ATTENTION IS NOW CENTERED ON EASTERN FIELD

Berlin Claims Steady Advance—Petrograd Concedes Advance After Stubborn Contest—Mobilization of American Austrians and Hungarians so as to Interfere With Manufacture of War Materials.

London, July 19.—(Special)—Attention is now centered on the gigantic operations in the eastern field of war, where fighting is in full swing in nearly every section of the Russian line from the Baltic to the Dniester.

General von Buelow, who was on the left of General von Kluck in the first invasion of France, now commands the extreme left of the German advance toward Riga, which is being conducted by cavalry on a scale exceeding anything during the war. Berlin claims a steady advance and Petrograd concedes an advance after the Russian forces had made a stubborn contest.

On Von Buelow's right is General Von Ecborn, who is being held up by the great Russian fortress Osowetz. On Von Ecborn's right is General Von Gallwitz, whose name appears for the first time in large operations. After capturing Przasnysz he is now pressing a German attack on the Karew river and its tributaries.

On the famous Rawka and Bzura lines there is comparative quiet, which is also reflected on the northwest side of Warsaw, but to the southeast the movement against Lublin, which was temporarily checked, is again in full swing.

The Russians must fight a defensive battle for the possession of Warsaw, or abandon all of Poland. The Germans are considering undoubtedly to prefer the first issue, hence the Russians, in the opinion of many military observers, are likely to attempt a complete withdrawal with their armies intact. These tremendous activities by the Germans in the East suggest that they have little reserve left to devote to the western campaign, which offers the Allies a respite either for the completion of munitions supplies or a concerted attempt to recapture Lille.

Another view holds that the best service her Allies could give Russia at this time would be the forcing of the Dardanelles. It is possible that the Allies may combine both suggested attempts, but it is unquestionable that for the time the centre of gravity in the war has shifted to Eastern Europe.

ITALIAN CRUISER TORPEDOED.

Berlin, July 19.—(By wireless to Sayville)—(Special)—The following official communication was received here today from Vienna, under date of July 18th:

"An Austrian submarine this morning torpedoed and sank, south of Ragusa, the Italian cruiser Giuseppe Garibaldi. The cruiser foundered within fifteen minutes."

THIRTY DAYS FOR OFFENSIVE STATEMENT.

Paris, July 19.—(Special)—Under the Press Law of 1881 against a Belgian refugee, E. Housiaux, was sentenced yesterday to a month's imprisonment. His offence consisted of saying, "The official war reports are a pack of lies. When they wish, the Germans will heat you."

TWO AUSTRIAN SUBMARINES REPORTED LOST.

Paris, July 19.—(Special)—A telegram from a Rome news agency says that a refugee who has reached Rome from Pola, the Austrian naval base, stated that two Austrian submarines which left to reconnoitre the Italian coast have not returned and are believed to have been lost. One of the submarines had a crew of twenty, the other a crew of forty. Their supplies of gasoline were sufficient for only four days.

TOOK WHALE FOR SUBMARINE.

Rome, July 19.—(Special)—The Tribuna states that a large whale was sighted off the Island of Gorgina opposite, opposite Pisa. It was mistaken for a hostile submarine and was shelled and killed by a destroyer.

London, July 19.—(Special)—The Morning Post's Budapest correspondent says the Austro-Hungarian Government contemplates following up its note to the American Government with a scheme for the mobilization of American Austro-Hungarians, of whom there are six million in the United States, so as to interfere with the manufacture of war materials.

TURKS REMOVE ARMENIANS.

London, July 19.—(Special)—The Copenhagen correspondent of the Exchange Telegraph Company learns that the Turkish Government has issued a communication to neutral governments explaining that the Turkish General Staff is removing Armenians from all places where they are considered to be endangering Turkish safety.

AUSTRIANS STRIVE IN VAIN TO OUST RUSSIANS.

Geneva, July 19, via Paris.—(Special)—An Innsbruck despatch to the Tribune says:

"The Austrians in the Zekel region are making desperate but vain attempts to drive back the Russians. The daily losses of the Austrians are very heavy."

"On the Dniester front the Pussians are resisting desperately the Austrian advance north of Horodenka, where the Austrians gained a partial success, succeeding in throwing troops to the left bank of the Dniester. The Austrians lost ground near Jaslovic."

GERMANS ARE MOVING FORWARD

Attacking Russians Between Baltic and Bessarabia

FIELD MARSHAL MACKENSEN IS AGAIN ON THE MOVE

London, July 19.—The Russian front, running from the Baltic in the north, to Bessarabia, in the south, a distance of nearly a thousand miles, is being subjected to violent attacks by the Germans and Austrians, and in places has, according to the German official report, been pierced.

In the Baltic provinces, General von Buelow, who is using large forces of cavalry, has crossed the Windau River and is moving toward Riga. In the Przasnysz district Field Marshal von Hindenburg, who is making his fourth attempt to reach Warsaw, has twice broken the Russian lines and compelled the defenders to retire toward the Narew River.

In Southern Poland, after a period of inactivity, Field Marshal von Mackensen is again on the move, and claims to have captured some Russian advanced positions, which stood between him and his objective, the Lublin-Cholm railway.

Simultaneously with these attacks, which are the main ones, the Austro-German armies are on the offensive west of the Vistula River, in Central Poland, and along the Dniester River in Galicia. As was the case in the drive through Central Galicia, the Russians are fighting stubbornly and on occasions are turning and delivering vicious blows at their opponents. But whether they will be able to hold their present lines is problematical.

The probability of the Russians having to evacuate Warsaw, which is threatened by von Hindenburg in the north and von Mackensen in the south, is being seriously discussed.

FIELD GUNS FOR 5TH C.M.R.

Suggestion That E. T. Contributions be Continued With This End in View

ALL CONTRIBUTIONS MARKED FOR MACHINE GUN FUND WILL BE ACKNOWLEDGED AS SUCH.

