Ever since he was elected to Parliament, Mr. Lefebvre has been hearing from Mayor Edwin Damasse of Chapeau that Chapeau really needed a new post office. Finally, this week, Tom was given the satisfaction of knowing his message got through to the Department of Public Works.

The DPW has now purchased land for the new post office on Main Street, Chapeau in a central location, partly previously owned by the municipality.

The new post office will be a brick structure, 24 ft by 32 ft. Tenders will be sought within a few weeks and it is hoped that construction will commence soon after the new year.

Those who recall the official opening of the new post office in Quyon a few years ago can look forward to a gala celebration to take place in Chapeau some time next spring.

Bonnie asks some questions about garbage and sewerage

Pontiacs now stand second in league

Unlike the Tiger Cats from Hamilton who faded away during the past week, the Shawville Pontiacs used another Ottawa team as a starting block, and are now riding along in second place in the St Lawrence Senior "A" Hockey league standings.

The Pontiacs bounced the Ottawa Nationals 7-2 Friday in Renfrew and came back with a 4-4 deadlock with the Buckingham Aces in Buckingham on Sunday.

Friday, centre Royce Richardson fired three markers for the Pontiacs and assisted on one by teammate Bryan Murray. Carson Ryan, Bob Newberry and Ken Soucie fired the other Shawville goals. Both Ottawa goals came from the stick of Dave Lytle.

The Pontiacs dropped behind 1-0 early in the first frame,

Help needed

You don't have to be a Lion to help at the rink. The preparation of the ground for the installation of artificial ice and the cleaning up of the area has been going on every evening, starting about seven thirty. Some men have only a half hour to lend a hand and others stay for three but bit by bit the job is getting done.

As the hope is for ice by Christmas, the volunteers who are doing the work could use more help. For a real welcome, drop down to the Community Centre in Shawville and say "anything I can do to help?"

but a pair of Ottawa penalties midway through the period gave the Pontiacs line of Murray, Richardson and Ryan (newly united) a chance to show their stuff and within 43 seconds Royce Richardson and Carson Ryan converted a pair of Bryan Murray's passes for goals and the Pontiacs were flying.

In the second period they went ahead 3-1 as Bob Newberry whistled a long shot past Ottawa goalie Mike Larose and once again the Nationals were shorthanded. Dave Lytle narrowed the gap to 3-2 late in the period but then four unanswered Shawville goals in the third period settled the issue.

Murray, then Royce Richardson twice and smooth Ken Soucie counted the final Pontiac goals.

Jim Carmichael returned to the nets for the Pontiacs and he along with the fine defensive squad were almost unbeatable as they turned in a solid performance.

Sunday, in Buckingham, Jacques Gauthier connected twice in the first frame as the hometown Aces surged ahead 2-0 before Bryan Murray finally put the Pontiacs onto the scoreboard. Gauthier sent the Aces ahead 3-1 early in the second period but before it ended Royce Richardson cut the gap to 3-2 with a tremendous solo effort.

The Pontiacs were scarcely back for the third period when Phil Long sent Buckingham up 4-2 but from then on it was all Shawville.

Midway through the period Royce Richardson shoved a pass in front of the Aces net and

Pontiac is proud of Raymond Johnston

With the big new industries and sophisticated goings on in Pontiac County these days it was interesting to find that the local boys can still put on a grand affair when the occasion demands.

Such a demanding occasion came up last week when the Chambers of Commerce of four Pontiac towns decided to honor Pontiac's own Pontiac born, Pontiac raised, Pontiac school teacher, business man and sportsman, the Honorable Raymond T. Johnston for having so well achieved his current political career as to be named to the Cabinet of the Government of Quebec.

That there were as many Liberals there Monday night as Union Nationals attested to the fact that Pontiac is proud of Ray.

Without a hitch, and everything beautifully planned in advance, the guests were seated, 300 strong in Forest Inn Hotel, Bryson. Mrs. Esmond Johnston accompanied the singing of "O Canada", the Rev Father May said grace, Warden Bill Burke welcomed the largest dinner gathering he had even seen, Fernand Amyotte, Fort Coulonge C of C President, introduced the head table guests who were Mr. and Mrs. Jack Johnston, Lloyd Balharrie, Mr. and Mrs. Esmond Johnston, Mr. and Mrs. Bill Burke, Hon Paul Martineau

Bryan Murray slammed it home to set the stage for Irv Campbell's tying marker at the 16 minute mark as he pounced on a loose puck near the Buckingham net and back handed it home. The Pontiacs had several good chances later in the period but had to and were satisfied to settle for the split.

The outstanding part of the weekend action was the fact that the Shawville penalty killing unit were letter perfect as they gave Jim Carmichael great support while playing shorthanded in both contests. The Shawville defensemen continued their fine tough play and with the fierce back checking of the forwards, there should be some fine hockey throughout the winter.

Bryson Lions

15th Charter Night celebration

Bryson Lions held a gala evening on November 8 to celebrate their 15th charter night. Lion Ken Dugan acted as Master of Ceremonies during the banquet.

Among the head table guests were Pres Ivan Saunders & Arlene, District Gov. Jack Cherry, past Deputy District Governor Ernie Smith, International Councillors Lee Rickey, Linden Quaille, guest speaker Mr. Ted Dupuis and Mrs. Dupuis. Governor Jack addressed the gathering briefly. Lion Linden brought greetings from the Pontiac Club which sponsored the Bryson Lions 15 years ago.

