of MacGregor and North Norfolk during our visit to them.

MacGregor, Manitoba, our twin town, is about 80 miles west of Winnipeg and is just off the Trans Canada Highway. Its population is numbered at 752. The town itself is smaller than Ormstown, but the whole township is 24 miles by 19 miles in area. The farmers speak in terms of thousands of acres. The district is on the edge of the prairies and the land is definitely flat in some areas and in other areas the landscape is characterized by gentle rolling hills. Every hill and angular terrain is cultivated. Grain elevators are common sights and they rise high above the other buildings in the small towns as the only landmark to be seen from a distance.

Our party of 15 Ormstownians, along with the delegations from Town of Mount Royal and Joliette, spent the first two days in Winnipeg where we were entertained by the Manitoba Urban Association. On the first afternoon we toured the Manitoba Legislative Buildings which are steeped in tradition. At night a banquet was given in our honor at which Premier Duff Roblin was the guest speaker. He spoke in both English and French, of the value of this undertaking in increasing the rapport between Quebec and the other provinces. The understanding and friendship was impressive, yet no one lost his identity. The good qualities of both were enhanced by means of the union.

At the banquet, Mr. Dick Wanklin, Organizer, presented each of the visiting mayors with a Manitoba tartan hat, and each of the men were given a fur tie, made by Manitoba Indians, "to keep their chests warm."

On the second day, Saturday, we toured the City Hall and talked to the Mayor of Winnipeg. He is rightfully proud of his building which is designed for maximum efficiency. On Saturday night we travelled up and down the muddy Red River in the "Paddle Queen." From the centre of the river we could see Winnipeg's Little Theatre — one of Canada's few open air theatres.

We left Winnipeg on Sunday morning. The representatives from Town of Mount Royal went to St. Boniface, Joliette moved on to Portage La Prairie and Ormstown trav-

Chateauguay Valley Pipe Band At Ormstown Exhibition

Much has been heard about a Pipe Band in this area, but not much had been seen of it. However, it made its first appearance in the parade at Ormstown Exhibition on Wednesday evening, the opening night. Above is photograph taken in the Arena while the opening ceremonies were going on. Later the band played a few selections for the audience on hand and won a nice applause for their efforts. They gave a good performance for their first public appearance and it is hoped that as they gain confidence they will perform more often. How about July 1st in Huntingdon?

AN 'IN-SEARCH-OF-SOMETHING' WEEK-END

"We young people today are in search of something — we don't always know what — but let us search."

The above is a quotation from the Feature Film in the Canadian Pacific Cominco Pavilion at Expo. **Canadian Youth** is the theme of the film.

Bishop Robinson, author of a "best seller" entitled Honest to God, contends that those who change history are not so much the persons who come up with the right set of answers, but rather those who allow the right set of questions to be asked. A valid task of the Church today is to provide an atmosphere, without fear, in which our youth can ask us questions in their search. We ought not only LET them search; let's HELP in the search and be thrilled by the fact that the young people in our immediate surroundings are really looking for something.

On Saturday night, June 24, and Sunday morning, June 25, the United Church in Huntingdon will help our youth in their "search of something". This will be done through the medium of a Coffee House at Heath's Hall—"Le Club Sandwiche" and a Folk Service in church the next morning.

The persons involved in planning this event hope for the support and active participation of all those who "are in search of something" whatever their chronological age.

a spectacular show, comprised to quite a large extent of exhibits from several other parts of Quebec, Eastern Ontario and Northern New York State. While the district animals comprised only a small section of the Holstein exhibit, when they were collectively lined-up in their stalls under the Huntingdon - Ormstown Holstein Club banner they made a very nice uniform group.

Catalogued owners of the Huntingdon - Ormstown Club area animals included Mervyn W. Graham; McFarlane Bros., Reg'd; W. R. Tannahill and Maurice Smith; all of Huntingdon. Spencer Gavin and Dr. I. Levesque, both of Glenelm. Murray Templeton, Riverfield. John Bustard & Sons and O. W. McRae, both of Howick, all of whose animals mostly figured in the prize lists in their respective classes. For instance O. W. McRae won fifth in a class of 14 bull calves, while McFarlane Bros. won seventh in a class of 14 yearling bulls. O. W. McRae also won fifth in a class of 16 yearling heifers, while Murray Templeton and W. R. Tannahill respectively won fourth and fifth prizes in the two year old class of 16 head. Templeton also won third in the class of 9 four year old cows, while McRae was fourth in the aged cow class.

The Murray Templeton froup was fifth in the spectacular class of 4 animals bred and owned by exhibitor.

The male grand champion was Elmside View Perfection, first prize yearling bull for Ferme Boisclair & fils, Sainte Clothilde, Que. Cherrywood Reflection Pauline, first prize cow, 5 years and over, won the female championship for Jean C. St. Pierre, Grenville, Que. The Judge was John Beerwort, Knowlton, Que.

There were some 65 catalogued entries in the Ayrshire section of the catalogue, with the herds of R. R. Ness & Sons Ltd. and J. Earle Ness & Sons, Reg'd, both of Howick and Oscar Vaillancourt, St. Chrysostome, as the representatives of the Howick-Huntingdon Ayrshire Club area. In the case of R. R. Ness & Sons Ltd., a herd which has been continuously represented at Ormstown since the inception of that Fair or Show, now Exhibition. The other two have also been continuous exhibitors for several decades. Another longtime frequent exhibitor was the firm of J. P. Bradley & Son, Lachute, while Sydney Mode, Vankleek Hill, Ont., exhibited here for the second year in succession. Ferme Chacook, Coaticook, Que.; Jean-Paul Lagace, St. Hyacinthe, Que.; and D. G. Ross & Son, Sherbrooke, were all new exhibitors, Alex M. Wallace, Smiths Falls, Ont., and a native of Atheistan, Que., also had forward a few head.

Concensus of the opinions expressed indicated that most of the spectators agreed that this was one of the best quality shows, of Ayrshires seen at Ormstown, in a great many years. Particularly so insofar as the senior females were concerned.

Despite the impact of A.I., eleven bull calves and seven yearling bulls were shown, with Ross & Son as the winner of the championship on their first prize yearling bull. The reserve championship went to Ferme Chacook on the second prize yearling bull. The latter also won first in the 4-year-old cow class, while J. Earle Ness & Sons won first in the 2-year-old heifer class on Terrace Bank Silver Queen, and first in the 3-year-old class on Terrace Bank Candy Floss. In addition to winning first in the yearling heifer class, Sydney Mode also won first in the 5-year-old class with Lou Supreme last year's Royal Winter Fair grand champion, also the All-Canadian Aged Cow in 1966. She was subsequently made grand champion female in which competition the R. R. Ness & Sons Ltd. cow Burnside Natalie 2, the second prize aged cow, was given the reserve champion ribbon. Natalie 2 is also a noted former Showring winner and had previously given the champion strong competition. Incidentally, the third prize winner in that outstanding class of 13 aged cows was Burnside Nudist bred by R. R. Ness & Sons Ltd., and owned by Ferme Chacook.

The group of four animals bred and owned by exhibitor made a spectacular showing with: 1. R. R. Ness & Sons, Ltd.; 2. J. Earle Ness & Sons; 3. J. P. Bradley; 4. Ferme Chacook; 5. J. P. Lagace.

Finally, the Premier Breeder Award went to R. R. Ness & Sons Ltd., while that firm tied with Sydney Mode for the Premier Exhibitor Award.

The Ayrshires were placed by Roy Simmons, Finch, Ont.

The Jersey exhibit of some 60 head was what might be called an outside exhibit; that is, it was comprised of animals from herds located in other parts of Quebec and Eastern Ontario. The J. J. MacKenzie, Finch, Ont., and North River Farm, Lachute, Que., herds were strongly represented, as they have been for several past years. All in all it was a really outstanding show, with Cameron Honderich, New Hamburg, Ont., as judge of same.

The male championship and the reserve female championship were won by Melvin W. Yonge, Shawville, Que., a first time exhibitor at Ormstown. Another newcomer, Wayne Kerr, Campbellford, won the reserve male championship award, and the female championship went to North River Farm.

Interbreed Competition

The Hays Plan controversial competition, that is, the Interbreed class for Cow with Best Udder naturally attracted considerable interest. Altogether 8 Holsteins, 6 Ayrshires and 4 Jerseys paraded before the judge, R. Roy Simmons, Finch, Ont. Finally, the well-known Holstein winner Wenron Marion Alert Girl, owned by Lloyd McRae & Son, Bainsville, Ont. Second place went to the Ayrshire Champion, Sydney Mode's Lou Supreme; third to the R. R. Ness & Sons Ltd. cow Burnside Melody, fourth prize winner in the aged Ayrshire cow class

ONTARIO PLOWMEN VISIT ORMSTOWN EXHIBITION WHILE ON TOUR HERE

Above are the Ontario Farmers who visited this part of Quebec last Thursday as a part of an award in the connection with the Esso Plowing Contest. From left to right they are: Lee Wilkinson, Milton; Howard Henry, Millbrook; Tommy Hunter, Hagersville; O. R. Evans of Montreal, who accompanied the group.

Last week a small group of plowmen farmers from Ontario paid a visit to Southwestern Ontario, and were much impressed by what they saw. Members of the group were Howard Henry, President of the Ontario Plowmen's Association, of Millbrook, Ont., Tommy Hunter, champion plowman at the last International Match at Barrie, of Hagersville, Ont., and Lee Wilkinson, runner-up to Tommy, of Milton, Ont. In addition to winning their Esso Trophies, the boys were given a visit to Expo '67.

Taking time out from Expo the group were given a tour of Southwestern Quebec as guests of the Quebec Provincial Plowmen's Association. At Ormstown the party was welcomed by President John Dickson, and after watching the judging of light and heavy horses on the line, and several classes of beef cattle, joined the V.I.P.'s for luncheon.

At Huntingdon they visited the busy press rooms of the Gleaner, and then headed east along the border highway to Hemmingford. Between Howick and Huntingdon Mr. Henry was much impressed by the evidences of good husbandry, with several fields of grain beginning to show through the ground. Between Huntingdon and Hemmingford the group were fascinated by the many stone dykes which separted the fields and the orchards. The many maple bushes interspersed among the orchards was also commented on, also the fact that Dutch elm disease was not much in evidence. In many parts of Ontario this disease has taken its toll of this fine shade tree.

G. Laniel, M.P.

(Continued from page 1)

that the Canadians will remember with gratitude their fellowmen who gave many years of their lives and in many cases their life while serving their country, be it in time of peace or war. Many will bear for the rest of their days the scars of war. No money can pay for such services, but we must recognize the value of their sacrifice. All churches will offer special prayers on this Sunday, June 11", Mr. Gérald Laniel, federal M.P. for Beauharnois-Salaberry cited this declaration at the ceremonies marking the National Week for Veterans held in Huntingdon on Sunday afternoon.

Mr. Laniel added: "This week offers an occasion to honor our veterans who gave so much for freedom and the honor of their country. The Centennial celebrations give us the opportunity to underline the achievements of some of our countrymen. That is why the government has decided to dedicate a whole week to emphasize the heroism and value of our soldiers during the two great wars.

This week will be marked by many special events and it is the first time that a Veterans' Week has been decreed by a royal proclamation. Even if we already have a Remembrance Day, we must have a whole week to honour those who have made the history of our country in the most valiant manner.

I hope that our participation in this religious service, our prayers will convince the Lord, not only to keep our children, our brothers near Him, but also to protect our young generation from the horrors of war. "Never war again" said Paul VI at the United Nations. That is what, we Canadians, wanted to express through the Centennial Commission, Expo 67 and Man's World."

"But we are presently facing another crisis, we are going through serious hours for the whole world. How fragile peace is" added the speaker:

"If our brothers came back, would they be proud of the efforts we have made to understand others? We must double our efforts to set an example for the whole world.

Havelock

HAVELOCK — Mr. George H. Carson of New Westminster, B.C., returned to his home on June 5th., after spending a pleasant 10-day period in this vicinity.

While his headquarters were at the home of his sister, Miss Eleanor W. Carson, yet he spent ample time at the homes of his two brothers, Mr. Melvin Carson and Mr. Curtis Carson.

Each planned trips for him by which he contacted old friends and saw, various interesting things.

He saw how an old-fashioned Sale was conducted at Aubrey. Another time he and Melvin attended the Sale at St. Chrysostome.

It was George who chose the petunias to out around Melvin's lovely new home. George is a great gardener.

This and That in Town

✓ **PRESIDENT JOHN DICKSON regrets some youngsters threw bottles around inside one of the cow barns and created a disturbance, but this was not too serious and a stern lecture will help to keep the mischief-makers out of trouble for a while. One person reported he thought a "dip" had removed his wallet from his pocket but no other pick-pocketing was reported and so probably the wallet was mis-laid or lost. A group of motorcyclists from out-of-town were refused admission. Apart from these minor troubles, everything proceeded like well-oiled fine machinery and the entire four-day fair was a credit to the officials.**

✓ RAIN, daily since last Wednesday, has dispelled fears that wells would be running dry. Tremendous growth rate is making up for the late spring.

✓ **JUNE 30 and July First celebrations in Ormstown and Huntingdon, respectively, will be dates to remember (see elsewhere).**

✓ $100,000. ROLLS-ROYCE: that's exactly what the Duke of Windsor paid for a sports car back in the thirties and it was on display at Ormstown Ex.

✓ **DANDELIONS seem to be getting ahead of the lawn-mowers on most lawns. Last year we had a real caterpillar plaque, this year the mosquitoes seem to be bigger than ever.**

✓ DID YOU KNOW that Jack McAllister, well-known antique dealer, trophy manufacturer and chef, is the man behind-the-scenes at all places where sea food is served at Expo? Somehow we think Jack could be persuaded to open a sea-food dining room somewhere in the Chateauguay Valley. That's something that just might be a safe venture, Jack.

✓ **SIDNEY SMITH, Gleaner news editor, was the lucky winner of the Lions Club colour TV Saturday night at the fair. For once, Sid was speechless but his wife wasn't ... she kept repeating "I don't believe it, I don't believe it." Congratulations!**

✓ DROP-IN WEEKEND for Church Drop-Outs. Thought-provoking? It should be, for both the young and the not-so-young. Christianity appears to be plodding through phases and all denominations are losing ground. If this trend continues, your children's children may be fortunate to have a church of any denomination to attend. Read the article and see the advertisement pertaining to this elsewhere and then, if you don't support the endeavour, at least don't condemn it.

