Daylight Saving Time

GENERAL INFORMATION

Canadian Medical Association Service Bureau

In charge of Drs. T. C. Routley and M. T. MacEachran.

Ninth Floor—South end of Elevator Corridor

Call and discuss the policies and activities of the Association, interchange views with these officials, and give them the benefit of your ideas and experience. Introduce to them your medical friends who are not members.

Question and Suggestion Box

At Information Desk—entrance to Registration and Exhibit Hall.

For your convenience in bringing matters of interest to the attention of the Executive. Questions, suggestions, criticisms will be gladly received. Sign your name and address.

Information Desk

At entrance to Registration and Exhibit Hall.

Will answer your questions or direct you to the proper authority.

Will receive incoming messages and inquiries and "page" the members called for.

Will issue automobile identification badges.

Daily Bulletins

A bulletin will be printed for each of the three days of the Association meeting and will be issued at the following places:—

Tuesday	June 12	Wicket No. 4, Registration Bureau.
Wednesday	June 13	Wicket No. 4 Registration Bureau and at each of the hospitals giving clinics on these forenoons.
Thursday	June 14	

The bulletins will announce changes in, or additions to, the Programme but will not repeat fixed details.

Telephone Messages

Incoming messages will be received at the Information Desk and members will be "paged."

Telephone booths are situated on the Ninth Floor corridor opposite elevators, and on the Main Floor.

Daylight Saving Time

GENERAL INFORMATION—Continued

Railway Certificates

Convention certificates will be issued from Wicket No. 6 Registration Bureau.

Incoming Mail

Mail addressed to members care of the Association will be issued from Wicket No. 6, Registration Bureau.

Local Addresses of Visiting Members

Enquire at Wicket No. 6.

Automobiles

Motor cars identified by the Canadian Medical Association "Green Cross" are at your disposal at all times.

Visiting members with cars may obtain these identification labels from the Information Desk, at entrance to Registration and Exhibit Hall. They will confer special "parking" privileges and consideration from the Traffic Police.

Be attentive to "Direction" signs on one way streets.

Beware motor car thieves.

The Automobile Club of Canada, New Birks Building, Phillips Square—Ground Floor—extends to visiting members the service of the Club.

Daylight Saving Time

BUSINESS SESSIONS

The Executive Committee will meet on Monday, June 11th, at 10 a.m. Convention Hall—Ninth floor.

The Council will meet on Monday, June 11th, at 2 p.m. Convention Hall—Ninth floor.

General Business Meetings of the Association will be held at the close of each Official Luncheon, and on Thursday, June 14th, will adjourn to the General Meeting Room to complete unfinished business.

To facilitate the transaction of business, members are requested to communicate with the General Secretary upon any matter of interest, in order that the Executive may appoint a Committee to study and report upon the question at issue.

CANADIAN MEDICAL PROTECTIVE ASSOCIATION

The Annual Meeting will be held on Thursday, June 14th, at 1.30 p.m. in the General Meeting Hall, immediately preceding the afternoon session.

PROVINCE OF QUEBEC MEDICAL ASSOCIATION

The Annual Meeting will be held on Tuesday, June 12th, immediately following the afternoon session.

Routine Business—Election of Officers.

ENTERTAINMENT

Official Luncheons will be held on Tuesday, Wednesday and Thursday at 12.30 sharp, in the Mount Royal Hotel—Salle Dorée—Ground Floor.

A Coupon for each luncheon will be found in the book of tickets issued upon registration. Price \$1.00.

At the close of the luncheon, routine business will be transacted. This arrangement is for your convenience and the economy of your time. Please attend and participate in the most important function of the Association, viz., Business.

Reception—Tuesday 8.30 p.m.

Ball Room—Ninth floor.

Addresses by Dr. S. E. Grondin, President of the Province of Quebec Medical Association; Sir Arthur Currie, Principal of McGill University; Dr. S.A. Kinnear Wilson, London, Eng.; and Dr. Malcolm T. MacEachran. Followed by a Reception and Dancing.

Garden Party—Wednesday 4 to 6 p.m.

Mrs. J. W. McConnell invites the members and ladies to a garden party at her country residence on the Lake Shore, Dorval.

Automobile transportation will be provided.

Banquet—Wednesday 7.30 p.m.

Mount Royal Hotel—Ball Room—Ninth floor.

