A suburban town on the south shore of the St. Lawrence, directly opposite Montreal, in the county of Chambly, district of Montreal, with a population about 1,600, and growing rapidly. It is an important railway centre, and is supplied with an excellent train service by the Grand Trunk Railway, having over twenty trains each way daily. York; South Shore Railway for Quebec. Auto car gives about 20 trips a day to town. The distance to Longueuil, the county seat, is three miles. There are four churches: Methodist, Episcopal, Roman Catholic and Presbyterian, with resident ministers and curé. There is a large Model school, conducted by the Protestant School Commissioners, with a staff of five teachers.

The Roman Catholic School Commissioner's school is now conducted by the sisters of the Holy names of Jesus and Mary and have a staff of five teachers and a Brother of the C. S. Viateur for the boys. There is excellent boating on the river, and the St. Lambert Boat Club is recognized as one of the best clubs in the vicinity of Montreal. The residents are mostly employed in the City, and select it for a suburban home from its favorable situation and excellent means of communication at all seasons with the City. During the winter months direct communication is had with Montreal by an ice road across the St. Lawrence, on which considerable driving is done, and by the bridge. St. Lambert is being rapidly built up, and is destined to become a very important point and a system of water, drainage and electric light has been inaugurated. The Canadian Hunt Club composed of Montreal gentlemen have their Club and Kennels located at Slocum Lodge, an excellent situation on the river bank. The distance by rail is six miles. Mail twice daily. G.N.W. Tel. Co. has an office, also telephone communication at post office.

SUMMERLEA

Summerlea, or better known as Dixie, is situated on Lake St. Louis between Lachine and Dorval. It is a delightful location and a favorite summer resort of Montrealers, being on the main line of the Grand Trunk, nine miles from Montreal and the station only five minutes walk from the majority of the houses.

Boating, bathing, and fishing facilities are unsurpassed, the Lake at this spot abounding with fish of many varieties.

The Royal Montreal Golf Club, with the finest links in Canada, is situated at this point, also the Country Club which is a new sporting

organization, and has just started this year, having affiliated with the Lachine Boating Club, and which has already done a great deal towards bringing out the young rowing talent. Every evening the Lake may be seen dotted with single sculls, doubles, four and eight oars. This Club also boasts of a fine racquet court.

It is a favored spot for camping parties, particularly Dixie Island which is situated a quarter of a mile from the shore, and is always covered with tents.
