# Chou Proposes Withdrawal From Indian Border Area

## Russia Enters French Bomb Debate

UNITED NATIONS, N.Y. (CP) — The Soviet Union was expected to join Afro-Asian nations today in denouncing French plans to explode an atomic bomb in the Sahara Desert.

Russia was the second of the so-called Nuclear Club powers to enter the debate in the 82-member United Nations political committee. Britain said earlier that, in a technical way, the bomb meant no menace to the African peoples. The United States hasn't yet expressed an opinion.

India, perhaps by accident, has taken a key role in the debate on whether it is correct for France to explode its first nuclear weapon on the Saharan sands at a time when the U.S., Britain and Russia are trying to negotiate a permanent end to nuclear tests.

## Support Afro-Asians In UN Maneuver

The issue was originally raised by Morocco—and a total of 20 Afro-Asian states now are co-sponsoring the resolution—but India has an additional item on the agenda of the 14th General Assembly about ending all nuclear tests.

In this background, India's V. K. Krishna Menon has assailed the French plan as "inimical to world peace." It was contrary to world public opinion against further atomic tests. French spokesman Jules Moch

says France "within an hour" would scuttle all thought of nuclear weapons if the U.S., Britain and Russia reached an agreement to do the same.

But Menon said Moch's statement that France, like other nations, possessed the right of self defence through nuclear power was tantamount to an invitation to all countries to become nuclear powers.

The nuclear debate held the spotlight but intense diplomatic activity was also in progress in a more private way—as is so

often the case at the UN—regarding the charges by Laos that it is the victim of Communist aggression from neighboring North Vietnam.

### NOT LINKED WITH MISSION

Secretary-General Dag Hammarskjöld announced through a UN spokesman Sunday night that he will visit the southeast Asian kingdom, but it was stressed that his trial will have no connection with a previous mission by a UN subcommittee. He leaves Tuesday.

Laotian officials have often said they want a UN presence in their country to discourage rebels from making trouble. But the UN mission—whose report was issued Friday—said it found no proof of border cross-

## Asks 24-Mile Zone Cleared Of Troops

PEKING — (Reuters) — Communist China today proposed to India a reciprocal 12-mile withdrawal from the disputed McMahon Line dividing their nations.

Premier Chou En-lai also proposed in a letter to Indian prime minister Nehru that they meet promptly to discuss the disputed border area and other problems.

draw 12 miles from the line where each side "exercises actual control." Both sides, he said should promise not to send fresh forces into the evacuated zones. "Respected Mr. Prime Minister," Chou wrote, "the peoples of our two countries desire that we act promptly. I think we should meet their desire and not let those who seek every chance to disrupt the great friendship between China and India to attain their sinister ends."

Chou's letter followed Premier Nikita Khrushchev's informal promise Saturday night that he would "do everything" to help end the border tension.

### MAINTAIN PRESENT LINES

The Chinese premier said that pending a settlement, "the status quo should be maintained and neither side should seek to alter the status quo by any means."

Both sides should maintain civil administration personnel and unarmed police in the area, after the proposed withdrawal, he said. Relations between India and Communist China have been deteriorating since an armed clash between the two sides along the northern frontier last month in which nine Indian police officers were slain.

India claimed in a note to Peking that the Communist troops were 40 miles inside Indian territory at the time.

## Raid Camp

# Uncover Pro-Peron Campaign

TUCUMAN, Argentina (AP) — A raid on an armed camp in the mountains, police say, has uncovered a plot by followers of Juan D. Peron for a Castro-type guerrilla campaign to restore the exiled dictator to power.

Three youths were captured in the raid Saturday on the well-armed camp in the mountains near this trading centre 665 miles northwest of Buenos Aires.

The youths said they were recruited by a newly-organized National Peronista Recuperation Movement which has plans to wage guerrilla warfare against the government of President Arturo Frondizi.

The police believe the youths were only guards, and that most of the conspirators escaped. They arrested several well-known admirers of Peron in Tucuman Sunday.

While Peron's followers have been blamed for terrorist activity, this was the first sign they might be preparing for guerrilla warfare, Peron was overthrown in September, 1955. Now in exile in the Dominican Republic, he proclaims he will eventually come back.

## Girls Hire Hall To Entertain Old Boy Friends

HALOESOWEN, England (AP) — Two bright but betrothed young things announced today they are planning one last fling with their former boy friends—more than 20 of them.

Freda Hill, 20, and Coris Baker, 19, said they are booking the town hall for a dance for the ex-escorts. "We've had a lot of boy friends and a lot of fun over the past few years," said Freda. "We're grateful to them... and we thought it would be a nice gesture to hold a dance in their honor."

## Armed Would-Be Bandit Left His Briefcase Behind

BOLTON CENTRE — Scared off by the screams of a storeowner, an armed and masked bandit who attempted to hold up Miss Mary Paige in her general store Saturday night left the establishment with less than when he entered.

The nervous hold-up man dropped a briefcase during the robbery attempt. The briefcase was seized by provincial police from Sutton, who believe it may offer some clue to the bandit.

During the evening Miss Paige had been with friends in the residential quarters connected with the store and at 10 o'clock went into the business section to lock the main door.

As she reached the door, a masked man carrying a sawed-off shotgun forced his way inside and demanded she hand over the day's receipts.

The storeowner began screaming for help and the would-be thief made off, abandoning the briefcase he was carrying. The visitors in Miss Paige's apartment rushed to her assistance but the man had disappeared.

There have been several robberies in this area during the past few weeks, most of them being the looting of summer homes closed for the winter. Police expect

press doubt that Saturday night's hold-up is connected with the other cases.

## No Foul Play Seen In Death Of Granby Boy

GRANBY (Special) — Exposure and complications of an illness are believed to have caused the death of 12-year-old Jacques Lavallee, 327 St. Jacques st., Granby, found yesterday lying in a field not far from his home. He had been missing since Wednesday.

Granby Police Chief Raymond Forand, said today that the boy had been unwell for some time, and that police investigations had been satisfactorily concluded.

District Coroner Dr. P. A. Leduc, told the Record he has not ordered an inquest. He said he had found no evidence of foul play.

## Late Bulletin

MONTREAL (CP) — Coach Douglas Peahead Walker said today he has been relieved as head coach of Montreal Alouettes of the Big Four football league but has been asked to remain with the club in another capacity.

## Plunges Into Ditch Is Killed

One young man was killed in a traffic accident and two others were injured in hunting mishaps, district police reports for the weekend showed.

Fatally injured near Granby early Sunday morning was Thomas McHugh, 20, of Cowansville, when his car plunged into a ditch.

Slightly injured in the accidental shootings were Bernard Cusseau, aged 18, of Windsor, shot in the foot, Saturday afternoon while out hunting with a friend; and Wayne Chartier, 15, also of Windsor, hunting by himself when his rifle discharged wounding him slightly in the foot.

Neither youth is seriously hurt. Meanwhile Sherbrooke municipal police reported one slight accident on King St., W., Saturday involving two cars. None of the eight passengers in the two vehicles sustained injuries.

A Sherbrooke woman, Mrs. Austin Lane, escaped serious injury early yesterday morning when she was forced to turn off the road after being blinded by the high beam headlights of an oncoming car.

Mrs. Lane was on the Cookshire-Birchton road when the incident occurred. Damage to the car was considerable.

## "Sorry Failure" On Uranium Deal

# Pearson Blames Canada And US

OTTAWA (CP) — Opposition leader Pearson blames both the Canadian and United States governments for the "sorry failure" of the U.S. to agree to buy more uranium from Canada.

He said Sunday night in a statement that the Canadian government is "unable or unwilling" to

make an agreement with the U.S. for purchase of uranium beyond the amounts prescribed in the current five-year contract which expires in 1962.

He said that all the government has been able to do, as announced Friday, is to stretch out until 1966 the purchases under the present agreement negotiated by the former Liberal government.

He said Canadian cabinet ministers now at Camp David, Md., for defence talks with their U.S. counterparts "should demand that negotiations begin at once to secure a better deal for the

## Settlement After 116 Days

# Resume Steel Production Supply To Lag For Weeks

PITTSBURGH — (AP) — Major producers edged the first small shipments of finished steel into delivery channels today — two days after an 80-day injunction halted the longest strike in steel industry history.

The early shipments — gathering of what was left behind when the 116-day strike began — meant little to customers already hurt by shortages. It will be weeks before newly-produced steel moves in significant amounts.

Thousands of the 500,000 strikers were called back to work during the weekend. Thousands more expected recalls early this week.

Most companies began heating ironmaking blast furnaces and

steel-making open hearths 24 hours after the mill gates swung open. Some expected to get iron from blast furnaces today.

Throughout the industry there was a gigantic effort to get all facilities producing as quickly as possible. Customers — many closed because of steel shortages — pressed for speedy deliveries.

The producers could count on only 80 days of operation. If the labor dispute is unsettled when the injunction expires Jan. 26, workers could renew the strike.

The U.S. Supreme Court by an 8-10-1 vote Saturday, upheld the injunction under the Taft-Hartley labor law that had been stayed more than two weeks.

# Sherbrooke, Lennoxville Observe Remembrance Sunday

MEMORIAL SERVICES — Citizens of Sherbrooke, Lennoxville and many other Eastern Townships communities yesterday paid tribute to the men and women who gave their lives in World Wars I and II in the cause of freedom. On the left is Staff Sergeant Thomas A. Moore of the Sherbrooke Regiment at the cenotaph on King Street in Sherbrooke. In the center, Mayor Armand Nadeau places the City of Sherbrooke wreath at the cenotaph with Lt. Col. Douglas Ward, CD, commander of the parade, to his right. # Home And School Elects Officers At Sutton

SUTTON. — The Home and School Association met in the school auditorium with the past president and principal, Stanley Pergau, presiding.

The minutes were read by the secretary, Mrs. Homer Ruitter, and the treasurer's report was read by Mrs. Winston Dyer. After deducting the money for the proficiency prizes in each grade and a \$50 scholarship, a substantial amount remained to start the new year.

Since the past 1st vice-president was unable to take office, Mrs. Cecil Carr kindly consented to fill the vacancy left by the retiring president, Mr. and Mrs. Stanley Pergau.

Officers are as follows: President, Mrs. Cecil Carr; 1st vice-president, Mrs. Merlin Lewis; 2nd vice-presidents, Mr. and Mrs. Grover Laroque; 3rd vice-president, Mrs. Hollis Hooper; secretary, Mrs. Homer Ruitter; treasurer, Mrs. Winston Dyer.

Mrs. C. Carr took the chair for the remainder of the meeting. A decision was reached to continue assistance to the hot lunch program.

Following the business meeting Mr. Pergau introduced the

# Show Business

By BOB THOMAS

HOLLYWOOD (AP) — There was Lee Bowman on the floor, conked by a gangster's sap and with a switchblade aimed at his gullet. A shot was fired by an obliging blonde and Lee lived on to solve another case.

This bit of drama took place at Desilu studios, where Lee is filming Miami Undercover, a new TV series for United Artists. It came easily to him, and with good reason.

During his film career Bowman played a columnist-sleuth in The Walls Came Tumbling Down. He starred on radio in an Erle Stanley Gardner series, and for 99 weeks he played Ellery Queen on live TV.

**GRAZIANO SIDEKICK**  
So his new guise as a Florida crime hunter (with a sidekick Rocky Graziano) is a natural result of his long battle against the underworld.

After his seasons as Ellery, Lee stayed on to do Broadway shows, front TV spectaculars for an auto concern, conduct a real estate insurance firm with his brother, act as director of a commercial film concern, perform on a weekly drama over NBC radio and appear on the panel show, Masquerade Party.

## Cookshire High School News

Recently Grade 11 enjoyed an educational trip to Canada's capital city, Ottawa.

Escorted by the principal, Mr. McGerrigle, and Miss E. Farnsworth they toured the Royal Canadian Mint, accompanied by a guide. The pupils were amazed at the precision and accuracy required in the work of minting.

After visiting the War Museum and seeing pictures and statues of men who lost their lives for our country's freedom, they spent an interesting time touring the Parliament Buildings. Here were visited the two Houses of Parliament, the Library, Peace Tower and paintings of men who devoted their lives to government.

They stayed in Ottawa for the night returning via the road along the St. Lawrence Seaway as much as possible.

Grades 1 to 4 sponsored their first candy sale during October netting \$12.65, which was used to obtain books from the Traveling Library, and the remainder was added to the Junior Red Cross fund.

Pupils of Grade 6 held a cookie sale which yielded \$6.50 for the Junior Red Cross.

High School students enjoyed a noon hour of movies which consisted of: Piano Concert Series, Animals in the Zoo, and Fur Trapping of the North.

The sum of \$76 was collected by the High School for UNICEF. — Stanley B. Locke

## L. H. Parnell Honored At Party In McConnell

McCONNELL — L. H. Parnell was guest of honor at a farewell party at the home of Mr. and Mrs. G. H. Ingalls prior to his departure for Ayer's Cliff, where he will reside.

