President Martin Resigns; Neilson Heads Rotarians

S. O. Martin Leaves For Toronto, Former Vice President Stan Neilson Takes Reigns of Presidency; Elliot Frosst Named New Vice-President — Four Members Spoke Briefly of Travels And Holidays Taken Recently.

Stan Neilson takes over the reigns of presidency of the Westmount Rotary Club, following the resignation of former president S. O. Martin, who as head of the Canadian National Express has been transferred to Toronto.

Elliott Frosst has been named to assist Mr. Neilson, in the latter's former capacity of vice-president.

The changes in the executive were announced at the regular weekly luncheon meeting held in Victoria Hall on Wednesday, with the new president, Stan Neilson, in the chair.

George Finlayson spoke briefly, urging the members to give the new leaders of the club their unstinted support, and commenting briefly on the work done by former president Martin during his brief term as head of the local Rotarians.

Rotarian Bert Cuthbert was in charge of the programme for the day, no guest speaker being present. Community singing was held under the leadership of Cecil Medlar, with Percy French at the piano, "Roamin' In The Glomin'," "When Irish Eyes are Smiling," "Let Me Call You Sweetheart" and "In The Evening By The Moonlight" were sung. Then four members of the club gave five minute talks, telling about their holiday travels.

Rotarian Arch Calder spoke first, describing the country in the vicinity of Cape Anne, near Gloucester, where he and his family have been vacationing for eight years. He touched briefly on the trip through the White Mountains, and mentioned that Gloucester closely resembles an old-country fishing village. Many points of historical interest abound in this district.

Bill Gerard spoke briefly on his trips to the south, which are always taken during the winter. He mentioned the famous Iron Mountain, at which there is an interesting sundial with a table for conversation of sun time to local mean time in that particular longitude.

Wilf Spearman told of his visits to the Muskoka Lakes district of Ontario, and mentioned Callander, where the Quintuplets are stationed. The town, he said, has seen tremendous growth since the birth of the famous children.

Past-president Stan Cayford was the last to speak, and told of his voyage to England and Scotland and Europe during the summer. He mentioned the extensive graveyards for fallen soldiers in various parts of Europe, and suggested that if the big-wind dictators could be made to spend a night among the graves of those who died in warfare, perhaps they might lose a little of their eagerness to fight.

At the close, congratulations were tendered Rotarian Dan Brophy on the recent promotion of his son, Reg, to manager-ship of the Canadian Marconi Company, here.

SCHOOL OPENING

The tenth season of the Temple Emmanuel-El School for Adults will hold its formal opening on Monday evening, October 25th. At that time a prominent Jewish scholar will address the friends and students of the school.

IS PRESIDENT

Leonard A. Peto, prominent sportsman and resident of Westmount has been elected to the presidency of the Dominion Football Association for his third straight term.

RETURNED HOME

Mrs. Catherine Larkin, Victoria Ave., who has spent the summer visiting in Ireland, Scotland and London, returned home by the Alania.

CHILDREN'S LIBRARY TO OPEN SATURDAYS

The Children's division of the Westmount Public Library will be open on Saturdays henceforth between 10 a.m. and noon, in addition to the regular daily periods from 2 to 6 p.m., it is announced.

Now under the direction of Miss Gwendoline McEwen, the library will carry on a full programme during the fall and winter. About the first of October, story telling will be commenced under Miss McEwen on Saturday mornings.

Reg Brophy Gen. Manager Of Marconi

Westmount Native Returns To Canada After Three Years as Senior Executive of National Broadcasting Co.

The appointment is officially announced by the Canadian Marconi Company of Reg. M. Brophy to the position of general manager of that concern. Mr. Brophy, a native of Westmount and son of Dan Brophy, postmaster in charge of the Greene and Western avenues station, has for over two years been a senior executive of the National Broadcasting Company at Rockefeller Centre, New York.

Reg Brophy attended Westmount public and High schools, and on graduation entered the Marconi service in 1919. He served in several capacities, acquiring wide experience in both the technical and operating branches of the trade.

In 1924 he was appointed sales manager, and in this and later capacities became thoroughly familiar with all phases of Canadian Broadcasting.

As general sales manager he was largely responsible for the company's successes in both the transmitting end of the business and the sales of radio receiving sets.

Three years ago he resigned his position here to accept a senior executive post with the National Broadcasting Company in New York.

Brigade Will Open Season

The First Westmount Company of the Boys' Brigade starts its fall and winter activities this evening with a meeting at 7.30 in Melville Church Hall. A special feature will be the showing of a film depicting the Brigade Jubilee in Glasgow recently. The film is on loan from London to various companies throughout the world.

Captain Richardson will announce the company programme for the winter months. Lieutenants Baker and Channon will be present and two or three new officers will be added to the Company so that there will be room for more activity.

Boys interested in music will have the opportunity to develop their talents playing in the Company Band, which will be formed shortly.

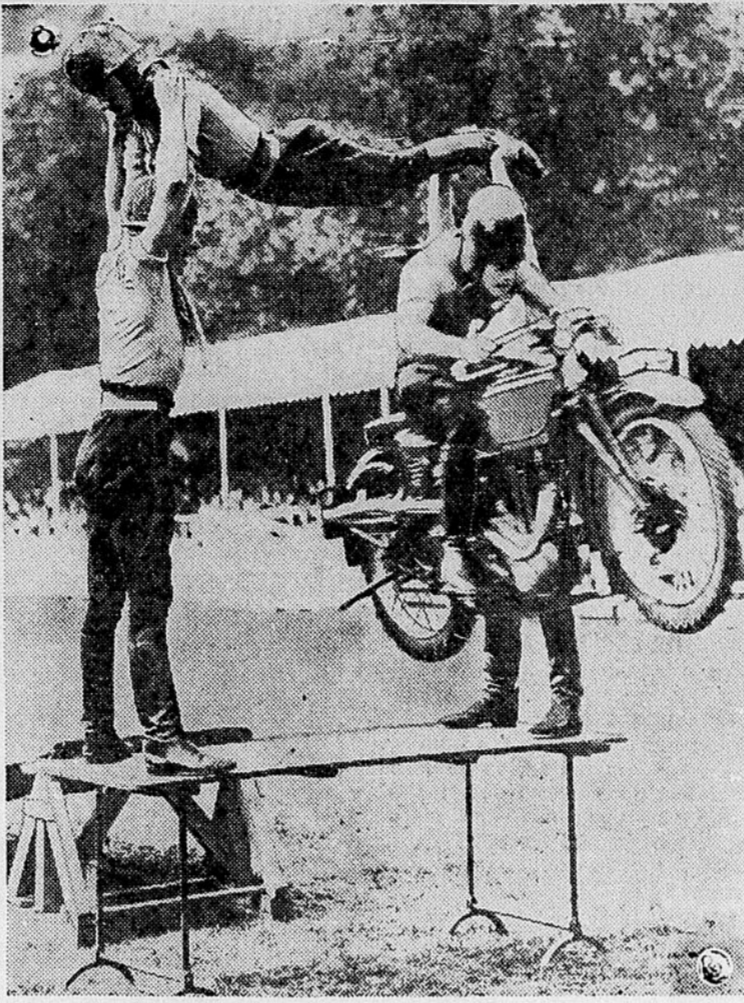

The Dominion president of the Brigade will be in Montreal early in October and is bringing with him a collection of slides on B. B. camps throughout the world. He will spend an evening with the local company.

REG. M. BROPHY

Son of Daniel Brophy, and former Westmount High student, who has been named general manager of the Canadian Marconi Company.

DARING YOUNG MAN ON FLYING CYCLE

It's the overhead that the motorcyclist has to worry about in this hazardous stunt. If his bike goes too high or he doesn't duck enough, the rider will crash into the human arch and anything could happen. The feat of cycling was one of the many dangerous stunts on the program of riding exhibitions given by the Royal Corps of Signals at Tring Park, London.

Home Improvement Loans Show Drop During July

Four Loans For \$1,293,40 Made Through Westmount Banks—Considerable Decrease Over June Figures—Local Trades Feel Stimulus

A total of \$1,293,40 was borrowed through bank branches in Westmount during the month of July, for use under the Home Improvement Plan of the National Employment Commission, it is revealed in figures issued by Hon. C. A. Dunning, Minister of Finance. Four loans were issued to cover this amount. For the seven months' period of up to July 1st, local banks have loaned a total of \$30,108.40 on forty five different accounts, the figures show.

Loans during July showed a considerable drop over loans made during the previous month. In June \$3,900 was borrowed in eight loans for use in this city.

For convenience, Municipalities are grouped according to their populations, cities of 40,000 and over being in one group, and other municipalities being classed according as they fall within 5,000, 10,000, 10,000-20,000, and 20,000-40,000 populations.

In the group of cities having populations between 20,000 and 40,000, Westmount stands nineteenth in point of value of loans made, and thirty fifth in point of number of loans made during the first seven months of the year. This is explained largely by the fact that a great number of Westmount residents leave the city during the summer for their country homes. Timmins, Ontario, heads the list with 180 loans for \$132,730.42, with Sudbury second, 142 loans for \$85,681.43 being recorded.

Figures available cover bank branches situated in Westmount. Westmount residents are taking full advantage of opportunities offered under the "H.I.P.," and the low interest rates and easy terms under which money can be borrowed for purposes of home and property improvement provide an added stimulus.

A great many local citizens deal with downtown branches and other banks not situated locally and just how much money has been borrowed for local use, it is impossible to say.

Money Available
 The easy availability of money for purposes of improving and altering dwellings has been a great stimulus to the building and associated trades. The mere fact that many persons are borrowing substantial amounts under this plan has induced a number of people

Local builders, renovators, plumbers, etc., report that business in this city has picked up to a considerable extent since the Home Improvement Plan has been put into effect, and throughout the city activity is keen in the modernizing and renovating of homes.