The Record has received suggestions from a number of subscribers that the fund on behalf of the 5th Canadian Mounted Rifles be continued, with the object of presenting two or more machine guns to the regiment.

New regiments being organized in Montreal are being fitted out by their friends with extra machine guns in order that there may be no shortage so far as they are concerned when they reach the firing line.

The Sherbrooke Patriotic Association sends an offer of \$50 for a machine gun gift to the 5th C.M.R.

This offer comes in the following letter:

Editor of Record:

Sir,—At a meeting of the Sherbrooke Patriotic Association held this afternoon, I was requested to ask you if you would open a subscription list for a machine gun for the 5th Mounted Rifles. The sum of \$50 was voted to head the list from the above association. Trusting that you will be able to grant this request,

I remain,

Yours faithfully,

SARAH A. JONES.,
Secretary pro tem.

Sherbrooke, July 18.

In this very worthy cause the Record will, therefore, continue to acknowledge subscriptions.

All subscriptions marked for Machine Gun Fund will be acknowledged as such.

Within a very few days it would be possible for the people of the Eastern Townships to make provision that would give the Eastern Townships' regiment at least two extra machine guns.

Regiments are ordinarily supplied with four as a regular equipment.

The machine gun, however, is proving the great arm, and the Germans are increasing their regimental equipment to eight or even twelve.

Contributions for the machine Gun Fund may be addressed to the Record, and will be promptly acknowledged.

The cost of machine guns is \$750 each.

HON. LOUIS BEAUBIEN DIED THIS MORNING

Montreal, July 19.—(Special)—Hon. Louis Beaubien, ex-Member of the House of Commons and Past Speaker of the Assembly at Quebec, and ex-Minister of Agriculture in the Provincial Cabinet, died at his home in Outremont this morning.

WELSH STRIKE NEARING END

All Men's Demands Will Likely be Met

THE ONLY EXCEPTION BEING THE THREE YEAR CLAUSE

London, July 19.—Hopeful developments in the Welsh coal mining dispute are forecasted by the Cardiff correspondent of the Daily News, who telegraphs as follows:

"This evening there is a rift in the lowering cloud and a slender streak of sunshine illumines the gloom. A new and simple path to peace has been pointed out and seems to be acceptable in quarters which vitally matter. Necessarily, there is a good deal of reticence about the matter in quarters that are likely to know, but I should not be surprised if it took the form of conceding immediately all the men's terms except stipulating for a three years' agreement, that then the matter now under dispute should be referred to a tribunal under the Munitions' Act, which tribunal would decide as to the marginal differences between the award of Mr. Runciman and the full demands of the men; that the men would be ordered back and go at once, with the honorable undertaking to abide the result of the tribunal's decision. If this confirmed the full demands, all well and good, if it decided something short, then the balance would be taken from the men. In the meantime, the Government ordering or awarding full concessions against any loss caused by that part of the demands which the tribunal would ultimately award."

Upon lines of this sort, I am told a settlement can be obtained. It would be a compromise. The men would get the immediate concession of their demands except the three years' agreement, but subject to the arbitration of the tribunal upon these parts now already conceded. The employers would get the guarantee of the government to cover the temporary loss upon the points not finally adjudged by the tribunal. The Government would secure the advantage of an immediate return to work.

Remarkable Response to Appeal on Behalf of 5th C.M.R. Fund

Now \$1998.40 and There Will Be a Surplus

The patriotic people of the Eastern Townships have responded even beyond expectations to the appeal on behalf of the 5th Canadian Mounted Rifles Kitchen Fund. The amount by today's acknowledgments is advanced to \$1998.40.

The exact amount required is not yet absolutely determined. Advice from the Regiment is being awaited, which is to be forwarded after careful enquiry on their part as to requirements. It is, however, apparent that the required amount is reached and that there will be a surplus.

The disposition of what ever surplus there may be will be a matter for consideration in these columns, and action will be taken in accordance with what appears to be the generally expressed wish of the subscribers.

MISSED THE ORDUNA

Cunard Liner Had Close Call From Destruction by Torpedo

CARRIED 227 PASSENGERS, 22 OF WHOM WERE AMERICANS.

New York, July 19.—The British passenger liner Orduna, with 227 passengers aboard, twenty-two of whom were Americans, was attacked without warning by a German submarine at 6 o'clock in the morning of July 9, sixteen hours out of Liverpool, on her way to New York.

Announcement of the attack was made by the ship's captain, Thomas McComb Taylor, and passengers, when the Orduna reached here Saturday.

A torpedo was fired at the steamer and missed it by ten yards. Twenty minutes later a submarine rose to the surface, possibly a different submarine from the one that launched the torpedo, and for half an hour thereafter pursued the steamer, firing shells, which whistled over the decks above the heads of passengers standing there with their lifebelts on.

Ten minutes before the attack a sailing ship with two American flags mounted on her side was seen ahead. Captain Taylor became suspicious of this craft and began manoeuvring his ship. Then came the attack, the first warning of which was the glistering streak of a torpedo whirling through the water, missing the Orduna's stern by a close margin.

Stewards ran below and aroused the passengers. With clothes hurriedly fastened haphazard, they made for the upper deck. There they were assembled near the bridge. Lifebelts were adjusted and lifeboats swung out. The crew stood ready to launch the boats. From a submarine off the starboard quarter there came a shell which kicked up a miniature geyser in the Orduna's wake. The submarine had the range.

SHELLS OVER PASSENGERS' HEADS.

Captain Taylor turned the stern of the ship toward their assailant and ordered full speed ahead. Within from two to five minutes another shell, this time passing over the heads of the passengers, was fired. It overshot the mark.

A third shell passed overhead and so close that it seemed to clip a lifeboat. Captain Taylor ordered the passengers to go to a lower deck. The shelling continued, shots falling from the steamer at intervals of from two to five minutes.

