

Mark Sassen, the blond in the carriage, found it a bit tiring in the lineup for the meal served by the Havelock Volunteer Fire Department at the Havelock Fair Saturday. So he took a little rest by climbing in with his baby sister, asleep under the hood. Mrs. Jim Sassen, Ormstown, is doing the driving.

## Huntingdon to purchase back hoe for \$13,250

Town Council approved the purchase of a back hoe at its meeting last Tuesday evening. Alderman Brisebois presented bids from three tenders and it was finally decided to accept the bid of Case Power and Equipment Ltd. of Montreal. The back hoe will cost \$13,250 plus tax.

Alderman Lazure said the new machine will in effect save the town money, since it has cost some \$4,000 in the last couple of months to rent a similar machine. The Case Power company was chosen because parts for it are easily available and it has been used by private individuals in the town who are satisfied with performance. The new back hoe will be able to dig as deep as 14 feet four inches, and has a heated cabin. Town foreman Philibert Langevin said that the back hoe would be useful in the winter because "now we'll be able to move snow where the plough can't go."

A notice of motion for the next meeting was given by Alderman McGerrigle that he would propose that the municipal tax remain fixed for this year at the present rate of 22 mills.

Alderman Laplante proposed that a drain be put in at Garden City. He said that in the spring the water was ankle-deep and that even now one lawn had water on it. Mayor Pilon said that the cost of putting in a drain which would be \$2,000 was something the town couldn't afford, and suggested that Alderman Laplante bring the matter up when it came time to draw up the budget next year. Mr. Laplante replied, "I've brought it up the last three years and now I want some action." After some discussion however, the subject was dropped.

A woman living on York Street near Lake complained that there were rats in that part of town which were attracted by horses in a dirty stable there. Mayor Pilon

told the woman that a town bylaw stated that animals such as horses were allowed to be kept in town as long as they were kept in a clean stable.

Alain Trempanier, who lives on the upper portion of Bouchette St., requested that something be done about his water supply to his house. At times, he said, it came out of the taps black. Also he requested that a street light be put in on that part of the street. Council agreed to both problems.

Alderman Gaw complained about the litter on Chateauguay Street, saying that last Sunday it was garbage from one end of the street to the other. In a related item, Alderman Laplante said he had the town police make a list of those places which needed cleaning up and a letter would be sent to those concerned instructing them to that effect.

Alderman McGerrigle proposed that even though the pool was closed for the year, the park should be left open till nightfall so that families could at least enjoy picnics while the good weather lasted. This was accepted by Council.

A meeting will be arranged within the next week between the Council, the town engineer and Cleyn

& Tinker, to discuss that company's water request.

After two months of waiting J. H. Prevost finally received permission to build on a lot in Garden City in accordance with the water and sewer bylaw.

Remi LeBlanc, who operates a store on the corner of Fairview and Henderson, received permission to put up an advertising sign provided that it conforms to town regulations.

Alderman McGerrigle was appointed pro-mayor for the next three months.

Alderman McGerrigle brought up the question of when the filter plant roof would be painted. The painter in question had been appointed but had not seen to it. Council felt that he should be approached one more time, and if he didn't want to do it, someone else's services could be procured.

Council received a letter from St. Timothee parish asking their support in the construction of Route 30, and a motion was passed in favor of this. A letter was also received from the town of Villeneuve, concerning the new taxation of fuels. Huntingdon voted to support the Villeneuve proposal that towns be exempt from tax on fuels sold to the municipality.

## 192 diplomas

192 students received their high school diplomas at ceremonies held Friday night at CVR. The event was highlighted by the honoring of Susan MacLean of Nitro, who besides being class valedictorian, walked off with four of the top awards including the Reeves Scholarship awarded to the student with the highest average in the final examinations, and the Birk's silver medal.

Father Marcel Gareau

said the opening prayer, after which master-of-ceremonies D. Lepoidevin welcomed the audience. As regional board chairman, Mr. Lepoidevin congratulated the students on their success and said that they were living in an era "where man has learned to fly like the birds but now has to learn to fly quietly."

Director-general Norman Wood explained the new school and parents committees to be set up in the near future. He said that in the days before CVR, the local schools were very close to the parents, because of their geographical proximity to the home. There had been some lack of contact between parent and school when CVR opened mostly for geographical reasons. With the introduction of the parents' and school committees, he hoped this would be avoided. He said the purposes of the new groups were for the school to find out what the community wants, and so the parents could keep in touch with the schools.

In giving the principal's report, Earle Templeton said that the past school year, CVR's fifth, had been marked by an increase in students as well as course selections. In 1967 there had been 19 options offered whereas now there were 45.

By introducing the house system for first year students, Mr. Templeton said he felt that they were able to adapt to the school more easily. Also the numerous extra-curricular activities made it possible for students to learn in other

(continued on page 4)

## Artificial ice \$120,000 - plus

The Huntingdon County War Memorial Arena issue was resurrected at last week's town council meeting.

Mayor Claude Pilon said that the town architect had visited the building twice and given his estimates on the cost of repairs and the installation of artificial ice. Mayor Pilon added that the arena "should pay itself" over a long-term basis.

Cost of installing the artificial ice, which would include a cement slab base, new lighting, electricity and boards was estimated at \$80,000. The cost of adding a 15-foot extension to make the rink regulation size was estimated at \$40,000. An additional cost of \$30,000 would put metal seats on one side of the rink, and have six dressing rooms and an office under the seats, as is the case in most arenas. This expense would be slightly less if the present rooms in the front were fixed up with dressing rooms. At the least then, it would cost \$120,000 to renovate the arena and install artificial ice.

Mayor Pilon said he just wanted to introduce the matter to the aldermen and asked them to talk to their electorate before taking the matter up any further in council. He also said that the directors of the arena would have to be approached to see if they were willing to give it to the town.

Commenting on the financing of the project Mayor Pilon said, "I think this project should be spread over a long period of time because it's not for our generation only."

The matter will be discussed again at Council's adjourned meeting on September 18.

## PC nod to Miron

Armand Miron was chosen by the Progressive Conservative party as its candidate in Beauharnois-Valleyfield at a nominating convention held last Wednesday at the Ecole Langlois in Valleyfield.

Mr. Miron was the sole candidate to seek nomination as conservative candidate in the riding. Mr. Georges Dupont, in his capacity as Convention chairman, stated that Mr. Miron had met all the necessary requirements.

The meeting was chaired by Jean-Guy Philie, notary of Valleyfield, past-president of the Progressive Conservative Association. In attendance at the meeting was the mayor of Valleyfield, Raphael Barette.

## CV's executive discusses agenda

A discussion of the division of powers among the administrative groups was the highlight of the regional executive committee meeting for the Protestant Regional Board of Chateauguay Valley last Tuesday. For some time now, the committee has been awaiting the translation of two documents from the Education department on this matter, but until then has decided to go ahead on its own. Items discussed were finances, the repair and maintenance of buildings and personnel. Out of this discussion the committee will make up recommendations to send to the board, which is the senior body in the administrative structure.

Members of the Executive were named as chairmen of various committees. D. Lepoidevin was named to head the building and equipment committee, G. Saray personnel, R. Gill finance, insurance and tenders, E. Stafford, and transportation, K. Younie. It is to be noted that parents who are having transportation problems should contact the principal of the school.

Rev. Paul Brown and Rev. Eric Drakeford were re-appointed as chaplains at CVR and H. S. Billings respectively.

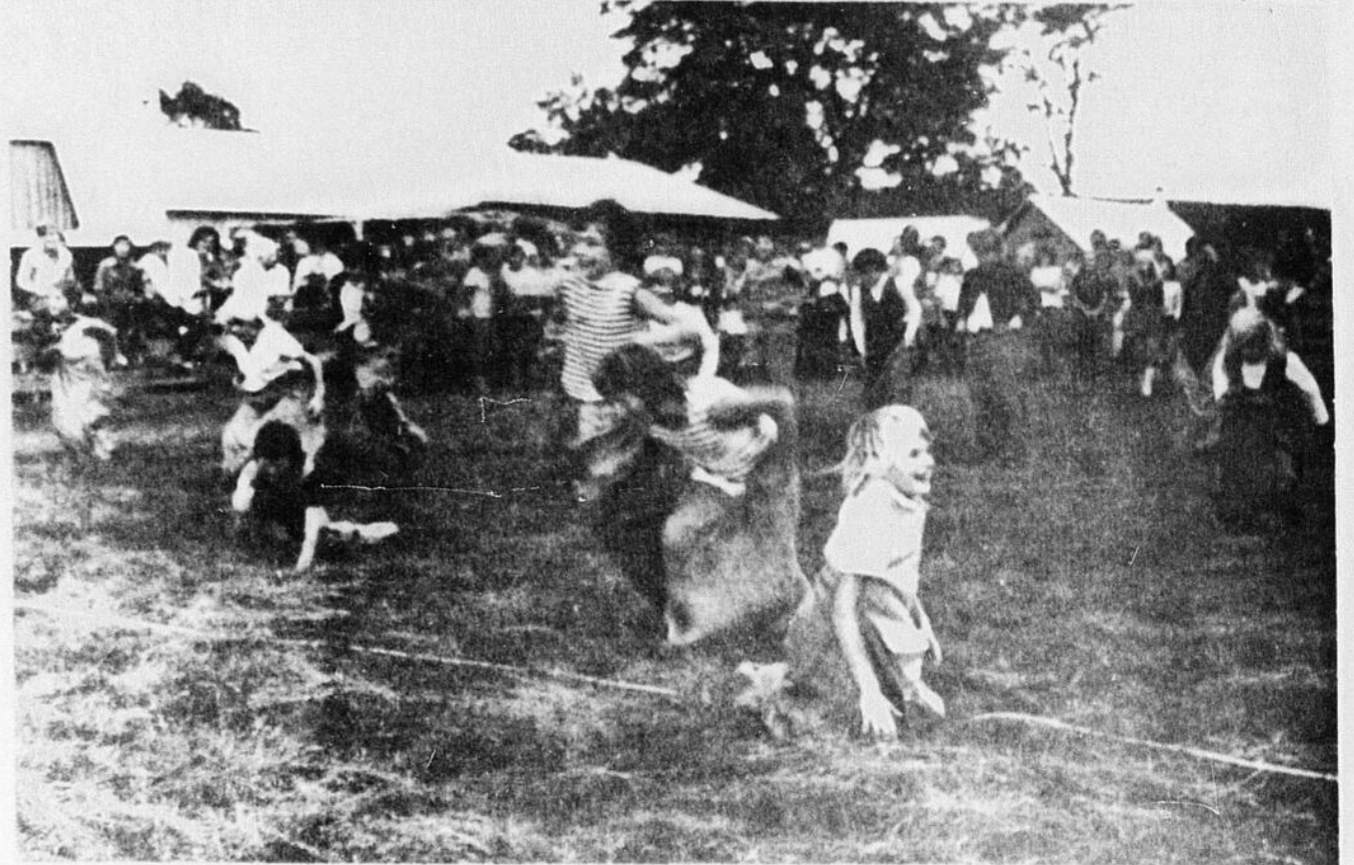

**SCHOOL COMMITTEE**  
The executive approved guidelines for the creation of the "school committee" as

outlined in Bill 27. This body is to be composed of between seven and 25 parents with the principal and one teacher as non-voting members. Director-General of the Protestant Regional School Board for Chateauguay Valley, Norman Wood said that its purpose "was to foster understanding between school and home."

The functions of the group as outlined by the bill are threefold: first, to stimulate participation by parents and the community in the improvement of educational services in the school; second, to study measures which could promote more personal educational services in the school; and third, to make recommendations to school administrators to ensure the best possible operation of the school. In practice this could mean that the school committee might get parents involved as teachers' aides or librarians, but at the very least the group should make the communication process between home and school a little more direct.

The principal of the school must call a general meeting of the parents before October 15 to discuss formation of this body with them.

**Parents' Meeting**  
In other school board news, on August 28, approximately 40 people representing schools across the valley assembled under the chairmanship of Tony Cornford.

One young lady is sitting on the finish line while other contestants seem to be just getting started. The event was a sack race for youngsters at Havelock Fair. There were running races and other kinds for boys and girls as young as 4 or 5, and the Fair Committee considers that considerable future Olympic material was uncovered.

## Another fine fair for Havelock

Havelock Fair entered its second century with another successful show Saturday. All day long the fair grounds were like a multi-ring circus. Ayreshires, Holsteins and Jerseys were judged in the cattle ring. At the same time the light horse events were run off in an adjoining area, and simultaneously the pony classes in another ring next door.

Hundreds of youngsters made like the Olympics in a field in the centre of the fairgrounds while the bingo barker shouted his winning numbers in another section. In the booths, church and charitable groups drew buyers with fine collections of sewing needlework, baking and other household arts. Athelstan and Elgin groups were represented as well as numerous associations from the more immediate area. The Chateauguay Association for the Mentally Retarded had, as well as its handicraft booth, another conducting a successful drawing. One of the major reasons for the success of the Havelock Show is that all these events, and others, were taking place simultaneously. There was something to interest everyone, and some spectators are kept scurrying from event to event in an attempt to see everything.

Probably the highlight of the whole day was the farm-style home cooked dinner provided by the Hinchinbrooke Volunteer Fire Brigade and their wives. Baked ham and roast beef, with all the trimmings, followed by adequate helpings of home baked pie, proved once again a popular \$2 buy. By 11 a.m., when the doors were supposed to open, the dining room was already full, and very shortly a long line of hungry fairgoers snaked across the grounds. The wait was long for some latecomers, but all agreed it was worth it.

To help pass the time, fiddle and guitar players performed on a nearby platform, taking turns at entertaining the waiting

**Youth hurt in car crash**

A Valleyfield youth was injured when the car in which he was a passenger missed a curve Sunday morning on the New Erin Road. Injured was Yvan Sabourin, 16, who was taken to Huntingdon Hospital and later transferred to the Hotel-Dieu Hospital in Valleyfield.

The accident occurred near the Teafield intersection at 7:05 a.m. Driver Robert Arcoite, 20, also of Valleyfield, approached two curves in the road, made the first one but missed the second and crashed into a Quebec-Hydro pole.