Mr. Parnell, who had been invited to spend the evening with Mr. and Mrs. Ingalls, was completely surprised on arrival to find a large number of friends and neighbors present. After a social evening, Mr. L. H. Lambourne presented the guest of honor with a floor lamp and purse of money on behalf of all those present.

In his reply Mr. Parnell expressed his gratitude to Mr. and Mrs. Ingalls and all who had so kindly contributed to such a pleasant event.

Lunch was served by the ladies. Among those present were Mr. and Mrs. A. S. Bacon, Mr. and Mrs. C. J. Tobin, Mrs. MacBain and Mr. N. C. Kezar, from Rock Island, and Stanstead former residents of this community.

# Rev. Ralph W. Rogers Is Inducted To Beebe - Graniteville United Churches

BEEBE — The induction service for Rev. Ralph W. Rogers, B.A., B.D., to the Beebe-Graniteville charge of the United Church was held in Wesley United Church, by the Quebec-Sherbrooke Presbytery.

The address to the minister was made by Rev. R. A. Mitchell, of Magog, and the address to the congregation by Stanley Beerworth, of Coaticook.

Presentation of the minister-elect was made by Mr. Mitchell, secretary of Presbytery, and the induction by Rev. Harold Boomhour, of Waterloo, chairman of Presbytery.

Under the direction of Harold Taylor, the choir rendered the anthem, Jubilate, by Thomas Moore. Miss Evelyn Purcell presided at the organ.

Following the service a reception for Mr. and Mrs. Rogers was held in the Church Hall, when refreshments were served by ladies of the Graniteville and Beebe Woman's Associations.

Mr. Rogers, born in Fredericton, N.B., was a graduate of St. Stephen High School, the University of New Brunswick, and of Pine Hill Divinity Hall, Halifax, N.S. His previous charge was in Lorneville, N.B., South Bay charge of the United Church in the Saint John Presbytery. He also spent four years as pastor

at Mulgrave, N.S. He is married to the former Miss J. Rilla Cruickshank, of New Glasgow, N.S., and they have two children, Paul, 13, and Diane, four years of age.

**HALLOWE'EN PARTY**  
Doorbells began ringing on Saturday evening at an early hour when children from the Elementary school, dressed in all sorts of garb, portraying all sorts of characters, unselfishly made their annual canvass for UNICEF.

Following the canvass a party was arranged at the school for Grades 1, 2 and 3 where Mrs. Howard Cass, dressed as a Colonial Lady met the youngsters and assisted by Mrs. James Grieve, Mrs. Herbert Mallalieu, Mrs. R. Williams and Mrs. M. Mosher led them in a variety of games from 6.30 until 7.30.

Pupils from Grades 4, 5 and 6 arrived from their canvass at 7.30 and the party continued for them until 9. Pupils from Grade 7 assisted the leaders.

The gymnasium was gaily decorated with pictures of witches, goblins and orange and black streamers. Lighted Jack O'Lanterns glowed from the platform. Traditional Hallowe'en games were played and cookies and hot chocolate were served the groups of children, and as each

child left for home, he received a bag of candy and an apple. Judging of the costumes was a difficult task and from the witches, pirates, Red Riding Hood and "5" of spades, and all other types of costumes the winners were: For the small children, Lorna Williams, as a little Old Lady and Steve Miller, as an Indian. Pamela Peacock, as a Trick or Treat Shmoo won the prize for the funniest costume, and for the most horrible costume, Mary Fraser, as an Old Witch.

In the older group Susan Denney as Aunt Jemima and Lois Dustin, as a Shepherdess. Eula Emslie, as Tweedle-dum won the prize for the funniest costume and Diane Wilson as a witch for the most horrible costume.

Mrs. H. S. Beane, Mrs. Alan Asquith and Rev. and Mrs. F. Stanton were judges. The committee in charge of refreshments was Mrs. Stanley Emslie, Mrs. Valmore Lepitre and Mrs. Joe Chartier.

Mr. and Mrs. Bernard Labree entertained at a Hallowe'en party for about 25 children who gathered following the party at the school. Games were played including a pumpkin game and the winners were given prizes. Refreshments were served and of much interest were the two Hallowe'en cakes made in the form of a witch's head. Mrs. Valmore Lepitre made and decorated the cakes.

**PINK AND BLUE SHOWER**  
Mrs. Donald Emslie was the guest of honor at a delightfully arranged pink and blue shower held in the council room at the Town Hall. Mrs. Emslie arrived at the hall, presumably to attend a shower for a friend and was taken completely by surprise when she was greeted at the door by Mrs. Donald Soutiere, who pinned on her dress a corsage trimmed with two baby rattles and pink and blue ribbon.

She was escorted to a chair decorated in pink and blue and a prettily decorated basket, filled with attractively wrapped gifts was presented to her. Assisted by her mother, Mrs. Lillian Curtis, of Montreal, and her mother-in-law, Mrs. John Emslie, of Graniteville, the guest of honor opened her gifts and after passing them around to be admired she graciously expressed her thanks.

Refreshments were served buffet style from a table covered with a green linen cloth and attractive with lighted yellow tapers in silver holders. The table was centered with a shower cake, iced in white and trimmed with iced replicas of tiny garments. The cake was topped with a miniature stork.

## Rock Island Town Council Studying Armoury Purchase

ROCK ISLAND — The main item of discussion at the town meeting held in the Town hall was the purchase of the Rock Island armoury. It was felt that should the price be within reason the town should purchase it and have it for use as a fire hall, town hall, and possible for future sale or rent as a factory.

This was years ago the Gilmour Factory.

No decision was reached. The building committee, Mayor and other members of the Council will look into the matter and reach a decision by Nov. 10, when tenders will close.

The sum of \$25 was voted for the Canadian Legion Poppy Campaign. John Poops was elected as pro-mayor. Bills were ordered paid.

The police reported everything quiet on Hallowe'en. Oscar Roy had acted as special police with the regular on that night.

## Parades, Jets Mark Day

Citizens of Sherbrooke, Lennoxville and several other Eastern Townships communities joined with hundreds of communities across Canada yesterday for special Remembrance Day ceremonies, honoring their dead from two World Wars and the Korean conflict.

In tribute to the men and women who gave their lives in these wars in the cause of freedom, memorial services were held in churches and armories, with special parades and cenotaph ceremonies in many communities.

In Sherbrooke, the ceremony at the cenotaph began at 3:15 p.m., following a parade along Wellington Street to King West, under the command of Lt.-Col. Douglas W. Ward, C.D. of the Sherbrooke Regiment and Parade Sgt. Major WO1 Robert Oxford, C.D.

Wreaths were placed at the cenotaph by Mayor Armand Nadeau representing the City of Sherbrooke; Maurice Allard, M.P.; Hon. J. S. Bourque, Provincial Minister of Finance; Mrs. Helen Kingsley, Canadian Legion Mother's Auxiliary, Charles Frost, Canadian Legion Branch 10 Fathers; representatives of the Sherbrooke military units and various other organizations.

### FLY PAST

The fly past of jets from St. Hubert took place just following the firing of a salute by the Sherbrooke Regiment firing party under the direction of Sgt. Major Fred Richardson, R.C.A.C., The Sherbrooke Regiment and the Fusiliers de Sherbrooke Bands were in attendance.

The corner men at the cenotaph were Staff Sgt. Thomas A. Moore, Sherbrooke Regiment; Staff Sergeant Bernier, Les Fusiliers de Sherbrooke; ACI G. Abue, R.C.A.F.; and O. S. Gary Richards, representing the navy.

Those taking part in the parade were the Sherbrooke Branch No. 10, Canadian Legion, and other veterans; Sherbrooke Regiment R.C.A.C.; Les Fusiliers de Sherbrooke R.C.I.C., R.C.A.M.C., R.C.E.M.E., No. 2450 sqn. A.C. & W. Unit (R.C.A.F.), 67th R.C.A.F. Cadets.

Leaving the cenotaph at 3:45 the parade returned along Wellington Street North, passing the reviewing stand at the J. S. Mitchell store where the march-past salute was taken by Lt.-Col. Aime Biron, C.D.

A memorial service was held in the William Street Armory at two p.m. for militiamen of the Protestant faith, conducted by Rev. T. J. Matthews. In the morning at 11 a.m., the padre of Les Fusiliers officiated at a service for Roman Catholics.

Lennoxville citizens paid tribute to their war dead at a noon-

## Flowery 'Welcome' At City's Show

### 4,000 Mums, Mosaics And Advice At Event

By ELAINE SMITH

It all began with, "Welcome — Bienvenue!" But this was no ordinary welcome — it was written with flowers.

The flowery opening greeted visitors to the eighth annual city Chrysanthemum and Flower Show which was officially opened Saturday afternoon by city recreation committee chairman, Tony Pinard.

Among the flowers on display were 4,000 chrysanthemums of 32 different varieties. There were huge ones the size of a small child's muff, shaggy ones, medium-sized ones and small ones, better known as pom poms.

These flowers are used to adorn City Hall for special civic receptions.

Unique displays were arranged with mosaic plants, the ones that beautify our 22 city parks in the summer.

Some of the multi-colored plants are arranged each spring in patterns to form the City of Sherbrooke crest, or to say "Welcome To The City of Sherbrooke."

The plants are removed in the fall and replaced each spring by new ones grown at the city greenhouses during the winter.

There aren't just a few here and there mind you — it takes 20,000 of these plants for the floral designs on King Street alone.

### NIGHT BLOOMER

"And over in this corner we have a night-blooming Cereus," said Tony Mikolay, beaming with pride. Mr. Mikolay is in charge of the greenhouses.

The elegant plant blooms at nighttime for about three months a year, from 10 p.m. until day-

light.

At least twelve happy people will go home beaming with pride from behind huge bouquets of chrysanthemums. Three winning numbers will be drawn each Saturday and Sunday from the entrance tickets given to each person attending the show.

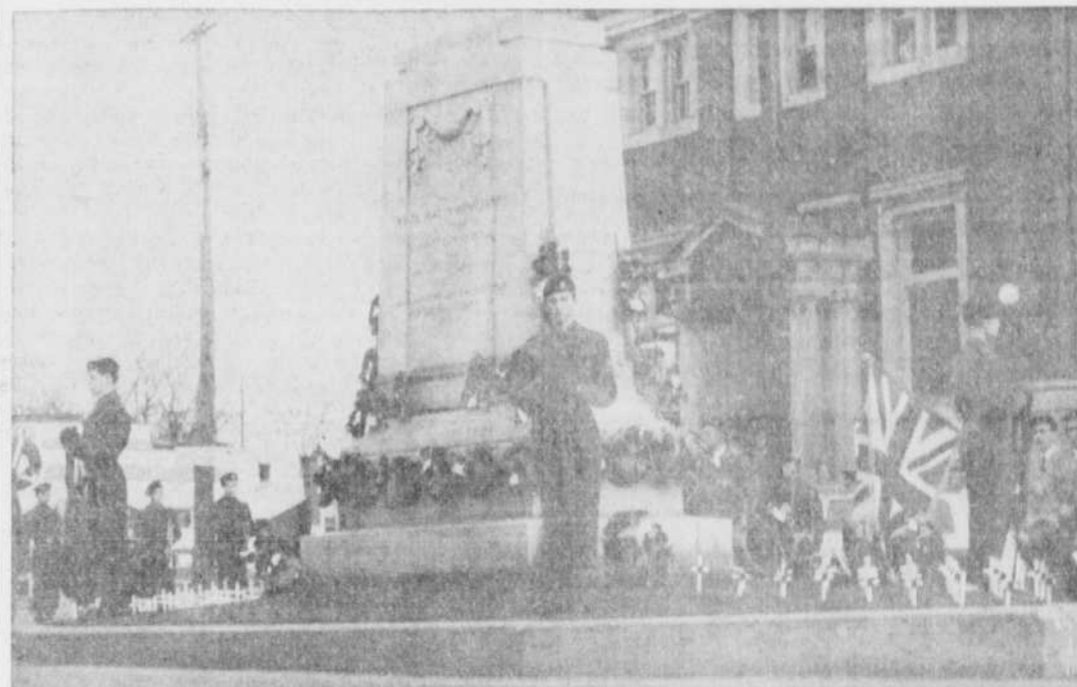

The show, which is free of charge, continues each day from eight in the morning to six p.m. at the Portland Avenue greenhouses until November 15.

You may bring your most intricate plant problems to this show and walk out of the greenhouse with just the answer that you've been looking for.

A special invitation has been issued to school children in the area to participate in this guided tour — it could provide at least one answer to that final Biology exam.

### No Soft Wheat

WASHINGTON (AP) — A Japanese government program to raise the quality and quantity of wheat and barley production will be inaugurated in 1960. In reporting this, the foreign agricultural service said success of the program would mean that Japan would need import only hard wheat, which it is unable to produce because of climate.

## Emilien LaFrance Says:

### MPP Not Patronage Director

ASBESTOS — Addressing Asbestos electors in a pre-session district rally, Emilien LaFrance, Liberal MPP for Richmond, yesterday declared that a member of the Legislature should not be a patronage director, or one who runs errands for his voters but rather a legislator and an educator in civism.