City's Annual Sports Day Scheduled For Tomorrow

An event eagerly anticipated each year and attended not only by thousands of Westmount residents but countless throngs from other districts, the Annual Sports Day sponsored by the city will be held tomorrow at the Westmount Athletic Grounds.

Mayor John Jenkins, and Aldermen Scott and Panet Raymond will be present in official capacities and the list of judges, clerks, etc., comprises many of the most prominent citizens of this community.

Those who have not attended these events in the past are urged to do so now. Full details will be found on Page 7.

T. C. KEEFER AWARDED MINING SCHOLARSHIP

A scholarship given by the Teck Hughes Mines, enabling the recipient to undertake two years' study at the University of Toronto School of Mining has been awarded to T. C. Keefer, jr., son of T. C. Keefer of 4323 Western avenue, it has been learned.

Young Mr. Keefer graduated in June from the Royal Military College and will commence his mining studies at Toronto this autumn.

Enrolment In Schools On Increase

Latest Round Figures Show Registrations Up Over Last Year—Business Course is Helping Students

Figures on enrolment in the local Protestant schools have been compiled during the past week; a slight increase is noted, mainly in the elementary grade schools, King's and Queen's, amounting to about fifty.

Mr. S. F. Kneeland states that of the pupils who took the business course at Argyle, a great many who went on to grades X and XI of the High School were successful in securing employment in business over the summer vacation.

In Argyle school enrolment in the elementary grades is slightly lower than last year, though up a little in the higher classes, making in all a slight increase.

Two additional classes have had to be added, an extra 2nd year at King's School and an extra third year at Queen's. Roslyn, with its 700 pupils, is filled to capacity every year, it is pointed out.

There is one grade XII at Westmount High this year with an enrolment of 20, but this figure is expected to increase somewhat about October 1st.

CORONATION MEDALS ARE AWARDED HERE

Coronation medals have been awarded to 172 officers and non-commissioned officers of the Montreal Military District, according to notification received at Headquarters of M.D. No. 4. The ribbon of the decoration, which is blue in the centre with white edges and a red stripe through the middle of the white, will be worn by all recipients as in the case of other earned medals and awards.

Awards to members of the Royal Montreal Regiment are as follows:

Lt.-Col. J. E. Slessor, E.D., commanding officer; Major W. Bonar, Capt. J. M. Allen, Lt. H. H. Whiteman, R.Q.M.S. F. J. H. Woodman and C.S.M. T. C. Lewis.

Chief William Wren and Inspector Walter Gough of the Westmount Police Force were awarded Coronation medals recently.

HAVE RETURNED

Mrs. R. M. H. Power, Kensington Ave., and her family have returned from Lac Ouareau, where they spent the summer months.

to spend their own private funds for similar purposes, and a definite step in the direction of returning prosperity has thus been made.

Local builders, renovators, plumbers, etc., report that business in this city has picked up to a considerable extent since the Home Improvement Plan has been put into effect, and throughout the city activity is keen in the modernizing and renovating of homes.

MAYOR JENKINS

Who will act as honorary referee tomorrow at the city's annual sports day.

Westmount Leads Suburban Group In Real Estate

Is \$60,000 Ahead of Hampstead, Nearest Competitor For Transactions During August—Verdun Down—Westmount Also Ahead of Suburban Municipality Group For Eight Months, January-August.

Figures issued for the month of August by the Montreal Real Estate Board reveal transactions in Westmount to have involved \$132,637, almost twice the amount recorded by its nearest competitor, Hampstead, which noted \$67,697 for this same period. Westmount had 14 sales, and Hampstead 7.

Outremont placed third, with 14 sales for a total of \$59,469, while Verdun, usually a contender for position among the first three, is way down the list with 13 sales for only \$20,684.

For the first eight months of the year, Westmount occupies the leading place, recording 140 sales for a total of \$1,743,451, a considerable portion of the \$5,432,451 recorded among the twenty eight suburban municipalities for 1333 sales during the same period.

For the eight months, Outremont places second, with 150 sales for \$1,025,066, with Verdun in third position with 162 sales involving a total of \$705,787. Westmount and Outremont alone passed the million dollar mark in values.

Trading among the suburban group has been generally dull, although considerable improvement was shown during the last month. Values are up over the same period last year.

It is interesting to note that sales in Westmount and Outremont are usually for a smaller number of individual transactions, but involve a greater amount of money than those in Verdun, where often a great many sales will be recorded for a comparatively small amount.

Although the usual summer slack period is well evident in the real estate mart, indications have been made that the fall and early winter will be busy seasons, and already the beginning of this activity is seen.

Plans Draw Up for Annual Drive—H. J. Griswold, Clifford A. Smith, Lovell Carroll, J. G. Atkinson, Officials

At an executive meeting held this week, plans for the forthcoming annual membership drive of the Westmount Y.M.C.A. were drawn up, and the organizing of the drive begun. Will Spearman states that the drive will begin October 8th, and will extend through the month till November 1st.

H. J. Griswold has been named chairman of the drive, with Clifford A. Smith as vice-chairman.

One hundred and twenty workers and captains will be in the field, divided generally into two groups under the classifications "Furs" and "Feathers," with Lovell C. Carroll divisional chairman of the former group and J. G. Atkinson of the latter. Each team is to consist of a captain and five workers.

The objective is 216 new members or renewals, split up as follows: boys, 80; men, 72; ladies, 64. Present membership as at the end of August stands at 721. With the falling off of those who come in for the summer months only, this will be considerably reduced. It is hoped to have a full-time membership during the winter of about 700.

There will be ten teams in each division, divided this way: boys' division, 4; businessmen and seniors, 3; young men, 1; and ladies, 2.

Further organizing is being carried on at present, and team captains and members are being appointed.

ONTARIO PREACHER WILL SPEAK HERE
 Rev. P. T. MacDonald, B.A., B.D., for fourteen years pastor of St. Matthew's Church in Point St. Charles and for the past immediate twenty years holding a pastorate in Galt, Ontario, will be the guest preacher at Westmount Park United Church on Sunday. Mr. MacDonald is at present residing in Kingston.

In the evening Rev. J. Lavell Smith will preach, his topic being "Life is Worth Living."

The Examiner's Hidden Titles Contest

The Westmount Examiner's Hidden Titles Contest is run with the kind co-operation of Mr. Godel, manager of the Westmount Theatre. Each week twelve passes are given to the six lucky winners who comply with the following requirements:

Simply find the two "ads." in the current issue of The Westmount Examiner in which the names of the two feature pictures being shown at the Westmount Theatre during the first half of the coming week are hidden.

Submit all answers to The Contest Editor, The Westmount Examiner, 2191 Hampton Avenue, using the special coupon provided in each issue for the purpose.

Contestants must be over 16 years of age. All answers must be in the office not later than Wednesday, and the names of the winners will be published in Friday's issue.

A convenient coupon will be found elsewhere in the paper. The winners are drawn from among those who submit the correct answers, as, unfortunately, it would be impossible to give passes to everyone submitting the right answers.

Winners in last week's contest are as follows, and they will receive their passes in today's mail.

Mrs. A. Branscombe, 345 Selby St.; Elizabeth M. Kennedy, 138 Abbott Ave.; Mrs. F. M. Davis, 4278 Sherbrooke W., Apt. 12; Bruce Mann, 425 Claremont Ave.; Mrs. G. Alderson, 273 Melville Ave.; Miss Barbara M. Sherwood, 4833 St. Catherine W.

 WESTMOUNT, FRIDAY, SEPTEMBER 17, 1937

"REORGANIZATION" OR "PURGE"
 No satisfactory explanation is forthcoming as yet as to why everyone on the Protestant Committee of the Council of Education has been dismissed. It is very complicated indeed, especially as it is generally known that as late as a week ago, one prominent member of parliament, a Protestant, professed complete ignorance of the entire situation, while early this week a statement was issued to the effect that all Protestant members of parliament were unanimously agreed, many months ago, that the Committee should be "reorganized". It is all very strange, indeed, and most Protestant ratepayers are taking with quite a number of grains of salt, not to mention pepper and mayonnaise, the statement that the wholesale firing was "demanded" from "all parts of the province". There is a lot in this that the public will never know. But the public does know that the personnel of the Committee was hand-picked and was generally thought to be the most capable obtainable, including as it did Dean Sinclair Laird, head of the School for Teachers at Macdonald College, Col. the Rev. A. H. McGreer, O.B.E., Principal and Vice-Chancellor of Bishop's College University, Rev. Lennox Williams, former Bishop of Quebec, Mr. Justice W. L. Bond, Rev. Dr. Leslie Pierson, Hon. Gordon W. Scott, A. Kirk Cameron, and others. These men served gratis, and were appointed "for life." That the Protestant Members of the Provincial House should pass judgment on the fitness for office of these men, emphasizes that it is high time the educational system of this province was taken out of politics. It is doubtful if there is one Protestant Member of the Provincial Parliament fitted to sit in judgment on the members of the Committee they are intent on "reorganizing".

WELCOME COLD WEATHER
 This is one year when the coming of cold weather will be welcomed by the citizens at large, for the cool weather of the past week has greatly diminished the possibility of an epidemic of infantile paralysis breaking out here. Many local residents were worried by the knowledge of occasional cases, even though the authorities denied knowledge of a case. However, no west end hospital has admitted a case since the cold snap began eight days ago, and it is practically assured that the danger will speedily diminish.

PROMOTION FOR REG. BROPHY
 The many local friends of Reg. Brophy will be pleased to learn of his appointment to the post of General Manager of the Canadian Marconi Company

at Montreal. Mr. Brophy is a native of Westmount, was educated at the Westmount schools, and entered the service of the Marconi company as a salesman. His promotion was rapid and he quickly won an enviable reputation in the business. In 1934 he left Canada to accept an important position with the National Broadcasting Company in New York, and was subsequently mentioned as a possible chairman of the Canadian Radio Commission. He returns to his native city as General Manager of the company with which he got his start. His many friends will join us in extending congratulations.

