MEXICO QUAKE TOLL 43

50 Buildings Are Topped

MEXICO CITY, (AP) — Central Mexico dug its way out today from under the rubble of the worst earthquake in local memory. The big shock toppled 50 buildings in Mexico City alone, killed at least 43 persons and wrecked more than \$8,000,000 damage.

Following the first and biggest shock early Sunday morning, 30 lesser tremors were registered in the capital during the day but caused relatively little damage.

At least 20 persons were reported missing and more than 500 seriously injured in the quake which ripped the earth all the way to Acapulco, on the Pacific coast. But officials agreed the casualty toll appeared remarkably low in view of the quake's severity.

Thirty-two bodies were taken from collapsed buildings in Mexico City. Eleven other persons perished in the southwestern state of Guerrero. Three of these were in Acapulco, six in the state capital, Chilpancingo, and two in nearby towns.

The president's office said the governor and chief of the military zone of the southwest state of Michoacan denied reports there were any dead in that area. An earlier report had said there were 72 dead in that state.

The casualty reports were believed fairly complete, but authorities said that remote areas might still be heard from.

EMBASSY DAMAGED

No Canadians were reported injured, but the building housing the Canadian embassy here was damaged.

The quake hit this capital of 4,000,000 at 2:40 a.m. Sunday, sending seismograph needles spinning.

The city was plunged into darkness. Fire engines and ambulances screamed through the rubble-strewn streets. Communications with the shock areas west of the city were cut off.

At the national seismographic observatory, needles went off the dials in recording the areas between this ancient volcanic zone and the Pacific Ocean. They indicated the resort town of Acapulco, 215 miles south of the capital, had borne the brunt of the shock.

Loss of life in Mexico City was limited because of the hour. Had it been in the early evening, hundreds would probably have been crushed in the jammed movie theatres and night spots. By day, falling masonry and splintered glass would have injured thousands along the streets.

The 14-storey structure housing the Canadian embassy and former New York mayor William O'Dwyer's law offices was so badly shaken its tenants were not permitted to visit their premises.

RAF Strikes Arabs Again

SARJAH, Arabian Trucial States (Reuters) — The RAF today renewed its "demonstrations" against Arab tribesmen revolting against the Sultan of Muscat and Oman when 10 jet planes went into action against a rebel-held fort at Birkat.

An official statement announced the operation, which took place after a 48-hour warning had been given by leaflets.

The jets had been standing by while officials of the sultanate debated whether new air strikes should be carried out.

Race Riots Flare In Chicago

CHICAGO (AP) — A series of riots broke out on Chicago's far south side Sunday night after an afternoon battle between whites and Negroes in which more than a score of persons were injured.

Some 100 Negroes were holding a picnic at Calvert Park. Police said a group of between 50 and 60 white persons began throwing stones at the Negroes. About 25 persons, most of them Negroes, were injured, none severely. Some 100 policemen answered the riot call and quelled the fighting.

Some 300 policemen, both white and Negro, were on duty in the south Chicago and east side district Sunday night as fresh rioting erupted. The districts, in the city's far southeast industrial section, are predominantly white.

Most of Sunday night's police calls came after white persons stoned and burned cars driven by Negroes. Police said about 12 cars were burned. Stones were thrown at two Chicago Transportation Authority buses, driven by Negroes. Later police rode the buses with Negro drivers.

SHOTS FIRED

Stones also were hurled at Negro policemen and at some squad cars. Policemen fired warning shots to break up many crowds.

Major rioting occurred in nearby Trumbull Park housing project when Negroes moved into the white district. A special police detail, which at times numbered several hundred, was moved into the district and the rioting ended.

A 15-year-old white girl was shot in the left ankle when a Negro motorcycle policeman, seeking to arrest a youth who had stoned him, said his gun discharged accidentally when someone jostled him.

Fussy Victim Traps Bandits

MIAMI (AP) — Two holdup men agreed with restaurant manager Ulys Brogan it would be a shame to get his clothes dirty by lying on the floor, as they had ordered.

The bandits carefully spread paper napkins on the floor. Brogan stretched out. Meanwhile the cook, Anthony Neilson, 65, slipped away and telephoned police.

Officers nabbed the two men emerging from the restaurant.

Three Killed In Crash

ALLAGASH, Me. (AP) — Three persons, including a man and his wife, were killed Sunday when their light plane crashed while landing at a small airstrip in this remote community in northern Maine.

State police identified the victims as Clement Ouellette, 37, the pilot and owner of the plane, and Mr. and Mrs. Felix Morin, all of St. Francis, Me.

Morin was an employee of the Maine forestry department's patrol service, working out of St. Pamphile, Que.

Shark Off Maine

PORTLAND, Me. (AP) — A 12-foot, 1,000-pound thrasher shark was shot Sunday off Portland Lightship. Thrasher sharks are rarely seen this far north.

Diefenbaker And Ike Expected To Meet; Arms Plan Discussed

OTTAWA (AP) — A meeting soon between Prime Minister Diefenbaker and President Eisenhower to discuss mutual problems of Canada and the United States was almost certain following the weekend visit here of U.S. State Secretary Dulles.

Mr. Diefenbaker told a reporter Sunday he now expects a meeting "sometime in the near future" of the joint Canada-U.S. cabinet committee on trade and economic problems.

It would be in Washington. Since he also is External Affairs Minister, Mr. Diefenbaker would attend. While there a meeting with Mr. Eisenhower would be a virtual certainty.

Mr. Diefenbaker declined to go into the possibility of a meeting between himself and the U. S. president. But he said that since the last meeting of the committee in the fall of 1955 was held here, the next one would be in Washington.

In a separate statement, Mr. Dulles said his talks with Mr. Diefenbaker and other Canadian cabinet ministers covered "a wide range of topics of mutual interest to our two nations," including prospective zones for aerial inspections as a first step toward a comprehensive disarmament plan.

Mr. Diefenbaker was reported to have informed the state secretary that Canada supports the idea.

Mr. Dulles left Sunday night for London aboard a four-engine Constellation for a personal assessment of the United Nations disarmament sub-committee discussions. Canada, along with the U. S., Russia, France and Britain, also is attending.

The state secretary said that since Canada is a party to the talks and because of the "close identity of interest between the United States and Canada," he conferred on this matter with Mr. Diefenbaker.

In the U. S. plan for an "open skies" inspection zone parts of Canada's arctic area would be included. The Canadian view is believed to favor the idea.

Leopard And Constable Tangle At Granby Zoo

GRANBY (Special) — A 125-pound leopard tangled with a hefty police constable in a tense battle at the Granby municipal zoo Friday night. The constable came out on top after unloading his .38-calibre revolver into the man-eater.

The battle started shortly after 8 p.m. The zoo was crowded with visitors.

The caged leopard leaped suddenly and somehow managed to squeeze through a seven-inch opening between the bars covering his enclosure.

As men, women and children stared in horror, the animal jumped to the roof of a nearby building, roaring it and snarling menacingly. Soon there was a panicky rush for the exits.

Constable Marcel Naud was among police summoned by frantic zoo officials. The police also brought along two civilian sharpshooters to dispose of the animal in the event it could not be coaxed back into its cage.

The leopard leaped on Constable Naud when he walked too close while evacuating visitors. Naud drew his revolver and fired six shots into the animal.

The leopard, after inflicting superficial face, chest and leg wounds on Naud, cowered away to collapse some distance from the scene of the battle. As insurance, the sharpshooters—Real Langlois and Gerard Anctil—fired .303-calibre rifle bullets in the animal to make sure it was dead.

86 Hurt As CNR Train Jumps Track

WINNIPEG (AP) — Eighty-six persons were injured Sunday when an unlocked switch sent 16 cars of a fast-moving CNR Continental train hurtling off the main line at Nourse, Man., 30 miles east of here.

Twenty-seven of the injured were taken to hospital by ambulance but three were later released. Two of those in hospital were in critical condition.

Another 59 were treated in a special CNR clinic here and at the scene.

The derailed train was the westbound No. 3 which left Montreal at 9 p.m. EDT Friday. It was more than five hours late when it struck the switch, which opened under the train.

The two diesel engines and a mail car passed over the switch safely but the next 16 passenger, express and mail cars were thrown off.

Guatemala Reds Spread Unrest

GUATEMALA (AP) — The minister of defence has warned that Communists are spreading rumors in an effort to create unrest after the assassination of President Carlos Castillo Armas.

Col. Francisco Oliva, virtual ruler of this country during a 30-day state of siege declared after Castillo Armas was shot down Friday night, called Sunday for citizens to report any Red activity.

Ear Regained

SACRAMENTO, Calif. (AP) — A woman lost an ear in a car-truck accident Saturday night—but she got it back. Highway patrolmen recovered the ear. Doctors who sewed it back on said it probably will grow back into place.

Timed For Election

Allies Pledge Help On Uniting Germany

BERLIN (AP) — The United States, Britain and France pledged today they will not sign any disarmament agreement that will "prejudice the reunification of Germany."

A declaration signed by the ambassadors of the Western Big Three and West German Foreign Minister Heinrich von Brentano stated that Germany can be reunified only after free elections are held in both parts of the country split by the Iron Curtain.

The declaration was made just seven weeks before the crucial West German parliamentary elections Sept. 15. In the campaign the opposition Socialists have charged that Chancellor Konrad Adenauer is ruining any chance of Soviet agreement to reunification by keeping West Germany in NATO.

The declaration rejected any idea of imposed neutrality or demilitarization for a reunified Germany. It promised that the reunited country will be free to decide its own military policy.

The Western powers promised that if a reunified Germany should plump for the Western alliance, they would offer the Soviet Union a European security pact "of significant and far-reaching character."

