City Council Approves Paving Of Cote Road

Improvements to Cote St. Antoine Road costing \$64,000 have been authorized by the Westmount City Council. At several points the road will be straightened out, widened and repaved.

Between Clarke and Argyle Avenues where the road bows it will be straightened and similarly between Argyle and Stanton.

Widening will take place between Kensington and Metcalfe Avenues. At present Cote St. Antoine is 27 feet wide there and will be broadened out to 33 feet.

At the Southwest corner of Cote St. Antoine and Kensington the sidewalk will be moved back a number of feet and similarly at the northwest corner of Cote St. Antoine and Stanton.

The purpose for widening the road here is allowed for greater manoeuvrability for the fire apparatus when it comes around the corner out of Number 1 Station on Stanton Avenue.

The removal of the curves between Clarke and Stanton will be a boon to west bound traffic which at present is slowed considerably. The roadway will also be paved in sections.

City Manager T. J. Hughes reported to the City Council that building permits issued in February totalled \$477,000, most of which is for residential purposes. A large apartment building is to be erected at the corner of Lansdowne Avenue and Sherbrooke Street.

Mr. Hughes told the councillors attendance at the Westmount rinks had been 15,900 during February. He said good progress has been made with medical examinations in the city schools. Expected to be completed by May, the examinations have been conducted by doctors from the Children's Memorial Hospital.

Entries for Hobby Show To Close Tomorrow

Exhibitors are reminded that Saturday, March 24, will be the final day for accepting entries for the Westmount Boys' and Girls' Hobby Show. Bring these entries in early to Westmount Y.M.C.A. so that you will not be disappointed.

U.N. Association To Show Movies At Meet Thursday

Four motion pictures showing the work of the United Nations and its agencies will be shown at the next meeting of the Western-Montreal Branch of the United Nations Association.

These pictures have been made to give some idea of the events which go on in the Organization at Lake Success and the various projects undertaken in several parts of the world.

The meeting is to be held at the Westmount Junior High School at 8:15 p.m. Thursday March 29, and it is hoped many will avail themselves of this opportunity.

There is no charge for admission and all interested are welcome. G. F. W. Kuhring, president of the branch will comment briefly on the work being done by the United Nations Association in Canada, and will take time out to deny misleading advertisements appearing in the press sponsored by the Canadian Peace Congress, which tries to connect the United Nations Association with a "To Save the Peace" meeting scheduled to be held in Toronto April 7 and 8.

The advertisement states Mr. Kuhring is evidently Communistically inspired and repeats misleading Russian made slogans or propositions supported by no member of the U.N. but Russia and its two satellites.

Citizens Urged To Action On School Board Changes

The new educational act passed by the Quebec Legislature seems to have created quite some controversy in Westmount with the question being whether it is to the advantage of local Protestant Schools to join in the Montreal School Commission.

Demands for a public meeting at which the pro and con of the situation would be openly discussed are repeated in the following communications.

Mrs. William F. Dawson, of 78 Somerville avenue, Westmount, whose letter protesting the taking over of Westmount schools by the Montreal Central School Board,

was published in the Examiner on March 9, has replied to the statement given by James DeLalanne, chairman of Westmount School Commissions, and comments by the Home and School Association officers which appeared in last week's issue.

Mrs. Dawson says Mr. DeLalanne's remarks "begs the question—as still no public meeting has been called."

She thinks that most certainly the Westmount Municipal Association should have convened a meeting, as it is that body, which nominates the school commission members.

Mrs. Dawson maintains that she is particularly perturbed over the decreased representation that Westmount will have on the Central Board. She points out, that the one member which it is proposed to allow Westmount on a 16 man board will be appointed by the Central Board, whereas, now Westmount elects two members on a 12 man board. The difference between appointing and electing is quite a serious consideration she claims.

She also feels that it is unfortunate that the H & S Association previously existing at Westmount High was allowed to dissolve. Mrs. Dawson stated that when G.G.W. Goodwin, and his committee declined to continue in office after the annual meeting of W.H.S., H. & S.A., last year, that a committee was appointed to find members willing to carry on, but the association was not revived. Tom Gilmour a member of the School Commission voiced his regret at the meeting regarding the folding up of the association Mrs. Dawson commented.

She admits that the meetings were not very well attended and that those present at the ses-

Strathcona Fire Quickly Quelled By Department

An exploding sound in the early hours of Tuesday morning saved the Rutherford family, of 463 Strathcona Avenue, from serious injury and gutting of their home.

Awakened at three in the morning by the sound, Miss Featherston, relative of the family, hastily woke J. F. Rutherford who ran downstairs to investigate.

Opening the cellar door he was greeted by a cloud of smoke. A fire was raging in the playroom. Calling the Westmount Fire Department he rushed upstairs and brought his wife and two children to the safety of the street.

When the Fire Department arrived at the scene flames were shooting out of the basement windows. Under the direction of Chief W. C. Cobb and Capt. C. Carmichael the blaze was quickly quelled.

Mr. Rutherford called the assistance of the firemen to bring Miss Featherston, his 90 year old relative out of the building.

Capt. Carmichael found the lady, a cripple, calmly waiting in her room. He carried her out to the street. Miss J. Plante, another resident of the home, was also escorted out.

The fire, starting from unknown origins, had gained considerable headway by the time the Fire Department arrived but was under

Mayor Cameron Calls Civil Defence Meeting

At a meeting of the Westmount Civil Defence Committee Wednesday, the chairman, Mayor J. S. Cameron, announced that under the auspices of the Westmount Municipal Association, a public meeting will be held on Thursday, April fifth in Victoria Hall at 8:15 p.m.

The purpose of this meeting is to inform Westmount citizens what has so far been done and planned for the City's civil defence.

Mayor Cameron will also announce the appointment of a Citizens' Civil Defence Advisory Council and a Chief Warden.

Ever since the meeting of Canadian mayors in Saskatoon last August, when preliminary discussion of Civil Defence took place, Mayor Cameron has been active in

planning the Westmount organization. "We are very glad the Municipal Association has called this meeting," he said, "It is time that the people of Westmount should know what has already been done and, more important still, what they themselves must do if we are to play our part as a municipality of this Metropolitan area. It is a very serious business and there is no time to lose."

Present at the meeting, in addition to Mayor Cameron, the chairman, were Alderman R. H. Dean, Commissioner of Fire and Police, vice-chairman, Alderman R. Panet-Raymond, Lieut.-Col. J. Eric Slessor, E. D., Brig. J. A. DeLalanne, C.B.E., M.C., Lieut.-Col. Philip Cook E.D., Director of Civil Defence, and General Manager T. J. Hughes.

Unity Boys' Club News

Of special interest to members of the Unity Boys Club is the announcement of the annual Westmount Rotary Carnival in Westmount Park to open Tuesday evening, June 19, and run through to June 23.

Again this year the main proceeds from the Carnival will go towards maintenance and purchase of needed equipment. Keep those dates in mind and plan how to best support Westmount Rotarians in making this year's Carnival one of the biggest and best.

British People Not Despondent Says Dr. H. Stern

Dr. Harry J. Stern, of Temple Emanu-El, Westmount, speaking to the Women's Art Society on Thursday, said that the "British people despite their present austerity, were undergoing a renewal of democratic vitality."

They find a sense of security in Socialism and display a confidence and optimism not found on the European continent, he said.

"The people of Europe are suffering from a fear psychosis and a defeatism that anticipates not only a Third World War but a breaking out of civil war in many parts of the continent.

Rabbi Stern stated that it was significant to note that at the top of the best-seller list in Europe stands a book by the Rumanian, Vergil Georghiu, "The Twenty-fifth Hour," whose message of despair is that for Western Europe the twenty-fifth hour has already struck, the hour that comes after the last hour.

