WESTMOUNT, THURSDAY, SEPTEMBER 24, 1942

PRICE—TWO CENTS

Citizens of Westmount Admitted to Inspection Of Ship Named for City

Public Goes Aboard on Tuesday, One Day After Gifts Making for Comfort of Life on Duty Are Formally Presented by Municipality - Commander is West Ender

Westmount citizens in general, apart from officials who had had an earlier view, the previous day, had the satisfaction on Tuesday afternoon of inspecting the new minesweeper whose crew they have taken under their wing. Many residents took advantage of the arrangement which permitted them aboard the trim new ship, shining white and spotless with its multi-colored signal flags fluttering in the breeze as the craft swung lazily with the tide at Victoria Basin.

The Westmount's C.O. is Lieutenant F. G. Hutchings, an Oxford sea-faring career in 1919 as a midshipman in the Royal Naval Reserve. On leaving the service and coming to Canada seven years later, Lieut. Hutchings went into the employment of the Bell Telephone Company at its head office in Montreal where he was a supervisor of methods.

In the summer of 1940 he went back to sea on active service with the R.C.N.R., and has since received a variety of assignments on various ships of the Canadian Navy.

Lieut. Hutchings assumed command of the minesweeper Westmount last week, in Toronto, when the ship was officially handed over to the Royal Canadian Navy at the Toronto Shipbuilding Company's yards.

The ship's mascot is a tiny pussy which one of the men found wandering over the docks. A few days of good feeding and care, not to mention a bath, has made the pussy feel quite at home aboard ship among all the sailors.

Citizens of Westmount on Monday presented the officers and men of H.M.C.S. Westmount, a minesweeper named after their city, with all the comforts of ship-board life, ranging from woolen goods to radios and even including an electric washing machine, and promised that as the gifts became worn out they would be replaced by new ones.

The ceremony of presenting the gifts from Westmount to the minesweeper took place at 5 p.m., in Victoria Basin where the vessel was moored. A special guard of honor from H.M.C.S. Montreal stood on the quay.

Proceedings were opened by Capt. Rev. T. W. Jones, minister of Calvary United Church, who dedicated the ship and its crew to service, and the gifts of Westmount to the comfort and happiness of the crew.

In a brief speech, Mayor Walter A. Merrill of Westmount, told of the pride of his people in their city; of their pride in the ship that bears their city's name. He presented a silver plaque from the city to the ship, to be mounted in the wardroom of the vessel and an engraved silver cigarette box for the use of the officers.

Other Gifts Presented
He then presented the other gifts, complete minesweeper's comforts of sweaters, seaboot stockings, mitts, gloves, and knitted caps for every man of the crew from three women's groups in Westmount, the Westmount branch of the Canadian Red Cross, the Catholic Women's War Works Committee and the Westmount Women's Club.

He presented two radios, one for the officers and one for the skipper of the craft, Lieut. F. G. Hutchings, a Montrealer, explaining that a radio for the men's use had already been put on board the ship in Toronto. The two bow given are the gifts of the Westmount Municipal Association. He presented an electric washing machine from an anonymous donor; sporting equipment from the Westmount Rotary Club, and a picture of Their Majesties from the Business Association of Westmount.

Speeches of thanks were made by Capt. J. E. W. Oland, R.C.N., and Cmdr. G. L. Roome, R.C.N., as well as by Lieut. Hutchings, captain of the minesweeper, who ended his thanks by calling for three cheers from the men for the City of Westmount. He then presented Mrs. Merrill with a bouquet of roses from the crew of the ship.

Many Attend
Those present include: Mayor Walter A. Merrill and Mrs. Merrill; Alderman and Mrs. B. Paré-Raymond; Mrs. W. B. Scott; Mrs. Douglas Lorimer; J. W. Weldon, K.C., city solicitor, and Mrs. Weldon; P. E. Jarman, general

TEXT BOOKS WILL HELP WAR EFFORT

Westmount High school is organizing again for an active year helping the Junior Red Cross war effort.

The pupils aim to raise, if possible, a larger sum this year than last.

Former pupils of the school—both boys and girls—are asked to help this work by giving text books for Grades 10, 11 and 12. The sale of these books will help to increase the school donation.

Books may be left at the principal's office, Cote St. Antoine road, or name and address may be given by telephoning WE. 5404, and books will be called for.

CHOIR PRAISED FOR BROADCAST

Sings in St. Andrew's Church in Coast-to-Coast Program - Musical Service on Sunday

Fred Whiteley has prepared a program of sacred music for the evening service next Sunday in St. Andrew's Church. Very gratifying tributes have been paid to the choir for their renderings on the Coast-to-Coast broadcast last Sunday, and many requests have been received for just such a program as will be rendered Sunday evening. The solo parts will be taken by Mrs. W. H. Lewis, contralto; Miss Jean Millar, soprano; Edgar Davis and John Grant, baritone, and Herbert Hewitson, tenor. The music will be based on the old English composers.

This is the first of several such services to be presented during the coming winter. Rev. F. W. Kerr will conduct the devotional service and will give a brief address on English hymns and hymn-writers of the Eighteenth century. At the morning service Dr. Kerr will preach on the topic "Are the Stars Neutral?"

A visitation of all the homes of the congregation is being undertaken by the members of the Session, preceding the world-communion on October 4th.

Leonard Griffith and Max Ford prepared an attractive program of pictures and stories for Rally Day Sunday morning in the church school. A good deal of interest has been aroused in this program and a record attendance is expected.

Stenographer Opposes Dogs In Apartments

Miss Margaret McDougall, stenographer, of Wood avenue, is among those who object to dogs in apartments. In a questionnaire on the topic "Is it a good thing to keep a dog in a large city?" Miss McDougall replied: "I don't think it's a very good idea. First of all, it's cruel to a dog to keep him cooped up in the city. There isn't enough room even under the best of circumstances. Of course, if the dog is small and the back yard is huge, I suppose it would not be too bad. But I'm against the idea. Especially, I think the people who have Great Danes in small apartments should be ashamed of themselves."

UNITY HELD ESSENTIAL TO VICTORY

In a stirring address exemplifying the breadth of sympathetic understanding and racial tolerance which he preached, Romuald Bourque, recently elected lieutenant-governor of the Eastern Canadian section of Kiwanis International, made a stirring plea for national unity in Canada before Westmount Rotary Club at the regular weekly luncheon in the Oak Room of Victoria Hall yesterday afternoon.

Mr. Bourque spoke on the subject, "Canadian unity and the price for victory."