Peronists Lag Behind

Moderates Take Lead In Argentina

BUENOS AIRES (AP) — A victory for moderate democratic parties over supporters of ousted dictator Juan Peron and radical candidates appeared in mounting election returns today.

Peronists mustered only about 20 per cent of the vote counted so far in Sunday's balloting for a constituent assembly to revise Argentina's constitution.

The downed dictator boasted from his Caracas exile a few days ago that 75 per cent of this country's 19,000,000 people support him. They were ordered to blank their ballots in this first national election since military forces ousted Peron.

15-Cent Coffee On Way?

TORONTO (AP) — The 15-cent cup of coffee may be on the way but the Canadian Restaurant Association says it isn't suggesting such a move to its members.

Mrs. Florence Montgomery, managing director of the CRA, denied reports from Vancouver that the trade group has taken a stand on the matter.

"It is not the policy of the CRA to take any part in price-setting," she said.

Mrs. Montgomery said some restaurants already charge 15 cents for a cup of coffee, sold in most centres for 10.

"The association certainly believes that members should get their prices in line with rising costs," said Mrs. Montgomery, "but we do not tell members what to charge."

Support for Aramburu Moderates Parties supporting Provisional President Pedro Aramburu piled up a lead that was expected to assure them comfortable control of the assembly when it meets Sept. 1.

With more than half of the expected 7,000,000 votes counted, pro-Aramburu parties, led by the People's Radical party of Ricardo Balbin, held a commanding lead for at least 27 assembly seats. Frontist supporters were ahead in 10 places for the 205-delegate assembly.

Winter raked the country with icy winds, snow and cold rain on election day, helping to keep an estimated 20 per cent of the voters away from the polls.

The election generally went off peacefully. Bombs exploded in a sugar mill chapel at Tucuman but no injuries were reported.

Asbestos Crash Raises Week-End Count To Five

The death of 24-year-old Claude Blais, of Drummondville, in an automobile crash near Asbestos yesterday morning raised the number of week-end accident fatalities in the Eastern Townships to five, with eight persons receiving serious injuries in a variety of accidents.

Four members of the R.C.A.F. lost their lives late Friday when a car in which they were traveling collided with a second machine near St. Madeleine. Four other persons were injured in this accident.

Blais was instantly killed when the car in which he was a passenger left the road between Asbestos and La Rochelle and crashed into a tree.

The driver of the car, Paul Morel, 22, and his brother, Pierre, 24, were taken to the Canadian Johns-Manville Hospital at Asbestos with undetermined injuries.

Killed in the accident at St. Madeleine were Marc Emond, 23, 252A Dumoulin street, Drummondville; AC2 Michel Linteau, 18, Quebec City; AC2 Joseph Larue, 27, Levis, and AC2 Roland Tremblay, 23, Quebec City. All the air force personnel were attached to the training station at St. Johns.

Also injured in the accident were Lionel Fiset, 36, of Montreal, driver of the second car and Lise Beaudoin, 20, Drummondville; Pauline Fortin, 19, Drummondville, and AC2 Marc Labrecque, of Levis. The last three were also occupants of the death car.

Roger Poulin, 28, of 462 Merry

St. Magog, suffered internal injuries, but was reported in satisfactory condition by officials of La Providence Hospital, Magog, this morning, when the car he was driving collided with another machine, driven by Arsene Henri, of St. Francois Xavier de Brompton, on Sherbrooke St., in Magog.

The accident occurred when Henri drove his car from a yard way and it collided with Poulin's machine which was travelling west along Sherbrooke St. Henri was unhurt in the crash. Captain Maurice St. Jacques of the Magog police force investigated.

Christian Bellavance, 8, of Disraeli, suffered bruises to the face, elbows and back when he fell from his father's car while it was in motion and was then hit by another machine yesterday afternoon.

He was taken to the Hotel Dieu, Sherbrooke, where his condition is reported as good.

Girl Receives Serious Burns In Cottage Fire

MAGOG — A pair of nylon shoes and a spark from a stove were the elements of a fire that injured a young girl and destroyed a \$3,000 summer cottage at Bryant's Landing about 10 miles from Magog yesterday.

Magog fire department who answered the alarm were unable to identify the youngster injured in the blaze but it is known that she suffered burns to the feet.

According to the fire department, the girl was lighting a fire in a cottage owned by Henri Marchand, of Chateauguay St., Montreal, when a spark ignited her nylon shoes. She attempted to extinguish them by stamping around the floor causing the fire to spread throughout the cottage.

Magog firefighters, under the direction of Captain Maurice St. Jacques arrived with their equipment around 9:30 a. m. and fought the blaze for two hours before bringing it under control.

Sherbrooke Fusilier Regiment Reunion

On Parade — Members of the Sherbrooke Fusilier Regiment Association who attended the annual reunion here Saturday are shown marching towards the Parade Grounds where the unit's memorial is located. President Raymond (Midge) Cathcart leads the parade. (Record photo by Gerry Lemay)

Former members of the Second World War Sherbrooke Fusilier Regiment gathered at the William Street Armory on Saturday for the annual reunion of the Sherbrooke Fusilier Regiment Association.

At the business session held in the afternoon, Raymond Cathcart of Sherbrooke was re-elected as president of the Association. Other members of the executive were re-elected as follows: Vice-president, Norman Welsh; secretary, Charles Clark; treasurer, Harry Fowles; directors, Eric Maddis, Art Goodhue and G. McLaughlin.

After the business meeting, the members marched to the Parade Grounds where the tank "Bomb," which the unit used during its campaign through northwestern Europe, is placed as the regimental memorial.

A wreath was placed on the base of the memorial by Capt. Ramsey Garrow, former technical adjutant of the unit, who now manages a radio station in Pembroke.

During the afternoon, a lengthy discussion took place on the proposal to have official colors, complete with battle honors, prepared for the Association and a committee was appointed to carry out the work.

In the evening, a banquet was held at the armory followed by a dance.

During the afternoon, the wives of the members were guests at a reception tendered by the Ladies' Auxiliary of the Canadian Legion at the Memorial Home on Prospect street.

Among the special guests at the gathering were Lt. Col. E. W. Arnold, Lt. Col. L. M. Watson, Lt. Col. A. A. Munster, Major Lyman Tomkins, Capt. L. Echenberg, RQMS M. Pankovitch and Sgt. H. Futter, of La Tuque.

Mine Engineers Made Visit Here Over Week-end

Delegates of the Adirondack section of the American Institute of Mining and Metallurgical Engineers were in Sherbrooke over the weekend.

Saturday afternoon the group were guests of the Canadian Johns-Manville Company at Asbestos where they were taken on a conducted tour of the mines and mills.

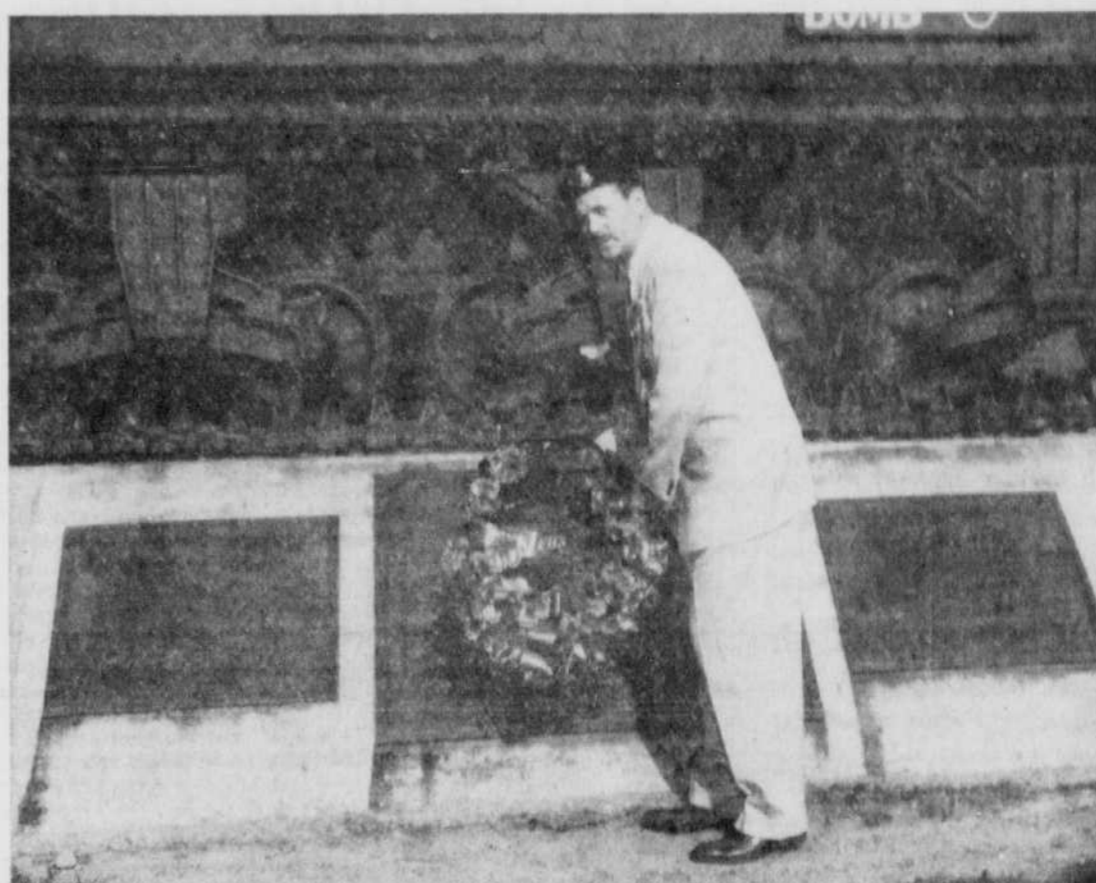

The engineers held their closing banquet at Sherbrooke Hotel Saturday evening when Malcolm D. Lowry, superintendent of the St. Joseph Lead Company mill of Lelmat, N. Y. was master-of-ceremonies.