Damages to the car, a Ford '65, were estimated by provincial police to be \$500 or more.

throughs. From time to time a tap dancer joined in, and more than once the line broke up temporarily into an impromptu square dance.

There were exhibits of the latest farm machinery, and of snowmobiles. The sponsors were understanding, and as a result throngs of youngsters had the time of their lives "driving" the various vehicles on the stands during the day.

The CJAD helicopter was on hand and made a number of flights while highlights of the show were described to the station's audience. Apples, of course, were the principal exhibits in the fruit and vegetable area, but many visitors remarked on the outstanding flower displays as well as handicrafts.

President Kenneth Sample, Hemmingford, Walter Smith, MP for St. Jean riding, and Kenneth Fraser, MNA for Huntingdon

County, officially opened the fair. Other directors of the fair, most of whom were present, are Ray McMillan, Franklin Centre, vice-president; Barry Martin, Hemmingford, Earl Orr, Henrysburg, Gordon Brooks, Franklin Centre, Ronnie Yull, St. Chrysostome, J. J. Jasmin, Roy Angell, Howick; Keith Dickenson, Franklin Centre; Fergus Moore, Hemmingford; Allan Fisher, Centre.

Hemmingford; Norval Blair, Franklin Centre; Glen Waller, Franklin Centre; Lynwood Cookman, Hemmingford; Kyle Blair, Franklin Centre; W. B. Hope, Franklin Centre; Ronnie Yull, St. Chrysostome; J. J. Jasmin, St. Chrysostome; Calvin Edgerton, St. Chrysostome; and Ross Whyte, Franklin Centre.

## Tradition upheld

The tradition is that the weather is always nice for Havelock Fair Day; it never rains.

The tradition held good again this year almost. There was a bit of moisture during the early afternoon which some described as a Scotch mist, and others said was a heavy dew.

The clouds quickly cleared, though, and the sun shone again on Havelock Fair.

The younger generation made the most noise at Havelock Fair, but some of the older folk had a good time too. Here William John Hoyer, aged 93, of Rockburn watches the festivities with his oldest daughter, Mrs. A. P. Murphy, 65 of Ste. Anne de Bellevue. Right is a friend, Mrs. Ernest Rosevear of Rockburn, who is 80.

Ride 'em, cowboy! The colorfully dressed youngster at the right, and his companions, drew much applause at Havelock Fair Saturday. The event was a dress-up class for pony riders.

Janice Hough of Hemmingford is presented her diploma by vice-principal G. F. Matheson at graduation ceremonies held at CVR last Friday night. Janice was one of 192 graduates.

# THIS 'N THAT

**THIS COLUMN** - has to be short this week. Reason is that the balance of Huntingdon Fair prize winners is appearing in this issue in addition to the complete list of prizewinners at Havelock Fair which was held on Saturday. As predicted, the weather that day was perfect, despite the downpour on Friday. Throngs from near and far enjoyed as usual, the excellent dinner fare. Besides meeting former friends new acquaintances were made because there were many new faces on the grounds.

**ONE THING** - we would like to mention, however: readers tell us they enjoy "pictures from the Past". If so, send some in. We're running out of them. Anything from yesteryears which will be of interest to Gleaner readers will certainly be considered. Either send them to us or bring them in to The Gleaner Office. They will be returned in the same condition as received.

**HEMMINGFORD** - the Huntingdon Rotary Club members thoroughly enjoyed their weekly meeting which was held at the Hemmingford Golf & Country Club. Greg Burtiuk represented this writer and The Gleaner at this meeting. (See pic and report elsewhere).

**THE ANNOUNCEMENT** - that Jim and Dave McCoy are liquidating their stock to convert their store and warehouse into 14 bachelor apartments here in Ourtown has been one of the main topics of conversation here and elsewhere. When McCoy Bros. make a move, they make a decisive one. Their discount prices are legitimate (and they aren't restocking) so act accordingly if you want savings on what you need. And believe you me, McCoy Bros. have about everything anyone requires.

**STUDENTS** - appear to be happy about being back in school. Why not?

**MINORS** - probably a half dozen - created havoc at the Roger Brewer Ford Sales in Fort Covington late Monday evening. They snapped antennas off cars, tore vinyl roofs and smashed glass in a number of both new and used cars. Three carloads of Troopers descended on them and it is thought most were taken into custody. Parents will probably cough up a pretty penny to recompense for damages. While names have not been divulged because of their ages, it is believed the youngsters were from out-of-town.

**LIKE WE SAID** - we have to cut this column short this week... so...

## Aubrey - Riverfield

Mrs. James Crawford

Aubrey - Riverfield W. I. met at the home of Erma McKell last Thursday. The meeting was opened with the Ode and Creed. President Mrs. W. Craig welcomed guests Miss Eccles, County President Mrs. Wilson from Ontario and Mrs. J. Atkinson.

The September Motto was - if you have knowledge, let others light their candles by it.

Fourteen members answered the roll call by naming a famous educator, past or present. Members were reminded of the glass recycling project to be completed by mid-October and sponsored by the Howick Councils. Plans were made concerning lunch to be served to the 4-H Calf and Garden Club on September 16. The institute also served lunch to a group of Junior Farmers on a tour, held August 29 at the Ness farm.

Now that there is a Goat Dairy Farm at Aubrey, members were informed about the feeding, milking and housing of goats. Goats milk is good, wholesome and nutritious and is particularly useful for the diets of babies and invalids. People allergic to cow's milk can often tolerate goat's milk. A good dairy goat can produce about two or three quarts of milk daily for eight or ten months and can be fed for about a sixth of the cost of feeding a cow.

The education report - stressed that all should benefit by attending courses given at C.V.R.

The welfare and health convener read an item about St. Joseph's Hospital. A staff of volunteer ladies (in pink uniforms) are a wonderful help in assisting waiting patients at the Emergency Ward in various ways, such as contacting the right doctors and other helpful duties.

The group was pleased to have Miss Eccles County President at the Meeting. Miss Eccles, read a letter

from Mrs. Beattie asking members not to forget the donation to Pennies for Friendship. She also spoke of the various articles for the Handicraft Competitions for the 1973 Convention and reported on the June Convention. President, Mrs. Craig thanked Miss Eccles for coming.

The mystery parcel was won by Mrs. Wm. Allen. Afterwards a social hour was enjoyed. Hostesses were Mrs. McKell, Mrs. M. Gruer and Mrs. Finlay Milne.

## Athelstan

Mrs. Hazel Hutchings

Guests of Mrs. Hazel Hutchings attending the wedding of Lyndon Hutchings son of James to Tina de Vries on Saturday, September 2 were, Mr. and Mrs. Donald Caldwell and sons Bill, Brian, and Brett of St. Catharines, Ont.; and Mr. and Mrs. Wm. Hutchings, Donna & Linda of Cornwall, Ont. Mr. and Mrs. Nelson Hutchings, James, Barbara, Wayne and Margaret of Catskill N. Y. Barbara was the flower girl and Wayne the ring bearer.

Guests of Mr. and Mrs. Fred G. Hutchings attending the wedding of Lyndon were Mr. and Mrs. MacDonald of Toronto, Dolores and Angie Pau, of the Philippines, and Mr. Stuart Milne of St. Lambert. A very successful field day was held at the Athelstan Sports Association grounds on September 4. The gate opened after a parade from the church to the grounds with Bill McFarlane and a load of girls and boys. Also Mr. Don Racine and his goat, Don Racine and John Paul Baudry on their guitars and Lloyd Duheme on the fiddle played country music. They were accompanied by Grandma and her jug in a rocking chair with girls on all corners of the float, many other decorated cars followed. In the afternoon and evening there were ball games, lunch and dancing to Gerald French and his band as well as a big bonfire. Fire-works ended a day to remember. 1

Seen in this picture are members of the Montreal Presbytery of the United Church who participated in the induction of Rev. Kenneth McLaughlin as minister of the Huntingdon Pastoral Charge. They are (l to r) Rev. Eric Drakeford, minister of St. Andrew's United Church, Chateauguay, Rev. J. Ralph Watson, secretary of the Montreal Presbytery, Rev. McLaughlin, Rev. G. B. Johnston, Chairman of the Montreal Presbytery and minister of Roxboro United Church, Rev. John Anderson, minister of Howick United, and Rev. Peter Macaskill, minister of Northlea United Church.

## Induct new minister at United Church

Rev. Kenneth McLaughlin was inducted as minister of the Huntingdon, Rennie's, Powerscourt and Dundee United Churches at services held last Thursday in Huntingdon.

The service was conducted by members of the Montreal presbytery, which is chaired by Rev. G. B. Johnston, minister of Roxboro United Church. Other members assisting were Rev. Ralph Watson, secretary of the Montreal presbytery, Rev. Peter Macaskill, minister of Northlea United Church in Chomedey, Rev. Eric Drakeford, Minister of St. Andrew's United Church in Chateauguay, and Rev. John Anderson, minister of Howick United Church. Members of the Huntingdon clergy attending included Fathers George Quenneville and Gerard Faivre of St. Joseph's Catholic Church, Father Marcel Gareau, chaplain at CVR, Rev. Clair MacLeod of St. Andrew's Presbyterian Church, and Rev. R. W. Gillespie of the Church of the Nazarene. Other members of the clergy were also in attendance.

The sermon was preached by Rev. Peter Macaskill who reminded the congregation that "a minister's life is the life of his ministry." He said that to be a good minister one must follow the teaching contained in Timothy, which is that the word of God must be preached in one's own heart first, before being preached to one's congregation. He reminded his audience that "if there

were more good listeners there'd be more good preachers," and said that many congregations had "roast preacher along with their Sunday roast beef".

After the induction by Rev. Johnston, refreshments were served in the hall downstairs.

## Pool total now \$2,915

Donations are still being received by the County Civic Centre to cover the \$3800

cost of installing a liner in the swimming pool. Latest donations are \$500 from the Huntingdon Recreation Association, which is a group of employees from Cleyn & Tinker Ltd., Model Dye Works (Canada) Ltd., and Italknit Co. Ltd.

This now brings to a total of \$2,915 the amount of donations received. A local resident has given up drinking for good. He did it for his wife and kidneys.

must have forgotten something as two pages could not tell all the fun and happiness of this day. In the midst of the parade the fire men dropped everything to go to the rescue of a truck on fire at the bridge. Athelstan are very proud of their firemen.

## Noyan & Clarenceville

Mrs. Rodney Derick

Mrs. Hazel D. Brash and friends of Hartford, Conn spent the past weekend at Duck Inn.

Mr. and Mrs. Willis Beerworth recently visited her brother and sister-in-law, Mr. and Mrs. Hubert Stevenson in Cobourg, Ont; also a few days at the home of Mr. and Mrs. Donald Mathews and family in Galt, Ont. On Saturday, they visited Niagara Falls and other points of interest.

Mr. and Mrs. Walter Herron, Patrick and Cindy have taken up residence in St. Hubert. Their daughter Cheryl is now attending school in Quebec City.

Mr. and Mrs. Laurent Lefevre of Montreal spent the weekend with her

parents Mr. and Mrs. Georges Dallaire.

Miss Carol Derick spent the past weekend in Hemmingford with her grandparents, Mr. and Mrs. Aylmer Hadley and Debbie.

A preview of the 1973 Scorpion snowmobiles was held on Friday evening at the home of Mr. Robert Sharmen. Many interested buyers and onlookers attended, making the evening a success. There was a drawing for a snowmobile suit and refreshments were served.

Get well wishes are extended to Mrs. Norman Simpson who is a patient in the St. Johns Hospital.

Miss Grace Wilson is spending several days with her brother-in-law and sister, Mr. and Mrs. James Snow in Ausable Forks, N. Y.

## Car hits hydro pole

A slight power failure occurred in Huntingdon Friday night when a car smashed into a hydro pole. Denis Bourdon of Elice Street in Valleyfield was taken to Huntingdon Hospital where he was treated for cuts by Dr. Georges Lefebvre.

The accident occurred on Chateauguay Street just opposite Huntingdon Motors shortly after 11 o'clock. The car, a Meteor 1964, which was travelling towards Ormstown, hit a pole in the parking lot, beside the Chateauguay River. Damage to the car was undetermined.

## FOR SALE

### 1972 CHEVROLETS "Impala Custom"

two-door hardtop in excellent condition

### AND "Townsmen"

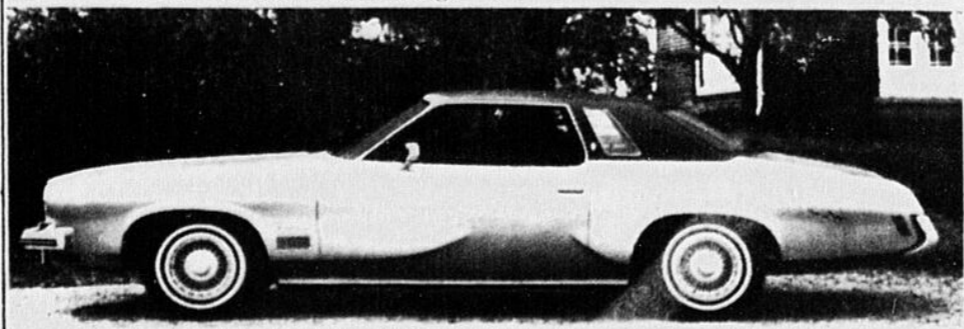

FOURDOOR 6-passenger station wagon. Both are equipped and in top condition. Either may be seen by appointment by contacting Keith Howden at The Gleaner Office, Huntingdon, 264-5364.

# the NEW '73's

1973 Chevrolet Monte Carlo

Chevrolet for '73 offers buyers a combination of beauty, luxury and safety in its complete line. The spotlight this year is on the intermediates - Chevelle and Monte Carlo - both of which have been completely re-styled. Exterior features of the Chevelle Series include larger glass areas and thinner corner pillars for improved, all-around visibility. The re-styled Monte Carlo (shown above) is five inches longer, an inch wider and offers European luxury car ride and handling.

1973 Cutlass Supreme

Significant changes in appearance distinguish the full-size Oldsmobile for 1973, while startling new styling is the story of the intermediate Oldsmobile Cutlass. Also a new compact model, the Omega, makes its debut. The Cutlass Supreme Colonnade HT Coupe (shown above) exemplifies the complete re-styling of the Oldsmobile intermediate. Single power beam headlamps are a distinctive feature as are lift-type flush mounted door handles and frameless door glass. The Cutlass chassis is all new for 1973 - an adaptation of the Oldsmobile G-Type system.

