BATTLE RAGING FOR THREEDAYS

Fierce Conflict Now on Between Nieuport and Ostend in Terrible Weather Condition

ALLIES HAVE GAINED GROUND ON EVERY POINT OF BATTLE WITH BUT ONE EXCEPTION.

Amsterdam, Jan. 22, via London.—(Special)—Between Nieuport and Ostend a hard battle has been unintermittently raging for three days, despite rain, flooded trenches, and almost impassable roads, says the Sluis, Holland, correspondent of the Telegraaf.

The correspondent reports large numbers of German wounded passing Sluis.

HEAVY FIGHTING IN ALSACE.

Berne, Jan. 22, via Paris.—(Special)—Exceptionally heavy artillery firing is going on in the region of Cernay and Thann, in Alsace. The German wounded state, according to reports that come over the border, that the frozen ground makes shell fire much more deadly, as the projectiles in striking the hard surface explode with increased violence, scattering frozen clods of earth, which cause ugly wounds.

BATTLE FROM SEA TO SWISS BORDER

ALLIES HAVE GAINED GROUND AT EVERY POINT OF FRONT WITH ONE EXCEPTION

London, Jan. 22.—The battle for the trenches in Flanders and France continues almost without cessation from the sea to the Swiss border. In the mud of Flanders, the floods of the Aisne Valley and the snows of the Argonne and the Vosges, the soldiers of Germany and the Allied nations keep up a continual fight to hold what they possess and take something from that held by the enemy. According to a long official report of the fighting during the last two months issued by the French war staff yesterday, this method of siege operations has largely favored the Allies, who, while they have gained ground on every part of the front, have been forced to give way in one region—that of Soissons. They are being put to a test, however, similar to that which obliged them to retire from the north of the Aisne, near Soissons, because the Germans, realizing the danger to their communications with Metz as a result of the French advance near Pont-a-Mousson, have sent reinforcements there and have begun a battle for the positions which they lost during the past week. The Germans apparently have regained a portion of them, and fighting for the remainder is now in progress.

ARTILLERY BUSY

At other points, particularly near St. Mihiel, and in Alsace, there have been infantry engagements, but, on the whole, the artillery continues to be the busiest arm.

RUSSIANS RESUME OFFENSIVE

The Russians have renewed their offensive operations against Mlawa, a town which has changed hands often since the commencement of the war, and it appears as if they will again attempt to envelop the German forces which are holding the line of the Mazurian Lakes and avenge themselves for the defeat of Tannenberg.

AUSTRO-GERMAN ATTACKS LESS VIOLENT

On the rest of the Polish front and in Galicia the Austro-German attacks are becoming more intermittent, according to the Russian report, which is generally brief when big events are happening. The Russians continue to make progress against the Austrian outposts in the mountains between Bukovina and Transylvania.

GERMANS EXPLAIN AERIAL RAID

The Germans explain the action of the airships in dropping bombs on towns and villages in Norfolk, England, by saying that they had been fired on. British airmen, in turn have

MORATORIUM FOR QUEBEC

Gathering of Labour Men Ask Government to Adopt This Without Delay

ALSO ASKED THAT SYSTEM OF AGRICULTURAL CREDIT BE ESTABLISHED TO ASSIST BACK TO LAND SCHEME.

Quebec, Jan. 22.—(Special)—A representative gathering of Labor men from Montreal and Quebec waited upon Sir Lomer Gouin and the other members of the Government, this morning, at the Parliament Buildings, and made a plea for the adoption in this Province without delay of a moratorium law applying to building lots and real estate agreements of sale.

A moratorium, the labor men declared, suspending the payments upon the deeds or promises of sale, would save the situation for many workmen who otherwise have nothing but ruin facing them.

They urged that this moratorium law should be immediately adopted, and that it should be retroactive, going back to the time of the declaration of war. They urged that it be rigidly enforced until the war is over.

It was only by the establishment of a moratorium law that the interests of small holders would be safeguarded.

AGRICULTURAL CREDIT.

Among other things the delegation asked the Government to establish a system of agricultural credit, which would assist in the solution of the back-to-the-land problem; to abolish the making of clothes in the homes of wage-earners; to completely abolish all private detective agencies; to secure legislation making it illegal for any manufacturer or company to force insurance upon their employees; to give better system of inspection of rigging and scaffolding.

