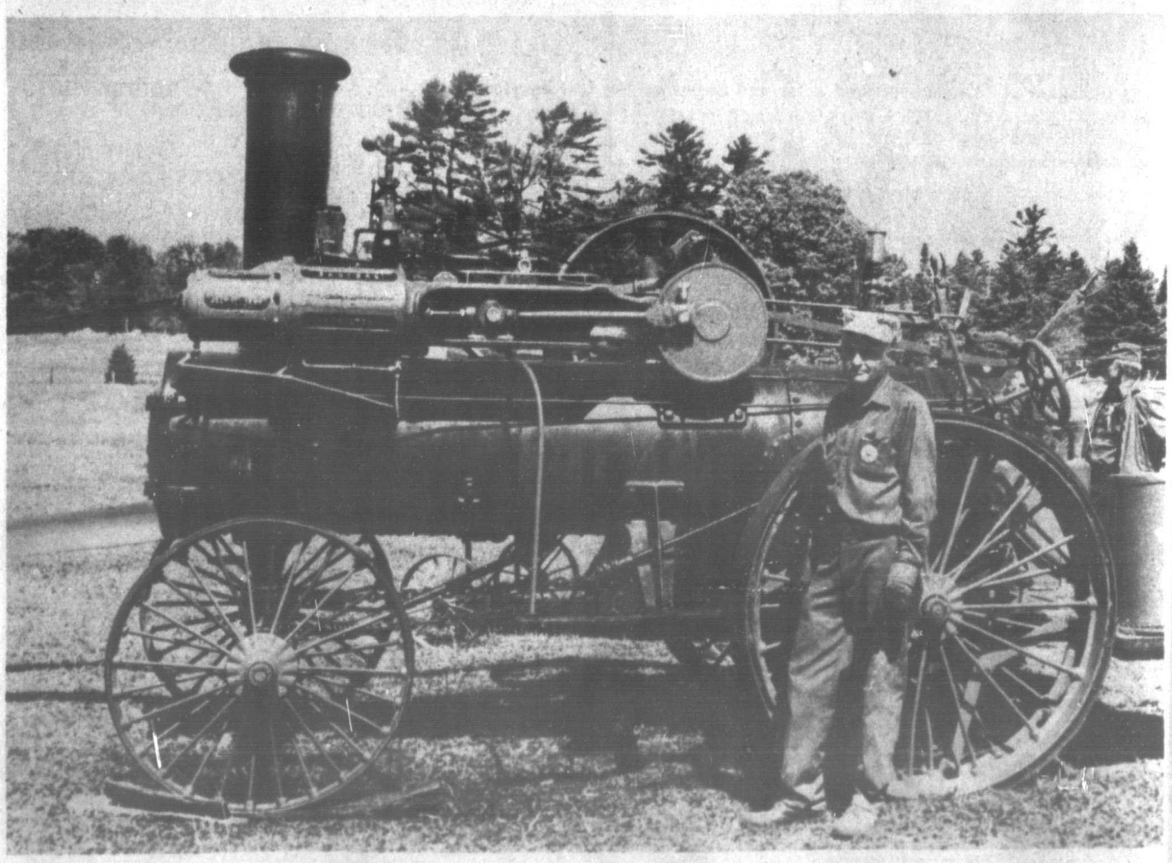
Campbell's Bay, Tuesday, November 28th.
Shawville, Wednesday and Thursday, November 29th and 30th.

Hours are 8:30 a.m. to noon and 1 p.m. to 4:30, except at Chapeau where they only go to 4:00 p.m.