Seated at the head table were Severs P. Brown, geologist of Balmat, N. Y.; Hee Waller, Charles D. Berrer, engineers of the Canadian Johns-Manville Company of Asbestos; Arthur L. Hall, manager of production at the Cabot Carbon Co., Willsboro, N. Y.; Lionel Piuze, of Asbestos Corporation; Charles Dievendorf, Noel Henry and eGeorge Erdman of the Governor Talc Co.

Unusual Mystery Latest Offering At North Hatley

NORTH HATLEY — In sharp contrast to the sparkling and frivolous Coward comedy, "Present Laughter," that was last week's Playhouse production, the North Hatley Players will present as their next play, the mystery "Laura," beginning this Wednesday and continuing through Saturday.

This fascinating drama about a special investigator who falls in love with the girl whose death he is investigating, keep every member of the theatre audience sitting on the edge of his seat. It's a clear case of murder, but as Mark Mepherston goes through Laura's papers, sees her portrait, and meets the three men who have loved her — Waldo Lydecker, brilliant columnist; Shelby Carpenter, her collar-ad fiance and young Danny Dorgan — he creates an image of a woman so tantalizingly real and alive, that he begins to doubt either his sanity or the truth if actual fact. Then comes the thunder storm that changes everything — making this a murder mystery that is excitingly different and highly suspenseful.

Miss Donna Pearson appears again as the leading lady of this spine-tingling thriller, reminiscent of such last season shockers as "Night Must Fall" adding still another to her impressive list of varied characterisations. As the Girl in "Laura," she plays a part that is vastly different from the predatory Joanna of "Present Laughter."

Returning this week to play the role of Waldo Lydecker, one of the three men who have played a part in the dead woman's life, will be Norman Ettlinger, last seen as the irrepresible Garry Essendine in "Present Laughter." This too is quite a change in character for Mr. Ettlinger, from self-centered actor to witty and successful publicist.

As Shelby Carpenter, the handsome Southerner who was Laura's fiance, senior apprentice John Erb plays his first major role of the season, having already taken small parts in "Nina," "The Heiress," and "Present Laughter." The third man in Laura's life, young Danny Dorgan, the boy from downstairs, will be acted by another apprentice, Richard Little.

Playing the part of the Inspector, Mark McPherson, who loves a ghost, is Oliver Berg, whom playgoers will remember as the G.I. Bill Page in "The Voice of the Turtle" two weeks ago.

Arthur Voronka, the Playhouse's resident director, is once again responsible for this production and the novel living room set has been designed by Helen Austin.

This swiftly moving, fast-paced play, written by Vera Caspary and George Sklar, and based on the novel by Vera Caspary, is one of the first suspense plays to be produced which depends for its effect on its audience. Since surprise is the main element of the climax, it is very necessary that the audience have no knowledge of the ending and that those who have seen the play do not reveal what happens.

All Is Not Black

No Westerner's words are likely to throw even a small roadblock in the path of the powerful Asian-African drive to stamp out colonialism in every corner of those continents.

Stevenson has just completed his second tour of Africa. As a leading Democrat, he knows what he says will be attended to, not only in the United States but in many world capitals.

Having closely examined British and French rule in the African colonies, he has dealt out warm praise to both nations for their conduct of colonial administration in the broad belt of central Africa.

To be sure, he has left North Africa out of this picture and by that fact seems to imply a harsher judgment of French rule there.

However that may be, he has had the good sense to offer a discriminating judgment on a subject that most often is discussed in sweeping generalizations.

Pound - - Pound - - Pound

Up to now we have been studiously avoiding any pompous judgments on the subject of rock and roll. Too many warnings have come from the experts to lay off.

The psychologists keep saying that if the adults harp on it, that keeps the youngsters on the defensive, makes martyrs of them and just heightens our chances of hearing the stuff indefinitely.

Now and then some cultural expert comes along and says we'd better be careful about criticizing "new forms" in music or anything else. You never can be sure that what you're attacking may not be the cultural wave of the future.

Warnings like these should be enough to intimidate anybody. But now and then the spirit of rebellion simply gets out of hand, and warnings tend to go by the board.

That's how it is now, after listening to the complaints of a friend who had an unusually extended exposure to rock and roll.

The fellow was making a long, solitary journey in his car. Thus trapped, he naturally turned to the radio for

tions which leave out all the delicate but important gray shades.

And Stevenson has had the courage to speak out when he could be fairly positive that what he said would not find favor in such capitals of anti-colonialism as New Delhi. It would have been so much easier simply to say "colonialism is bad and it must go wherever it exists."

Instead, the Democratic presidential candidate declared that the part played by Britain and France in central Africa was "extremely impressive and little understood by the rest of the world."

He credited both powers, as well as other European colonial administrators, with exercising their responsibilities in the area in a "most advanced, responsible and enlightened manner."

Wherever in the world statesmen and citizens still listen to facts rather than just to the pounding of emotional tides, Stevenson's words should find ready audience. And while they surely will not change Prime Minister Nehru's vote, they may make it harder for him and others of like mind to sell gullible peoples on the idea that everything the West has done in the name of colonialism is black as pitch.

companionship. He'd always heard that radio was the friend of the shut-ins, and here he was shut inside his four-door sedan.

Well, after about five hours of it he felt like a victim of Communist brainwashing and torture. Rock and roll pounding inside a sedan was like having some torture specialist put a pail over his head and beat it steadily with a club.

The radio gave him companionship all right — the fellowship of endless noise. Once in a great while a harmless old-fashioned tune crept onto the airwaves. It was like having the stick-beater take five for a cigarette.

Eventually he decided he didn't want friendship that much. In the manner of a man pronouncing judgment on a whole era, he switched off the radio. Mercifully, the pounding stopped. Only the whistling wind assailed his ears.

He went the remaining half dozen hours in virtual silence, it was pretty lonesome, but oh so peaceful. And singing in his head he could now and then hear some of the pleasant tunes from an age when popular music was something to enjoy rather than to combat.

REMOVE THE TIGHT MONEY BLOCKS

(Toronto Telegram) Aspects of the tight money policy of the former government persist as major problems for its successor. Mentioned by Finance Minister Fleming, among other inherited problems, in a speech in the Wellington South by-election campaign, they are higher unemployment and a drastic reduction in home construction.

At the same time, a problem besetting the Canadian people is the high cost of living and the official index has recently shown that living costs, are, in fact, at an all-time high in Canada.

What Canada needs is an increase in employment, an increase in housing construction, and a halt in the rising cost of living. As Mr. Fleming has in-

dictated the new Diefenbaker Government is prepared to attack these problems with vigor and determination. The Wellington South by-election campaign provides an opportunity for thorough discussion of domestic economic policy.

Walter Harris, the former finance minister, in campaigning for the Liberal candidate, has shown that as far as the tight money policy is concerned, he has not changed his mind. He has warned that if the policy is abandoned, Canada could expect the cost of living to mount still further in the near future.

In this, Mr. Harris has demonstrated again the mental outlook that had settled upon the former government and, in large part, caused it to lose the public's confidence. In the eyes of Canadian business, particularly the small business-

man, it had become a government too prone to rely upon theoretical controls rather than upon a policy of expansion and progress. Business in many key lines was finding that its life stream of credit was drying up.

The resulting situation, affecting the livelihood of Canadians, was characterized by the three domestic evils mentioned here, namely, greater unemployment than a booming economy should tolerate, a sharp decline in housing construction, and a mounting cost of living.

These problems have one common factor. Each, in its own way, can be solved by one course, and one course only, and that is greater productive activity. Proper credit facilities are the key to production that creates more jobs, that encourages house and apart-

The High School Student Writes

On Literature And Friendship

(This is another in a series of excerpts taken from 1957 high school year books published throughout the Eastern Townships. These articles are from the Sutton High School "Spotlight.")

THE VALUE OF GOOD LITERATURE

By Carole Hewett, Gr. XII "There is first the literature of knowledge, and secondly, the literature of power. The function of the first is—to teach, the function of the second is—to move."

De Quincey "What is the value of good literature? This is an everyday question in this twentieth century, as the modern world starts to swing toward a cheap, trashy novel. When we observe the above quotation, we see that within it lies the answer to our query."

Since my first day of school, my chief source of learning has come through the books I have read. From these books, I have not only gained a theoretical knowledge, but also a study of human behaviour. I have learned of a time, custom, and people which were dead to me before. Charles Dickens, in his novels, has presented a vivid description of his era, from which I can grasp a clear understanding of the problems and life in general. A more recent example of this is "Two Solitudes" by Hugh MacLennan. This is a presentation of the quarrels of misunderstandings between the French and English people in the province of Quebec. Through an unbiased viewpoint, he has shown that our races can live as a unified stronghold, side by side. By the reading of this book, I am now able to look at these neighbours with the opinions of MacLennan in my mind. This is the literature of knowledge!

As I am growing older, I search for something else in a book besides knowledge. I look for moral instruction and guidance. I enjoy reading episodes which have the power to move me emotionally. It is a satisfying feeling when I find myself falling into the clutches of an author. While reading "Lost Horizon" by James Hilton, I was deeply moved by the writings of the author. Through his artistic skill, Hilton has painted a picture of people living together peacefully. This stirred a longing desire in me. Another example of this literature can be seen in "The Robe" by Lloyd C. Douglas. It has been said that once a person has read this book, he is never quite the same afterwards. The reader is moved by this realistic story of the life of Christ, and is left with a feeling of understanding and love toward others. This is the literature of power.