FINANCIAL CO-OPERATION AMONG ALLIES

Paris, January 22.—(Special)—The Matin states that David Lloyd George, the British chancellor of the exchequer, and P. Bark, the Russian minister of finance, are coming to Paris shortly to confer with Alexandre Ribot, the French minister of finance, with a view to the organization of closer financial co-operation between the Allies.

London, January 22.—(Special)—

been busy in Belgium, and according to a report from Holland, have ventured as far as Essen, Rhinish Prussia, where they destroyed some buildings.

HOLLAND ASKS FOR EXPLANATION

Holland has asked Germany for an explanation of the report that the German airships passed on their way to England over Dutch territory.

AUSTRIAN HEIR HOLDS CONFERENCE

Archduke Charles Francis, heir to the Austrian throne, has arrived at German headquarters on a visit to the Emperor, and Baron Stephen Burian, the Austro-Hungarian minister of foreign affairs, is due there within a few days. It is expected that the conference of the Germanic allies will decide whether the Austro-Germans will go on with the expedition for the subjugation of Serbia or turn their attention to the Russian armies which are invading Hungary from the north and east.

BUDGET SPEECH AT QUEBEC

Hon. W. G. Mitchell, Provincial Treasurer, Made a Favorable Impression

DESPITE INCREASED EXPENDITURE DURING THE YEAR THERE WAS A SURPLUS OF \$376,008

Quebec, January 22.—A favorable impression was made upon the Assembly yesterday when the Hon. W. G. Mitchell, Provincial Treasurer, made his maiden speech in introducing the budget. The speech was optimistic in tone, and he took pride in the fact that a hard year had been weathered with a balance in hand of \$908,650. However, Mr. Mitchell did not claim this as an actual surplus, adding that from this must be deducted a sum of \$531,641 for extraordinary expenditure which had been paid out of the ordinary revenue of \$9,000,376, leaving an actual surplus of \$376,008. Incidentally Mr. Mitchell took occasion to refer to the huge growth of the succession duties, the total being \$1,604,479, the reason for this growth being that the Government secured \$250,000 on account of Lord Strathcona's estate, and a sum of \$762,834 from the estate of the late Jas. Ross. Through the deaths of these two gentlemen the government received \$1,012,834, and missed a deficit of \$636,826. Mr. Mitchell prophesies a surplus for the next year of \$149,076.

There was no discussion on Mr. Mitchell's first effort. Mr. Gault moving the adjournment of the debate until next Monday evening.

PROVINCIAL POULTRY SHOW

Speakers At Banquet Referred To The Commercial Value of Such an Organization

ATTENDANCE OF PUBLIC AT SECOND DAY OF EXHIBITION OF POULTRY WAS VERY LARGE.

The directors of the Sherbrooke Poultry Association tendered a banquet at the Royal Hotel last night to the distinguished guests and visitors at the show which is being held in the Monument Nationale this week. A very excellent repast was served by Host Southwood and the gathering was of a most cordial nature.

The president, Mr. W. H. Griffith, occupied the chair, and amongst those present were Messrs. Victor Fortier and A. P. Hillhouse, judges; Mr. A. Jull, Macdonald College; Dr. Ball, Rock Island; J. R. Ball, Knowlton; H. G. Sample, Granby; G. Brown, Point Fortune; C. J. Wright, A. E. Berwick, R. G. Milford, M. T. Armitage, F. Camrand, Walter Reed, A. F. Plant, Sherbrooke; — Willey, Foster; C. C. Hunt, Rock Island; Geo. McClay, Secretary of Brome County Poultry Association; W. M. Hillhouse, J. A. Cook, secretary, &c.

The chairman proposed the toast to the King and extended a warm welcome to the guests. He then called upon the secretary, Mr. J. A. Cook, to propose the toast of the evening—"The judges, distinguished guests and visitors."

MR. VICTOR FORTIER.

Mr. Victor Fortier was the first to respond. After referring to the unfortunate circumstances of the conflicting of the dates of the Ottawa and Sherbrooke shows, he congratulated the Sherbrooke Association on the success of their winter exhibition, and stated that it had been his pleasure and privilege to act as one of the judges since its inception. Each year had shown a marked improvement over preceding years, and this year especially the improvement was more noticeable than usual, both in the quality of the birds and their general show condition, and in the number of classes.

Mr. Fortier expressed the opinion that if there had been space in which to show single birds in coops and in coops of one tier, the Sherbrooke show would have compared in attractiveness with any of them in one capacity or another. He thanked the association for their continued confidence in him as a judge and for the splendid reception always given him.