For about half an hour the submarine pursued the liner, each minute lengthening the span of war between them. Seven shots were fired in all. Four of them passed over the decks. The other three fell close to the ship. Then the submarine, distanced, gave up the chase.

Early risers who had left their berths to enjoy the fine morning were with the captain on the bridge when the attack began, and witnessed the entire episode. Among them was Baron Marcus Rosenkrantz of Denmark, whose wife, formerly Miss Rebie Lowe, of Atlanta, Ga., was with him on the trip but did not witness the attack.

"We left Liverpool about 2.30 o'clock on the afternoon of Thursday, the 8th," the Baron said. "At 5.55 o'clock the first missile, a torpedo, was fired."

"A few minutes before that, however, we saw a small sailing ship just ahead of us. She had two American flags painted on the side that turned to us. She was broadside to us and seemed to be beating up the wind. Captain Taylor apparently became suspicious of this boat."

For a long time the vessels of the Cunard Line have sailed the Atlantic with their wireless apparatus untouched. When, therefore, a radio message from Captain Taylor was received Friday at the company's offices, saying the Orduna would dock Saturday, officials perceived that something unusual had occurred, but were unable to understand what the captain sought to convey to them.

The Tuscania also was mentioned in Captain Taylor's message as being 1,012 miles off shore.

When the Orduna left Liverpool July 8 she passed out of communication with all the rest of the world. It was doubtful, officials here said, whether the British Admiralty had even been informed of the attempt to torpedo the vessel.

The Orduna had aboard 227 passengers. There were twenty-one Americans aboard, it was learned, when she docked here. Passengers say the submarine attack was made without previous warning.

Few passengers were on the deck when the attack occurred. Baron Rosenkrantz, of Denmark, one of the passengers, reached the deck as the Orduna was fleeing from her assailant, and witnessed the attack. The submarine chased the steamer, it was said, for a considerable time and finally abandoned pursuit. The next day a meeting of the passengers was held in the saloon, and the following resolution adopted by two-thirds of them, was handed to Captain Taylor:

"The first cabin passengers of the steamer Orduna desire to express their heartfelt appreciation and admiration of the mastery manner in which you manoeuvred and handled your steamer during the sudden and deliberate attack made upon it on the morning of July 9 at 6 a.m., by a German submarine."

The information that the Orduna had been attacked was obtained when the vessel reached Quarantine.

SIR R. L. BORDEN AT SHORNCLIFFE

Bids Farewell to Canadians Leaving For The Front

CARRIED MESSAGE FOR THE GOVERNOR-GENERAL.

London, July 19.—"You are not merely fighting for the Dominion, nor even for the British Empire, but in a very real sense for civilization, and therefore it is not too much to say for the future of the whole civilized world itself. You may be assured that popular governments based on democratic ideals, such as all British Dominions have been accustomed to, would be profoundly modified should Germany win. But we have no fear of that. I know you will emulate the prowess and the exploits of the first contingent, which caused a thrill of pride from one end of the Dominion to the other which has not ceased to vibrate yet. I am sure that you will render an equally good account of yourselves. H.R.H. the Governor-General, before I left, told me to wish you from him God-speed. I wish you the same myself, on behalf of all Canadians."

Sir Robert Borden spoke these words to the regimental officers at the review of the Canadian troops held at Shorncliffe Camp Saturday. At the conclusion of the address the contingent gave hearty cheers for the King, the Governor-General and the Premier of Canada.

Sir Robert afterwards visited the Queen's Canadian military hospital near Shorncliffe. The hospital has few inmates at present, as the whole institution will be rearranged when the new wings giving accommodation for 500 more patients, are opened in a few weeks. The Premier, who was taken through by Lady Markham, expressed admiration for the surroundings and the equipment, and chatted with many of the patients.

The Kent county papers make gratifying comments upon Sir Robert's descent from an old Kentish family.

BODY OF LUSITANIA VICTIM.

London, July 19.—(Special)—A body supposed to be that of London W. Bates, jr., of New York, who lost his life on the Lusitania, has been washed ashore on the Limerick coast. A telegram to that effect was received to-day from Wesley Frost, United States consul at Queenstown, by Newt B. Knox, an American mining engineer and friend of Mr. Bates.

CUT LEO M. FRANK'S THROAT

FELLOW PRISONER ATTACKED MARY PHAGAN'S SLAYER.

Milledgeville, Ga., July 19.—Leo M. Frank, serving a life imprisonment sentence for the murder of Mary Phagan, an Atlanta factory girl, was attacked last night while asleep and his throat cut by William Green, a fellow-prisoner at the State prison farm here. His condition is serious, but there is a chance for recovery.

Frank's throat was slashed for several inches and the jugular vein partially severed.

Some animosity has been shown toward Frank by his fellow-prisoners since his arrival at the farm.

Milledgeville, Ga., July 19.—Physicians at the State Prison Farm here announced this afternoon that Leo M. Frank, whose throat was cut late last night by Wm. Greene, another life term convict, probably would recover, although his condition continued serious.

NO TRUTH TO REPORTS OF EPI- DEMIC.

Petrograd, July 19, via London.—(Special)—Statements having appeared in the Germanic press that physicians are being recalled from the front to check epidemics in Petrograd, official denial was made here to-day of these reports. It was stated that there was no case of cholera in the city and that statistics showed the amount of typhoid and dysentery throughout Russia was less than in preceding years.

ST. FRANCIS DISTRICT LOCAL HAPPENINGS AT DANVILLE

Gatherings by Daily Record Correspondents in Various Communities

FUNERAL OF THE LATE MARGUERITE THORPE LARGELY ATTENDED. Danville, July 19.—(Special)—Mr. C. J. Brown, secretary-treasurer of the School Commissioners of Danville, has received the report of the standing of the pupils in the recent school examinations. Of the four students presented three passed, as follows: Roland Edwards, 539; N. Amherst Leete, 576; Edgar W. Smith 526.