## Election Fever

Who's going to win the election?

That will be a question asked many thousands of times throughout the Chateauguay Valley and across Canada in the next seven weeks.

In this region, at least, it will take over No. 1 spot on the question hit parade from the current "Do you think we're going to have more rain?"

If you can believe the polls, the Liberals will be returned to office October 30. The most recent Gallup survey shows the Liberals have the support of 42 percent of the voters, the Progressive Conservatives 32 percent, the New Democrats 15 percent and the Social Credit and others 11. The rest of the people were undecided.

Prime Minister Trudeau is going to the country on his Liberal Party record and the theme "the integrity of Canada." This could be interpreted as the right to do our own thing. It's a clever slogan because few Canadians would quarrel with the suggestion that we should be free to do what we wish with our own economy and social structures, without outside interference. In Quebec, that's called nationalism. The Parti Quebecois has as its main plank the demand that the province should be allowed to settle its own social and economic problems without outside interference -- from

Ottawa.

Mr. Trudeau won't get Rene Levesque's vote, though. They are bitterly opposed on the question of Quebec independence, and their respective interpretations of "the integrity of Canada" are poles apart. But it's a slogan which won't do the federal Liberals any harm.

On the Conservative front the headline news of the past week has been the decision of Claude Wagner to resign his judgeship and throw in his lot with Robert Stanfield. Some Conservatives believe the former Quebec Liberal minister of justice will be a rallying point for the scattered and tattered PC legions in the province.

It's of passing interest to observe Mr. Wagner's "new look." His Prussian-officer haircut has given way to a shaped version. (Not exactly in Jake Higgins's class, but not exactly a Ricky Runnalls either). Too, his speech announcing his new role was more moderate than some of his past pronouncements: not quite so Waspyish.

We hope he has more success in changing his image than his new leader, Bob Stanfield, after four years of trying, still has all the charisma of a wet mackerel. It's doubtful if his leadership could stand another defeat.

## Pictures from the Past

Typical Canadian Wintersports. Curling

Our Picture from the Past this week reminds us that the curling season will soon be here again. The basics of the game are much the same as they were when this photograph was taken around the turn of the century. But the costumes of the players, for one thing, have changed a bit - they don't wear bowlers or fur caps at the local matches any more. The lady spectators, too, don't bundle up like they used to - thank goodness.

### Obituary

The Late Peter John Elliott "Captain Jack" as he was familiarly known to his many friends and fellow members of the American Hollywood Power Squadron, died in Manor Pines Convalescent Center, Fort Lauderdale on August 26 after more than three months illness.

Born at Howick, Que. June 3, 1891, son of James T. Elliott, and his wife Janet Davies he attended local schools, later graduating from Montreal Technical. He worked for Imperial Munitions Board, Inspection Service until the end of World War I. Afterwards he worked for Shawinigan Water and Power for five years before moving to New York City where he was for a time with New York Edison. In 1930 he secured a position with Long Island Lighting Co. where he remained until retirement to Florida in 1956.

An ardent boating enthusiast he sailed many times to the Bahamas, some times alone but mostly with friends.

The funeral service was held on August 28 at Boyd's Hollywood Boulevard Chapel. Mr. Elliott was a 50-year Mason and a Masonic

Service was held the following day at the same chapel.

A service was held later at the McGerrigle Funeral Home, Ormstown with interment at Georgetown cemetery. One brother, James B. Elliott of Howick survives.

### Obituary

The Late Mrs. James Kelly Funeral services were held in St. Joseph's Church, on Saturday, September 2, at 2 p.m. for the late Mrs. James Kelly. Father Georges Quenneville, Pastor, officiated, assisted by the curate, Father Gerard Faivre. The Ladies of St. Anne acted as Guard of Honor in the Church and at the grave.

Mrs. Kelly, nee Mary Louise O'Connor, was born in Huntingdon, November 23, 1877. In her young days she taught school, which position she relinquished to care for her parents. November 10, 1925, she married James Kelly. For many years they resided on a farm on the Gore Road and later moved to the town of Huntingdon. Her husband passed away in September 1948.

Quoting from her pastor's eulogy, Mary Louise, known

to all as Minnie, was always ready to help anyone who came to her house, and those who visited her, left happier and sure of just having made a new friend. Charity, the key virtue in christian life, had its source in God himself. There is exactly where Minnie Kelly went to acquire this virtue. A regular church goer and regular communicant, she tried and lived the commands of the Good Lord, in her own humble way.

At the end of her long life, she had a very long and crucifying illness. During these never ending years she was given back what she did for others: being surrounded by good and loving people, she received love, attention and the best of care.

The deceased is survived by one brother, Walter O'Connor of Montreal, as well as by several nieces and nephews. She was a sister of the late Dennis J. O'Connor, who for many years was Provincial Member of Parliament for Huntingdon, County, and of the late Patrick O'Connor of Montreal.

Pallbearers at her funeral were: John and Walter McCallum, Marcus and Kenneth Walsh, Charles McConville and Cyril Rolfe.

James Laurie, manager of Collier St. Bernard cider plant addresses a gathering of some 80 Rotarians plus their wives and guests. The event was held at the Hemmingford Golf Course on Monday.

## 80 attend Rotary at Hemmingford

Some 80 Rotarians and their wives as well as members of the Beauharnois Rotary Club, were present at the meeting on Monday held at the Hemmingford Golf Club.

During the day, 37 golfers took part in a mini-tournament which featured such prizes as a cheese slicer and a pair of oven mitts. The eventual winner was Aurele Robidoux of St. Anicet with a gross score of 80 and a net of 74. For his efforts Aurele received a trophy, a stretchy hat, and a bottle of cider. The low gross score for Rotarians was Cecil Brown with a 77.

Among the guests at the evening dinner were Ken Fraser, Huntingdon MNA, and Lucien Faubert, manager of the St. Anicet Golf Club.

The guest speaker was James Laurie, manager of Collier St. Bernard in Hemmingford, who aside from furnishing bottles of cider at mealtime, gave a talk on the cider industry and cider processing.

Mr. Laurie began his talk by saying how much he had enjoyed dining with the Rotary as he found it a "comfortable" club. He explained that the cider plant was owned by six shareholders, three of whom had lived in Hemmingford most of their lives.

The cider plant became reality on July 15, 1971 when the floor was poured, and shortly thereafter the aging tanks were put in and the building constructed around them. On October 18 the first batch of cider was produced. From this date to May 15, some 300,000 gallons of cider came out of the operation. This figure represents some 150,000 bushels of apples. At present the plant has a

### Obituary

The Late Thomas Ernest Robertson The sudden death of Thomas Ernest Robertson which occurred at his home in Riverfield on August 30 shocked the entire community.

Born in the Scotch Concession September 16, 1884, he was the son of the late John Robertson and his wife Elizabeth Borison.

Ernest farmed in the Scotch Concession until 1931 when he bought the Riverfield General Store, and also became postmaster. He later took the agency for Cockshutt farm machinery and sold for DeLaval Co. until his death.

During his lifetime he was secretary for the Farmers' Club and Aubrey Rifle Association, secretary-treasurer for the Riverfield Church for many years, he became involved in the cemetery committee.

Since his retirement in 1948 his main interests and hobbies were gardening, rug making and needlepoint.

Mr. and Mrs. Robertson celebrated their sixty-fourth wedding anniversary on July 28.

Surviving relatives are his wife Annie A. Black, son Harold, daughters Addie Roy, Rita Tanner, Olive Craig, fifteen grandchildren and five great grandchildren. He was predeceased by an infant son Theron Ernest.

chemist whose main task is to test each batch.

Mr. Laurie said that one of the main problems facing the cider industry is not only the education of the consumer concerning the different kinds of cider, but also the retailer. He related an instance of going into Montreal, asking for the best bottle of cider at a grocer's, and being given the most expensive one.

He explained that prices weren't an indication of quality but rather a different type of cider. Basically there are three kinds of cider. Flat, cracking and sparking (the latter is the most expensive.) Collier St. Bernard offers three types of wine in the cracking variety, dry, medium sweet, and sweet. They are planning to put out two brands of sparkling cider by Christmas, and also have a type which is lightly carbonated.

Mr. Laurie said the company welcomes visitors, and provides tours plus a cider-tasting session for them.

Mr. Laurie was thanked for his talk and slide presentation by past-president Donald Hartley, and presented with a pen and pencil set.

The quiz was given by Jon Proudfoot who asked a nine part question on Gary Player's recent victory in the Tournament of Champions. Most present were able to answer several of the parts, but were unable to come up with the name of Gary Player's wife.

President Jean Brunet reported that the club sold 1,717 tickets in the drawing for Priscilla the pig. This plus the club's second place finish in the float contest during the fair, gave the club a total of \$885.53. Rotarian Maurice Perrault was thanked for building the pig in Olympian spirit the two Rotarians who sold the most tickets were given a gold and silver medal. Jake Higgins won the gold, selling 401 tickets, and Guy Leblanc the silver with 393.

The piggy bank which Rotarians had been dropping coins into each week was drawn off by Jake Higgins, Mayor Claude Pilon was the successful bidder, and won the pig for \$17.

Prizes for the golf were given out by Jon Proudfoot, who stated at the outset that they weren't the most expensive ever awarded, having cost a total of \$15.18. In all 16 were awarded. One of the highlights of the golfing was a rematch between Rotarian Dick Tinker and Mrs. Marg Keddy, with the latter winning out.

### Huntingdon Locals

Recent week-end guests of Mr. and Mrs. George Lindsay were Mr. and Mrs. Gene Moulton, James, Regina and Rosemary of Wakefield, Vermont.

Mr. and Mrs. George Lindsay and Joan spent a few days recently in Brampton, Ont. visiting with Mr. and Mrs. Burton Lindsay, and Mr. and Mrs. Carl Forget.

Mr. and Mrs. Jas. G. Bickford of Toronto have been spending their holidays at their cottage at Port Lewis.

Mr. and Mrs. Elmer Duheme, Mr. and Mrs. Jules Vinet and Mr. Claude Grenier enjoyed the Labour Day weekend visiting points of interest in Lake George and Glens Falls, N. Y., and were guests of Mr. and Mrs. Vinet's daughter Irene, in Worcester, Mass.

Mrs. Ethel Sturtevant and family of Waterloo spent a day recently at the home of Mr. and Mrs. Wilber Arthur. Mr. and Mrs. Alvin Arthur and family of Ottawa were weekend guests at the same home as were Mr. and Mrs. Lionel Arthur and Sharon of Dorval, who were supper guests during the weekend. David and Edythe Watson of Lyme, N. H., were also callers at the Arthur home, on their way to enjoy a holiday in California.

### Road grant in Havelock

Huntingdon MNA Ken Fraser announced last Thursday that the minister of Roads and Public Works, Bernard Pinard, had accorded a grant of \$36,520 to the Vel Construction Company of Chateauguay County for the execution of road works in Huntingdon County.

Mr. Fraser said the grant had been awarded for the blacktopping of a portion of Route 202. These works will take place in the municipality of Havelock and will cover a distance of 3.4 miles.

## 192 students get diplomas

(Continued from page 1) ways. Mr. Templeton read a letter from former student president Kevin Egan, who was not able to be present for the ceremony. Kevin wished all his classmates good luck and hoped that they would not forget their years at CVR.

The school choir, under the direction of Lindsay Cullen, and accompanied by Mrs. Hooper, entertained the audience with a couple of numbers. They sang three popular songs, "500 miles", "A ballad of the seasons", and "Consider yourself". Their proficiency was excellent when one realized that they had only had one or two days' practice.

Vice-principal G. F. Matheson introduced the guest speaker Dr. William Parsons, of the Montreal Children's Hospital. Mr. Matheson explained that Dr. Parsons is a Maritimer who graduated from Dalhousie University in 1970, and spent two years at the Ormstown Medical Centre before joining the staff at the Children's. Mr. Matheson said the Dr. Parsons had grown a little since their last meeting to which the latter was reported to have replied, "Those of us who can let it grow would let it grow."

Dr. Parsons whom one parent described as "looking like one of the graduates," briefly reviewed his career and his younger days in a small Maritime village. He said he wished the graduates success but wasn't sure exactly what that meant.

Television gave many definitions, from making lots of money to having the freshest mouth in town.

He said the best piece of advice he could give to the graduates was for them to try to understand all people. "The more I try to understand people," he said, "the less I try to change them." The doctor said that too often communication was nothing more than a series of cliches such as "how are you?" Also maturity was a process of becoming, where one saw life a little differently every day.

In closing Dr. Parsons advised the class of '72 "to maintain a sense of awe for the beauty and mystery of life, and never to stop growing." He was thanked on behalf of the graduating class by Robert Tolhurst.

The choir then sang the graduation hymn, which was fittingly enough "I believe".

The valedictory was given by top student Susan McLean. She said many of the graduates' feelings upon graduating were like the advertisement, "I can't believe I did the whole thing!" She said that the years at CVR had been mixed with joy, sorrow, frustration and some achievement. Her last words to the graduates and audience were particularly beautiful. "Keep your faces sunny, and you will see no shadow."

## List winners in drawing

The Chateauguay Valley Association for the Mentally Retarded had booths at Havelock and Huntingdon fairs, which were well stocked with a variety of articles including baking. Members of the association took turns at staffing the booths. Tickets were sold at both fairs on a drawing, and the draw was made on Saturday at Havelock with Mrs. Sample doing the honours. The first prize was an afghan which was made by Mrs. Clinton Lawrence and was won by Mrs. Harold Corey of Greenfield Park, second prize was a rug made by Miss Lorrie Lewis and won by Mrs. Gordon Anderson of Athelstan, third prize was a pin and earring set which was donated by Miss Frances Eccles and was won by Mrs. Norman Clifford of Valleyfield, fourth prize was a permanent donated by Miss Marion Sloan of Rockburn and won by Mrs. Faith Karr of Calgary, Alta.