Mr. Ted Dupuis the guest speaker who has a distinguished record in the field of forestry spoke to the Lions and their

and his daughter Gabrielle, Rev Stanley Snowden, Mr. and Mrs. Arthur Labelle, Carol and Kim Johnston, Hon and Mrs. Raymond Johnston, Mr. and Mrs. Edgar Lance, the guest speaker Mr. Prevey and Mrs. Prevey, Mr. and Mrs. Fernand Amyotte, Rev Father May, the Rev Ed McColl. Messages of regret at not being able to attend were read from Paul Guertin, Rev Rutherford and Tom Lefebvre, MP.

Centennial lapel pins were distributed to all present and roast breast of chicken was served on tables decorated by centennial flags and beautiful floral arrangements. After the meal, Linden Quaille introduced the main speaker who gave a comprehensive run down on twenty three important things Canada was doing to celebrate the Centennial, besides EXPO, which he said was going to be the best worlds fair ever held anywhere. He also said we were lucky to be living so close to it, that Canadians have an inferiority complex but that he knows of no country in the world where he'd rather raise a family.

Mr. Prevey then suggested that Pontiac County engage in two projects for Centennial year. One was to teach the rest of Canada how to live and plan in unity and the second was to train our young people to take over Canada because he said that was what they were going to have to do.

In reviewing the twenty three Federal projects Mr. Prevey mentioned that when the Centennial Caravan comes to Shawville on October 14, 1967 it would open at eleven o'clock a.m. and not close until everyone who wanted to go through had seen it, even if it was 4 o'clock in the morning!

Shawville Mayor Orla Young thanked the speaker and presented him with a gift. Edgar Alard then read a scroll in praise of the Honourable Raymond Johnston and presented it to him, Lloyd Balharrie and Basil Murphy presented Ray with the gift of all those present, a painting of the famous covered bridge at Fort Coulonge done by Mrs. Alphonse Martineau,

Flashing light on the way it says here

Shawville Lions Club has added its voice to those of so many others in pleading for improvement in traffic signals at the corner of Highway 8 and the Portage Road. So far they have struck oil, maybe. Their letter was written by Versil Smith of the Lions Safety Committee to Bernard Desmarais, Chief Division 5-7, Department of Roads for Quebec who answered their letter on Thursday, November 16. In his reply, Mr. Desmarais says "Our office in Montreal informs me that they will start the installation (of a flashing light) some time this week." That was last week.

Ray said, "Well, we've saved the bridge . . ." and "this is real Canada . . ." in this part of the country you feel you are living among real Canadians" and he thanked everyone. A guest book was circulated for signatures during the entire evening and, after the presentation, the painting was placed on the stage where colored lights played on it, giving it animation for the closing speeches. Edgar Lance thanked everyone and Mrs. Edward Le Guerrier, speaking for the women of Pontiac had the traditional last word before Rev Snowden asked the benediction.

Among those present were Chamber of Commerce people, Municipal Councillors, company officials from all County industries, including a large group from Consolidated, and friends and neighbors of Ray's by the hundreds and the dance that followed was as gay as the banquet.

Reserve champ

Robert MacKechnie of Wyman was Reserve Champion 4-H Dairy Showman at the large 4-H show held in connection with Ottawa Winter Fair. There were over 450 4-H Club members competing with dairy calves from the fourteen Eastern Ontario and four Western Quebec counties. MONUMENTAL PROPOSAL

Perhaps it was not entirely stunning but certainly it was startling to hear the Centennial official announce publicly at Bryson Monday night that there was all sorts of co-operation with Federal and Municipal people on the part of Provincial centennial people. As everyone in Pontiac knows, a modest County Centennial project which had been approved both Federally and Municipally was chopped down at the zero hour by an incomprehensible technicality imposed by the Province.

Although at the time of the chop, it seemed to many shocked and bewildered people that some ninety nine property owners in Shawville were to blame for the calamity, it has since become quite clear that they were not voting against the project, but were voting against the appropriation of sixty thousand dollars by the municipality, after that same money had been promised by these "co-operative" Provincial centennial officers.

The last minute request to have the town appropriate the money was just the last straw of many which had been hurled on the local committee with seeming abandon by the "co-operative" Provincial officials. If it hadn't broken the back of the camel there is no doubt in the world that another straw would have been found which would.

So much for the famous co-operation. That whole episode has gone down as one more expensive lesson in history. It would have gone unmentioned but for the special emphasis placed on the matter by the man from Ottawa.

But out of it all came a ray of hope. Mr. Prevey, who surely didn't fully understand the local situation Centennial-wise, did seem to know some other things about Pontiac. He proposed for us an alternate Centennial project: one which would cost no money at all and would depend on each member of the County to achieve.

"To show the rest of Canada, by your own example, how two language groups and two religious groups can live and plan peacefully for the benefit of all" or words to that effect was Mr. Prevey's proposal.

This suggestion revealed a knowledge that here in Pontiac there are French and English speakers, Roman Catholics and Protestants, who could sit down to a banquet together and enjoy an evening. The suggestion also revealed a knowledge that to carry this living amicably on to the next stage—planning amicably—would be a monumental task worthy of being undertaken as a Centennial project.

If we can do it we'll have achieved something to the perpetual benefit of Pontiac County and all our descendants. It's a worthy project but already, on thinking it over there is some doubt that our people here are strong enough to make it work.

The first plan which comes to mind, of course, is the current school planning. With one Department of Education it would seem simple enough for one secondary school to be thinkable. All it would take would be a recognition on the parts of minority groups that the majorities are also human.