He said the true function of a deputy was to carry out "the mandate of his electors, that is to say he is chosen by his fellow citizens to legislate and administer public affairs in their name."

Mr. LaFrance said the purpose of these meetings which he had been holding throughout the county periodically since 1952 was to consult those whom he represented on the policies he was to follow during the coming session of the provincial parliament.

Following his brief remarks, the member was called on to answer a number of questions concerning such matters as hospital insurance, the establishment of a labor code, free education and statutory grants, law enforce-

ment, the improvement of the Danville-Asbestos highway, the construction of a hospital at Asbestos and the founding of an arts and trade and domestic science school.

## Cowansville Artist

### Mexican Consul Opens Art Centre Exhibit

(SPECIAL TO THE RECORD)

COWANSVILLE — An exhibition of paintings by Mrs. M. B. Sandison, was officially opened at the Cowansville Art Centre Saturday afternoon by Senor Renato Cantu Lara, consul general of Mexico.

The showing of the 52 paintings was under the distinguished patronage of His Excellency Rafael de la Colina, ambassador of Mexico, who was represented at the exhibit by Senor Lara. Mrs. Sandison spent five

months at the beginning of this year at the Institute Allende, San Miguel, Mexico, painting and studying this art with Fred Samuelson, well known American water color painter in Mexico.

Opening the exhibit on behalf of the ambassador of Mexico, Senor Lara said that his people were proud to know that a Canadian artist would go to Mexico to paint. He was presented with

## District McGill Grads Meet

Over 100 members of the St. Francis District McGill Graduates Society attended the Society's yearly meeting held at the Social Club Saturday. From the left are: Jacques Brisson, secretary; Dr. John Silny, outgoing president; Dr. Paul Maycock, guest speaker; Dr. Guy Lapierre, incoming president and Albert Tunis, executive officer.

Dr. Guy Lapierre, of Rock Island, was elected executive president of the St. Francis McGill Graduates Society, at the Society's yearly meeting held at the Social Club Saturday night.

Over 100 graduates attended the dinner meeting.

Dr. Paul Maycock, botany professor at McGill was guest speaker. He spoke of the recent do-

nation of the Mont St. Hilaire estate to the university by Brigadier A. Hamilton Gault, of Montreal.

He said that the land had been given the university for scientific purposes.

"This is the most unique acquisition of its kind in North America," he said.

He added that the mountain consisted of a 5-mile area harboring more than 30 kinds of

trees, 400 different plants and 12 varieties of animals.

Dr. Maycock said that the lake situated on the mountain would permit students to study the various fish found in its waters.

"This mountain is the best laboratory for botanical, zoological and geology studies," Dr. Maycock said.

Other members of the new

executive elected Saturday were:

Mike Sterling of East Angus, vice-president; Jacques Brisson, of Sherbrooke, secretary; John Murray, of Johnville, treasurer; and directors Leon Monpelt, Dr. Michael Brodeur, John Mosop, Mrs. Elizabeth York, Lewis Rosenbloom, Gordon LeBaron and Mrs. Helen Milne.

## Spring Will Bring Tulips Part Of 'River of Gold'

Next year will be a golden 1960 across Canada.

Girl Guide Companies and Brownie packs from coast to coast will celebrate the Golden Jubilee of guiding in Canada.

In anticipation of this event, Canadian guides and Brownies

have planted Golden Harvest tulip bulbs this fall so that next spring their river of gold will flow from Vancouver Island clear across Canada to Newfoundland.

Sherbrooke Guides, Brownies and Rangers planted tulip bulbs at the side of the Sherbrooke Hospital Saturday afternoon, and as one 10-year old Brownie so aptly put it — "These flowers should be in bloom by next spring unless they forget and grow down instead of up!"

The bitterly damp weather did not hinder the enthusiasm of about thirty girls as they worked like professional gardeners, digging with trowels and planting the tulip bulbs.

Representatives were present from the 1st Sherbrooke Brownie pack under the direction of Mrs.

## Bold Bishop's Drama

Some Canadian drama critics have said that daring artistic productions are no longer coming from professional companies in this country, but are being performed rather by amateur companies.  
Recently, one critic said it appeared that Canadian amateur groups more and more are attempting the difficult and sometimes the experimental. He drew considerable comfort from this situation, pointing to it as the possible basis for a genuine dramatic tradition in Canada.  
University drama groups have been in the van in this trend, and Bishop's University has been among the most enterprising.  
Saturday, the final performance was given of a most unusual and in its own way bold, production; the 16th century, seldom-performed morality play, "Everyman."

Choice of the play in itself was, by many drama standards, a daring one, and its setting only served to emphasize this. Held in tiny, but beautiful St. Mark's Chapel on the university campus, the play was more than a performance. It became almost a moving service.  
It is not the first time Bishop's has attempted a work of this general nature. A few years ago, a university drama group played "Go Down Moses" in St. Peter's Church in Sherbrooke.  
Associate Professor of English at the university, Arthur Motyer directed both productions, among many others. He and his players have fashioned for Bishop's a fine dramatic tradition — a tradition which has important implications in the future of Canadian drama as a whole.

## Asinine Law Enforcement

Some of the absurdities of law, or at least of the views taken by certain law-enforcement officials on the meaning of these laws, is illustrated by a recent case in Ottawa when a man was arrested and charged with assault because he chose to protect his wife against a sex moron. The moron went free completely.  
Evidence submitted in court showed the wife of an Ottawa fireman was getting calls from an anonymous man. He would telephone and then say all manner of obscene things. Finally, the woman asked him to call on her. The husband waited in hiding.  
After entering the house, the man

evidently suspected a trap, for he ran out. The husband followed him giving chase while his wife called the police. Catching the trouble-maker, the husband tried to hold him. When the moron struggled the husband hit him hard enough to break his jaw.  
Magistrate Glenn E. Strike threw out the assault charge, explaining the fireman had the right to use reasonable force to take the man into custody. But the fireman had been arrested and charged for defending his wife.  
Such actions tend to bring all laws and enforcement agencies into disrepute.

## Unique Situation

South Africa seems content "to let the rest of the world go by."  
The Telegraphs Ministry has announced that the government does not intend to introduce television into that country.  
What a situation!

Parents will continue to be able to send children to bed on time with comparative ease. Living rooms will remain calm without any shouting by salesmen of patent medicine. Conversation in the home will stay as part of South African culture.

## European Agriculture

### Small Farmers Have Tough Time

LONDON (CP)—Small farmers in Europe are having just as tough a time as their counterparts in Canada.  
The mechanization of agriculture is making it increasingly difficult for individual operators to earn an adequate living from the comparatively small patches of ground that supported their ancestors for generations.  
The economic problems of small family farms have an impact far beyond the borders of the countries concerned.  
They are serious hurdles on the road to European economic unity. And they arouse fears among the large exporters of foods, such as Canada, the United States, New Zealand and Australia.  
**CANADA'S SURPLUS BIG**  
This is largely because any more to improve farm incomes in Europe seems likely to boost farm production at a time of

large surpluses in countries such as Canada.  
Economists studying European agricultural conditions stress that the pursuit of national aims in agriculture is bound to give rise to results that are uneconomically desirable.  
One study group—political and economic planning—says measures have helped to raise their own farmers' incomes and to protect them from price fluctuations. But while the problem of low agricultural incomes remains to be solved fully, national policies have created or aggravated other difficulties.  
The group says expansion of output by price incentives encourages high-cost production. This has been reflected in higher

### DRUG LAW FAILS

(Vancouver Province)  
The case for legalized narcotics grows.  
On Sunday five top men in the field, in a CBC forum, agreed that our present law which sends addicts to jail does not cure addicts, does not prevent the development of new addicts, does perpetuate the drug traffic as a vast illegal profit-maker.  
They were not theorists. They were all men who deal every day with the addicts—the Vancouver city prosecutor, the director of the John Howard Society, the Oakalla prison doctor, a minister, the director of the Narcotics Addiction Foundation of B.C.  
At least four of them know as much about the narcotics problem as any men in Canada.  
Not one of them say anything useful in our present punitive method of handling addicts. Nor did the medical men among them hold out much hope for that other pet theory of the anti-legalization group—a vast treatment program. Most addicts are simply not curable.  
Such an expert body of opinion, joined to the opinions of most other students of the narcotic problem, cannot be ignored indefinitely by the law makers. If the law does not work, common sense requires that it be changed.  
And if those who oppose the legalization of drugs have any workable alternative to propose, it is time they put it forward.

### FOR SICK PEOPLE

(Vancouver Province)  
Perhaps one reason why there is so much delay in the provision of hospital beds is that those most concerned—the desperately ill—are not in a position to campaign for them.  
Healthy people, unless they are extraordinarily gifted with imagination, find it difficult to comprehend the agony of one who is seriously ill and cannot get hospital treatment.  
Well men can fiddle around with committee meetings, surveys and arguments about definitions of chronic illness, and convince themselves that there is plenty of time to take the measured approach to the provision of hospital beds. But it is amazing how swiftly a serious pain can alter this attitude.

### HERRING SCARCE

GREAT YARMOUTH, England (CP)—This fall's herring fishery is the worst ever known in this Norfolk seaport. The herring have deserted their normal feeding grounds and fishermen blame continental trawlers for over-fishing and a possible change in habits of the fish.

## Classic Tale

### Tattoo Identifies Mystery Man

AUCKLAND, N.Z. (CP)—The story could have been told by O. Henry, or possibly Somerset Maugham. It happened here in real life—the evidence of the tattoo.  
An elderly man was found unconscious outside the main hospital in Auckland. He was taken into the hospital but died within a day without regaining consciousness.  
He carried no clue to his identity, so the police broadcast a description. No relatives appeared, but a widow, Mrs. Dor-

othy May Leslie, came forward and told police she knew who he was, his age and early life. She was his wife for 48 years. Yet she made a positive identification, open to no possible doubt.  
She told the story at the inquest. The dead man, she said, was Harry Francis Rose, aged 70. She last saw him alive in 1911 when he was employed as an orderly by the Auckland hospital board.

## Press Comment

### WHY ERECT A STATUE?

(Fort William Daily Times-Journal)  
Between three and four hundred years ago Walter Raleigh removed his cloak and spread it over a muddy spot so that Queen Elizabeth wouldn't get her tootsies dirtied. For that and other reasons, the Queen did all right by Walter. He was knighted. He was awarded several lucrative posts. Great estates were deeded to him. He became an explorer and was the one to introduce tobacco to England.  
Unfortunately for Raleigh, he fell into disfavor as easily as he had gained it. He became too familiar with one of the Queen's maids of honor and Elizabeth forced him to marry the young lady. Some of his land was taken away from him. He was lodged in the Tower of London. His fortunes sank lower and lower when King James took a strong dislike to him.  
To cut a long story, he was finally executed.

The occasion for rehashing this bit of history is the fact that a statue of Raleigh has been set up in London. It was unveiled this week and members of the National Society of Non-Smokers gathered around to express their antipathy to this earlier Englishman who established the habit of pipe-smoking.  
People in a free country may do what they like, including non-smoking. By the same token other persons may erect a statue of Sir Walter Raleigh. But the question arises: why?

### HITTING THEM HARD

(Sudbury Star)  
Give us more magistrates like Magistrate Strike, of Ottawa, and there will be a drastic reduction in the number of careless and reckless drivers on the highways. This will also accomplish the desired result of reducing the highway accident and death toll.  
A 19-year-old youth sped away from Ottawa police when waved down. He drove up to speeds of 60 miles an hour and whizzed through two red lights and a stop street. He was brought to a stop when his car hit a curb and blew a tire.

"The main protection we can give the public against drivers like you is to take you off the road for as long as possible, and that's what I intend to do," said the magistrate. He suspended the youth's driving licence for two years, the maximum permitted for the offence under the Highway Traffic Act, and fined him \$100 and costs.  
"I'll probably have to sell my car to pay the fine," complained the youth. To which the magistrate replied: "That would be an ideal arrangement."  
Each traffic offence must be

considered on its merits and each offender punished accordingly. In flagrant cases, the offender is best served when the magistrate "throws the book" at him. If he is finally reinstated for driving privileges he may have learned that driving is a privilege and not a right, and that traffic laws are made for public safety.  
**SOVIET STILL TWISTS ARMS**  
(Fort William Daily Times-Journal)  
When Harry Truman was president of the United States and Dean Acheson was secretary of state, the two were sometimes accused of being "soft" on Communism and the Soviet Union.  
So it is rather interesting to read now that Moscow Radio is campaigning against the two, charging that they are carrying out an attack against the "new hopeful tendencies in world affairs."  
Continuing, Moscow said, "They are now making speeches in which they try to cast aspersions on the idea of the exchange of visits between the heads of government of the U.S.A. and the U.S.S.R. in particular they speak against negotiations on the Berlin question."  
"In their opinion, it seems, there is nothing to prevent the cold war, which they waged in their time with such zeal, from continuing indefinitely. If this is so they show the most amazing lack of understanding of the actual situation that has arisen. There are only two alternatives today: either peaceful coexistence and negotiation, or we face the abyss."