✓ **TRAIN/CAR ACCIDENT on the Ridge Road near Huntingdon Monday night. (See elsewhere).**

✓ JUST THIS: We know one man who won't lose his car keys at Ormstown Fair ... safer to keep them in the car when you lock it up, eh Martin B.?

✓ **A DISPLAY OF EGGS at the Ormstown Ex caused considerable comment. Attractively arranged were chicken eggs, goose eggs, guinea hen's and those of a wren, robin, sparrow, duck and even a hummingbird.**

✓ HART & SHERRY are no more, as far as partnership is concerned, Hubert Sherry took over the Fina business on Chateauguay St. East formerly operated by Jos. Metayer and plans are being made to transform this into one of the more important service centres in town. Edgar Hart is now the sole owner of the former Hart & Sherry business at the corner of Chateauguay and Cemetery Streets.

✓ **CHATEAUGUAY VALLEY PIPERS don't have to take a back seat to anyone and they proved this at Ormstown Fair. Congratulations pipers, you're a credit to the district.**

✓ THE LADIES of Ormstown Curling Club operated a first class snack bar during the fair in the industrial building. Sandwiches, cakes, doughnuts, drinks, hamburgers, hot dogs, etc. Their only real opposition was the tent operated by the Chateauguay'ers who have been coming to the fair for more than 30 years.

✓ **"PROFESSOR GO HOME", the seventh book by H. Gordon Green of Ormstown to be published, was officially launched last evening (Tuesday) at an "at home" at the residence of Mr. and Mrs. Maynard Gertler, 88 Church Hill Avenue, Westmount. Some forty residents of the Chateauguay Valley from Chateauguay, Howick, Ormstown and Huntingdon representing a cross-section of the community were welcomed by the author and Mrs. Green and by the host and hostess, proprietors of Harvest House Limited, publishers of the 146-page book. Other guests, numbering in excess of one hundred, included the top echelons of the press, radio, universities, departments of education, authors, journalists and others. Educator, author, farmer, politician ... resident of Ormstown ... Gordon Green's "Professor Go Home" will establish him as the major Canadian writer that he is. The book is now available, paper cover two dollars, cloth, four dollars. More about "Professor Go Home" next week.**

✓ FRED ANDERSON tells us the Rotary Sale-o-Rama is really taking shape. H. P. "Jake" Higgins has agreed to be auctioneer and this alone should be good entertainment. Chairs, chesterfields, dishes, bureaus, ladders, some antiques mixed in with some brand new articles. When Fred or Jon give us the okay, we'll list a hundred or so articles that will be offered for sale. Take a look in the window of the former Builders' Supply & Feeds Ltd. showroom (now owned by Rotarian Romain Menard) and judge for yourself. Anyone wishing to donate articles for the sale, proceeds of which are for the County Civic Centre, may phone Fred Anderson, Jon Proudfoot or any member of the Huntingdon Rotary Club. Your encouragement is sollicited!

✓ **MOONLIGHT LAKE is a popular spot for some of Ourtown's teenagers who dig water-skiing. The Milne twins appear to enjoy giving rides to others about as much as they like being on them themselves, and that's good according to their friends. Adults, too, are finding that Moonlight Lake is just about as good as a man-made lake can be. The scenery is beautiful and Dan Tully is selling lots right now at an attractive price.**

✓ THINK THAT 650 CC motorcycle will cut down your gas bills to "the corner" Sandy? Too bad Mr. Brouillette doesn't sell gas there.

✓ **ADVERSE WEATHER CONDITIONS and the fact that the 'other Expo' is such an unqualified success combined to cut gate receipts at the 1967 Ormstown Exhibition by a substantial figure. This year there were 15,000 paid admissions, down almost 2500 from last year's all-time record of 17,500, but officials are not concerned. "It was difficult to judge how the attendance figures would prove, "Carlyle Dickson, secretary-treasurer, told The Gleaner. "We thought there might be more because some people would be bringing Expo guests, but at the same time we realize figures might show a huge drop. As it is, we're quite happy. It's not easy to make new attendance records every year and we've been doing that for almost ten years."**

✓ GENERAL CONCENSUS was that the '67 Ormstown Exhibition was away and beyond the best fair yet. Livestock exhibits were more numerous, there were more displays on the grounds, every class was well represented and the King Reid Midway was much bigger. The Ormstown Majorettes and Moppets, as well as the Ormstown bandsmen, were excellent. The dog show, new this year, was good and it is to be hoped this will become an annual feature. The military display on Friday evening was most disappointing but it served to make local people realize just how fortunate we are in having a good home band and well-trained Majorettes and Moppets.

Officers Installed For Legion And Auxiliary In Huntingdon

The Regular Monthly Meeting of Huntingdon (Que. No. 81) Branch, Royal Canadian Legion, held Thursday evening, June 8th, 1967, was, in part, also concerned with the election of Officers and Members of the Executive Committee for the ensuing year. The meeting was chaired by the President, Comrade Anne Cameron, except during the period devoted to the elections when the chair was filled by Comrade Henri Lefevre, at the request of the President.

As Chairman of the Nominations Committee which had been appointed at the time of the May meeting, Comrade Jack Elliot presented a proposed slate of the Officers and other members of the Executive Committee which included replacements of several of the members of the Executive Committee who had given good service in that connection. However, the slate was tacitly accepted with but one exception. One of the proposed new members of the Executive Committee declined on the grounds that his appointment would be in replacement of at least one of the previously hard-working, regular attending members of that Committee. His place was therefore filled by a "from the floor" nominee.

The Election Chairman therefore declared the following duly elected to hold office for the ensuing year:

President (reelected): Comrade A. B. (Anne) Cameron; 1st. Vice-President (reelected) Comrade Henri Guerin; 2nd. Vice-President (reelected): Comrade Pieter Arnold.

Secretary (reelected): Comrade Mary Elliott; Treasurer: Comrade Dr. Fred Horsley. Sgt.-at-Arms (reelected): Comrade H. Percy McGowan.

Members of Executive Committee (in addition to the above named Officers): Comrades Jack Elliot, Reg. Daniel and Erik Rottensten (all reelected) Edege D'Aoust; Dan Galipeau Allan Helm and Paul Patterson.

Comrade Henri Lefevre was appointed a member of the Board of Trustees to replace the late Comrade C. A. Lewis.

Chaplain: Rev. H. Lowenberger. The following were also appointed Honorary Chaplains: Right Rev. Monsignor J. A. David; Rev. Father Gareau; Rev. R. P. Stote; Rev. G. McMichen.

The following were also unanimously reappointed: Honorary President: Dr. K. G. Cameron.

Honorary Vice-Presidents: Messrs. Leo. Cappiello Stanley Currie; Kenneth Fraser, M.P.P.; Alister [illegible]e; Ian Watson, M.P.

On the following evening, Saturday June 10th., the Officers and Members of the Executive Committee, likewise those of the Ladies Auxiliary of the Branch were duly installed by Mr. George F. Calver, Provincial Secretary, Quebec Provincial Command of The Royal Canadian Legion in a very impressive way indeed. During the course of he introduction of Mr. Calver President Anne Cameron referred to his distinguished W.W. II Active Service with the R.C.A.F. during the course of which he lost a leg when on a Bombing Mission. Reference was also made to his distinguished record as the long time Service Officer o same prior to his recent appointment as Provincial Secretary, Quebec Provincial Command. The acting Sergts-at-Arms in assistance to the Installing Officer were Comrade E. Button of the Branch and Mrs. Earl Middlemiss o the Ladies Auxiliary.

In conclusion, Comrade Cameron graciously thanked her fellow members for the support given to her as President during the past year, and fo he honour of being reappointed for a second term of service. Similar thanks and sentiments were expressed b Mrs. Paul Valdemar who was also reappointed President o the Ladies Auxiliary for a second year of service.

Following the adjournment of the meeting the Ladies Auxiliary served a luncheon

RECENTLY MARRIED IN HUNTINGDON

JOHNSON-CALDWELL

The mariage of Shirley Ann, daughter of Mr. and Mrs. Kenneth A. Caldwell, of Huntingdon to Mr. Kerry Stephen Johnson, son of Mr. and Mrs. Vincent Johnson of Huntingdon, took place on Saturday, May 20th., at St. Andrew's Presbyterian Church, Huntingdon, with Rev. George McMichen, M.A., B.D., officiating at the double ring ceremony. Mrs. Ethel Smellie played the wedding music. Standards of pink gladioli and white carnations with greenery were used as decorations.

The bride, who was given away by her father, looked charming in a floor length sheath gown of white silk organza over taffeta, styled with Empire waistline, her train of embroidered daisies was attached by bows descending from the shoulder. She wore a single strand of pearls

Miss Judy Caldwell, sister of the bride, as maid of honor wore a shocking pink frock. Miss Karen Beaton and Miss Daphne Johnson, as bridesmaids, were in pale pink frocks. All wore similar floor length sheath gowns with Empire waistline and matching lace coats and pill box style headdresses of matching material and tiny veils. They carried cascade bouquets of white miniature carnations and greenery.

The little flower girl Sherree Smythe, cousin of the groom, looked lovely in a long gown of shocking pink nylon chiffon over taffeta, and carried a basket of rose and white colored carnations. The ring bearer was Gordie Caldwell brother of the bride.

Mr. Daryll Johnson acted as best man for his brother and the ushers were Mr. Brent Johnson, Mr. Kenneth Merson, Mr. Sandy Dobson and Mr. John Gardiner.

Mrs. Caldwell, the bride's mother, was attired in a turquoise silk butte knit suit and wore a black metallic hat with maching accessories and a corsage bouquet of pink carnations.

Mrs. Johnson, the groom's mother, wore a sheath gown of champagne colored lace with matching coat and flowered hat with deep pink matching accessories and a corsage of deep pink carnations.

Following the reception at the Canadian Legion Hall, the couple left from the bride's home for Virginia, the bride travelling in a pale turquoise dress and coat ensemble and matching hat. Her accessories were bone white and she wore a corsage of yellow carnations. Upon their return they will take up residence in Ville de Lery.

Prior to her marriage, Shirley was entertained at a linen and personal shower in Montreal by Miss Karen Beaton, R.N., and miscellaneous showers in Huntingdon at the home of Mrs. Cyril Stewart, also at the home of Mrs. Kenneth Dunn, with joint hostess Mrs. Clarence Stark.

Editorial Notes..

A Disappointment And A Let-down

A large attendance turned out for Ormstown Exhibition on Friday night and it was fairly evident that this increased attendance was due to the advertised appearance of the Royal 22nd Regiment Band and a squad of other members who were to stage special drills.

In connection with this, people had in mind those smartly uniformed men in their black busbies, red tunics and blue with red striped pants. They had seen such a group at Allan's Corners less than a year previous and while everyone did not see this display, it did become the talk of the Town. Those who had missed it therefore felt that the present one was an opportunity not to be missed. Furthermore, Mr. John K. Dickson, President of Ormstown Exhibition, was promised either at that time, or later, that he would get a similar display for this year's Exhibition in view of this being Centennial Year. Mr. Dickson spoke to us at the time and we thought it would be a wonderful attraction. Time wore on and we received no word until last week; we reminded Mr. Dickson and he then told us he had the announcement, but only just. He was happy and so were we for him.

To use the title of a book "Great Expectations" — Friday night arrived — but what a disappointment, what a let-down! At this point we want to stress that we place no blame on these men who took part in this display, or the officials of Ormstown Exhibition. The men taking part did their best and the band too. There was some mention of those taking part in the drills being cadets from Valleyfield, where the band came from we are not sure. The whole evidently came from St. Jerome that evening.

Our beef, which we believe legitimate and one which is backed by the attendance in Ormstown Arena on Friday night, is with the officials, responsible for sending this contingent to Ormstown. It was a rank betrayal of trust — it had the flavor that anything would do.

We wonder if it ever occurred to the officials in charge of this regiment that they take their name from the County of Chateauguay to which they were sent. That very thing makes it imperative that only the best should be sent. Furthermore it was here at the site of the Battle of Chateauguay that this regiment made great honors and it is marked as a historical site. Is there any other place more entitled to have the best of this regiment and for it to be as colorful as it can be for such an occasion as Canada's Centennial Year? The band was not capable of playing as well as our own Ormstown Band and its equipment was poor — the uniforms were ill-fitting even though that was the only part of the unit in the busbies, red tunics and blue pants. To add insult to injury, while the music was played for the drills, it was of the canned variety while the "Band" stood idly by. It played about one selection during the whole time. Up in the visitor's box sat a number of officers of this unit — were they responsible for this presentation? The members taking part in the drill were in Khaki uniforms — the color was not there. To make matters worse the whole group was late in arriving — this is unforgivable in military circles — to be late. Let a member be late for parade and he would be reprimanded.

This has done much to impair the image of this regiment in the eyes of the people who attended Ormstown Exhibition; It had an effect upon the reputation of this newspaper, as the announcement made in all good faith intoned a much more spectacular display; it cast a cloud over the Exhibition as people asked one another "What they were getting?"

We feel that this demands an explanation from whomever was responsible for sending this unit to the Exhibition and it should be good. Only in this way can reflections on Ormstown Exhibition be answered. We understand that Mr. Dickson feels the matter keenly and shares the disappointment of others.

One remark overheard was as follows: "From the way The Gleaner described this display, we thought that it was to be really something."

A Short War!–But A Long Peace?

It would seem that the war between Israel and United Arab Republic has ended with a Cease Fire Order from the United Nations. At least the Cease Fire has been agreed to by the belligerents.

For the few days that it lasted, we got the impression that it was a most one-sided affair. The Israeli forces rushed forward with incredible speed into the UAR territory and captured it almost without opposition, it appeared. We expected a much stiffer opposition on the part of the UAR forces, especially with all the talk that was coming from President Nasser, of Egypt. This was increased with the actions of determination during the discussion of a Cease Fire resolution at the United Nations Assembly. All of the UAR delegates soundly denounced Israel, Great Britain and the United States. In addition the UAR broke off relations with the U.S.A.

Jordan was the first to agree to a Cease Fire. Israel was in agreement as long as the UAR did the same. Then came the announcement that all the UAR except Syria had agreed to the Cease Fire. To all intents, the war was over.

Reports came through of so many planes being shot down, tanks destroyed, men killed and wounded, but about the only reports of actual fighting concerned the Israeli troops. They seemed to be the only force which was making any kind of stand. On one occasion it was reported — a force of Arabs was met and they immediately turned and fled, while a number offered surrender by putting their hands high above their heads. Not a shot was fired and there was no resistance. We have heard of phoney wars, but this was a funny war. War correspondents all remarked on the absence of actual strife, although one says there were moments of great jubilation when planes were supposed to have been shot down.