Following is a list of scholarship and bursary winners:

1. The Reeves Scholarship awarded to the student with the highest standing in the final examinations: Susan MacLean.
2. The Wood Bursary awarded to a worthy student from the Huntingdon area: Donna Laberge.
3. Dr. Brian Hooker Memorial Prize in Biology: Susan MacLean.
4. Special Prize in Mathematics: Robert Tolhurst.
5. To two deserving students donated by the Sisters of the Congregation of Notre Dame, Cathy Campbell, Gail Higgins.
6. Laura Rose Stevens Scholarship: Peggy Wood.
7. Birks Silver Medal: Susan MacLean, Birks Bronze Medal: Kevin Egan.
8. Library Awards: Debbie Duheme, Betty Leayman, Bruce Millar, Danielle Poirier, Grace (Milne) Woodward, Erna Robidoux.
9. Special Prizes in Driver Education: Rhona Brown, Ivan Robertson, Dorothea Bye, Andre Zick.
10. Special Prize in North American Literature: Susan MacLean.
11. Special Prize in Short Vocational Program: Robert Maurice.
12. Special Prize in French: David Burke.
13. Presentation of Diplomas to Graduates: Mr. Bruce Adams, Mrs. Joanne Baker, Mr. Arthur Beel, Mrs. Marion Brown, Mr. Paul Dobrik, Mr. Donald Gosnell, Mr. John Johnson, Mr. Winston Keeler, Mr. Robert Killam, Mr. Harry MacKith, Miss Ivy Richards, Mr. Croydon Snowdon.

### Athelstan

Mrs. Hazel Hutchings

Miss Betty Chalmers spent the weekend at the cottage Mr. and Mrs. B. Milne, Joan, Susan and Donald from St. Lambert spent Saturday, going to dinner at Havelock Fair.

The Firemen predict a good turnout although not as big as last year. The number of pies doughnuts and pickles brought to our home alone, shows the esteem the general public have of the Fire Brigade, all justly deserved, a very dedicated Society. Men and women alike. Over field day last Monday was enjoyed by young and old and helped substantially the youth association.

Guests over Labour Day weekend at the Mr. and Mrs. Archie Rowat home were Mr. and Mrs. William Rowat and family of Ottawa; Miss Carmen Bouthillier of Petawawa, Miss Kathy McKenzie of Ottawa; Mrs. Fred Johns of Chateauguay also Mr. and Mrs. Allan Rowat Elaine, and David and Mrs. M. Lusto, Chateauguay, Allan and Ruth have just come back from spending a month in England and Scotland, while there attending the prisoner of war reunion at Dieppe.

Pregnant women wishing to take pre-natal courses.

Fiddlers and guitar players helped entertain the crowds at Havelock Fair Saturday, especially those lining up for dinner. From time to time volunteers added their bit to the general fun. On the right auctioneer Jake Higgins is taking a turn at calling a square dance for the waiting throngs.

**Howick**

Mrs. James Crawford

Mr. and Mrs. Archie Roy, Mrs. J. Roy Youngie and Mr. and Mrs. Melville Brown attended the Golden Wedding Anniversary of Mr. and Mrs. Churchill Moore at Waterville, Que. on September 2. The party, arranged by their daughter, Margaret, was held in the Waterville United Church Hall. The Moores were delighted to see friends from Howick.

It was a reunion of old friends. Dr. A. B. B. Moore and Mrs. Moore formerly of Howick, United Church were present at the gathering as well as another brother Dale. Mrs. Youngie taught school at Ayers Cliff when the Moores were children and Dale greeted her as Miss MacDonald.

Mr. and Mrs. Brown spent Saturday evening with Elton and Louella Parkinson in Lennoxville and visited Mr. and Mrs. Rodney McKell. They returned home Sunday stopping to visit Mrs. Edward and her sister Miss Marshall at Abbotsford. Mrs. Edwards looks well and was asking for friends she knew when they lived at the Howick United Church Manse. She subscribes to The Gleaner to keep in touch with what goes on in the area.

The Howick Women's Institute met at 2 p.m. on August 5 at the corner of Bridge and Lambton St. and from there set off in four cars to visit the Beattie plant situated near Edwardstown Anglican Church on route 209.

Beattie Inc. with president, Wm. Beattie and vice-pres. Richard Plasse, began operations on October 1971, with a staff of 30.

During this tour melba apples were being prepared for pie filling and blueberries were cooking in a large cauldron. The workers in the long main room were seated or standing on opposite side of the assembly line operating different machines for peeling, and checking the fruit through other stages. The finished product is run into polypak containers for 30-35 lbs., packed in cardboard boxes and refrigerated until shipped.

for wholesale use 100 oz. tins of pie filling were on hand also and many of the women selected one or more cans for home use. Some jam is also made.

The tour was conducted by the secretary, Mrs. Houle, who also runs the lab tests. Most of the ladies had not heard of this industry on the fringe of our own community, and were also interested in the great variety of fillings - apple, cherry, strawberry, blueberry, raspberry, raisin, pineapple, peach, date, nut, sugar cream, caramel and lemon.

The group took a tea break and then drove to St. Chrysostome where a room had been reserved at Auberge du Bon Jour.

A short meeting was conducted by the vice-president Mrs. Arthur Kerr. 19 members answered the roll call by naming a rule for health. Plans were made to have the Salvation Army truck in mid October. Cards were signed for Mrs. McColm who is at home again after several months in the hospital and a convalescent home and Mrs. Donald Chisholm the president, who suffered a leg injury while helping with the hay crop and is home after being a patient at the Barrie Memorial Hospital.

The glass recycling project was discussed. There are three names to call for information; Mrs. Nick Furcull, Mrs. Donald Roy and Mrs. R. Everett. Remove metal covers and separate glass as to colour. The glass will be collected the first week of October if plans can be carried out for that date. The next meeting will be held at Mrs. P. Peddie's home.

Everyone enjoyed a fine lunch of sandwiches, relishes, cakes and tea and a time for visiting.

Rev. and Mrs. Alex MacDonald, Kevin and Alison have returned from a month's holiday in the Maritimes. They were accompanied by nine-year old John Sheridan who was a good playmate for Kevin and a grand travelling companion for everyone. The first eight days were spent touring with overnight stops at provincial campsites in New Brunswick and Nova Scotia. They visited the Citadel at Halifax and were

of Carp, Ont. spent the Labour Day weekend with Mr. and Mrs. Arthur Buchanan.

Miss Flora Currie gave this writer several old weekly papers to look over. "The New Dominion" printed on Thursday at Ormstown with A. L. Spedon, Editor and Proprietor, included on October 30, 1879 some news about Havelock Fair. On September 6 the Lacrosse games were played at the fair. The Franklin Victorias won three straight games from the Covey Hill Club, in one half minute, two minutes and fifty minutes.

On another day three games were played at Ormstown against Franklin and won by the former. A grand supper followed at Gale's Hotel, prepared by Mr. Gale.

The Beauharnois Association Plowing Match was slated for November 4 at the farm of Mr. J. Maturin, Second Concession of North Georgetown. Senior Class judges were - Thos. Reid, Dugald Thompson and John Shaul. Judges for Junior Classes: Robert Ness, David Baxter, Jos Bergevin.

The Chateaugay County plowing match was held on October 30, 1879 at Mr. Louis Turcot's farm North Georgetown (St. Martine) when the same prizes were given for classes of French plowmen and English ploughmen. Prizes at the Beauharnois match included a pair of scotch collars, a knife grinder, a set of dishes, and money prizes beginning at \$6.

James Ogilvie one mile east of Allan's Corners, had rented his farm and was having a sale with John Bryson, Auctioneer, Nov. 10, 1879.

John Coulter, one mile east of Winter's sawmill (Tullochgorum) on November 7 was having a sale and moving to Manitoba. David Bryson was the Auctioneer.

Miss L. S. McCance announced to the public that she was ready to do all kinds of hair work including faded switches colored to any desired shade. Orders solicited a prompt attention given by mail or otherwise. Her residence was in Mr. Figsby's Building, opposite the post office, Durham, Ormstown.

G. C. Campbell ran the Durham Tin Shop. Alex Black Third Concession, North Georgetown had a farm for sale of the best quality land, well-fenced and

assisted by the grandchildren, relatives and friends of the family. The younger members also looked after the guest book and serving the anniversary cake.

Wallace Elliot and May Lang were married at her parents' home at Aubrey, Quebec on August 30, 1922. A poster sized picture, from a snapshot taken at the wedding, hung on the wall close to where they greeted guests. Time has treated them kindly as both looked much the same as in the wedding picture.

They are modest about their busy life in home and community. Without fanfare they raised and educated a family of six, and it was a joy meeting them, feeling the warmth of their hospitality, and sharing the happiness of their parents at this milestone in their lives.

The previous day a luncheon for them and the immediate relatives was held at their old home where they were welcomed by Ross and Ann Elliot. The buffet meal prepared by the family was enjoyed by the 38 guests who were able to be there. This was the first time in 21 years that the family had all been together.

Members of the family who were present on these occasions were: Marjorie and Phil, Ian, David and Billy and Glen Robinson, Kay and Larry, Judy, Lynn and David Cowper, Murray and Jane, John and Douglas Elliot, Donald Elliot, Ross and Anne, Gregory, Carolyn and Heather Elliot, Hazel and Tom Gartshore; Bill and other relatives included, Bill and

Mr. and Mrs. Lloyd Allen, their daughters Diane and Marlene, and Mrs. Myrtle Tolan of Malone chose the right year for a western trip as the weather was perfect during most of the five weeks they were away. It was the first trip west for all of them and they enjoyed every minute.

They went first to Dayton, Ohio and visited a cousin, then a nephew, David Olmstead at Denver, Colorado. They spent a day at Yellowstone Park, through Idaho to Portland, Oregon. At Port Angeles, Washington just as they were about to take a ferry to Victoria their Quebec licence was noticed. They were interviewed and told to listen to station KOMP the next day which they did.

They saw Butchart Gardens and other sights in Victoria, Nanaimo and Horse Show Bay.

They were entertained at a dinner party for about 30 in Vancouver, given by Mr. and Mrs. Harry Borgerson, Miss Edna MacMillan and Miss Eleanor Maitland at the home of Lloyd's cousins Mr. and Mrs. Bill Gibbons. All their family was there and it was a pleasure meeting so many relatives.

They were dinner guests of Miss Edna MacMillan who took them on a sight-seeing tour through Stanley Park, Capilano Bridge and the Skyride. Diane's two week holiday had ended and she

returned to Montreal. While in Vancouver they spent an evening with her and Mrs. George McKell and with her visited Queen Elizabeth Gardens and other places. Three days were spent with Mr. and Mrs. Harry Borgerson at Chain Lake 200 miles north then back to Vancouver to visit Henry Washer.

Coming home they visited the Fraser Canyon, Revelstoke, Kicking Horse Pass, Rogers Pass, Saw the Columbia Ice Fields, Jasper, Lake Louise and Banff and spent a day in Calgary when they called on Mr. and Mrs. Donald Cumming. They visited at Okotoks with Mr. and Mrs. Bob Grisdale, and then went on to Watrous, Sask. where they had planned to see Manitow Lake, one of three salty lakes in the world. Travelling eastward, they saw Regina, Winnipeg and crossed the line to Minnesota where the weather was so hot they took a day off and went swimming at Marquette, Mich. They crossed back to Canada at Sault St. Marie and went down a nickel mine at Sudbury. The rest of the trip was home country after the plains and mighty mountains

of Western Canada. Mr. and Mrs. Walter Brown and Velda spent last weekend at Acton, Ont. with Gordon and Sandra Lindsay. While there they attended the twenty-fifth wedding anniversary of Mr. and Mrs. Wilbert Brown arranged by their family and held in a hall at Ballinsad.

Mr. and Mrs. Eric Orr drove to Ajax, Ont. last weekend with their daughter Sandra who is continuing her nursing career at Ajax - Pickering Hospital.

**Ormstown**

Mrs. Donald McEwen

Mr. and Mrs. Caldwell Scriver of Bolton visited on the weekend with Mrs. Scriver's father, Mr. Howard Geddes.

Mr. and Mrs. C. A. Kain of Wymouth, Mass. have returned to their home after spending the past two weeks visiting with Mr. and Mrs. Lindsay Cullen. Mrs. Lindsay Cullen accompanied by Mr. and Mrs. Kain spent last week in Weston and Scarborough, Ontario.

Baskets of yellow gladioli, dahlias, and other flowers of varied hues gave the Georgetown Church Hall a gay and welcoming appearance to all who attended an "At Home" for May and Wallace Elliot on August 30. This was arranged by the family on the occasion of their parents' fiftieth wedding anniversary.

Large candelabra with white candles decorated the tea table which was centered with a triple tiered anniversary cake topped with yellow roses. Tea and coffee were poured, and refreshments served by the family, who took time to chat with everyone. They were

Large candelabra with white candles decorated the tea table which was centered with a triple tiered anniversary cake topped with yellow roses. Tea and coffee were poured, and refreshments served by the family, who took time to chat with everyone. They were

assisted by the grandchildren, relatives and friends of the family. The younger members also looked after the guest book and serving the anniversary cake.

Wallace Elliot and May Lang were married at her parents' home at Aubrey, Quebec on August 30, 1922. A poster sized picture, from a snapshot taken at the wedding, hung on the wall close to where they greeted guests. Time has treated them kindly as both looked much the same as in the wedding picture.

They are modest about their busy life in home and community. Without fanfare they raised and educated a family of six, and it was a joy meeting them, feeling the warmth of their hospitality, and sharing the happiness of their parents at this milestone in their lives.

The previous day a luncheon for them and the immediate relatives was held at their old home where they were welcomed by Ross and Ann Elliot. The buffet meal prepared by the family was enjoyed by the 38 guests who were able to be there. This was the first time in 21 years that the family had all been together.

Members of the family who were present on these occasions were: Marjorie and Phil, Ian, David and Billy and Glen Robinson, Kay and Larry, Judy, Lynn and David Cowper, Murray and Jane, John and Douglas Elliot, Donald Elliot, Ross and Anne, Gregory, Carolyn and Heather Elliot, Hazel and Tom Gartshore; Bill and other relatives included, Bill and

Mr. and Mrs. Lloyd Allen, their daughters Diane and Marlene, and Mrs. Myrtle Tolan of Malone chose the right year for a western trip as the weather was perfect during most of the five weeks they were away. It was the first trip west for all of them and they enjoyed every minute.