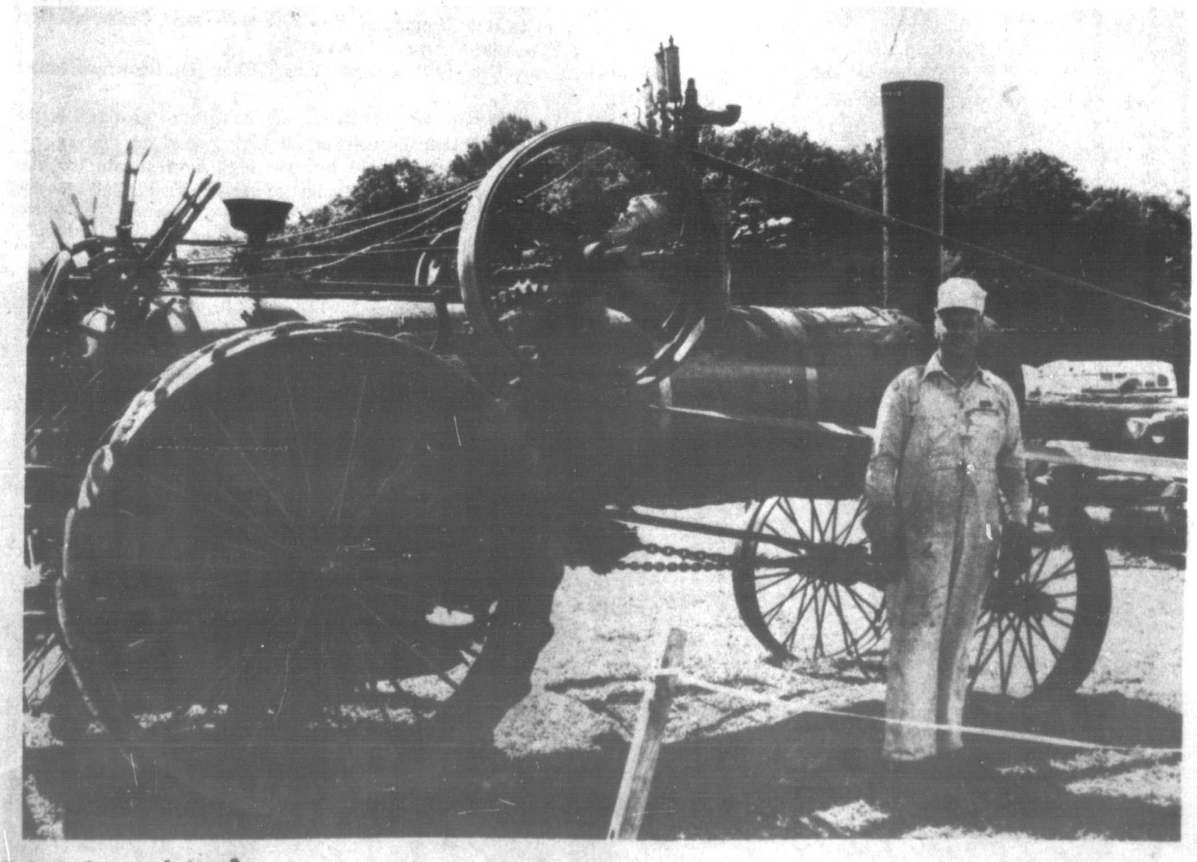
Gas & Steam



Eric Campbell operates this Sawyer Massey Steam engine which is owned by Arnold Fiebig. The steam engine provided power for a shingle mill at the Pontiac Gas and Steam Show. EQUITY PHOTO

Did Papin or Watt first find out the use of steam?

Neither; the use of steam has been known since ancient times, and a kind of primitive steam engine called an aeolipile was made by Hero of Alexandria about 280 B.C. Various inventors, including Papin, the Frenchman, contributed something to making the steam engine possible, but it is to James Watt that the world owes the first really profitable steam engine which could be used for a variety of purposes. From nov. 1934 issue of Canadian Boy.



Bert Michael of Petawawa owns and operates this 1922 John Goodison steam traction engine. Mr Michael had the engine driving a saw mill at the Pontiac Gas and Steam Show in Bristol. EQUITY PHOTO

Que-bec gov't removes Shawville signs

Members of Shawville Council were concerned for the safety of the citizens as they watched the safety signs removed on Tuesday afternoon.

A two man team from the Department of Transports of Quebec was in town taking down all the no parking signs and also the stop signs at the four way stop. Their authority was a handwritten paper which said they were to take down all unauthorized signs in the village of Shawville.

Since every no parking sign in the municiaplity, and also the stop signs on the four way stop have been authorized by the municipal council there seemed to be no cause for their removal according to that directive.

However, the two employees said they got instructions from a Mr André Poire who was somewhere in Hull and further reinforcement from a Mr Joseph Parker who was somewhere in Aylmer. All attemps to reach either Mr Poire or Mr Parker were unsuccessful. The only person the Shawville Municipal Street Committee was able to contact was a part time employee in Aylmer who said he could not even ask the men in Shawville to postpone their activities because he said if he did so he would lose his job.

Provincial police from the Campbell's Bay detachment were sought in an effort to preserve the safety signs in the village of Shawville. They too were unable to require the men to stop removing the signs.

Legal recourse will of course be used by Shawville Council as it is their responsibility to safeguard the people who live here and those who come in to town.

The timing of this particular action was poor beyond measure since this is the week of the Shawville Fair when thousands of people will be driving through town.

With the stop signs down the four way stop becomes once more an extremely dangerous corner and with the no parking signs down the streets could become impassible. If a truck is parked on each side of Center Street, for instance, no police car, no ambulance or any other vehicle would be able to use the road. Since the order these men were working under specified that they remove signs not authorized, it mystified Council that they should have been removing any in Shawville. However, down they came.

Council and the Street Committee will of course take immediate steps to ensure the safety of the village.

An emergency meeting of the Shawville Council Street Committee with Mayor Allan Black, center, and Councillors Royce Richardson, Rosaleen Dickson and Chairman Robert Campbell, right, and two officers from the Quebec Police Force was unable to deter the two Transport men, at left, who removed the no parking and stop signs from Shawville streets Tuesday afternoon. EQUITY PHOTO

Claude Archambault of Breckenridge, an employee of the Quebec Department of Transports, removes the no parking sign at the corner of Center and King Streets, in front of the Pontiac Printshop. At the same time another employee was removing the sign in front of the Hayes Funeral Home. They were acting under orders of the Quebec Government and no amount of reasoning by the Shawville Council or the Quebec Provincial Police would deter them from what they considered to be their duty. THE LIBRARIES, RADIO, AND CULTURE

Three meetings are scheduled to take place in the County during September, each of which will have a direct effect on the cultural development here for some time to come.

