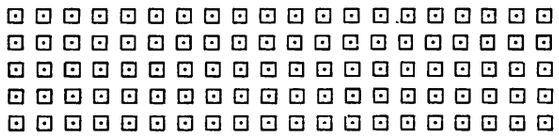
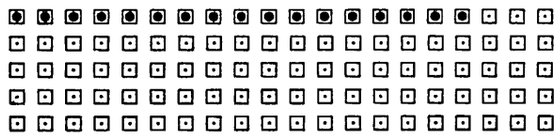
A thousand Questions may be answered on every page of

LOVELL'S MONTREAL DIRECTORY

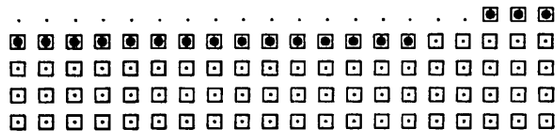
HOW MANY CHANGES IN A YEAR?



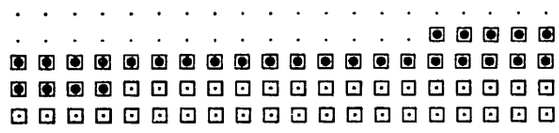
Out of every 100 People listed in last Directory—



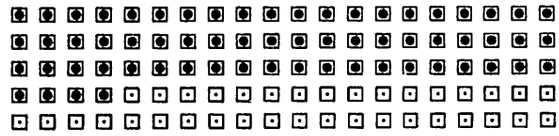
16% to 18% move away, or die



New People, equal to 17% to 19% move into town, or reach listing age



26% to 29% more change their address or their jobs, or some other vital fact that affects their listing



59% to 67% of the People listed have new information in some particular, which can be surely found only in the **Latest City Directory**

Note: These figures are repeated checks in numerous cities, and do not vary 5% in any year

These people are your Customers
This is why City Directories are issued yearly