A coupon for the Banquet will be found in the book of tickets issued upon registration. Price \$4.00.

Golf

Members desiring to play golf will be able to arrange games with local members, or may proceed to the following Clubs where, upon registration and presentation of C.M.A. Badge, playing facilities will be provided exempt from Green fees.

Kanawaki Golf Club	Mount Bruno Golf Club
Laval sur Lac Golf Club	Royal Montreal Golf Club (Dixie)

Jockey Club Races

Members desiring to attend the Races (Members' enclosure) will apply to a member of the C.M.A. Reception Committee.

Daylight Saving Time

ARRANGEMENTS FOR LADIES

Ladies' Committee Rooms

Mezzanine Floor—East Side

The Ladies' Local Committee will attend on Tuesday from 10 a.m. to 4.00 p.m., and on Wednesday and Thursday from 10.00 to 11.00 a.m. to receive visiting ladies, arrange for their entertainment and to give information.

Entertainments for Ladies

In addition to the *Reception* on Tuesday evening and the *Garden Party* on Wednesday afternoon the following special entertainment has been arranged for ladies, tickets for which will be issued in the Ladies' Committee Rooms.

Ladies' Banquet—Wednesday 7.30 p.m.

Salle Dorée—(Tickets \$2.00).

Golf Luncheon

Royal Montreal Golf Club (Dixie) Thursday 1.30 p.m.

Luncheon and Sail—Thursday 12 noon.

By invitation of the Harbour Commissioners of Montreal, the visiting ladies will be entertained on board the Commissioners' tug "Sir Hugh Allan." There will be a sail through the Harbour and down river.

Buffet luncheon will be served on board.

The trip will occupy about two hours. Transportation from the Hotel to dock, and return, may be secured from the Ladies' Committee.

Golf

Ladies wishing to play golf on any day throughout the meeting will apply to the Ladies' Committee.

Daylight Saving Time

Mount Royal Hotel, Mezzanine Floor.

Local Committee

Chairman, DR. LEO PARISEAU; *Scientific Exhibits*, DR. HOWARD
PIRIE; *Accommodation*, DR. W. A. WILKINS; *Entertainment*,
DRS. E. C. BROOKS and H. H. CHENEY

PROGRAMME

Tuesday, June 12

- 9.00 a.m. 1. Multiple Myeloma. *A. E. Walkey, Hamilton*
2. Gastro-intestinal Disorders. *W. H. Dixon, Toronto*
3. The Vertical stereoscopic shift technique; its advantages for spinal and pelvic examination. *Byron Darling, New York*
4. Carcinoma of the Colon. *W. H. MacGuffin*

CANADIAN MEDICAL WEEK

CANADIAN RADIOLOGICAL SOCIETY—Continued

- 12.30 p.m. Official Luncheon, Salle Dorée.
2.00 p.m. Joint meeting with the Canadian Medical Association.
4.00 p.m. Lantern slide demonstration by members.

Wednesday, June 13

Hospital Demonstrations

- 9.00 a.m. Montreal General Hospital.
10.00 a.m. Hotel Dieu Hospital.
11.00 a.m. Royal Victoria Hospital.
12.30 p.m. Official Luncheon at the Hotel.
2.00 p.m. Convention Hall—Ninth Floor.

Symposium on X-Ray Therapy.

1. Physics of Deep X-ray Therapy.
Leo Pariseau, Montreal
 2. X-ray Measurements in Deep and Superficial Therapy.
H. H. Cheney, Montreal
 3. Superficial X-ray Therapy.
W. A. Wilkins, Montreal
 4. Successes in Deep X-ray Therapy.
E. C. Brooks, Montreal
 5. Failures in Deep Therapy and Contraindications to its use.
Howard Pirie, Montreal
- 7.30 p.m. Banquet—Mount Royal Hotel, Ninth Floor.
Jointly with the Canadian Medical Association.

Thursday, June 14

- 9.00 a.m.—12 noon. Visit to the Radium Institute. University of Montreal.
(a) Theory and Physical Experiments.
Dr. Leo Pariseau
(b) Demonstration of emanation apparatus, methods of standardization, etc.
Dr. Gendreau, Director

CANADIAN RADIOLOGICAL SOCIETY—Continued

(c) Clinical Demonstration on available cases.

Dr. Gendreau

12.15 p.m. Luncheon at the "Cercle Universitaire."

Business Session.