SUGGEST PROVINCIAL ASSOCIATION.

Mr. A. P. Hillhouse thanked the members of the association for the kind treatment always accorded to the judges and visitors. He styled the show "a great success," and echoed Judge Fortier's remarks that the birds were improving every year. The exhibitors were not only breeding better birds, but were putting them into the show better fitted.

Mr. Hillhouse called attention to the need of a larger and more powerful organization, which would embrace the whole province. He also spoke of the commercial value of poultry raising and emphasized the fact that breeders should pay more attention to utility breeding to maintain standard size and quality, as well as egg production.

SHOW EXCELLENT ONE.

Mr. M. A. Jull endorsed the judges' remarks upon the excellence of the show and the progress made from year to year. While Quebec province was going ahead in the poultry industry, it had not sufficient breeders as compared with the sister province of Ontario, and he looked forward to the time when Sherbrooke would have a building to accommodate 3,000 birds. A larger number of purebred poultry raisers were certainly needed so as to compare favorably with any other part of the Dominion.

SHOULD PRODUCE MORE EGGS.

Mr. Jull deprecated the fact that eggs were being shipped from Montreal to Sherbrooke, and said that a city of this size in an agricultural province like Quebec, supported by the Provincial Government and encouraged by Macdonald College, should be producing a larger quantity. He gave many facts and figures showing that half the eggs and dressed poultry consumed in this country were imported, whereas the province should be able to produce all it required.

DEFERRING PROVINCIAL SHOW.

Referring to Mr. Hillhouse's suggestion for a provincial poultry association which he supported, Mr. Jull quoted the case of British Columbia, where all the exhibition and commercial poultry interests were amalgamated with much success. Such an association for Quebec province should be organized under the direct control of the Provincial Government, and the annual provincial show could be held in different centres, such as Montreal, Quebec and Sherbrooke. This would attract Ontario breeders and also benefit the commercial side of the industry.

OTHER SPEAKERS.

Other interesting speeches were given by Messrs. J. R. Ball, H. G. Sample, Galt Brown, C. J. Wright and A. B. Berwick.

ATTENDANCE AT SHOW LARGE.

The attendance at the exhibition yesterday was the largest for any single day since the inauguration of the association. The officials are particularly gratified by the interest that

BRITAIN AND DARCIA CASE

Willing to Purchase Cotton Cargo or Forward It by Another Ship

SIR EDWARD GREY, FOREIGN SECRETARY, HAS SUBMITTED REPLY TO THE UNITED STATES.

London, January 22.—Sir Edward Grey, the British foreign secretary, yesterday submitted to Walter Hines Page, the American ambassador, the reply of the British Government to the State Department's request that the former Hamburg-American Line steamer Dacia, which now flies the American flag, be permitted to make a special trip to Germany with a cargo of cotton without establishing a precedent as to the validity of the change in the vessel's register. As soon as it could be put in code the reply was forwarded by Mr. Page to Secretary of State Bryan.

While Great Britain in the reply does not find it possible to promise that the Dacia would not be thrown into a prize court on her first trip, concessions are made concerning her cargo in that two alternatives are offered. Great Britain offers either to purchase the cotton at the German prices upon the seizure of the Dacia or to have the cargo placed on another boat and forwarded to Rotterdam at the expense of the British Government.

GERMANS ARREST ITALIAN VICE-CONSUL AT LIEGE

Rome, January 22.—Considerable excitement was caused here yesterday by the news of the arrest of Filippo Greppi, the Italian Vice-Consul at Liege, a member of one of the best known Milanese families and who has a Belgian wife.

The Foreign Office, answering enquiries regarding the case, said it was awaiting for precise information from the German authorities, while in the meantime it was working for his liberation. It seems, however, according to information already received, that Greppi's arrest was caused by a contraband postal matter.

FRAUDULENT GERMAN PASSPORTS

PROTESTS OF PANAMA FILED

SHIPS HAD BEEN THERE FOR FIVE DAYS AND SENT PARTIES ASHORE.

Washington, January 22.—(Special)—Advices to the Panama legation here to-day said that the presence of five British and Japanese cruisers, with several colliers and other auxiliaries, in or about the harbor of Puerto Pinas, Panama, for five days, and the sending ashore of detachments, formed the basis of the recent protest by Panama to Great Britain and Japan.

