Beloved And Familiar Figure In Bristol Mrs. John A. Kelly Dies In 84th Year

A familiar and beloved figure passed from the Bristol township scene last Saturday when Mrs. John Kelly died in her 84th year, after a long illness.

Known to countless residents of the area as Bristol's Grand Old Lady, the late Mrs. Kelly will be long remembered for her kindness, generosity and the good words she had for everyone.

The funeral, held Tuesday from her late home to St. Brigid's Roman Catholic Church, North Onslow, was attended by many from Bristol, Onslow and Weir-stand to whom Mrs. Kelly had been a friend all their lives. Requiem high mass was sung by Rev. Father J. E. Austin, P.P. and Mrs. Kelly was buried in the nearby parish cemetery.

The late Mrs. Kelly was born in Bristol, her maiden name being Mary O'Malley, daughter of the late Anthony O'Malley and Mary Murdock his wife. She lived at her home until she married in 1888, then moved to Butte, Montana, for eight years, then made a further move to Nelson, B. C. for another eight years. Then she and her husband moved back to Bristol, where she has resided ever since. Her husband pre-deceased her 40 years ago.

Surviving her are three sons, Edward of Bristol and Joseph and John of Detroit, Mich.; four daughters, Mrs. M. J. Sammon (Annie) of Bristol; Mrs. Raymond Milligan (Florence); Mrs. Gerald Tallon (Margaret) and Miss Loretta Kelly, all of Detroit; one adopted son, Gerald Picard of Bristol and one sister, Mrs. Charles MacNamara, of Windsor, Ont.; also 26 grandchildren and two great grandchildren. She was a member of St. Brigid's Roman Catholic church and for long a member of the Catholic Women's League and of the St. Joseph's Union.

Plan Nursery School For Next Sunday

The C.G.I.T. met in the basement of the Shawville United Church last Wednesday.

The Worship Service was conducted by Joyce Teiford and Lenora Alexander.

The business opened with the C.G.I.T. Hymn, followed by the Pledge. The roll call was answered by naming your favorite bird. Two new girls joined. The treasurer, Janey McDowell, gave out the Jingle Boxes. We made plans to start a Nursery School for children while their parents go to church) on Sunday, January 25.

Rosemary Lunam gave an introductory to our new Study Book.

The meeting closed with taps. The senior group met after the meeting to work on their Senior Quiz.

Walsh, Richard Walsh, Steven Kelly, Gerald Picard, John Sammon, Don Smith.

Among the many from out of town at the funeral were Mr. and Mrs. Harman Doyle, Vinton, Mr. and Mrs. Thomas Kelly, Campbell's Bay, Mrs. Minnie Sloan, Vinton, Mr. and Mrs. Thomas Curley, Ottawa, Mr. and Mrs. Dick Walsh and son Jerry, Mr. Martin Walsh, Calumet Island, Mrs. Jean Johnston, Windsor, Mr. and Mrs. Wilfred Gibbons, Mr. and Mrs. Pat Killoran, Mrs. Richard Craig, Mr. Martin Stanton, Mr. Lawrence Stanton, Mr. Elmer Stanton, Mr. and Mrs. Don Smith with Jerry and Michael, all of Ottawa, Mrs. Bill Sheppard, Aymer, Mr. Joe Kelly, Mrs. Raymond Mulligan, Mrs. Gerald Tallon, Mr. John Kelly, Miss Loretta Kelly, Mr. Merlin Bennett, all of Detroit.

Mums, Gladioli and Daffodils Setting When Nora Corrigan Wed Saturday

At a candlelight service amid a setting of mums, gladioli and daffodils, Nora Bessie Corrigan, R.N. daughter of Mr. and Mrs. Lawson Corrigan, Shawville, became the bride last Saturday of Frederick Earl Tubman, son of Mr. and Mrs. George Tubman, Campbell's Bay.

The marriage was performed by Rev. R. G. Elliott in St. Paul's Church of England, Shawville, where the pews reserved for guests were marked by white ribbon which, when severed, dropped down, forming attractive rosettes on each pew.

The soloist was Miss Barbara Smith who sang The Lord's Prayer and The Wedding Prayer. The bride, given away by her father, was attended by Mrs. Wilfred Simpson, Renfrew, the matron of honor. Her bridesmaids were her sister Miss Joan Corrigan, R.N., and Miss Phyllis Tubman, Campbell's Bay. The junior bridesmaid was Miss Donna Pritchard, Manotick. The flower girl was Miss Lynn Brown, Bryson.

The bride wore a floor-length strapless gown of blue ice nylon velvet, full circular skirt, softly folded at the back, matching jacket, buttoned down the front, with self covered buttons, stand up collar. Her headdress and muff of blue ice shirred velvet matched her gown. Her corsage of tea roses was worn on the muff. The costumes of the attendants were identical to those of the bride. Those of the bridesmaids and flower girl were claret and that of the matron of honor was sapphire.

Master Chris Judd, Shawville, was the ring bearer and the best man was Mr. Grant Elliott, Campbell's Bay. The ushers were

Mr. J. K. Pritchard, Manotick, Ont., Mr. Wilfred Simpson, Renfrew and Mr. Kenneth Tubman, Campbell's Bay.

Following a reception at the home of the bride's parents, Oakview Farm, the couple left for a honeymoon in the United States. For travelling the bride wore a beige crepe dress with brown accessories and straw hat and brown shell trimmings, alligator shoes and gloves and a short fur jacket. On their return they will reside in Shawville.