LATE MARGUERITE THORPE. The funeral of the late Miss Marguerite B. Thorpe took place in St. Augustine's Church on Friday afternoon, Rev. F. A. Sisco officiated at the burial service, which was of the simplest character. The choir sang portions of the hymns "Peace, Perfect Peace" and "Nearer My God to Thee." The bearers were Messrs. Wm. G. Thorpe and Harold G. Thorpe, brothers; W. Oliver Smith and Carl J. Burbank, brothers-in-law, and S. L. Gibson and C. H. Cleveland.

APPOINTED MANAGER AT FRELIGHTSBURG. Mr. Harold G. Thorpe, who was stationed in the Bank of Commerce, Danville, for several years and then moved to Cookshire, where he has been for the past three years, has been appointed manager of the branch at Frelightsburg.

NOTES. Rev. Father Masson, who was recently ordained to the priesthood at Nicolet College, is the guest of his uncle and aunt, Mr. and Mrs. Joseph Masson, Mrs. Masson and Miss Cecile Masson, who were present at the ordination, also returned home Saturday.

WATERVILLE. About twenty of the young people of Westmonte avenue assembled on the lawn at "Three Elms" to celebrate the fifth birthday of Stuart Blier last Friday afternoon. There were no decorations until the young folks arrived and none required after their appearance. The hostess was assisted in serving by four of the older guests, who showed great ability with the children, inventing new games and comforting those who came to grief. Those who assisted were the Misses Alice and Hilda Fowler, Winnie Bray and Antoinette Metivier.

COATICOOK. Arrivals and departures: Dr. and Mrs. McHarg to their cottage at E. Wood; Mr. C. E. Baldwin and family to the Coaticook Club House at Lake Massawippi; Mrs. B. J. Smith, Mrs. S. C. KNOWLTON. The electric lights are being extended on St. Paul's Street from the Conference gates to Mr. J. Sanborn's. The following was taken from the Liverpool Courier: "News has been received in Liverpool that Corporal A. G. Bartlett was killed in gallant action. Young Bartlett, who was 21 years of age, was the grandson of the late Mrs. Birt of the Shelving

Home, Myrtle Street, and was the son of Mr. E. T. Bartlett of London, who was one of the Lusitania disaster victims. Born in Montreal he received his education at Liverpool College, Lodge Lane, and later at Bedford Grammar School, where he won a scholarship, and on completing his education was apprenticed to the firm of Balfour, Williamson & Co. He enlisted in the Liverpool Scottish the day after the outbreak of the war and had just been recommended for a commission in the Royal Scots Fusiliers.

"Three men of the Liverpool Scottish did similar work. They advanced upon a German machine gun detachment with bombs, and although the enemy tried to bring the gun to bear upon them at short range they succeeded in destroying the gun and gunners.

"These three men, Corporal Bartlett, Pte. Short and Corporal Smith then worked up the German trench with a small party and managed to kill a large number of the enemy and to capture a machine gun, which they subsequently put to use against the Germans, helping to repulse a counter attack.

The young man who has given his life for his country spent part of his early life in Knowlton and attended the Academy here.

NEWS NOTES FROM FARHAM

Small Fire Causes Damage on St. Louis St.

NEW BRIDGEMASTER APPOINTED -LOCAL HAPPENINGS- Farham, July 19 - (Special) - On Friday evening about ten o'clock the alarm for fire was given, for a fire in an unoccupied house on St. Louis Street, owned by J. Arbec. The brigade was quickly on the scene. There was a good water pressure and the blaze was quickly extinguished. The kitchen was quite badly damaged by fire, smoke and water. The origin of the fire is a complete mystery, as the house has been vacant for some time. At the time of the fire there was a smart shower in progress, which would have been of benefit had the blaze been on the outside of the building.

APPOINTED BRIDGEMASTER - Mr. H. A. Farmer, who has been assistant bridge-master for some years, succeeds Bridge-master J. D. Clark, who resigned July 1. Mr. Farmer's appointment is a popular one. A large number from here attended the Union Junior School picnic at Highgate Springs on Wednesday going both by train and autos. They report a most enjoyable time spent.

Mr. S. Denis lost control of his motor cycle, through some part of the mechanism going wrong, on Friday evening, and in consequence got a bad spill. Mr. Denis received severe contusion and many bruises. Fortunately no bones were broken.

An excursion train for St. Anne de Beaupre passed through here on Saturday, when quite a number took occasion to visit the famous place.

Many people from Farham now spend the week-end out of town, among them being the following: Mrs. A. Kidd and children and Mrs. Jas. Landels, to Montreal, and C. P. R. Constable Kidd to Montreal on Saturday; Mrs. Geo. Martin and Master Thomas, with relative in Montreal; Mrs. J. T. Hesse and family, to their summer cottage on the Richelieu River near St. Johns; Mr. M. Choquette to Montreal where he has a good position with the Ford Automobile Company; Mr. Chas. Vanantwerp in town on Saturday on his way home to Frelightsburg.

NEW TOURIST TERRITORY. Algonquin National (Ont.) Park, a region of 2,500,000 acres of lakes and woodlands unsurpassed, invites the tourist and holiday seeker. It appeals specially to the fisherman, canoeist and camper—endless canoe trips and fine fishing are special attractions. The Highland Inn and Camps "Minnesing" and "Nominigan" afford fine accommodation. Write or ask for illustrated folder, rates, etc., sent free on application to G. A. Harrison, City passenger agent Grand Trunk Ry., 2 Strathcona Sq., Sherbrooke, Que.