In spite of all the genial showmanship he exhibited in the United States, it seems Nikita Khrushchev is still in the business of trying to twist arms.

### MARRIAGE MILLS

(St. Louis Post-Dispatch)  
Are U.S. colleges becoming marriage mills and fun factories, more devoted to beauty queens than higher education? Student unions, from dawn to dusk, resound with the blare of the jukebox, the clink of coffee cups, the clatter of bowling balls, the snap of playing cards, the gentle creak of lounge chairs and, in the plushier ones, the splash of languid bodies in tepid swimming pools.  
Values have changed, but the purpose of the university has not. We should awaken to the encroachment upon the main purpose of a college by an accumulation of irrelevancies which together make up a "second curriculum" that, regrettably, often takes precedence over the first.

## Bygone Days

**THIRTY YEARS AGO**  
Andre Tardieu has succeeded in forming a government which has received the general support of the French Chamber of Deputies.  
The following officers were elected for the E.T. Junior Hockey League: E. Kenally, P. Dion, W. P. McVie, C. B. Howard, M.P., and P. A. Bissonnet, M.L.A.

### TWENTY YEARS AGO

The German Government has offered a large reward for the capture of the alleged attacker of Adolf Hitler. The plot was said to be organized by British agents.  
The Liberal Government of Adolphe Gouibout was sworn into office, pledged to the strictest economy in provincial affairs.

### TEN YEARS AGO

Mayor Alphonse Trudeau issued a special proclamation today setting aside Nov. 19 for the observation of National Kid's Day in Sherbrooke.  
Smashing Democratic victories in New York's United States Senate race and in city elections in many parts of the country set President Truman and his party high command chortling today over the outlook for 1950.

### O CANADA

(Calgary Albertan)  
Calgary must be just about the only place in the whole country where gatherings of people are told where in the program to find the words of O Canada. This city has a greater percentage of Americans than any other in the country, and many of them are avid football fans, but isn't it demeaning Canadian nationhood just a bit to announce at each Stampeder home game that the words of the national song (if not the national anthem) can be found on page such-and-such of the printed program?

"NOW HERE'S A DANDY QUESTION!... NO PROMPTING, PLEASE!"

## Jacoby On Bridge

### PLAY, DEFENCE BOTH SHARP

Here is a rather prosaic looking hand that gives opportunity for considerable study of both play and defense.  
Of course, the four-heart contract is overambitious and a club opening or immediate club shift would beat it easily but West opened and continued diamonds and South ruffed the second lead high.

At this point he could have tried for five by leading a trump to dummy, ruffing another diamond high, drawing trumps and knocking out the ace of spades for club discards but East could take care of this line of attack by simply ducking spades twice. So South thought of a better line.  
He drew two rounds of trumps and played the king of spades. East ducked so South continued with a low spade to the jack and East ducked again.  
A third spade knocked out East's ace and he promptly led another diamond.  
This forced South to make another good play but he was up to it. Instead of ruffing he simply discarded a club. Now he was able to ruff the next diamond with dummy's queen, cross to his hand and make good the last two spades.

## matter of FACT

One of the most sinister and clever stratagems of war was planned around an ancient Indian game. Two teams of Indians began to play lacrosse outside an English fort in Michigan in 1763. Soon the guards at the fort were lured to the playing field to watch. Suddenly the Indians snatched up weapons concealed under the blankets of their squaws and fell on the soldiers. After the massacre the Indians burned the fort to the ground.

time ceremony in the town square. The members of the Sherbrooke Regiment Band under the direction of Bandmaster, O. W. Lewis, led the parade, followed by veterans of the Army, Navy and Air Force Veterans Association, and Lennoxville Unit 318 of this association, representatives of Boy Scouts and Cubs, Girl Guides and Brownies, the Sea Ranger Crew, and other organizations.

Archdeacon T. J. Matthews and Rev. A. B. Lovelace, B.A., B.D., conducted the memorial service, which began at 12:15.

Mr. Ronald Lane read the names of the Lennoxville men who gave their lives during the war. Mr. Lewis Evans read those from Bishop's College School and Paul Jones read the Bishop's University memorial list.

Wreaths were placed at the Lennoxville cenotaph by Mayor Ernest Gilbey on behalf of the Union Screen Plate Co., and Mr. Kenneth Herring, representing the Town of Lennoxville.

Others were placed there by Bishop's University, Bishop's College School, Army, Navy and Air Force Veterans, Lennoxville W.I. and various other local organizations. The Sherbrooke Regiment firing party was present for the ceremony which followed a special memorial service in the Lennoxville United Church.

**ASBESTOS**  
Remembrance Day services were held at the Asbestos cenotaph on Du Roi Street yesterday at 2 p.m.

The parade included members of the Canadian Legion Branch No. 141, of Asbestos, the Asbestos Harmony Band, the Frontiersmen and RCA Cadets who formed up at the St. Aime College and paraded through the town to the cenotaph.

Addresses were given by the Padre G. MacDougall, Mayor Gaston Theroux, Emilien LaFrance, M.P.P., and Victor Dubois, M.P. The Roll Call was read by Comrade Albert D. Tector and responded to by Comrade Bruce Mills. Following the placing of wreaths on the cenotaph, appropriate selections were played by the Band.

**DANVILLE**

Members of the Canadian Legion Branch 41, the 711 Huskars, "A" Squadron, the Ladies Auxiliary, Girl Guides and Boy Scouts formed an impressive formation around the cenotaph in the Danville Town Square, yesterday morning.

The Roll Call was read and wreaths were placed at the cenotaph by friends, loved ones and merchants.

Prayers were offered by Rev. Tupper and Rev. Blair. Mayor Bertrand Vermette gave an address honoring the loyalty of the war dead to their country.

**WATERLOO**

The Waterloo Band led their Armistice Parade which formed up at the Canadian Legion Hall at 10:30 a.m. and paraded to the cenotaph in front of the Post Office.

Members of the Legion, Branch 77, the High School Cadets, Ladies Auxiliary to the Legion and Boy Scouts and Cubs were also in the parade.

Color bearers for the Legion were Walter Hughes, George Young, Henri Champoux and Jimmy Aiken. Cleve Pugh played the Last Post.

Following a two minute silence, wreaths were placed at the base of the cenotaph by the Legion and Ladies Auxiliary by respective presidents Bruce Soles and Mrs. Mary Dix, Windsor Holloway was Sergeant-at-Arms.

**Tanker Toll Seven**

By JIM BOWMAN  
HOUSTON, Tex. (AP)—A wall of fire, spread by a series of rumbling explosions, engulfed the tanker Amoco Virginia at her ship channel berth Sunday. The captain and six sailors were trapped and killed. Twenty-five other persons were injured.

The flames fed on 135,000 barrels of high test gasoline and fuel oil in bunkers at the American Oil Company's 12,000-ton tanker. They threatened the heart of the biggest oil refining and petrochemical centre in the U.S. for 19 hours before firemen brought it under control.

"It spread like a prairie fire," said seaman Joseph R. Daley, 37, "as it spread, a solid wall of flames 100 feet high swept the ship."

More than 300 firemen who came from as far away as Lake Charles, La., battled the blaze. A blizzard of foam finally smothered the main fire in the tanker's forward bunkers — which had held 90,000 barrels of aviation-type gasoline.

**K's Trip Discussed**

PARIS (Reuters) — President Charles de Gaulle conferred today with Soviet ambassador Sergei Vinogradov on the date for the forthcoming visit to France of Nikita Khrushchev. Vinogradov told reporters after the 10-minute session that he saw de Gaulle to propose a date for the premier's visit but did not specify what it was.

that Canada's interests shall not be sacrificed. And: 'We have made it clear that Canada's co-operation for defence demands that Canada's economic interests shall not be disregarded.'  
"Let some of the brave words we have been hearing from the prime minister about the strength of our influences with the U.S. now be translated into action."

**Latins In Waterloo**

WATERLOO —(Special)—Between 40 and 50 members of the Association of Latin-American Consuls and their wives were in Waterloo on Saturday morning to visit the two plants of Slack Brothers.

Their main interest was to see the mushroom growing industry. Nine Central and South American countries were represented: Brazil, Bolivia, Colombia, Guatemala, Honduras, Mexico, Panama, Peru, Spain, Venezuela, Dominican Republic, Haiti, Portugal and Argentina. Altogether consuls from 18 countries were in Canada for this good-will visit.

They were met at the town limits by police escort and taken to the City Hall where they were formally received by His Worship, the mayor, and representative citizens at a cocktail party. The group left shortly after luncheon at the Mont-Shefford Hotel in Granby. Slack Brothers were hosts.

ings by regular troops although there was evidence of arms aid. Soviet deputy foreign minister Vasily V. Juzznetsov, after conferring with Hammarskjold Friday, told reporters his government was against any UN intervention in Laotian internal affairs.

**INTERVENTION HERE?**  
Kuznetsov, however, would not say whether he would consider a visit by Hammarskjold to be intervention.

The UN announcement said Hammarskjold's visit is "strictly limited to the fulfilment of duties incumbent upon the secretary-general under the charter, and has no implications as regards the internal situation in Laos, the external relations of that country, or the arrangements agreed upon in Geneva in 1954."

Russia has insisted the Laotian situation should be settled in the context of the 1954 agreements which ended the Indochina war and established an international truce commission for Laos, including Canada, India and Poland.

Dalton, president of the Ladies Auxiliary; Mrs. Ward, and Lt.-Col. E. McGovern, C.O. 7/XI Hussars.

RICHMOND — (Special) — Branch 15 of the Canadian Legion, B.E.S.L., held its annual Armistice Banquet Saturday night in the Legion Hall with about 125 persons attending. H. Stevens, first vice-president of the branch, chaired the evening in absence of president L. R. Dalton. Guest speaker for the evening was Lt.-Col. D. W. Ward, C.O. of the Sherbrooke Regiment. His talk dealt briefly on the work of the militia; how it has come into a new concept for national survival. Col. Ward said that this body

recruited persons with the purpose of helping out in time of disaster. He felt that organizations, such as the Legion could help in this way by forming their own groups and appointing a leader. They would assist the civilian population in the same way as the militia. Cde. Stevens welcomed the guests and introduced those seated at the head table: Col. and Mrs. Ward; Col. and Mrs. McGovern; Mayor and Mrs. C. W. Armstrong; Rev. H. I. Apps, Rector of St. Ann's Anglican Church; Cde. A. Dalton, President of the Ladies' Auxiliary to the Legion and Cde. L. Stevens. A toast to the Queen was proposed by Cde. E. Campbell while Cde. A. E. Bishop, branch secretary, proposed a toast to the fallen comrades. Following this, Cde. L. R. Delaney proposed a toast to the ladies which was replied to by Cde. A. Dalton who thanked Cde. Delaney for the kind words said and wished success to mem-

### Anglican Church Views Sector Plan At Waterloo

**WATERLOO** — St. Luke's Anglican Church congregational supper was held, and the tables were attractively set and the meal was served by the Girls Auxiliary and their leader, Miss Prue Martin.

At the head table were Messrs. Al Renihan, Murdie MacIntosh, Walt Hughes, Doug Osborne, Phil Bonnick and Orrin Rexford. Mr. Renihan, as general chairman opened with a few remarks as to the purpose of the Sector Plan. He then extended the thanks of the congregation for the wonderful work Mr. Rexford is doing in helping the parish during the interim without a rector.

Mr. MacIntosh outlined the proposed program for the church's budget. The resources chairman, Mr. Osborne, made comparisons of last year's to this year's, and Mr. Bonnick answered questions on the proposed program and budget. As treasurer of the church, he had facts and figures ready for the parishioners.

Before closing, Mr. Rexford responded to the vote of thanks and expressed his pleasure and satisfaction in the way the work of St. Luke's has been carried on by the members during the difficult period with no incumbent.

Mr. Renihan then called in and publicly thanked Mrs. "Joe" Royea who had catered so efficiently for the supper and the girls of the G.A. who had served all the guests so well. He also thanked Irving Slack who was in complete charge of the supper arrangements.

### DISTRICT MEETING

A District Sectional Meeting of the Sector Plan was also held in St. Luke's Church Hall. Representatives from the Anglican and United Churches of Knowlton and Granby and Waterloo were present. The Doctor Says

HESITATING REGULATOR IN THE BODY IS CAUSE OF ACNE

By Harold Thomas Hyman, M. D.

Many young people get acne or facial pimples. You must understand the nature of this common complaint before you can hope to control it.

Here are the facts: Acne is not a disease. It is a reflection in the mirror of the skin of profound changes that regularly and normally take place in our glands of internal secretion.

At all times, our blood contains a certain amount of male sex hormone (androgen) and a certain amount of female sex hormone (estrogen).

Under normal conditions, the blood content of androgen and estrogen is kept in balance in much the same way that a thermostat regulates the temperature of your heating or cooling system.

