## MUNICIPAL ASSOCIATION MEETS

### Shaar Hashomayim Annual Meeting Held On Monday

The 104th annual meeting of Congregation Shaar Hashomayim Westmount took place at the Synagogue, Monday evening. The evening's program commenced with a Chanukah Service in the Synagogue, with the participation of Rabbi Wilfred Shuchat, Cantor Nathan Mendelson and the Synagogue Choir under the direction of Choirmaster Jacob Rosemarin. The service was in observance of the traditional "Feast of Lights," commemorating the heroism of the Maccabees and the rededication of the Temple in Jerusalem in the year 165 B.C. Representatives of the Junior Congregation participated in the ceremony of kindling of the lights, which was performed by Charles Schwartz.

At the meeting, M. J. Heillig, President of the Congregation, reported on the activities of the past year and summarized the extensive cultural, social and religious projects successfully carried out. Other reports were given by Isaac Kert, N.P., the Treasurer; Harvey Golden, Hon. Secretary and School Committee Chairman; Dr. George J. Streaan, Extension Activities Committee Chairman and J. Roos, House Committee Chairman. The slate of officers and trustees for the coming year was presented by Leon Levin, the Vice-President and Chairman of the Nominations Committee.

### Local Woman Is Injured

Mrs. R. Childs, 74, of 4126 St. Catherine street, suffered minor injuries when she was struck by a street car at St. Catherine and Wood avenue.

According to the victim, she got off a west bound street car and attempted to pass behind it to the opposite side of the street when hit by a tram car proceeding in the opposite direction.

She was taken to the Western Division of the Montreal General Hospital and treated by Dr. Kimmerly, who ordered her kept for X-Rays and observation.

### Gambling House Trial Under Way

Louis Magid, of 3007A St. Antoine Street, accused of operating a gambling house on his premises, pleaded not guilty through counsel at the Westmount Recorder's Court session, Tuesday morning.

Six foundins at the time of the raid carried out by the Westmount Police Department Friday night also pleaded not guilty through counsel. The defence lawyer for all parties was G. A. Elridge.

Recorder C. A. Hale set the trial for December 12.

### Entertainment for Patients

The "Overseas Club" of the Canadian Red Cross Corps held a very successful sherry party on Saturday afternoon in the Officers' Mess of the Royal Montreal Regiment, Westmount, with the proceeds going towards the purchase of machines to project reading material on the ceiling for the entertainment and education of patients forced to spend long periods of time in bed. Mrs. Copping, wife of Dr. Gordon A. Copping, 4485 Sherbrooke street, Westmount, is an active member of the "Overseas Club" which has done a great deal for the welfare of the community as well as for veterans in hospital. Pictured above is how the projector works. The machine was conceived during the war by Eugene B. Power of Ann Arbor, Michigan, and is proving very popular in the United States.

### Santa Claus To Visit R.M.R. Sergeants' Mess

Santa Claus will visit the sergeants' mess of the Royal Montreal Regiment on Saturday afternoon, December 16.

The annual Christmas Tree Party for children of the sergeants of the regiment will be held in the mess, with the proceedings getting underway at 2.30 p.m.

Sergeant George Crompton will take the part of the jolly old gentleman and will arrive at the armory in an army truck driven by Sgt. Harry Miles and drawn by two gnomes impersonated by Sergt. Bill Green and C.S.M. J. S. Langley. The Santa Claus parade will start from Park Place, and will rate a police escort.

In charge of the overall arrangements are W.O. II George Bonner, Mess president and C.S.M. Tom Holmes.

A great deal of the work in connection with the party will fall on the shoulders of the ladies

#### ART EXHIBITION

The 19th exhibition of the work of members of the Montreal Amateur Art Club will be held in the Victoria Hall, Westmount Dec. 11-16. The exhibition will be open to the public each day between 3 and 5 and 7 and 10 p.m.

The public is cordially invited.

committee headed by Mrs. J. A. Mitchell who will be assisted by Mrs. George Bonner, Mrs. W. H. Turner, Mrs. H. Woodward, Mrs. W. A. Bannister, Mrs. C. Hill, Mrs. A. Lapierre, Mrs. T. Fesner, and Mrs. S. Liddle.

Entertainment for the children will be provided by a Punch and Judy show and a real live clown. Gifts for each child will be handed by Santa from the tree.

Police Chief Bob Byford and Fire Chief W. C. Cobb of Westmount and their wives will be guests at the function.

### Civil Defence And Added Membership Highlight Report

Mayor J. S. Cameron told some 300 members of the Westmount Municipal Association, who attended the annual general meeting of the association held in Victoria Hall on Tuesday night, that Westmount City Council is considering the appointment of a full time Civil Defence Director, and the setting up of control centres.

The statement by the mayor on civil defence was one of the highlights in his address, which is reported in full in this issue.

J. R. Fenwick, retiring president, gave a very full report of the activities of the association during the past year, and one pleasing item was that the membership had increased by a total of 40 over the same period last year, despite the fact that there had been 75 resignations due to deaths, removals, etc.

Recreation facilities had also been improved during the year, he said, and work in this connection was continuing.

Mr. Fenwick covered the work performed by the many committees and thanked the various chairmen for the excellent way in which the committees functioned.

Questions submitted covered a wide scope including such items as snow removal, tram service, garbage collections, conservation of trees and the old question of dust on Claremont avenue due to the use of sand by the Montreal Tramway Company.

Mayor Cameron and Mr. Fenwick answered all queries submitted, with the answers given appearing to more or less satisfy the questioners.

The Westmount High School Glee Club, under the direction of Gifford Mitchell, B.A., Mus.Bac., director of music for Westmount Schools, rendered a delightful selection of Carols prior to the business part of the meeting.

The singing of the students and the pianoforte accompaniments by the brothers Weinfeld was heartily applauded by the audience with Mr. Fenwick voicing the thanks of the association to the group.

J. Eric Slessor was elected president, with Sidney B. Fraser and Dent Harrison as vice-presidents. W. E. Black continues as secretary-treasurer.

J. A. DeLalanne, who it was thought would take over the chair, (Continued on Page 4)

### John Lewis Guest Speaker At So-Ed Club

John Lewis, President of the Westmount Ski Club, was the guest speaker at last Friday's Westmount "Y" So-Ed Program. Also Chairman of the local Y.M.C.A. Board of Management, his informative address was highlighted by describing the make-up of a ski, the important features of good looks, and the safety harness. Mr. Lewis also showed very beautiful movies taken by the Ski Club and movies on skiing in the Canadian Rockies. Bill Hopper thanked the speaker for a most timely topic and interesting movies.

The evening was closed with dancing, singing, and refreshments.

Last Friday marked the close of the seven-week instruction courses and lecture discussion periods. Tonight So-Ed for 1950 will officially be closed by a grand finale party in conjunction with the Young Adult's Christmas Dance. Whether "Y" members or not, all are welcome to attend this annual affair, commencing at 9 o'clock this evening. It will be a well-rounded evening of dancing, singing, games, prizes and refreshments.

### Aldermanic and School Commissioners Nominated

Mayor J. S. Cameron was nominated by the Westmount Municipal Association for another term at the annual meeting of the association held in Victoria Hall on Tuesday night. Nominated for aldermen were Roy Campbell, R. Panet-Raymond, J. S. B. Pemberton and H. Lloyd Blachford.

Alderman Alan Kennedy has intimated that he will not seek re-election due to ill health.

The only newcomer is H. Lloyd Blachford who will replace Mr. Kennedy on the council providing there are no other nominees for election.

Nomination day is set for Monday January 8.

Nominated for School Commissioners were J. C. Hutcheson and J. R. Fenwick.

Mrs. Grant Reid was nominated as a Library Board Trustee.

## Unity Boys' Club News

Two weeks-and-a-day-to-Christmas! And are the Unity Boys and Girls hopping! For a great Christmas program is being planned. Here are the preliminaries. Miss Wirth and her dramatic group are working very hard. The hours of rehearsals and the costume planning show signs of a production and a Christmas concert well worthwhile attending. Miss Tetreault and her decoration group intend to surpass their Hallowe'en party scenic affects, and what cheery designs they have made for the Christmas celebration! which, as you know, will begin Dec. 18.

The Christmas Tree — and the Christmas Parties:— well wait until next week — and you will have a day-to-day schedule — and an hour-to-hour schedule of what will be happening. And is it going to be exciting and fun. Don't make too many dates too soon because you will want to be with your pals celebrating Christmas at the Unity Boys Clubhouse.

Craft Groups are also preparing for Christmas. Feverish work is being done in leathercraft, metalcraft, sewing, woodcraft, photography and even cooking to come up with something for mummie, dad, brother and sister, for that present which means more to

them than anything bought in a store.

**WANTED A PIANIST—Mrs. McGillivray has been as faithful, as she can turning up on Friday nights for the Unity Boys and Girls Sing-Song but sometimes she has other assignments. Now there is the need for someone to take her place when she can't make it. Anybody know — anybody who? Come on you musicians you have the making of a first class junior choir! The club has a registration of nearly 400 and Friday night Sing-Song is one of it's most popular attended features.**

**RODEO —** As announced last week the winners of the 5 out of 8 games would be given this week. The Rodeo was a great success with over 100 members of the club taking part — but — boy! the games were more difficult than anybody thought and only two were up to scratch, Terry Gray and Penny Parr!

The costume awards went to Billy Ross, Chucky Burton, Peter Fugslang, Margaret Ballow, Penny Parr and Kathleen Vaux.

**SPORTS —** Last week the Unity Boys Club played City YMCA,

## Mourn Death Of Nursing Sister

Funeral service for Evelyn S. Elliott, 43, nursing sister on the staff of Queen Mary Veterans Hospital, was held in the chapel of Joseph C. Wray and Bro., Mountain street, on Saturday. Miss Elliott died November 29. Burial was in Mount Royal Cemetery.

A graduate of Westmount High School, she obtained her nursing degree from the Central Division of the Montreal General Hospital.

During the Second World War, from 1941 to 1944, she served with the Royal Canadian Corps of Nurses and survived the torpedoing of the hospital ship St. Helena in 1943. Prior to leaving for overseas she was engaged in child welfare work in Montreal.

She is survived by her father, Samuel Elliott, of Westmount; three brothers, Stanley, of Dorval, Leslie, of Toronto, and Archie, of St. Catharines, Ont.; two sisters, Mrs. Irene Basham, of Cowansville, Que., and Mrs. Kay Nixon, of Toronto.

Iverley, the 79th Battery and the Negro Community Centre in the Inter Club Series in Floor Hockey, and Basketball. Though defeated in the first three instances in hockey, they came out the winners in basketball. But the Unity Boys took it on the chin. They have only been at it for the last month or so and the experience has been a very valuable training. Now they are at it hammer and tongs and hope to turn tables on their friendly rivals in return games.

**FLOOR HOCKEY —** City YMCA defeated Unity Boys Club in a fast game, 6 to 4. Milon and Kopalick scored 2 each, with Yanich and Sergis 1 each, for the winners. Unity's scoring was done by Lowe with 2, and Sharky and Easton with 1 point each.

Iverley Community Centre won their game 10 to 0 over the Unity Boys. With Chub and Warrens, scoring three points each, and Gloven, McGiverty, Sylvain and Doroche scoring 1 point each.

The 79th Battery won over Unity Boys Club 19 to 2. 79th Battery scorers were Benny and Duffy with 4 points, Eilih, Holloway and Fisky 2 each. Bandoux 2, and Wheland and P. Duffy 1 each. For the Unity Boys, P. Martin scored the 2 points.

**BASKETBALL —** The Unity Boys Club won over the Negro Community Centre, a handsome 26-8. It was a fast clean game and enjoyed by everyone. Scoring for Unity were Laws with 11 points, Lonsdale 7, Rucker 4, and Barton and Knowles 2 each.