Out of town guests included Mr. and Mrs. J. A. Pritchard, Mr. and Mrs. J. K. Pritchard and Donna, Manotick; Mr. and Mrs. Otis Pritchard, Mr. and Mrs. John Craig, Osgoode, Ont.; Mrs. R. T. Elliott, Mrs. B. McGowan, Mr. and Mrs. J. Vogan, Mrs. Jim Kennedy, Mrs. Iva Clarke, Mrs. Grace Hodgins, Mr. and Mrs. Charles Miller, Mr. and Ms. L. Saunders, Ottawa; Mrs. H. L. Blanchard, Kinburn, Ont., Mr. and Mrs. Thresher, Mr. and Mrs. Jamieson, Pembroke; Mr. and Mrs. Wilfred Simpson, Renfrew; Mr. and Mrs. George Tubman and Miss Phyllis, Mr. and Mrs. Ken Tubman, Mr. and Mrs. Joe Smiley, Mr. Grant Elliott, Mr. and Mrs. Atkinson, Mr. and Mrs. Earl Brown, Misses Betty and Joan Tubman, Campbell's Bay; Mr. and Mrs. E. Red Top Disappears From Scene Plays Most Of Game In Box

By Bill Reilly

Eastview St. Charles Junior A team and Shawville Seniors tangle here Friday at 8.30 p.m. in Shawville Arena.

Last Friday night's game here with the Renfrew Junior gave the hockey fans some thrilling hockey to talk about.

Shawville started fast with two goals in the first period but were overtaken by Renfrew in the third, the game ending in a 3-all tie.

Then came Monday's game with Eganville, a return match, since Shawville beat Eganville 5-4 last week. This game was more colorful (mostly red) since Red Top Dale and Hewitt McCredie came out of retirement to put on a demonstration of some real fast hockey. Sad to say that most of Dale's hockey was played from the penalty box. In one brawl seven players were sent off the ice.

When Dale failed to appear after several minutes, Ebert Richardson was heard to ask him if the referee had given him 30 days. The thriller ended in a 6-6 tie.

Dr. A. F. Fokes was on hand to address the crowd in honor of Shawville's great contribution to the game of hockey—a man who will always be remembered as Mr. Hockey himself—the late Bill Gibson. One minute silence was observed in memory of the man who gave so much of his time and money to make possible the many good players in Shawville today.

Coming Up
Saturday: Shawville Juniors at Renfrew; Shawville Seniors at Hawkesbury.
Shawville ice fans have a treat in store for them Saturday night in the big two-hour Ice Carnival at the arena, sponsored by the Rotary Club of Shawville. The show starts at 8.30 p.m.

Vote Is Heavy In Local Polls

Keen interest was shown in district elections Monday with most presiding officers reporting the heaviest vote in years. In Shawville and Bristol township the vote was so heavy that extra ballots were required, although the number printed was larger than last year.

In Shawville, Councillors Lee Hodgins and Allen McKay headed the polls with Leslie Dale capturing the third seat. Clarendon Township has a new mayor, Earle Fulford and in the race for one council seat Lennis Barr defeated Orval Smart. Mayor Hilliard Beattie was returned in Bristol township and Alex Murray defeated Percy Ballantyne for the one contested council seat.

In Thorne Township Mayor Sidney Sheppard was defeated by E. Turcotte and the council seat went to Walter Doxey over Harry Woods. In Quyon J. P. Daley is mayor after defeating Bay Young. Ernie Perriard won the council seat over Thomas Cain.

North Onslow has a new mayor in Daniel Farrell who won out over Mayor James McGoff. Litchfield Township mayor and councillors were all returned by acclamation. The full results were:

- Shawville Council**
Lee Hodgins, 241; Allen McKay, 219; Leslie Dale, 163; Ken Hodgins, 98; Dalton Richardson, 91; Charles Imison, 90.

The meeting was told that \$197.18 had been sent to the Protestant Children's Home, \$49.20 for other welfare work and a piano had been purchased for the hall.

The Warrant was draped in memory of the late Past Grand Mistress of B. A., Sister Edgar and the late Bro. J. A. Dean of Hopeful Post.

After the meeting closed refreshments were served and a social hour spent with an exchange of Christmas gifts.

Adina Rebekahs Give Hospital \$100

By Muriel Imison

Adina Rebekah Lodge held its regular meeting Monday night, in the Lodge room, with many of the officers in their respective chairs.

The officers, elected in the fall are: D.D.F. Sister Mabel Langford; J.P.N.G. Sister Muriel Imison; N. G. Sister Audrey Hodgins; V. G. Sister Verna Howard; Rec. Sec. Sister Muriel Imison; Fin. Sec. Sister Elsie Gibbons; Treasurer, Sister Mamie Clarke; Ward-ten, Sister Merle Hobbs; Conductor, Sister Mona Taylor; Chaplain, Sister Susie Hodgins; musician Sister Jean Judd; R.S.N.G. Sister Muriel Hanna; L.S.N.G. Sister Gladys Stark; R.S.V.G. Sister Margaret Farrell; Ins. Guardian, Sister Iva Towell; Out. Guardian, Sister Doris Judd.

By unanimous decision of the members a donation of \$100 was made to the Pontiac Community Hospital to assist in the purchase of an oxygen tent, which I am sure will be of great service to our community as a whole.

At our last meeting it was decided to send a box to a Shawville boy who is serving with the armed forces in Korea—this, in appreciation of the services rendered by his late mother to our Order.