A French-Canadian, Mr. Bourque proudly asserted the claim of the British Empire to be the greatest of all democracies.

Recalling that 1942 marked the 75th birthday anniversary of Confederation, Mr. Bourque declared that if the world had been at peace, Canada this year would have been the scene of nationwide ceremonies recalling the

Romuald Bourque In Stirring Plea To Rotarians

union of the loosely-knit British provinces of North America into a growing and thriving nation. That hope had been frustrated by Hitler and his accomplices who had let loose upon the world the dogs of war. Nevertheless, Mr. Bourque contended, Canadians ought to dwell within their own minds on the accomplishments and possibilities of the nation they themselves had brought into being. This, he believed, would lead in itself to realization of the need for understanding and co-operation among all who loved Canada.

He condemned the extremists on both sides of the language

those who denied that Quebec had its heart in the war and those among French-Canadians who sought to erect a barrier against Canadians of another race. These latter, he held, were living only in the past.

Referring briefly to anti-Semitism, Mr. Bourque condemned those who advocated anything less than justice and co-operation towards the Jewish citizens of Canada.

Mr. Bourque was introduced to the audience by Robert Stanger. The thanks of the club was voiced by Cecil Medlar. P. G. Dalgado introduced visiting Rotarians, D. R. W. McKean presented to the audience two officers of the C.W.A.C. who had been delegated to assist the War Services Committee of the club in the purchase of equipment for the barracks of the corps. F. C. Whitaker, president of Westmount Rotary, conducted the meeting.

BOYS' BRIGADE FIRST COMPANY GOES TO CHURCH

Westmount Contingent Takes Part in Parade Marking Formation of N.D.G. Church Unit

The First Westmount Company, led by its bugle and drum band, took part in the west-end parade to Wesley Church, marking the formation of a new unit in that Church. The 5th Company's brass band took an active part, led by Bandmaster Alex McCurdie and the 6th and 11th Companies joined in. The 1st Company's mascot, Halvard Johnson, made his first local appearance since camp, and was warmly welcomed by the boys.

The service was to have been conducted by Rev. J. G. Joyce, but as he had been called out of town, Rev. B. B. Brown delivered the address, taking for his theme, "Quit you like men; be strong." The boys marched back to Westmount following the service, sharing the band-playing with the 11th company.

The Company Bible Class will resume its winter activity on Sunday afternoon at two o'clock and a large attendance is looked for. The N.C.O.'s will play a leading part in the class and conduct part of the service each week.

It is hoped the supply of Field Service caps arrive this week that the unit may make the change over into the full dress uniform. Nearly all the battalions in Canada have adopted this type of uniform and discarded the obsolete, yet smart looking forage cap or as it is better known, "pill-box." The unit then adopts the navy blue shorts or longs as well as navy blue shirt.

New recruits are being steadily enrolled and the company aims at hitting the sixty mark, in accordance with the 50th anniversary of the B. B. being celebrated this year.

BIBLE CLASS FORMED

An interesting departure in the life of St. Andrew's Church this year is the establishment of a large afternoon Bible Class under the leadership of Leonard Griffith. This Bible class will appeal to all scholars of high school age and will be divided into three groups.

The Alpha Omega Society is planning its opening meeting for Sunday evening, October 18th.

Buying Spree For Army Girls Gets Under Way

Westward Rotary Member Makes Purchases for C.W.A.C. Barracks

Accompanied by two charming young ladies, officers of the C.W.A.C., a member of Westmount Rotary Club, A. W. Callard, left for downtown yesterday at the close of the weekly luncheon meeting.

He was on his way to a well-known department store on an extensive shopping expedition.

Mr. Callard's mission was to spend some of the money the Rotary Club has voted for the purchase of equipment to improve the accommodation at the C.W.A.C. St. Sulpice barracks.

The two young woman officers, who had attended the luncheon of the club, went on the buying spree to give advice as to the requirements of the barracks.

At the luncheon Mr. Callard announced that the department store he intended to patronize had made a generous donation to the cause.

CARNIVAL NETS NEARLY \$6,000 FOR 2 CAUSES

Westmount Rotary Effort In Park Prolonged for Three Days to Overcome Bad Start

Preliminary figures of the results of Westmount Rotary's carnival which concluded on Wednesday of last week, showed that the gross total of takings, including revenue from the program, amounts to \$13,900. It is expected that the net sum achieved from the venture will be in the neighbourhood of \$6,000.

The proceeds will be divided between the Julius Richardson Home for Convalescents at Chateaugay and the Montreal Children's Hospital.

The carnival, one of the largest ever held in Westmount Park opened on September 8 and was intended to close on September 12. Beset by unfavorable weather throughout most of the five days scheduled, the sponsors decided to extend it into the following week. Two separate extensions prolonged the life of the affair until Wednesday of last week, which made the carnival an eight-day effort.

A report by Herbert Welham at yesterday's luncheon meeting showed that \$691.98 was realized by the Forget-me-not drive of last Saturday.

FEDERATED CHARITIES CAMPAIGN ACHIEVES \$36,550 IN WESTMOUNT

Total this Year is 77.7 Per Cent of Objective Compared With 93 Per Cent Last Year -- Heavier Income Taxes and Higher Cost of Living Blamed for Drop in Subscription

Although only one West End division in the Federated Charities campaign passed its quota this year, contributions from these sections were maintained at a high level which helped considerably to bring the grand total of the campaign to a point just under its objective. The total raised in the Montreal and district drive was \$705,650 just under 94 per cent of the objective. Related returns, it is believed, will add to the local and general totals within the next few days.

BOYS' DIVISION AT YMCA OPENS WITH BANQUET

Inauguration Program to Be Held Tomorrow - Paratroopers' Officer to Speak

This Friday night will be the event of the week at Westmount "Y"—the opening banquet of the boys' division for the season '42-'43. This will be an event that no member of the "Y" will want to miss, and an invitation is extended to boys who are considering joining the Westmount "Y".

The program will start at 4.30 p.m. with a swim. Dinner will be at 5.30 p.m., and an unusual after-dinner programme has been arranged. Lieutenant John Hanson of the Paratroopers, who has just returned to Canada will be the guest speaker, and will tell of the training of this fine body of men.

The winter's programme will be announced, and a new idea in the way the different groups will be carried on will be outlined—and it promises keen competition and good fun.

Then to top off the evening a complete talkie picture show will be given.