Deaths Reported. DEATH OF MRS. FARRAR, RICHFORD. Richford, Vt., July 19. - (Special) - The unexpected and rather sudden death of Mrs. Mabel (Coombs) Farrar, of Richford Centre, was a great shock to her many friends here. Mrs. Farrar was born in Montgomery 23 years ago, but was a resident here many years. She was married to Carmel Farrar, June 11, 1833, and moved to this place last fall with Mr. Farrar's parents, Mr. and Mrs. James Farrar. Mrs. Farrar was a very kind and loving lady, always having a pleasant word for all who knew her. Besides her husband she is survived by her father, J. H. Coombs; one sister, Miss Baulah Coombs, of Worcester, Mass.; three brothers, Clarence and Roy, of South Richford, and Alvin, of East Berkshire, also a large circle of friends. The funeral was held at her home in this place, attended by the Rev. D. G. Guest. The floral tributes were beautiful, showing the great esteem in which she was held. The burial was in Montgomery.

DEATH OF MRS. DONLON, OF RICHFORD. Richford, Vt., July 19. - (Special) - Mrs. Mary Jane Donlon died July 10 after a long illness. Funeral services were held at All Saints Catholic Church Monday morning, solemn requiem mass was celebrated by Rev. Father Lavigne, celebrant; Rev. Fr. McGee, of Sutton, as deacon, and Carl Donlon, as sub-deacon, nephew of deceased and son of James Donlon of Sutton. The responses were finely rendered by the Catholic choir. A large number of relatives and friends attended the last sad tribute of respect to the memory of the deceased, who though unassuming at all times was greatly respected by all who knew her. Burial was in the Catholic cemetery. The bearers were the four youngest sons. Many relatives and friends from out of town were: Mr. and Mrs. A. Roston, of Johnson; Michael A. Roston, of Dunham; John A. Roston and wife, of Waterloo; Mrs. Nellie Roston, of Newport; Mr. and Mrs. James Donlon, of Sutton; John Cull, of Knowlton; Mack O'Brien and son, of Sutton; Miss Sarah McLaughlin, of Lowell, Mass. Mrs. Donlon was 63 years, 8 months and 7 days of age and was a native of Dunham. She is survived by four daughters: Mrs. James Cull, Mrs. Charles Berry, Mrs. B. H. Duval and Miss Jessie Donlon, and five sons, William F. Donlon, George E., Norman J., Martin E., Eugene A. Donlon, all well-known residents of Richford; three brothers, William A. Roston, of Johnson; Michael A. Roston, of Dunham; John A. Roston, of Waterloo, and Mrs. William Lawlor, of Gloucester, N.J. Mrs. Donlon came to Richford 25

Goodyear Laminated Tubes For Automobile Tires. These many thin layers of pure rubber are vulcanized together into an extra-heavy unit tube. Leak-Proof Inner Tubes That Outlast Any Tire 14% Heavier—20% Lower Priced. Layer on Layer. Here is something every motorist should know. Goodyear Laminated Tubes are not built of one thick piece of rubber. In a single piece of thick rubber flaws may be hidden. And the flaws may go clear through. Goodyear Tubes are made of many thin layers—each of pure rubber—vulcanized together in one solid, extra-heavy tube. In these thin sheets any tiny flaw shows up and we correct it at once. These thin, perfect sheets, wrapped layer on layer, make a tube that can't leak. And the valve patch can't leak. It is part of the tube, not stuck on. Please remember that. Many a tire trouble is due to a leaky tube. Made Extra Thick. Goodyear Laminated Tubes are also extra-thick. They were always so. But this year we have added an extra 14 per cent on the average—all pure rubber. THE GOODYEAR TIRE & RUBBER CO. OF CANADA, LIMITED. The camp is in the heart of the forest, some fifty miles from Newcastle, and is reached on horseback. Mrs. Robinson was accompanied by Masters Andrew Paton, Frank and Harry Grundy, who will spend the remainder of the vacation with her.
Mr. Hubert Demers and his daughter, Miss Fabiola Demers, of Ottawa, are spending a few days in the city, after a couple of weeks holiday at Lake Massawippi. Mr. Demers is one of the oldest employees of the National Printing Bureau, Official Gazette Department, and Miss Demers is attached to the Post Office Department. They are visiting relatives here before returning to the capital.
An early pedestrian Sunday morning on the Lennoxville road was much surprised to see two deer, a buck and a fawn, come out from the light fringe of woods on the farm of Mr. William Morris, K.G., and survey the scene. They were apparently without fear, but soon disappeared beneath the trees. It is somewhat unusual to encounter these wild creatures so near a much travelled road and a city, but as it is the close season they seemed to be aware that they were safe.

general. The Rev. Mr. Mick, from Minton, presided and made some opening remarks, speaking of the terrible war in which the British Empire is engaged and of the part taken by Canada. The Allies are fighting for liberty, right and justice and the resources of England's overseas dominions would be taxed to their utmost. Especially was the Red Cross work called for, the energies and sympathy of Canadians. He was glad that the people of Belvedere were doing their part and he congratulated the organizers of the entertainment on their initiative and patriotism. The following programme was then given and was much appreciated. Organ solo, Chas. Pitman; solo, "Boys of the King," Mrs. Wilson; chorus, "Smile When'er You Can," by the school children; duet, "Jesus Bids Us Shine," Ruth Elliott and Doris Cillis; chorus "Tipperary," school children; quartette, "For King and Country," Marjorie Cillis, Elsie Elliott, Howard Kerr and Richie Elliott; chorus, "Those Evening Bells," school children; reading, Mr. Elliott; solo, "Hang Out the Front Door Key," Mrs. Wilson; duet, "Say Why Do Birds Warble," Marguerite King and Winnie, interspersed with recitations by Marguerite and Wesley King, Etta Cross, Irvin Ellis, Earl Ellis, Richie King, Howard Kerr, Olive Cillis, Roy Cillis and Elsie Elliott. God Save the King closed an excellent programme, every item of which was applauded, and which did great credit both to those who took part and those by whom they were treated. Ice cream and cakes were served, any calls remaining being disposed of for the fund, and during the evening popcorn and home made candy were sold by the children, who were prettily dressed in white with a red cross on the arm. The proceeds amounted to \$25. It may be mentioned here that the residents of Belvedere are engaged in knitting energetically for the boys at the front and in hospital, and have organized a sewing circle which will later hold a sale for the patriotic fund. So the good work goes on.