They went first to Dayton, Ohio and visited a cousin, then a nephew, David Olmstead at Denver, Colorado. They spent a day at Yellowstone Park, through Idaho to Portland, Oregon. At Port Angeles, Washington just as they were about to take a ferry to Victoria their Quebec licence was noticed. They were interviewed and told to listen to station KOMP the next day which they did.

They saw Butchart Gardens and other sights in Victoria, Nanaimo and Horse Show Bay.

They were entertained at a dinner party for about 30 in Vancouver, given by Mr. and Mrs. Harry Borgerson, Miss Edna MacMillan and Miss Eleanor Maitland at the home of Lloyd's cousins Mr. and Mrs. Bill Gibbons. All their family was there and it was a pleasure meeting so many relatives.

They were dinner guests of Miss Edna MacMillan who took them on a sight-seeing tour through Stanley Park, Capilano Bridge and the Skyride. Diane's two week holiday had ended and she

returned to Montreal. While in Vancouver they spent an evening with her and Mrs. George McKell and with her visited Queen Elizabeth Gardens and other places. Three days were spent with Mr. and Mrs. Harry Borgerson at Chain Lake 200 miles north then back to Vancouver to visit Henry Washer.

Coming home they visited the Fraser Canyon, Revelstoke, Kicking Horse Pass, Rogers Pass, Saw the Columbia Ice Fields, Jasper, Lake Louise and Banff and spent a day in Calgary when they called on Mr. and Mrs. Donald Cumming. They visited at Okotoks with Mr. and Mrs. Bob Grisdale, and then went on to Watrous, Sask. where they had planned to see Manitow Lake, one of three salty lakes in the world. Travelling eastward, they saw Regina, Winnipeg and crossed the line to Minnesota where the weather was so hot they took a day off and went swimming at Marquette, Mich. They crossed back to Canada at Sault St. Marie and went down a nickel mine at Sudbury. The rest of the trip was home country after the plains and mighty mountains

of Western Canada. Mr. and Mrs. Walter Brown and Velda spent last weekend at Acton, Ont. with Gordon and Sandra Lindsay. While there they attended the twenty-fifth wedding anniversary of Mr. and Mrs. Wilbert Brown arranged by their family and held in a hall at Ballinsad.

Mr. and Mrs. Eric Orr drove to Ajax, Ont. last weekend with their daughter Sandra who is continuing her nursing career at Ajax - Pickering Hospital.

### Dundee

Mrs. Vernon Elder

In Hospital.

Our very best wishes for improved health go to two of Dundee's senior citizens, Messrs John Leslie and Ernest Watterson, who are both patients in the Huntingdon County Hospital.

Church Notes  
Dr. Stuart Johnston of the Canadian Bible Society was guest speaker at the regular Sunday afternoon worship service in Zion United.

Following the announcements, Dr. Johnston chaired a short business meeting, at which he asked for nominations to fill the offices of President and secretary-treasurer. Since neither of the men representing these two offices was present, it was decided that they be contacted, and asked if they would be willing to carry on in the same capacity for another year.

At the close of the worship service, a special committee met with members of the Huntingdon Pastoral Charge. Their findings will be brought before a Congregational meeting scheduled for this Sunday, when a vote will be taken concerning the selling of the Manse. This meeting will be held directly following the service.

Mr. and Mrs. Forrest Dawson of Ottawa, Ont. were Labour Day weekend guests of their mother, Mrs. Elizabeth Fleming.

Mrs. Elizabeth Fleming and Mrs. Martha Currie visited at the home of Miss Agnes Alguire in Cornwall on Tuesday.

Mr. Allan Arnold of Calgary, Alberta and Mrs. Ella Anderson of Cornwall, Ont. spent the weekend with Mrs. Olive Arnold and Mr. Harold Arnold. It will be of interest to Allan's many friends in this community to know that he is still piloting a plane for a private firm whose business is air-topography. He just returned from a two month stay in South America, and plans to leave very shortly for Africa. His sojourn here will probably be of a three or four month duration, and since he has been in this general region twice before, he has decided to take his wife Marion and daughter Sandy with him this time.

The Arnolds have four daughters, three of whom are married; they expect to stop over for a visit in

Mr. and Mrs. Donald Donnelly, Stoney Creek, Ont. spent the Labor Day weekend at the home of their parents, Mr. and Mrs. William Leslie and Mr. and Mrs. Rueben Donnelly.

We are sorry to report that Mr. Ernest Watterson is a patient in the Huntingdon County Hospital. His many friends all hope for a speedy return to good health.

Miss Gail Watterson returned to Montreal on Sunday where she is enrolled as a student at Graham's Business College.

Miss Jean Cameron has resumed her studies by doing practice teaching in the Malone Public Schools. She expects to return to Plattsburgh State College in January for her final semester.

Mr. and Mrs. Herbie Pilon of Montreal were weekend guests of Mr. and Mrs. J. Allen and also spent the day at the Fair.

Mrs. Susie Amos and Mr. and Mrs. Bertram Amos and family of Valleyfield were Saturday night supper guests of Mr. and Mrs. Harold Allen and family. They also attended the Fair.

Mrs. McDougall and Mrs. Millie Seale of Montreal were Saturday guests of Mr. and Mrs. Tom Walsh and Mrs. Walsh accompanied them to the Fair. Mr. Wendell Walsh of Montreal was also a caller of his parents.

Mrs. Stella Derick and Mrs. Dorothy Weir spent several days the past week in Montreal with Mr. and Mrs. Eric Purcell and Allan.

Mr. and Mrs. Herbie Pilon of Montreal were weekend guests of Mr. and Mrs. J. Allen and also spent the day at the Fair.

Mrs. Susie Amos and Mr. and Mrs. Bertram Amos and family of Valleyfield were Saturday night supper guests of Mr. and Mrs. Harold Allen and family. They also attended the Fair.

Mrs. McDougall and Mrs. Millie Seale of Montreal were Saturday guests of Mr. and Mrs. Tom Walsh and Mrs. Walsh accompanied them to the Fair. Mr. Wendell Walsh of Montreal was also a caller of his parents.

Mr. and Mrs. Norman Derick of Ottawa spent the holiday weekend with her father, Mr. Stanley Blandford.

Mr. and Mrs. James Snow of Ausable Forks, N. Y. recently spent several days with her sister, Miss Grace Wilson. While here, Mr. Snow suffered a heart attack and was taken by ambulance to Plattsburg Hospital. Good wishes for a speedy recovery are extended to him.

Wednesday, September 13, 1972

The Gleaner - 7

England and Scotland on the return trip, as Marion has close relatives here.

Allan is still completely fascinated with his job and says he feels much safer in the skyways than he does on the highways of our great country.

Mrs. Lloyd Hadley and daughter Susan and Mrs. Alice Cookman visited at the home of Mr. and Mrs. George Sutton on Tuesday.

Mrs. Hadley and Susan were returning to St. Jean after spending the summer months in Prescott, Ontario, where they have purchased a new home. Mrs. Cookman, who had been with the Hadleys for the summer, will spend the next several weeks at the Sutton home.

Miss Therese Guernon is spending a holiday with her brother and sister-in-law, Mr. and Mrs. Rene Guernon.

Mrs. Jos. Nieuwenhof entertained the Dundee Women's Institute Wednesday afternoon, September 6. Mrs. Jos. Platt, vice-president, conducted the meeting in the absence of the president, Miss Thelma McMillan. Roll call was a collection for Pennies for Friendship.

A letter was received from the Salvation Army, thanking the Women's Institute for sponsoring the drive last spring for the Salvation Army and also all those who donated clothing, furniture, books etc. The truck will again call in Dundee next spring and it is hoped that everyone will bear this in mind, so that next year's drive will be even bigger and better. The date will be set in the spring.

\$5 had been donated to the Huntingdon County Agricultural Fair for prizes. Members enjoyed a tour of

the newly built barn. It will be remembered the Nieuwenhofs lost their barn and cattle by fire last December and are glad to be back in the dairy business once more.

Lunch was served by the hostess, Mrs. Nieuwenhof. The next meeting is scheduled to be held in the home of Mrs. Wilbur Stowell, Stowell.

Mr. and Mrs. Wesley Thomson of Baltimore, Md. have been renewing old acquaintances in the area over the past few weeks. They plan to return to their home this week, and will leave for Florida in October, so it will be several months before we have the pleasure of seeing them again.

However, it is good to know that they are both well and happy and enjoying life to its full.

"A bachelor is the fellow who does not have a better half but has better quarters." - Fred W. Brown, The Bergen (N.J.) Citizen.

### NOTICE

After having served residents of Huntingdon county for the past 20 years, I have disposed of my well drilling business to Mr. Real Bergevin. I wish to take this opportunity to thank my many past customers for their patronage.

I am certain that my successor will continue to provide you with reliable and courteous service.

Sincerely yours,  
Wilfred Saumier,  
Herdman, P.Q.

### NOTICE

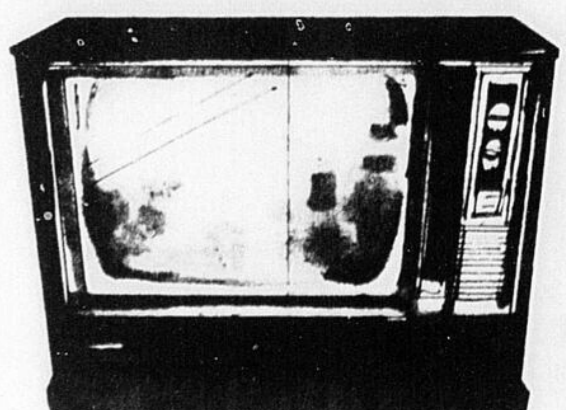

Having purchased the well drilling business of Mr. Wilfred Saumier, I am prepared to assure my customers that I will continue to provide courteous and reliable service at all times.

Sincerely yours,  
Real Bergevin

Canada, in 1948, took the lead in air mail with the decision that where it would speed delivery, all first class mail to a certain weight should go by air.

Havelock Fair, in the heart of the apple country, paid tribute to the "King of Fruit" at last Saturday's outing. This tasty display, featuring particularly the McIntosh variety, was representative of the products of many growers in the region.

## Ormstown

Mrs. Donald McEwen

The Ormstown Ecumenical Committee met on Wednesday evening in the Anglican Church Hall under the chairmanship of Mrs. Albert Chabot, Rev. J. W. Milne opened the meeting with prayer.

Two members of the committee were named for publicity to French and English newspapers, Sister Rose Lawrence and Mrs. T. Cooper.

Some changes for the coming year were discussed briefly, then tabled until the October meeting. Among the suggestions were, the enlargement of the present group to enable more

members from each Church to participate; the presentation of current news from the various churches by means of articles from Church publications; study of other Christian Churches by visit or lecture; involvement of youth.

It was agreed that an Ecumenical Carol Service be arranged, plans to be finalized at a later date.

The October meeting was invited to MacDougall Hall for October 4.

Father Poirier closed the meeting with prayer.

Sunday, September 10 was Rally Day at the Presbyterian Church, with a number of Sunday School pupils taking part, they were Donnie Tannahill, Eric Magnussen, Ann Milne,

Barbara Pilon, Ann McWhinnie, Lynn McWhinnie, Lori McWhinnie, Liana Hooker, Scott Cameron, Dale Rankin.

Rev. J. W. Milne assisted by Mrs. Bert Peddie presented awards for attendance. Those with perfect attendance were Ann Milne, Barbara Pilon, Diane Tannahill and Jimmie Milne; for missing one Sunday, Karen Pilon, Debbie Milne, David Pilon, David Forrester; for missing two Sundays, Danny Milne and Barry Tannahill.

After service, everyone was invited to the Church Hall where slides taken by Miss Margaret Bryson while she was a teacher missionary in the Congo of Africa were shown.

Margaret gave a most interesting and informative talk on the country, people and her work.

Refreshments were served and a social hour enjoyed. Mr. Alvin Gruer, on behalf of those present thanked Margaret for speaking and presented her with a gift in appreciation.

Plans have been finalized by the organizing committee of members of Howick and Ormstown United Churches for a Sunday School rally open to all United Churches in the Valley. Each Sunday School will send a group to take part. The main attraction will be a visit from TV personality Magic Tom. The rally will be held in the Ormstown Elementary School auditorium on Sunday, September 17 at 2 p.m.

The following donations have been received by the Women's Auxiliary of the Barrie Memorial Hospital in memory of the late Mr. Lloyd Snowdon \$25.00 from neighbours and friends, \$10 from Mr. and Mrs. George Neale, Victoria, B. C. and \$25 from Mrs. Melvin Eisenhour and family, Bedford, N. S.

## Howick

Mrs. James Crawford

Mr. and Mrs. Herbie McRae from Noranda are visiting the home folk. Most of the family enjoyed a buffet supper at the home of Mr. and Mrs. Ken McRae on Sunday.

Pastor Jack Skues from Valleyfield United Church was the preacher at Howick United on Sunday morning, while the Rev. John S. Anderson conducted the communion service, at Valleyfield, Sunday School classes were resumed.

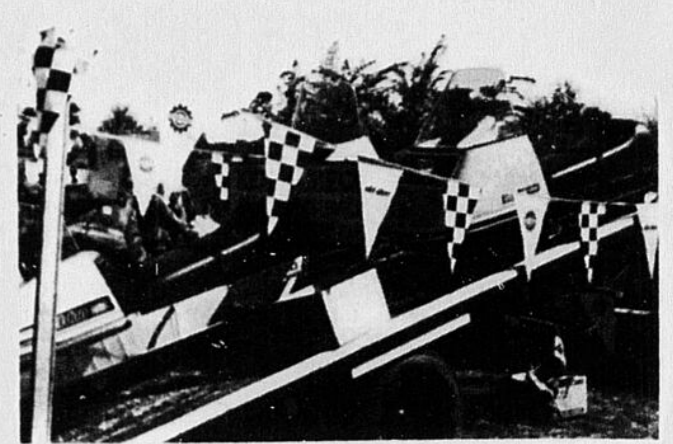

Mr. and Mrs. Ed Nugent from Kinnear's Mills were weekend guests of Mr. and Mrs. Melville Brown. Roy Ferguson from Baltimore was a weekend guest at the same home and visited also at the home of Mr. and Mrs. Bruce Chisholm.