We the members of Adina No. 40, greatly appreciate the co-operation we received during the sale of Christmas cards and note paper.

Our meetings are held regularly on the first and third Mondays of each month at 8 p.m. in the Lodge Room on Centre Street. All Rebekahs, whether members of Adina Lodge or not, are cordially invited to attend.

Litchfield Church Reports Progress

The annual congregation meeting of Litchfield United Church was held last week in the church.

A year of progress was reported by Mrs. George Stewart and the missionary allocation was increased. Mrs. W. D. Hodgins read the Sunday School report. The meeting was also told that during the year the interior of the church was renovated and the roof finished.

All of last year's officers were re-elected. Rev. J. Renshaw, the minister, thanked the members for their co-operation.

A Little of This and a Little of That

By BILL KINMOND

Congratulations. To Mrs. George Elliott, Campbell's Bay, who was 83 last week. A number of friends dropped in to see Mrs. Elliott bringing several lovely gifts. Her daughter, Mrs. Sam Jay served lunch.

Good News. Joan Corrigan, Shawville and Peal Burbank, Lennoxville, nurses at the Pontiac Community Hospital, have received their R. N.'s.

Best Wishes. For a speedy recovery to Frank McKee, of McKee, who with Mrs. McKee left recently to spend the winter in Port Arthur. Mr. McKee was in the Port Arthur hospital for three weeks and at present is in the Winnipeg General Hospital.

In The Mail Bag. Mrs. A. E. Posselwhite, Ottawa, renewing her subscription describes The Equity as "my favorite paper". Mrs. Posselwhite used to live on King Street in the house next to the Shawville Bakery. The land now occupied by the bakery was her flower and vegetable garden and lawn. Incidentally, the expiry date of Mrs. Posselwhite's subscription and many others has not been changed because the four is missing from our typewriter. While waiting for it to be repaired we've borrowed another machine and hope this week to catch up on most of the renewals.

Those Chain Letters. Our Campbell's Bay correspondent brings us up to date on the chain letter craze: "The latest has the audacity to include the name of the United Church. What sacrilege. A word to the wise is: Don't try to mix superstition with faith. They don't work together. Destroy those chain letters!"

Blessed Event. One of the happiest men locally is Dr. Roland Armitage whose wife presented him with a daughter Monday night.

Gobblydook. Surely some kind of an award should go to CFRA announcer Rod Dewar who managed to say in one sentence, consecutively: "Irrespective of whether or not."

In The Spring Tra La? It is now 58 days to Spring; we'll be fishing in just 80 days and daylight saving starts April 26 and May the 24th this year will be on May 18 which is the official day for celebration of Victoria Day.

Congratulations. To Mr. and Mrs. J. J. Sly, Shawville, who were 53 years wed January 10.

On The Sick List. Betty Fulford, who is in the Pontiac Community Hospital after injuring her back in a fall at the skating rink.

On The Move. W. J. Glenn, son of Mrs. J. C. Glenn, Bristol, left Montreal last week for Europe on a buying trip for the T. Eaton Co. of Montreal. He sailed on the Empress of France and during the three month trip will be in England, Paris, Germany, Scotland, Switzerland and Holland.

By Their Hirsute Development They Shall Be Known At Carnival

By Len Coyne

The days when a man was known by the length of his beard and women—well, more of that later—are about to return in Bryson and district.

Casting about for something to add interest to their already interesting annual skating carnival which will be held February 14, Bryson Lions came up with the decision to require all members to grow a beard.

The decision was definite and coldhearted—without regard for those who might have trouble raising even a reasonable facsimile of a beard. Just to make sure there are no delinquents or

backsliders the tailtwister was ordered to report at the next meeting that all Bryson Lions are growing beards as only be-whiskered Bryson Lions will be allowed to attend the carnival.

As far as the female reaction is concerned there isn't anything definite yet, except that some black eyes are now to be seen on Bryson streets, along with colored and dark shadows. Prizes will be given for costumes and skating at the carnival and a special prize (rumor says \$100) given to the Lion with the greatest whisker growth. Outsiders, with not more than 30 days' growth of hair on the face, may compete.

A Tribute To The Late W. A. Hodgins

By Claire Brown

Nearly every village or town has one storekeeper that is more than just a merchant. One who is never thought of as just a servant to the public. Although he may have troubles of his own, his customers never know, for he greets everyone with a cheery smile.

Because of his years he can give sound advice when it is sought but people never have to seek his kindness and sympathy, because he gives them freely. Lyla Myers tells us of just such an old gentleman. While he has been our grocery-man for many, many years,

We haven't merely talked on foods,
He shared our griefs and fears.
Between advice on things for sale,
He'd ask about our health;
From fruits and bacon, we'd discuss all things, from
war to wealth.

And, though great sorrows came to him, I never saw
him frown,

As he befriended rich and poor,
From every part of town.
I've often thought—"You help the world
With your kind cheerful way!"

And oh, I am sorry I never told him
They buried him a few weeks ago—

Time For All Taxpayers To Dig Down Deep

T-1 Short is being presented, this year, in a modish combination of black and blue. And that's the way you're going to feel when T-1 Short (or T-1 General for that matter) gets through with you. The T-1's are the forms the income tax people use to take away that tiny bank balance you had left after Christmas and New Year's.