LETTERS TO THE EDITOR

HANDS OFF THE ELECTRIC.
Editor Record:
Sir:—The City Council is now discussing the using of the accumulated revenues of the Electric Department. They probably think they will be allowed to do with the funds as they have been doing for some years past with a portion of the earnings, dividing them amongst friends.
I now submit for the information of the City Council, the following extracts from our City Charter, specially providing for the use of the revenue of the "Electric System" 7 Edward 7, 1907, Chap 66 Section 50.
"All revenues arising from the Electric Light and power system over and above the cost of operation, maintenance, renewals and necessary extensions, shall be appropriated to the payment of the interest and the creation of the sinking fund, which shall be specially invested until such time as the funds so invested are sufficient to meet the payment of the debentures at maturity."
When the question of Municipal Ownership was before the ratepayers for their approval, it was specially and repeatedly stated by the opponents that the purchase or ownership of an Electric System would be a burden upon the tax payers and be a first mortgage upon the proprietors. To overcome this serious objection the promoters of Municipal Ownership had to publicly promise that Municipal Ownership would in no way be a tax upon real estate, and consequently the revenues from the Electric were held as above provided. Hence our City Charter was specially amended to provide for and specially protect the revenues of the Electric Department till the Bonds due by the said department were retired.
Yours Truly,
D. McNAMANY,
Sherbrooke, July 17, 1915.

MARRIAGES

GADLEY - COLLINS.
Johnville, July 19.—(Special)—A very pretty wedding took place at the Union Church Hall, Johnville, on Wednesday evening, July 14th, when Roy F. Gadley, of Sherbrooke, and Miss Edith A. Collins, of Johnville, were united in holy wedlock. The bridal party entered the church to the strains of the Wedding March from Lohengrin, played by Miss P. Wright of Sherbrooke. The ceremony was performed by the Rev. F. G. LeGallais. The bride who was given away by her father, Mr. William Collins, looked very charming in a gown of heavy embroidered voile with long tulle veil and wore a wreath of orange blossoms and carried a bouquet of white pinks. Miss Maude Collins, sister of the bride, acted as bridesmaid, and Miss Lillian Gadley, sister of the groom, acted as maid of honor, and wore gowns of mercerized mull trimmed with pink and carried pink roses. The groom was attended by Mr. Edward Fleck, who acted as best man. The church was very prettily decorated with roses, wild flowers and ferns.
After the ceremony, amid showers of rice and confetti, the bridal party returned to the home of the bride, where a sumptuous supper was served.
The bride received a large number of handsome gifts consisting of silver, china, linen, cut glass, etc. The evening was spent in playing games and music.
After a short trip the bride and groom will take up their residence in Sherbrooke.
UPPER MELBOURNE.
Recent arrivals include Mr. and Mrs. J. A. King, of Windsor Mills; Mrs. J. Bachand and daughter, of Valcourt, Ely, guests of Mrs. J. Galbraith during the week; Mrs. D. Kittredge, of Lawrenceville, guest of friends here and Melboro.
Miss Hazel Mirnet who has been on the sick list for the past six weeks, is slowly improving.
Miss Edith Beers, who underwent a very critical operation in the Royal Victoria Hospital, was able to leave on Wednesday last. Her many friends who have been anxious regarding her condition, will be glad to see her home again in perfect health. Her mother has returned.
Mrs. H. H. Lefebvre, Nashua, N.H., another daughter who lives in Kamouraska, and four sons.
The remains were brought to Sherbrooke for interment.

HAMPDEN SCHOOL COMMISSIONERS

At Recent Meeting Many Improvements Were Decided on For MacManee School House

NO SCHOOL FEES AFTER JANUARY NEXT—SCHOOL TAX OF SEVEN MILLS LEVIED.
Scotstown, July 19.—(Special)—A meeting of the school commissioners of Hampden was held at the secretary's office on July 16th, at which were present John M. MacDonald, chairman, and Commissioners McIver, A. M. McDonald, Irving and Haskell—a full board.
The minutes of the last meeting were read, and on motion of Commissioner McIver same were adopted.
In connection with the MacManee schoolhouse, a letter was read from Inspector McCutcheon re moving or bettering the situation of the schoolhouse. The chairman and Commissioner Haskell reported they had visited the schoolhouse and school bounds, and in their opinion the schoolhouse was on the most convenient and the driest part of the lot. So far as they could see the lot was all quite wet, and in their opinion could be made much drier if a road ditch were dug on one end and on the other, and the stones from the lot taken off and put into the ditch in front of the lot, as the ditch in front was very deep, and by filling it up with stones and a little dirt or gravel on top and the front of the schoolhouse graded, it would then, they thought, be satisfactory to the inspector.

CHAIRMAN RE-ELECTED.
The secretary then asked the commissioners to name a chairman for the ensuing year, when Commissioner Irving moved that Mr. John M. McDonald be re-elected. There being no other nominations, the secretary declared Mr. McDonald duly elected for 1915-16.

TO PROCEED AGAINST TAXPAYERS IN ARREARS.
It was moved by Commissioner McIver that the chairman and secretary-treasurer be authorized to collect by law all taxes three years in arrears.—Carried.

TAX FIXED AT SEVEN MILLS.
It was moved by Commissioner A. M. MacDonald that a tax of seven mills be levied on all taxable real estate in the municipality.—Carried.

ABOLITION OF SCHOOL FEES.
Moved by Commissioner McIver, that all school fees be abolished in the municipality of Hampden after January 1st, 1916.—Carried.