Good literature, to me, is a resource—an escape from my own views and opinions to those of others. In good literature, I

ment building, and that provides the competition of greater supplies of food and materials that will keep the cost of living in line.

The voters of Wellington South, as well as Canadians elsewhere, need have no illusion that the country faces an insoluble problem in tight money. This is no time to fold hands and wait for happier conditions. All that is needed is to uncork the channels of credit where they have been blocked by a mistaken policy, and in this Mr. Fleming is presented with his best opportunity.

look at life through the eyes of the author. Through good literature, I have conquered new fields, captured glimpses of ancient worlds, met outstanding people, and come to understand myself and others. Therefore, good literature to me is priceless!

FRIENDSHIP

By Lorraine Charest, Gr. XI "Some think they have friendship and they do have a poor form of it, but there is only one true type and that is to be "pure, unselfish" to the core. Money or influence can buy the poor form of friendship. To curry favor with a person, however, holds no staunch attachment. When the "greenback" can't obtain what is wished, then that friendship splits into pieces. But to have all the glory and magnitude of a real friendship—that is an experience. One can be at ease in the presence of a friend and as the poet says, no over-worked adjectives have to go into a compliment about a friend. Sincerity and humbleness are the right keys. How can one lie to a friend? He knows you like an

open story book and has only to look into your eyes to see the truth. So, honestly to oneself and others is a feat of friendship. It "cheers the faint and weary, makes the timid spirit brave." How soothing and what a calming effect it is to have a few spoken words cheering us when in a depressed mood. Many friends have helped each other bring out the best points and develop them into a charming personality. It "strengthens man's affinity with man." If one is fortunate to have a mutual comrade, and receive all the blessings (yes, even the downfalls) in a friendship, it is more likely one will wish to befriend another and still another until the wheel of thoughtfulness has begun its slow but rewarding turn around the world. This is a little poem that hangs in our house.

"Sunshine, roses, skies of blue, That's what it means to have friends like you."

OUR 50-CENT DOLLAR.

(Edmonton Journal.) The Canadian dollar is now worth rather less than half of what it was in 1939. Its value is dropping steadily and everyone with savings in any form is being swindled accordingly.

If the day comes when the people generally come to the conclusion that saving is senseless, how far behind? Ways must be found to keep Canada's economy strong and, at the same time, preserve the value of our money.

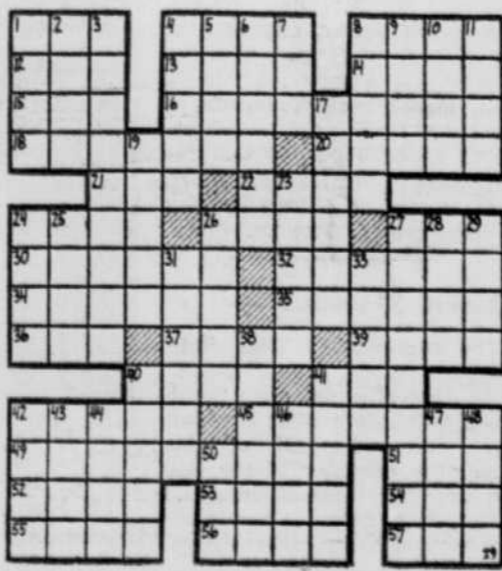

Drastic measures can be taken to curb inflation but reasonable restraint on the part of all Canadians should make them unnecessary.

NORTH'S NECK IN GRINDER

West's opening bid was a minimum or maybe a trifle less so that in spite of his partner's strong bidding he passed at two no-trump.

This was too much for North. Without stopping to realize that his partner was marked with an absolute bust or possibly one jack, North stuck his neck right into the meat grinder and yelled "Double." East redoubled and West ran out to three clubs. South doubled that and East doubled the three-heart rescue.

West opened the jack of hearts. He wanted to get as many enemy trumps out as possible. The jack was allowed to hold and West played a second heart. Dummy's ace won the trick and the king of diamonds was led and taken by West's ace. West played a low spade and South went wrong. He played dummy's ten.

East won with the queen and took his high heart and shifted to the four of clubs. West won with the king and played a second club which was ruffed in dummy.

This gave declarer his second trick. He spoke dummy's three good diamonds and eventually made his remaining trump for a total of six tricks and a minus of 800 points.

South could have saved one trick if he had gone up with the king of spades, but even the 800 set was better than letting two no-trump play redouble. East would surely have made his contract for a plus of 830 and he probably would have made an overtrick for 400 points more.

Mineral, Oil Exploration In Arctic

NEW YORK — Plans for an expedition to explore a vast area of the Canadian Arctic for minerals and oil were announced here Sunday by a group of companies.

The announcement came from the Cleveland steel interests of Canadian-born Cyrus Eaton; RKO Theatres Corporation, a subsidiary of List Industries; and Scurry-Rainbow Oil Limited, an American-financed Canadian oil firm.

The expedition will be under the command of Ross Toms of Toronto, a discoverer of the Ungava iron ore deposits now under control of the Eaton interests. It will explore for uranium, gold, iron ore and oil.

It will start shortly from Cleveland and head for Baffin Island, the announcement said. A twin-engine diesel 112-foot vessel with a helicopter on deck will be used in the Arctic.

UNSINKABLE — One ferry that won't sink is the Burgh Island Ferry in Devon, England. Passengers ride on a covered platform built on stilts attached to tractor-style "caterpillar" wheels, which ride along the sea floor. The engine is set on the platform with the passengers and operates the tracks by means of chains. The ferry runs from the resort spot of Bighury-On-Sea out to nearby Burgh Island — but always keeps its "feet" on the ground.

Marriages

ST. MARTIN — LAHUE

SWEETSBURG — The marriage of Miss Elizabeth Belle Lahue, daughter of Mr. and Mrs. G. Arthur Lahue of Cowansville, to Mr. Paul Aime St. Martin, only son of Mrs. Albanie St. Martin and the late Mr. Albert St. Martin, took place on Saturday, June 29 at nine o'clock, in St. Rose de Lima Roman Catholic Church. The parish priest, Rev. Father Armand Desnoyers officiated at the double ring ceremony.

Mrs. Arthur Tanner played the wedding music and accompanied Mr. Rosaire Daigle in the rendition of "Ave Maria" and "Panis Angelicus." Baskets of pink carnations and white baby mums were used to decorate the church.

Given in marriage by her father the bride wore a cocktail-length gown of tulle de soie, having a lace yoke and collar trimmed with seed pearls and iridescent sequins and long sleeves ending in points over the hands. Her elbow-length veil of tulle illusion was held in place by a cap of matching lace trimmed with pearls and sequins. Her only jewellery was a pair of tiny pearl earrings, and she carried a bouquet of pink roses and white baby mums.

The groom's witness was his uncle, Mr. Florian Bergeron of Montreal, and the ushers were Mr. Maurice Guay of Montreal, and Mr. Frederick Lahue of Knowlton.

Mrs. Lahue, mother of the bride, was in an afternoon dress of rosewood cotton nylon lace over taffeta with white accessories, and she wore a corsage of pink and white carnations.

The groom's mother, Mrs. St. Martin, chose an Elizabeth blue shantung dress. Her hat was of Milaredark blue straw with white trimmings, and she wore a matching corsage.

Following the ceremony, a reception for 35 guests was held in the Rose Room of the New Ottawa Hotel, where the bride's table was centered with a four-tier wedding cake made and decorated by Mrs. Donald Cousens of Bolton Centre, aunt of the bride. The table was adorned with carnations.

Later Mr. and Mrs. St. Martin left on a wedding trip to Niagara Falls, the bride travelling in a brown and beige dress of acetate linen with a striped bolero. She wore a beige and brown hat, beige accessories, and a corsage of yellow carnations. Upon their return via the United States, they will reside in Cowansville.

Out-of-town guests came from Montreal, Mansonville, St. Hubert, Babylon, New York and Long Island, N. Y.

PAUW — HAWTHORNE

BRIGHAM — The marriage of Miss Jane Hawthorne, daughter of Mr. and Mrs. Walter Hawthorne, to Mr. John Pauw, son of Mr. and Mrs. Peter Pauw, took place on Saturday, June 29 in Brigham United Church, Dr. S. R. Prince officiating.

Mrs. Clarke Powers played the wedding music. The church was decorated with baskets of pink and white peonies, blue delphiniums, white bridal wreath and pink mallows.

The bride who was given away by her father, wore a floor-length gown of white net over taffeta. The short-sleeved bodice was of Chantilly lace, and the skirt fell into a short train. She wore lace mitts. Her fingertip veil was held in place by a crown of tiny white roses, and she carried a bouquet of red roses and white bridal wreath.

Mrs. Allan Hovey, of Derby,

Vt., as matron of honor for her sister, was in a ballerina-length gown of pale yellow nylon sheer over taffeta, appliqued with pink roses. She carried a nosegay of pink and white roses.

The bridesmaids, Misses Martha and Marie Pauw, were gowned in blue and lavender nylon sheer over taffeta appliqued with pink roses. They carried nosegays of pink and white roses.

Misses Linda, Barbara, and Beverlie Hovey, nieces of the bride and Miss Linda Pauw, the groom's niece, were flower girls. They were dressed in dotted nylon swiss in shades of rose, lavender, yellow and blue.

Mr. Nicolaas Pauw acted as best man for his brother, and the ushers were Mr. John Hawthorne, the bride's brother, and Mr. Allan Hovey, brother-in-law of the bride.