Liberal Leader Declares Leases O.K. Until August

In order to clarify some of the points raised by his constituents in Westmount-St. George, the Hon. George C. Marler, member for the division, and leader of the opposition in the Quebec Legislature, has issued the following statement on rent control as permitted by Bill 22 passed by the Quebec house during the session just concluded.

This clarification by Mr. Marler will relieve many tenants who have been under pressure from their landlords to sign new leases to take effect on May 1st immediately after their present leases expire.

In a statement released by Al Bruce, chairman of the Canadian Legion Housing Committee, on Wednesday, the legion spokesman said that "some people are being railroaded into signing away a perfectly good position."

Mr. Marler's explanation which follows is thus timely and will be appreciated by many harassed tenants here.

Mr. Marler's Statement

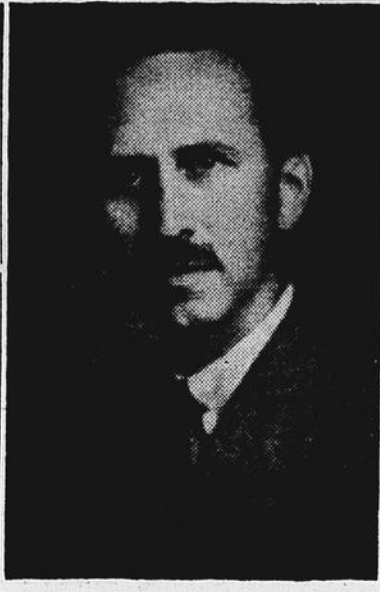

A number of tenants residing in the Division which I represent in the Legislature at Quebec have informed me that they have received letters from their landlords demanding exorbitant increases in their rentals, and I have been asked whether tenants whose leases expire on April 30, 1951, or at a later date are obliged to come to an immediate understanding with their landlords.

The law, which was adopted by the Legislature, states clearly that no person who is in occupation of a house or dwelling on April 30, 1951, may be evicted before August 1, 1951, provided he respects the present conditions of his lease and pays his present rental when due.

At a later date, after the Rentals Commission has been formed and it has rental administrators in each of the various cities and towns in the Province, every tenant who is unable to come to a satisfactory understanding with his landlord as to the amount of rental to be paid and as to the extension of the lease may apply to the rental administrator in order to have the latter determine the rental and the term of the extension of the Lease.

If either party is not satisfied with the administrator's decision, he may appeal to the Rentals Commission.

In the meanwhile the landlord may not obtain any increase in the rent unless the tenant is willing to pay it.

Hon. George C. Marler

Mrs. Packard stated she was stepping on the streetcar at the safety zone on the Northeast corner of Sherbrooke and Victoria at the time of the accident.

She said the conductor closed the door on her before she was aboard, trapping her foot in the step. The streetcar started, she fell to the zone platform and was dragged a short distance.

Mayor Cameron Is Named On Boulevard Committee

Mayor J. S. Cameron, of Westmount, was named to a committee to speed up completion of the Metropolitan Boulevard at a meeting of the M.M.C. last Wednesday.

Also appointed to the committee which numbers five were: Councillor Gordon McL. Pitts, of the Montreal City Executive Committee, who will be chairman, Mayor R. E. Schofield of Mount Royal; Lucien Creteau, member of the Montreal Executive Committee and Archambault Desy, representing the east-end municipalities of the Metropolitan Commission.

The speeding up will apply to that section of the boulevard from Ville St. Laurent to Point aux Trembles.

The newly appointed committee met briefly after the meeting and decided to request Montreal to appoint Claude Choquette, head of the City's Legal Department and C. E. Campeau, of the Planning Department as advisory assistants.

Action taken by the Commission may affect Westmount and other metropolitan suburban municipalities as the re-nomination of a

special committee to deal with municipal valuations in the metropolitan area under the Commission's jurisdiction was discussed.

Councillor J. O. Asselin, chairman of Montreal's Executive Committee remarked that certain municipalities assessed their property only at 30 per cent of their real valuation.

"I believe" he said "that we should reconstitute our former committee which would establish a more equitable general municipal valuation in all adjacent municipalities, which should pay their fair share to the Commission's upkeep."

The Commission's finances committee will study the matter and report.

Legion to Give Two Scholarships

Quebec Command of the Canadian Legion has received \$400 from the national organization for two scholarships, Lt.-Col. George Savage, vice-principal of West Hill High School, and chairman of the Legion's education committee, has announced.

The scholarships, each worth \$200, are for post-secondary school education. One will be awarded to a student under the jurisdiction of the Catholic committee of the Quebec Council of Education; the other to a student under the Protestant committee.

Candidates will be considered in the following order: children of parents killed in action; children of deceased or disabled veterans; children of veterans; and other worthwhile children. The awards will be given on the basis of academic attainment, leadership and financial need.

Application forms may be obtained from the managing secretary, Canadian Legion, 1191 Mountain street.

The successful candidates will be chosen as soon as possible after the results of the junior matriculation, high school leaving or equivalent examinations for 1951 are announced, probably in August.

Three-Way Crash Caused by Driver Who Fell Asleep

A three way collision occurred at the corner of Sherbrooke street and Claremont avenue last Friday when Xavier Disnard fell asleep at the wheel of his car, rolled through a red light, glanced off a street car, smashed into a taxicab and ended up with the nose of his car poked into the front door of the Bank of Toronto.

When the Westmount police arrived at the scene Mr. Disnard told them he didn't know what happened. He said he must have fallen asleep.

Gaston Monard, of 2372 10th avenue, St. Michel, a witness, stated he saw Mr. Disnard pull to a stop at the red light coming south on Claremont avenue.

He said he noticed Mr. Disnard's head slump over the wheel of his car and while the light was still red the car started across Sherbrooke striking the tram, taxi and ending up in the Bank of Toronto.

Mr. Disnard, of 511 Guy street, a chauffeur, suffered a bruised nose and light cuts. He was taken to the Westmount Police Station and charged with reckless driving.

The tram was slightly scratched, the taxi driven by Edmond Dubuc, 3854 St. Andre street was slightly damaged and the entrance to the bank was smashed in. Mr. Disnard's Dodge was crushed in at the front end.

Dennis O'Keefe was once a stand-in, one of the few to ever reach stardom. He is now co-starring with John Payne and Arleen Whelan in Pine-Thomas' "Crosswinds," being filmed in Technicolor in Homosassa, Fla.

Hospital executive: L. W. Vezina, whose appointment as vice-president of the Herbert Reddy Memorial Hospital, Westmount, has been announced by Col. Wilfrid Bovey, M.L.C., president of the institution.

Cancer Fund Will Aid Reddy Memorial Hospital

The Herbert Reddy Memorial Hospital, Tupper Street, Westmount will benefit from the proceeds of the Joint Cancer Fund Campaign, said Dr. Jonathan C. Meakins, president of the Quebec Division, Canadian Cancer Society, and former dean of the faculty of Medicine, McGill University on Tuesday.

He estimated that \$125,000 will be spent in the Montreal area alone by the two organizations to combat the dread killer.

The objective of the appeal is \$250,000.

Dr. Meakins said the funds will provide for grants for scholarships, fellowships, and some 20 research projects at McGill University, Montreal University, the Montreal General Hospital, Notre Dame Hospital and the Herbert Reddy Memorial Hospital.

The campaign will continue through March 22 by which date it is hoped that the amount required will have been subscribed. Subscriptions to the fund may be sent to Joint Cancer Fund Campaign Headquarters at 1522 Sherbrooke street west, he pointed out.