TO IMPROVE MACMANEE SCHOOL LOTS.
Moved by Commissioner McIver that Commissioner Haskell be empowered to improve lots at MacManee school by grading, levelling, ditching and filling up the large ditch in front of the lot with stones taken from said lot (the whole width of the lot 100 feet) also to build a porch for door and make respectable the approach from the road to the schoolhouse, the whole to be done to the satisfaction of the chairman.—Carried.

ESTIMATE OF APPROPRIATIONS, 1915-16.
McLeod's Crossing—Teaching, \$240; wood, \$10; repairs, \$10. Dell—Teaching, \$240; repairs, \$15. MacManee—Teaching, \$240; wood, \$10; repairs, \$85. Secretary-Treasurer's salary, \$75; extras, \$15.

COWANSVILLE DAIRY BOARD

Butter Sold at 27 5-8 cts and Cheese at 11 5-8 cts

845 BOXES OF BUTTER WERE BOARDED.

Cowansville, July 19.—(Special)—The Eastern Townships Dairymen's Association met Saturday afternoon at 2.00 p.m. with a representation of two firms and fourteen factories, boarding 845 boxes butter and 46 cheese. Bidding began on butter at 26 1/2c, and rising to 27 5/8c, while on cheese the bidding ran from 11 1/2c to 11c. The prevailing price for butter was 27 5/8c, one firm making all the purchases.

Ten factories made sales while three boarding butter did not sell, nor was any cheese sold.

Gunn & Langlois bought: Adamsville, 115 boxes at 27 1/2c. Cowansville, 50 boxes at 27 1/2c. Crown, 40 boxes at 27 1/2c.

Dairy Valley, 60 boxes at 27 1/2c. Mystic Gem, 45 boxes at 27 1/2c. Mount Orford, 25 boxes at 27 1/2c. North Stanbridge, 40 boxes at 27 1/2c.

Silver Lake, 50 boxes at 27 1/2c. Silver Star, 35 boxes at 27 1/2c. Stanbridge East, 105 boxes at 27 1/2c. Bockus, Knowlton, Racine, J.B.V. (cheese), and West Shefford did not sell.

This is Mr. Francis' greatest opportunity in a career of several weeks of screen work.

Spanish-American war scenes precede a drama that is full of strong and varied action. Probably no world film photodrama is so replete with sensational happenings which follow each other with exciting rapidity and suddenness.

"Old Tom" is the real hero of the play. His wife's faithlessness drives him to despair and dissipation; he loses his daughter, but rescues her from drowning. The girl marries a man who is in trouble for forging, from which predicament he is rescued. Finally the young couple and the regenerated old man live in peace and happiness.

As a production "After Dark" has been done the ampler justice. It has the advantage of a powerful supporting cast and wonderful effective settings.

"After Dark" is a photoplay that will hold all the time it is on the screen.

New York opened dull, with prices sagging, some low marks being reached among the active stocks. A sharp recovery, however, followed, in which the early losses were mostly recovered, and railway shares which have been weak for some days had a strong rally. By noon prices were off again.

The most notable feature in an otherwise rather dull market was the increasing strength in Shawinigan stock and rights. The few stocks which appeared at the opening showed with prices steady.

Sporting News BASEBALL

WINDSOR 8, CAPELTON 6. Windsor Mills, July 19.—(Special)—Jim Little's effective pitching with men on bases paved the way for an 8 to 6 victory for Windsor over Capelton in an exhibition game here Saturday.

The game was interesting from start to finish, the score indicating the closeness of the game. Both teams played good ball considering the condition of the field. Hodge pitched a steady game and worked himself out of several tight holes. Hess' homer in the sixth with two men on bases was the batting feature of the game. Line-up as follows:

Windsor—Hess c, McCormick 3b, Landry ss, Pender lf, Little p, Stevens 2b, Pye lf, Cloutier cf, Lemire rf.

Capelton—W. Harvey ss, Bilodeau c, Murphy rf, T. Harvey 2b, Caya 3b, Beatty 1b, H. Harvey lf, Lemieux cf, Umpires—McIntyre and McCabe.

is not lost to the Dodgers this season, as had been feared when the famous old pitcher collapsed on the mound during a recent game at Ebbets Field. It was at first believed that he had suffered a relapse of the illness that put him out of the game for nearly a whole season while with the Athletics, but an examination of the veteran's injury disclosed that he had severely wrenched a muscle in his leg. This injury may keep him out of the game for a week or two, but not longer.

Coombs has pitched splendid ball this season for a player of his years, and his loss would be a severe blow to the Dodgers.

BOXING RITCHIE DECLINES OFFER OF \$2,500

San Francisco, July 19.—Willie Ritchie has received an offer from W. H. Wellman of New York of a cash guarantee of \$2,500 for a ten-round no-decision boxing contest with either Leach Cross or Charlie White on August 1.

He declined, writing back that plans he has already made will prevent his appearing in the ring again before September.

He has arranged a hunting trip for the last two weeks in August and expects on or about the first of September to go East for a Fall and Winter campaign of boxing.

JONES DECLARES WILLARD GETS \$1200 A DAY.

Tom Jones, manager of Jess Willard, who has been touring New England with a circus, says that the big fellow has been making on an average of \$1200 a day. Willard's original contract with the circus called for \$1000 a day, with a percentage privilege. Willard's percentage privilege, according to Jones, has been greater than the sum called for by his guarantee.

Jones also says that he is Willard's only manager and that Curley, Frazer, Webber, et al, are only interested in the picture rights of the Johnson-Willard fight.

Jones' statement sounds like hunk. Curley, Frazer and Webber are very much in on the champion's earnings, and if it were not for these three men the Kansas cowboy would never have gained the championship. But at that Jones ought to be able to get enough money out of Willard's earnings to purchase a couple of new chairs for his barber shop out in dear old Kawane, Mich.