Let that be as it may, what of the future? That the Israeli forces have won a victory, that they have captured new territory, appears to be a fact. Jerusalem is among these prizes and there has already been a great trek to the Wailing Wall by Jewish forces. They have reopened the port of Aqaba and could control the Suez Canal if they had a mind to.

The Cease Fire will now have to lead to talks on the Peace. Under the terms of this Peace, will Israel want to return to her former lines, to her former held territory, in fact to the point where she was prior to this upset? It seems hardly likely she will want to give up her consolidated gains. It is possible she will expect this territory gained as reprisal against UAR and to indemnify her loss in the war.

It would appear that the Peace will be much harder than the war. The world at large will expect that the terms will be such that another such incident will not be repeated in a few years time. There must be recognition between all parties that what is set down is what is agreed to and lived up to. Any one country breaking such an agreement would immediately become an aggressor no matter who.

If this Cease Fire can bring about the desired results, then the United Nations can once more be regarded as an instrument of peace. However, we feel the need for an international police force to back up the requirements of the United Nations. There must be more teeth put into this section and furthermore such a force should not be able to be ordered out of any country without a full hearing before the United Nations. Only a majority vote from that body should be able to withdraw any United Nations Peace Keeping Force once that force has been placed. Such force would immediately report any disturbing incidents to headquarters and be empowered to put down small incidents through court actions and hearings.

The easy withdrawal of the peace-keeping force from Egypt in this case, was to our mind a weak link in the chain of the force. If more time was required before the force could be removed, it would be a retarding action and require time to be carried out. Meantime the opponents would have a period to cool off.

More and more today we hear of Keeping the Peace. It is thus we believe that all armies in the world should be peace-keeping forces and not used for war. As a peace-keeping force they should be able to put down uprisings and restore order wherever and whenever required to do so. Under such conditions it is possible that war would eventually be outlawed. It would have a tendency to nip in the bud any plots for overthrow of governments, or if they did occur they could be put down more quickly and efficiently. The perpetrators would be brought to trial and punished accordingly.

It is an ill wind that blows no one any good, so perhaps out of this fracas a greater United Nations will be born.

THE ANNUAL SUCKER PLAY

Tranquillity is the most evasive thing in the world. At least, it is if you have a family. There must be a few rich, happy bachelors who can put their feet up, read a book and take a trip without becoming involved in several hundred irritations.

Every spring I go through the same routine, and I can't understand why an intelligent man can be so stupid and suckered annually. All it proves to me is that experience teaches you nothing, contrary to the old say.

Each year, May beckons like a beautiful maiden clad in the flimsiest of draperies. Every year I pursue her, panting (or puffing). And each year she turns out to be an old bat garbed in potato sacks, with a wart on her nose, falsies, and bad breath.

The worst of the Winter's grind is over. And I look for green leaves and a warm breeze, for a soft rain and a warm sun, for a little cool fishing and some hot golf, a little puttering in the yard. Nothing, wild, colorful or exotic. Just a touch of tranquility. And every May it eludes me with the ease an eel would elude an elephant.

Mostly, it's the Old Lady's fault. Like many women, she begins to see all that shabbiness, in the yellow Spring sunlight, and acts accordingly. For a solid month. I've been looking at drapery material, wallpaper and chesterfield covering. Saturday night, I'd had enough. I told her flatly that I didn't care if she decorated the whole house in pink and purple, but to include me out.

Then I get a one-hour lecture, citing various neighbors and brothers-in-law, on my short-comings as a husband. So I finally tell her which of the materials I detest. And then she tells me what rotten taste I have.

And I bridle. Yes, I literally bridle. It's quite a trick. I tell her I like the chesterfield as it is. We've only had it 16 years. I ask her what's wrong with the drapes we have? I refuse to admit the rug needs cleaning. And then, as they say, the fat is in the fire, sputtering in all directions and burning painfully when it hits.

And I stomp out into the backyard, quivering with rage, and fear, and glare at the "compost heap"; a pile of old leaves and stones I didn't get raked last fall. And she stomps right after me and glares at me. And I stomp right in again and blurt defiantly, "Well, have it your own way, dear."

That's the only way to settle that. And I thought everything was cleared up and I might get a smidgeon of tranquillity. What a hope. Our prodigal turned up the next day, and we had to kill a roast of beef. And I was expected to take him aside and have a "good talk" with him and "straighten him out."

He was tanned and fit, with a beard that makes him look like a minor prophet. Had just had a pleasant six weeks, humming around Mexico and the Southern states. Worked for his keep, here and there, from selling fruit in a market to being a servant for a wealthy couple. He's 19.

Had broken a finger, Indian wrestling on the beach at Acapulco. A mexican doctor set it, badly, and it has to be rebroken and reset.

How do you have a "good, straight talk" with a kid who just grins, listens to the blast, and says, politely, "Dad, I have all my life to go to college and settle down to a job and raise a family. What's the rush?" What, indeed?

It offends my puritan upbringing, the whole protestant ethic of hard work, and the capitalist-materialist outlook of our society. But I can't help a sneaking agreement with him.

I've been hacking away for 20 years, and have wound up with a couple of kookie kids, a kookie wife, a car owned by the bank, a good-sized mortgage and a job that is draining my life away, drop by drop. What, indeed, is the rush?

Oh, well. Now the family has decided we're going to Expo, and there goes the last hope of a modicum of tranquillity. And what the heck! Tranquillity is for old guys. And I ain't an old guy, he said shakily.

There's always next Spring.

CALF SCRAMBLE PROVIDES FANS WITH EXCITEMENT

Its looks above as if both the boy and the calf are played out and they are both taking the opportunity to rest. A closer look shows that the boy is trying to get the halter on the calf and at the same time he dare not let go his grip on the calf's neck. So they play it out and he won.

Thursday proved to be another full day at Ormstown Exhibition and the crowd loved every minute of it. The many exhibits throughout the Exhibition provided much for the patron to see during those hours when generally it was quiet. Later in the evening the Horse Show provided the basis of entertainment. There were several events on the program which attracted more than usual attention.

The parade of show ponies provided a dazzling spectacle as they made the rounds of the ring in their gay colors, both ponies and riders. It became so hard to make a decision that the judge awarded seven ribbons and gave the balance of the exhibitors a prize of $2 each from his own pocket. It is hard to disappoint the youngsters.

The pony musical chairs was another attraction that gave the patrons plenty of excitement and the exhibitors lots of action. One might say that this ended on a musical note when the last chair was seized and the winner was declared.

The Calf Scramble sponsored by Green Giant was a period of unrestrained excitement. When the calves were let into the ring, one was reminded of a Spanish or Mexican bull fight, the difference being that there were many calves all at the same time. The matadors were not armed with cape and sword, they wore overshirts stating the event they were entered in and carried halters to 'snare' the calf. The "matadors" did outnumber the calves, but not by many. The calves bunched at one end and the catchers at the other. Officials began to break up the calves and the word was given to the boys "go." The Scramble was on and what a scramble it was, boys were under the calves in one's two's and three's one minute then the calves were under the boys. Several of the boys got up shaking their heads and rubbing themselves, but were not deterred. Off they went after the calf, or another one, as the case may be. Some of the boys got a loving embrace around a calf's neck and refused to let it go despite the struggle put up by the calf. Eventually a few got the halter on the calf and brought it to the finish line. However, there were some calves who were much more stubborn and while they would go back to the starting line, they would not go to the finish line. One little fellow, a bull calf, started getting rough toward the end and butted the boy who was trying to get him home, sending him flying two or three times. Officials thought this was a little too dangerous and promptly got the young bull out of the ring. The last one to the finish line was most stubborn, but the boy who had caught him seemed just as determined not to lose hold. He did slip the halter once, but he was quickly clamped with a headlock and the halter once put into place.

Then with some persuasion he decided to go toward the finish line. Within feet of the line, he decided to balk again and another tuzzle ensued before the end of the scramble could be proclaimed. It seemed that all the boys got some sort of prize and indeed they had earned it. It was a tough period for all of them.

Well, it rained most of the evening and the patrons huddled under cover and of course there was no better place than the arena for this so the show inside had a fair attendance for the night show. In between spells of not raining, the people went outside and enjoyed the midway attractions. The Industrial Building was a crowded place as it afforded good cover, thus more attention was given to this than might have been the case.

The Centennial theme was not missed as certain groups paraded in period costumes to give color to Canada's Birthday Year. On one such occasion during the awarding of the ribbons to the Pony Parade, the two ladies and the gentleman awarding the prizes were dressed in period costume. Over in the Industrial Building a number of ladies there were dressed in period costume. We hope to have pictures of these with this issue.

There is no doubt that this year Ormstown Exhibition carried the Centennial Theme into action.

Th., student minister at Howick United Church for several years was among the graduates and a number of members reprensented the congregation on this special occasion.

39th Anniversary Service

A cross, beautiful in its simplicity, given by the Brady family, was dedicated at the service on Sunday morning, June 11th., at the United Church in loving memory of the late Mr. and Mrs. Homer Brady and to the Glory of God.

This impressive service was conducted by the Rev. William K. Hudson and Kenneth Younie, Clerk of Session. Peter Miller sang, "When I Survey the Wondrous Cross."

It was also the 39th anniversary of the Howick United Church and Mr. Hudson preached a sermon appropriate to the occasion using the text, "How Great Is Your God?" The choir directed by Mrs. R. Stewart sang the anthem, "The Lord is in His Holy Temple."

Successful Exhibitors

Last summer and again recently we urged people to enter the competition at Ormstown Exhibition. Among those who listened and acted were several members of Howick Seniors' Club and as a result there are some happy prize-winners.

Mrs. James Marsden won first prize for an afghan which she made during the winter. Mrs. J. D. Lang, at one time a regular prize-winner in many sections, made a sucessful comeback in handicraft and flowers taking 5 first, 10 seconds and 5 thirds out of 25 entries; Mrs. J. Roy Younie a second-time exhibitor had the first prize Muffins and shortbread; Mrs. Gordon Easton entered 3 articles in the 70 year and over class and won first prize. Her entries were a Centennial quilt, fancy apron, pair of pillow cases with tatting; Mrs. Jim Crawford won 4 first, 2 seconds and 2 thirds out of 11 entries.

Mrs. Keith Hale doesn't belong in the senior class but entered for the first time and won first prize on a bedspread and several others. We know their enthusiasm will spread and others will enter next year. Read the prize list carefully and you may find other names from this district. Congratulations to all of them. Don't forget also to read the names of the 4-H Club members and their achievements at Ormstown Ex.

Among the local first prize winners are Carolyn Templeton, Ralph Templeton, Bobby Scoble, Larry Ness and Andy Ness. The leaders work hard training these young people and many of them do very good work and we are proud of them. Jean and Diane Vaillancourt of St. Chrysostome, members of the local 4-H were first prize winners also.

Reunion At Curtis Carson's, Franklin Centre, On June 4th

We hear of many wonderful things these days, but what is more wonderful or soul — satisfying than for a family to be united again after a 40-year separation.

Such was the case when Eleanor, Melvin and George gathered at the old home now owned by Curtis to honour George on his return from B.C., on Sunday, June 4th.

During this time they had never seen him but he was always a good correspondent and kept in close touch with the family.

A record for a man is it not?

Also the many gifts to his mother were well-chosen, beautiful and practical.

These were highly appreciated "Trees" were his life — big beautiful B.C. trees which gave him the work he liked.

He enjoyed meeting Curtis' wife, Marjorie and family, Gertrude and Duncan. Also it gave him genuine pleasure to meet Gertrude's husband, Cliff Davidson.

Cliff and Gertrude were home for the week.

"What is so rare as a day in June?" was aptly termed for this particular occasion. Countryside was beautiful everywhere.

Bouquets of lilacs and apple blossoms adorned the rooms.

A lovely turkey dinner with pies and buns that have Marjorie's delicious touch was enjoyed by all.

After dinner a pleasing call was made by Clifford and Ethel Lamb. Cliff was an old schoolmate.

Then old-time line-fence neighbours arrived — Martin, Mary, Rufus and Charlie Brooks.

Expeniences were compared, many delightful old memories were recalled, school days mentioned, various changes noted, all in a jovial happy mood.

Cliff and Gertrude took various pictures of the group to remember the occasion.

Then Eleanor showed a picture taken 59 years ago of the Carson children.

She suggested to Cliff to take the same 3 brothers and sister in the same pose. He did.

Marjorie and Gertrude served a delicious lunch after which the group broke up.

Hearty invitations were extended, best wishes were exchanged and each left with the hope that some time again there might be another happy Reunion.

MILITARY SPECTACLE A REAL DISAPPOINTMENT ON FRIDAY EVENING AT ORMSTOWN FAIR

While we have no official figures to go by, we would estimate the attendance at Ormstown Fair on Wednesday and Thursday was less than the past few years. However, on Friday we would say it was nearer the previous records for both day and evening. The big attraction for Friday evening was billed for an appearance of the Royal 22nd Regiment band and special drill squad. There was an air of expectancy as the time approached for a break in the program of Horse Show events when the special attraction was to appear.

Time went on, several more horse events were shown and no Military Display. Suddenly an announcement was made that the delay in the appearance of the military display was due to the fact that it had not yet arrived. Something had happened to delay the unit which was coming from St. Jerome.

Finally a few uniformed officers began to make their appearance in a scurry of activity and the announcement came that the unit had arrived. Soon the band made its appearance and marched into the Arena and around. There was a burst of applause in expectation of what was to follow. The band was not the regular one of the Royal 22nd as seen on other occasions. They halted at one end of the arena and played one selection before the drill squad came in. When it came in records were played over the sound system for them to march to and do their drill. They were dressed in khaki uniforms in place of what had been expected they would be in, the traditional and colorful uniform of the Royal 22nd. Further they were not a regular unit, but cadets.

Murmurs of disapproval were heard on all sides that the colorfulness of this famed regiment was not to be seen. Following the completion of the drill the band filed out and the show ended.

While those taking part in the drill performed their part splendidly and the audience showed its appreciation of their efforts in applause, great disappointment was voiced by a large number that it was not what they expected.

A few more horse Show events brought the evening's program to an end.

It was announced during the evening that Marc Sauvé of Valleyfield was the winner of a Water Heater donated by Hydro Quebec. A ticket was drawn for in the Arena and Marc Sauve was the lucky one.