The bride's mother, Mrs. Hawthorne, chose a powder blue dress, with white accessories, and wore a corsage of pink and white tea roses. Mrs. Pauw, mother of the groom, was attired in a navy dress, and pink accessories with which she wore a corsage of pink roses.

Following the ceremony, a reception for over 100 guests was held at the home of the bride's parents.

Later Mr. and Mrs. Pauw left for a wedding trip through Ontario, the bride travelling in a powder blue suit with beige accessories. Upon their return they will reside at 115 Veteran's Boulevard, Cowansville.

Out-of-town guests were Mr. and Mrs. David Soloway, of Detroit, Mich.; Mr. and Mrs. W. Klaassen, of New York City; Mr. and Mrs. S. Nason, and Mr. and Mrs. Herbert Hawthorne, of Montreal; Mr. and Mrs. Howard Hawthorne, of Valleyfield; and Mr. and Mrs. Martin Pauw and daughter, Linda, of Ville Jacques Cartier. Other guests came from Sutton, Knowlton, and Cowansville.

MANNERS MAKE FRIENDS

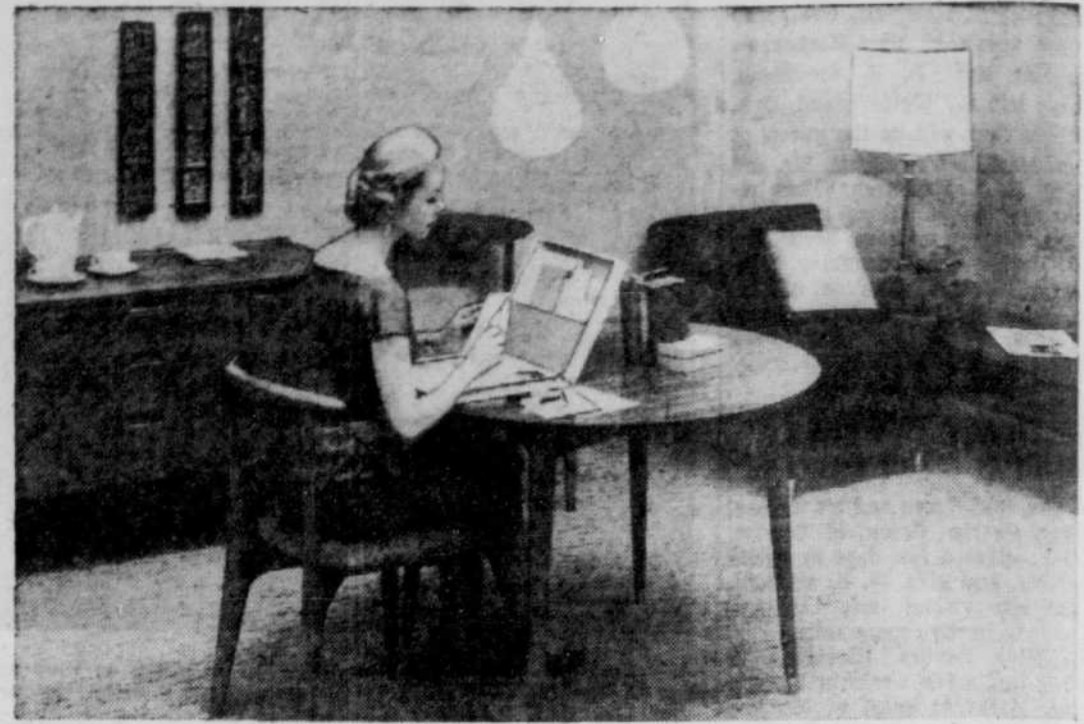

Continued displays of affection between a man and woman in mixed company can be embarrassing to others. There is a time and place for such displays. Mixed company offers neither one.

IVES HILL

The Ives Hill W. A. met with Mrs. W. Burton, with several members and two visitors present. Owing to the absence of the president, Mrs. S. N. Cairns presided. The treasurer, Mrs. H. Allison gave a very satisfactory report, two thank you notes were read and a few sale articles were handed in. Following the adjournment a short social time was enjoyed after which the hostess served a salad tea.

Mr. Brian Monty, of Rock Island, spent the past week with his grandparents, Mr. and Mrs. J. G. Farwell.

Dining Tables Can Be Versatile

Ensemble of round table and comfortable chairs is adaptable. With white leather writing case, table serves as desk here. Opened, it seats eight; closed, it doubles as game table. Finish is teak walnut. Chairs are turquoise. Buffet has recessed drawer pulls of brushed pewter.

More can gather around it for games. Most of those I've seen extend to seat quite a few on occasion.

Square extension tables also double as game tables.

If you don't have an extra desk or if the one you have is overcrowded, the dining table is a time-honored substitute.

Giving new fashion to this use are beautiful portable leather "desks" which are equipped with blotter and compartments for stationery or letters. These, in a lovely range of colors, can be stored in full view with their content well concealed.

Although matching chairs are usually chosen to team up with

the dining table, this is not an inflexible rule. This is especially true with tables that follow the soft, simple lines of contemporary design and are finished in the warm, natural wood tones. One decorator tells me that he often likes to use black lacquered chairs as a contrast to lighter woods.

Mr. And Mrs. Melville Page Feted On 25th Anniversary

Mr. and Mrs. Melville Page, who recently celebrated their twenty-fifth wedding anniversary, were guests of honor at a party held recently at the Brompton Road Community hall. Blue and white streamers, baskets of summer flowers and large silver twenty-fives decorated the hall.

To the strains of the wedding march, played by Mrs. E. M. Goodfellow, the bride and groom of twenty-five years, were met at the door by Miss Sylvia Goodfellow and Mr. Wilbur McCurdy, niece and brother-in-law of the groom. They were presented with a corsage and boutonniere, and escorted to the front of the hall, where they received the congratulations of one hundred and fifty relatives and friends.

Mr. Clifford Goodfellow, nephew, acted as master of ceremonies for a short program, consisting of vocal numbers by Mrs. Sidney Garland, Misses Thelma Crawford, Myrna MacDonald, and Mr. and Mrs. Herman Wolters, accompanied on the piano by Mrs. E. M. Goodfellow and Mr. L. Jenne.

Mr. Goodfellow called upon Rev. Sidney Garland, who, on behalf of the relatives and friends, presented the couple with a purse of money and several electrical gifts. Also on behalf of St. Andrew's Church, presented Mrs. Page with a three piece silver tea service.

Both Mr. and Mrs. Page expressed sincere thanks to all for the party and gifts.

tables decorated in blue and white, with white tapers in silver holders, bowls of summer flowers and silver twenty-fives. The guest table was centered with a three-tier wedding cake.

After lunch dancing was enjoyed, music being supplied by Mrs. E. M. Goodfellow and Mr. C. Dougherty.

Hosts were Mr. and Mrs. Douglas Ross, Mr. and Mrs. Milton Brown, Mr. and Mrs. Lem Clark, Mr. and Mrs. Gordon McElrea, Mr. and Mrs. Edward Berwick and Mr. and Mrs. Donald Cullen.

Homemaking

Patio and yard furniture faces rugged weathering from sun, showers and dust. To save cleaning bills on clothing and to keep furniture in good condition, it should be washed, and perhaps waxed at least once during the season. A protective coating of shellac keeps rattan furniture (which is not exposed to rain) clean.

A protective covering on children's books will keep them looking nice longer. A length of household wrap may be used for a simple, clear outer binding. Just place a length over the book and fold paper at the edges.

TOO SOON

MONTREAL—Mayor Jean Drapeau recently had a call at City Hall from six-year-old Jacques Pageau, who came to present the city with a turtle for a proposed children's zoo. The mayor joined the boy in watching the turtle crawl about the office for a while, then asked him to "board" it until the zoo is opened.

Fashion

Coolest colors on a hot summer day are sea green or blue, white, black, gray or violet. Red is fine as an accent but not for a complete costume. Stay away from the complete costume in orange, too.

To wear with cotton knit shorts: the blouson top. And both in one dark color for a really cool effect. Might be green or dark blue.

FAITH OR FIGHT? — This cake-cutting scene is misleading. Just before Kathryn Ann Kelly and George P. McCarthy cut the cake at their Cleveland, Ohio, wedding reception, they pledged their faith in each other by placing their ring hands over the wedding flowers. But what's that at left? A closer look reveals a fighting fist on Kathryn's other hand. Perhaps it was just a reflex action. Only George will know.

VALMORAL DEVELOPMENT

We have on hand, for immediate occupancy, the most modern and very attractive homes of 5 rooms or more. Bungalows and split levels, with or without garages, in every ward of the city.

These homes can be bought for the amount of money you care to invest as a down payment and the balance by monthly payments.

Two of these homes are still eligible for the rebate of interest which means ONLY 3%!

We can also build on your own lot and take care of the financing problems. Why wait when you can own and live in a new and modern home for less than your monthly rental.

For an appointment to see one of these homes and for further details, call:

Sher-Lenn Little League All-Stars Lose 16-1 To Valleyfield Players

By TED ANDERSON
Any hopes the Sher-Lenn Little League All Stars had of advancing in the Regional playoffs were shattered on Saturday afternoon at Valleyfield when they went down to a crushing 16-1 defeat by the Valleyfield Little League All Stars.

Not one player on the Sherbrooke team lived up to expectations of the league executive. Every man played away below his usual club form, no less than seven errors were charged against the locals. The game was very disappointing to those who travelled the long distance to see it.