John Viau has had a cottage on Mr. Donald Fiskin's farm for the past 20 years. Situated beside the quiet Chateauguay River, it is handy for fishing and that is what Mr. Viau was doing Sunday afternoon trolling all by himself near Ste.

Martime. Suddenly he found he had a fight on his hands and 1½ hours later he landed a muskie weighing slightly more than 20 lbs. Already this summer he has caught a 6 lb. dore and another 5 lb. fish. He writes for Rod and Gun so this should make a good off-beat story.

The Steak Bar-B-Q at Howick Curling Club on Saturday evening was a great success. Plans had been made for a maximum crowd of 550, but it went beyond that. The committee chaired by John and Anne Logan did a wonderful job. Imaginative people had decorated the rink in autumn shades. A patio with bright umbrellas and small tables was separated from the dining area by a picket fence and very tall cat tails in 8 gal. cans - shades of the farm! Dahlias and other bright flowers in curcular containers were fastened to all the walls and streamers were used effectively. Orange candles in ivory gourds, yellow flowers in low bowls and orange serviettes brightened the tables and enhanced the meal.

The delicious food was served hot and salads and pastries completed the dinner. The chefs of course have one of the greatest responsibilities but they did a fine job, and Marcel Descent was there with his electric organ to provide music for dancing which many stayed to enjoy.

Sign that winter is coming was a display of snowmobiles by Ken McNiece at the Havelock Fair. This year's new models have a number of special features.

## Glace artificielle: Un pas de l'avant...

Lors de la dernière réunion du conseil de Huntingdon, le maire Claude Pilon donnait en quelque sorte un rapport des discussions tenues avec un ingénieur de structure concernant la War Memorial Arena.

Le maire Pilon expliqua qu'un ingénieur et un architecte avaient visité quelques fois l'aréna locale durant les dernières semaines. Et, il semble que le tout est de bonne augure. La présente structure est bien solide, et il s'agirait tout simplement de rénover le présent édifice.

Le maire Pilon, ensuite, fit la lecture de certaines évaluations de l'architecte, en premier lieu, concernant le système de glaciation artificielle et un nouveau système d'éclairage, de même que des nouvelles bandes, le coût se chiffrait à environ \$80,000; concernant l'allonge nécessaire à l'aréna, ceci se chiffrait à \$40,000; et enfin, l'architecte avait expliqué au maire qu'il y avait deux possibilités qui s'offraient: premièrement, on pourrait avoir des sièges en métal avec les chambres des joueurs au-dessous, et deuxièmement, il s'agit

seulement de réparer les chambres actuelles. Le coût pour cette première possibilité coûterait environ \$30,000 tandis que pour la deuxième le coût serait d'environ \$25,000.

Il fut mentionné ensuite que ce projet devrait être considéré comme étant un projet communautaire. Le maire Pilon nota que, selon l'ingénieur, si l'aréna était bien administrée, une grande partie du coût pourrait se financer par elle-même.

Les échevins se montrèrent très intéressés à cette possibilité. C'était en effet la première étape du travail vers l'obtention de la glace artificielle. La deuxième étape consiste à étudier les possibilités de prendre en main la War Memorial Arena.

Il faut dire qu'à l'annonce d'une possibilité que les jeunes de la région de Huntingdon soient privés de leur sport favori, le hockey, ceci occasionna beaucoup d'angoisse et de peine.

Maintenant, le conseil de Huntingdon semble être déterminé à voir que l'aréna soit ouverte cet hiver. L'avenir sourit maintenant!

## Nomination du maire Pilon

Lors du congrès régional du parti libéral de la province de Québec, le maire Claude Pilon de Huntingdon était nommé président régional du conseil exécutif de ce parti. Son rôle est en sorte l'agent de liaison entre la Fédération Libérale et les associations locales.

Ceci comprend quatre comités: soit ceux de Huntingdon, Beauharnois, Chateauguay et enfin Vaudreuil-Soulanges. M. Pilon succéda à M. Claude Blanchard, soit pour un terme de deux ans.

100 représentants étaient présents, et ces derniers ont pu entendre les propos du premier ministre Robert Bourassa, et du ministre Jean-Paul L'Allier, du département des Communications.

Le député Georges Kennedy fut élu représentant des députés sur le conseil. Ce congrès eut lieu dimanche à l'école polyvalente Baie St-François, à Valleyfield.

## \$20,000 dans Beauharnois

Québec, le 31 août 1972 - Le député libéral du comté de Beauharnois et adjoint parlementaire au ministre de l'Industrie et du Commerce, monsieur Gérard Cadieux, annonce que le ministre de la Voirie et des Travaux Publics, a accordé un contrat au montant de \$19,906.50, à la firme Les Entreprises G.M.G.A. Limitée, de Granby.

Monsieur Cadieux a déclaré que ce contrat a été octroyé pour des travaux de galvanisation de garde-corps ainsi que pour la métallisation des poteaux sur le pont Mgr Langlois, érigé au-dessus du Fleuve St-Laurent.

## Changement apporté

Veillez noter que les inscriptions aux divers cours ou activités du Service de l'éducation permanente, à Huntingdon, auront lieu à l'école polyvalente Arthur-Pigeon les 21-22 septembre 1972 de 8 h.p.m. à 9 h.p.m. Vous pouvez communiquer avec M. Jean Beauchamp le jour: 264-5374 le soir: 264-5115 - à l'école 264-3480 à domicile.

précise que ces travaux seront effectués dans la municipalité de Grande Ile et qu'ils devraient être terminés dans le cours du mois de septembre.

## L'échevin Laplante demande mais...

Lors de la dernière réunion mensuelle du conseil de la municipalité de Huntingdon, l'échevin Wilfred Laplante demanda au conseil de trouver un moyen afin de remédier à l'eau qui se ramasse dans le chemin au Garden City. Il continua en disant que c'était la troisième année consécutive qu'il demandait la même chose, mais que rien n'était fait. Il déclara ensuite: "Maintenant, il faut agir".

Ensuite, le conseil s'interrogea sur le coût éventuel de ces travaux: on estima le tout à \$2,000. Le maire Claude Pilon continua en

## Inauguration

Jeudi, le 14 septembre prochain, soit demain, le ministre responsable de la Qualité et de l'Environnement, l'honorable Victor C. Goldbloom, inaugurerait en compagnie du député de la circonscription de Chateauguay, M. Georges Kennedy, la nouvelle usine de Goodfellow C.ubstition Inc. à Ville Mercier.

disant: "Il faut regarder notre situation financière." Ceci répondait à la question ou à la possibilité que ces travaux soient accomplis cette année.

L'échevin Laplante ne voulait pas lâcher prise. Il

continua à demander que ces travaux soient faits immédiatement. Mais, après une longue discussion, le sujet fut considéré comme clos. Et le conseil continua son travail.

## 8 étudiants d'Arthur-Pigeon

Les Jeux du Québec avaient lieu à Chicoutimi cette année, et la région de Huntingdon était bien représentée. Huit étudiants de l'école polyvalente Arthur-Pigeon de Huntingdon ont participé à ces jeux nationaux.

Ils ne remportèrent pas de succès, ou des médailles tant convoitées, mais l'expérience de ce séjour à Chicoutimi fut excellente sur toute sa ligne. Tous et chacun revinrent heureux des Jeux. Il faut croire que ces derniers seront prêts à recommencer le tout l'an prochain, mais cette fois, revenir avec quelques

médailles. Ces huit étudiants sont des quatuorze coins de la région: sept d'entre eux figuraient en athlétisme: il s'agit de Luc E. Caza, de St-Amant, Jean Claessens, de Ste-Barbe, Michel Dorais, de Huntingdon, Cecile Gagné, de St-Louis-de-Gonzague, Christiane Meloche, de St-Louis-de-Gonzague, Réjeanne Paire, de Ste-Barbe, Gaetan Portier, également de Ste-Barbe.

Un seul athlète figurait dans une autre discipline, et il s'agit de François Barrette, de la municipalité d'Ormstown.

Un seul athlète figurait dans une autre discipline, et il s'agit de François Barrette, de la municipalité d'Ormstown.

HUNTINGDON, QUEBEC MERCREDI, LE 13 SEPTEMBRE 1972

PRIX 15c

## Havelock: toute une exposition

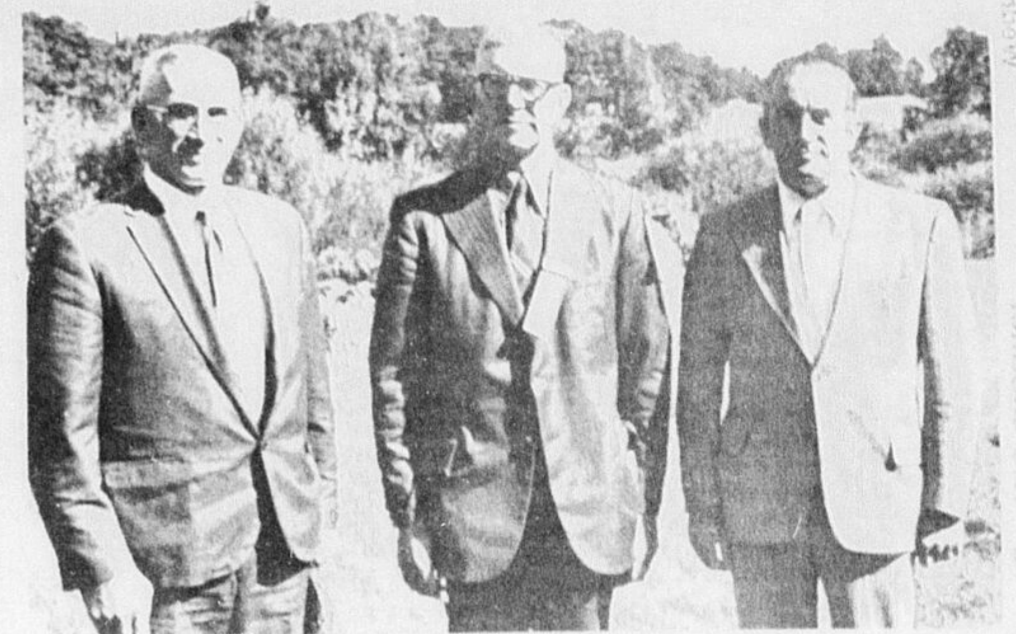

Traditionnellement, il faisait très beau lors de la 101e représentation de l'exposition agricole de la municipalité de Havelock. Cette exposition avait lieu samedi dernier, sous un ciel éblouissant. Le spectacle était encore réussi, et pour cause.

En effet, samedi dernier, tous les chemins menaient à Havelock. Plusieurs milliers de personnes vinrent assister, ou participer aux diverses activités de cette foire annuelle. La joie, l'amitié et le bon plaisir régnaient en ce jour de fête.

Cette exposition avait tous les aspects d'un grand cirque: les gens pouvaient voir plusieurs animaux. Il y eut l'appréciation des Yorkshire, des Holsteins et des Jerseys. Il y avait aussi des concours hippiques pour toutes les classes, de même que des compétitions pour les poneys.

Plusieurs centaines de jeunes participèrent à un genre d'Olympique au centre du terrain d'exposition. Il y avait aussi plusieurs cabines de différentes associations régionales.

Cette exposition connut tout un succès, et les gens apprécièrent chaque instant de cette foire.

M. Ken Fraser, député de la circonscription de Huntingdon, M. Ken Sample, président du comité de l'exposition, et enfin M. Walter Smith, député pour St-Jean firent les cérémonies d'ouverture, samedi dernier.

## La firme reconstruira

Mardi soir dernier, soit le 5 septembre, le conseil de Godmanchester a reçu la nouvelle que la firme Boulevard L'Oasis voulait reconstruire.

L'établissement de cette compagnie avait été complètement détruit par les flammes dernièrement, et les dommages étaient estimés à près de \$100,000. Le conseil accorda la permission de construire à cette compagnie. Il faut noter qu'il semble que l'établissement sera plus grand.

Dr. J. W. Abraham, de Dewittville, vint adresser la parole aux conseillers réunis. Il se plaint des accidents survenus tout près de Dewittville, spécialement sur la route no. 4. Le conseil demandera à l'Hydro-

Québec d'installer une lumière à la section ouest de Dewittville, et demandera aussi au Département des Transports d'installer des réflecteurs aux courbes dangereuses.

Le conseil demanda à Raymond Viau de fournir 40 charges de sable pour les routes durant la saison hivernale. M. Claude Legros fut engagé afin de couper des arbres un peu partout dans la municipalité.

La démission de M. Allan Hunter comme conseiller dans le quartier no. 6 fut acceptée, un successeur devra être nommé. M. Hunter fut appointé secrétaire-trésorier de la municipalité, remplaçant Mme Barrett.

On peut voir sur la photo la tradition à l'exposition agricole de Havelock. Une longue ligne de gens attendent patiemment d'entrer dans la salle à dîner.

## Huntingdon - Conseil: Plusieurs choses discutées

Contrairement aux habitudes, les échevins de la municipalité de Huntingdon se réunirent mardi soir dernier, soit le 5 septembre, à la salle de l'édifice du comté. Leur réunion régulière du mois de septembre était présidée par le maire Claude Pilon. Tous les échevins étaient présents lors de cette assemblée, et purent discuter des différents problèmes de l'heure actuelle.

Le secrétaire-trésorier, M. Richard Alary, fit la lecture du procès-verbal et des comptes. Des discussions s'entamèrent concernant une certaine facture provenant de la compagnie CNR. Le secrétaire fut avisé de ne pas payer cette facture, et de demander plus d'information auprès de la question. Tous les autres comptes ne reçurent aucune objection de la part des échevins, et le secrétaire fut avisé de les payer.

**Poteau**  
M. Rémi Leblanc, propriétaire de la Garden City Grocery, vint demander au conseil réuni, s'il pouvait poser une enseigne pour son magasin à l'endroit où il y a présentement une vieille souche. Il expliqua que la compagnie à laquelle il était affilié, avait une assurance les protégeant contre tout accident possible. Les échevins ne virent aucune objection, et lui accordèrent la permission.