The pony potato race provided plenty of thrills as the contestants and their ponies raced from one end of the Arena to the other in their efforts to win the event. The ponies of course put on their acts as well as they became balky and stubborn at times. The winner of this event was announced as Eben Murphy.

The Miss Ormstown's with Mayor Riendeau accompanied Major Renaud, commanding Officer of the Royal 22nd, at the opening of the program of this unit.

The midway was well patronized on this evening as a number of people left the arena early and did not return.

Annual Scout Group Committee Meeting

ORMSTOWN — The annual metting of the Ormstown Cub and Scouts committee was held in the Legion Hall, on May 31, with parents in attendance. Secretary E. Arnott reported an excellent year and presented the activities of the group as well as a brief resume of further plans. Other business was attended to and the election of officers named Mrs. Archie Borland as new President to replace Mr. Doug. Glover.

The highlight of the evening was the presentation of a gift to Mr. Everett Arnott as a token of appreciation from the group committee and as a parting gift on behalf of all present. Mr. and Mrs. Arnott will take up residence in western Canada sometime during the summer.

Taken completely by surprise, as he was presented with a beautiful combination desk and clock set, by President D. Glover, Mr. Arnott thanked his friends for their thoughtfulness and said how much he had enjoyed the work during the past months. He wished the troop and committee success in the future. District Commissioner C. E. Zeagman spoke of the fine work done by the secretary during the year and said how much they would miss Mr. Arnott. Delicious refreshments prepared by the parents were served following a social hour.

4-H Universal Campsite Well Booked

Ormstown Exhibition Grounds will become widely known as the 4-H Universal Campsite from June 19th to Sept. 16th. Next Monday campers from Saskatchewan, Michigan, New Hampshire, Alberta and Ontario will take up their sites as overnight Expo guests of the Ormstown 4-H Club. It will be in the interest of all citizens to make these 4-H families feel at home while visiting our town. Club members from as far away as Ohio and British Columbia will be in Ormstown during the summer months. This worthwhile project of Ormstown 4-H members who have all worked hard to make it available to their confrères in other parts of Canada and U.S.A., has been well publicized all across Canada and U.S.A.

Ormstown Police Have A Busy Week

Each Fair week brings its quota of vandals into our town and this week was no exception. Whether our local vandals seek the company of larrikins from afar, looking for new ideas, or vice versa; the two groups got together Thursday evening and ripped flags from various homes on McBain Street, breaking lawn chairs and demolished a beautiful bird house on the property of Mr. and Mrs. Victor Curtis. It was three days later that they were finally tracked down by Constables Rennie and Barrington. Upon admitting to the destruction, they were forced to pay costs amounting to $20. each and were given a severe repriman.

On Saturday, Miss Judy Cavers was driving through town when she was hit by a hit-and-run driver. Once again the local police left no stone unturned until the culprit was tracked down. He proved to be a minor who was driving his father's car ... without a licence. He was promptly turned over to Provincial Police. A group of motorcyclists caused some disturbance in town during the week, not only in the village proper but on the show grounds. It was unfortunate that the Security Guards seemed not to be able to cope with the parking problem of the visitors and they had to be forced to move their vehicles by certain citizens.

Through the efforts of Constable Rennie and the council, the Provincial Civil Protection officers put on a demonstration at the fairgrounds on Saturday. They showed how to remove a person from a top storey window, how to wrap the wounded for stretcher carrying, how to treat broken limbs and many other ways to handle fire victims. The demonstration was well attended and much appreciated ... it was entirely volunteer.

The residents of Ormstown are proud of the appearance of the police officers, now that they have new uniforms. The suits are roomy, neat and most official looking.

DON'T MISS ORMSTOWN'S GALA PARADE AND DANCE

The parade committee and the dance committee of the Centennial Group in Ormstown have been busy finalizing the plans for the gala party they will throw on June 30th. The parade committee headed by Mr. Alex McCaig and Mrs. Angie Barrington are asking all citizens to wear their vintage clothing, in keeping with the theme of the parade, 1867 - 1967. They also hope that all householders will decorate their homes for the occasion with flags or bunting.

A dance will be held immediately following a display of fireworks. The display of fireworks will be the finest seen in the village in many years it will be under the supervision of the local firemen. Be sure to attend the functions on June 30th and personally help celebrate Canada's 100th birthday. The dance is under the direction of Jasper Lamb and Florian Guerin. Lunch will be served to all, this committee is directed by Mrs. Denise Beaulieu.

velled to MacGregor. We stopped on our way in Portage-La Prairie to attend a Ukranian Mass in their Greek Orthodox church. At noon we were in MacGregor and our Roman Catholic priest, Father Daigneault, and our Anglican minister, Reverend R. Stote, took part in an Inter-Faith service on the timely and appropriate theme that all our beliefs are centered in one and the same God.

The afternoon visit to an open air museum of old iron tractors, combines, fire engines, and cars was most interesting. It was hard to believe that these mammoths, some of them weighing 16 tons, were actually used in the fields. Some were fired by straw, others by coal, wood or gas, those which were in running condition could be manipulated with amazing ease, but I considered it wise to remain out of their paths.

That night the people of MacGregor entertained us with a program held after a Pot Luck Supper. We were part of the entertainment — we led them in the singing of a few favourite songs of our area and gave them a demonstration on how to auction off a MacGregor tartan hat — Bill Hooker style. MacGregor is proud of its historical name and presented its Quebec friends with tartan ties, sashes and sachets.

On Monday morning the official "twinning" documents were signed and sealed by the mayors of both towns and parishes. The ceremony took place at the Town Hall. Afterwards we visited the classrooms of the public and high schools, both of which are modern buildings. 140 students attend the High School. The primary grades are very enthusiastic about learning French and our visit to them helped to lift the language out of the mere written words in their text books. Many of these children have pen pals in Ormstown and are eagerly writing and awaiting replies.

During some free time on Monday afternoon, some of us visited other farms and ranches in the area. My comrade "hostesse" and I went horseback riding over seven or eight miles of our host's 4,500 acre ranch. We were both impressed by the wide open spaces of the countryside formerly familiar to us only in pictures. On Monday night, we became acquainted with more of the people at a public dance in the nearby village of Austin. Again we were made welcome and introduced to everyone present as their friends from Quebec.

Tuesday morning marked the beginning of our last day there. We visited the schools in the village of Austin, sat down to the last dinner by those illustrious cooks and made ready to travel back to the Winnipeg airport where our plane was leaving at six o'clock.

The farewells were not sad but happy in that the exchange of culture and friendship had been so successful. We are all awaiting the near future when MacGregor will come to Ormstown and we will have the chance to return their hospitality and to show them our area.

CAROLE HUGHES

Mayor Bruno Beaulieu

Mayor Bruno Beaulieu, a member of the Board of Directors of Quebec Municipalities and a director of the Centennial Union sponsoring the twinning programme for the Vaudreuil-Soulanges, Chateauguay, Huntingdon and Beauharnois area, was interviewed by The Gleaner on Saturday and we would like to add a few of his observations to the informative article above compiled by Miss Hughes:

"The project of twinning municipalities of French Canada with municipalities in other provinces was organized by the Centennial Commission. Our group was comprised of fifteen Ormstownians and we accompanied representatives from the Town of Mount Royal and others from Joliette to Manitoba. Twenty-seven Quebec muncipalities are twinning with centres in other provinces, from coast to coast, and I believe it is a wonderful opportunity for Quebecers to establish friendly relations with other Canadians.

"Did you know that in nine times out of ten, representatives of the other provinces all asked to be twinned with Quebec municipalities?

"We left Dorval Friday morning, June 2, and arrived in Winnipeg around noon. We were welcomed by Mrs. Forbes, Minister of Municipal Affairs, and were taken on a guided tour of the Manitoba Legislative Buildings. One of the guides was a French-speaking girl, Yvonne, who was truly charming. The buildings of Greek design, are as valuable as any I have seen for their esprit of culture. Every detail, even the decor, had a meaning and all was designed to inspire people to a higher life and better ideals. Mayor Jean-Paul Riendeau and Mrs. Riendeau and my wife and I were head table guests at a banquet that evening when Premier Duff Roblin was the main speaker. The Premier spoke in English and also in the very best of French. Incidentally, forty guests attended from MacGregor, our host town, despite the fact that a Centennial Ball was being held that evening in MacGregor.

"MacGregor is 83 miles from Winnipeg and the town and municipality of North Norfolk has a population of 3500, just about the same as our town and St. Malachie. The town and municipality there also much like here have much in common: they have one fire department for both, one secretary-treasurer, one town hall and so on. With two mayors, I think "twinning" was a misnomer for Ormstown and MacGregor, actually we're quadruplets.

"MacGregor celebrated an inter-faith church service for us on Sunday. There is no Roman Catholic Church there and that Sunday was the first joint church service. Many of us have been corresponding with people in MacGregor for over a year though and they knew all about our Ecumenical services here in Ormstown. Our Parish Priest, Father Daigneault, stayed with the United Church Minister at MacGregor and the Rev. Mr. Stote stayed with the Church of England minister. Rev. Stote gave the address at the joint service and his subject was "Friendship and Church's one foundation: Jesus Christ." Lunch was served after the service in the church hall and I think eating and praying together was a wonderful experience for all.

"Maybe people thought we'd stand like sticks of wood and not say anything, but we soon broke down any reserve. When we first met, I joked with them and they soon realized that all French-Canadians were not the separatist type they had been reading about in some papers. They quickly learned we have the same ideals as they have and all the other fine traits of good Canadians of any nationality. The children were wonderful and actually hugged us. Everybody called us by our first names. Our two hostesses were real ambassadors of good will and Judy Willis of MacGregor will be coming to Ormstown this summer to be a guest at the home of Louise Laberge (Mademoiselle Ormstown). My daughter Anne-Marie has been corresponding with Colleen, 11 years old, and before we left Colleen gave us a necklace for Anne-Marie. Michel has a pen pal there too, Robert Butterfield.

"Bill and Jean Hooker accompanied us on their own and I introduced them simply as representing Bill and Jean Hooker. They made a great hit and Bill was asked to call a square dance. That night they had Bill auction off a Shaganapee (a beautiful fur tie with a Centennial symbol) and after Bill sold it to Hank Schroeder, MacGregor High School Principal, Hank had it wrapped and presented to Bill the night we left.

"Besides Mayor Jean-Paul Riendeau and Mrs. Riendeau and my wife and myself, we were accompanied by Father Daigneault, Reverend Raymond Stote, Ormstown hostesses Carol Hughes and Louise Laberge, Jack Taylor who represented the service clubs, our Secretary-treasurer Mrs. Dora Barrington, Keith Greig representing the Protestant School Board and Mrs. Greig, Robert Guerin representing the Catholic School Board and Mrs. Guerin and Bill and Jean Hooker.

"Our welcome had been warm and our departure was even warmer. The morning we left we walked down the main street and everyone shook hands and said they hoped we'd meet again, again calling each of us by our first names. When we had arrived from Winnipeg, we travelled by bus, but going back to get the plane at Winnipeg was different: we went by car and only two of us were allowed in each car ... they wanted to prolong their visit with us as long as possible. If you people are representative of French Quebec, then that province must be a wonderful part of Canada."

Mayor Beaulieu also told us that he and his family would be returning to MacGregor," but not until after their return visit to Ormstown and St. Malachie. Forty-four school children will be visiting Expo along with five chaperons, and they've promised to come here."

The following is a letter addressed to Mayor Beaulieu for the students of the Ormstown schools:

Students of Ormstown:

The MacGregor Collegiate Student council and Expo Committee hereby pledge to visit Ormstown on our trip to the province of Quebec. Let us assure you we will make full use of the hospitality offered to us by your mayor, Monsieur Beaulieu. We also extend our hospitality to your students if they can make a return visit to MacGregor. We would be prepared to receive you at any time convenient to you, whether the time be Christmas, Easter, or summer holidays. We promise to show them a good time and it will give them a chance to see our province, as well.

Yours sincerely,

A SUCCESSFUL ORMSTOWN EXHIBITION ENDED FOR ANOTHER YEAR SATURDAY

Well once more Ormstown Exhibition is over for another year and it was another successful event. We took a look at the exhibits in the various sections and found them plentiful and of good quality. Cattle is fully explained by Frank Napier in another column, but that section was well filled with exhibits this year. Poultry, rabbits, were in good quantity and there were some quite interesting exhibits in these sections. While there were sheep and swine, for the most part they were shown by exhibitors from out of the area. The ladies section of baking, sewing, etc. was filled almost to capacity. Flowers were not as plentiful as in some years, probably due to the late season this year.

The industrial section was well taken up by car dealers, machinery dealers and others of other lines of business. The whole provided plenty to see and learn about. In the area of the cars was a special trailer containing a $100,000 Rolls Royce. A story about this appears elsewhere.

The midway of the King Reid Shows was if anything bigger than ever. There were more stalls, more shows and more rides. It was kept busy most of the time and many were seen carrying away prizes they had won.

Both Friday and Saturday turned out to be real Fair weather days. In consequence these days were the best attended of the Exhibition period. Saturday of course saw the wind-up of the Exhibition and a number of finals of the Horse Show were run off during the evening. Trophies were awarded during the evening to various winners in the different classes. The Majorettes and Moppets repeated their show of Wednesday evening and they and the Ormstown Band won a generous amount of applause for the performance they put on.

The drawing for the Color TV sponsored by Ormstown Lions Club was made following the Majorettes performance and winning ticket which was drawn belonged to Sidney Smith, Huntingdon and he was declared the winner of the TV. Several other draws were made for prizes of $10 each. The drawing was made by different members of the Majorettes and Moppets while members of the Lions Club operated the barrel to keep the tickets well churned.

During the early part of the evening, the Ormstown Civil Protection Company staged a demonstration at the FairGrounds. They demonstrated how a person can be removed from a building by using just what is on hand. A stretcher was made of a varied assortment or articles, then a ladder was placed under a window of the Industrial building with ropes tied to it. The stretcher was tied to the top of the ladder and using the building as leverage for the bottom of the ladder, the stretcher was pushed out of the window and gradually lowered to the ground, coming to rest on top of the ladder. A live model was used in the demonstration. The large crowd watching the demonstration gave a hearty round of applause.

Chateauguay News Notes

Town of Chateauguay's recent Council meeting was concerned with opening of tenders for various public works. Quite a number of bids were received on the following:

(1) Tenders for water, sewers and paving on Watt Street between Edward and Maple. (Reservation Investment Corp. are planning a housing project in this area).

(2) Tenders for paving the newly widened road on St. Jean Baptiste Blvd. (Rte. 4).