This shouldn't be too hard in Pontiac County where everyone is a member of both groups. To begin with La Belle Province itself represents a minority in English speaking Canada. Then the English speaking people in Pontiac are a minority in La Belle Province. Then the French speaking people in Pontiac are a minority in English speaking Pontiac. Religiously, the minority pattern is similar so we wind up with every single person here being a member of one or another minority group, being accepted politely; and also being in a position to accept another group which is even more minor than his own.

So whether he knows it or not the challenge Mr. Prevey tossed out at the banquet in Bryson will indeed be a monument to Pontiac County if it is achieved. We know we can live together. Now let's just put forth that extra effort required to plan together.

SMARTEN UP!

The day a student realizes that school is there for his benefit he'll be out of the running for slaps and straps and other indignities. We (the editors of The Equity) are unremittant in our condemnation of corporal punishment in school, but being realistic we must accept that it will be a long time before it is abolished.

So, though there are parents who would not allow their children to return to a school where they had been hit by an adult, the less assertive ones had better smarten up their children for educational survival.

When the child is persuaded that the teacher is there, being paid for dearly by the child's own parents, to prepare the child for the next stage of schooling, the

Gifts for the sick

Mrs. Manson Sharpe of Caldwell has written to let us know that she will be making her Christmas visit to Douglas Hospital in Verdun and has offered once more to take any gifts to the patients there which anyone might like to send.

The patients are mentally sick and many of them are all but forgotten by their families. While many relatives of patients at the Douglas do visit frequently and do bring things along to make life a little brighter for them, there are always others who get little outside attention and for whom Christmas is just a bewildering day among many such.

These are the ones who receive the extra gifts, sent by people whose Christmas spirit extends so far beyond their immediate families that it even includes complete strangers, cloistered perhaps forever within hospital walls.

These strangers include children of one year and citizens of ninety. The bundles intended for them should be labelled with sex and age of a suitable recipient. For instance, on a doll write "girl age one to 12", on a toy car you would write "boy any age" on a lipstick or dusting powder "teenage girl", on a box of soap "lady", on a pack of cards "man" and so forth.

These presents can be sent to the Auxiliary Christmas Committee care of Mrs. G. Ballantyne, Douglas Hospital, 6875 Lasalle Blvd, Montreal 19 PQ and Mrs. Ballantyne can also well use donations of money for the work of the auxiliary. Another item which is made excellent use of is used but useful jewelry and we are asked to also suggest that underwear and shoes are needed at the Douglas at all times of year.

(The Douglas might be a good place to dispose of clothes that outlive their owners).

Six ribbons won by Schmidt's Doberman

G. Charles Schmidt of Shawville entered his dog in the Ottawa Kennel Club Championship Show on Saturday to compete against other Doberman Pinschers and was pleased to have his pet named Senior Puppy Male, Best Novice Male, Best Canadian Bred Male and come third in the Open Class for all males. Schmidt's dog also won Best Canadian Bred Puppy in Breed and Best Canadian Bred dog in Breed.

There were 18 Doberman Pinschers in the contest and 459 animals of all breeds. The show on Saturday was judged in four rings and the judging took from nine in the morning to nine at night.

The registered name of the Schmidt Doberman is Northwood's Avenger, born last December, bred by Charles J. Durham. His father was Champion Kaukanna's Hi-Star and his mother was Champion Kaukanna's Echo of Lady.

child might just as well settle down to following that teacher's rules. If he's a smart kid he'll even help the teacher by being real co-operative, attending when the teacher speaks, answering when spoken to, refraining from laughing at others, showing all the courtesy to the teacher that any adult deserves, and speaking only well of the teacher outside the classroom.

Alright, that does seem a lot to ask. But when they realize that they are the ones who will benefit from such good behaviour it might be proposed on selfish grounds if no other.

Parents could help too. When the kids come home and say "Johnny got the strap today" as if that was the sole noteworthy occurrence of the school day, the parent might counter with "and what happened during the other three hundred and fifty nine minutes?" It might be discovered that a lot of education took place in there somewhere.

If we just don't talk about it, it won't necessarily go away but if strapping becomes less sensational the teachers might seek other ways to impress the pupils. Anything is worth a try!

LETTERS TO THE EDITOR

School name

November 16, 1966

Mr. and Mrs. David Dickson,
The Equity
Shawville, Quebec

Having just finished reading "What's in a name" in the November 10 issue of The Equity, may I suggest that the school be named in honor of Mr. Jack Argue.

Mr. Argue has contributed in so many ways to the community and mankind, as many know. There are also many unacknowledged good Samaritan acts that this man is responsible for and they are not known because the man chose to remain anonymous.

In my opinion, Mr. Argue qualifies for this honor.

Sincerely yours,

Sharpe - Hodgins Wedding

Shawville United Church was the setting for the wedding on October 1st when Edrie Roberta Hodgins, daughter of Mr. Gerald Hodgins became the bride of Mr. Lorne C. Sharpe, son of Mr. and Mrs. Lennis Sharpe. The ceremony was performed by Rev S. E. Snowden. The organist was Mrs. Edgar Hodgins and the soloist was Mrs. Eleanor Hayes.

The bride given in marriage by her father looked lovely in a floor length gown of white velvet fashioned on Empire lines with short sleeves and a matching detachable train. Her head-dress was a small pill-box of white velvet worn with a shoulder length illusion veil. She carried a bouquet of white roses.

The maid of honour was Miss Norma Hodgins, sister of the bride and the bridesmaids were Miss Judy Way, cousin of the bridegroom and Miss Cornie Grant, cousin of the bride. The attendants were similarly gowned in floor length Empire gowns.