THE EMPLOYMENT COMMISSION
 The first interim report of the National Employment Commission is a document of evident importance that cannot be too carefully studied by provincial and municipal officials having to do with employment problems, and by all social workers as well. Although necessarily tentative in character, it is comprehensive, lucid and constructive statement such as one would expect from a business man so capable and experienced as Arthur Purvis, its Chairman, but which does the greatest possible credit to his colleagues and himself.

Besides increasing provincial and municipal burdens unfairly, it is no kindness in the long run to the person believed to have him thus put in the category of "employables" when, as a matter of fact, he could not do work if it was given to him, by reason of one disability or another.

If however, a clear distinction is now to be made between unemployment, whose relief is a legitimate obligation of public authority and disability, with which social agencies should more properly deal, it follows that it is to the interest, as well as being the duty of public authority to find normal employment for all employables as quickly as possible. This the Commission realizes and so it recommends that existing employment services should be strengthened by extension and administration on a national basis.

Here the ever-recurrent difficulty of conflicting jurisdictions immediately comes in since the several Provinces. However, in a matter of this kind it ought not to be impossible to work out a scheme of Dominion-Provincial co-operation at once efficient and acceptable to all concerned.

The Cumulative Index of Business in Canada advanced by 2 per cent from June to July reaching a new high point in the progress of recovery. Wholesale prices rose sharply, the indices of employment and car loadings showed significant increases and that of industrial production was slightly higher.

Of \$14,000,000 in rearmament contracts let by the Federal Government in recent weeks, \$10,000,000 worth have gone to Canadian firms. Preparedness runs parallel to charity—both begin at home.

Holt, Renfrew Building Leads Way Into Future

Beautiful Edifice Stands Opposite Chateau Apartments—Modern in Design, Practical in Application—Senator Lorne C. Webster, President, Presented With Golden Key

If "we lead the way into the future" is a pretentious phrase, then the word pretentious is not the adjective to employ in connection with the new modernistic edifice that Holt Renfrew presents to an admiring public on their hundredth anniversary—for as far above the ordinary as the word pretentious climbs, just so much farther into the future leads the architectural achievement of this world-famous firm of fur dealers.

Linked in the past with the romantic history of Canada's fur-trade, in the present dedicated to the cause of the modern well-dressed woman, Holt Renfrew has erected at the intersection of Sherbrooke and Mountain Streets a tangible monument to integrity a concrete proof of their continued ability to serve the public through a century, a tribute in structural materials to the furs and to mid-lake alike.

Opposite the Chateau Apts and within a block of the Ritz-Carlton Hotel Holt Renfrew's new building is dedicated indeed to mid-lake and her comfort. The street floor houses the fur salon and setting off the supreme examples of the furriers art are to be seen the latest in accessories. On the second floor you will find coats and millinery, on the third floor dresses, sportswear, lingerie and corsets while the fourth floor is given over to the Salon de Beauté and the executive offices and the fifth and sixth to Fur Storage and workrooms.

A thing of beauty from the exterior, the building is of pure white limestone, and an enormous window gives light to both the second and third floors. Glass is double throughout, with a dead-air space between, admitting of no fogging in even the coldest weather. The doors are of bronze with specially-cast figures of fur-bearing animals on them. Low reliefs in stone, of the same animals, decorate both front and sides of the building.

Senator Lorne C. Webster, president of the company, was presented with a golden key by A. J. Walker, vice-president and general manager with which to open the new building. The Senator, in a short address, congratulated all those who had been concerned in the new enterprise.

The directors of Holt, Renfrew, he said, had great faith in the development of Sherbrooke street as a locale for high-class retail establishments. The company, having sold its St. Catherine street property, had been forced to select a well-situated location which would be convenient, spacious and attractive to its customers.

To few stores in America, Senator Webster said, was the privilege given of witnessing their 100th anniversary; during the century of the existence of Holt, Renfrew many changes had taken place in retail convenience and technique. It was only six months ago that the excavations for the new building had been begun, and now the officials were proud to show to their Canadian and foreign customers the latest developments in store equipment.

The Senator referred to the many old and new friends that the store possessed, and expressed the hope that all customers would find their requirements properly considered by a competent and obliging staff. It was the purpose of the management, he said, to provide articles suitable to the purses of all their shoppers, and no purchase was too small for the store to handle.

Senator Webster congratulated officials of the company and the heads of departments for their earnest attention to all the interests of the store in the past, and on behalf of the directors wished them every happiness in the new building, with the hope that the decision to locate on Sherbrooke street would be warranted both as far as customers and the organization were concerned.

The Senator also alluded to the messages, telegrams and flowers that had been sent by many of the leading stores of Montreal and other cities, and stated that he wished personally to thank all those who had, in conclusion, his opening day. In conclusion he expressed the wish that the future years under the direction of the present staff would show the same spirit of progress and public service as had been in evidence during the past century.

AND WHY NOT
 The lady of the house tip-toed to the drawing room and peeped in. There she saw her husband kissing and making love to the new maid.
 "Thank goodness!" she exclaimed under her breath. "At last we've got a maid who might stay a while."

Trinity Players Annual Meeting

At the annual meeting of Trinity Players held at the home of Mrs. John W. Molson, Mrs. Molson was again elected president for the 1937-38 season, with the following executive officers and committees:

Hon. president, Ven. Archdeacon J. M. Almond; hon. vice-presidents, Mrs. J. M. Almond and C. W. Paterson; vice president, Mrs. R. Ford, treasurer, F. Bridges; secretary, Monica Helsby, business manager, C. W. Paterson; stage manager, Creighton Patton; program manager, Frank Starr; publicity manager, Percy Roberts; scenic artist, Fred Chivers; casting committee, president, director and Sally Starke; season subscriptions, Dreda Sayers; electrician, J. Rankin; assistant stage managers, Arthur Wright, Geo. Evans and Alf Redgell; property mistress, Ruby Smith; assistants mistress, Norma Stone, Marion Paterson, Mrs. Basil Donn, Marguerite Holliver and Janet Barclay; wardrobe mistress, Marjorie Finley; chief usher, Phyllis Rowell.

Basil Donn was again appointed director. The Trinity Players had a most successful season in 1936-37, with four major productions and two workshop evenings of one-act plays. A cheque for \$1000. was given to Trinity Memorial church, leaving a satisfactory balance in the bank.

It was unanimously decided to enter the Dominion Drama Festival of 1938.

Calvary Church Notes

In Calvary Church, Dorchester St. at Greene Ave., Westmount, on Sunday next, the Minister, the Rev. T. W. Jones, will continue the series of sermons on the life and work of Paul the Great Apostle, preaching on the theme, "Paul the Dauntless," the title of a book on Paul by Basil Matthews, one of the most challenging writers of our day.

The Morning Sunday School, under the Superintendency of Mr. Harold Juniper, will re-open on Sunday morning at 11 o'clock. Parents are invited to bring the children to the service and encourage them to attend the classes of the school during the sermon period. The school session ends at the same time as the service closes.

The afternoon Sunday School under the Superintendency of Mr. F. N. Stephen, will open on Sunday, at 3 o'clock. All former scholars and teachers are urged to be present on Sunday, while new scholars and workers are heartily invited to attend and share in the life and work of the school.

At the evening service at 7.30 p.m. the subject of the sermon to be delivered by Mr. Jones will be: A Protestant Response to the recent action of the Roman Catholic Church on the Mixed Marriage Question, as reported in court proceedings in Montreal last week. Mr. Justice Forest is quoted as saying that "this is a very serious question so far as the Catholic view is concerned. The question at once arises—Is it not a serious question for Non-Roman Catholics also? Certain issues that are involved in the position now taken by the Roman Catholic Church, will be dealt with in this sermon on Sunday night.

On Friday, September 24th, at 8.15 p.m. a Welcome Home Social for the entire congregation will be held in the Church Hall. A splendid program has been arranged, including a report of the Coronation ceremony in Westminster Abbey by Mr. W. J. Stephenson, who was selected as a Candidate member of the Coronation choir. Records of important parts of the Coronation service will be used, and coloured Moving Pictures of the Coronation Procession will be shown.

Recruits for the teaching staff of the Church School and for the ministry of song in the choir are urgently needed. The Minister will be glad to meet volunteers for these and other spheres of service at any time.

CHRISTIAN SCIENCE SUNDAY SERVICES

The subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, September 19th, is "Matter."

The Golden Text is: "Turn ye not unto idols, nor make to yourselves molten gods; I am the Lord your God." (Leviticus 19:4)

The following correlative passages are selected from among those comprised in the Lesson-Sermon to be read from the Bible and from the Christian Science Textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"What profiteth the graven image that the maker thereof hath graven it; the molten image; and a teacher of lies, that the maker of his work trusteth therein, to make dumb idols? Wo unto him that saith to the wood, Awake; to the dumb stone, Arise, it shall teach! Behold, it is laid over with gold and silver, and there is no

Howard Ross Addressed Brotherhood

Editor of 'Examiner Forum' Spoke at Meeting of Park Extension Group on Sunday

Howard S. Ross, K.C., Examiner columnist and worker in the cause of social justice, addressed members of the Park Extension group of the Montreal Federation of Brotherhoods at their regular weekly meeting on Sunday, taking as his subject "Faults of the Capitalist Set-Up."

Mr. Ross clothed the golden rule in the more technical language of the economist. China's exploitation by the Japanese is not the only one that it has suffered and during peace times the Chinese people have been exploited by Chinese so that in the present war they are demonstrating that they prefer the latter exploitation to the former, declared Mr. Ross at the Community Hall, Bloomfield avenue.