The principal regulator of this balance is the tiny pituitary gland that occupies a compartment in the skull between the openings of your ears.

When the body needs more female sex hormone, as in pregnancy, the pituitary signals for more estrogen and related glandular products. One visible result of this shift is swelling of the breasts preparatory to secretion of milk.

When the body needs more male sex hormone, as when the lad becomes a young man, the pituitary signals "more androgen!" You become aware of this shift as the boy's voice cracks and then deepens and when fuzz appears on his upper lip and chin.

During the delicate period when boy and girl "come of age," the pituitary adjustment flickers a bit like electric lights in a thunderstorm. When this flickering results in a slight overproduction of androgen, the skin mirrors this change by becoming pimply.

This is what happens to your skin when your blood contains an excess of androgen: The millions of oil glands whose secretions usually keep your skin smooth work overtime and your face looks greasy, especially in folds and creases.

Instead of flowing easily out of the many oil sacs, the cheese-like secretion of the skin glands plugs the opening. You have a whitehead. Dirt darkens the surface and it becomes a blackhead.

Sooner or later, skin bacteria set up housekeeping in the plugged sac and the next thing you know you've a pointed pimple. The pimple breaks or you squeeze it. Then the infection is seeded in surrounding oil sacs and then you have a crop of pimples.

Tomorrow: True and false about pimples.

DENISON'S MILLS

Mrs. W. J. Denison attended the awards presentation night in Ormstown. Miss John Denison, who graduated from Grade 12 was the recipient of the Cavers Memorial Cup for obtaining the most points for the senior girls in sports. One dozen red roses were presented with the trophy. Miss Denison also received an academic proficiency award. An outstanding Grade 11 student, now attending Bishop's University, Lennoxville, was Miss Allanne Hooker, of Ormstown, who received a great many awards and scholarships.

Mrs. Michael Ryan, of Montreal, and her sister, Miss Boisvert, were guests of their sister, Mrs. Forrest Rief, and Mr. Rief. Miss Joanne Lyster, daughter of Mr. and Mrs. Everett Lyster, (Beatrice Denison) is recovering from her recent serious accident and is home from the hospital. Miss Sandra Walsh who was also injured in the same mishap, has returned to her home in Montreal.

Graduating Class Honored At Banquet Prior To North Hatley School Opening

NORTH HATLEY - The pupils of Grade Ten of the High School honored the members of the graduating class of the previous term at a dinner, at which members of the local School Board, the teaching staff, and other guests were present.

The toast to the Queen was proposed by Mrs. F. Loomis, a member of the teaching staff, and the toast to the graduates was proposed by Nancy Woodard, president of the Students' Council.

Following the dinner, in an assembly in the Memorial Gymnasium, K. Dean, chairman of the School Board, welcomed those present. He spoke a special word of welcome to the new teachers as he introduced them. They are, Mrs. Ross Jenne, of Lennoxville, Mrs. G. Young, of Massawippi, and Mrs. G. Chapman of Lennoxville.

The valedictory was given by Miss Eleanor McKnight, and Mrs. H. Montgomery, principal, assisted by Mr. Dean, distributed the prizes.

Guest speaker, Philip Lawrence,

of the Lennoxville High School and a former principal of Coaticook High School, was introduced by Mr. Dean. In his talk, The Dedicated Life, he gave a challenging message to all but one of particular interest to the graduates. His first duty, he said, was to welcome the graduates to the world outside the protective walls of the classroom; to answer the question, What's it like out there? and to suggest some of the ways to get along best in it. He stressed the fact that the world will be what you make it. You must have a sense of direction, and fasten on to a purpose, after considering what service you are best suited to perform. Mr. Lawrence concluded with the words of Wm. Saroyan, "In the time of your life, live, so that in that good time there shall be no ugliness of death for yourself or for any life your life touches."

After the program dancing was enjoyed with Les Beaulieu and his orchestra in attendance.

The prize list follows: Grade Seven - General proficiency, Deborah LeBaron Gaye Hatrick; mathematics, Christopher Bean; written French, Linda

## Marriage

PAIGE — HAMMOND

MONTREAL — The marriage of Barbara Jane, daughter of Mr. and Mrs. Ernest Hammond of Montreal, to Dr. Wilbur Ernest Paige of Rock Island, Que., son of Mr. and Mrs. S. M. Paige of Windsor Mills, Que., took place recently in Divinity Hall Chapel, McGill University, Rev. E. C. Knowles officiating. Mr. John Ringwood played the wedding music and Mrs. Donald Edwards was soloist. White snapdragons and candles in candelabra were used to decorate.

Given in marriage by her father, the bride chose a gown of white sheer wool worsted styled with a fitted bolero, and having embroidery of seed pearls and diamonds at the collar and sleeves, the full skirt having a flower-petal design. Her lace-veiled veil of net, embroidered to match her gown, was held by a diadem of seed pearls, and she carried a small white Bible adorned with white gardenias.

Miss Joan Hammond was maid of honor of her sister, wearing a short frock of French blue wool worsted having a fitted bolero and full skirt. Blue feathers formed her headdress, and she carried a cascade bouquet of shasta daisies.

Mrs. Gerald Wright, sister of the bride, as attendant, wore a similarly styled gown of pale green sheer wool worsted, with a matching feather headdress, and carried a cascade bouquet of shasta daisies.

Miss Katherine Anne Wright, niece of the bride, was flower-girl, wearing a full skirted frock of apricot wool worsted having a collar edged with topaz beads and a sash. Sweetheart roses formed her wreath headdress and bouquet.

Mr. John Duncanson was best man, and ushers were Mr. William Palmer and Mr. Gary Hammond.

Mrs. Hammond, mother of the bride chose a gown of cinnamon brown brocade, with a hat of velvet and feathers in shades of brown and gold, matching accessories, and a corsage of green orchids.

DR. and MRS. WILBUR ERNEST PAIGE, whose marriage took place in Divinity Hall Chapel, McGill University, Montreal. Formerly Miss Barbara Jane Hammond, the bride is the daughter of Mr. and Mrs. Ernest Hammond of Montreal, Dr. Paige of Rock Island, Que. is the son of Mr. and Mrs. S. M. Paige of Windsor Mills, Que. (William Notman & Son Photo)

Mrs. Paige, mother of the bridegroom, was gowned in moss green silk, wearing a white feather hat, brown accessories, and a corsage of white gardenias.

Following a reception at the Ritz Carlton Hotel, Dr. and Mrs. Paige left for the New England States, the bride travelling in a grey suit with a green French felt hat, and grey accessories.

Upon their return the couple will reside in Rock Island.

## Social and Personal

Miss Hattie Evans left today for a month's stay at Miami Beach, Fla.

Mrs. J. E. Lavers, Sr., of Ayer's Cliff, spent a few days with Mr. and Mrs. Weston Orr, Pacific St.

Mrs. Weston Orr entertained at her home on Pacific St., in honor of her aunt, Mrs. W. A. Hyndman, of Lennoxville, on the occasion of her 86th birthday.

Upon her arrival, Mrs. Hyndman was presented with a corsage of pink carnations by Mrs. Orr and greeted by thirty-four friends who were present to extend their wishes to the birthday guest.

In the tastefully arranged rooms where roses in brass containers were used to decorate, the lace covered dining room

table was centered with baby 'mums and a decorated birthday cake, at which Miss Mary Farnsworth presided.

Assisting the hostess in serving were Mrs. B. Pierce, Mrs. Burroughs, Mrs. A. J. Macintosh and Miss C. Farnsworth.

Mrs. Hyndman was the recipient of many lovely gifts and a decorated basket filled with cards, for which Mrs. Hyndman expressed her thanks.

During the tea hour Rev. and Mrs. A. B. Lovelace arrived to add their greetings to the guest of honor.

## Sew It Seams:

### Match Pattern To Figure

BY ANN VAN BUREN

Before buying a pattern, consider its lines. Consider the line most becoming to you. And get a pattern that's in line with your lines.

When considering the line to wear, DON'T accentuate the positive. If you are overly tall, don't choose straight, up-and-down lines. On the other hand, if you're on the short and wide side, don't wear wide, full skirts, wide collars, and broad belts.

To be well-dressed, it's not just a matter of one pattern versus another. Settle the matter once and for all, by analyzing your figure carefully. It is never too late to root out deeply imbedded preferences. Lines that may have suited you when you were thinner and younger may not be right for you now. And certain lines may never have been just right for your particular figure.

Learn to choose patterns with lines that emphasize your good points and minimize your bad ones.

If you're tall, over 5 foot 7: Avoid up-and-down lines that add to your height, unless you're a bit on the heavy side. Then, they have a slimming effect.

Wear the bold, dramatic clothes that only the tall can carry. Early in life, learn never to try to appear shorter by stooping.

Long-torso effects, long jack-

ets, and peplums cut height. If you're slim, wide belts, interesting torso details and double-breasted suits flatter you.

For tall, full figures: two-piece dresses, three-quarter- or full-length coats, straight or full-cut, and today's fashionable capes are great!

Short, 5 foot 3 and under: Do use up and down lines (such as button-front shirtwaist dresses), the new dresses with one-piece front and back, long tucks at

waistline, unbelted full-length coats.

Choose soft lines and details. Avoid big, splashy prints or plaids. Use small, subdued ones.

If slim, today's popular short boleros and high-cut waistlines are becoming.

If full-figured, the new, high-waisted skirts with fullness in bodice falling under bust are flattering.

If "topheavy": Never wear tight-fitting clothes or clothes with frilly details. Wear simple, untrimmed bodices with interesting skirt details.

Ease, rather than dart your bodice at waistline. A tight waistline accents a full bust.

Wear collarless coats with straight lines.

If slim: low-cut necklines, shoulder fullness, and boxy jackets with slim skirts are becoming.

If plump, use V-shaped vestees and dickeres, surplice bodices.

Large hips: Draw attention away from hips to upper part of figure with contrasting collars and cuffs, vestees, and blouses. Don't wear skirts too tight. Wear boxy, straight-out coats.

If average weight, wear criss-cross lines from shoulder to waist, contrasting darker skirts, bodices with front fullness, particularly flattering if flat-chested.

If plump, use interesting shoulder details; and shirtwaist, buttoned fronts are slimming!

Get in line! Then you'll know nobody is handing you a line when they tell you how lovely you look! All the time!

It would take a mighty big bite to polish off this cake. But William Flower isn't going to eat it. The Brantford Ontario, man makes a hobby of cake baking. They even win over ladies' entries at country fairs! And he made his own wedding cake. Flower's regular occupation is that of short order cook at a hamburger stand. He won't tell his wife his secret recipe. But Mrs. Flower says "I'm proud of him. Some people ask me if I bake cakes too. My reply is, Would you?"

### How Well Do You Know Your Husband? Try Test

How well do you know your husband? Perhaps, not as well as you think, if:

You never bother to listen to the ideas he expresses when you are in a group. Even husbands whose wives complain that they never talk to them usually speak up when they are with a congenial group of friends.

You really don't know what he

hopes to achieve in the future? All of the friends the two of you share are actually YOUR friends since you have never made any effort to get acquainted with the wives of the men who are your husband's close friends.

You have never bothered to study the women your husband considers attractive and those that bore him to find out just what qualities he considers most important.

You always try to get your own way when the two of you disagree about such things as what is best for the children or financial matters, instead of honestly trying to see his point of view.

You never consult him when you buy something for the house, considering the advice of your friends more important than your husband's ideas.

When it comes time to buy your husband a gift, you honestly don't know what to give him.

The two of you never read the same books or discuss local and world affairs.

When he is grumpy you never bother to try and find out why.

You are so sure that you know what is best for the children that you make decisions concerning them without discussing the matter with your husband.

You are one of those women who think all men are pretty much alike.

## Sugar-Plum Whirls

Yield—18 buns  
1/2 cup seedless raisins, 2 tablespoons chopped mixed peels, 3 tablespoons chopped nuts, 1/2 cup milk, 3 tablespoons granulated sugar, 1/4 cup shortening, 3/4 teaspoon salt, 1/2 cup lukewarm water, 1 teaspoon granulated sugar, 1 envelope active dry yeast, 1 well-beaten egg, 2 3/4 cups (about) once-sifted all-purpose flour.

Combine raisins, mixed peels and nuts. Scald milk; stir in the 3 tablespoons sugar, shortening and salt. Cool to lukewarm.

Measure lukewarm water into a large bowl; stir in the 1 teaspoon sugar. Sprinkle with yeast. Let stand 10 minutes, then stir well. Stir in lukewarm mixture, well-beaten egg and 1-1/2 cups of the flour; beat until smooth and elastic. Stir in prepared fruits and nuts and sufficient additional flour to make a soft dough — about 1-1/4 cups more. Turn out dough on floured board or canvas and knead until smooth and elastic. Place in greased bowl. Grease top. Cover. Let rise in a warm place, free from draft, until doubled in bulk — about 1-1/4 hours.