Cultural development isn't a thing that most people like to talk about, or think about, or most particularly do anything about. Historically the culture of an area develops naturally with the passing of time and the demographic fluctuations of an area; that is to say the way people move in and out and the age levels which predominate.

But in this day and age, and in this particular part of the world, there are hierarchies of government officialdom whose only purpose is to heighten the cultural awareness of the people.

The public money at their disposal supplies the libraries of Pontiac County with books, records, framed pictures and games to lend to anyone who would like to borrow them, and also travelling puppet shows for children, concerts and dramatic productions and various other cultural activities. There are no language restrictions on any of these resources but thus far, in our part of Quebec, all the public participation and demand has been French. A very strong and hard working group of people in Bryson, Calumet Island and Fort-Coulonge have formed a library committee which interacts with the Central Lending Library in Hull, using available grants to enhance the culture of their library members. The Shawville-Clarendon Municipal Library has been invited to set up a Library Board for similar purposes. Volunteers who care about the cultural future of this community are all it will take. The Central Library in Hull will more than welcome some input from this area.

Public money is also being made available to the group of educators who are working towards the establishment in Pontiac of a radio station. Here again, those who are giving their time to this project are for the most part from Fort Coulonge, but the station they propose will represent all Pontiac. They will be holding a general meeting to choose a permanent board of directors in the near future. Radio is a powerful medium and the directors will be responsible for what is broadcast. Those who care about the future of this County might wish to ascertain that the new board is representative of the entire County.

A third public manifestation of the culture of the Pontiac is the annual Pontiac Culture Festival which has been organized for the past two years by a provisional culture committee. This year the group intends to incorporate into a formal entity which will be called, in line with the laws of this land, Comité Culturel du Pontiac (Pontiac Culture Committee Inc.) The meeting to elect the first officers of this committee will take place in the Pontiac County Building, Campbell's Bay, on Thursday night, September 28th, at 8 o'clock.

The meeting to choose the first Library Board of the Shawville-Clarendon Municipal Public Library will take place on Thursday night, September 21, at 8 o'clock in the Library.

The date for the election of the Radio Pontiac directors has not yet been set but if there is a strong group of energetic people sufficiently concerned about the cultural future of Pontiac to attend all these meetings, it will be heartening.

Time was when you could just sit back and let culture take its course. But times are changing.

Letters from our readers

510 Pembroke St East
Pembroke, Ont.
Regency, Apt 7.

Dear Sirs:

In your paper dated May 24th, 1962 their was a column printed on the Early History of Pontiac families from the files of Rev Jos E Gravelle.

Would it be possible for you to send me a copy of it and if possible two copies. I have been shown this one edition and apparently it was to be continued which that part I did not see.

If it is possible to send me all the editions I would apreciate it as I am a descendant of the "Prendergasts" and that is why I am trying to locate all this information.

I do notice one mistake in the Prendergast children-- William married Francis Lett instead of Mary Lett. I am the grand daughter of William Prendergast and am very anxious to receive this information and the continuing editions.

Sincerely Mrs Arrietta Luckman, 510 Pembroke St E., Pembroke, Ont., Regency Apt 7.

(Ed. Note: If any reader has these copies please bring them to THE EQUITY office and we will forward copies to Mrs Luckman. Also we are always interested in receiving old copies of THE EQUITY, especially before 1961 because we still have gaps in our file copies.)

August 28, 1978

Dear Editor,

Congratulations to Shawville Council for refusing the request of the Shawville Lions Club and the Agricultural Society to sell beer at Shawville Fair.

It is not a question of a person having the right to a drink of beer if they want it, it is a question of where and when.

I do not need to elaborate further as the reasons against such an enterprise were well presented in an editorial in the last issue of The Equity.

Just one observation: It was said that the Agricultural Society needed the revenue from such a venture because it was "poor". Even poverty is not sufficient reason to sell beer on the fair grounds where the prime purpose is to promote agriculture and its place in society.

Ladysmith, August 23, 1978

Dear Editior,

We're writing you a letter today from the Kids' Wednesday Play Group at the TCRA in Ladysmith. We've been having a good time here this summer. Community friends and parents have given their own time and money to provide kids of this little community with a day of supervised outdoor play on the new playground, crafts, films, etc.

This Wednesday is our last for the summer. Parents and friends are invited to a party and supper starting about 3 p.m. (today, August 30).

Soma Steel, Cary and Tracey Bretzlaff, Andrew Gabriel, Jake McDermott, Angela Dagg, Jesse Ruppell, Eric Kelly, Carol Ann Smith and many others too.

Career development

Getting established in gainful employment can be a serious problem for many young people who have left school before completing their courses. Mrs Jessie Sharpe, working for the Regional School Board of Western Quebec, is at present organizing a program to help these individuals.

Among those people Mrs Sharpe will be trying to assist are students of at least average ability who are drop outs or who have a history of being unable to function in the regular school setting. Usually these students are found to be suffering from a learning disability. Also on her roster are students who are moderately or severely handicapped, including both mental and physical handicaps.