For the NCC McKenzie tallied 4, with Wade and Ryan 1, and Parent 2.

## Scottish Concert Party Packs Victoria Hall

Lovers of Scottish music were treated to delightful entertainment by the Robert Wilson, Scottish Concert Party, which gave two performances on Wednesday and Thursday evenings at Victoria Hall, Westmount, under the sponsorship of the Scottish Societies Association.

The hall was filled to capacity on both nights with many disappointed concert-goers being turned away.

Robert Wilson, known as "The Voice of Scotland" and who has had two command performances before the King and Queen had to sing some 18 numbers before the audience allowed him to beg off.

The celebrated Alec Finlay, regarded as the successor to Sir Harry Lauder, was seen in two of his character sketches and had the audience in roars of laughter in his portrayal of "The Kirk Elder" and "The Oldest Inhabitant." In these gems of Scottish pawky humour Finlay gave ample evidence of why he is regarded as Scotland's leading comedian.

The "Lauder Story" a tribute to the late Sir Harry Lauder was another offering which found favour.

Frances Derry, who hails from Londonderry, Ireland but who seems to have mastered the Scottish dialect sang some fine Scottish numbers interspersed with a few Irish songs. Miss Derry possesses a lovely mezo-soprano voice and teamed up with Robert Wilson in several duets which were effective.

Miss Derry will play Principal Boy in the pantomime which opens to-morrow in Newcastle England.

A feature of the concert was the piano playing of Tammas Fisher the diminutive accompanist who demonstrated his mastery of the ivories in solo numbers, including a unique item played with the left hand on the piano.

Raphael Macpherson, gave a special opening recital on the solovox. Master of ceremonies was Neil Kirk of New York who accompanied the Scottish party on its North American tour.

Willie McBroom in thanking the audience for the record turnout said that the Wilson party would be back in September and he hoped that those who had not been able to get tickets for the present tour would be able to be accommodated on the next visit which

## Junior Stamp Club To Have Party

By the kind generosity of the Senior Stamp Club a Christmas party is being planned for the Junior Stamp Club, invitations have been sent out to members and their parents. The party will take place on December 14 at 7 o'clock in the Oak room of Victoria hall.

All those members who haven't sent in their reply to the boys and girls will be there. Send your reply to Mrs. Peirson, Recreation Department, 4350 St. Catherine street west.

Don't delay, get that reply on the way.

## Dutch Consul Speaks To Current Events Club

The current Events Club of Westmount High School was honoured last week when J. Varenkamp of the Dutch Consulate in Montreal, spoke on "Holland Today."

Mr. Varenkamp traced his country's history from the wandering tribes of prehistoric days to the new Holland that has arisen from the chaos of the last war. During the course of his speech, he mentioned how, after the partition of Charlemagne's Empire, the land at the mouth of the Rhine River had come under the rule of the Burgundian princes. The speaker told how the Roman and feudal times had affected the Netherlands. He spoke of the num-

will be for three nights and will again be staged in Victoria Hall.

The Robert Wilson party left by air from Dorval on Saturday. Wilson and Finlay open to-morrow in the pantomime Cinderella at the Alhambra theatre Glasgow.

Tammas Fisher the pianist kept an engagement last Sunday night in Paisley, Scotland.

A comment overheard as the crowd was filing out of the Victoria Hall came from an elderly lady with a very definite Scottish accent who was confiding to her friend that she hadn't been so home sick since she landed here some 30 years ago.

## Y.M.C.A. NOTES

### Young Adult Section

**Residence Supper Club:** On November 30 the Residence Club held their weekly supper meeting. After the usual delicious meal, a sing-song was led, with Des Iveson at the piano. Bill Hopper of the Young Adult Department extended an invitation for the group to attend the December Dance being held this evening. Ron Gee introduced the evening's speaker, Vic Baker, Public Relations Manager for the Canadian Institute of Plumbing and Heating. His topic was "Public Relations and You." Mr. Baker's challenging address was received with much interest from the Club members.

**December Dance:** Tonight's feature program at Westmount "Y" will be the annual Christmas Party, starting at 9 o'clock for the Young Adults, combined with the Grand Finale of the eight-week So-Ed program. Dancing both modern and old time, plus South-American numbers, will be provided by the leaders in their field. Party games, singing, prizes, and refreshments will round off the evening. All are welcome to attend.

**Square Dance Club:** Every Tuesday evening at 8 o'clock the walls of the "Y" Assembly Hall shake with square dances. On an average, four squares go at once. A special Christmas Square Dance Party will be held on Tuesday, December 19. Among other things, refreshments will be served.

**Hanging of the Green:** Next Tuesday, December 12, at 7:30 p.m. all members and friends are invited to the "Y" for the annual "Hanging of the Green". Christmas trees will be decorated in the Main Lobby and in the Boys' Department, as well as seasonal trimmings throughout the building. Informal singing of Christmas Carols, an open fire in the fireplace, and a friendly group should help to capture the holiday spirit.

## Westmount Man Injured in Car-Truck Collision

Elwyn Wiltshire, 40, of 339 Victoria avenue, Westmount, was one of two men injured in a car-truck collision at 7:30 a.m. on Friday at the intersection of Mountain and St. Catherine streets.

Robert Leboeuf, 41, of 5246 Belmore street, driver of the car in which Mr. Wiltshire was a passenger was the other man injured in the collision with the truck which was driven by Adeland Champ, 42, of 2382 Delisle street, Montreal.

Delisle the truck driver was not hurt. The passenger car was badly damaged.

The two injured men were taken to the Western Division of the General Hospital and were released after treatment.

## Police Box Is Damaged; Reason Still Unknown

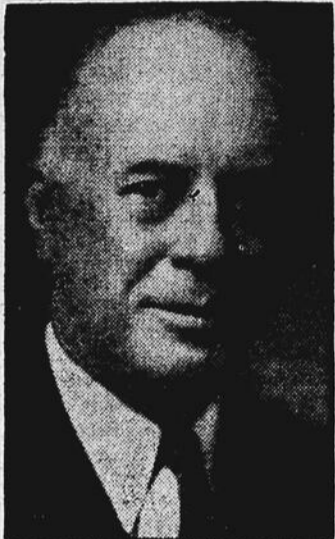

Westmount Police are still trying to discover what happened to a police alarm box at St. Catherine street and Greene avenue.

The mystery began when Sgt. W. Maxwell saw the Royal Bank of Canada messenger, who worked at the branch office on that corner, clearing up some broken glass off the sidewalk.

On questioning the messenger, the officer was unable to uncover any clues, but on looking at the pole of the signal box, he discovered scratches of red paint.

The pole was also twisted as if hit by a motor vehicle of some kind. The officer was unable however to obtain any further information and an inspection of the red painted vehicles in the area failed to produce any further information.

## Change in Cunard Presidency

**THOMAS C. LOCKWOOD**  
Retiring President

Thomas C. Lockwood, of 602 Cote St. Antoine Road, Westmount, has resigned as president of Cunard Donaldson Limited effective December 31. Mr. Lockwood who has been identified with Montreal shipping interests for nearly 40 years, will be succeeded by Dudley Page, M.B.E., M.C., who resides in the Town of Mount Royal.

**DUDLEY PAGE**

## Canadian Styles Equal To Any, Rotarains' Wives Told

"There is no need to buy imported clothes because Canadian styles and Canadian fabrics are equal to any in the world," Wesley Mason, president of Wesley Mason Textile Mills, told members of the Westmount Rotary Club who held a ladies night Wednesday at the Unity Boy's Club.

More than 90 members, wives and friends attended the special event held in the evening, with Mr. Mason the guest speaker of the occasion.

He told the group that the Korean crisis has added a crisis on the home front since the price of silk has jumped from \$2.58 to \$4.75 since the price of silk has jumped from

\$2.58 to \$4.75 since the war started. Mr. Mason claimed that while there was no silk on the market for six years during the last World War, nothing could replace it in many ways.

Recently returned from a three month trip to Europe, during which he attended a number of fashion shows in Paris, Mr. Mason claimed that the trend of the latest fashions all come from that city. He said that he had little doubt that women's dresses would continue to rise in skirt length until they would once again be worn above the knees. Mr. Mason claimed that such a style might become the fashion within four years.

The speaker, who was introduced by Bill Moxley, also claimed that the English women like jersey dresses, but said that prices of these dresses over there was much more than in Canada.

Speaking on some of the synthetic silk products, he claimed

that nylon was the strongest of all, and that it was revolutionizing the laundry industry. In making the speech, which was primarily addressed to the ladies, the speaker explained that the only reason why the latest nylon stockings are not as long wearing as those first manufactured was because the lighter weight, and cause the yarn was different. He explained that most women therefore did not get the same strong yarn used in the earlier manufactured stockings.

The speaker also outlined some of the intricate machinery and processes used to spin and weave yarn for various fabrics, and said that at any time a member or his wife wished to visit the Mason Textile plants, arrangements could be made to do so. Don Ross thanked the speaker.

Following his address a number of prizes donated by Mr. Mason for the evening were raffled off, as were a number of other prizes donated by the Westmount Rotary Club.

The guests were given a tour of the building after the supper, and returned to the games room of the club for entertainment once the tables had been cleared.

Also on the program was a 50 voice choir of King's School, Westmount, under the direction of Miss Luba Slazur.

Frank Kenwood presided at the meeting.

## Canadian Handicrafts Guild Exhibition Is Continuing

The Canadian Handicrafts Guild, Quebec Provincial Branch, opened the new Canadian Exhibition Saturday, December 2nd.

The exhibition, which is attracting considerable attention, will continue in the Guild rooms at 2025 Peel street, under December 16th.

## G. C. Marler, Westmount Member, Scores N.U. Gov.

In a radio address on Thursday George C. Marler, liberal member for Westmount-St. George division in the Quebec House and Leader of the Opposition in the Legislature charged that the Act empowering the National Union Government to borrow \$60,000,000 for road building and to impose an additional two-cent tax on gasoline should have been "an act to come to the rescue of the most spend-thrift government the province has ever known."

Mr. Marler in reviewing the work accomplished during what he called the recent lightning session, said that the acts to assist fire victims of Rimouski and Cabano were completely inadequate.

He said that the government had waited too long to make public the measures to aid the devastated towns, adding that the loans which Rimouski will be empowered to make to fire victims will be useless because they are too small.

The member for Westmount said that Premier Duplessis had announced an early session was called because of the urgency to adopt assistance measures. "One can judge the sincerity of this when one knows that only one quarter of the funds collected under public subscriptions have been turned over to fire victims, he added.

The real reason was the government's immediate need for funds as shown by an increase in the gasoline tax, Mr. Marler contended.

"The roads minister said the money was needed to insure the civil defence of the province," Mr. Marler said. "What a farce! What

## Putters Club to Hold Xmas Party

The City of Westmount Recreation Department is organizing a Christmas party for the Putters Club to be held on December 11 at 8 o'clock in the Green Room of the Victoria Hall.

All members of the Putters Club are asked to please let Mrs. Peirson, FI 6975, or Mrs. P. Warner know if they and their friends will be there.

the minister and his colleagues want to insure is not the civil defence of the province but the electoral defence of the National Union party."

Committee chairmen will be named at the January meeting of the association, President Slessor said.

The following is a list of the officers elected at Tuesday's meeting.

**Officers**

President: J. Eric Slessor, vice-presidents: Sidney B. Fraser, Dent Harrison; secretary-treasurer: W. E. Black.