**Eau**  
M. Alain Trépanier, demeurant sur la rue Wellington, adressa la parole aux échevins. Il affirmait que son eau "était noire" et qu'elle ne sentait pas tellement bon. De même, le maire Claude Pilon fit mention d'une lettre provenant de M. Georges

Alary, demeurant sur la rue Clémentine; ce dernier se plaignait aussi de la qualité de son eau. M. Alary mentionna dans sa lettre que son eau a une certaine couleur de rouille. Il semble que le conseil de la ville prendra immédiatement action concernant ces deux plaintes.

**Loisirs**  
M. Philippe Montpetit, demeurant sur la rue East à Huntingdon, demanda au conseil comment allait le travail concernant la nouvelle Commission des Loisirs pour la municipalité. L'échevin Normand Nadeau, responsable des loisirs, fit le point; il dit qu'il devait en effet rencontrer très bientôt les quelques membres du conseil provisoire de la Commission. Il continua en disant qu'il sera en mesure de clarifier la situation lors de la prochaine réunion du conseil.

A ce sujet, l'échevin Laplante se montra très intéressé, et espère que le tout fonctionnera pour le mieux.

**Permis**  
Le contracteur J. H. Prévost, vint demander au conseil pour le troisième mois consécutif un permis de construction. Le conseil entama une longue discussion, pour ensuite décider qu'il accorderait un permis à M. Prévost.

**Peinture**  
L'échevin J. D. McGerrigle mentionna le fait que la plante de filtration devra être peinte dans un avenir rapproché. Rien d'officiel ne fut décidé à ce sujet. L'échevin McGerrigle devra en effet demander à une certaine personne si elle veut accepter de faire ce travail.

**Piscine**  
L'échevin McGerrigle se

demanda pourquoi la piscine du Centre Civique du Comté était fermée. Il fut d'avis qu'il y aura encore des fins de semaines agréables et que les gens de la municipalité aieraient se rendre à la piscine afin de se détendre et de se divertir.

**Endroits malpropres**  
L'échevin Laplante remit une liste d'endroits qui furent considérés comme malpropres par la Sûreté Municipale de Huntingdon au secrétaire, M. Richard Alary. Il l'invita d'expédier une lettre aux propriétaires de ces établissements leur demandant de nettoyer leur lieu.

**Remarque**  
Ensuite, l'échevin Laplante s'éleva contre l'installation de remorques

au sein de la municipalité. Il continua en disant qu'un certain monsieur demeurant sur la rue Chateauguay devra enlever sa roulotte dans les prochains trente jours. Le conseil fut d'accord sur ce point de vue.

**Achat**  
C'était au tour de l'échevin Gerald Brisebois de prendre la parole. Il fut immédiatement question de l'achat éventuel d'une retro-caveuse.

L'échevin Brisebois fit la lecture de quelques soumissions. Après des discussions, le conseil de ville a décidé de faire l'acquisition d'une retro-caveuse de marque Case, d'une firme montrealaise. Le coût de ce nouvel achat se chiffre à \$13,250.

## \$37,000 dans Havelock Canton

Québec, le 7 septembre 1972. Le député libéral du comté de Huntingdon à l'Assemblée nationale du Québec, M. Kenneth Fraser, annonce que le ministre de la Voirie et des Travaux Publics, M. Bernard Pinard, a accordé un contrat au montant de \$36,520.00 à la compagnie Vel Construction (1967) Limitée, de Chateauguay-Centre, pour l'exécution de travaux de voirie dans son comté.

M. Fraser a fait savoir que ce contrat a été octroyé pour la pose d'une couche d'usure en béton bitumineux sur une section de la route No 202 (52).

Ces travaux, de préciser le député Fraser, seront effectués dans la municipalité de Havelock Canton et couvriront une distance de 3.409 milles.

## Nomination

Mgr Lucien Beauchamp, vicar général, est nommé par les Evêques du Québec membre du Comité Catholique du Conseil Supérieur de l'Éducation pour un mandat de trois ans.

On sait que Mgr Beauchamp est actuellement, à la fois directeur de l'Office d'Éducation et directeur de Pastoral scolaire dans les Commissions scolaires régionales.

## Heurte un poteau

Seulement quelques minutes après la fin de la joute de hockey Canada-Russie qui s'avéra une deuxième défaite pour l'équipe canadienne, les esprits auraient été chauds.

En effet, un jeune homme demeurant sur la rue Élie, à Valleyfield, Denis Bourdon, circulait dans sa Meteor 1964 en direction ouest vers est, lorsqu'il vint heurter un poteau de l'Hydro Québec dans le terrain de stationnement en face de la rivière

Chateauguay, soit tout près de l'établissement Huntingdon Motors.

Le jeune homme s'en tira avec des blessures légères; il fut transporté à l'hôpital local où il reçut les premiers soins du docteur Georges Lefebvre. Après traitements, il put retourner chez lui.

L'auto reçut pour quelques centaines de dollars de dommages. Une courte panne d'électricité fut le résultat de tout cela.

## Jeune blessé sur la route

Dimanche matin un jeune homme de Valleyfield fut blessé lorsque le véhicule dont il était un passager manqua une courbe sur le chemin New Erin. Il s'agit de M. Yvan Sabourin, âgé de 16 ans.

Ce dernier fut transporté à l'hôpital de Huntingdon où il reçut les premiers soins; il fut ensuite transféré à l'Hôtel-Dieu de Valleyfield.

L'accident survint vers l'intersection du Teafield

vers les 7:05 heures à m. Le conducteur M. Robert Arcoite, âgé de 20 ans, également de Valleyfield, s'approcha de deux courbes; il fit la première, mais manqua la deuxième et vint heurter un poteau de l'Hydro-Québec.

Les agents de la Sûreté du Québec, détachement de Huntingdon, estimèrent les dommages à plus de \$500.00 au véhicule impliqué.

## Nouvelle loi:

## Casque protecteur obligatoire

Lundi après-midi, le caporal Luc Leclerc, de la Sûreté du Québec, détachement de Huntingdon, annonçait à la Gazette quelques changements concernant le Code de la Route.

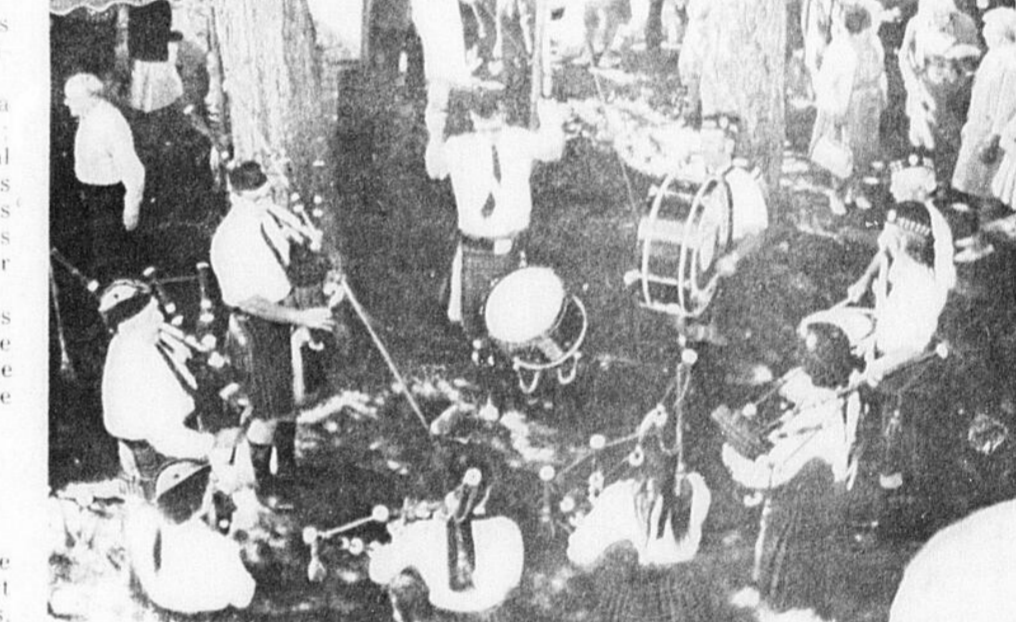

Un changement majeur concerne surtout les motocyclistes: l'article 89 vient modifier l'article 43 dudit Code de la Route soit en ajoutant à la fin le paragraphe suivant: "Toute personne, y compris tout passager, qui circule sur une motocyclette ou dans une caisse adjointe doit porter un casque protecteur conforme aux normes édictées par règlement du lieutenant-gouverneur en conseil".

Cette modification est entrée en vigueur depuis le 19 août 1972.

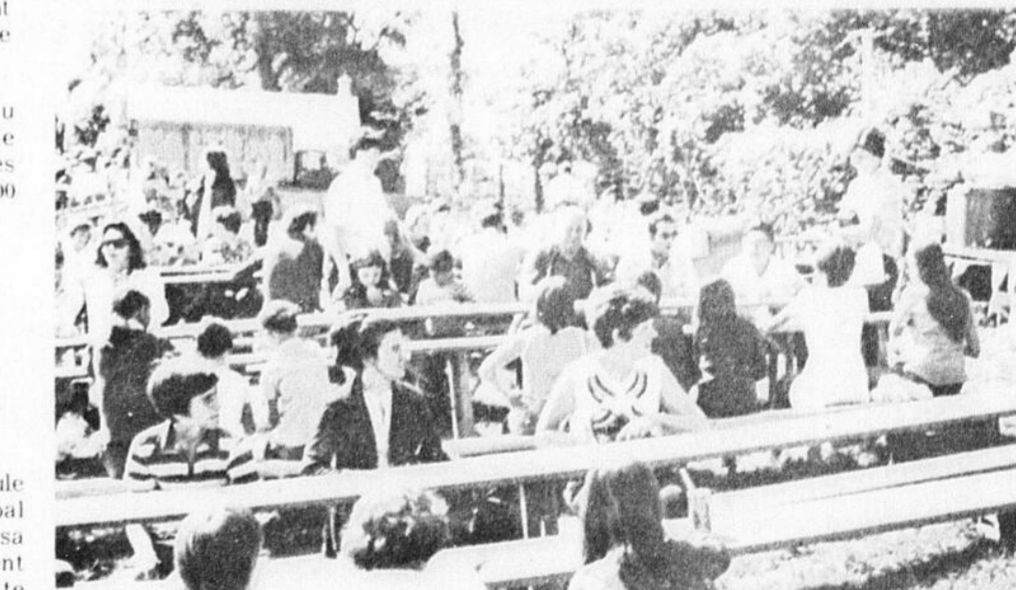

L'article 94 vient en sorte modifier l'article 91 dudit Code: il faudra dorénavant ajouter au premier alinéa ce paragraphe: "Lorsque la preuve est faite à la satisfaction du tribunal, juge ou magistrat que la personne condamnée doit conduire un véhicule déterminé ou un

type déterminé de véhicule pour l'exécution du principal travail dont elle tire sa subsistance, le jugement peut permettre à cette personne de conduire un véhicule ou ce type de véhicule uniquement pour les fins de l'exécution du travail principal dont elle tire sa subsistance. Dans ces cas, le tribunal, juge ou magistrat doit immédiatement transmettre le permis suspendu au directeur et lui donner avis qu'il peut émettre un permis spécial conformément au jugement en autant que les conditions ordinaires d'obtention d'un permis de conducteur ou de chauffeur sont remplies".

L'article 93 dudit Code est remplacé par le suivant: "Lorsqu'il est démontré au directeur qu'une personne a conduit son véhicule automobile alors que son permis de conduire était sous le coup d'une suspension, il doit suspendre le permis de conduire de cette personne pour une période additionnelle d'au plus six mois".

La Chateauguay Valley Highland Pipe Band faisait les frais de la musique lorsque plusieurs personnes attendaient patiemment leur tour pour le dîner.

Plusieurs personnes participèrent à un bingo lors de l'exposition de Havelock. Plusieurs prix furent donnés aux vainqueurs.

## 3 centres judiciaires dans la région

Québec, le 31 août 1972

Commentant l'entrée en vigueur de la Loi favorisant l'accès à la justice, le 1er septembre, le ministre de la Justice, M. Jérôme Choquette, c.r., a déclaré que la nouvelle réglementation était la première réalisation concrète dans la voie d'une véritable démocratisation de l'appareil judiciaire au Québec.

Après avoir noté le travail gigantesque accompli par la direction générale des greffes relativement à la mise en place des structures nécessaires à l'application de la nouvelle loi, M. Choquette a précisé que la loi sur les petites créances ouvrait une ère nouvelle dans les rapports humains

face à l'administration de la justice.

En effet, à poursuivre le ministre, les procédures simplifiées, l'absence de formalisme et le contact direct du citoyen avec le tribunal permettent d'espérer une meilleure compréhension mutuelle des diverses parties en présence.

D'autre part, le ministre a insisté sur la création des quatre-vingt-quatre (84) centres judiciaires qui sont en quelque sorte l'instrument qui permettra à la justice de devenir plus humaine en se plaçant à la portée de tous les citoyens québécois. Cette décentralisation de l'appareil judiciaire favorisera physiquement l'accessibilité à la justice, car la distance

maximum d'un centre à l'autre sera d'environ vingt-cinq milles.

Enfin, le ministre a conclu en soulignant que cette réforme serait incomplète si les déboursés étaient élevés. Aussi, est-ce dans un esprit d'universalité que nous avons introduit des frais judiciaires convenant à toutes les bourses: soit de \$5 à \$10.

Voici maintenant la liste des centres établis dans notre région suite à l'adoption de la loi favorisant l'accès à la justice:

- 1) Chateauguay-Centre: au 1 Croissant Richard
- 2) Dorion: au 100 boul. Harwood
- 3) Valleyfield: au 85 rue Champlain

Dans le courrier: appui

Mardi dernier, soit le 5 septembre, lors de la réunion mensuelle du conseil de la municipalité de Huntingdon, le secrétaire-trésorier, Me Richard Alary, faisait la lecture de deux lettres reçues dernièrement. Une première consistait en une demande d'appui par la municipalité de St-Timothée Paroisse concernant la route no 30 entre Valleyfield et Montréal. Les échevins locaux répondirent affirmativement à cette demande. Une deuxième lettre provenait de Ville de Villeneuve; il était question du remboursement de la taxe sur les carburants aux municipalités par le gouvernement provincial. Les échevins appuyèrent cette demande.