Punch down dough and turn out on lightly floured board or canvas; knead until smooth. Divide dough into 2 equal portions. Shape each portion into a roll 9 inches long and cut into 9 one-inch pieces. Using palms of hands, shape each piece of dough into a slim roll about 14 inches long; then holding one end of roll firmly, wind dough closely to form a coil and place on a greased cookie sheet; tuck end of dough under each roll. Grease tops. Cover. Let rise in a warm place, free from draft, until doubled in bulk — about 45 minutes. Bake in a moderately hot oven (375°F.) 10 to 12 minutes. While buns are still warm, brush tops with the following Maple Icing.

### MAPLE ICING

1-3/4 cups sifted icing sugar, Milk, 1/4 teaspoon vanilla, Maple flavoring.

Combine icing sugar and sufficient milk to make an icing of spreading consistency. Add vanilla and flavor to taste with maple flavoring.

### Fashion

To wear inside the collar of a fur coat: a narrow fur scarf exactly matched. This is an idea from the Paris collections.

A new "hip" from Paris emphasizes the lower waist trend, takes a plunge at the back.

### Homemaking

Save steps and at the same time give the children something to do on ironing day. If you have a tea cart or something similar with wheels, put ironed laundry on it. Children then wheel the clothing to the linen closet and put the items away.

## Decorating Expert Says:

### Climate Influences Home Decor

By EDNA BLAKELY

TORONTO (CP) — One of the nicest things about Canadian homes is the open fireplace "which people really use," says Margit Bennett.

She is the decorating editor of a monthly magazine and in her travels across Canada she has developed a theory that the climate influences the color atmosphere of various areas.

"The Maritimes, with greyish weather, are conservative with color," she says. "The Prairies and Quebec burst into color because they both get a lot of snow and sunshine. It's not unusual to see turquoise or chartreuse on the Prairies."

"Vancouver has the soft shades again. Ontario is a nice medium because of its mixed climate. Ontario is more restrained than the West, but less conservative than the Maritimes."

BRIGHTER SHADES Many of the softer colors of imported cloths from Europe have to be re-dyed for Canadian use, she explained, in the upsurge of interest in decorating in Canada.

Canadians are more home-conscious since the advent of television, she thinks. "Canadians with their great pioneering spirit just never had time before. Now, with more leisure time, they're going to night school and learning more about decorating."

"We're getting away from suits and moving into the mix-and-match age," the Danish-

born decorator explained. One or two old pieces of furniture, for instance, are being mixed with contemporary pieces.

"It's much more difficult to do. You need a common denominator, such as color or a common finish."

A strong accent color can do wonders for a room, but if used too sparingly it's ineffective, and an overdose is even worse. "It's like painting or making a floral arrangement."

PERSONAL TOUCH Mrs. Bennett recommends a professional decorator—"just as you call a doctor if you are sick, or a dentist if you have a toothache."

"The interior decorator will build a nice frame around you, but it still needs your own finishing touches."

The best furnishings are comfortable, usable, and can justify their existence.

"If you're the type that becomes attached to things, try to choose good things, like books and perhaps a pottery vase."

Simple changes can often rejuvenate a room. "Rearranging the colors is one of the most inexpensive changes," she says.

And one of the great needs in home decoration, in Mrs. Bennett's view, is a basic design for children's furniture which will grow up with the child.

## ROLAND THOMAS FARR, OF SHERBROOKE

Friends here were grieved to hear of the death of a respected citizen in the person of Roland Thomas Farr, who passed away on Sunday, Oct. 11, 1959, at the Sherbrooke Hospital.

Mr. Farr was born Oct. 6, 1890, son of the late John Farr and Elizabeth Sullivan of this place. On September 22, 1920, he married Myrtle McGee, who survives him.

In addition to his wife Mr. Farr is survived by a twin brother, Austin, of Havelock, Ont., and another brother, Arthur, of Sherbrooke, a nephew, Francis Farr, and a niece, Edith Keyser, of Washington, D.C.

Mr. Farr was an employee of the Sherbrooke Machineries Co., Ltd., for 39 years. His great interest in life was his garden and flowers. He was also interested in all sports and was an ardent bowler for many years.

The funeral was held from the Johnston Funeral Home to St. Peter's Church on Wednesday, Oct. 14, at 3.30 p.m., Rev. G. Marston officiating. The hymns sung were "Nearer My God To Thee" and "Abide With Me." The bearers were William MacGregor, Cecil Mullins, Larry Dwyer, Leo Tracy, Victor Adams and Ralph Flanders.

Interment was in Elmwood Cemetery.

Many beautiful wreaths and sprays were silent tokens of the esteem in which the deceased was held.

Relatives and friends from out of town were: Mrs. Lena McGee, Bury; Mr. E. A. McGee, Mr. and Mrs. J. A. P. McGee and Mrs. L. Wheatley, all of Montreal.

## ABEL IRVING WHITE, OF MANSONVILLE

MANSONVILLE — This community and surrounding districts were saddened when, on October 10, Abel Irving White, a highly respected citizen and husband of Candace E. Aiken, passed away at his home in his 83rd year.

Born in Mansonville Sept. 22, 1877, Mr. White was the son of the late Abel C. White and his wife, Martha A. Norway. On Oct. 12, 1904, he married Candace Elvira Aiken of Glen Sutton, daughter of the late Alonzo H. Aiken and his wife, Annie S. Wright. He spent his entire life on the home farm until he retired eight and a half years ago to the home where they have since lived.

Mr. White is survived by his wife, seven children, Arlene MacDonald, Winston White, Lawrence White, Merle Bedard, all of Mansonville, Hazel Smithers, of Laprairie, Dr. Earle White, of Winnipeg, Man., and Doris Cameron of South Bolton, four sons-in-law, three daughters-in-law, 17 grandchildren, six great-grandchildren, and a brother, Rev. William White, of Starksboro, Vt. A sister, Mary Iris, predeceased him in infancy, also a half brother, Malcolm White, and three half sisters, Ruth Fullerton, Ida Smith and Cora Bailey.

Mr. Douglas Moffat, student pastor of the Mansonville Baptist Church, conducted the funeral service on Monday, Oct. 12, at 2.30 p.m. The church, of which he was a member, was filled with relatives and friends from far and near. Mrs. Guy George, organist, and Mrs. Henry Stehr sang "Saved by Grace."

Bearers were all neighbors, Guy George, Walter Woodard, Carlton Gately, Raymond Bedard, Arnold and Harold Aiken. Interment was in Mansonville Protestant Cemetery. The floral tributes were numerous and beautiful, showing the esteem in which the deceased was held.

The funeral took place on their 55th wedding anniversary. Mr. White had spoken many times of the coincidence that there had never been a death in the entire family since their marriage.

His only brother, Rev. William White, and all the children and grandchildren were present, except Dr. and Mrs. Earl White, of Winnipeg, and Rodd MacDonald, of Vancouver, B.C.

Among those from a distance who attended were: Rev. and Mrs. White, Starksboro; Mr. and Mrs. Max Chamberlain, Orleans, Vt.; Mr. V. R. Doncaster, Mr. Otis Doncaster, Mrs. V. Austin, Mrs. Vida Powers, Mrs. Wayne Doncaster, West Charleston, Vt.; Mrs. Rhodes, Newport, Vt.; Mr. Ely Clark, Mr. Homer Geer, Boston, Mass.; Mr. and Mrs. Grant MacDonald and Linda, Manchester, N.H.; Mr. and Mrs. Gordon MacDonald and Bobby, Montreal; Mr. and Mrs. Walter Smithers, Mr. and Mrs. Darrell Smithers, Miss Helen Smithers, Mr. George St. James, Mr. and Mrs. Murray Bedard, Laprairie; Mrs. Lynn Bell, East Farnham; Mr. and Mrs. Harry Haddon, Lennoxville; Miss Adelaide Haddon and Mr. Norman Haddon, Sherbrooke; Mr. Albert Haddon, Ste. Anne de Bellevue, and Mrs. Lloyd Harrison, of Bishopton.

Others attending were from Cowansville, Sutton, Highwater, Dunkin, South Bolton, Bolton Centre and North Troy, Vt.

## CLARENCE A. SMITH, OF COLEBROOK, N.H.

Formerly of Holland, Vt. DERBY LINE — It was with sadness relatives and friends learned of the death of Clarence A. Smith at a nursing home in Groveton, N.H., on Thursday, Oct. 22.

The funeral was held at Ra-

cine and Cass Funeral Home and largely attended by relatives and friends. Rev. Craig Wilcox, of Beebe Advent Christian Church, officiated. The bearers were Dean Flynn, Basil Whittier, Julien Wheeler, and Harry Goodall, Holland, Wesley Rumery, Derby Line, and Dalton Selby, Derby. Interment took place in the Derby Centre cemetery.

Born at Holland, Vt., on Sept. 12, 1875, Clarence A. was a son in a family of four children born to Joseph and Roxanna (Hall) Smith. In Nov. 1900, Mr. Smith was united in marriage to Mae Hull, and to this union was born four sons, Ralph, Burnie, Floyd and Arthur. Mrs. Smith died on November 5, 1933.

Mr. Smith lived most of his life in Holland, where he was a highly respected farmer. About 1944 he and Mrs. Smith went to Newport to make their home and after the death of his wife, Mr. Smith went to Colebrook to make his home with his son and daughter-in-law, Mr. and Mrs. A. Smith. He had been in failing health for about a year and in bed for a week.

Mr. Smith had been a commissioner of roads while in Holland. He was a former member of the Oddfellows Lodge and member of the Modern Woodmen of America. He was a good neighbor, always ready with a helping hand. His children and grandchildren will always remember his kindnesses. The beautiful floral pieces were silent

tokens of the esteem in which he was held.

Among those attending the fun-

## Two Top U.S. College Football Teams Are Stopped, Louisiana State And Northwestern Suffer Big Upsets

NEW YORK (AP)—Now that Cotton Lerner's foot and Dale Hackbart's arm have booted and tossed things into confusion, what's next for this crazy, mixed up past-time called college football?

Seventy-two hours ago, Louisiana State was rolling monotonously along with 19 straight victories and speculating on who might be its opponent in another Sugar Bowl appearance. Right behind was Northwestern, whipping everything in sight in the Midwest, looking toward the Big Ten title and the Rose Bowl and ready to march up to the head of the national class should LSU stumble.

Then Lerner kicked—two conversions and LSU fell to Tennessee 14-13, and Hackbart passed—a pair of touchdowns and Wisconsin spilled Northwestern 24-19.

Now mighty LSU is in a three-way tie for third place in the southeastern conference. Three of the four, either tied or ahead of the Tigers are bowl eligible: Georgia, Mississippi and Georgia Tech, with Tennessee another half-length behind. Auburn, second at 4-1 to leader Georgia (5-0), is out of it because of NCAA probation.

Northwestern now faces the challenge of winning a couple of tough road games, at Michigan State and at Illinois, in an attempt to grab back the roses from Wisconsin.

And when you consider a national leader, look at this partial roster:

Texas, with an 8-0 record and the southwest conference lead after a 13-12 escape over three-times beaten Baylor; Syracuse, 7-0 after holding off previously unbeaten Penn State's rally 20-18; Southern California, 7-0 after thrashing much-trashed West Virginia 36-9; Tennessee, Georgia, Mississippi, Auburn and LSU in the southeast conference; Northwestern and Wisconsin, both 6-1 and tied for the Big Ten lead; Clemson, the Atlantic coast conference leader, and others as dictated by sectional preference.

It promises to be a wide-open scramble to the end of the season. Three big weeks are left to unscramble the mess.

The big one was a 16-3 decision to Western. The Blues came back to down the Mustangs 13-7 in their second meeting and leave the two teams tied on points over the regular season.

The deadlock was settled on the basis of the two teams' scoring records against each other, and Western has a 23-16 edge in that department.

WHERE IS THE BALL? — A pretty good question when you glance at the group of junior football players who battled yesterday afternoon in the finals of the Sherbrooke Junior Football League. The players are covered with mud but despite this they gave a very good performance before Gaston Bergeron's Bears emerged champions.

## Gaston Bergeron's Squad Puts On Fine Display Under Adverse Conditions To Win Crown, Don Hodge Gets TD

In Sherbrooke Junior Football League action Sunday afternoon, the Bears edged the Falcons 10-6 to cop the loop championship for the first time. Much of the credit for the victory went to the Bear line whose hard blocking prevented many Falcon opportunities and backed many Bear offensive plays successfully.

Although the game was close throughout, the Bears held a decided advantage and battled superbly to take the match and the league crown.

The first touchdown was registered for the Bears when Lalante crossed the line for six points. The scoring play was followed up by a convert booted by Rodney Bray which brought the tally to Bears 7; Falcons 6.

Two spectacular plays in the third quarter thrilled watchers and were the cause of the only Falcon TD. The Bears started the exciting few minutes by racing ahead some 75 yards. This play was topped however, when Donny Hodge of the losers went around the end and romped some 87 yards for the touchdown. After an unsuccessful try for the convert the Bears lead 7-6.

Play on the field then settled down for the rest of the match and provided many close plays which brought spectators to their feet. The Bears strengthened their lead in the second half however when a kick netted three points.