EXAMINER STAFF IS PAID TRIBUTE

Work on Behalf of Federated Charities Campaign Recognized on Program

Tribute to the work of the Examiner and associated publications on behalf of the Federated Charities campaign which closed on Tuesday night was paid at the dinner which marked the end of the drive.

All the publications which had helped in the cause were listed in the dinner program which also named the writers from the various papers who had given their services voluntarily in preparing the necessary publicity releases.

Three members of the Examiner staff were named, in this connection.

As in all previous years since the start of the system of consolidated campaigning, Westmount contributions were considerably in excess of the combined totals of all other districts in the western metropolitan area.

Total for the rest of the West End districts reached \$16,350.

Mrs. T. B. Earle, reporting for Westmount said \$36,550 had been pledged representing 77.7 per cent of the objective of \$47,034.62. Last year Westmount reached 93 per cent.

Montreal West reached 92 per cent of its quota with \$3,167 as against \$3,427, an improvement of one per cent over last year. Miss H. Tremblay headed the group in charge.

Hampstead which last year reported reaching the objective to the dollar reached 78 per cent this year with \$2,389 pledged of the quota set of \$3,024.69.

Mrs. Phillip D. Magor was in charge of the work in Hampstead. Changes Pending

The results were announced at a final dinner held in the Mount Royal Hotel on Tuesday night.

Need for a new type of campaign and possibly a new basis of support for private welfare work in the metropolitan area was seen by Federated Charities officials, and particularly by B. C. Gardner, campaign chairman.

Two major factors contributing to the result of the campaign were cited by Mr. Gardner as, first, the new and heavier income taxes affecting most citizens, and second, succession duties which "often divide in two some of our great fortunes."

The campaign chairman declared that the nature and basis of such campaigns, and of community welfare work generally, must "broaden their base." He felt that the success of the campaigns could no longer rest alone on the support of individuals. Greater help must be sought from corporations, which must realize their social responsibilities as well as those to their shareholders, he declared.

He saw this as the more desirable alternative to seeking government support and control, even partially, as in his view, corporations were "part of our democratic way of life." He was convinced that it would be more expensive and less efficient if government agencies were to take over welfare work.

USED STAMPS WANTED

Used British Empire or U. S. stamps are sold to dealers and workers for Bundles for Britain. The one and two-cent varieties are particularly useful. The stamps are sold to dealers and the money turned into the fund. Stamps should be left at 4141 St. Catherine Street West.

Westmount Citizens Fly To Discuss Montreal Debt

Two Westmount residents, announced in a cable sent by Mr. Asselin to his family here.

The councillors were accompanied by J. A. Boyd who has been acting in Montreal on behalf of the British group of bondholders.

There has been considerable criticism of the trip among a section of the Montreal councillors. The fact that the two members were not accompanied by Lactance Roberge, director of finance, has occasioned some adverse comment.

WESTMOUNT, THURSDAY, SEPTEMBER 24, 1942

THRILLING STORY

The thrilling story of the defence of Stalingrad has given another chapter of heroism to the history of the Russian people in their fight against the Hun. The world stands again in admiration.

One of the most moving tributes to the Russians appeared after the fall of Sevastopol in the London Times, a paper not given to empty praises of the Communist nation. It is a stirring report:

"There were no illusions among the defenders, who looked at death cold-bloodedly. When it was seen that the heaviest losses were not deterring the enemy from pressing forward, and that German air ascendancy had practically cut off the chances of relief or reinforcements, the defenders were told in the plainest terms what lay ahead. Gathering round him his marines of Captain Alexander's 35th battery on the Malakhov Kurgan, the political commander spoke these few words:

"I know that every one of you would die a hundred times rather than fight the most desperate sea battle than to dive-bomb once you are ashore. But the Germans have forced us to fight on shore. Eighty-two years ago a Russian admiral ordered his men to sink their vessels in this bay of Sevastopol. Those orders were obeyed and the guns were brought ashore to defend the city as these our guns do today. Twenty-four years ago Lenin ordered our ships to be sunk at Novorossiysk; these orders were obeyed. Last year Stalin ordered us to blow up the Dnieper Dam and we did.

"Now we have to die. We have to die for those who, one day, will return to Sevastopol; we have to die for those who will one day build another Dnieper Dam. We have to die for those who will go on fighting at sea."

"The men removed their caps and stood silent for a short time and then swore an oath to conquer or die. They returned to their guns wearing under their Red Army blouses their striped sailor jerseys "for luck" and twisted round their forage caps hat-bands bearing the names of their ships. A few days later they were surrounded, and thousands of bombs fell on the Malakhov Kurgan; they fought till the last shell had been fired and then blew up themselves and their guns. No white flag ever flew at Sevastopol. The wounded, as they lay on the beach waiting to be transported by seaplane, submarine, and ship, grasped pebbles to take with them and wept as they left

their fellows. Neither Inkerman, Sevastopol, nor Balaklava fell—and Balaklava was the last to fall—while the defenders had a single shot or shell or grenade left."

ANOTHER FINE SHOWING

Results of the Federated Charities campaign in this district are extremely gratifying, all things considered. In fact, the entire Montreal area can feel proud of the response of the citizens to the appeal. Results of the house to house canvass, up to Monday, were as follows: In Montreal West, 92 per cent. of objective achieved; in western Notre Dame de Grace, 95 per cent.; in eastern Notre Dame de Grace, 106 per cent.; in southeastern Notre Dame de Grace, 93.7 per cent.; in Westmount, 77.7 per cent.; in Hampstead, 78 per cent.; and in Verdun 101 per cent. The figure for all of Montreal was 93.8 per cent. These figures are not final. They do not include late subscriptions, or contributions from business houses, or special names. When the final figure is tabulated, the campaign will doubtless have exceeded its objective. Considering the great demands being made on everyone these days, this showing is excellent. This district has again acquitted itself creditably in a worthy cause, contributing a total that helped substantially in the fine showing made by the city at large.

LAWS ON EMPLOYMENT

Timely warning is given by Selective Service officials against employers accepting permits from applicants for jobs, which show any evidence of changes having been made in them. This is, in effect, notice that there must be no attempts at subterfuge to evade the regulations governing employment.

That there will be such attempts goes without saying. Job-seekers will probably find ways of getting around restrictions on their freedom to secure work where they choose. Certain employers, placed in difficulties by the labor shortage, will try to hire men and women without proper authority.

There must be the utmost vigilance to prevent any such occurrences. The success of the Selective Service program depends on a full and energetic enforcement and complete cooperation from all concerned. Heavy penalties are provided for violators, and there must be no hesitation to invoke them, as a warning to the public generally, if the occasion arises.