2.00 p.m. Mount Royal Hotel.

1. Deep Therapy in Cancer.

G. E. Richards, Toronto

2. Title to be announced.

H. H. MacIntosh, Vancouver

3. A study of 7000 roentgenological examinations of the Stomach.

Chas. G. Sutherland, Mayo Clinic

Evening. An impromptu meeting will be held if desirable.

Scientific Exhibits.

1. General Display—

Dark room at intersection of corridors, ninth floor.

2. Lantern slide Exhibit from the Mayo Clinic—

Dark room—Mezzanine off ninth floor.

Commercial Exhibits.

X-ray and Electro-medical apparatus manufacturers are represented in the General Exhibit Room, Ninth Floor.

Hospital Clinics.

Throughout the week, Monday to Saturday, the Radiologists of the principal hospitals are prepared to demonstrate and illustrate special technique.

Radium Institute.

All physicians interested in Radium are invited to accompany the Radiologists on Thursday forenoon.

The Institute was recently founded and endowed by the Quebec Provincial Government and installed at the University of Montreal.

One gram of Radium is available for the production of emanation and an additional quarter gram for research work and special cases.

GRAHAM ROSS

CANADIAN SOCIETY FOR THE STUDY OF DISEASES
OF CHILDREN—Continued

PROGRAMME

Friday, June 15

- 10.00 a.m. Address of the President
Dr. A. D. Blackader
- 10.30 a.m. Acute Haemorrhagic Pancreatitis.
Dr. Alan Brown
- Discussion opened by
Dr. H. B. Cushing
- 11.10 a.m. Some Phases of Pneumonia.
Dr. Geo. Campbell
- Discussion opened by
Dr. Alton Goldbloom
- 11.45 a.m. Laryngeal Diphtheria.
Dr. H. B. Cushing
- Discussion opened by
Dr. Hannah
- 2.00 p.m. A Study of Enuresis.
Dr. A. B. Chandler
- Discussion opened by
Dr. Geo. Campbell
- 2.40 p.m. Acrodynia.
Dr. Crossan Clarke
- Discussion opened by
Dr. L. M. Lindsay
- 3.20 p.m. Recurrent Vomiting.
Dr. Graham Ross
- Discussion opened by
Dr. Alan Brown

Saturday, June 16.

- 9.15 a.m. (1) Sarcoma of Kidney in an Infant.
(Demonstration of a case cured by operation).
(2) Fixed Principles of Infant Feeding.
Dr. F. M. Fry
- Discussion opened by
Dr. E. A. Morgan
- 10.00 a.m. Nutritional Oedema.
Dr. L. M. Lindsay
- Discussion opened by
Dr. Graham Ross
- 10.40 a.m. Unusual Feeding Problems.
Dr. Alton Goldbloom
- Discussion opened by
Dr. Crossan Clarke
- 11.20 a.m. Acute Intestinal Intoxication.
Drs. Brown and Boyd
- 12.00 noon X-ray Treatment of Whooping Cough.
Dr. R. R. Struthers

Hospital Clinical Week

JUNE 11 to 16

1923

HOTEL DIEU

Wednesday, June 13

Clinical Symposium on the Endocrine System.

- 9.15 a.m. (sharp) The anatomical and physiological correlation of the Sympathetic System with the Endocrine glands. *Dr. E. Asselin*
- 10.00 a.m. (a) Some clinical aspects of the Thyroid. *Dr. E. St. Jacques*
 (b) The preventive treatment of Thyroid disease in children. *Dr. Dube*
 (c) X-rays in Thyroid Dystrophy. *Dr. Leo Pariseau*
- 10.40 a.m. The Adrenal Question *Dr. E. Latreille*
- 11.10 a.m. Some clinical aspects of the Pituitary Gland. *Dr. Hingston*
- 11.30 a.m. (a) The Ovarian Gland: some surgical possibilities. *Dr. Rheau*
 (b) The internal secretion of the Ovary: importance of their conservation. *Dr. E. St. Jacques*