He considered that the present economic system is largely one of exploitation for the "medium of exchange at present fosters the habit of getting work without giving work in return."

He came out strongly in favour of the countries with great natural resources sharing these with other countries not so well equipped with them. If this were done, he said, some of the greater causes of war would be removed.

Burial Held Saturday Of J. McCrudden

Westmount Resident Had Been in Retail Shoe Business For Over Fifty Years

Many friends joined relatives on Saturday in paying final tribute to James McCrudden, shoe merchant, whose death occurred on Thursday at his home, 484 Elm avenue, following a brief illness. He was 79 years of age. The service was held in the chapel of Jos. C. Wray and Bro., followed by interment in Mount Royal Cemetery.

For more than fifty years Mr. McCrudden had been in the retail footwear trade in Montreal, and at the time of his death was located on Bleury street. He was a member of the St. Andrew's Lodge, Masonic Order, and was also an honorary member of the John C. Bradstone Lodge.

Mrs. Robbins Is Interred On Tuesday

Wife of Dr. C. D. Robbins Had Been Ill For Some Time—Death Occurred Saturday

Funeral services were held on Tuesday afternoon at the chapel of Jos. C. Wray and mtchammh Mrs. Sarah Gladys Williams, wife of Dr. C. Douglas Robbins, whose death took place at her home, 4042 Dorchester street on Saturday. She was forty five years of age, and had been ill for a considerable time.

She was a native of Toronto, but had spent most of her life in this vicinity. She was a member of the Montrose Club, and attended St. Stephen's Church.

Besides her husband, she is survived by two sons, Charles Thomas and John Douglas Robbins; her mother, Mrs. T. Williams; a brother, Thomas Gordon Williams; and three sisters, Mrs. J. E. S. Martin, Mrs. Gordon Carter and Miss Harriet Williams.

Interment was made in Mount Royal Cemetery.

Melville Church Season Is Begun

Sunday marked the re-opening services in Melville Church, Westmount. Notwithstanding the absence of many still on holiday there were good attendances. A pleasant surprise awaited all the members on their entrance to the church; the aisles were beautifully re-carpeted, the gift of a member of the Board of Managers.

This Sunday at the morning service the minister will have as his subject "The Saints in Caesar's Household," and will deal with the power of inspiration in our own difficult times. In the evening he will speak on the need of maintaining our high standards of Christian belief and character.

The Sunday school will begin its work for the winter this week end.

R. Kingsley To Address Brotherhood

Calvary Church Men's Group Resumes Programme With Meeting Sunday Afternoon

The regular Sunday afternoon meetings of the Calvary Men's Own Brotherhood resume on Sunday with an address by the special guest speaker, Mr. R. E. Kingsley, on the subject "A Christian Chinese Leader."

Mr. Kingsley will base his talk on the life of Generalissimo Chiang Kai-shek, as gleaned from recent conversations held between that notable and a Canadian Missionary to China, who recently returned to Toronto.

The meeting will start at three o'clock.

The regular Tuesday evening recreational meetings will commence next week in Macaulay Hall.

No Injuries When 3 Cars Crash Here

Truck and Two Passenger Vehicles Involved in Smash On Mount Stephen Ave.

A crash involving two cars and a truck occurred at noon Tuesday on Mount Stephen avenue opposite No. 427; no one was reported injured.

A car driven southward by Chas. A. Cook, of Grenville Avenue, lurched to one side when the brakes were applied, the rear of the car striking front wheel of a truck proceeding south, driven by Benoit Dussault, of Laurier avenue east, according to a statement made by Cook.

The truck's steering apparatus was damaged by the impact, causing it to veer across the street and strike a parked car in front of No. 429 belonging to Miss Veronica O'Neill, of 194 Cote St. Antoine road.

Cook's car suffered a damaged left rear fender, body dents, and damage to the bumper; Miss O'Neill's car was damaged on the left rear fender and left side of the body, and tail light and license bracket were torn off. The truck suffered damaged steering gear, damaged front bumper, and fender dents.

Constable Knight, who investigated, brought the driver of the truck to the station for not carrying a driver's license.

Many Mourn John L. Day Dead At 69

Prominent Physician Had Once Taught Arts at McGill University, Studying Medicine at Same Time

Many friends joined relatives and associates in a lengthy and notable medical career in paying final tribute to Dr. John L. Day, M.A., M.D., whose death occurred Sunday at Como. The service was held at Christ Church Cathedral, with interment following in Mount Royal Cemetery. A resident of Westmount at 455 Mount Pleasant avenue, he was in his seventieth year.

Dr. Day was a native of Montreal, and received his early education at the High School of Montreal. He entered McGill University and studied Arts, winning the Davidson Gold Medal in Classics in 1888. On completion of this course he became a professor in the faculty of Arts, and in 1891 began to attend courses in the medical faculty. In addition to studying medicine and teaching arts, he wrote a thesis for his Master of Arts degree during his last year of medicine.

After receiving both his M.A. and M.D., he went to New York where he took a post-graduate course in one of the hospitals there. He then returned here and became associated with the Montreal Dispensary, where he rapidly built up a large clinic. In later years, however, Dr. Day confined his attention to his private practice.

He is survived by his widow, formerly Gertrude Thompson, and two brothers, Maurice Beldin and Albert Jessup Day, both of this city.

Geo. Weaver Is Interred Died Sunday

Prominent Industrialist and Philanthropist Was President and Founder of Foundry Supply Firm

The burial was held on Tuesday afternoon of George H. Weaver, president and founder of the Canadian Foundry Supplies and Equipment Company, Limited. Services were in the chapel of Jos. C. Wray and Brother, and interment was made in Mount Royal Cemetery.

Mr. Weaver was sixty seven years of age, and died in the Private Patients' Pavilion of the Montreal General Hospital.

A native of Montreal, Mr. Weaver was educated at the High School of Montreal and St. Francis College, Richmond, P.Q. He founded the Canadian Foundry Supplies and Equipment Company about thirty five years ago, and had since managed its affairs as president.

Mr. Weaver was a member of the Engineers' Club, the Summerlea Golf Club, and the St. George's Club here. A keen lodge worker, he was a Shriner of Karnak Temple and a permanent contributing member of the Shriner's Hospital. He was also a life governor of the Montreal General Hospital.

He worshipped at Stanley Presbyterian Church.

He is survived by four daughters, Mrs. Stella Burnett, Mrs. A. R. Wood, and the Misses Lillian and Jeanette Weaver; one son, George H. Weaver, and four grandchildren.

Hold Burial Of H. Wright

Had Belonged to Westmount and Connaught Lodges, A.F. and A.M., and Westmount Chapter R.A.M., G.R.Q.

The funeral is being held this afternoon from the chapel of Jos. C. Wray and Brother, Mountain street, of Harry Wright, of the Mid-Town Motor Sales, Limited, an active Mason and first principal of the Westmount Chapter No. 17 R.A.M., G.R.Q., and a former member of Westmount Lodge No. 76 A.F. & A.M., whose death occurred in St. Mary's Hospital Wednesday. He was 64 years of age.

Born in Providence, Rhode Island, he came to Canada over 30 years ago, and joined the staff of the McLaughlin Carriage Company, Limited. At the time of his death he had been associated for the past 25 years with the Mid-Town Motor Sales Limited, successors to the General Motors Products of Canada, Limited, retail branch.

Mr. Wright was first a member of the Westmount Lodge, but resigned and joined Connaught Lodge, No. 114, A.F. and A.M., of which he was Worshipful Grand Master at time of his death.

He is survived by his widow, formerly Gladys Thackeray, two daughters, Mrs. G. F. L. Eastwood and Barbara Willis Wright, and a son William.

Burial will be made in Mount Royal cemetery.

KINSMEN ATTEND OPENING MEETING

The Montreal Kinsmen Club held its first meeting of the 1937-1938 Fall season on Thursday evening at Ogilvy's Dining Room.

The summer activities were received and a definite service program outlined for the coming winter months.

Owing to the absence of President Mr. Maurice Cunningham, vice-president Mr. T. H. Sampson took the chair. Mr. J. A. Murphy gave a frank and encouraging talk to the members touching on the duties of the various committees and what had to be done throughout the coming season. A large attendance was present.

The next meeting will be held September 23rd, at Ogilvy's Dining Room.

FILLING A WANT

A number of wild animals were being sold by auction, and when a fierce-looking wolf was put up the bidding was brisk. But in the end it was knocked down to a man whom nobody knew.

After the sale the owner of a menagerie went over to the man who had bought the wolf and got into conversation with him.

"Got a show of your own?" he inquired.

"Oh, no," said the stranger. "That's not in my line at all." And then, lowering his voice, he became confidential. "It's like this," he said, hoarsely. "My wife died six months ago, and I feel terribly lonely!"

STARS CHORUS GOING SOCIAL IN HOLLYWOOD

Adding that perfect tone to a recent Hollywood party were these five famous concert and screen singers. Guests at the affair, given by the Basil Rathbones in honor of the newlywedded Mary Pickford and Buddy Rogers, and Jeanette MacDonald and Gene Raymond, agreed that this collection of songsters was one of the most noteworthy in Hollywood history. Left to right, holding the spotlight, are Lily Pons, Jeanette MacDonald, Grace Moore, John McCormack and Gladys Swarthout.

Civic Greetings Exchange

Between City of Westmount and the City of Westminster By Frederick Wright

Taken from the September Issue of The Municipal Review of Canada

One of the most interesting events that took place in London during Coronation Week was the City of Westminster's coronation banquet at which Mayor John Jenkins of the City of Westmount was a guest of honor. It was the west end of the Empire metropolis extending civic greetings to the west end of the Canadian metropolis. On that occasion Westmount's mayor was in goodly company—the city council of Westminster having in its ranks of seventy aldermen and councillors two members of the peerage, one baronet, one admiral, two titled women, five army officers and four parsons. But Mr. Jenkins had no need to be abashed by such a "noble array of civic representatives", for as mayor of Westmount he too represented a high standard of municipal administration—a standard that compares quite favorably with that of the city whose guest he was, or of any other urban community in the British Isles.