Having dropped out of school, these young people habitually also drop out of society, exhibiting no sense of worth and no motification. Anti-social life styles are sometimes developed. These adolescents do not live lives that are productive, useful or fulfilling and before they have begun their adult life they feel defeated.

The program being organized by the Regional School Board is designed to serve these adolescents on a personal, individual level that is not possible in the regular classroom situation. The program will include vocational and personal counselling, basic academic training, vocational training, life-skills training and work exploration and experience.

Each student will follow an individual program set up with his particular needs in mind. Individual tutoring is included in the program and co-operation with certain area employers will be sought to provide work experience in the community. The project is already working in Hull and Mrs Sharpe expects to put it into motion in Shawville this fall.

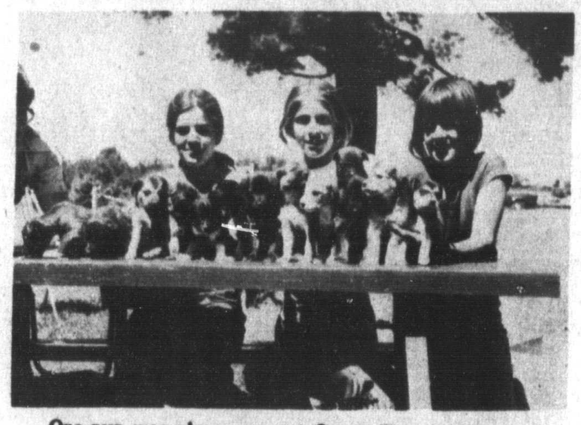
Grist and miscellaneous items

The winner of the Senior Provincial Class at the 24th Annual Provincial Plowing Match will become the Quebec Champion and go on to represent the province in the National Contest next year in New Brunswick. The Provincial Match will be at the Deschambeault Research Station on September 6, 7 and 8th, coinciding with the celebration of the 60th Anniversary of the founding of the Research Station. The match is organized by the Quebec Provincial Plowmen's Association in collaboration with the Quebec Department of Agriculture, the Macdonald College Extension Department and Exposition Agricole Inc. Information about entries can be sought from Martin van Lierop at Macdonald College, phone 514-457-2000, local 261. (There are plowmen in Pontiac who could win this contest; but only if they are entered by the local Pontiac Plowmen's Association, or promoted by the local office of the Department of Agriculture.)

Visitors to Cobden Fair last week were interested to see that Shawville's Clive Smart had been invited to undertake the onerous tasks of Ringmaster once more. To his credit is the fact that the whole show ran smoothly despite some very tricky decisions.

The archietectural heritage exhibit will be available for public viewing in mid-September at the old Agricultural Hall in Shawville. After a stay in Shawville the exhibit will be taken to other centers. Originally intended to be shown first at Shawville Fair, this plan has been changed and we can expect it around September 17th.

The Chrétien's of Campbell's Bay have been bringing fame to Pontiac with their good Quarter Horses and good horsemanship all over the Valley. Helène was the Best Western Junior Rider at the Ottawa Exhibition and André was best Senior Rider, both using Benjie's Love. Michelle had the Grand Champion Mare, Dobies Lil Sis. Also at Navan and Arnprior the Chrétien family has won top Junior Rider, and they hold the position of Leading Junior and Senior at Dwyer Hill Farms in Smiths Falls, for the Ottawa Valley Western Horse Association.



One pup was given away at Quyon Fair, leaving an even dozen of these Lab-Spaniels (or is it Cocker-Retrievers?), all from one litter belonging to Yannick, Danielle and Brigitte, above, daughters of Dany Robinet of Bristol. Their address is RR4, Quyon.

Shawville places third at Quebec Young Farmers Provincial calf rally

The third annual Quebec Young Farmers Provincial Calf Rally was held at the Richmond Fair Grounds on August 4th, 5th and 6th, hosted by the Quebec Young Farmers Provincial Federation and the Richmond Young Farmers Club.

Friday evening's grain, hay and Ayrshire juding competitions and sire selection exercise, Kenda MacGillevray of Brome was the winner. This was followed by a woodsmen competition including sawing, splitting and nail driving, and then an inter-club tug of war. No winners were declared in these contests.

On Saturday the calf classes and showmanship were held. Judges were Howard Dodge, President of the Canadian Holstein-Fresian Association, Roy Simmons, Ayrshire breeder from Finch, Ontario, and David Fontaine of Sherbrooke for the beef judging.

Leslie Orr of Shawville Club had Reserve Interbreed Champion and Grand Champion Holstein in a class of 74 calves.

Cynthia Purchase of Brome had the top two Ayrshires and Interbreed Grand Champion. Grand Champion Jersey Calf went to Rick Younge of Shawville and Grand Champion Beef Calf to Lisa Driver of Lennoxville.

Larry Ness of Howick was Grand Champion Showman of the rally.

In the group class the Richmond Club placed first and in the Barn competition the Cowansville Club gained top placing.

At the Saturday night banquet high aggregagate trophies were presented. Howie Stanley of the Shawville Club was the Individual winner with Ian MacKechnie coming 9th, and in the club standings Shawville Club placed third.

The four students of Campbell's Bay, Micheal Lacourse, Celine Perron, Carole Pilon and Bob Vibert, completed their Project on Friday, August 25th.

