NOTICE

NOTICE OF THE ESTABLISHMENT OF THE LIST OF ELECTORAL DIVISIONS

ACT RESPECTING ELECTORAL REPRESENTATION

(1979, c. 57, amended by Bill 95, 1980

“Act to amend the Act respecting electoral
representation”)

List of electoral divisions with their name and their boundaries

The Commission de la représentation gives notice that, on 15 April 1980, it established the boundaries of one hundred and twenty-two (122) electoral divisions and assigned names to them, and that it publishes the list of these electoral divisions with their name and their boundaries in the *Gazette officielle du Québec* of 30 April 1980.

The present notice is given according to the Act respecting electoral representation (1979, chapter 57), the Act to amend the Act respecting electoral representation (Bill 95, assented to on 27 March 1980) and this list of electoral divisions will come into force upon the dissolution of the Assemblée nationale du Québec, unless the dissolution occurs before Monday of the week following the week of the enumeration contemplated in section 36 of the Act respecting electoral representation (1979, chapter 57).

Director general and president,
JEAN-LUC LEMIEUX.

1. ABITIBI-EST

The territory of the electoral division of Abitibi-Est can be described as follows:

starting from the northwest corner of the cadastre of the township of Laas; part of the north line of the cadastre of the township of Laas to the median line of the rivière Bell; the said median line (being also the west line of the cadastre of the township of Quévillon); the north and east lines of the cadastre of the township of Quévillon; part of the north line of the cadastre of the township of Holmes; the north lines of the cadastres of the townships of Cuvillier, Labrie, Moquin, Souart, Barry and Bailly; the east lines of the cadastres of the townships of Bailly, Kalm, Deschamps, Bernier, Brécourt, Chassaigne, Le Breton and Radisson; the south lines of the cadastres of the townships of Radisson, Chouart, Festubert, Lens, Vimy, Cambrai, Ypres, Denain and Villebon; the east and south lines of the cadastre of the township of Granet; the south lines of the cadastres of the townships of Pélissier, Jourdan, Mazérac, Landanet and Chabert; the west lines of the cadastres of the townships of Chabert, Darlens, Montanier and Bousquet; part of the north line of the cadastre of the township of Bousquet; part of the median line of the said cadastre; part of the line dividing the rang VII and the rang VIII; part of the east line of the said cadastre and its extension to the median line of the lac Preissac; the said median line to the north line of the rang II of the cadastre of the township of Preissac; the said north line eastward to the east line of the said cadastre; part of the east line of the cadastres of the townships of Preissac and Cadillac; the north line of the rang VIII to the shore of the lac Malartic; the median line of the lac Malartic to the extension of the north line of the cadastre of the township of Malartic; this extension and part of the said north line; the north line of the cadastre of the township of Vassan; the west lines of the cadastres of the townships of Fiedmont and Barraute; part of the north line of the cadastre of the township of Barraute to the median line of the rivière Laflamme; the median line of the said river southward to the south line of the rang IX of the cadastre of the township of Barraute; part of the east line of the said cadastre; the south line of the rang VI of the cadastre of the township of Carpentier; part of the east line of the said cadastre; part of the south line of the rang I of the cadastre of the township of Rochebaucourt; the west lines of the cadastres of the townships of Ducros, Bartouille and Laas to the starting point.

This electoral division comprises the following municipalities: the towns of Cadillac, Label-sur-Quévillon, Malartic, Senneterre and Val-d'Or, the village of Barraute; the municipality of the parish of Senneterre; and the municipalities of Belcourt, Fiedmont-et-Barraute, Sullivan, Val-Senneville, Vassan and part of the municipality of Baie-James. It also comprises the indian reserve of Lac-Simon; the localities of Beattyville, Colombière, Colonie-Fournière, Dubuisson, Obaska, Press, Rapide-des-Cèdres, Rapide-Deux, Rapide-Sept, Rivière-Héva and Roc-d'Or, situated in unorganized territory; the townships of Festubert and Montgay, also situated in unorganized territory.

2. ABITIBI-OUEST

The territory of the electoral division of Abitibi-Ouest can be described as follows:

starting from the northwest corner of the cadastre of the township of Boivin; the north lines of the cadastres of the townships of Boivin, Paradis and Lemaire; the east lines of the cadastres of the townships of Lemaire and Lavergne, the north lines of the cadastres of the townships of Disson, Ligneris, Desboues, Miniac, Coigny, Bernetz and Murault; the east lines of the cadastres of the townships of Hurault, Despigny and Rochebaucourt; part of the south line of the latter cadastre; part of the east line of the cadastre of the township of Carpentier; the south line of the rang VI of the said cadastre; part of the east line of the cadastre of the township of Barraute; part of the south line of the rang IX of the said cadastre to its intersection with the median line of the rivière Laflamme; the median line of the said rivière Laflamme northward to its intersection with the south line of the cadastre of the township of La Morandière; part of the south line of the said cadastre to the northeast corner of the cadastre of the township of Landrienne; the east lines of the cadastres of the townships of Landrienne and La Corne; the south line of the cadastre of the township of La Corne and part of the south line of the cadastre of the township of La Motte and the extension of this last line to its intersection with the median line of the lac Malartic; the median line of the said lake to the extension of the south line of the rang IX of the cadastre of the township of Malartic; the said extension and the south line of the rang X to the west line of the cadastre of the township of Malartic; part of the west lines of the cadastres of the townships of Malartic and La Motte to the south line of the rang

III of the cadastre of the township of Preissac; part of the south line of the rang III and its extension to the median line of the lac Preissac; the median line of the said lake to the extension of the east line of the cadastre of the township of Bousquet; this extension and part of the east line of the cadastre of the township of Bousquet to the south line of the rang VIII of the cadastre of the township of Bousquet; part of the south line of the rang VIII to the median line of the cadastre of the township of Bousquet; part of the median line of the same cadastre; the median line of the cadastre of the township of La Pause; part of the south line of the cadastre of the township of Manneville; the west line of the cadastre of the township of Manneville; the south line of the cadastre of the township of Privat and part of the south line of the cadastre of the township of Poullaries to the line dividing the lot 15 and the lot 16 of the rang I of the said cadastre; in the cadastre of the township of Destor, the extension of the said line dividing the lot 15 and the lot 16 for the depth of the rang X and part of the line dividing the rang IX and the rang X; part of the east line and the south line of the cadastre of the township of Duparquet; the south line of the cadastre of the township of Hébécourt; finally, the Québec/Ontario borderline northward to the starting point.

This electoral division comprises the following municipalities: the towns of Amos, Duparquet, La Sarre and Macamic; the village of La Reine; the municipalities of the parishes of Macamic, Sainte-Hélène-de-Mancebourg, Saint-Janvier, Saint-Lambert, Saint-Marc-de-Figuery and Saint-Mathieu; the municipalities of the townships of Clermont, Landrienne, La Sarre, Launay, Privat and Trécesson; the municipalities of Amos-Est, Authier, Champneuf, Clerval, Colombourg, La Corne, La Motte, La Reine, Normétal, Palmarolle, Poullaries, Preissac, Roquemaure, Saint-Dominique-du-Rosaire, Saint-Félix-de-Dalquier, Sainte-Germaine-Boulé, Sainte-Gertrude-Manneville, Saint-Jacques-de-Dupuy, Saint-Laurent, Taschereau, Val-Saint-Gilles and part of the municipality of Baie-James. It also comprises the indian reserve of Amos; the localities of Authier-Nord, Berry, Champcoeur, Despinassy, Guyenne, Lac-Castagnier, La Morandière, Languedoc, Rapide-Danseur, Rochebaucourt, Saint-Eugène-de-Chazel, Saint-Maurice-de-Dalquier and Saint-Nazaire-de-Berry, situated in unorganized territory.

3. ANJOU

The territory of the electoral division of Anjou can be described as follows: starting from the point of intersection of the division line of the cadastres of the parish of Rivière-des-Prairies and the parish of Longue-Pointe, at the western extremity of the northwest line of the lot 448 of this last cadastre; thence, the division line of the said cadastres to the division line of the cadastres of the parish of Pointe-aux-Trembles and the parish of Longue-Pointe; the said division line to the median line of the Canadian National Railway Company's right-of-way; the median line of the said right-of-way to the extension of the median line of the avenue Saint-Émile; the extension and the median line of the said way to the median line of the rue Sherbrooke; the median line of the said way to the median line of the rue Saint-Donat; the median line of the said way to its intersection with a broken line separating the lots 424, 426, 428, 429, 430, 432 to 440 from the lots 397 to 394, 391, 390, 335-A, 332, 331 and 327 (of the cadastre of the parish of Longue-Pointe); the said broken line to the northeast line of the lot 326 of the said cadastre; the said northeast line to the southeast line of the lot 443 of the said cadastre; the said southeast line to the line dividing the cadastre of the parish of Sault-au-Récollet and the cadastre of the parish of Longue-Pointe; the said division line to the starting point.

This electoral division comprises the town of Anjou and part of the city of Montréal, the whole bounded as follows: the limit of the town of Anjou with the cities of Montréal-Nord and Montréal and the town of Montréal-Est, the limit of the city of Montréal and the town of Montréal-Est, the railway line of the Canadian National Railway Company, the rue Saint-Émile, the rue Sherbrooke, the rue Saint-Donat and the limit of the town of Anjou with the cities of Montréal and Saint-Léonard.

4. ARGENTEUIL

The electoral division of Argenteuil comprises the territory bounded as follows:

starting at the intersection of the Québec/Ontario border line with the extension of the west line of the augmentation of the cadastre of the township of Grenville; this extension and the west lines of the augmentation of the cadastre of the township of Grenville and of the cadastres of the townships of Harrington and Arundel; the north line of the cadastres of the townships of Arundel, Montcalm and Howard; thence, in succession the following lines: part of the east limit of the said cadastre; the northeast and southeast limits of the cadastre of the township of Morin; a broken line dividing the cadastre of the municipality of Mille-Isles from the cadastres of the parishes of Saint-Sauveur and Saint-Jérôme to the north line of the cadastre of the parish of Saint-Colomban; part of the northeast limit and part of the southeast limit of the cadastre of the parish of Saint-Colomban; the northeast line of the lot 236 of the cadastre of the parish of Saint-Canut and its extension to the median line of the rivière du Nord; the median line of the rivière du Nord upstream to the extension of the northeast line of the lot 111 of the cadastre of the parish of Saint-Jérôme; this extension and the northeast line of the lot 111; the southeast lines of the lots 112, 113 and 114; a broken line dividing the lot 115 from the lots 89 and 90; the southeast line of the lots 116, 117, 118, 119, 120, 121, 126, 127 and 135; the northeast line of the lot 135 and its extension to the median line of the rivière Saint-Antoine; the median line of the said river easterly to the extension of the dividing line of the lots 141 and 189; this extension and the said dividing line to the northwest side of the right-of-way of the abandoned line of Canadian National Railway Company; the northwest side of the said right-of-way northeasterly to the dividing line of the lots 149 and 150; part of the said dividing line; a line parallel to the southeast side of the route 158 (the former route 41) and located two hundred (200) feet from the southeast side of the said way, and crossing the lot 150; the northeast line of the lot 150 to the northwest side of the right-of-way of the railroad; the said right-of-way to the extension of the northwest limit of the lot 153; this extension to the northwest side of the route 158 (the former route 41); the northwest side to the extension of the northeast line of the lot 162; this extension and the northeast line of the lots 162, 51 and 50; a broken line dividing the cadastre of the parish of Saint-

Janvier from the cadastres of the parishes of Sainte-Thérèse-de-Blainville and Sainte-Anne-des-Plaines to the northwest line of the lot 672 of the cadastre of the parish of Sainte-Thérèse-de-Blainville; the northeast side of the autoroute des Laurentides (situated at one hundred and fifty (150) feet northeast of the median line and parallel to it) southeasterly to its intersection with the southeast line of the lot 573; the said line and its extension to the median line of the rivière aux Chiens; the median line of the said river upstream to the extension of the northeast line of the lot 577; the northeast, north and southwest lines of the said lot and the extension of the latter to the median line of the rivière aux Chiens; the median line of the said river upstream to the extension of the southwest line of the lot 587; this extension and part of the southwest line of the said lot to the south side of the chemin de la Côte Nord; the south side of the said way westerly to the northeast line of the lot 599; part of the northeast line of the said lot; a broken line limiting the said lot 599 toward the southeast and the south; the southeast line of the lot 601; the dividing line of the lots 601 and 603; the southeast line of the lot 600; the southwest line of the lot 608 and its extension to the median line of the rivière aux Chiens; the said median line upstream to a small lake limiting the lots 165 and 171 toward the north; the northeast, north and west shores of the said lake; a broken line dividing the lots 165, 164, 629, 630 and 631 from the lot 628; the southeast line of the lot 632; part of the northeast line of the cadastre of the parish of Saint-Augustin; a broken line dividing the cadastres of the parishes of Saint-Eustache, Saint-Joseph-du-Lac, L'Annonciation-du-Lac-des-Deux-Montagnes and Saint-Placide on one side, from the cadastres of the parishes of Saint-Augustin, Saint-Benoît and Saint-Hermas on the other side; a broken line dividing the cadastre of the parish of Saint-Andrews from the cadastre of the parish of Saint-Placide, the last segment being extended to a line in the lac des Deux Montagnes passing halfway between the north shore of the said lake and the north shore of the île de Carillon; the said halfway line towards the east and an irregular line, passing north and south of all the islands included in the cadastre of the parish of Saint-Andrews to the median line of the rivière des Outaouais; the said median line and the Québec/Ontario borderline in this river to the starting point.

This electoral division comprises the following municipalities: the cities of Lachute and Mirabel; the town of Barkmere; the villages of Brownsburg, Calumet, Carillon, Grenville, Saint-André-Est; the

municipalities of the parishes of Saint-André-d'Argenteuil and Saint-Colomban; the municipalities of the townships of Arundel, Chatham, Gore, Grenville, Harrington, Montcalm and Wentworth, and the municipalities of Huberdeau, Lac-des-Seize-Îles, Mille-Îles, Morin-Heights, Saint-Adolphe-d'Howard and Wentworth-Nord.

5. ARTHABASKA

The electoral division of Arthabaska comprises the territory bounded as follows:

starting from the intersection of the west line of the lot 824 of the cadastre of the township of Bulstrode with the south line of the said township; thence, successively, the following lines: in such cadastre, the west line of the lots 824, 571 and 564; part of the south line of the rang IX; the west line of the lot 447; the west line of the south half of the lot 446; the north line of the western two-thirds of the south half of the lot 446; the west line of the eastern third of the north half of the same lot; part of the dividing line between the rangs VII and VIII; the west line of the lots 359, 358, 357, 356, 355, 354, 353, 352 and 351; part of the dividing line between the rang VI and the rang VII; the west line of the lots 320 and 266; the north line of the lots 266, 267 and 268; the west line of the lots 207 and 169; part of the dividing line between the rang II and the rang III; part of the west line of the cadastre of the township of Stanfold and its extension to the median line of the rivière Bécancour; the median line of the said river upstream and skirting on the left the islands closest to the left shore and on the right the islands closest to the right shore to the extension of the east line of the lot 13 of the rang I of the cadastre of the township of Stanfold; in the cadastre of that township, the said extension and the east line of the lot 13 of the rangs I, II and III; part of the dividing line between the rangs III and IV; part of the west line of the cadastre of the township of Somerset; in the cadastre of the municipality of Somerset-Sud, part of the dividing line between the rang III and the rang IV; a broken line dividing the cadastres of the municipalities of Somerset-Nord from Somerset-Sud to the southeast line of the cadastre of the municipality of Somerset-Sud; part of the said southeast line; in that cadastre, the southwest line of the lot A of the rang VIII of the gore of Somerset; part of the southeast line of the rang X; the northeast line of the lot 333e; the southeast and south lines of the cadastre of the township of Somerset and part of the south line of the cadastre of the township of Stanfold; the

northeast limit of the cadastre of the township of Arthabaska; part of the northwest limit and the northeast limit of the cadastre of the parish of Saint-Norbert; the northeast limit of the cadastre of the parish of Sainte-Hélène; in that cadastre, the southeast line of the lot 399; part of the northeast line of the rang I of the cadastre of the township of Chester; the southeast line of the lot 66; part of the dividing line between the rang I and the rang II; the southeast line of the cadastre of the parish of Saint-Norbert; the northeast and southeast lines and part of the southwest line of the cadastre of the parish of Saint-Paul; in the cadastre of the township of Tingwick, part of the dividing line between the rang VII and the rang VIII; the southwest line of the lots 660 and 558; part of the dividing line between the rang V and the rang VI; the northeast line of the lots 218, 302, 201 and 107; part of the dividing line between the rang I and the rang II; the southwest line of the lots 95 and 94; in the cadastre of the township of Warwick, the southwest line of the lots 258 and 257; the dividing line between the rang I and the rang II; the northeast line of the lot 356; the southeast line of the lot 456a; the southwest line of the lot 455; part of the dividing line between the rang III and the rang IV; the southwest line of the lot 543; part of the dividing line between the rang IV and the rang V; the median line of the way limiting the lot 607 on the northeast; part of the dividing line between the rang V and the rang VI; the southwest line of the lot 684 and its extension to the northwest side of a public way limiting to the northwest the lots 684 and 683; the northwest side of the said way and the southwest side of another way limiting to the southwest the lot 680; part of the dividing line between the rang VI and the rang VII; the southwest line of the lot 761; part of the dividing line between the rang VII and the rang VIII; the southwest line of the lot 848; part of the dividing line between the rang VIII and the rang IX; the southwest line of the lot 948; part of the dividing line between the rang IX and the rang X; the median line of the way limiting to the southwest the lots 1032, 1078 and part of the lot 1077; the southwest and northwest lines of the lot 1077; finally, part of the south line of the cadastre of the township of Bulstrode to the starting point.

This electoral division comprises the following municipalities: the towns of Arthabaska, Plessisville, Princeville, Victoriaville and Warwick; the villages of Chesterville and Norbertville; the municipalities of the parishes of Plessisville, Princeville, Saint-Christophe-d'Arthabaska, Saint-Norbert-d'Ar-

thabaska, Saint-Rosaire and Sainte-Victoire-d'Arthabaska; the municipalities of the townships of Chester-Ouest and Warwick; the municipalities of Chester-Nord and Saint-Valère.

6. BEAUCE-NORD

The electoral division of Beauce-Nord comprises the territory bounded as follows:

starting from the point of intersection of the dividing line between the cadastres of the parishes of Saint-Étienne-de-Lauzon and Saint-Nicolas with the north-east line of the cadastre of the parish of Saint-Apollinaire; thence, successively the following lines: a broken line between the cadastres of the parishes of Saint-Nicolas and Saint-Étienne-de-Lauzon to the dividing line between the lots 10 and 11 of the latter cadastre; the said dividing line between the lots and its extension to the median line of the rivière Chaudière; the median line of the said river to the extension of the southeast limit of concession de l'Hétrière of the cadastre of the parish of Saint-Jean-Chrysostome; in that cadastre, the said extension and southeast limit; the dividing line between the lots 235 and 236; a broken line dividing the cadastres of the parishes of Saint-Jean-Chrysostome and Saint-Romuald-d'Etchemin and its extension to the median line of the rivière Etchemin; the median line of the said river upstream and skirting on the south the island bearing numbers 396, 397 and 398 of the cadastre of the parish of Saint-David-de-l'Auberivière to the extension of the northwest line of the lot 1 of the cadastre of the parish of Saint-Jean-Chrysostome; the said extension and the said line extended to the median line of the rivière à la Scie; the median line of the said river downstream to the extension of the northwest line of the rang du Village-des-Couture of the cadastre of the parish of Notre-Dame-de-la-Victoire; in that cadastre, the said extension and a broken line limiting to the northwest the rang du Village-des-Couture and the rang les Allonges and the Premier Rang d'Arlaca to the northeast line of the lot 100b; the said northeast line and its extension to the northwest side of the Trans-Canada highway; the northwest side of the said highway northeasterly to the northeast line of the lot 191; the extension of this line across the Trans-Canada highway (autoroute no 20) and the said line; a broken line between the rang Arlaca Sud and the rang Arlaca Nord to the northeast line of the lot 284; the northeast line of the lots 284, 340 and 341; the southeast line of the lot 341; the northeast and

southeast limits of the cadastre of the parish of Saint-Henri-de-Lauzon; in the cadastre of the parish of Saint-Anselme, a broken line dividing the lots 761 and 745 on one hand from the lots 550, 551, 555, 557, 559, 562 to 565, 744 and 747 on the other hand; the southeast and southwest lines of the lot 746; a broken line dividing the lots 750 and 751 from the lots 756, 755, 753, 754 and 752; the east line of the lot 752; a broken line between the cadastres of the parishes of Saint-Isidore and Saint-Anselme; a broken line dividing the cadastre of the parish of Sainte-Claire from the cadastres of the parishes of Sainte-Hénédié and Sainte-Marguerite; another broken line dividing the cadastre of the parish of Saint-Édouard-de-Frampton from the cadastres of the parishes of Sainte-Claire, Saint-Malachie and Saint-Léon-de-Standon to the southeast line of the lot 593 of the cadastre of the parish of Saint-Édouard-de-Frampton; in that cadastre, the said southeast line; the northeast and southeast lines of the lot 543; the dividing line between the rang V and the rang VI; part of the northeast line of the cadastre of the township of Cranbourne northeasterly; in the cadastre of that township, the northeast line of the lots 40, 120, 185, 202, 313, 352, 493, 491, 571, 623, 622, 621, 620 and 619; the dividing line between the rang X and the rang XI; part of the northwest limit and the southeast limit of the rang Fraser Sud-Est of the cadastre of the parish of Saint-François; part of the southeast line of the lot 558; the northeast line of the lot 562; part of the north line of the lot 393; the northeast line of the lots 394 and 395; the southeast line of the lot 395; the rang Saint-Charles; the southeast line of the lots 228 and 232 to the shore of the rivière Chaudière; a line passing east and south of the islands and joining the east corner of the lot 1635; the southeast line of the lot 1635; the rang Saint-Charles to the east corner of the lot 1780; the southeast line of the lot 1780; the west side of the way southerly to the north corner of the lot 2274; the northeast line of the lot 2274; part of the southeast limit of the cadastre of the parish of Saint-François to the southwest line of the lot 2294; the southwest line of the lots 2294, 2226 and 2225; part of the southeast line of the rang Saint-Guillaume Nord-Ouest and its extension to the median line of the way limiting to the southwest the lot 2206; the median line of the said way northwesterly to the extension of the southeast line of the lot 143 of the cadastre of the parish of Saint-Victor-de-Tring; in that cadastre, the said extension and the said southeast line; part of the dividing line between the rang I and the rang II; the northwest line of the

lot 122 and its extension to the median line of the chemin du Premier-Rang; the median line of the said way southeasterly; part of the dividing line between the cadastres of the parishes of Saint-Victor-de-Tring and Saint-François to the northwest line of the rang Saint-Louis Nord-Ouest of the latter cadastre; in the cadastre of the parish of Saint-François, part of the said northwest line; the southwest side of the way between the lots 1948 and 1949; the southwest line of the lot 1851 and its extension to the median line of the rivière Le Bras; the median line of the said river to the extension of the southwest line of the lot 1833; the said extension and the said southwest line; part of the southeast line of the rang Saint-Jules of the cadastre of the parish of Saint-Joseph; in the cadastre of the parish of Saint-Victor-de-Tring, the northeast and southeast lines and part of the southwest line of the lot 72; the southeast line of the lot 258a; the southwest line of the lots 258a, 259 to 262, 262a, 263, 264, 265a, 265 and 266; part of the southeast line of the cadastre of the township of Broughton; in the cadastre of that township, part of the dividing line between the rang III and the rang IV; a broken line dividing the cadastres of the parishes of Saint-Frédéric and Saint-Séverin from the cadastre of the township of Broughton; the northwest and southwest limits of the cadastre of the parish of Saint-Séverin; the southwest limit of the cadastre of the parish of Saint-Elzéar; the southwest and northwest limits of the cadastre of the parish of Saint-Bernard; the southwest and southeast limits of the cadastre of the parish of Saint-Lambert; finally, the southwest limit of the cadastre of the parish of Saint-Étienne-de-Lauzon to the starting point.

This electoral division comprises the following municipalities: the towns of Beauceville, Saint-Jean-Chrysostome, Saint-Joseph-de-Beauce and Sainte-Marie; the villages of Saint-Bernard, Saint-Elzéar, Saint-Isidore, Scott, Tring-Jonction and Vallée-Jonction; the municipalities of the parishes of L'Enfant-Jésus, Saints-Anges, Saint-Bernard, Saint-Édouard-de-Frampton, Saint-Frédéric, Sainte-Hélène-de-Breakeyville, Sainte-Hénédine, Saint-Isidore, Saint-Joseph-de-Beauce, Saint-Jules, Saint-Lambert-de-Lauzon, Saint-Louis-de-Pintendre, Sainte-Marguerite, Saint-Odilon-de-Cranbourne and Saint-Séverin; the municipalities of Saint-Alfred, Saint-Elzéar-de-Beauce, Saint-Étienne, Saint-François-de-Beauce, Saint-François-Ouest, Saint-Henri, Saint-Joseph-des-Érables and Taschereau-Fortier.

7. BEAUCE-SUD

The electoral division of Beauce-Sud comprises the territory bounded as follows:

starting from the south corner of the cadastre of the township of Broughton; thence, successively, the following lines: in the cadastre of that township, part of the southwest line of the said township; part of the northwest line of the lot 27a of the rang XI to the southwest side of a public way; the southwest side of the said way to the northwest line of the lot 25a of the rang XI; the said northwest line and the northwest line of the lots 25e and 25a of the rang X; part of the dividing line between the rang IX and the rang X; the northwest line of the lot 23c of the rang IX; the southwest side of the way between the rang VIII and the rang IX to the extension of the northwest line of the lot 24a of the rang VIII; the said extension and the said line for a length of approximately eight (8) arpents; a straight line parallel to the way between the rang VIII and the rang IX along the width of the lots 24a and 24b; the southeast line of the lot 24b for a length of approximately eight (8) arpents and its extension to the southwest side of the way between the rang VIII and the rang IX; the southwest side of the said way to the extension of the northwest line of the lot 26a of the rang VIII; the said extension and the said line to the southwest side of the way between the rang VII and the rang VIII; the said southwest side of the said way and its extension to the northwest line of the cadastre of the township of Tring; part of the said northwest line to the southwest side of the way between the rang VI and the rang VII of the cadastre of the township of Tring; in the cadastre of the parish of Saint-Victor-de-Tring, the said southwest side of the said way to the extension of the northwest line of the lot 712; the said extension and the said line; the southwest side of the way between the rang V and the rang VI and its extension to the northwest line of the cadastre of the township of Tring; part of the said northwest line; part of the northeast line of the rang II; the northwest line of the lot 258 and its extension to the northeast side of the chemin du Deuxième-Rang; the northeast side of the said way; the northwest line of the lot 73; the southwest side of the chemin du Premier-Rang to the extension of the northwest line of the rang Sainte-Caroline; the said extension and the northwest line of the rang Sainte-Caroline to the northeast line of the lot 1834 of the cadastre of the parish of Saint-François; in that cadastre, the said northeast line and its extension to the median line of the rivière Le Bras; the median line of the said river

easterly to the extension of the northeast line of the lot 1852; the said extension and the said northeast line; the southwest side of the way between the lots 1948 and 1949; part of the southeast line of the rang Sainte-Catherine Sud-Est; a broken line limiting to the northeast and southeast the cadastre of the parish of Saint-Victor-de-Tring to the median line of the chemin du Premier-Rang of the township of Tring; the median line of the said way to the extension of the southeast line of the lot 121 of the cadastre of the parish of Saint-Victor-de-Tring; in that cadastre, the said extension and the said southeast line; part of the dividing line between the rang I and the rang II; the northwest line of the lot 144 and its extension to the median line of the chemin du Premier-Rang; the median line of the said way southeasterly to the extension of the northwest line of the rang Saint-Guillaume Sud-Est of the cadastre of the parish of Saint-François; in that cadastre, the said extension and part of the said northwest line; the northeast line of the lots 2227 and 2295; part of the northwest line of the cadastre of the parish of Saint-Georges to the south corner of the lot 1793 of the cadastre of the parish of Saint-François; the southwest lines of the lots 1787 to 1793; the west side of the way to the west corner of the lot 1784; the northwest lines of the lots 1781 to 1784; the west side of the way; the extension of the northwest line of the lot 1636, the northwest line of the lot 1636 and its extension to the shore of the rivière Chaudière; a line skirting on the south and the east the islands, to the extension of the northwest line of the lot 233; the said extension and the said line of the lot 233; the rang Saint-Charles to the west corner of the lot 396; the northwest line of the said lot; the northeast lines of the lots 395 and 394; part of the north line of the lot 393; the southwest line of the lot 563; the northwest limit of the lots 563 to 566; the northwest limit of the rang Delrey, the rang Chausse-Gros, the rang Saint-Gustave and the rang Saint-Georges, part of the southwest line of the lot 654 of the rang XI of the cadastre of the township of Cranbourne; the dividing line of the rang X and the rang XI of the same township; the northeast lines of the lot 685 of the rang XI and of the lot 723 of the rang XII; the northwest and northeast lines of the lot 787 of the rang XIII; the northeast line of the lot 826 of the rang XIV of the same cadastre of the township of Cranbourne; the southeast lines of the lots 826 to 829 of the rang XIV; the northeast line of the rang D of the cadastre of the township of Watford and its extension to the median line of the rivière Famine; thence, in a generally southwest direction, the me-

dian line of the rivière Famine to its intersection with the rivière Veilleux; thence, the median line of the rivière Veilleux to the dividing line between the rang IV N.E. and the rang V N.E.; part of the dividing line between the ranges; the northeast line of the lots 20b of the rang V N.E. and 20 of the rang VI N.E.; part of the dividing line between the rang VI N.E. and the rang VII N.E. to the median line of the rivière Veilleux; the median line of the said river easterly to the dividing line between the rang VII N.E. and the rang VIII N.E.; part of the said dividing line between ranges; part of the dividing line between the lots 22 and 23 of the rang VIII N.E., the rang IX N.E., the rang X N.E. and the rang XI N.E.; part of the southeast line of the cadastre of the township of Watford; in the cadastre of the township of Metgermette-Nord, the dividing line between the lots 6 and 7 of the rang XI; part of the dividing line between the rang X and the rang XI; part of the northeast line of the said township; the Québec-United States border line in a generally southwesterly direction to the southwest line of the cadastre of the township of Risborough; the southwest line of the said township and its extension across the rivière Chaudière; in the cadastre of the township of Gayhurst, the southwest line of the lots 27 and 103; part of the dividing line between the rang II and the rang III; part of the south line of the cadastre of the township of Dorset; in the cadastre of that township part of the dividing line between the rang XII and the rang XIII; the south line of the lot 14 of the rang XIII; part of the east line of the cadastre of the township of Aylmer; in the cadastre of that township, part of the dividing line between the rang VII and the rang VIII; the southeast line of the lot 18 of the rang VII; part of the dividing line between the rang VI and the rang VII; the southeast line of the lot 10b of the rang VI; part of the dividing line between the rang V and the rang VI; part of the northwest line of the cadastre of the township of Aylmer; in the cadastre of the township of Lambton, the southwest line of the lots 25c and 25a of the rang B and the rang A; part of the dividing line between the rang VI and the rang VII; the northwest line of the lot IX of the rang VII and the rang VIII; part of the southwest line of the cadastre of the township of Adstock; in the cadastre of that township, the northwest line of the lot 10 of the rang III to the rang VII, the lot 10b of the rang VIII and the lot 10 of the rang IX; part of the dividing line between the rang IX and the rang X; parts of the southeast and northeast lines of the cadastre of the township of Adstock to the northwest

line of the lot 528 of the cadastre of the parish of Saint-Éphrem-de-Tring; in that cadastre, the said northwest line; part of the dividing line between the rang X and the rang XI; the southeast line of the lot 538; finally, part of the southwest line of the cadastre of the township of Tring to the starting point.

This electoral division comprises the following municipalities: the towns of Saint-Georges and Saint-Georges-Ouest; the villages of Lac-Poulin, La Guadeloupe, Linière, Saint-Éphrem-de-Tring, Saint-Gédéon, Saint-Ludger, Saint-Victor and Saint-Zacharie, the municipalities of the parishes of Courcelles, Notre-Dame-des-Pins, Saint-Benoît-Labre, Sainte-Clothilde, Saint-Côme-de-Kennebec, Saint-Éphrem-de-Beauce, Saint-Gédéon, Saint-Georges-Est, Saint-Hilaire-de-Dorset, Saint-Honoré, Saint-Jean-de-la-Lande, Saint-Martin and Saint-René; the municipalities of the townships of Gayhurst-Partie-Sud-Est and Shenley; the municipality of the united townships of Risborough-et-Partie-de-Marlow; the municipalities of Aubert-Gallion, Sainte-Aurélien, Saint-Benjamin, Saint-Évariste-de-Forsyth, Saint-Philibert, Saint-Prosper, Saint-Robert-Bellarmin, Saint-Simon-les-Mines, Saint-Théophile, Saint-Victor-de-Tring and Saint-Zacharie.

8. BEAUHARNOIS

The electoral division of Beauharnois comprises the territory bounded as follows: starting at the point of intersection between the shore of the fleuve Saint-Laurent (lac Saint-François) and the southwest line of the cadastre of the parish of Saint-Stanislas-de-Kostka; thence, successively, the following lines: the southwest and south lines of the cadastre of the parish of Saint-Stanislas-de-Kostka; a broken line dividing the cadastres of the parishes of Saint-Louis-de-Gonzague, Saint-Étienne and Saint-Clément from the cadastres of the parishes of Saint-Malachie and Sainte-Martine; in the cadastre of the parish of Saint-Joachim-de-Châteauguay, a broken line dividing the concession du Lac from the concession Nord-Ouest-de-la-Rivière to the median line of a creek bounding the lot 296 on the east; the median line of the said creek and the median line of the ruisseau Saint-Jean, such line extended to the median line of the lac Saint-Louis; an irregular line in the lac Saint-Louis and in the fleuve Saint-Laurent skirting the île Perrot on the east and running half-way between that island and the islands included in the cadastres of the parishes of Saint-Joachim-de-Châteauguay and Saint-Clément, south of all the

islands included in the cadastre of the parish of Saint-Joseph-des-Cèdres, east of the île Dondaine and the île Maricourt, east, north and west of the île d'Aloigny, east of the île Sérigny, south of the île Sérigny and the île Longueuil and along the median line of the lac Saint-François to the extension of the southwest line of the cadastre of the parish of Saint-Stanislas-de-Kostka; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the cities of Beauharnois and Salaberry-de-Valleyfield; the towns of Léry and Maple-Grove; the villages of Melocheville and Saint-Timothée; the municipalities of the parishes of Saint-Louis-de-Gonzague, Saint-Stanislas-de-Kostka and Saint-Timothée; the municipalities of Grande-Île and Saint-Étienne-de-Beauharnois.

9. BELLECHASSE

The electoral division of Bellechasse comprises the territory bounded as follows: starting from the point of intersection of the northeast limit of the cadastre of the parish of Saint-Vallier with the shore of the fleuve Saint-Laurent; thence, successively, the following lines: the northeast and southeast limits of the said cadastre; the northeast and southeast limits of the cadastre of the parish of Saint-Raphaël; the northwest line of the rang V Nord-Ouest of the cadastre of the township of Armagh; in that township, the northeast line of the lot 30 of the rang V Nord-Ouest, the rang IV Nord-Ouest, the rang III Nord-Ouest and the rang II Nord-Ouest; the southeast line of the lot 30 of the rang II Nord-Ouest; the northeast line of the lot 31 of the rang I Nord-Ouest and its extension to the median line of the rivière du Sud; the median line of the said river westerly to the extension of the northeast line of the lot 44 of the rang I Sud-Est; the said extension and the said lot line to the median line of the rivière du Pin; the median line of the said river to the northeast line of the lot 45 of the rang I Sud-Est; the said northeast line; the southeast line of the lots 45 and 46 of the rang I Sud-Est to the median line of the rivière du Pin; the median line of the said river to the northwest line of the cadastre of the township of Mailloux; the northwest line of the cadastres of the townships of Mailloux and Montminy; in the cadastre of the township of Montminy, the northeast line of the lots 46 of the rang I, the rang II, the rang III and the rang IV, 46b of the rang V and 46 of the rang VI and the rang VII; part of the

northeast line of the cadastre of the township of Roux; in the cadastre of the township of Rolette, part of the dividing line between the rang II and the rang III; the northeast line of the lots 36 of the rang II to the rang V and 36a of the rang VI and the rang VII; in the cadastre of the township of Panet, the northeast line of the lots 36 of the rang I, 36a and 36b of the rang II and 36 of the rang III; part of the southeast line of the rang III; the northeast line of the cadastres of the townships of Bellechasse and Daaquam; the Québec-United States border line in a generally southeasterly direction to the northeast line of the cadastre of the township of Metgermette-Nord; part of the northeast line of the said township; in that township, part of the dividing line between the rang X and the rang XI; the dividing line between the lots 6 and 7 of the rang XI; part of the southeast line of the cadastre of the township of Watford; in the cadastre of that township, the dividing line between the lots 22 and 23 of the rang XI N.E., the rang X N.E., the rang IX N.E. and the rang VIII N.E.; part of the dividing line between the rang VII N.E. and the rang VIII N.E. northeasterly to the median line of the rivière Veilleux; the median line of the said river westerly to the dividing line between the rang VI N.E. and the rang VII N.E.; part of the said dividing line between the ranges; the northeast line of the lot 20 of the rang VI N.E. and 20b of the rang V N.E.; part of the dividing line between the rang IV N.E. and the rang V N.E. to the median line of the rivière Veilleux; the median line of the rivière Veilleux to its intersection with the rivière Famine; thence in a generally northeast direction, the median line of the rivière Famine to its intersection with the extension of the southwest line of the rang C of the cadastre of the township of Watford; the extension of the southwest line of the rang C and the southwest line of the rang C; part of the northwest line of the cadastre of the township of Watford to the south corner of the lot 825 of the rang XIV of the cadastre of the township of Cranbourne; the southwest line of the lots 825 and 788; the southeast and southwest lines of the lot 722; the southwest line of the lots 686 to 690 of the rang XI of the cadastre of the township of Cranbourne; the southwest line of the lots 612 to 618, 577, 576, 575, 574, 573, 572, 490, 444, 351, 314, 201, 186, 119 and 41; part of the southeast line of the cadastre of the township of Frampton; in the cadastre of the parish of Saint-Édouard-de-Frampton, the dividing line between the rang V and the rang VI; the northwest line of the lot 544; part of the southwest line and the northwest line of the lot 594; a

broken line dividing the cadastre of the parish of Saint-Édouard-de-Frampton from the cadastres of the parishes of Saint-Léon-de-Standon, Saint-Malachie and Sainte-Claire; a broken line dividing the cadastre of the parish of Sainte-Claire from the cadastres of the parishes of Sainte-Marguerite and Sainte-Hénédine; another broken line dividing the cadastre of the parish of Saint-Isidore from the cadastre of the parish of Saint-Anselme to the east line of the lot 752 of the latter cadastre; in the cadastre of the parish of Saint-Anselme, the east line of the said lot 752 and the southwest line of the lot 751; the northwest line of the lots 751 and 750; part of the northeast line of the lot 750; the northwest line of the lots 748, 747 and a broken line dividing the lots 745 and 761 on one hand from the lots 565, 564, 563, 562, 560, 559, 557, 555, 551 and 550 on the other hand; the northwest limit of the cadastres of the parishes of Saint-Anselme and Saint-Gervais; the southwest, northwest and northeast limits of the cadastre of the parish of Saint-Charles; the southwest limit of the cadastre of the parish of Saint-Étienne-de-Beaumont and its extension in the fleuve Saint-Laurent to a line running halfway between the shore of the said river and the southeast shore of the île d'Orléans; the said median line northeasterly to the extension of the northeast line of the cadastre of the parish of Saint-Vallier; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the town of Lac-Étchemin; the villages of Armagh, Saint-Anselme, Saint-Charles, Saint-Raphaël and Saint-Vallier; the municipalities of the parishes of La Durantaye, Notre-Dame-Auxiliatrice-de-Buckland, Saint-Anselme, Saint-Cajetan-d'Armagh, Saint-Camille-de-Lellis, Saint-Charles-Boromé, Saint-Cyprien, Saint-Damien-de-Buckland, Saint-Étienne-de-Beaumont, Sainte-Germaine-du-Lac-Étchemin, Saints-Gervais-et-Protas, Sainte-Justine, Saint-Lazare, Saint-Léon-de-Standon, Saint-Luc, Saint-Malachie, Saint-Michel, Saint-Nazaire-de-Dorchester, Saint-Nérée, Saint-Philémon, Saint-Raphaël, Sainte-Sabine and Saint-Vallier; the municipalities of Honfleur, Sainte-Claire, Saint-Louis-de-Gonzague, Saint-Magloire-de-Bellechasse and Sainte-Rose-de-Watford.

10. BERTHIER

The electoral division of Berthier comprises the territory bounded as follows:

starting at the point of intersection of the shore of the fleuve Saint-Laurent with the southwest limit of the cadastre of the parish of Saint-Antoine-de-Lavaltrie; thence, successively, the following lines: the southwest limit of that cadastre; a broken line dividing the cadastre of the parish of Saint-Antoine-de-Lavaltrie from the cadastres of the parishes of Saint-Paul and Saint-Joseph-de-Lanoraie to the southeast line of the concession Nord-Ouest-du-Lac-Romer of the latter cadastre; a broken line bounding the said concession on the southeast and part of the northeast line of the lot 102 of the cadastre of the parish of Saint-Joseph-de-Lanoraie; a broken line dividing the cadastre of the parish of Saint-Thomas from the cadastres of the parishes of Saint-Joseph-de-Lanoraie, Berthier and Sainte-Élizabeth to the east line of the lot 170a of the latter cadastre; in the cadastre of the parish of Sainte-Élizabeth, a broken line dividing the lots 170a, 169a, 168a, 167a, 161, 160, 158, 156, 151, 148, 147, 144 and 143 from the lots 171, 170, 169, 168, 167c, 167b, 163, 162, 159, 157, 220, 150, 149, 222, 223 and 139; the median line of a public way limiting on the east the lot 142; the east line of the lot 142 and its extension to the median line of the rivière la Chaloupe; the median line of the said river westerly to the extension of the west line of the lot 80; the said extension and the said west line; a broken line dividing the rang 1a Chaloupe from the rang Sainte-Émilie-Sud and the rang Ruisseau-Sainte-Élizabeth; the west line of the lot 321; the south and east lines of the lot 322; a broken line dividing the rang Saint-Martin from the rang Ruisseau-Sainte-Élizabeth and the rang Sainte-Émilie-Nord; the dividing line between the rang Saint-Frédéric and the rang Sainte-Émilie-Nord and its extension to the median line of the rivière l'Assomption; the median line of the said river downstream to the extension of the northeast line of the cadastre of the township of Kildare; the said extension and part of the said northeast line to the dividing line of the rang XI and the rang XII; part of the northwest line of the rang XI to the northeast line of the lot 565 of the rang XII; the dividing line between the lots 564 and 565; part of the northwest line of the rang XII to the southwest line of the lot 7 of the rang XII; the southwest line of the lot 7; part of the dividing line of the rang XI and the rang XII to the southwest limit of the cadastre of the parish of Saint-Alphonse-de-Rodriguez; the southwest limit of the cadastre of

the parish of Saint-Alphonse-de-Rodriguez; the southwest line of the cadastres of the townships of Cathcart, Cartier and Tellier; the northwest line of the cadastre of the township of Tellier; the southwest and northwest lines of the cadastre of the township of Gouin; the northwest line of the cadastre of the township of Brassard; part of the southwest line and the northwest and northeast lines of the cadastre of the township of Laviolette; the northeast line of the cadastres of the townships of Masson, Houde and Angoulême and part of the northeast line of the cadastre of the parish of Saint-Didace; in that cadastre, the northwest line of the lots 450 and 449; part of the southwest line of the lot 449; part of the northwest line of the lot 493; the northeast line of the lots 420 to 423; the dividing line between the lots 423 and 424 and its extension to the southwest line of the lot 493; part of the said southwest line southeasterly to the dividing line between the lots 537 and 538; the said dividing line between lots; the southwest line and part of the southeast line of the lot 537; the northeast line of the lots 574 to 585; the southeast line of the lot 585 and its extension to the median line of the rivière Maskinongé; the median line of the said river westerly, skirting on the east island no 824 and continuing to the extension of the dividing line between the lots 121 and 122; the said extension and the said dividing line between lots; part of the dividing line between the rang IV and the rang V southeasterly and the southeast line of the lots 190 and 191; the northeast limit of the cadastre of the parish of Saint-Barthélémy and its extension to an irregular line in the fleuve Saint-Laurent passing halfway between the north shore of the river and the north shore of the île à l'Aigle; the said irregular line northeasterly and easterly skirting on the northeast the île à l'Aigle and the île de la Girodeau to another irregular line passing east and southeast of all the islands forming part of the cadastre of the parish of La Visitation (île Dupas); the said irregular line southerly and southwesterly to the median line of the fleuve Saint-Laurent; the said median line to the extension of the southwest limit of the cadastre of the parish of Saint-Antoine-de-Lavaltrie; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the towns of Berthierville and Saint-Gabriel; the villages of Lavaltrie and Saint-Félix-de-Valois; the municipalities of the parishes of La Visitation-de-la-Sainte-Vierge-de-l'Isle-Dupas, Saint-Alphonse-de-Rodriguez, Saint-Antoine-de-Lavaltrie, Saint-Barthélémy, Sainte-Béatrix, Saint-Cléophas, Saint-Côme, Saint-Cuthbert, Saint-

Damien, Saint-Didace, Sainte-Élizabeth, Sainte-Émélie-de-l'Énergie, Saint-Félix-de-Valois, Saint-Gabriel-de-Brandon, Sainte-Geneviève-de-Berthier, Saint-Ignace-de-Loyola, Saint-Jean-de-Matha, Saint-Joseph-de-Lanoraie, Sainte-Mélanie, Saint-Norbert, Saint-Viateur and Saint-Zénon; the municipalities of Lanoraie-d'Autray, Saint-Charles-de-Mandeville and Saint-Michel-des-Saints. It also comprises the locality of Saint-Guillaume-Nord situated in unorganized territory.