**Executive Members**

A. Gordon Anderson, H. M. Baker, W. C. Beamer, C. N. Bissett, C. L. Brooke, D. G. Anglin, R. W. Bartram, Frank Binmore, J. C. Bonar, G. H. M. Campbell,

Raymond Caron, F. H. Clements, Dr. Gordon A. Copping, James A. DeLalanne, A. D. Falkner, W. A. Fowler, W. P. Carr, Ernest C. Common, C. J. Dryden, David M. Farish, F. E. H. Gates, T. W. Gilmour, Alec P. Grigg, L. R. Haldimand, Norman Harling, Wm. M. Jackson, D. J. Glen, H. M. Hague, Dr. G. H. Halpenny, Archibald Harshaw, Norman E. Kenrick, Thomas R. Ker, K. S. LeBaron, Alistair MacKinnon, O. H. N. Owens, Alfred Powis (jr.), Peter Kilburn, Ernest L. Maag, Arthur McBean, A. Philip Page, Irving Riddell, H. Vennor Roper, Michael Tucker, Paul Viau, H. G. Seybold, J. H. Vale, R. S. White.

**Ex-Officio Members**

J. R. Fenwick, René B. Perreault, J. A. H. Henderson.

The full text of Mayor Cameron's address to the meeting of the Westmount Municipal Association's annual meeting is as follows:

As the members present are aware of the capital works undertaken this year, I shall confine my remarks to general conditions in the City.

**Traffic**

The first item that comes to mind is that of traffic accidents which total 40 out of 50 per month in Westmount. Doubtless some are unavoidable but the number could be greatly reduced. At the meeting of the Canadian Federation of Mayors and Municipalities in Saskatoon last August, a resolution was passed urging the Provincial Governments to legislate for compulsory insurance on motor vehicles and thus provide adequate protection for personal and property damage. Many of the worst accidents are caused by irresponsible drivers who carry no insurance.

Uniform speed laws throughout Canada and the United States, with well defined limits of speed, would go a long way towards the reduction of accidents as the Municipal Police would be in a much better position to secure convictions and curb the reckless driver.

In September, our Chief of Police attended the annual Convention of the Chief Constable's Association of Canada and his report states that traffic accident fatalities are again on the increase, the Canadian rate per thousand population being in excess of that in the United States.

At the same meeting a demonstration of the drunk meter was given. This meter gives a chemical test of the alcoholic content of the breath. The subject being required to inflate a balloon thus providing air for the chemical test. It was developed from research conducted by the Medical Board of the National Research Council in the United States, where 13 States have accepted test findings as establishing the guilt of an accused person if the alcoholic content is above a certain degree. The City of Saskatoon has one of these meters and their experience will prove interesting.

**Civil Defence**

With war clouds on the horizon, the council faces a new task and has been studying the problem of Civil Defence during the last 3 months, using American literature for the most part, pending the receipt of the Canadian Federal Plan. Civil Defence can be defined as the protection of the home fronts by civilians acting under civilian authority to minimize casualties and war damage and preserve maximum civilian support of the war effort. It rests upon the principle of self-protection by the individual extended to include mutual self-protection on the part of groups and communities manned largely by unpaid part-time voluntary workers; each service of Civil Defence will work in co-operation with the other for the common good. Considerations are being given to the organization, the appointment of a full-time Civil Defence Director and setting up control centres.

**Functions**

1. To receive and give air raid warnings.
2. To alert the various services to the pending attack.
3. To marshal and disperse Civil

- Defence Forces.
- Warn the public to take shelter.
- To quickly assess the nature and scope of the damage.
- To order into action the Civil Defence Forces.

This will require a well defined voluntary organization, 2% of population or 538 persons. Consideration will also be given to the question of mutual aid and mobile support from the metropolitan standpoint, where possibly we might be called upon to give, say 1/3 of our services to help a neighbouring municipality, and if the emergency arose in Westmount, we would expect to receive similar support.

The Canadian Government is issuing a booklet, entitled "Organization for Civil Defence" and the whole question has to be studied so as to clarify our position from the legal, financial and administration points of view and also the question of supplies.

**Costs**

The trend of costs is still upward. The cost of living, which varied 2 points during the year 1949, has risen practically 10 points during the current year. Materials have risen in price and procurement is becoming more difficult with longer deliveries; the threat of war has meant the stock-piling of materials essential for defence, and this upward trend is reflected in all construction costs. The effect of this was felt in the recent widening of Sherbrooke Street where the contractor could have used 1,000 bags of cement per day and was only able to get 400. I might say, that we are planning next year's budget of capital expenditure in line with our long term programme which I explained at the meeting last Spring, but we may experience difficulties in carrying it through 100%.

**Trees**

As citizens, we are proud of our trees and I can assure you that the Council is equally concerned. In the widening of Sherbrooke Street opposite the Mother House, the sidewalk was moved back of the trees and this policy will be continued as and when the widening is carried on westward on the south side of Sherbrooke from Clarke to Roslyn. It must be remembered that some trees are near the end of their natural life and, while an excellent job was done in planting the trees originally, you will find that in a row of trees one or two may be out of line. This can be taken care of when the tree is further away from the street and where we can curve the sidewalk around the tree, but this cannot very

well be done where the tree is closer to the street than the majority of the trees in the row.

At the western end of Sherbrooke Street, we have cases where these projections cause considerable inconvenience in parking and form quite an obstruction in the street.

Building permits, which during the war years averaged \$300,000 annually, rose to an average of \$950,000 in 1946-7-8 and last year totalled \$1,500,000. For the first 9 months of this year, the total equalled that of the corresponding period last year.

**Retirements**

In closing, may I remind you that this year marks the retirement of 3 top city officials:

Mr. Jarman, our general manager, 42 years of service; Mr. Houston, our secretary-treasurer, 39 years of service, and Mr. Brown, supt. of light & power dept., 44 years of service.

These retirements mark a milestone in the history of our City as well as in the life of each Official concerned. I am sure that each one of these gentlemen can look back on the growth of the City with pride and satisfaction, remembering the part that he, himself, played in its administration, and they are leaving the service with our best wishes.

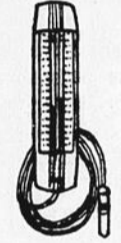

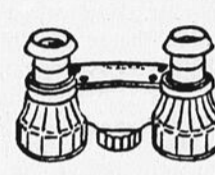

Report by J. R. Fenwick, president of the Westmount Municipal Association, to the annual meeting held at Victoria Hall on Tuesday evening.

Seven general meetings of your Executive Committee have been held during the year as well as numerous meetings of sub-committees. In addition we held a Spring Meeting of the Association in May and now close our year with this Annual Meeting. Those of you who were not at our Spring Meeting in May missed a particularly interesting address by Mayor Cameron.

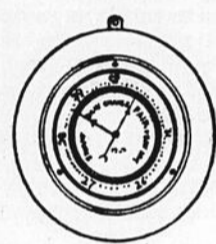

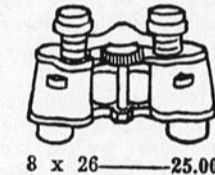

As usual the work of the Association is mainly carried out by Committees appointed at the beginning of our term. In reporting on the activities undertaken by these Committees I wish to express to each Group and to its Chairman my appreciation of their

(Continued from Page 4)

loyalty and devotion to the best interests of the Association.

The Education and Library Committee investigated during the year the matter of establishing a record library for the citizens of Westmount and recommended that the Library Board study this matter. So far we have not had a report from the Library Board. This Committee also investigated the question of repairing or replacing the organ in this Hall and made a recommendation to the City Council.

This Committee also had the responsibility of recommending nominations for the School Commissioners for the Westmount Protestant School Board and for Trustees for the Library Board.

The Housing and Zoning Committee have made a study of the new City building by-law and have reported that they are in entire agreement with this by-law. This by-law has now had its third reading by our City Council and is awaiting final approval before becoming law.

This Committee has also given consideration to means for improving the business section of Victoria Avenue below Sherbrooke Street.

Our Membership Committee have been active in maintaining and increasing our Membership. Their Chairman reports that during the year we have lost, due to deaths, removals and resignations 75 members and that we have obtained 115 new members so that we have a net increase of 40 members or a total of 885. Our membership is slowly in-

creasing and we would like to have many more, so if any of you can influence someone to join you will be helping yourself and the Association.

Our Publicity Committee have been particularly active this year and have endeavoured through our News Letters and through publicity in the newspapers to keep you informed on development in the Association and the City. We have established this year a closer liaison between our Publicity Committee and the City Management which we believe has resulted in greater publicity on Civic affairs.

During the year our Recreation Committee had many responsibilities. Early in the year they were concerned with reviewing and recommending a suitable candidate for the post of Recreation Supervisor for the City of Westmount. This Committee has taken the preliminary steps and recommends the formation of a Recreation Advisory Committee to advise the Westmount Recreation Supervisor in providing recreation activities and facilities desired by the Citizens of Westmount. This Committee would consist of representatives of Groups and Associations interested in recreation.

Members of the Recreation Committee have been working with the City in laying out ski trails on the north side of Westmount Mountain and provided we have suitable snow we expect there will be some good skiing there this coming winter. The Recreation Committee have co-operated with the Track and Field Club, Westmount Rugby-Football Club and other groups in arranging facilities for practices and playing.

Our Traffic Committee have kept closely in touch with traffic

problems as they affect our City. You are all familiar with the changes that have been made on Sherbrooke Street and although delays occurred due to shortage of material and water mains that could not be found, I believe that we are all satisfied with the final result. Due to the increased number of cars using our streets we are concerned about the parking problem and the speeding of motor cars and busses.

During the year our Finance

Committee made a comparative study of the financial statements of the Cities of Westmount and Outremont. This has shown that Westmount spends more money than Outremont in every department. This is something which we believe is for the study of our City Management as we do not want to draw comparisons with a neighboring City. A copy of the report has been forwarded to the City.

Our Legislation Committee and

Health and Welfare Committee have kept us in touch with all matters coming within the scope of their Committees and the Program Committee have handled the arrangements for our Spring and Annual Meetings.

This concludes a much too brief reporting of the activities of your various sub-committees who devoted considerable time during the year to further the interest not only of the Association but of all the Citizens of Westmount.

**LAMPS**

Say Merry Christmas with beautiful lamps — sparkling gifts of cheer and home happiness. We have the largest selection of lamps and shades in the West End. Lamps for every room — for every purpose — for every purse.

**CHRISTMAS TABLE CENTRE**

DRY OAK LEAVES, SPRIGS OF EVERGREEN, CONES AND NUTS, DISC OF WOOD FOR BASE ALL CAN BE GIVEN A COAT OF VARNISH

Tom Gard's Note Book

The Gards rely almost entirely on native material for Christmas decorations, other than lights and fancy tree ornaments.

Every year the whole family has a cone-hunting spree in the country. Occasionally we draw the ire of some "country cousin" but we usually try to secure them in well-wooded areas that are little frequented. We journey forth again when it comes time to gather evergreen boughs for our wreaths and other decorative purposes.

**Christmas Table Centre**

The Christmas table centre we used last year is illustrated. What could be more typically Canadian than the pressed oak or maple leaves and the collection of cones? Some of the cones can be dipped in bright red and bright green paint to add color to the arrangement. This year we plan to include evergreens to replace the leaves. In case you are interested in making the candle stick holders, instructions are also given along with a couple of designs.

**Cone Place Markers**

To complete the slogan "let's make it an evergreen Christmas", place markers are made from cones. Gather cones from the Austrian pine, larch and Jack pine when they are dry. Leave them in a sunny window or on top of the turnace overnight. The warmth will open them. Three types of cone place markers that have been used are illustrated. The whole family has a share in making them. This adds to the interest and the anticipation for that day of days so quickly approaching. It is fun drawing on one's imagination to help make the cones look as realistic as possible. It is surprising how closely some do resemble different types of birds when they are carefully selected, placed and finished. All I hope is that you have as much fun in your house as we have in ours preparing for Christmas.