After a late start, the students spent two weeks cleaning up the park and preparing the pool for operation. The wading pool opened on August 1st and was used by many children, especially during the hot weeks.

Activities organized for the children included: A camping trip to Leslie Lake Park, softball, soccer, films every week, a first aid course, hiking, field trips, arts and crafts, a children's parade, camping skills, swimming at the pool, and activities around the swings and teeter totters.

Though the participation was not up to expectations the project was definitely a success.

At the end of the project, a party for the children was given, the supplies were purchased using money raised at the Car Wash.

The clean-up crew after the party: Back row, left to right: Kenny Ranger, Joe Belland, Danny Forgues, Emile Paquette, Louis Paquette, Leo Dubois, Christopher Kensley, Mike Pepin, Mike Lacourse. Second row: Ian Belanger, Allan Pepin, Michael Belland, David Ranger, Ricky Ranger. Front row: Donna Lance, Kim Lance, Susie Smith, Lori Kensley. Missing are Shawn Lepine, Mark Lance and Philip Paquette.

Hockey School to open in Shawville

The Pontiac Hockey School will open this September 28 in the Shawville arena. The school is designed as a pre-season conditioning and instructional program to help upgrade and practice individual skills. This type of program should help upgrade the total minor hockey program in our area as the players participating in the school can step into their minor programs from a good conditioning program and with newly learned and practiced skills.

The schools director is Bryan Murray who has Junior 'A' and college coaching experience as part of his hockey background. Others will include Darrell Galley and Graydon Scott co-directors of the C.F.B. Petawawa Hockey School and excellent hockey teachers.

Randy Burman a former star Junior 'A' player with the Canadian Champion Rockland Nationals and Bill Murray a top defenceman with Junior 'A' and Senior 'A' experience will also be in full time attendance.

A goaltending instructor will attend a number of sessions if applications merit and various guest instructors from Junior teams will also be present for certain sessions.

The cost to attend this school is a very reasonable $25 per week or the recommended two weeks for $40.00. Also the first fifty applicants will receive a free Hockey School T Shirt.

Players who wish to register for the school can do so by filling out the application form, that can be found in The Equity, and return it to Bryan Murray, Box 188, Shawville or fill out an application form at Murray's Sports Shop in Shawville.

Since the school opens September 28th and classes are limited in number early registration would be beneficial.

See ad for further details.

A senior section will also be available if interest requires. This section is geared to provide ice time as pre season conditioning and will include one hour of instruction and 5 additional hours of scrummage games and conditioning. This time is aimed for players that plan to play in the various recreation, town or old timers leagues. Cost for this section is $10.00.

John Frederick Dale

The death of John Frederick Dale occurred suddenly in Englishtown, New Jersey, U.S.A. on Saturday morning, August 5, 1978.

Fred, in his 26th year, had achieved the goal of one of Canada's leading racetrack blacksmiths. He had recently been employed by Mr Hérve Filion.

He is survived by his parents Lloyd and Lila (Dagg) of Shawville, RR1, Quebec, Margaret of Vancouver, Cheslyn, Mrs Edward Hughes, of Renfrew, Sandra, Mrs Kenneth Bernard, of Ottawa and Marie also of Ottawa.

The funeral was held Friday, August 11th at 4 pm in the Hayes Funeral Chapel. Rev Owen MacPherson officiated with Mrs Hughie Horner singing two solos- God has not promised and Jesus is always there. She was accompanied by Mrs Edgar Hodgins on the organ.

Interment was in the Maple Grove Cemetery. The pallbearers were Michael Richardson, Stirling Hobbs, Philip Thompson, all of Shawville and Hugh Lynch of Kingston, Bruce Huntback, Kingston and Laurie Moore of Kingston.

Mrs. Annie McCann

Annie McCann passed away on Monday, June 26, 1978 at the General Hospital, Pembroke, Ontario in her 92nd year. She was the widow of Peter Hannaway McCann and by first marriage of Alfred Harvey Dowe.

She was born on the Steele Line, Quyon, Quebec, the daughter of Thomas Craig and Elizabeth Woolsey.

During her residency in Quyon she was a member of St John's Anglican Guild and St John's Anglican Church.

She was a resident of Ottawa for sometime and was an original or charter member of the Good Companions Club in which she held a life membership.

The past six years she resided in Campbell's Bay, Quebec.

Mrs McCann is survived by a daughter Lois, Mrs Lloyd Kensley, Campbell's Bay, and a son Lester McCann of Quyon; predeceased by two sons, Gilmour Harvey Dowe and Keith McCann. She is also survived by ten grandchildren and two great grandchildren.

She was the last surviving member of her family, having been predeceased by William, Samuel, Ethel (Mrs Edmond Lockman), Harry and 2 half sisters Essie, Mrs Dave Kissick and Nellie, Mrs R Campbell.

The funeral was held on Thursday, June 29 at 2 p.m. from the W.J. Hayes Funeral Home, Quyon, Quebec to St John the Evangelist Church, Quyon, Quebec. Interment was at St John's Cemetery.