In fairness to the Sherbrooke there was no doubt that they were extremely nervous, the closeness of the spectators to the playing field upset them most. Being used to their own grassy diamond the hard surface infield at Valleyfield was not to their liking, the outfielders also were conscious of the fence at their backs.

The first inning went scoreless. It noticeable in this inning that Cooper on the mound for Sherbrooke was nervous being heckled by the spectators. In the top of the second inning Cooper the first man up for the locals, hit on that cleared the centerfield fence with plenty to spare. It was Sherbrooke's first and only run as it finally turned out. In the last of the second Valleyfield came up with five runs, three hits and two errors by the infield paved the way for the tallies.

Sherbrooke went hitless in the third. Valleyfield added one more to their total in their half of the same inning. Two home runs one by Corbeil the Valleyfield pitcher and the other by catcher Savoie along with three singles, two errors by the infield and two outfield miscues gave the Valleyfield boys 10 big runs in the fourth.

The sixth saw the locals boys play their best ball. Guy Gingues and Bourque came into the line up in these innings. The game ended with Valleyfield well ahead by a 16-1 final result.

There were no stars in the Sherbrooke line-up perhaps Cooper could be mentioned, his home-run saving Sherbrooke from a white-washing Corbeil, Savoie and Tanguay stood out for Valleyfield, Tanguay at short-stop was the player most noticeable in the game. Players and officials took their defeat in true sporting spirit and warmly congratulated the winners. The visitors were entertained at a buffet lunch after the game.

Pittsburgh Buys Douglas Contract

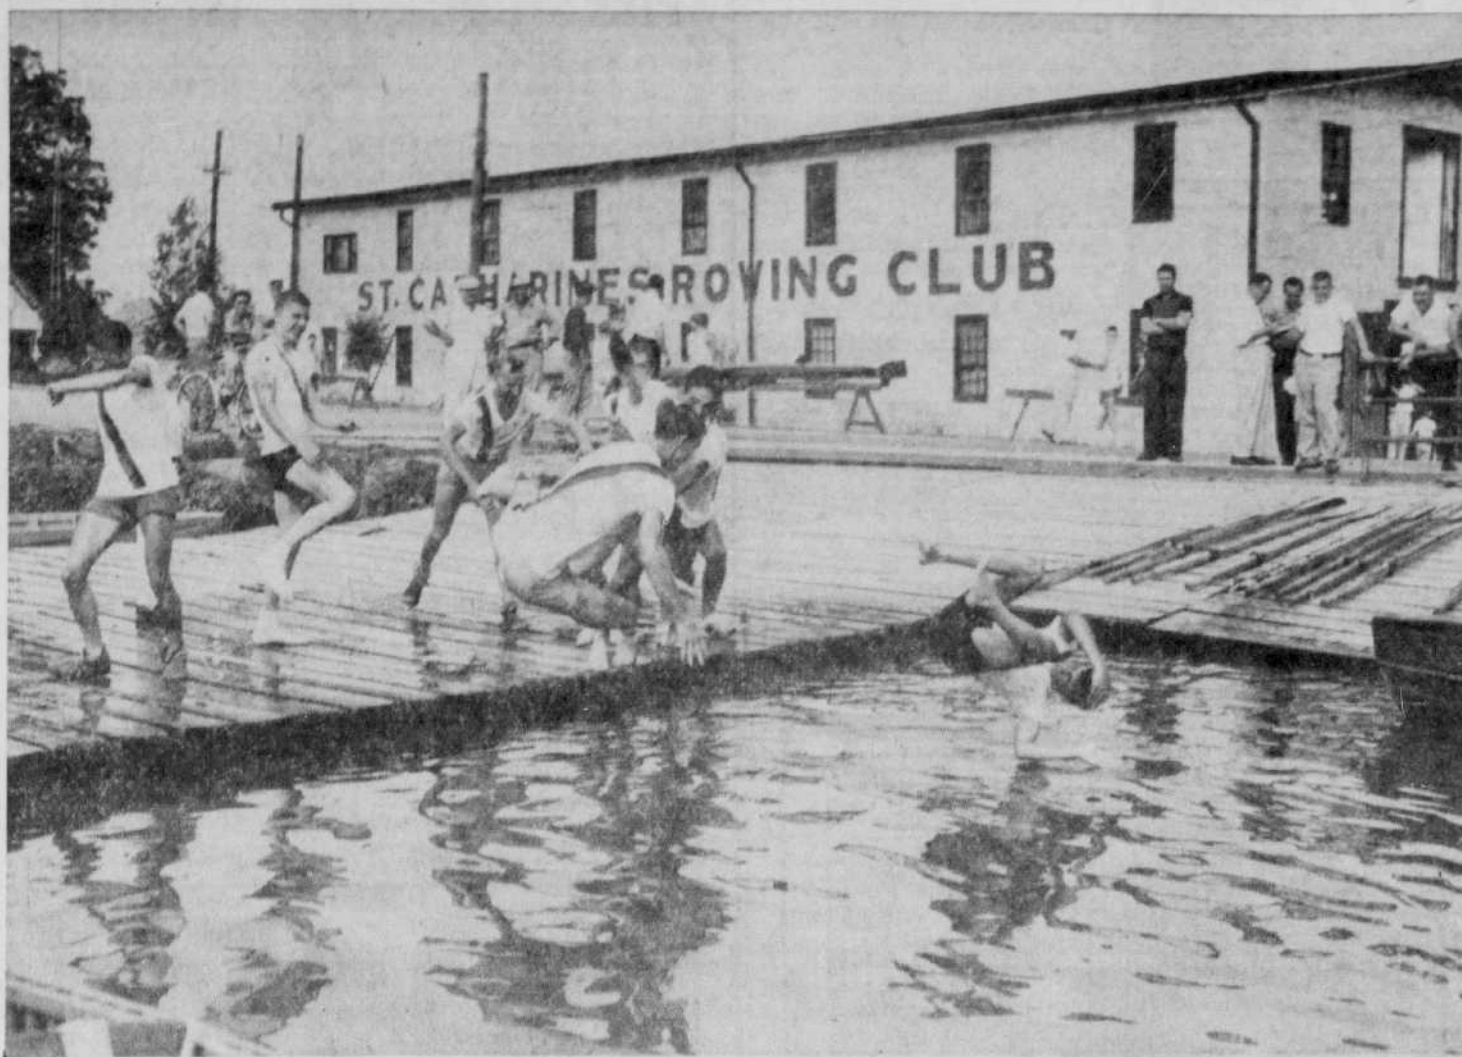

ST. LOUIS (AP) — Pittsburgh Pirates announced Sunday they have purchased the contract of righthander pitcher Charles "Whammy" Douglas from their Columbus club in the international Baseball League.

Douglas, 22, had a 10-10 record and a 2.40 earned run average with Columbus. Manager Bobby Bragan said Douglas will report immediately and may start against St. Louis tonight, depending on how much rest he has had since his last pitching assignment.

Quebec Man 2nd At Gliding Meet

BRANTFORD, Ont. (AP) — Charles Yeates of Oakville, Ont., was in first place at the end of the first week of the National Glider Championship meet here. Second in point total was Bob Ford of Quebec City, while Eric Best of Toronto was third.

Open flying and an instructional course feature this week's program, with competitive tests to start again next Sunday.

Bill Granger Wins Dayton Car Event

DAYTON, Ohio (AP) — The new 100-mile car race at the Dayton Speedway, marked by two pile-ups—one involving 14 cars—was won Sunday by Bill Granger of Clinton, Ind., driving a 1957 Ford convertible.

The 14-car pile-up came on the seventh lap. No one was injured, but five cars had to leave the race.

On the 197th lap-six short of the finish-three cars collided, among them Grangers. At that point race officials decided to end the race and named Granger winner.

Of the 33 cars that started, only 13 remained at the end.

Coombs' Clever Volo Upsets Main Class At Sherbrooke Race Track; Jutras Suspended For Three Days

Clever Volo, owned by Coombs' Garage and teamed by Buster Huckins, upset the experts at the local race track last night in the fifth race and paid \$46.90 on the nose as a 22 to 1 longshot. Clever Volo's time was 2:09 3/5. This mark was a full three seconds faster than best previous 1957 mark for the Coombs' horse.

Saturday evening, R. Jutras was suspended for three days for not giving his best in the fifth race. All other drivers were fined for a poor performance during the first half mile of this race. Time at the half mile was 1:09 3/5 and 2:14 2/5 at the mile. Jutras was replaced by F. St. Denis for the second heat and the times were 1:04 3/5 and 2:11 2/5.

On Saturday evening the daily double combination (8-4) returned \$91.80. This combination was completed when Hideaway Hanover won the first race and Peter Bennett won the second.

Quinnell on Saturday's program paid the lucky ticket holders \$7.50 in the third, \$22.80 in the sixth and \$46.60 in the ninth.

Moko D. Grattan won the fifth race and paid the high straight bet of the evening, \$23.10.

High place bet return was on Darkey Belwin in the eighth race when the pari-mutuel payoff was \$7.80.

In the show department, the highest return was \$8.10 when Larry Chief finished third in the seventh race.

Fastest time recorded was during the eighth race with L. Denault driving Mary G. Herbert under the wire in 2:11 2/5.

Mary G. Herbert's time was almost three seconds slower than the fastest time on Sunday's card when Guy Desrochers drove Sir Tony to a new mark of 2:08 3/5.

The next racing program to be presented by the Sherbrooke Racing Club will be Wednesday evening.

Complete results of Sunday's program are as follows:

Hamilton, Mount Royal Track Teams Prevent Toronto Monopoly At Meet

TORONTO — Hamilton Olympic Club and Montreal's Mount Royal Track Club prevented a Toronto monopoly of the events in Saturday's Eastern Canada track and field championships.