It was not necessary to wait for canvassers to call, Dr. Meakins added.

In the Salvation Army's institutions in England over 10,000 men sleep under its roofs nightly.

Mackay Bulletin Is Devoted to Scout Work

The latest issue of Mackay Bulletin is devoted to the Boy Scout and Girl Guide movement. Highlighting the booklet is an article by Constable Jim Archer, of the Royal Canadian Mounted Police Youth and Police Branch and Scoutmaster of the Mackay Institute Troop.

Constable Archer said that Scouting provides an important means of helping in the development of deaf children's personalities.

"To be a successful scouter in this unique group," he said, "prejudice and misinformation concerning the personality of the deaf boy are two of the obstacles to

overcome." Scouting, he added, gives deaf boys a feeling of responsibility and incentive and pride in their accomplishments.

A story on the life of Lord Balden-Powell, founder of the scout movement, was also included in the Bulletin. It was written by Miss Winnifred Cory, instructor at Mackay.

Col. Bovey Advocates Tax To Help Hospitals

Hon. Wilfrid Bovey, O.B.E., K.C., was re-elected president and chairman of the board of the Herbert Reddy Memorial Hospital, Westmount, at the annual general meeting held on Monday.

In his report covering the year's operations Col. Bovey recommended that the provincial government establish a real estate tax to assist Quebec's hard pressed hospitals.

"Such a tax," said Col. Bovey, "would have to be based on real value and not the municipal valuation. Reason is that a custom has grown up of undervaluing large plants for municipal purposes—the plant worth thirty million dollars will probably be valued at one and a half million. Surely the very

wealthy companies now operating in the province should be willing to contribute some of their enormous profits for the benefit of the sick and suffering."

Col. Bovey pointed out that "civil defence involves care of the wounded and burned" and he noted that "Soviet imperialism has forced this country into a five billion dollar defence program." He forecast that "this area might well need 100,000 emergency beds

as well as the replacement of thousands of hospital beds and equipment. It is perfectly obvious," Col. Bovey added, that the old "guns or butter" dilemma has been replaced by a new one — "defence or beds."

In reviewing the hospital's progress he pointed to the new cancer clinic now in operation, and the enlarged school for nurses. Col. Bovey also suggested that insurance plans pay for home care "as it seemed unfair to penalize the patient willing to accept cheaper treatment at home by refusing to reimburse him for any treatment at all." Officers of the hospital for 1951-52 are:

Honorary president, Sir Frederick Garson, C.B.E., M.C.; president Hon. W. Bovey; vice-president and treasurer, L. W. Vezina; vice-president and secretary, Major L. M. Bloomfield, K.C.

Members of the board of trustees; David A. Armory, A. W. Callard, Dr. H. G. Littler, Lyle D. Richardson, H. Heward Stikeman, W. J. Bryant, Howden R. Horner, Brian R. Perry, Dr. E. E. Robbins, Edgar F. Tolhurst.

Supernumerary trustees: W. R. Bulloch, T. P. Ritchie, Hon. Frank L. Connors, C. Gordon Wallace, Eric B. F. Reddy, Art W. Gilmorr.

has been prepared of the amounts payable for part of the cost of paving Sherbrooke Street from Clarke Avenue intersection to the easterly limits of the City, and of St. Catherine Street from Greene Avenue intersection to the easterly limits of the City respectively, by the proprietors whose properties front on the said sections of Sherbrooke Street and St. Catherine Street.

Public notice is also given that by direction of the City Council and in accordance with provisions of By-law 575, there has been prepared a special general collection roll of the taxes or assessments to provide for the payment of interest and sinking fund upon the City's share of the cost of certain roads, sidewalks, etc., and the tax public works including drains, to meet said obligations is levied at the rate of 1.85 mills in the dollar on the valuation of the taxable property of the City exclusive of the buildings.

Said rolls are deposited in the office of the Secretary-Treasurer and will be submitted to the Council for homologation at a session to be held on Monday, the 2nd April, 1951, at eight o'clock P.M. at the City Hall.

Given at Westmount this fifteenth day of March, 1951.

The waistline of a one-piece dress should come to your normal waistline. If it is too short or too long waisted try a different size range. Too loose at the waist? Requires a simple alteration. If belt is set in it may be tedious but not risky. A waistband will wrinkle less and be more comfortable if an easy fit. A waistband liner will keep blouse tucked in.

EASTER REFLECTIONS

A Spiritual Revival Needed Materialism Must Be Fought

On Sunday Westmount residents will flock to the many beautiful churches of all denominations in this city, there to join in the Easter services commemorating Christ's resurrection.

Indeed churches have been full of worshippers during this period of Holy Week throughout the world all-praying for peace while the shadow of war hangs heavily overhead.

Dr. Harry J. Stern, of Temple Emanu-El, Westmount, speaking to the Women's Art Society, recently, said that as a result of his observations during a visit to Europe he had come to the conclusion that "Europe is in need of a new principle of faith, a rebirth of truth and love and a co-operative world order if she is to survive. The people, he said, are suffering from a fear psychosis and a defeatism that anticipates not only a Third World War but a breaking out of civil war in many parts of the continent.

That there are sections of the population on this continent equally despondent is undeniable. Easter observances therefore this year take on a greater significance — if that is possible. Christ died so that men might be saved — and saved they could be if his teachings were followed.

W. J. Sheridan, executive secretary of the

Canadian Chamber of Commerce, warned Westmount Rotarians, last week, that atheistic materialism is sweeping the world today and is, he said, responsible for most of its ills, which could only be swept away by exercising and practising our love of God, country, and freedom and qualities of independence. Materialism must be fought with materialism, he said.

Greed and covetousness are the root causes of war. If men and nations only practised and lived by the Ten Commandments what a different place this world would be.

Great strides have been made in every field of progress during the last fifty years. Distance has been practically annihilated; the science of medicine has advanced by leaps and bounds; industry has been revolutionized; and even in our recreational pursuits and social order the hand of advancement has made itself felt. All of this should add up to a much happier and more carefree life but unfortunately the accent is on "should". The truth is we have failed to make the right use of the advances and privileges gained. Men apparently cannot live together in peace.

As we bow our heads in prayer this Easter Sunday we do so not yet having fully recovered from the Second World War and yet preparing lest a third and even more desperate conflict should befall us. Scientific discoveries which would make the world a better place to live in are being harnessed to the chariot of Mars.

We are lacking in houses for our ever increasing population, the cost of living has hit an all time high, and where there ought to be harmonious team work for the public benefit, there is discord and disagreement.

Let us therefore try to follow as best we can in the way of life shown us by The Prince of Peace and make our Easter observances something more than just lip service.

Our men dying in Korea are a constant reminder that Christ died so that others might be saved. A spiritual revival is indeed badly needed today.

Fashion Hints

The big suit of the season is the suit that comes decked out with its own print blouse and matching print jacket lining. It appears in every type and at various price levels, and really looks like spring. This one exemplifies the theme in a most wearable model. The suit is of navy blue woolen, and the blouse and jacket lining are of red and white coin dot printed silk. The jacket is snugly buttoned below the gently rolled collar and shows the blouse bow neck. Flapped pockets, faced which are buckram-lined. The skirt is pencil-thin.

Mrs. Roy Allan Shields, Recent Bride

Mrs. Roy Allan Shields, pictured above, is the former Miss Dorothy Wilhelmine Schmidt, daughter of Mr. and Mrs. P. P. Schmidt, of Regina Sask. Her marriage to Mr. Shields, son of Mr. and Mrs. J. E. Shields, of Kerrobert, Sask., took place recently in Toronto. The bride is a well-known musician, as is her sister, Miss Irene Schmidt, who acted as her sister's attendant.