Celebrate 55th anniversary

Nettie and George Evans

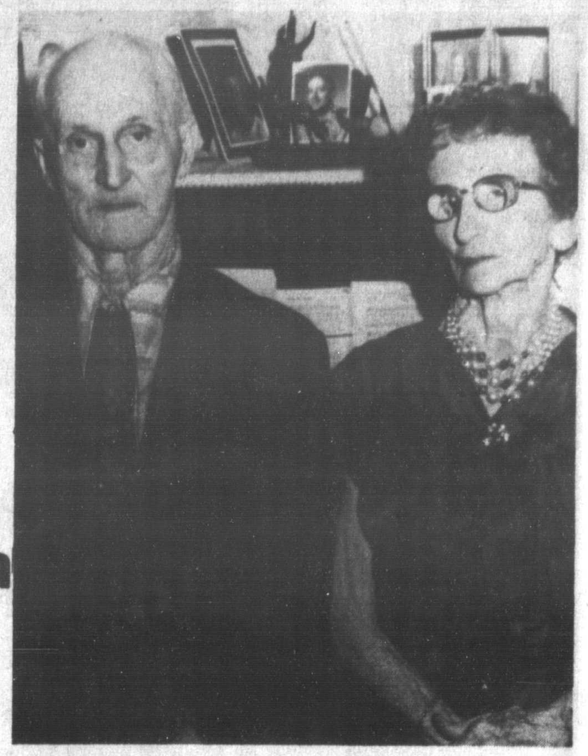

Photo by Arnprior Guide

Nettie and George Evans of Braeside, Ontario celebrated their 55th wedding anniversary in the Christian Education Centre, John St., Arnprior, Ontario on Saturday, June 10th, 1978.

Mr and Mrs Evans (the former Nettie Starr) were married in the Methodist Parsonage in Hull, by Rev MacMillan on June 12th, 1923. They formerly lived at Danford Lake and Shawville.

Nettie, 83 and George, 89, have three sons; Orval, and Vyner of Ottawa and Collins, Arnprior. They also have six grandchildren.

On June 10th, 1978 a family dinner and reception was held in their honor at C.E. Centre, Arnprior. The immediate family and close friends attended the dinner, catered to by the United Church Women, Unit 5.

Friends and neighbours of the couple visited between seven and nine p.m. and dancing followed until 12:30 pm with music by the Valley Ramblers Orchestra. Guests present were from Renfrew, Ottawa, Shawville, Danford Lake, Galetta, Braeside, Ashton and Arnprior.

Les enfants de M et Mme Léo Dagenais se réunissaient récemment afin de fêter leur 50ieme anniversaire de mariage.

En effet, M Leo Dagenais (75 ans) et Mme Dagenais (Née Alice Dagenais, 69 ans) s'épousaient le 30 avril, 1928.

La famille des jubilaires comptent dix enfants: Beatrice (Mme David Ménard), Mabel (Mme Oswald Lafleur, (maintenant décédée) Florence (Mme Dona Richard), Jérome, Anna, Joel, Fleurette (Mme Joe O'Brien), Claudette, David, Lola (Mme Emmett Beaudoin).

On compte également cinquante deux petits-enfants et onze arrière petits-enfants.

Une réception fut célébrée à 9 heures, le 13 mai, à l'hôtel Dew Drop Inn, Otter Lake. Ills reçurent de nombreux cadeaux et messages de félicitations de tous leurs amis.

M et Mme Dagenais désirent remercier tous leurs amis pour les beaux cadeaux et cartes de félicitations.

L'enquête blanchit la CSRO

La Présidente de la Commission scolaire régionale de l'Outaouais, Mme Marie Gibeault, s'est dite heureuse que le Ministre de l'Education ait enfin décidé de rendre public son rapport. Après des mois de rumeurs et d'insinuation de toutes sortes, la justice la plus élémentaire commandait que les résultats de l'enquête de M. Michel Amyot soient rendus publics afin que les commissaires, les cadres et la population en général sachent si notre commission scolaire est mal ou bien administrée.

Il ne fait maintenant aucun doute que l'administration de la Commission scolarie régionale de l'Outaouais est bien administrée. Nous avions donc raison de dire depuis le début de cette enquête, qu'il n'y avait pas là de quoi fouetter un chat, d'ajouter Mme Gibeault.

Le Ministre dès le début considérait qu'il y avait, à son avis, mauvaise administration. Ne nous a-t-il pas dit publiquement que nous étions de mauvais administrateurs, sans toutefois prouver ses dires. Nul ne peut sûrement mettre en doute les conclusions d'un enquêteur impartial.

Que dit Monsieur Amyot?

Premièrement, qu'il a effectué une revue générale de la gestion financière, de la gestion du personnel et de la gestion des approvisionnements. A chacun de ces chapitres sur la gestion de la C.S.R.O., M Amyot conclut que la gestion "est assurée de façon adéquate" et que l'examen qu'il en a faite "ne requiert pas de pousser plus loin l'enquête sur le sujet". En d'autres mots, on peut en conclure quil n'y avait dès le début aucune raison valable de procéder à une enquête ministérielle.

Nous désirons également souligner que le rapport de monsieur Michel Amyot louange les commissaires pour leur bonne administration. Il le cite à la page 13 de son rapport du 10 avril 1978.