This is saying much, for in no branch of government in the Old Country is the standard higher or more efficient than in civic administration. Men and women of the highest rank not only take it as a matter of duty to serve on the local councils, but feel greatly honoured in having secured the confidence of their fellow citizens. There is hardly a municipal council throughout the length and breadth of Great Britain but what has its quota not only of titles but of outstanding men and women from every walk of life. Within the council chambers there is no class distinction. The noble, alderman or councillor sits side by side with the workmen councillor, each respecting the other, and each in his own manner giving of his best for the community.

But while the British municipal councils are great levellers of society, they have also been the

Child Specialist Locates Here

Dr. Joseph D. Fieldman, M.D., has opened an office in this district at 4128 Girouard avenue, where he will continue his policy of specializing in diseases and illnesses of children.

Dr. Fieldman was formerly located in Winnipeg, Manitoba, where he had extensive experience in this highly specialized field, and where he built up a reputation for careful and correct diagnosis, and thorough and successful treatments.

Dr. Fieldman extends an invitation to parents to consult him in his new and well equipped quarters on Girouard avenue.

training ground for more than one public career. The Prime Minister, Mr. Neville Chamberlain, was at one time the Lord Mayor of Birmingham, so was his famous father, Joseph Chamberlain; the Earl of Derby is an ex-Lord Mayor of Liverpool, and the first mayor of the city of Westminster itself was the late Duke of Norfolk. John Burns, the first working man member of a British cabinet, and whose outstanding ability as the President of the Local Government Board—now the Ministry of Health—did so much to inspire the respect which the British public has for labour and its leaders, started his public life as a civic councillor. There is the case of Alderman Percy R. Gayton who last year was mayor of the eight-hundred year old City of Exeter, while still following his job as a local railway porter—or baggage man. And not one of the long line of mayors of this ancient and very conservative community received greater honor and respect during his term of office than did Mayor Gayton. Lord Snell, the chairman of the London County Council, is a labour peer. In his case it was a reversal of the process; the Cabinet was the training ground for his present important position. The point to be noted here is that, in the evaluation of Government in Great Britain, that of the community is held in no less respect than that of the nation; and that in consequence of this public respect men of substance and character feel honoured in their association with the civic life of the country.

One emphasizes this fact here because of the tendency of the public to accept the maladministration of some singled-out municipality as typical of municipal government generally in Canada; whereas civic maladministration is the exception, and that usually where there is public apathy. In the days before Confederation municipal government, in both Upper and Lower Canada, was left very much to itself, and with excellent results. Being self-dependent, the cities and towns became self-sustaining; and because they paid their way as they went along—civic borrowing was not encouraged in those days—it became a matter of pride with each urban community that the local council was composed only of the leading citizens.

This self-reliance and innate pride of the local government of early days has not been lost, but it has been sadly warped by the biased dictates of provincial policies which too often decide the policies of provincial authority. Nevertheless, the fact that municipal government in Canada could in pre-confederation days bring out all that was best in the citizenry is an encouragement to those who would develop the civic life of the country to that high standard enjoyed by the municipalities in Great Britain.

The SNAPSHOT GUILD

IT'S UP TO YOU

It's the man behind the camera that counts. This picture, for example, was snapped with an inexpensive and simply operated camera.

IT'S a joy to own a fine precision camera with a fast lens and shutter. No one will deny that. Such cameras are versatile and open the way for picture taking under many conditions. Extremely fast action holds no terror for them. They laugh at poor light. If you want to specialize on speed photography or indoor shots without special illumination, or shoot under adverse conditions in general, a precision-built, ultra fast lens camera is the thing to own.

If, however, you want a camera to snap pictures under ordinary conditions, a simple, inexpensive one will serve admirably, afford a lot of pleasure and, as far as recording the subject is concerned, will make average snapshots just as well as the more elaborate type. Remember, I am referring to snapshotting under ordinary conditions.

Artistic composition, shooting to capture fascinating and artistic shadows—which always add so much to a picture, interest appeal and lighting are strictly up to you. There isn't a camera made at any price that can tell you how, when or where to make a picture of rare quality and appeal, but experience will teach much.

The fact that an unusual, interesting snapshot was taken with a "tricky" camera does not signify (Correspondence may be addressed to E. Gerald Barlett, photographer editor. This paper has exclusive rights to this feature in Montreal and district.)

that the same picture could not have been snapped equally as well with a simple camera by the same person. If a certain picture to be taken should be snapped at f11 with a shutter speed of 1/25 of a second, it might take an expert to determine which of two prints of this subject was taken with a beginner's type of camera and which with one of the type used by the experts.

So much depends on the person behind the camera. If you will make a study of pictures appearing in magazines, newspapers and pictorial books you will learn much about the fundamentals of good picture making. You will find pictures of gardens, buildings, homes, people, animals and pets, close-ups and, in fact, just about every type of picture you will ever want to make. Study these pictures and note carefully the different angles from which some of them are taken. Study the lighting, the shadows and the very natural appearance of people in many of the pictures. You will soon develop an "eye for pictures" and when you do you will find that even your inexpensive camera will produce the kind of pictures you thought were possible only with an expensive instrument.

So you see, much depends on the man or woman behind the camera.

Women Ask Committee For Places

Many Organizations Demand That Mothers and Teachers Have Say in Education of Children

The Westmount Women's Club was represented at a special meeting called by women's organizations held in Windsor Hotel on Wednesday night to urge that appointment of as many women as men to the Protestant Committee of the Council of Public Instruction, if possible, when the projected reorganization of that committee takes place, or appointment of at least six women as a preliminary step to equal representation. Other proposals also were drawn up.

Organizations having representatives present included the Local Council of Women, Montreal Women's Club, Quebec Provincial Chapter, Imperial Order Daughters of the Empire, Montreal Municipal Chapter, I.O.D.E., Outremont and North End Women's Club, Notre Dame de Grace Women's Club, Business and Professional Women's Club, McGill Alumnae Society, and the Protestant Women Teachers' Association.

green linoleum, decorative and practical and providing the utmost in quiet efficiency underfoot—eliminating all unnecessary noise and making the shoppe what she believes it should be—a beauty haven of rest and comfort. The new drapes are of an attractive cream and green homespun design and the popular chrome and green leather combination has been installed and the service equipment keeps pace with modernization in both appearance and efficiency.

Visit the Shoppe and bring your friends; see for yourself and you will know why Westmount's smart set is making Campbell's their beauty rendezvous.

2 Cyclists Are Injured In Collision

Havelock Yates and Jim McNiven Suffer Hurts When Motorcycle Overtakes in Crash With Car

Havelock Yates and Jim McNiven suffered minor injuries on Saturday evening at 8.40 when the motorcycle they were driving north on Melville avenue collided with an eastbound car on Western, driven by Chas. A. Springs, of Outremont. Yates, driver of the motorcycle, a clerk in the City Hall, and living at 39 Staynor avenue, suffered injuries to his foot when the machine overturned, and McNiven, of 4430 St. Catherine street, was cut on the right side of his head behind the ear. Both were taken to the home of Dr. F. M. A. McNaughton on Sherbrooke street for first aid.

According to police, the two cyclists admit having passed the stop sign at the corner of Melville avenue, thus running directly in front of the car.

The car had the front bumper torn off, a headlight broken, and a burst rear tire.

Constable Maxwell investigated.

Just Now It's Peaches

This year Ontario and British Columbia are picking a bumper crop of peaches. The fruit is cheap, the quality excellent. Of all the fruits grown none is more sweetly luscious, nor more healthful as food, than peaches. Whether eaten as they are picked, in salads, preserved, canned or even pickled, they are delicious. Canadian peaches are incomparable in quality and flavour.

It is believed that the peach originated in China many generations before the beginning of the Christian era. The Chinese have always ascribed miraculous powers to the peach. One Chinese sage wrote "The peach, if one is able to eat it enough times, will save the body from corruption till the end of the world." Another philosopher, Chou-Y-Ki declared "Whoever eats the peach obtains immortal life."

Hilda Walker, cousin of the bride, and Miss Eleanor Langford, were bridesmaids. Miss Walker wore rhythm green georgette trimmed with bridal rose velvet ribbon, with a jacket and gloves to match. Miss Langford's gown was of bridal rose georgette trimmed with rhythm green velvet ribbon, with jacket and accessories to match. Both bridesmaids wore coronets of silver leaves and shoulder-length veils, and carried arm bouquets of Pumila zinnias and gypsophila. Little Miss Mary Wheatley, niece of the bridegroom, as flower girl, wore pink georgette smocked in rose and aquamarine, with a wreath of pink forget-me-nots in her hair. She carried a basket of pink scabiosas. Mr. J. Hugh Kay, acted as best man and the ushers were Mr. Douglas Brown and Mr. Wellesley Drum, cousins of the bridegroom, and Mr. Ewing Tait. Mrs. Beswick, the bride's mother, wore a gown fashioned of American Beauty chiffon over taffeta with a tuxedo jacket and a velvet hat of a shade to tone. She wore a corsage of Mary Hart roses. Mrs. Wheatley, mother of the bridegroom, wore a French imported gown of gendarme blue Chantilly, lace, threaded in paillette, with a model blue picture hat to match, and corsage bouquet of Pernet roses.

The reception was held at the home of the bride's parents, 483 Strathcona avenue, where autumn flowers were used as decorations. The honeymoon will be spent on a motor trip. For going away the bride wore a Viennese blue rabbit's wool suit with a lynx collar and a matching hat with brown accessories. They will live in Three Rivers.