(3) Surface drainage, sidewalks and enlargement of paving from the limits of Chateauguay Centre on Vanier to Cadastral lot 57. This would be 770 feet from the Centre's limits and would join up with Centre's newly widened road and sidewalks.

An elector's meeting will be held on June 21st at the Town Hall, 5 Station Road from 8 to 10 p.m. regarding the by-law for sidewalks on one side of St. Francis Blvd Cost will be as follows: 50% chargeable to property owners on both sides of St. Francis (on a frontage basis) and the remaining 50% charged on a valuation basis to property owners on both sides of St. Francis (on a frontage basis) and the remaining 50% charged on a valuation basis to property owners in Wards 6, 7 and 8. Full cost including interest is to be $64,000. All those whose names appear on the tax rolls in the three above wards are eligible to use their franchise (?) to vote either for or against this by-law.

Town Council adopted a by-law for the provision of curbs, sidewalks, widening of paving on Elmridge, Concordia, Rideau, Doucet, Woodbine, Oliver, Crestwood, Willow, Oak and Spruce Streets. All these streets are above the transmission lines in Seigniory Park. A loan of $129,000. for the work, is to be made providing the property owners in that area show their approval at an elector's meeting on June 21st from 7 to 9 p.m. in Town Hall, Station Road.

Discussions are being held concerning re-naming some of the various Lang Streets in the Town. The whole matter is being studied by Town officials.

Town of Chateauguay is writing the Centre asking them to consider the possible participation of both Towns in the construction of an Arena — BUT — only under the condition that the site of said Arena be more central than the actual site chosen by the Centre.

Another letter also is to be sent by Town to Centre Asking if Centre will furnish a base (or foundation) for a bus shelter on St. Jean Baptiste Blvd facing Dunver Road. Town will provide the shelter if Centre agrees to furnish the necessary base.

Town Bylaw number 257 — on lawn and garden sprinkling states that residents may use their hoses on ODD calendar days only from 1 to 5 p.m. and 8 to midnight. However the afternoon sprinkling is now forbidden only as a temporary measure and the co-operation of all home owners is asked by Town officials.

The Town maintains a sixteen inch pipe from the well to their Resevoir (Chat. Station). It was suggested about two years ago by the consulting engineers that another pipe of same volume would eventually have to be installed. The firm of Lalonde, Girouard and Letendre serve both the Town and Centre. They merely suggest methods to the Councils, and their advice is not always accepted, or acted upon. No doubt cost is considered when public works are done.

While this reporter was in the Town Police Station last Friday morning, the gauge for water pressure was at top of 65. Police state that the pressure goes up to 80 and over during the night.

A notice of motion is to be made to provide for the installation of an additional sixteen inch water pipe to run parallel with the present one in Town of Chateauguay. No doubt this will alleviate the extremely poor pressure which occurs from time to time in both Town and Centre.

Centre Council's last meeting on June 6th was a busy one with the adoption of a number of by-laws numbered 624 to 631.

By-law 626 amending by-law 251 to enact that parking tax for 1967.

By-law 625 amending by-law 212 to authorize commercial establishments of first and second class on cadastral lots 104 and 108, fronting on St. Joseph Blvd.

By-law 626 amending by-law 251 to enact that parking of vehicles in the area of construction line and the public road shall constitute a nuisance.

By-law 627 amending by-law 212 authorizing third class buildings on lots numbered 104-2, 104-4 to 8.

By-law 628 authorizing a loan of $240,000. for piping part of St. Jean Baptiste ditch, from highway 4 to Fournier St.

By-law 629 authorizing a loan of $74,500. for construction of concrete curbs and asphalt paving on Rainville, Leclerc, Hebert and Gerard Crescent.

By-law 630 to authorize a loan of $42,500. for construction of surface drainage sewers on Rainville, Leclerc, Doyan, Lauzon, Hebert and Gerard Crescent.

By-law 631 authorizing a loan of $21,000. for construction of surface drainage sewers, concrete curbs and pavement on Chapel Drive from Ste. Marguerite to Bernard.

Also at the same meeting of Centre's Council, a grant of $200. was given to the St. Vincent de Paul Conference.

After dealing with the correspondence a Question and Answer period was held in which questions were asked by both council and tax-payers present on various municipal matters.

The Arena referendum is to be held this week, on June 15 and 16, from 9 in the morning till 9 p.m. Location is at the Plaza Shopping Centre, next to Chez Monelle.

Next Council meeting in Centre will be on June 20.

By-law number 429 which is the one concerning use of water for lawns and gardens has a restriction added to it. From now on, use of hose is forbidden in the afternoons. The by-law originally states that watering is permitted on even days of the month from 1 to 5 p.m. and 8 to midnight. However until further notice please co-operate and refrain from using your hose and sprinklers while the water shortage lasts. This restriction will be in force until further notice. It will be lifted as soon as authorities have remedied the situation.

HOME AND SCHOOL

Barbara Fraser Is Re-elected The Area Director

At the recently held annual meeting of the Quebec Federation of Protestant Home and School Associations, Mrs. Barbara Fraser was re-elected for the third time as Area Director for Quebec Federation of Protestant Home and School Associations in the Chateauguay District.

Mrs. Betty Sutterlin was elected as Assistant Director — the first time the Chateauguay Director has had an assistant. The increase in population and the increase in the number of schools in the Chateauguay area necessitates an increase in the directorate.

Maplewood Presbyterian Church Notes

The guest preacher at both Sunday Services of worship this past week was Rev. Howard A. Doig, who is presently Secretary for the Board of Home Missions for the Presbyterian Church. Mr. Doig was also guest preacher at the 146th Anniversary Service of the Beechridge Church. It was a memorable occasion for many members of the Beechridge Church and for Rev. Doig also, for thirty-five years ago Rev. Doig was the student minister at Beechridge and on his return many of the old familiar faces were there to greet him. Dr. Doig in preaching at Maplewood used as his text Psalm 96, verse 1, "O Sing unto the Lord a new Song; sing unto the Lord, all the earth." The many facets of Rev. Doig's life provided him with ample opportunities to intersperse his talk with interesting illustrations and made the impact of his message much stronger.

The couples club held a most enjoyable evening Saturday, June 10th., when fifteen or so couples had a barbecue supper and pleasant evening at the home of Mr. and Mrs. Van. As.

This Thursday evening at 8 P.M. the Pre-Communion Preparatory Service and reception of new members will be held. Please see that you are present to welcome our new members and to prepare yourselves for the Sacrament of Holy Communion on Sunday, June 18th., at both morning Services.

The men of the Congregation deserve a vote of thanks for the time they have spent scraping, sanding, and painting the exterior of the Church. A nice job, gentlemen.

The Annual Sunday School Picnic will be held this coming Saturday and this is always a well attended, thoroughly enjoyed activity in the life of the Church.

The Senior Choir has recently been blessed with three new members, being distributed equally among Soprano, Alto, and Bass sections. The choir breaks for the summer in two weeks but new members are welcome anytime. If interested call Mr. Smith at 692-8849.

To those of you who have recently made your home in Chateauguay but have not yet settled into your Church life; a warm welcome awaits you at Maplewood. Two Services a Sunday 9:30 A.M. and 11 A.M. and Church groups for every age bracket.

ST. ANDREW'S NOTES

It was Communion Sunday last weekend, and Rev. Howard C. Fraser's sermon was appropriately on "The Bread We Break".

Taking their first Communion after being received into membership on Profession of Faith were the young people whose names were listed in last week's Gleaner.

In addition, members who have joined the Church on Certificates of Transfer were: — Mr. and Mrs. George Davies, 112 Philippe Street, Chateauguay Centre, from Verdun United Church; Mrs. Edward Haydon, 137 Colpron Street, Chateauguay Centre, from Valois United Church; Mr. and Mrs. Ross Ireland, 45 Daniel Street, Chateauguay, from St. John United Church in Hamilton, Ontario and Mr. and Mrs. Ross Morningstar, 6 Ranger Park, Chateauguay, from Stanford United Church, Niagara Falls, Ontario.

Last week it was announced in this column that the annual Sunday School picnic was being cancelled this year because of the counter-attractions of Expo. Disappointment at the cancellation was so widespread among the children and families that the Sunday School staff decided to re-instate original plans. The picnic will be held at Milles Roches Beach next Saturday, June 17th.

Sunday School pupils will be promoted into succeeding classes next Sunday morning, June 18th. The Promotion Service will be held in Memorial Hall at 9.45 a.m. This will mark the completion of the first three year cycle using the New Curriculum teaching materials produced by the United Church of Canada.

Chateauguay Heights' Centennial Project

As a Centennial Project — Chateauguay Heights has undertaken the planting of 300 trees of various varieties. Shown above, on the left — planting the last tree, is the Chairman of this project, Mr. C. A. (Bill) Smith, centre Dennis LaBerge and Mr Arthur LaBerge. (Photo by Pat Wilkins)

The Town of Chateauguay Heights recently completed its Centennial Project — the planting of three hundred trees throughout the Heights area.

Mr. C. A. (Bill) Smith was appointed by the Heights Council to be chairman of its Centennial Project. Mr. Smith, who has resided in the Heights for nearly fifty years, has long been prominent in horticultural circles. The trees planted included maple, black walnut, linden, mountain ash, American ash and oak. It is interesting to note that Hamilton Avenue, which two years ago lost its much esteemed elms to the disease which has ravaged the elm trees of North America, has been replanted with oak trees.

Salute To Canada In Utica

Mr. Ian Watson, M.P. (Chateauguay-Huntingdon - Laprairie), Beauharnois, Mayor Philip Boyer and Maple Leaf Committee Chairman, Mr. Thomas McDade were among the party of prominent Canadians who journeyed to Utica, New York, last Saturday to join in that city's week-long tribute to Canada. Utica Mayor Frank M. Dulan welcomed Canada's contingent, including Prime Minister Pearson's representative, Postmaster General Jean-Pierre Côté, Mrs. Yves Jasmin, wife of Expo's Public Relations Director, Mayor, J.E. Chartier of Lachine, Mayor S. Desnoyers of Dorval and Mr. James N. Bellin, representing Montreal's Mayor Mr. Jean Drapeau.

Postmaster Côté described Utica's good-will display as an "unprecedented occasion between the two countries". "When a city and a country spontaneously sponsor an event like this," said Mr. Côté, another link has been forged in the chain that binds the two countries in friendship."

In the flag-draped Utica Memorial Auditorium, five days of international friendship festivities ended with a roastbeef dinner and a mammoth four-tiered birthday cake.

Mr. Côté travelled to Utica in Mr. Pearson's personal plane, and the delegation of 34 Canadian visitors arrived on a new Mohawk Airlines FH 227 Vista prop jet, christened "Expo 67 by Mrs. Jasmin.

From the airport the guests drove to downtown Utica for a gala parade, watched by an estimated 10,000 persons. A colour-guard of four girls from the Land Rovers of Chateauguay also participated.

Mr. McDade, in his address at the formal dinner congratulated Mayor Dulan and Mr. Gayle Lytle, Chairman of the Salute to Canada Committee for their outstanding tribute to Canada as follows.

Mayor Dulan, Honourable Minister, Distinguished Guests, Ladies and Gentlemen:

I deem it a signal honour on this auspicious occasion, to have the privilege of addressing a few remarks to you on behalf of the many Canadians who played a part in helping to make Utica's Salute to Canada such an outstanding success. Together we have created a keystone in the building of goodwill and better undestanding between peoples who not only share a continent, but a common heritage. Our desires for liberty and peace based on justice and respect have found evidence in many common undertakings. We in Canada are thankful that Providence has allowed us to share a border with you.

One hundred years ago Sir John A. MacDonald, began the task of turning a primitive land toward the future. His countrymen knew the requirement would take courage, integrity and hard work, if their children were to be proud. Today as Canadians we are indeed sensible of our forefathers' toil, and respect the achievement they have created.

Canada has contributed much to the story of mankind. Her sons have answered the call-to-arms, both in defense of freedom and to guard the peace. Others equally valiant have worked and are working in the laboratories and shops to assure the world of brighter tomorrows.

Thomas D'Acy McGee, one of our founding fathers, admonished his countrymen just before Confederation, "to welcome every talent, to hail every invention, to cherish every gem of art, to foster every acquirement and every gift, to lift ourselves to the level of our destinies, to rise above all low limitations and narrow circumscriptions, to cultivate that true catholicity of spirit which embraces all creeds, all classes and all races, in order to make of our boundless province, so rich in known and unknown resources, a great new Northern nation."

We who are the spiritual heirs of MacDonald and McGee, have endeavored and will continue to try to be worthy of their dreams and aspirations.

Tonight in an infinitesimal degree we are collectively influencing the growth and progress of two nations. This is an historic gathering that will long be remembered not only for its conviviality, but for a deeper reason. Though there are different opinions and methods employed by our fellow citizens, each brings to his labour a strong conviction based on the ageless principle of tolerance for the other's point of view. It is for this reason we Canadians are honoured, happy and proud to be here in this great Empire State of New York.

In closing, may I take this opportunity to congratulate Mayor Dulan and Gale Lytle, along with their committees, for arranging this compliment to Canada. To adequately express our thanks would be an almost imposible commission. However the group of outstanding Canadians with us tonight, bear witness of their appreciation, and on behalf of all, I reiterate a heartfelt thank you.

HEIGHTS TENNIS CLUB ANNUAL MEETING

The Annual General Meeting of the Tennis Section of the Heights Recreation Association was held in the Clubhouse last Thursday evening, with President Mr. Gordon Watson in the Chair. The executive elected for the coming year was:—

President:— Mr. Watson was re-elected; First Vice-President, Mr. Paul Gravel; Second Vice President, Mr. Bobbie Moore; Secretary, Mrs. Barbara Gravel; Treasuer, Mr. Hans Vanderwoude.

Following discussion, it was decided to plan on more tournaments with other clubs. Suggestions were made that the club should try to organize meetings with Lachine Club, Moco (Valleyfield), Beauharnois and Cornwall.

The courts have been ready for play for several weeks, but the adult season will not officially get underway until Sunday, June 25, when a round-robin type of evening competition will be held for members and non-members, with refreshments being served.

The Intermediates will officially start on July 1st, Saturday morning; when registration will take place. An executive meeting will be held this week to decide on what is to be done about a coach to succeed Mrs. Penny Blink, who has left the district for Toronto.

It is understood that over 30 adults have indicated they intend to join — considerably more than in recent years. Former member Lee Gilbert is rejoining, and new members include Mr. and Mrs. Jones of Lower Woodlands, recently arrived from England.