## CIVIL DEFENCE FOR WESTMOUNT

**Full-Time Director  
To Be Appointed**

Mayor Cameron's announcement at the annual meeting of the Westmount Municipal Association in Victoria Hall on Tuesday night that Westmount City Council was considering the appointment of a full-time Civil Defence Director will give some comfort to many citizens who have for some time been getting rather worried over the possibility of an enemy attack on this area.

It is learned that Premier Duplessis has selected Brigadier J. Paul Sauve to head the Civil Defence organization to be set up by the Province of Quebec.

It is understood that the provincial head will have jurisdiction over municipal directors of civil defence and that the provincial director will in turn take orders from the federal authority.

Mayor Cameron stated that a well defined voluntary organization would be set up in Westmount based on 2 per cent of the population, roughly 538 persons.

The Canadian Government has already appointed Major-General F. F. Worthington as co-ordinator of Canada's Civil Defence, and a booklet has been issued by his department dealing with the setting up of local organizations.

That the Montreal area would be a likely target for enemy bombers is undeniable, and this coupled with the fact that to date no provision either in the way of shelters or

handling maimed and homeless has given rise to much uneasiness.

News from Korea in the last few days is anything but encouraging, and there are many who fear for an early outbreak of hostilities on a much larger scale.

So little is known of how to deal with the atomic bomb threat, that the formation of any organization will help to reassure the population that something is being done to meet the many problems which would arise in the event of a sneak air raid.

Mayor Cameron's assurance that his council is tackling the question is therefore very satisfying.

## TRAFFIC ACCIDENTS INCREASE

**Stiffer Court Sentences  
Suggested as Solution**

Figures released by Mayor Cameron at the annual meeting of the Westmount Municipal Association showed that 40 out of every 50 accidents which occur in Westmount are traffic accidents.

Speaking to the Chambre de Commerce on Tuesday Recorder-in-Chief Roland Paquette of Montreal said that he was convinced that if motorists sought to abide more closely by existing laws governing traffic, that problem would not be nearly so acute, and pedestrians as well as motorists would be much better off.

The recorder added that 58,543 cases of infraction of traffic regulations came before the local courts in 1949 besides another 8,313 cases involving infraction of provincial traffic regulations.

It would seem that in many instances motorists who maim or kill pedestrians get off altogether too lightly. Usually a verdict of accidental death is recorded.

If the number of traffic accidents are to be reduced, our courts must be a little harder with some of the more flagrant cases.

A stiffening of attitude might serve as a warning to those drivers who persist in dangerous and fast driving.

The Crossing Guides in Westmount who daily escort school children across the many intersections are proof that pedestrians especially children must be protected against potential killers.

Attend the Church of Your Choice Regularly.

## Christian Science

"God the Preserver of Man" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday.

The Golden Text is from II Samuel 22:3 "The Lord is my rock, and my fortress, and my deliverer; the God of my rock; in him will I trust: he is my shield, and the horn of my salvation, my high tower, and my refuge, my saviour."

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "O Lord, thou art my God; I will exalt thee, I will praise thy name; for thou hast done wonderful things; thy counsels of old are faithfulness and truth. Open ye the gates, that the righteous nation which keepeth the truth may enter in. Thou will keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee. Trust ye in the Lord for ever: for in the Lord JEHOVAH is everlasting strength."

The Lesson-Sermon also includes the following passage from the Christian Science text-book "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In divine Science, where prayers are mental, all may avail themselves of God as 'A very present help in trouble.' Love is impartial and universal in its adaptation and bestowals. It is the open fount which cries, 'Ho, every one that thirsteth, come ye to the waters.' The history of Christianity furnishes sublime proofs of the supporting influence and protecting power bestowed on man by his heavenly Father, omnipotent

Mind, who gives man faith and understanding whereby to defend himself, not only from temptation but from bodily suffering."

Mr. and Mrs. C. Clyde Drew are entertaining at a not-out dance on Wednesday evening, December 27, at their residence, for their daughter, Miss Diana Drew.

A Christmas dance will be held at St. Leo's Academy Hall, 360 Clarke Avenue, Westmount, on Friday, December 15, at 9 p.m., under the auspices of the Catholic Mothers' Club of Ascension Parish.

Mrs. A. L. Wood entertained yesterday following the wedding rehearsal of her daughter, Miss Janet McKenzie Wood and Mr.

## Montreal Pianist And Doctor To Pledge Marital Vows

William Robert DeCelles. Mrs. Maude DeCelles had a buffet supper recently for her son and his fiancée. Among those who have had showers for the bride-elect are Miss June Sutton, Mrs. F. Bruneau and Miss Joan Barnes, who entertained jointly, Miss June Evely, Miss Jean Dundas and Miss Jacqueline Cote. Miss Mavis Dowd had a tea for Miss Wood.

Mr. and Mrs. B. C. Garner entertained officers of the Bank of Montreal, and their wives, at a reception at the Ritz-Carlton Tues-

Miss Doris Watt Killam, daughter of the late F. C. Killam and of Mrs. Killam, of Montreal, formerly of Saskatoon, Sask., and Dr. James Lester McCallum, son of the late Neil McCallum and of Mrs. McCallum, of Avoca, Que., whose marriage will take place on Tuesday, December 26, at Stanley Presbyterian Church, Westmount. Miss Killam, a well-known Montreal pianist, is a Licentiate of Music of McGill University, while Dr. McCallum is a graduate in Medicine of McGill.

day afternoon. Guests included out-of-town seniors officers and managers, accompanied by their wives, who are in Montreal attending the annual meeting of the bank, as well as numerous local managers and head office executive officers.

The executive board of the Cote des Neiges and Snowdon Women's club met on Monday afternoon at the home of Mrs. B. A. Howell, 461 Grosvenor Avenue. The president, Mrs. S. Preston, was in the chair. Tea was served at the close of the business meeting.

Mrs. Joseph F. Senuta, accompanied by her two children, Ricky and Joanne, is arriving on Monday to spend the Christmas holidays with her parents, Mr. and Mrs. Frederick Krug, Lansdowne avenue. Mr. Senuta will join them on Saturday, December 23.

Mrs. C. W. Clark entertained at the tea hour for the Ladies Auxiliary, N.D.G. Unit No. 1 of the Royal Edward Laurentian Hospital, on Monday. A special guest was Mrs. Erle Lockhart. Presiding at the tea table were Mrs. J. C. McKean and Mrs. R. A. Macintyre. Mrs. D. A. McNiece, president of the Unit, thanked the members for the fine work done in the past year. Mrs. M. J. G. Hogan cut the ices.

Mrs. A. W. Meyers, chairman of the ways and means committee of the Catherine Booth Women's Auxiliary entertained her committee at luncheon recently at the Business and Professional Women's Club. Present were Mrs. D. K. Gowans, Mrs. D. Davis, Mrs. H. W. Clarke, Mrs. Percy Brown, Mrs. J. W. Henderson, Mrs. A. H. Mason, Mrs. D. Robinson, Mrs. C. S. Waldo, Mrs. O. W. Meiss, Mrs. H. Dentith, Mrs. W. A. Routledge, Mrs. M. Fisher, Mrs. W. B. Camp of the W. A., and Mrs. S. A. MacSween, honorary president. The table was centered with Christmas greenery.

At the annual Christmas party of the Westmount Women's Club, being held today at 2:30 p.m. in Victoria Hall, the guests will be received by the president, Mrs. J. C. McKean, and Mrs. Gordon Blair and her committee. The co-chairmen for this event are Mrs.

Mr. and Mrs. C. Clyde Drew entertained at a cocktail party recently in honor of Mr. and Mrs. Stopford, of London, England, who now have sailed for England.

Mrs. F. H. MacKay, of Roslyn Avenue, Westmount, and Miss Ede Belle Russell have returned from a holiday in New York.

Mrs. H. B. Kollmyer is a guest of Mr. and Mrs. Arthur McBean, of Westmount, prior to leaving on an extended trip to Europe.

Mrs. Frank Moody, a member of the Notre Dame de Grace Women's Club will have a number of her paintings on exhibition at the Club Tea and Christmas Bazaar being held at Victoria Hall today.

Miss W. E. Wilson is hostess this afternoon, the last day of the Independent Art Association's exhibition of paintings now being held in Windsor Hotel, Tudor Room Annex. Mr. Paul Billing will take charge in the evening until 10 p.m.

The Montreal Women's Branch of the Canadian Institute of Mining and Metallurgy is holding its Annual Sherry Party for members and their families, at the home of Mrs. J. M. Forbes, 1227 Sherbrooke Street West, today from 5:30 p.m. to 7:30 p.m.

Mrs. Harold Lorie, national president of the National Council of Jewish Women in Canada, was in the city on her way to Quebec and was the guest of Mrs. Benjamin Robinson, 36 Forden Crescent, who entertained at a luncheon in her honor, at the University Club, for national and local officers of the Montreal Section.

Young girls assisting in the Westmount Women's Club Christmas party, taking place today at 2:30 p.m. in Victoria Hall, include the Misses Judy Barlow, Denise Benzacar, Heather Birnie, Joanne Bovyer, Mary Chapman, Joan Fish, Georgina Goode, Mary Holt, Marjorie Klein, Judy Manovitz, Joan Morgan and Sandra Noble. Mrs. Garfield Birnie is in charge of these young girls and Mrs. Percy French and Mrs. C. W. Williams, of the costumes.

## APPROACHING MARRIAGES

At the marriage of Janet McKenzie, daughter of Mr. and Mrs. A. L. Wood, to Mr. William Robert DeCelles, son of the late L. E. DeCelles and of Mrs. DeCelles, which has been arranged to take place on Saturday, December 9, in the sacristy of the Church of the Ascension of Our Lord, Westmount, Miss Jean Dundas will be maid of honor and Miss Mavis Dowd, bridesmaid.

Mr. Guy Rene de Cotret will act as best man for Mr. DeCelles and the ushers will be Mr. Harold McCoy and Mr. Frank Bruneau.

A favorite midnight snack is sandwiches made of condensed bean soup. Add a little minced onion to the thick soup, right from the can, spread on slices of buttered bread and top off with rashers of crisp bacon. Serve plain or toasted. And for the beverage — large cups of tea, piping hot, refreshing and satisfying.

## Fashion Talk Features Mabel Hubbard Dinner

MRS. P. FALCONER

The co-chairman of the Mabel Hubbard Club Social Committee, Mrs. P. Falconer was convener of the dinner held in the Queen's Hotel on November 28.

Mrs. Helen Phyllis Falconer of N.D.G., was convener of a dinner, sponsored by the Mabel Hubbard Club, women's organization of the Bell Telephone Company in Montreal, held recently at the Queen's Hotel. A feature of the evening was a fashion talk by Mrs. Doreen Day of Eaton's. The speaker was introduced by Mrs. Falconer, and Miss Margaret Montgomery proposed the vote of thanks.

Mrs. Falconer has been associated with the social activities of this enterprising club for several seasons. Her work with the Bell Telephone Company she describes as "stimulating and enjoyable," as she is an instructor in the General Commercial Department where she trains young women whom the public meets in the company's

church hall, Melville avenue, Westmount. Devotions will be conducted by Mrs. H. K. Markell.

Speaker is to be Rev. C. C. Cochran, pastor of the church. Reports and election of officers is also on the agenda.

## St. Andrew's W.A.

The Women's Association of St. Andrew's Church, Westmount, will hold its monthly business meeting on Tuesday at 2 p.m. in Hutchison Hall.

Tea Hostesses will be Mrs. W. J. S. McMaster and the ladies of No. 9 group.