Keeping Up Appearances

By "GWENNE"

THE TEEN AGE GIRL

Are you the young lady who is just beginning to use cosmetics? Does Mother ever scold you for borrowing her powder, creams, etc.? Why don't you just save those extra pennies for the weekly allowance and set up your own little array of bottles and jars (you need so few at your age) on your own?

Your toilet articles should really only consist of a jar of good cleansing cream, a reliable face soap, a box of fine face powder and a light coloured lipstick.

As for perfume you should really use toilet water, lavender, eau de Cologne and such, leaving the heavier scents to your more sophisticated sister.

A complexion brush is a wonderful investment for the teenage girl as a daily facial scrub is excellent for keeping the pores free from dirt and toning up the skin. This should be done upon retiring in order to remove the dust and grime of the day. In winter time it is wise to use a soothing night cream which should be left on overnight and removed by washing in the morning.

For classroom wear a little powder and probably a dab of lipstick is all that is necessary. Use your toilet water however whenever you wish.

For your school dances or evenings perhaps Mother would permit the use of a little rouge. I would suggest cream rouge as it is the most natural. Be sure you pur-

"Parnell" Spell-Binding Romance At Westmount

Clark Gable and Myrna Loy attain new heights of artistry together in "Parnell," a drama suggested by the career of Charles Stewart Parnell, "Uncrowned King of Ireland," which opens at the Westmount Theatre on Sunday for three days.

Although it is primarily a narrative of Ireland, "Parnell" is actually international in its scope, for it is the account of a courageous man who surrendered fame and fortune and power for the woman he loved. John Stahl, one of the screen's most distinguished directors, followed history with a careful eye and reproduced the colour and the beauty of the people and their times with rare skill and power.

Gable, as Parnell, unquestionably plays the most impressive role of his brilliant career and Miss Loy, as Katie O'Shea, reveals

her remarkable talent as an emotional actress in contrast to her recent comedy roles.

Edna May Oliver, Billie Burke, Alan Marshall, Edmund Gwenn, Donald Crisp, Berton Churchill, Donald Meek and others have prominent roles and in addition there is a large group of native Irish men and women who provide realistic atmosphere.

The story begins in America with the departure of Parnell for Ireland, where he became the "Uncrowned King," and the first man ever to unite the 86 members of the Irish Party. The love affair between Parnell and Katie O'Shea, the scandal of the divorce which wrecked his political career, and the intervening episodes of a spectacular romance, are vividly presented in a picture which will rate as one of the finest of the year.

This feature follows to the Saville, Monkland and Snowdon United Theatres.

KARNAK LADIES SOCIAL CLUB TO MEET TUESDAY

W. J. Stevenson Gives Choristers Impressions of the Coronation

The opening meeting of Karnak Ladies Social Club will be in the form of a luncheon in the Queen's Hotel on Tuesday at one o'clock for members and prospective members, at which Mr. W. J. Stevenson, baritone, will speak to the club on "A Chorister's Impressions of the Coronation." The regular business meeting will follow.

The programme for the year follows: Oct. 5th, Annual bridge, Windsor Hotel; Oct. 19, Business, "Hospital Day," when the speakers will be Mr. W. W. Williamson, chairman of the board of the Shriners Hospital of Montreal, Dr. W. G. Turner, chief surgeon, and Mr. E. J. Kendall, Physiotherapist and X-ray technician, assisted by members of the staff. Nov. 2nd, Sewing and knitting. Nov. 16th, Business, and address by Rev. A. Lloyd Smith, M.A., D.D. Dec. 7th, Christmas bridge and donation party. Jan. 4th, Sewing and Knitting. Jan. 18th, Musical. Feb. 1st, Sewing and knitting. A Valentine Bridge will be held sometime in February. Feb. 15th, Business, and address by Mr. Austen F. Cross.

NO MAN EVER PAID A HIGHER PRICE FOR LOVE THAN PARNELL, UNCROWNED KING . . . !

Clark Gable and Myrna Loy together in "Parnell," the tumultuous fictional romance of the fiery Irish patriot who lost a nation's respect when he found a woman he loved. This feature opens a three day engagement at the Westmount on Sunday.

Mar. 1st, Sewing and Knitting. March 15th, Business, and address by Miss Catherine I. MacKenzie. April 5th, Sewing and Knitting. April 19th, Annual meeting and election of officers.

Under the able leadership of the president, Mrs. C. U. Tirrell, a most pleasant and successful year is anticipated.

NAMED TO COMMITTEE
Rev. H. R. Pickup, well-known local cleric, was elected to the Committee on Hospitality for delegates to Synod at a meeting of the Montreal Presbytery of the Presbyterian College, McTavish street.

TWINS

A composer standing outside his club was accosted by a man who said: "Beg pardon, sir, but do you know a gentleman, a member of this club, with one eye called Matthew?"

"Can't say I do," was the reply.

"What's the name of his other eye?"

AN OBJECTIVE

First Sailor (in rowing boat after being shipwrecked): "What? Pull for that? But what's the use, that's only the horizon."

Second Sailor: "Hanz it all, why be so particular? It's better than nothing, isn't it?"

Hilda Galt School Of Dancing Offers Many Popular Features

Hilda Galt, exponent of the exclusive Ned Wayburn's method announces the opening of the Hilda Galt School of dancing for the fall season.

Miss Galt's accomplishments are numerous. Natural grace, an essential and conducive to good dancing is one of her outstanding assets and one which she has a knack of imparting to the pupils of her well attended classes.

The coming season embodies the usual tap, toe ballet, ballroom, acrobatic, musical comedy exhibition blue-room dancing and limbering and stretching exercises.

The ability of the director to convey every gesture and move to the pupil in a manner in which the latter will absorb and put into practice to the utmost of his or her ability appears to be a natural trait with Miss Galt, who acquired her knowledge under the tutelage of America's foremost masters and has been granted the exclusive privilege of teaching the famous Ned Wayburn Method in Montreal.

An innovation this year is the opening of a class for tots under 3 years of age.

Miss Galt's gift of being able to cope with the mentality of the younger element successfully has resulted in the enrollment of a number of children of this tender age.

The many compliments heard following the popular revue staged by Miss Galt last May at the Ritz Carlton Hotel speaks volumes for the ability of this artiste, as does the confidence placed in her

by parents who insist on the utmost in training of their children. The precision in which this revue was presented is another indication of why Miss Galt's popular method meets with City wide approval. The same precision and care is at all times manifested during the training period.

Despite a busy and hectic season Miss Galt always finds it possible to turn a sympathetic ear to the underprivileged. Many a delightful hour has been enjoyed by children in various institutions. On more than one occasion Miss Galt has contributed to the Kiwanis, Rotary and other clubs. Miss Galt's Studio is located in the Westmount Commercial Building, Greene Ave. and St. Catherine St., and she will be pleased to give information those interested.

Canadians Will Appear In New York Concerts

Victor Brault Sponsoring Series of Musicales to Introduce Artists to American Public

On Sunday afternoon October 3rd will be given in Steinway Hall, New York, the first of a series of musicales organized by Victor Brault, for the purpose of bringing out and giving a hearing to Canadian singers and musicians in the American Metropolis. Mme. Franklyn West, soprano, and Mr. Gerard Gélinas, bass-baritone will appear on the first of these concerts. Mr. Gélinas will be remembered for his singing with the Metropolitan Opera Sunday afternoons radio musicales last year.

Besides song recitals, a few musicales will offer opportunities of appearance to instrumentalists and dancers.

Since the programs will not exceed one hour duration, the audience should not grow weary; it will be invited to hear one hour of good music and to give its judgment on the excellent musical material we have in this country, and will be asked to give its support to our musicians worthy of attention.

With this in view and other favourable circumstances, it is hoped that, in time, a few more of our artists will make their mark on this continent, and will occupy a place of note in the world of music, of the theatre and on the radio.

of Miss Dora Marshall, former ballet mistress of the Capitol Theatre here and for four seasons assistant ballet mistress at the Roxy Theatre in New York. Miss Marshall is a graduate of the Le-onidoff School of Toronto and her work is well-known in this city. Classes include ballet, toe, tap, character and ballroom dancing. A special class for boys is also being formed.

Miss Dorothy Danford, a student of the Montreal Repertory Theatre is in charge of kindergarten work and is also assistant teacher of the Junior Dramatic Group.
Last season's two members of the Elocution and Dramatic Sections gained first place at the Quebec Musical Festival and also first place in elocution at the Montreal Hobby Show, proving the high standard of tuition at the school.

Dorothy Daun Dances At Betty Speirs Inaugural

Dorothy Daun, New York danseuse now on the staff of the Betty Speirs School, will perform Saturday afternoon at the inaugural recital of the popular west end dancing institution Saturday afternoon at Victoria Hall, according to an announcement made this week by Miss Speirs. Miss Daun will arrive in Montreal today or tomorrow.

A varied program has been arranged for the recital, designed to show the many phases of the dance as taught at the Betty Speirs School. All the soloists, from the baby and kindergarten groups to the advanced in Toe and Aerobatics technique, will appear to demonstrate their abilities.

Parents who are contemplating dance instruction for their children are especially invited.
It is not known at this time what Miss Daun's numbers will be but she will at least contribute three selected routines to the program. Another feature, and one which will appeal to the young ladies from the city offices, will be the appearance of the Business Girls' Class in their two successful tap numbers of last season's Recital.

The secretary of the school also intimates that the complete schedule for the new season is drawn up. Classes in Ballroom dancing commence this week. All the latest New York steps will be featured. The Business Girls class, under Dorothy Daun and Peter Miller, is now forming. The number of applicants for this tap dan-

ANNUAL SPORTS DAY TOMORROW AT THE ATHLETIC GROUNDS

Mayor Jenkins And Aldermen To Be Present As Officials At City Sponsored Gathering

Wide Programme of Events Arranged To Include Competitors of All Ages And Prizes — Medals And Ribbons to be Given as Prizes — Softball Games To Open Day's Activities — Highland and Folk Dancing, Boxing, to be Featured — Track and Field Events Begin Sharp at 2.30

The highlight of Westmount's crowded athletic season takes place tomorrow afternoon at the Athletic Grounds in the seventh annual field day under the auspices of the City of Westmount. A full programme, comprising twenty nine events, has been drawn up, and includes contests for boys and girls from under eight years of age to gruelling races for mature adults. The usual list of items is enlivened by such events as bicycle races, three legged races, sack races, etc., which promise plenty of entertainment.