11. BERTRAND

The electoral division of Bertrand comprises the territory bounded as follows:

starting at the intersection of the south shore of the fleuve Saint-Laurent with the northeast line of the cadastre of the parish of Varennes; the northeast limit of the cadastres of the parishes of Varennes and Sainte-Julie to the west corner of the lot 1 of the rang D of the cadastre of the parish of Saint-Marc; part of the northwest limit of the same cadastre; the northeast and east limits of the rang A; the southeast limits of the rang B, the rang C and the rang D; part of the northeast limit of the cadastre of the parish of Saint-Mathieu-de-Beloil; the southeast limit of the Sixième concession of the same cadastre; a broken line being part of the dividing line between the cadastres of the parishes of Sainte-Julie and Saint-Mathieu-de-Beloil to the east corner of the lot 64 of the cadastre of the parish of Sainte-Julie; a broken line dividing the cadastre of the parish of Sainte-Julie from the cadastre of the parish of Saint-Bruno; part of the southeast line of the cadastre of the parish of Sainte-Famille-de-Boucherville to the south corner of the lot 242 of the latter cadastre; the southwest line of the lot 242; the southeast line of the lots 241 to 239 and its extension to the southwest side of the lot 238; part of the southwest line of the lot 238; the southwest line of the lots 220 and 216; the southeast line of the lots 142 to 148; part of the southwest line of the cadastre of the parish of Sainte-Famille-de-Boucherville and its extension in the fleuve Saint-Laurent to a line passing halfway between the south shore of the said river and the île Charron (Dufort); a broken line skirting to the right the northeast tip of the said island and running halfway between the île Charron (Dufort) on one side and the île Sainte-Marguerite and a small island on the other side westerly to an irregular line passing halfway between the île de Montréal and the Grandes battures Tailhandier and the île Dufault; another

irregular line passing halfway between the left shore of the river and the southwest and west sides of the île Saint-Patrice, the île aux Hérons, the île au Veau, the île aux Cochons, the île Sainte-Thérèse and the île aux Asperges; between the southeast side of the île à l'Aigle (former île à l'Aiglon) and the northwest side of the île aux Asperges and the île aux Canards and between the southeast side of the île à l'Aigle (former île à l'Aiglon) and the île aux Cerfeuil and the northeast side of the île à la Truie and the îlet Vert (former île Evers) to the median line of the fleuve Saint-Laurent; the median line of the river downstream to another line passing north of the islands belonging to the cadastre of the parish of Varennes; thence, following the north line of this cadastre to the starting point.

This electoral division comprises the towns of Boucherville, Sainte-Julie and Varennes, and the municipality of the parish of Saint-Amable.

12. BONAVENTURE

The electoral division of Bonaventure comprises the territory bounded as follows:

starting from the point of intersection between the northeast line of the cadastre of the township of Port-Daniel and the shore of the baie des Chaleurs; thence, successively, the following lines: the northeast line of the cadastres of the townships of Port-Daniel, Weir, Guéguen and Mourier; the northwest line of the cadastres of the townships of Mourier, Lebret, Dufour, Marcil, Clapperton, Pilote, Vallée and Fauvel; the southwest line of the cadastre of the township of Fauvel and part of the southeast line of the same township; part of the southwest line of the cadastre of the township of Mann; part of the northeast line of the cadastre of the township of Ristigouche; the northeast and northwest lines of the rang Est-du-Chemin-Kempt of the cadastre of the township of Assemetquagan; the northwest and southwest lines of the rang Ouest-du-Chemin-Kempt of the same township; the northwest line of the cadastre of the township of Ristigouche to the median line of the rivière Matapédia; the median line of the said river to the northwest line of the cadastre of the township of Matapédia; the northwest line of the cadastre of the township of Matapédia; part of the northeast line of the cadastre of the township of Patapédia and the northeast line of the cadastre of the township of Roncevaux; the northwest line of the cadastre of the township of Roncevaux, the median line of the rivière Patapédia and the Québec — New Brunswick

boundary in the rivière Patapédia and the rivière Ristigouche, the baie des Chaleurs and the golfe du Saint-Laurent to the extension of the northeast line of the cadastre of the township of Port-Daniel; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the towns of Carleton and New-Richmond; the municipalities of the parishes of Matapédia, Saint-Alexis-de-Matapédia, Saint-François-d'Assise, Sainte-Germaine-de-l'Anse-aux-Gascons, Saint-Omer and Saint-Siméon; the municipalities of the townships of Hope, Port-Daniel-Partie-Est, Port-Daniel-Partie-Ouest, Ristigouche, Ristigouche-Partie-Sud-Est and Saint-Godefroi; the municipalities of Bonaventure, Caplan, Escuminac, Grande-Cascapédia, Hope-Town, L'Ascension-de-Patapédia, Maria, New-Carlisle, Nouvelle, Paspébiac, Paspébiac-Ouest, Pointe-à-la-Croix, Saint-Alphonse, Saint-Elzéar, Saint-Fidèle-de-Ristigouche, Saint-Jules and Shigawake. It also comprises the indian reserves of Maria and Restigouche; and the townships of Flahault and Robidoux situated in unorganized territory.

13. BOURASSA

The territory of the electoral division of Bourassa can be described as follows:

starting from the meeting point of the median line of the rivière des Prairies with the extension of the median line of the avenue Pigeon; thence, the said extension; the median line of the avenue Pigeon and its extension to the median line of the Canadian National Railway Company's right-of-way; the said median line to the prolongation of the median line of the avenue de Lorimier; the said extension, the median line of the said way to the median line of the avenue Étienne-Brûlé; the median line of the said way to the median line of the rue du Pont, the median line to the extension of the median line of rivière des Prairies running halfway between the île de la Visitation and the île de Montréal; the said irregular line skirting on the southwest, west and northwest the île de la Visitation to the median line of the rivière des Prairies; finally, the median line of the said river to the starting point.

This electoral division comprises part of the cities of Montréal and Montréal-Nord, the whole bounded as follows: the rivière des Prairies including the île de la Visitation and the île du Cheval de Terre, the extension of the avenue Pigeon, such way, the limit of the cities of Montréal-Nord and Saint-Léonard,

the limit of the cities of Montréal-Nord and Montréal, the railway line of the Canadian National Railway Company, the avenue de Lorimier, the avenue Étienne-Brûlé and the rue du Pont.

14. BOURGET

The territory of the electoral division of Bourget can be described as follows:

starting at the intersection of the median line of the boulevard Rosemont with the median line of the boulevard de l'Assomption; thence, the median line of the said way to the median line of the rue Sherbrooke Est; the median line of the said way to the median line of the rue Duquesne; the median line of the said way to the median line of the rue Hochelaga; the median line of the said way to the extension of the west limit of the land of the Department of National Defence; the said west limit and its extension to the median line of the rue La Fontaine; the median line of the said way to the median line of the avenue Clarence-Gagnon; the median line of the said way to the median line of the rue Notre-Dame; the median line of the said way to the median line of the rue Bossuet; the median line of the said way and its extension to the median line of the fleuve Saint-Laurent; the median line of the fleuve Saint-Laurent to an irregular line in the river running half-way between the île de Montréal and the île Charron (Dufort) and the île Sainte-Marguerite (Molson) and the Grandes battures Tailhandier; the said irregular line to its intersection with the extension of the line dividing the cadastre of the parish of Pointe-aux-Trembles and the cadastre of the parish of Longue-Pointe; the said extension and the dividing line to the median line of the Canadian National Railway Company's right-of-way; the median line of the said right-of-way to the extension of the median line of the avenue Saint-Émile; the extension and the median line of the said way to the median line of the rue Sherbrooke; the median line of the said way to the median line of the rue Saint-Donat; the median line of the said way to its intersection with a broken line dividing the lots 424, 426, 428, 429, 430, 432 to 441 from the lots 397 to 394, 391, 390, 335-a, 332, 331 and 327 of the cadastre of the parish of Longue-Pointe; the said broken line to the northeast line of the lot 326 of the said cadastre; the said northeast line to its intersection with the extension of the median line of the boulevard Rosemont; the extension and the median line of the said way to the starting point.

This electoral division comprises the municipality of the parish of Saint-Jean-de-Dieu and part of the city of Montréal, the whole bounded as follows: the boulevard Rosemont and its extension, the limit of the city of Montréal and the town of Anjou, the rue Saint-Donat, the rue Sherbrooke, the rue Saint-Émile, the railway line of the Canadian National Railway Company, the limit of the city of Montréal and the town of Montréal-Est, the fleuve Saint-Laurent, the extension of the rue Bossuet and such way, the rue Notre-Dame, the avenue Clarence-Gagnon, the rue La Fontaine, the western limit of the land belonging to the Department of National Defence as far as the rue Hochelaga, the rue Duquesne, the rue Sherbrooke and the boulevard de l'Assomption.

15. BROME-MISSISQUOI

The electoral division of Brome-Missisquoi comprises the territory bounded as follows: starting from the point of intersection of the west line of the cadastre of the township of Granby with the dividing line between the rang IV and the rang V of the said township; thence, successively, the following lines: in the cadastre of that township, part of the said dividing line between ranges; the east line of the lot 358; part of the dividing line between the rang III and the rang IV; the east line of the lots 250, 248 and of part of the lot 159 to the south side of the autoroute des Cantons-de-l'Est (no 10), the south side of the said highway to the dividing line between the cadastres of the townships of Shefford and Granby; the said dividing line to the north corner of the lot 874 of the cadastre of the township of Shefford; the north line of the lot 874 and part of the north line of the lot 873 to the northeast side of the lot 1053 (railroad); the northeast line of the said lot 1053 to the southeast side of a way; the southeast side of this way across the lots 1045-A, 1048 and 1045; the west side of the lot 1045 to the southwest side of the autoroute des Cantons-de-l'Est (no 10); the southwest and south sides of the said highway to the east line of the lot 1298; the east line of the lot 1298 part of the south line and the east line of the cadastre of the township of Shefford; the west, north and east lines of the cadastre of the township of Stukely; the dividing line between the cadastre of the townships of Bolton and Magog extended to the median line of the lac Memphrémagog; the median line of the said lake; the Québec — United States border line to the median line of the baie Missis-

quoi (lake Champlain); the said median line to the extension of the northwest line of the lot 1 of the cadastre of the parish of Saint-Armand-Ouest; the said extension and the said line; part of the northwest line of the cadastre of the township of Stanbridge; in the cadastre of the parish of Saint-Georges-de-Clarenceville, the south line of the lots 181 and 170; the west line of the said lot 170; part of the north limit of the said cadastre; in the cadastre of the parish of Saint-Sébastien, the west and northeast lines of the lot 318; part of the northwest line of the lot 368; the west line of the lots 348, 347, 346 and 178; the north line of the lots 178 to 171 in declining order; the west, southwest and northwest limits of the cadastre of the parish of Notre-Dame-des-Anges-de-Stanbridge; in the cadastre of the parish of Saint-Alexandre, the southwest line of the lots 87 to 91; the northwest line and part of the northeast line of the lot 91; the west and northeast lines of the lot 42; in the cadastre of the parish of Sainte-Brigide, the west line of the lots 333 and 332; the northeast line of the lot 332; part of the west line of the lot 361; the northeast line of the lots 361, 360, 359 and part of the lot 358; the west line of the lots 362 to 376; the northeast line of the lots 376 and 506; part of the west line of the cadastre of the parish of Sainte-Brigide; in the cadastre of the parish of Saint-Romuald-de-Farnham-Ouest, part of the dividing line between the rang II and the rang III; the east line of the lot 91; part of the dividing line between the rang I and the rang II; the east line of the lots 25 and 24; part of the north line of the cadastre of the township of Stanbridge; finally the west limit of the cadastres of the townships of Farnham and Granby to the starting point.

This electoral division comprises the following municipalities: the towns of Bedford, Bromont, Cowansville, Dunham, Lac-Brome and Sutton; the villages of Abercorn, Brome, East-Farnham, Eastman, Frelighsburg, Lawrenceville, Philipsburg and Stukely-Sud; the municipalities of the parishes of Frelighsburg, Notre-Dame-de-Stanbridge, Saint-Alphonse, Saint-Armand-Ouest, Saint-Ignace-de-Stanbridge and Sainte-Sabine; the municipalities of the townships of Bedford, Potton, Stanbridge and Sutton; the municipalities of Adamsville, Austin, Bolton-Est, Bolton-Ouest, Bonsecours, Sainte-Anne-de-Larochelle, Saint-Benoît-du-Lac, Saint-Étienne-de-Bolton, Saint-Pierre-de-Véronne, Stanbridge-Station and Stukely-Sud.

16. CHAMBLY

The electoral division of Chambly comprises the territory bounded as follows: starting from the north corner of the lot 281 of the cadastre of the parish of Saint-Bruno; thence, a broken line dividing the cadastre of the parish of Saint-Mathieu-de-Beloil from the cadastres of the parishes of Sainte-Julie and Saint-Joseph-de-Chambly and its extension across the rivière Richelieu; the northeast limit of the cadastre of the parish of Saint-Mathias and of a part of the cadastre of the parish of Sainte-Marie-de-Monnoir to the median line of the ruisseau Saint-Louis between the lots 362 and 222 of the cadastre of the parish of Sainte-Marie-de-Monnoir; in that cadastre, the median line of the said creek to the extension of the dividing line between the lots 223 and 380; the said extension; a broken line dividing the rang du Ruisseau-Barré (west side) from the rang de la Rivière-des-Hurons and the rang du Cordon to the east limit of the cadastre of the parish of Notre-Dame-de-Bonsecours; the said limit; in the cadastre of the parish of Sainte-Marie-de-Monnoir, the east line of the lots 405 to 410; the north line of the lots 417 and 416; the southwest line of the lot 416; the northeast line of the lots 419, 418 and 413; the northwest line of the lot 420; a broken line dividing the cadastre of the parish of Notre-Dame-de-Bonsecours from the cadastres of the parishes of Saint-Grégoire and of Saint-Athanase and its extension to the median line of the rivière Richelieu; the median line of the said river to the extension of the south limit of the cadastre of the parish of Saint-Joseph-de-Chambly; the said extension and a broken line dividing the cadastre of the parish of Saint-Joseph-de-Chambly from the cadastres of the parishes of Saint-Luc, Laprairie-de-La-Madeleine and Saint-Hubert to the dividing line between the lots 88 and 89 of the cadastre of the parish of Saint-Hubert; in that cadastre, the said dividing line between lots and the dividing line between the lots 81 and 82; a broken line dividing the cadastre of the parish of Saint-Bruno from the cadastres of the parishes of Saint-Hubert and of Sainte-Famille-de-Boucherville to the southwest line of the lot 238 of the cadastre of the parish of Sainte-Famille-de-Boucherville; in that cadastre, part of the southwest line of the lot 238 to the extension of the southeast line of the lot 239; the said extension and a northwest line of the lot 238; the northeast line of the lot 238; the dividing line of the cadastre of the parish of Sainte-Famille-de-

Boucherville and of the parish of Sainte-Julie to the starting point.

This electoral division comprises the city of Chambly; the towns of Carignan, Richelieu, Saint-Basile-le-Grand and Saint-Bruno-de-Montarville; and the municipalities of the parishes of Notre-Dame-de-Bonsecours and Saint-Mathias.

17. CHAMPLAIN

The electoral division of Champlain comprises the territory bounded as follows: starting at the point of intersection of the dividing line between the cadastres of the parishes of Notre-Dame-du-Mont-Carmel and Saint-Maurice with the shore of the rivière Saint-Maurice; thence, successively, the following lines: a broken line dividing the cadastre of the parish of Notre-Dame-du-Mont-Carmel from the cadastres of the parishes of Saint-Maurice and Saint-Narcisse; part of the northwest line of the cadastre of the parish of Saint-Narcisse and the northwest line of the lot 168 and the northwest and northeast lines of the lot 153 of the said cadastre; part of the southwest limit of the cadastre of the parish of Saint-Stanislas to the southeast line of the lot 38 of that cadastre; in the cadastre of the said parish, the southeast line of the lots 38 and 105; part of the line dividing the rang Côte-Saint-Louis Sud-Ouest, from the rang Côte-Saint-Paul Nord-Est; the southeast and northeast lines of the lot 156; the southeast line of the lot 204; part of the northeast line of the rang Côte-Saint-Louis Nord-Est; the south line of the lots 257 and 322; part of the northeast line of the rang Nord-Est de la Rivière-des-Envies; the southeast line of the lots 404a and 351-132; the south line of the lots 394 and 395 and its extension to the median line of the rivière Batis-can; the median line of the said river upstream to the extension of the south line of the lot 692; the said extension and the said south line; the northeast line of the lot 691; the east line of the lots 689, 688, 687 and 686; the north line of the lot 752; the west line of the lots 753-193 to 753-196; the northwest limit of the cadastre of the parish of Saint-Prosper; the northwest and northeast limits of the cadastre of the parish of Sainte-Anne-de-la-Pérade, the latter limit extended to the median line of the fleuve Saint-Laurent; the median line of the river upstream to a line perpendicular to the shore of the river originating at the embouchure of the rivière Saint-Maurice and passing to the northeast of the île de la Potherie;

the said perpendicular line and the north shore of the rivière Saint-Maurice upstream to the extension of the dividing line between the lots 181 and 186 of the cadastre of the parish of Trois-Rivières; the said extension southwesterly to the median line of the rivière Saint-Maurice; the median line of the said river upstream to the extension of the northwest line of the cadastre of the parish of Saint-Maurice; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the city of Cap-de-la-Madeleine; the villages of Champlain and La Pêrade; the municipalities of the parishes of La Visitation-de-Champlain, Sainte-Anne-de-la-Pêrade, Saint-François-Xavier-de-Batiscan, Sainte-Genève-de-Batiscan, Saint-Louis-de-France, Saint-Luc, Saint-Maurice, Saint-Narcisse and Saint-Prosper; the municipalities of Sainte-Marthe-du-Cap-de-la-Madeleine and Saint-Stanislas.

18. CHAPLEAU

The territory of the electoral division of Chapleau can be described as follows: starting from a point situated at the intersection of the Québec/Ontario borderline with the extension of the west line of the cadastre of the village of Pointe-Gatineau; the west line of the said cadastre to the line dividing the rang XI and the rang XII of the cadastre of the township of Templeton; part of the north line of the rang XI of the said township to the northeast corner of the lot 23; the east line of the lot 23 of the rang XI, of the lots 23-A and 23-B of the rang X, of the lots 23-A and 23-B of the rang IX, of the lot 23-A of the rang VIII, of the lots 23-A and 23-B of the rang VII and of the lots 23-A and 23-B of the rang VI of the cadastre of the township of Templeton; part of the north line of the rang V of the said township to the southwest corner of the lot 1-D of the rang VI; the west line of the lots 1-D, 1-B and 1-A of the rang VI; the north and east lines of the lot 1-A of the said range; part of the west line of the cadastre of the township of Templeton and its extension to the Québec/Ontario borderline in the rivière des Outaouais (Ottawa river); the said borderline upstream in the rivière des Outaouais to the starting point.

This electoral division comprises part of the town of Gatineau bounded as follows: the limit of the town of Gatineau with the municipalities of Val-des-Monts and L'Ange-Gardien and the town of Masson,

the rivière des Outaouais, the rivière Gatineau, the extension of the chemin Lamarche, this way and its extension.

19. CHARLESBOURG

The territory of the electoral division of Charlesbourg can be described as follows: starting from the south corner of the lot 270 of the cadastre of the parish of Charlesbourg; thence, following the southeast line of the lot 270 and its extension to its intersection with the northeast line of the 1st avenue; the southeast line of the lot 716 and its extension across the right-of-way of the Canadian National Railway Company; the northwest line of the lot 717-1 across the boulevard Henri-Bourassa; the northwest line of the lot 581 of the cadastre of the parish of Saint-Roch-Nord; part of the southwest and northwest lines of the lot 584 of the said cadastre to the southwest line of the lot 729 of the cadastre of the parish of Charlesbourg; in this last cadastre, along the service way of the autoroute de la Capitale (no 40), part of the southwest line of the lot 729, for a length of four hundred and fifty-four feet (454 ft) and a westerly line of two hundred and fifty feet (250 ft) crossing the lot 728a and a part of the lot 728 to the southeast side of the right-of-way of the autoroute de la Capitale (no 40) before the widening; the said southeast side of the said highway to the northeast line of the lot 734; thence, following a broken line dividing the cadastres of the parishes of Beauport and Charlesbourg to the north corner of the lot 946 of the cadastre of the parish of Charlesbourg; thence, southwesterly following the southeast line of the lot 898 to its south corner; thence, following the northeast of the lot 894 to its north corner; thence, following the northwest limit of the lots 894, 892, 891 and 890 to the west corner of the latter; thence, following the southwest limit of the lot 890 to the east corner of the lot 764; thence, following the southeast limit of the lot 764 to its south corner; thence, following the northeast limit of the lot 629 to its north corner; thence, following the northwest line of the lot 629 to its south corner; thence, following the southwest limit of the lots 628-A, 628 and 627 to the extension of the northwest line of the lot 440; thence, following the northwest line of the lot 440, the northeast line of the lots 436 and 437 to the north corner of the latter; thence, following the northwest line of the lot 437 to the northeast line of the lot 100; thence, following successively a part of the

northeast line of the lot 100, the northwest line of the lots 100, 101 and 102, the southwest line of the lot 102, the southwest line of the lot 371-A and its extension across a river and a public way; a part of the northwest line of the lot 371; a broken line limiting the lots 151 and 266 toward the northeast; the northeast side of a public way limiting toward the southwest the lots 272 part, 271 and 270, to the starting point.

This electoral division comprises part of the city of Charlesbourg, namely the former municipalities of Charlesbourg, Charlesbourg-Est and Orsainville.

20. CHARLEVOIX

The electoral division of Charlevoix comprises the territory bounded as follows:

starting from the point of intersection of the dividing line between the cadastres of the townships of Dumas and Saguenay with the shore of the rivière Saguenay; thence, successively, the following lines: the extension of the said dividing line between townships to the median line of the rivière Saguenay; the median line of the said river downstream and its extension to the median line of the fleuve Saint-Laurent; the median line of the river upstream passing northwest of the île aux Lièvres, northwest of all the islands forming part of the cadastre of the parish of Saint-Antoine-de-l'Île-aux-Grues and northwest of the île aux Ruaux to its intersection with the extension of an irregular line passing halfway between the northwest shore of the île d'Orléans and the northwest shore of the river; the said extension and the said irregular line southwesterly to a line perpendicular to the northwest shore of the fleuve Saint-Laurent and originating at the embouchure of the rivière aux Chiens; the said perpendicular line and the median line of the said river upstream to the extension of the southwest line of the lot 279 of the cadastre of the parish of Sainte-Anne; a broken line bounding to the northeast and southeast the cadastre of the parish of Château-Richer as far as the northwest line of the lot 564 of the said cadastre; in that cadastre, the northwest line of the lots 564 and 521; the southwest line of the lots 588 and 601, such line extended to the median line of the rivière Montmorency; the median line of the said river downstream to the extension of the southwest line of the lot 639; the said extension; a broken line dividing the cadastre of the parish of Château-Richer from the cadastres of the parishes of Sainte-Brigitte-de-Laval and Saint-Adolphe; part of the northwest line of the

seigniori of Côte-de-Beaupré to a line established on the ground (Plan Ex. 98, Service de l'Arpentage et de la Géodésie) and originating at the point of intersection of the low tide mark of the fleuve Saint-Laurent with the southwest line of the lot 395 of the cadastre of the parish of Saint-François-Xavier; the said line northwesterly to the median line of the route 175; the median line of the said way northerly to a line established on the ground south of and near the parallel 48°00' of north latitude; the said line easterly to the dividing line between the cadastres of the townships of Saguenay and Sagard; finally, the line dividing the cadastre of the township of Saguenay from the cadastres of the townships of Sagard and Dumas to the starting point.

This electoral division comprises the following municipalities: the towns of Baie-Saint-Paul, Beaupré, Clermont, La Malbaie and Sainte-Anne-de-Beaupré; the villages of Cap-à-l'Aigle, Pointe-au-Pic, Saint-Joseph-de-la-Rive and Saint-Siméon; the municipalities of the parishes of Baie-Saint-Paul, Sainte-Agnès, Saint-Fidèle-de-Mont-Murray, Saint-François-Xavier-de-la-Petite-Rivière, Saint-Hilarion, Saint-Irénée, Saint-Joachim, Saint-Louis-de-l'Isle-aux-Coudres, Saint-Siméon and Saint-Urbain; the municipalities of La Baleine, Les Éboulements, Notre-Dame-des-Monts, Rivière-du-Gouffre, Rivière-Malbaie, Saint-Aimé-des-Lacs, Saint-Bernard-de-l'Île-aux-Coudres, Saint-Ferréol-les-Neiges, Saint-Firmin and Saint-Tite-des-Caps.

21. CHÂTEAUGUAY

The territory of the electoral division of Châteauguay can be described as follows: starting at the intersection of the shore of the fleuve Saint-Laurent with the median line of the rivière de la Tortue; thence, in a generally south direction, the median line of the rivière de la Tortue to the limit of the cadastre of the parish of Saint-Constant; this last limit southeasterly to the way; the said way towards the southwest to the extension in the lot 7 of the said cadastre of the northeast line of the narrowest part of the lot 7; the said extension in the lot 7, passing 569 feet (measured on the railroad) from the division line of the lots 5 and 7 to the extension of the northwest line of the lot 9; the said extension and the northwest line of the lot 9; a line joining the west corner of the lot 9 and the northwest corner of the lot 12; the northwest and southwest lines of the lot 12; the median line of the autoroute 15 to the south limit of the cadastre of the parish of Saint-Constant; the

northeast and southeast lines of the lot 265; a broken line being the east limit of the concession Est de la Rivière-la-Tortue; the northwest, northeast and southeast lines of the lot 284; the median line of the rivière de la Tortue towards the south to the southeast line of the cadastre of the parish of Saint-Philippe; the north line of the lot 192 of the cadastre of the parish of Saint-Édouard; the southeast line of the lots 193 to 196; the southwest line of the lots 196, 197 and part of 199; a broken line limiting towards the east the lots 218 to 224; the southwest and northwest lines of the lot 224; part of the southwest line of the lot 223; the northwest line of the lots 223 and 222; part of the southwest line of the lot 221; the northwest line of the lots 221 and 220 and part of the northwest line of the lot 219; the southwest line of the lot 217; a broken line dividing the cadastres of the parishes of Saint-Philippe and Saint-Constant from the cadastres of the parishes of Saint-Michel-Archange and of Saint-Rémi; a broken line dividing the cadastre of the parish of Saint-Constant from the cadastre of the parish of Saint-Isidore; a broken line limiting to the northwest and northeast the cadastre of the parish of Saint-Isidore to the northeast line of the lot 1; in that cadastre, the northeast line of the lot 1 and part of the northeast line of the lot 32 to the extension of the southeast line of the lot 2; the said extension and the said southeast line; the southwest line of the said lot 2; the southeast limit of the cadastres of the parishes of Saint-Joachim-de-Châteauguay and Sainte-Philomène; the southwest limit of the cadastres of the parishes of Sainte-Philomène and Saint-Joachim-de-Châteauguay; in the latter cadastre, a broken line dividing the concession du Lac from the concession Nord-Ouest de la Rivière to the centre line of a creek limiting to the east the lot 296; the median line of the said creek and the median line of the ruisseau Saint-Jean, the latter line extended to the median line of the lac Saint-Louis; the median line of the lac Saint-Louis and the fleuve Saint-Laurent downstream to the extension of the southwest line of the lot 555-68 of the cadastre of the parish of Laprairie-de-la-Madeleine; thence, a straight line to the starting point.

This electoral division comprises the towns of Châteauguay, Delson, Mercier, Sainte-Catherine and Saint-Constant; and the municipality of Saint-Mathieu. It also comprises the indian reserve of Caughnawaga.

22. CHAUVEAU

The electoral division of Chauveau comprises the territory bounded as follows:

starting from the point of intersection between the cadastres of the parishes of Sainte-Jeanne-de-Neuveville, Sainte-Catherine and Saint-Augustin; thence, successively, the following lines: a broken line dividing the cadastre of the parish of Sainte-Catherine from the cadastres of the parishes of Sainte-Jeanne-de-Neuveville and Saint-Raymond; in the cadastre of the parish of Sainte-Catherine, part of the dividing line between the Huitième concession and the Neuvième concession; part of the dividing line between the lots 538 and 539; the northeast side of the right-of-way of the Canadian National Railway Company; part of the dividing line between the lots 542 and 543; the southeast line of the lots 543a-2 and 543a-1; part of the northeast line of the lot 543a-1; the southeast line of the lots 544a and 545a; the southwest side of a public way limiting to the northeast the lot 545a; the dividing line between the Neuvième concession and the Dixième concession; the northeast line of the lots 551 and 583; the extension of the dividing line between the Onzième concession and the Douzième concession in the lot 757 to the extension of the dividing line between the lots 10 and 11 of the rang I in the cadastre of the township of Gosford; the said extension northwesterly to the southeast line of the 757-2; part of the said southeast line and the northeast line of the said lot 757-2; part of the northeast limit of the cadastre of the parish of Sainte-Catherine; part of the southwest limit of the cadastre of the parish of Saint-Gabriel-de-Valcartier and the southwest line of the cadastres of the townships of Neilson and Larue and its extension to the median line of the rivière Batiscan; the median line of the said river, upstream to the extension of the southeast line of the township of Laure; the southeast line of the cadastre of the township of Laure; the northeast line of the cadastre of the township of Laure and part of the northeast line of the cadastre of the township of Gendron; the south line of the cadastre of the township of Lescarbot and its extension to a line established in the field (plan Ex. 98, service de l'Arpentage et de la Géodésie) and starting from the point of intersection of the low tide mark of the fleuve Saint-Laurent with the southwest line of the lot 395 of the cadastre of the parish of Saint-François-Xavier; the said line estab-

lished in the field, southeasterly to the intersection with the northwest line of the seigniorship of Côte-de-Beaupré; the said southwest line to the east corner of the lot 41 of the rang VIII of the cadastre of the parish of Saint-Edmond-de-Stoneham; a broken line dividing the cadastres of the parishes of Château-Richer and Sainte-Brigitte-de-Laval on one side and Saint-Adolphe and Saint-Dunstan-du-Lac-Beauport on the other side, to the east corner of the lot 119 of the latter cadastre; a broken line dividing the cadastres of the parishes of Beauport on one side and Saint-Dunstan-du-Lac-Beauport and Charlesbourg on the other side to the north corner of the lot 946 of the latter cadastre; the southeast line of the lot 898 to its south corner; the northeast line of the lot 894; the northwest lines of the lots 894, 892, 891 and 890; the southwest line of the lot 890 to the east corner of the lot 764; the southeast line of the lot 764 to its south corner; the northeast line of the lot 629; the northwest line of the lot 629; the southwest line of the lots 628-A, 628 and 627 to the extension of the northwest line of the lot 440; the northwest line of the lot 440 and its extension; the northeast line of the lots 436 part and 437; the northwest line of the lot 437 to the northeast line of the lot 100; the northeast line of a part of the lot 100 to the east corner of the lot 99; the dividing line between the Cinquième concession and the Sixième concession of the cadastre of the parish of Charlesbourg and its extension to the northeast line of the lot 1245 of the cadastre of the parish of Saint-Ambroise-de-la-Jeune-Lorette; the northeast line of the lots 1245 and 1139 and its extension to the median line of the ruisseau Duberger; the southeast line of the Quatrième concession Saint-Romain southwesterly to the northwest side of the right-of-way of the railway of Canadian National Railway's Company; the northwest side of the right-of-way to the east corner of the lot 1161-3; the northeast line of the lot 1161-3 and its extension to the west corner of the lot 1158-2-2; the southwesterly extension of the northwest line of the lot 1158-2-2 to its intersection with the east line of the lot 1167; the east line of the lot 1167 northwesterly to a point located one arpent south of the rue des Érables; thence, southwesterly from this point, following a parallel line located at one arpent to the southwest of the rue des Érables to the median line of the boulevard de la Colline; a broken line following the median line of the boulevard de la Colline, southeasterly; the southeast side of the right-of-way of boulevard Bastien and the southwest line of the lot 1106 to the intersection between the cadastre of the parish of Saint-Ambroise-de-la-

Jeune-Lorette and the revised cadastre of the parish of Saint-Ambroise-de-la-Jeune-Lorette (the city of Loretteville); a broken line following the dividing line of the said cadastres to the extension of the north line of the lot 471; from this last point, following the south line of the concession des Grands Déserts, westerly to the east corner of the lot 456; the east line of the lot 456; the northeast line of the lot 456; the northeast line of the lot 270 to the median line of the rue Sainte-Geneviève; the median line of the rue Sainte-Geneviève southwesterly and its extension to the dividing line between the cadastres of the parishes of L'Ancienne-Lorette and Saint-Ambroise-de-la-Jeune-Lorette; a broken line following the dividing line of the said cadastres to the south corner of the lot 240 of the cadastre of the parish of Saint-Ambroise-de-la-Jeune-Lorette; the northwest line of the Première concession Guillaume-Bonhomme-de-l'Ancienne-Lorette; the northwest line of the Première concession de Saint-Augustin in the cadastre of the parish of Saint-Augustin to the west corner of the lot 71 of the said cadastre; the northeast line of the lot 1 of the cadastre of the parish of Sainte-Catherine to its east corner; thence, following the line between the cadastres of the parishes of Saint-Augustin and Sainte-Catherine to the starting point.

This electoral division comprises the following municipalities: the city of Loretteville: the towns of Fossambault-sur-le-Lac, Lac-Delage, Lac-Saint-Joseph and Val-Bélair; the village of Saint-Émile; the municipalities of the parishes of Sainte-Catherine and Saint-Dunstan-du-Lac-Beauport; the municipality of the united townships of Stoneham-et-Tewkesbury; the municipalities of Lac-Saint-Charles, Saint-Gabriel-de-Valcartier, Saint-Gabriel-Ouest and Shannon, and L'Étape situated in the parcs Laurentides in unorganized territory. This electoral division also comprises part of the city of Charlesbourg, namely the former municipality of Notre-Dame-des-Laurentides and part of the city of Québec, the ward of Neufchâtel, bounded as follows: the limit of the city of Québec with the municipalities of Saint-Gabriel-de-Valcartier, Lac-Saint-Charles, Saint-Émile, Loretteville and Val-Bélair. Lastly the indian reserve of Lorette is included in this electoral division.

23. CHICOUTIMI

The electoral division of Chicoutimi comprises the territory bounded as follows:

starting at the point of intersection of the right shore of the rivière Saguenay with the dividing line between the cadastres of the townships of Chicoutimi and Bagot; thence, successively, the following lines: a broken line dividing the cadastre of the parish of Chicoutimi from the cadastres of the parish of Saint-Alphonse and of the townships of Chicoutimi and Laterrière to the dividing line between the lots 18b and 19a of the Douzième Rang Sud-Ouest du Chemin-Sydenham of the cadastre of the parish of Chicoutimi; in that cadastre, the said dividing line between the lots; the dividing line between the Onzième Rang Sud-Ouest du Chemin-Sydenham and the Douzième Rang Sud-Ouest du Chemin-Sydenham and its extension across the lots 11a, 10b, 10a, 9a and 8b to the northeast side of the lot 76 (railway right-of-way); the said northeast side northwesterly to the dividing line between the Douzième rang Sud-Ouest du Chemin-Sydenham and the Treizième Rang Sud-Ouest du Chemin-Sydenham; part of the said dividing line between ranges northeasterly; part of the dividing line between the Treizième Rang Sud-Ouest du Chemin-Sydenham and the Quatorzième Rang Sud-Ouest du Chemin-Sydenham northwesterly; the dividing line between the lots 7c and 8a of the Quatorzième Rang Sud-Ouest du Chemin-Sydenham and its extension to the median line of the rivière Saguenay; the median line of the said river upstream to the extension of the dividing line between the cadastres of the townships of Tremblay and Simard; the said extension and part of the said dividing line between the townships to the dividing line between the rang II and the rang III of the cadastre of the township of Tremblay; in the cadastre of that township, the said dividing line between ranges; the dividing line between the lots 31a and 32 of the rang III; part of the dividing line between the rang III and the rang IV easterly to a straight line in the lot 26c of the rang III in a direction of N. 15° 35' 34" E. and situated at a distance of one thousand two hundred thirty-nine and two-tenths feet (1 239, 2 ft) from the west line of the former lot 27a of the rang III, measured along the north line of the rang III; the said straight line in the lot 26c to the south line of the rang III; part of the south line of the said range easterly and its extension to the median line of the rivière Saguenay; the median line of the said river downstream to the extension of the dividing

line between the cadastres of the townships of Chicoutimi and Bagot; finally, the said extension to the starting point.

This electoral division comprises the city of Chicoutimi.

24. CHOMEDEY

The territory of the electoral division of Chomedey can be described as follows:

starting from the intersection of the extension of the median line of the autoroute des Laurentides (15) and the median line of the rivière des Prairies; thence, the median line of the said river running north-west of the island bearing numbers 2632, 2633 and 2634 of the cadastre of the parish of Saint-Laurent to the extension of the median line of the autoroute Chomedey; the extension and the median line of the said highway to the median line of the autoroute Laval (440); the median line of the said highway to the median line of the autoroute des Laurentides (15); the median line and the extension of the said highway to the starting point.

This electoral division comprises part of the city of Laval bounded as follows: the autoroute Laval (440), the autoroute des Laurentides (15), the limit of the city of Laval in the rivière des Prairies and the autoroute Chomedey (13).

25. CRÉMAZIE

The territory of the electoral division of Crémazie can be described as follows:

starting at the point of intersection of the median line of the rivière des Prairies with the extension of the median line of the avenue de l'Esplanade; thence, the median line of the said river downstream to an irregular line running half-way between the île de la Visitation and the île de Montréal and skirting on the southwest the said île de la Visitation; the said irregular line to the median line of the rue du Pont; the median line of the said way to the median line of the avenue Étienne-Brûlé; the said median line to the median line of the avenue de Lorimier; the median line of the said way and its extension to the median line of the Canadian National Railway Company's right-of-way; the median line of the said right-of-way and its extension to the median line of the avenue Papineau; the median line of the said way and its extension to the median line of the

boulevard Métropolitain (40); the median line of the said way to the extension southeasterly of the median line of the avenue de l'Esplanade; the said extension and the median line of the avenue de l'Esplanade to the median line of the rue de Beauharnois; the median line of the said way to the median line of the rue Meunier; the median line of the said way to the median line of the rue Legendre; the median line of the said way to the median line of the avenue de l'Esplanade; the median line of the said way and its extension to the median line of the Canadian National Railway Company's right-of-way; the median line of the said right-of-way to the extension of the median line of the avenue de l'Esplanade; the extension, the median line of the said way and its extension to the starting point.

This electoral division comprises part of the city of Montréal bounded as follows: the rivière des Prairies excluding the île de la Visitation, the rue du Pont, the avenue Étienne-Brûlé, the avenue de Lorimier, the railway line of the Canadian National Railway Company, the avenue Papineau, the boulevard Métropolitain, the avenue de l'Esplanade, the rue Beauharnois, the rue Meunier, the rue Legendre, the avenue de l'Esplanade and its extension, the railway line of the Canadian National Railway Company, the extension of the avenue de l'Esplanade, such way and its extension.

26. D'ARCY-McGEE

The territory of the electoral division of D'Arcy-McGee can be described as follows:

starting from the intersection of the extension of the line dividing the lots 572 and 573 of the cadastre of the parish of Saint-Laurent with the median line of the main railway line of the Canadian National Railway Company (the lot 2638 of the cadastre of the parish of Saint-Laurent); the median line of the said railway line to the extension of the dividing line between the lots 559 and 560 of the cadastre of the parish of Saint-Laurent; the said extension and part of the said dividing line between lots to the dividing line between the cadastres of the parish of Saint-Laurent and the municipality of the parish of Montréal; a broken line dividing the cadastre of the municipality of the parish of Montréal from the cadastres of the parishes of Saint-Laurent and Lachine to the southeast line of the former lot 116 of the cadastre of the municipality of the parish of Montréal; the southeast line of the said lot and the median

line of the chemin de la Côte-Saint-Luc to the extension of the southwest line of the lot 112 of the cadastre of the municipality of the parish of Montréal; the said extension and the southwest, southeast and part of the northeast lines of the said lot to the median line of the chemin Westover; the said median line to the rue de l'Anastase; thence, to the median line of the rivière de Saint-Pierre; the median line of the said river to the median line of the chemin de la Côte-Saint-Luc; the median line of the said way to the median line of the avenue Montclair; the median line of the said way to the median line of the avenue Fielding; the median line of the said way to the median line of the chemin de la Côte-Saint-Luc; the median line of the said way to the median line of the autoroute Décarie (15); the median line of the said highway to the southeast line of the lot 45 of the cadastre of the municipality of the parish of Montréal; the said southeast line of the said lot; the northeast line to a broken line being the line dividing the cadastres of the municipality of the parish of Montréal and of Village-de-la-Côte-des-Neiges; the said broken line to the line dividing the cadastres of the parish of Saint-Laurent and the municipality of the parish of Montréal; the said cadastral division line to the line dividing the lots 575 and 576 of the cadastre of the parish of Saint-Laurent; the said lot line to the south line of the lot 2638 of the said cadastre; the said line to the line of the lots 572 and 573 of the parish of Saint-Laurent; the extension of the said lot line to the starting point.