SHIELDS-SCHMIDT

At an afternoon ceremony in the sacristy of the Blessed Sacrament Church, Toronto, Dorothy Wilhelmine, daughter of Mr. and Mrs. P. P. Schmidt, Regina, Sask., became the bride of Mr. Roy Allan Shields, son of Mr. and Mrs. J. E. Shields, Kerrobert, Sask. Monseigneur R. Callahan officiated.

The bride was given in marriage by her brother, Dr. E. H. Schmidt, of Toledo, Ohio, and attended by her sister, Miss Irene Schmidt, Toronto. Mr. Mario Bernardi, well known Toronto musician, acted as best man for the groom.

The bride wore a model ballerina gown of white French lace with matching length mittens, and a simple tiara of orange blossoms holding in place her fingertip length veil of French tulle illusion. The low-cut circular bodice was accentuated by a single strand of pearls and she carried a cascade bouquet of pink roses. The maid of honor was wearing a mauve and blue net ballerina gown and slippers, with tiny matching cap and carried a rose-centred nosegay, her ensemble being completed by a triple strand of pearls and a wide silver bracelet, a gift from the bride.

Following the ceremony a large reception was held at 162 Glencairn Avenue, the home of Mrs. E. E. Ehmann, aunt of the bride. The bride's mother, Mrs. P. P. Schmidt, received with the bridal party, wearing a blue lace-trimmed afternoon dress with corsage of pink carnations.

Mrs. Ehmann wore a mauve silk afternoon dress with split carnation corsage of palest yellow.

Mr. W. Ehmann proposed the toast to the bride, his goddaughter, and after the tiered wedding cake was cut, Mr. Bernardi read the numerous telegrams conveying good wishes from friends across Canada. Vocal and piano solos were given by many musical friends attending, and among the out-of-town guests were journa-

listic friends of the groom including Mr. Bernard Dube and Mr. Brodie Snyder, Jr., both of Montreal; Mr. Allan Atkins, Toronto; and Mr. Lawrence Greer, of Hamilton, Ont.

The bride and groom left at midnight to spend their honeymoon in Montreal, guests at the Mount Royal Hotel. They will reside at 98 Columbia Avenue, Westmount.

The annual meeting of the Oral Club was held on Monday evening in the St. Ignace Bourget School. The president, Miss Bertha Donald, reported that the club had a successful season under the instructorship of Mrs. Franco Consiglio. Among the highlights of the course given in public speaking was a round-table conference and a magazine-of-the-air. The president also reported that Mrs. J. M. Purcell would represent the Oral Club in the public speaking contest of the Women's division of the Montreal Debating League to be held April first.

Officers for the forthcoming season are: Miss Eva Mitchell, president; Mrs. A. W. Paquin, vice-president; Miss B. Donald, immediate past president; Mrs. C. J. Kerlin, secretary; Mrs. J. J. Kelly, treasurer; Miss I. Boudreau, membership, and Miss Zena Reicker, publicity.

BUNNYMALLOWES

First pinch a head from the upper front part of a marshmallow. Then with scissors cut long, slim ears by cutting the two top side edges from the back up to the pinched portion. The ears will stand right up. Pinch little feet for the bunny along the bottom front edge of the marshmallow. Cut out about a fourth inch at the lower edge of the back for a tail. Apply pink vegetable coloring with a toothpick for the eyes, nose, mouth and lining for the ears.

Easter Morning Serve Scones; Plan Egg Hunt

Shirred eggs baked in butter, cheese and cream, hot buttered scones and lemon curd, a delicious English preserve—how does that sound for a dairy farm Easter breakfast?

The scones can be made the day before and reheated in the oven while eggs are baking.

Scones

Two cups flour, 2 tablespoons sugar, 3 teaspoons baking powder, ½ teaspoon salt, ¼ cup butter, 1 egg yolk, ½ cup light cream, 1 egg white.

Sift together flour, 1 tablespoon sugar, baking powder and salt. Cut in shortening. Beat egg yolk with cream, and add to dry ingredients. Mix into dough, roll out ½ inch thick and cut in 2-inch triangles. Place on baking sheet. Beat egg white slightly, brush on scones and sprinkle with remaining sugar. Bake in hot oven (450 degrees F.) for 15 minutes. Serve hot.

Lemon Curd

One-half cup butter, ½ cup sugar, 2 lemons, 2 eggs. Melt butter and sugar in top of double boiler. Add rind and juice of lemons. Beat in eggs and stir until thick and smooth. Pour into a hot jar and leave to set.

Shirred Eggs in Cheese (Serves 6)

Six eggs, ¼ pound finely grated cheese, ¼ cup butter, salt and pepper, ¼ cup cream, ½ teaspoon dry mustard.

Sprinkle cheese over bottom of a shallow buttered baking dish or individual ramekins. Dot with pieces of butter and sprinkle with salt and pepper. Break eggs one at a time over the cheese. Mix cream with mustard and pour over eggs. Bake in a moderately hot oven (350 degrees F.) about 15 minutes until whites are set. Serve immediately.

And, of course, after breakfast, there must be chocolate eggs for the children's hunt.

Chocolate-Covered Coconut Easter Eggs

Punch holes in end of a coconut and save every drop of milk. Cut off all brown skin of coconut meat and put meat through food chopper. Put coconut and strained coconut milk in large bowl and add 2 pounds confectioners' sugar. Mix and pat and add more sugar if needed to make a solid ball. Mold in individual eggs and lay on waxed paper on platter. Place in sweetened chocolate and dip each egg separately. Lay on waxed paper and place in refrigerator. If you cannot get dipping chocolate, melt bitter baking chocolate and add a small piece of parawax.

EASTER EGGS

By special request we are reprinting the recipe for Easter Eggs published last year. For the basic fondant, use ¼ tin sweetened condensed milk, ½ teaspoon vanilla, 1 tablespoon corn syrup, and gradually cream with ¼ pound butter. Work in 1½ pounds sifted icing sugar.

Divide the fondant roughly in half, and color half with orange vegetable coloring for the yolks. Shape about half the size you want your finished eggs to be. Then add almond or maple flavoring to rest of the fondant, and apply outside the yolks.

Chocolate Coating

To coat them with chocolate, melt ½ box of semi-sweet chocolate and ¼ slice of parawax in top of a shallow double boiler. Keep water boiling under mixture and dip eggs, held lightly on a wide fork. Place on wax paper.

Use your cake or cookie decorator to put each child's name on in colored icing, or decorate as lavishly as you wish. Makes six to eight medium sized eggs.

Business Women's Club Hears Floral Authority

The Professional and Business Women's Organization of the Parish of The Ascension of Our Lord, Westmount, held its general monthly meeting in St. Leo's School Hall on Wednesday, March 14.

The highlight of the evening was an address and demonstration by the guest speaker, Miss Florise Lemieux, who delighted her audience with her artistic and original designs in floral arrangement.

Miss Lemieux, who is well known to Montrealers for her

"Flair with Flowers" passed on some valuable tips on the handling and care of flowers which the amateur would do well to remember.

The guest speaker was introduced by Mrs. Eileen St. Martin and a vote of thanks on behalf of the club was tendered by Mrs. Marcella Mulligan.

Let's Eat

By IDA BAILEY ALLEN

Come Easter, and the tantalizing whiff of cooking ham drifts over the land. Canadians from coast to coast will be serving their favorite Easter meat, if not at dinner most certainly for breakfast.

"Ham and eggs is a genuine Canadian dish, madame," commented the chef. "There are some points I have discovered in preparing ham that I would like our readers to know," said chef.