Our Chateauguay Mosquitoes Winners Of Montreal Cup

Chateauguay's Soccer League made sporting history last week in winning the Montreal Cup (Mosquito Section).

On the way to the final, Chateauguay defeated Verdun on may 27 by 1-0. Mickey Hoscolaski scored the only goal of the match. In the semi-final, Chateauguay defeated Alexander Park of Pierrefonds by 6-0. Scorers were André Emond (2), Jan Craig, Mickey Hoscolaski, Danny Laxton and Glen Casbourne.

In the final last Saturday, played at Kent Park, Côte des Neiges, Chateauguay came from behind to defeat Rosemount Boys Club by two goals to one. Glen Casbourne scored the tying goal on a pass from Danny Laxton. Andre Emond scored the winning goal on a pass from Mickey Hoscolaski.

Congratulations, Chateauguay Soccer League, for putting Chateauguay on the map in the fast expanding soccer sport in the Montreal area.

The C.S.L. comprises some seventy teams this season.

CENTENNIAL PROJECT?

Tie-up '67

The widening of highway 3 and 4 has caused its share of traffic miseries including much danger to the Commuters of Chateauguay. Most aggravating have been the delays caused by this work. Even more aggravating are ones like last week where it became obvious that the greater part of the delay was unnecessary. There were thousands in that line up from Seigniory Park to Mercier Bridge as most were an hour or more late for supper. It should have been less than half that time if Authorities had used even the simplest common sense. Or is it that they cannot be bothered

We discussed the matter with a policeman from the Center, a few minutes after we got through the blockade. It was suggested that the tie-up would be greatly relieved by simple turning off the traffic lights and allowing a policeman to direct an almost uninterrupted flow through the the area. You can imagine our surprise when the officer retorted that 'we've been suggesting this for weeks but nothing is done". In fact he went on to explain that the police staff had suggested the lights go off for both morning and evening rush hours, to no avail.

When asked which city hall was responsible for these lights, he explained that one was in Centre territory and the other was in the Town. When we then asked which city had installed the lights, the policeman said he wasn't sure but thought it was the Provincial Government.

At that, we gave up and walked off, mumbling about such a simple solution. The officier had the last word. As we heard him say, half under his breath, "too simple, much too simple."

Fire Destroys A Home Here

A fire last Friday, June 7th, shortly after 5 p.m. destroyed the home of Mr and Mrs. Euclide Bachand at 424 Salaberry Blvd., Chateauguay North.

The fire started in an oil burner in the kitchen and while Mrs. Bachand was getting assistance from neighbors, the stove exploded, causing damage estimated to be about $8,000. The stove was not a new type, but a wick burner.

The home at the other side of the Bachands, number 426, was scorched on one side from the heat of the fire.

The couple, who are elderly, lost all their possessions, both clothing and furnishings. Neighbors are caring for them until accommodation can be found elsewhere.

In other Town of Chateauguay Police news, only one minor accident occurred in the area over the past weekend.

MAPLE SCHOOL BICYCLE RALLY HELD FOR PRIMARY CLASSES

Sixteen mothers of children in Maple School put 170 little ones through their paces recently in a Bicycle Rally in which all but thirty-six had to have further instruction in safety and how to ride.

Constable Albert Black of the Town of Chateauguay Police force was on hand to render all assistance and advice to the volunteer mothers.

The children were not marked for 'good', 'fair' or 'indifferent', but went through various tests from balancing to signalling, breaking and steering. First of all the bicycles were all checked for mechanical efficiency, then an obstacle course, figure eight for control and incidentally all courses were followed more than just once.

It was noted that some of the younger children had no idea of which was left or right when signalling; some didn't know which side of the road to ride on; and the simplest of traffic rules.

Of the thirty-six parents called by a small committee, to advise them of their children's deficiencies in bike riding, only two of these took offense on being told the fact. These Rallies are held for the benefit of both the children and their parents, and all those who spent their time and efforts to educate the little ones on safety felt that it was well worth it. It could mean a life saved.

The Committee wish to thank Maple School administration for their co-operation in the Rally, to Town of Chateauguay's Police Chief P. Meloche, to Mr. C. Blenkhorn and Constable Black, for assisting by laying out the course and the following ladies who beforehand volunteered.

Bike Rally

Mesdames: Betty Blankhorn, Alice Brown, Edie Bobbitt, Eleanor Campbell, Hazel Copping, Fritzi Christensen, Joyce Fedorko, Jean Ingram, Maria Klikar, Ivy Lalonde, Myra Lee, Arleen Maude, Grace McLeod, Jessie Robinson, Betty Steeves, and Betty Sutterlin.

The Grade one children were each given a lapel button to signify that they had taken their bicycle test and it is hoped that the Maple Home and School Association will be instrumental in providing the same for the Grade two children. The Rally is sponsored by the above Association each year.

COME TO THE FAIR

HABITAT, OLYMPIC HOUSE, FOOD ON THE CHEAP

(By Russ Faughnan)

Cité du Havre is perhaps the least used of Expo's 3 islands. Therefore, the least crowded. It has some of the best exhibits at the fair especially man and his health There are others.

Habitat is the most expensive building at the fair. Most visitors seems to ignore it but it is a safe bet that habitat will remain as the one lasting impression on our world of Expo '67. After the initial shock has worn off, we find that builders and developers from all over the world are coming to examine closely this revolution in urban living. If you have just passed through, we suggest a second look. Ignore the fancy furniture which is common to all model homes. Look at the "big picture". The upper level streets and passage ways. The parks. The convenience of central control systems. Such units could be completely self supporting in its use of water electricity and even sewage disposal. Don't laugh it off you may be visiting your grandchildren at Habitat.

Olympic House is for the sports fan. And not just for the true-blue amateur types. In my opinion, the best part of this exhibit is the fantastic collection of top sports photographs. These span the history of photography. For example, there is a picture of the great Babe Zaharias, nee Didrickson, not playing golf as you might expect but in the act of throwing the javelin. She set records for that, too. The photographer caught her at her most determined best. There are hundreds of others. All showing champions at their top form. There are also several movies running continuously. These are confined to Olympic events and include the recent Japan games, the most successful ever staged. See, this on your way back from Habitat. It's worth the stop.

Food need not be a problem. If you can afford it, the expensive restaurants are great. Or so we are told. For those of us with a budget problem, the best thing is to pack a lunch. Even without, it is not hard to eat for a buck or two. Pizza is only 30¢ and hot dogs go from 30¢ to 50¢. There are lots of machines to dispense coffee, candies and cakes. There are even several restaurants, with more to come, where you can eat cafeteria style. On St Helen's Island there is one called "Sur le pouce" which is under the service area. And don't forget Le Village on La Ronde. There are many snack bars where you can pick up a single order of exotic foods in the fifty cents to one dollar class.

Then, there's always Haggis.

TOWN AND CENTRE TO JOIN FORCES ON ARENA?

The Town of Chateauguay Council has written to Chateauguay Centre Council suggesting that the two municipalities co-operate in the construction of a sports arena.

Doubts have been expressed that either Town on its own can sustain a sports arena, but it is generally conceded that the means of the two areas such a project is well within acting together.

The Centre holds its Electors Meeting on the 15th and 16th June on its By-Law No. 618 for the construction of an arena at a cost of $570,000.

The Town of Chateauguay has suggested to the Centre that if agreement can be reached to make a sports arena a joint project, the location might be near the Cultural Centre off D'Aujou Boulevard. The Centre's presently proposed arena is planned for the Haute-Rivière Boulevard.

Great interest has developed over this week's Elector's Meeting, and it is expected that a large percentage of eligible property-owners will cast their vote.

FRANK TOTH
388 Woodbine 691-2495

Steel posts have been erected at the St. Francis end of the right of way between St. Francis and Montcalm, effectively putting a stop to the passage of vehicular traffic.

The final stages of hard-topping the new four-lane highway between Chateauguay and the Caughnawaga traffic circle caused troublesome traffic jams to peak-hour traffic. Many commuters took the old Back Road to Montreal, via Chateauguay Heights, to avoid the prolonged traffic tie-ups.

Last week construction crews erected gasoline drums in the centre of the 4-lane Routes 3 and 4. Incredibly, Provincial Police directed Chateauguay — bound traffic into one of the Montreal — bound lanes, making it three lanes to one in favour of traffic heading South. Naturally, traffic heading towards Montreal was unaware of this, and there were many narrow escapes from serious accidents due to what would otherwise have been normal passing. We shall indeed be fortunate if there is no major accident on the enlarged Routes 3 and 4 before a double line is painted to separate the road.

St. Francis is at last to have sidewalks, unless By-Law 330, recently approved by the Town Council is turned down by the electors. The proposal calls for construction of sidewalks on the South Side of St. Francis from Route 4 to Salaberry. The lowest bid of six was $51,919, and the cost is to be split 50-50 between St. Francis ratepayers and the community at large. The cost to those on St. Francis will be about 15 cents per foot, or about $10 per annum, per average lot.

The former bare patches in Woodbine Park are now looking quite green, but alas, the weeds by far exceed the grass.

Edith Bate was kind enough to give me one of her two gooseberry bushes last Fall, and promised me the fruit of the one plant she retained, and severely pruned, in her own garden. That must have been the biggest pruning job of all time, as neither bush is going to provide more than half a dozen berries this year. Gooseberry — lovers of the world, unite in sorrow.

Several housewives saw a suspicious — looking character in a red Chevvy touring Seigniory Drive, Woodbine, Montcalm, Montmorency and Frontenac last Saturday evening. Mindful of the recent rash of petty thievery, their suspicions were aroused when the S.L.C. was seen to be examining driveways and gardens intently, obviously with larceny on his mind.

The S.L.C. was myself, looking for Fergus Bruce's tricycle, which I finally found abandoned in a Seigniory Drive ditch. I hope no one called the Police!

It is reported that several householders are contemplating buying a $5 per garden mosquito fogging, on the understanding that they will thereby free themselves of the mosquito pest for the rest of the summer. As the last of the big-time gamblers I'm prepared to bet a dollar to an ice-cream cone that such a fogging will be effective, at the most, for 48 hours.

Following the usual practice, Home Owners' President Warren Hart is not calling any monthly general meetings of the Association. But Warren has not been idle, and he tells me that a By-Law, No. 327, has been approved for curbstones in the area above the transmission line.

Water pressure for garden sprinklers has been much better than in former years, so it appears that Councils' plans to boost pressure have been highly successful.

I noticed a couple of buttercups on our lawn this past week, which I'm sure are newcomers here.

ABOVE THE LINE
By SANDRA MALLETT

Above the line news is scarce this week. One item I am very pleased with, which may not have been from a previous column, but we would like to feel it had a little to do with it. We had mentioned that we wished a construction company would clean up the top of Concordia, well it has been done at last. We would like to thank them.

We were looking around Seigniory Park over the past little while and I must say that a great percentage of people have their lots looking just wonderful the flowers and trees are all coming into full bloom and everything is so nice and green. It is so surprising what a little time and effort will do.

We understand that measles is still around at this time of the year. It is probably due to it being weeks behind in our season. We have had it in our house and it is still with us. We hope it will soon stop.

I have been told there are still a lot of old bicycle licences around. They are well over due now, so better get them if you haven't as yet.

Since the hours have been set for watering we were sure it would be the same as last year — when one was supposed to water. Alas no water. We are very pleased that so far there is plenty of water at watering hours. Let's hope it continues....

Well that is the news. If you have any please call 691-1495.

- News From Howick -

A special meeting of the Siloki, C.G.I.T. group and Explorer group of Howick United Church, was held on Wednesday, afternoon, May 31st., in the Church.

It was attended by mothers and friends of the girls and the special speaker was Mr. William Hudson, student minister, and recent B.D. graduate from McGill Theological College, who was ordained this week on June 6.

Mrs. Whiteford McKell, leader of the Explorer Group conducted a service for that group and Mrs. Douglas Templeton, Chairman of the Christian Education Committee presented Explorer Certificates and pins to Janice Peddie and Jean Turner.

Mrs. Templeton presented Explorer pins also from last year and world Friendship Badges to Margaret Younie, Janie Stuckey, Judy Wilhelmsen, Linda Gruer, Agnes McKell and Susan Fingland.

Mrs. Boyle leader of the Siloki group presented lanyards to Jean Stonehouse and Peggy Roy, who entered the Senior group. She presented a pin to Joy McKell, the only graduating member.

A candle lighting service was held before the address and the meeting closed with the singing of Onward Christian Soldiers.

The Women's Institute met at Mrs. Peter Peddie's home on Tuesday, May 30th., one week early because of Ormstown Ex Mrs. Huntley Greig presided and 16 members answered the roll call by giving characteristics of a grand citizen, honest, good character, keeping his word, a follower of the tenets of the Mary Stewart collect as used by W.I. members.

The treasurer reported that all bills had been paid; Mrs. Lang reported that the Salvation Army truck would call Wednesday, June 28th. extra quilt blocks were brought in; the Convention to be held June 10-11-12 was discussed.

Mrs. Turner (agriculture) read an article about electric blankets, special kind, being used for sick animals.

Mrs. Whiteford McKell (Education) spoke of the Convocation at Bishops University on May 27, when her son Rodney received his B.A. degree.

Mrs. Whiteford McKell (Edu-Health) sent a report that she had consulted the doctor at the local health unit about rabies shots, to see if they could be given under the same system as other treatments — TB X-rays, etc. There will be a further report on this matter.

Publicity was given the W.I. by a letter which Mrs. H. Greig read from a lady in western Canada who had made plans to visit Expo which had to be cancelled because of illness.

A group of happy W.I. ladies visited her home, housecleaned it thoroughly and filled her deep freeze with baking. She thought it was a poor community that was without a W.I.

Mrs. J. D. Lang (Home Ec.) gave ideas for making fancy bows, and uses for many kinds of tape. (They would be handy shower gifts).

Flowers at the triangle will be red salvia again this year. Candy Apple and White Sails petunias are suitable for such places and may be tried another year.

The theme of the meeting was citizenship so Mrs. Bradley used a jumbled names quiz of prominent people in Canada.

Delicious refreshments were served by the Fertile Creek ladies.

Mrs. Florence Simpson, oldest person living in Howick in the Centennial year, died on Monday, May 29th., a few months before her 100th birthday — September 11th. She was a happy, fun-loving person and those who knew her during the 5½ years she lived at Mrs. Preston's home enjoyed her delightful humour. It was a pleasure to help her in anyway she was so appreciative.