TEACH THEM OUR LANGUAGE

It has been found that many of the Japanese interned or under supervision cannot speak our language, although they have been in Canada or the United States for many years. They have kept speaking Japanese, never bothering to learn English, so they could converse in the language of the Pacific Coast.

After the war, when newcomers will be flocking to Canada to live, it should be understood that they agree to learn our language without delay. Unless they can speak the tongue of the country of their adoption, they can never hope to be assimilated as Canadians.

COURT REJECTS APPEAL ON TAX BY WESTMOUNT

On the ground that the Cities and Towns Act permit an appeal from a judgment of a Circuit Court to the Court of Appeal, in matters of valuation and taxation, only if the sum in dispute exceeds \$500, the Appeal Court has rejected an appeal by the City of Westmount.

The Circuit Court in a recent judgment had allowed a reduction of the municipal valuation of land owned by the United Cigar Stores Limited, in Westmount, from \$14,400 to \$10,875. The reduction of the valuation had resulted in a decrease in the amount of taxes collectible, by \$94.24, setting the amount the City of Westmount was entitled to, at \$352.95.

Westmount had entered an appeal from this decision, and when the case came before the Court of Appeal John G. Porteous, attorney for the United Cigar Stores Limited, asked that the appeal be dismissed, as he claimed the Court of Appeal did not have the jurisdiction in the matter because the Cities and Towns Act did not allow an appeal when the sum involved was inferior to \$500. In the case before the Court the amount in dispute was only \$352.95.

The company's claim was maintained and the court unanimously dismissed the appeal entered by the City of Westmount.

ST. ANDREW'S CHURCH NOTES

On Sunday evening at 7.30, a service of praise will inaugurate a series to be given monthly, at the evening services. The first one is to be by composers of the English Church, contemporary, and earlier periods. On the coming Sunday, compositions by Maurice Greene, Edward C. Baird, George C. Martin, Henry Purcell, R. Vaughan Williams, John Goss, Arthur Somervell, J. S. Liddle, Jeremy Battisill, John Stanley, and Healey Willan. The choir is under the direction of Fred Whiteley, organist and choirmaster. Solo parts will be sung by Miss Jean Miller, Mrs. W. H. Lewis, Lieut. Herbert Hewson, David Whitelaw and John Grant.

THE FORUM

Conducted by HOWARD S. ROSS, K.C., D.C.L.

In Which Subjects of General Interest Are Discussed

The opinions expressed in this Forum are not necessarily those of this newspaper, and it does not accept responsibility for them.

Monsignor Fulton J. Sheen recently told over 3000 Catholic teachers and their guests of the Jewish and Protestant faiths who met in Brooklyn for the Catholic Teachers' annual communion breakfast that America is in need of an ideology, a "great idea" with which to combat "the fake ideologies on the other side. We are not out to preserve the old order. The old order is dying. This war is fundamental yet we lack the offensive of a great idea, and we will have to have that great idea born."

Quite a number of persons—steadily growing—believe "great idea" has been born. It is a plan which cuts the vicious circle of labor and capital. It is a plan which makes it as easy for one as for another to have an abundance and for all to have permanent peace and prosperity. It will when adopted remove the incentive which now urges us to exploit others and would remove all the barriers which keep the easily produced abundance from flowing (free of all tribute) to all who are willing to do their share of the work of the world. The plan is called EQUITISM and provides for pure money—the work-unit dollar the basis of which is work for work—hour for hour.

Senator Warren Austin of Vermont thinks the United Nations should work out a plan for stabilizing their monetary exchange in order to co-ordinate efficiently our full war effort. He said: "Wide fluctuations among monetary values of anti-axis nations could cause serious difficulties and must be neutralized. We are going places we never dreamed we would go before we get through. Any monetary agreement probably would be only for the duration of the war but a similar problem would rise again with peace." What a different world it will be when we have pure money which will settle once and for all the world problem—on what terms should one person work for another?

Westmount Baptist Church

Two great China Inland Mission services will be held in Westmount Baptist Church on Sunday. At the morning service, Dr. Isaac Page, missionary statesman and author will address the congregation. In the evening, Rev. Ernest J. Davis will tell heart-moving stories of God's delivering power among bandits, and invading Japanese in war-torn China. Dr. Johnston will preside. All friends of the China Inland Mission are cordially invited to these great services.

The Sunday School will have its Rally Day Service on Sunday afternoon at three o'clock. Miss Winnifred Crossley and others will address the assembly. Parents and friends are very heartily invited.

On Sunday, October 4th, the church will observe its fortieth anniversary. Unusual features will characterize the services of the day. The anniversary communion service will be observed at twelve o'clock noon.

Shaar Hashomayim Congregation

Mrs. Edward Solomon, president of the Women's Auxiliary, announces the opening event of the season—a \$5.00 give-or-get luncheon—which takes place on Wednesday, October 14th, in the dining room of the synagogue. Luncheon will be served at 1 o'clock, and a social afternoon, bridge and mah-jong, will follow. In connection with this affair, there is a drawing for a \$10.00 war saving certificate, part proceeds of which will go to the Women's Auxiliary war chest being established to facilitate contributions to patriotic endeavours.

The Junior Congregation Yom Kippur services were featured by a capacity attendance. At the morning services, the guest speaker was the acting educational director, S. J. Leibowitz, who spoke on the significance of the day and the application of its teachings to our everyday lives. At Mincha, the guest speaker was Mrs. S. G. Levi who gave an interesting account of the origins of some of the lovely ceremonies and customs connected with the High Holy Days.

The impressive traditional ritual was beautifully rendered by the following Chazanim, who officiated: Ronald Burg, Bernard Cooper, Mortimer Flanders, Billy Levy, David Marshall, Perry Meyer, David Robinson and Herbert Stream.

Registration in the Sunday School took place last week with a large attendance in all classes. Regular sessions will start immediately after the holidays on Sunday, October 11th.

The Nursery School, under the direction of Mrs. Elsie Kessler and Mrs. Lies Morgenstern, has resumed sessions daily from Monday to Friday.

Sessions in the post-graduate division, the Institute for Jewish Studies, have been resumed with Mrs. S. G. Levi as instructor. Graduates and others interested in these courses are asked to communicate with the synagogue office.

There and have proceeded to various stations of the R.C.A.F. assigned to them on administrative duties in Canada.