We learn that G. F. Hodgins and G. A. Howard, staked some mining claims in the neighborhood of Ladysmith last week.

Extensive operations are going on at the molybdenite mine, on the property of Robert Steele Onslow, towards erecting an extensive plant on the most approved lines, the cost of the equipment being fully justified by the quantity and quality of ore in evidence, as the work develops. A great quantity has already been shipped.

Mr. and Mrs. Sharpe are now residing at Shawville.

Improvements sought for Shawville Fair '67

In an effort to have the best possible Shawville Fair for 1967 the president of Pontac Agricultural Society Division A, Dr. R. M. Armitage, and the secretary Everett McDowell have written to the chairman of

all committees as well as a number of other interested people asking for lists of possible improvements.

The invitation is also extended to the general public and all suggestions will be discussed and acted upon if possible at the January 11, 1967 meeting of the society.

Lists of suggestions should be mailed to Mr. McDowell before December 20 so they can be

sorted out and scheduled on the agenda of the annual meeting.

With such an invitation out for improvement, and such an open minded executive, anxious to put Shawville's Fair in the running as one of the area's major attractions in centennial year there is great hope that things will go well.

The dates have already been set for September 14 to 16, 1967 which will probably be the first date to be marked on many of the new calendars as they are received next month. In competition with Expo and a thousand other great attractions next year's Shawville Fair has got to be good."

Pontiac Co-op Medical returns all officers

by P. McCord

The annual meeting of the Pontiac Co-operative Medical Services was held on Tuesday Nov 15th with Mr. Chas Russell president in the chair.

Reports were presented by the Secretary-Manager Mrs. S.

COURT REPORT

Court was held in Campbell's Bay on November 15th with District Judge Frenette in attendance.

Six young men who thought on Halloween night they were having a good laugh at the expense of the public, found out this morning when they appeared before District Judge Orville Frenette that there is a difference between practical jokes and threats to the public safety. James "Jimmy" Kilroy, 18, Robert Dowe 19, Steven McNight, 18, Wesley Gordon 19, and Denis Desabrais 21 all of Quyon and Garry Merrifield 19 of Beechgrove were charged by QPP of having caused a common nuisance at Wyman on Halloween night were fined \$75 each and court costs. The QPP told the Court that these six young men together with a number of other friends who are due to appear in Court on the same offence very shortly on the 31st day of October last took a bunch of schim bundles from a CPR store house at Wyman and scattered them all over on No 8 highway which passes nearby.

Shortly after a motorist driving a small European car unaware that the highway had been obstructed drove over these bundles of schims nearly lost control of his car and came out with damages estimated at \$200 to his car. Judge Frenette in passing sentence told the accused that he well believes in a good practical joke, but when the public safety is at stake or damages to the property caused, it is his duty to impose a sentence in accordance with the gravity of the offence in order to prevent any reoccurrences of these public mischiefs.

Two Shawville men, Barry Lance 19 years of age and John "Jackie" Zimmerling 18 were given a suspended sentence and posting a personal bail bond of \$400 to keep the peace for a period of 2 years when they recognized having stolen a Ford pickup half ton truck five gallons of anti-freeze and a number of mechanics tools, the whole valued at \$1,200.00. They also were ordered to reimburse the victim \$150 in cash each for damage caused to his truck or spend one month in jail. Constable Andre Mantha of the QPP revealed that the two accused on the night of November 4th stole a pickup truck at Otter Lake together with tools and other articles that were in it. They drove the stolen pickup truck for only about five miles, before they lost control of it and careened into the bush, with the result that \$300 damages were caused to it. All the tools, etc were recovered by the QPP.

James Melvin Kilroy of Wyman who was celebrating his birthday was found guilty of having driven his car in the village of Bryson on the 23rd of October while impaired. He was fined \$100 and court costs or the option of 15 days in jail. He was prohibited to drive a motor vehicle in Canada for a period of 3 months. On a second charge of causing a disturbance in a Bryson Restaurant on the same night was ordered to reimburse the sum of \$2 for damages to the establishment pay court costs and post a personal bail bond of \$200 to keep the peace for a 6 month period.

He was acquitted on a third charge of dangerous driving.

Sly by Mrs. H. McCord on behalf of the Directors and by Mrs. L. Dean from the Educational Committee. The reports were accepted by the meeting.

Mr. L. Dean reviewed the financial statement for the past year the statement showing a healthy financial situation. Cheques were distributed to those sharing in the Catastrophic claims, a supplementary service benefiting those persons whose accrued claims are above the maximum of \$400.00. The amount paid to Catastrophic Claimants for the year was \$1881.00.

Mr. L. Dean assumed the chair for the election of directors and 1 member of the Supervisory Board.

The directors and the supervisory director were returned by acclamation. Mr. Chas Russell re-assumed the chair.

A motion that the maximum age for coverage of dependent children be raised to 21 years of age was approved by the meeting.

Those present were unanimous in agreement that a need for a larger membership in our Co-op exists in order to attain maximum benefits.

This might be done by asking every member to remind others that the Co-op Medical Service welcomes new members, to their benefit and the benefit of our organization.

Following the general meeting a meeting of the directors elected a slate of officers for the ensuing year.

Mr. & Mrs. Ivan Mulligan celebrate 40th anniversary

On October 11 at the Royal Canadian Legion Hall, Quyon, Mr. and Mrs. Ivan Mulligan celebrated their fortieth wedding anniversary. Their daughter Mrs. Earl Dolan with her husband, Mrs. Mulligan's sisters, Mrs. Robert Dumoulin of Montreal with her son Neil and Mrs. Rebecca Hache of Ottawa with her sons James and Martin, were all present along with a large crowd of well wishers.