Edgar Watson, son of the late Mr. and Mrs. Robert Watson, visited Mr. and Mrs. Robert McCaig, Dr. and Mrs. Wilfred Watson and others last week. He left here when quite young to go to western Ontario with his parents. His home is at Ripley, Ont. After visiting relatives here he left for Halifax to see his sister's son.

Mr. and Mrs. Archie Ferguson of Syracuse, N.Y., were in the district for several days, attending Expo and seeing their relatives.

Mr. Andy Young of Brooks, Alberta and Mr. Clarence Mann of Peterborough, Ont., President of the Ayrshire Association of Canada, and his wife, were guests last week at the home of Mr. and Mrs. Archie Roy. Mr. and Mrs. Roy joined them at Expo on Ayrshire Day, where they attended a reception. They attended also the Annual National Ayrshire Sale at St. Hyacinthe.

Karen Hudson loves people and enjoys having visitors at her home, so she was happy when 20 little guests arrived to celebrate her 3rd birthday, which was the following day, May 27th. They played in the sandbox and with toys. Lunch was served at little tables on the lawn. There were 12 adults with them so all had a pleasant visit from 11 a.m. to 1. Karen may remember this as a going away party too, as the Hudsons, will be leaving Howick at the end of June.

Ste-Agnes

Sympathy Extended

Friends of Mrs. Hughes extend to her their deepest sympathy in the sudden death of her husband, the late Mr. Chester Hughes.

A few years ago, Mrs. Hughes did a considerable amount of supply teaching in Dundee School, and endeared herself to all the students with whom she came in contact. Thus it is, that we offer to her at this time, our profound condolences.

Repairs to C.N. Tracks

Extensive repairs are being made to the Canadian National railway between Fort Covington and Huntingdon. It appears that all the old and worn ties are being replaced by new ones, and the road bed is being raised considerably with crushed rock. Approximately fifty men comprise the work gang, but the really heavy labour is performed by a variety of large hydraulic machinery. The men at present have their headquarters at Ste. Anges. They come from all parts of the province, and many are college students who are working for the summer months.

Fractures Bone in Foot

Renée Guernon, five-year-old daughter of Mr. and Mrs. René Guernon, had the misfortune to fall and break a small bone in her foot. She is now wearing a cast, which must prove most uncomfortable for an active youngster. Best wishes, Renée, for a speedy return to your normal every day routine.

Celebrates Birthday

Mr. Lyle L. Currie of Bombay, N.Y., observed a birthday on May 20th., and was feted by his family on the following day. Present for this occasion, at which Mrs. Currie served a delicious dinner, were: Mr. and Mrs. Jack Currie, John and Lori of Beloeil, Mr. and Mrs. Charles Gardiner, Pat and Charles of Huntingdon, Mrs. Norma Barger of Toronto and Mrs. Dave Campbell and family of Fort Covington.

Mr. and Mrs. Lyle Currie became great grandparents recently, when their granddaughter, Mrs. James Bullard, (the former Diane Gardiner), gave birth to a daughter at the House of the Good Samaritan in Watertown, N.Y.

Among the many Expo-goers in this area are included: Mr. and Mrs. Antoine Castagnier, Mr. and Mrs. Simeon Chabot, Mr. and Mrs. Lucien Quesnel and family, Mr. and Mrs. Jos. Platt, Mrs. Marion Pharmer, Miss Jocelyn Lessard, Mr. Bruno Leblanc, Miss Karen Elder and Mr. René Léger.

Confined to Bed

Mrs. Gordon McGibbon of Lorraine is confined to bed following an unfortunate fall at which time she fractured her heel.

It is believed that this break will take some considerable time to heal and may necessitate the use of crutches when Mae is able to be mobile again. Her mother, Mrs. Riley, is caring for her. Best wishes, Mae, from your friends and relatives in this community.

Returns to Dundee

Mr. Stanley Arnold is spending some time at the home of Mr. and Mrs. Stanley Staveley. Your old friends are glad to have you back in their midst, Stanley.

Return to Ottawa

Mr. and Mrs. Ronald Fleming and sons returned to Ottawa, on Thursday, Ronald having returned from Montreal late Wednesday evening.

Dawn, Craig and Brent, and Mrs. V. Elder, were supper guests of Mrs. Elizabeth Fleming on Tuesday. They also visited with Mrs. Robert Steven, who has returned to her home in Dundee for an indefinite time. Mrs. Steven is well and is happy to be home once more and to visit with friends and neighbours.

Aubrey-Riverfield

W.I. Meeting

AUBREY - RIVERFIELD — The monthly meeting of Aubrey-Riverfield W.I. was held on Wednesday evening at the home of Mrs. Johansson. Fourteen members answered the roll call by naming an old fashioned custom that has vanished.

A letter was read from a former member who now resides in Montreal but still retains a keen interest in the W.I. and sends a generous donation to our branch. A note of appreciation for a sunshine box and many get well cards was read from Mrs. Gordon Easton.

Conveners' reports Agriculture. Mrs. Melbourne Stacey read an interesting item about a spray being used by the government to combat elm tree disease which has destroyed so many of our stately elms in the last year or so. It was particularly interesting at the moment as several of the members had been watching two planes at work spraying the trees along the Norton Creek just prior to the meeting.

Education — Mrs. Everett Orr mentioned that the twin daughters of Mrs. Johansson were graduating with honours from McGill on Friday.

Home Economics — Mrs. Osborne Orr told how to remove dark spots from pots and pans — boil in two tablespoons of vinegar or two tablespoons cream of tartar in a quart of water. To make a quick repair on a loosened hem insert a piece of tape which is sticky on both sides.

Publicity — Mrs. Johansson read an entertaining article about the times when we rode electric trolley cars — Tickets cost six for twenty-five cents compared to 30¢ for one ride nowadays on our modern transportation system. People often carried live poultry purchased in the open market and sometimes they would manage to escape and cause quite a commotion.

Welfare and Health — Mrs. Walsh spoke of how many times in car accidents head injuries are sustained and how important it is for all of us to use all safety devices. She also spoke of the little boy (blue baby) who at Expo was able to watch the progress of the operation he had undergone a year ago. He is now a healthy, active six year old.

As this was Grandmother's night the meeting was turned over to Mrs. Stacey and Mrs. Everett Orr. Riddles and a quiz were enjoyed by all and Mrs. Wallace Craig gave two droll readings — "Making a Feather Bed" and Patched Overalls". Then Mrs. Everett Orr and Mrs. Ewart Orr treated the group to several lively selections on the piano.

A mystery parcel was won by Mrs. Math. McKell. Refreshments were served by the hostesses, Mrs. Johansson, Mrs. Finlay Milne and Mrs. Harold Robertson.

La délégation d'Ormstown à MacGregor et Norfolk

Dans le cadre des célébrations du Centenaire, la Commission du Centenaire de concert avec la Commission des Municipalités de la province de Québec mettait sur pied l'automne dernier un projet de jumelage de municipalités de la Province de Québec avec un nombre égal de municipalités réparties dans les neuf autres provinces.

Lors d'une réunion des délégués de la Commission du Centenaire et de ceux de la Commission des Municipalités de chaque province qui avait lieu au Manitoba, le Maire Beaulieu d'Ormstown discutait avec le secrétaire des municipalités de MacGregor et Norfolk. Ces deux villes du Manitoba ont plusieurs points d'affinité avec Ormstown Village et la Municipalité de la paroisse de St-Malachie. Comme ces dernières, les deux utilisent le même hôtel-de-ville, ont une brigade d'incendie qui dessert les deux municipalités, le même secrétaire-trésorier, et leur population est à peu près la même. Aussi quand on arriva au choix des villes à être jumelées on a pensé à ces municipalités qui en somme forment un quatuor.

C'est pourquoi, vendredi dernier, 13 délégués des deux municipalités d'Ormstown prenaient l'avion à Dorval pour se rendre à Winnipeg, d'abord où ils furent reçus par les autorités provinciales. Ils étaient accompagnés d'un groupe de dix personnes de Ville Mont-Royal se rendant à St-Bonifce et de dix de Joliette allant visiter Portage La Prairie.

Le groupe d'Ormstown comprenait: les maires J.P. Riendeau et Bruno Beaulieu, le secrétaire des deux municipalités, Mme D. Barrington, M. et Mme Robert Guérin représentant la Commission Scolaire catholique, M. et Mme Keith Greig représentant la Commission Scolaire Protestante, M. Jack Taylor des Lions d'Ormstown représentant les clubs sociaux, M. le curé Daigneault et le Rév. P.R. Stote pour le clergé. Les deux hôtesses Carol Hugues et Louise Laberge (Miss et Mlle Ormstown) représentaient la jeunesse. M. et Mme Bill Hooker s'étaient joints au groupe des officiels.

A leur arrivée, ils furent accueillis par des représentants de la Commission et du gouvernement de la province. Au cours de la journée ils eurent l'occasion de visiter l'édifice parlementaire, lequel soit dit en passant est une oeuvre d'art et dont les murs intérieurs sont décorés pour inspirer les responsables du gouverneemnt à rendre cette province meilleure pour tous ses citoyens.

Une gentille guide, Mlle Yvonne se chargea des personnes de langue française pour les faire visiter en donnant de nombreuses explications.

Un banquet réunissant plusieurs invités de marque, dont Mme Forbes, ministre des Affaires municipales du Manitoba eut lieu dans la soirée. M. Georges Hébert, président de la Commission des Municipalités de la province de Québec, les maires J.P. Riendeau et B. Beaulieu avaient pris place à la table d'honneur. M. Duff Roblin, conférencier s'adressa dans les deux langues, s'exprimant dans un français impeccable. Il avait choisi comme sujet: L'importance de l'unité par tout le pays et la reconnaissance du fait que le Français est une culture de base.

Bien que le bal du Centenaire avait lieu à Mac Gregor ce soir-là, un bon nombre de personnes s'étaient quand même rendues à Winnipeg.

La journée de samedi fut réservée à la visite de la capitale de la province; partout les visiteurs furent accueillis très chaleureusement. Il semble que la population du Manitoba nous connait fort peu et avait des conceptions erronées sur notre mentalité, nos manières de vivre, etc. Très peu de gens parlent notre langue et semblent croire que tous les québecois sont des séparatistes. Cette visite leur a permis de constater que nous sommes des gens comme eux et que même dans la province de Québec on est fier de faire partie d'un grand et beau pays.

Des autobus conduisaient la délégation dimanche avant-midi à MacGregor où ils assistèrent à la messe dite dans le style byzantin. Une autre cérémonie religieuse dans le genre oecuménique, c'est-à-dire réunissant des chrétiens de toutes dénominations eut lieu ensuite. C'était la première fois que cela se produisait dans cette ville. M. le curé Daigneault prit part à la cérémonie et le Rév. P.R. Stote prononça le sermon. Il entretint l'assistance sur l'amitié qui doit régner et rappela qu'il n'y a qu'un seul fondateur de l'Eglise, Jésus-Christ.

Cette cérémonie fut suivie d'un lunch servi dans l'église. La population de MacGregor s'est réellement dévouée pour réserver à ses invités un accueil des plus chaleureux. Plusieurs cérémonies officielles avaient été organisées au cours desquelles les maires d'Ormstown, de MacGregor et Norfolk échangèrent la clé de leurs villes respectives. Le Village d'Ormstown offrit ses armoiries. Tandis qu'on remettait aux hommes venus d'Ormstown une cravate en tartan (quadrillé écossais) dont le noeud est orné de l'insigne du Centenaire, les dames recevaient des sachets. Les deux Miss reçurent une écharpe écossaise. Il y eut aussi présentation d'assiettes en céramique.

Les visiteurs furent hébergés dans des maisons privées où ils furent vraiment traités comme des princes. Ils eurent à répondre à de nombreuses questions se rapportant à notre milieu. Les deux représentantes des municipalités grâce à leur contact avec la jeunesse ont fait beaucoup pour créer des liens d'amitié entre les deux villes.

Lundi, il y eut réception civique et visite des écoles de la ville. Chacun manifestait le désir de rencontrer les visiteurs et de causer avec eux. L'hospitalité de cette ville n'a rien à envier à d'autre. Les brochures, cartes postales, illustrations de notre ville s'enlevaient comme des petits pains chauds. Il semblait qu'on veut apprendre à nous connaitre.

Mardi, avant le départ, les visiteurs durent aller saluer tous les gens qui les ont invités à retourner. En peu de temps, une amitié semble être née entre les 2 groupes. Les gens de MacGregor ont tenu à reconduire leurs invités jusqu'à Winnipeg, soit une distance de 83 milles. Les automobilistes se suivant formaient presque un cortège.

Au cours de l'été 44 enfants de MacGregor se rendant visiter l'Expo de Montréal en profiteront pour se rendre à Ormstown et y séjourneront 3 ou 4 jours. On espère les loger dans des familles, puisque c'est un bon moyen de créer un climat d'amitié. Les responsables du Comité du Centenaire local se chargeront de ce détail. Toutes les personnes désirant recevoir ces jeunes n'auront qu'à communiquer avec M. J.P. Riendeau, M. Bruno Beaulieu ou Mme Bernice Cullen.

A l'automne, la délégation de MacGregor et de Norfolk se rendra ici. On compte bien leur rendre la politesse et leur réserver un accueil dont ils se souviendront aussi longtemps que ceux qui sont allés au Manitoba.

Cette idée de la Commission du Centenaire contribuera certainement à créer de nouveaux sentiments de fraternité entre notre province et nos voisins. On se rendra compte qu'au Québec, il vit des gens qui comme partout au pays savent apprécier leurs semblables, vivent dans des communautés semblables aux leurs et sont tous Canadiens de coeur.

Ormstown

Dimanche le 28 ami dernier, M. et Mme Lauré Lauzon, recevaient à l'occasion de la visite des Révérendes Soeurs Réjeanne et Marguerite Lauzon de Montréal: M. et Mme Georges Quevillon, M. et Mme Gérald Lauzon et leur fils Gilles du Collège Bourget de Rigaud.

Mme Eugène Provost est de retour d'un voyage de quelques jours à Cohoes, N.Y., visitant tous ses parents et amis qu'elle n'avait pas revus depuis trente-sept ans.

Bénédiction école Jean XXIII et hommage à 2 institutrices

Mardi soir le 13 juin avait lieu la bénédiction de l'Ecole Jean XXIII. A l'issue de la cérémonie, les membres de la Commission scolaire et tout le personnel enseignant de la Commission scolaire St. Malachie se rendirent à un banquet au "Vieux Mouln", offert en l'honneur de Mme Germaine (Primeau) Dumas pour ses 28 années d'enseignement et à Mme Béatrice (Lauzon) Quevillon pour ses 25 années d'enseignement.