## Legion Auxiliary

A meeting of the Ladies Auxiliary, Westmount Branch No. 39, Canadian Legion, B. E. S. L. will be held in the Brodeur Room of the Legion Memorial Building, Mountain Street, on Monday, at 8 p.m.

## Calvary W.M.S.

The annual meeting of Calvary W.M.S. will be held on Wednesday and will be in the form of a "pot luck" supper to be held in the Ladies' Parlour of the church, at 6.30 p.m. Annual reports will be presented and election of officers for 1951-'52 will be held. The speaker of the evening will be the very Rev. Dr. T. W. Jones, and program convener of the evening will be Mrs. G. A. Sheen.

## Sale of Work

The Ways and Means Committee of the Catherine Booth Women's Auxiliary will hold a Sale of Work on Friday, December 15, at the Church Radio Service Store, 5860 Sherbrooke street, west, at 10 a.m.

Everyone interested in this Auxiliary is invited to come and finish her Christmas shopping from the many fine articles on display.

Mrs. A. W. Meyers is the chairman of this committee.

## St. Matthew's

St. Matthew's Guild and W.A. are holding their monthly meeting in the church hall, corner Dufferin and Cote St. Luc Roads on Tuesday at 2:30 p.m. The executive will meet in the ladies choir room at 1:45 p.m.

Group C is having a food table and Group D will be tea hostesses. All groups are to submit returns for the year.

## W.A. Christmas Tea

Members of the Women's Auxiliary of the Homeopathic Hospital are holding their December meeting and Christmas tea in the A. R. Griffith Memorial Hall at 3 p. m. Wednesday.

There will be an inspection of the new youth room, sponsored by the Women's Auxiliary.

Guest soloist will be Mrs. Gordon N. Russell, accompanied at the piano by Mrs. M. Martin. Members are invited to bring a guest.

## Literary Society

Dominion Douglas Ladies' Literary Society meeting is to be held tomorrow at 3 p.m. The speaker will be Mrs. Doreen Day — Fashion Director of the T. Eaton Company, and the subject will be "International co-ordination in Fashion Economy."

Music will be supplied by Mrs. Margaret Messinger and Mrs. Armande Davis, duettists, accompanied by Miss Phyllis Rowell.

## Advent C.W.Y.

"Fans Through the Centuries" will be the title of the lecture being given by Mrs. Cyril Jackson, at the next meeting of the Church Women's Year, of the Church of The Advent, in the Parish Hall, corner of Wood and Western, on Tuesday at 3 p.m. Mrs. Jackson will also have on view her private collection of fans.

Mrs. A. Wallace, assisted by Mrs. W. H. Smith, Mrs. R. W. Lydon and Miss Clare Walker will act as hostesses at this meeting to which visitors are cordially invited.

## Business Women

The Professional and Business Women's Organization of the Parish of the Ascension of Our Lord, Westmount, is holding its next general meeting on Wednesday evening in St. Leo's School Hall at 8.15 p.m.

Following the meeting the yearly Christmas shower of gifts for the aged poor will take place and the guest speaker for the occasion will be Father Patrick J. Ambrose, Director of the Federation of Catholic Charities.

## Sherry Party Arranged By Sclerosis Society

MRS. J. B. RICE

Under the convenership of Mrs. J. B. Rice, the Multiple Sclerosis Society is planning to hold a Sherry Party on December 16 from 5.30 p.m. to 8 p.m. at the Rice Studios, 750 Sherbrooke St.

A very successful opening meeting was recently held at the Mount Royal Hotel with a most interesting talk on Multiple Sclerosis by Dr. Reuben Rabinovitch. The newly organized West End Chapter of the Multiple Sclerosis Society of Canada is off to a good start under the acting chairmanship of Mrs. H. L. Taylor. Members have been making an effort to enlarge the membership list and anyone interested might contact Mrs. R. M. Macaulay, 598 Grosvenor Avenue, EL. 5061.

tients on Christmas morning. The dressings committee of the auxiliary under joint chairmanship of Mrs. Frank Martin and Miss Beryl Quigley have been busy preparing a large quantity of gaily wrapped gifts for this shower.

The lounge will be decorated in the Christmas theme with a Christmas Tree and there will be Christmas music.

The tea hostesses of the day will be Mrs. C. Mallen and Mrs. J. Harold Fox. Pouring tea will be Mrs. E. J. Quinn, Mrs. T. J. McElligott, Mrs. Ambrose Campbell. The reception committee will be members of the Outremont Subdivision executive with Miss M. Oram, president.

Previous to the tea there will be a short business session with the president of the auxiliary, Mrs. F. H. O'Connor, in the cellar.

## Miniature Bazaar Held In Victoria Hall By Loretto Alumnae

A miniature bazaar held on Saturday by Loretto Alumnae of Montreal in the banquet room of Victoria Hall proved to be a great attraction, netting the Society over \$900. A popular feature of the afternoon was Tots' Town, a corner of the banquet room devoted to the interests of the small fry. It was presided over by Mrs. N. D. Tooby and Miss Patricia Coonan, assisted by Martin McKenna and other friends.

The stage and the foreground immediately below it provided space for tea tables. Christmas trees, blue and silver streamers (Loretto colors) and a Loretto banner displayed on the back-drop provided the setting. The tables were under the direction of Mrs. C. C. Lindsay and Mrs. W. F. O'Dea.

Miss Helen Brennan is the president of Loretto Alumnae of Montreal.

Among the projects of the society are scholarships and contributions to charitable work in the city of Montreal. Contributions are also sent to Western Canada missions and to missions in India.

wise. Remove the seeds. Season with salt and pepper and bake, cut side down, on a greased pan in a hot oven (400 degrees F.) for 30 to 40 minutes until tender and lightly browned on cut edges.

## C. A. C. Reports

... Types of flour discussed ...

Welcome another new Branch to the growing ranks of the Canadian Association of Consumers in Quebec! Your C.A.C. Executive feels anew that thrill of accomplishment and growth each time this announcement can be made. This week's greetings go to the Montrose Branch, formed among the members of the Montrose Club. This Club, composed of a parent group and two sub-divisions, the Grenfell and the Elizabeth Fry, is a women's service group specializing in aid to missions and hospitals. From among the membership of all three groups, has been formed a Montrose Branch of C.A.C.

Chairman of this new Branch is Mrs. Alan S. Wynn; Vice-Chairman, Mrs. M. H. Chapman, and Secretary-Treasurer, Mrs. W. V. George. It is heartening indeed that so many busy women are today realizing the increasing need to give united voice to themselves as consumers.

With threats to our security all around us, there is more need than ever for stability on the home front, and working with C.A.C. can help to achieve this.

### Consumers Notes and News

Did you know that there is a strong difference of opinion in Canada on the merits of Canada Approved Flour and Artificially Enriched Flour? Canada Approved Flour is less highly milled than the present white flour and has much of the original food value of whole grain. Reinforced or enriched flour has had much of the natural vitamins and minerals milled out, but five of these elements are then artificially restored.

National C.A.C. took almost a year to investigate and report on this matter. They found that millers felt that the more natural flour would not keep and another criticism was that women would not want to stock three kinds of flour in the home, namely Canada Approved, pastry and cake flours. C.A.C. differed on this, as nearly all women now keep four kinds of sugar on hand.

At this year's National Annual

Meeting a resolution was finally passed in favour of the chemically fortified flour, plus additions of milk powder, shortening and sugar, in proportions to be decided by Government technicians, so that this bread would really deserve the label "Enriched".

However, your Quebec Branch feels that the more natural flour is to be preferred, those who eat it receiving more of the real values of the wheat. If in the meantime, and until public opinion demands it, we must settle for chemically enriched bread, C.A.C. feels it should be truly enriched, with extra nourishment over and above a few vitamin tablets.

How do you feel about this matter of the "Staff of Life" which you give your family? This is but one of the many interesting things you can hear about through your membership in C.A.C. Next week C.A.C. will report again.

Guard the freshness and flavor of those more-than-ever-precious spices, by keeping them tightly covered, away from heat and light, and in a dry place.

**Make it Yourself**

by PAULINE ROY

You may have a direction leaflet giving you instructions for making this knitted tea cosy and egg warmer, as well as instructions for a pretty crocheted reversible tea cosy and egg warmer, if you will send a stamped, self-addressed envelope to the Needlework Dept. of this paper requesting Leaflet No. CW-8, TEA COSY AND EGG WARMER SETS.

The history of knitting goes back many, many centuries. Today it occupies an important place in the fashion picture. We see many knitted suits and dresses, and knitting as a decorative trim has really come into its own this year. The beginning of this needlework art is really a tribute to the inventiveness of the human race.

One of the first examples of knitting is a pair of socks excavated from a Fourth or Fifth Century A.D. Egyptian tomb. They are a woman's size, knitted in red wool with a big toe division for wearing with sandals. Handknitted gloves designed for high church ecclesiastics using elaborate and beautiful patterns are still in existence and date back to the Sixteenth Century. In the London Museum may be seen the shirt worn by King Charles on the day of his execution in 1689. It was, no doubt, the work of a master knitter and belongs in the great period when garments were knitted in several colors and in designs that resemble brocated fabrics.

About 200 A.D. the Arabian devised the knitting technique and from Arabia the art was carried to the far corners of the earth by traders, sailors and settlers. It's an interesting fact that knitting was carried to the outer world by men. Men were enthusiastic knitters up to the end of the Nineteenth Century. In the fields, shepherds put the time spent in watching their flocks to good use by knitting scarves, caps and socks for themselves and their families.

In the time of the Guilds, knitting was an industry like weaving. A six-year term of learning and travel as an apprentice was necessary before a man made his masterpieces which included a magnificent knitted carpet of original design. Very often knitted articles were felted by a process of shrinking and brushing so that the stitches were indistinguishable and the effect was of a solid fabric as in the French beret.

Today, however, it's the members of the fair sex who turn their talents towards the art of knitting. Ask almost any mother and she'll tell you how many requests she receives from various members of her family for knitted items. Dad would like a nice sleeveless pull-over for golfing, Junior has put in his bid for a pair of cable socks, and Sis has mentioned a very smart pair of after-ski socks that would be just perfect with her ski-suit. A busy person, this modern Mom who knits!

Probably, this is why small, quick-to-do knitted articles are in such demand. The pretty tea-cosy and egg warmer set pictured above belongs in this category. These attractive table accessories will add a colorful note to the breakfast table and there'll be a hot cup of tea waiting for every member of the family no matter what time each one puts in an appearance.

**Paraplegics Aux. Reports  
Success Of Bridge, Tea**

The Women's Auxiliary of The Paraplegic Association Quebec Division who held their semi-annual Bridge and Tea last Friday evening, December 1st, at the R.M.R. Armories, voted their party a great success, due to the faithful co-operation and large attendance by the old and new friends of the cause.

Miss Inez Beaton, of Westmount, held the lucky drawing ticket that won her the Northern Electric Baby Champ Radio.

**Mrs. A. Mackay Receives  
At Liesse Hunt Reception**

The Liesse Hunt Incorporated of Dorval, Quebec, held a reception and dinner Wednesday evening at the Mount Royal Hotel. The guests were received by the president, Mr. A. O. Mackay, assisted by several members of the Board of Directors. Mrs. Norman B. Muir was in charge of arrangements and her committee included Mrs. J. H. Stewart, Miss E. L. Malin, and Mr. and Mrs. J. A. Clough.

The Liesse Hunt is well-known locally for its charitable work on behalf of the Children's Memorial Hospital, the S.P.C.A. and other worthy organizations.