The majority of 165 competitors were from seven athletic clubs in the Toronto area but Hamilton and Montreal athletes provided a few upsets and thrills for the 500 fans.

Doug Kyle, a native of Calgary and now a member of the Hamilton Olympic Club, bettered his Canadian record in the men's three-mile run as he handily defeated a field of 16.

His time of 14 minutes, 3.8 seconds bettered the unofficial mark of 14 minutes, 13.8 seconds which Kyle set a few weeks ago at Hamilton.

Of 28 events held, Hamilton won five and Mount Royal four.

Hollywood, Calif. — Noel Humphreys, 127, Charleston, W. Va., outpointed Billy Peacock, 122 1/2, Los Angeles, 10.

Genoa, Italy — Dullio Loi, 132, Italy, outpointed Cameron Jack Subero, 143, West Indies, 10.

Kingsport, Jamaica — George Knowles, 157, Nassau, outpointed Sugarboy Nando, 158, Dutch West Indies, 10.

Challenger Thinks Chances Good; Champion To Try Knock-Out Punch; Weather Threatens Postponement

NEW YORK — (AP) — Heavyweight champion Floyd Patterson is a solid 1-to-5 favorite to whip tireless Tommy Hurricane Jackson in their telecast 15-round title fight at the Polo Grounds tonight.

The eccentric challenger thinks he's a cinch to win. "I'm gonna chop 'em up," is the way the 25-year-old underdog sees it. "I only wish the fight could be a finish with the man standing at the end being the winner."

If it were an alley brawl with out officials, Jackson certainly would rate a better chance. But over the 15-round distance, Tommy's chances appear as slim as the odds against him. The odds are 8-to-5 that Patterson, making the first defence of the crown he won by flattening Archie Moore last Nov. 30 in five rounds, will knock out the iron-jawed Jackson in their return bout.

Patterson won his way to the Moore shot and the title by gaining a split decision over Jackson in 12 rounds June 8, 1956. Although he broke a bone in his right hand in the fifth round, Patterson rocked Jackson repeatedly with volleys of lefts and rights to the head.

Always a fast puncher, Floyd concentrated on power in his workouts for Jackson. Instead of jumping around the ring, the solidly built 22-year-old champion set his feet and unleashed thumping wallops to the body and head.

"I'm going to fight him more," said Patterson, who fought in spurts the first time because of his injured mitt. "If the opportunity comes for a knockout, I'm going to go for it. If it goes the limit, I'm confident I'll win anyway. I know he has plenty of endurance but no matter what pace he sets I know I can more than match it."

There has been hardly any wagering on the bout and no great rush to the box office for dress manufacturer Emil Lence's first promotion of a heavyweight title fight — the first such by an independent promoter since the International Boxing Club stepped into the fight picture in 1949.

Still, Lence is confident that with a break in the weather he can gross \$350,000. This plus the \$175,000 for the radio - television NBC - CBC 11 p.m. ADT rights would assure the promoter of a smash success. The prospects, however, indicate a crowd of 25,000 and a gate of \$250,000. That would put Lence in the black, too.

Patterson has been guaranteed \$175,000 against 40 per cent of the gate and radio-TV money. Jackson collects 20 per cent.

The weather forecast didn't make Lence happy. The weatherman predicted scattered thunder showers in the afternoon and early part of the evening with the skies likely to clear by starting time. Lence indicated he would make a decision on whether the fight will be held at the noon weigh-in.

In case of a postponement, the fight will be held Tuesday night. If the weather comes up bad that night, the next postponement dates are the following Monday and Tuesday.

Patterson, the youngest fighter - at 21 - ever to win the heavyweight crown, weighed 178 when he beat the 193 1/2 pound Jackson the first time. He probably will hit around 184 today. Jackson figures to weigh 194.

A pro since 1952, Jackson has a 29 - 5 - 1 record, including 13 knockouts. Patterson's record is 31-1 including 22 knockouts. His only loss was a disputed eight-round decision to cagey Joey Maxim, the former light heavyweight king, in June, 1954.

Many New Records Set At Canadian Swimming And Diving Championships

VANCOUVER — While steam rose in light clouds from the shivering bodies of swimmers, the Canadian swimming and diving championships ended Saturday night in a final spurge of discarded records.

The last day of the 3 1/2-day competition closed in much the same fashion as it opened - with the record books undergoing a major alteration - despite some of the coldest weather in Vancouver this summer.

Of the 12 swimming events on the card Saturday, exactly half resulted in Canadian records, there was a total of 35 different events during the championships for senior and junior men and women and of that total 24 produced better times than ever before accomplished by Canadians.

Bill Slater of Vancouver Dolphin swim club who knocked over Canadian marks in two events on previous days, successfully defended his 1956 title in the senior men's 440-yard freestyle contest with a record time of 4:50.1. The former mark was 4:50.8.

Another member of the same club tiny, Marg Isasaki took the junior women's 110-yard freestyle competing against some 50 others, the largest field of the entire meet, her record time of 1:07.6 was 2-10th of a second better than her own previous record set a year ago.

Nancy Ramey of Seattle, United States Olympic swimmer, walked over opposition in the senior women's 110-yard butterfly. She did her specialty in 1:12.3, far faster than Miss Isasaki's year-old record of 1:21.0.

The Etobicoke Memorial Swim Club from Toronto whose relay teams were consistent record breakers captured the 440 - yard freestyle for junior women in 4:59.9, more than 12 seconds better than the old mark.

The A team of the Tacoma, Wash., Swim Club took only 4:42.7 to do the senior men's 440-yard medley relay lowering the record by 11 seconds. In the final event of the meet, the A team from Multanah Athletic Club in Portland Ore., established a mark of 5:28.2, 25.2 seconds faster than the old record.

The meet had opened Wednesday night with Bill Slater's record in the 1650-yard freestyle, the only event that day. There were eight records the following day and the spree reached a climax Friday when 10 of the 12 contests ended with new best times.

The Canadian Amateur Swimming Association awarded the Sir Edward Beatty Trophy for the outstanding male swimmer in 1956 to Slater and its counterpart for women, the Beatrice Pines Trophy, to Helen Stewart of Vancouver, who had held it for the previous two years.

East York Track Club had the most wins, 10, while Toronto Olympics captured three. Metropolitan Toronto Police Amateur Athletic Association won two events. The other four victories were shared by smaller clubs, one of them the Buffalo Olympic Club.

Besides Kyle's record, Hans Moks of East York set a Canadian native record in the men's javelin throw. His throw of 231 feet, four inches "was definitely better than the present record," track officials said but they were unable to give the existing mark.

The Montreal victories were all obtained in the women's events. Diane Matheson of Moncton, who runs for Mount Royal Track Club, had little difficulty winning the 220-yard race and her time of 25 seconds was at first believed to be a Canadian record but after the meet, Diane said she had several better times submitted to the Canadian Amateur Athletic Union for recognition.

Rose Caccamise, 16-year-old substitute on the United States 1956 Olympic team, nipped Miss Matheson in the women's 100-yard dash and her time of 11 seconds was one tenth of a second off the Canadian record.

Brazil Defeats Israel 5-0 To Move Against Americans In Next Cup Round

Montreal—(AP)—Brazil goes against the United States next weekend in the North American zone Davis Cup final after knocking off Israel 5-0 in a second-round tie here.

The Brazilians clinched victory in the best-of-five rounds Saturday by winning the double and finished their shutout Sunday when Carlos Fernandez downed Israel's Arieh Avidan 7-5, 6-3, 9-7 and playing-captain Armando Vieira beat Eleazar Davidman 4-6, 6-4, 6-3, 6-2.

Vieira and Fernandez, a king with third man Jose Aguerro, 24, now play the United States team of Vic Seixas, Sammy Giammalva, Barry McKay and Mike Green at Longwood, Mass., Cricket Club, near Boston.

Despite the United States' reputation as the world's second-best tennis country, Vieira said he was optimistic about his team's chances.

Lamontagne Quits Lake St. John Marathon Swim

ROBERVAL, Que.—(AP)—Paul Wintel Desruisseaux, 24, of Quebec City Sunday night conquered Lake St. John for the second straight year but his time was far short of the record of nine hours and 31 minutes he set last summer.

He was the only one of nine swimmers to complete the 21-mile distance from Peribonka to Roberval.

He entered the water at 8:55 a.m. and reached Roberval at 8:10 p.m., 11 hours and 15 minutes later. High winds and choppy waters hampered the swimmers.

Robert Cossette of Chicoutimi was the last of the other eight swimmers to give up the struggle. He quit five minutes after Desruisseaux made it and was only a few miles from Roberval. He said he quit so as not to delay celebrations in this northeastern Quebec centre.

The others who quit were Lorenzo Lamontagne of Sherbrooke, Que.; Paul-Henri Tremblay and Gerard Caouette of Quebec City; Laurier St. Germain, Sorel, Que.; Roger Huard, Dolbeau, Que.; Magella Morin, Granby, Que.; and Jocelyn Tremblay, Hamilton, Ont.

good as they used to be." Vieira said. Seixas was the best of the Americans but was no youngster.

Vieira, 32 himself, used his experience and court knowledge to defeat Davidman, 20, a left-hander with a whipping serve. On the other hand, Fernandez, 19, had to rely mainly on his youth and speed to wear out Avidan, 29.

Fernandez and Vieira are scheduled to play in the clay-court Canadian championships here starting Aug. 12.

Avram Feizer, Israel's non-playing captain, said he is trying to get extension of leave for Davidman, an army draftee, and Avidan, a customs official, so that they also could play in the championships.