"Nous avons constaté chez les commisaires le souci d'exercer le plus grand contrôle possible sur les dépenses de la commission scolaire. D'ailleurs, les règlements de délégations de pouvoirs récemment révisés en témoignent".

En tant que bon administrateur, nous considérons qu'il n'est pas bon de faire de la gestion sur la place publique.

Nous ne pouvons comprendre également pourquoi il désire toujours "dialoguer" avec les journalistes plutôt qu'avec les administrateurs élus.

Le Ministre a encore une fois manifesté son mépris des commissaires élus par le peuple en refusant de nous rencontrer pour discuter du rapport.

Si le Minstre se refuse 4 rencontrer les administrateurs scolaries, soit les commissaires, lorsque les rapports sont positifs, quel genre de dialogue aurions-nous pu nous attendre si le rapport avait été négatif?

le Ministre nous apparaît irresponsable dans l'accomplissement de ses fonctions. En tant que Ministre, son premier devoir est de collaborer avec les commissaires scolaires. Depuis des mois, le Ministre de l'Education fuit les contacts directs avec les représentants élus du milieu et se réfugie derrière des conférences de presse.

La population ne peut être bien servie si elle ne peut compter sur des relations harmonieuses entre les divers paliers gouvernementaux. Le ministre a droit, bien sûr, à son point de vue mais non au détriment d'une recherche sincère et approfondie des dossiers qui le concernent en coopération avec les commissaires d'écoles.

C'est la troisième fois en moins d'un an que le Ministre refuse catégoriquement le dialogue avec les commissaires. Il nous semble que le Ministre qui a jugé opportun de venir rendre public son rapport à Hull, aurait pu en profiter pour nous rencontrer. Ce n'est pas à tous les jours qu'on reçoit le Ministre de l'Education!

Le MTF fait l'achat de cônes dans la région de l'Outaouais

Encore cette année, le ministère des Terres et Forêts offre aux gens de la région de l'Outaouais la possibilité de se faire un revenu supplémentaire intéressant en devenant cueilleurs de cônes.

En effet, à la fin d'août et en septembre, le MTF fait l'achat de cônes dont les prix varient entre $11. et $32. le boisseau selon les essences. Les graines obtenues de ces cônes serviront ensuite à reproduire des plants dans les différentes pépinières du ministère.

Comment vendre ses cônes au MTF

Toute personne intéressée à vendre ses cônes doit s'adresser au bureau du MTF, à Fort Coulonge, avant de faire sa cueillette.

Le responsable du ministère le renseignera sur les modalités de transaction et lui indiquera les essences désirées. De plus, il fera l'inspection de l'aire de cueillette afin de vérifier la provenance et la qualité du peuplement.

La récolte s'effectue généralement sur les terrains publics dans les peuplements semenciers. Toutefois la cueillette peut également se faire sur des terrains privés. Dans ce cas, le MTF en plus de payer les cueilleurs, dédommage le propriétaire de la plantation.

Il est à noter qu'aucun achat de cônes ne sera accepté sans l'autorisation au préalable d'un représentant du MTF.

La radio du Pontiac

Procès-verbal de la réunion du comité provisoire de La radio du Pontiac tenue le 9 août 1978 à la Polyvalente Sieur de Coulonge à 19h.

Après lecture et discussion il est suggéré au comité provisoire d'organiser un colloque pour sensibiliser l'ensemble de la population du comté de Pontiac aux données qui nous sont fournies par l'étude de viabilité.

Considérant l'importance de rendre publique une telle étude le comité émet la proposition suivante:

Attendu qu'un regroupement collectif serait un bon moyen pour sensibiliser la population aux données de l'étude de viabilité.

- Attendu qu'il est nécessaire que la population soit mise au courant afin qu'elle participe de façon écairée au projet de radio communautaire dans le Pontiac.

-Attendu que le comité provisoire ne dispose pas du temps nécessaire pour organiser la tenue d'un colloque.

-Attendu que la tenue d'un colloque nécessiterait une ressource financière importante.

-Attendu que le mandat du comité provisoire ne prévoit pas la tenue d'un colloque.

-Attendu qu'il doit y avoir assemblée générale au mois de septembre et que la tenue d'un colloque au mois d'août risquerait de diviser l'assistance à l'assemblée générale.

M Serge Cardin propose que le comité provisoire de La radio du Pontiac inc. n'organise pas de colloque mais diffuse une synthèse de l'étude de viabilité de façon à toucher le plus grand nombre de résidents du Pontiac.

Appuyé par M Elwood Francoeur.

Accepté à l'unanimité.

JOURNAL LOCAL THE EQUITY

Considérant que THE EQUITY constitue le seul moyen de communication à parution régulière dont dispose la population du Pontiac;

Considérant que l'information est un droit pour la population du Pontiac;

Considérant que l'implantation d'une station de radio communautaire M.F. à production locale dans le Pontiac concerne l'ensemble de la population du Pontiac;

Considérant que l'étude de viabilité ayant trait à l'implantation de la dite station est maintenant achevée et qu'elle comporte des renseignements d'intérêt publique;

Considérant l'ampleur de cette étude;

M Hector Soucie propose que le comité provisoire de La radio du Pontiac inc approche la direction de THE EQUITY afin d'obtenir gratuitement de cette dernière la publication intégrale dans les deux langues d'une synthèse de l'étude de viabilité et que la direction du dit journal soit invitée à participer à la prochaine réunion du comité provisoire de La radio du Pontiac inc. pour en arriver à une entente écrite à ce sujet.