A protest, it was said, had been filed with the British minister in Panama, while the complaint to Japan is on its way here to be presented to the Japanese Embassy, on board the United States ship San Diego.

DANVILLE MAN AT SALISBURY

Oscar Monahan Has Been Promoted From Private to Sergt Major In Canadians

TOOK PART IN THE LORD MAYOR'S PROCESSION IN LONDON — PRESENTED TO GRAND DUKE MICHAEL AND FAMILY

Danville, Jan. 22.—(Special)—Mrs. H. W. Williamson has received a letter from her brother, Mr. Oscar Monahan, who went to England with the first contingent. Mr. Monahan went from here as a private. He has since been promoted to the rank of Sergeant-Major. He, along with others, has been moved from Salisbury Plains and has now very comfortable quarters at a place called Lovington. He reports that all those who went from Danville are well and enjoying themselves as well as circumstances will permit. They may have to go to the front sometime this month but nothing certain is known.

Sergt.-Major Monahan was one of the number selected to take part in the Lord-Mayor's procession in London and afterwards had the honor of being presented to the Grand Duke Michael and his family. He was also the recipient of a piece of Christmas cake as a Christmas gift from the Grand Duke during the holiday season.

Sergt.-Major Monahan says that parcels sent to the Danville boys from the local patriotic and other societies have not reached them. He advises that when parcels are intended for them it would be better to address them to some one of the boys rather than to the societies in England.

THE CASTE QUESTION IN INDIA.

Mohammad Ali, a native of Lahore, India, lectured in the Town Hall on Wednesday evening. The lecture was very interesting in every way. He dealt with the caste problem as it now exists in that country and praised the work of the missionaries. His lecture lasted something over an hour after which he invited questions. The lecturer was garbed in the dress of his country. The attendance was not as large as was anticipated but those who went were well repaid.

GERMAN FLEET BECOMING MORE ACTIVE

London, Jan. 22.—A Daily Mail Copenhagen despatch says: "The German destroyers and submarines left Heligoland roads Wednesday and news from many sources in Germany points to the fleet becoming more active."

SHERBROOKE AND THE CAMP

Both Cavalry and Infantry Could be Provided For Here

STATEMENT OF SUPPLIES REQUIRED FOR FORCE OF 1,000 MEN AND 600 HORSES.

In discussing the question of Sherbrooke as a location for both the cavalry and infantry camps, someone inquired if supplies for a thousand or fifteen hundred men could be had readily in this district.

The answer has been given emphatically that there is no better centre in the province for assembling such supplies than Sherbrooke.

The following is given as constituting the daily food requirements of one thousand men:

Bread, lbs.....	1,250
Meat, lbs.....	1,000
Potatoes, lbs.....	1,000
Vegetables, lbs.....	375
Jam, lbs.....	125
Beans, lbs.....	125
Butter, lbs.....	125
Sugar, lbs.....	125
Bacon, lbs.....	125
Cheese, lbs.....	62 1/2
Salt, lbs.....	32
Split peas, lbs.....	32
Coffee, lbs.....	21
Tea, lbs.....	16
Pepper, lbs.....	2

For camp bed purposes 1,200 lbs. of straw would be required semi-monthly. The daily requirement for 600 horses would be 9,000 lbs. of hay, 4,800 lbs. of straw and 6,000 lbs. of oats.

Military men with whom the matter has been discussed, are convinced that both the cavalry and infantry camps can be handled in Sherbrooke better than in any other centre in the province; that ample accommodation can be provided and that supplies will be easily available. As a recruiting centre, Sherbrooke would also have many advantages.

FOUR KILLED AND NINE INJURED ON U. S. CRUISER SAN DIEGO.

La Pas, Mexico, January 21, via wireless to San Diego, Cal., Jan. 22.—(Special)—Four men were killed and nine seriously injured Thursday afternoon on board the armored cruiser San Diego, when a boiler tube blew out after a steaming trial of four hours had been completed.

CLAIMS AERIAL FLIGHT JUSTIFIED

Germany Says That Britain Has no Right to be Indignant

STILL CONTENTS THAT YARMOUTH IS FORTIFIED TOWN ON NORFOLK COAST

London, January 22.—Reuter's Amsterdam correspondent sends the following despatch from Berlin giving the German official version of the airship raid on the English east coast. "Our airships in order to attack the fortified town of Great Yarmouth were obliged to fly over other towns, from which it is stated they were fired at. These attacks were answered by the throwing of bombs. England has no right to be indignant, as her flying machines and ships in broad daylight, have attacked open towns, such as Friedberg, Dar-es-Salam and Swakopmund.