This electoral division comprises the city of Côte-Saint-Luc and the town of Hampstead, and part of the city of Montréal, the whole bounded as follows: the limit of the city of Montréal and the town of Mont-Royal, the limit of the city of Côte-Saint-Luc with the town of Mont-Royal and the city of Montréal, the autoroute Décarie, the chemin de la Côte-Saint-Luc, the avenue Fielding, the avenue Montclair, the limit of the city of Côte-Saint-Luc with the city of Montréal and the town of Montréal-Ouest, the town of Saint-Pierre and the cities of Lachine and Saint-Laurent.

27. DEUX-MONTAGNES

The electoral division of Deux-Montagnes comprises the territory bounded as follows: starting from the northeast corner of the lot 110 of the cadastre of the parish of Saint-Placide; a broken line dividing the cadastre of the parish of Saint-Placide from the cadastre of the parish of Saint-Andrews, the last segment being extended to a line in the lac des Deux Montagnes passing halfway between the north shore of the said lake and the north shore of the île de Carillon; the said halfway line easterly and an irregular line skirting on the northeast all the islands forming part of the cadastre of the parish of Saint-Andrews to the median line of the lac des Deux Montagnes; the median line of the said lake southeasterly and northeasterly and passing south of the île Hay and northwest of the île Bizard to the median line of the rivière des Mille Îles; the median line of the said river downstream and passing west of all the islands forming part of the cadastre of the parish of Sainte-Rose to a straight line in the said river passing the western most end of the island number 946 of the cadastre of the parish of Sainte-Thérèse-de-Blainville and originating at the point of intersection of the southwest limit of the said cadastre with the north shore of the rivière des Mille Îles; the said straight line; a broken line dividing the cadastre of the parish of Saint-Eustache from the cadastre of the parish of Sainte-Thérèse-de-Blainville to the north corner of the lot 445 of the cadastre of the parish of Saint-Eustache; a broken line dividing the cadastres of the parishes of Saint-Eustache, Saint-Joseph-du-Lac, L'Annonciation-du-Lac-des-Deux-Montagnes and Saint-Placide from the cadastres of the parishes of Saint-Augustin and Saint-Benoît to the north corner of the lot 224 of the cadastre of the parish of Saint-Placide; a part of the dividing line between the cadastre of the parish of Saint-Placide on one side and the cadastres of the parishes of Saint-Benoît and of Saint-Hermas on the other side to the starting point.

This electoral division comprises the following municipalities: the city of Deux-Montagnes; the towns of Oka-sur-le-Lac, Saint-Eustache and Sainte-Marthe-sur-le-Lac; the villages of Pointe-Calumet and Saint-Placide; the municipalities of the parishes of Oka, Saint-Joseph-du-Lac and Saint-Placide; the municipality of Oka. It also comprises the indian reserve of Oka.

28. DORION

The territory of the electoral division of Dorion can be described as follows:

starting from the intersection of the median line of the boulevard Métropolitain (40) with the median line of the rue Berri; thence, towards the northeast and east, the median line of the said boulevard Métropolitain to the extension of the median line of the rue de Bordeaux; the said extension and the median line of the rue de Bordeaux to the median line of the rue Saint-Zotique; the median line of the said way to the median line of the rue Saint-Denis; the median line of the said way to the median line of the rue Jarry; the median line of the said way to the median line of the rue Berri; finally the median line of the said way to the starting point.

This electoral division comprises part of the city of Montréal bounded as follows: the boulevard Métropolitain, the rue de Bordeaux, the rue Saint-Zotique, the rue Saint-Denis, the rue Jarry and the rue Berri.

29. DRUMMOND

The electoral division of Drummond comprises the territory bounded as follows:

starting at the point of intersection of the dividing line between the rang X and the rang XI of the cadastre of the township of Grantham with the northwest line of the said township; thence, successively, the following lines: part of the northwest line of the said township; in the cadastre of the parish of Saint-Guillaume-d'Upton, the southwest line of the lots 337 in declining order to the lot 329; the northwest line of the said lot 329; the southwest line of the lots 359 to 372; the northwest line of the lots 372 and 402; the northeast line of the lots 402 in declining order to the lot 390; in the cadastre of the parish of Saint-Bonaventure, the northwest line of the lot 104; the northeast line of the lots 104 and 103; part of the northwest line of the cadastre of the township of Grantham extended to the median line of the rivière Saint-François; the median line of the said river upstream passing on the northeast of all the islands forming part of the cadastre of the township of Grantham to the extension of the northwest line of the lot 23 of the cadastre of the township of Wendoover; in that cadastre, the said extension and the northwest line of the lots 23 and 49; part of the dividing line between the rang III and the rang IV; the northwest line of the lots 170 and 252; part of

the dividing line between the rang V and the rang VI; the northwest line of the lot 289; part of the dividing line between the rang VI and the rang VII; the northwest line of the lots 304 and 336; the southwest and northwest lines of the lot 408; part of the dividing line between the rang IX and the rang X; the northwest line of the lots 509 and 508, such last line extended to the east side of a public way limiting to the east the said lot 508; the east and southeast sides of the said way to the dividing line between the rang X and the rang XI; part of the said dividing line between ranges; the northwest line of the lots 373 and 385; part of the northeast line of the lot 385; in the cadastre of the parish of Saint-Léonard, the northwest line of the lot 163; the northeast line of the lots 163 to 173; in the cadastre of the township of Horton, part of the northwest line of the lot 6; the northeast line of the lots 6 to 22; the southeast line of the lot 22; part of the northeast line of the cadastre of the township of Simpson; in the cadastre of that township, the southeast line of the lot 6 of the rang XII and the lot 6b of the rang XI; part of the dividing line between the rang X and the rang XI; the southeast line of the lot 6 of the rang X; part of the dividing line between the rang IX and the rang X; the southeast line of the lot 12 of the rang IX and the rang VIII; part of the dividing line between the rang VII and the rang VIII; the southeast line of the lot 12b of the rang VII, of the lot 12c of the rang VI, of the lot 12 of the rang V and of the lot 12b of the rang IV; part of the dividing line between the rang III and the rang IV; the southeast line of the lot 19 of the rang III and of the lot 19b of the rang II, the latter extended to the median line of the rivière Saint-François; the median line of the said river upstream skirting on the right the islands closest to the right shore and on the left the islands closest to the left shore to the extension of the southeast line of the lot 14 of the cadastre of the township of Wickham; in that cadastre, the said extension and the said southeast line; the southeast line of the lots 30, 49, 148, 167, 168, 292, 291 and 305; part of the dividing line between the rang VI and the rang VII; part of the northwest line of the cadastre of the township of Wickham; part of the dividing line between the rang VIII and the rang IX; the southeast line of the lot 448; part of the dividing line between the rang IX and the rang X; part of the southeast line of the cadastre of the township of Grantham; in the cadastre of that township, the southwest line of the lots 1095 in declining order to the lot 1081; the southeast line of the lots 1110 to 1119 and 1121; the southwest line of the lots 1121

and 1124; the southeast line of the lot 1139; finally, the dividing line between the rang X and the rang XI to the starting point.

This electoral division comprises the following municipalities: the city of Drummondville; the town of Drummondville-Sud; the villages of Notre-Dame-du-Bon-Conseil, Saint-Cyrille and Saint-Germain-de-Grantham; the municipalities of the parishes of Notre-Dame-du-Bon-Conseil, Saint-Edmond-de-Grantham, Saint-Germain-de-Grantham and Saint-Majorique-de-Grantham; the municipality of the united townships of Wendover-et-Simpson, and the municipalities of Grantham-Ouest and Saint-Nicéphore.

30. DUBUC

The electoral division of Dubuc comprises the territory bounded as follows: starting from a point located at the intersection of the median line of the rivière Saguenay with the extension of the southeast side of the cadastre of the township of Dumas; thence, the median line of the rivière Saguenay and passing north of the île Saint-Louis to the extension of the southeast line of the cadastre of the township of Labrosse; this extension and the southeast line of the same cadastre; an astronomical meridian line marked on the ground from the north corner of the cadastre of the township of Albert to the watershed mark between Hudson's Bay and the fleuve Saint-Laurent; the said watershed mark southwesterly to the outlet of a small lake flowing into the rivière Péribonca and located southwest of the lac Pollet; the median line of the outlet of that small lake and the median line of the rivière Péribonca to parallel 50°00' of north latitude; the said parallel to meridian 71°00' of west longitude; the said meridian southerly to the median line of the rivière Manouane; the median line of the said river and the median line of the rivière Péribonca to the extension of the north line of the cadastre of the township of Rouleau; the said extension; the north and east lines of the cadastre of the township of Rouleau and part of the south line of the said township; the west line of the cadastres of the townships of Bégin and Bourget, such line extended to the median line of the rivière Saguenay; the median line of the said river downstream to the extension of the dividing line between the lots 27 and 28b of the rang A of the cadastre of the township of Simard; the said extension; in the cadastre of that township, part of the said dividing line between

the lots 27 and 28b of the rang A to a contour line determined at the elevation of 236,6 feet according to geodesic data; the said contour line across the lot 27 to the dividing line between the lots 26 and 27 of the rang A; part of the said dividing line between lots northeasterly to the dividing line between the rang A and the rang I; the said dividing line between ranges to the southeast line of the lot 22 of the rang A; part of the said southeast line of the lot 22 southwesterly to the southwest limit of the land of the Price Company Limited described in a deed of sale registered at Chicoutimi under number 35648; an irregular line crossing the lots 21, 20a, 19a, 18a, the rivière Shipshaw and the lots 18b, 18c and 19b of the rang A following the limit of the land of the Price Company Limited described in the said deed of sale to the dividing line between the lots 19b and 20b of the rang A; part of the said dividing line between lots northeasterly to the northeast limit of the land owned by the company called "Alcoa Power Company Limited" or representatives on lot 19b of the rang A; the northeast limit of the land of the said company southeasterly to the northwest limit of the land owned by Eugène Dufour described in a deed registered at Chicoutimi under number 50573; the northwest and southwest limits of the land of Eugène Dufour, such line extended across a public way to the northwest line of the lot 18b of the rang A; part of the northwest line of the said lot 18b to the median line of a creek determining the southwest limit of land owned by Adjutor Villeneuve; the southwest and southeast limits of the said land of Adjutor Villeneuve; the south side of a public way easterly and limiting to the north a part of the lot 18b and the lot 17c of the rang A and crossing a part of the lot 16 of the said rang A to the dividing line between the rang A and the rang I; part of the said dividing line between ranges easterly to the dividing line between the lots 15 and 16 of the rang A; the said dividing line between lots and its extension to the median line of the rivière Saguenay; the median line of the said river downstream to the extension of the dividing line between the cadastres of the townships of Tremblay and Simard; the said extension and part of the said dividing line between townships to the dividing line between the rang II and the rang III of the cadastre of the township of Tremblay; in the cadastre of that township, the said dividing line between ranges; the dividing line between the lots 31a and 32 of the rang III; part of the dividing line between the rang III and the rang IV easterly to a straight line in the lot 26c of the rang III running N. 15°35'34" E. and situated at a distance of one thousand two hundred and thirty-nine and two-tenths

feet (1 239,2 ft) from the west line of the former lot 27a of the rang III, such distance measured along the north line of the rang III; the said straight line in the lot 26c to the south line of the rang III; part of the south line of the said range easterly and its extension to the median line of the rivière Saguenay; the median line of the said river downstream to the extension of the dividing line between the cadastres of the townships of Chicoutimi and Bagot; the said extension; a broken line dividing the cadastre of the parish of Chicoutimi from the cadastres of the parish of Saint-Alphonse and of the township of Chicoutimi to the northeast line of the cadastre of the township of Laterrière; part of the northeast line of the cadastre of the township of Laterrière; in that township, part of the dividing line between the rang XII and the rang XIII and the dividing line between lots 9 and 10 of the rang XIII; part of the northwest line of the cadastre of the township of Laterrière and its extension to the median line of the rivière Cyriac; the median line of the said river southerly to the extension of the south line of the cadastre of the township of Lapointe; the said extension and the south line of the cadastres of the townships of Lapointe, Dubuc, Boilleau, Lalléant, Périgny, Ducreux and Sagard; the southeast line of the cadastres of the townships of Sagard and Dumas and its extension to the starting point.

This electoral division comprises the following municipalities: the city of La Baie; the villages of Laterrière and Saint-Ambroise; the municipalities of the parishes of Notre-Dame-de-Laterrière and Sainte-Rose-du-Nord; the municipalities of the townships of Bourget, Otis, Saint-Jean and Tremblay; the municipalities of Bégin, Ferland-et-Boilleau, Petit-Saguenay, Rivière-Éternité, Saint-David-de-Falardeau, Saint-Fulgence, Saint-Honoré and Shipshaw. It also comprises the township of Sagard situated in unorganized territory.

31. DUPLESSIS

The electoral division of Duplessis comprises: (a) the territory bounded as follows: starting at the point of intersection of the dividing line between the cadastres of the townships of Cannon and Royer with the shore of the fleuve Saint-Laurent; thence, successively, the following lines: the said dividing line between the townships and its extension across the cadastres of the townships of Fafard and Godbout to its intersection with the extension of the west line of the cadastre of the township of Belle-Roche; the said extension and the said west line; the south

line of the cadastres of the townships of Godefroy, Berthelet and Hervieux; the west line of the cadastres of the townships of Hervieux, Pétel, Rémy, Monrepos, Bouat and Cortereal, this last line extended to parallel 52°51' of north latitude; the said parallel and the watershed mark between the fleuve Saint-Laurent and the Ashuanipi (Hamilton or des Esquimaux) river and the east limit of the province; finally, the shore of the golfe du Saint-Laurent and of the fleuve Saint-Laurent to the starting point;

(b) the archipel de Mingan, the île d'Anticosti and all the islands closest to the north shore of the golfe du Saint-Laurent located in whole or for the greater part opposite to its territory;

(c) the part of the golfe du Saint-Laurent and the fleuve Saint-Laurent included within the boundaries of the province in front of that territory and not included in other electoral divisions;

(d) the territory comprised between the parallels 54°45' and 54°55' of north latitude and the meridians 66°35' and 67°00' of west longitude and including the town of Schefferville.

This electoral division comprises the following municipalities: the city of Sept-Îles; the towns of De Grasse, Fermont, Gagnon, Havre-Saint-Pierre, Port-Cartier and Schefferville; the municipalities of the townships of Letellier and Natashquan; the municipalities of Aguanish, Baie-Johan-Beetz, Côte-Nord-du-Golfe-Saint-Laurent, Gallix, Île-d'Anticosti, Longue-Pointe, Moisie, Rivière-au-Tonnerre, Rivière-Pentecôte, Rivière-Pigou and Rivière-Saint-Jean. It also comprises the Indian reserves of La Romaine, Mingan, Natashquan, Saint-Augustin, Matimekosk (Schefferville) and Sept-Îles-Malietenam; the localities of Fire-Lake and Mont-Wright situated in unorganized territory.

32. FABRE

The territory of the electoral division of Fabre can be described as follows:

starting from the intersection of the median line of the autoroute des Laurentides (15) with the median line of the rivière des Mille Îles; thence, the median line of the said river upstream and passing west of all the islands forming part of the cadastre of the parish of Sainte-Rose and southwest of the island bearing number 235 of the cadastre of the parish of Sainte-Dorothée to the median line of the rivière des Prairies; the said median line of the rivière des Prairies downstream and passing south of the islands bearing numbers 236 and 241 of the cadastre of the

parish of Sainte-Dorothée, southeast of the islands bearing numbers 239, 238, 237 and 240 of the said cadastre, to the extension of the median line of the autoroute Chomedey (13); the extension and the median line of the said highway to the median line of the autoroute Laval (440); the median line of the said highway to the median line of the autoroute des Laurentides (15); the median line of the said highway to the starting point.

This electoral division comprises part of the city of Laval bounded as follows: the limit of the city of Laval in the rivière des Mille Îles, the autoroute des Laurentides (15), the autoroute Laval (440), the autoroute Chomedey (13), the limit of the city of Laval in the rivière des Prairies and the lac des Deux Montagnes.

33. FRONTENAC

The electoral division of Frontenac comprises the territory bounded as follows:

starting from the south corner of the cadastre of the township of Halifax; thence, successively, the following lines: a broken line limiting to the southwest, northwest and north the cadastre of the township of Halifax to the dividing line between the rang X and the rang XI of the said cadastre; in that cadastre, part of the said dividing line between ranges; the southeast line of the lot 785; part of the dividing line between the rang IX and the rang X; the southeast line of the lot 832; part of the dividing line between the rang VIII and the rang IX; the southeast line of the lot 889; part of the dividing line between the rang VII and the rang VIII; the northwest line of the lots 578 and 681; part of the dividing line between the rang IX and the rang X; the northwest line of the lot 684; part of the dividing line between the rang X and the rang XI; the northwest line of the lot 736a; the northeast line of the rang XI; the southwest line of the lot 724; part of the dividing line between the rang X and the rang XI; part of the southeast line of the cadastre of the township of Halifax; in the cadastre of the township of Ireland, the northeast line of the lot 686; part of the northwest line of the lot 496; the southwest side of the front way of the rang IX; the northwest line of the lot 501; the southwest side of the front way of the rang X; the northwest line of the lot 611; part of the dividing line between the rang X and the rang XI; a broken line dividing the cadastre of the township of Thetford from the cadastre of the township of Ireland part of the southwest line of the cadastre of the township

of Leeds to the west corner of the lot 4A of the rang I of the said township; the northwest line of the lot 4A of the rang I and the rang II; the southwest and northwest lines of the lot 3 of the rang III; part of the line dividing the rang III and the rang IV of the cadastre of the township of Leeds to the cadastre of the township of Inverness; part of the line of the cadastres of the townships of Inverness and Leeds; the northwest, northeast and north lines of the cadastre of the township of Leeds; part of the southeast line of the cadastre of the township of Leeds; a broken line dividing the cadastre of the township of Broughton from the cadastres of the parishes of Saint-Séverin and Saint-Frédéric; part of the dividing line between the rang III and the rang IV of the cadastre of the township of Broughton and part of the southeast line of the said township to the extension of the southwest side of the way between the rang V and the rang VI of the cadastre of the township of Tring; in the cadastre of the parish of Saint-Victor-de-Tring, the said extension and the southwest side of the said way; the southeast line of the lot 713 and its extension to the southwest side of the way between the rang VI and the rang VII; the said southwest side of the said way and its extension to the southeast line of the cadastre of the township of Broughton; part of the said southeast line to the extension of the southwest side of the way between the rang VII and the rang VIII; in the cadastre of that township, the said extension and the southwest side of the said way to the southeast line of the lot 25b of the rang VIII; the said line and its extension to the southwest side of the way between the rang VIII and the rang IX; the said southwest side of the said way to the extension of the northwest line of the lot 25a of the rang VIII; the said extension and part of the northwest line of the said lot for a length of about eight (8) arpents; a straight line parallel to the way between the rang VIII and the rang IX along the width of the lots 24b and 24a; the southwest line of the lot 23c for a length of about eight (8) arpents and its extension to the southwest side of the way between the rang VIII and the rang IX; the southwest side of the said way; the southeast line of the lot 23a of the rang IX; part of the dividing line between the rang IX and the rang X; the southeast line of the lot 24b of the rang X and of the lot 24d of the rang XI to the southwest side of a public way; the southwest side of the said way to the southeast line of the lot 26b; part of the southeast line of the said lot; part of the southeast line of the cadastres of the townships of Thetford and Adstock to the northwest line of the lot 537 of the cadastre of the parish of Saint-

Éphrem-de-Tring; in that cadastre, the northwest line of the said lot; part of the dividing line between the rang X and the rang XI; the southeast line of the lot 529; part of the northeast and southeast lines of the cadastre of the township of the Adstock to the dividing line between the rang IX and the rang X of the said township; in the cadastre of that township, part of the said dividing line between ranges; the southeast side of the way between the lots 10 and 11a of the rang IX; the southeast line of the lot 11a of the rang VIII and the southeast line of the lot 11 of the rangs VII, VI, V, IV and III; part of the southwest and southeast lines of the cadastre of the township of Adstock, such last-mentioned line extended to the median line of the lac Saint-François; the median line of the said lake generally southerly to the extension of the southeast line of the lot 9a of the rang I of the cadastre of the township of Price; the said extension and the said line; a broken line dividing the cadastre of the township of Stratford from the cadastres of the townships of Price and Winslow to the southwest line of the lot 15b of the rang IV of the cadastre of the township of Stratford; in the cadastre of that township, the southwest line of the lots 15b and 15a of the rang IV and of the lot 15 of the rang V and the rang VI; part of the dividing line between the rang VI and the rang VII; the southwest line of the lot 7 of the rang VII; the line dividing the rang VII from the rang VIII and the rang III Nord-Est; the southwest line of the rang III Nord-Est and its extension to the median line of the lac Aylmer; the extension and the southwest line of the lot 14 of the rang VII of the cadastre of the township of Garthby; part of the dividing line between the rang VI and the rang VII; the southwest lines of the lots 16 of the rang VI, the rang V and the rang IV; part of the dividing line between the rang III and the rang IV of the same township; part of the southwest line of the cadastre of the township of Garthby; part of the dividing line between the cadastres of the townships of Garthby and Wolfestown; in the cadastre of such last-mentioned township, part of the dividing line between the rang VIII and the rang IX; the northwest line of the lot 21a of the rang VIII; part of the dividing line between the rang VII and the rang VIII; the northwest line of the lots 19a and 19b of the rang VII; part of the dividing line between the rang VI and the rang VII; the northwest line of the lot 17 of the rang VI; part of the dividing line between the rang V and VI; the northwest line of the lot 14a of the rang V; finally, the dividing line between the rang IV and the rang V to the starting point.

This electoral division comprises the following municipalities: the city of Thetford-Mines; the towns of Black-Lake and Disraeli; the villages of Bernierville, East-Broughton-Station, Robertsonville and Sainte-Anne-du-Lac; the municipalities of the parishes of Disraeli, Sacré-Coeur-de-Jésus, Sacré-Coeur-de-Marie-Partie-Sud, Saint-Antoine-de-Pontbriand, Saint-Jacques-le-Majeur-de-Wolfestown, Saint-Julien and Sainte-Praxède; the municipalities of the townships of Halifax-Nord, Halifax-Sud, Halifax-Sud-Partie-Sud-Ouest, Ireland-Partie-Nord, Leeds and Thetford-Partie-Sud; the municipalities of East-Broughton, Ireland, Rivière-Blanche, Saint-Jacques-de-Leeds, Saint-Joseph-de-Coleraine, Saint-Méthode-de-Frontenac, Saint-Pierre-de-Broughton and Sainte-Sophie.

34. GASPÉ

The electoral division of Gaspé comprises the territory bounded as follows: starting from the point of intersection between the shore of the baie des Chaleurs and the southwest line of the cadastre of the township of Newport; thence, successively, the following lines; the southwest line of the cadastres of the townships of Newport, Raudin and Vondenvelden; the west line of the cadastre of the township of Gastonguay; the south and west lines of the cadastre of the township of Bonnécamp; the west line of the cadastre of the township of La Rivière; the dividing line between the cadastre of the seigneurie of Mont-Louis and the cadastre of the township of Duchesnay to the west line of the lot 55-2 of the cadastre of the municipality of Saint-Maxime-du-Mont-Louis; in that cadastre, the west line of the lots 55-2, 54-2, 53-2 and 52a-2; a straight line to the outlet of the ruisseau du Petit Cap; another straight line in the fleuve Saint-Laurent parallel to the general direction of the lateral lines of the lots northerly to the median line of the river; the median line of the river downstream to the extension of an irregular line running halfway between the southwest shore of the île d'Anticosti and the northeast shore of the péninsule de la Gaspésie; the said irregular line in a general southeasterly direction and skirting to the east and southwest the péninsule de la Gaspésie to the extension of the southwest line of the cadastre of the township of Newport; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the cities of Gaspé and Percé; the towns of Chandler, Grande-Rivière and Murdochvil-

le; the village of Mont-Saint-Pierre; the municipality of the township of Cloridorme; the municipalities of Grande-Vallée, Newport, Pabos, Pabos-Mills, Petite-Vallée, Saint-François-de-Pabos, Sainte-Madeleine-de-la-Rivière-Madeleine, Saint-Maxime-du-Mont-Louis and Sainte-Thérèse-de-Gaspé.

35. GATINEAU

The territory of the electoral division of Gatineau can be described as follows: starting from the southwest corner of the lot 10-C of the rang VI of the cadastre of the township of Hull; thence, the west line of the lot 10-C of the rang VI and part of the west line of the lot 10-B of the rang VI to the southwest side of the boulevard Cité-des-Jeunes (formerly the Iron-Mine road); the southwest side of the said way northwesterly to the line dividing the rang VI and the rang VII; the said line dividing the ranges eastward to the northwest corner of the lot 10-B of the rang VI; the west line of the lot 10-B of the rang VII northward across the chemin Freeman to the north side of the said way; the north side of the said way eastward to the line dividing the rang VI and the rang VII; the said line dividing the ranges eastward and its extension to the median line of the rivière Gatineau; the median line of the said river downstream skirting to the right the islands that are nearest the left shore and to the left of the islands that are nearest the right shore to the extension of the east line of the cadastre of the township of Hull; the said extension and part of the said east line; part of the south line of the cadastre of the township of Wakefield to the east limit of the lot 15-B of the rang I; the east lines of the lots 15-A and 15-B of the rangs I, II, III and VIII of the same township; the east lines of the lots 15 of the rangs IV, V, VI, VII, IX, X and XI, part of the north limit of the said township; the east line of the cadastre of the township of Denholm and part of the east line of the cadastre of the township of Hincks to the south shore of the lac Poisson Blanc; the south, southwest and northwest shores of the said lake to the line dividing the cadastres of the townships of Hincks and Blake; part of the line dividing the townships and the line dividing the rang IV and the rang V of the cadastre of the township of Blake; the line dividing the rang VI Ouest and the rang V Ouest of the cadastre of the township of Wabasse; part of the south line, the east line and part of the north line of the cadastre of the township of Kensington; the east line of the cadastres of the townships of Aumont, Sicotte, Bas-

katong and Gay to the northwest extension of the southwest line of the cadastre of the township of Pau; this extension and the southwest limit of the cadastre of the township of Pau; the southeast line of the cadastres of the townships of Pau and Chopin and its extension across the vacant lands of the Crown to its intersection with the extension of the northeast line of the cadastre of the township of Dupont; the said extension northwestward to the south line of the cadastre of the township of Gosselin; part of the south and west lines of the cadastre of the township of Gosselin; the south line of the cadastres of the townships of Radisson, Chouard, Festubert, Lens, Vimy, Cambrai, Ypres, Denain and Villebon; the west line of the cadastre of the township of Fréville; part of the south line of the cadastre of the township of Granet to its intersection with the median line of the rivière Dumoine; the said median line downstream to its intersection with the extension of the south line of the cadastre of the township of Lorimier; this extension and the south line of the said township and the south line of the cadastres of the townships of Jamot, Horan, Houdet; the west and south lines of the cadastre of the township of Auvergne; the west line of the cadastre of the township of Hainaut; the south line of the cadastres of the townships of Hainaut and Orléanais; the west and south lines of the cadastre of the township of Maine; the west line of the cadastres of the townships of Egan and Maniwaki; the north and west line of the cadastre of the township of Church; the west line of the cadastres of the townships of Dorion, Alleyn, Cawood and Aldfield; the south line of the cadastre of the township of Aldfield, part of the west line and the south line of the cadastre of the township of Masham; part of the west line of the cadastre of the township of Hull to the south line of the lot 28-C of the rang VIII of the said cadastre; part of the south limit of the rang VIII of the said township to the southwest corner of the lot 18-B of the same range; the west limit of the lots 18-A and 18-B of the rang VII; part of the south limit of the said range to the southeast corner of the lot 13-B of the same range; the west limit of the lots 12-A and 12-B of the rang VI; the south limit of the lots 12-B and 11-D of the same range to the starting point.

This electoral division comprises the following municipalities: the town of Maniwaki; the village of Gracefield; the municipalities of the townships of Aumond, Bouchette, Cameron, Denholm, Dorion, Grand-Remous, Hull-Partie-Ouest, Low, Lytton and Wright; the municipality of the united townships of Alleyn-et-Cadwood; the municipalities of Blue-Sea,

Bois-Franc, Deléage, Egan-Sud, Kazabazua, Lac-Sainte-Marie, La Pêche, Messine, Montcerf, Northfield and Sainte-Thérèse-de-la-Gatineau.

It also comprises part of the town of Gatineau bounded as follows: the limit of the city of Gatineau with the municipalities of La Pêche n-d and Val-des-Monts n-d, the extension of the chemin Lamarche, such way and its extension, the rue Blais and its extension and the rivière Gatineau.

It also comprises part of the municipality of Notre-Dame-de-Pontmain bounded as follows: the limit of the municipality of Notre-Dame-de-Pontmain with the municipality of Deléage, the limit of the rang VI Ouest with the rang V Ouest, the limit of the municipality of Notre-Dame-de-Pontmain with the municipalities of Northfield, Cameron and Sainte-Thérèse-de-la-Gatineau.

Lastly, this electoral division comprises the indian reserves of Maniwaki and Rapid-Lake, together with the hamlet of Le Domaine situated in the parc de La Vérendrye in unorganized territory.

36. GOUIN

The territory of the electoral division of Gouin can be described as follows:

starting from the intersection of the median line of the rue Saint-Denis with the median line of the rue Saint-Zotique; thence, the median line of the rue Saint-Zotique to the median line of the rue de Bordeaux; the median line of said way to the median line of the rue Bélanger; the median line of the said way to the median line of the 6^e Avenue; the median line of said way to the median line of the rue Masson; the median line of the said way to the median line of the main railway line of the Canadian Pacific Railway Company; the median line of the said main railway line to the median line of the rue Saint-Denis; finally, the median line of the said way to the starting point.

This electoral division comprises part of the city of Montréal bounded as follows: the rue Saint-Zotique, the rue de Bordeaux, the rue Bélanger, the 6^e avenue, the rue Masson, the railway line of the Canadian Pacific Railway Company and the rue Saint-Denis.

37. GROULX

The territory of the electoral division of Groulx can be described as follows:

starting from the point of intersection of the southwest limit of the cadastre of the parish of Sainte-Thérèse-de-Blainville with the shore of the rivière des Mille Îles; thence, successively, the following lines: a broken line dividing the cadastre of the parish of Sainte-Thérèse-de-Blainville from the cadastres of the parishes of Saint-Eustache and Saint-Augustin to the southeast line of the lot 632 of the cadastre of the parish of Sainte-Thérèse-de-Blainville; in that cadastre, the said southeast line; a broken line dividing the lot 628 from the lots 631, 630, 629, 164 and 165; the west, north and northeast shores of a small lake limiting to the north the lots 165 and 171 to the median line of the rivière aux Chiens; the median line of the said river downstream to the extension of the southwest line of the lot 608; the said extension and the said southwest line; the southeast line of the lot 600; the dividing line between the lots 601 and 603; the southeast line of the lot 601; a broken line limiting to the south and southeast the lot 599; part of the northeast line of the lot 599; to the south side of the chemin de la Côte Nord; the south side of the said way easterly to the southwest line of lot 587; part of the southwest line of the said lot southeasterly and its extension to the median line of the rivière aux Chiens; the median line of the said river downstream to the extension of the southwest line of the lot 577; the southwest, north and northeast lines of the said lot 577, the last-mentioned line being extended to the median line of the rivière aux Chiens; the median line of the said river downstream to its intersection with the extension of the southeast line of the lot 573; the said extension and part of the said southeast line to the northeast side of the autoroute des Laurentides (No. 15), that is, a line parallel to the median line of the said highway and situated at a distance of one hundred and fifty feet (150,0 ft) to the northeast of the said median line; the northeast side of the said highway northwesterly to the northwest line of the lot 672; a broken line dividing the cadastre of the parish of Sainte-Thérèse-de-Blainville from the cadastre of the parish of Saint-Janvier; the northeast line of the cadastre of the parish of Sainte-Thérèse-de-Blainville to the extension of the northwest line of the lot 4 of the cadastre of the parish of Saint-Louis-de-Terrebonne; in this cadastre the said extension and a broken line limiting towards the northwest the lots 4, 5, 12, 13, 14, 16, 17 and 18; part of the

northeast line of the lot 18 to the west corner of the lot 19; a broken line limiting toward the northwest the lots 19, 10, 23, 24 and 25; the northeast line of the lot 25; the line limiting towards the northwest a part of the lot 26 and the lot 30; the east line of the lot 30 extended across the chemin Adolphe-Chapleau, the east line of the lots 29 and 28; the line dividing the lots 27 and 36 and its extension to the median line of the rivière des Mille Îles; the said median line upstream passing southwest of the islands bearing numbers 923 and 923A and south of all the islands forming part of the cadastre of the parish of Sainte-Thérèse-de-Blainville to its intersection with a straight line running at the most westerly extremity of the island bearing number 946 of the said cadastre and starting at the point of intersection of the southwest limit of the cadastre of the parish of Sainte-Thérèse-de-Blainville with the north shore of the rivière des Mille-Îles; finally, the said straight line to the starting point.

This electoral division comprises the city of Sainte-Thérèse; the towns of Blainville, Boisbriand, Lorraine and Rosemère, and the village of Bois-des-Filion.

38. HULL

The electoral division of Hull comprises the territory bounded as follows:

starting as the point of intersection of the west line of the lot 14-1 of the cadastre of the city of Hull (ward No. 1) with the north shore of the rivière des Outaouais; thence, successively the following lines: the west line of the lots 14-1 and 13-1 of the said cadastre, the latter line being extended to the northwest side of the chemin d'Aylmer (route no 148); the northwest side of the said way southwesterly to a point situated three hundred and ninety-six feet and seven-tenths (396,7 ft) southwest of the west side of the chemin de la Montagne (Brickyard), such distance measured along the northwest side of the said chemin d'Aylmer; a line in the lot 9a of the rang III of the cadastre of the township of Hull, perpendicular to the northwest side of the chemin d'Aylmer and six hundred and fifty-nine and seven-tenths feet (659,7 ft) long; with reference to the cadastre of the township of Hull, another line in the lot 9a northerly and six hundred and seventeen and nineteen hundredths feet (617,19 ft) long, that is, to its intersection with a line parallel to the west side of the chemin de la Montagne (Brickyard), the north extremity of the latter line being on the south line of

the lot 9a-8 of the rang III and five hundred and twenty-five and six-tenths feet (525,6 ft) from the west side of the chemin de la Montagne (Brickyard); the said parrallel line for a distance of one thousand one hundred and seventy-four and two-tenths feet (1 174,2 ft); part of the south line of the lot 9a-8 and the south line of the lots 9a-9, 9a-25, 9a-16, 9a-17, 10-7, 10-8, 10-9, 10-12, 10-54 and 10-53 of the rang IV; a line limiting to the west the lots 10-53, 10-52, 10-91, 10-51, 10-50, 10-90, 10-49, 10-48, 10-47, 10-84 and 10-18 of the rang III; a line across a public way between the rang III and the rang IV and joining the northwest extremity of the lot 10-18 in the rang III to the southwest end of the lot 10c of the rang IV; the west line of the lots 10c and 10b of the rang IV; the north line of the lots 10b and 9b-3 of the rang IV; the west line of the lot 9b-1 of the rang IV and its extension to the northeast side of the chemin de la Montagne; the northeast side of the chemin de la Montagne and the northwest side of the boulevard Gamelin southeasterly and northeasterly to the west side of the boulevard de la Cité-des-Jeunes; the west and southwest sides of the said way to the south line of the lot 9c of the rang VI; the south line of the lots 9c and 10c of the rang VI; the west line of the lot 10c of the rang VI and part of the west line of the lot 10b of the rang VI to the southwest side of the boulevard de la Cité-des-jeunes (former Iron-Mine road); the southwest side of the said way northwesterly to the dividing line between the rang VI and the rang VII; the said dividing line between ranges easterly to the northwest corner of the lot 10b of the rang VI; the west line of the lot 10b of the rang VII northerly across the chemin Freeman to the north side of said; the north side of the said way easterly to the dividing line between the rang VI and the rang VII; the said dividing line between ranges easterly and its extension to the median line of the rivière Gatineau; the median line of the said river downstream skirting on the right the islands closest to the left shore and on the left the islands closest to the right shore and its extension to the Québec — Ontario border line in the rivière des Outaouais (Ottawa river); the said border line southerly and southeasterly to the extension of the west line of the lot 14-1 of the cadastre of the city of Hull (ward No. 1); finally, the said extension to the starting point.

This electoral division comprises the city of Hull.

39. HUNTINGDON

The electoral division of Huntingdon comprises the territory bounded as follows: starting from the north corner of the lot 1 of the cadastre of the parish of Sainte-Martine; thence, successively, the following lines: the northeast limit of the cadastre of the parish of Sainte-Martine and of part of the cadastre of the parish of Saint-Urbain-Premier; part of the northwest limit of the cadastre of the parish of Saint-Isidore to the southwest line of the lot 2 of the said cadastre; in the cadastre of the parish of Saint-Isidore, the southwest and southeast lines of the lot 2, the latter extended across the lot 32 to the northeast line of the latter lot; the northeast line of the lot 32 northwesterly and the northeast line of the lot 1 to the south line of Sault-Saint-Louis seigniory; a broken line dividing the cadastre of the parish of Saint-Isidore from the Sault-Saint-Louis seigniory and the cadastre of the parish of Saint-Constant; the northeast limit of the cadastre of the parish of Saint-Rémi; a broken line dividing the cadastres of the parishes of Saint-Constant and Saint-Philippe from the cadastres of the parishes of Saint-Michel and Saint-Édouard to the southwest line of the lot 230 of the cadastre of the parish of Saint-Édouard; in that cadastre, the said southwest line; a broken line limiting to the west the lots 160, 163, 164, 167 and 170; a broken line dividing the lot 170 from the lots 225 and 173; the northeast line of the lot 172 and its extension to the median line of the rivière de la Tortue; the median line of the said river northerly to the extension of the south line of the lot 177; the said extension and the said south line; a broken line limiting to the west the lots 177 to 180; part of the northeast line of the lot 180; the northwest line of the lots 181, 182, 184, 186 and 188 to 192; a broken line dividing the cadastre of the parish of Saint-Édouard from the cadastres of the parishes of Saint-Philippe and Saint-Jacques-le-Mineur; another broken line dividing the cadastre of the parish of Saint-Patrice-de-Sherrington from the cadastres of the parishes of Saint-Jacques-le-Mineur and Saint-Cyprien and from the parish of Lacolle; the southeast line of the cadastre of the township of Hemmingford; the Québec — United States border line westerly; the Québec — Ontario border line in the fleuve Saint-Laurent and the lac Saint-François and the median line of the said lake to the extension of the southwest line of the cadastre of the parish of Saint-Stanislas-de-Kostka; the said extension; the southwest and south lines of the cadastre of the

parish of Saint-Stanislas-de-Kostka; finally, a broken line dividing the cadastres of the parishes of Saint-Louis-de-Gonzague, Saint-Étienne and Saint-Clément from the cadastres of the parishes of Saint-Malachie and Sainte-Martine to the starting point.

This electoral division comprises the following municipalities: the towns of Huntingdon and Saint-Rémi; the villages of Hemmingford, Howick, Ormstown and Saint-Chrysostome; the municipalities of the parishes of Saint-Anicet, Sainte-Barbe, Sainte-Clothilde, Saint-Édouard, Saint-Isidore, Saint-Jean-Chrysostome, Saint-Malachie-d'Ormstown, Sainte-Martine, Saint-Michel, Saint-Patrice-de-Sherrington, Saint-Urbain-Premier and Très-Saint-Sacrement; the municipalities of the townships of Dundee, Elgin, Godmanchester, Havelock, Hemmingford and Hinchinbrook; the municipalities of Franklin and Saint-Paul-de-Châteauguay. It also comprises the indian reserve of Saint-Régis.

40. IBERVILLE

The electoral division of Iberville comprises the territory bounded as follows:

starting from the north corner of the lot 69 of the cadastre of the parish of Saint-Jean-Baptiste; thence, a broken line dividing the cadastre of the parish of Saint-Damase from the cadastre of the parishes of Saint-Jean-Baptiste and Saint-Césaire to the north corner of the lot 656; thence, a line joining the northwest corner of the lot 352 of the cadastre of the parish of Saint-Damase; the northeast lines of the lots 352, 351, 350 and 303; a broken line dividing the cadastres of the parishes of Saint-Damase and Notre-Dame-de-Saint-Hyacinthe from the cadastres of the parishes of Saint-Césaire and Saint-Pie; the east limit of the cadastres of the parishes of Saint-Pie, Saint-Paul-d'Abbotsford, l'Ange-Gardien and Saint-Romuald-de-Farnham-Ouest; part of the south line of the cadastre of the parish of Saint-Romuald-de-Farnham-Ouest; in that cadastre, the west line of the lots 23 and 21; part of the dividing line between the rang I and the rang II; the west line of the lot 92; part of the dividing line between the rang II and the rang III; part of the east line of the cadastre of the parish of Sainte-Brigide; in that cadastre, the southwest line of the Deuxième Rang Double-De-Murray-Côté-Sud; the east line of the lots 315 to 325; the southeast and south lines of the lot 325; the east line of the lot 326; the southwest line of the lots 326, 327 and 328; part of the east line of the lot 329; the southwest line of the lots 329, 330 and

331; the east line of the lots 114 to 96 in declining order; part of the southwest line of the lot 96; in the cadastre of the parish of Saint-Alexandre, the east line of the lot 41; the southwest line of the lots 41 and 40; the southeast line of the lot 92; the northeast line of the lots 209 to 225; the southeast line of the lots 225 and 226; the northeast and east limits of the cadastre of the parish of Saint-Alexandre; the east limit of the cadastre of the parish of Saint-Sébastien; in that cadastre, part of the south line of the lot 153; the east line of the lots 179 and 345; the southeast line of the lot 345; the southwest line of the lots 345, 343, 342, 341, 338 and part of the lot 337; the east line of the lots 323, 322, 321, 320, 319 and 317; part of the south line of said lot 317; in the cadastre of the parish of Saint-Georges-de-Clarenceville, the east line of the lot 169; the north line of the lots 183 and 182; part of the east line of the said cadastre and its extension to the median line of the baie Missisquoi (lac Champlain); the median line of the said bay to the Québec — United States border line; the said border line to the median line of the rivière Richelieu; the median line of the said river downstream and skirting on the left the islands closest to the right shore and on the right the islands closest to the left shore to the extension of the northeast limit of the cadastre of the parish of Saint-Athanase; the said extension; a broken line dividing the cadastre of the parish of Notre-Dame-de-Bon-Secours from the cadastres of the parishes of Saint-Athanase, Saint-Grégoire and Sainte-Marie-de-Monnoir; in the cadastre of the parish of Sainte-Marie-de-Monnoir, the northwest line of the lot 420; the northeast line of the lots 413, 419 and 418; the southwest line of the lot 416; the northeast line of the lots 416 and 417; a broken line dividing the rang du Ruisseau-Barré-Côté-Ouest from the rang du Cordon, the Seconde concession of the cadastre of the parish of Notre-Dame-de-Bon-Secours and the rang de la Rivière-des-Hurons to the median line of the ruisseau Saint-Louis; the median line of the said creek; part of the southwest limit of the cadastres of the parishes of Saint-Jean-Baptiste and Saint-Hilaire; in the cadastre of the parish of Saint-Hilaire, part of the dividing line between the rang des Trentes and the rang des Étangs to the northeast line of the lot 435; the said northeast line; finally, a broken line between the cadastres of the parishes of Saint-Hilaire and Saint-Jean-Baptiste to the starting point.

This electoral division comprises the following municipalities: the city of Farnham; the towns of Iberville, Marieville and Saint-Césaire; the villages of Ange-Gardien, Clarenceville, Henryville, Mont-

Saint-Grégoire, Rougemont, Saint-Alexandre and Saint-Pie; the municipalities of the parishes of Saint-Alexandre, Saint-Ange-Gardien, Sainte-Angèle-de-Monnoir, Sainte-Anne-de-Sabrevois, Saint-Athanase, Saint-Césaire, Saint-Grégoire-le-Grand, Saint-Jean-Baptiste, Sainte-Marie-de-Monnoir, Saint-Michel-de-Rougemont, Saint-Paul-d'Abbotsford, Saint-Pie and Saint-Sébastien; the municipalities of Henryville, Noyan, Rainville, Sainte-Brigide-d'Iberville, Saint-Georges-de-Clarenceville and Venise-en-Québec.

41. ÎLES-DE-LA-MADELEINE

The electoral division of the Îles-de-la-Madeleine is located in the golfe du Saint-Laurent between parallels 47°10' and 48°00' of north latitude and between meridians 61°00' and 62°20' of west longitude and includes the île d'Entrée, the île du Havre Aubert (Amherst), the île du Havre aux Maisons, the île du Cap aux Meules (Grindstone), the île au Loup, la Grosse île, the île de la Grande Entrée, the île Shag, the île Brion, the rocher aux Margaux, the rocher aux Oiseaux, the Corps Mort (Deadman's island) and other islands situated wholly or in part within the said boundaries.

This electoral division comprises the municipalities of the villages of Cap-aux-Meules and Île-d'Entrée and the municipalities of Fatima, Grande-Entrée, Grosse-Île, Havre-aux-Maisons, Île-du-Havre-Aubert and L'Étang-du-Nord.

42. JACQUES-CARTIER

The territory of the electoral division of Jacques-Cartier can be described as follows: starting from the point of intersection of the median line of the fleuve Saint-Laurent with the extension of the median line of 32^e avenue; thence, the extension of the median line of the said way and its extension to the median line of the Canadian Pacific Railway Company's right-of-way; the said median line eastward to the northbound median line of another right-of-way of the said company; the said last median line to its intersection with a broken line being the line dividing the cadastres of the parish of Lachine and the municipality of the parish of Montréal and of the parish of Saint-Laurent and the municipality of the parish of Montréal, the said broken line to the line of the lots 559 and 560 of the cadastre of the parish of Saint-Laurent; the line of the lots 559 and

560 of the said cadastre to the northwest limit of the Canadian Pacific Railway Company's marshalling yard; the said limit to the line of the lots 555 and 553 of the said cadastre; the line of the lots 555, 553, 509 and 510 of the said cadastre; the southeast line of the lots 182 retrogressing to the lot 159 of the said cadastre to a broken line being the line dividing the cadastres of the parishes of Saint-Laurent and of Pointe-Claire; the said broken line to the west line of the lots 84 and 86 of the cadastre of the parish of Pointe-Claire; the said line and the south-east line of the lot 91 of the said cadastre to the line dividing the parishes of Saint-Laurent and of Pointe-Claire; the said cadastral division line to a broken line being the division line of the cadastres of the parishes of Sainte-Geneviève and Pointe-Claire; the said dividing line to a broken line being the southwest line of the lots 121 and 132 of the cadastre of the parish of Sainte-Anne, the north line of the lot 40, the north-east line of the lots 138 and 137, the south line of the lot 137, the line of the lots 33 and 34 of the said cadastre, the line dividing the cadastres of the parishes of Sainte-Anne and of the incorporated village of Pointe-Claire, the said broken line and its extension to the median line of the fleuve Saint-Laurent; the median line of the fleuve Saint-Laurent to the starting point.

This electoral division comprises the city of Dorval, the town of Île-Dorval and the city of Pointe-Claire and part of the city of Lachine, the whole bounded as follows: the limit of the city of Pointe-Claire and the town of Dollard-des-Ormeaux, the limit of the city of Dorval with the town of Dollard-des-Ormeaux, and the city of Saint-Laurent, the limit of the city of Lachine with the city of Saint-Laurent and the city of Côte-Saint-Luc, the railway line of the Canadian Pacific Railway Company, the extension of the 32^e avenue, such way and its extension, the fleuve Saint-Laurent including the île Dorval, the lac Saint-Louis, the limit of the city of Pointe-Claire with the city of Beaconsfield and the town of Kirkland.

43. JEANNE-MANCE

The territory of the electoral division of Jeanne-Mance can be described as follows: starting at the intersection of the boulevard Pie-IX and the median line of the Canadian National Railway Company's right-of-way; the median line of the said right-of-way to its intersection with the line of the lots 4 and 5 of the cadastre of the parish of

Sault-au-Récollet; the said lot line to a broken line dividing the lots 3, 4 and 409 of the said cadastre; the said broken line to the line dividing the cadastre of the parish of Longue-Pointe and the cadastre of the parish of Sault-au-Récollet; the said dividing line to the median line of the boulevard Métropolitain; the median line of the said way to its intersection with the line of the lots 437 and 438 of the cadastre of the parish of Sault-au-Récollet; the said lot line and its extension to the median line of the rue Jarry; the median line of the said way to the extension of the line of the lots 370 and 371 of the said cadastre; this extension and the said lot line to its intersection with the median line of the rue d'Hérelle to its intersection with the median line of the boulevard Pie-IX; the median line of the said way to the starting point.

This electoral division comprises part of the cities of Montréal and Saint-Léonard, the whole bounded as follows: the limit of the city of Montréal and the city of Montréal-Nord, the limit of the city of Saint-Léonard with the city of Montréal-Nord and the town of Anjou, the boulevard Métropolitain, the limit of the city of Saint-Léonard and the city of Montréal, the rue d'Hérelle and the boulevard Pie-IX.

44. JEAN-TALON

The territory of the electoral division of Jean-Talon can be described as follows:

starting at the intersection of the median line of the fleuve Saint-Laurent with the median line of the pont Pierre-Laporte; thence, following the median line of the autoroute 73 (boulevard Henri-IV) northwesterly, to its intersection with the median line of the boulevard Laurier; thence, following the median line of boulevard Laurier northeasterly to its intersection with the median line of the Gouverneurs; the median line of the said way and its extension to the median line of the boulevard Saint-Cyrille; the median line of the said way to the extension of the southwest side of the avenue Painchaud; the said extension and the said southwest side to the southeast side of the rue Muir; the southeast side of the said way to the southwest line of the lot 127-1-2 of the cadastre of the parish of Sainte-Foy; in that cadastre, the southwest line of the lots 127-1-2, 127-32-1, 127-11-2, 127-10, 127-12 to 127-16, 127-9, 127-8 and 127-7; part of the northwest line of the lot 127-7 and the southwest line of the lots 127-4 and 127-17-1 (rue Hélène-Boulé); the northwest line of the lot 127-17-

1; part of the northeast line of the original lot 127 and its extension across the chemin Sainte-Foy; part of the northeast line of the lot 120; the south line and part of the northeast line of the lot 121 of the median line of the boulevard Charest; the median line of the said way northeasterly to the median line of the avenue Saint-Sacrement; the median line of the said way to the top of the coteau Sainte-Geneviève; the top of the coteau Sainte-Geneviève easterly to the median line of the avenue de Salaberry; the median line of the said way to the median line of the boulevard Saint-Cyrille Est; the median line of the said way northeasterly to the median line of the rue Dauphine; the median line of the said way to the fortification wall of the Department of National Defence; a broken line southeasterly and northeasterly along the exterior of the said wall to the line that defines the top of La Falaise; thence, following the top of La Falaise to the extension of the northeast line of the lots 230-6, 232-3 and 232-2 of the cadastre of the parish of Saint-Colomb-de-Sillery; following the northeast line of the said lots, the northeast line of the lot 232-2 being extended to the median line of the fleuve Saint-Laurent; the median line of the fleuve Saint-Laurent upstream to the starting point.

This electoral division comprises part of the cities of Sillery, Sainte-Foy and Québec, the whole bounded as follows: the avenue Saint-Sacrement, the côte Sainte-Geneviève, the avenue de Salaberry, the boulevard Saint-Cyrille Est, the rue Dauphine, the fortification wall, la Falaise, the limit of the cities of Sillery and Québec, the fleuve Saint-Laurent, the pont Pierre-Laporte, the autoroute 73, the boulevard Laurier, the rue des Gouverneurs, the limit of the cities of Sillery and Sainte-Foy, the limit of the cities of Québec and Sainte-Foy and the boulevard Charest Ouest.

45. JOHNSON

The electoral division of Johnson comprises the territory bounded as follows:

starting from the west corner of the lot 1 of the rang VIII of the cadastre of the township of Upton; thence, successively, the following lines: in that cadastre, the northwest line of the lots 1 to 6, 60 and 60a; the northeast line of the lot 60a and of part of the lot 76a; part of the northwest line of the cadastre of the township of Grantham; in the cadastre of that township, part of the dividing line between the rang

X and the rang XI; the southeast line of the lot 139; the northeast line of the lots 1311 and 1337; the northwest line of the lot 1109; part of the dividing line between the rang X and the rang XI; in the cadastre of the township of Wickham, part of the northwest line of the said cadastre; part of the dividing line between the rang IX and the rang X; the northwest line of the lot 449; part of the dividing line between the rang VIII and the rang IX; part of the northwest line of the said cadastre; part of the dividing line between the rang VI and the rang VII; the northwest line of the lots 304, 293, 166, 149, 48, 28, 29 and 15, the last mentioned extended to the median line of the rivière Saint-François; the median line of the said river upstream and skirting on the left islands closest to the left shore and on the right the islands closest to the right shore to the extension of the northwest line of the cadastre of the township of Windsor; in the cadastre of that township, the said extension; part of the said northwest line and the dividing line between the rang IX and the rang X; part of the northwest line, the northeast line and part of the southeast line of the cadastre of the township of Stoke; in the cadastre of that township, part of the dividing line between the rang VIII and the rang IX; the southeast line of the lots 20a and 20c of the rang VIII, 20 of the rang VII, 20b of the rang VI, 20a and 20b of the rang V, 20b and 20c of the rang IV and 20 of the rang III; part of the south line of the said township and its extension to the median line of the rivière Saint-François; the median line of the said river southeasterly to the extension of the dividing line between the cadastre of the townships of Brompton and of Orford; the said extension and part of the said dividing line between the townships; in the cadastre of the township of Orford, the east line of the lot 342; the south line of the lots 342, 343, 434 and 565; part of the dividing line between the rang IX and the rang X; the south line of the lots 628-2, 657-2, 657-1 and its extension across the lac Montjoie; the south line of the lots 657-3, 658, 659, 692 and 729; part of the dividing line between the rang XIII and the rang XIV and its extension in the lac Brompton to the south line of the cadastre of the township of Brompton; part of the south line of the said township; the south line and part of the west line of the cadastre of the township of Ély; part of the dividing line between the rang III and the rang IV of the cadastre of the township of Roxton; a broken line dividing the cadastres of the township of Roxton and of the parish of Saint-Valérien-de-Milton on one side from the cadastres of the parishes of Sainte-Pudentienne

and Sainte-Cécile-de-Milton on the other side; the west and north limits of the cadastre of the parish of Saint-Valérien-de-Milton; the east limit of the cadastres of the parish and of the village of Saint-Éphrem-d'Upton; the southwest limit of the cadastre of the parish of Sainte-Hélène; finally, a broken line dividing the cadastre of the parish of Saint-Hugues from the cadastres of the parishes of Saint-Simon, Saint-Barnabé, Saint-Jude, Saint-Marcel and Saint-Guillaume-d'Upton to the starting point.

This electoral division comprises the following municipalities: the towns of Acton-Vale, Bromptonville, Valcourt and Windsor; the villages of Kingsbury, Melbourne, Roxton-Falls, Saint-Grégoire-de-Greenlay, Saint-Hugues and Upton; the municipalities of the parishes of Saint-André-d'Acton, Sainte-Christine, Saint-Denis-de-Brompton, Saint-Éphrem-d'Upton, Saint-François-Xavier-de-Brompton, Saint-Hugues, Saint-Nazaire-d'Acton and Saint-Théodore-d'Acton; the municipalities of the townships of Brompton, Melbourne, Roxton, Saint-Valérien-de-Milton, Stoke, Valcourt and Windsor; the municipalities of Béthanie, Brompton-Gore, Durham-Sud, L'Avenir, Lefebvre, Maricourt, Racine, Saint-Eugène, Sainte-Hélène-de-Bagot, Ulverton and Wickham.

46. JOLIETTE

The electoral division of Joliette comprises the territory bounded as follows: starting at the west corner of the rang XI of the cadastre of the township of Kildare; part of the northwest line of the rang XI; the southwest line of the lot 7 of the rang XII; part of the northwest line of the rang XII; the dividing line between the lots 564 and 565 of the rang XII; the northwest line of the rang XI to the northeast line of the cadastre of the township of Kildare; part of the northeast line of the cadastre of the township of Kildare and its extension to the median line of the rivière L'Assomption; the median line of the said river upstream to the extension of the dividing line between the rang Saint-Frédéric and the rang Sainte-Émélie-Nord of the cadastre of the parish of Sainte-Élizabeth; in that cadastre, the said extension and the said dividing line between ranges; a broken line dividing the rang Saint-Martin from the rang Sainte-Émélie-Nord and the rang Ruisseau-Sainte-Élizabeth to the east line of the lot 322; the east and south lines of the said lot; the west line of the lot 321; a broken line dividing the rang Sainte-Émélie-Sud and the rang Ruisseau-

Sainte-Élizabeth from the rang de la Chaloupe to the west line of the lot 80; the west line of the said lot and its extension to the median line of the rivière la Chaloupe; the median line of the said river easterly to the extension of the east line of the lot 142; the said extension and the said east line; the median line of a public way bounding the lot 142 on the northeast; a broken line dividing the lots 143, 144, 147, 148, 151, 156, 158, 160, 161, 167a, 168a, 169a and 170a from the lots 139, 223, 222, 149, 150, 220, 157, 159, 162, 163, 167bb, 167c, 168, 169, 170 and 171; a broken line dividing the cadastre of the parish of Saint-Thomas from the cadastres of the parishes of Sainte-Élizabeth, Berthier and Saint-Joseph-de-Lanoraie to the northeast line of the lot 1025 of the cadastre of the parish of Saint-Joseph-de-Lanoraie; part of the northeast line of the said lot; a broken line bounding on the southeast the said concession Nord-Ouest du Lac-Romer; the line dividing the cadastre of the parish of Saint-Joseph-de-Lanoraie from the cadastre of the parish of Saint-Antoine-de-Lavaltrie; a broken line dividing the cadastre of the parish of Saint-Paul from the cadastres of the parishes of Saint-Antoine-de-Lavaltrie and L'Assomption; another broken line dividing the cadastres of the parishes of Sainte-Marie-Salomée, Saint-Jacques-de-l'Achigan and Saint-Esprit from the cadastres of the parishes of L'Assomption, L'Épiphanie and Saint-Roch-de-l'Achigan to the southeast line of the lot 255 of the cadastre of the parish of Saint-Esprit; a broken line dividing the cadastres of the parishes of Saint-Alexis, Saint-Jacques-de-l'Achigan and Saint-Liguori from the cadastres of the parishes of Saint-Esprit and Sainte-Julienne and the cadastre of the township of Rawdon to the southwest line of the cadastre of the township of Kildare; part of the said southwest line to the starting point.

This electoral division comprises the following municipalities: the city of Joliette; the villages of Crabtree, Saint-Alexis, Saint-Jacques and Saint-Pierre; the municipalities of the parishes of Notre-Dame-de-Lourdes, Notre-Dame-des-Prairies, Sacré-Coeur-de-Jésus, Saint-Alexis, Saint-Ambroise-de-Kildare, Saint-Charles-Borromée, Saint-Jacques, Saint-Liguori, Sainte-Marie-Salomée and Saint-Thomas; the municipalities of Sainte-Macelline-de-Kildare and Saint-Paul.

47. JONQUIÈRE

The electoral division of Jonquière comprises the territory bounded as follows: starting at the point of intersection of the shore of the rivière Saguenay with the dividing line between the lots 7c and 8a of the rang XIV Sud-Ouest du Chemin-Sydenham of the cadastre of the parish of Chicoutimi; thence, successively, the following line: in that cadastre, the said dividing line between lots; part of the dividing line between the rang XIII Sud-Ouest du Chemin-Sydenham and the rang XIV Sud-Ouest du Chemin-Sydenham southeasterly to the dividing line between the rang XII Sud-Ouest du Chemin-Sydenham and the rang XIII Sud-Ouest du Chemin-Sydenham; part of the said dividing line between ranges to the northeast side of the lot 76 (railway right-of-way); the said northeast side of the lot 76 southeasterly to the extension of the dividing line between the rang XI Sud-Ouest du Chemin-Sydenham and the rang XII Sud-Ouest du Chemin-Sydenham across the lots 8b, 9a, 10a, 10b and 11a; the said extension southwesterly and part of the said dividing line between ranges to the dividing line between the lot 18b and 19a of the rang XII Sud-Ouest du Chemin-Sydenham; the said dividing line between lots; part of the northwest line of the rang XII Sud-Ouest du Chemin-Sydenham; part of the dividing line between the cadastre of the townships of Chicoutimi and Laterrière; in the township of Laterrière part of the dividing line between the rang XII and the rang XIII and the dividing line between the lots 9 and 10 of the rang XIII; part of the northwest line of the cadastre of the township of Laterrière to the median line of the lac Kénogami; the median line of the said lake to the extension of the west line of the cadastre of the township of Kénogami; the said extension and part of the said west line; in the said township, part of the dividing line between the rang II Nord du Chemin-Kénogami and the rang III Nord du Chemin-Kénogami to the extension, across the baie Cascouia, of the dividing line between the lots 50 and 51 of the rang III Nord du Chemin-Kénogami; the said extension of the said dividing line between lots; part of the dividing line between the rang III Nord du Chemin-Kénogami and the rang IV Nord du Chemin-Kénogami to the extension of the west line of the lot 40 of the rang V; the said extension; a broken line dividing the said lot 40 from the lot 43 of the rang VI and the lot 41 of the rang V; part of the dividing line between the rang IV and the rang

V; the dividing line between the lots 13 and 14 of the rang IV; part of the dividing line between the rang III and the rang IV; the dividing line between the lots 45 and 46 of the rang III, the rang II, the rang I and the rang A Nord, the latter line extended to the median line of the rivière Saguenay; the median line of the said river downstream to the extension of the dividing line between the lots 27 and 28b of the rang A in the cadastre of the township of Simard; the said extension; in the cadastre of the township of Simard, part of the said dividing line between the lots 27 and 28b of the rang A to a contour line determined at an elevation of 236,6 feet according to geodesic data; the said contour line across the lot 27 to the dividing line between the lots 26 and 27 of the rang A; part of the said dividing line between lots northeasterly to the dividing line between the rang A and the rang I; the said dividing line between ranges to the southeast line of the lot 22 of the rang A; part of the said southeast line of the lot 22 southwesterly to the southwest limit of the land of Price Company Limited described in a deed of sale registered at Chicoutimi under number 35648; an irregular line across the lots 21, 20a, 19a, 18a, the rivière Shipshaw and the lots 18b, 18c and 19b of the rang A along the limit of the property of Price Company Limited described in the said deed of sale to the dividing line between the lots 19b and 20b of the rang A; part of the said dividing line between lots northeasterly to the northeast limit of the land owned by the company called "Alcoa Power Company Limited" or representative on the lot 19b of rang A; the northeast limit of the land of the said company southeasterly to the northwest limit of the land owned by Eugène Dufour described in a deed registered at Chicoutimi under number 50573; the northwest and southwest limit of the land owned by Eugène Dufour, the latter limit extended across a public way to the northwest line of the lot 18b of the rang A; part of the northwest line of the said lot 18b to the median line of a creek determining the southwest limit of land owned by Adjutor Villeneuve; the southwest and southeast limits of the said property of Adjutor Villeneuve; the south side of a public way easterly and limiting to the north part of the lot 18b and the lot 17c of the rang A and across part of the lot 16 of the said rang A to the dividing line between the rang A and the rang I; part of the said dividing line between ranges easterly to the dividing line between the lots 15 and 16 of the rang A; the said dividing line between lots and its extension to the median line of the rivière Saguenay; the median line of the said river downstream to the

extension of the dividing line between the lots 7c and 8a of the rang XIV Sud-Ouest du Chemin-Sydenham of the cadastre of the parish of Chicoutimi; finally, the said extension to the starting point.

This electoral division comprises the city of Jonquière and the municipality of the township of Kénogami.

48. KAMOURASKA-TÉMISCOUATA

The electoral division of Kamouraska-Témiscouata comprises the territory bounded as follows: starting from the point of intersection of the dividing line between the cadastres of the parishes of Saint-André and Notre-Dame-du-Portage with the shore of the fleuve Saint-Laurent; thence, successively, the following lines: a broken line dividing the cadastres of the parishes of Saint-André and Saint-Alexandre from the cadastres of the parishes of Notre-Dame-du-Portage and Saint-Antoine; part of the northwest line of the cadastre of the township of Parke; the southwest line of the cadastre of the township of Whitworth; a broken line dividing the cadastre of the township of Armand from the cadastres of the townships of Whitworth and Demers; part of the northwest line of the rang VI of the cadastre of the township of Demers to the line dividing the lots 22 and 23 of the said range; this said dividing line southeasterly; part of the northwest line of the rang VII of the cadastre of the township of Demers to the line dividing the said township from the cadastre of the township of Hocquart; part of the said township dividing line southeasterly to the west line of the rang VIII du Lac-Témiscouata of the cadastre of the seigniorship of Madawaska; a broken line limiting to the west and north the rang VIII du Lac-Témiscouata and the rang VII du Lac-Témiscouata of the said cadastre; the southwest line of the rang A du Lac-Témiscouata of the same cadastre; the southeast line of the rang A du Lac-Témiscouata and the rang B du Lac-Témiscouata of the said cadastre; the northeast line of the rang B du Lac-Témiscouata of the said cadastre; a broken line dividing the cadastre of the seigniorship of Madawaska from the cadastre of the township of Raudot; the northeast line of the cadastre of the township of Robitaille; part of the northwest line of the cadastre of the township of Biencourt; in this township, the northeast line of the lot 51 of the rang I Nord-Ouest, the rang II Nord-Ouest, the rang II Sud-Ouest, the rang III Nord-Ouest and the rang V to the rang VIII; the southeast

line of the lots 51 to 57 of the rang VIII; the northeast line of the cadastres of the townships of Auclair and Rouillard; the Québec-New Brunswick boundary line southerly and southwesterly and the Québec-United States border line upstream in the Lac Beau and the rivière Saint-François to the lac Pohénégamook; the southeast line of the cadastres of the townships of Pohénégamook, Chabot, Painchaud and Chapais; the southwest line of the cadastres of the townships of Chapais and Ixworth; the dividing line between the cadastre of the township of Ashford and the cadastres of the parishes of Saint-Onésime and Sainte-Louise to its intersection with a line across the lots 503, 502 and 501 of the cadastre of the parish of Sainte-Louise and skirting the foot of the montagne du Quatrième Rang; in that cadastre, the said line across the lots 503, 502 and 501 to the northeast side of the route à Bédard on the lot 499; and then following the northeast and north sides of the said way northwesterly and westerly to the rear line of the rang II; the said rear line southeasterly to the southeast limit of the cadastre of the parish of Sainte-Louise; the southeast limit of the cadastres of the parishes of Sainte-Louise and Saint-Roch-des-Aulnaies and its extension to the median line of the fleuve Saint-Laurent; the median line of the river downstream and an irregular line passing northwest of the îles aux Lièvres to the extension of the dividing line between the cadastres of the parishes of Saint-Patrice-de-la-Rivière-du-Loup and Cacouna; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the towns of Cabano, Dégelis, La Pocatière, Notre-Dame-du-Lac, Pohénégamook and Saint-Pascal; the villages of Andréville and Kamouraska; the municipalities of the parishes of Packington, Saint-Alexandre, Saint-André, Sainte-Anne-de-la-Pocatière, Saint-Denis, Saint-Eusèbe, Saint-Germain, Sainte-Hélène, Saint-Joseph-de-Kamouraska, Saint-Louis-de-Kamouraska, Saint-Louis-du-Ha! Ha!, Sainte-Louise, Saint-Marc-du-Lac-Long, Saint-Michel-du-Squatec, Saint-Onésime-d'Ixworth and Saint-Philippe-de-Néri; the municipality of the township of Woodbridge; the municipalities of Auclair, Mont-Carmel, Rivière-Bleue, Rivière-Ouelle, Saint-Athanase, Saint-Elzéar, Saint-Gabriel-Lallemant, Saint-Godard-de-Lejeune, Saint-Honoré, Saint-Jean-de-la-Lande, Saint-Juste-du-Lac, Saint-Pacôme, Saint-Pascal, Saint-Pierre-de-Lamy and Saint-Roch-des-Aulnaies. It also comprises the townships of Painchaud and Parke situated in unorganized territory.

49. LABELLE

The electoral division of Labelle comprises the territory bounded as follows:
starting from the east corner of the cadastre of the township of De Maisonneuve; thence, successively, the following lines: the southeast line of the cadastres of the townships of De Maisonneuve and Lusignan; the northeast and southeast lines of the cadastre of the township of Forbes; the southeast line of the cadastre of the township of Cousineau and part of the southeast line of the cadastre of the township of Rolland; in the cadastre of the township of Archambault, the dividing line between the lots 33 and 34 of the rang X in declining order to the rang I, that line extending across the lac de la Montagne Noire; part of the northwest line, the northeast line and part of the southeast line of the cadastre of the township of Doncaster; part of the dividing line between the cadastres of the parishes of Sainte-Marguerite and Sainte-Adèle; in the cadastre of the parish of Sainte-Adèle, the dividing line between the rang VIII and the rang IX of the cadastre of the township of Wexford and part of the southwest line of the lot 1 of the rang VIII of the said township; the northwest line of the lot 11 in the rang XI and the rang X of the cadastre of the township of Morin; part of the northeast line and the southeast line of the lot 1 of the rang IV of the said township; the northeast and the northwest lines of the lot 2b of the said rang IV and the southwest line of the lot 2a of the same range; part of the dividing line between the rang IV and the rang V of the cadastre of the township of Morin; the southwest limit of the cadastre of the parish of Sainte-Adèle; part of the west line of the cadastre of the township of Morin; the south line of the cadastres of the townships of Beresford, Wolfe and De Salaberry; part of the east line of the cadastre of the township of Amherst; in the cadastre of that township, the south line of the lot 20 in the rang VIII Nord; part of the dividing line between the rang VII Nord and the rang VIII Nord; the south line of the cadastres of the townships of Clyde, Labelle, Gagnon, Rocheblave; the west line of the cadastre of the township of Rocheblave; the south line of the cadastre of the township of Dudley and its extension to the median line of the rivière Gatineau; the said median line downstream to the intersection with the south line of the cadastre of the township of Wabasse; this extension and part of the south line of the cadastre of the township of Wabasse to the west line of the Rang V Ouest; the said

west line; part of the north line of the cadastre of the township of Wabasse; the west line of the cadastre of the township of Bouthillier; part of the south line and of the west line of the cadastre of the township of Robertson; the west line of the cadastres of the townships of Pope, Major and Fontbrune; the north-east line of the cadastre of the township of Fontbrune; part of the northeast line of the cadastre of the township of Gravel; the northwest line of the cadastre of the townships of Décarie and Leman and its extension across the vacant Crown lands to its intersection with the extension of the northeast line of the cadastre of the township of Dupont; finally, the said extension and the northeast line of the cadastres of the townships of Dupont, Charland and De Maison-neuve to the starting point.

This electoral division comprises the following municipalities: the towns of Mont-Laurier and Sainte-Agathe-des-Monts; the villages of Ferme-Neuve, Lac-Carré, Lac-des-Écorces, L'Annonciation, Sainte-Agathe-Sud, Saint-Jovite, Val-Barette and Val-David; the municipalities of the parishes of Brébeuf, Ferme-Neuve, L'Ascension, Sainte-Agathe and Saint-Jovite; the municipalities of the townships of Kiamika, La Minerve, Marchand and Turgeon; the municipalities of Chute-Saint-Philippe, Des Ruisseaux, Ivry-sur-le-Lac, Labelle, Lac-des-Écorces, Lac-du-Cerf, Lac-Nominingue, La Conception, Lac-Saint-Paul, Lac-Supérieur, Lac-Tremblant-Nord, La Macaza, Lantier, Mont-Saint-Michel, Mont-Tremblant, Saguay, Saint-Aimé-du-Lac-des-Îles, Sainte-Anne-du-Lac, Saint-Faustin, Sainte-Lucie-des-Laurentides, Val-des-Lacs and Val-Morin. It also comprises a part of the municipality of Notre-Dame-de-Pontmain bounded as follows: the limit of the municipality of Notre-Dame-de-Pontmain with the municipalities of Des Ruisseaux, Saint-Aimé-du-Lac-des-Îles, Lac-du-Cerf and Notre-Dame-du-Laus and the limit of the rang V Ouest with the rang VI Ouest. Lastly, this electoral division comprises the township of Gagnon situated in unorganized territory.

50. L'ACADIE

The territory of the electoral division of L'Acadie can be described as follows:

starting from the intersection of the median line of the autoroute des Laurentides (15) with the median line of the rivière des Prairies; thence, the median line of the said river downstream to the extension of the median line of the avenue de l'Esplanade; the said extension; the median line of the avenue de l'Esplanade to the median line of the rue de Port-Royal; a straight line to the intersection of the median line of the rue de Louvain with the median line of the avenue de l'Esplanade; this median line of the avenue de l'Esplanade to the median line of the rue Legendre; the median line of the said way to the median line of the rue Meunier; the median line of the said way to the median line of the rue de Beauharnois; the median line of the said way to the median line of the avenue de l'Esplanade; the median line of the said way to the median line of the boulevard Métropolitain (40); the median line of the said way to the extension of the median line of the boulevard Sainte-Croix; the said extension; the median line of the said way and its extension to the median line of the chemin de la Côte-Vertu; the median line of the said way to the extension of the median line of the boulevard O'Brien; the said extension and the median line of the said way to the median line of the right-of-way of the Canadian National Railway Company; the median line of the said right-of-way to the northwest line of the lot 258 of the cadastre of the parish of Saint-Laurent; part of the northwest line of the said lot and the northwest line of the lot 259 of the said cadastre; part of the northwest line of the lot 260 of the above cadastre to the median line of the autoroute des Laurentides; finally, the median line of the said highway to the starting point.

This electoral division comprises part of the cities of Montréal and Saint-Laurent, the whole bounded as follows: the rivière des Prairies excluding the île Perry, the extension of the avenue de l'Esplanade, such way, the railway line of the Canadian National Railway Company, the extension of the avenue de l'Esplanade, such way, the rue Legendre, the rue Meunier, the rue de Beauharnois, the avenue de l'Esplanade, the boulevard Métropolitain, the boulevard Sainte-Croix, the boulevard O'Brien, the railway line of the Canadian National Railway Company, the limit of the cities of Montréal and Saint-Laurent and the autoroute des Laurentides.

51. LAC-SAINT-JEAN

The electoral division of Lac-Saint-Jean comprises the territory bounded as follows:

starting at the point of intersection between the extension of the north line of the cadastre of the township of Rouleau and the median line of the rivière Péribonca; thence, successively, the following lines: the north line, east line and part of the south line of the cadastre of the township of Rouleau; the east line of the cadastres of the townships of Labrecque and Taché and its extension to the median line of the rivière Saguenay; the median line of the said river downstream to the extension of the dividing line between the lots 45 and 46 of the rang A Nord of the cadastre of the township of Kénogami; the said extension; in the cadastre of the township of Kénogami, the dividing line between the lots 45 and 46 of the rang A Nord, the rang I, the rang II and the rang III; part of the dividing line between the rang III and the rang IV; the dividing line between the lots 13 and 14 of the rang IV; part of the dividing line between the rang IV and the rang V; a broken line dividing the lot 40 of the rang V from the lot 41 of the rang V and the lot 43 of the rang VI and its extension across the rang IV Nord du chemin Kénogami; part of the dividing line between the rang III Nord du chemin Kénogami and the rang IV Nord du chemin Kénogami; the dividing line between the lots 50 and 51 of the rang III Nord du chemin Kénogami and its extension across the baie Cascouia; part of the dividing line between the rang II Nord du chemin Kénogami and the rang III Nord du chemin Kénogami; part of the east line of the cadastre of the township of Labarre and its extension to the median line of the lac Kénogami; the median line of the said lake southeasterly to the northwest line of the cadastre of the township of Laterrière; part of the said northwest line and its extension to the median line of the rivière Cyriac; the median line of the said river southerly to a line established on the ground south of and near parallel 48°00' of north latitude; the said line westerly to the median line of the route 175 (former route 54); the median line of the said way southerly to the extension of a line established on the ground (Plan Ex. 98, Service de l'Arpentage et de la Géodésie) and originating at the point of intersection between the low tide mark of the fleuve Saint-Laurent and the southwest line of the lot 395 of the cadastre of the parish of Saint-François-Xavier; the said extension southeasterly to its intersection with the extension of the south line of the cadastre of the township of Lescarbot; the said

extension westerly to the median line of the rivière Métabetchouane; the median line of the said river downstream to the extension of the southwest line of the rang IV of the cadastre of the township of Dequen; the said extension; in the cadastre of the township of Dequen, part of the southwest line; the dividing line between the lots 24 and 25 in the rang IV, the rang III, the rang II and the rang I; part of the dividing line between the cadastres of the townships of Dequen and Métabetchouan northwesterly; in the cadastre of the township of Métabetchouan, the dividing line between the lots 34 and 35 in the rang VII, the rang VI, the rang V and the rang IV; part of the dividing line between the rang III and the rang IV southeasterly and its extension to the median line of the rivière Métabetchouane; the median line of the said river downstream to its mouth in the lac Saint-Jean; a straight line across the said lake to the mouth of the rivière Péribonca; the median line of the said river upstream and skirting on the right the islands closest to the right shore and on the left the islands closest to the left shore to the extension of the north line of the cadastre of the township of Dalmas; the said extension; the north line of the said township and its extension to the median line of the rivière Petite Péribonca; the median line of the said river to the extension of the south line of the cadastre of the township of Hudon; the said south line to its intersection with the line dividing of the cadastres of the townships of Proulx and Dolbeau; part of the said dividing line and its extension to the median line of the rivière Mistassibi; the median line of the said river upstream and a line directly north from the head of the said river to the watershed between Hudson's Bay and the fleuve Saint-Laurent; the said watershed northeasterly to the outlet of a small lake flowing into the rivière Péribonca and located to the southwest of the lac Pollet; the median line of the outlet of that small lake and the median line of the rivière Péribonca to parallel 50°00' of north latitude; the said parallel to meridian 71°00' of west latitude; the said meridian southerly to the median line of the rivière Manouane; finally, the median line of the said river to the median line of the rivière Péribonca to the starting point.

This electoral division comprises the following municipalities: the city of Alma; the towns of Desbiens and Métabetchouan; the villages of Hébertville-Station and Saint-André-du-Lac-Saint-Jean; the municipalities of the parishes of Larouche and L'Ascension-de-Notre-Seigneur; the municipality of the township of Taché; the municipalities of Delisle, Hébertville, Labrecque, Lac-à-la-Croix, Lamarche,

Saint-Bruno, Saint-Gédéon, Saint-Henri-de-Taillon, Saint-Ludger-de-Milot and Sainte-Monique. It also comprises the localities of Chute-des-Passes and Mont-Apica situated in unorganized territory.

52. LAFONTAINE

The territory of the electoral division of Lafontaine can be described as follows: starting from the intersection of the median line of the rivière des Prairies with the extension of the dividing line between the cadastres of the parishes of Sault-au-Récollet and Rivière-des-Prairies; thence, the median line of the said river downstream passing northwest of the île Boutin and the île Gagné, southeast of the île du Bois Debout and the île du Moulin, north and northeast of the île Bonfoin and continuing to an irregular line in the fleuve Saint-Laurent running halfway between the île de Montréal and the île à l'Aiglon, the île aux Asperges, the île Sainte-Thérèse, the île au Veau, the île Dufault and the Grandes battures Tailhandier; the said irregular line to the extension of the dividing line between the cadastre of the parish of Pointe-aux-Trembles and of the cadastre of the parish of Longue-Pointe; the said dividing line to the dividing line between the cadastre of the parish of Longue-Pointe and of the cadastre of the parish of Rivière-des-Prairies; the said dividing line to the dividing line between the cadastre of the parish of Rivière-des-Prairies and of the cadastre of the parish of Sault-au-Récollet; the said dividing line to the starting point.

This electoral division comprises the town of Montréal-Est and the city of Pointe-aux-Trembles and part of the city of Montréal, the whole bounded as follows: the rivière des Prairies including the île Rochon, the île Coco, the île Gagné, and the île Bonfoin, the fleuve Saint-Laurent, the limit of the town of Montréal-Est with the city of Montréal and the town of Anjou and the limit of the city of Montréal with the town of Anjou and the city of Montréal-Nord.

53. LA PELTRIE

The territory of the electoral division of La Peltrie can be described as follows: starting from the point of intersection of the median line of the fleuve Saint-Laurent with the southeast extension of the dividing line between the cadastres of the parishes of Sainte-Foy and Saint-Félix-du-Cap-Rouge; thence, successively, the following lines: the dividing line between the cadastres of the parishes of Sainte-Foy on one side and Saint-Félix-du-Cap-Rouge and Ancienne-Lorette on the other side to its intersection with the median line of the rivière du Cap Rouge; the median line of the rivière du Cap Rouge upstream to the median line of the boulevard Charest Ouest (autoroute 440); the median line of the boulevard Charest Ouest, northeasterly to the dividing line of the cadastres of the parishes of Ancienne-Lorette and Sainte-Foy; the said dividing line of the two cadastres to the east corner of the lot 119 of the cadastre of the parish of Ancienne-Lorette; the extension of the southeast line of the lot 119 across the lots 962 and 116 to the northeast line of the lot 116; from this point, following the northeast line of the lot 1162; from this point, following the northeast line of the lot 116, part of the northwest line of the lot 35, the southeast lines of the lots 114 and 113, the northeast line of the lot 113 to its north corner; from this point across a public way to the south corner of the lot 109; the southeast line of the lots 110 and 111; the northeast line of the lot 111; part of the southeast line of the lot 231, the southeast line of the lots 232, 233, 234, 235 and 237; part of the northeast line of the lot 237 to the southwest extension of the northwest line of the lot 236; from this point following the said extension across the lot 237 and following the northwest line of the lots 236, 85, 82, 81, 77, 76, 71, 70 and 54 and its extension to the northeast side of the route de l'Ormière; the northeast side of the route de l'Ormière to the west corner of the lot 575 of the cadastre of the parish of Saint-Ambroise-de-la-Jeune Lorette; the northwest line of the lot 575 and its extension to the median line of the rivière Saint-Charles; the median line of the rivière Saint-Charles downstream to the southwest extension of the southeast line of the lot 1089; the said extension, the southeast line of the lots 1089, 1090 and 1091 and part of the southwest line of the lot 1092; the southeast line of the lots 1092, 1093, 1094, 1095, 1096, 1097 and 1098 and the extension of this last line to the median line of the rivière Duberger; the median line of the rivière Duberger upstream to the

extension of the northeast line of the lot 1139; the southeast line of the Quatrième concession Saint-Romain, southwesterly to the northwest limit of the right-of-way of the Canadian National Railway Company; the northwest limit of the said railway right-of-way to the east corner of the lot 1161-3; the northeast line of the lot 1161-3 and its extension to the west corner of the lot 1158-2-2; the southwest extension of the northwest line of the lot 1158-2-2 to its intersection with the east line of the lot 1167; the east line of the lot 1167 northwesterly to one (1) arpent south of the rue des Érables; from this point southwesterly, following a line parallel to and situated one (1) arpent southwest of the rue des Érables to the median line of the boulevard de la Colline; a broken line following the median line of the boulevard de la Colline, towards the southeast, the southeast side of the boulevard Bastien and the southwest line of the lot 1106 to the point of intersection of the cadastres of the parishes of Saint-Ambroise-de-la-Jeune-Lorette and Saint-Ambroise-de-la-Jeune-Lorette revised (city of Loretteville); a broken line following the dividing line of the said cadastres to the east extension of the north line of the lot 471; from this last point along the south line of the concession des Grands-Déserts, westerly to the east corner of the lot 456; the east line of the lot 456; the northeast line of the lot 456; the northeast line of the lot 270 to the median line of the rue Sainte-Genève; the median line of the rue Sainte-Genève, southwesterly and its extension to the dividing line between the cadastres of the parishes of Ancienne-Lorette and Saint-Ambroise-de-la-Jeune-Lorette; a broken line following the dividing line of the said cadastres to the south corner of the lot 240 of the cadastre of the parish of Saint-Ambroise-de-la-Jeune-Lorette; the northwest line of the Première concession Guillaume-Bonhomme-de-l'Ancienne-Lorette; the northwest line of the Première concession de Saint-Augustin in the parish of Saint-Augustin to the west corner of the lot 71 of the said cadastre; the northeast line of the lot 1 of the cadastre of the parish of Sainte-Catherine to the east corner of the said lot; thence, following the limit of the cadastres of the parishes of Sainte-Catherine, Sainte-Jeanne-de-Neuville and Pointe-aux-Trembles on one side and Saint-Augustin on the other side and the extension of this last limit to the median line of the fleuve Saint-Laurent; the median line of the fleuve Saint-Laurent downstream to the starting point.

This electoral division comprises the following municipalities: the town of Ancienne-Lorette and the

municipalities of the parishes of Saint-Augustin-desmaures and Saint-Félix-du-Cap-Rouge. It also comprises the ward Laurentien of the city of Sainte-Foy and a part of the ward of Neufchâtel of the city of Québec bounded as follows: the limit of the ward of Neufchâtel with the village of Saint-Émile, the wards of Charlesbourg-Ouest, Duberger and Les Saules of the city of Québec, the city of Sainte-Foy and the towns of Ancienne-Lorette and Val-Bélair.

54. LAPORTE

The electoral division of Laporte comprises the territory bounded as follows: starting from a point at the intersection of the shore of the fleuve Saint-Laurent with the extension of the median line of the avenue Victoria; this extension and the median line of the avenue Victoria; the median line of the avenue Saint-Charles ouest; the median line of the avenue Joliette; the median line of the boulevard Desaulniers; the median line of the avenue Sainte-Hélène; the median line of the boulevard Curé-Poirier and its extension to the southwest side of the boulevard Taschereau; the said southwest side, southeasterly and southerly to the south side of the right-of-way of the Canadian National Railway Company (the lot 307 of the cadastre of the parish of Saint-Antoine-de-Longueuil); the south side of said right-of-way, westerly; a broken line limiting to the west and the southwest the lot 246-A of the cadastre of the parish of Saint-Antoine-de-Longueuil to the northeast side of the boulevard Taschereau; the northeast side of the said boulevard to the southeast line of the lot 236-102 of the cadastre of the parish of Saint-Antoine-de-Longueuil; in this cadastre, the southeast line of the lots 236-102, 236-96 and 236-55; the southwest line of the lots 236-46-2, 236-1193 and 236-1186; the northwest line of the lots 236-1187 and 236-1188; the southwest line of the lot 236-1188 and its extension across the boulevard Marie-Victorin; the southwest side of the rue Mont-Royal to the northwest side of the rue Gladstone; the northwest side of the said way to the northeast side of the boulevard Taschereau; the northeast side of said way to the west side of an old way (chemin Lamarre); the west side of said road southerly to the southwest side of the boulevard Taschereau; the southwest side of said way southeasterly to the southeast line of the lot 233; part of the southeast line of the said lot and its extension to the northeast side of the chemin Grande-Allée; the northeast side of said way southeasterly to the south-

east line of the lot 212; the said southeast line; part of the southwest line of the lot 317 (right-of-way of a railroad) going southeasterly to the northwest line of the lot 222; the said northwest line and its extension to the southwest side of the chemin Grande-Allée; the division lines between the cadastres of the parishes of Saint-Antoine-de-Longueuil and Laprairie-de-la-Madeleine to the median line of the fleuve Saint-Laurent; the median line of the fleuve Saint-Laurent downstream to a line parallel to the northwest side of the pont Victoria and lying to the northwest of the said northwest side at a perpendicular distance of thirty (30) feet; the said parallel line northeasterly to the southwest limit of the land belonging to the Saint-Lawrence Seaway Administration; the said southwest limit northwesterly for a distance of one thousand and five hundred (1-500) feet; a line running northeasterly and lying perpendicular to the said southwest limit for a length of one hundred and fifty (150) feet; another line parallel to the last mentioned southwest limit, lying at a perpendicular distance of one hundred and fifty (150) feet on its northeast side and running northerly to the median line of the fleuve Saint-Laurent; thence, following the said median line northeasterly to the extension of the median line of the avenue Victoria; this extension to the starting point.

This electoral division comprises the towns of Greenfield-Park, and Lemoyne, the city of Saint-Lambert and part of the city of Longueuil, the whole bounded as follows: the fleuve Saint-Laurent excluding the île Sainte-Hélène and the île Notre-Dame, the extension of the rue Victoria and such way, the rue Saint-Charles Ouest, the rue Joliette, the boulevard Desaulniers, the rue Sainte-Hélène, the boulevard Curé-Poirier Ouest, the limit of the town of Lemoyne with the cities of Longueuil and Saint-Hubert, the limit of the town of Greenfield-Park with the city of Saint-Hubert and the town of Brossard and the limit of the city of Saint-Lambert and the town of Brossard.

55. LAPRAIRIE

The electoral division of Laprairie comprises the territory bounded as follows:

starting from the point of intersection of the median line of the fleuve Saint-Laurent with the extension of the dividing line of the cadastres of the parishes of Laprairie-de-la-Madeleine and Saint-Antoine-de-Longueuil; this extension and the dividing line of the same cadastres to the southeast line of the cadas-

tre of the parish of Saint-Antoine-de-Longueuil; the division line between the cadastre of the parish of Laprairie-de-la-Madeleine and the cadastres of the parishes of Saint-Hubert and of Saint-Joseph-de-Chambly; a broken line dividing the cadastres of Laprairie-de-la-Madeleine and of Saint-Philippe from the cadastres of the parishes of Chambly, Saint-Luc, Sainte-Marguerite, Saint-Jacques-le-Mineur and Saint-Édouard to the intersection with the median line of the rivière de la Tortue at the south corner of the lot 300 of the cadastre of the parish of Saint-Philippe; the median line of the rivière de la Tortue; the northwest line of the lot 285; the southwest line of the lot 147; the southeast lines of the lots 281 and 280; the southwest line of the lot 280; the east side of the concession Est de la Rivière-de-la-Tortue; the southeast and northeast lines of the lot 265; the northwest line of the lot 264; the southwest line of the lot 182; the southeast line of the lots 261, 262 and 336 to its intersection with the autoroute 15; the median line of the autoroute 15 towards the north to the extension of the southwest line of the lot 12 of the cadastre of the parish of Saint-Constant; the southwest and northwest lines of the lot 12; a line joining the northwest corner of the lot 12 to the southwest corner of the lot 9; the northwest line of the lot 9 and its extension to the extension of the northeast line of the narrowest part of the lot 7; the extension towards the northwest of this last line, passing five hundred and sixty-nine (569) feet (measured along the railway right-of-way) from the dividing line between the lots 5 and 7, to the public way; this public way towards the north to the limit of the cadastre of the parish of Saint-Constant; this limit to the median line of the rivière de la Tortue; the median line of the rivière de la Tortue towards the north to the shore of the fleuve Saint-Laurent; thence a line joining a point of the median line of the fleuve Saint-Laurent situated in the extension of the southwest line of the lot 555-168 of the cadastre of the parish of Laprairie-de-la-Madeleine; the median line of the fleuve Saint-Laurent downstream to the starting point.

This division comprises the towns of Brossard, Candiac and La Prairie, as the municipality of the parish of Saint-Philippe.

56. L'ASSOMPTION

The electoral division of L'Assomption comprises the territory bounded as follows:

starting at the point of intersection of the northeast limit of the cadastre of the parish of Saint-Sulpice with the shore of the fleuve Saint-Laurent; thence, successively, the following lines: the northeast limit of the said cadastre; the northeast and northwest limits of the cadastre of the parish of L'Assomption; the northeast and northwest limits of the cadastre of the parish of L'Épiphanie; the dividing line between the latter cadastre and the cadastre of the parishes of Saint-Rock-de-l'Achigan and Saint-Henri-de-Mascouche; the dividing line between the cadastres of the parishes of Saint-Paul-l'Ermite and Lachenaie to its intersection with the shore of the rivière des Prairies; thence, an irregular line passing east of the île Bourdon and joining another irregular line in the said river and passing halfway between the southeast side of the île à l'Aigle (former île à l'Aiglon) and the northwest side of the île aux Asperges and the île aux Canards and between the southeast sides of the île à l'Aigle (former île à l'Aiglon) and the île aux Cerfueils and the northeast side of the île à la Truie and the île Vert (former île Evers) to the median line of the said river; the median line of the said river downstream to another irregular line passing northwest of the islands forming part of the cadastre of the parish of Verchères; the said irregular line northeasterly to the extension of another irregular line passing halfway between the islands forming part of the cadastre of the parish of Verchères and the islands forming part of the cadastre of the parish of Saint-Sulpice; the said extension and the said irregular line southeasterly and northeasterly and skirting on the north and the northwest the small islands situated at the northeast extremity of the île Bouchard to the extension of the northeast limit of the cadastre of the parish of Saint-Sulpice; finally, the said extension to the starting point.

This electoral division, comprises the towns of Charlemagne, L'Assomption, Le Gardeur, L'Épiphanie and Repentigny, as the municipalities of the parishes of L'Assomption, L'Épiphanie, Saint-Gérard-Magella and Saint-Sulpice.

57. LAURIER

The territory of the electoral division of Laurier can be described as follows:

starting from the intersection of the median line of the boulevard de l'Acadie with the median line of the boulevard Métropolitain; thence, the median line of the boulevard Métropolitain to the median line of the rue Berri; the median line of the said way to the median line of the rue Jarry; the median line of the said way to the median line of the rue Saint-Denis; the median line of the said way to the median line of the main line of the Canadian Pacific Railway Company; the median line of the said main line to the southwest side of the rue Hutchison; the southwest side of the said way and its extension to the dividing line between the cadastres of the municipality of the parish of Montréal and of the parish of Saint-Laurent; the said dividing line between cadastres to the dividing line between the lots 628 and 634 of the cadastre of the parish of Saint-Laurent; the said dividing line between lots to the dividing line between the lots 633 and 628 of the said cadastre; the said dividing line between lots to the extension of the median line of the boulevard de l'Acadie; finally, the median line of the said way to the starting point.

This electoral division comprises part of the city of Montréal bounded as follows: the boulevard Métropolitain, the rue Berri, the rue Jarry, the rue Saint-Denis, the railway line of the Canadian Pacific Railway Company, the limit of the cities of Montréal and Outremont, the limit of the city of Montréal and the town of Mont-Royal and the boulevard de l'Acadie.

58. LAVAL-DES-RAPIDES

The territory of the electoral division of Laval-des-Rapides can be described as follows:

starting from the intersection of the median line of the autoroute des Laurentides (15) and the median line of the boulevard Saint-Martin; thence, the median line of the said way to the median line of the rue Notre-Dame-de-Fatima; the median line of the said way and its extension to the median line of the rivière des Prairies; the median line of the said river downstream to the extension of the median line of the boulevard des Laurentides (11); finally, the centre line of the said way to the starting point.

This electoral division comprises part of the city of Laval bounded as follows: the boulevard Saint-Martin, the extension of the rue Notre-Dame-de-

Fatima, such way and its extension, the limit of the city of Laval in the rivière des Prairies and the autoroute des Laurentides (15).

59. LAVIOLETTE

The electoral division of Laviolette comprises the territory bounded as follows:

starting from the north corner of the cadastre of the township of Ingall; thence, successively, the following lines: part of the northeast line of the cadastre of the township of Ingall; the north line of the cadastres of the townships of Papin, Chaumonot and Michaux; the northeast line of the cadastres of the townships of Michaux, Borgia, Gendron and Laure; the southeast line of the cadastre of the township of Laure and its extension to the median line of the rivière Batiscan; the median line of the said river downstream to the extension of the southeast line of the cadastre of the township of Lapeyrère; the said extension and the southeast line of the cadastres of the townships of Lapeyrère and Hackett; a broken line bounding on the northeast and southeast the cadastre of the township of Lejeune to the northeast limit of the cadastre of the parish of Sainte-Thècle; the northeast limit of the said cadastre; the northeast limit and part of the southeast limit of the cadastre of the parish of Saint-Stanislas; in the cadastre of the latter parish, the west line of the lots 753-196, 753-195, 753-194 and 753-193; the north line of the lot 752; the east line of the lots 686 to 689; the northeast line of the lot 691; the south line of the lot 692 and its extension to the median line of the rivière Batiscan; the median line of the said river downstream to the extension of the south line of the lot 395; the said extension and the south line of the lots 395 and 394; the southeast line of the lots 351-132 and 404a; part of the northeast line of the rang Nord-Est de la Rivière-des-Envies; the south line of the lots 322 and 257; part of the northeast line of the northeast side of the rang Côte-Saint-Louis; the southeast line of the lot 204; part of the line dividing the Côte-Saint-Louis-Côté-Nord-Est from the rang Côte-Saint-Louis-Côté-Sud-Ouest; the southeast line of the lot 156; part of the line dividing the rang Côte-Saint-Louis-Côté-Sud-Ouest, from the northeast side of the rang Côte-Saint-Paul; the southeast line of the lots 105 and 38; part of the northeast line of the cadastre of the parish of Saint-Narcisse and the southeast line of the lots 154 and 167 of the said cadastre; the southeast line of lot 1 of the rang de la Grande-Ligne of the cadastre of the

township of Radnor; in that cadastre, part of the southwest line of the rang de la Grande-Ligne, that line extended across the lakes it meets; part of the dividing line between the rang VI and the rang VII; the dividing line between the lots 7 and 8 of the rang VII; part of the dividing line between the rang VII and the rang VIII; in the cadastre of the parish of Notre-Dame-du-Mont-Carmel, the line dividing the lots 1023 to 1028 from the lots 1002 to 1007; part of the northeast line of the lot 1022 to a straight line forming an interior angle of 88° 44' with the preceding line, across the lots 1017 to 1022 and originating on a point located on the northeast line of the said lot 1022 at a distance of twenty arpents and a half (20,5 arp.) from the present southeast shore of the rivière Noire, such distance being measured along the said northeast line of the lot 1022; the said straight line across the lots 1017 to 1022 and its extension to the median line of the rivière Saint-Maurice; the median line of the said river downstream to the extension of the dividing line between the lots 5 and 6 of the cadastre of the parish of Sainte-Flore; in that cadastre, the said extension and the said dividing line between the lots; part of the dividing line between the rang Sainte-Catherine-Numéro-1 and the rang Sainte-Catherine-Numéro-2; the dividing line between the lots 72 and 73; part of the southeast line of the concession of Chemin-des-Piles-Côté-Sud-Est southwesterly and its extension to the median line of the rivière Shawinigan; the median line of the said river upstream to the extension of the southeast line of the lot 537; the said extension and part of the said southeast line; part of the southwest line of the rang I (Saint-Anatole) northwesterly to the northwest line of the lot 542; the northwest line of the said lot; part of the southwest line of the rang II (Saint-Ubalde) to the dividing line between the lots 544 and 545; part of the said dividing line between the lots for a distance of eight (8) arpents; a straight line across the lot 545 and part of the lot 546 making a deflexion angle of 96° 35' to the right with the dividing line between the lots 544 and 545 and having a length of nine hundred and eighty (980) feet; another straight line of the lot 546, parallel to the lateral lines of the lots and southwesterly for a distance of five hundred and sixty (560) feet to the northeast shore of the Lac des Souches (former lac aux Chicots); the northeast shore of the said lake in a generally northerly direction to the dividing line between the lots 549 and 550; the extension of the said dividing line between the lots across Lac des Souches (former lac aux Chicots) and part of the said line to a point located twelve (12) arpents to the

southwest of the dividing line between the rang I (Saint-Anatole) and the rang II (Saint-Ubalde), measured along the said dividing line between the lots; a straight line across the lots 550 and 551 and parallel to the said dividing line between the ranges; part of the dividing line between the lots 551 and 553 northeasterly to a point situated ten (10) arpents to the southwest of the dividing line between the rang I (Saint-Anatole) and the rang II (Saint-Ubalde), measured along the said dividing line between the lots; a straight line across the lot 553 and parallel to the said dividing line between the ranges; part of the dividing line between the lots 553 and 554 southwesterly to a point situated fourteen (14) arpents to the southwest of the dividing line between the rang I (Saint-Anatole) and the rang II (Saint-Ubalde), measured along the said dividing line between the lots; a straight line across the lot 554 and parallel to the said dividing line between the ranges; part of the dividing line between the lots 554 and 555 southwesterly to the south corner of the lot 555; the southwest line of the said lot 555; part of the dividing line between the lots 555 and 556 for a distance of three and a half (3,5) arpents; a straight line across the lot 556 to a point on the dividing line between the lots 556 and 557 at a distance of four (4) arpents from the west corner of the lot 556, measured along the said dividing line between lots; part of the dividing line between the lots 556 and 558 northeasterly to a point situated at a distance of ten (10) arpents to the southwest of the dividing line between the rang I (Saint-Anatole) and the rang II (Saint-Ubalde), measured along the said dividing line between lots; a straight line across the lot 557 and parallel to the said dividing line between the ranges; part of the dividing line between the lots 557 and 558 northeasterly for a distance of ten (10) arpents to the southwest line of the rang II (Saint-Ubalde); part of the said southwest line; the dividing line between the lots 511 and 512 and its extension in the lac des Piles to the extension of the northeast line of the rang II (Saint-Ubalde); the said extension and the northeast line of the rang II (Saint-Ubalde) and the rang A, the latter line extended to the median line of lac à la Pêche; the limit of the parc de la Mauricie as defined in chapter 50 of 1972 laws to the southwest limit of the cadastre of the seigniorie of Cap-de-la-Madeleine; the southwest limit of the said seigniorie and of the cadastres of the townships of Normand and Livernois; the southeast line of the cadastre of the townships of Potherie, Villiers and Légaré; the southwest line of the cadastres of the townships of Légaré and Boullé and its

extension to the south line of the cadastre of the township of Gosselin; part of the south line of the same township; the west limit of the cadastres of the townships of Gosselin, Douville, Buies, Provencher, Poisson, Hanotaux, Juneau and Coursol; part of the west limit of the cadastre of the township of Lacroix to the north corner of the cadastre of the township of Bailly; thence, easterly a line to the intersection of the west limit of the cadastre of the township of Pfister with the northwest extension of the northeast line of the cadastre of the township of Ingall; the said extension crossing diagonally the cadastres of the townships of Pfister, Verreau, Dubois, Lindsay, Berlinguet, Faguy, Lafitau, Routhier, Laflamme and Bonin and continuing across the undivided land to the starting point.

This electoral division comprises the following municipalities: the city of Grand-Mère and the towns of La Tuque and Saint-Tite; the villages of Parent, Saint-Georges and Sainte-Thècle; the municipalities of the parishes of Grandes-Piles, Saint-Adelphe, Saint-Roch-de-Mékinac, Saint-Séverin, Sainte-Thècle, Saint-Timothée and Saint-Tite; the municipality of the township of Langelier; the municipalities of Boucher, Haute-Mauricie, Lac-Édouard and Saint-Jean-des-Piles. It also comprises the indian reserves of Manouane, Obedjiwan and Weymontachingue; the localities of Casey, Clova, La Bostonnais, Lac-Brochet, Lac-Chat, McTavis, Oskélanéo, Sanmaur, situated in unorganized territory; the barrage Gouin and Dubois camp, also situated in unorganized territory.

60. LÉVIS

The electoral division of Lévis comprises the territory bounded as follows:

starting from the point of intersection of the shore of the fleuve Saint-Laurent with the northeast limit of the cadastre of the parish of Saint-Joseph; thence, successively, the following lines: the northeast and southeast limits of the said cadastres; in the cadastre of the said parish, the southwest line of the lots 371, 472, 471 and 453, a broken line between the rang Arlaca Nord and the rang Arlaca Sud; the southwest line of the lot 241 to the northwest side of the autoroute 20; in the cadastre of the parish of Notre-Dame-de-la-Victoire, the northwest side of the said highway southwesterly to the northeast line of the lot 100b; the extension of that line across the Trans-Canada Highway and the said line; a broken line limiting to the southeast the rang Sarasteau and the

rang Coutance, to the median line of the rivière à la Scie; the median line of the said river southeasterly to the extension of the northeast line of the lot 395 of the cadastre of the parish of Saint-David-de-l'Auberivière; the said extension and the said line; the southeast line of the said lot 395 and its extension to the median line of the rivière Etchemin; the median line of the said river downstream skirting on the south the island bearing numbers 396, 397 and 398 of the cadastre of the parish of Saint-David-de-l'Auberivière to the extension of the southeast line of the lot 30 of the cadastre of the parish of Saint-Romuald-d'Etchemin; the said extension; a broken line dividing the cadastres of the parishes of Saint-Romuald-d'Etchemin and Saint-Jean-Chrysostome to the dividing line between the lots 235 and 236 of the latter cadastre; in the cadastre of the parish of Saint-Jean-Chrysostome, the said dividing line between the lots and the southeast limit of the Concession of Hêtrière extended to the median line of the rivière Chaudière; the median line of the river upstream to the extension of the southeast line of the lot 10 of the cadastre of the parish of Saint-Étienne-de-Lauzon; the said extension and the said southeast line; a broken line dividing the cadastres of the parishes of Saint-Étienne-de-Lauzon and Saint-Nicolas; the southwest limit of the latter cadastre extended to the median line of the fleuve Saint-Laurent; the median line of such river downstream and a line passing halfway between the right shore of the river and the south shore of île d'Orléans to the extension of the northeast limit of the cadastre of the parish of Saint-Joseph; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the cities of Lauzon, Lévis and Saint-Romuald-d'Etchemin; the towns of Charny, Saint-David-de-l'Auberivière and Saint-Nicolas; the village of Saint-Rédempteur; the municipality of the parish of Saint-Joseph-de-la-Pointe-de-Lévy and the municipality of Bernières.

61. LIMOILOU

The territory of the electoral division of Limoilou can be described as follows; starting from the intersection of the northwesterly extension of the median line of the avenue du Colisée with the dividing line of the cadastres of the parishes of Charlesbourg and Saint-Roch-Nord; thence, successively, the following lines: the said dividing line between cadastres to the northeast

side of the 1^{re} avenue; in the cadastre of the parish of Charlesbourg, the northwest line of the lots 717 and 717a, this last extended across the right-of-way of the Canadian National Railway Company; the northwest line of the lot 717-1 across the boulevard Henri-Bourassa; the northwest line of the lot 581 of the cadastre of the parish of Saint-Roch-Nord; part of the southwest and northwest line of the lot 584 of the said cadastre to the southwest line of the lot 729 of the cadastre of the parish of Charlesbourg; in this last cadastre, along the service way of the autoroute de la Capitale (no 40), part of the said southwest line of the lot 729 for a distance of four hundred and fifty-four feet (454 ft) and a westerly line for a length of two hundred and fifty feet (250 ft) across the lot 728a and part of the lot 728 to the southeast side of the right-of-way of the autoroute de la Capitale (no 40) before widening; the southeast side of the said right-of-way to the northeast side of the lot 734; part of the dividing line between the cadastres of the parishes of Beauport and Charlesbourg to the point of intersection between the extension of the northwest line of the lot 676 of the cadastre of the parish of Beauport and the median line of the avenue Bourg-Royal; thence, following the dividing line of the cadastres of the parishes of Charlesbourg and Beauport to the east corner of the lot 1060 of the cadastre of the parish of Charlesbourg; thence, northeasterly, following the northwest limit of the lots 646 and 627 of the cadastre of the parish of Beauport and of the extension of this line to the intersection of the median line of the rivière Beauport; thence, following the median line of the rivière Beauport, downstream, to its mouth; thence, southwesterly to the intersection of the median line of the rivière Saint-Charles with the median line of the fleuve Saint-Laurent; the said extension and the median line of the said river upstream to the median line of the pont Dorchester; the median line of the said bridge and the median line of the 3^e avenue and its extension to the median line of the 18^e rue; the median line of the 18^e rue and its extension to the median line of the 1^{re} avenue; the median line of the 1^{re} avenue to the median line of the right-of-way of the Canadian National Railway Company; the median line of the said railway right-of-way to the southeast extension of the median line of the avenue du Colisée; from this point, following the median line of the avenue du Colisée and its extension to the starting point.

This electoral division comprises part of the cities of Beauport and Québec, the whole bounded as follows: the limit of the cities of Beauport and

Charlesbourg, the limit of the former municipalities of Giffard and Beauport, the rivière Beauport, the fleuve Saint-Laurent, the rivière Saint-Charles, the 3^e avenue, the 18^e rue, the 1^{re} avenue, the railway line of the Canadian National Railway Company, the avenue du Colisée and the limit of the cities of Québec and Charlesbourg.

62. LOTBINIÈRE

The electoral division of Lotbinière comprises the territory bounded as follows:

starting from the point of intersection of the shore of the fleuve Saint-Laurent with the northeast limit of the cadastre of the parish of Saint-Antoine; thence, successively, the following lines: the northeast limit of the cadastres of the parishes of Saint-Antoine, Saint-Apollinaire and Saint-Gilles; a broken line limiting to the northwest, east, northeast and southeast the cadastre of the parish of Saint-Narcisse; the northeast limit of the cadastre of the parish of Saint-Patrice-de-Beaurivage; a broken line limiting to the northeast, southeast and south the cadastre of the parish of Saint-Sylvestre; the south line and part of the southwest line of the cadastre of the parish of Saint-Sylvestre; the southeast line of the cadastre of the parish of Sainte-Agathe; the southeast line of the cadastre of the township of Nelson; part of the northeast line and part of the southeast line of the cadastre of the township of Inverness to the line dividing the rang III and the rang IV of the cadastre of the township of Leeds; the said dividing line to the east corner of the lot 2B of the rang III of the said township; the southeast line of the said lot; the northeast line of the lot 3 of the rang II; the southeast line of the lot 3 of the rang II and of the lot 3B of the rang I of the said township; part of the northeast line of the cadastre of the township of Leeds; a broken line dividing the cadastres of the townships of Thetford and Ireland, a broken line between the cadastre of the township of Thetford and the cadastre of the township of Leeds and Ireland; in the cadastre of the lastmentioned township part of the dividing line between the rang X and the rang IX; the southeast line of the lots 613 and 612; the southwest side of the chemin de Front-du-Dixième-Rang southeast line of the lots 499 and 500; the southwest side of the chemin de Front-du-Neuvième-Rang; the southeast line of lots 689, 688 and 687 and the southwest line of the lot 687; part of the southeast line of the cadastre of the township of Halifax; in the cadastre of that township, part of the

dividing line between the rang X and the rang XI; the northwest line of the lots 722 and 723; part of the northeast line of the said township; the southeast line of the lot 736; part of the dividing line between the rang X and the rang XI; the southeast line of the lot 683; the southwest line of the lots 683 and 682; the southeast line of the lots 811a and 900; part of the dividing line between the rang VII and the rang VIII; the northwest line of the lot 890; part of the dividing line between the rang VIII and the rang IX; the northwest line of the lot 831; part of the dividing line between the rang IX and the rang X; the northwest line of the lot 786; part of the dividing line between the rang X and the rang XI; the northwest line of the lot 780; in the cadastre of the municipality of Somerset-Sud the southwest line of the lots 318 and 318a, the northwest line of the lots 318a, 318b, 318c, 318d, 318e, 318f, 318g, 318h; the northeast line of the lots 318h, 318 and 319; part of the northwest line of the cadastre of the township of Inverness; a broken line dividing the cadastres of the municipalities of Sommerset-Nord and Sommerset-Sud to the dividing line between the rang III and the rang IV of the latter cadastre; the said dividing line between ranges; part of the east line of the cadastre of the township of Stanfold; in the cadastre of that township, part of the dividing line between the rang III and the rang IV; the east line of the lot 12 of the rang III and the rang II; the east line of the lot 12a of the rang I extended to the median line of the rivière Bécancour; the median line of the said river downstream and skirting on the right the islands closest to the left shore and on the left the islands closest to the right shore to the extension of the east line of the cadastre of Bulstrode; the said extension and part of the east line of the said township; part of the dividing line between the rang II and the rang III; the west line of the lots 105 and 45, the latter extended to the median line of the rivière Bécancour; the median line of the said river downstream of the extension of the line dividing the lots 6a and 6c from the lot 7a of the rang XI of the cadastre of the township of Maddington in the cadastre of the townships of Blandford-et-Maddington; in that cadastre, the said extension and the said dividing line between the lots; the line dividing the lot 7a from the lot 6b of the continuation du rang XI of the cadastre of the township of Maddington; in the cadastre of the parish of Sainte-Gertrude, part of the southeast line of the lot 612; the northeast line of the lots 612 to 617; the northwest line of the lot 617; a broken line dividing the cadastre of the parish of Sainte-Gertrude from the cadastres of the parishes of

Sainte-Marie-de-Blandford and Saint-Édouard-de-Gentilly; in the latter cadastre, the southwest line of the lot 821; part of the dividing line between the Quatrième concession and the Cinquième concession northeasterly; the southwest limit of the cadastre of the parish of Saint-Pierre-les-Becquets and its extension to the median line of the fleuve Saint-Laurent; the median line of the said river downstream to the extension of the northeast limit of the cadastre of the parish of Saint-Antoine; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the villages of Deschailions, Deschailions-sur-Saint-Laurent, Fortierville, Inverness, Laurier-Station, Laurierville, Leclercville, Les Becquets, Manseau, Sainte-Agathe, Sainte-Croix, Saint-Flavien, Saint-Patrice-de-Beaurivage and Saint-Sylvestre; the municipalities of the parishes of Notre-Dame-de-Lourdes, Notre-Dame-du-Sacré-Coeur-d'Issoudun, Sainte-Agathe, Saint-Antoine-de-Tilly, Sainte-Cécile-de-Lévrard, Sainte-Croix, Saint-Édouard-de-Lotbinière, Sainte-Emmélie, Saint-Flavien, Saint-Gilles, Saint-Jacques-de-Parisville, Saint-Joseph-de-Blandford, Saint-Louis-de-Blandford, Saint-Narcisse-de-Beaurivage, Saint-Octave-de-Dosquet, Saint-Patrice-de-Beaurivage, Sainte-Philomène-de-Fortierville, Saint-Pierre-Baptiste, Saint-Pierre-les-Becquets, Sainte-Sophie-de-Lévrard and Saint-Sylvestre; the municipalities of the townships of Inverness and Nelson; the municipalities of Lemieux, Lotbinière, Lyster, Saint-Agapit, Saint-Apollinaire, Sainte-Françoise, Saint-Janvier-de-Joly, Saint-Jean-de-Brébeuf, Sainte-Julie, Sainte-Marie-de-Blandford, Val-Alain and Villeroy.

63. LOUIS-HÉBERT

The territory of the electoral division of Louis-Hébert can be described as follows: starting at the intersection of the median line of the fleuve Saint-Laurent with the median line of the pont Pierre-Laporte; thence, successively, the following lines: the median line of the autoroute 73 (boulevard Henri-IV) to its intersection with the median line of the boulevard Laurier; the median line of the said way to its intersection with the median line of the avenue des Gouverneurs; the median line of the said way and its extension to the median line of the boulevard Saint-Cyrille; the median line of the said way to the southwest side of the avenue Painchaud; the said extension and the said southwest side to the southeast side of the rue Muir; the southeast side of

the said way to the southwest line of the lot 127-1-2 of the cadastre of the parish of Sainte-Foy; in that cadastre, the southwest line of the lots 127-1-2, 127-32-1, 127-11-2, 127-10, 127-12 to 127-16, 127-9, 127-8 and 127-7; part of the northwest line of the lot 127-7 and the southwest line of the lots 127-4 and 127-17-1 (rue Hélène-Boulé); the northwest line of the lot 127-17-1 part of the northeast line of the original lot 127 and its extension across the chemin Sainte-Foy; part of the northeast line of the lot 120; the south line and part of the northeast line of the lot 121 to the median line of the boulevard Charest; the median line of the said way northeasterly to the northeast line of the lot 124; part of the northeast line and the northwest line of the said lot 124; a broken line bounding to the northwest and southwest the lots 123 and 122; part of the northeast line of the lot 121 and the northeast line of the lot 433; the north line of the lots 433 and 434; the northeast line of the lots 434, 422 and 435; the north line of the lots 435, 437, 420, 439 and 440; the northwest line of the lots 440, 441, 418 and 443; the north line of the lot 443; the west line of the lots 443, 417 and 423; the south line of the lots 2513, 2506 and 2514 of the cadastre of the parish of Saint-Sauveur; in the cadastre of the parish of Sainte-Foy, the east and southeast sides of the railway right-of-way (the lot 377) to the northeast line of the said lot 377; the northeast line of the lots 377, 113b and 113a and the northwest line of the lot 113a and of part of the lot 110; in the cadastre of the parish of L'Ancienne-Lorette, part of the northeast line of the lot 1; the south side of the right-of-way of the Canadian National Railway Company (the lots 961 and 962 of the cadastre of the parish of L'Ancienne-Lorette and 375 of the cadastre of the parish of Sainte-Foy) westerly to the median line of the boulevard Henri-IV; the median line of the said way southeasterly to the dividing line between the cadastres of the parishes of L'Ancienne-Lorette and Sainte-Foy; part of the dividing line between the cadastres to the median line of the boulevard Charest Ouest (autoroute 440); the median line of the said way to the median line of the rivière du Cap Rouge; the median line of the said river downstream to the dividing line between the cadastres of the parishes of Saint-Félix-du-Cap-Rouge and L'Ancienne-Lorette; a broken line dividing the cadastre of the parish of Sainte-Foy from the cadastres of the parishes of L'Ancienne-Lorette and Saint-Félix-du-Cap-Rouge, the last segment being extended to the median line of the fleuve Saint-Laurent; the median line of the said river downstream to the starting point.

This electoral division comprises part of the cities of Sainte-Foy and Sillery, the whole bounded as follows: the boulevard Charest Ouest, the boulevard Duplessis, the limit of the city of Sainte-Foy with the town of Ancienne-Lorette, the city of Québec and the city of Sillery, the rue des Gouverneurs, the boulevard Laurier, the autoroute 73, the pont Pierre-Laporte, the fleuve Saint-Laurent, the limit of the city of Sainte-Foy and the parish of Saint-Félix-du-Cap-Rouge and the rivière du Cap Rouge.

64. MAISONNEUVE

The territory of the electoral division of Maison-neuve can be described as follows:

starting from the intersection of the median line of the rue Rachel with the extension of the median line of the rue Aylwin; thence, the median line of the rue Rachel and the median line of the rue Sherbrooke to the median line of the rue Duquesne; the median line of the said way to the median line of the rue Hochelaga; the median line of the said way to the extension of the west limit of the land of the Department of National Defence; the said west limit and its extension to the median line of the rue La Fontaine; the median line of the said way to the median line of the avenue Clarence-Gagnon; the median line of the said way to the median line of the rue Notre-Dame; the median line of the said way to the median line of the rue Bossuet; the median line of the said way and its extension to the median line of the fleuve Saint-Laurent; the median line of the said river to the extension of the median line of the rue Cuvillier; the said extension and the median line of the rue Cuvillier to the median line of the rue de Rouen; the median line of the said way to the median line of the rue Aylwin; finally, the median line of the said way and its extension to the starting point.

65. MARGUERITE-BOURGEOYS

The territory of the electoral division of Marguerite-Bourgeoys can be described as follows:

starting at the intersection of the median line of the avenue Dollard and the north side of the canal de Lachine; thence, the north side of the said canal to the extension of the southwest line of the lot 141 of the cadastre of the municipality of the parish of Montréal; part of the extension of the said southwest line to the median line of the canal de Lachine; the median line of the said canal to the dividing line between the cadastres of the municipality of the parish of Montréal and the parish of Lachine; the said dividing line between cadastres to the southeast side of the right-of-way of the Canadian Pacific Railway Company, such right-of-way crossing the lots 1021 and 1013 of the cadastre of the parish of Lachine and the lot 4687 of the cadastre of the municipality of the parish of Montréal; the southeast side of the said right-of-way to the line dividing the lot 1002 of the cadastre of the parish of Lachine from the lot 4687 of the cadastre of the municipality of the parish of Montréal; the said dividing line between cadastres to the northwest limit of the lot 981 of the cadastre of the parish of Lachine being the northwest side of the canal de l'Aqueduc-de-Montréal; the northwest side of the said canal to the extension of the median line of the 9^e Avenue; the extension, the median line of the said way and its extension to a broken line skirting on the north the île aux Chèvres (to the south of the île Rock); the said broken line to the median line of the fleuve Saint-Laurent; the median line of the river skirting on the south the île aux Hérons and passing north of the île au Diable to the extension of the median line of the 90^e Avenue; the extension and the median line of the said way to the median line of the boulevard Newman; the median line of the said way to the median line of the avenue Dollard; the median line of the said way to the starting point.

This electoral division comprises part of the city of LaSalle bounded as follows: the limit of the city of LaSalle and the town of Saint-Pierre, the limit of the cities of LaSalle and Montréal, the canal de l'Aqueduc-de-Montréal, the extension of the 9^e avenue, such way and its extension, the fleuve Saint-Laurent including the île aux Chèvres and the île aux Hérons, the extension of the 90^e avenue, such way, the boulevard Newman and the avenue Dollard.

66. MARIE-VICTORIN

The territory of the electoral division of Marie-Victorin can be described as follows:

starting from the intersection of the shore of the fleuve Saint-Laurent with the extension of the median line of the chemin de Chambly; this extension and the median line of the chemin de Chambly to the median line of the boulevard Jacques-Cartier; the median line of the boulevard Jacques-Cartier and its extension to the northeast side of the right-of-way of the route 116 (former route 9); the northeast side of the route 116 (former route 9); part of the northwest line of the lot 198; the southeast side of the lot 317 to the southwest side of the right-of-way of the boulevard Taschereau; the southwest side of the boulevard Taschereau to the extension of the median line of the boulevard Curé-Poirier; this extension and the median line of the boulevard Curé-Poirier; the median line of the avenue Sainte-Hélène; the median line of the boulevard Desaulniers; the median line of the avenue Joliette; the median line of the rue Saint-Charles Ouest; the median line of the rue Victoria and its extension to the median line of the fleuve Saint-Laurent; the median line of the fleuve Saint-Laurent downstream to its intersection with the extension of the median line of the chemin de Chambly; this extension to the starting point.

This electoral division comprises part of the city of Longueuil bounded as follows: the fleuve Saint-Laurent, the extension of the chemin de Chambly, the boulevard Jacques-Cartier Ouest and its extension, the limit of the city of Longueuil with the city of Saint-Hubert and the town of Lemoyne, the boulevard Curé-Poirier Ouest, the rue Sainte-Hélène, the boulevard Desaulniers, the rue Joliette, the rue Saint-Charles Ouest, the rue Victoria and its extension.

67. MARQUETTE

The territory of the electoral division of Marquette can be described as follows:

starting at the point of intersection of the median line of the fleuve Saint-Laurent with the extension of the median line of the 32^e Avenue; thence, the extension of the median line of the said way and its extension to the median line of the Canadian Pacific Railway Company's right-of-way; the said right-of-way eastward to the median line of the right-of-way of another railroad of the said company; the said median line northward to its intersection with a broken

line being the line dividing the cadastres of the parish of Lachine and of the municipality of the parish of Montréal and of the lot 116 of the cadastre of the municipality parish of Montréal and the median line of the chemin de la Côte-Saint-Luc to the extension of the line of the lots 131 and 138; the said extension and the line of the lots 131 and 138 to a broken line being the north side of the lot 4689, the northwest side of the chemin Avon (ancienne rue Saint-Jacques) and the southwest line of the lot 138 crossing the lot 4689; the said broken line to the south line of the lot 4706; the said south limit and the south side of the right-of-way of the Commission des transports de Montréal to the northeast line of the lot 140 of the said cadastre; the said lot line and its extension to the north side of the canal de Lachine; the said north side to the extension of the median line of the avenue Dollard; the extension and the median line of the said way to the median line of the boulevard Newman; the median line of the said way to the median line of the 90^e Avenue; the median line of the said way and its extension to the median line of the fleuve Saint-Laurent; the said median line to the starting point.

This electoral division comprises the town of Saint-Pierre and part of the cities of Lachine and LaSalle, the whole bounded as follows: the limit of the cities of Lachine and Côte-Saint-Luc, the limit of the town of Saint-Pierre with the city of Côte-Saint-Luc, the town of Montréal-Ouest, the cities of Montréal and LaSalle, the avenue Dollard, the boulevard Newman, the 90^e avenue and its extension, the fleuve Saint-Laurent, the extension of the 32^e avenue, such way and its extension, and the railway line of the Canadian Pacific Railway Company.

68. MASKINONGÉ

The electoral division of Maskinongé comprises the territory bounded as follows:

starting at the point of intersection of the southwest limit of the cadastre of the parish of Saint-Joseph-de-Maskinongé with the shore of the fleuve Saint-Laurent; thence, successively, the following lines: the southwest limit of the cadastres of the parishes of Saint-Joseph-de-Maskinongé and Saint-Justin; part of the northwest limit of the cadastre of the parish of Saint-Justin; in the cadastre of the parish of Saint-Didace, the line limiting to the southwest the lots 89 to 101, 103, 105, 106, 110 and 113 to 121; the dividing line between the lots 121 and 122 extended to the median line of the rivière Maskinongé; the

median line of the said river easterly and skirting on the east the île no 524 to the extension of the northwest line of the lot 523; the said extension and part of the said northwest line; the southwest line of the lots 524 to 536; part of the southeast line and the southwest and northwest lines of the lot 537; part of the southwest line of the lot 493 to the extension of the dividing line between the lots 423 and 424; the said extension and the said dividing line between the lots; the northeast line of the lots 423, 422, 421 and 420; part of the southwest line and the northwest line of the lot 449; the southwest line of the cadastres of the townships of Hunterstown, De Calonne, Chapleau, Kaine, Aubry and Créquy; the northwest line of the cadastres of the townships of Créquy and Bréhault; the northeast line of the cadastres of the townships of Bréhault, Badeaux, Arcand, Allard, Desaulniers to the north limit of the parc de la Mauricie as defined in chapter 50 of the laws of 1972; the said limit of the park southeasterly and southerly to the extension of the northwest line of the lot 583 of the cadastre of the parish of Sainte-Flore; part of the said northwest line southwesterly and its extension in the lac Minogami to an irregular line located halfway between the northeast shore of the said lake and the northeast shore of an island located in the said extension; the said irregular line northwesterly and the median line of the lac Minogami to the northeast line of the cadastre of the parish of Saint-Mathieu; the said line northwesterly to the southeast line of the cadastre of the township of Belleau; part of the southeast line of the cadastre of the township of Belleau; the southwest limit of the cadastre of the parish of Saint-Mathieu; the southwest and southeast limits of the cadastre of the parish of Saint-Boniface, such line extended to the median line of the rivière Saint-Maurice; the median line of the said river downstream and skirting on the left the islands closest to the right shore and on the right the islands closest to the left shore to the extension of the southwest line of the lot 40 of the cadastre of the parish of Saint-Étienne; in that cadastre, the said extension; the southwest line of the said lot and the median line of a way limiting to the southeast part of the lot 40 and the lots 276, 277 and 278; the southwest side of a way limiting to the southwest the lots 279 to 284, 286, 288, 289, 290, 292, 293, 296 and 297 and the southwest line of the Deuxième Rang du Fief-Saint-Étienne; the southeast line of the lot 329; part of the northeast limit of the cadastre of the parish of La Visitation-de-la-Pointe-du-Lac; in the cadastre of the parish of Trois-Rivières, the southeast line of the lots 373, 251,

250, 249 and the southeast side of the route de Rochon; a broken line limiting to the northeast and southeast, as the case may be, the lots 165, 165-2, 165-1, 166 and 7 to the southeast side of the chemin Sainte-Marguerite; the southeast side of the said way southwesterly to the southwest line of the lot 7; part of the southwest line of the said lot southeasterly to the northwest side of the right-of-way of the Canadian Pacific Railway Company (the lot cadastral 374); the northwest side of the said right-of-way northeasterly to the northeast line of the lot 5; the extension of the said line across the said right-of-way and part of the said northeast line; part of the northeast line of the lot 2 to the extension northwesterly of the southwest line of the lot 2-17; part of the said extension southeasterly for a distance of two thousand five hundred and thirty-four and five-tenths feet (2 534,5 ft); a line in the said lot 2 northeasterly having a length of two hundred and ninety-two and seven-tenths feet (292,7 ft), parallel to and northwest of the southeast line of the subdivisions 15, 16 and 17 of the original lot 2, such parallel line located at a perpendicular distance of five hundred and sixteen feet (516,0 ft) from the said southeast line; part of the northeast limit of the cadastre of the parish of Trois-Rivières and its extension to the median line of the fleuve Saint-Laurent; the median line of the river upstream to an irregular line passing east of all the islands forming part of the cadastre of the parish of La Visitation (île-Dupas); the said irregular line skirting on the east the said islands and continuing along a line passing halfway between the north shore of the fleuve Saint-Laurent and the north shore of the île à l'Aigle to the extension of the southwest limit of the cadastre of the parish of Saint-Joseph-de-Maskinongé; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the towns of Louiseville and Trois-Rivières-Ouest; the villages of Maskinongé, Saint-Paulin and Yamachiche; the municipalities of the parishes of Saint-Alexis, Sainte-Angèle, Sainte-Anne-d'Yamachiche, Saint-Antoine-de-la-Rivière-du-Loup, Saint-Barnabé, Saint-Élie, Saint-Étienne-des-Grès, Saint-Joseph-de-Maskinongé, Saint-Justin, Saint-Léon-le-Grand, Saint-Paulin, Saint-Sévère and Sainte-Ursule; the municipality of the township of Hunterstown; the municipalities of Belleau, Charette, Pointe-du-Lac and Saint-Édouard.

69. MATANE

The electoral division of Matane comprises the territory bounded as follows:

starting from a point located on the median line of the ruisseau du Petit-Cap at its mouth in the fleuve Saint-Laurent; thence, successively, the following lines: in the cadastre of the seigniorship of Mont-Louis, a straight line to the apex of the west corner of the lot 52a-2 of the cadastre of the municipality of Saint-Maxime-du-Mont-Louis; the west line of the lots 52a-2, 53-3, 54-2 and 55-2 of the said cadastre; the dividing line between the cadastre of the seigniorship of Mont-Louis and the cadastre of the township of Duchesnay; the east line of the cadastre of the townships of Boisbuisson and Deslandes; the north, east and southeast lines of the cadastre of the township of Walbank; the southeast line of the cadastre of the townships of Deville, Baldwin, Clarke, Gravier and Catalogne; the southwest line of the cadastre of the township of Catalogne; the southeast and southwest lines of the cadastre of the township of Lagrange; the southwest line of the cadastre of the township of Cuog; the southeast, and southwest lines of the cadastre of the township of Langis; a broken line being the southeast, south and southwest line of the cadastre of the township of Matane, to its intersection with the line of the cadastre of the parish of Notre-Dame-de-L'Assomption-de-MacNider; the southeast lines of the lot 745 to 765 of the said cadastre; the southwest line of the lot 745 of the same cadastre; part of the dividing line between the rang V and the rang VI of the cadastre of the township of MacNider; part of the northeast and northwest lines of the cadastre of the township of Cabot; in the cadastre of that township, the northeast line of the lot 4a of the rang VIII; the southeast line of the rang VIII; the northeast line of the lot 7 of the rang IX; the southeast line of the rang IX; the northeast line of the lot 16 of the rang X; the southeast line of the lots 16, 17 and 18 of the rang X; part of the northeast line of the lot 26 of the rang Nord-Est chemin Kempt and the southeast line of the said lot; the southeast line of the lot 26 of the rang Sud-Ouest du chemin Kempt and the southwest line of the lots 26 in declining order to the lot 1 inclusively of the same range; in the cadastre of the parish of Saint-Octave-de-Métis, part of the southeast line of the lot 551 and the southwest line of the lots 551 and 550; in the cadastre of the parish of Sainte-Angèle-de-Mérici, the southeast line of the lot 6 of the rang II of the cadastre of the township of Cabot and the southwest line of the lots 6 to 1 of the

same range; a broken line dividing the cadastre of the parish of Saint-Octave-de-Métis from the cadastre of the parish of Sainte-Angèle-de-Mérici to the median line of the rivière Métis (former rivière Métis) the median line of the said river downstream and skirting on the right the island, closest to the left shore and on the left the islands closest to the right shore to its mouth in the fleuve Saint-Laurent; a straight line in the fleuve Saint-Laurent parallel to the general direction of the lateral lines of the lots northwesterly to the median line of the said river; the median line of that river downstream to another straight line parallel to the general direction of the lateral lines of the lots and originating at a point located on the median line of the ruisseau du Petit-Cap at its mouth in the fleuve Saint-Laurent; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the towns of Cap-Chat, Matane and Sainte-Anne-des-Monts; the villages of Marsoui, Métis-sur-Mer, Price, Sainte-Félicité and Saint-Ulric; the municipalities of the parishes of Saint-Adelme, Saint-Antoine-de-Padoue-de-Kempt, Sainte-Félicité, Saint-Jean-Baptiste-Vianney, Saint-Jean-de-Cherbourg, Saint-Jérôme-de-Matane, Saint-Joachim-de-Tourelle, Saint-Léandre, Saint-Luc, Saint-Octave-de-Métis, Saint-Paulin-Dalibaire, Saint-René-de-Matane, Saint-Thomas-de-Cherbourg and Saint-Ulric-de-Matane; the municipalities of Baie-des-Sables, Capucins, Grand-Métis, Grosses-Roches, La Martre, Les Boules, Les Méchins, Petite-Matane, Rivière-à-Claude, Saint-Nil and Sainte-Paule. It also comprises the locality of Cap-Seize situated in unorganized territory.

70. MATAPÉDIA

The electoral division of Matapédia comprises the territory bounded as follows:

starting from the point of intersection between the shore of the fleuve Saint-Laurent and the line dividing the cadastres of the parishes of Sainte-Flavie and Sainte-Luce; thence, successively, the following lines; the said dividing line between the cadastres; a broken line dividing the cadastre of the parish of Saint-Donat from the cadastres of the parishes of Sainte-Luce and Saint-Anaclet and the cadastre of the township of Neigette; in that township, the northeast line of the rang IV; the median line of the rivière Neigette upstream; the dividing line between the rang VII and the rang VIII; the dividing line between the lots 16 and 17 of the rang VIII and the

rang IX; in the cadastre of the township of Ouimet, the southwest line of the lot 16a of the rang I; the dividing line between the rang I and the rang II; the southwest line of the lot 31 of the rang II; the dividing line between the rang II and the rang III; the southwest line of the lot 33 of the rang III; the dividing line between the rang III and the rang IV; the extension of the southwest line of the lot 23a of the rang IV and the said southwest line; the southwest line of the lot 23 of the rang V, the rang VI, the rang VII and the rang VIII and its extension across the vacant Crown lands to its intersection with the said extension of the southeast line of the cadastre of the township of Jetté; the said extension and the southeast line of the cadastre of the township of Jetté; the southwest line of the cadastre of the township of Milnikek; the southeast line of the said township to its intersection with the median line of the rivière Matapédia; the median line of the rivière Matapédia to the southeast line of the cadastre of the township of Assemetquagan; part of the southeast line of the cadastre of the township of Assemetquagan; the southeast and northwest lines of the rang Ouest du chemin Kempt of the said township; the northwest and northeast lines of the rang Est du chemin Kempt of the same township; part of the southeast line of the same township; a broken line dividing the cadastre of the township of Assemetquagan from the cadastre of the township of Mann and Fauvel; part of the southeast line of the cadastre of the township of La Vérendrye; the northeast line and part of the northwest line of the cadastre of the township of la Vérendrye; the northeast line of the cadastres of the townships of Casault and Blais; the northwest line of the cadastre of the township of Blais; a broken line limiting to the northeast and north the seigniorship of Lac Matapédia; the northeast lines of the lots 51 of the rang I, the rang II, and the rang III of the augmentation of the cadastre of the township of MacNider; the northeast line of the lots 51 of the rang XII, the rang XI, the rang X, the rang IX, the rang VIII and the rang VII of the cadastre of the township of MacNider; part of the dividing line between the rang VI and the rang VII of the cadastre of the township of MacNider; the northeast line of the lot 744 of the cadastre of the parish of Notre-Dame-de-L'Assomption-de-MacNider; the dividing line between the rang V and the rang VI of the cadastre of the township of MacNider; part of the northeast and northwest lines of the cadastre of the township of Cabot; in that township, the southwest line of the lot 3b of the rang VIII; the northwest line of the rang IX; the southwest line of the lot 6 of the

rang IX; the northwest line of the rang X; the southwest line of the lot 15 of the rang X; the northwest line of the lots 16 and 17 of the rang IX and part of the southwest line of the lot 17 of the said range; the northwest line of the lot 27 of the rang Nord-Est du chemin Kempt and the rang Sud-Ouest du chemin Kempt; the northeast line of the lots 27, 26, 25 of the rang III and the north line of the said range; a broken line limiting to the northeast the rang II and the northwest line of the lot 7 of the said range; the dividing line between the rang I and the rang II; a broken line dividing the cadastre of the parish of Sainte-Angèle-de-Mérici from the cadastre of the parish of Saint-Octave-de-Métis to the median line of the rivière Métis (former rivière Métis); the median line of the said river downstream and skirting on the right the islands closest to the left shore and on the left the islands closest to the right shore to its mouth in the fleuve Saint-Laurent; a straight line in the fleuve Saint-Laurent parallel to the general direction of the lateral lines of the lots northwesterly to the median line of the fleuve Saint-Laurent; the median line of the river upstream to the extension of the line dividing the cadastres of the parishes of Sainte-Flavie and Sainte-Luce; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the towns of Amqui, Causapscal and Mont-Joli; the villages of Lac-au-Saumon, Sainte-Angèle-de-Mérici, Saint-Noël, Sayabec and Val-Brillant; the municipalities of the parishes of La Rédemption, Saint-Alexandre-des-Lacs, Sainte-Angèle-de-Mérici, Saint-Benoît-Joseph-Labre, Saint-Charles-Garnier, Saint-Cléophas, Saint-Damase, Saint-Donat, Sainte-Flavie, Saint-François-Xavier-des-Hauteurs, Saint-Gabriel, Sainte-Irène, Saint-Jacques-le-Majeur-de-Causapscal, Sainte-Jeanne-d'Arc, Saint-Joseph-de-Lepage, Saint-Léon-le-Grand, Sainte-Marie-de-Sayabec, Saint-Moise, Saint-Pierre-du-Lac, Saint-Raphaël-d'Albertville, Saint-Tharcisius and Saint-Zénon-du-Lac-Humqui; the municipalities of Fleuriault, Saint-Edmond, Sainte-Florence, Saint-Jean-Baptiste and Sainte-Marguerite. It also comprises the locality of Routhierville and the township of MacNider situated in unorganized territory.

71. MÉGANTIC-COMPTON

The electoral division of Mégantic-Compton comprises the territory bounded as follows: starting from the west corner of the cadastre of the township of Dudswell; thence, successively, the following lines: the northwest line and part of the northeast line of the said township; the dividing line between the rang IX and the rang X of the cadastre of the township of Weedon and part of the northeast line of the said township to the median line of the rivière Saint-François; the median line of the said river and of the lac Aylmer to the extension of the northeast line of the rang II Nord-Est of the cadastre of the township of Stratford; in the cadastre of that township, the said extension and part of the said northeast line; part of the northwest line of the rang VII; the northeast line of the lot 6 of the rang VII; part of the dividing line between the rang VI and the rang VII; the northeast line of the lot 14 of the rang VI and the rang V and the lots 14a and 14b of the rang IV; a broken line dividing the cadastre of the township of Stratford from the cadastres of the townships of Winslow and Price to the northeast line of the lot 8a of the cadastre of the township of Price; the northeast line of the lot 8a and 8b of the said township, the latter extended to the median line of the lac St-François; the median line of the said lake in a generally northerly direction to the extension of the northwest line of the cadastre of the township of Lambton; the said extension; in the cadastre of the township of Lambton, the northwest line and part of the northeast line of that township; the southeast line of the lot 20 of the rang VIII and the rang VII; part of the dividing line between the rang VI and the rang VII; the northwest line of the lots 24d and 24b of the rang A and the rang B; part of the southeast line of the cadastre of the township of Lambton; in the cadastre of the township of Aylmer, part of the dividing line between the rang V and the rang VI; the northwest line of the lot 11 of the rang VI; part of the dividing line between the rang VI and the rang VII; the northwest line of the lot 19 of the rang VII; part of the dividing line between the rang VII and the rang VIII; part of the west line of the cadastre of the township of Dorset; in the cadastre of that township, the north line of the lot 13b of the rang XIII and part of the dividing line between the rang XII and the rang XIII; part of the north line of the cadastre of the township of Gayhurst; in the cadastre of that township, part of the dividing line between the rang II and the rang III; the northwest line of the lots 104 and 26, the latter extended across the rivière

Chaudière; the northeast line of the cadastre of the township of Spalding; the Québec — United-States boundary in a generally southwesterly direction to the west line of the cadastre of the township of Barford; part of the said west line to a point located at a distance of one thousand one hundred and ninety-nine and six-tenths feet (1199,6 ft) south of the northwest corner of the lot 17a-3 of the rang IX of the cadastre of the township of Barford; in that cadastre, a line, across the lot 17a to a point located on the west line of the lot 16a of the rang X, at a distance of one thousand two hundred and two feet (1202 ft) from the northwest corner of the said lot; part of the said west line for the said distance and the west line of the lots 16b and 16c of the rang X; the west line of the lot 16 of the rang X of the original survey; the west line of the lot 16f of the rang XI; the south line of the lot 17c and its extension to the median line of the rivière Coaticook; the median line of the said river northwesterly to the west line of the cadastre of the township of Barford; the west line and part of the north line of the said township; the east line of the cadastre of the township of Clifton; part of the south and west lines of the cadastre of the township of Eaton; in the cadastre of that township, part of the dividing line between the rang VII and the rang VIII; the west line of the lot 23b of the rang VIII; the north line of the lots 23b, 23a and 22 of the rang VIII; the west line of the lots 21c of the rang IX, the lots 21b, 21d, 21f of the rang X and the lot 21b of the rang XI; part of the south line of the cadastre of the township of Westbury; in the cadastre of that township, the west line of the lots 6a and 6c of the rang I; the last mentioned extended across the rivière Saint-François; the west line of the lots 6a and 6b of the rang II; part of the south line of the lot 6a of the rang III; finally a broken line dividing the cadastre of the township of Stoke from the cadastres of the townships of Westbury and Dudswell to the starting point.

This electoral division comprises the following municipalities: the towns of Cookshire, East-Angus, Lac-Mégantic and Scotstown; the villages of Bishoppton, Dixville, La Patrie, Marbleton, Saint-Gérard, Saint-Herménégilde, Sawyerville and Weedon-Centre; the municipalities of the parishes of Saint-Augustin-de-Woburn, Saint-Venant-de-Hereford and Val-Racine; the municipalities of the townships of Barford, Clifton-Partie-Est, Ditton, Dudswell, Eaton, Hampden, Hereford, Lingwick, Marston, Newport, Sainte-Edwidge-de-Clifton, Stratford, Weedon and Westbury; the municipalities of Audet, Bury, Chartierville, Fontainebleau, Fron-

tenac, Lac-Drolet, Lambton, Martinville, Milan, Nantes, Notre-Dame-des-Bois, Piopolis, Sainte-Cécile-de-Whitton, Saint-Herménégilde, Saint-Isidore-d'Auckland, Saint-Malo, Saint-Mathieu-de-Dixville, Saint-Romain, Saint-Sébastien and Stornoway.

72. MERCIER

The territory of the electoral division of Mercier can be described as follows:

starting from the intersection of the extension of the median line of the avenue du Mont-Royal with the median line of the main railway line of the Canadian Pacific Railway Company; thence, the said extension and the median line of the avenue du Mont-Royal to the dividing line of the cadastre of the village of Côte-Saint-Louis and the cadastre of the municipality of the parish of Montréal; the said dividing line to the median line of the main railway line of the Canadian Pacific Railway Company; finally, the median line of the said main railway line to the starting point.

This electoral division comprises part of the city of Montréal bounded as follows: the railway line of the Canadian Pacific Railway Company, the extension of the avenue du Mont-Royal, such way and the limit of the cities of Montréal and Outremont.

73. MILLE-ÎLES

The territory of the electoral division of Mille-Îles can be described as follows:

starting from the intersection of the median line of the boulevard Saint-Martin with the median line of the rue Notre-Dame-de-Fatima; thence, the median line of the rue Notre-Dame-de-Fatima and its extension to the median line of the rivière des Prairies; the median line of the said river downstream and passing northwest of the île de la Visitation and the islands bearing numbers 503, 492 and 491 of the cadastre of the parish of Sault-au-Récollet and southeast of the islands bearing numbers 193 to 200 inclusively of the cadastre of the parish of Saint-François-de-Sales to the median line of the rivière des Mille Îles; finally, the median line of the said river upstream and passing northwest of the islands bearing numbers 201, 202, 204, 207 and 212 of the cadastre of the parish of Saint-François-de-Sales, the islands bearing numbers 597 to 601 inclusively and 616 of the cadastre of the parish of Saint-Louis-de-

Terrebonne and west of all the islands forming part of the cadastre of the parish of Sainte-Rose to the extension of the median line of the right-of-way and of the autoroute Papineau (19); the extension of the right-of-way and the median line of the said highway to the median line of the boulevard Saint-Martin; the median line of the said way to the starting point.

starting from the northwest corner of the cadastre of the township of Orford; thence, successively, the following lines: in the cadastre of that township, part of the north line of the said cadastre to the extension in the lac Brompton of the dividing line between the rang XIII and the rang XIV; the said extension and part of the said dividing line between ranges; the north line of the lots 730, 693, 660-1 and its extensions across the lac Montjoie; the north line of the lots 661-1, 661-2, 629-1, 629-2, 630-1, 630-2, 630-3, 631-1 and 631-2; part of the west line of the lot 573-2 and part of the dividing line between the rang IX and the rang X; the north line of the lots 566-1, 435, 344-2 and of part of the lot 344-1; the west line of the lot 341; part of the north line of the said cadastre; part of the dividing line between the rang IV and the rang V; the north line of the lot 165 and its extension to the east side of the Canadian Pacific Railway Company right-of-way; the east side of the said right-of-way to the north line of the lot 168; the northeast and south lines of the said lot, the latter line extended to the median line of the rivière Magog; the median line of the said river to the extension of the north line of the lot 14-A of the rang XI; the said extension and part of the said north line; the west and north lines of the lot 14-B of the rang XI; the east lines of the lots 14-A and 14-B of the rang XI; the north lines of the lots 13-E, 13-C and 13-B of the rang X; part of the dividing line between the rang IX and the rang X southerly to the median line of the chemin Upper Belvédère; the median line of the said way to the extension of the south line of the lot 6c of the rang X; the said extension and the said south line; part of the dividing line between the rangs X and XI; part of the north line and the east line of the cadastre of the township of Harley; part of the north and east lines of the cadastre of the township of Barnston to the median line of the rivière Coaticook between the lots 17b and 17c of the rang XI of the cadastre of the township of Barford; in that cadastre, the said median line to the extension of the north line of the lot 17a of the rang IX; the said extension and the north and east lines of the said lot 17a; the east line of the lot 17 of the rang X of the original survey; the east line of the lots 17c and 17b of the rang IX; part of the east line of the lot 17a of the rang IX for a distance of one thousand two hundred and two feet (1 202 ft); a line across the lot 17a to a point on the

west line of the said lot one thousand one hundred and ninety-nine and sixth-tenths feet (1 119,6 ft) from the northwest corner of the lot 17a-3 of the rang IX; part of the east line of the cadastre of the township of Barnston; the Québec-United States border line to the median line of the lac Memphrémagog; the median line of the said lake to the extension of the south line of the lot 15d of the rang XV of the cadastre of the township fo Magog; the said extension; a broken line between the cadastres of the township of Magog and Bolton; finally, the west line of the cadastre of the township of Orford to the starting point.

This electoral division comprises the following municipalities: the city of Magog; the towns of Coaticook and Rock-Island; the villages of Ayer's-Cliff, Beebe-Plain, Deauville, Hatley, North-Hatley, Omerville and Stanstead-Plain; the municipality of the parish of Saint-Élie-d'Orford; the municipalities of the townships of Barnston, Hatley, Hatley-Partie-Ouest, Magog, Orford and Stanstead; the municipalities of Barnston-Ouest, Ogden, Rock-Forest, Sainte-Catherine-de-Hatley and Stanstead-Est.

81. OUTREMONT

The territory of the electoral division of Outremont can be described as follows:

starting from the intersection of the median line of the avenue Victoria with the median line of the avenue Van Horne; thence, the median line of the avenue Van Horne the dividing line of the cadastres of the municipality of the parish of Montréal and of the village of Côte-des-Neiges; the dividing line of the said cadastres to the dividing line of the cadastres of the parish of Saint-Laurent and of the municipality of the parish of Montréal; the said dividing line of the cadastres to the dividing line of the cadastres of the municipality of the parish of Montréal and the village of Côte-Saint-Louis; the said dividing line to the extension of the median line of the voie Camilien-Houde; the extension, the median line of the said way and the median line of the chemin Remembrance to the median line of the chemin de la Côte-des-Neiges; the median line of the said way to the median line of the boulevard Édouard-Montpetit; the median line of the said way to the median line of the rue Lavoie; the median line of the said way to the median line of the chemin de la Côte-Sainte-Catherine; the median line of the said way to the median line of the avenue Victoria; finally, the median line of the said way to the starting point.

This electoral division comprises the city of Outremont and part of the city of Montréal, the whole bounded as follows: the avenue Van Horne, the limit of the city of Outremont with the city of Montréal and the town of Mont-Royal, the limit of the cities of Montréal and Outremont, the avenue du Mont-Royal, the voie Camillien-Houde, the chemin Remembrance, the chemin de la Côte-des-Neiges, the boulevard Édouard-Montpetit, the rue Lavoie, the chemin de la Côte-Sainte-Catherine and the avenue Victoria.

82. PAPINEAU

The electoral division of Papineau comprises the territory bounded as follows:

starting from the northwest corner of the cadastre of the township of Papineau; thence, the east line of the cadastre of the township of McGill; the north line of the cadastre of the township of McGill and its extension to the median line of the rivière Gatineau; the said median line downstream to its intersection with the extension of the north line of the cadastre of the township of Blake; this extension and the north line of the cadastre of the township of Blake; the west line of the rang IV of the said cadastre of the township; part of the south line of the said cadastre of the township to the west shore of the lac Poisson Blanc; the northwest and southwest shores of the said lake to the line dividing the cadastres of the townships of Hincks and Bowman; the west line and part of the south line of the cadastre of the township of Bowman; part of the west line of the cadastre of the township of Portland; part of the north line of the cadastre of the township of Wakefield; the west lines of the lots 16, 16a and 16b of the rang I to the rang XI of the said cadastre of the township; part of the south line of the said cadastre of the township; part of the south line of the cadastre of the township of Wakefield to the line dividing the said cadastre of the township and the cadastre of the township of Templeton; the said dividing line northward to the south line of the rang XII of the cadastre of the township of Templeton; the said line to the northwest corner of the lot 22 of the rang IX of the said cadastre of the township; the west line of the lots 22, 22a and 22b of the rang XI to the rang VI inclusively; part of the south line of the rang VI to the southeast corner of the lot 2a of the said range of the said cadastre of the township; the east line of the lot 2a of the said range; the south line of the lot 1b of the rang VII of the cadastre of the township of

Templeton; part of the west line of the cadastre of the township of Buckingham and its extension to the Québec/Ontario borderline in the rivière des Outaouais (Ottawa river); the said borderline downstream to the extension of the east line of the cadastre of the parish of Notre-Dame-de-Bonsecours; the said east line; part of the south line and the east line of the cadastre of the township of Ponsonby; part of the east line of the cadastre of the township of Amherst; the north line of the lot 25a of the rang VIII Nord of the said cadastre of the township; the west line of the lots 20a to the lot 25a of the said range; part of the north line of the lot 19a; the dividing line between the rang VII Nord and the rang VIII Nord; part of the north line of the cadastre of the township of Amherst; part of the east and west lines and the north line of the cadastre of the township of Addington; the north line and part of the east line of the cadastre of the township of Preston; the north line of the cadastre of the township of Papineau to the starting point.

This electoral division comprises the following municipalities: the city of Buckingham; the towns of Masson and Thurso; the villages of Chénéville, Montebello, Papineauville, Ripon and Saint-André-Avellin; the municipalities of the parishes of Notre-Dame-de-Bon-Secours-Partie-Nord, Notre-Dame-de-la-Paix, Saint-André-Avellin and Sainte-Angélique; the municipalities of the townships of Amherst, Lochaber, Lochaber-Partie-Ouest, Ponsonby and Ripon; the municipalities of the united townships of Mulgrave-et-Derry and of Suffolk-et-Addington; the municipalities of Bowman, Duhamel, Fassett, Lacs-des-Plages, Lac-Simon, L'Ange-Gardien, Mayo, Montpellier, Namur, Notre-Dame-de-la-Salette, Notre-Dame-du-Laus, Plaisance, Saint-Sixte, Val-des-Bois, Val-des-Monts and Vinoy.

83. PONTIAC

The electoral division of Pontiac comprises the territory bounded as follows:

starting from the intersection of the median line of the rivière Dumoine with the extension of the north line of the cadastre of the township of Trouvé; this extension and the said north line; the north line of the cadastres of the townships of Trouvé, Nivernais, Égriselles and Doutreleau; the east line of the cadastre of the township of Doutreleau; the north and east lines of the cadastre of the township of Lyonnais; the north line of the cadastres of the townships of Lorraine and Picardie; the west and south lines of

the cadastre of the township of Maine; the east line of the cadastres of the townships of Angoumois and Béliveau; the south line of the cadastre of the township of Béliveau; the east line of the cadastres of the townships of Aunis, Bretagne, Clapham, Leslie and Thorne; the north line and part of the east line of the cadastre of the township of Onslow; the north line and part of the east line of the cadastre of the township of Eardley to the north line of the lot 28a of the rang VII of the cadastre of the township of Hull; part of the north line of the rang VII to the east line of the lot 19-a; the east line of the lot 19-a; part of the north line of the rang VI to the east line of the lot 13-a; the east line of the lots 13-a and 13-b; part of the north line of the rang V to the west side of the boulevard de la Cité-des-Jeunes; then following the actual limits of the city of Hull, the west and southwest sides of the said way to the northwest side of the chemin de la Montagne; the northwest and northeast sides of the said way towards the southwest and the northwest to the extension of the west line of the lot 9b-1 of the rang IV; the said extension of the said west line; the north line of the lots 9b-3 and 10b of the rang IV; the west line of the lots 10b and 10c of the rang VI; a line crossing the way dividing the rang III and the rang IV and joining the southwest extremity of the lot 10c of the rang IV at the northwest extremity of the lot 10-18 of the rang III; the west line of the lots 10-18, 10-84, 10-47, 10-48, 10-49, 10-90, 10-50, 10-51, 10-91, 10-52 and 10-53 of the rang III; the south line of the lots 10-53, 10-54, 10-12, 10-9, 10-8, 10-7, 9a-17, 9a-16, 9a-25 and 9a-9 and part of the south line of the lot 9a-8; a line in the lot 9a, parallel to the west side of the chemin de la Montagne (chemin Brickyard), and located five hundred and twenty-five and six tenths (525,6) feet west of the latter for a distance of one thousand one hundred and seventy-four and two tenths (1 174,2) feet toward the south; another line in the lot 9a running southward having a length of six hundred and seventeen and nine tenths (617,9) feet; another line in the lot 9a, perpendicular to the northwest side of the chemin d'Aylmer having a length of six hundred and fifty-nine and seven tenths (659,7) feet established from a point on the northwest side of the said way located at three hundred and ninety-six and seven tenths (396,7) feet southwest of its intersection with the west side of the chemin de la Montagne (chemin Brickyard) the northwest side of the chemin d'Aylmer towards the northeast to the extension of the east line of the lot 8c of the rang III; the said extension; the said east line of the lot 8c and its extension in the

rivière des Outaouais (Ottawa River) to the Québec/Ontario borderline; then leaving the actual limits of the city of Hull, the said Québec/Ontario borderline in the rivière des Outaouais (Ottawa river) upstream to the extension of the median line of the rivière Dumoine; the median line of the said river upstream to the starting point.

This electoral division comprises the following municipalities: the city of Aylmer; the villages of Bryson, Campbell's-Bay, Chapeau, Fort-Coulonge, Portage-du-Fort and Shawville; the municipalities of the townships of Bristol, Chichester, Clarendon, Grand-Calumet, Isle-aux-Allumettes-Partie-Est, Isles-des-Allumettes, Litchfield and Thorne; the municipalities of the united townships of Leslie-Clapham-et-Huddersfield, of Mansfield-et-Pontefract, of Sheen-Esher-Aberdeen-et-Malakoff and of Waltham-et-Bryson; the municipalities of Pontiac and Rapi-des-des-Joachims.

84. PORTNEUF

The electoral division of Portneuf comprises the territory bounded as follows: starting from the point of intersection of the shore of the fleuve Saint-Laurent with the southwest limit of the cadastre of the parish of Grondines; thence, successively, the following lines: the southwest limit of the cadastres of the parishes of Grondines, Saint-Casimir, Saint-Ubalde and Saint-Rémi; the northwest limit of the cadastre of the parish of Saint-Rémi and part of the northwest line of the cadastre of the township of Chavigny; the southwest and northwest limits of the cadastre of the township of Marmier; the southeast line of the cadastres of the townships of Hackett and Lapeyrère to the median line of the rivière Batiscan; the median line of the said river upstream to the extension of the northeast line of the cadastre of the township of LaSalle; the said extension and the northeast limit of the cadastres of the townships of LaSalle, Tonti, Roquemont and Gosford; part of the southeast line of the cadastre of the township of Gosford to the north corner of the lot 757-2 of the cadastre of the parish of Sainte-Catherine; in that cadastre, the northeast line and part of the southeast line of the said lot 757-2 to the extension of the dividing line between the lots 10 and 11 of the rang I of the cadastre of the township of Gosford; in the lot 757, the said extension southeasterly to the extension of the line between the Onzième concession and the Douzième concession of the cadastre of the parish of Sainte-Catherine; the

said extension southwesterly and the northeast line of the lots 583 and 551; the dividing line between the Neuvième concession and the Dixième concession; the southwest side of a public way limiting to the northeast the lot 545a; the southeast line of the lots 545a and 544a; part of the northeast line of the lot 543a-1; the southeast line of the lots 543a-1 and 543a-2; part of the dividing line between the lots 542 and 543; the northeast side of the railway line of the Canadian National Railway Company; part of the dividing line between the lots 538 and 539; part of the dividing line between the Neuvième concession and the Dixième concession; a broken line dividing the cadastres of the parishes of Sainte-Catherine and Saint-Augustin from the cadastres of the parishes of Saint-Raymond, Sainte-Jeanne-de-Neuveville and Pointe-aux-Trembles, the last section extended to the median line of the fleuve Saint-Laurent; the median line of the said river upstream to the extension of the southwest limit of the cadastre of the parish of Grondines; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the towns of Donnacona, Lac-Sergent, Portneuf and Saint-Raymond; the villages of Deschambault, Neuville, Pont-Rouge, Saint-Alban, Saint-Basile-Sud, Saint-Casimir, Saint-Casimir-Est, Saint-Charles-des-Grondines and Saint-Marc-des-Carrières; the municipalities of the parishes of Notre-Dame-de-Portneuf, Pointe-aux-Trembles, Saint-Alban, Saint-Basile, Saint-Casimir, Saint-Charles-des-Grondines, Sainte-Christine, Saint-Gilbert, Saint-Joseph-de-Deschambault, Saint-Raymond, Saint-Rémi and Saint-Thuribe; the municipalities of Cap-Santé, Notre-Dame-de-Montauban, Rivière-à-Pierre, Sainte-Jeanne-de-Pont-Rouge, Saint-Léonard-de-Portneuf and Saint-Ubalde.

85. PRÉVOST

The electoral division of Prévost comprises the territory bounded as follows:

starting from the north corner of the lot 14 of the rang VIII of the cadastre of the township of Abercrombie; the northeast line of the lot 14; part of the southeast line of the rang VIII; the northeast line of the lot 7 of the rang VII; part of the southeast line of the rang VII to the northeast limit of the cadastre of the parish of Saint-Sauveur; part of the said northeast line to the northwest corner of the lot 18-A of the rang VI of the cadastre of the township of Abercrombie; the northwest and northeast lines of

the lot 18-A; part of the southeast line of the rang VI to the corner of the lot 23-E of the rang V; the northeast line of the lot 23-E; part of the northeast line of the lot 23-D; a straight line across the lots 23-D and 23-B of the rang V to the west corner of the lot 23-B of the said range; part of the northeast line of the lot 22-B of the rang V towards the southeast and the northeast side of a public way (chemin du Quatrième Rang) to the northeast line of the lot 22-C of the rang IV; part of the said northeast line towards the southeast and its extension to the shore of the lac Écho; the shore of the said lake towards the southwest, the southeast and the northeast to the northeast line of the lot 22-A of the rang III; the said northeast line; part of the line dividing the rang II and the rang III towards the southwest to the northeast line of the concession Sud de la Rivière-du-Nord of the cadastre of the parish of Saint-Jérôme; in reference to this last mentioned cadastre, part of the northeast line towards the southeast to the northwest side of the route 158 (former route 41); the northwest side of the said way southwesterly to the extension of the dividing line between the lots 153 and 154; the said extension and part of the said dividing line between the lots to the northwest side of the abandoned railway line of the Canadian National Railway Company; the northwest side of the said railway line to the dividing line between the lots 150 and 151; the said dividing line between the lots to a point located two hundred feet (200 feet) from the southeast side of the route 158 (former route 41); a line parallel to the southeast side of the said way for the width of the lot 150; part of the dividing line between the lots 149 and 150 southeasterly to the northwest side of the abandoned railway line of the Canadian National Railway Company; the northwest side of the said railway southwesterly to the dividing line between the lots 141 and 189; part of the said dividing line between the lots southeasterly and its extension to the median line of the rivière Saint-Antoine; the median line of the said river westerly to the extension of the northeast line of the lot 135; the said extension and the northeast line of the lots 135 and 136; the southeast line of the lots 135, 127, 126, 121, 120, 119, 118, 117 and 116; a broken line dividing the lot 115 from the lots 89 and 90; the southeast line of the lots 114, 113 and 112; the northeast line of the lot 111 and its extension to the median line of the rivière du Nord; the median line of the said river downstream to the extension of the southwest line of the lot 464; the said extension and the said southwest line; a broken line dividing the cadastre of the parish of Saint-Jérôme from the

cadastres of the parish of Saint-Colomban and the municipality of Mille-Isles; the northwest line of the cadastre of the parish of Saint-Sauveur; the northwest line of the lot 13 to the north corner of the said lot; the northeast line of the lots 13, 12, 11, 30, 29 and 28 part, of the said cadastre to the northwest line of the rang VIII of the cadastre of the township of Abercrombie; the said northwest line to the starting point.

This electoral division comprises the following municipalities: the city of Saint-Jérôme; the towns of Mont-Gabriel and Saint-Antoine; the villages of Lafontaine and Saint-Sauveur-des-Monts; the municipalities of the parishes of Bellefeuille, Sainte-Anne-des-Lacs and Saint-Sauveur, and the municipalities of Piedmont and Prévost.

86. RICHELIEU

The electoral division of Richelieu comprises the territory bounded as follows:

starting from the point of intersection of the southwest limit of the cadastre of the parish of Saint-Ours with the shore of the rivière Richelieu; thence, successively, the following lines: the extension of the said limit to the median line of the said river; the median line of the rivière Richelieu downstream and skirting on the right the islands closest to the left shore and on the left the islands closest to the right shore to the extension of the southwest limit of the cadastre of the parish of Saint-Joseph; the said extension and the said limit extended to the median line of the fleuve Saint-Laurent; the median line of the said river downstream and running southeast of the île Saint-Ignace, the île Ronde, the île aux Ours and the île aux Sables and skirting on the northwest, north and northeast of the islands forming part of the cadastre of the parish of Sainte-Anne to the extension of the northeast limit of the said cadastre; the said extension; the northeast limit of the cadastre of the parish of Sainte-Anne; part of the northeast limit of the parish of Saint-Michel; the northwest limit of the lot 274; part of the southwest line of the concession Sainte-Catherine Est; the northwest line of the lot 165, a broken line being the west, south and southwest limits of the concession Sainte-Catherine Ouest to the south corner of the lot 200; the southeast line of the lot 200 to the route 122; part of the east line of the concession Sainte-Catherine Ouest; part of the south line of the cadastre of the parish of Saint-Michel to the median line of the rivière Yamaska; the median line of the rivière Yamaska

upstream to the extension of the dividing line between the cadastres of the parishes of Saint-Aimé and Saint-David; the said extension and the said dividing line between cadastres; a broken line dividing the cadastres of the parishes of Saint-Marcel and Saint-Hugues from the cadastres of the parishes of Saint-Aimé and Saint-Louis; part of the northeast limit, the east and southeast limits and part of the southwest limit of the cadastre of the parish of Saint-Jude; part of the southeast limit of the cadastre of the parish of Saint-Denis; in that cadastre, the southwest line of the lots 684 and 664; the west line of the lot 664; part of the southwest line of the lot 473; a broken line limiting to the west the lots 473, 472, 470, 468, 467, 466, 464, 463, 462, 455, 454, 453, 450, 449, 448, 447, 445, 444, 443, 441, 440 and 438; finally, the southwest limit of the cadastre of the parish of Saint-Ours to the starting point.

This electoral division comprises the following municipalities: the city of Sorel; the towns of Saint-Joseph-de-Sorel, Saint-Ours and Tracy; the villages of Massueville, Yamaska and Yamaska-Est; the municipalities of the parishes of Saint-Aimé, Sainte-Anne-de-Sorel, Saint-Bernard-Partie-Sud, Saint-Jude, Saint-Louis, Saint-Michel-d'Yamaska, Saint-Ours, Saint-Pierre-de-Sorel, Saint-Robert and Sainte-Victoire-de-Sorel.

87. RICHMOND

The electoral division of Richmond comprises the territory bounded as follows:

starting from the north corner of the rang IX of the cadastre of the township of Weedon; thence, the dividing line between the rang IX and the rang X of the cadastre of the township of Weedon; a broken line dividing the cadastre of the township of Duds-well from the cadastres of the townships of Weedon and Saint-Camille; a broken line dividing the cadastre of the township of Stoke from the cadastre of the townships of Saint-Camille and Windsor; the dividing line between the rang IX and the rang X of the cadastre of the township of Windsor; the dividing line between the cadastres of the townships of Windsor and Cleveland and its extension to the median line of the rivière Saint-François; the median line of the said river downstream and skirting on the right the islands closest to the left shore and on the left the islands closest to the right shore to the extension of the northwest line of the lot 20 of the rang II of the cadastre of the township of Simpson; in the cadastre of that township, the said extension

and the northwest line of the said lot; the northwest line of the lot 20a of the rang III; the dividing line between the rang III and the rang IV; the northwest line of the lot 13 of the rang IV and the rang V, the lot 13a of the rang IV and the lot 13 of the rang VII, the rang VIII and the rang IX; the dividing line between the rang IX and the rang X; the northwest line of the lot 7 of the rang X and the lot 7a of the rang XI and the rang XII; the dividing line between the cadastres of the townships of Simpson and Horton; in the cadastre of the township of Horton, the northwest line of the lot 35; the sousouthwest line of the lot 6 of the rang I of the original survey; the southwest line of the lots 2 and 3 extended across the lots 9 and 8 and the southwest line of the lots 4 and 5; the northwest line of the lots 5 and 1, the last-mentioned extended to the median line of the rivière Nicolet; the median line of the said river upstream; the dividing line between the rang XIV and the rang XV of the cadastre of the township of Aston; the west line of the lot 147 of the cadastre of the parish of Sainte-Eulalie; the dividing line between the rang VII and the rang VIII of the cadastre of the augmentation of the township of Bulstrode; in that cadastre, the west line of the lots 446 and 447; the north line of the lots 566 and 565; the east line of the lots 565, 570 and 825; in the cadastre of the township of Warwick, the north line of the lots 280 and 281; the southeast line of the lot 281; the northeast line of the lots 1082, 1081, 1080, 1079 and 1033; the dividing line between the rang IX and the rang X; the northeast line of the lot 949; the dividing line between the rang VIII and the rang IX; the northeast line of the lot 849; the dividing line between the rang VII and the rang VIII; the northeast line of the lot 762; the dividing line between the rang VI and the rang VII; the northeast line of the lot 685; the median line of a public way limiting to the southeast the lots 685, 686, 687 and 688; the northeast line of the lot 689; the dividing line between the rang V and the rang VI; the median line of the way limiting the lot 607 northeasterly; part of the dividing line between the rang IV and the rang V; the southwest line of the lot 543; part of the dividing line between the rang III and the rang IV; the southwest line of the lot 455; the southeast line of the lot 456a; the northeast line of the lot 356; part of the dividing line between the rang I and the rang II; the southwest line of the lots 257 and 258; in the cadastre of the township of Tingwick, the southwest line of the lots 94 and 95; part of the dividing line between the rang I and the rang II; the northeast line

of the lots 107, 201, 302 and 218; part of the dividing line between the rang V and the rang VI; the southwest line of the lots 558 and 660; part of the dividing line between the rang VII and the rang VIII; part of the southwest limit and the southeast and northeast limits of the cadastre of the parish of Saint-Paul; in the cadastre of the parish of Sainte-Hélène, the northwest line of the lots 398, 332, 72 and 171; the dividing line between the rang I and the rang II; the northwest line of the lot 65; a broken line dividing the cadastre of the township of Chester from the cadastres of the townships of Halifax and of Wolfestown; in the cadastre of the township of Wolfestown, the dividing line between the rang IV and the rang V; the southeast line of the lot 13c of the rang V; the dividing line between the rang V and the rang VI; the southeast line of the lot 16b of the rang VI; the dividing line between the rang VI and the rang VII; the southeast line of the lots 18d and 18b; the dividing line between the rang VII and the rang VIII; the southeast line of the lot 20b of the rang VIII; the dividing line between the rang VIII and the rang IX; the dividing line between the cadastres of the townships of Wolfestown and Garthby; in the cadastre of the township of Garthby, the line dividing the rang II Nord from the rang I, the rang II and the rang III; dividing line between the rang III and the rang IV of the cadastre of the township of Garthby; the northeast line of the lots 15 of the rang IV, the rang V and the rang VI; part of the dividing line between the rang VI and the rang VII; the north line of the lot 13 of the rang VII and its extension to the median line of the lac of Aylmer; the median line of the lac Aylmer in a generally south direction to the extension of the southwest line of the cadastre of the township of Garthby; the extension and the southwest line of the cadastre of the township of Garthby to the starting point.

This electoral division comprises the following municipalities: the towns of Asbestos, Danville and Richmond; the villages of Beaulac, Kingsey-Falls, Sainte-Clothilde-de-Horton, Saint-Georges-de-Windsor and Wottonville; the municipalities of the parishes of Saint-Albert-de-Warwick, Sainte-Clothilde-de-Horton, Sainte-Élisabeth-de-Warwick, Saint-Joseph-de-Ham-Sud, Saint-Lucien, Saints-Martyrs-Canadiens, Saint-Rémi-de-Tingwick, Saint-Samuel and Sainte-Séraphine; the municipalities of the townships of Chester-Est, Cleveland, Garthby, Ham-Nord, Kingsey, Saint-Camille, Saint-Georges-de-Windsor, Shipton and Wotton; the municipalities of Chénier, Kingsey-Falls, Notre-Dame-de-Lourdes-

de-Ham, Saint-Adrien, Saint-Claude, Saint-Fortunat, Saint-Jacques-de-Horton, Tingwick and Trois-Lacs.

88. RIMOUSKI

The electoral division of Rimouski comprises the territory bounded as follows:

starting at the point of intersection of the north shore of the fleuve Saint-Laurent with the northeast limit of the cadastre of the parish of Sainte-Luce; thence, successively, the following lines: the northeast limit of the said cadastre; a broken line dividing the cadastre of the parish of Saint-Donat from the cadastres of the parishes of Sainte-Luce and Saint-Anaclet and the cadastre of the township of Neigette; in that township, the southwest line of the rang III; the median line of the rivière Neigette upstream; the dividing line between the rang VII and the rang VIII; the dividing line between the lots 16 and 17 of the rang VIII and the rang IX; in the cadastre of the township of Ouimet, the northeast line of the lot 17 of the rang I; the dividing line between the rang I and the rang II; the northeast line of the lot 32 of the rang II; the dividing line between the rang II and the rang III; the northeast line of the lot 34 of the rang III; the dividing line between the rang III and the rang IV; the extension of the northeast line of the lot 24a of the rang IV and the said northeast line; the northeast line of the lot 24 of the rang V, the rang VI, the rang VII and the rang VIII and its extension across the vacant Crown lands to its intersection with the extension of the southeast line of the cadastre of the township of Jetté; the said extension to the median line of the rivière Patapédia; the median line of the said river downstream to the Québec — New Brunswick boundary line; the said boundary line westerly and southerly to the southwest line of the cadastre of the township of Ango; the southwest line of the cadastres of the townships of Ango and Asselin; part of the dividing line between the cadastres of the townships of Asselin and Biencourt; the southwest line of the lot 50 of the rangs VIII, VII, VI, V, III Nord-Ouest, the rang II Sud-Est, the rang II Nord-Ouest and the rang I of the cadastre of the township of Biencourt; the southeast line of the lots 51 to 57 of the rang I of the cadastre of the township of Bédard; the southwest line of the cadastre of the township of Bédard; part of the southwest line of the cadastre of the seigniorship of Nicolas-Rioux and the southwest line of the cadastres of the parishes of Saint-Mathieu and Saint-Simon, the latter extended

to the median line of the fleuve Saint-Laurent; the median line of the said river downstream to the extension of the northeast limit of the cadastre of the parish of Sainte-Luce; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the city of Rimouski; the villages of Bic, Luceville and Rimouski-Est; the municipalities of the parishes of Saint-Anaclet-de-Lessard, Sainte-Anne-de-la-Pointe-au-Père, Sainte-Blandine, Saint-Eugène-de-Ladrière, Saint-Fabien, Sainte-Luce, Saint-Marcellin, Saint-Mathieu-de-Rioux, Saint-Narcisse-de-Rimouski, Sainte-Odile-sur-Rimouski, Saint-Simon, Saint-Valérien and Trinité-des-Monts; the municipalities of Biencourt, Esprit-Saint, Lacs-Aigles, Mont-Label, Saint-Guy and Saint-Médard.

89. RIVIÈRE-DU-LOUP

The electoral division of Rivière-du-Loup comprises the territory bounded as follows:

starting from the point of intersection between the northeast limit of the cadastre of the parish of Notre-Dame-des-Neiges-des-Trois-Pistoles (also known as the parish of Trois-Pistoles) and the shore of the fleuve Saint-Laurent; thence, successively, the following lines: the northeast limit of the cadastres of the parishes of Notre-Dame-des-Neiges-des-Trois-Pistoles (also known as the parish of Trois-Pistoles) and Sainte-Françoise and of the cadastres of the townships of Bégon and Raudot; the southeast line of the cadastre of the township of Raudot; a broken line dividing the cadastre of the township of Raudot from the cadastre of the seigniorship of Madawaska; the northeast line of the rang B du Lac-Témiscouata of the said cadastre; the southeast line of the rang B du Lac-Témiscouata and the rang A du Lac-Témiscouata of the cadastre of the seigniorship of Madawaska; the southeast line of the rang A du Lac-Témiscouata of the said cadastre; a broken line limiting towards the west and north the rang VIII du Lac-Témiscouata and the rang VII du Lac-Témiscouata of the said cadastre to the dividing line of the cadastres of the townships of Hocquart and Demers; part of the said dividing line to the southeast line of the rang VI of the cadastre of the township of Demers; part of the said line to the line dividing the lots 22 and 23 of the rang VI of the said township; the said dividing line; part of the southeast line of the rang V; a broken line dividing the cadastres of the townships of Demers and Whitworth

from the cadastre of the township of Armand; the southwest line of the cadastre of the township of Whitworth; part of the southeast line of the cadastre of the parish of Saint-Antonin; a broken line dividing the cadastres of the parishes of Saint-Alexandre and Saint-André from the cadastres of the parishes of Saint-Antonin and Notre-Dame-du-Portage, the last section being extended in the fleuve Saint-Laurent to an irregular line skirting the îles Pêlerin on the southeast and east and running southeast and east of the île aux Lièvres; the said irregular line in a generally north direction and continuing to the median line of the fleuve Saint-Laurent; the median line of the said river downstream to the extension of the northeast limit of the cadastre of the parish of Notre-Dame-des-Neiges-des-Trois-Pistoles (also known as the parish of Trois-Pistoles); finally the said extension to the starting point.

This electoral division comprises the following municipalities: the city of Rivière-du-Loup; the town of Trois-Pistoles; the villages of L'Isle-Verte and Saint-Georges-de-Cacouna; the municipalities of the parishes of Notre-Dame-des-Neiges-des-Trois-Pistoles, Notre-Dame-des-Sept-Douleurs, Notre-Dame-du-Portage, Saint-Antonin, Saint-Arsène, Saint-Clément, Saint-Éloi, Saint-Épiphane, Sainte-Françoise, Saint-Georges-de-Cacouna, Saint-Hubert, Saint-Modeste, Saint-Patrice-de-la-Rivière-du-Loup and Saint-Paul-de-la-Croix; the municipalities of Saint-Cyprien, Saint-François-Xavier-de-Viger, Saint-Jean-Baptiste-de-L'Isle-Verte, Saint-Jean-de-Dieu and Sainte-Rita. It also comprises the locality of Whitworth situated in unorganized territory.

90. ROBERT-BALDWIN

The territory of the electoral division of Robert-Baldwin can be described as follows: starting at the intersection of the median line of the rivière des Prairies with the extension of the northeast line of the lot I of the cadastre of the parish of Sainte-Geneviève; thence, the said extension; a broken line dividing the cadastre of the parish of Sainte-Geneviève from the cadastres of the parish of Saint-Laurent and of the parish of Pointe-Claire and its extension to the extension of the median line of the avenue Shakespeare; the extension and the median line of the said way to the median line of the boulevard Saint-Jean; the median line of the said way and its extension to the shore of the rivière des Prairies; a northwest line from this shore to the median line of the rivière des Prairies; the median

line of the said river northerly to an irregular line in the said river dividing on the one side the île de Montréal from the islands belonging to the cadastre of the parish of Sainte-Dorothée on the other side; the said irregular line and the median line of the said river to the starting point.

This electoral division comprises the towns of Roxboro and Dollard-des-Ormeaux and part of the city of Pierrefonds, the whole bounded as follows: the rivière des Prairies, the limit of the cities of Pierrefonds and Montréal, the limit of the cities of Pierrefonds and Saint-Laurent, the limit of the town of Dollard-des-Ormeaux with the cities of Saint-Laurent and Dorval and the city of Pointe-Claire and the town of Kirkland, the limit of the town of Dollard-des-Ormeaux and the city of Pierrefonds, the extension of the avenue Shakespeare and such way, the boulevard Saint-Jean and its extension.

91. ROBERVAL

The electoral division of Roberval comprises the territory bounded as follows: starting from the point of intersection between the north line of the cadastre of the township of Papin and the northeast line of the cadastre of the township of Ingall; thence, successively, the following lines; part of the northeast line of the cadastre of the township of Ingall northwesterly, extended across undivided lands and crossing diagonally the cadastre of the township of Bonin, Laflamme, Routhier, Lafitau, Faguy, Berlinguet, Lindsay, Dubois, Verreault and Pfister to the watershed mark between the Hudson's Bay and the fleuve Saint-Laurent, the said watershed mark in a generally northeast direction to a line due north starting from the head of the rivière Mistassibi; the said north line and the median line of the rivière Mistassibi to the extension of the dividing line between the cadastres of the townships of Proulx and Dolbeau; the said extension and part of the said dividing line between the townships; the north line of the cadastre of township of Proulx; the median line of the rivière Petite Péribonka downstream to the extension of the north line of the cadastre of the township of Dalmas; the said extension; the north line of the said township and its extension to the median line of the rivière Péribonca; the median line of the river downstream and skirting on the right the islands closest to the left shore and on the left the islands closest to the right shore to its mouth in the lac Saint-Jean; a straight line across the lac Saint-Jean to the mouth of the Métabetchouane; the me-

dian line of the said river upstream to the extension of the dividing line between the rang III and the rang IV of the cadastre of the township of Métabetchouan; in that township, the said extension and part of the said dividing line between the ranges; the dividing line between the lots 34 and 35 in the rang IV, the rang V, the rang VI and the rang VII; part of the dividing line between the cadastres of the townships of Dequen and Métabetchouan southeasterly; in the cadastre of the township of Dequen, the dividing line between the lots 24 and 25 of the rang I, the rang II, the rang III and the rang IV; part of the southwest line of the rang IV southeasterly and its extension to the median line of the rivière Métabetchouane; the median line of the said river upstream to the extension of the south line of the cadastre of the township of Lescarbot; the said extension and the said south line; the southwest line of the cadastres of the townships of Lescarbot and Biart; the north line of the cadastres of the townships of Michaux, Chaumonot and Papin; part of the northeast line of the cadastre of the township of Ingall; finally, the north line of the cadastre of the township of Albani and the south line of the cadastres of the townships of Lareau, Tarte, Dansereau, Decelles and Fréchette to the starting point.

This electoral division comprises the following municipalities: the cities of Mistassini and Roberval; the towns of Dolbeau, Normandin, and Saint-Félicien; the villages of Albanel, Lac-Bouchette, Sainte-Jeanne-d'Arc and Saint-Prime; the municipalities of the parishes of Notre-Dame-de-la-Doré, Saint-Augustin and Sainte-Hedwidge; the municipality of the township of Albanel; the municipalities of Chambord, Girardville, Notre-Dame-de-Lorette, Péribonka, Saint-Edmond, Saint-Eugène, Saint-François-de-Sales, Saint-Méthode, Saint-Stanislas and Saint-Thomas-Didyme. It also comprises the indian reserve of Ouiatchouan (Pointe-Bleue), together with the township of Proulx situated in unorganized territory.

92. ROSEMONT

The territory of the electoral division of Rosemont can be described as follows: starting at the intersection of the median line of the 6^e avenue with the median line of the rue Bélanger; thence, the median line of the rue Bélanger and its extension to the median line of the 24^e avenue; the median line of the said way and its extension to the median line of the rue Saint-Zotique; the median

line of the said way to the extension of the median line of the 38^e Avenue; the said extension; the median line of the said way and its extension to the median line of the boulevard Rosemont; the median line of the said way to the median line of the boulevard de l'Assomption; the median line of the said way to the median line of the rue Sherbrooke; the median line of the said way and the median line of the rue Rachel to the median line of the main railway line of the Canadian Pacific Railway Company; the median line of the said main railway line to the median line of the rue Masson; the median line of the said way to the median line of the 6^e Avenue; finally, the median line of the said way to the starting point.

This electoral division comprises part of the city of Montréal bounded as follows: the rue Bélanger, the 24^e avenue, the rue Saint-Zotique, the 38^e avenue, the boulevard Rosemont, the boulevard de l'Assomption, the rue Sherbrooke, the rue Rachel, the railway line of the Canadian Pacific Railway Company, the rue Masson and the 6^e avenue.

93. ROUSSEAU

The electoral division of Rousseau comprises the territory bounded as follows: starting from the north corner of the cadastre of the township of Lussier; thence, successively the following lines: the northeast lines of the cadastres of the townships of Lussier, Chilton and Chertsey and part of the northeast line of the cadastre of the township of Rawdon to the southeast line of the rang III; a broken line dividing the cadastre of the township of Rawdon and the cadastre of the parishes of Sainte-Julienne and of Saint-Esprit on one side, from the cadastres of the parishes of Saint-Liguori, Saint-Jacques-de-l'Achigan and Saint-Alexis on the other side to the southeast line of the lot 254 of the cadastre of the parish of Saint-Esprit; the northeast line of the cadastre of the parish of Saint-Roch-de-l'Achigan; a broken line dividing the cadastres of the parishes of Saint-Roch-de-l'Achigan and Saint-Lin on one side from the cadastres of the parishes of l'Épiphanie and Saint-Henri-de-Mascouche on the other side to the west corner of the lot 28 of the cadastre of the parish of Saint-Lin; the northeast line of the lots 140 to 144; the southeast line of the lots 113 and 112; the northeast line of the lots 112 and 114; the northwest line of the lots 114 and 115; the north line of the lots 152 and 153; part of the east line of the lot 154; the northeast line of the lots 158

to 166; the northeast and northwest lines of the lot 167, part of the north line of the cadastre of the parish of Sainte-Anne-des-Plaines; the southwest line of the lots 467 and 468; the line dividing the cadastre of the parishes of Sainte-Anne-des-Plaines and Saint-Louis-de-Terrebonne; the southwest line of the cadastres of the parishes of Sainte-Anne-des-Plaines and Sainte-Sophie; part of the southwest line of the cadastre of the parish of Saint-Hippolyte to the northwest line of the rang II of the cadastre of the township of Abercrombie; part of the northwest line of the rang II to the east corner of the lot 24-A of the rang III; the southwest line of the lot 24-B and its extension to the shore of the lac Écho; the shore of the lac Écho towards the southwest, the northwest and the northeast to the extension of the southwest line of the lots 23 of the rang III; the said southwest line of the lot 23; part of the southwest line of the lot 23; of the rang IV towards the northwest and the northeast side of a public way (chemin Quatrième Rang) to the southwest line of the lot 23 of the rang IV; the said southwest line of the lot 23; the southwest line of the lot 23-B of the rang V to the west corner of the said lot; a straight line across the lots 23-B and 23-D of the rang V to a point located on the southwest line of the lot 24-A of the rang V, which said point is located six (6) arpents from the east corner of the lot 23-E; part of the southwest line of the lot 24-A to the line dividing the rang V and the rang VI of the cadastre of the township of Abercrombie; part of the southeast line of the rang VI to the south corner of the lot 18-F of the said range; part of the southwest line of the lot 18-F; the southeast line of the lot 18-B; the southwest line of the lots 18-B and 18-C; part of the northwest line of the rang VI to the line dividing the lots 7 and 8 of the rang VII; the said line dividing the lots 7 and 8; part of the northwest line of the rang VII to the line dividing the lots 14 and 15 of the rang VIII; the said line dividing the lots 14 and 15; part of the southeast line of the rang IX to the southwest line of the cadastre of the township of Abercrombie; part of the said southwest line to the line dividing the rang X and the rang XI of the said township; part of the southeast line of the rang I of the cadastre of the township of Morin to the southwest line of the cadastre of the parish of Sainte-Adèle-d'Abercrombie; the said southwest line to the line dividing the rang IV and the rang V of the cadastre of the township of Morin; part of the said dividing line to the north corner of the lot 3 of the rang IV of the said township; part of the northeast line of the said lot of the same range; the northwest and north-

east lines of the lot 2-B of the said range; the northwest line of the lots 1-A and 1-B of the rang III; the southwest lines of the lot 11 of the rang X; the northwest line of the lot 11 of the rang X and the rang XI of the cadastre of the township of Morin; part of the southwest line of the lot I of the rang VIII of the cadastre of the township of Wexford; part of the line dividing the rang VIII and the rang IX of the said township to the line dividing the cadastres of the parishes of Sainte-Marguerite and Sainte-Adèle-d'Abercrombie; the said dividing line; part of the northwest line of the cadastre of the township of Wexford, part of the southwest line of the cadastre of the township of Chilton; part of the southeast line of the cadastre of the township of Archambault to the extension of the line dividing the lots 33 and 34 of the rang I to the rang X of the said township; the said line across the lac de la Montagne Noire and its extension to the northwest line of the cadastre of the township of Archambault; part of the northwest line of the said township to the west corner of the cadastre of the township of Lussier; the northwest line of the cadastre of the township of Lussier to the starting point.

This electoral division comprises the following municipalities: the towns of Estérel, Laurentides and Sainte-Adèle; the villages of New-Glasgow and Rawdon; the municipalities of the parishes of Lac-Paré, Sainte-Anne-des-Plaines, Saint-Esprit, Saint-Hippolyte, Sainte-Julienne, Saint-Lin, Sainte-Marguerite-du-Lac-Masson and Saint-Roch-de-l'Achigan; the municipalities of the townships of Chertsey and Rawdon; the municipalities of Entrelacs, Mont-Rolland, Notre-Dame-de-la-Merci, Saint-Calixte, Saint-Donat, Saint-Roch-Ouest and Sainte-Sophie.

94. ROUYN-NORANDA — TÉMISCAMINGUE

The electoral division of Rouyn-Noranda — Témiscamingue comprises the territory bounded as follows:

starting from the point of intersection of the line dividing the rang IX and the rang X of the cadastre of the township of Hébécourt with the Québec/Ontario border line; thence, successively the following lines: the said border line towards the south to the shore of the lac Témiscamingue; the said border line in the lac Témiscamingue and the rivière des Outaouais to the intersection of the said border line with the median line of the rivière Dumoine; the median line of the rivière Dumoine upstream to the exten-

sion of the north line of the cadastre of the township of Lajoie; that extension and the north lines of the cadastres of the townships of Lajoie, Casson, Le Barrois, Allemand, Guy and part of the north line of the cadastre of the township of Delbreuil; the west line of the cadastres of the townships of Chabert, Darlens, Montanier and Bousquet; part of the north line of the cadastre of the township of Bousquet; the median line of the cadastre of the township of La Pause; part of the north line of the said township; the east and north lines of the cadastre of the township of Aiguebelle; part of the north line of the cadastre of the township of Destor to the line dividing the lots 15 and 16 of the rang I of the cadastre of the township of Poularies; in the cadastre of the township of Destor the extension of the line dividing the lots 15 and 16 for the depth of the rang X and part of the line dividing the rang IX and the rang X; part of the east line of the cadastre of the township of Duparquet; the south line of the cadastres of the townships of Duparquet and Hébécourt to the starting point.

This electoral division comprises the following municipalities: the cities of Noranda and Rouyn; the towns of Témiscaming and Ville-Marie; the villages of Angliers and Lorrainville; the municipalities of the parishes of Laverlochère, Notre-Dame-de-Lourdes-de-Lorrainville, Saint-Bruno-de-Guigues and Saint-Édouard-de-Fabre; the municipalities of the townships of Guérin and Nédélec and the municipality of the united townships of Latulipe-et-Gaboury; the municipalities of Arntfield, Beaudry, Bellecombe, Cloutier, D'Alembert, Duhamel-Ouest, Évain, Fugèreville, Kinojévis, Laforce, Letang, Moffet, Montbeillard, Notre-Dame-du-Nord, Rémi-gny, Rollet, Saint-Eugène-de-Guigues, Saint-Guillaume-de-Granada, Saint-Joseph-de-Cléricy, Saint-Norbert-de-Mont-Brun et Saint-Placide-de-Béarn. It also comprises the indian reserves of Ke-baowek (Kipawa), Témiscamingue and Winneway; the localities of Davangus, Destor, Lac-Dufault, Laniel, Reneault, Roulier and Tee-Lake, situated in unorganized territory.

95. SAGUENAY

The electoral division of Saguenay comprises the territory bounded as follows: starting at the intersection of the median line of the fleuve Saint-Laurent with the extension of the median line of the rivière Saguenay; thence, this extension and the median line of the rivière Saguenay upstream and passing north of the île Saint-Louis to the extension of the northwest line of the cadastre of the township of Albert; this extension and the northwest line of the said township; an astronomical meridian line establishes on the ground, originating at the north corner of the cadastre of the township of Albert to parallel $52^{\circ}55'$ of north latitude, the said parallel easterly to the extension of the east line of the cadastre of the township of Pachot; the said extension and the east line of the cadastres of the townships of Pachot, Des Groseillers, Lauzon, De Lino, Brézel and Lamontagne; the north line of the cadastres of the townships of Quartier, Brien and Jauffret; the east line of the cadastre of the township of Jauffret and its extension to its meeting with the extension of the dividing line between the cadastres of the townships of Cannon and Royer across the cadastres of the townships of Fafard and Godbout; the said extension and the said dividing line between the townships extended to the median line of the fleuve Saint-Laurent; the median line of the said river upstream to the starting point.

This electoral division comprises the following municipalities: the towns of Baie-Comeau, Forestville and Hauterive; the villages of Baie-Trinité, Chute-aux-Outardes, Godbout, Grandes-Bergeronnes, Pointe-aux-Outardes, Pointe-Lebel, Sault-au-Mouton and Tadoussac; the municipality of the parish of Ragueneau; the municipality of the township of Bergeronnes and the municipality of the united townships of Les Sept-Cantons-Unis-du-Saguenay; the municipalities of Colombier, Escoumins, Franquelin, Sacré-Coeur, Sainte-Anne-de-Portneuf and Saint-Paul-du-Nord. It also comprises the indian reserves of Betsiamites and Escoumins.

96. SAINTE-ANNE

The territory of the electoral division of Sainte-Anne can be described as follows:

starting from the point of intersection of the median line of the rue Saint-Antoine with the median line of the rue McGill; thence, the median line of the rue McGill to the median line of the rue de la Commune; the median line of the said way and its extension to the median line of the autoroute Bonaventure (10); the median line of the said highway to the median line of the pont Victoria; the median line of the said bridge to the median line of the fleuve Saint-Laurent; then—median line of the river and an irregular line skirting on the south, southwest and west the islands situated southwest of the île des Soeurs and continuing along an irregular line passing half-way between the île des Soeurs and the île de Montréal to the extension of the median line of the avenue Willibrord; the said extension; the median line of the said way and its extension to the northwest line of the lot 4692 of the cadastre of the municipality of the parish of Montréal (aqueduc de Montréal); the northwest line of the said lot and its extension across the autoroute Bonaventure to the extension of the median line of the avenue Atwater; the said extension, the median line of the said way across the canal de Lachine to the median line of the rue Saint-Antoine; the median line of the rue Saint-Antoine to the starting point.

97. SAINT-FRANÇOIS

The electoral division of Saint-François comprises the territory bounded as follows:

starting from the point of intersection of the north line of the cadastre of the township of Ascot with the shore of the rivière Saint-François; thence, successively, the following lines: part of the said north line; in the cadastre of the township of Stoke, the northwest line of the lot 21a of the rang III, the lots 21b and 21a of the rang IV, the lots 21c, 21b and 21a of

the rang V the lots 21c and 21a of the rang VI and the lot 21 of the rang VII and the rang VIII; part of the dividing line between the rang VIII and the rang IX; part of the southeast line of the cadastre of the township of Stoke; in the cadastre of the township of Westbury, part of the dividing line between the rang II and the rang III; the east line of the lots 5c and 5b of the range II, the latter extended across the rivière Saint-François; the east line of the lot 5c of the rang I; part of the north line of the cadastre of the township of Eaton; in the cadastre of that township, the east line of the lots 22b and 22a of the rang XI and of the lot 22a of the rang X and the rang IX; part of the dividing line between the rang VIII and the rang IX; the east line of the lots 24b and 24a of the rang VIII; part of the dividing line between the ranges VII and the rang VIII; the east line of the cadastre of the township of Ascot; part of the north line and the east, south and west lines of the cadastre of the township of Compton; part of the south line of the cadastre of the township of Ascot; in the cadastre of that township, part of the dividing line between the rang X and the rang XI; the north line of the lot 5f of the rang X and its extension to the median line of the chemin Upper-Belvedere; the median line of the said way to the dividing line between the rang IX and the rang X; part of the said dividing line between ranges; to the median line of a ravine crossing southeasterly the lot 13-b of the rang IX; part of the north line of the lot 12-C of the rang IX to a point located at one thousand seven hundred and ninety-five and two tenths (1795,2) feet west of the lot 12-B; a line crossing the lot 12-C southerly; part of the south line of the lot 12-C to the median line of the chemin de la Grotte; the median line of the chemin de la Grotte following the old right-of-way to the east line of the lot 14-G of the rang VIII; the east line of the lot 14-G; the north lines of the lots 14f, 14e, 14c and 14b of the rang VIII, the lot 14e and part of the lot 14f of the rang VII to the west limit of the cadastre of the village of Lennoxville; the west limit and part of the north limit of the said cadastre of the median line of the rivière Saint-François; the median line of the said river downstream and skirting on the right the islands closest to the left shore and on the left the islands closest to the right shore to the extension of the north line of the cadastre of the township of Ascot; finally, the said extension to the starting point.

This electoral division comprises the towns of Lennoxville and Waterville and part of the city of Sherbrooke situated east of the rivière Saint-François; the village of Compton, the municipalities

of the townships of Ascot and Compton; and the municipalities of Ascot-Corner, Compton-Station and Fleurimont.

98. SAINT-HENRI

The territory of the electoral division of Saint-Henri can be described as follows:

starting at the intersection of the median line of the boulevard Cavendish with the median line of the main railway line of the Canadian Pacific Railway Company (the lot 4721 of the cadastre of the municipality of the parish of Montréal); thence, the median line of the said railway line to the extension of the southwest side of the avenue Claremont; the extension of the southwest side of the said way to the extension across the lots 1657, 1634 and 1632 of the cadastre of the municipality of the parish of Montréal of the line dividing the lots 1434 and 1408 to 1415 of the cadastre of the municipality of the parish of Montréal on the one hand from the lots 1457 to 1435 in declining order and the lots 1407 to 1367 in declining order of the cadastre of the said parish on the other hand; the said extension and part of the said dividing line between lots and its extension to the median line of the rue Rose-de-Lima; the median line of the said way to the median line of the rue Saint-Antoine; the median line of the said way to the median line of the avenue Atwater; the median line of the said way, its extension under the canal de Lachine, the said median line and its extension to its intersection with the northwest line of the lot 4692 of the cadastre of the municipality of the parish of Montréal, that line being the northwest side of the aqueduc de Montréal; the said extension and the northwest line of the said lot, the dividing line between the cadastres of the municipality of the parish of Montréal and the parish of Lachine to the southeast side of the right-of-way of the Canadian Pacific Railway Company, such right-of-way crossing the lots 4687 of the cadastre of the municipality of the parish of Montréal and the lots 1013 and 1021 of the cadastre of the parish of Lachine; the southeast side of the said right-of-way to the east line of lot 1021 of the cadastre of the parish of Lachine; the dividing line between the cadastres of the municipality of the parish of Montréal and the parish of Lachine to the median line of the canal de Lachine; the said median line to the extension of the median line of the avenue Cavendish; the said extension, the median line of the said way and its prolongation to the starting point.

This electoral division comprises part of the city of Montréal bounded as follows: the railway line of the Canadian Pacific Railway Company, the limit of the cities of Montréal and Westmount, the avenue Atwater, the canal de Lachine, the extension of the avenue Atwater, such way, the limit of the city of Montréal with the cities of Verdun and LaSalle and the extension of the boulevard Cavendish.

99. SAINT-HYACINTHE

The electoral division of Saint-Hyacinthe comprises the territory bounded as follows:

starting from the north corner of the lot 1 of the cadastre of the parish of Saint-Barnabé; thence, successively, the following lines: a broken line limiting to the northeast and southeast the said cadastre; the median line of the rivière Yamaska downstream; the northeast limit of the cadastres of the parishes of Saint-Simon and Saint-Liboire; the east and southwest limits of the cadastre of the parish of Saint-Liboire; the east and southwest limits of the cadastre of the parish of Saint-Dominique; a broken line dividing the cadastre of the parish of Notre-Dame-de-Saint-Hyacinthe from the cadastre of the parish of Saint-Pie to the dividing line of this cadastre with the north line of the cadastre of the parish of Saint-Damase; a broken line dividing the latter cadastre from the cadastres of the parishes of Saint-Pie and Saint-Césaire, to the south corner of the lot 302 of the cadastre of the parish of Saint-Damase; the southwest line of the lots 302 and 349; thence, a southwesterly line to the south corner of the lot 410 of the said cadastre; a broken line dividing the cadastres of the parishes of Saint-Césaire and Saint-Jean-Baptiste to the southwest line of the lot 753 of the cadastre of the parish of Saint-Damase; the southwest line of the lots 753 and 754, the southeast lines of the lots 754 and 826; the dividing line between the cadastres of the parishes of Saint-Damase and Notre-Dame-de-Saint-Hyacinthe on one side from the cadastres of the parishes of Sainte-Madeleine and La Présentation on the other side; finally, a broken line limiting to the northwest and west the cadastre of the parish of Saint-Barnabé to the starting point.

This electoral division comprises the following municipalities: the city of Saint-Hyacinthe, the villages of Saint-Damase, Saint-Liboire and Sainte-Rosalie; the municipalities of the parishes of Notre-Dame-de-Saint-Hyacinthe, Saint-Barnabé, Saint-Damase, Saint-Hyacinthe-le-Confesseur, Saint-

Liboire, Sainte-Rosalie, Saint-Simon and Saint-Thomas-d'Acquin; the municipality of Saint-Dominique.

100. SAINT-JACQUES

The territory of the electoral division of Saint-Jacques can be described as follows: starting from the intersection of the median line of the avenue du Mont-Royal with the median line of the avenue Laval; thence, the median line of the avenue du Mont-Royal to the median line of the avenue Papineau; the median line of the said way to the median line of the rue Rachel; the median line of the said way to the median line of the avenue de Lorimier; the median line of the said way and the median line of the pont Jacques-Cartier to an irregular line passing half-way between the île de Montréal and the île Sainte-Hélène; the said irregular line skirting on the northwest and the north the île Sainte-Hélène to the intersection of the median line of the fleuve Saint-Laurent with a line parallel to the southwest line of the land owned by the St-Lawrence Seaway Authority and one hundred and fifty feet (150,0 ft) northeast of the said southwest line, such distance measured perpendicularly to the said southwest line; the said parallel line southeasterly to its intersection with a line perpendicular to the southwest line of the land owned by the St-Lawrence Seaway Authority and starting from a point situated on the said southwest line at a distance of one thousand and five hundred feet (1 500,0 ft) northwest of the northwest line of the lot 312 of the cadastre of the parish of Saint-Antoine-de-Longueuil, such distance measured along the above-mentioned southwest line; the said perpendicular line; the southwest line of the land owned by the St-Lawrence Seaway Authority to its intersection with a line parallel to the northwest line of the said lot 312 and situated thirty feet (30,0 ft) northwest of it; this last parallel line to the median line of the fleuve Saint-Laurent; the median line of the said river and an irregular line passing half-way between the île Sainte-Hélène and the île de Montréal to the extension of the median line of the rue Bonsecours; the extension of the said way (including the quai Victoria) to the median line of the rue de la Commune; the median line of the said way to the median line of the rue du Marché-Bonsecours; the median line of the said way to the median line of the rue Saint-Paul; the median line of the said way to the median line of the rue Saint-Claude; the median line

of the said way and its extension to the median line of the rue Sanguinet; the median line of the said way and its extension to the median line of the rue Sherbrooke; the median line of the said way to the median line of the avenue Laval; the median line of the said way to the starting point.

This electoral division comprises part of the city of Montréal bounded as follows: the avenue du Mont-Royal, the avenue Papineau, the rue Rachel, the avenue de Lorimier and its extension, the fleuve Saint-Laurent passing round and including the île Sainte-Hélène and the île Notre-Dame, the pont Victoria, the fleuve Saint-Laurent northwards and including the quai Victoria, the extension of the rue Bonsecours, the rue de la Commune, the rue du Marché-Bonsecours, the rue Saint-Paul, the rue Saint-Claude and its extension, the rue Sanguinet, the rue Sherbrooke and the avenue Laval.

101. SAINT-JEAN

The electoral division of Saint-Jean comprises the territory bounded as follows: starting at the north corner of the lot 214 of the cadastre of the parish of Saint-Luc; thence, successively, the following lines: a broken line dividing the cadastre of the parish of Saint-Luc from the cadastre of the parish of Saint-Joseph-de-Chambly, this last segment extended to the median line of the rivière Richelieu; the median line of the said river upstream and running east of the île aux Noix, west of the île de l'Hôpital and the île Ash and extending to the Québec — United States borderline; the said borderline; part of the west and north limits of the cadastre of the parish of Lacolle; a broken line dividing the cadastres of the parishes of Saint-Cyprien and Saint-Jacques-le-Mineur from the cadastres of the parishes of Saint-Patrice-de-Sherrington, Saint-Édouard and Saint-Philippe; finally, another broken line dividing the cadastres of the parishes of Sainte-Marguerite-de-Blairfindie and Saint-Luc from the cadastres of the parishes of Saint-Philippe and Laprairie-de-la-Madeleine to the starting point.

This electoral division comprises the following municipalities: the city of Saint-Jean-sur-Richelieu; the town of Saint-Luc; the villages of Lacolle and Napierville; the municipalities of the parishes of Notre-Dame-du-Mont-Carmel, Saint-Bernard-de-Lacolle, Saint-Blaise, Saint-Cyprien, Saint-Jacques-le-Mineur, Saint-Paul-de-l'Île-aux-Noix and Saint-Valentin; the municipality of L'Acadie.

102. SAINT-LAURENT

The territory of the electoral division of Saint-Laurent can be described as follows:

starting from the intersection of the median line of the autoroute des Laurentides (No. 15) with the median line of the rivière des Prairies; thence, the median line of the said highway to the northwest line of the lot 260 of the cadastre of the parish of Saint-Laurent; part of the northwest line of the lot 260 and the northwest line of the lot 259 of the said cadastre; part of the northwest line of the lot 258 of the above cadastre to the median line of the right-of-way of the Canadian National Railway Company; the median line of the said right-of-way to the median line of the boulevard O'Brien; the median line of the said way and its extension to the median line of the chemin de la Côte-Vertu; the median line of the said way to the median line of the boulevard Sainte-Croix; the median line of the said way and its extension to the median line of the boulevard Métropolitain (No. 40); the median line of the said way to its intersection with the median line of the chemin de la Côte-de-Liesse; the median line of the said way to the line of the lots 572 and 573 of the cadastre of the parish of Saint-Laurent; the said lot line, the median line of the lots 2368 of the said cadastre, of the lot 4715 of the cadastre of the municipality of the parish of Montréal, of the lot 2637 of the cadastre of the parish of Saint-Laurent; the line of the lots 559 and 560 of the said cadastre to the northwest limit of the Canadian Pacific Railway marshalling yard; the said limit to the line of the lots 555 and 553 of the said cadastre; the line of the lots 555, 509 and 510 of the said cadastre; the southeast line of the lots 182 backward to 168; the southeast line of the lots 166 backward to 159, in the same cadastre; a broken line dividing the cadastres of the parishes of Saint-Laurent and Pointe-Claire to the southwest line of the lot 84 of the cadastre of the parish of Pointe-Claire; the said southwest line, the southwest and northwest lines of the lot 86 of the said cadastre to a broken line dividing the cadastre of the parish of Saint-Laurent from the cadastres of the parishes of Pointe-Claire and Sainte-Geneviève to the apex of the west corner of the lot 121 of the cadastre of the parish of Saint-Laurent; the extension of the southwest line of the said lot to the median line of the rivière des Prairies; finally, the median line of the said river downstream and passing northwest of the island bearing numbers 2632, 2633 and 2634 of the cadastre of the parish of Saint-Laurent and southeast

of the island bearing number 678 of the cadastre of the parish of Saint-Martin to the starting point.

This electoral division comprises part of the cities of Montréal and Saint-Laurent, the whole bounded as follows: the rivière des Prairies including the île aux Chats, the autoroute des Laurentides, the limit of the cities of Saint-Laurent and Montréal, the railway line of the Canadian National Railway Company, the boulevard O'Brien, the boulevard Sainte-Croix, the limit of the city of Saint-Laurent with the town of Mont-Royal, the cities of Montréal, Côte-Saint-Luc, Lachine and Dorval, the town of Dollard-des-Ormeaux and the city of Pierrefonds and the limit of the cities of Montréal and Pierrefonds.

103. SAINT-LOUIS

The territory of the electoral division of Saint-Louis can be described as follows:

starting from the intersection of the median line of the avenue du Mont-Royal with the median line of the avenue Laval; thence, the median line of the said way to the median line of the rue Sherbrooke; the median line of the said way to the median line of the rue Sanguinet; thence, the median line of the said way and its extension to the median line of the rue Saint-Claude; the median line of the said way to the median line of the rue Saint-Paul; the median line of the said way to the median line of the rue du Marché-Bonsecours; the median line of the said way to the median line of the rue de la Commune; the median line of the said way to the extension of the median line of the rue Bonsecours; the said extension to an irregular line passing halfway between the île Sainte-Hélène and the île de Montréal; the said irregular line and the median line of the fleuve Saint-Laurent to the median line of the pont Victoria; the median line of pont Victoria to the median line of the autoroute Bonaventure (no 10); the median line of the said highway to the extension of the median line of the rue de la Commune; the extension of the median line of the said way to the median line of the rue McGill; the median line of the rue McGill to the median line of the rue Saint-Antoine; the median line of the rue Saint-Antoine to the median line of the rue Atwater; the median line of the said way to the median line of the rue Dorchester; the median line of the said way to the line dividing the cadastres of the city of Montréal (Saint-Antoine ward) and the parish of the municipality of Montréal; the said dividing line to the median line of the rue Sherbrooke Ouest; the said median line to

the extension of the median line of the rue Saint-Mathieu; the median line of the rue Saint-Mathieu and its extension to the median line of the chemin de la Côte-des-Neiges; the median line of the said way to the median line of the avenue Cedar; a straight line running N. 45°00' W. to the median line of the chemin Remembrance, the median line of the said way and the median line of the voie Camillien-Houde to the median line of the avenue du Mont-Royal; finally, the median line of the said way to the starting point.

This electoral division comprises part of the city of Montréal bounded as follows: the chemin Remembrance, the voie Camillien-Houde, the avenue du Mont-Royal, the avenue Laval, the rue Sherbrooke, the rue Sanguinet, the extension of the rue Saint-Claude, such way, the rue Saint-Paul, the rue du Marché-Bonsecours, the rue de la Commune, the extension of the rue Bonsecours, the fleuve Saint-Laurent in a southeasterly direction excluding the quai Victoria and the île Sainte-Hélène and the île Notre-Dame, the pont Victoria, the autoroute Bonaventure, the rue de la Commune, the rue McGill, the rue Saint-Antoine, the limit of the cities of Montréal and Westmount, the rue Sherbrooke, the rue Saint-Mathieu, the chemin de la Côte-des-Neiges as far as the intersection of such way with the avenue Cedar, a straight line drawn from such intersection at an angle of 45°00' in a northwesterly direction to the chemin Remembrance.

104. SAINTE-MARIE

The territory of the electoral division of Sainte-Marie can be described as follows: starting from the intersection of the median line of the avenue du Mont-Royal with the median line of the avenue Papineau; thence, the median line of the avenue du Mont-Royal and its extension to the median line of the main railway line of the Canadian Pacific Railway Company; the said median line to the median line of the rue Rachel; the median line of the said way to the extension of the median line of the rue Aylwin; the said extension and the median line of the said way to the median line of the rue de Rouen; the median line of the said way to the median line of the rue Cuvillier; the median line of the said way and its extension to the median line of the fleuve Saint-Laurent; the median line of the said river to its intersection with a line parallel to the southwest line of the land owned by the St-Lawrence Seaway Authority and situated at a distance of one

hundred and fifty feet (150,0 ft) to the northeast of the said southwest line, measured perpendicularly to the said southwest line; an irregular line passing half-way between the île Sainte-Hélène and the île de Montréal to the centre line of the pont Jacques-Cartier; the median line of the said bridge and the centre line of the avenue de Lorimier to the median line of the rue Rachel; the median line of the said way to the median line of the avenue Papineau; finally, the median line of the said way to the starting point.

This electoral division comprises part of the city of Montréal bounded as follows: the avenue du Mont-Royal and its extension, the railway line of the Canadian Pacific Railway Company, the rue Rachel, the rue Aylwin, the rue de Rouen, the rue Cuvillier and its extension, the fleuve Saint-Laurent, the extension of the avenue de Lorimier, such way, the rue Rachel and the avenue Papineau.

105. SAINT-MAURICE

The electoral division of Saint-Maurice comprises the territory bounded as follows: starting at the east corner of the lot 165 of the cadastre of the parish of Notre-Dame-du-Mont-Carmel; thence, successively, the following lines: a broken line dividing the cadastre of the parish of Notre-Dame-du-Mont-Carmel from the cadastre of the parish of Saint-Maurice, the last portion being extended to the median line of the rivière Saint-Maurice; the median line of the said river upstream and skirting on the right the islands closest to the right shore and on the left the islands closest to the left shore to the extension of the southeast limit of the cadastre of the parish of Saint-Boniface; the said extension; the southeast and southwest limits of the cadastre of the parish of Saint-Boniface; the southwest, northwest limits and part of the northeast limit of the cadastre of the parish of Saint-Mathieu; the median line of the lac à la Truite and an irregular line in the said lake running halfway between the northeast shore of the said lake and the northeast shore of an island located opposite to the lots 583 and 584 of the cadastre of the parish of Sainte-Flore to the extension of the northwest line of the lot 583; the said extension and the northwest line of the said lot extended to the median line of the lac à la Pêche; the median line of the said lake northerly to the extension of the northeast line of the rang A of the cadastre of the parish of Sainte-Flore; the said extension; in the cadastre of the said parish, the northeast

line of the rang A and part of the rang II (Saint-Ubalde) to the extension in the lac des Piles of the dividing line between the lots 511 and 512; the said extension and the said dividing line between the lots; part of the northeast line of the rang I (Saint-Anatole); part of the dividing line between the lots 557 and 558 for a distance of ten arpents (10 arp); a straight line across the lot 557 to a point on the dividing line between the lots 556 and 557 located at a distance of ten arpents (10 arp) to the southwest of the dividing line between the rang I (Saint-Anatole) and the rang II (Saint-Ubalde), measured along the said dividing line between the lots; part of the dividing line between the lots 556 and 557 southwesterly to a point on the said dividing line between the lots located at a distance of four arpents (4 arp) from the west corner of the lot 556, measured along the said dividing line between the lots; a straight line across the lot 556 to a point on the dividing line between the lots 555 and 556 located at a distance of three and half arpents (3,5 arp) from the west corner of the lot 555, measured along the said dividing line between the lots; part of the said dividing line between the lots for the said distance of three and a half arpents (3,5 arp); the southwest line of the lot 555; part of the dividing line between the lots 554 and 555 to a straight line on the lot 554 parallel to the dividing line between the rang I (Saint-Anatole) and the rang II (Saint-Ubalde) and at a distance of fourteen arpents (14 arp), measured along the said dividing line between the lots; the said parallel line on the lot 554; part of the dividing line between the lots 553 and 554 northeasterly for a distance of four arpents (4 arp); of the lot 553 a line parallel to the dividing line between the rang I (Saint-Anatole) and the rang II (Saint-Ubalde); part of the dividing line between the lots 551 and 553 southwesterly for a distance of two arpents (2 arp); a line crossing the lots 551 and 550 and parallel to the said dividing line between the ranges; the dividing line between the lot 549 and 550 northeasterly and its extension to the east shore of the lac aux Souches (lac aux Chicots); the east shore of the said lake southerly to a straight line on the lot 546 and parallel to the lateral lines of the said lot and measuring five hundred and sixty feet (560 feet); the said straight line; another straight line crossing the lots 546 and 545 to a point located on the dividing line between lots 544 and 545 at a distance of eight arpents (8 arp) from the dividing line between the rang I (Saint-Anatole) and the rang II (Saint-Ubalde), that line making a deflection angle of $96^{\circ}35'$ to the right with the said dividing line between the lots and measuring nine

hundred and eighty feet (980 feet); part of the said dividing line between the lots for the said distance of eight arpents (8 arp); the dividing line between the rang I (Saint-Anatole) and the rang II (Saint-Ubalde); the southeast line of the lot 543; part of the southwest line of the rang I (Saint-Anatole); part of the southeast line of the lot 537 and its extension to the median line of the rivière Shawinigan; the median line of the said river downstream to the extension of the line dividing the rang du Chemin-des-Piles from the southeast side of the rang Sainte-Catherine no 2; the said extension and part of the said dividing line between the ranges; the dividing line between the lots 72 and 73; part of the dividing line between the rang Sainte-Catherine no 1 and the rang Sainte-Catherine no 2; the dividing line between the lots 5 and 6 and its extension to the median line of the rivière Saint-Maurice; the median line of the said river upstream to the extension of a straight line crossing the lots 1017 to 1022 of the cadastre of the parish of Notre-Dame-du-Mont-Carmel and originating from a point located on the northeast line of the lot 1022 at a distance of twenty and a half arpents (20,5 arp) from the present southeast shore of the rivière Noire, measured along the northwest line of the said lot 1022, that straight line making an interior angle of $88^{\circ}44'$ with the said northeast line; part of the northeast line of the lot 1022 to the east corner of the said lot; the dividing line between the lots 1023 to 1028 and the lots 1007 to 1002 in declining order of the cadastre of the parish of Notre-Dame-du-Mont-Carmel; in the cadastre of the township of Radnor, part of the dividing line between the rang VII and the rang VIII; the dividing line between the lots 7 and 8 of the rang VII; part of the dividing line between the rang VI and the rang VII; part of the southwest line of the rang de la Grande-Ligne southeasterly to the southeast line of the rang IX, that line extended across the lakes it meets; the southeast limit of the said rang IX; finally, part of the northeast line of the cadastre of the parish of Notre-Dame-du-Mont-Carmel to the starting point.

This electoral division comprises the following municipalities: the city of Shawinigan; the town of Shawinigan-Sud; the villages of Baie-de-Shawinigan and Saint-Boniface-de-Shawinigan and the municipalities of the parishes of Notre-Dame-du-Mont-Carmel, Saint-Gérard-des-Laurentides, Saint-Mathieu and Saint-Théophile.

106. SAUVÉ

The territory of the electoral division of Sauvé can be described as follows:

starting from the intersection of the median line of the rivière des Prairies with the extension of the median line of the rue Pigeon; thence, the median line of the said river downstream to the extension of the line dividing the cadastres of the parishes of Sault-au-Récollet and Rivière-des-Prairies; the said extension, the said cadastral dividing line to a broken line being the line dividing the cadastres of the parishes of Sault-au-Récollet and Longue-Pointe to a broken line separating the lots 3 and 4 from the lot 409 of the cadastre of the parish of Sault-au-Récollet; the said broken line to the northeast line of the lot 5 of the said cadastre; the said northeast line to the median line of the Canadian National Railway Company right-of-way; the median line of the said right-of-way towards the southwest to the extension of the median line of the avenue Pigeon; the said extension; the median line of the said way and its extension to the starting point.

This electoral division comprises part of the city of Montréal-Nord bounded as follows: the rivière des Prairies, the limit of the city of Montréal-Nord with the city of Montréal, the town of Anjou and the city of Saint-Léonard, the avenue Pigeon and its extension.

107. SHEFFORD

The electoral division of Shefford comprises the territory bounded as follows:

starting from the west corner of the lot 19-A of the rang VI of the cadastre of the parish of Sainte-Cécile-de-Milton; thence, successively, the following lines: a broken line dividing the cadastres of the parishes of Sainte-Cécile-de-Milton and Sainte-Pudentienne from the cadastres of the parish of Saint-Valérien-de-Milton and of the cadastre of the township of Roxton; part of the line dividing the rang III and the rang IV of the cadastre of the township of Roxton; part of the east line of the cadastre of the township of Roxton; part of the north line, the east line and part of the south line of the cadastre of the township of Shefford to the east line of the lot 1298 of the cadastre of the township of Shefford; in that cadastre, the said east line to the south side of the autoroute des Cantons-de-l'Est (autoroute 10); the south side of the said autoroute to the west side of the lot 1045; the west side of the

said lot northward to the southeast side of a way; the east side of the way; the northeast side of the lot 1053 (railway); part of the south side of the lot 781 and the south side of the lot 777; the limit between the cadastres of the townships of Shefford and Granby to the south side of the autoroute des Cantons-de-l'Est (autoroute 10); the said highway to the west line of the lot 158 of the cadastre of the township of Granby; in that cadastre, the west line of the lots 158 and 247; part of the line dividing the rang III and the rang IV; the west line of the lots 353, 352 and 357; part of the dividing line between the rang IV and the rang V; finally, part of the west line of the cadastre of the township of Granby and the west limit of the cadastre of the parish of Sainte-Cécile-de-Milton to the starting point.

This electoral division comprises the following municipalities: the city of Granby, the town of Waterloo; the villages of Sainte-Pudentienne and Warden; the municipalities of the parishes of Saint-Joachim-de-Shefford and Sainte-Pudentienne; the municipalities of the townships of Granby, Sainte-Cécile-de-Milton and Shefford.

108. SHERBROOKE

The electoral division of Sherbrooke comprises the territory bounded as follows:

starting from the point of intersection of the dividing line between the cadastres of the townships of Orford and Brompton with the shore of the rivière Saint-François; thence, successively, the following lines: the extension of the said dividing line between the townships to the median line of the rivière Saint-François; the median line of the said river upstream and skirting on the left the islands closest to the left shore and on the right the islands closest to the right shore to the south limit of the cadastre of the city of Sherbrooke; part of the said south limit to the east line of the lot 15-A of the rang VII of the cadastre of the township of Ascot; in the cadastre of that township, the east and south lines of the said lot 15-A; part of the south lines of the lots 15-A, 15-A-268 and 15-A-277 of the rang VIII; the east line of the lot 14-G of the said range; the median line of the former right-of-way of the chemin de la Grotte; part of the south line of the lot 12-C of the rang IX; a line crossing northward the lot 12-C to a point located one thousand seven hundred and ninety-five and two-tenths feet (1 795.2 ft) west of the lot 12-B; part of the south line of the lot 13-A to the line of the lot 13-B; the median line of a ravine

crossing northwesterly, the lot 13-B to the dividing line between the rang IX and the rang X; part of the said range line; the south lines of the lots 14-A, 14-C and 14-D of the rang X; the west lines of the lots 14-D, 14-D-1 and 14-E-1 of the said range; part of the south line of the lot 15 of the rang XI; the east and south lines of the lot 14-C of the rang XI, the latter extended to the median line of the rivière Magog; the median line of the said river to the extension of the south line of the lot 168 of the cadastre of the township of Orford; in the cadastre of that township, the said extension and the south, west and north lines of the said lot 168 to the southeast side of the Canadian Pacific Railway Company right-of-way; the southeast side of the said right-of-way to the south line of the lot 164; the said south line; the dividing line between the rang IV and the rang V to the dividing line between the cadastres of the townships of Orford and Brompton; finally, the said dividing line between the townships to the starting point.

This electoral division comprises that part of the city of Sherbrooke situated west of the rivière Saint-François.

109. TAILLON

The territory of the electoral division of Taillon can be described as follows:

starting from the point of intersection of the shore of the fleuve Saint-Laurent with the northeast limit of the cadastre of the parish of Saint-Antoine-de-Longueuil; thence, the northeast limit of the cadastre of the parish of Saint-Antoine-de-Longueuil; the dividing line between the cadastres of the parishes of Saint-Antoine-de-Longueuil and Saint-Hubert to the southwest limit of the right-of-way of the route 116 (former route 9); part of the northwest line of the lot 120; part of the northeast limit of the right-of-way of the route 116 (former route 9) to the extension of the median line of the boulevard Jacques-Cartier; the said extension and the median line of the boulevard Jacques-Cartier to the median line of the chemin de Chambly; the median line of the chemin de Chambly and its extension to the median line of the fleuve Saint-Laurent; the median line of the said river and a line passing northwest of the île Verte and between the île Charron (Dufort) and the île Sainte-Marguerite (Molson) to the extension of the northeast limit of the cadastre of the parish of Saint-Antoine-de-Longueuil; finally, the said extension to the starting point.

This electoral division comprises part of the city of Longueuil bounded as follows: the fleuve Saint-Laurent, the limit of the city of Longueuil and the town of Boucherville, the limit of the cities of Longueuil and Saint-Hubert, such limit in a westerly direction, the extension of the boulevard Jacques-Cartier Ouest and such way, the chemin de Chambly and its extension.

110. TASCHEREAU

The territory of the electoral division of Taschereau can be described as follows:

starting from the intersection of the summit of the coteau of Sainte-Geneviève with the median line of the avenue Saint-Sacrement; thence, following the median line of the avenue Saint-Sacrement northwesterly to the median line of the boulevard Hamel (route 138); thence, following the median line of the said way northeasterly to the median line of the rivière Saint-Charles; the median line of the said river downstream and its extension to the median line of the fleuve Saint-Laurent; the median line of the said river upstream to the extension of the northeast line of the lot 232-2 of the cadastre of the parish of Saint-Colomb-de-Sillery; along the northeast line of the lots 232-2, 232-3 and 230-6 to the summit of the Falaise; thence, following the summit of the Falaise northeasterly to the outer southwest side of the fortification wall of the Department of National Defence; a broken line running southwesterly and northwesterly and following the outer side of the said wall to the median line of the rue Dauphine; the median line of the said way to its intersection with the median line of the boulevard Saint-Cyrille Est; the median line of the said way southwesterly to the median line of the avenue Salaberry; the median line of the said way northwesterly to the summit of the coteau Sainte-Geneviève; finally, the summit of the coteau Sainte-Geneviève westerly to the starting point.

This electoral division comprises part of the city of Québec bounded as follows: the rivière Saint-Charles, the fleuve Saint-Laurent, the limit of the cities of Québec and Sillery, la Falaise, the fortification wall, the rue Dauphine, the boulevard Saint-Cyrille Est, the avenue de Salaberry, the côte Sainte-Geneviève, the avenue Saint-Sacrement and the boulevard Hamel.

111. TERREBONNE

The electoral division of Terrebonne comprises the territory bounded as follows:

starting at the intersection of the median line of the rivière des Mille-Îles with the extension of the dividing line of the lots 27 and 36 of the cadastre of the parish of Saint-Louis-de-Terrebonne; thence, that extension and the line of the said lots; the east line of the lots 29 and 28; the extension of the east line of the lot 30 across the chemin Adolphe-Chapleau and the said east line; the line limiting towards the northwest part of the lot 26 and the lot 30; the northeast line of the lot 25; a broken line limiting towards the northwest the lots 25, 24, 23, 20 and 19; thence, part of the east line of the lot 18; a broken line limiting towards the northwest the lots 18, 17, 16, 14, 13, 12, 5 and 4 and its extension to the northeast line of the cadastre of the parish of Sainte-Thérèse-de-Blainville; part of the northeast line of the cadastre of the parish of Sainte-Thérèse-de-Blainville; the line dividing the cadastre of the parish of Saint-Louis-de-Terrebonne and the cadastre of the parish of Sainte-Anne-des-Plaines; the southwest line of the lots 467 and 468; part of the limit of the cadastre of the said parish; the northwest and northeast lines of the lot 167; the northeast line of the lots 166 to 158; part of the east line of the lot 154; the north line of the lots 153 and 152; the northwest line of the lots 115 and 114; the northeast line of the lots 114 and 112; the southeast line of the lots 112 and 113; the northeast line of the lots 144 to 140; the dividing line of the cadastres of the parishes of Saint-Henri-de-Mascouche on one side and Saint-Lin and Saint-Roch-de-l'Achigan on the other side; the dividing line between the cadastres of the parish of Saint-Henri-de-Mascouche and the parish of Lachenaie on one side and the cadastres of the parish of l'Épiphanie and the parish of Saint-Paul-l'Ermité on the other side to its intersection with the shore of the rivière des Prairies; thence, an irregular line passing east of the île Bourdon and joining the median line of the rivière des Prairies; the median line of the rivière des Prairies upstream; the median line of the rivière des Mille-Îles upstream, passing south of the île Saint-Jean, northwest of the islands bearing numbers 597 to 601 and 616, 617, 618 and 619 of the cadastre of the parish of Saint-Louis-de-Terrebonne to the starting point.

This electoral division comprises the following municipalities: the towns of Lachenaie, Mascouche and Terrebonne; and the municipalities of the parishes of La Plaine and Saint-Louis-de-Terrebonne.

112. TROIS-RIVIÈRES

The electoral division of Trois-Rivières comprises the territory bounded as follows:

starting from the south corner of the lot 2 of the cadastre of the city of Trois-Rivières; thence, successively, the following lines: part of the southwest line of the lots 2 and 1 of the cadastre of the city of Trois-Rivières to a line parallel and northwest of the southeast line of the subdivisions 15, 16 and 17 of the original lot 2 of the cadastre of the parish of Trois-Rivières, which parallel line is located at a perpendicular distance of five hundred and sixteen feet (516 ft) from the said southeast line; in the cadastre of the said parish of Trois-Rivières, the said parallel line, in the lot 2, for a length of two hundred and ninety-two and seven tenths feet (292.7 ft), part of the northeast line of the lot 2-2 northwesterly for a distance of two thousand five hundred and thirty-four and five-tenths feet (2 534.5 ft); part of the southwest line of the lot 1-1 of the cadastre of the city of Trois-Rivières; the southwest line of the lot 15-1 of the cadastre of the city of Trois-Rivières and its extension of the northwest side of the right-of-way of the Canadian Pacific Railway company (the lot 374 of the cadastre of the parish of Trois-Rivières); in the cadastre of the said parish, the northwest side of the said right-of-way southwesterly to the southwest line of the lot 7; part of the said southwest line of the lot 7 northwesterly to the southeast side of the chemin Sainte-Marguerite the said line crossing the rivière Millette (former rivière Sainte-Marguerite) the southeast side of the said way northeasterly to the northeast line of the lot 7; a broken line limiting to the northeast and southeast, as the case may be, the lots 7, 166, 165-1, 165-2 and 165 to the southeast side of the route du Rochon; the southeast side of the said way southwesterly and the southeast line of the lots 249, 250, 251 and 373; the southwest line of the Quatrième Rang du Fief-Saint-Maurice, the northwest line of the lot 295; in the cadastre of the parish of Saint-Étienne, the southwest line of the Deuxième Rang du Fief Saint-Étienne and the southwest side of a way passing southwest of the lots 297, 296, 293, 292, 290, 289, 288 and 286, and of the lots 284 to 279 inclusively and continuing to the median line of the way passing between the lots 279, 38 and 39 on one side and the lots 278, 277, 276 and 40 on the other side; the median line of the said way to the median line of another way crossing the Premier Rang du Fief Saint-Étienne; the median line of the latter way to the extension of the northwest line of the north-

west line of the lot 38; the said extension and the northwest line of the lot 38, that line being extended to the median line of the rivière Saint-Maurice; the median line of the said river downstream and skirting on the right the islands closest to the left shore and on the left the islands closest to the right shore to the extension of the dividing line between the lots 181 and 186 of the cadastre of the parish of Trois-Rivières; the latter extension northeasterly to the north shore of the said river; the north shore of the rivière Saint-Maurice easterly to the northwest shore of the fleuve Saint-Laurent a line in the said river perpendicular to the said northwest shore to the median line of the fleuve Saint-Laurent; the median line of the said river upstream to the southwest line of the lot 2 of the cadastre of the city of Trois-Rivières; finally, the said extension to the starting point.

This electoral division comprises the city of Trois-Rivières.

113. UNGAVA

The electoral division of Ungava comprises the territory bounded as follows:

starting at the point of intersection of the shore of the Hudson's Bay with parallel 55°00' of a north latitude; thence, successively, the following lines: the said parallel easterly to the meridian 68°00' of west longitude; the said meridian southerly to parallel 52°55' of north latitude; the said parallel westward to the watershed mark dividing basin of the fleuve Saint-Laurent from that of the Hudson's Bay; the said watershed mark southwesterly to the intersection of the west limit of the cadastre of the township of Pfister with the northwest extension of the northeast line of the cadastre of the township of Ingall; thence, a line crossing the cadastres of the townships of Balète, Marceau, Buteux and Lacroix to the northeast corner of the cadastre of the township of Bailly; the north line of the cadastres of the townships of Bailly, Barry, Souart, Moquin, Labrie, Cuvillier and part of the north line of the cadastre of the township of Holmes; the east, north and west lines of the cadastre of the township of Quévillon, this line being the median line of the rivière Bell; part of the north line of the cadastre of the township of Laas; the north lines of the cadastres of the townships of Murault, Bernetz, Coigny, Miniac, Desboues, Ligneris and Disson; the east line of the cadastres of the townships of Lavergne and Lemaire; the north line of the cadastres of the townships of

Lemaire, Paradis and Boivin; the Québec/Ontario borderline to the James Bay and the provincial limit in the James Bay to the starting point.

This electoral division comprises the following municipalities: the towns of Chapais, Chibougamau and Matagami; the cree villages of Eastmain, Fort-George, Fort-Rupert, Mistassini, Némiscav, Nouveau-Comptoir (Wemindji), Poste-de-la-Baleine and Waswanipi; the nordic villages of Akulivik, Aupaluk, Kangiqsualujuaq, Kuujuaq, Salluit and Tasiujaq, and part of the municipality of Baie-Jésus. It also comprises the localities of Caniapiscou. Deception, Inukjuak, Ivujivik, Kangiqsujuaq, Kangiqsuk, Kuujuaaraapik, Povungnituk, Purtuniq and Quaqaq situated in the territory of the Nouveau-Québec.

114. VACHON

The electoral division of Vachon comprises the territory bounded as follows:

starting from the intersection of the southeast and northeast limits of the cadastre of the parish of Saint-Antoine-de-Longueuil, thence, successively, the following lines: part of the northeast limit of the cadastres of the parishes of Saint-Antoine-de-Longueuil and Saint-Hubert to the northwest line of the lot 227 of the cadastre of the parish of Sainte-Famille-de-Boucherville; in that cadastre, the northwest line of the lots 227, 226, 225, 224, 223 and 221; the northeast line of the lots 221, 222, 236 and 237, such line being extended across the chemin de la Savane; the southeast line of the lots 237, 235, 233, 232, 231, 230 and 229; part of the southwest line of the lot 229 to the southeast line of the lot 13 of the cadastre of the parish of Saint-Hubert; a broken line dividing the cadastre of the parish of Saint-Hubert from the cadastre of the parish of Saint-Bruno to the east line of the lot 81 of the cadastre of the parish of Saint-Hubert, such line merging in part with the west side of the montée Sabourin; the east line of the said lot 81 and its extension to the southwest side of the chemin Chambly; the southwest side of the said way northwesterly to the east line of the lot 89 of the same cadastre; the east line of the said lot, such line crossing the right-of-way of a railroad; a broken line dividing the cadastre of the parish of Saint-Hubert from the cadastre of the parish of Saint-Joseph-de-Chambly to the most southwesterly line of the lot 198 of the cadastre of the parish of Saint-Hubert; the said southwest line of the said lot; the southwest side of the boulevard Grande-Allée to the extension of the

northwest line of the lot 222 of the cadastre of the parish of Saint-Antoine-de-Longueuil; then, with reference to such cadastre, the said extension and the said northwest line of the lot 222; part of the southwest line of the lot 317 (railway right-of-way) northwesterly to the southeast line of the lot 212; part of the said southeast line southwesterly to the northeast side of the boulevard Grande-Allée; the northeast side of the said northwesterly to the extension of the southeast line of the lot 233; the said extension and part of the southeast line of the said lot 233 to the southwest side of the boulevard Alexandre-Taschereau; the southwest side of the said way northwesterly to the west side of a former way chemin Lamarre; the west side of the said way northerly to the northeast side of the boulevard Alexandre-Taschereau; the northeast side of the said way northwesterly to the northwest side of the rue Gladstone; the northwest side of the said way to the southwest side of the rue Mont-Royal; the southwest side of the said way and the southwest line of the lot 136-1188, such last two lines connecting by a straight line across the boulevard Marie; the northwest line of the lots 236-1188 and 236-1187; the southwest line of the lots 236-1186, 236-1193 and part of the southwest line of the lot 236-46-2 to the southeast line of the lot 236-55; the southeast line of the lots 236-55, 236-96 and 236-102; the northeast side of the boulevard Alexandre-Taschereau northwesterly to the southwest line of the lot 246-A; a broken line limiting to the southwest and west the said lot 246-A; part of the southwest line of the lot 17 (railway); part of the north line of the lot 198; part of the northeast limit of the right-of-way of the route 116 (former route 9); part of the southwest line of the lot 120; part of the southwest line of the right-of-way of the route 116 (former route 9) to the extension of the east line of the lot 113 of the cadastre of the parish of Saint-Antoine-de-Longueuil; a broken line dividing the cadastre of the parish of Saint-Antoine-de-Longueuil from the cadastre of the parish of Saint-Hubert to the starting point.

This electoral division comprises the city of Saint-Hubert.

115. VANIER

The territory of the electoral division of Vanier can be described as follows:

starting at the point of intersection of the line dividing the cadastres of the parishes of Charlesbourg and Saint-Roch-Nord with the extension of the median line of the avenue du Colisée; thence, successively the following lines: toward the southeast, the median line of the said way and its extension to the median line of the right-of-way of the Canadian National Railway Company the median line of the said right-of-way to the median line of the 1^{re} avenue; the median line of the 1^{re} avenue to the extension of the median line of 18^e rue; the said extension and the median line of the 18^e rue to the extension of the median line of 3^e avenue; the said extension and the median line of 3^e avenue and the pont Dorchester to the median line of the rivière Saint-Charles; the median line of the said river upstream to the median line of the boulevard Hamel (route 138); the median line of the said way to the median line of the avenue Saint-Sacrement; the median line of the said way to the median line of boulevard Charest ouest (route 440); the median line of the said way southwesterly to the southwest line of the lot 2359 of the cadastre of the parish of Saint-Sauveur; in that cadastre, part of the southwest line of the lot 2359; a broken line bounding the lot 2360 on the southeast; part of the northeast line, the southeast line and part of the southwest line of the lot 2363; a broken line bounding on the southwest the lot 2525, the lot 2511 and part of the lot 2522; a line bounding on the south part of the lot 2522, the lots 2521, 2510 and part of the lot 2519; the southeast line of the lot 2519 and of the lot 2508; a broken line bounding on the southeast, on the south and on the east the lot 2512; the east line of the lots 2507 and 2513; the south line of the lots 2513, 2506 and 2514; the west and northwest lines of the lot 2514 and part of the west line of the lot 2515; the southwest line of the lot 2380-A and of part of the lot 2380-A a broken line bounding on the southeast the lot 2380-B to the northeast side of the right-of-way of the Canadian National Railway Company (abandoned line); part of the southwest line of the lot 2380-B to the south side of the right-of-way of the Canadian Pacific Railway Company; then, with reference to the cadastre of the parish of l'Ancienne-Lorette, the south side of the said right-of-way (the lot 961) a westerly to the median line of the boulevard Henri-IV; the median line of the said way southeasterly to the

southeast line of the lot 26; a line bounding on the southeast the residue of the lot 26 and the lots 27, 28, 29, 30, 30-A, 31 and 32; part of the southwest line of the lot 32 to the east corner of the lot 33; the southeast line of the lots 33, 34 and 35; the southwest line of the lot 35; the northwest line of the lots 35, 34, 33, 32 and part of the lot 31 to the extension across the rivière Lorette of the southwest line of the lot 106; the said extension and the southwest line of the lot 106 and its extension across the route 138; the southwest line of the lot 108; a straight line across the rue Saint-Paul joining the west corner of the lot 108 with the south corner of the lot 109; the northwest side of the rue Saint-Paul northeasterly to the southwest line of the lot 103; the said southwest line of the lot 103; the northwest line of the lots 103, 98, 97, 94, 93 and the southwest line of the lot 236; the northwest line of the lots 236, 85, 82, 81, 77, 76, 71, 70 and 54, the latter extended to the northeast side of the boulevard l'Ormière (route 371); the said northeast side northwesterly to the northwest line of the lot 575 of the cadastre of the parish of Saint-Ambroise-de-la-Jeune-Lorette; the said northwest line and its extension to the median line of the rivière Saint-Charles; the median line of the said river downstream to the extension of the northwest line of the lot 2384B-1 of the cadastre of the parish of Saint-Sauveur; the said extension a broken line dividing the cadastres of the parishes of Saint-Ambroise-de-la-Jeune-Lorette and Saint-Sauveur to the intersection of the median line of the rivière du Berger; the median line of the rivière du Berger upstream to the extension of the northeast line of the lot 1139 of the cadastre of the parish of Saint-Ambroise-de-la-Jeune-Lorette; the northeast line of the lot 1139 and of part of the lot 1245, to the southwest extension of the line between the Cinquième concession de Charlesbourg and the Sixième concession de Charlesbourg; the extension and the line between the Cinquième concession de Charlesbourg and the Sixième concession de Charlesbourg toward the northeast to the east corner of the lot 103 of the cadastre of the parish of Charlesbourg; the northeast line of the lot 103; the southwest line of the lot 371-A and its extension across a river and a public way; part of northwest line of the lot 371; a broken line limiting on the northeast the lots 151 and 266; the northeast side of a public way bounding on the southwest the lots 272 part, the lots 271 and 270 to the dividing line of the cadastre of the parishes of Saint-Roch-Nord and Charlesbourg; thence, to the starting point.

This electoral division comprises the town of Vainier together with part of the city of Québec, the whole bounded as follows: the limit of the ward of Charlesbourg-Ouest and the city of Québec with the limit of the ward of Neufchâtel of the city of Québec, the village of Saint-Émile and the city of Charlesbourg, the limit of the cities of Québec and Charlesbourg, the avenue du Colisée, the railway line of the Canadian National Railway Company, the 1^{re} avenue, the 18^e rue, the 3^e avenue, the rivière Saint-Charles, the boulevard Hamel, the avenue Saint-Sacrement, the boulevard Charest Ouest, the limit of the city of Québec with the city of Sainte-Foy and the town of Ancienne-Lorette, the limit of the wards of Les Saules and Neufchâtel of the city of Québec, and the limit of the wards of Duberger and Neufchâtel of the city of Québec.

116. VAUDREUIL-SOULANGES

The electoral division of Vaudreuil-Soulanges comprises the territory bounded as follows: starting from the point of intersection of the shore of the fleuve Saint-Laurent with the southwest limit of the cadastre of the parish of Saint-Zotique; thence, successively, the following lines: the Québec — Ontario boundary line to the median line of the rivière des Outaouais; the median line of the said river downstream, passing to the south of all the islands forming part of the cadastre of the parish of Saint-Andrews and an irregular line following the median line of the lac des Deux Montagnes, passing south of the île Hay, to the northeast of all the island forming part of the cadastres of the parishes of Saint-Michel-de-Vaudreuil and Sainte-Jeanne-de-l'Île-Perrot to another irregular line passing halfway between the île de Montréal and the île Perrot and the île Dowker; the said irregular line in the lac Saint-Louis and the fleuve Saint-Laurent skirting on the east the île Perrot and passing halfway between the said island and the island forming part of the cadastre of the parishes of Saint-Joachim-de-Châteauguay and Saint-Clément, to the south of all the islands forming part of the cadastre of the parish of Saint-Joseph-des-Cèdres, to the east of the île Dondaine and the île Maricourt to the east, north and west of the île d'Aloigny, to the east of île Sérigny and the île Longueuil and continuing in median line of the lac Saint-François to the extension of the southwest limit of the cadastre of the parish of Saint-Zotique; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the towns of Dorion, Hudson, Île-Cadieux, Île-Perrot, Pincourt, Pointe-du-Moulin, Rigaud and Vaudreuil; the villages of Coteau-du-Lac, Coteau-Landing, La Station-du-Coteau, Les Cèdres, Pointe-des-Cascades, Pointe-Fortune, Rivière-Beaudette, Sainte-Marthe, Saint-Polycarpe, Saint-Zotique and Vaudreuil-sur-le-Lac; the municipalities of the parishes of Notre-Dame-de-l'Île-Perrot, Rivière-Beaudette, Saint-Ignace-du-Coteau-du-Lac, Saint-Joseph-de-Soulanges, Sainte-Justine-de-Newton, Saint-Lazare, Sainte-Madeleine-de-Rigaud, Sainte-Marthe, Saint-Polycarpe, Saint-Télesphore and Très-Saint-Rédempteur; the municipalities of Saint-Clet and Terrasse-Vaudreuil.

117. VERCHÈRES

The electoral division of Verchères comprises the territory bounded as follows:

starting from the point of intersection of the shore of the fleuve Saint-Laurent with the northeast limit of the cadastre of the parish of Contrecoeur; thence, successively, the following lines: the northeast limit of the cadastres of the parishes of Contrecoeur and Saint-Roch, the latter extended to the median line of the rivière Richelieu; the median line of the said river upstream and skirting on the left the islands closest to the left shore and on the right the islands closest to the right shore to the extension of the northeast limit of the cadastre of the parish of Saint-Denis; the said extension and part of the said limit; in that cadastre, a broken line limiting to the west the lots 438, 440, 441, 443 to 450, 453, 454, 455, 462, 463, 464, 466, 467, 468, 470, 472 and 473; part of the northeast line of the lot 476; the west line and part of the southwest line of the lot 665; the west line of the lot 664; the northeast line of the lots 663 and 685; part of the west and northeast lines of the cadastre of the parish of La Présentation a broken line dividing the cadastre of the parish of Notre-Dame-de-Saint-Hyacinthe from the cadastres of the parishes of La Présentation and Sainte-Madeleine; part of the south limit of the cadastre of the parish of Sainte-Madeleine; in the cadastre of the parish of Saint-Damase the southeast line of the lots 826 and 754; the northeast line of the lot 755; a broken line dividing the cadastre of the parish of Saint-Jean-Baptiste from the cadastres of the parishes of Saint-Damase, Sainte-Madeleine and Saint-Hilaire to the northeast line of the lot 435 of the latter cadastre; in such cadastre, the said northeast line; part of the line

dividing the rang des Trente from the rang des Étangs; part of the southwest line of the said cadastre and its extension to the median line of the rivière Richelieu; the median line of the said river towards the south to the extension of the southwest limit of the cadastre of the parish of Saint-Mathieu-de-Beloeil; the said extension and a broken line limiting on the southwest and the northwest the said cadastre to the south corner of the lot 563; the northwest limit of the Cinquième concession to the northeast limit of the cadastre of the parish of Saint-Mathieu-de-Beloeil; part of the southwest limit of the cadastre of the parish of Saint-Marc; the southeast lines of the rang C and the rang D; the southeast lines of the lots 17 of the rang A and the rang B; the northeast line of the rang A; part of the southeast line of the cadastre of the parish of Verchères; the southwest line of the same cadastre to its intersection with the shore of the fleuve Saint-Laurent; the south line of the cadastre of the parish of Verchères in the fleuve Saint-Laurent to the median line of the said river passing west of the île Beauregard; another irregular line passing northwest of the islands forming part of the cadastre of the parish of Verchères; the said irregular line northeasterly to the extension of another irregular line passing halfway between the islands forming part of the cadastre of the parish of Verchères and the islands forming part of the cadastre of the parish of Saint-Sulpice; the said extension and the said irregular line southeasterly and northeasterly to the median line of the fleuve Saint-Laurent; the said median line to the extension of the northeast limit of the cadastre of the parish of Contrecoeur; finally, the said extension to the starting point.

This electoral division comprises the following municipalities: the towns of Beloeil, Mont-Saint-Hilaire and Otterburn-Park; the villages of McMasterville, Saint-Charles-sur-Richelieu, Saint-Denis, Sainte-Madeleine and Verchères; the municipalities of the parishes of Calixa-Lavallée, La Présentation, Saint-Antoine-de-Padoue, Saint-Charles, Saint-Denis, Saint-Marc-sur-Richelieu, Sainte-Marie-Madeleine, Saint-Mathieu-de-Beloeil and Saint-Roch-de-Richelieu; the municipalities of Contrecoeur and Saint-Antoine-sur-Richelieu.

118. VERDUN

The territory of the electoral division of Verdun can be described as follows:

starting from the intersection of the northwest line of the lot 4692 of the cadastre of the municipality of the parish of Montréal, which line being the northwest side of the aqueduc de Montréal, with the extension of the median line of the avenue Willibrord; thence, the extension, the median line of the said way and its extension to an irregular line passing half-way between the île des Soeurs and the île de Montréal; the said irregular line southwesterly and skirting on the west and southwest the islands situated to the southwest of the île des Soeurs to the median line of the fleuve Saint-Laurent; the median line of the river to an irregular line passing northward around the île aux Chèvres (south of the île Rock); the said irregular line to the extension of the median line of the 9^e Avenue; the extension, the median line of the said way and its extension to the northwest limit of the lot 1024 of the cadastre of the parish of Lachine, being the northwest side of the aqueduc de Montréal; the northwest side of the said aqueduc to the starting point.

This electoral division comprises part of the cities of LaSalle and Verdun, the whole bounded as follows; the canal de l'Aqueduc-de-Montréal, the limit of the cities of Verdun and Montréal, the extension of the avenue Willibrord, such way and its extension, the fleuve Saint-Laurent excluding the île des Soeurs, the île aux Chèvres and the île aux Hérons, the extension of the 9^e avenue, such way and its extension.

119. VIAU

The territory of the electoral division of Viau can be described as follows:

starting from the intersection of the median line of the right-of-way of the Canadian National Railway Company with the median line of the avenue Papineau, following the median line of the said way and its extension to the median line of the boulevard Métropolitain (No. 40); the median line of the said way to its intersection with the extension of the median line of the rue de Bordeaux; the median line of the said way to its intersection with the median line of the rue Bélanger; the median line of the said way to its intersection with the median line of the boulevard Pie-IX; the median line of the said way to its intersection with the median line of the boulevard

Métropolitain (No. 40); the median line of the said way to its intersection with the line of the lots 437 and 438 of the cadastre of the parish of Sault-au-Récollet; the said lot line and its extension to the median line of the rue Jarry; the median line of the said way to the extension of the line of the lots 370 and 371 of the said cadastre; the said lot line to its intersection with the median line of the rue d'Hérelle; the median line of the said way to its intersection with the median line of the boulevard Pie-IX; the median line of the said way to its intersection with the median line of the right-of-way of the Canadian National Railway Company; the median line of the said right-of-way to the starting point.

This electoral division comprises part of the city of Montréal bounded as follows: the railway line of the Canadian National Railway Company, the limit of the cities of Montréal and Montréal-Nord, the boulevard Pie-IX, the rue d'Hérelle, the limit of the cities of Montréal and Saint-Léonard, the boulevard Métropolitain, the boulevard Pie-IX, the rue Bélanger, the rue de Bordeaux, the boulevard Métropolitain and the avenue Papineau.

120. VIGER

The territory of the electoral division of Viger can be described as follows:

starting from the intersection of the median line of the boulevard Métropolitain (No. 40) with the dividing line of the cadastres of the parishes of Sault-au-Récollet and Longue-Pointe; the said cadastral dividing line to the south-east line of the lot 443 of the cadastre of the parish of Longue-Pointe; the said south-east line; part of the line dividing the lot 326 from the lots 440, 442 and 441 of the said cadastre to the extension of the median line of the boulevard Rosemont; the said extension and the median line of the said way to the extension of the median line of the 38^e Avenue; the said extension; the median line of the said way and its extension to the median line of the rue Saint-Zotique; the median line of the said way to the extension of the median line of the 24^e Avenue; the median line of the said way and its extension to the median line of the rue Bélanger; the median line of the said way and its extension to the median line of the boulevard Pie-IX; the median line of the said way and its extension to the median line of the boulevard Métropolitain; the median line of the said way to the starting point.

This electoral division comprises part of the cities of Montréal and Saint-Léonard, the whole bounded

as follows: the boulevard Métropolitain, the limit of the city of Saint-Léonard and the town of Anjou, the limit of the city of Montréal and the town of Anjou, the extension of the boulevard Rosemont, such way, the 38' avenue, the rue Saint-Zotique, the 24' avenue, the rue Bélanger and the boulevard Pie-IX.

121. VIMONT

The territory of the electoral division of Vimont can be described as follows:

starting from the intersection of the extension of the autoroute Papineau (No. 19) and its layout with the median line of the rivière des Mille Îles; thence, the median line of the said river upstream passing west of all the islands forming part of the cadastre of the parish of Sainte-Rose to the median line of the autoroute des Laurentides (No. 15); the median line of the said highway to the median line of the boulevard Saint-Martin; the median line of the said way to the median line of the autoroute Papineau (No. 19); the median line of the said highway, its layout and its extension to the starting point.

This electoral division comprises part of the city of Laval in the rivière des Mille Îles, the right-of-way of the autoroute Papineau (19) and such way, the boulevard Saint-Martin, the autoroute des Laurentides.

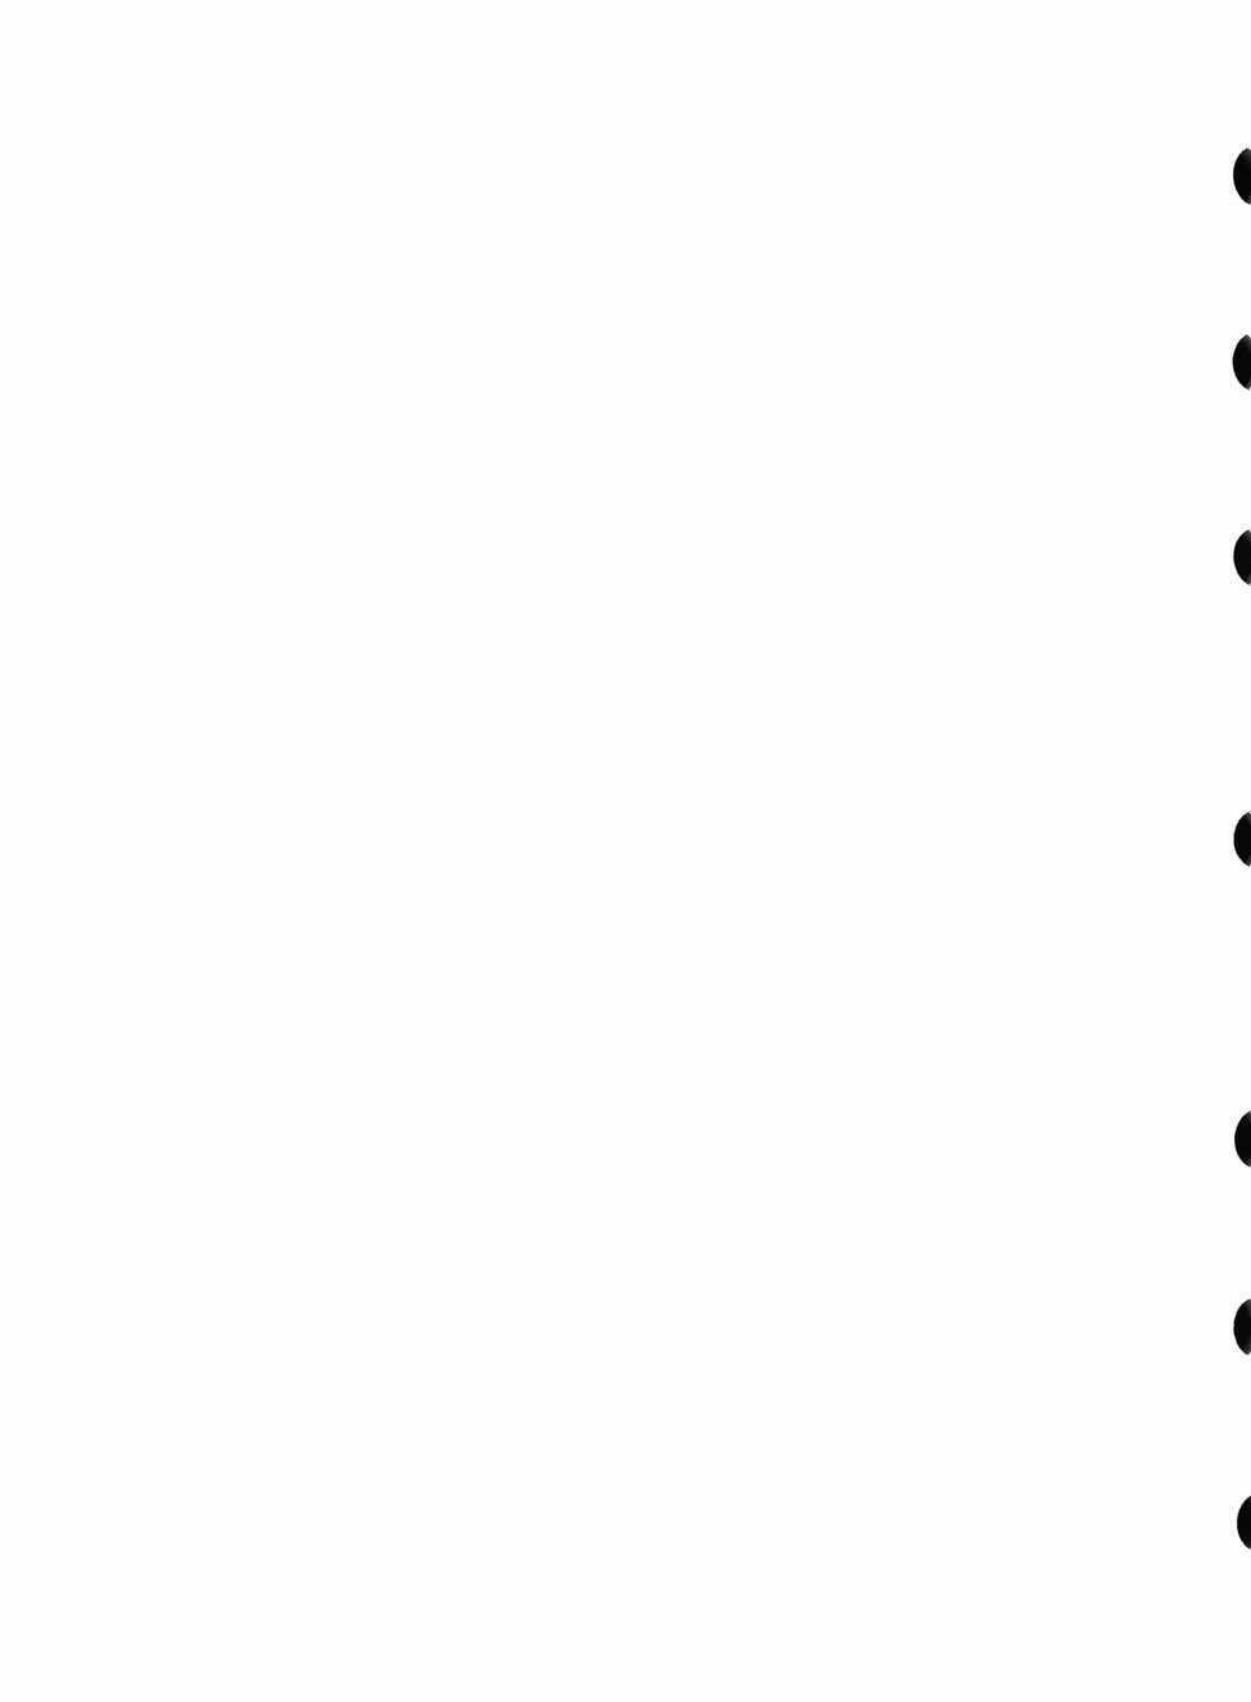

122. WESTMOUNT

The territory of the electoral division of Westmount can be described as follows:

starting from the intersection of the median line of the autoroute Décarie (No. 15) with the extension of the median line of the chemin de la Côte-Sainte-Catherine; thence, the said extension and the median line of the said way to the median line of the rue Lavoie; the median line of the said way to the median line of the boulevard Édouard-Montpetit; the median line of the said way to the median line of the chemin de la Côte-des-Neiges; the median line of the said way to the median line of the chemin Remembrance; the median line of the said way to its intersection with a straight line originating from the intersection of the median lines of the avenue Cedar and the chemin de la Côte-des-Neiges, the direction being N.45°00' W.; the said straight line; the median line of the chemin de la Côte-des-Neiges to the

extension of the median line of the rue Saint-Mathieu; the said extension and the median line of the said way to the median line of the rue Sherbrooke; the median line of the said way to the dividing line between the cadastres of the municipality of the parish of Montréal and the city of Montréal (Saint-Antoine ward); the said dividing line between cadastres to the median line of the boulevard Dorchester; the median line of the said way to the median line of the avenue Atwater; the median line of the said way to the median line of the rue Saint-Antoine; the median line of the said way to the median line of the rue Rose-de-Lima; the median line of the said way to the extension of the line dividing the lots 1367 to 1407 and 1435 to 1457 of the cadastre of the municipality of the parish of Montréal on the one hand from the lots 1415 in declining order to 1408 and 1434 of the cadastre of the said parish on the other hand; the said extension; the said dividing line between the lots and its extension across the lots 1632, 1634 and 1657 of the cadastre of the municipality of the parish of Montréal to the extension on the southwest side of the avenue Claremont; part of the extension on the southwest side of the said way to the median line of the main railway line of the Canadian Pacific Railway Company; the median line of the said main railway line to the median line of the autoroute Décarie (No. 15); finally, the median line of the said highway to the starting point.

This electoral division comprises the city of Westmount and part of the city of Montréal, the whole bounded as follows: the chemin de la Côte-Sainte-Catherine, the rue Lavoie, the boulevard Édouard-Montpetit, the chemin de la Côte-des-Neiges, the chemin Remembrance, a straight line drawn at an angle of 45°00' from the point of intersection of the avenue Cedar and the chemin de la Côte-des-Neiges, the chemin de la Côte-des-Neiges, the rue Saint-Mathieu, the rue Sherbrooke, the limit of the city of Westmount and the city of Montréal, the railway line of the Canadian Pacific Railway Company and the autoroute Décarie.