In case of rain tomorrow, the events will be staged the following Saturday.

The day's activities will commence at 1.30 with four simultaneous softball games in the four corners of the grounds, teams from the city's parks playing. At two o'clock there will be an exhibition of boxing staged by boys, and a demonstration of Highland and Folk dancing by girls.

At 2.30 sharp, the track events will commence.

Medals are to be awarded for winners of first, second and third places in the running and bicycle races, and ribbons will be given in the "freak" races.

All events but three are restricted to residents of Westmount only; these three will be open to all comers, and are:—100 yard dash for women, an invitation race, and 440 for men.

Officials
His Worship Mayor Jenkins has consented to ask as Honorary Referee.

Other officials are as follows:—Referees:—Ald. B. Panet Raymond and Ald. W. B. Scott. Director of Program:—Norman Smyth.

Clerks of the Course:—George Rutter, J. W. Sargeant, Miss Grace Attwood, Miss Peggy Dafe.

Presentation Of Prizes Sept. 24 At Victoria Hall

The annual presentation of season's awards for all municipally supervised recreational activities will take place on Saturday evening, September 25th, at Victoria Hall.

At 7.30 there will be an exhibition of handicrafts, comprising items made by the children from the playgrounds during the summer. At 8 o'clock the presentation of the season's awards to winning teams, individual high scorers, league winners, etc., will take place, lasting for the best part of an hour.

At nine o'clock there will be a dance, with music supplied by Herb Morrissy and his orchestra.

All managers of winning teams in any of the city's activities are asked to submit lists of their members to Mr. Norman Smyth immediately.

H. Farquharson Is Hockey Head For McGill Team

The appointment of Hugh Farquharson to command McGill University senior hockey team this coming season has been announced. He will succeed Dr. Robert Blagrove "Bobby" Bell, who announced his retirement as coach last spring after bringing McGill the International Intercollegiate title. During his seven years as mentor of the Redmen, Dr. Bell brought home six intercollegiate crowns as well as the Senior group and Quebec provincial titles in 1931 and 1934.

Farquharson, a graduate of Arts in 1931 and of Law in 1934, was a member of the senior hockey team for seven years. He went to Paris last fall to continue his law studies and played hockey in the English League with Paris Volants, later the Southampton Vikings.

Rated one of the outstanding amateurs in Canada, Hughie was the star of Canada's Olympic hockey team in Germany two years ago, when he started the season with Victorias. He was always one of the Senior Group's top scorers. Even in the 1935-36 season, when his league activities were interrupted by the Olympic jaunt, he finished sixth in Senior Group point-getting with 12 goals and 13 assists for a total of 25 points. In 1934-35 he had 19 goals and 15 assists for 34 points, being topped only by Jean-Louis Bourcier, George Brown and Eddie Finnigan, all of whom later turned professional. His only scoring title was

Title Winning Groves Trim Hawks 6-4

With the Boys at The Westmount 'Y'

Fencing is a major sport around the "Y" as over 40 swordsmen will return this season to participate in this activity under the auspices of the Fencing Club. Most of last year's members will be back and there promises to be many beginners as well.

FENCER

GEO. TULLY

George Tully, former Olympic fencer and present Dominion Three-Weapon champion was elected president at the final meeting of the 36-37 season. He intends to give all his available time to coaching. George has held numerous championships in his care and has now won thirty-three cups, two shields and twelve medals. He reached his peak last season when he captured the three Dominion trophies for Foil, Sabre, and Epee, a feat which has never been equaled in the history of these All-Canada tournaments. George intends to enter several strong teams in the Inter-Club City League this winter.

All the members of the young ladies' group intend to fence again this year. Although this department was formed only late last year it was remarkably successful in its contests. Miss Rhoda Martin won third place in the Provincial Ladies' Foil while Miss Margaret McPhee took the honours in the Novice tournament.

An ambitious programme has been planned for the coming year. Inter-club competitions and exhibitions will play a large part in the activities. Several dances and supper meetings will round out the social end of things.

Fencing will start officially on Monday, October 4. All prospective members are urged to apply for membership as soon as possible by leaving their names and addresses with Mr. Taylor. Full information, including programmes, schedules and application forms will be mailed to them.

The Fall Membership campaign will start on October 8th. We are looking for Captains and team members. Our objective is eighty members — new and renewal. Jack McCreath is the first team captain to sign up. He will captain one of the Intermediate teams. Last year his team won tickets to the Maroon-Canadian Hockey game at the Forum.

Gym classes open next week:—Senior School — Monday and Thursday 4-5 p.m. Intermediates — Wednesday 4.00-5.00 and Sat. 10.30-11.30. Juniors — Tuesday and Friday 4.00 to 5.00.

Preps — Saturday 9.00 to 10.30 a.m. Brockman Brace of McGill will lead the classes.

Public Speaking
Mr. A. J. Cullen of the Bank of Montreal who conducts the Public Speaking Group for Senior School is ready to start early in October.

Life-Saving Class
Tomorrow morning at 10.30 Douglas Fairbairn will meet with those interested in taking instruction in Life Saving leading to Royal Life Saving Society and Y.M.C.A. awards.

Westmount Y boys did well at the Inter Branch Y.M.C.A. Athletic Meet at the McGill Stadium last Saturday.

Swimming Club
Alf Mander will meet with those interested in Advanced Swimming next Friday evening at 7.30. Watch the bulletin boards for announcement of coming swimming meet.

Touch Rugby
Bob Bennett will meet Y boys tomorrow morning at 9 for "touch Rugby". In the event of rain the practice will be held in the gym. It is hoped to organize a league similar to the Y hockey league.

Hobby Club
The Y.M.C.A. Hobby Club will be starting during the first week of October, and preparations for the Hobby Show will be launched immediately.

JOKES ABOUT DEATH, DIES
"What will you say about me, Gordon, when I am gone?" said James Green, the starter's assistant, to the champion jockey, as he tightened the girth of Richard's winning mount, Pascal, in the Lingfield Park Plate at Lingfield races the other day. "That you were not such a bad old blighter," was the jockey's reply, according to the London newspapers. An hour later Mr. Green, who was 65 years of age, collapsed and died while the horses were at the post for the next race.

won in 1933-34 season, when he tallied 17 times and had seven assists for a 24 point total. This was some very prolific point-getting considering McGill played only 12 games that year.

B. PANET-RAYMOND

Will act as a referee tomorrow at the annual sports day sponsored by the city of Westmount.

Bill Soden Named Grid Instructor

Former Assistant to Bill Hughes and Clary Foran to Take Over Reins of Local Entries in Q. R. F. U.

Succeeding Clary Foran, Bill Soden will handle Westmount's senior and junior grid entries in the Q.R.F.U. this season. It was announced last week. Under Foran's direction, the local juniors won the interprovincial championship last fall. Foran is now in Vancouver.

Soden was coach of many M.A. A.A. championship junior teams between 1925 and 1930. He was also assistant to Bill Hughes and Foran with the Montreal Big Four squad.

It is expected that Soden will appoint an assistant to look after the juniors.

GOLF TOURNEY

About a dozen members are expected to represent Westmount YMCA at the annual 'Y' Golf Tournament on Monday, September 27th, at Grovehill. This event is staged by branches throughout the city.

Hawks Stage Rally In 7th But Fail To Capture Game

Groves Score Five in First Inning at Westmount Park Saturday Afternoon—Another Inning Might Have Made Big Difference — Home-run by Morgan With Bases Full Brought in Only Four Runs of Game For Birds.

Groves captured the Senior Municipal Softball title in a close game with Hawks Saturday afternoon at Westmount Park, taking their opponents into camp to the tune of 6-4. Groves now become holders for one year of the Alderman W. B. Scott Trophy, held last year by Blues.

The game was an airtight one with the exception of the first inning. Groves, with two men on base brought in two runs when a toss to 1st base went wild and the ball went travelling into the field, and B. Engel's home run with two men on base brought in three more, closing the inning with Groves leading 5-0.

The rest of the game was fought without either side getting anywhere till the sixth, when Groves landed another one.

Hawks rallied in the seventh when things looked pretty black. Morgan knocking out a beautiful homer with bases full bringing in four runs by Hunter, Tompkins and Fee, Hunter pinch-hitting for Markman.

Alexander's three bagger in the fifth is worthy of mention, but it failed to bring in any runs for Groves. Tompkins, Hawks' left field, made a beautiful catch on a long foul over third base.

The lineup was as follows: Groves—Cronin, pitcher; A. Engel, catcher; Alexander, 1st base; McCormick, 2nd base; Rabinovitch, 3rd base; B. Engel, right field; McClay, centre field; Usher, left field; Mowatt, shortstop.

Hawks: — Markman, pitcher; Taillefer, catcher; Fee, 1st base; Thornber, 2nd base; Wade, 3rd base; Priestman, right field; Ostiguy, centre field; Tompkins, left field; Morgan, shortstop.

Line score:— Groves 0 0 0 0 0 4 Hawks 5 0 0 0 1 0

Planning New Cableway Soon

A new cableway is to be constructed by the Austrian Government in Carinthia to connect the recently opened Southern section of the Grossglockner mountain road with the Fuscherkarkopf, whence tourists obtain a fine panoramic view of more than fifty snow peaks all over 10,000 feet in altitude, says The Railway Gazette of London.