They are PO. J. S. Drummond, of 4591 Hingston avenue; PO. R. I. C. Picard, of 426 Grosvenor avenue; PO. G. Sharky-Cardin, of 5520 Queen Mary Road; PO. F. A. Clark, of 4584 Hingston avenue, and PO. James A. Reid, of 19 Mount Pleasant avenue.

"DRUNKS ARE SQUARE PEGS"

By Charles Clapp, Jr.
Island Press Price \$1.50
175 Varick Street, New York
The author writes convincingly from his experience and the experiences of hundreds of alcoholics who come to him for help. His first book "The Big Bender" (Harpers & Bros., 1938) was a useful volume, but recent years have added valuable material which is included in his current book.

Mr. Clapp was brought up on a farm in Virginia. He studied at Yale and left the University during the first world war to become a pilot in the Army Air Service. In 1929 he became a member of the New York Stock Exchange. He drank heavily and by 1934 was bankrupt and completely defeated by liquor. But his struggles to overcome the affliction and rehabilitate himself resulted in him becoming a useful citizen and genial personality.

The reader will find much good humor in "Drunks Are Square Pegs."

New Industries are being developed in India. Machine tools, formerly imported, are now being made by more than fifty firms. A heavy chemical industry is being developed and India now makes sixty percent of her own medical supplies.

Macdonald And Eddy Sing In Film At Westmount

Jeanette MacDonald and Nelson Eddy will be at the Westmount United Theatre starting Sunday amid bevy of beautiful girls and innumerable musical fantasies in "I Married an Angel," adapted from the Broadway stage hit. It marks Eddy's first appearance as an all-out comedian, pre-

sents Miss MacDonald in an angelic character, and introduces a series of lavish musical presentations.

The story deals with Eddy, as a playboy, falling asleep during a party and dreaming he married an angel. The angel gets him into innumerable comical complications, until he wakes from his nightmarish sleep to find romance with the girl whose counterpart the dream angel was. The production is rich in its melodic interludes, Miss MacDonald and Eddy having such such duets as "I Married an Angel," "Spring Is Here," "The Man in the Street" and "Paris in Spring." Other song hits include "A Twinkle in Your Eye," "Surprise Party," "End of a Dream" and "Paris Honeymoon Suite."

Eddy proves deft as a comedian, and Miss MacDonald is ethereal as the angelic bride. The other comedy sequences are in the hands of Reginald Owen and Edward Everett Horton, with Mona Marie as the angel's beautiful earthly love rival, Binnie Barnes.

Wendell Willkie Commends Scouting "In peace times the training in self-reliance, sportsmanship and general good citizenship provided by the Scouts is important. In times of war its importance is increased a hundred-fold. The Scouts are always the first to volunteer their services to the community and to their nation."

A FAVORITE FOURSOME!

Claire Trevor, William Powell, Hedy Lamarr and Basil Rathbone in a scene from the stirring romantic drama, "Crossroads," opening Saturday at the York United Theatre and playing until Tuesday night.

"RIDE 'EM COWBOY"

Bud Abbott, Johnny Mack Brown and Lou Costello in a scene from the film, "Ride 'Em Cowboy," which opens Sunday at the Monkland United Theatre and playing until Tuesday night.

"WINGS FOR THE EAGLE"

Three's A Crowd. But definitely so whenever Jack Carson and Ann Sheridan happen to meet Ann Sheridan at the same time, in Warner Bros. "Wings For The Eagle," which opens Sunday at the Westmount United Theatre and playing until Tuesday night.

'Reap The Wild Wind' Is Thrilling Sea Tale

Set in 1840 when America's sea-borne trade was threatened by wreckers who operated out of Key West and took advantage of the wild hurricanes of the Caribbean, "Reap the Wild Wind" which opens Sunday at the Monkland United Theatre and playing until Tuesday night, tells the exciting story of a boy and a girl, Millard and Paulette, who helped to end the piracy. Behind the love story is the broad sweep of history, forerunner of a later day when steel-hulled undersea pirates would wreck ships off the very same shores.

While the shipwreck and hurricane scenes are exciting enough for a half dozen thrillers, the film's highlight comes when Millard and Wayne battle to the death in a fathoms deep rendezvous with a giant squid. This sequence alone is enough to ensure for "Reap the Wild Wind" a secure spot in cinema history.

Supporting the stars is a large and distinguished cast, including Raymond Massey, Lynne Overman, Robert Preston, Susan Hayward, Charles Bickford, Walter Hampden, Martha O'Driscoll and Janet Beecher.

GEORGE FORMBY C.A.S.C. Is Just As Busy As A Corps On Active Service

George Formby, Britain's top-ranking comedian, uses his famous catch-phrase, "Turned Out Nice Again" as the title of his latest film produced by Michael Balcon and directed by the French directorial wizard, Marcel Varnel. "Turned Out Nice Again" is a phrase which film-goers throughout the country associate with George Formby—as he has used the expression somewhere or other in all eight of his films which have played the Snowdon theatre. But modest George does not claim to be the originator of the expression because as he himself says: "It's simply a very familiar Lancashire idiom; people use it naturally. I do so as part of a 'gag' in my first picture and have been using it ever since."

The Canadian Auxiliary Service Corps has been as busy during the summer months as any corps on active service. The members have collected several hundred pounds of canned goods, which they are shipping overseas for the people of the bombed-out area. A large number of these young ladies sold tickets and programs at the Molson Stadium on the occasion of a Red Cross benefit match. Again, when a call came for workers to assist with the Crippled Children's Tax Day, Commandant Parkinson sent out a large number of the members of her corps to assist, supervised by Major Champ, second in command of the C.A.S.C.

Books Collected This week the C.A.S.C. collected a library of books from members and friends of the Corps, which Mrs. Parkinson presented on their behalf to the committee in charge of the outfitting of the new minesweeper to be called after the City of Westmount. In the present campaign to raise funds for the Salvation Army Home Services, Mrs. Parkinson has taken charge of Eastern Notre Dame de Grace and has an army of workers out to try and beat their objective.

The Corps headquarters is situated at 4870 Sherbrooke west; their activities include First Aid, Home Nursing, Stretcher Bearer courses. The girls have given many entertainments for the boys of the various services, and have a full program for fall and winter. Over 200 of the C.A.S.C. members have "gone active." Recruiting is going on steadily. The C.A.S.C. members pay all their own expenses; wear a smart khaki uniform and co-operate fully with every worthy organization working for their country's weal.