The remainder of the struggle was evenly distributed in successful plays for each squad and saw several golden chances shattered by exceptional blocking and tackling. Neither club came close to the line for the rest of the match and play swung back and forth in the center of the field.

With only minutes to play, it seemed as though the Bears might rack up a second touchdown but they were foiled by time and had to be content with a 10-6 victory for the championship.

## San Francisco '49ers Are Surprise Club Of NFL, Stops Rams While Colts Are Upset By Redskins; Giants Win

NEW YORK (AP)—San Francisco '49ers are the surprise club of the National Football League and no doubt about it. But the most surprised bunch has to be Baltimore's world champion Colts, who now have dropped two in a row.

A 45-yard field goal by Sam Baker with 12 seconds left gave Washington Redskins a 27-24 upset over the chilled champs Sunday, sinking the Colts two games behind the '49ers in the race for the western conference title.

San Francisco, now 6-1 to Baltimore's 4-3, swept to its fourth straight success, nixing a jinx as Abe Woodson took off on a 105-yard kickoff return in a 24-16 decision over the Rams at Los Angeles. The game at the Coliseum, usually a tough spot for the '49ers, drew the day's largest crowd—94,376. The only longer kickoff runback is 106 yards by Green Bay's Al Carmichael in 1956.

In the eastern conference, three field goals by Pat Summerall carried New York Giants (6-1) to their fifth straight victory. It was a 9-3 job on Chicago Cardinals that maintained the Giants' one-game edge over Cleveland. The Browns (5-2) broke a tie with Philadelphia for second place by whipping the Eagles 28-7.

Chicago Bears tied Green Bay for third in the west by handing the Packers their fourth straight defeat, 28-17. And Pittsburgh Steelers tied Detroit Lions 19-10 on Bobby Layne's touchdown pass in the final 3½ minutes. It was the first deadlock of the season in the NFL.

Layne also kicked a 29-yard field goal and the tying conversion for the Steelers. A 73-yard touchdown drive after the open-to Harlon Hill in the second period.

Layne also kicked a 29-yard field goal and the tying conversion for the Steelers. A 73-yard touchdown drive after the opening kickoff and Jim Martin's 17-yard field goal in the fourth period did it for the Lions.

## Tottenham Hotspur Retains Top Spot In English Soccer, West Ham United And Preston North End Closing In

LONDON (Reuters) — The closest championship race in years in the English Soccer League's First Division saw a major shuffle among the challengers for the division leadership Saturday.

But Tottenham Hotspur was able to remain at the top of the standing despite its first loss of the season, a 2-0 home defeat at the hands of Bolton Wanderers.

West Ham United and Preston North End are only one point behind the Spurs. But West Ham has the edge on goal average.

West Ham beat Manchester City 4-1 and Preston notched a 4-0 home victory over last season's Cup winners, Nottingham Forest.

The defending champion Wolverhampton Wanderers, who had been in second place, were beaten 4-1 by Burnley.

In the Fourth Division, Millwall, which had gone 19 games without a defeat, was edged 2-1 by Notts County. Millwall's string tied the post-war record set by Liverpool.

Bolton's victory over Tottenham came on the strength of second-half goals by Dennis Stevens and Ray Parry.

West Ham, in beating Manchester City, scored first in the first half on a penalty kick by Noel Cantwell. John Tavish, Harry Obeney and Malcolm Musgrove scored the other West Ham goals.

Preston North End, which has won eight of its last 10 games, gained its victory on a long-range shot by fullback Willie Cunningham.

Newcastle United, which had lost three games in a row, came back with an 8-2 win over Everton. Newcastle's was the day's

## Bishop's And Drummondville Battle To Scoreless Tie In ETSA Cup Match

Bishop's Croziers and Drummondville battled to a scoreless tie Saturday afternoon in a soccer match at the University. Neither club could score during both halves and spectators were treated to an excellent game.

The Croziers maintained a steady edge on the visitors and swooped down time after time to the Drummondville goaler but were unable to tally a point. A very close call came in the first half when the Croziers put the ball in the net but the point was invalid due to an off-side.

Several times in the struggle, the hosts got a clear shot at the net but were foiled when the ball went too high or hit the goal post. Three times during the match, Dave Marler came rushing down on left wing with a golden opportunity to score only to be stopped by a wild kick.

Sparking the play for Bishop's in the forward position were Andy Patton, Dave Marler, and Dave Mellor whose driving offensive kept the Drummondville goaler on his toes at all times. Even when the visitors booted the ball up the field, the Croziers

## Fred Haney To Join NBC As Ball Telecaster

LOS ANGELES (AP) — Fred Haney, who resigned as manager of the Milwaukee Braves, Sunday disclosed he will become a baseball telecaster next season.

Haney will replace Leo Durocher on a National Broadcasting Company feature baseball game of the week.

Tom S. Gallery, director of sports for NBC, confirmed the appointment of Haney.

Haney, who guided Milwaukee to the National League pennant in 1957 and 1958 and the world series triumph in 1957, did the radio narration for both Los Angeles and Hollywood in the old Pacific Coast League in 1943-44-45. He was the Hollywood team's exclusive announcer in 1946-47-48.

Haney stepped back into baseball to manage the Hollywood Stars from 1949 through 1952 and then returned to the major leagues.

## Tudor Era Last To Arrive For International

LAUREL, Md. (AP) — Tudor Era, last year's disqualified winner, was the last of the expected field of dozen to arrive Sunday for Wednesday's eighth running of the Washington, D.C. International.

Mrs. Herbert Herff's six-year-old, oldest in the race, was trucked to Laurel race course from Aqueduct in New York where he had a three-quarter of a mile workout Saturday.

Trainer Arnold Winick planned to gallop the horse today one mile on the grass course of the International. The \$100,000 race is a mile and half.

Tudor Era and Cain Hoy Stable's Bald Eagle will carry the hopes of the United States in the International against the 10 other entries from France, Venezuela, Russia, England, New Zealand, Mexico, Australia, and Peru.

## Bygraves To Take In Bout At Toronto

TORONTO (CP) — Joe Bygraves, top contender for the British Empire championship, will be a ringside visitor when George Chuvalo of Toronto defends his Canadian title against Yvon Durelle of Baie Ste. Anne, N.B. at Maple Leaf Gardens Nov. 17.

Matchmaker Jack Allen said Bygraves will interrupt a visit to the United States to take in the bout.

Durelle will arrive in Toronto tonight on a flight from Montreal. He will be accompanied by manager Chris Shaban, trainer Ron Babineau, sparring partner Nat Dixon and cousin Joey Durelle, a welterweight who will see action in a preliminary bout.

## 315,865 Fans Take In Lions' Home Games

VANCOUVER (CP) — British Columbia Lions of the Western Interprovincial Football Union played before a record 315,535 fans in 11 games this year, the club announced Friday night.

Lions, who reached the playoffs for the first time, also set a record for a Canadian league contest with 34,717 fans at their third game here.

General manager Herb Capozzi said the total was up 54,500 over 1958 and 35,000 higher than the previous record year of 1956.

Capozzi also announced the resignation of line coach Ken Snyder, granted leave of absence during the football season from his Birmingham, Ala. job with the International Paper Company, is returning to full-time employment there but will continue to act as a scout for the club.

## Sam Snead Leads U.S. To Victory In Ryder Cup Matches Over Britain

BORRERO SPRINGS, Calif. (AP) — The victorious United States and the hopeful Great Britain Ryder Cup players scattered to various sections of the world today, most of them hoping to meet again in 1961.

Most of the friendly rivals came to this blossoming desert resort, not too far from the Palm Desert setting of their matches, for a one day pro-amateur event Sunday.

Today some were headed for home, others to Australia for the Canada Cup matches later this month.

Ryder Cup captain Sam Snead of the U.S., is headed with Cary Middlecoff for Melbourne.

The 47-year-old Snead was the hero of the just-concluded 13th biennial matches, which the U.S. won, 8½ to 3½ points, in the four scotch foursomes and eight singles play.

Snead routed one of Britain's best players, Dave Thomas 6 and 5.

Art Wall, Jr., won 7 and 6 over long-hitting Christy O'Connor. Wall lost in doubles matches in 1957 and 1955.

Capt. Dal Rees, the affable and able leader of the British, promised that "we will come back in 1961."

"Rees is getting no younger," he said, referring to himself, "but we have some good young players coming up."

He singled out Peter Allis, who halved his match with Jay Herbert in one of the most exciting events of the final day, and Norman Drew, who tackled tough Doug Ford, and battled him to an all-even decision at the finish.

The lone U.S. singles loss was suffered by Cary Middlecoff. Eric Brown defeated the American star, 4 and 3.

In other matches Mike Souhak defeated Ken Bousfield, 3 and 2; Bob Rosburg defeated Harry Weetman, 6 and 5; Dow Finsterwald defeated Rees, one up.

MacKay, a 23-year-old Davis Cup player, defeated Japan's Toshio Sato 8-6, 4-8, 6-3, 6-1.

# DO YOU KNOW

the 6 reasons why Allstate is Canada's fastest-growing auto insurance company?

- 1. SAVINGS** Substantial savings are common with Allstate compared with rates charged by most other companies. As you'd expect, savings depend on where you live and how your car is used.
- 2. SERVICE** Allstate claims expeditors have the authority to settle claims themselves... right "on the spot" in many cases. Allstate has the largest full-time, salaried claims staff in the auto insurance business. Wherever you drive in Canada or the States, you know help from Allstate is always as near as the nearest phone.
- 3. POLICY FEATURES** Allstate prints its policies in large type, in a convenient booklet form. Illustrations help you know exactly what you're buying. An example of the protection available from Allstate is the \$50 "Disappearing Deductible" collision insurance. If collision repairs to your car cost over \$50—as they often do these days—this coverage pays more than ordinary collision insurance. In fact, if repairs cost over \$100, you pay nothing, and Allstate pays all of the repair bill.
- 4. PAY-AS-YOU-DRIVE** If it's inconvenient to pay the premium all at one time, you may take advantage of Allstate's Pay-As-You-Drive plan. A small amount down puts your policy in force, and you have several months to pay the balance. A fee of (25¢) per payment is all you pay for this service.
- 5. EASY TO BUY** Allstate's modern, relaxed selling methods make Allstate insurance easy and pleasant to buy. You buy direct from an Allstate Agent at most Simpsons and Simpson-Sears stores, or at Allstate Insurance Centres. This keeps selling costs low—savings are passed on to you. If you prefer, simply call and ask an Allstate Agent to visit your home.
- 6. MAY WE HELP YOU?** Those are the first words you hear any time you call Allstate. This is more than just a friendly greeting. It represents the spirit of friendly helpfulness that Allstate feels towards its customers all the time—not just when you buy a policy. Why not look in your phone book for the Allstate location nearest you, and stop in or call soon?

# Rough Riders Ride Into Big Four Final On 43-0 Shellacking Over Als

## 19,060 Fans Watch Alouettes Go Down To Humiliating Defeat, No Match For Smooth-Working Riders

OTTAWA — (CP) — The tightlipped coach of Ottawa Rough Riders has ventured the closest thing to a prediction he ever has made following Riders ride into the Big Four football final on a 43-0 shellacking of Montreal Alouettes.

Frank Clair said Sunday night in an interview: "He is confident Riders can beat Hamilton Tiger-Cats in the two-game total-points final starting here Nov. 14."

Edmonton Eskimos have a good chance of representing the West in the Grey Cup providing quarterback Jackie Parker stays healthy.

He wouldn't go as far as to express any opinion on the Grey Cup outcome, however.

Riders humiliated Alouettes before 19,060 fans in the sudden-death semi-final here Saturday on what Clair described as "good, solid play." Ottawa's defensive team could do no wrong and on offense Clair used his one-two punch, quarterbacks Russ Jackson and Vito (Babe) Parilli.

Jackson, a Canadian and a running wizard off the pass option play, started in this game as he has in every game since he helped pull Riders out of a five-game losing streak at the start of the season. Riders won eight of their last nine league games and Saturday's victory was their seventh straight.

The touchdowns were scored by Dave Thelen on a one-yard plunge, George Brancato on a six-yard end-zone catch from Parilli, Parilli himself on a three-yard sneak, Al Romine on a 74-yard run off an interception, Milt Graham on a 60-yard pass-and-run play off a Jackson forward and Bobby Simpson on an 18-yard end-zone throw from Jackson.

Gary Schneider converted all the touchdowns and Parilli added a single point early in the third quarter.

**GREY CUP TALK**  
All was jubilation and anticipation in Riders dressing room after the game. Talk of a Grey Cup championship hasn't been so prevalent here since Riders last went to the Canadian final in 1951 and beat Regina.

In the gloomy Montreal dressing room, "disgusting" was the summary of coach Douglas (Pea-head) Walker who may not be around next season.

Ottawa meets Hamilton in Ottawa Saturday in the first game of the eastern final. The second game will be played the following Saturday in Hamilton, with the Grey Cup game in Toronto Nov. 28.