Cal Cummings was Master of Ceremonies, Rev Ed McColl asked the blessing, Fred Hutchinson presented a Royal Albert set of dinnerware on behalf of the group, Mrs. Clarence McKnight presented a gift from the Women's Auxiliary of the Royal Canadian Legion, and a dance followed the buffet dinner. The Mulligans have been in business for thirty years in Quyon, in dry goods, general merchandise and latterly in the remnant business,

which enterprise has gained them fame throughout the Ottawa Valley and brings many visitors to Quyon intent on finding a good buy at Mulligan's. The large crowd at their anniversary party attested to the popularity of the couple in their home town

additional garbage that the grinding machines would put into the plant might prove too big an additional burden. In addition it has been thought that tin cans and other such refuse that might pass through the grinders would ruin valuable mechanisms in the plant.

Other matters currently under the attention of Council are the extension to the sewer lines. Two thousand feet of line has been installed on Willow Street, serving the homes of Mr. Moir and Mr. Russell and on Argue Crescent, serving eight homes of Consolidated personnel there.

Mr. Draper also has explained the reason why Main Street has been looking slightly dug up recently. This has been because of the installation of a 700 foot drain pipe underground to eliminate excess surface water. The pipe drains into the large drain near Shawville Milling.

Another matter of interest to the public is the contract which has been arrived at between the Agricultural Society and the Town Council, to help the Society pay back money that was borrowed to pay for the Agricultural Hall. The Council will pay \$5000 annually for five years for the lease of the Hall, and after the first five years, the annual amount will decrease.

Preparation for Advent

In a few day's time we shall be engaged in preparation for the season of Advent.

For many christian people it will be a very happy celebration of the coming of Jesus into the world and the subsequent development of the Christian Church which is built entirely upon His teaching.

In the first place Christians profess a belief in the Person of Jesus of Nazareth as the revelation of God to the people of the whole world, as shown in His Life and Death and Resurrection.

In the second place the Christian Church professes an unqualified belief in the Person of The Holy Spirit who continues the revelation of God to man, and who provides a perfect way of communication between God and man.

In the third place Jesus teaches that it is necessary for us to exercise an absolute faith in The Fatherhood of God as One with Whom we have continual relationship as children of a Father who loves us, and whom we know as the Father of Love.

He is one who loves all things of His creation. He, himself, is LOVE, So great is His love for the world that He gave His only begotten son, that whosoever believeth in Him should not perish but have everlasting life.

The Christian life is a life of love and of service for others, and the true christian never becomes weary in well doing. Each one must decide how he can best serve God and his fellow-

Surprise party for Mr. and Mrs. Gerald Hodgins

On Friday, November 11, 1966 about 25 friends and neighbors gathered at the home of Mr. and Mrs. Art Carson for a surprise party in honor of the recent marriage of Mr. and Mrs. Gerald Hodgins.

A corsage was pinned on the bride, the former Mrs. Hazel Horner, by Mrs. Dwight Thompson. Mr. Carmen Wickens congratulated the couple and wished them many years of happiness on behalf of the community. The couple was then presented with some China settings and a pair of pillowcases by Mrs. Garnet Thompson and Mrs. Erwin Armstrong. Mr. and Mrs. Hodgins both thanked everyone and invited all to visit them in their home.

Refreshments were served to end a most enjoyable evening.

man. We have not a long time to serve in this life. However we are made happy by the teachings of Jesus in such passages as: Mark 12: 26, Luke 23:43, and John 14: 1—3 in which He tells that God has provided for us a new home and a new life in which our companionship and service will be more blessed than that which we enjoy at present.

The assurance of a Spiritual Life after physical death is His Promise to all who love and Serve Him here.

The promise is: "Because I Live ye shall Live also."

Combined church for Rev. Vaughan

Rev Eddie Vaughan has now become a Minister of a combined Anglican and United congregation at Riverbend, Quebec. Riverbend has one of the first unions between the United Church of Canada and the Anglican Church in the Province of Quebec. The Rev Vaughan is an Anglican and the name of the church at Riverbend is Trinity.

The Rt Rev Russell Brown, Bishop of Quebec, the Rev K. G. MacMillan, D.D., Superintendent of Home Mission for the Montreal - Ottawa Conference and the Rev J. Ralph Watson, representing the Montreal Presbytery of the United Church, took part in the induction service.

Although Trinity Church, Riverbend, has served the combined needs of the two congregations for many years, this is one of the first occasions when two such congregations have been served by one official minister. The Diocese of Quebec and the Presbytery of Montreal have taken collective action to make this possible. The appointment is for one year.

Thursday and Friday

A special welcome to Miss Muriel Dowat and Miss Isobel Vicker who have come to live in our corner.

Get well wishes to Mrs. Eric Draper, Gracefield who is a patient in Royal Victoria Hospital Montreal.

Two heavy cuttings in just 66 days with SHUR-GAIN

JUST 66 in '66—ON JUNE 29th MR. MONDOU TOOK OFF A 3½ TON FIRST CUT—ON SEPT 3rd HIS MOWER WAS BACK IN THE SAME HAY FIELD KNOCKING DOWN A HEAVY SECOND CUTTING.

Mr. Mondou's June cutting (3½ tons per acre) was almost double the Quebec average (1964—1.80 tons per acre) and with a good September cutting, you can be sure he's got a mow full of high quality, low cost, protein for winter feeding.