Girls' Hi-Y Clubs TO HOLD CONFERENCE THIS WEEK-END The girls' Hi-Y Clubs of Montreal are planning to hold their annual conference this week-end, September 26 and 27. The conference has been held in the fall for several years and the theme this year is "These Things Shall Be", with much of the discussion centred about planning worthwhile programs of service to the schools attended by the members, and to the community in which the members live.

EVERYTHING CONSIDERED

by GERALDINE BRIETZCKE

Our weather must be feminine, because it is so changeable. Like Cleopatra, age cannot wither it, nor custom stale its infinite variety. Clean windy days sweep over the horizon with a rush of dead leaves purple shadows on the fields, and you can see for miles over all the and biting frost; fat clouds, blowing through the steely sky, leave cold, bright countryside.

And then, suddenly, the ripe, warm days come, when the rich autumn smells rise from the browned grass, and the Michaelmas daisies shine delicately against the fading bushes, and the crows fly over the quiet woods. We wouldn't like to live in a country where there is no autumn, and no winter. Perpetual summer would be like eating sweet dessert all the time, with no good, brown, down-to-earth potatoes and clean crisp celery to hearten you.

In some parts of South America, hostesses can ask their guests to come to tea "on Tuesday after

Local Sodality Opens Season With Well Attended Meeting

On Monday evening, the Young Ladies' Sodality of the Parish of the Ascension, held its opening meeting of the 1942-43 season, which was attended by over 100 sodalists. Miss Carroll McDonald, the prefect, presided and welcomed the sodalists and candidates.

Miss B. Berlin, recording secretary, read the minutes of the previous meeting and brief reports were given by Miss Ryan, corresponding secretary, and Miss Dorothy Brophy, treasurer. Miss Madeline Ryan also spoke on the pilgrimage to Notre Dame de Bonsecour and the May reception of candidates.

The chairman announced that this year everyone will be given the opportunity of seeing the union of parish sodalities at work, for each sodality is going to act as hostess to the union for one meeting, following the regular meeting of each sodality. The director of the union is Father Thoms, and also on the executive is the sodality's former prefect, Alma Tremblay.

Miss Lorraine Taylor reported that 1,000 cigarettes had been sent to soldiers overseas during the summer, and that bundles of clothing had been sent to needy families in the West. Miss Loretta Slattery thanked Miss Mary Wickham for looking after the pamphlet rack during the past season.

The chairman announced that Father Lord would be back in Montreal to direct the Catholic Youth Rally next Sunday.

The new chairman were then introduced to the sodalists and gave a brief resume of the aims of their respective committees. The chairmen are: Eucharistic committee, Kay Shanahan; Catholic Truth committee, Loretta Slattery; Apostolic committee, Jean Gillies; social life committee, Gerry Brown; publicity committee, Veronica Lunny.

Miss Mary MacIntyre, vice-prefect, gave an account of the work done by the girls for the Red Cross and held a small exhibition of knitting for bombed-out babies. She also spoke on the picnic given the children from the Catholic Welfare Bureau.

Father Thoms, the director, addressed the meeting and explained the meaning of the sodality, its place in sodalists' lives and its benefits to them.

There will be a bowling league this year, and the sodality will take part in the parish's annual sailor's concert. The first spiritual meeting will be on October 6, and the next general meeting will be held on Monday, October 19 in St. Paul's Academy.

80th Birthday Is Celebrated At Family Reunion

The home of Miss Grace McLaren, 419 Mt. Pleasant avenue, Westmount, was the scene of a family reunion on Saturday, when Miss McLaren's sister, Mrs. Donald Wood, recently returned from Los Angeles, California, celebrated her 80th birthday. The two daughters, Mrs. George Juergens visiting here from Los Angeles, and Mrs. George Mallinson, West Hill avenue, N.D.G., received with their mother.

Mrs. Fred McLaren poured tea and Miss Margaret Wood, Miss Mavis Mallinson and Miss Norma Wood, grand-daughters of the octogenarian served the guests. This was the first time that the family had been reunited since before the war of 1914-18.

A "victory" corsage of roses and war saving stamp streamers was worn by Mrs. Wood during the tea hour, and each of the 12 grandchildren drew out a war-saving stamp to keep as a souvenir of their grandmother's 80th birthday.

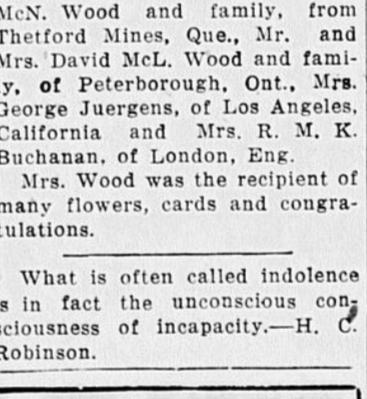

There were over 70 guests present. Among the out-of-town guests were Mr. and Mrs. Arthur McN. Wood and family, from Theford Mines, Que., Mr. and Mrs. David McL. Wood and family, of Peterborough, Ont., Mrs. George Juergens, of Los Angeles, California and Mrs. R. M. K. Buchanan, of London, Eng.

Mrs. Wood was the recipient of many flowers, cards and congratulations.

Musical Sharps Flats and Naturals

by Frances Goltman

BIOGRAPHY NO. 29

When we say Schumann we usually think of Robert, the great composer, but we must also think of Clara Schumann, as in the opinion of many, she rightly deserves a definite place among the immortals. So for our twenty-ninth monthly biography we have chosen the distinguished musician, Madame Clara Wieck Schumann.

Clara Josephine Wieck was a delightful person, a lovable character, strong, true and devoted to her great composer husband with whom she underwent many trials and tribulations due to the oddities of his genius and his mental illness which recurred from time to time. Madame Schumann was born September 13th, 1819 in Leipzig and became the most famous woman pianist of her time. Her father, Frederick Wieck, was the best known piano pedagogue so it was natural that Clara should start the study of that instrument in infancy and at the age of nine years made her debut as a concert pianist. At sixteen she played at the Gewandhaus Concerts in Leipzig, a great honour. When Clara Wieck was sixteen

McGILL PIANO CLASSES OPEN

McGill Piano Classes in Westmount Schools under the direction of Irene Nichols, L.R.S.M. London, (Eng.), opened last week on Monday Sept. 21st. Parents who have been unable to register their children earlier may obtain full information by calling the McGill Conservatorium of Music. Pupils residing in Westmount irrespective of the school they may attend are accepted and placed in graded classes. It is most essential that children enrolling for these classes do so immediately, as it is a disadvantage to the pupil to miss the preliminary lessons.