"Aircraft are acknowledged to be legitimate weapons for the carrying on of modern warfare as long as their operations are conducted in accordance with the rules of international law. This has been done by our dirigibles. The German nation, forced by England to fight for its existence, cannot be compelled to forego the employment of legitimate means of self-defence, and will not do it, relying upon her good right."

AFTER SUMMER TOURIST TRADE

North Hatley Leads Movement For Boom on Summer Business

RAILWAYS ARE ASKED TO ISSUE BOOKLET.—MAKE ATTRACTIONS KNOWN.

North Hatley, Jan. 22.—(Special)—The Boards of Trade of Sherbrooke, Lennoxville, North Hatley, Ayer's Cliff and Newport have each mailed to Mr. C. M. Burt, general passenger agent of the Boston & Maine, a request that the Boston & Maine issue, in connection with the Quebec Central Railway, an illustrated descriptive folder, with map of Vacation Land in Canada, mountains, lakes, woods and islands, Lake Memphremagog, Lake Massawippi and resorts to Quebec City and St. Lawrence River.

Last season the Boston & Maine, in connection with the Maine Central, issued such an illustrated folder, which they entitled "Vacation Land in New England," giving with map and illustrated folder, a description of White Mountain resorts, with the lakes and seashores in Maine, also hotels and boarding houses, all in connection with their Vacation Bureau, 171 Broadway, New York. These folders and advertisements were for New England resorts only. The Quebec Central have already been seen in this connection and will undoubtedly, during this month, have a personal meeting with the Boston & Maine officials, when this matter will be taken up. Assurance is given of every chance of success.

Outside of these railroad folders and railroad advertisements, North Hatley Council have already made an appropriation for newspaper advertisement in connection with this bureau in New York and a local office in North Hatley. The amount subscribed for this purpose will be at least \$500.

Ayer's Cliff Board of Trade is going to do something in the same line for their end of Lake Massawippi. It is hoped that the other Boards of Trade will also do something in this line for the summer trade.

Sherbrooke, with hotels, etc., should also make a bid for part of these summer visitors by independent advertising, which could include business advantages of this city.

A reply has been received from the Boston & Maine authorities accepting the proposals and stating that a booklet will be issued dealing with the summer attractions of northern and eastern districts.

BEDFORD DISTRICT LOCAL HAPPENINGS

Gatherings by Daily Record Correspondents in Various Communities. KNOWLTON.

The lecture that was given in the Pettes Memorial Hall on Saturday Monday night and decided to have a fairly good crowd, but it seems a pity that not more of the townspeople should get out to a lecture of that sort.

Mr. and Mrs. Morgan, from Granby, are in town, and the former will take over the management of the Bank of Commerce next week.

Mr. E. W. Bullard & Son have rented the grist mill. The schoolboys had a meeting on Monday night and decided to have a hockey team this winter.

Mr. C. W. Buchanan was called to Montreal last week to attend the funeral of his brother.

Mr. and Mrs. Goddard, of Ottawa, were in town on Wednesday. Mr. Arthur Woodley and Mr. J. R. Ball attended the poultry show in St. Hyacinthe last week.

The funeral of the late Giles Whitney, who passed away suddenly as he was leaving the Odd Fellows' Hall on Tuesday evening, January 12, as reported in last week's Record, was held in the Methodist Church on January 16. The funeral service was conducted by the Rev. I. Nelson, who had been a warm friend of the deceased for the past twenty years.

The funeral cortege left the house of Mr. Richard Cousins, where the body had been taken after death, at one o'clock, and proceeded to the church escorted by the members of the Independent Order of Odd Fellows. They were met at the church door by the Rebekah Lodge, which had assembled in a body. The deceased was a member of both Odd Fellow and Rebekah lodges and was warmly attached to both societies.

He had been installed as chaplain of the Odd Fellows the evening of his death. Three beautiful hymns were sung by the choir, viz., "Looking This Way," "Face to Face," and "Saved by Grace," all of which were special favorites of Mr. Whitney. The remains were borne to their last resting place by Messrs. Richard Cousins, Elwin Stone, Chas. Marshall, Clarence Bullard, E. W. Morgan and Pat Mitchell, all members of the Odd Fellows. Six sisters of the Rebekah degree acted as pall bearers, viz., Mesdames E. W. Morgan, R.