Last summer, the parliamentary reporters didn't seem too sure just what was going to happen to our 1952 income. It was plain enough that we'd all have to chip

evening. Continuous practice in the use of this bandage is very important as it is used so often. I understand that many husbands now have a daily ordeal to go through in being tied up in one way and another. There are just six lectures in this course which is immediately followed by the examination and everyone must keep up to date.

Tommy Cod Fishing is "Parlor Sport"

The ancient problem of the angler—whether to go to sea and catch fish, or stay home with wife, family, radio and reading lamp—was solved all over again this past Christmas tide by some thousands of Quebecers.

The answer is simple. You transfer your living quarters to a cabin mounted on runners, which you push out into the ice where, surrounded by all the home comforts, you fish through a hole in the ice. All the family can take a hand.

This you can do on the St. Maurice river and other St. Lawrence tributaries, capturing tommy cod, otherwise called Christmas fish of the petits-poissons des cheneaux, which just now are coming up from the sea to spawn.

A period of just three weeks, from Christmas through Little Christmas, marks the height of the season for the tommy cod, called frostfish in New England, poulamon by the Acadians and Microgadus tomcod by men of science. Professional fishermen throughout eastern Quebec have been netting 40 to 150 tons, worth \$5,000 to \$20,000 each year, according to statistics from 1946, and this excludes the voluminous catches of enthusiastic amateurs.

Another way of enjoying the tomcod is to wait for it to appear on the market. But you must make sure it is tomcod and not some other fish you're getting. The Quebec Biological Bureau, which has studied this fish intensively, offers the following description:

No longer than 12 inches, nor heavier than one pound. A single barbel or "catwisker" under chin, in middle. Three top or dorsal fins, well spread out, and two bottom or anal fins. Un-

like the young cod, which has a square or slightly indented tail fin, the tomcod has a rounded extremity.

Some tomcod, furthermore never see the sea, but are landlocked, as the researchers of Prof. Vianney Legendre and Robert Lagueux of the Biological Bureau and University of Montreal have shown. These you find in Lake St. John, where they are locally called "petite loche". The others come up the St. Lawrence as high as Les Forges on the St. Maurice above Three Rivers.

Trap fishing is one way of taking the tomcod. Swimming in shoals, it enters the unbaited basket freely. Many an angler, however, prefers to use hooks baited with pork liver.

BOY SCOUTS

Akela advised that there were 30 out to the last meeting of the Wolf Cub Pack which is excellent. The total number is 32 and this shows the keen interest in Cubbing that the boys have. It is also a credit to the Scouters who have an attractive program each evening. First Aid Instruction was the main topic with three investitures, which are shown in the Gazette. After the smoke had blown away on the points of the evening the Red Six won the Honor Pennant for the week. Cub Doug Yemen is moving to Ottawa and the Pack will be sorry to lose him but he will be given a transfer so that he can continue in a Pack in that city.

The Scout Troop intend to meet from now on at seven o'clock on Thursdays to allow for skating. At the last meeting they played

20 questions which brings out general information on Scouting. The Jamboree Patrol is in process of being formed and will include eight boys who will represent Pontiac District there. One of two have still to qualify to be First Class Scouts but they have until May 15 to complete that. In the meantime they will be getting everything passed they can inside.

The St. John Ambulance had their second meeting Friday last with 26 present. There were four girls from the C.G.I.T. who were invited to take part. Crop-Destroyers (Wireworms)

Wireworms are among the most destructive, most widespread and, until recently, most difficult insect pests to control. There are many different species which attack wheat, rye and other grains, beans, corn, potatoes, onions, gladioli, tobacco transplants, tomatoes, cabbages, cultivated and wild grass and other

crops. Crops attacked by wireworms may fail to germinate as the larvae will eat the germ of the seed or hollow out the seed entirely. If the seed does take root the wireworms may bore into the underground part of the stem causing young seedlings to wither and die. Wireworm injury also makes it easier for disease organisms to invade plant tissues.

weeks. Beetles begin egg-laying in June. They are hard-shelled, brownish in color with body tapering towards both ends. When these beetles are placed or fall on their backs they are able to throw themselves inches in the air by flipping the middle part of their body in order to get back on their feet. This habit affords considerable amusement to farm boys and girls who have given the insect such names as click-beetle, snapping beetle and skipjack.

For many years wireworms were best controlled by cultivation. In recent years, however, the new chlorinated hydrocarbon insecticides have taken a useful place in their eradication.

One of the outstanding developments has been a seed treatment method using the gamma

isomer of benzene hexachloride on wheat, rye, barley, oats, corn and beans. With this chemical, effective, practical and economical wireworm control is now possible. It can also be used in tobacco transplanting water. Chlordane, DDT and BHC have been found effective in treating wireworm-infested soils containing certain crops, although soil treatment is recognized as being considerably more expensive than seed treatment.

Dried herbs soaked in a bit of milk before you add them to ground meat balls will season them delightfully. Soaking in milk helps them regain their flavor.

Use your bits and ends of pie crust for turnovers for the children's snacks or lunches. Apr-

cot marmalade mixed with cranberry sauce is a good filler and so is orange marmalade with cranberry jelly.

Make your next gingerbread in two layer cake pans. When it's baked and cooled, put the layers together with apple butter and top with swirls of whipped cream. Having neighbors in for an afternoon cup of tea or coffee? Toast bread on one side, then butter untoasted side and spread

DODGE coronet V8

The 1953 Dodge Coronet V-8 is styled for action . . . more streamlined . . . more compact . . . yet with more passenger and trunk room than ever. It's designed for action to provide a road-hugging, curve-holding ride, new steering ease, wonderful manoeuvrability. It's powered for action with a new 140 h.p. V-8 engine of the famous "dome-shaped" design (as described below)—that gives astonishing pick-up and smooth, sustained speed.

featuring the sensational new 140 h.p. red ram V8 engine

This new V-8 engine brings you the triple power advantages of "dome-shaped" combustion chamber . . . short stroke design . . . high lift lateral valves—a design universally recognized as the ideal for power and economy. It provides more power per cubic inch displacement than any other mass-produced engine . . . more fuel energy goes into power, less is wasted in heat and friction.

Gyro-Matic transmission is standard equipment—giving you no-shift driving at its best. Gyro-Torque transmission—for extra bursts of speed from "get-away" to 45 m.p.h.—is available at extra cost.

By Mrs. Ebert Murphy
(Phone 36-4)

Mrs. Evelyn Brown left Tuesday for Hamilton where she will

visit her sister Mrs. Eric Eades for a couple of weeks.

Mr. and Mrs. Floyd Robinson and son, Waltham, visited friends here last week.

Mrs. Heman Dagg, Shawville, visited her sister, Mrs. John Knipe this week.

Miss Audrey Black, Ottawa, spent the weekend visiting her sister, Mrs. Harold Wilson.

Miss Helen Dunlop, Waltham, spent the weekend visiting Miss Jean Murphy.

Miss Dorothy Loken, Ottawa, spent the weekend visiting her father, Mr. Harry Loken.

Receives R. N.

Mr. and Mrs. William Smith, received word January 13, that their eldest daughter Winona, had successfully passed her R.N. Exams at the Royal Victoria Hospital, Montreal.

She graduated from Shawville High School in June 1948 and the following August went as nurse-in-training in Montreal. She is at present on the staff at Ross Memorial Hospital, the private patients hospital, in Montreal as assistant superintendent.

**Elect H. Hodgins
Mutual President**

The eighth annual meeting of the Shawville Mutual Fire Insurance Company was largely attended Wednesday afternoon, at Hynes Hall. It was the largest attendance thus far at an annual meeting. Members from most townships of Pontiac County were in attendance.

The annual report, read by the secretary-treasurer, N. A. Drummond, revealed steady progress. Policies are carried on approved risks in almost all municipalities in Pontiac. Total insurance in force at the end of 1952 exceeded slightly the \$3,000,000 mark, of which \$2,430,000 was on farm buildings and \$580,000 household furniture, farm machinery, livestock, etc. There are 1500 policies in force at present. Of these 995 are on buildings and 510 on moveables.

Officers and directors elected: president, Hurst Hodgins; vice-president, Arthur Dagg; secretary-treasurer, N. A. Drummond; directors, Lora Brownlee, Lawrence Lang, Norval Wilson, Ivan Lewis, Orval Smart, George E. Palmer, field representative and Andrew Daley, auditor.

The following from different parts of the county comprise the advisory board: Allumette Island, Michael Kennedy and William Leahy; Bristol, Samuel McNeill, Calumet Island, George Dufault; Litchfield, Irvine Crawford; Chichester, O'Kain Payne; Leslie, Eddie Zimmerling; Thorne and Altfield, Paul Kroese; Mansfield, Emeril Leblanc; Onslow North, Edward Robert and Joseph Vallillee; Onslow South, S. Wyman MacKechnie and Freeman Merrifield; Sheenboro, Sidney Perrault and Vinton, Dom-

inic Sloan.

The company policy holders suffered losses during 1952. January 29-1952, Mrs. Maynie Campbell, Wyman, \$80.00 on buildings; February 8, John E. Palmer, Charteris, \$1,375.00 on buildings; April 23, Mrs. Ellen McGillis, Maryland, \$1,150.00 on buildings; June 24, Melbourne Horner, Wyman, \$20.00 on moveables; July 26, Hurst Hodgins, Yarm, \$6.00 on moveables; August 21, Lyle Bronson, Quyon, \$900.00 on buildings; August 21, Lloyd Brownlee, Shawville, \$73.00 on buildings; Sylvester Sloan, Sheenboro, \$30.00 on buildings; November 17, J. Allen Smith, Shawville, \$25.00 on buildings; November 25, William Tallon, Sheenboro, \$3.50. The total of damage on buildings was \$3,636.50 and on moveables was \$176.00.

The only change on the board of directors was the choice of Lora Brownlee in replacement of Ira Hanna, who wishes to retire. A resolution changing the date of future annual meetings was passed. In future the annual meeting will be held on the fourth Wednesday of January. There was lively discussion regarding the putting in to effect of a combined policy to include "wind damage".

A resolution also was passed urging the board of directors to study thoroughly the possibility of a sharp upward revision in amount of insurance carried on single risks.

**St. Andrew's Knox
Elects Officers**

There was a good attendance at the annual congregational meeting of St. Andrew's and Knox United church held in the church building last Thursday. Rev. I. E. Cavender was in the chair, and the supervisor of the charge Dr. A. F. Fokes was also present.

The report of the session was given by James Campbell, showing a net loss of one in membership. The church treasurer, Harry Easy, reported a most successful year with net receipts of \$2568.96 and a balance in the bank of \$284, while Robert Laird told of the missionary donation of \$177.40 sent in. The St. Andrew's W.M.S. reported 11 members and \$171 raised for missions, while the Knox W.M.S. had 13 members.

Garth Graham, treasurer of Knox church, reported a balance of \$131.31; St. Andrew's Women's Association reported receipts of \$754.39, and a balance of over \$200. Other reports given were: Cemetery Improvement committee, by Winters McCorriston, balance of \$792.92; Cemetery treasury by Mel Stewart, showing a balance of \$270, Knox Mission Band, with \$93.00 raised; Manse restoration fund with \$5,500, a balance of \$853, but a number of bills yet to be paid.

It was reported that a grant had been requested from the Home Mission Board to restore the manse burned last spring, but this request was refused. It was moved that Mel Stewart, H. I. Smith, Melvin Graham and James Campbell be a committee to follow this request further.

Rev. Cavender thanked the officers, the organist and the members for their co-operation and kindness during the past year.

The election of officers resulted as follows: stewards; Melvin Stewart, Roland Russell, John B. Duff, Winters McCorriston; trustees, John B. Duff, Garth Graham, James Campbell, James Graham, Melvin Stewart, Don MacPhee, Alex Murray; cemetery improvement committee, Winters McCorriston, W. G. Russell, Garth Graham, Melvin Stewart, H. H. Walsh, James McCredie, Sam McNeill; Sunday school superintendent; Mrs. James Campbell; M. & M. Treasurer, Robert Laird; church treasurer, Harry Easy; representatives to Presbytery; Wilmur Graham; alternate, H.I. Smith.

**Yarm United Asks
Minister Carry On**

The annual meeting of Yarm congregation was held Friday night in the church with a fair attendance and Rev. George C. Heslop in the chair. Reports received showed a good year's activities. William Hodgins, treasurer read the financial report which showed the pastor's salary and church expenses paid in full with a small balance.

The Women's association report, read by Mrs. Bert Hodgins, showed receipts of \$186.74 and a balance of \$147. The Sunday school report, given by Wilson Tracy, showed receipts of \$74.63 and a good balance on hand. Stirling Hodgins read the report of the Missionary fund which showed \$56 given to missions. It was decided to increase the min-