W.C.T.U. Organizer Will Speak Tonight

Miss Edna Grant, of Ladner, B.C., the newly appointed national organizer of the Women's Christian Temperance Union, who is in town this week addressing meetings in schools and churches in different sections of the city, will speak this evening at a public meeting to be held in Webster Memorial Hall, Westera and Lansdowne avenues, at 8 o'clock. A musical program will also be presented at this meeting.

Kensington Red Cross

The Kensington group of the Red Cross Society will not meet on Tuesday. Instead, all members have been requested to meet at the N.D.G. Y.M.C.A. to hear the Rev. T. W. Jones, who will give an illustrated picture of his work overseas.

and we may thank this great interpreter for making Schumann world famous. Most of Robert's works were dedicated to her.

She made many concert tours in every part of Europe with unusual success and introduced the new works to audiences everywhere. Due to her wonderful technique and beautiful tone, the compositions met with immediate approval. Many people do not know that Madame Schumann was a fine composer herself having written a Concerto in 'A' minor for the piano as well as many smaller pieces.

Clara Schumann became one of the foremost teachers in later life and many world-famous virtuosi were her pupils. She taught in the Frankfurt Conservatorium. Brahms was a lifelong friend of the Schumanns and she also played his compositions often. Madame Schumann outlived her husband by forty years and died in 1896 at the age of seventy-seven.

Varied Activities Every Day At The Montreal Y.W.C.A.

There is "something doing" every day of the week in the way of programs, educational features and sports for girls and young women at the Young Women's Christian Association, 1124 Dorchester street west. All departments of the association stress the importance of recreation in times of tension, and girls from all over the city come to the "Y" to relax by joining in the social, recreational and athletic activities offered there.

The Girls' Work Department of the "Y" has announced dates for its club openings. The first fall meetings of these groups will be held on September 23, 24, 25 and 28, when girls of many different nationalities and occupations will once again link up with their own particular club. The membership of The Vagabonds consists mainly of girls in business and industry; the P.G.U.'s, Tangents and Young Moderns are chiefly business girls; the Onaways, Novas and

PRIESTS ARE NEEDED IN ARMED FORCES, SAYS REV. A. TONER

There is a deplorable lack of priests in the armed forces, according to the Reverend Father Arnold Toner, C.S.C., who was guest speaker at the opening meeting of the Xavier Apostolate Guild, held on Monday, 39 priests are needed for work with the armed forces in Canada and 600 are needed in the United States, said Father Toner.

Taking as his subject, "The Priest and the Post-War Order," the speaker told his audience that "There can be no solid post-war order until there is a reconciliation of submission to God's authority. The first aim of mankind is the speedy and worldwide establishment of the Christian order," he added.

Mrs. William J. Mansfield gave the vote of thanks, and the Reverend Thomas Walsh, S.J., acted as chaplain in the absence of the Reverend E. M. Brown, S.J.

Mrs. John Berry contributed two vocal numbers, accompanied by Miss Beryl Quigley. Mrs. F. O. Reynolds, president of the guild, presided, and the members were received by Mrs. C. A. Phelan, Mrs. Joseph Stanford and Mrs. W. A. McInnis. The Guild has decided not to serve refreshments at its meetings for the duration.

WEST END GIRLS TO BEGIN DUTY WITH R.C.A.M.C.

Jean Dixon and Patricia Davis Among First Four V.A.D.'s to Go On Full-time Service

Two West End girls with two others from more central parts of Montreal, clad in the trim navy-blue uniforms of the V.A.D., stepped aboard a Kingston-bound train on Saturday afternoon at Windsor Station.

The quartette formed the first four Canadian V.A.D.'s to be called up for active full-time service with the Royal Canadian Army Medical Corps.

The group comprised the Misses Madeleine Trudeau, 755 Cote Ste. Catherine Road, niece of Brig. Georges Vanier; Jean Dixon, 4127 Hingston Avenue; Sheila Griffiths, 4868 Cote des Neiges and Patricia Davis, 64 St. Sulpice, Westmount. They will report for immediate duty at the Kingston Military Hospital.

Miss Dixon worked for the Bell Telephone Company before joining up. Miss Davis took up Red Cross work immediately after graduation from McGill University.

All have seen service in Montreal hospitals as aides to nurses, and have also helped in the blood donors' clinic. Miss Trudeau was in attendance at both the Royal Victoria Hospital and Notre Dame Hospital; the three young women now serving under her have confined their work to the Royal Victoria.

Each one of the young women is already an officer in the nursing service, and after the first three-month term at Kingston has been completed they will probably be commissioned.

TORCHY PEDEN

PEDEN ASKS FOR BERGNA AS PARTNER

Champion Undertakes to Outpace Every Team in Six-day Bicycle Race

"Give me Charley Bergna for a partner and I will not only beat Rene Cyr and Angelo De Bacco, but will lick every other team in the six-day bicycle race."

That is what Torchy Peden, the world's champion six-day bicycle rider, told Manager Harry Mendel, Mendel said he would give Bergna to Torchy as his partner and now it is up to Torchy to make good his boast in the six-day race, which starts in the Forum Sunday night at nine o'clock.

Torchy said, "I want Bergna because he is a fast starter and can also give me a good push. I don't think there is a rider who gets off the mark faster than Bergna and that will be a big advantage for me. Bergna knows how to pick an angle to go for a lap in a six-day race and I not only expect to win the race with Charley but expect to win by a lap."

Cyr since arriving in town Saturday morning has been out on the roads training every day. He trains with Bill Robert, Roger Dolbec, Laurent Gadou, Albert Gachon and George Brodeur.

Saturday night, there will be a big program of professional and amateur races at the Forum, with all the stars competing.

MOUNT ROYAL TENNIS CLUB VICTORIOUS OVER WESTMOUNT IN GAMES HELD ON CITY COURTS

High Class of Talent in Evidence as Ladies Play Friendly Match With Home Team — Visitors on Top With 4-3 Score in Interesting Series

Some first class tennis was seen on the Adult municipal tennis courts on Tuesday evening when a friendly match was played between the ladies' team from the Mount Royal Tennis Club and a similar team from the Adult courts.

The visitors ran out the winners by a 4-3 score taking three of the singles matches and one in the doubles.

Barbara Barnard of the Mount Royal Club won the most interesting of the singles' matches when she defeated Mrs. N. Lowe of the Westmount team in a hard fought three-set match 1-6, 7-5 and 6-4. Miss Barnard's fast service and hard driving type of game outlasted Mrs. Lowe's chopping

experience and steadiness in the last two sets proved to be the winning margin.