QUESTION LINGUISTIQUE:

—Attendu que la station devra diffuser 18 hrs par jour.

- Attendu que l'on doit offrir plus de temps d'antenne au côté francophone après le coucher du soleil pour respecter le 'premier service'.

-Attendu qu'il faut trouver une formule opérationnelle pour l'élaboration d'une grille horaire qui tiennent compte de la programmation francophone et de la programmation anglophone

M Elwood Francoeur propose que 52.5% de la programmation soit de langue française ce qui représente 66 heures -semaine et que 47.5% de la programmation soit de langue anglaise soit 60 heures-semaine pour un total de 126 heures-semaine de diffusion.

Appuyé par M Gilles Girard.

Accepté à l'unanimité.

Politique de vente d'antenne aux commercants de l'Ontario

-Attendu que le comté de Pontiac possède un potentiel commercial limité

-Attendu qu'une bonne partie de la population du comté de Pontiac utilise les services offerts par les villes frontalières du côté Ontarien vu le manque de services disponibles dans le Pontiac.

-Attendu que cette mesure permettrait de récupérer des sommes versées à l'extérieur du comté

M Hector Soucie propose que 50% des coûts d'opération annuels soient dispensés par l'état sinon l'administration de La radio communautaire du Pontiac devra vendre du temps d'antenne aux commerçants de l'Ontario pour combler la différence entre la subvention accordée et les dépenses d'opération encourues.

Conclusion—

Les autorités de la Commission scolaire régionale de l'Outaouais sont heureuses de constater que le rapport de monsieur Amyot louange la bonne administration de la C.S.R.O. et espèrent qu'à l'avenir le Ministre comprendra qu'il doit discuter des problèmes communs avec les premiers intéressés avant de brandir des tutelles et des enquêtes non fondées.

La Prisidente de la Commission scolaire régionale de l'Outaouais a dit espérer que les fausses insinuations font maintenant partie du passé et que le Ministre reconnaîtra dans les cadres et les commissaires d'écoles de la région des personnes responsables dignes du mandat qu'il leur est confié.

La C.S.R.O. a été blanchie par le rapport de M. Amyot et dit espérer que le Ministre en a pris bonne note. Les autorités de la Commission scolaire régionale de l'Outaouais tiennent enfin à remercier la population en général pour son appui moral tout au long de cette enquête et désirent également exprimer sa reconnaissance la plus totale à tous ses cadres qui ont dû subir cette situation déplorable.

Obituary

Clement Pelletier

Clement Pelletier died accidently on Saturday, August 19th, 1978, at the age of 50. He was from Low, Quebec, the husband of Betty Sullivan and dear father of Claude and Miachael and Diane, all of Gatineau and Marcel of Chelsea, Susan, Mrs Wayne McLaughlin of Aylmer. Dear brother of Lucien of Maniwaki, Edge and Horace of Ottawa and Nelson of Brennan's Hill, Annette, Mrs Emile Deschamps of Cumberland, Lillian, Mrs Joseph St Louis of Gatineau and Rejean, Mrs Claude Menard of Aylmer. He is also survived by three grandchildren and predeceased by a brother Jean.

The funeral was Wednesday to St Camillus Church, Farrelton, Quebec, for Mass at 10 a.m. Interment was in Parish Cemetery.

Thorne Lake notes

A very successful horse shoe tournament was held at Murray Jost's on Saturday the 12th of August 1978. Without a doubt, we in our area have some excellent players, both women and men.

The eventual winners were ladies - Nicole and Rollande Lauzon, with the father and son duo of Bill and Bud Bradley taking the men's honours.

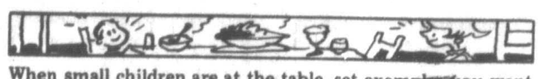
On Saturday morning of the 19th a fire demonstration took place. Mr Emmett Twolan of the Wajax people was the demonstrator. At the conclusion, it was decided by our association to purchase a WAJAX Mark 3 centrifugal high pressure fire control unit. We sincerely hope it will be used only for fire drilling purposes. The tentative fire chief is John Kern, one of our permanent residents.

The same evening, the annual Dance and Bash was held at the TCRA Ladysmith. This, as usual was well attended with many door prizes. These prizes were all donated by members of our Association. The ladies of the TCRA supplied the food that was well received and served.

Our next evening will be Corn Cob Time which will be held on the Labour Day weekend.

It may be noted here, that fishing this year was in the poor category. Very few fishermen and women were able to catch their daily limit of three. It's a common occurance to look out on the lakes and see no boats trolling, etc. whereas previously every evening and morning, one could see several. We feel that something should be done to alleviate the situation.

We hope that the many visitors to our people arrived home safely this summer.



When small children are at the table, set examples you want them to follow; they'll imitate your food choices and table manners.