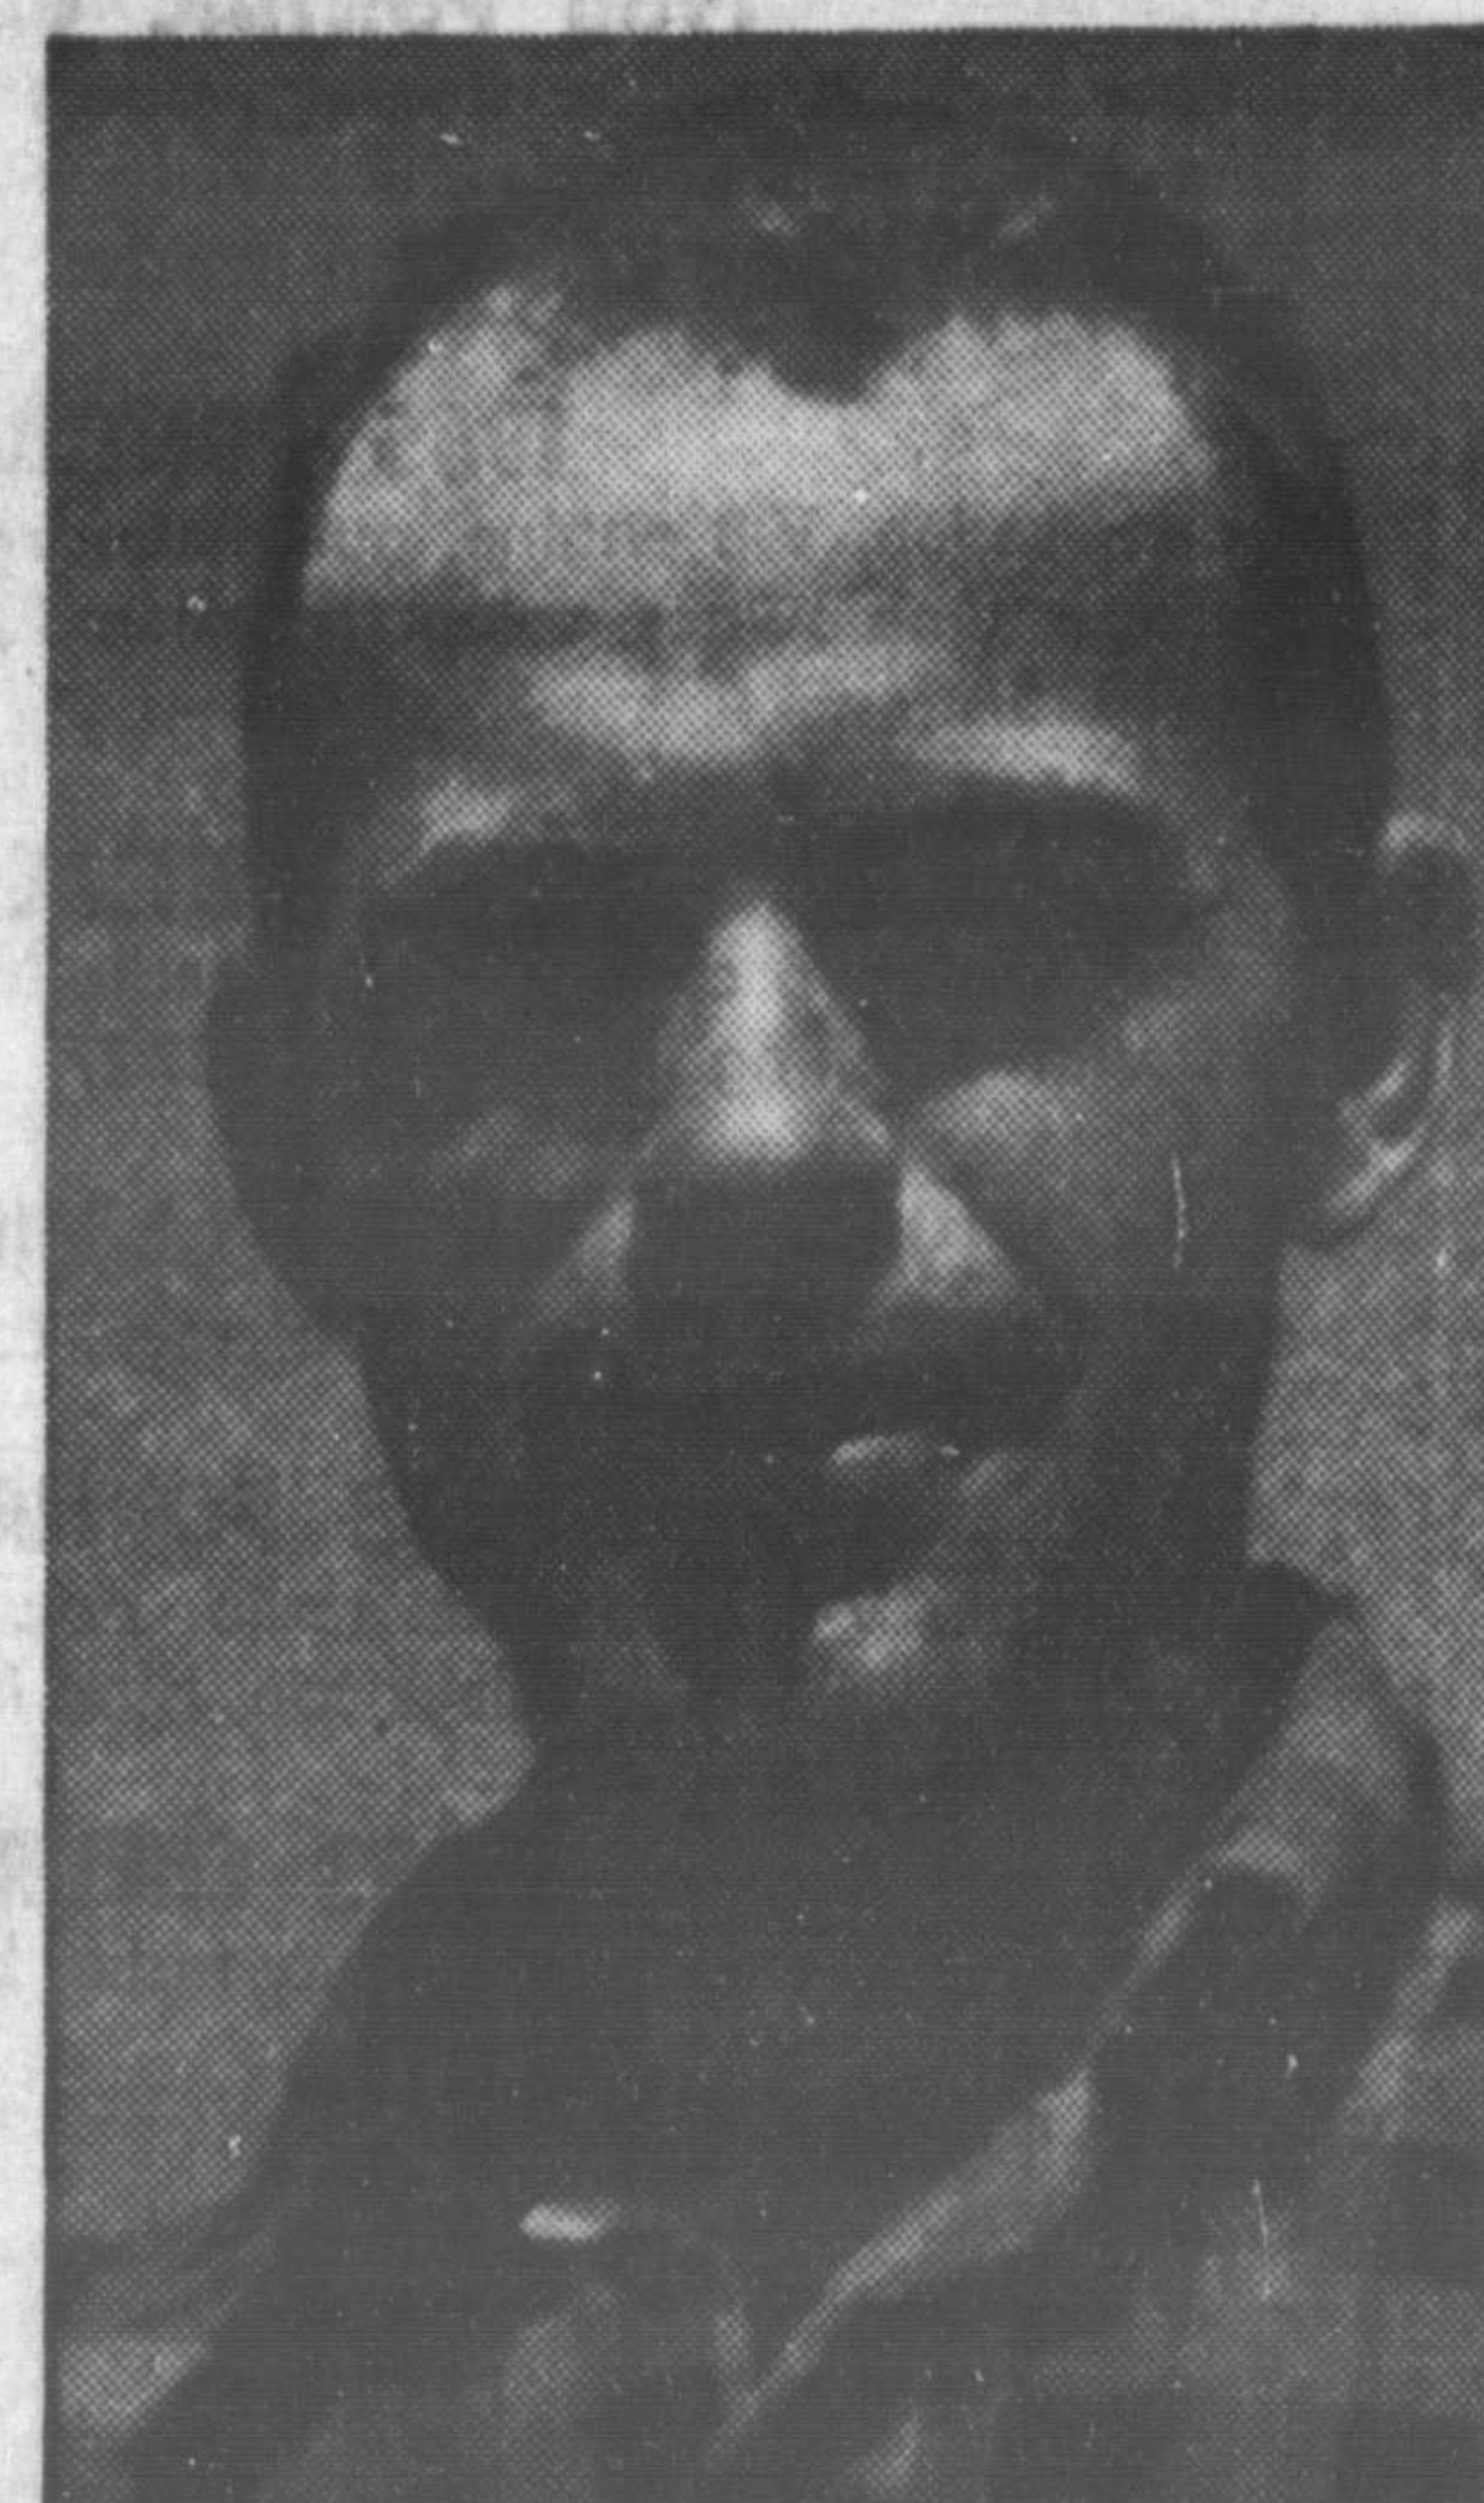

There's no secret about big hay crop production as far as Ronald Mondou is concerned. Sure—he uses Shur-Gain fertilizers—has for seven years—and has seen his production improve over each of these years. But first, he uses the Shur-Gain Soil Testing Service—to be sure that he applies the right amount of the right analysis of Shur-Gain.

Mrs. Robert Sheppard

Our community was saddened on Friday October 28 when we learned of the sudden death of Mrs. Robert H. Sheppard. Mrs. Sheppard had not enjoyed the best of health for sometime but was about doing her ordinary housework when death claimed her.

Born at Maryland on May 16 she was the daughter of the late Oswald Cuthbertson and his wife Jane Cuthbertson. She received her education at Bristol No 2 School.

On December 18, 1923 she was married to Robert H. Sheppard and to their union were born: Claire (Mrs. Neil Wilson) of Starks Corners and William of Shawville.

The funeral was held on Sunday October 30 from W. J. Hayes and Sons Funeral Home to Bristol Memorial Presbyterian Church for service at 2:30 p.m. and interment at Norway Bay cemetery. The burial service was

conducted by Rev W. C. Inglis M.A. Two well known hymns Rock of Ages and Nearer My God to Thee were sung.

The pallbearers were Don Glenn, William Shore; Oswald Cuthbertson, nephews of the deceased and neighbors Gordon Angus, Clarence Knox and Clifford McLarnon.

The many beautiful floral arrangements showed the high esteem which the deceased was held among her family and friends.