Cousins, F. W. Morgan, H. Sanborn, C. Bullard and E. Stone. Among the floral tributes sent by sorrowing relatives and friends, which were exceptionally beautiful, were the following: Three links, roses and lilies of the valley, the Odd Fellows; wreath, roses and lilies, the Rebekah; floral spray, carnations, Good Templars Lodge; wreath, Mr. and Mrs. C. C. Whitney; spray, carnations, Miss Mildred Whitney; violets, Mr. and Mrs. Jas. Marsh; Boston; wreath, Mr. Jas. Whitney, Penecke, Mass.; spray, Mr. and Mrs. Lorimer, Rock Island; cross, Mr. and Mrs. Ira Whitney and family; spray, Mr. and Mrs. Enos Whitney and family; wreath, Mrs. Abby Giddings, Montreal; spray, Miss Lizzie Patton; spray, Mr. and Mrs. W. E. Lewis. The interment took place in the Knowlton Cemetery, and after the usual burial service by Rev. I. Nelson, the Odd Fellows conducted the regular burial service of their order, when the members paid their last respects to their departed brother. The deceased is survived by two sisters, Mrs. Abby Giddings, Montreal, and Mrs. Reta Giddings, Worcester, Mass.; five brothers, Calus, Boston; James, Penecke, Mass.; Delbert, Lowell, Mass.; Enos and Ira, Oliver's Corner, N.H.; Mr. Whitney was a faithful member of the Methodist Church. He came to Knowlton from Bolton Centre a little over two years ago, and during the months of his residence here he had won the respect of all who knew him. The influence he leaves behind him breathes only of good. Among the relatives present at the funeral were Mr. and Mrs. Calus Whitney, Miss Mildred Whitney, Boston; Mrs. Reta Giddings, Worcester, Mass.; Mrs. Roberts, Mr. Archie Giddings, Montreal; Mr. and Mrs. Ira Whitney, Mr. and Mrs. Enos Whitney, Oliver Corner.

A REAL NERVE AND BODY-BUILDING MEDICINE

We believe Rexall Olive Oil Emulsion is the best remedy made for toning the nerves, enriching the blood, building up and energizing the system.

It doesn't depend for its good effect upon alcohol or habit-forming drugs, because it contains none. It may not make you feel better in a few hours, but it will make you feel better, we are sure, just as soon as the tonic and food properties it contains have a chance to get into the blood and through the blood, into the rest of the system.

It doesn't make you feel well and strong again, it will cost you nothing. If we didn't have the utmost faith in it, we wouldn't offer it with this guarantee, nor even recommend it to you. We are sure that once you have used it you will recommend it to your friends, and thank us for having recommended it to you.

QUIT MEAT WHEN KIDNEYS BOTHER

TAKE A GLASS OF SALTS BEFORE BREAKFAST IF YOUR BACK HURTS OR BLADDER IS TROUBLING YOU.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so that no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

IF CROSS, FEVERISH OR BILIOUS GIVE "CALIFORNIA SYRUP OF FIGS."

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given. If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally-look, Mother! Is see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mother, can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

dining room, and little Miss Pauline Gustafson opened the door. The tea table, which was charmingly done with daffodils and trails of smilax on a Byzantine lace centre-piece, was presided over by Mrs. D. J. Salls and Mrs. T. Rugg, Miss Ranshousen, Miss Beryl Irwin and Miss Kathlyn LeBaron.

The tea given yesterday at St. Patrick's Church Hall was exceedingly well attended and was both socially and financially successful to a marked degree. The hostesses for the occasion were Mrs. W. H. Any one interested in music to the extent of caring to listen to a good program, monthly, may communicate with the secretary, Miss Hubbard, as the seating capacity is limited.

"AID TO FRANCE"

Last night, a certain number of French-Canadians of this city met at the residence of one of our local doctors to study the ways and means that would best assure the success of the movement called "L'Aide a la France."

In December last, following a lecture delivered on the subject by Mr. Monpelet, of Montreal, it was seriously contemplated to start the ball rolling. A provisional committee was then formed with this end in view. But it was later decided not to divert public sympathy from certain local charity movements which occupied the foreground, such as the St. Vincent de Paul Society's collect, the Christmas tree for the poor, the Patriotic Fund, etc.