Easter Dinner

- Stuffed Eggs in Lettuce Nests
- Baked Virginia Ham
- Ham and Asparagus Rolls with Cheese Sauce
- Parslied Potatoes
- Orange Glace Fruit Cup
- Spinach Timbales
- Coffee, Tea or Milk

Tricks With Ham And Eggs

If possible use thin slices of raw ham to broil or pan fry. But if boiled ham must be used, be sure to sprinkle a few grains of sugar on the frying pan, and let it melt before putting in the ham. This gives "oomph" to the flavor.

When it comes to Easter dinner, a big baked ham deliciously glazed and studded with cloves is very popular.

Baked Virginia Ham

Scrub a real Virginia ham with a brush to remove any mould; wash. Soak overnight in cold water, bring to boiling point, cover and simmer until fork-tender, about 30 minutes to the pound. Remove and cut off the skin, leaving a layer of fat. Cover with a "glaze" made by stirring together half cup unsulphured molasses and half cup ground roasted peanuts, or spread on orange marmalade and cover with fine dry bread crumbs; stud the ham with cloves at half inch intervals. Slow-bake one hour at 325-350 F.

Ham and Asparagus Rolls

For each person order a thin slice of boiled ham. On each place four cooked or canned asparagus tips. Roll up and place fold-size down in an oiled pan. Brush with butter. Slow-broil four inches from the heat, about 15 minutes, or until the ham is light brown. Arrange each ham roll on a slice of buttered toast. Pour over cheese sauce; sprinkle with minced chives or parsley.

Orange Glace Fruit Cup

Make fruit cups of any desired fresh fruit. In the lower half put any diced or small fruit, slightly sweetened with honey, made tart with lemon juice. Top with alternating sections of fresh grapefruit sections. Chill. On serving, top each with a heaping teaspoon of frozen orange concentrate just as it comes from the can.

Watch for excess sizing in the sheets and pillowcases you buy. Often too much sizing is used in loosely woven sheets to make them appear heavier and smoother

C. A. C. Reports

... on Woollens and their Care ...

One of the marks of the good housekeeper has always been the lasting beauty of blankets, sweaters and other articles made of wool, which she has carefully washed and stored from season to season. With the advent of the new shrink-resistant finishes to wool, there has come a tendency to relax care in washing. Many complaints have come to the Canadian Association of Consumers from homemakers who find that their new shrink-resistant purchases are not giving the service for which they had hoped. A little sleuthing was in order and during the course of the investigation C.A.C. made the discovery that the complaining homemakers were to blame and not the shrink-resistant goods about which they were complaining.

Handle With Care

That term "shrink-resistant" means that the wool will not undergo the felting or matting which causes it to shrink. But wool is an animal fibre and no matter what processing has been given it, must be handled with reasonable care. C.A.C. found that where these complaints were made, homemakers had either sent these treated woollens to the laundry with household linens, or had placed them in washing machines filled with water much too hot for them. All commercial laundries use some method of whitening linens and such processes are not suited to wool fibres.

That unshrinkable or shrink-resistant label is on the goods you buy because the manufacturer guarantees that the woollens will be as represented only as long as we, the users of them, treat them with the care which such goods deserve. Wool garments cannot be washed or cleaned like cottons. Use warm water, a mild suds, wash by hand and your new processed woollens will give better service than you have ever had from old style wool.

"Choice" and "Fancy"

Did you know — That the National President of C.A.C. was asked to address the Annual Meeting of the Food Processors' Association in Montreal recently. She told them, among many other things, that the terms used in describing canned goods were very confused to the average homemaker. The special "villain of the piece" she said was the term "choice." Most people would think this meant top quality, but in the world of canned goods the top grade is called "Fancy", the second grade is called "Choice" and the lowest grade is "Standard". C.A.C.'s President suggested that a similar set of terms could well be used to describe all kinds of foodstuffs, instead of, as at present, each kind of product having its own different descriptions.

Cuzco, in Peru, once the seat of government and learning of the Inca empire, is today a city of memories and ruins. The Spaniards overthrew the ancient people and destroyed their temples. Over the walls and foundations, built by the Indians, new cathedrals and churches were built by the white men. Now Cuzco has more churches, monasteries and religious edifices than any other city of its size in America.

Christian Science

"Matter" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist Sunday. The Golden Text is from Psalms 81: 9 and 10 "There shall no strange god be in thee; neither shalt thou worship any strange

god. I am the Lord thy God, which brought thee out of the land of Egypt."

Among the citations which comprise the lesson-sermon is the following from the Bible:—"Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through and steal. No man can serve two masters; for either he will hate the one, and love the other; or else he will hold to the one, and despise the other, Ye cannot serve God and mammon." (Matthew 6: 19 to 20 and 24).

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy:—"We cannot serve both God and mammon at the same time; but it is not this what frail mortals are trying to do? The time approaches when mortal mind will forsake its corporal, structural, and material basis, when immortal Mind and its formations will be apprehended in Science, and material beliefs will not interfere with spiritual facts."

Ice Cream Is Happy Climax To Holiday Dinner

FOR EASTER DESSERT—a delightful cake basket, with ice-cream eggs and chocolate fondant eggs.

Easter dinner should end in a beautiful dessert, colorful, spring-like and delicious to eat.

Here's one that fulfills all those requirements. But it does not take hours of work. It's an Easter basket filled with velvety rich "eggs."

Both the cake for the basket and the ice cream come in bulk from the store. You merely put them together.

Decorate the basket with chocolate fondant eggs. Let the youngsters help you make them the day before.

Ice Cream Easter Basket (Serves 5)

Two Baker's 8-inch, round sponge cake layers, 2 quarts vanilla ice cream (bulk), 1 recipe chocolate fondant eggs.

With tip of knife, mark outside edge of each cake circle into thirds. Cut cakes from point to point to obtain three curved sectors from each sponge layer. Arrange five sections on a dish to form a scalloped basket. Cut remaining cake into cubes and pile into center. Cover with scoops of vanilla ice cream. Decorate with chocolate fondant eggs where cake sections join.

Chocolate Fondant Eggs (Makes 1/4 pound)

One-third cup butter, 2 squares unsweetened chocolate, melted, 1/2 teaspoon vanilla extract, 1 1/4 cups confectioner's sugar.

Soften butter; beat in melted chocolate and vanilla extract. Add sifted confectioner's sugar and knead until smooth. Make egg shapes out of tablespoons of the fondant. Chill in refrigerator until firm.

Salvation Army Opened Home Here On Saturday

Mayor J. S. Cameron of Westmount and Douglas Bremner, 3769 The Boulevard, Westmount, well known for his work in social welfare attended the opening ceremonies of the newly acquired Salvation Army's Women's Receiving Home, at 4102 Dorchester Street, Westmount, on Saturday afternoon.

Mr. Bremner handed the key of the building to Commissioner Charles Baugh in an impressive key turning ceremony, following which a meeting of members and friends of the Salvation Army was held in the new edifice.

His Worship Mayor Cameron brought greetings from the City of Westmount and in the course of his remarks reminded the gathering that "The Salvation Army goes along seeking ways and means of bringing sunshine in place of shadows and happiness to those who are sad."

The Rev. W. J. Baxter extended greetings on behalf of the Montreal Ministerial Association. Roland Paquette, chief recorder, representing the city police courts.

J. N. Cole, chairman of the property advisory board, spoke of the many projects the Army has underway in the Montreal district. These he said were being completed one by one. A few nurses' homes will be ready by May 31 he said, and plans are underfoot to extend the Eventide Home in Montreal West. New buildings are also being erected at the Lac Lachigan Fresh Air Camp.