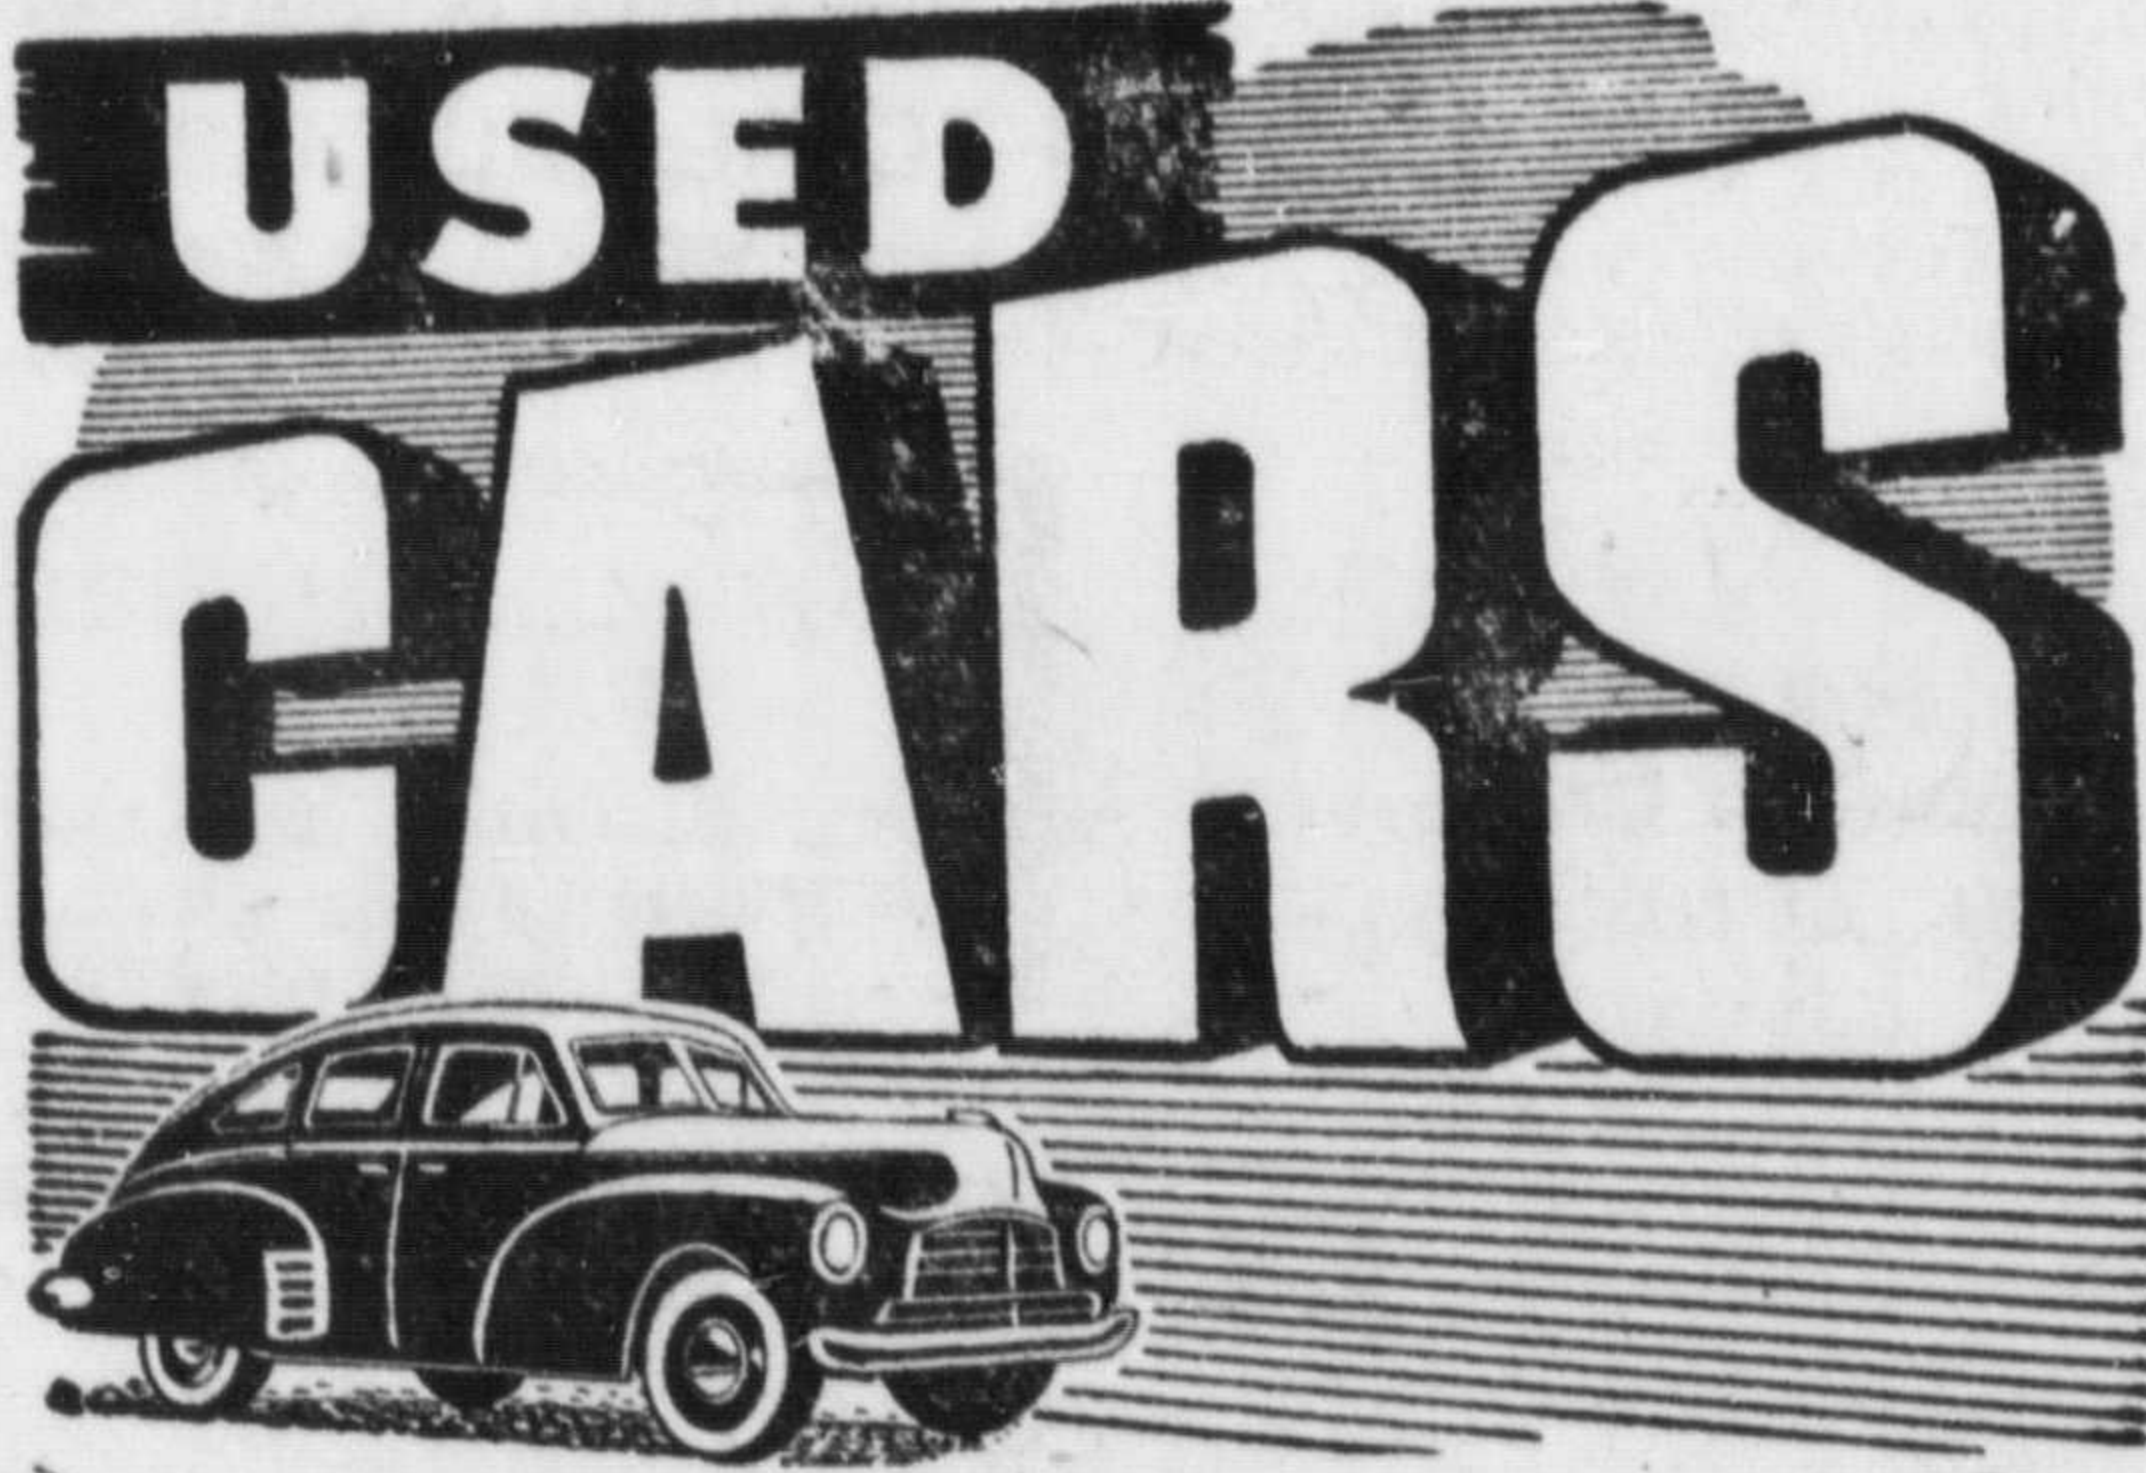

ister's salary by \$40 and, after a vote of appreciation, Mr. Heslop was asked to remain with the field another year. It was also decided to increase the insurance on the parsonage to \$3,000.

Officers elected: stewards, Wilson Tracy and Milburn Elliott, with William Hodgins as recording steward; cemetery board, Milburn Elliott, Hurst Hodgins, Garnet Hodgins; organist, Mrs.

Bert Hodgins.

RESULTS THAT PAY

**40 POUNDS
AT WEANING
WITH...**

**SHUR-GAIN
PIG BOOSTER**

40-lb. weanlings are profit producing Hogs. Hogs weaned at this weight will be off to market in far less time and thus consume far less feed, than Hogs which only weigh 25 lbs. when weaned. This saving on feed means extra profit for the producer.

A great many tests at the SHUR-GAIN Farm have demonstrated that SHUR-GAIN Pig Booster produces weanlings which average 40 lb. or more at 8 weeks of age.

Try a litter—feed SHUR-GAIN Pig Booster from the time they are 10 days old right through weaning until they are 10 weeks old. You will have Hogs that will be off to market in record time on record low feed consumption.

Feed SHUR-GAIN Pig Booster and be sure of results. You can't buy a better feed.

smoother, even on the roughest road

Pick the roughest road. Give the new Plymouth a workout. You'll discover the smoothness you would only expect in a more expensive car! It's Balanced three ways against roll, against pitch, against jounce. A revolutionary new system of weight distribution, springing and Oriflow shock absorber action makes the Plymouth Balanced Ride steadier—more level—softer.

The new Plymouth offers you more for your money in many ways.

In POWER—with an engine of exceptional long life and economy. In DRIVING EASE—with wonderful parking and steering control. In SAFETY—with an optically curved windshield to reduce reflections—Twin Cylinder front wheel brakes—Safety Rim Wheels which give added protection in case of sudden tire failure. In COMFORT—with Plymouth Balanced Ride—a wider, softer rear seat—greater head, leg and hip room. In CONVENIENCE—with 30% more trunk room—central glove compartment on the dash—easier access doors. And last but not least—more in BEAUTY AND STYLE—soft, long, low lines—colourful beautiful interiors that would grace a far more expensive car.