Thursday, June 14

- 9.00 a.m. (sharp) The Vitamine Question. •
 (a) Presentation of animals under experimentation. *Dr. E. Asselin*
 (b) Presentation of patients. *Dr. Lapierre*
- 9.40 a.m. The Practical bearings of Blood Examination to the general practitioner. *Dr. G. Baril*
- 10.00 a.m. (a) The clinical aspects of Splenomegaly. *Dr. E. St. Jacques*
 (b) Presentation of patients under treatment. *Dr. G. Hamel*
- 10.30 a.m. Encephalitis Lethargica. *Dr. E. Latreille*
- 11.00 a.m. Renal Tuberculosis. *Dr. Hingston*
- 11.15 a.m. Treatment of Pleuritic effusion by the Blum Method. *Dr. Dubé*
- 11.45 a.m. End results in the treatment of Cancer. *Dr. Alex. St. Pierre*
- 12.00 noon The premonitory signs of Incipient Glaucoma. *Dr. A. Lasalle*

MONTREAL GENERAL HOSPITAL

Monday, June 11

Surgical

- 9.30 a.m.—12.00 Operation Clinic: *Dr. Hutchison*
Dr. Barlow
Dr. Tees
Dr. Johnson
- 11.00 a.m.— 1.00 Surgical Outdoor: *Dr. Gurd*
1.00 p.m. Operation Clinic: *Dr. Bazin*
Dr. Eberts
Dr. Pennoyer
Dr. Henry
Dr. Gurd
- 1.00 p.m. Genito-urinary outdoor: *Drs. Patch, Powell*
and *Associates*

Medical

- 10.00 a.m.—12.00 Ward Rounds *Drs. Peters and Gordon*
9.30 a.m.—12.00 Biochemical Laboratory Methods
Dr. Rabinowitch
- 11.00 a.m.— 1.00 Medical Outdoor Clinic *Dr. A. A. Robertson*
11.00 a.m.—12.30 Skin Clinic *Dr. G. G. Campbell*

Wednesday, June 13

Surgical Theatre

- 9.00 a.m.—10.00 1. Drainage of Peritoneal Cavity, *Dr. Bazin*
(a) Indications and contra-indications.
(b) Methods and materials.
Dr. Bazin proposes to have outside surgeons take part in a discussion of this subject.
2. Inguinal Hernia, Oblique and Direct
Dr. Bazin
Terminology of classification based on etiology of production.
Fascial transplants.
Truss Treatment.

MONTREAL GENERAL HOSPITAL—Continued

- 10.00 a.m.—10.30 Hydronephrosis. *Dr. Patch*
 10.30 a.m.—11.00 Claw Foot: Operative treatment. *Dr. Nutter*
 11.00 a.m.—11.30 Hysterectomy for Fibroids. *Dr. Lockhart*
 11.30 a.m.—12.00 Acute Infective Osteomyelitis:
 Diagnosis, Treatment and Results
Dr. J. G. W. Johnson

Medical Theatre

- 9.30 a.m.—10.00 Recent Work in Rickets: its development and
 treatment. *Dr. Chandler*
 10.00 a.m.—10.15 Renal Glycosuria. *Dr. Finley*
 10.15 a.m.—10.30 Splenic Leukaemia. *Dr. Lafleur*
 10.30 a.m.—10.45 Pleural Effusion, Aspiration with Air Replace-
 ments. *Dr. Farris, St. John, N.B.*
 10.45 a.m.—11.00 Myxoedema with Pericardial Effusion.
Dr. Peters
 11.00 a.m.—11.30 Cases under treatment by Liquid Air—
 Erythrasma, Epidermophyton, etc., Lantern
 Slides. *Dr. G. G. Campbell*
 11.30 a.m.—12.00 The Urea Concentration Factor in the estima-
 tion of Renal Efficiency. *Dr. Rabinowitch*

Thursday, June 14

Surgical Theatre

- 9.00 a.m.—10.00 Exophthalmic Goitre and Toxic Adenoma:
 Etiology, Diagnosis, Treatment, Results.
 Microscopical Pathology, Thyroidectomy
 under local anaesthesia. *Dr. Eberts*
 10.00 a.m.—10.30 Acute Pancreatitis: Analysis of 13 cases.
Dr. Barlow
 10.30 a.m.—10.45 Estlander Operation: Presentation of Case.
Dr. Hutchison
 10.45 a.m.—11.15 Chronic Empyema (Chronic Infected Open
 Pneumothorax): Causation, Treatment, Re-
 sults. *Dr. Gurd*
 11.15 a.m.—11.45 Chronic Pelvic Disease, Injection of tubes with
 Turpentine-Oil Emulsion. *Dr. Little*