Mr. Cole also commented on the vast improvement the new home now opened on Dorchester Street

was, as compared to the old quarters on St. Antoine Street which had served as a receiving home for nearly 50 years.

Commissioner Baugh in his main address said: "The Salvation Army exists in the world today to bring hope to the hopeless." He stated that he was highly gratified with the advances being made in the City of Montreal and expressed the hope that a brighter outlook on life would be given to the many who would come under the ministrations of the new receiving home.

The dedicatory prayer was given by Mrs. Major Joyce and musical items were rendered by bandmaster F. N. Audoire and Mrs. Major Smith. Major T. L. Carswell, public relations officer, in thanking the friends present, noted that "only through the goodwill and generosity of the public could work like this go on."

Major Alice Uden, superintendent of the new home expressed the thanks of the Salvation Army to all who had made the new project possible. Others taking part were: Major W. M. Baxton, superintendent of the Eventide Home; and Major Peter Lindores, corps officer.

"Mister 880," Coming Saturday To Monkland

Twentieth Century Fox brings one of the season's most charming entertainments to the Monkland-Theatre, in the person of "Mister 880." The gentleman of the title, who takes his name from the number of his case on file with the Treasury Department, becomes the T-men's centre of interest when counterfeit one dollar bills of his design begin to flood New York. That he is a kind-hearted, elderly scamp living just over the lovely girl friend of the Secret Serviceman assigned to break the case of Mister 880, adds to the fun and suspense of this humorous, poignant film.

"Mister 880's" appeal is derived from its unique, true story, as published in an article by St. Clair McKelway in the New Yorker Magazine. It is performed in its screen transition under producer Julian Blaustein's guiding hand. Burt Lancaster plays the T-man on the track of Mister 880 in handsome, athletic form, proving his talents to be more varied than his previous melodrama and swash-buckling appearances had indicated. His final appeal for Mister 880, the man he tracked down, keynotes the human drama inherent in the closing court-scene. Dorothy McGuire is the pert young lady caught between her love for Lancaster and her affection for her elderly neighbor who proves to be the counterfeiter of just enough dollar bills for him barely to get by and help a few of the neighborhood needy.

Montreal May See Early Return of Lili St. Cyr

By JACK HIRSHBERG

HOLLYWOOD, March 22—Some years ago a California court advised Lili St. Cyr that nude sun bathing should be confined to her own fenced back yard, and the price for tanning herself in the spotlight on a theatre stage was a \$350 fine.

Luscious Lili haughtily signed the cheque, air-expressed her fans and bubbles to Montreal—and followed them into the Gayety Theatre on rue Ste-Catherine ouest. Here she cooled her temper while warming her audience's enthusiasm to the tune of a reported \$1,500 weekly.

After repeated lengthy runs *

in Montreal, where she says there is more freedom of artistic expression, Lili took off for Los Angeles where she is now taking off nightly on the aptly named Sunset Strip. Ciro's Cabaret has been temporarily re-named St. Cyr's, but the legitimate dance critics aren't

sonalities and the best action melodramas. This special talent of his is in evidence in Paramount's "Dark City," a swiftly paced thriller that is the second attraction.

Sure to match the popularity of Wallis' he-man discoveries like Errol Flynn, Humphrey Bogart, Burt Lancaster and many others is the picture's leading man, Charles Heston. Recruited from the Broadway stage and television, the handsome six-foot-tow newcomer is nothing short of terrific as a crafty gambler who gets too smart for his own good. The character he portrays is pursued by the police and a madman out to kill.

Heston has two exciting and fine actresses to romance and perplex in "Dark City." Elizabeth Scott, of the sultry voice and the come-hither look, is seen as a torch singer who almost get burned carrying the torch for him. Fiery Viveca Lindfors learns his dark secret after she's fallen in love with him. Academy Award winner Dean Jagger gives another fine portrayal — this time as the police captain who won't let crime pay. Don DeFore rounds out the all-star cast as a victim of Heston's gambling syndicate.

Mickey Rooney will direct his first motion picture for Columbia, it was announced by the company yesterday. The versatile young actor who recently starred for Columbia in the comedy, "He's A Cockeyed Wonder," and who will appear in two more Columbia films during the next two years, will direct "My True Story," a melodrama based on episodes from the radio show of the same title. Milton Feldman will produce.

taking Lili's undressing too cynically. While she squirms, bumps and grinds nightly for the saloon's plush clientele, they don't seem too intrigued with her art.

"She's leggy and hinge-hipped, and to say she's well stacked would be gilding the lili," wrote Variety's observer. "She is not the showman Sally Rand or Gypsy Rose Lee is."

* * *

Nonetheless, Miss St. Cyr knows what pays off in nice round four-figured weekly stipends. Already an independent movie maker has signed her to play the Wolf Woman in a cinema based on Al Capp's L'il Abner comic strip. Lili posed for Capp when the character was originally created.

Lili's real name is Moffet, and she hails from nearby Eagle Rock, which is to Los Angeles what Pt. St. Charles is to Montreal. She found it was easier to get undressed for pay in the afternoon than dressed for work in the morning and she's been drawing upwards of \$2,500 every Friday for a number of months now, mainly in a burlesque house on Main Street in Los Angeles in a district so tough even the cops patrol their beats in pairs.

* * *

Lili likes to call her strip real art, but it isn't. She just takes 'em off, and in her current Ciro's stint she pulls a reverse by starting near nude and putting her duds back on. She starts out in a blue light and ends up in a blue mink and not much more. Not long ago she bought an expensive home in the Hollywood Hills and paid for it in cash, which is something few movie stars could do.

But out here Lili's big business and the management of Ciro's has dubbed her Lady Peel. Lili says she'd like to return to Montreal this year. Whether she does or not depends, apparently, on the state of mind of church and civic groups and how much money the Gayety can cough up.

Recording Star In Seville's New Program

Three million recording fans can't be wrong, and since many people have purchased Ray McKinley's Victor platters. "Civilization," "Red Silk Stockings," "All The Way To San Jose" "You Came A Long Way From St. Louis," "Arizay" and other smash waxings, which have made the popularity charts from coast to coast. McKinley is starred in the Seville Theatre's special Easter Week program.

Ray feels that putting out an ordinary record means nothing to a band. The current "vocalist trend" has just about worn out the possibilities for dance orchestras. That is the reason behind Mac's unique novelty platters. He establishes both the song and the interpretations for himself and thus derives maximum benefit from the success of the tune.

During the three years that he's been with Victor Ray has averaged about \$1,000,000 a year in retail sales. Now featured on the 45 r.p.m. players, his music can be heard in every home, radio station and juke box location. In addition, his band is one of the favorites on NBC transcriptions which are made for radio use only. All these, plus personal appearances and live radio shows, make the Ray McKinley orchestra one of America's most popular name bands.

CHANGE OF PACE

Alan Mowbray is playing a double-crossing cut-throat in Pine-Thomas' "Crosswinds," starring John Payne, Rhonda Fleming and Forrest Tucker. The Technicolor Paramount release affords the popular actor a complete switch of his usual screen character as a light comedian.

WHS Basketball Title Bid Fails

Goyer Leads Way As Royals Take First Place

Wolves took over sole possession of first place in the Intermediate League with a win over Royals. Because Royals had only four men they defaulted the game to Wolves but the Wolves loaned them Don McDonald and the two teams played an exhibition. Goyer, Mike Bernard and Dave Barnard lead the attack for Wolves with 24, 12 and 11 points respectively. Logue McDonald was high scorer

for the losers with 13. Final score, Wolves 49, Royals 30.