MAGOG HOTEL-KEEPER FINED

Condemned to Pay \$30 and Costs For Selling Liquor on Sunday

COMPLAINT AGAINST AUTO OWNER FOR VIOLATING MOTOR VEHICLE LAW DISMISSED.

Before Judge Mulvena in the District Magistrate's Court on Saturday, John Jones, who had pleaded not guilty on the 10th instant to a charge of stealing a chicken on the market from a dealer named Cass, of Martinville, was brought up for trial. Upon proof being made of the theft, he having asked for a summary trial, the Court sentenced him to thirty days at hard labor in the common jail.

FINED FOR EXCEEDING SPEED LIMIT.

In the case of Morkill & Bissonnet vs. Hormisdas Lacroix, for violating the speed provisions of the Motor Act, in the village of Lennoxville, on the 14th instant, defendant was fined \$5 and costs or thirty days in jail.

CHARGED WITH ASSAULT.

Mrs. Jean Pellerin vs. Amedee Gagnon, for assault and battery in the early part of June. Defendant was arrested and brought before the Court and pleaded not guilty. The trial was fixed for to-day, and in the meantime accused was remanded to jail, being unable to secure bail for his appearance.

FINED FOR BREAKING LICENSE LAW.

J. F. Morkill and Bissonnet vs. Geo. Garceau, hotelkeeper, of Magog, for selling liquor at hours forbidden by law, to wit, on Sunday July 4.—Defendant was fined \$30 and costs, or three months in jail.

J. F. Morkill and Bissonnet vs. J. E. Smith, on a charge of violating the Motor Act by failing to stop his machine when passing a street car that was stationary for the purpose of allowing passengers to get off and on.—The hearing of the case lasted nearly the whole day. The evidence showed that defendant was not operating the car at the time, but that it was being operated by a friend to whom he had loaned the machine, but being responsible in law as the owner of the machine defendant had been prosecuted.

Two police officers on duty swore positively that the defendant's car had passed the street car while the latter was stationary at the central Hotel on the right hand side where passengers were getting off. Two street railway conductors were examined and threw no light on the subject. Three occupants of the motor car swore emphatically that they did not pass the street car while stationary, but that just as the front of the motor car reached the rear of the street car the latter started, and that they only passed the car on the other side while it was running near the Sherbrooke House when it turned the curve and the motor car went straight on.

DROWNING AT WINDSOR MILLS

Frank Jarvis, Age 48, Lost His Life in St. Francis River

BOAT CAPSIZED—THREE OF THE FOUR OCCUPANTS SAVED.
Windsor Mills, July 19.—(Special).—A fatal drowning accident occurred here last night, as a result of which Frank Jarvis, forty-eight years of age, lost his life.
Jarvis and a man named Samuel Brochu, accompanied by the two children of the latter, aged 9 and 11 years, were out in a boat on the St. Francis River. In some unaccountable way the boat capsized. Brochu grabbed both his children and swam to a small island, calling as he did so to Jarvis to hold to the bottom of the boat.
Jarvis, however, disappeared from view, and an hour had passed before his lifeless body was found. Dr. Tanner found that he had struck his head against a rock, causing death. He was a strong swimmer.
Coroner Bachand has been notified, and will hold an inquest this evening.

BUDGET OF NEWS FROM SCOTSTOWN

BOY SCOUTS CARRY ON GOOD WORK — NEWSY NOTES
Scotstown, July 19.—(Special).—The regular weekly meeting of the Red Cross branch resolved itself into a lawn party and tea on the beautiful lawn of Dr. C. M. Smith, the direct object being the raising of funds to go towards the field kitchen for the 5th C.M.R. now stationed at Valcartier. The attendance of 63 was highly gratifying to those in charge, the receipts being \$13.05. What added to the beauty and the liveliness of the scene was the presence of a large number of children, they with the grown folks making a strikingly harmonious picture against the background of the living green of the trees and of the velvety lawn. In addition to the amount mentioned above \$2 was handed in for bandages. No meeting of the local branch would be complete unless a lot of work was accomplished and while the ladies were enjoying the various items provided for their entertainment, their hands were busily employed either knitting or sewing. Forty personal property bags were finished during the afternoon and considerable knitting was also accomplished. The success of the afternoon was largely due to the beautiful setting where it was passed and the Red Cross branch wish to thank Dr. and Mrs. Smith for their kindness in loaning their house and grounds for the furtherance of this patriotic cause. \$6.25 has been sent for bandages by the local branch, this being the monthly contribution. The next meeting will be held with Mrs. Henry Goodin when all who can do so will be made heartily welcome.

CHURCHILL WARNS THE DUTCH
Holland Has Nothing to Fear from Allies

GERMANY, HOWEVER, MAY VIOLATE HER NEUTRALITY.
London, July 19.—The Daily Telegraph Saturday printed what purported to be an interview granted by Winston Spencer Churchill, former First Lord of the British Admiralty to the London correspondent of the Nieuw Rotterdamse Courant, and sent by the Daily Telegraph's Rotterdam correspondent. It deals mainly with the question of Dutch neutrality.
Mr. Churchill in the interview did not conceal his opinion that geographically and strategically the territorial arrangement of the mouth of the River Scheldt appeared to him unnatural and that it doubtless had done harm to the cause of the Allies.
If Antwerp had been able to obtain transports along the Scheldt, Mr. Churchill said, the city need not have fallen. At the same time he admitted that had The Netherlands permitted such a violation of its neutrality it would have been attacked and probably occupied by Germany, and nobody, he said, had a right to expect such a sacrifice from The Netherlands.
Mr. Churchill was emphatic in stating that the Allies would not under any circumstances attempt to exert pressure on The Netherlands to make it abandon its neutrality, but while there was no danger from the Allies the Dutch were doing well to be prepared for, he declared, "a free Netherlands cannot exist with a German Antwerp and Germany may be forced to attack Holland."