The only possible lineup change for next Saturday was in the quarterback slot. Asked whether Parilli might start for the first time, Clair said "I wouldn't say that he wouldn't."

WATCH THE BALL — All eyes are on the ball passed by Alouette quarterback Sam Etcheverry (92) in Saturday's Ottawa-Montreal Big Four semi-final here. Rough Riders Lou Bruce (73) and Hardiman Cureton (53) close in as Bill Sowalski tackles Etcheverry. (CP Wirephoto)

## We've Got To Play Better Than We Have If We're Going To Win, Says Coach Bud Grant Of Blue Bombers

WINNIPEG (CP) — Meditating over a plateful of steak, potatoes and vegetables, coach Bud Grant looked up and said: "We've got to play better than we have all season if we're going to win."

The Winnipeg coach was talking about Blue Bombers' best-of-three Western Interprovincial Football Union final against Edmonton Eskimos which opens at 4 p.m. EST Wednesday in Edmonton.

Grant, who had just put Bombers through a strenuous workout, showed concern about the forthcoming series as he sat in the dining room where the players still were trickling in for their nightly, after-practice meal.

"If we play as well as we did during the regular schedule, and Eskimos play as well as they did," Grant said, "then they'll beat us."

"They've got to play worse, or we've got to play better."

**MENTION VAN PELT**  
Grant switched the conversation to the injury that sidelined first-string quarterback Jim Van Pelt. "Everybody is minimizing Van Pelt's loss. Many fans think Kenny (Kenny Ploen, second-string quarterback) is as good as Jimmy . . . that Winnipeg suffered no loss when Jim was hurt last year. . . that Bombers are better than last year. . . I disagree all around. Kenny is not as good as Van Pelt. Bombers were hurt both offensively and defensively when Jim suffered that shoulder separation, and we are not stronger than last year."

Besides Van Pelt, two other regular members of our 1958 Grey Cup championship team are missing—Keith Pearce (who retired) and Nick Miller (who is injured). They played a big part in our defensive backfield setup last year."

Grant quickly added: "All this doesn't mean we can't win with Kenny; but we have to play better football than we have anytime this year."

With Ploen coming off safely, Grant has had to move Rae Ross from half to safety. Norman Raufhaus will remain at one defensive half spot while Gordie Rowland and Carver Shannon have been working out at the other. Rick Potter has taken over Rowland's corner linebacker job.

## Quebec Aces Hold Springfield To 1-1 Tie; Reds On Winning Streak Again, Down Barons And Bisons

Providence Reds are back in business, a fact that doesn't auger well for their six rivals in the American Hockey League.

After winning eight of their first 10 games and then dropping four straight, the Reds now have a string of two successive victories.

They beat Cleveland Barons 4-0 Saturday night and hung a 9-1 defeat on Buffalo Bisons Sunday night.

The two victories, while Springfield Indians were downing Buffalo 5-3 Saturday and tying Quebec Aces 1-1 Sunday and Roch-

## Bruins Rolling Along At Record Clip With Uke Line Showing Way; Hawks Tie Canadiens Saturday 2-2

Coach Milt Schmidt expressed doubts about his Boston Bruins' scoring punch when the current National Hockey League season got under way.

But the Bruins, powered by the high-flying Uke Line, are scoring goals at a record clip.

Their latest outburst came Sunday night when they beat Chicago Black Hawks 5-3. The five goals gave the Bruins a total of 25 in their last four games—all victories.

The three other weekend games ended in ties.

The Hawks came from behind to deadlock Montreal Canadiens 2-2 at Montreal Saturday.

Spectacular net minding by Johnny Bower salvaged another 2-2 tie for Toronto Maple Leafs with Detroit Red Wings at Toronto Saturday.

Veteran Andy Bathgate scored a goal with less than three minutes remaining in the game to give the New York Rangers a 3-3 standoff with the Red Wings in Detroit Sunday night.

Boston has scored 53 times in 14 games for an average of 3.78 goals per game.

**FOUR POINTS PER GAME**  
The Uke line—Bronco Horvath, Johnny Bucyk and Vic Stasiuk scored three times Sunday night and collected three assists for a season total of 58 points in 14 games. That averages out to 4.14 points per game.

Referee Dalton McArthur called the penalty shot when Hawks' defenceman threw his stick trying to stop Horvath on a breakaway.

**HAWKS GIVEN PICK**  
Chicago was given the choice of picking the Boston player and Leach was selected but his shot was turned aside by Hawks' goalie Glenn Hall.

Elmer (Moose) Vasko gave the Hawks their tie with Montreal Saturday, scoring at 11:12 of the final period.

Bernie Geoffrion and Doug Harvey gave Montreal a 2-0 lead, both scoring on long screened shots while the Hawks were playing shorthanded. Stan Mikita got Chicago's other goal in the second period.

Toronto was outplayed everywhere but in goal Saturday night. Bower pulled off 33 saves in the last two periods when the Red Wings went all out for a victory.

Veterans Johnny Wilson and Bert Olmstead tallied for the Leafs while Alex Delvecchio and Norm Ullman scored for the Wings.

Bathgate's goal gave the Rangers a tie with the Wings Sunday after scores by Jim Bartle and defenceman Bill Gadsby.

Warren Godfrey, John McKenzie and Ullman scored for the Wings.

Toronto will be at Chicago in the next NHL game on Tuesday night.

**BRANTFORD COPS TITLE**  
BRANTFORD (CP) — Brantford Tiger-Cats won the Ontario Rugby Football Union intermediate championship here Saturday night when they defeated East York Argonauts 31-14. Brantford won the two-game, total-point series 51-19.

Montreal Royals have finally overcome the statistics to take possession of first place in the Eastern Professional Hockey League.

It was just a matter of time, it seemed, before they overtook Sudbury Wolves. Sudbury's 5-3 loss to Hull-Ottawa Canadiens and Montreal's 12-6 spree against Kingston Frontenacs Sunday put Royals one point ahead.

Before Sunday's games Wolves held the league lead by token of their act they had played three games more than Montreal.

Both teams now have eight wins. Montreal has two ties to Sudbury's one, but Wolves have lost six games while Royals have lost only two.

Montreal also has been on top all along in the fore-and-against columns. The Royals now have scored 58 goals and have had only 35 scored against them, by far the best record, while Wolves have scored 68 and had 60 scored against them.

A third team also has come into top - place contention. The Hull-Ottawa win over Sudbury left Canadiens just one point behind Wolves and two points short of Montreal's 18.

The fortunes of Sault Ste. Marie Thunderbirds lapsed with two weekend losses, a 5-1 drubbing at Sunday and a 3-1 beating by Kingston in the only Saturday game.

Kingston and Trois-Rivieres remain tied in the cellar with 10 points each while Thunderbirds hang on to fourth place with 13 points.

Sudbury could be dropped another peg and Montreal tied in first place with a Hull - Ottawa at the hands of Trois-Rivieres Lions win in the next league game which has Canadiens on Kingston ice Tuesday night.

Royals, who have yet to be beaten on home ice, scored four goals in the first seven minutes of their game against visiting Frontenacs.

## Referee Dalton McArthur Gets Slightly Mixed Up In Calling Penalty Shot Against Black Hawks

BOSTON (AP)—Referee Dalton McArthur Sunday night awarded Boston a rare penalty shot, but did it in a manner that violates the rules of the National Hockey League.

It came in the third period of the Boston-Chicago NHL game, won by Boston 5-3.

With Boston leading 4-2, McArthur awarded Boston a penalty shot when Black Hawk defenceman Al Arbour threw his stick attempting to stop Bronco Horvath on a breakaway in the attacking zone.

McArthur allowed Chicago to pick the Boston player who would take the shot.

The rule book, however, says that on the penalty and shot "any player designated by the team captain of the non-offending team not serving a penalty will, at the instruction of the referee, play the puck."

NHL umpire-in-chief Carl Voss attends the game and was sitting in the press box when the ruling was made.

**Awards Presented At Racing Closing**

The 1959 racing season came to an end yesterday afternoon and last night the various winners were honored at a special reception. The top photo shows Amedee Beaudoin, centre, being congratulated by Sam Fabi, vice-president of the club, for receiving the Dow Award for the best pacer at the track.

The other photo shows Jean-Paul Birsebois, right, presenting the Carling Red Cap Trophy to Gilles Lechance for finishing as the top driver during the current season. In the centre is Lionel Racicot, secretary of the Sherbrooke Club.

**Campanella Wins Special Award**

MIAMI, Fla. (AP)—Roy Campanella, former Brooklyn Dodger catcher and now a coach with Los Angeles Dodgers, was named Saturday as the first recipient of the Orange Blossom Classic's "most courageous athlete award."

Announcement was made by Dr. George W. Gore, Jr., president of Florida A. and M. University, which sponsors the annual Orange Blossom Classic football game in the Orange Bowl.

The award will be presented

Saturday, Dec. 5, during the 27th annual Orange Blossom Classic between the Florida A and M. Rattlers and a team yet to be selected.

**Shoemaker Gets Suspension At Aqueduct Track**

NEW YORK (AP)—Jockey Willie Shoemaker Saturday was

suspended for 10 days by the Aqueduct stewards. The suspension starts Tuesday.

Shoemaker, who had ridden 56 winners at the New York track going into Saturday, was suspended for hearing out in the stretch with Kathy Kim in the sixth race. Kathy Kim finished second, a head back of Apple Eva, but was disqualified and placed fourth.

**Doubles Steal Show On Final Card**

**\$450.30 And \$290.20 Collected Over Weekend As Season Ends; Trophies Presented At Special Event Sunday**

The Sherbrooke Racing Club closed the 1959 season yesterday afternoon with the daily doubles taking the spotlight. An enthusiastic crowd was on hand and they shelled out another bumper crop of greenbacks in their final effort to pick the winners.

The double of Bruno Chabot's Danny Brooke and Bergeron's Royal Dale formed the big payoff for the final weekend of racing when the sum of \$450.30 was doled out to lucky holders of the right ticket. Sunday afternoon another good amount for the double was paid for the combination of Joe Lemay's Our Horse and Beauchemin's Lady's Leon. The sum of \$290.20 was collected for the duo.

The most successful season terminated on a great basis as two well balanced cards were presented. Despite the heavy going the drivers went all out to pick up the final cash for the long wintery months ahead. No outstanding times were registered in fact nothing below 2.20 was clocked yesterday while Saturday 2.19 2/5 was the best.

The quinellas Saturday were \$12.10 for Cash Bohemia and Brown Flash H, \$86.40 for Royal Dale and Merrie Darnleyson in the sixth and \$11.00 for Canada Bill and Winston Rosecroft. On Sunday \$51.40 was paid for Jack Harvester and Tipvolo while \$9.10 and \$41.90 was paid for the winners in the sixth and tenth.

On Saturday Bergeron's Royal Dale paid \$20.80 for a win bet, which was the best, while \$33.60 was picked up Fabi's Merrie Darnleyson in place and \$7.80 for a show investment. These were tops for the evening card. On Sunday \$20.50 was gathered in for Tiger Hum's win finish while Forget's Maxwell Armstrong paid his backers \$16.60 for place while Our Horse's backers collected \$9.10 for his show in the first race.

In the main class Sunday Cameron's Upton edged out Beaudoin's Boum Boum Bumpas and Able Gallon in the first half of the class but the second trip it was a different story with Poulin's trotter going to the fore at the start and finished ahead of the field. Maxwell Armstrong and Fabi's Polar Dream pulled up behind while the favorites finished down the line.

The heavy track Sunday made it tough. Saturday the oval was hard but yesterday it thawed out and the horses had to paddle through the mud which made a big difference for one and all. It was the muddier day and they came through in fine style.

on Canada's changing skyline

**THE INTERNATIONAL NICKEL**

COMPANY OF CANADA, LIMITED  
 55 YONGE STREET, TORONTO

Modern, nickel-containing stainless steel buildings—like The Prudential Insurance Company of America offices now under construction in downtown Toronto—are changing Canada's skyline. In designing these new structures, Canada's leading architects are using stainless steel for the bright beauty of outside walls and trim, window frames, doors and smart, modern entranceways—the interior hardware, stair railings and ornamental accessories.

Stainless steel is an ideal architectural metal. It resists corrosion from the atmosphere and the weather . . . tends to wash itself clean with every rainfall. It won't crack, chip or deteriorate—stays bright for years with little or no cleaning or maintenance. And it harmonizes beautifully with stone, wood, glass and enamelled surfaces to produce striking architectural effects.

Nickel does great things for stainless—strengthens it . . . increases its resistance to rust and corrosion . . . makes it easier to fabricate. That's why Canadian architects, designers and manufacturers are specifying stainless steel containing quality Inco Nickel in architectural products.

Write for a free copy of "The Exciting Story of Nickel."

Now under construction at the corner of King and Yonge Streets in downtown Toronto, the new prestige 20-storey Canadian home of The Prudential Insurance Company of America will have stainless steel exterior facings and window frames . . . owner, Tusca Investments Limited; architects, Page & Steele and Peter Dickinson Associates.