In the first game of the evening Dukes and Saints played a rough game which saw the Dukes ending the game with only two players on the floor. Dello of Saints with nine points was high scorer in a game where fouls were almost as plentiful as points. Saints defeated Dukes 22-12.

The nightcap was also a defaulted game with Ave. Stars defaulting to Staynor. These two teams played as exhibition and shorthanded Ave. Stars defeated Staynor 27-19. Turner and Mansalson with eleven each and Lonasney with five were the point-getters for Avenue.

Locals Lose Out To Montreal High in Finals

By ALLAN SANDZELIUS

The high school city basketball crown was at stake last Thursday afternoon as the High School of Montreal gymnasium as the Blue and White "Rippers" up University Street way played host to the Purple and White "Sharpies" in the final contest of a two-game total-point series into which the locals went with a three-point lead by the virtue of their win the day before, 46-43.

At the half, the Jonas Blues led in the game 23-21, with the round score still in the Westies' favour, 67-66, and this the "Cote Road" boys added to, which brought them to a three-quarter time lead of 74-72.

Then, "Wham, Bam, Alacazam"; Andy Cote, Mitch Klein, Doug

Reed; out for five fouls! The

Montrealers capitalized to outscore

the disheartened Westmounters

13-8 in the last period to take the

game 42 to 36 and the championship

85-82. Of course "good sport congratulations" are in order

for the city titlists whose team

included such notables as Capt. Don

Walsh, Ossie Zommers, Karl Hilzinger,

Dick Shannon, Rickie Frietag, Alex Mickalackhi,

Jack White and Al McKean. The

surprising W.H.S. squad, who had

been hoped to reach at least fourth

place at the season's close by both

the league big-wigs AND their own

coach, were as follows: Capt. Doug

Reed, Ian McIntosh, Andy Cote, Tony

Skinner, Mitchie Klein, Gordie Clark,

Nelson Creamer, Buddy Naismith,

Jim Liddell, Jackie Lazare, Johnny

Abbott, and Jerry Levy. Eddie

Martin was an extra with the

managers being Bruce McFarlane

and Normie Alexander.

VISIT OTTAWA

Last week-end coach Ron

Sharpe journeyed out to his ol'

hometown, Ottawa, with the "A"

cagers in tow to play an exhibition

match versus the Y.M.C.A. Capitol

team, whose ages, incidentally,

ranged from 21 and under, and

play them they did with such

"wim, wigour an' witality" that

they not only could use their

whole team but lose by but a

single marker the final tally

turning out 52-51 in the hometowns'

favour! With ten seconds to go

Andy "Hey, Hey" Cote broke

away all alone, nobody near him,

the basket really to himself: —

and he missed! In the remaining

few moments "Stretch" McIntosh

and "Cap" Reed batted the ball

back and forth across the open

hoop failing to drop it after three

tries each! McIntosh scored 21

points!

the fire was quickly put out the

The fire was held in the play-

Chief Cobb said the home had

Veteran Old Timer Edward Stanway Welcomed Back

A welcome visitor to the Club recently was Edward Stanway, one of our oldest and most highly respected members.

These visits are all the more welcome as Mr. Stanway lives a considerable distance from the Club.

Mr. Stanway is an ardent checker player and is anxious to meet some of his old competitors of last summer, as we all know he ranked as one of the best players at outdoor checkers.

His excellent memory and conversationalism make him a welcome member at any gathering.

We were very pleased to welcome back Mr. Kushner who was a patient in the Jewish General Hospital where he had an operation. He is still recuperating, and we hope on his way to complete recovery.

Mr. C. Ragan is in immediate charge of the "Old Timers" quarters at the Westmount Athletic Grounds.

In a "Hearts" tournament Mr. Minto beat out Tom Sargent, J. Cameron, Harry Smith, Bill Gillespie and Bob Kent.

Laird Watt Is New President PQLTA

Laird Watt, of Westmount, son of R. N. Watt, of 626 Sydenham Road, and a former Davis Cupper and active executive in the game every year, was elected president of the Province of Quebec Lawn Tennis Association at the annual meeting on Friday. He succeeds Jacques Vadboncoeur who completed a successful two-year term.

Gordon MacNeil, also a Davis Cupper, is first vice-president of the association, Marcel Renaud second V.P., and T. G. Hunter, secretary-treasurer.

Councillors for the Montreal Zone are J. R. Boucher, Gilles Gamache, Jean Richer, Paul Senecal and L. M. Shetler. The Quebec City Zone councillor is Pierre Lemieux; St. Maurice Valley, Phillip Garette; Eastern Townships, J. A. Turgeon.

The most important development of the meeting was the announcement that the P.Q.L.T.A. would follow in the footsteps of the C.L.T.A. in charging all active tennis players one dollar per year towards promoting tennis in the province.

Blank Reds 3-0 to Cop St. Leo's Championship

The Blues shut-out the Reds 3 to 0, in the opening game at Lachine Arena last Saturday, to capture St. Leo's Pee Wee A championship. Canadians nosed out Rangers in the second encounter 1 to 0, to earn the Pee Wee B hockey honors.

In a high school intramural game at Lachine Arena, John Foy's Aces took the measure of Ray Losito's All Stars. The Losito combination were badly outsmarted and outmaneuvered by Coach Joe St. James of the Aces. Buster Smart scored the hat trick to lead the winners in their 5 to 3 win.

Service Opened By Eyrl Jones

A new service for west-end automobile owners has been opened by a well-known mechanic, Eyrl Jones, who has been engaged with prominent local garages for several years. Mr. Jones, an expert in repairs on British and European cars, has opened his own business at the rear of 244 Victoria avenue in Westmount.

Formerly with Hodge Brothers, and later with Budd and Dyer, Mr. Jones has been in the automotive service business for 21 years, obtaining his early knowledge in his native England. He came to Canada three years ago and soon after occupied the position of service manager with a well-known garage.

Mr. Jones is a war veteran and served with the Royal Mechanical Electrical Engineers. He has been active in Montreal soccer circles since coming to Canada, performing with championship teams of Canadian Vickers and Canadair.

Expert repairs at a reasonable charge are guaranteed by Mr. Jones at Westmount Garage, Regd. His mechanics are equipped to service all types of cars with a specialty of British and European cars.

Champions. The Black and White downed a hard-fighting Loyola crew 3 to 2 and 5 to 4, in a two game total goal series, to win the round 8 to 6. It was a good series with the Catholic High team showing more finish around the nets over a Maroon and White outfit that were far from outplayed.

Boxing Opens

The opening Senior Boxing Class showed a good attendance, with over 30 boys out. John Foy, Claude Sawyer, Dave Orr, Tommy St. James and Buster Smart are the only holdovers from last year's Boxing Show. It looks like Johnnie Foy, classy little 130 pounder will take over in the main bout this year. Foy is a former Golden Glove Champion and last year in the school show scored an impressive T.K.O. victory, to win the Hector Caron Trophy as St. Leo's top fistic ace. Among the newcomers, Dougie Lindley and Peter Grant look promising.

A few years back, St. Leo's boxing program showed the name of Jackie Carroll of Valleyfield. Jackie, an average boxer, appeared in a number of the school's boxing shows and always impressed with his speed. Today that speed is his greatest asset and he is now a new track sensation with the University of Michigan and will display his wares in the Canadian Legion Show at the Forum on April 6.

QUICK-GRIND MALT

One of the five reasons for the rich, full body and popular flavour of O'KEEFE'S ALE.

1 SEEDLESS HOPS

Seedless Kent and domestic hops are used in brewing O'Keefe's Ale. Removing the seeds removes the bitterness, but leaves the delicate aroma and flavour of the hops.