**CHRISTMAS SUGGESTION**

In the late winter months, when people are tired of the cold weather, there is nothing quite as nice as a trip to the South, with its sunshine and warmth and pleasant living. Why not decide that for this Christmas you will give some dear one a trip to Florida and Nassau, in the company of congenial

friends, with every thing possible having been arranged for comfort and enjoyment. Tobin's Travel Bureau have planned such a tour—for twenty days, first class travel, all expense included. Leaving Montreal March 11th and returning March 30th. The party which will be limited, will be accompanied by Mrs. H. B. Pope. Telephone the Tobin Travel Bureau for particulars.

**XMAS GIFT SUGGESTION**

## More Nurses In Canada Today Than Ever Before, Auxiliary Told

"Nursing is no longer a mere matter of baths, hypodermics, dressings and meals, but now has as its goal the return of the patient to his family restored to health and productive capacity," said Miss Mary S. Mathewson, Director of Nursing of the Montreal General Hospital, in addressing the capacity audience who recently attended the first annual meeting of the Women's Auxiliary of the M.G.H. at Victoria Hall. Speaking on "Nursing in Our Future", Miss Mathewson pointed out that this broader interpretation means that the nurse must not only be skilled in actual nursing but must also have a grounding in the social and emotional factors which play such a large part in human behaviour.

### Still Shortage of Nurses

The speaker stated that while there is a shortage of nurses, Canada has never had so many trained nurses as today—41,159 graduates and another 13,144 in training. In reviewing the current thinking, practices and experimentation in the field of nursing she

said that the trend to relieve nurses of many non-nursing duties by employing nursing aides has proved satisfactory but warned that a proper balance must be maintained between aides and professional staff. Miss Mathewson mentioned the Demonstration School of Nursing in Windsor sponsored by the Canadian Nurses Association and the Canadian Red Cross Society and said the results of the shortened training course were being watched closely. And, the proposal that the training of nurses be taken from the hospitals and turned over to the universities has in it the danger of putting too much emphasis on the training of the student rather than the nursing of the patient. "Students learn best at the bedside by example, not just in the classroom" Miss Mathewson stated. The hospitals can best carry on the training of nurses, she felt, but added they do have to shoulder too large a financial burden for this and should receive the kind of government grants given other educational institutions.

Mrs. Alexander Hutchison, President, said that volunteers are needed urgently for driving and those who could spare a few hours a week were asked to report to Mrs. Duncan Falkner.

### Auxiliary Services

Mrs. Burnett S. Johnston, Honorary Recording Secretary, reported on the many activities already undertaken including the selection and wrapping of 400 Christmas gifts for ward patients; the operation of a travelling library in the wards of the Central Division; the development of a Driving Service for the Hospital and the organization of sewing groups in the Branches which have already completed over 500 articles for the Hospital.

Mrs. Johnston reported that the major project of the Auxiliary was that of supplying volunteer help within the hospital and the financing of the director of volunteer's salary.

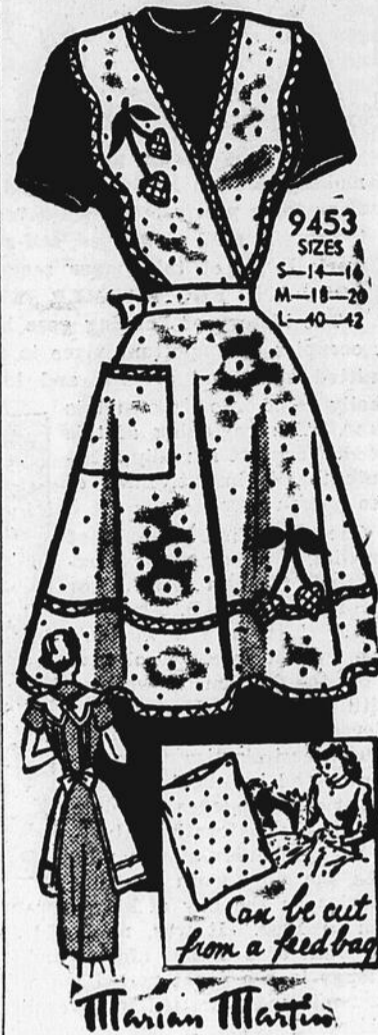

The Gift Shop and Snack Bar at the Western Division, Mrs. F. S. McGill Chairman reported, was opened at the request of the hospital to be of service to visitors, nurses and the medical staff.

Major S. C. Norsworthy, Presi-

## Mesdames Turner Bone, Andrews Will Speak At Council of Women

The Montreal Council of Women will hold its monthly meeting on Wednesday at 2:30 p.m. in the YWCA Building, 1124 Dorchester street west.

"Canadian Women and Community Planning" will be discussed by Mrs. Stanley Andrews, one of two women delegates to the 1950 Conference on Planning held in Ottawa, and chairman of the council's committee on Housing and Community Planning.

Mrs. A. Turner Bone will bring first hand information on "British Women in Council" and speak of her experiences abroad last summer.

Miss Esther Kerry, president, will report on the four presidents' Conferences held recently at which both the work done by the societies federated in the council and the council's own progress and plans

dent of the Board of Management of the Hospital, in moving the adoption of the reports told the meeting that the Auxiliary was rendering to the hospital a vital assistance and service that was deeply appreciated by patients and staff.

The Constitution and By-Laws prepared by Mrs. Q. C. D. Bovey were approved by the meeting.

The following officers were elected: President, Mrs. Alexander Hutchison; first vice-president, Mrs. Andrew Fleming, M.B.E.; second vice-president, Mrs. Frank S. McGill; third vice-president, Mrs. Philip Fisher; hon. recording secretary, Mrs. B. S. Johnston; hon. corresponding secretary, Mrs. Donald A. White; hon. treasurer, Mrs. Henry Newman; hon. assistant treasurer, Mrs. Henry W. Morgan. Members-at-large: Mrs. Hector Dale, Mrs. E. D. Gordon, Mrs. E. E. Scharfe and Mrs. G. Miller Hyde.

were discussed and suggestions for mutual benefit put forward.

Hosting the meeting will be the Montreal Diocesan Board — the Woman's Auxiliary of the Church of England in Canada.

### C.W.L.

An executive meeting of the Diocesan Council of the Catholic Women's League of Canada, Archdiocese of Montreal, will be held at 8:15 o'clock tonight at the Sisters of Service Residential Club, 1923 Dorchester St. W.

The Diocesan Director, Rev. Patrick J. Ambrose, will be present to address the meeting.

# Make Extra Special Christmas Treats From Everyday Ingredients

A perfectly plain cake is the basis for this lovely confection. Set up a paper collar strong enough to hold your jelly and just inside the edge of the cake. Then dissolve a package of strawberry jelly in 1 cup boiling water. Add ¼ cup cold water and set aside to cool. When jelly begins to thicken, pour a thin covering of it over the top of the cake inside the collar. Arrange fruit in a decorative pattern on this jelly (the imaginative hostess can use any fruit.)

For her own original pattern) and place in the refrigerator to chill and set. Pour remaining jelly (chilled to thickening stage) over the fruit. Set in refrigerator and chill until set firmly.

To serve, warm a sharp knife in hot water and loosen jelly from the paper collar. Remove the collar. Whip cream and sweeten to taste. Spread around cake. Slice and serve.

**Frosted Grapes:** Dip small clusters of grapes in slightly beaten

egg whites. When nearly dry, shake fine granulated sugar over them. The same method will frost the rim of your chilled glasses and add a festive touch to your favorite Christmas punch.

**Cranberry Almond Punch:** As a variation on the Christmas punch theme, try this fruit juice punch. Dissolve 2 cans cranberry jelly in 1½ quarts of water. (Beat water gradually into the jelly with a rotary beater). Add 1 cup lemon juice, 2 cups orange juice, 2 cups grapefruit juice and 1 teaspoon almond extract. Serve well iced in rimfrosted glasses, and garnish with clove studded lemon slices and fresh mint leaves. Serves 12.

**Relishes:** Cranberry is the traditional relish with the turkey, but here are two relishes with a "different" flavor. To 2 cups cranberry sauce, add ½ cup raisins, ½ finely chopped orange (skin and all), and ¼ teaspoon powdered ginger. Store covered overnight in a cold place. Or perhaps you'd prefer this one: To 2 cups cranberry sauce add 1 teaspoon curry powder. Mix well and allow to stand for a few hours in the refrigerator.

**Special Salad Dressing:** First, cook fresh chicken (or turkey) livers, with a stalk of celery, a small onion and a bay leaf. Then mash the livers (disregarding the rest), and put them through the sieve. Next, put the yolks of 2 hard boiled eggs through the sieve and mix with the livers. Put both in a bowl with a teaspoon of prepared mustard, salt and pepper to

taste. Now add 2 tablespoons of fine salad oil, stirring gradually and always in the same direction. Add 2 tablespoons white vinegar, and mix well and you have something special in the way of a dressing for a plain green salad.

**Christmas Morning Treat:** A hot biscuit with color and flavor baked right in it. Roll out biscuit dough and spread with your favourite red jelly. Roll jelly roll fashion and slice about 1 inch thick. Place in greased pan, sprinkle tops lightly with brown sugar, and bake in a moderate oven.

## Let's Eat

By IDA BAILEY ALLEN

While visiting Hawaii recently we made a tour of the fascinating open market stalls in Honolulu. There we saw tropical flowers, fragrant leis, fruits and vegetables in gorgeous array, interspersed with strange dried fish and meats, and familiar foods from the mainland.

Also on sale was taro—that starchy root, high in calcium, which the native Hawaiians slice and boil, or make into a gelatinous puree called "poi." There were long Oriental egg plants; a "butter melon" much like the "banana" squash of California; native papaya, guavas, pomegranates, Mandarin oranges and sun-ripened pineapples, coconuts and Hawaiian bananas were displayed with apples, pears and oranges from the mainland. There were displays of dried shrimp and dried fish cakes; dried fish rolls used for appetizers by the Orientals, and "long rice" which proved to be hair lengths of noodles made from rice flour. Smoked pork and smoked duck were there with crisp skin; also fresh beef, pork, veal, a little mutton and of course hamburger and frankfurters. We saw many varieties of fish new to us. Tuna steak and squid were popular. Chicken and duck eggs, both fresh and preserved, were on sale.

Prices of all eggs, poultry and meat were "sky high," but to offset this, there were all the "variety" and "organ" meats, which were having a brisk sale; a tip for mainland homemakers.

### Braised Short Ribs of Beef

Order 3 lbs. short ribs of beef cracked in three sections each. Remove all fat possible. Brush with kitchen bouquet. Slow-brown the meat all over in a little fat. Pour off all fat except 2 tbsp. Add 1 tsp. salt, ¼ esp. pepper and ¼ tsp. powdered bayleaf. Pour in 1½ cups hot water. Cover and

### Carol Service

St. Helen's School will hold their annual carol service in St. Matthias Church, Westmount, at 4 p.m. Saturday.

The choir is under the direction of Mr. Harry Morris, assisted by Mr. Phillips Motley at the organ. All Old Girls and friends are invited.

Your baked cake will turn out just as easily if you line only the bottom of the pan with waxed paper. Grease sides of pan, and when a cake is cooked, loosen sides with a knife or spatula.

### Tomorrow's Dinner

Vegetable Juice  
Savory Suet Pudding  
Braised Short Ribs of Beef  
Quick-cooked Spinach or Greens  
Fruits in Orange 'Gel'  
Coffee, Tea or Milk  
(All measurements are level.  
Recipes serve four.)

### Local Club Tea, Christmas Bazaar Being Held Today

Notre Dame de Grace Women's Club is rolding a Tea and Xmas Bazaar under the joint chairmanship of Mrs. R. H. Grant and Mrs. C. A. Camirand, today at Victoria Hall from 10 a.m. to 5 p.m.