MONTREAL GENERAL HOSPITAL—Continued

Medical Theatre

- 9.30 a.m.—10.30 Pathological Conference, Uncommon pathological lesions, Multiple Gummata of Brain, Tumour of Carotid Body, Tumour of the Pancreas, Primary Sarcoma of Small Intestine with Lantern Slide Demonstrations.
Dr. Rheu and Clinicians
- 10.30 a.m.—11.00 Pathological Pigmentations. *Dr. Gordon*
- 11.00 a.m.—11.30 Encephalitis Lethargica. *Dr. F. H. Mackay*
- 11.30 a.m.—12.00 Auricular Fibrillation, Graphic Illustration of its Mechanism (Polygram and Electrocardiogram), Pharmacological Action of Digitalis. *Dr. Birchard*

Friday, June 15

Surgical

- 9.30 a.m.—12.00 Operation Clinic:—*Dr. Bazin, Dr. Eberts, Dr. Pennoyer, Dr. Henry and Dr. Gurd.*
- 11.00 a.m.— 1.00 Surgical Outdoor:—*Dr. Barlow.*
- 1.00 p.m. Operation Clinic:—*Dr. Hutchison, Dr. Barlow, Dr. Tees and Dr. Johnson.*

- 11.00 a.m.—12.00 Skin Clinic. *Dr. G. G. Campbell*
- 9.30 a.m.—12.00 Metabolic Laboratory Methods.
Dr. Rabinowitch

NOTRE DAME HOSPITAL

Monday, June 11

Theatre No. 1

9.30 a.m. Gynaecology, Operative clinic.
Drs. Ethier and R. Trudeau

Medical Wards

9.30 a.m.—12 noon. Bedside clinics and demonstrations.
Drs. E. P. Benoit and A. Lesage

Surgical Wards

9.30 a.m.—12 noon. Bedside clinics and demonstrations.
Drs. O. F. Mercier, T. Parizeau and B. G. Bourgeois

10.00 a.m.—11.00 Dermatology and Syphilography. Clinics and demonstrations.
Drs. G. Archambault, J. E. Toupin, A. Marin and R. Doré

Wednesday, June 13

Theatre No. 3

9.30 a.m. Blood pressure, normal and pathological physiology. *Dr. E. P. Benoit*
10.15 a.m. Syphilis of the brain with pathological specimens. *Dr. J. A. Rouleau*
11.00 a.m. Arsenic and bismuth therapy in the treatment of syphilis. *Dr. G. Archambault*

Theatre No. 1

9.30 a.m. Treatment of Fractures. *Dr. O. F. Mercier*
10.30 a.m. Ectopic Pregnancy. *Dr. A. Ethier*
11.15 a.m. Radio-therapy in the treatment of cerebral tumours. *Dr. A. Prevost*

Theatre No. 4

9.30 a.m. Demonstration of apparatus in fractures.
Drs. E. Dufresne, L. Blagdon and J. U. Gariepy

NOTRE DAME HOSPITAL—Continued

Medical Wards

9.30 a.m.—12 noon Bedside clinics and demonstrations on patients.
Drs. E. P. Benoit and A. Lesage

Department of Dermatology and Syphilography—

(in charge of Dr. G. Archambault).

- 9.30 a.m. Technique of blood drawing on the adult and the nursing. *Dr. A. Marin*
- 10.00 a.m. Technique of lumbar puncture. *Dr. R. Doré*
- 10.30 a.m. Technique of intravenous and intra-muscular injections (Salvarsan, neo-Salvarsan, sulfarsenol, eparseno, cyanide of mercury, etc.)
Dr. J. R. Toupin
- 10.30 a.m. Ultra-microscope and Wassermann (Technique and demonstrations). *Dr. W. Derome*

Outdoor Surgical Department

10.00 a.m.—12 noon Demonstrations. *Drs. Ferron and Bellerose*

Thursday, June 14

Theatre No. 3

- 9.30 a.m. Modern views on Dyspepsia (Prognosis and treatment). *Dr. A. Lesage*
- 10.30 a.m. Treatment of ulcer and cancer of the stomach. *Dr. T. Parizeau*
- 11.15 a.m. Clinical interpretation of Ambard's test. *Dr. A. Leger*

Theatre No. 1

- 9.30 a.m. Duty of the practitioner in the treatment of urological patients. *Dr. B. G. Bourgeois*
- 10.15 a.m. Ambard's test in the appreciation of the renal function. *Dr. W. Derome*
- 11.00 a.m. Treatment of different kinds of urethritis. *Dr. N. Fournier*