2 NATURAL YEAST

The yeast used in brewing O'Keefe's Ale is a natural by-product of the fermentation process; stored in a sterile refrigerated room to preserve its purity.

3 "QUICK-GRIND" MALT

At O'Keefe's we make our own malt from the finest barley, using only the ripest, plump barley grains, for which we pay premium prices. To preserve its fine flavour O'Keefe's "quick-grind" the malt at the last moment before it goes into the brew. This gives you the fine flavour and mellowness characteristic of O'Keefe's Ale.

4 NATURAL CARBONATION

Long fermentation is responsible for the natural carbonation which gives zest and sparkle to O'Keefe's Ale.

5 AGING

Time and nature age and mellow O'Keefe's. The result is an ale of rich, full body and pleasing flavour.

Gifford Mitchell Conducted Recital By McGill Choir

Gifford Mitchell, director of music for Westmount Schools, conducted the McGill Choral Society in their Springsong recital at the Sir Arthur Currie Memorial Gymnasium, on Saturday night to a large and appreciative audience.

Accompanist was Miss Doris Killam who has assisted Mr. Mitchell in this capacity during the season.

Irish numbers were on the program and in honor of St. Patrick decorations included shamrocks.

The feature of the concert was the exquisite playing of Miss Marie Iosh on the harp. Miss Iosh was guest artist. Her program included Tournier's Feerie, the Entre Acte Cadenza from Lucia de Lammermoor and Ravel's Introduction and Allegro.

Saturday night's concert was the second given by the McGill Choir of 150 voices under the baton of Mr. Mitchell this season, the first being "Sing at Christmas" given last December.

The R.M.R. was the 14th Battalion, C.E.F. in the First Great War, and the West Yorks are the 14th of Foot in the British Army list.

The St. Patrick's dance held on the armory floor on Saturday night by the Sports and Entertainment Committee of the Regiment was a great success. Major John Coupland, chairman and his committee composed of Privates John Kay, Claude Root, Ron Morrow and Jimmy Wrigglesworth deserve much credit for the excellence of the arrangements. Sergeant Jim Hoole of the R.P. detail and Sergeant Armitage Drummond on the P.A. system also come in for some of the credit.

Captain Dave Peebles has started football practice every Saturday afternoon working out new plays on the large floor in preparation for next season.

The last "Fitzplak" exercise (skiing to you) was held at St. Jerome two weeks ago when a party of 80 all ranks under command of Hajor Coupland and Major Donald Lancaster enjoyed a full weekend of skiing.

The big event is the impending regimental military ball which will be held in the armory on Friday night March 30. A record attendance is anticipated for this annual function.

sions were usually the same people, but nevertheless, were people intensely interested in educational matters. A better attendance might have resulted had a more interesting program been arranged she feels.

Mrs. Dawson said that is was at the high school level that Westmount schools show up best, proof of which is to be found in the high marks obtained by Westmount students in the provincial matriculation examinations year after year.

This was one of the points raised at the meeting of the Westmount Teachers' Association, which met under the chairmanship of Mr. Horsnell, president of the association at which a resolution protesting the taking over of Westmount schools by the Central Board was moved and passed. Mrs. Dawson says that copies of this resolution were forwarded to the three H & S Associations in Westmount, and she believes that the Municipal Association also received a copy.

Teachers, after all, she added, are the best people to deal with educational matters as they are most familiar with curriculum and school methods generally.

The meeting with the H & S Associations referred to by Mrs. DeLalanne, was, Mrs. Dawson says, according to information given her, attended by 3 representatives from Kings, Queens, and Roslyn H & S organizations, and also by the Teachers Association, and therefore could not be class-

ed as a public meeting.

No organization, including the Central Board, has put anything forward to make her change her opinion but she states that she is willing to listen and suggests that the Municipal Association owes it to its members to call such a meeting even if only 70 to 100 persons attend.

As she is leaving for New York at the end of the week, and will be away for about ten days, she hopes that the meeting will not be held until her return, although she seems to think that a decision has to be taken by Westmount School Commissioners before the end of March.

The apathy of citizens in regard to matters affecting the schooling of their children was deplored by Mrs. Dawson. Another point raised by her, was, that with the concessions granted to Westmount in connection with engaging teachers and other matters there seemed to be little point in going over to the Central Board. Central Boards in rural districts might have advantages but these advantages do not apply to places like Westmount she opined.

The citizens of Westmount can do something about the proposed change in their School Commission, declares Mrs. Fred Griffiths in a letter to the editor of the Westmount Examiner.

She contends the reasons for this drastic action should be aired before meetings of all the Home and School Associations by an executive of the Westmount Municipal Association.

Citizens of Westmount have a right to know how their School Commission is going to deal with

the Education Act passed by the Quebec Legislature, she states.

She believes people should know the facts of the situation pro and con and if the school commissioners are going to allow Westmount schools to be swallowed up by the Montreal Central School Board.

She writes: "The letter from Mrs. William F. Dawson, which was published in the March 9 issue, should stir the just feelings of all parents of children attending Westmount schools and all Westmounters in general.

"It has given me a severe blow and those with whom I have discussed the matter are equally disturbed, but the general opinion is that we are powerless to do anything about it.

"There are many things in life we must accept as best we can, but surely there is enough spirit in the majority of us to make some move to prevent our Westmount schools from losing their autonomy.

"Mrs. Dawson understands that the Westmount School Board is planning to join the Montreal School Board at once

"I am amazed that such a step could be possible without some publicity or reference to the parents of the school children and the tax-payers.

"Some explanation of the argument that the change will help administration and is desirable, should also be given. For my part, I foresee loss of privileges and an increase in the teachers' burden.

"There is something we can do about it. Whether our citizens want to oppose or support this change, a meeting of the West-

mount Home and School Associations is necessary.

Someone on the Executive of the Westmount Municipal Association should be invited to address such a meeting and give the reason or reasons for this drastic step.

"Each member of a Westmount Home and School Association should clamour for a discussion and, above all, attend the meeting, if and when it is arranged.

"The members of the Westmount Municipal Association should do the same. Each citizen should register his indignation or otherwise by writing to your newspaper, and by attending meetings on this subject."

It is with sincere pleasure that I return for a second series of these informal chats. It is still my purpose to share with you practical ideas that can be used to improve your garden and your home — all tried in my workshop or gleaned from my jaunts across the province.

Valance Boxes

One of my New Year's resolutions that has just been fulfilled is completing valance boxes for our living room and dining room. The job has been hanging fire for several months and it was my 12-year-old boy who finally shamed me into doing it. I'm still not certain that his mother hadn't put him up to it, but he came home from the school shop with a miniature box, complete to scale and trim! They weren't too difficult once started and did add a great deal to the appearance of the rooms. I chose dressed inch lumber as the rooms and windows are quite large and could stand the "heaviness" of this material. If your eye must watch the purse strings, use packing box material or cheap lumber and cover it with tag ends of the drapes.

Spring Is Almost Here

One other task that has been completed just in time to get under the wire is an ash sifter from the bottom section of a butter box. I had seen one over a year ago and always intended making one but didn't get around to it. Oh well, this is the season when it is of most use now that the coal furnace always seems to be getting away from me or is on its way out.

It is also time for seed flats and seed planting. I hope you are not one of those who always gets their seeds planted too early — unless, of course, you have a cold frame for the first transplanting. Follow the instructions given with the diagram for filling the flat and planting the seeds. Place the flats where they will get plenty of sunlight for sturdy plants.

You will find the wood-box idea a practical one for the cottage. The barrel has been rounded up but the project is still not completed. I'll soon be forced into it as the cottage season will be here before we know it.