Décès M. Edward Finn

Nos compatriotes irlandais viennent de perdre deux de leurs membres qui ont rendu honneur à notre communauté dans tous les domaines.

M. Edward Finn, âgé de 84 ans, époux de Mary Jane Head et père de Mme Ralph Hill (Madeleine) est décédé le 6 juin dernier. Ses funérailles eurent lieu le 9 en l'église St. Malachie et l'inhumation se fit en notre cimetière. M. Finn avait été commissaire d'école durant plusieurs années et marguillier.

M. James Smyth, âgé de 72 ans, époux de M. Trainer et père de Steve est décédé le 9 juin; ses funérailles eurent lieu en l'église St. Malachie mardi le 13 juin et l'inhumation se fit en notre cimetière. Il était le frère de MM. Tode et Leonard Smith. M. James Smith a été conseiller de la municipalité St-Malachie durant 18 ans.

A ces deux familles en deuil, nous offrons nos respectueuses sympathies.

Nombreux exhibits à l'exposition d'Ormstown

L'exposition d'Ormstown est maintenant chose du passé pour une autre année. L'ouverture officielle était comme chaque année précédée d'une parade de chars allégoriques. Le thème choisi cette année était le Centenaire. Les chars étaient bien réussis et ont suscité bien des éloges. Il en est de même de la fanfare et du corps de majorettes et moppettes qui donna une superbe démonstration dans l'aréna mercredi soir et la répéta samedi soir aux applaudissements enthousiastes de la foule.

Les exhibits étaient très nombreux cette année et la tâche des juges en fut conséquemment plus ardue. Le spectacle hippique a comme toujours suscité beaucoup d'intérêt. Les exhibits domestiques très nombreux ont été fort appréciés une fois de plus. Il semble que les dames qui y prennent part se surpassent d'une exposition à l'autre.

On regrette cependant le fait que l'assistance était moindre cette année que les précédentes. Est-ce dû à la température qui une fois de plus a fait des siennes? Ou les gens ont-ils préféré se rendre sur la Terre des hommes?

Les organisateurs remercient tous ceux qui de près ou de loin ont contribué à l'exposition. Les généreux donateurs de prix, les juges, les participants et tous ceux qui sont venus encourager par leur présence cette exposition qui s'efforce toujours pour présenter un spectacle de choix.

Fête des Pères

Dimanche le 18 juin prochain, ce sera la fête des pères. Nous leur rendrons hommage: aux jeunes papas penchés sur le berceau d'un nouveau-né, aux pères des jeunes adolescents comme à ceux qui sont courbés sous le poids des années, nous rappelant ce vieux proverbe indien: on connait la valeur du sel quand il n'y en a plus et celle d'un père après sa mort.

Kiosque des Fermières

Tous ceux et celles qui ont visité la salle industrielle durant l'exposition d'Ormstown ont été émerveillés par les différents travaux d'artisanat exposés par le Cercle des Fermières et le Women's Institute de même que les toiles de nos artistes. Deux techniciennes de Québec Mlle Germaine Galarneau et Cécile Lemieux donnaient des explications sur le montage au métier de la pièce d'artisanat de l'an prochain.

Assemblée du Conseil de Huntingdon

Une assemblée régulière du Conseil avait lieu lundi le 5 juin au lieu et à l'heure habituels. M. le Maire Cappiello présidait l'assemblée à laquelle tous les conseillers étaient présents.

Les minutes de l'assemblée précédente furent lues et approuvées.

Aussi les factures du mois, également adoptées pour paiement.

Une délégation des Condors (corps de clairons) s'est vu octroyer la somme de $100 pour aider à défrayer le coût des uniformes. Ce groupe composé de jeunes garçons de la ville est dirigé par M. Hervé Tessier.

On ouvrit les soumissions pour l'installation de tuyaux sur la rue Cedar. Celle de J. R. Caza et Frères fut acceptée au coût de $5,500 matériel et travail inclus.

M. John Fisher de la Commission du Centenaire a exprimé par lettre son appréciation au Conseil pour la coopération lors du lancement de la Caravane du Centenaire qui eut lieu les 1er et 2 mai.

Proposé par M. McGerrigle, secondé par M. Laplante que le 1er juillet soit déclaré fête civique. Adopté.

Le contremaître de la ville devra voir à préparer le nécessaire pour un feu d'artifice ce jour-là.

Les automobilistes sont priés de prendre note que les quatre coins à l'intersection Bouchette et Prince seront maintenant des arrêts aussitôt qu'on aura posé les enseignes. Ceci fut décidé pour éviter des accidents à cet endroit très achalandé.

Le rapport financier fut étudié, mais il fut décidé d'attendre la prochaine assemblée pour l'adopter.

Les membres du Conseil se réuniront de nouveau le 3 juillet pour l'assemblée régulière du mois.

La route 4

Près d'un an s'est écoulé depuis les élections provinciales et les usagers de la Route 4 attendent toujours qu'on termine les travaux de pavage à l'extrémité est de Huntingdon. On nous avait laissé l'impression que tout serait terminé pour le printemps. Mais nous devons encore circuler sur cette route cahoteuse et pour combien de temps???

Parfaitement. Quelques dollars de plus seulement pour bénéficier de la sécurité, du rendement et de l'élégance des pneus de qualité supérieure. Pas étonnant que le Premium '500' de Firestone soit le pneu de qualité supérieure qui se vende le plus au Canada.

Et pas étonnant non plus qu'on l'appelle le '500'. En effet, ce pneu remarquable a été mis au point grâce à l'expérience acquise en fabriquant des pneus pour la célèbre course des 500 milles d'Indianapolis. Depuis 43 ans, la grande épreuve d'Indianapolis a été remportée sur pneus Firestone, sans manquer une seule année. De plus, l'an dernier, toutes les voitures gagnantes des plus importantes compétitions canadiennes étaient équipées de pneus Firestone. Sans parler des grandes épreuves internationales. Liturgie — La pratique des neuf premiers vendredis du mois est présentée comme une garantie de salut éternel, suivant la "grande promesse". Aujourd'hui, on insiste moins sur cet aspect. Et à juste titre! Faire les premiers vendredis du mois dans l'intention d'obtenir une assurance, une garantie, c'est déjà dénaturer cette pratique, attendu que le but ultime n'est plus de réparer mais d'obtenir. L'esprit de réparation ne comporte pas de calcul. Celui qui entre dans l'esprit de réparation ne fait pas les neuf premiers vendredis dans l'intention secrète de ... se libérer pour toujours d'une préoccupation! Il fait ce qu'il peut! Sans fixer de limites! Sans buts secondaires! Et c'est précisément alors que se dépose dans l'âme un ferment, une volonté de bien qui saisit porte au salut. Où trouve-t-on en tout cela trace d'esprit commercial?

Tertullien invitait les paiens à étudier la réalité chrétienne: "Commencez à les connaître et cessez de les combattre!" Lorsque les choses sont vues dans leur exacte position, à la lumière d'une saine raison, toutes ces idées préconçues et toutes ces méfiances à propos de la dévotion au Sacré-Coeur s'effondrent.

Liturgy — In the Mass of the Canadian Martyrs, we are reminded that it was by the preaching and the blood of John de Brébeuf, Isaac Jogues and their companions that God consacreted the first fruits of the faith in the vast areas of North America. (These fruits are still shown, for example, in the names that early settlers gave to municipalities and geographical features throughout the continent.)

Today's Prayer over the Offerings has similar effects: it involves us Canadians of today in a very specific way. We have built on the heritage provided by earlier generations. We cannot outgrow dependence upon one another now. And it is on the pratical recognition of this basic interdependence that our future will stand.

Today's Prayer does not refer only to the money-offering we put into the collection basket. It refers to the offering of ourselves as well: the mutual offer to do our best to reference one another; to concern ourselves with promoting each other's happiness both here and hereafter; to work individually and together to make conditions in this land some foretaste, however slight, of our heavenly Fatherland.

Expo 67 à l'école St-Joseph de Huntingdon

Quelques feuilles de contre-plaqué, des 2 x 4, un peu de clous et 3 gallons de peinture, le tout généreusement voté par nos commissaires et voilà que se dresse devant l'Ecole Saint-Joseph un pavillon miniature de la grande Expo de Montréal.

Les ingénieurs, les penseurs, les contracteurs, les bâtisseurs, les peintres, les dessinateurs, les décorateurs, les exposants qui sont-ils? Les professeurs et les élèves de l'école Saint-Joseph. J'ai même obtenu des noms. Tous les professeurs ont collaboré mais on me dit d'en mentionner deux de façon spéciale: Mmes Adèle Dextrase et Suzanne Leblanc. Presque tous les élèves ont mis la main à la pâte mais on me demande de citer les noms de trois habiles ouvriers: Richard Brunet, Serge Garand et Gilbert Taillefer. Aussi m'a-t-on dit de ne pas oublier le contre-maître en chef: François Chartrand.

J'ai appris qu'avec une hache, une égoine, un marteau et un pinceau empruntés, on a réussi avec du talent, de la débrouillardise et de la patience à ériger un pavillon solide, construit avec art, bien décoré et rempli d'oeuvres aussi variées qu'intéressantes. Après avoir visité ce magnifique pavillon, je me pose de moins en moins de questions sur l'efficacité de l'école active.

J'y retournerai sûrement car on peut le visiter chaque dimanche de 10.00 à 2.00 h. J'y ai appris beaucoup de choses et je n'aurais jamais cru que mes enfants pouvaient m'instruire autant.

Félicitations à toute la grande famille de l'école St-Joseph.

Un visiteur émerveillé.

M. Marcel Benoit élu commissaire par une majorité de 388 voix

Lundi avait lieu l'élection au poste de commissaire de la Commission Scolaire Catholique de Huntingdon. M. Léonard Grenon dont le terme d'office était expiré avait pour adversaire M. Marcel Benoit.

Du nombre de voteurs éligibles de 2194, il en est 1278 qui se sont prévalus de leur droit, soit 58.2%.

M. Benoit a récolté 833 votes tandis que son adversaire, M. Grenon en recueillait 445. La majorité de M. Benoit est de 388 voix.

Cette élection qui avait suscité beaucoup d'enthousiasme s'est déroulée calmement et on ne rapporte aucun incident malheureux. C'est tout à l'honneur des organisateurs des deux côtes et de la population qui a pris position sans équivoque possible.

Félicitations.

- S'assurer si l'eau fournie au terrain de campement a été analysée ou ne comporte aucun danger de maladie.
- Gare à "l'herbe à la puce" qui ressemble aux tiges de fèves jaunes. Si on croit avoir été en contact avec cette plante, se laver avec un savon désinfectant ou un savon domestique brun.
- N'avoir aucune crainte des orages, car l'intérieur d'une tente est plus sûr que celui d'une maison. Toutefois, il ne faudrait pas que sa tente soit près d'un arbre solitaire ou de l'arbre le plus élevé du terrain.
- Eviter d'installer sa tente dans un endroit creux qui peut fournir à l'eau un bassin ou un canal sous la tente.
- Bien étiqueter et être certain du contenu de ses récipients pour éviter les empoisonnements.
- Gare aux aérosols ou tout produit contre les insectes dans les yeux, sur les plaies ou les aliments.
- Eloigner de toute sorte de chaleur ses récipients à gazoline, alcool, etc.
- Garder ses allumettes dans une boite de métal et à l'épreuve de l'humidité.
- Ne jamais se baigner avant au moins une heure après chaque repas, ou si on a trop chaud, prendre la précaution de s'asperger le cou et les bras.
- Ne jamais se jeter ou pousser une autre personne à l'eau surtout sans en connaître la profondeur, afin d'éviter de s'assommer.
- Toujours s'assurer que les feux sont bien éteints pour la nuit.
- Ne jamais jeter dans le feu des bidons vides d'aérosols. Ils éclatent comme de véritables bombes. Ne jamais arroser un feu allumé avec un produit pétrolier.

A tous les Papas

Nos meilleurs voeux à l'occasion du jour qui vous est réservé chaque année. A vous qui vous dévouez sans cesse pour les vôtres sans compter vos efforts, nous souhaitons qu'en ce 18 juin 1967, vos enfants, jeunes et moins jeunes vous remercient sincèrement et vous prouvent une fois de plus toute l'affection qu'ils vous portent. Puisse le Ciel vous récompenser en ce monde pour tout ce que vous faites pour eux.

Prompt rétablissement

Nos meilleurs voeux de prompt rétablissement à Mme Conrad Ringuette qui subissait une intervention chirurgicale à l'hôpital Barrie Memorial la semaine dernière.

Il nous fait plaisir d'apprendre que Mme Oscar Dupuis est de retour chez elle après avoir passé quelques semaines à l'hôpital de Huntingdon suivies d'une convalescence chez sa fille, Mme Stephen Quenneville.

A l'Expo

Un groupe d'élèves de l'Ecole Notre-Dame partaient ce matin pour visiter l'Expo. Cette journée de repos, (si l'on peut dire), leur permettra de relaxer un peu avant d'attaquer la période d'examens qui débutera la semaine prochaine. A tous nous souhaitons de réussir pour atteindre des sommets toujours plus élevés.

L'expo-miniature

Si nous revenons sur l sujet, c'est pour inciter plus de parents à aller se rendre compte de l'habileté de leurs enfants. Vous serez surpris de tout ce que ces jeunes artistes et bâtisseurs ont pu réaliser avec des matériaux de fortune. Il est encore temps de vous y rendre et de constater de visu qu'on travaille avec enthousiasme et qu'on réussit très bien.

Conseils de sécurité aux Campeurs

- Ne jamais allumer ou éteindre chauferette, poêle ou fanal à l'intérieur d'une tente.
- Signaler avec des petits chiffons rouges la présence des piquets de terre.
- Etre toujours certain de la solidité de l'installation du poêle à cuisson, de la chauferette ou du fanal.

REMERCIEMENTS

Nous désirons remercier tous nos parents et amis qui ont contribué à la fête organisée à l'occasion de notre 50e anniversaire de mariage. Merci sincèrement à l'abbé A. Boucher, neveu ainsi qu'à tous nos enfants qui se sont dévoués pour nous fêter de si belle façon. Merci également pour la bourse qui nous fut offerte. Encore une fois merci à tous et chacun.

Quelques mots pour vous remercier de la confiance que vous m'avez témoignée en m'élisant par une confortable majorité au Siège No. 5 de la Commission Scolaire Catholique de Huntingdon.