She married W. Fred Pritchard, merchant of Wyman, Quebec in 1911 but remained keenly interested in nursing throughout her life. She was the first graduate nurse in her community and became an unofficial source of nursing information and aid, and acquired a reputation for ready assistance to the local physician and neighbors in midwifery and in the home care of the then-prevalent pneumonia and typhoid cases oftimes in primitive circumstances.

How to change a chilly basement into a cosy playroom

add ELECTRIC HEAT

If there's a cold spot in the basement (or anywhere else) that your furnace can't reach—warm it up easily, economically, with an electric heating unit. Plain insulation won't solve the problem. Additional electric heat will—and without the necessity for costly duct work or a larger furnace! An electric heating unit is simple to install, economical to operate. Wide choice of thermostatically controlled models—radiant, convection, and fan-type—to suit both your heating

requirements and the decor of your home.

Cut out cold spots, and you cut down fuel costs.

No more overheating the rest of the house, trying to warm cold basements, attics and bedrooms with your regular heating system. Added electric heat will turn those cold spots into extra living areas.

Ask your electric heating contractor for details and costs. Or discuss it with your local electric utility office.

Press reception at Woodlands last Friday

Last Friday evening dinner was served at the Consolidated Woodlands building in Litchfield to an appreciative group of Ottawa Valley newsmen and women. The meal came after a tour of the millsite where everything seems fairly close to completion from the outside but where actually there is a long

winter's work still ahead before things will be ready to go.