Theatre No. 4

9.30 a.m.—12 noon Demonstration of treatment and apparatus in articular lesions (Pott's disease, osteoarthritis). *Drs. O. A. Demers and O. A. Gagnon*

NOTRE DAME HOSPITAL—Continued

Thursday, June 14—Continued

Laboratory of Radio and Radiumtherapy

10.00 a.m. Indications and contraindications of roentgen and radiumtherapy in uterine fibroids and haemorrhages. *Dr. J. E. Panneton*

Surgical Wards

10.00 a.m.—12 noon. Bedside clinics and presentation of patients. *Drs. O. F. Mercier and T. Parizeau*

Dispensary of Venereal Diseases

10.00 a.m.—12 noon. Modern technique in venerology. *Dr. N. Fournier*

Friday, June 15

Theatres Nos. 1 and 2

9.30 a.m.—12 noon. Surgical and gynaecological operations.

Dispensary of Dermatology

9.30 a.m. Presentation of patients.

11.00 a.m. Treatment of primary syphilis. *Dr. G. Archambault*

10.00 a.m.—12 noon. Bedside clinics and presentation of patients. *Drs. Mercier, Benoit, Parizeau, Lesage, Ethier, Aubry, Demers and Gagnon.*

Saturday, June 16

Theatres Nos. 1 and 2

9.30 a.m.—12 noon. Surgical and gynaecological operations.

Dispensary of Venereal Diseases

10.00 a.m.—12 noon. Presentation of patients and demonstrations.

10.00 a.m.—12 noon. Bedside clinics and presentations of patients. *Drs. Bourgeois, Trudeau, Rouleau, Leger, Dufresne, Blagdon and Gariépy.*

ROYAL VICTORIA HOSPITAL

Monday, June 11

In Medicine, Dr. W. F. Hamilton will give a ward round from 9.00 a.m. to 10.00 a.m.

In Gynaecology, Dr. H. C. Burgess will give a theatre clinic on Abortion from 9.00 to 10.00 a.m.

In Surgery, Dr. G. E. Armstrong will give a theatre clinic from 10.00 a.m. to 11 a.m. Dr. Keenan will give ward rounds from 9.00 a.m. to 10.00 a.m., and Dr. Archibald will give ward rounds from 11.00 a.m. to 12 noon.

In Genito-urinary surgery, Dr. Mackenzie will give a ward round from 9.00 a.m. to 10.00 a.m.

Wednesday, June 13.

Medicine

9.00 a.m.—10.00 Theatre clinic. *Dr. W. F. Hamilton*

10.00 a.m.—10.45 Demonstration of Protein Sensitization Tests.
Dr. A. T. Henderson

10.45 a.m.—11.15 1. Subcutaneous administration of oxygen in measured doses.

Demonstration of apparatus.

2. A new diuretic for intramuscular administration. *Dr. J. Kaufman*

11.15 a.m.—12 noon The treatment of neuro-syphilis with demonstration of lumbar puncture. *Dr. C. Russell*

Surgery

9.00 a.m.—10.30 Theatre lecture on rotation of the colon, with lantern slides. *Dr. G. E. Armstrong*

10.30 a.m.—11.30 The plating of compound fractures. *Dr. C. B. Keenan*

11.30 a.m.—12 noon Demonstration of blood transfusion. *Dr. E. Levine*

ROYAL VICTORIA HOSPITAL—Continued

Wednesday, June 13—Continued

Genito-Urinary Surgery

- 9.30 a.m.—10.30 Theatre clinic.
1. Kidney infections: diagnosis and treatment.
2. Prostatism: diagnosis and treatment.
Dr. D. Mackenzie

Orthopaedic Surgery

- 10.30 a.m.—12 noon 1. Treatment of congenital dislocation of the hip. Results.
2. The tuberculous knee. Results.
Dr. W. G. Turner

Thursday, June 14

Medicine—Theatre Clinics

- 9.00 a.m.—10.00 The modern treatment of diabetes, including the effect of insulin on metabolism.
Dr. E. H. Mason
- 10.00 a.m.—11.00 Treatment of nephritis. *Dr. D. S. Lewis*
- 11.00 a.m.—11.45 The treatment of cardiac failure.
Dr. C. F. Moffatt
- 11.45 a.m.—12 noon Pleural Effusion, Aspiration with Air Replacement.
Dr. Farris, St. John, N.B.