Plymouth's traditional value is even greater than ever. Never has the purchase of a car been such a sound investment of your hard earned dollars. Drive—compare—use your own eyes!

The rector in a brief review of the year's work congratulated all responsible for the happy situation existing there and the spirit of co-operation among members of the congregation. He also referred to the devotional side of their church life, particularly emphasising attendance at Public Worship of which a keenness is evident in that congregation; which he also said was the most important part of the church's work. He thanked the wardens, organists and Sunday School teachers for their devotion to duty.

Mr. Benson Eades was appointed Rector's warden for the year and H. McCleary was re-elected people's warden. Lora Brownlee was elected Vestry Clerk with Ira Hanna and Harry Eades delegates to synod; Benson Eades and Ervine Beck as substitutes. Messrs. Keith McCleary, Harry Brownlee, Ervine Beck, Lloyd Atkinson, Hubert Horner, Garry, Neil and W. J. Hanna were appointed sidesmen.

**Holy Trinity Church
Has Vestry Meeting**

The annual vestry meeting of Holy Trinity Church, Radford, was held in the church hall, last Tuesday. Before the business meeting the members of the congregation with their rector enjoyed an hour of fellowship and partook of an appetizing chicken supper served by the ladies of the congregation.

Harry McCleary presented the warden's financial report for the past year which showed all obligations met and a favorable balance on hand. He also mentioned the amount of time given freely by men of the congregation in brick-siding the hall. Mrs. W. J. Hanna reported an active and profitable year by the Ladies' Guild whose funds showed a creditable balance. Mrs. Harry McCleary reported for the Sun-

**Bryson Wins Over
Portage 6-3**

In the home and home series between Bryson and Portage du Fort Junior hockey teams, the game played on Bryson ice last Friday proved the best game of the season ending in a 6-3 score for Bryson. Both teams showed much improvement in their team work and displayed a fast brand of hockey. Only two penalties were handed out by referee Greg Murtagh.

Jimmie Walls lead for Bryson, scoring three goals Thomas,