A great variety of useful and pretty Christmas gifts may be purchased at the booths labelled as follows: Candy, Christmas Cards; Decorations and Gifts; gifts; aprons and plain sewing; dolls; parcel post gifts; nearly new; white elephant; jewelry; home cooking; jams, jellies and pickles.

Tea will be served from 3 till 5 p.m. by Mrs. A. L. Swinden and her committee, with tea-cup reading being a special feature.

Other special features will be a drawing for a delectable Turkey Dinner, wrapped in cellophane, a large Christmas cake and a basket of fruit.

There will also be an exhibition of paintings by one of the club members, Mrs. Frank Moody.

### Xmas Gifts On Tree At Maritime Club Donated To Hospital

A Christmas tree, at which the members of the Maritime Women's Club displayed their gifts to augment the boxes being packed for the Veterans at St. Anne Military Hospital, was the feature of the meeting held in Budge Hall, Central Y.M.C.A., Drummond Street, on Tuesday evening, December 5.

The boy choristers of St. George's Church provided a program of music.

The reception of new members was also given a place in this program.

Refreshments were served during the social hour

Producers Pine and Thomas are searching for another story in which to co-star Maureen O'Hara and John Payne following the finish of Paramount's "Tripoli," their third starring movie.

## Salvation Army To Give Cheer

Traditional Salvation Army Christmas pots are soon to be set up on street corners and residents are urged by Major T. L. Cars-

well, "to again exemplify those principles of generosity and good will which are evidences of the true spirit of Christmas."

As in the past, this year's Christmas program of the Salvation Army will be to provide a Christmas dinner to all homeless and unattached men, besides presenting them with gifts.

Food and delicacies will be provided for families and old age

pensioners. Warm clothing and toys will be given to needy children. Baskets are to be taken to city homes and hospitals and prisoners will receive extra Christmas treats at Bordeaux Jail and St. Vincent de Paul Penitentiary.

Emergency relief is carried on after Christmas by the organization through the Christmas Cheer and Welfare Fund.

## Lawyer Relates Humorous Cases

A series of anecdotes on the subject "Humor in the Prisoners' Dock" was given by Nat W. Jacobs, K.C., in a radio address heard over C.F.C.F.

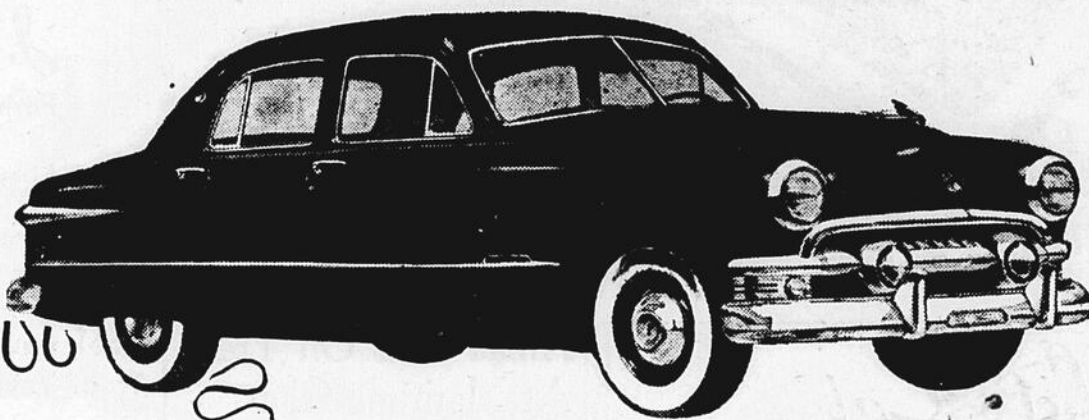

Sponsored by the Municipal Service Bureau and the City Improvement League, Mr. Jacobs'

address stressed the comical situations and remarks that often arise in criminal courts.

One of these anecdotes, related by the speaker, concerned a prisoner awaiting the decision of the jury. Turning to his lawyer he asked, "Do you think I shall get an honest verdict?" His lawyer replied: "No — I see two men on the jury who seems to object to hanging."

## Hon. D. C. Abbott Ignores Drew's Expense Charge

Hon. D. C. Abbott, member for Westmount-St. Antoine, presently Finance Minister in the Federal Government, said in Ottawa on Thursday that he would not enter into a controversy at the moment with Hon. George Drew, Progressive Conservative leader over the latter's public comment on expenses allowed for families of Canadian delegates at the tariff talks in Torquay, England.

The Minister said in an interview that he would meet any criticism of the Government's action in this respect if it is brought up in the House of Commons.

From other sources it was learned that extra allowances had been granted by Order-in-Council to a number of the Torquay negotiators to help to pay the cost of having their families with them.

This was done, an official said, because the conference is expected to last six months or more. It is understood that about eight delegates are eligible for the allowance.

The officials concerned had been away from their homes about half of the last four years on this same world tariff conference series which began in Geneva.

The assistance for maintenance of families is being paid only to those required to remain constantly at the negotiations.

Mr. Drew charged that this was only another instance of government extravagance.

## Shaw's Play Well Handled

George Bernard Shaw's recent death may have added interest to theatre-goers attending one of his plays, "Candida" which was staged by the Trinity Players last week.

Whatever the reason, audiences came to the Trinity Church Hall, Sherbrooke street and seemed particularly pleased with the results of the production under the direction of Dorothy Pfeiffer.

Though written by Shaw more than 50 years ago, the play was easily acceptable to a modern audience, since the character roles, and the truths or emotional experiences of the people involved have not changed over any period of time.

The results of the difficult production staged by Trinity were good. Outstanding, was Gordon Diver, who gave a fine portrayal of a young poet and dreamer in love with the parson's wife, Candida. She, played by Margaret Pitt, also performed well, but one sensed that the maternal element was the too dominant characteristic in her dealings with the young poet.

The parson, played by Lawrence MacGregor proved a strong and vigorous personality in the first two scenes, but may have been a little more shaken in the third scene when he asks Candida to choose between him and the young poet.

Basil Donn as Mr. Burgess, Candida's father, made a fine rascal while Athea McLean was also well cast as the parson's secretary with old maid's tendencies. Completing the cast, and supplying the comedy was Richard Farrell as the curate, also well played.

M. J.

### IN MOVIES

Stage actor Richard Rober has entered pictures and now has an important role in Pine-Thomas' "Passage West," Paramount Technicolor release. He had the lead in the Chicago company of "Born Yesterday," playing the Paul Douglas role. Rober is featured in the movie with John Payne, Dennis O'Keefe and Arleen Whelan.

## Musical And Mystery Featured At The Westmount On Saturday

"Annie Get Your Gun," Broadway's hit which played to an audience of one million, five-hundred thousand spectators during its three-year stage run, has been brought to the screen by M-G-M. The new offering opens Sunday at the Westmount.

With the vivacious Betty Hutton in a made-to-order role as the rough and ready markswoman, Annie Oakley, and with star Howard Keel making an auspicious film debut as Frank Butler, the man whom Annie "can't get with a gun," this exuberant and eye-filling picture unfolds its song and laugh filled plot against colorful backgrounds of Wild West shows replete with cowboys and Indians,

## No Waiting at Reddy Hospital Cancer Clinic

There is no waiting at the Herbert Reddy Memorial Hospital, Tupper street, Westmount, for patients seeking an examination at the recently opened cancer diagnostic clinic.

Mrs. Philip Caplan, president of the Cancer Research Society which made the opening of the clinic possible said that the long delay before patients can be examined for symptoms of cancer, a problem in overcrowded United States institutions, has been overcome here.

She said that examinations in the Reddy Hospital clinic can be made almost immediately after a patient applies at the hospital. Mrs. Caplan urged however that an appointment should be sought by telephone before visiting the clinic.

The clinic is open on Wednesdays only at present, but plans to increase the clinical hours are ready when the demand warrants such expansion. The diagnostic clinic has been equipped with the most modern of cancer detection apparatus and an initial grant of \$3,500 has been used for the purchase of life-saving radium.

## Play Performed For Veterans

George Garvais, host of the Gay Ninety Room of the Astor Theatre Cafe, sent his group of the Henry Atterbury Company to entertain at the Queen Mary Veteran's Hospital.

This was the 108th performance. The full cast was present at the hospital, including Bob Goodier, Violet Walters, Richard Kronold, Dorothy Davis, Gloria Wolfe, Marie Brewer, Arthur Voronka, Bonar Stuart and Bernard McMurray. Adalaide Cook, popular and charming gay ninety songstress, was also on hand to entertain.

Mone Freeman, who plays opposite Alan Ladd in Paramount's "Branded," started her career as a child model of children's clothes.

tribal dances, stunt riding, shooting contests, buffalo stampedes and all sorts of rootin'-tootin' activities centering around that famous figure of the old West folklore—Buffalo Bill.

And interposed amid the excitement and the laugh-jammed story of the rivalry between Annie and Frank Butler for the honor of being the world's champion sharpshooter, a contest which is ultimately resolved when Annie decides that she'd rather have her man than her medals, are the Irving Berlin songs, including "Doin' What Comes Naturally," "The Girl That I Marry," "You Can't Get a Man With a Gun," "Show Business," "Falling In Love," "Sun In the Morning," "I'm an Indian, Too," "Anything You Can Do" and other hits, sung by Miss Hutton and Keel.

### ADDED ATTRACTION

The methods of Harvard's famed Department of Legal Medicine in aiding in the solution of murder crimes often written off as "accidental deaths" are revealed for the first time on the screen in M-G-M's absorbing "Mystery Street," which is shown on the same bill.

The story opens with the accidental discovery of the bones of a skeleton near a lonely beach on Cape Cod. Police Lieutenant Morales is instructed to enlist the aid of Dr. McAdoo of the Department of Legal Medicine in solving the case and the latter, in a series of demonstrations, and with only the skeleton bones and a clump of ivy as laboratory clues, is able to identify the sex, age, height and probable occupation of the victim.

Another ingenious experiment in which photographs are matched to a life-size scale of the skeleton's skull identifies the victim as the missing B-girl and circumstantial evidence points to young Henry Shanway as her murderer. It was Shanway who drove away from the Grass Skirt Cafe with the B-girl when she was last seen alive. It looks like an open-and-shut case until Dr. McAdoo makes another unexpected discovery, namely that the discoloration of one of the skeleton's ribs was caused by a bullet. The solution of the case now lies in finding the .45 automatic from which the bullet was fired and the person who possessed the gun. The cumulative steps by which both the gun and the person who fired it are traced through a scheming landlady make for a systery drama which is exciting and suspense-packed as it is unusual.

# Ski Film Slated For Victoria Hall

## 'The Skiing Saints' Will Be Shown Next Wednesday

"The Skiing Saints" will be shown at Victoria Hall next Wednesday, December 13, 1950, 8.15 p.m. under the auspices of the Westmount Ski Club.

Frank, Scofield's newest film "The Skiing Saints," takes the skiing fraternity on a world wide tour from St. Adele, Canada to St.

Anton, in Austria. On the way a stop is made at Aspen, Colorado, where the dramatic action of the F.I.S. World's Championships in downhill and slalom were filmed in all six events.

Scofield with his skiing knowledge gained from years as an instructor, has picked remarkable camera angles and gives the spectators a real closeup of the world's best racers in action. You'll see more on the screen than if you had been at Aspen yourself.

There are intimate close-ups of Dagmar Rom, beauteous blond Austrian star and double winner of the world's championships, and Zeno Colo also a double winner and the outstanding man skier in the world at the present time.

### Real Reality

In the words of Schillios, ski reporter for the Eugene Register Guard in Oregon where Scofield

put on his show to a packed house, "the film, "The Skiing Saints," is refreshing in its reality — the best ski film we have ever seen and we try to see them all. As if the sensational downhill races, the plunging excitement of giant slalom, the hair-raising skill of champions seeking to win by a split second aren't enough, Scofield has included a brilliantly filmed 'ski tour of Europe.'"