Surgery

- 9.00 a.m.—10.00 Theatre clinic on the results of extensive rib resection in the treatment of pulmonary tuberculosis.
Dr. E. W. Archibald
- 10.30 a.m.—12 noon The operative treatment of coloptosis.
Dr. A. E. Garrow

Gynaecology

- 9.00 a.m.—12 noon Theatre clinic on prolapsus uteri. The radical cure of the hernia, with case for operation.
Dr. W. W. Chipman

ROYAL VICTORIA HOSPITAL—Continued

Friday, June 15

In Gynaecology, Dr. J. R. Fraser will give a theatre clinic on the treatment of pelvic infections from 9.00 a.m. to 10.00 a.m.

In Medicine, Dr. C. F. Martin will give a theatre clinic from 10.00 a.m. to 11.00 a.m. Dr. Hardisty will give a theatre demonstration in the use of the duodenal tube for bile drainage, from 11.00 a.m. to 12 noon.

In Genito-urinary Surgery, Dr. Mackenzie will give a ward round from 10.00 a.m. to 11.00 a.m.

In Surgery, Dr. Scrimger and Dr. McKenty will give ward rounds from 10.00 a.m. to 12 noon.

Saturday, June 16

In Gynaecology, Dr. W. W. Chipman will give a theatre demonstration from 10.00 a.m. to 12 noon.

In Surgery, Dr. Keenan will give a ward round from 9.00 a.m. to 10.00 a.m., and Dr. Archibald will give a ward round from 11.00 a.m. to 12 noon.

Dr. Burnett will give a dermatological clinic from 10.30 a.m. to 12 noon.

In addition to the above there will be given during the forenoon throughout the week, continuous demonstrations in the following departments:

I. X-ray Department.

1. The massive use of X-rays in cancer therapy.

Dr. Pirie and Dr. Brooks

2. Exhibits of skiagrams.

Dr. Pirie and Dr. Cheney

II. Demonstration of the art of medical illustration.

Miss Lawson

III. Demonstration of electrocardiograms.

Dr. Moffat

IV. Department of Metabolism.

1. Demonstration of routine metabolism work.

Dr. Walker

V. Department of Pathology.

1. Demonstration of interesting pathological specimens.

VI. Department of Hydrotherapy.

- The uses of mechanotherapy and hydrotherapy.

Dr. Brown and Miss Ross

WESTERN HOSPITAL

Wednesday, June 13

9.30 a.m.—10.30 Living Cases:—Malignant disease of upper jaw, Malignant disease of palate, Sinus thrombosis. *Dr. R. H. Craig*

10.30 a.m.—11.30 Living Cases:—
1. Carcinoma of Cervix treated by
(1) Wertheim abdominal hysterectomy.
(2) X-Rays.
(3) Radium.
2. Discussion, Operative versus expectant treatment in sub-acute and chronic Gonorrhoeal pelvic infection.

Drs. C. C. Gurd and J. J. Irven

Thursday, June 14

10.30 a.m.—12 noon Surgical Clinic. *Dr. J. A. Springale*

11.00 a.m.—12 noon Diagnosis and treatment of Asthma.

Dr. Ness

MONTREAL CHILDREN'S HOSPITAL

Corner Guy and St. Antoine Streets

Wednesday, June 13

9.00 a.m. Clinic

1. Epilpetic Insanity—Decompression Operation. *Dr. C. W. Vipond*
2. Heart Conditions—The Orbital Systolic Murmur, Pulmonary Obstructive Murmur, Congenital Cardiac Conditions. *Dr. A. E. Vipond*
3. Tracheo-bronchial Adenopathy—with cases. *Dr. Duncan Anderson*
4. Spasmus Nutans. *Dr. A. E. Vipond*
5. Banana Fed Babies. *Dr. Geo. Boyce*
6. Pyloric Obstruction Cases. *Dr. E. J. Williams*
7. Arterial Thickening in Children—Congenital Condition. *Dr. A. E. Vipond*
8. Varicocele in Infants. *Dr. A. E. Vipond*
9. Coeliac Disease. *Dr. Duncan Anderson*
10. Eczema in Infants. *Dr. William Lambly*

SAINT JUSTINE HOSPITAL