It is now felt that the time has come to get busy in favor of "L'Aide a la France" hence the meeting just mentioned and the campaign that will follow close upon it.

HOME GUARD NOTES.
The regular Saturday afternoon drill will be held at 4 p.m., to-morrow. Instruction will be carried on in full platoon formation with all posts filled.

SHOOTING.

While the Platoon Drill is going on, squads of five will be detailed under an instructor, for qualifying tests with the Index Target Rods. Those who pass the preliminary tests will then be qualified to go on with gallery ammunition practice as soon as the material is available.

COMPETITION.

The results of the Index Target tests will also be of assistance in selecting the team for the match with the Lennoxville Home Guard, arrangements for which are now under way.

PROMENADE CONCERT.

There promises to be a big attendance at the Home Guard Military Concert on Wednesday evening next. It was impossible to secure both the Band and the Hall except on a Wednesday, but arrangements have been made to have the most attractive features of the programme take place after the Church services are over so that no one need omit their church duties in order to snout their loyalty by being present at the Brill Hall on this occasion.

Some matters of interest relating to the Promenade Concert will be considered during the intermission on Saturday afternoon and a full turnout is expected.

Sergt. Major Good, Formerly of Rock Island, Says the Men Have No Complaint Coming COMPARES SOUTH AFRICAN CAMPAIGN AS CHILD'S PLAY TO THE PRESENT WAR NOW RAGING Rock Island, Jan. 22.—(Special)—A letter has been received by Mr. J. Lowell, from his cousin, Sergt-Major K. G. Good, formerly of this town, who is now in the 10th Battalion of the Canadian Expeditionary forces at Salisbury Plains. Mr. Good writes in part as follows:— "You have been very kind and thoughtful to send me a box of tobacco, etc. We cannot get what we want here in that line, but we have no complaint in any way for we are doing a lot better than most of the other troops here. We are living in tin huts and I have a nice little hut to myself and I am as happy as a clam. But very lonesome for my wife and family and hope that I will be able to return to them again but who knows, as this war is no joke. I was in the South African campaign but that was only child's play compared with this war. I do not know when we are going to the front, but we all hope it will be soon. The weather here is quite cold and lots of rain and no snow yet, and I am told that they do not get any snow here. You do not need to be disappointed for I cannot give you any news with regards to the troops and the time we are leaving, or can I tell you where we are once we leave England. All I can tell you then is I am well or otherwise and my address will always be the same. Write soon and give my regards to the boys.—R. G. Good, 10th Battalion, 4th Brigade, C. E. Forces, Sling Plantation Camp, Salisbury Bulford, England."

CANADA'S CARE FOR THE WOUNDED. A report from London of the splendid work being done by Canada in the care of the wounded must be very gratifying to all Canadians. It says: "Canada's care for the wounded has taken so many different forms that even Canadians themselves have little conception of the stupendous efforts which are being made and the wide range covered by the beneficent activities of Canadians. There are, for instance, no fewer than 160 Canadian doctors serving the allied forces in various medical ways. Canadian Nursing Sister MacDonald has 193 Canadian nurses all actively employed under her and directed from her headquarters, the Netheravon Cavalry School in England, while twenty Canadian nurses and sixteen medical men have been sent to the military hospital in Boulogne."

WHAT CANADIAN RED CROSS HAS DONE. Col. Charles Hodgetts, the Canadian Red Cross Commissioner, tells me that the Canadian Red Cross Society has contributed \$15,000 in cash and paid for twelve motor ambulances as a gift to the British Red Cross Society. It has also given \$1,900 to supply one coach in Princess Christian's Hospital Train. It has, besides, handed over to the British Red Cross Society, 10,000 blankets, 10,000 pairs of socks and 10,000 flannel shirts. The Society has also contributed \$2,500 to the St. John Ambulance Association for the equipping of one ward of the hospital to be set up in France and to be operated by the association. The Canadian Red Cross Society sent over with the contingent, some 1,500 boxes and bales of supplies, which are each hospital composing the medical services of the contingent. Col. Hodgetts went on to say that he had, since his arrival in London, received additional large quantities of red cross stores for use when the contingent goes to the front. With regard to comforts for the troops, these were handed to the War Contingent Association for distribution. Already some had gone forward to different commanding officers. At Christmas time the Red Cross Society distributed cigarettes, tobacco and pipes to the different hospitals on Salisbury Plains.

A new fence will be erected on the inside of the track and extensive additions are to be made in buildings.