The tour was by bus and under the direction of Creighton Steeves who told everyone what everything was and wasn't. The event was arranged by Bob Bourget who has apparently been doing such a fine job of personnel for Consolidated that they have now added public relations to his duties. (As he grows older Bob will learn that being clever only gets you more work. Meanwhile his unusual organizational

capabilities are being made the most of.)

All the guests at the tour and dinner had a fabulous time and the Consolidated hosts gave every appearance of the same. William Kutschke, Mayor of Pembroke (but who was present in his role of Bill Kay of CHOV) thanked the hosts by proposing a repeat performance weekly until the mill is complete! The writers at the party were invited not to work (that is to say not

to feel obliged to rush home and write a story about the event) but we were so impressed with the energies and interest of these newcomers to our community that we find it not an obligation but a pleasure.

Impressed? We were bowled over. Ask Howard MacCredie of the Cobden Sun. Ask rookie reporter Smithers of the Pembroke

Observer, Bud Levy or Clarence Metcalfe of Arnprior or the McCuaigs of Renfrew. Ask the Ramsay Garrows or the Kutschkes. For a first impression, Consolidated did alright and it wasn't the food and drink, it was the people who we all hope are sufficiently favorably impressed with us to stay awhile.

The hosts (and hostesses) in-

cluded Mr. and Mrs. A. Muirhead and Mr. and Mrs. W. W. Gillespie, of Gillies Brothers, Mr. and Mrs. Ewan Caldwell, Alex Webster and Joan Webster of Ottawa Division and the Steeves, Bourgets, Kingstons, Kanes and Dundas' of the Pontiac Division, assisted by Claudia Wickens and Barbara Paquette.