Buffalo Sweeps Henley Regatta

PORT DALHOUSIE, Ont.—(AP)—Buffalo West Side came through as expected at the 75th Royal Canadian Henley, sculling their way to the Maple Leaf Trophy. But they did it back-door style.

The top event of the four-day regatta, the senior eights, went to Philadelphia Vesper. West Side finished second to claim 64 points, enough to give them the trophy, awarded to the club collecting most points during the regatta.

The Buffalo entry, although trailing in the point standings for the first two days of the regatta, was highly favored to continue its winning way in Maple Leaf competition. The trophy has been presented nine times. Buffalo has taken it six, St. Catharines the other three years. West Side was last year's winner.

Final standing: Buffalo 262, St. Catharines 246½, Detroit 200½, Vespers 133, Toronto Argonauts 130.

St. Catharines was the only club able to beat West Side before the senior eights—final event of Saturday's windup—but they didn't enter the big event. For the host club to win, Buffalo would have had to finish well down among the six clubs competing for the Ned Hanlan Trophy.

Construction specifications call for 22-to-24 foot wide pavements for all of the trans-Canada highway.

SWIM FAILED—Phyllis Clarke, 25, who failed in an attempt to swim 60 miles in the St. Lawrence river from Gananoque, Ont., to Iroquois is placed in a stretcher by handlers and a member of the St. John Ambulance corps. The plucky switchboard operator recovered about 20 miles of the swim in 13 hours but had to give up because of severe abdominal pains. (CP Wirephoto)

Rosewall Easily Defeats Lew Hoad

LOS ANGELES—(AP)—Ken Rosewall continued Saturday to be a nemesis for fellow-Aussie Lew Hoad. He easily knocked off the \$125,000 bonus baby 6-3, 6-4 in singles matches of Jack Kramer's nine-day \$10,000 Masters round robin tennis tournament.

Big Richard (Pancho) Gonzales and Tony Trabert took the lead in the quest for the \$2,500 first-place money, scoring straight set wins over Pancho Segura and Dinny Pails, respectively.

Gonzales breezed past Segura, 6-4, 6-2. Trabert, a former American and Wimbledon champion, beat Pails, former Australian star, 7-5, 6-3.

In the doubles Trabert and Frank Sedgman downed Gonzales and Rosewall, 6-4, 6-3.

Richmond Sweeps Doubleheader From Buffalo While Leafs, Royals Drop Two

All Richmond Virginians need is a couple of more pitchers like Jim Coates and Bob Wiesler and they'd probably make a runaway of the International Baseball League race.

Between them, Coates and Wiesler have won 20 of Richmond's 58 victories to date, including Sunday's doubleheader sweep over the league-leading Buffalo Bisons.

Coates stopped the Bisons with a neat 4-0 job in the opener, while lefty Wiesler, one-time New York Yankee, won the nightcap 4-1, limiting the losers to just four hits.

Stan Cox Speared By Javelin Throw At British Meet

LONDON—(AP)—Stan Cox, who during his career was known as the unluckiest man in track, was stabbed near the heart Saturday by a flying javelin while serving as a judge of the spear-throwing event.

Cox, a marathon runner who represented England in the 1948 and 1952 Olympics, was taken to hospital in a critical condition. Although Cox was standing some 180 feet from the throwing line, the steel-shafted spear hit his chest with such force that a rib was broken.

Doctors said later that he would live.

The accident happened during the junior amateur athletic association meet. Cox was one of several men waiting to place flags, marking the distance of the throws. He was standing apart from the others.

The athletes, all of whom used the conventional style of throwing the javelin, refused to identify the competitor involved in the accident.

Cox, still lean and wiry at 39, fainted after 17 miles in the 1952 marathon at Helsinki and ran in to a telegraph pole in the British Empire Games at Vancouver in 1954. He was the British six-mile champion in 1948.

Record Miler Late For Wedding

LONDON—(Reuters)—Derek Ibbotson, the world's fastest miler, was among the also-rans at the wedding Saturday of Sylvia Cheeseman, Olympic athlete, and John Disley, champion steeple-chaser.

Ibbotson and his wife arrived late for the wedding ceremony because they could not get a taxi and had to walk from a railroad station to the church.

"We did not do the walk in under four minutes," said Ibbotson. Ibbotson set a world's record for the mile in three minutes, 57.2 seconds July 19.

Manassas Cops Arlington Handicap; Poly Hi Takes \$106,000 Lassie Race

NEW YORK—(AP)—The four-year-old bay colt Manassas captured the \$125,400 Arlington Handicap Saturday while Poly Hi, a bargain yearling, won the \$106,000 Lassie Stakes in a featured twin bill closing the Arlington Park meeting.

Jockey Doug Dodson guided Manassas to his fifth straight victory on turf, two-lengths ahead of Even-Money favorite Swoon's Son in the 1 3/16-mile handicap. St. Vincent was third.

Manassas, owned by John Zink of East St. Louis, Ill., returned \$15,200, \$5,200 and \$3,600 and earned \$88,800 from the gross of \$125,400 returned from the 14-horse field. The winner's time was 1:55 2/5.

Poly Hi notched her sixth consecutive victory as she won the six-furlong dash for two-year-old fillies, two lengths in front of Reverie Knoll Farm's Delnita. Hasty Doll was third.

The win netted Poly Hi \$65,025. The favorite, she returned \$4.60, \$3.40 and \$2.60.

Although Swoon's Son captured only \$20,000 second money it hoisted the four-year-old colt's lifetime earnings to \$695,530, good for seventh place among turfdom's all-time winners.

At New York, Ogden Phipps' Bureaucracy won the \$45,000 Dwyer Handicap at Belmont Park after the favored Cohoes tossed Jockey Ted Atkinson at the start of the 1 3/16 miles.

Cohoes stepped over Atkinson in his first full stride. He was not injured and won the following race.

Bureaucracy returned \$9.60, \$6.60 and \$4.80.

Romanita, from the Chicago-owned Reverie Knoll Farm, won the \$59,700 Monmouth Oaks at Monmouth Park. She picked up \$38,205 for owner Freeman Keyes.

St. Louis Chops Milwaukee Lead To Half-Game With Doubleheader Sweep; Ted Williams Wallops Red Sox To Win

Almost buried beneath 18-year-old Von McDaniel's brilliant one-hitter that touched off St. Louis' doubleheader sweep of Pittsburgh Sunday was another big game from lanky Gene Conley that kept Milwaukee in first place in the torrid National League scramble.

Conley, a six-foot-eight righthander, has worked back to the form that made him one of the league's toughest a few seasons ago. A six-hitter Sunday, enabling the Braves to defeat New York 5-3 and split a doubleheader with the Giants, was Conley fifth victory in his last six decisions.

With McDaniel's one-hit masterpiece winning the first game 4-0 and Joe Cunningham's 11th-inning homer the second, 9-8, the Cardinals chopped Milwaukee's lead to half a game. The Braves had lost the opening to ex-mate Johnny Antonelli's six-hitter, 2-0.

Brooklyn, with Johnny Podres winning his ninth, beat Cincinnati 7-2 to move within 1 1/2 games of the top and drop the Redlegs 2 1/2 games behind Milwaukee in a fourth-place tie with Philadelphia. The Phils had a happy day in Chicago, topping the Cubs 3-2 for Curt Simmons' 10th and 7-1 as rookie ace Jack Sanford won his 14th against three losses with a six-hitter.

Chicago's second-place White Sox moved up to within 3 1/2 games of New York Yankees in the American League, defeating Baltimore 4-3 while the Yanks settled for a split in a doubleheader with Detroit. Lou Sletter's clutch relief saved the first for the Tigers, 6-5, but Bill Skowron's run-scoring triple off Billy Hoelt beat Detroit in a 15-inning nightcap.

Ted Williams, his batting average up to .376, slammed his 29th homer, a double and two singles to lead a Boston comeback that beat Cleveland 9-8, and Kansas City won twice from Washington, 6-2 and 3-2 in 11 innings.

Milwaukee broke out with four runs on four hits in the fourth inning to win for Conley. Willie Mays hammered six hits in eight trips, four in the first game to help Antonelli to his fourth victory over Milwaukee and 10th of the season.

Gene Baker's double with two out in the second inning was the only Pittsburgh hit off McDaniel.

Who didn't permit another baserunner in running his record to 5-2. Hoyt Wilhelm won his first in relief as the Cards scored three in the nightcap ninth to tie the score and set the stage for Cunningham's winning homer off Nelson King.

Carl Furillo's grand slam homer cost Cincinnati's Brooks Lawrence his seventh loss in 18 decisions and was more than enough for Podres to win his ninth for Brooklyn.

Philadelphia came from behind in the final two innings of its first game against Chicago and won the second on rookie Ed Bouchee's three-run homer.

Paul Foytack won his 12th in the opener for the Tigers at New York, thanks to 2 1-3 hitless innings of relief from Sletter. Hoelt went all 14 1-3 innings of the nightcap, losing when Skowron's triple followed a walk to Mickey Mantle with one out in the 15th. Bob Grim, now 10-3, won in relief.

Bill Fischer's tidy relief pitching and Larry Doby's two runs batted in featured the White Sox victory. Chicago's Jim Landis fanned five straight times to tie a major league record held by seven others.

With Williams blasting away to win for George Sussce over Don Mossi, Cleveland's Vic Wertz and Rocky Colavito wasted a big day at the plate. Each slammed two home runs, Wertz driving in five runs and Colavito three.

Hal Smith's single scored. Hee Lopez with Kansas City's deciding run in the nightcap at Washington after Alex Kellner had pitched a five-hitter and helped himself with a home run in the first-game Kansas City victory.