It was during this European tour that Frank prevailed upon Anton Seelos, skiing friend of the Herman Garner, and a former World's slalom champion, to make the special trip to Ober-Gurgi to ski for the film. This interesting slalom sequence clearly shows the technique of the coach of the Austrian Team and it is a feature that no skier or would-be skier will want to miss.

For the non-skiers the sheer beauty of the photography of the Austrian Alps with amusing side-trips to London, Paris, Zurich, and Geneva will provide excellent entertainment.

### Ample Comedy

During the entire film there is ample comedy to keep the audience amused. Frank's personal comments from his long skiing background keep the audience right up to the minute at every phase of the film. There is a pleasant musical background during the entire show.

These are the first F.I.S. films to appear in Montreal and clearly show several of the Canadian racers in action as well as the European stars.

Frank Scofield has just completed a 12,000 mile tour of the Western United States and Canada, ending up his shows at Hamilton and Peterborough, and the success of this tour warrants a packed house of ski enthusiasts have been looking forward to the first public showing of films of the World Championships sponsored by the Federation Internationale de Ski held at Aspen, Colorado last winter.

## 'Y' Swim Team Members Picked

Coach Gilbert Young of the Westmount Y.M.C.A. Swimming Team has announced the names of those who are assured of a berth on the team, as practices go into their final week in preparation for the City-wide "Y" Swim Meet, to be held next Friday night at the Westmount Pool.

Those who are sure to carry the Westmount "Y" colors into the meet are as follows: Donald Sellar, Bobby Hamilton, Ken Copland, Roy Smith, Hugh Barclay, Gordon Smith, and Ron Taylor.

Young pointed out that there are still vacancies on the squad, and all those wishing to try out should report to Doug Sellar Saturday morning, December 8, at 11.45 in the swimming pool. Sellar has been coaching the new-comers who are not up to par and doing an excellent job in preparing them for the more advanced work.

The Westmount "Y" team will be hosts for the first City-wide Y.M.C.A. Swim Meet, to be held next Friday night, December 15, at 7.00 o'clock, in the Westmount "Y" pool.

### ORDERS RECEIVED

Shipyards on Scotland's river Clyde have received orders for two new cargo motor-ships which will provide work well into 1952. Barclay, Curle and Company, Limited, have contracted with Burns Philp and Company Limited, of Sydney, New South Wales, Australia, to build a cargo motorship of about 3,500 tons to be used in their Sydney trade with the South Sea Islands. The machinery will be supplied by John G. Kincaid and Company Limited, of Greenock, Scotland.

## Avenue Stars Still Top Municipal Basketball

The Avenue Stars stayed on top of the Westmount Recreation Basketball League in their game against the Saints last Wednesday night by defeating them 64-27. The Stars have gone undefeated in four starts. Earl McDonald showed his best game of the season with a 23 point effort, Willie Monolson returned to help bolster his team after a two week absence and followed close behind with 20 points. Jack McKissock, the leagues' high scorer to date threw in a total of 18 points. Ross Jolly and Cammy McFadden paced the losers with 10 points each; Ross Delo accounted for 6, and Harry DeWolfe 1.

The second game of the evening brought together the Royals and the Dukes. The Royals took the verdict 43-10. Don Campbell, a very capable hoopster paced the winners attack with 12 points, Logue McDonald threw in 11, Bill Graham 8, and Gus Graham 4. Bill Tyler threw in half of the Dukes score with Jim McCarthy picking up 3 points and Mickey Bourassa 2.

In the night's finale, the Wolves bested the rugged Staynor five by a 35-13 court. High scoring Mike Barnard threw in 10 points, with footballer Wendy Young notching 9. The big point getters for the Staynorites were Jimmy Cotter with 10 points and Don Tinning with 7.

Team	P.	W.	L.	Pts.
Avenue Stars	4	4	0	8
Royals	4	3	1	6
Wolves	4	3	1	6
Dukes	4	1	3	2
Saints	4	1	3	2
Staynor	4	1	4	2

## Gymnasts Hold Special Workout

The sport of gymnastics, again coming into its own as one of the fastest growing sports across the border, is getting a big push from the Montreal Y.M.C.A. and especially the Westmount "Y" Gymnastic Club.

Last night a group of 30 gymnasts, representing most of the Branches of the Y.M.C.A. in Montreal, and several guests from other gymnastic clubs in the City, met in the Westmount "Y" gym for an informal workout together. The purpose of the gathering was to create more interest in the sport, and discuss further get-togethers and competition.

Following the work-out, which kept every piece of apparatus on the floor humming with routines and activity, two movies were shown on tumbling, and refreshments were served.

### WIN-SUM INN

Has moved to

## Westmount High Enjoys Active Week in Sports

Westmount High School athletes have been very active during the past week in basketball, water polo and hockey.

Senior "A" and Junior teams took part in the Golden Ball Basketball Tournament held at Sir Arthur Currie Memorial Gymnasium on Saturday and while not winning the top awards gave a very good account of themselves.

### WATER POLO

In water polo Westmount lost out to Montreal High on Friday at the latter's pool by a score of 5 to 2.

Bob Webster and Jim Quarles got the markers for Westmount.

This was the last scheduled game for the season.

In the hockey carnival held before a packed house at the Forum on Friday night Westmount were represented on the Senior "A", Senior "B" and Bantam teams and the Westmount members more than pulled their weight in the respective squads.

### Basketball

Westmount juniors played an initial game against Westhill at Montreal West on Friday and lost out by 33 to 28.

In their second game played at 5.00 on Saturday afternoon at the Currie Gym. Westmount Juniors lost to Lower Canada College by 26-18. Members of the Westmount junior team were: Gerry Levy, John Abbott, Buddy Naismith, Jack Lazare, Murray Greenwood, Anton Raff, Eddy Martin, Andy Reid, and Tony Skinner, Mitchie Klein who switched to Senior "A" on Saturday.

The Senior "A" team which incidentally had to play 3 one hour games in the space of 5 hours on Saturday did remarkably well and but for being tired in the last two games might very well have come out on top.

In the first game played at noon against Loyola Westmount lost by 26-16. Ian McIntosh with 10 points was high scorer in this match with Dougie Reed coming next with six points.

The second game at 3.00 p.m. was a humdinger with Westmount losing out in the last second by one point the final score being Westhill 30 Westmount 29. Westmount were right under the basket when the gun went and had just missed the basket twice. At the three quarter time Westmount were trailing 28 to 13 but in the last period dominated the play and with a little luck should have topped Westhill High scorers in this game were Mitchie Klein and Gordie Clark with six points each.

In the third game at 5.00 p.m. against Montreal High Westmount were completely out on their feet after the hard tussle against Westhill and went down to defeat by a score of 36-17. The score at the end of the first quarter was 12 to 1 in favour of Montreal High. Westmount staged a come back and added another 16 points but just hadn't enough stamina to last out. Westmount and Baron Byng were the only schools to have to play three games in the series.

Westmount Senior "A" players were: Ian (Stretch) McIntosh, Dougie Reed, Nelson (Clem) Creamer, Andy Cote, Gordie Clark, Johnie Smith, Tony Skinner, Mitchie Klein, Jimmy Liddell and Johnnie Noel.

### Hockey

In the hockey carnival held at the Forum on Friday night Westmount Senior "A" All Star team was represented in the west team by John Swain in goal, Mel Reece on defence and Boy Forrest and Dave McDougall in the forward line. John Swain had a comparatively easy time in goal. It was noticed that the Westmount players were on the ice more often and for longer periods than other men on the west team.

The Senior "A" game between east and west ended in a scoreless tie.

In the Senior "B" west all stars Westmount were represented by Fred Hoffman and Tom Baillie who played in place of John Petry on the injured list.

The west team won this encounter beating the east by 2 to 1. Fred Hoffman scored one of the winning counters for the west team.

In the "All Star Members" game between east and west the

## Westmount Park Wolf Cub Pack Presents Badges

Westmount Park Wolf Cub Pack's last meeting on Tuesday, November 28 last, had the form of a party, to which six smart-looking sixers from the three packs of Kensington Scout Troop were invited together with Akela Howe of the Green Pack.

Eighteen cubs barked out the Grand Howl, which was given to Akela Poltrick.

After inspection of the pack Edwin Barlow and Tony Hinds were invested in the pack. Four active games were played and enjoyed right up to the ceiling. In a short ceremony, Bruce Anderson and Michael Redden were presented their 2nd Stars. Bruce was also presented the House Orderly Badge and so was George Christie.

Two nice and quiet games brought us to the campfire with skits and songs.

After a good hour's play and fun, all the cubs enjoyed the refreshments which had been prepared by Mrs. Cummings and Mrs. Simms, who were thanked by Cub Gordon Cummings.

The meeting was closed by the Wolf Cubs giving the Mouse Howl to Akela Howe.

## Westmount Young Liberals Hold First Annual Meet

The Westmount branch of the Montreal District Young Liberal Association held its first annual general meeting in the form of a smoker in the Reform Club on Thursday night.

William Shaughnessy, executive assistant to Hon. D. C. Abbott, Finance Minister, was the guest of honor.

Granger Robertson, president of the Westmount Young Liberals' Association, was chairman of the meeting which was largely attended.

## Teen Ager's Dance Attracts Crowd

A good turn out, good music, good friends, and a good time, helped to make the first teen-age dance of the season a success. Many thanks go to the hard working Committee without whose help the dance would have been impossible.

Another dance will be held next Saturday night December 9 at 8 o'clock at the W.A.G. Clubhouse on St. Catherine street. Admission will be 25 cents per person, if you had fun last week come again and bring your friends.

## Two Teams from St. Leo's Prepare for Hockey Season

St. Leo's two hockey teams, the Bantams and Seniors opened the 1950-51 hockey season, with exhibition games at Lachine Arena last week.

The Bantams fresh from their football triumphs found the going rather tough in their two game series with the fast stepping Daniel O'Connell Crew. The Saints managed to hold out for a two all draw in the first game but went down to a 4 to 2 defeat in the second encounter. This year's Bantam outfit is a slow skating aggregation and will have to hustle to improve their skating if they are to cut any figure in their league. Mario Chartrand along with goalie Dick Ryan, stood heads over the rest of the team in the two game series.

The Seniors got off on the right foot, with a close 4 to 3 win over Lachine High. It was a very well played game for early in the season with both clubs flashing smart form. Tommy St. James, John Foy, Tommy Grant and Neil Walsh were the marksmen for the winners. Walsh scored the winner on a spectacular end to end rush with but thirty seconds remaining of playing time. This game gave a good chance to size up the Academites, who this year move up to senior competition.

The team has about ten players who will have no trouble holding their own in Senior A company. On the debit side, it is quite evident the team could use another good forward line and another top-notch defenceman. To sum it up briefly the team has strength but no depth and this is certain to be their downfall in a good number of games. A few of the boys, especially Joe St. James and Richard Goulet, appeared out of shape and tired very fast.

Tommy St. James was flying

and looks to be in for a big season. Neil Walsh played a strong game but his efforts were a little on the individual side. Ray Losito played a steady and rugged game on the rearguard. Peter Grant, a newcomer to the team, looked promising. Peter Grant was effective at left wing and scored a smart goal. Claude Sawyer was steady in the nets and saved a number of dangerous situations with a neat save. His only weakness was his clearing.

**SUN FOR SOOT!**  
When window curtains have grown grayish from city smoke and suds after suds fail to restore whiteness, then add a bit of gold

tintex to your starch water, and note the hint of sunshine that hovers about your window on a dark day. It chases gloom and is so simple.