The cableway will rise from 800 to 10,500 altitude, and will span a large glacier with a clear (unsupported) span nearly a mile in length. A modern hotel is to be built at the Fuscherkarkopf and work upon the cableway is likely, states a Reuters message from Vienna, to be begun in the Spring and be completed within a year. It will be the highest in the world.

Winners are to be drawn from those submitting the correct answers.

DANGER LURKS all around Diver Rainville as he works 70 feet under water. Here's one job that calls for strong nerves, and Louis will tell you that good nerves depend on good digestion.

WORKS IN 70 FT. OF WATER

"I've always laid emphasis on good digestion," says Diver LOUIS RAINVILLE, "and years of experience have taught me that a glass of Black Horse Ale with my meals does two things! Helps me enjoy my food and helps me digest it. That's why my digestive system is always in good shape."

EAT - DRINK and Digest

It's the easiest thing in the world to eat, but many of us find that it's not so easy to digest what we eat. If that's your trouble, then drink Black Horse Ale with your meals. Judging by the experience of others, there is something about Black Horse Ale that helps the digestive system—it helps you eat and digest just that much better! Why not try it... tomorrow?

Of Masks and Mikes and Things

By JACK HIRSHBERG

Dedicated to French listeners, CBF, new fifty-kilowatt transmitter of the Canadian Broadcasting Corporation, will probably hit the air early in October, as recorded exclusively in these columns for months ago. The Corporation's present outlet, CRCM, is scheduled to cater to the English-speaking tuners-in, according to latest information . . . Midtown CBC studios in the King's Hall are under reconstruction to accommodate larger casts and more frequent rehearsal and production demands . . .

Those supposedly "in the know" behind radio scenes here maintain that CBC will eventually win local affiliation with National Broadcasting Company, CFCF shifting to Mutual Broadcasting System . . . Truth of the matter is that the question is as yet one of conjecture, and important action is not expected for many months . . . Meanwhile, Gladstone Murray's broadslides against commercial broadcasting have abruptly ceased, and the government-controlled network which he manages is thick in the fight for sponsors' gold . . . Private broadcast organizations find themselves backed against the wall in an obviously one-sided struggle. Whether CBC's program will meet with public approval is another matter, though public approval apparently has little influence in Canadian radio circles . . . This corner refuses to take sides; suffice it to say that the struggle is on. It will at least stir slight action in radio ranks that have been stagnant as a hard-boiled egg in years gone by . . . If competition breeds improvement local dial-tuners are in for some excellent airplane entertainment in months to come.

DIAL TWISTINGS

Marconi's Town Crier, aired through CFCF daily at 10.45 a. m., should catch the ears of those interested in regional institutional activities. As a definite public service, it deserves commendation . . . Back from a hurried honeymoon, Jacques Desbaillets, handsome dean of local CBC announcers, is once again conducting his business behind Corporation microphones. His is the guiding hand of many nationwide CBC shows originated locally . . . Thomas Archer's radio criticisms in The Gazette are definitely a step in the right direction. With the assumption of his new duties as radio critic, Tom becomes one of the busiest of local newshawks . . . Don Roberts, ace engineer of the Canadian Broadcasting Corporation, returns this week from long-delayed holidays . . .

TOMLIN, CROSBY, ETC.

Pinky Tomlin joins Eddie Cantor's new show September 29, with Jimmy Wallington and Dean

na Durbin in support of the goo-goo-eyed comedian . . . Bing Crosby returns to Hollywood from Saratoga this week after several days of betting on the horses. Crosby's latest film, "Double or Nothing," takes to the nation's screens within a few days . . . It was this correspondent's privilege to chat with Crosby at his Del Mar race track last July, and we found him a most genial chap with a bulging waistline, slipping toupee, and infectious sense of humor . . . Wife Dixie Lee has seen to his financial investments with keen business sense, and Crosby is fixed comfortably for life . . . The O'Toole Brothers, lately heard locally as relief band at Chez Maurice, inaugurate a two-a-day series through CFCF and CKAC this week, and head for Chicago six months hence as regular fixtures of the WENR-NBC National Barn Dance, aired weekly from the Windy City . . .

FRANK PACKARD ON AIR

Rupert Caplan has sounded the call for new talent and is currently testing actors, singers and instrumentalists for roles in forthcoming productions to be aired from Montreal . . . The new Frank L. Packard series of mystery tales is a Caplan production heard Wednesday evenings at 9 . . . Race-goers at King's Park recent meeting were surprised to hear Frank Starr calling the races, a new occupation for the popular sports reporter . . . James Bonar, known to radio listeners for his work with the City Improvement League, became Chairman of the Campaign Committee of the Montreal orchestra this week. It is a wonder some progressive sponsor has not cornered this ranking musical organization for a series of winter radio concerts . . . NBC added the 138th post to its roster last week as KMBE, Medford, Oregon, the only woman-owned station with national network affiliation, joined the RCA banner . . .

BERGEN, BARRYMORE AND BRIMS

Edgar Bergen, ventriloquist star

of the major networks, hit the headlines last week with news of his broken engagement to Judy Canova. This was a poor press-agent trick which fooled the wire-service editors, as Bergen is definitely quite daffy over Dorothy Lamour and Miss Canova is already married . . . Elaine Barrie Barrymore, twice married to John Barrymore, possesses one of the finest female voices on the air and is proving herself an able actress in her current microphone series through CRCM-NBC . . . Elaine persists in wearing gawky hats with extremely wide brims, and is easily recognizable on the Hollywood boulevards though her face is seldom visible . . . Which is a mixed blessing . . . Paul Wright, one-time script slinger for Today's Varieties, currently scribbles lines for Corry Thompson's Kiddies' Knowledge Hour . . . evening church services drop from CKAC in the near future to be replaced by sponsored entertainment originating locally. This would appear a breach of the "public service" motto so often quoted by local aircastles . . . Jack Lenaghan, well-known musician, is recovering from a siege of typhoid fever.

Local Best Bets

Following are five of the best bets of the coming week's schedule of programs produced locally, conformed from listings supplied by the stations. Subject to last-minute changes, all are evening shows.

- Friday, Sept. 17 at 9.30 . . . CRCM . . . Viennese Gardens.
- Saturday, Sept. 18 at 9 . . .

TOGETHER IN THRILLING ROMANCE . . . !

Barbara Stanwyck and Robert Taylor in a scene from "This Is My Affair," thrilling dramatic romance which runs at the Westmount until Saturday night.

CKAC . . . Dance Parade.

Sunday, Sept. 19 at 9 . . . CRCM . . . Paul de Marky, pianist, with Symphony Orchestra.

Wednesday, Sept. 22 at 9 . . . CFCF . . . Frank L. Packard mystery drama.

Wednesday, Sept. 22 at 9.30 . . . CFCF . . . Matt Heft, Phil Brito, 16-voice chorus and 32-piece dance orchestra in Spotlight Parade, variety show.

We suggest you dial in these programs. In variety, quality and showmanship they offer striking proof of the improvement shown in local radio productions.

SERVICE FOR DEAF

The afternoon services held at The Mackay School for the Deaf, Decarie Boulevard, will be resumed on Sunday at four p.m. The Rev. J. A. Johnston, Pastor of Westmount Baptist Church will be the speaker on this occasion, and a large attendance is expected.

SUNSHINE TEA

The Women's Association of Kensington Church will hold a "Sunshine Tea" on Friday afternoon September 24th, at three o'clock, for which an attractive program is being planned by the committee.

Motorist League Asking Reduction In Licenses

"Please consider us and reduce the automobile license fees from January 1st, 1938, is the urgent request being made to the Hon. Maurice Duplessis, Premier of Quebec by the president, Chas. L. Fyon and entire board of directors of the Montreal Motorists' League.

Forms for the signatures of motorists are now being distributed to all the garages and service stations throughout the City of Montreal and every bona fide motorist will be requested to sign. A very active campaign is being organized and by the middle of October, the president and entire board of directors estimate that they will be able to visit Quebec to hand over to the Premier, a total of 70,000 signatures for the purpose of proving that Montreal motorists are now up in arms on this license question.

Seen this morning by the Montreal General Manager, T. C. Kirby was very busy planning out the many details of this big campaign. He stated that it was his intention to mail every registered owner on the matter and in addition a temporary staff of six representatives was being engaged to get signatures and assist generally. The League's 52 service stations throughout the Island of Montreal were handling the forms for signatures, showing window cards, etc. and cooperating in every way.

Mr. Kirby is most emphatic on the subject and states that the Provincial Treasurer's report just published shows that the following amounts were received from motorists during the fiscal year ending June 30, 1937:

Automobile licenses \$6,484,255.82
Gasoline Tax 6,565,050.70

\$13,049,306.52
or over one third of the total

ly seen How, Why, When and Where a reduction in the individual motorist fees should be made. The officials of the Montreal Motorists' League intend to leave no stone unturned to show Premier Maurice Duplessis, Provincial Treasurer Hon. Martin Fisher and all the cabinet, the extreme fairness of their request.

West end motorists are urged to call at any of the following local M.M.L. stations and sign the forms:—Provincial Auto Service, N.D.G. Garage, Monarch Garage, Montreal West; Auto Service, Nu-Way Garage, Spinelli Garage, York Garage.

On Our Hundredth Anniversary

We present to the Metropolis and Sister Cities, this architectural lyric in limestone.

Dedicated to the cause of the modern, well-dressed woman, and presided over by Supreme Judges of style and quality, here is the High Court of Fashion where every appellant for authentic and exclusive apparel will receive satisfaction.

The charm of the mise en scène on every floor, the beauty of decoration and illumination, the comfort and luxury of the furnishing appointments, the elaborate service conveniences—all these are beyond adequate description—they must be observed.

You are most cordially invited to inspect the store. Sherbrooke and N.D.G. buses stop at the door.
