# DIRECTORY BORROWERS.

The Directory borrower is abroad in the land ; his name is "legion." We do not mean your customer, nor the stranger who wishes to look up the address of a friend or relative, but the pessimist who does business next door, up stairs, or around the corner, who is too *stingy* to possess a Directory of his own, and too *small-souled* to contribute a dollar to its support. He who thinks it smart and manly to snub the convasser when asked to give his name and those of his employees ; he who is the first one to find fault if he should see an inverted letter, or fails to find a name which *he does not know how to spell*. Discourage him. He borrows your Directory for "*just a few minutes*," and keeps it *as many days*—indeed you are fortunate to get it back *at all*. He is the unenterprising fellow who helps to *kill* a city. Send him around to the DIRECTORY OFFICE, 72 St-Peter St. Let him *sponge* on us. We keep **FOR SALE** an extra Quebec Directory, also Directories of Canadian and American Cities for free reference by **EVERY BODY**, at our branch office, 72 St-Peter St.