Le monde de Disney sur glace

C'est l'an dernier que les Studios Disney lançaient dans le public "Les Aristochats", un dessin animé-long métrage, traitant de l'élite féline de Paris. Le film connut un tel succès qu'on décida aussitôt d'en incorporer les principales séquences dans la troisième édition du Monde de Disney qui nous sera présentée au vaste amphithéâtre du Forum, du 26 septembre au 1er octobre. La troisième tournée de cette super-revue et fantaisie musicale est de nouveau sous la direction des Productions Naval, fusion des Entreprises NBC et des Productions Disney.

La version scénique suit de très près le scénario original du film. On y retrouve madame la duchesse et ses trois adorables chats, le chat de gouttière O'Malley, les chats du Dixieland et M. Maurice Chat qui nous en décrit les épisodes tandis que les Boulevardiers et leurs donzelles dansent et chantent autour de lui. L'histoire prend une tournure dramatique quand madame Bonnefamille propriétaire de maman duchesse et de ses chats annonce à son valet qu'il héritera de sa fortune à la condition que tous les chats

meurent avant elle. Voyant la chance de sa vie, le rusé serviteur enlève les chats à la faveur de la nuit, avec l'idée bien arrêtée de les faire disparaître de la planète terre. Il a à peine franchi les limites de la ville que deux énormes chiens lui sautent dessus. La duchesse et ses petits réussissent à déguerpir à toute allure mais pour se retrouver complètement perdus dans la campagne parisienne. Heureusement pour eux, Abraham Delacey Giuseppe Casey Thomas O'Malley, matou aux allures de grand seigneur, attire par leurs miaulements de détresse, s'offre à les reconduire vers leur maîtresse, se faisant accompagner de deux excellents marcheurs.

O'Malley ramène mamant chatte (dont il est tombé amoureux) et sa progéniture à Paris mais non sans s'être attardés dans une guinguette de banlieue, histoire de connaître un avant-goût de la vie nocturne parisienne. Des décors aux couleurs flamboyantes ainsi que d'ingénieux éclairages évoquent les rues de Paris que parcourront O'Malley et la duchesse, bras dessus, bras dessous, suivis de toute la troupe du Monde de Disney. On s'arrêtera à la Place du Tertre où acrobates, funambules, danseurs, gymnastes et bouffons, évoluent sur un carrousel aérien, nous servant une scintillante exhibition de leur savoir-faire. Quant à madame Bonnefamille, c'est les larmes

Braconniers écopent des amendes

Québec - D.G.C.G. - Au cours du mois de juin dernier, des amendes atteignant globalement \$6,625 ont été imposées par les tribunaux à des braconniers reconnus coupables d'infractions aux règlements de la chasse et de la pêche du Québec dans la région de Montréal.

Des 226 causes entendues, 45 ont trait à des infractions diverses (chasse ou pêche sans permis, armes chargées dans un véhicule, etc.) et les amendes imposées dans ces cas se sont élevées à \$3,920. Par ailleurs, 155 cas de violation des règlements de la pêche ont entraîné des amendes de \$2,365 pour les braconniers pris en faute. En outre, une

infraction aux règlements de la chasse aux oiseaux migrateurs a motivé des amendes de \$290 à 11 personnes. On compte aussi deux infractions aux règlements de la chasse aux animaux à fourrure et les braconniers pris en faute ont été condamnés à payer \$25 d'amendes. Enfin, huit infractions contre le règlement de la chasse au chevreuil ont valu à leurs auteurs des amendes de \$25.

Au cours de la même période, dans l'ensemble du Québec, 945 causes ont été jugées et \$33,770 d'amendes ont été imposées par les tribunaux à des braconniers reconnus coupables d'avoir enfreint les règlements de la chasse et de la pêche.

A la retraite

M. J.-Robert Brouillette, homme à tout faire, secteur Valleyfield, à droite, a dernièrement quitté l'entreprise après une longue carrière de 31 ans au service de l'Hydro-Québec afin de profiter de la retraite. Le jour de son départ, M. Brouillette a été l'objet d'une petite fête au cours de laquelle H. Henri Montpetit, retraité, lui a remis un cadeau souvenir et une bourse sous le regard bienveillant de Marcel Deschambault, directeur du club social de l'endroit.

En 10 ans:

Près d'un quart de milliard injecté dans l'agriculture du Québec

Québec - Le ministre de l'Agriculture du Québec, M. Normand Toupin, a insisté une fois de plus sur l'apport important qu'a signifié pour l'agriculture du Québec la participation des banques à Chartre et des caisses d'épargne et de crédit, au cours de la dernière décennie, sous le régime de la Loi de l'amélioration des fermes.

M. Toupin prenait la parole au cours de réunions tenues sous les auspices de l'Office du Crédit agricole du Québec, pour l'étude des projets de règlements concernant la Loi de l'amélioration des fermes et la Loi favorisant le crédit à la production agricole.

S'adressant successivement aux représentants des caisses populaires et des caisses d'établissement du Québec, puis aux représentants des banques à Chartre et de l'Association des banquiers canadiens, M. Toupin s'est réjoui du fait qu'une telle participation ne se limitait pas uniquement à l'incidence économique, mais qu'elle débouchait sur une présence marquée au chapitre de la formation économique et administrative des agriculteurs, dans la perspective d'un développement rationnel de leurs exploitations.

"Forts de l'expérience des dix dernières années, forts surtout de cette franche collaboration, dans l'application de la Loi de l'amélioration des fermes, a souligné le ministre, nous comptons que la Loi favorisant le crédit à la

production agricole qui entrera en vigueur incessamment connaîtra le même succès".

On établit en effet à 112,971 le nombre des prêts consentis par les banques à Chartre et des caisses d'épargne et de crédit pour un montant global de \$240,135,385 au cours de la période du 1er janvier 1962 au 31 juillet 1972.

Rappelons brièvement qu'en vertu de la Loi de l'amélioration des fermes, le gouvernement est autorisé à rembourser un montant équivalent à 3% sur les emprunts consentis par les institutions prêteuses, emprunts qui sont en outre assortis d'une garantie gouvernementale.

En plus d'apporter certains amendements à la Loi de l'amélioration des fermes, notamment en portant le maximum des prêts à \$15,000, la dernière session a donné le jour à la Loi favorisant le crédit à la production agricole qui doit incessamment entrer en vigueur. Cette loi prévoit un régime de garantie du gouvernement, jusqu'à concurrence de \$15,000, sur les emprunts consentis par les banques à Chartre et les caisses d'épargne et de crédit pour certaines fins reliées à la production de récoltes destinées à l'alimentation d'animaux de ferme.

L'Office du Crédit agricole, chargé de l'administration de ces deux lois, est donc constamment ap-

pelé à travailler en étroite collaboration avec les institutions prêteuses pour contribuer au développement de l'agriculture québécoise.

Trop de pluie

Le ministère des Terres et Forêts rapporte que les pluies répétées ont considérablement nuí, depuis le début de la saison, aux pépinières du gouvernement en empêchant des épandages d'insecticides et de fertilisants. Le ministère exploite 16 pépinières à travers la province. Ces pépinières renferment quelque 150 millions de plants, dont quelque 20 millions serviront, cette année, au reboisement des terres privées et publiques.

Le Service de la restauration forestière du ministère s'efforce d'augmenter le rendement des pépinières afin d'atteindre l'objectif de fournir 50 millions de plants par année. Le service poursuit des expériences, particulièrement à East-Angus, en vue d'augmenter la production de plants. (D.G.C.G.)

Cours accélérés pour chasseurs

Québec (D.G.C.G.) Les chasseurs de la région de Montréal qui n'ont pas encore suivi leurs cours de sécurité dans le maniement des armes à feu pour obtenir le certificat de chasseur, peuvent le faire. En effet, le ministère du Tourisme, de la Chasse et de la Pêche vient de mettre sur pied des cours intensifs à cet effet.

Les chasseurs pourront suivre des cours accélérés qui seront donnés d'un bloc; l'examen suivra immédiatement; et les chasseurs qualifiés après examen recevront le certificat sur place.

Cette décision rassurera donc les milliers d'amateurs, les associations, les instructeurs et surtout les personnes qui, pour une raison ou pour une autre, ont été dans l'impossibilité de se

qualifier. Les intéressés sont invités à communiquer avec les chefs de district de la Conservation de la faune au ministère pour obtenir la liste des endroits où les cours seront donnés.

Dans notre région, on peut obtenir ces informations auprès de M. André Lessard, 5075 rue Fullum, Montréal (Tel: 873-2923).

### Cards of Thanks

I would like to take this opportunity to thank all of my dear friends for the many letters and cards that were so greatly appreciated during my current illness. I cannot say exactly how long it will be until I am able to return to Huntingdon but to the many kind people who have been so thoughtful, I would say, "God bless you all."  
Mrs. Alex Laberge

I wish to express my sincere thanks to relatives, friends, and neighbours for their kindness, floral tributes and expressions of sympathy in my recent bereavement.  
James B. Elliott

I would like to express my sincere thanks to Father Quenneville, Father Faivre and Father Gareau, Lillian Rankin and staff of the Riverview Terrace Convalescent Centre, and Dr. McCrimmon, Ladies of St. Anne and choir, also relatives, friends and neighbours for Mass offerings, floral tributes, cards and for all the kindness shown to Mrs. Minnie Kelly during her illness, and at the time of her death.  
Mary Walsh

The executive of the Cadets of Huntingdon wish to thank Mr. George Nadeau for the use of a truck at the fair for a changing room. Mr. Rock Dumouchel for the use of a Tape Recorder and Mr. Remi Leblanc of Garden City Grocery for supplying a treat (soft drinks) for the members after their show. All the members of the group who participated in the show and all the parades this past summer, also the Sea Cadets. Congratulations to Miss Johanne Hart who led the group this summer and Miss Francine Prgent who played the Bass Drum in an emergency and did a very good job. Congratulations one and all for a job well done.  
The outstanding support of our projects at Havelock Fair is much appreciated by the Chateaugay Valley Association for the Mentally Retarded.  
Our sincere thanks to our many relatives, friends and neighbours for helping to make our 50th Wedding Anniversary such a memorable occasion by attending the "At Home" and sending cards.  
Wallace and May Elliott

My sincere thanks to Dr. McCrimmon, nurses and staff of the Huntingdon County Hospital, for their kindness and care while I was a patient there, also to friends, neighbours and relatives, many thanks for cards, visits, gifts and flowers. All was very much appreciated.  
Mrs. Lottie Jamieson

I would like to express my sincere thanks to all relatives and friends for the cards, flowers, gifts and many kindnesses I received while a patient in the Notre Dame Hospital. All were much appreciated.  
Mrs. Oscar Maynard

### Cards of Thanks

My sincere thanks to Dr. G. L. Sutton and Dr. B. G. Thompson of the Barrie Memorial Hospital, Ormstown and to the nurses and staff on the second floor who gave me such great care while a patient there. My sincere thanks to Rev. Father Marcell for his kind visits, to all my relatives, friends and neighbours for the many acts of kindness, flowers, gifts, cheerful cards, phone calls and visits. Everything was greatly appreciated.  
Mrs. Clarence Saumier

We wish to take this opportunity to express our thanks to our family, Linda, Gordon and John for the lovely dinner held in honour of our 25th wedding anniversary at the Crossroads and also for their generous gifts and their part in the party following. Our sincere thanks to the relatives, neighbours and friends who planned the party and worked at making such a delightful surprise party at our home. Thank you all for the many beautiful gifts, cards and flowers as well as kind wishes music and lunch which went to make such a memorable evening. Thank you to all who remembered us by sending cards on this happy occasion. All is deeply appreciated.  
Sincerely,  
Douglas and Elizabeth Wilson.

I would like to thank most sincerely all who bought or sold tickets for me during the Apple Festival.  
Kathy Orr.

### In Memoriam

**ARNOLD** - In loving memory of Niesje Arnold, who passed away September 15, 1967.  
Dear Niesje  
"May the road rise to meet you,  
May the wind be always at your back,  
May the sun shine warm upon your face,  
The rains fall soft upon your fields,  
And until we meet again,  
May God hold you in the palm of His hand."  
An Irish Blessing  
Her family.

**BROGAN** - In loving memory of Mrs. John P. Brogan (nee Mary Jane Murray) who passed away September 1, 1968 - "A day of remembrance silently kept  
In the hearts of those who never forget"  
Your family,  
Stella Atkinson  
John, James and Hubert Atkinson

**Franklin Centre**  
The Franklin Women's Institute held their September meeting at the home of Mrs. Everett Lindsay. The roll call "four favourite Apple Recipes" was answered by 11 members and three guests.

Discussion was held concerning the Havelock Fair booth. Numerous articles for the booth were brought to the meeting by individual members. A schedule was set up for those who would be working. The home baking was brought to the fair that day. It was moved by Mrs. R. Barr and seconded by Mrs. P. Sutton that the institute donate a sum of money to the 4-H Club in Havelock to help them with their youth projects.

The secretary handed out outlines to the individual

conveners for the coming year. Mrs. P. Sutton the education convener, read an article on metrication. This system of measuring and sizes will be used by most of the world within the next decade.

Mrs. C. Lunn gave a report on her work as convener for Health and Welfare. Some important parts of her work, are first aid, youth, visiting the elderly and in general being concerned about our community and people.

Mrs. J. Barr read an article on her work as publicity convener. The institute should come to know the executive members throughout Canada as well as their own county and branch. They should keep abreast of work done throughout their W. I. branches by reading publications on their achievements.

Mrs. G. Simpson gave a report on the citizenship convenership and the work done "For Country & Home".

Mrs. J. Barr reviewed the minutes of the Provincial Annual Convention.

The meeting closed with refreshments served by the hostesses Mrs. E. Lindsay and Mrs. A. Patenaude.

**STORES**  
**A reason to be glad that summer's almost over:**

Maybe you'll shed a tear or two about the end of summer fun. But if all that summer fun has worn out your tires, you've got a lot to smile about. Because we've got to make room for winter tires. (Yes, winter tires! It's closer than you think!) And that means

bargains on summer tires. So if you need tires, drop in and have a look at ours. And every Firestone passenger tire has one thing no one else can give you. Our No-Gimmick Guarantee. And that's something else to smile about.