Claire Renshaw and Mrs. Nicholson of the Mount Royal Club had little difficulty with Dot Ross and Enid Nichols of the Westmount team in the third doubles' match, the Mount Royal players took the match in straight sets, 6-1 and 6-2.

The Westmount ladies were hosts to the visitors with some needed refreshments after the matches.

One of the most interesting mixed doubles tournament to be held on the municipal courts is scheduled to be completed this week. In all probability the finals in this event will be played to-morrow evening at the Adult courts.

A semi-final match is scheduled for the Adult courts this afternoon at 5.00 p.m. when Enid Nichols and Hugh Brodie meet Mrs. McNaughton and Brendan Macken. This should be a real good match.

The other semi-final match between Dot Ross and Sid Quinton and the defending champions, Mr. and Mrs. Damant was played last evening.

The results of the quarter-final matches were as follows: Mr. and Mrs. Damant defeated McCallum and Doris Manthorp 6-1 and 6-4; Sid Quinton and Dot Ross defeated Forget and June Pearee 6-2 and 6-1; Hugh Brodie and Enid Nichols defeated L. A. Tucker and Miss Cordell 6-1 and 6-1 while Brendan Macken and Mrs. McNaughton defeated Corneil Strachan and Pauline Strachan.

FLY CASTING TOURNAMENT PLANS MADE

Arrangements Completed For Event on Saturday In Westmount Park

The officials of the Quebec Fly and Bait Casting Association have completed all arrangements for their annual championships which are scheduled to be held this Saturday afternoon in Westmount Park. Most of the events will be held in the Ravine Pond but the distance event will be held on land where there is more room for the casters.

The committee for the tournament is comprised of President Harold Lettau, Bryce Clarke, Charles Lapierre, Bruce Murdoch, Fred Yates, Otto Raab, Nick Levitan and Ted Goodman.

President Lettau has announced that the judges for the events will be A. W. Walker and Fraser Lockhart, while the scorers are William G. Idler and F. S. Caplan.

The competition is scheduled to start at 1.00 p.m. and post entries will be accepted up until that time.

Amongst the events to be contested are the All-Round casting championship for casters in Classes A, B and C. This is a combination of five different events including accuracy and distance.

The All Round bait casting championship which will be for men in Class A only as will the bait casting event.

The All Round fly casting championship will be for men in Class A only as will the bait casting event.

Individual events include the 1/2 ounce bait accuracy for men in Classes A, B and C and women; the 3/4 ounce bait accuracy for men in Classes A and B and women; the 1/2 ounce casting for distance for men in Classes A and B.

There will also be a fly casting event for accuracy which is open to men in Classes A and B and all women, while the fly casting event for distance is open to men in Class A only.

As can be noted from the program, there will be events for women as well as men.

Alberta Scouts Offer Example

One of the outstanding examples of Boy Scout salvage work is that offered by the Scouts of Warner, Alta., with the help of members of the Group Committee. They gathered 36 tons of metal and two carloads of mixed salvage, for which \$497.44 was received. Of this amount \$225 was sent the Lethbridge Kinsmen's Club for its Milk for Britain fund, and \$180 to the Y.M.C.A. for its overseas service.

6-MAN TEAMS WILL OPERATE THIS SEASON

The Westmount Municipal Man Touch Rugby League Hopes to Have Senior and Junior Sections

The Westmount Municipal Six-man Touch Rugby League will operate again this year with the games being played on King George Park. It is hoped to have two sections, a senior and junior, as has been the custom in other seasons.

The senior section will be for players seventeen years and under while the juniors will be for players weighing one hundred pounds and under.

Teams wishing to enter the league should get in touch with recreation supervisor Jimmie McCormick at the Greenhouse or by telephone at Fitzroy 1929.

A meeting of the league will be held at the Greenhouse to-morrow evening at 7 p.m. and all teams intending to enter the league should have representatives at the meeting. It is hoped to get the schedule underway next week.

At least three teams have signified their intentions of entering in the senior section with the Beavers who were eliminated in the play-off last year being one of the clubs. Roy Howard is also entering a team while Donald MacDonald will put a team in the junior section.

Westmount All-Stars Defeat Ahuntsic 5-0

The Westmount All-Stars softball team playing in the provincial softball tournament came through with a smart effort last Sunday afternoon when they shut out the Ahuntsic team 5-0 at the north-ender's home grounds. This was the first game in the finals of the challenge round. The two teams met again this Sunday afternoon at MacDonald Park in Snowdon. In the event the Westmount team wins the first game which is scheduled to start at 2.00 p.m., they will have won the series in two straight games and will then meet the Maisonneuve club for the provincial title.

On the other hand if the Ahuntsic team win the first game another tilt will be played immediately after in which the result of the series will be decided.

The Ahuntsic team has been one of the top-notch outfits on the island for the past seven or eight years and it has some of the best softball players in the province included on its line-up. The hurling staff is headed by Laurin and Nick Borzelli.

Laurin is one of the fastest hurlers in the game and delivers them with a side-arm motion while Borzelli has been a top-notch for many years.

The Ahuntsic team were the top heavy favourites to reach the final round and the 5-0 defeat they suffered at the hands of the Westmount team last week-end was a severe blow to their hopes.

Allan Dyke on the mound for the Westmount team last Sunday pitched a beautiful game and allowed the Ahuntsic nine but five hits while his mates garnered nine off Laurin.

Dyke also put on a great exhibition of hitting as he accounted for four of the nine hits achieved off Laurin, two of Dyke's hits were extra-base efforts, a double and a triple.

BILL JONES has me a-guessing—
 It's marvelous to see!
 He seems to fit in everywhere...
 Wonder how that can be?

MY HOME is just as good as his,
 My Pa is just as strong...
 But Bill is always 'way ahead...
 What do you s'pose is wrong?

THE fellows always call for him;
 They want him for their teams...
 And is he GOOD? He's quite a star,
 At least—That's how it seems!

HE SWIMS - He talks - He's in a club...
 It's swell to be that way.
 I'm going to ask him how it's done,
 And see what he will say.

IT'S really not so hard, Jack,
 And I can tell you why—
 It had its big beginning
 When I started at the 'Y'.

A FELLOW makes a lot of friends
 And has a pile of fun...
 But all the time he's growing
 And getting new things done.

SOME men are there to help you
 That understand a guy...
 And my advice to you is:
