NATIONAL LAUNDRY BURNED

A Frozen Shell — The National Laundry building on Conseil St. was destroyed last night by fire. The second floor, where the fire started, housed Sherbrooke Footwear. The ice-covered building is shown above this morning. (Photo Studio Breton)

Fire Guts 2-Storey Building

By WARREN SPAFFORD
A spectacular wind-fanned, two-alarm fire gutted the two-storey National Laundry building on Conseil St. last night leaving 22 employees of the laundry and 61 employees of Sherbrooke Footwear out of work.

The fire started at the back of Sherbrooke Footwear which occupied the second floor and spread through most of the building causing an estimated \$200,000 damage. The cause has not yet been determined.

Firemen from No. 4 station in East Sherbrooke received the first alarm at 10:25 p. m. and a second one was turned in four minutes later. Six trucks were used in fighting the blaze.

Fire Director Percy Donahue said this morning that fire-fighting was hampered by the weather because a strong north wind made it impossible to fight the blaze from the east side of the building for some time. He said the fire was under control at 11:50. Fire fighting was further handicapped by the fact that many panes of glass either were broken or fell out and this increased ventilation in the building. Also there were many partitions in the building which prevented water streams from reaching the heart of the fire.

One fireman, Leo Giguere, 51, of 356 Marquette St. was slightly injured by glass and taken to hospital. His condition is reported as "very well."

In all 18 firemen fought the blaze under the direction of chief Donahue. Other officers were Capt. Henry Donahue, Lt. G. Donahue, Lt. G. Roy, Capt. E. A. Fortier and Lt. T. DeGrace.

A Face Well-Hidden — Peter Woodcock, 17, covers his head with a raincoat as he goes to a court hearing in Toronto on a charge of murdering Carole Voyce, 4. The youth is flanked by Toronto detectives. Toronto's chief coroner described the rape-slaying as the most brutal he had ever seen. (CP)

Israel Firm On Withdrawal

UNITED NATIONS, N.Y. — The Israeli and Egyptian stands on a Middle East settlement hardened today as the midnight deadline neared for Israel's troop withdrawal from Egypt and the Gaza strip.

Israel again told the UN it will not quit the Mediterranean coastal strip and the area controlling the Gulf of Aqaba without concrete guarantees of protection.

The latest Israeli statement, delivered to Hammarskjold in a seven-page memorandum, apparently set the stage for another major Middle East debate in the assembly starting Monday. Diplomats said it would deal not only with Israeli troop movements but also would go into the whole future of the UN Emergency Force in Egypt.

The Asian-African group threatened to present a new resolution demanding economic sanctions unless Israel completes the withdrawal at once. Reports from Cairo said Egypt might halt the clearing of the Suez Canal if the UN turned down a demand for sanctions. They declared the situation would then become more critical than the period that preceded the October fighting in Egypt.

World News In Brief

VANCOUVER — A Canadian banker predicted Wednesday that the current "tight money" conditions—and present Bank of Canada financial policies — will continue "to the end of this year."

Moreover, said A. C. Ashforth of Toronto, president of the Toronto-Dominion Bank, the business and industrial boom will continue unabated all through 1957 — "with a levelling off early in 1958."

DALLAS — Retired career diplomat, Avra Milvin Warren, 63, died Wednesday at the home of a son, Geoffrey S. Warren.

Warren represented the United States in many places, including Kenya, New Zealand, Finland, Argentina, and Pakistan. He entered the foreign service in 1920, serving first as consul at Haiti and later in the same capacity in St. John's Nfld.

TORONTO — Albert H. Munday, manager of the Nassau Bahamas Development Company and Canadian trade commissioner for the Bahamas died Wednesday at Humber Memorial Hospital after a brief illness.

Coming to Canada from England before the First World War, Mr. Munday entered newspaper work at Moose Jaw. After the war he was on the Toronto Telegram for a time as a financial writer.

SPRINGHILL, N. S. — A rainstorm added to the gloom in this Nova Scotia mining town Wednesday as 16 victims of the Nov. 1 mine explosion were buried.

They were among 26 whose

bodies were recovered from No. 4 Cumberland mine last week-end after being sealed underground 2½ months. The blast took 39 lives.

Wednesday's burials brought the total this week to 25. Nine funerals were held Tuesday.

BONN — The West German defence ministry announced today that Lt. Gen. Hans Speidel soon will take over command of NATO's Central European land forces. He will be the first German officer to be given a top command in the Atlantic alliance.

Speidel, 59, served as Field Marshal Erwin Rommel's chief of staff on the Western front during the Allied invasion in 1944. He was arrested by the Gestapo after the July 20, 1944, bomb plot on Hitler's life and held in prison until freed by French troops in April 1945.

MONTREAL — Police reported thieves escaped Wednesday night with a safe containing about \$42,000 in cash and securities from the home of Mrs. J. D. Charland after they forced the back door while the family was out.

ADELAIDE, Australia — The Adelaide News says in a report from Canberra that South Australia is bypassing Britain and appealing to the United States to help build the first atomic power stations here.

The news says South Australian Premier Sir Thomas Playford discussed the project in Canberra with U.S. embassy officials and South Australia will seek a loan from the Export-Import Bank to purchase an American-made power reactor.

No Trace Of Plane With N.B. Officials

FREDERICTON — Provincial radio experts said today it is improbable that a distress signal received in Newfoundland Wednesday night was from a light aircraft missing in New Brunswick with two government officials and their pilot.

Missing aboard the single-engine aircraft are T. Babbitt Parlee, 42, New Brunswick's minister of municipal affairs; Howard Smith, 36, deputy civil defence co-ordinator for the province and L. C. (Bill) Russell, 39, president of the Russell Construction Company and the plane's pilot.

Radio men said the distance between here and the Harmon United States Air Force base in western Newfoundland, where the signal was picked up, is too great. Harmon is about 450 miles east of here.

The plane is missing along a 100-mile flight path between here and Moncton.

A spokesman for the Moncton Flying Club, owner of the year-old plane, said it carried a radio

CCCL Opposes Duplessis On University Grants

OTTAWA — Quebec's particularly for universities... The CCCL's submission was delivered a day after Prime Minister St. Laurent dealt gingerly with a suggestion from the Canadian Labor Congress of 1,000,000 members that he summon a federal-provincial conference on education.

Mr. St. Laurent noted there is some sensitivity about the federal grants—he did not mention Mr. Duplessis specifically but left the implication—and said he would prefer to let things stand until Parliament has passed the government's recommendations for grants.

In the CCCL's brief, another major recommendation was for the restoration of the excess profits tax of the last war as a means of fighting inflation.

Under this tax provision, the federal treasury took everything

Joliette Fire Kills 5 Children

JOLIETTE, Que. — Five children were burned to death and two others were injured in a blaze that levelled a wooden cottage in this town, 50 miles north of Montreal.

The fire was reported to have started by an overheated stove about 6:30 a.m. Within 90 minutes the one-and-a-half storey house was destroyed.

A child was reported severely burned and in serious condition in hospital. A woman was taken to hospital suffering from severe shock.

The dead: Pierrette Fleury, 8; Serge Perrault, 4; Claude Perrault, 3; Mannon Perrault, 2; Francine Perrault, 13 months.

Andre Fleury, 10, was taken to hospital with critical burns. Also in hospital was Mrs. Leo Fleury, 36, mother of Pierrette and Andre.

Police Chief Valmore Lapierre of Joliette said the families of Leo Fleury and of his daughter, Mrs. Rena Perrault, lived together in the 1½ storey cottage about one mile from here.

No "Bust" Coming

Trade Minister Howe says real incomes in Canada will continue to rise this year providing steady and increasing demands for consumer goods on Canada's home market.

Howe Predicts Canadian Incomes Will Continue To Rise In 1957

SEIGNIORY CLUB, Que. — Trade Minister Howe says real incomes in Canada will continue to rise this year providing steady and increasing demands for consumer goods on Canada's home market.

He also said, in an address Wednesday to the Dominion Marine Association here, that Canada's present economic expansion is not a temporary boom which one day must "bust."

The current period of Canadian expansions "has really been going on without the Second World War," Mr. Howe stated.

And future prospects were encouraging. "I may add that real incomes in Canada should continue to rise during 1957, providing steady and increasing demands for consumer goods in our home market."

But the minister asserted that the current level of ocean freight rates constitutes a new and formidable problem in the sale of Canadian grain abroad.

Wheat sales abroad since the start of the current crop year last Aug. 1 largely exceeded the previous one-year period. Sales to date by the Canadian Wheat Board were well ahead of last year.

"That is a good start, and I am hopeful that we shall have another satisfactory crop year by the time it comes to an end next July," he said. However, he added:

"Competition shows no signs whatever of abating, and the high current level of ocean

Record In Tax Yield Predicted

By HAROLD MORRISON
OTTAWA — The federal take in tax yields may climb to a new peak in 1957-58.

The experts anticipate that if there are no major tax cuts in the next budget, the yields may reach a record of more than \$5,200,000,000.

That would be more than \$500,000,000 higher than the original forecasts of revenues for the current fiscal year, though it may be only about \$200,000,000 more than what Finance Minister Harris actually gets in this year ending March 31.

The reason is that he undershot the mark in his original forecast delivered in his 1956-57 budget last spring.

Instead of a surplus of \$113,000,000, which he forecast, he may actually end the year with a surplus of about \$300,000,000.

And on the basis of preliminary estimates of expenditures, he might get a surplus of about \$400,000,000 in 1957-58 if he makes no budgetary changes.

The forecast of more than \$5,200,000,000 in revenues for next year would not include the non-budgetary tax yields for old age security. These might add another \$300,000,000 or so.

This estimate of higher yields is based on an expanding economy and a growth in nation production. In 1956-57, Mr. Harris based his budget on a gross national product—value of all goods and services produced—of \$28,000,000,000. Production actually rose to about \$29,700,000,000.

Further growth likely will boost production to about \$32,000,000,000 in the 1957 calendar year, the experts believe.

On the basis of his forecast basic budgetary expenditures for 1957-58 of \$4,827,000,000, Mr. Harris would have a surplus of some \$400,000,000 next year.

Tolls Certain On Seaway

SEIGNIORY CLUB, Que. — Trade minister Howe says there is "not the slightest chance that the St. Lawrence seaway will be operated without tolls."

"That's why the United States agreed to enter seaway negotiations."

Officials of both the Dominion Marine Association, and its American counterpart, the Lake Carriers Association, voiced opposition this week to tolls of any sort.

Scotstown Town Council Sets Nomination Date

SCOTSTOWN—At the regular meeting of the Town Council all members were present.

Seats 1, 3 and 7 were declared open for nominations which will be held on January 25th, from 12 noon until 2 p. m. at the Town Office. Previously they were occupied by Armand Rougeau, Milton Goodin and Donald MacLean respectively.

Mayor Frizzle informed the Council that at the next regular meeting the office for Mayor would be up for appointment and the policy in the past has been to alternate each year French and English, this year will be the turn for a French Mayor and in all fairness one of the French Councillors should be prepared to accept the office. He also thanked the Council members for their full co-operation and excellent work throughout the past year.

League Opposes Airport

The Proprietors' League, for the first time in several months, voiced its criticism of municipal affairs yesterday — this time the airport project and certain articles to be included in the private bill to the Legislature were the targets.

In a letter to the City Council, the executive of the League opposed the agreement between the municipal and federal governments, specifically the idea that the City alone should purchase the land for the airport. It should have support from various communities in the area, the League states.

According to the agreement between the City and the Federal Department of Transport, Sherbrooke will buy some 2,300 acres of land in the Ascot Corner region at an approximate cost of \$200,000. Some 20 farms there are to be expropriated as soon as the City receives the cadastral numbers of the lands.

In an open letter to the public, the League claimed that proprietors of Sherbrooke "should not support this expenditure of several thousands of dollars for the purchase of the lands."

Further it suggested that Sherbrooke consult with and receive financial support from the communities in the area that would benefit from the services of the airport.

The text of the League's resolution is as follows:

"The Proprietors' League asks the Council that the City not undertake alone the purchase of land for the construction of a federal airport."

"The proprietors of Sherbrooke should not support the expenditure of several thousands of dollars."

"The executive of the League recommends that all the cities surrounding Sherbrooke be consulted and offer financial assistance in this undertaking."

Forwarded to the City Clerk Henri-Paul Emond the resolution is signed by the secretary of the League, Lorenzo Lefebvre.

Concerning its objections to four of the fifteen articles included in the projected private bill, the League made an official request to the Council that a referendum be held with regards to the proposal to elect the Mayor and aldermen en bloc.

The article proposed by the Council sets the election date this year at the first Wednesday in October or the legal day followed if that day is not a legal day. In the past Mayor Nadeau was in favor of holding the elections of the aldermen at the same time.

The Next Move

Southern Canada Prepares Inventory Of City System

The Southern Canada Power Company, one of the companies interested in purchasing the municipal electricity system, will start a full-scale inventory of the local system next week.

Last Monday, a five-man team of inspectors and other personnel "actually started some detailed work" preliminary to the setting-up of an inventory system, a company spokesman said yesterday.

Once the basic steps have been established, the staff will be increased for the inventory which is expected to take two months, he said.

The inventory by the Southern Canada Power is a result of a suggestion by Mayor Armand Nadeau last November that the major power companies make a minimum offer for the electrical works. At that time he also invited the Shawinigan Water and Power Company to make an offer. The aldermen extended the proposal to include the Quebec Hydro-Electric Commission.

When the Mayor made the proposal, he said "All our discussions of the suggested sale of the electric plant are in a sense useless unless we take an objective stand." He then recommended that the companies be invited to make offers and added, "If the price proves reasonable enough, I will go before the people and explain it to them. If the offer is not reasonable, you will see how fast we can cut off the argument."

Earlier last year, the Mayor strongly suggested the Council study the benefits the City had derived from the electricity department revenue in the past 50 years. He was seconded in his opinion by Ald. Carrier Fortin,

Other amendments opposed by the League cover the opening, maintenance or closing of streets and an article concerning water tax. The League's resolution will likely be presented to the Council at the regular meeting next Monday night.

chairman of the general administration committee, when he said that the ratepayers should be consulted on the question of disposing of the power system. Both felt that the broad principle of the future of the system should be decided on by the ratepayers. It is expected that the Shawinigan Water and Power will follow suit with an inventory of its own. With the estimates of these two companies, and the possibility of another one by the Hydro-Quebec, the Council will have tangible grounds on which to discuss the question of the municipal electricity system.

But aside from the City Council, there are other groups in Sherbrooke that have shown interest in the problem.

A preliminary report drafted by the local Chamber of Commerce, was attacked by Armand Crepeau, local engineer, former alderman and one-time M.L.A. for Sherbrooke. He said the report in greater part comprised "an extract from a report prepared by the Shawinigan Water and Power Co."

Manager of the Chamber, Robert Bellis subsequently denied Mr. Crepeau's charges and said that his organization had no preconceived ideas when it drew up the preliminary report.

Mr. Crepeau also criticized the Proprietors' League memorandum in which they condemned the City's proposal to buy more power.

At the time he said "There is no reason for fear at the prospect since the more the City buys from wholesalers to sell at retail prices the more profit it will make."

Civic Officials Guests Of Local Snow Shoe Club

Last night was Civic Night at the Sherbrooke Snow Shoe Club when approximately 90 members and guests were on hand to welcome His Worship Mayor Armand Nadeau, the aldermen and municipal officials. President Art Wright and a committee of past presidents greeted the guests on their arrival.

Those seated at the head table were Mayor Nadeau, President Wright, A. Rowat, M. Long, J. Mitchell, Ald. E. Nicol, P. Bachand, R. Cotterell, Ald. C. Camirand, Ald. A. Pinard, S. Lothrop, C. Langlois, L. Gillam, W. Lavallee, J. Wark, C. Bryant, A. Ross, G. Parsons, O. Routhier, Ald. L. Cadorette, N. Monkietrick, Geo. Lothrop and Bruce Lothrop.

Past President Jim Wark pronounced the Grace.

Chorister Alex Rowat led a spirited sing song with Asst. Chorister Irv. Richards at the piano. The sing song featured "Alouette" led by Mayor Nadeau. Treasurer Stan Lothrop, Captain John Bryant, Vice-Captain Len Gillam and Sgt. at Arms, Howard Simms, all addressed the Club briefly and Committee Chairman, George Jobel, told of the progress of the Heating campaign.

Three guests were introduced and welcomed to the meeting.

President Wright expressed the Club's formal welcome to the City fathers and remarked humorously that newspaper photographs did not do justice to the appearance of the guests. Mayor Nadeau replied, "I wish I could say the same about your Executive."

Former Mayor and Past President Alec C. Ross won a victory over Stan Lothrop in the weekly story telling contest judged by the Mayor.

The Red Party under the leadership of Vice-President Cy Pyke again proved that this was Red Party Year at the Club and presented His Worship and conferees with miniature sign poles designed to aid in the proposed renaming of the streets. One sign proposed the renaming of Russell Street to Avenue des Brochets.

The Red Party quartet composed of Cy Pyke, Art Wright,

Alex Rowat, Ron Cotterell with Irv. Richards at the piano sang jingles dedicated to the guests. The Red Party also presented a crystal ball to the Mayor which they thought might prove helpful in divining future weather forecasts and save money at City Hall.

Mayor Nadeau addressed the members, stating that friendship and goodfellowship among people of all nations was a prime requisite to progress. Aldermen Exerett Nicol, Tony Pinard, Carl Camirand and Leo Cadorette, also spoke.

City Treasurer, Pierre Bachand and assistant Treasurer Olivier Routhier, also expressed their appreciation for the civic night invitation. Captain Albert Breton occupied the delegation.

Following the remarks and prior to the adjournment, Club members rose and sang "For They Are Jolly Good Fellows."

Archie Stafford Returned By Lake Massawippi Club

Archie Stafford, of Ayer's Cliff, was elected for his fifth consecutive term as president of the Lake Massawippi Fish and Game Club at the annual meeting held last night in Sherbrooke. Also re-elected were Vice-President Bill Ride, Secretary Barney Hopercraft and Treasurer, Ivan Woods.

The following Directors were also appointed: Freeman Sutton, J. Lambert, C. Sawyer, A. B. Shaughnessy, Joe Ball, Monty Winget, Jack MacKay, Gordon McHarg, Grant Johnson and H. S. Pye.

Later in the meeting two changes to the constitution were suggested by President Stafford. The first was to increase the number of directors from 10 to 20 because membership in the club has grown from 70 to 300 in the past five years and Mr. Stafford said he felt best interests of the club would be served if directors were named from each town in the area.

The other change suggested concerned applications to the Provincial Government for amendments to the fish and game laws. Mr. Stafford felt that such applications should be voted on by all the members. He pointed out that a small group of members could come to a meeting of the club and suggest a change in the law and have it approved if the meeting were poorly attended and the majority of the members would not have a chance to give their views. Mr. Stafford suggested that when an application was made a notice should be sent to all the members.

Notice of both constitutional changes will be sent to all members and voted on at the next general meeting.

In his year-end report, Mr. Stafford stated that the small pond at the southern end of Lake Massawippi was stocked with salmon but was a failure insofar as raising these to 10 and 12 inches as planned. In the fall, he said, they appeared to be abundant and healthy, yet in the spring after the ice went out, not a sign of a single fish could be found. It was assumed that there is an underground passage to the lake and that the salmon during the course of the winter made their way into the lake. To further substantiate this theory, one salmon about the size of those from the pond was caught in the bay adjacent to the pond.

Mr. Stafford issued an appeal to the members of the club, as well as to other clubs in the Province concerning protection.

Richmond Bank Marks 50th Anniversary

RICHMOND. — (Special) — The Richmond office of the Bank of Montreal is observing the 50th anniversary of its establishment this month. Originally a branch of Moison's Bank—which later merged with the B of M—it was established in premises opposite the B of M's present building on Main street at Carpenter street in 1907, and remained there until 1928—the year that the St. Francis river overflowed its banks and flooded the business section of the town.

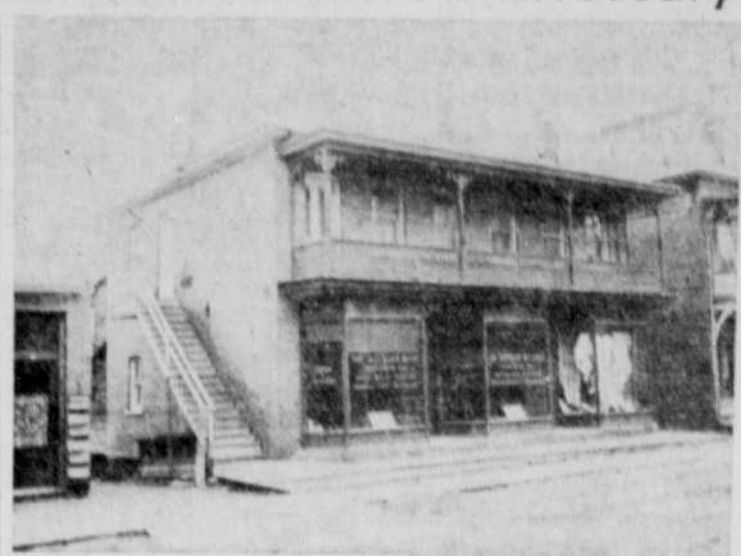

Among the victims of the flood was the old B of M office, which lay under six feet of water for two days. But, despite this inundation, it was found that customers' possessions, in the vault and safety deposit boxes, remained undamaged.

"While no harm to customers' effects was experienced, the Bank decided to forestall future possible flood damage, by immediately planning a new building, which would be eight feet above street level. This structure was erected by the autumn of 1928, and it is the same building that the B of M still occupies.

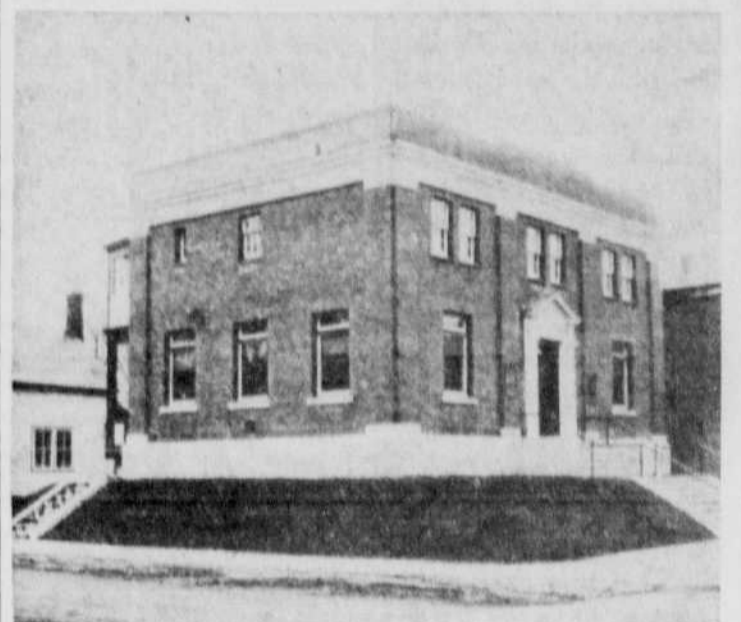

First manager of the local B of M was Herbert E. Bieber, who remained in charge until 1919. Five years later, after Wallace D. Clark's term of office, Mr. Bieber returned as manager until his retirement in 1936. Mr. Bieber still resides in Richmond. Another member of the original staff was Archie Dyson, who is now president of Dyson and Armstrong Limited, garage operators and authorized car dealers. The third member of the first staff was the late R. E. Leonard, who was accountant.

Henry N. Becker became manager upon Mr. Bieber's retirement, and remained until 1943, when he was succeeded by Andrew McCartney. When Mr. McCartney died in 1947, Harold H. Nowlan, the present manager, assumed charge of the office.

An active participant in community activities, Mr. Nowlan is, at present, treasurer and a governor of the Wales Home, member of the Richmond and Melbourn Board of Trade, and a member of the local social club.

ORIGINAL OFFICE — The office of the Bank of Montreal in Richmond — originally an office of the Moison's Bank — is shown here shortly after it was taken over for banking quarters 50 years ago this month. This building remained the premises of the bank until 1928 when, because of a major flood, the present building was erected on the opposite side of the street.

PRESENT BUILDING — The present office of the Richmond branch was built on an embankment eight feet high to safeguard it from flood damage. This building was erected in 1928 the same year that the St. Francis river overflowed its banks and inundated the original office.

Lennoxville Fire Prevention Week Results Listed

Lennoxville ranked 26th among the 30 Canadian cities and towns participating in the grand award competition for conducting the most outstanding fire prevention week campaign. It was announced by the headquarters of the National Fire Prevention Association headquarters in Boston.

Vancouver occupied first place among Canadian municipalities, an honor which went to Kentville, N. S., last year.

The Province of Quebec was among seven organizations receiving special recognition for its contribution to North American fire safety during the past year.

ASBESTOS

Mr. Graham Hood, of Mount St. Hilaire, was in town on business and called on acquaintances in the district.

Mr. Roland Blanchard has resigned from the Finance Office Staff of Canadian Products Division and returned to Sherbrooke.

Miss Marion Reid, Iroquois Club, bride-to-be, was feted at a China Shower at the home of Mrs. Gerald Boudreau, Bucks St., in Sherbrooke. Many friends from out of town attended.

Friends of Mr. D. O. Shaughnessy are pleased with his progress although still a patient at the Canadian Johns Manville Clinic, he is making head way on the road to recovery.

The United Church Evening Auxiliary met at the home of Mrs. C. C. Allen, Webb Ave. The meeting was conducted by the President Mrs. H. K. Conn. Plans were finalized for the first social evening of 1957 to be held on January 30 in the Church Hall.

Mrs. Harriet Morrill, of Danville, is assisting at the Eric Ingre home on Poirier Street while Mrs. Ingre is in the hospital.

Master J. Carrier son of Mr. and Mrs. A. Carrier is a patient in the C. J. M. Clinic following an appendectomy.

Cooler Weather Removes Danger Of Early Flood

Dangers of a flood caused by an ice-jam on the St. Francis River yesterday, about a mile above Bromptonville, subsided today as the temperature dropped below zero overnight.

Mayor Sylvio Blais, of Bromptonville, notified Sherbrooke authorities yesterday that huge ice-chunks had jammed near a small island between the bridge and the dam raising the river level dangerous at that point.

The heavy rainfall and exceptionally mild weather of the past few days were instrumental in an early break-up of the ice along the river.

Nine years ago there was over a million dollar damage caused when a flood hit the small community. Twenty-five houses were destroyed and railway tracks carried away as the river smashed its way through the lower part of the village. People were forced to take

New Bus Service At Waterloo Will Start Next Month

WATERLOO — For the first time in many years Waterloo will have a bus service.

Mr. and Mrs. Gaston Gatien, owners of the Central Taxi Service have announced that the new service will start the first week in February. At present they are making shop trips in the mornings, noon and evenings.

Included in the new system there will be morning and afternoon trips to accommodate the school children to both the High and elementary schools. The town trips for the present will be in the afternoons only, at 2 and 4 p.m.

The bus will cover the route from Foster Square to the corner of North and Main Streets, Court Street, Western and Eastern Avenues. For the present it will run from Monday through Friday; but the bus will be available for excursions on weekends.

A Bit Tiring

It's getting just a bit tiring to have Labor Union leaders throwing their weight around so much.

In the case of the strike at Dominion Textile Company in Magog, somebody should step on Mr. Rene Gosselin and remind him that a considerable number of workers are idly going broke while he grandstands for the benefit of the Quebec Labor Relations Board.

We're not taking sides in the dispute between company and employees. Maybe the union complaint is justified and maybe it isn't. That isn't for a newspaper to decide.

What does seem ridiculous, however, is that Mr. Gosselin, president of the Federation of Textile Workers, has decided to defy a perfectly reasonable decision of the Labor Board.

The essence of what the Board decided was that the argument should go to immediate arbitration and that the strikers would be better off if they went back to work, pending the arbitration result.

Like the manager of a fighter, Mr. Gosselin assures the 700 strikers, "Don't worry, they can't hurt us."

The like of Mr. Gosselin is doing little to raise the prestige of organized labor.

Where's That Discipline?

One used to hear that the great feature of the Russian Communist party was its organizational discipline. He who deviated from the party line even an inch was likely to be chopped.

Maybe discipline is still the watchword, but it would be hard to tell it from observing the antics of one Nikita Khrushchev, top Communist leader in the Soviet Union.

When Khrushchev loosens his tongue with a few heady draughts of

vodka, which is pretty often, he embarks on verbal flights that enrage foreign diplomats, baffle world capitals, and most disconcert his fellow Reds at home.

Where amid his alcoholic meanderings the true path of the faithful lies is one of the difficult questions of the post-Stalin era. Evidently discipline is for lesser men.

To judge from recent vodka-soaked performances, Khrushchev imagines that the party line is something you talk over.

Toscanini — A Dedicated Man

Arturo Toscanini was great not only because he scaled the heights in his chosen musical world. In his long lifetime he stood as a supreme example of the dedicated man.

Millions who never heard a note of the music he brought to life could and did learn from his fierce quest for perfection in everything he touched.

Driven by a life force that would not let him spare himself or anyone who worked with him, Toscanini became a living symbol of all that is finest in serious music.

His pursuit of the ultimate in musical expression ended only when he died. He studied the great musical scores as intensely in his final years as he had done in his fiery youth. Surely there is a lesson here for every man who would lift up an ideal and aim toward it.

Not the smallest measure of his devotion was his decision to come out of retirement at 70 to conduct the superb NBC Symphony. Lesser men might have been content to offer mere token service only long enough to get such an orchestra established. Toscanini led it energetically for 17 years, finally laying down his baton just three years ago.

Wherever this electric little man passed, he charged the atmosphere with excitement. Singers sang better than they believed they could. Orchestras outplayed their best for him.

In his ceaseless strivings, he elevated music and musicians alike.

Inevitably such a man spawned legends almost from the first moment he picked up a baton in South America when he was 19.

He was more than brilliant. He had a great mind, capable of performing the most prodigious memory feats, pushing always toward deeper understanding.

Most who knew him would say Toscanini would have been great no matter what field of achievement he chose. He was a passionate believer in political freedom, who stoutly refused to play Italian Dictator Mussolini's Fascist anthem and would have nothing whatsoever to do with Germany and Austria while they lived under Hitler's heel.

In every facet of his life, he clung to principle as doggedly as he searched out the elusive shadings of a Mozart or Beethoven symphony.

Wherever great music is played hereafter, monuments will be raised to this man.

This And That

An 80-degree temperature swing in less than a week. This is getting ridiculous.

The word "frivolous" can be applied to many things, but we can't recall ever before having seen it applied to offers of marriage, particularly the female-to-male variety. We wonder exactly what was meant when John Taylor, lawyer fighting the deportation of man-without-a-country Christian Hanna, labelled "frivolous" three of the five offers of marriage made his client. The offers were presumably

made by young ladies who were willing to marry Hanna if it would permit him to stay in Canada.

Wonder how long Prime Minister Nehru of India will be able to play both ends against the middle—i.e., East against West to promote the interest of India. Height of recent Nehru crust—thanking the West for helping India to its first atomic reactor in one sentence, and in the next sentence expressing certainty that the Soviet Union will help him build a second one.

Letter To The Editor

Editor, Sherbrooke Daily Record.

Dear Mr. Editor, I have been a reader of the Sherbrooke Daily Record for around 50 years and I feel lost if I do not receive my copy every day.

Your editorials are interesting and informative, and while I do not always agree with you on some points, thanks be to God for a free country where everyone can express their own opinions.

Now I'd like to say a word about the proposed raise in the Old Age Pensions. It was announced over the radio on Saturday morning, Jan. 18, that the pensions would be raised, but the pensioner might have to prove the necessity for his or her raise.

Now this is a preposterous idea when everyone knows that prices of all commodities has risen more than double in the past 7 years; and did the Big Boys up at Ottawa prove the need of their 2 or 3 thousand a year

more in salary last year? Then why should the old people not have their pension raised accordingly to at least \$60 a month, no question asked?

I am personally acquainted with around 25 old people receiving the O. A. P. They are a splendid lot and most of them are as interested in their homes and churches as they were at 30. They give their mite to all good works. Moreover, they are mostly continuing on in their different vocations such as secretaries for their church work, organists when needed, correspondents for the Record — as proved by the lady in Waterloo who resigned last week aged somewhere in the 80's.

These fine men and women are helping keep up the morale of the community and keeping their little corner of Canada happy as they themselves are. They have always done so and will continue on as long as God gives them strength.

In the cities, I expect it is very hard to get along now on \$40 a month. Room rent takes almost half and there is heat, food and light. I wonder some-

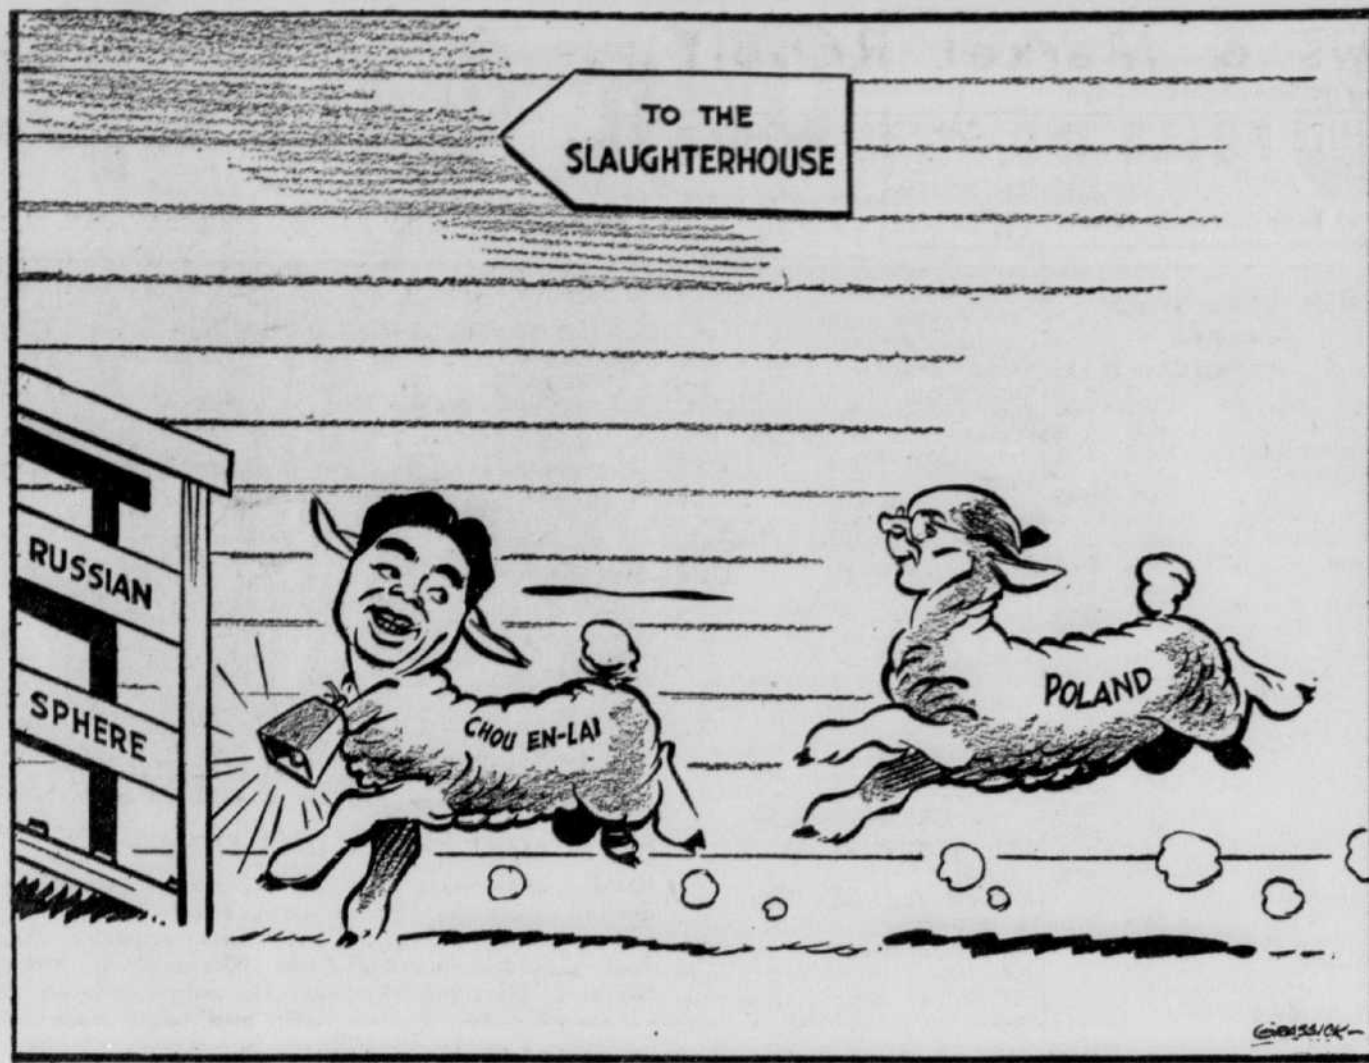

times how they manage to even exist.

A raise of \$20 a month would make their old days easier and happier.

Now, Mr. Editor, what has become of the CFCF radio programmes? CBM and CJAD are all the English stations we can get at 40 or 60 miles from Sherbrooke. Of course we get CFCF, but it would be nice to know what is on for the evening.

Sincerely,
One of the Old Ones.

Ed. Note.—The foregoing letter was reduced slightly because of limited space. With due respect to the radio station on which "One of the Old Ones" heard about the pension increase, there is still nothing definite from Ottawa, although all indications point to a boost in Old Age pensions sometime this year. As for CFCF, the constant newspaper problem of space brought the decision to discontinue the listings of this station. If, however, more of our readers share "One of the Old Ones" view, a few letters to this effect will put CFCF's listings back in The Record.

ACE PLAYED TOO QUICKLY

In match point duplicate a player will double part score contracts that he would never think of doubling in rubber bridge.

East's double was strictly a duplicate double. He thought that he would have made three spades for a score of 140. Ninety plus 50 for the part score. He doubled set to beat that.

West led his fourth best club. Dummy won with the ace and East had to drop an honor. The six of clubs was led and trumped while East's second honor fell.

Declarer next played the king of hearts and West made the mistake of taking his ace right then.

East dropped the eight of

"THEY MARRY A FINANCE COMPANY"

(From the Inaugural Speech of Fred Gardiner, Chairman Toronto Metropolitan Area)

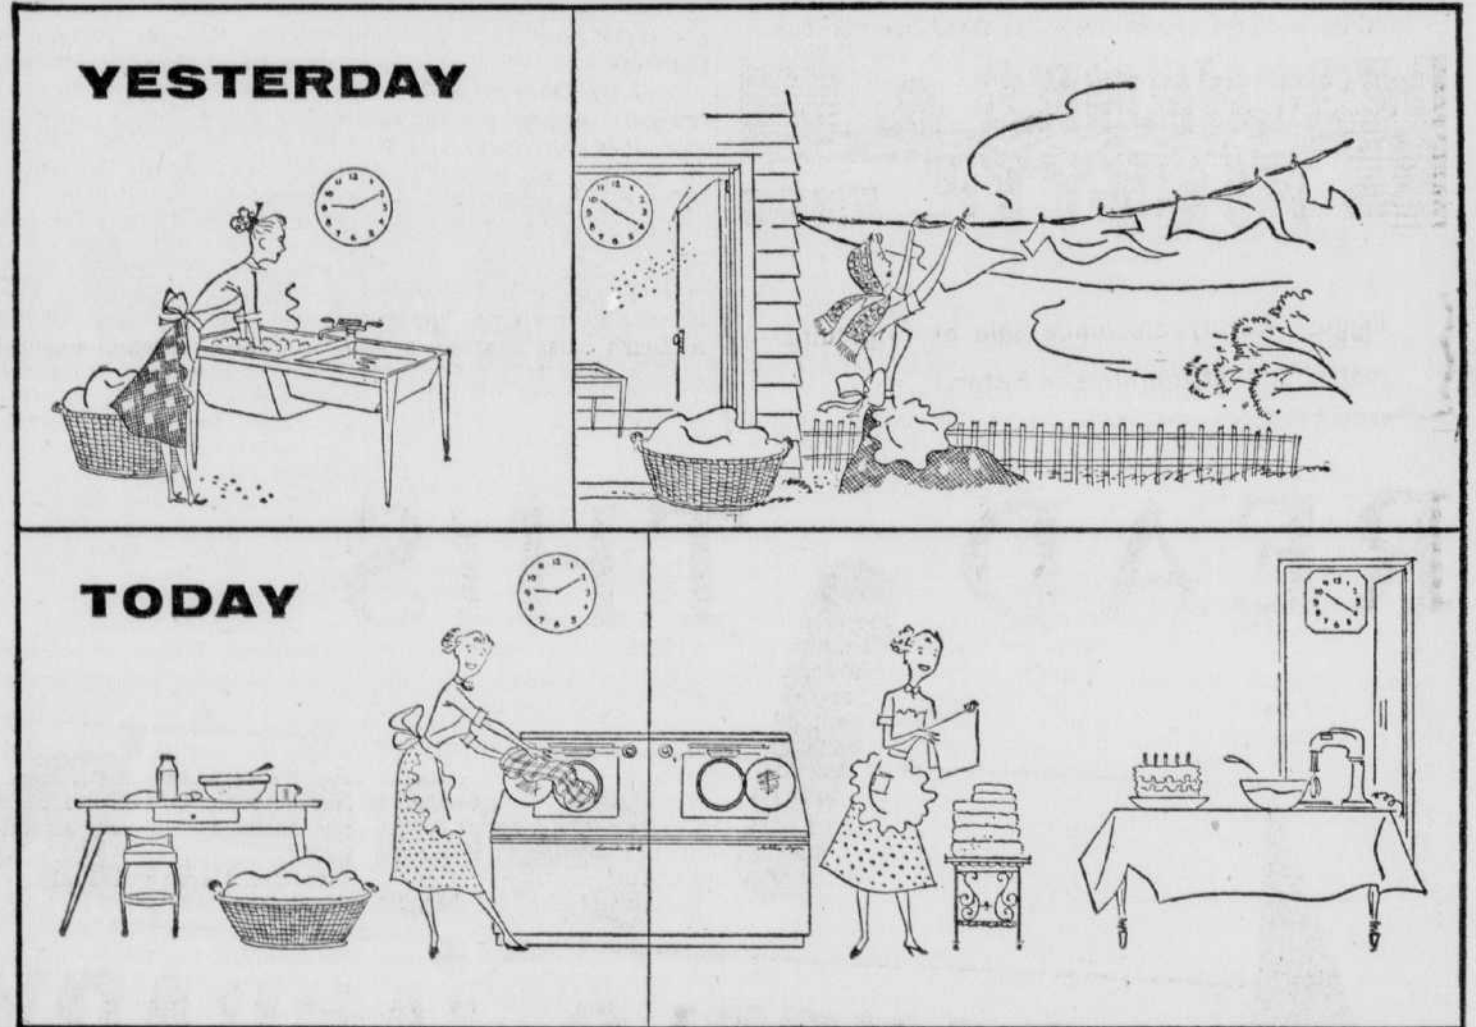

Since 1945... we have seen the miracle of suburbia. All of a sudden everybody wanted to get out into the country so that their children would have freedom from sidewalks and pavements, so that they could enjoy the fields and streams. But it was not long before they discovered that cars operate better on pavements than on mud holes; that it is better to have water in the tap than in the cellar. Thousands never knew before what a sump pump was; now it is standard equipment the same as the

NHA mortgage. Since 1945 over a million people in Canada have moved to the suburbs. In Toronto alone about half a million people have made the migration. They have been attracted to Cherry Hill Gardens and Weedville Heights to enjoy the gracious living that you read about in "Homes and Gardens." Which means that they must have a new-model car geared to the boss's salary instead of their own; they must have a TV, a refrigerator, a freezer, an automatic dish-

ECONOMIC GIBBERISH

(Windsor Star)

Finance Minister Walter Harris in the past has endeavored to convey the impression that when the Bank of Canada increases its interest rates it does not thereby influence higher rates on the private money markets. He claims the Bank of Canada merely reflects the trend to higher rates rather than causes them. But he now admits what is indeed true, that "certain persons may ascribe" higher interest rates to the Bank of Canada's action. These "certain persons" include bankers who know something about interest rates, their causes and effects.

There is a great deal of financial gibberish being spoken in Ottawa on this issue. It is a fact that when the Bank of Canada increases its rates, this is followed by a general trend to higher rates. And, indeed, if this were not the case, there would be little purpose in the Bank of Canada's action. It is a "tight money" policy, and the higher interest rates are part of the tightening process.

Ottawa, whether it be Government spokesmen or Bank of Canada experts, cannot explain away the effects of Bank of Canada policies by a lot of double-talk. This isn't to say these policies are bad; just that the explanations of them often confuse rather than explain.

Pulp And Paper Officials — Technical personnel and executives of the Canadian Ingersoll-Rand Co. Ltd., yesterday visited the Sherbrooke plant of the Canadian Ingersoll-Rand industrial apparatus. Seated, from left to right, are: D. Olson, woods division engineer, Abitibi Power and Paper Co. Ltd., Toronto; D. Elliott, mechanical engineer, Pulp and Paper Research Institute, Montreal; W. Carter, vice-president, Canadian Ingersoll-Rand, Montreal; B. McColl, consulting engineer to Woodlands Division, Pulp and Paper Research Institute, Montreal; G. Ingersoll Rand Presents New Log Barking Machine

The Canadian Ingersoll-Rand pulp and paper engineer John Ross, and company sales engineer, M. R. Blake, both from Toronto.

The party was met in Sherbrooke by G. M. Young, vice-president, and Works Manager, G. M. Dick, chief engineer, and G. H. Logie, manager of industrial relations, all from the Sherbrooke plant of the Canadian Ingersoll-Rand. The visitors were conducted by them on a tour of the company's manufacturing facilities, and also saw demonstrations of other new equipment developments of vital importance to the pulp and paper industry.

The new de-barking apparatus will enable the bark to be removed from pulpwood logs prior to the logs being transported from the forest, instead of at the mills, as is the general case now.

A considerable saving in transportation charges is thus allowed. In addition, the problem of bark disposal — often a difficult one at mills — will be eliminated.

The successful development in Sherbrooke of this new de-barking apparatus fills a long-felt need in the list of equipment used by Canadian pulp and paper mills.

Lists Three U.K. Errors In Mid-East

OTTAWA — G. M. Young, vice-president of the general staff, said Wednesday night the British government, yielding to pressure, made three "mistakes" in the Middle East:

1. Leaving the Suez Canal.
2. Not acting as soon as Premier Nasser nationalized the canal.
3. Not taking the entire canal when British troops finally acted.

He told a meeting of the Ottawa branch of the Royal Empire Society that removal of British troops from the canal brought instability in its train. "A very dangerous situation existed."

Canadians should be careful not to add to pressures on Britain to give self-government to colonial areas too soon, he said. British policy has long been to give self determination only when stability can be assured. Self-government was not necessarily good government.

NO TRACE OF PLANE

Continued from Page 1 with a 60-mile range.

"Atmospheric conditions would have to be excellent for a signal to reach Harmon and they weren't last night," one radio man said today. "It's not at all probable the signal was from the plane."

Meanwhile, planes and ground parties began the second day of the search, moving into densely forested areas from here and Havelock, N. B., 25 miles west of Moncton.

Forty soldiers from Camp Sussex joined RCMP, civil defence and volunteer searchers on the ground in the Havelock area while RCMP led the hunt here. All parties are in radio contact. The first of 21 RCAF and private search planes were in the air shortly after dawn and are reported in contact with the RCMP headquarters here.

A strong wind is blowing over the district but skies are clear. Mild weather prevailing Wednesday turned cold during the night and many centres reported below zero temperatures.

We wish to convey our sincere thanks and appreciation to our friends and relatives who rendered acts of kindness during the illness, death and burial of our sister Bernice. To the Reverend M. Goyde, the bearers, the St. John's Church, organist and choir. Those who sent flowers.

Mr. Wilson, the undertaker, and those who braved the severe weather to be with us. Thanks again.

THE FAMILY OF THE LATE BERNICE WILSON.

I would like to take this opportunity to thank all of those who were so kind to me during my stay in the Barrie Hospital in Ontario.

To all those who sent me cards, letters and sunshine baskets and the Sherbrooke Record.

The Spooner Pond Women's Institute, Chalmers United Church, The Woman's Association of Chalmers Church, the bus drivers of St. Francis College and to the pupils on my bus route, and their parents for all the lovely boxes sent to my family and myself at Christmas time.

Your kindness will always be remembered.

OUR BOARDING HOUSE with Major Hoople

and "Abide With Me," were rendered by the church choir, with Mrs. Albert Jones at the organ.

Pall bearers were E. W. Dunn and Gordon Noble, both of Windsor Mills; E. W. Gilbey, Howard Nichol, Donald Patrick and Dr. T. J. Wells, all of Lennoxville.

Interment took place in Malvern Cemetery, where prayers were said by Archdeacon Jones.

Chief mourners were her daughter, Catherine; two sisters, Miss Constance M. Fuller and Mrs. H. A. Sampson (Evelyn), both of Sherbrooke; Mrs. A. E. Tomkins, Sherbrooke, sister-in-law; Mr. and Mrs. N. A. Thompson, Ottawa, and Dr. and Mrs. A. E. Thompson, Montreal, brothers-in-law and sisters-in-law; Howard Thompson, Sherbrooke, nephew; Lyman Tomkins, nephew and Mrs. Tomkins of Lennoxville and Miss Ruperta Wiggitt, cousin, of Sherbrooke.

Others from out of town attending the funeral included Mrs. R. John Westgate, East Angus and Mrs. E. W. Dunn, Windsor Mills.

Other relatives left to mourn her loss are F. M. Wyatt, Willowdale, Ont., brother-in-law; H. E. Wyatt, Willowdale, Ont., W. A. Thompson, Montreal and H. Grant Sampson, Kingston, Ont., nephews; Mrs. William Taylor, Windsor, Ont., and Miss Margaret Thompson, Ottawa, nieces.

In addition to her husband, who died in 1955, a brother, Noel Wilfred Fuller, two sisters, Miss Leah A. Fuller and Mrs. F. M. Wyatt (Rita), and one brother-in-law, H. A. Sampson, predeceased her.

Born at Sherbrooke, in 1887, Mrs. Thompson was the second daughter of Charles Frederick Fuller and his wife, Miranda E. G. Wood. She received her education in Sherbrooke and later entered the service of the Eastern Townships Bank. Upon amalgamation of the E. T. Bank with the Canadian Bank of Commerce, she worked for the latter organization until her marriage in 1912 to James Edmund Thompson, who was at that time also associated with the Canadian Bank of Commerce in Sherbrooke. The couple had one child, Miss Catherine E. Thompson, presently residing in Lennoxville.

Mrs. Thompson lived for 16 years in Waterloo, where her husband served as manager of the Canadian Bank of Commerce branch and later for eight years in Windsor Mills, where he filled the same position. During this period of her life, Mrs. Thompson was very active in church, charity and social activities, and her passing is mourned by many friends in both these towns.

Upon Mr. Thompson's retirement, the family moved to Lennoxville, where they have resided for the past 20 years. During most of that time Mrs. Thompson had been in poor health and for the past year and a half had been confined to bed. She bore her suffering with a courage and cheerfulness that won the admiration of all who knew her, and the many expressions of sympathy at the time of her death evidenced the high regard in which she was held.

"Richmond was only half the size it is today when the local office of the Bank of Montreal opened its doors for business. And the residents nearly all worked for the railway then or on the good surrounding farm lands. Today, there's a number of other industries here along with the railway shops. Yes, things have certainly changed over the years here in Richmond."

"But I'm straying. I was talking about the Bank of Montreal in this community. Well now, that first banking office — a branch of the Molsons Bank, which later became a part of the B of M — began here... let's see — thanks, that's right... in 1907... January, I believe it was."

"Started off in premises opposite the present B of M office at Main and Carpenter Streets. It was about 20 years or so later that a move was made to the present building... that was just after the spring flood of the St. Francis River in '28. I understand the old building

was flooded to a depth of about six feet, but, after the mopping up, the contents of the safe and safety deposit boxes were found to be undamaged. The new office was built about eight feet above street level, to prevent damage from possible future floods.

"Man, do you know that makes 50 years that the people of Richmond have been dealing with the old bank... it's a long time, and we've seen a lot of progress, and shared in it, too, through working together."

Yes, here and throughout the length and breadth of our nation, the Bank of Montreal has grown with the community, sharing in its growing pains as well as in its achievements.

And, in hamlets and villages, towns and cities, the B of M is still pioneering with the men and women who are building the Canada of tomorrow.

Mr. Clarence Blake who is completing a three year term as a member for the Province of Quebec of the executive committee of the Canadian General Council of Boy Scouts Association, left today for Winnipeg, Man., where he will attend a meeting of that body.

Mr. and Mrs. Glenn Sampson, The Bellevue, Prospect St., have returned from Montreal, where they spent a few days as guests of the former's brother, Mr. Alan Sampson and Mrs. Sampson.

Friends of Mr. Everette Taylor, St. Francis Blvd., will regret to know that he is a patient in the Sherbrooke Hospital.

Mrs. Harry Graham was driven to her home, Sawyerville, on Sunday, by her son-in-law and daughter, Mr. and Mrs. Gordon Bellam, Lorne Ave., Lennoxville, whom she had visited for a few days.

Flowers on the Communion Table in Sangster Memorial Church on Sunday, were in loving memory of Mr. Allison E. Jackson and placed there by his family.

The christening of the infant son of Mr. and Mrs. E. K. Speller, of Lennoxville, took place in St. George's Church, Lennoxville, Sunday afternoon January 20, at three o'clock, the Reverend Albert Jones officiating. The baby received the names Wayne Alan and the godparents are Mrs. Gwen Bienen, and Mr. Clarence Mayhew, of Sherbrooke, and F/O Roland Deacon, of Halifax, N. S., for whom Mr. Frederick Deacon stood proxy.

Following the ceremony, Mr. and Mrs. Speller entertained at a buffet table at their home on Lorne Ave.

Mrs. C. L. Hall and Mrs. R. H. Stevenson poured at the Ladies' Lennoxville Curling Club tea held on Tuesday afternoon, when the table, covered with a white linen damask cloth, was centered with pink anemones and daffodils arranged in a silver bowl with pink tapers in silver candlesticks. Two rinks from the Ladies' Sherbrooke Curling Club were guests at the tea.

Mr. and Mrs. Laurence M. Mizener and children, Gary and Sharon, Alto Street, Lennoxville, were guests during the week-end of Mrs. Mizener's parents, Mr. and Mrs. Thurston Strange at Bromo Lake.

The McCrea trophy with yellow and blue candles in silver holders, centered the lace-covered table for the Ladies' Sherbrooke Curling Club tea, on Tuesday afternoon.

Pouring were, Mrs. Norman B. Farrell, Mrs. H. L. Gagnon, Mrs. R. D. Mawhood and Mrs. J. A. Turgeon.

Lt. Col. John L. Blue and Mrs. Blue, and Lt. Col. George H. Logie, and Mrs. Logie will be spending the week-end in Montreal, as guests at the Ritz Carlton and will attend the R.M.R. Ball to be held in the armory on Friday night.

Mr. Greydon Woolleton, of Montreal, spent the week-end with his parents, Mr. and Mrs. H. H. Woolleton, Academy St., Lennoxville.

Mr. Rupert Hall, Clough Ave., Lennoxville, has left for Brantford, Ont., where he has been

transferred by the Union Screen Plate Company.

Women's Groups

BAPTIST LADIES' AUXILIARY
The Baptist Ladies' Auxiliary met in the ladies' parlor of the church for their regular meeting with Mrs. E. Wheeler acting as hostess.

The president, Mrs. C. Blake, was in charge of the meeting and Mrs. Wheeler conducted the devotional period.

During the business session, various reports were read including the annual financial statement which showed a good balance on hand.

Plans were made for the "Pot Luck" supper to be held prior to the annual Vestry meeting on January 24.

At the close of the meeting the hostess served refreshments, assisted in her duties by Mrs. Blake.

ST. PATRICK MISSION CIRCLE

The St. Patrick Mission Circle held its first meeting of the year in the Canon Fissette Memorial Library, Monday night.

The president, Miss Geraldine Hebert, was in the chair and opened the meeting with the recitation of the Rosary, together with the members, for the repose of the soul of Mrs. W. M. Murray, mother of Miss Wilhelmina Murray, a former president of the circle.

The correspondence included several letters of thanks from the Sisters of The Atonement and school children in different mission schools to whom gifts had been sent at Christmas. These gifts and cheer were provided from the proceeds of the outdoor collection at St. Patrick's Church, December 2, 1936.

The treasurer reported on the recent doll raffle, rummage sale, the collection and the Christmas tea. She also gave the report of monetary aid sent to Rev. Emilian Derge, at Camperville, Man.; Sisters of The Atonement, Smoky Lake, Alta.; Rev. Father Michael Hawkins, Armstrong, Ont.; Rev. Father O'Flaherty, Spanish, Ont.; and Rev. Joseph Jean, Paddle Prairie, Alta.

Bills for freight to the amount of \$39.89 and \$17.18 for wool knitted into mitts for children in the missions, were approved for payment.

Arrangements for a food sale to be held at Steinberg's Store, February 15, were discussed and each member was requested to contribute food to this sale.

Following the adjournment of the meeting, refreshments were served by the hostesses, Miss Helen Slatery and Miss E. Roy.

LENNOXVILLE W. C. T. U.

A regular meeting of the Lennoxville W.C.T.U. took place at the home of Mrs. L. W. Smith, Queen Street, with Mrs. F. Crane as assisting hostess. The president, Mrs. J. S. Martin was in the chair and opened the meeting with a prayer for peace.

Mrs. E. Seale conducted the devotional exercises, using an article written by the first moderator of the United Church of Canada, Dr. Pigeon, entitled "Kept by the Power of God."

The treasurer, Mrs. J. Wright, gave a satisfactory financial report and Miss Crane reported for the flower department.

Husband Can't Understand Value Of His Wife's Work

"Surely my husband isn't the only man today who measures everything in dollars and cents. I wish you'd see fit to write an article for the benefit of such men," says one of my women readers.

Though this reader has five children under 10 years of age and does all her own work, she claims her husband thinks the only women who "earn their way" are women who hold down outside jobs and bring home pay checks.

Just to prove to herself that she is earning her own way this wife set down a list of figures showing what it would cost for all the things she does in a day and came up with the total of over \$5,000 "earned" by her in a year.

There's really no question that a wife who stays at home and runs a house and cares for small children is earning her way.

And any woman with five children under 10 years of age and no help is sure to work harder than her husband, no matter what kind of a job he holds down.

A MOTHER'S WORK IS PRICELESS

But women who are full-time homemakers shouldn't have to resort to bolstering their morale by figuring out how much money they "earn" a year by totalling up their hours of cooking, washing dishes, ironing clothes, scrubbing floors, etc.

They are doing such a valuable job no price tag can be set on it.

Sure, the work could be hired out. But what can't be hired is a mother's tenderness with a sick child, her willingness to help share a child's or adolescent's problems, her being at home when her children need her. Nor can a price tag be put on all the things a homemaker does to make a house a home, the birthday cakes she bakes, the troubles she smooths out, the happiness she creates for her family.

Any man who puts a dollar and cents value on everything could possibly appreciate a wife fully, for a wife and mother's value to her family and therefore to the world is beyond price.

Here's A Yarn On Washing; It's Feet First For Afghans

By KAY SHERWOOD

VERY much a part of the winter scene is the sewing or knitting basket, with its handwork ready to be picked up as you chat or listen to music.

And whether you knit, crochet or embroider, your hand-made treasures are irreplaceable. They deserve thoughtful care.

After handwork is finished, it will probably need laundering to remove normal handling soil and to even-out any irregularities in stitches or tension.

IF YOU USE handmade pieces, such as an afghan, or display them a good deal, experienced knitters and crocheters tell me they should be washed before

that literature had been sent to veterans' hospitals and schools.

Miss R. Stevenson read an article on the United Nations, telling of the 11th anniversary celebrations in Ottawa and she was requested to read articles regarding the UN at each meeting.

It was decided to hold a food sale at the next meeting.

Articles from the Clip Sheet were read on the topic, "Endeavors and successes of the past," dealing with the early organization and aims of the Union.

The first union of women for community temperance was organized in Owen Sound in 1874 and the second in Picton by Mrs. Letitia Youmans who became first president of the provincial Union in 1877 and field organizer for years after. The first Union in Quebec was formed in 1877 at Stanstead. Some of the constant efforts of the W.C.T.U. have been to secure scientific temperance instruction in schools; to abolish beer selling in grocery stores and to advocate the use of unfermented wine at the Communion Table.

Following the closing of the meeting with the Mizpah benediction, refreshments were served by the hostesses, assisted by Mrs. C. Lefebvre, with Mrs. L. M. Outerbridge pouring tea.

QUEBEC EPSILON CHAPTER BETA SIGMA PHI

The regular monthly meeting of Quebec Epsilon Chapter took place on Monday evening, at the home of Mrs. F. White, Bouchette Street, with the president, Mrs. Mac Bradshaw in the chair.

Following the opening ritual and the reading of reports, it was announced that the annual Beta Sigma Phi fashion show would be presented again this year late in March with clothes to be shown from Miss Miller of Salon Femina and hats from Miss Rousseau. This year the proceeds from the Fashion Show will be given to the Child Welfare Clinic and the School for Retarded Children.

The following committees were approved for the fashion show: Co-ordinating, Mrs. Timmuth, Miss Mildred Pellock; flowers, Mrs. P. Beaudry; decorating, Mrs. G. Spafford, Mrs. Mac Bradshaw, Mrs. Donald MacIver; props, Mrs. R. Blackmore; program, Miss M. Cotton; ticket conveners, Mrs. G. Curphey, Mrs. R. Miess, Mrs. J. G. Lacroix; publicity, Mrs. L. Curtis; ways and means, Mrs. P. Panet-Raymond, Mrs. P. Lagasse, Mrs. F. White, Miss Doreen Wilson, Mrs. W. P. Charlebois; social, Mrs. N. LaBarge, Mrs. L. Sanderson, Mrs. L. Latulippe.

It was announced that the annual meeting of the Child Welfare Clinic would be held at Rockcliffe on February 18.

After adjournment of the business meeting, the program chairman, Mrs. R. Blackmore, introduced the speaker for the evening, Mrs. Timmuth who presented a paper entitled, "How is your Conversation." She was thanked by Mrs. J. G. Lacroix.

The next meeting will take place on February 4 at the MacKinnon Memorial.

Following the closing ritual, refreshments were served by the hostess, Mrs. F. White.

The London Silhouette

Slim, Easy-Fitting, Back To 1900's

LONDON.—(Reuters)—Slim, more easy fitting, especially around waist and hips, slightly longer skirts and a line reminiscent of the early 1900s—that is the 1937 silhouette in the first two collections opened this week by London's Big Twelve dress-makers.

Norman Hartnell, the Queen's dressmaker, launched the series of showings by the exclusive Incorporated Society of London

Sleep Is Essential To Beauty

A beauty who was still lovely at fifty was once asked how she had kept her looks. Her answer was that she spent twelve hours sleeping each night.

Most of us can't sleep that much time away, but there's something in what she says. That is, we spend too little time resting, under the impression that we are using our time importantly.

Actually, we may be wasting it and letting the opportunity for sleep slip by. For, without proper rest there can't be true beauty.

Creams will not give back a glow to a face haggard from lack of sleep any more than vitamins will restore sagging muscles. Sleep and exercise are essential to good looks, and since good habits are as easy to form as bad, there should be a conscious allowance for both in your life.

The way you appear to your family is important. Comfortable as it may seem to go about the house without make-up and with hair in bobby pins, don't give in to the temptation.

If you stop to think about it, you realize that the people who make up your family are the most important people in your life. And later on, your children will have memories, good or bad, of the way their mother looked when they were small.

It's easy to be both comfortable and pretty in this days of casual, smart and inexpensive clothes. So make a habit of presenting a pretty picture to others.

Are you careful to include some milk in your daily diet? Even as an adult, you need it both for health and beauty.

If you can't drink it any other way, take it half-and-half with coffee in a large cup in the morning. Or use it in making puddings and desserts. But see to it that you get it down and that you make a regular habit of it.

Now and again, when you feel the urge for a mid-afternoon snack, make it a milkshake or a malted milk rather than a sundae.

Most of us who dislike milk as adults, dislike it simply because it was forced down us as children. By now we should be able to see what lies behind the attitude and to understand that the reasons for drinking milk are good.

Valentine Tea Planned By Asbestos Group

ASBESTOS.—The regular monthly meeting of the Women's Association of Asbestos United Church was held at the home of Mrs. A. Hodge, Gaspé St. In the absence of the president, the 1st vice-president, Mrs. E. Morrison, conducted the meeting.

Plans were made to hold a Valentine tea and bake sale in the church hall on February 12. Refreshments were served at the close of the meeting by Mrs. Hodge.

Beauty Tips

The average woman, whether mature or teen-age, needs a small amount of rouge, lightly applied, in order to look well. Only movie stars and models can get by with lipstick and powder. And even some of the top models make regular use of rouge.

The famous beauties whom you admire got that way by hard work. Not one of them achieved that flawless look by overeating, slumping and lack of exercise. Keep this in mind when you yearn to be lovely. You can be but it takes hard work, not wishful thinking.

A colorless lip pomade is a good thing to use under your regular lipstick during winter months. Helps to prevent chapping and keep your lips smooth.

Those rough patches on your heels can be cleared up by a soaking in soapy water and the use of pumice stone. They nearly always develop in winter weather and it takes constant effort to keep them away.

Blackheads plague nearly every woman to some degree. But on the market now and available at cosmetics counters are several creams that will not only remove blackheads but help to make the enlarged pores smaller.

Bringing Up Baby

your children's nutritional needs. All five—Rice, Barley, Oatmeal, Wheat and Mixed Cereal are fortified with iron, calcium and B-vitamins for extra nutritive value. Mild, pleasant flavors and a smooth-on-the-tongue texture make them especially palatable for young ones. For small babies, add enough formula or milk to make a soupy consistency. For an older tot, who likes cereal "hot," add hot water, serve topped with milk or cream.

Peace, it's wonderful for baby, especially before and after meal-times. A bit of quiet cuddling or a lot to keep baby relaxed about his meals. Helps digestion and disposition—yours too!

Start to finish. When you start your baby with Gerber Foods, isn't it good to know that you can depend on the same brand throughout babyhood? Gerber has a type and variety of food for every baby need—5 Cereals—over 70 Strained and Junior Foods, including Meats—all prepared with exacting care. Gerber Baby Foods, Niagara Falls, Canada.

Corgi Gets Portrait In Pastels

LONDON.—(CP)—Susan, the Queen's favorite Corgi, is having its portrait painted in pastels.

The artist is Marjorie Porter of Fakenham, Norfolk, who has specialized in crayon drawings of dogs for 30 years.

Susan, aged 12, is the oldest and shortest-tempered of the royal Corgis.

Miss Porter says she expects to make about four trips to the royal residence at Sandringham to complete the study.

Clubwoman's Shepherd's Pie

Ingredients: 1 lb. ground shoulder beef or hamburger, ¾ teaspoon salt, ¼ teaspoon pepper, 2 tablespoons fat, 4 tablespoons chopped onion, 1 tablespoon flour, 3 tablespoons dry instant powdered skim milk, 1 cup hot potato water.

3 cups cooked mashed potatoes (about 6 medium), 1 tablespoon butter or margarine, ¼ teaspoon salt, ¼ teaspoon pepper, ½ cup dry instant powdered skim milk, ¼ cup potato water, 1 can undiluted mushroom soup, 1 cup buttered cornflakes or 1 small package potato chips.

METHOD: Fry onions gently in 1 tablespoon fat until soft. Add meat and cook, stirring with a fork, until brown and crumbly. Sprinkle with salt and pepper and mix. Turn into casserole.

Make fat in pan up to 2 tablespoons and stir in the flour and 3 tablespoons of dry instant powdered skim milk and stir until golden, then stir in the 1 cup potato water until thick. Add this gravy to the meat and stir in. Spread mushroom soup on top of meat and gravy.

Cook potatoes until tender, reserving the potato water. Mash, rice or whip potatoes until light and fluffy, adding butter, salt and pepper, dry instant powdered skim milk, and ¼ cup potato water. Mix and beat. Drop by spoonfuls on the layer of mushroom soup. Spread out roughly with a fork. Sprinkle top with buttered cornflakes or slightly crushed potato chips. Bake at 400 deg. F. for about 20 to 25 minutes.

NOTE: This may be made in advance and refrigerated. If it is taken directly from the refrigerator and put in oven, it requires at least 30 minutes at 400 deg. F.

OBITUARIES

HAROLD A. SMITH, OF WINDSOR, VT.

Formerly of Danville, Que. WINDSOR, Vt. — Harold A. Smith, aged 55, died suddenly at his home here from a heart attack.

Mr. Smith was born April 18, 1901, at Danville, Que., the son of George and Jennie (Hudson) Smith. He attended schools at Danville and came to Windsor in 1921. For the past 22 years he has been employed by the Cone Automatic Machine Co. here.

He was a past exalted ruler of the Windsor Elks, a past master of the Vermont Lodge 18, A.F. & A.M., and a member of two other Windsor Masonic bodies, Chapter 6, R.A.M., and council 8, R. and S.M., also a past patron of Ascutey Chapter 2, O.E.S.

Surviving are his wife, the former Florence Kavanaugh, whom he married in Windsor, August 16, 1923; two sons, Ronald, in the Navy, and Raymond of Windsor; and four daughters, Mrs. Norman Bridge of Delray Beach, Fla., Mrs. John Daig-neault of Windsor, Mrs. William Abbott of Claremont, N. H., and Mrs. Lawrence Gates of East Wallingford, Conn.

He also leaves three sisters, Mrs. William Greer of Danville, Mrs. Arthur Paige of Richmond, Que., and Mrs. William Vrba of Windsor and five brothers, Silas G. of Richmond, Roy M. of Danville, Ernest A. of Edmonton, Alta., William S. of Stanstead, Que., and Foster A. of Ottawa.

Funeral services were held at the Rachel Harlow Methodist Church, with Rev. Emil Beck officiating. The body was entombed at Ascutey Cemetery until spring.

LEROY HAYES, OF WATERLOO.

WATERLOO — Leroy Hayes, of Waterloo, died at the age of 73, at the home of his daughter, Mrs. Albert Chevrier, after a prolonged illness.

Mr. Hayes was born in West Shefford and was married to Miss Laura King, who predeceased him several years ago.

He is survived by three sons, Messrs. Dudley Hayes, of Cowansville; Earl Hayes, of Waterloo and Fred Hayes, of Goose Bay Labrador, two daughters, Mrs. Albert Chevrier and Mrs. Harold Roach, of Waterloo, and several grandchildren.

Mr. Hayes was a loyal employee of Slack Bros., Ltd. for 33 years before his retirement 3 years ago.

Funeral services were held at the Waterloo Funeral Home, Monday, January 14th. Burial took place in the family plot in West Shefford with the Rev. Archdeacon I. M. Lidstone officiating.

The bearers were Windsor: Holloway, Ronald Basinet, Raymond Stretch, Joseph Bearegard and Harold Seguin; all employees of Slack Bros. Ltd.

The many floral pieces paid silent tribute to a good father, friend and neighbor.

Among the relatives attending the funeral were Mrs. Marion St. gleton and son, Stanley, of Sherbrooke, Mr. and Mrs. Gilbert King, of Montreal, and Mrs. Charlotte Kendall, of Montreal.

Slack Bros., were represented by Irving Slack and Robert Flood; Croname, Ltd., by Tex. Grayton, Frank Mikinson and Kenneth Henderson. Mack Moulding, Ltd., by William Graves and Bert Fisher. Many friends and neighbors also attended.

GEORGE A. GILBERT, OF PORTLAND, MAINE. Formerly of Dudswell, Que. PORTLAND, Maine — Funeral services were held at the funeral home, 749 Congress St., Portland, Maine, on December 10, 1956, for George A. Gilbert, who passed away at the Maine Medical Center on December 6th, following an operation.

Mr. Gilbert, who was a retired railroad man, had been employed by the Maine Central Railroad, serving for many years in the Mountain Division and the Rockland branch as a trainman and brakeman. Later, following an accident, he served as a crossing tender.

Born in Dudswell, Que., on March 20, 1878, Mr. Gilbert was the son of Horace Gilbert and his wife, Elizabeth Joyce. He attended the Second Parish Presbyterian Church in Portland, and was a member of the I.O.O.F., having only recently received his 50 year jewel from his home lodge at Bishopton, Que.

Left to mourn his loss are a sister, Mrs. Willis Coates, of Bury, Que.; two nieces, Mrs. Hiram Downes and Mrs. Roy Harrison, of Bishopton; four nephews, Milton, Wilfred George and Basil Coates of Bury.

Funeral services were conducted by Rev. Calvin Busch. Interment took place in Brooklawn Memorial Park at Portland.

N. D. TODD, OF ISLAND BROOK. ISLAND BROOK — The death occurred at his home on Friday morning, January 11, 1957, of one of the oldest residents of the community in the person of Nahum Day Todd in 86th year.

In spite of his advanced years, he had been quite active and had been confined to bed only a week.

Born near Sand Hill on November 1, 1871, Mr. Todd was the eighth in the family of 10 children of Ralph Todd and his wife, Rosetta Ann Lyon, both

families being prominent in the early days of Compton County.

At an early age he moved to Island Brook with his parents and had resided on the same farm for 81 years. This being the old homestead, it has been the scene of many gatherings of family and friends and throughout the years hospitality has been synonymous with the Todd home.

In 1907 Mr. Todd was united in marriage to Mary Ann McKee, who survives him. Of this union three children were born, Phyllis, Mrs. Charles Greenlay of Asbestos, Oliver of Birchton and Herbert on the home farm. Mr. Todd, who had a very keen mind and

was well-informed on current events, had been a great reader all his life.

Surviving him, besides his wife, daughter and two sons, are a son-in-law, Charles Greenlay, a daughter-in-law, Mrs. Oliver Todd; three grandchildren, Deborah and Catherine Todd and Terry Greenlay; a brother, A. N. Todd of Birchton, and several nieces and nephews.

The funeral was held on Sunday, January 13, at the Bury Funeral Home. Rev. Ernest Breen officiated and spoke words of comfort to the bereaved. The hymns, "The Lord Is My Shepherd" and "Rock of Ages," were sung by the Bury choir.

Bearers were, H. V. Burns, Kenneth Morrow, Henry Shaw, Delmer Hammond, Garfield Spaulding and Thomas Burns. Interment was in the Island Brook Cemetery.

Relatives and friends were present from Asbestos, Birchton, Lennoxville, Sawyerville and Bulwer.

Melbourne Group Entertained By Mrs. W. J. Reed

MELBOURNE — Mrs. W. J. Reed entertained the Melbourne Group of the Richmond and Melbourne United Church Woman's Association at her home for the first meeting of the year.

In spite of the very cold weather, there was a good attendance of members. Mrs. M. Hughes, presided and the meeting was opened by repeating the Group Prayer. The minutes were read by the secretary, Mrs. G. W. Ewing and the financial report was given by the treasurer, Mrs. L. M. Fee.

It was decided to cater for the W.I. County luncheon meeting in May. Mrs. F. A. Lemoine of the nominating committee reported that Mrs. William Reed would be the new president and Mrs. C. Coote, vice-president; Mrs. G. W. Ewing, secretary and Mrs. L. M. Fee, treasurer, re-elected.

Mrs. C. Spence voiced the appreciation of the Group members for the leadership Mrs. M. Hughes had given. Following adjournment, a social half hour ensued when refreshments were served by the hostesses, Mrs. Reed, Mrs. Marcotte and Mrs. Vigneault.

General Notes
Little Miss Susan Armatage and Master Jimmie Armatage are spending two weeks with Mrs. J. W. Gillin, at "Gilhaven."

Mrs. W. L. Gee is the guest of Mr. and Mrs. Rovee Griffith and baby son, Courclette St., Sherbrooke.

Mr. G. W. Ewing and Mr. Bruce Moffat have returned from Toronto, where they attended the Furniture Show at the Exhibition Arena.

Mrs. D. W. Frank is visiting in Ormstown with her sister, Mrs. Murray Stalker and Dr. Stalker. Mrs. Frank accompanied her daughter, Mrs. B. W. Armatage to Ormstown, where Mrs. Armatage recently underwent surgery.

Birchton Club Entertained By Mrs. S. J. Taylor

BIRCHTON — The regular January meeting of the Helping Hand Club was held at the home of Mrs. S. J. Taylor.

Devotional service with the topic, "Repentance," was taken by Mrs. Howard Picard, who also acted as secretary in the absence of Mrs. Latewood.

Correspondence included a "Thank You" note from a resident who had been hospitalized, and the treasurer's report showed finances in a healthy condition after the year's work.

Mrs. O. F. Bailey was appointed to fill the vacancy on the parsonage committee, Mrs. Stanley Taylor having been previously appointed. Several committees were appointed to carry on the routine work of the organization.

A poem "What is Success?" was contributed by Mrs. Arthur Rogers, and "Don't find fault with the Man who limps" by Mrs. Plowright.

Rev. J. A. H. Plowright then conducted the installation of officers.

The February meeting will be held at the home of Mrs. Orrin F. Bailey. After the meeting, refreshments were served by the hostess.

CHURCH MEETING

The annual congregational meeting of the Birchton United Church was held on Sunday morning after the regular service, and was conducted by Rev. J. A. H. Plowright, with Mr. W. S. Laberee as secretary.

The Trustee Board and the Committee of Stewards were re-elected. Mrs. O. A. Desgruesseaux and Mr. Arthur Rogers were appointed congregational representatives.

General Notes

Recent guests of Mr. and Mrs. Percy Jackson included Mr. and Mrs. Roland Lowry, of High Forest; Mr. and Mrs. Wilfred Lowd, of South Waymouth, Mass.; Mr. and Mrs. Richard Tracey, of Lennoxville; Miss June Fraser, of Cookshire and Mr. John Fraser, of St. Lambert.

Mrs. M. MacLeod, of Bury, is spending several days with her daughter and son-in-law, Mr. and Mrs. Neil Taylor.

Miss Elizabeth MacKinnon, of Quebec City, who was called home by the death of her grandfather, Mr. Murdo MacLennan of Scotstown, has returned to her teaching duties.

Visitors at the MacKinnon home included Mr. and Mrs. James Kinney and daughters, Judy and Linda, of Worcester, Mass.; Mrs. J. Macdonald, of East Angus; Mr. and Mrs. John MacKinnon, of Barnston, and Mr. Donald MacLennan, of Scotstown. Mrs. Kinney remained for a longer visit.

Friends of Mrs. Louisa Beaton are happy to see her about again after being confined to the house for several weeks through illness.

Mr. H. A. Smith has been on the sick list for three weeks.

BEDFORD

A rink composed of Mrs. Russell Blinco, Mrs. J. O. Levesque, Mrs. A. Alexander and Mrs. B. Taylor, from the Bedford Curling Club played in the friendly bonspiel at the St. Johns Curling Club.

Miss Doreen Bordo, of Montreal, spent the weekend with her parents, Mr. and Mrs. Orion Bordo.

The weekly meeting of the St. James Church Bridge Club was held at the home of Mrs. F. E. Draper, when the prize for the highest score went to Mrs. Wilbur Borden. The next meeting will be at the home of Mrs. Ralph Van Horn.

The annual vestry meeting of St. James Church will be held on Monday evening, January 28th in the church hall, opening with a congregational supper given by the men of the parish at six thirty o'clock.

Mr. Ross Preston, of Montreal, spent the weekend with Mr. and Mrs. Ross Preston.

Mrs. Karl Westcott, of Stanbridge East, was organist on Sunday at St. James Church, in the absence of the organist, Mrs. Harry Jones.

The Bridge Club met at the home of Mrs. Robert Orr, when the prize was won by Mrs. R. W. Craighhead. The next meeting will be held at the home of Mrs. T. G. Shephard.

Mrs. Joyce Tune, of Greenfield Park, spent the weekend with her parents, Mr. and Mrs. Charles Corey.

Mr. Athelme Falcon, of L'Assomption, has returned to his home after visiting his mother, Mrs. Zephir Falcon.

Mr. and Mrs. R. Rheume and daughter Diane and Mr. and Mrs. Frank Savary, all of Montreal, were recent guests of Mr. and Mrs. Paul Charron.

Miss Beverly Wightman, of Montreal, was a weekend guest of her parents, Mr. and Mrs. W. R. Wightman.

Mr. Roland Coupal, who has been a patient in St. Joseph's Hospital, Granby, where he underwent surgery has returned to Bedford. Mrs. Coupal remained in Granby during Mr. Coupal's stay in hospital.

Miss Isabel Marshall of Montreal spent the weekend at her home here.

Girl Guide News
STANSTEAD

The Guiders of the Stanstead Division of Canadian Girl Guides Association met at the Rectory of Christ Church Stanstead. Under the leadership of Mrs. A. H. Stoddard, Divisional Commissioner, plans were discussed for the Patrol Leader's Training Course to be held on February 2nd, at the Stanstead South United Church Hall. Mrs. K. Spafford, of Waterville, will be in charge of this assisted by other Guiders.

Arrangements and program for the Division Party to take place at Sunnyside School Saturday February 23rd, were thoroughly discussed. This party is attended by all Guides and Brownies from Coaticook, North Hatley, Waterville, Stanstead and Rock Island and an invitation is to be extended to the Girl Scouts and Brownies of Derby Line. Each girl will be asked to bring 5c to be equally divided between the World Friendship Fund and the S. P. C. A.

Special attention was drawn to

the Baden-Powell Tribute and every Company or Pack requested to participate, this being the Centennial Year of the Founder.

Each year on Thinking Day, Girl Guides and Girl Scouts throughout the world give special emphasis to International Friendship. Thinking Day is celebrated on February 22nd, the joint birthdays of the Founder, Lord Baden-Powell, of Gilwell, and Lady Baden-Powell, World Chief Guide. All Leaders were asked to prepare special programs for this day and if possible a Church Parade the following Sunday.

Girl Guide Cookie Day was planned to take place during the first week in October.

The meeting closed with a lunch served by the Stanstead Guiders.

Mrs. T. E. R. Nurse Re-elected Head Of St. Paul's Guild At Knowlton

Knowlton — The annual meeting of the Parochial Guild of St. Paul's Church at the home of Mrs. C. A. Kirkegaard, was opened with prayer by Rural Dean, Rev. T. E. R. Nurse. The president, Mrs. T. E. R. Nurse occupied the chair. The minutes of the last two meetings were read by the secretary, Mrs. F. M. Bowen. The treasurer, Mrs. H. N. Whitman gave the financial statement showing a balance of \$536.

The president, in her yearly report, said that the harmonious and co-operative work done in the Guild was most valuable to the Parish. She said it was a joy to work together and a pleasure to hear such splendid reports as would be read during the afternoon.

The secretary read the correspondence which included many thank-you notes for flowers and plants received at Christmas as well as a note of thanks for sympathy recently received.

The secretary's annual report showed that the members had been very active during the past year. There was a membership of 26 paid members. Fourteen regular meetings and six special meetings had been held. Eighteen lots of flowers had been purchased and 36 letters and cards sent out. Mrs. Bowen reported that one member had passed on to higher service in the person of Mrs. A. Wrasage.

Fifty dollars had been voted the Endowment Fund of the Church; \$25 to Hungarian Relief; \$10 to the Verdun Protestant Hospital. Many repairs had been made to the Rectory.

Mrs. H. N. Whitman gave the treasurer's report which showed that \$854 had been taken in during the past year, with disbursements amounting to \$317.

Rev. Mr. Nurse then took the chair for the election of officers and thanked the members and officers of the Guild on behalf of himself and his wardens for the keen support and extended best wishes for a successful year.

The work convener, Miss Dora Barton, reported that \$36 had been spent by her committee and over \$200 had been realized from the sale of articles made. The wool convener, Mrs. Thomas Boyd stated that \$30 had been spent by that committee and that \$86.46 had been received from the sale of knitted articles. The Dolls Table report was given by Mrs. Nurse showing that \$63.63 had been turned in.

The nominating committee, Mrs. S. C. Robson and Miss Josie Godue, submitted the following report which was accepted: President, Mrs. T. E. R. Nurse; 1st vice-president, Mrs. Thomas Boyd; 2nd vice-president, Mrs. S. C. Robson; secretary, Mrs. F. M. Bowen; treasurer, Mrs. H. N. Whitman. The president took the chair and appointed the following committees: Work, plain Miss Dora Barton, Mrs. J. W. Hislop and Mrs. C. A. Kirkegaard; work, fancy Mrs. S. C. Robson and Mrs. H. N. Whitman; wool, Mrs. Thomas Boyd, convener, Mrs. A. T. Woodley, Mrs. O. C. Weary; dolls table, Mrs. C. A. Turner, Mrs. T. E. R. Nurse; food table, Mrs. Gertrude Partridge.

Mrs. William Godue was elected Honorary President and Miss Helen Brown, Honorary Vice-President.

Plans were made for the parish supper taking place on Monday evening, January 28th, and food was solicited for same. The evening branch of the Guild have kindly offered to serve the supper.

The next meeting has been arranged to take place at the home of Miss Dorothy Bancroft.

At the conclusion of a very busy afternoon, the hostess served refreshments, with Mrs. S. C. Robson, pouring tea.

COLFAX LODGE
Colfax Rebekah Lodge No. 29 met in regular session with the Noble Grand, Sister Muriel McInnis presiding.

The minutes were read by the

secretary, Sister Pearle L. Windle, who also read the correspondence.

The financial secretary, Sister Gladys Thompson gave the financial statement including the results of the Military Whist party. All outstanding bills were moved paid.

Routine business matters were attended to after which Lodge was brought to a close in ritual form and refreshments served.

General Notes

Mrs. Gertrude Partridge entertained at a delightful card party at her home when Canasta was played at two tables and Samba at one. Prizes at Canasta went to Mrs. F. M. Farm Forum Activities

HIGH AND LOW FOREST

The Forum met with Mrs. Pearl Lowry and Mr. Harold Lowry with 33 present. The broadcast on "Is Parity Income Enough" was listened to and discussed.

Parity income is not enough but if we had parity incomes other benefits would follow. Some problems mentioned were equal duty on goods coming and going from our country.

Compensation for farmers and farm help in case of accidents and a hospitalization plan. Other benefits were a retirement plan for old age and farm credit. If there was equality between farming and industry, farmers could enjoy more benefits, farmers are going to have to work towards this end.

Cards, scrabble and music were enjoyed. The next meeting will be at the home of Mr. and Mrs. Wendel Ward on January 28th. Lunch was served by several of the ladies.

COOKSHIRE

The most important question in agriculture at the present time, in the opinion of the Cookshire Farm Forum, is the struggle for Parity of Income. This was the conclusion reached at the meeting held at the home of Mr. and Mrs. O. C. Farnsworth.

With a pleasant change from the severe weather of the previous week, there was a good attendance, including some very welcome visitors.

The meeting began with the National Radio Broadcast, with the third discussion on the general subject of parity income for agriculture, the special aspect being, "Is parity income enough?" This was well dealt with by the radio panel, and found very interesting.

Three groups then discussed in detail the questions propounded in the Farm Forum Guide, and then correlated their findings in full meeting.

The first question, whether parity income was considered the most important problem of agriculture, received a unanimous "Yes."

The second question asked what are the other important problems, and this brought many replies. It was felt that there should be more teaching of agriculture in schools serving rural communities; when the matter of expense and obtaining specialists to handle the subject was raised, it was suggested that the schools of a county or district might amalgamate for this purpose, as is done with school nurses and other special needs.

Lack of security for the farmer and other living off the land loomed large; where other occupations had the protection of unemployment insurance, retirement pensions, hospital insurance, and many other advantages, these were largely lacking for the farmer, his family, and his hired help.

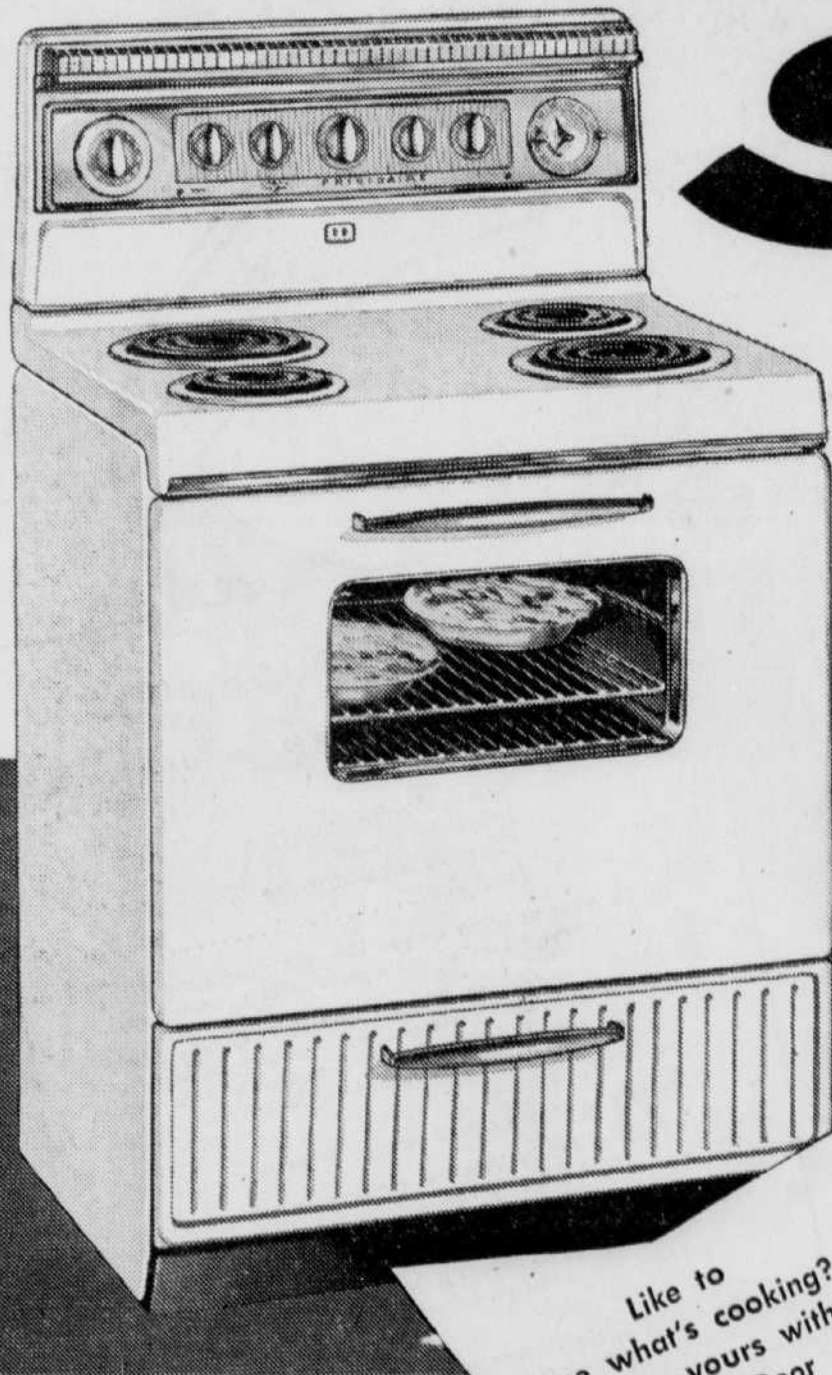

It was felt also that credit facilities for farmers are not always sufficient to meet his needs.

Life Membership To Mrs. E. Fisher At Bury Meeting

BURY — The January meeting of the Women's Auxiliary was held at the home of Mrs. Thomas Bown.

Two Gazettes were ordered for the use of the branch.

Rev. G. Norris, who will be showing slides on the Study Book, was instructed to order all supplies necessary for this purpose.

The highlight of the meeting was a presentation of a Life Membership in the St. Paul's Branch of the Woman's Auxiliary to Mrs. Eric Fisher. Mr. Norris read the citation and in presenting the certificate and gold badge, complimented Mrs. Fisher on her loyal work in all branches of the church. Mrs. Fisher thanked the members for this great honor and Mr. Norris for his kind words.

The next meeting will be with Mrs. E. Fisher, and will start at 2.30 p.m. sharp, as will all future meetings.

The members enjoyed a social hour when Mrs. Bown served refreshments.

Windsor Paper Makers Here Tonight; Magog Aces Travel To Richmond

Leaping Lou Fontinato Tallies In Closing Minutes To Give Rangers 4-4 Tie With Leafs In Close Duel

It's been the fashion in the National Hockey League this season to change defencemen into forwards and vice versa, and if Lou Fontinato doesn't watch himself he too may find himself up with the attackers.

Leaping Lou probably doesn't have much to worry about, but New York Rangers, even on coach Phil Watson's admission, are getting a bit desperate and things may even come to that.

Fontinato hasn't done anything yet to make Jean Beliveau and Gordie Howe look to their laurels but Wednesday night he scored a goal, the all-important one that gave Rangers a 4-4 tie with the Maple Leafs in Toronto.

True, it was only his third of the season, but that equalled his entire production last year. Probably none of the 12,646 fans were more surprised than Lou himself when he scored it.

There he was at the 15-minute mark of the third period, skating furiously up the ice, only Marc Reame and Al MacNeil between him and the Leaf goal.

With the insouciance of a Maurice Richard, Fontinato pushed the puck through and split the defence, fell ignominiously as he neared the goal, but flipped the puck over goaltender Ed Chadwick.

The scoring star as the Rangers stayed in fifth spot, five points back of Leafs, was left winger Andy Bathgate, who scored twice and assisted on a third goal.

Parker MacDonald banged in the fourth Ranger goal, George Armstrong, Reame, Bob Pulford and Ron Stewart tallied for Leafs.

Leafs took the lead three times in the game and outshot Rangers 35-28, but were sunk by their frequent defensive lapses, as on Fontinato's goal.

In Boston Wednesday, goalie Don Simmons had his first work-out with Bruins since being purchased from Springfield Indians of the American Hockey League.

He pleased manager Lynn Patrick and coach Milt Schmidt. Tonight Detroit Red Wings are host to Chicago Black Hawks and a win will give them a tie for first place with Montreal Canadiens.

SIGHT-SEEING—As thousands stood thrilled, Eino Kirjonen of Finland soared through the air against a magnificent backdrop of Alpine peaks and with a full view of Innsbruck, Austria, in the International Ski Jumping Championship. Europe's top jumpers competed.

Rookie Simmons To Make Debut Against Rangers

BOSTON (AP) — Goalie Don Simmons donned a Boston uniform Wednesday for the first time and worked out with the Bruins in preparation for his National Hockey League debut against New York Rangers Saturday.

Coach Bedard Signs Real Rousseau; Flyers Journey To Waterloo; Close Race As Teams Battle To Break Ties

Coach Bob Bedard of the Sherbrooke Beavers added one more player to his list last night when he signed young Real Rousseau in preparation for their battle this evening with the Windsor Paper Makers at the Arena. Two other games are on tap with the Magog Aces travelling to Richmond and Brompton-East Angus going to Waterloo.

Second position in the O'Donnell circuit will be at stake as Magog and Windsor are deadlocked for the spot. Both teams will be out to try and post victories in order to remain on the heels of the Beavers and the Maroons.

The Beavers and the Maroons are also stalemated for fifth spot in the standing and they will be out to try and upset the favorites. The Braves will be playing under their new coach, Real Pelouquin, and it will be his first home performance since taking over as pilot of the squad.

In signing Rousseau Coach Bedard has added a good scorer as the young player has been performing in the Commercial Hockey League and following the weekend was the top scorer in the loop.

Rousseau is only 18 years old, stands 5'7" and tips the scales at 145 pounds but despite this he is a very shifty player. He worked out last night with the Beavers and Coach Bedard was very well satisfied with his work.

It was his second season in the Commercial as last year he was with the Coeur Immacule de Marie and this season he was with the Sherbrooke Beaudry Lumber club. He will team up with Claude Gagnon and Pierre Langlois to replace George Donahue who has been released by Coach Bedard.

Coach Bedard is also after a new goalie in Marcel Laliberte, a former member of the Sherbrooke club. This season he has been playing in the Commercial with Assomption and is rated as one of the top netminders in the

Guy Monfette loop. Laliberte, last year, helped his team to win the league championship. In the playoffs he was outstanding and played a big part in his team's march to the crown. Coach Bedard, if he signs him, will alternate him in the nets with Guy Courchesne.

Canada's Lead In Strathcona Cup Boosted Again

TORONTO. (CP) — Toronto rinks won three and tied one of five Strathcona Cup matches against touring Scottish rinks at Toronto's Granite Club Wednesday. Aggregate score was 58-45 for the local rinks, boosting Canada's lead over the Scottish representatives to 89-60.

The Stan Sarjeant rink scored the most convincing victory of the day, downing the rink skiped by Alex Mayers, 16-7. Only Scot to win was William Wilson, defeating A. J. Parkhill's four-11-10.

The Scottish rink skipped by William Mitchell and Bert Kennedy's Toronto four curled to a 10-10 tie. Other Canadian victories were: Stewart Graham over William Piper 12-11; and Andy Grant over James McWhirter 10-6.

Twelve skiers took the special instructors course held at Hillcrest Ski Club and qualified for various badges. The course was held under the sponsorship of the Canadian Ski Alliance and was given by Roland Bellehumeur, chief instructor.

The Lessard brothers, Rudolphe, Jean and Roland, Michel LeProhon and Robert Thierien, all of Hillcrest, were awarded the Finalists Badges while Jules Grenier and Gerard Tessier of the Mt. Orford Ski Club earned Distinction Badges.

Transportation to Hillcrest is free and special buses will leave the Market, Portland Square and Dufresne Park at 11:30 returning at 4:30 in the afternoon. On arrival at Hillcrest classification will take place and explanation of the courses will be given. A light lunch will be served prior to the afternoon's activities.

Parents are asked to check the children's equipment and make sure they have the proper attachments. This will help to eliminate accidents. They should try on their skis in order to see that they fit properly.

The Hillcrest Ski Club is not responsible for any accidents but the Ski Patrol and members of St. John Ambulance will be on hand in case any should happen. Last season only two minor accidents occurred and Hillcrest Ski Club is going to try and make it a perfect day.

Registration will be picked up at the various schools by members of the club. It is open to children between the ages of 6-14 years. Prizes for the event are being donated by merchants of Sherbrooke while the City Council has given a special grant for the occasion.

The main idea of the course is to help and develop instructors to teach beginners the proper method of skiing. In this manner it will help to reduce the number of accidents. All beginners should start learning the proper way at the start and thus avoid a lot of headaches later.

On Saturday, Jan. 26, the Hillcrest Ski Club will sponsor Children's Ski Day at Hillcrest. This event is open to all children attending schools in the City.

Parents are asked to check the children's equipment and make sure they have the proper attachments. This will help to eliminate accidents. They should try on their skis in order to see that they fit properly.

Favored Campbells Of Avonlea, Sask., Eliminated From Royal Montreal 'Spiel By Bob Munro Of Host Club

MONTREAL. (AP) — The curling Campbells of Avonlea, Sask., dropped Wednesday night from the main event of Royal Montreal Curling Club's 150th anniversary bonspiel in a ding-dong battle won 12-11 by a host club entry on last rock.

Favored for the Duke of Edinburgh badges, Skip Garnet Campbell yielded to Bob Munro of Royal Montreal who counted two on the 12th and last end by making good a draw shot.

Manitoba, New Brunswick and Northern Ontario also entered the semi-finals while Scotland, Quebec and a second Royal Montreal rink faltered.

In another thriller, Gord Malcolm of Saint John, New Brunswick skip, had to make his last rock good, breaking a 6-6 tie with Quebec's Olivier Samson. He won 8-6. The clubs had been tied 4-4 for seven ends.

Northern Ontario, skipped by Jimmy Guy of Kenora, gradually whittled away an early lead held by Hall Fellows of Royal Montreal and eased into a 12-10 victory.

The all-Winnipeg entry representing Manitoba, with veteran Leo Johnson skipping, defeated a Scottish rink 13-7.

Today, Manitoba and Northern Ontario tangle in one bracket of the semi-finals and New Brunswick and Royal Montreal in the other.

In the first round of the consolation matches in the main event, Prince Edward Island, Newfoundland, the Grand National Curling Club of America and the Midwest Curling Club of the U.S. all suffered their second defeats in as many games.

Jimmy Wolfe of Edmonton, Alberta skip, bested Mr. Chief Justice Thane Campbell of P. E. I. 16-5 and R. H. Jones of Truro led Nova Scotia in a 15-4 walloping of Claude Hall, Newfoundland skip from St. John's.

Meanwhile play continued today in the batch of friendly matches being played among United States, Montreal and other Canadian rinks representing 100-year-old-or-more or various Canadian curling associations. Each of the 100-plus rinks plays three games.

The score in the Ingram Cup affair stands 3-1 for Lennoxville while the Sherbrooke juniors lead their series by the same score 3-1. The next match is slated for Tuesday February 5.

Ladies Sherbrooke Curling Club And Lennoxville Split Weekly Event

The second round of the Ingram Cup and the Jean Paul Ferrault trophy between the Ladies Sherbrooke Curling Club and the Lennoxville Ladies Curling Club was held.

The two-game match in the Ingram Cup, which is played for by the seniors, was won by Lennoxville while the junior event was copped by the Sherbrooke Club.

Mrs. Burton of Lennoxville posted a 12-10 verdict over Mrs. B. N. Holtham's rink and Mrs. Moore won over Mrs. F. Sangster 7-5. In the juniors Mrs. H. Vine downed Mrs. Baker 13-9 and Mrs. W. Elliott posted a 13-4 victory over Mrs. H. Peterson's foursome.

Habs To Bring Up Allan Johnson From Cincinnati

MONTREAL. (AP) — Montreal Canadiens announced Wednesday they are bringing up on the three-game, lend-lease amateur basis 21-year-old Allan Johnson from Cincinnati Mohawks of the International Hockey League.

Johnson, a Winnipeg boy, is a rightwinger who has scored 23 goals and 21 assists in 39 games this season with the Mohawks.

He is third, behind two teammates, in the league standing. Johnson has been called up as a replacement, at least temporarily, for Bernie Boom Boom Geoffrion, who will undergo an operation for an infection and may be lost to the National Hockey League Canadiens for three or four weeks.

The newcomer played intermediate hockey last season in Manitoba. He previously played junior hockey in Trois-Rivieres, Que., and St. Boniface, Man.

Field Of 13 Four-Olds Shapes Up For Saturday's \$172,230 Santa Anita Maturity Stakes At Arcadia

ARCADIA, Calif. (AP) — Thirteen starters probably will face the barrier Saturday as Santa Anita holds its 10th running of the Maturity Stakes for a purse of \$172,230.

The weatherman indicates rain is likely, and if so, it will be the third time in the last four years that the maturity has been run in off going.

Racing secretary Jimmy Kilroe says King Ranch's Beam Rider would move up in the mud. Beam Rider flew in last week from winter quarters in Columbia, S.C. He worked a mile between races Wednesday in 1:38 4/5, and Ralph Neves had him in restraint after the first quarter. He will go coupled with Better Weapon for King Ranch

White Sox Haven't Swung A Deal, Aside From The One They Made Replacing Marty Marion With Lopez

DETROIT. (AP) — Followers of the also-rans in the American League race, weeping over the failure of their clubs to halt the New York Yankees tide, might be excused for blurring petulantly "Don't just stand there; do something."

The cold fact is that with the Yankees finishing nine games ahead of the second-place Cleveland Indians last year, 12 ahead of Chicago, 13 ahead of Boston and 15 in front of Detroit, only Detroit has been doing much of anything to remedy the situation.

The Indians' biggest transaction was replacing manager Al Lopez with Kerby Farrell. Other, wise, aside from bringing up rookies for a look-see, Cleveland's activities have been nil, and it continues to ache for a power hitter.

The Red Sox need help at shortstop and third base, and the talk of deals has been just talk to date.

They have the Mickey Mantle-Yogi Berra punch to start off with, and are solid at every position. They also have rookies of recognized ability coming up.

The Yankee pitching seemed to come of age in the world series. In fact, about the only chance the other clubs would seem to have would be if the Yankees heeded their advice: "Don't just do something; stand there."

Another horse whose chances figure to improve with more rain is C. V. Whitney's Born Mighty, who has outworked all his maturity rivals. His stablemate, Head Man, is rated as the better horse, but trainer Syl Veitch thinks Born Mighty is about up to his best race after his 2:04 3/5 workout for the Maturity distance.

The 1:36 1/5 mile workout of More Glory has the railbirds talking too, and trainer Bill Moon thinks his horse is all set.

St. Pat's Drop 3-1 Verdict To SHS Squad

THE UNDEFEATED S.H.S. Midgets overpowered St. Pat's 3-1 for their third consecutive win in a game played at the Sherbrooke Arena Tuesday.

The game got off to a fast start with S. Gregoire picking up St. Pat's first and only goal in two minutes after the beginning of the game's beginning. S.H.S. fought back hard. Two minutes later G. Richards scored for Sherbrooke assisted by R. Kirby. Six minutes later T. Beaulieu scored an unassisted goal for Sherbrooke.

High Gary Richards, on a break away scored S.H.S.'s third and final goal at the twelve minute mark. Seconds before the first period ended, M. Allatt of S.H.S. received a tripping penalty.

During the second period both teams tried desperately to score but without success. The third and final quarter saw the teams making super plays but the fine goaling of R. Bean for St. Pat's and E. Anderson of S.H.S. prevented any further scoring. The period ended with L. Gregoire of St. Pat's receiving a boarding penalty. The game ended 3 to 1 in favor of Sherbrooke.

S.H.S. Midgets — Anderson, Kirby, Beaulieu, Robinson, Kouri, Richards, Batrie, Allatt, Quinn, Mawhood, McElrea, Fortier, Stronach, McNeil.

St. Pat's Midgets — Bean, Gardiner, Cote, L. Gregoire, Cahill, Parker, S. Gregoire, Early, Nadeau, Saulnier, Bryson, Maddiss, MacEarchern, Wilson.

SHS Juniors Down LHS In Cage Fixture

Sherbrooke High School Juniors edged Lennoxville High School Junior Girls 46-36 in a St. Francis Valley Interscholastic Basketball League fixture played in the local gymnasium.

The first quarter opened with L. Katadotis sinking a free shot for the L.H.S. squad, but soon the Sherbrooke team got rolling and at the end of the quarter were leading by a score of 12-5.

M. MacLeod of S.H.S. sank the first basket of the second quarter and the Maroon and Whites led their opponents 22-15 by half-time.

During the third quarter S.H.S. maintained the lead and scored 14 points to the opponents 8, for a tally of 36-23. In the fourth quarter L.H.S. attempted in vain to overcome the alert Sherbrooke squad but the game ended with S.H.S. victorious, with a score of 46-36.

Starring in the defense sections were Anto and Elkas for S.H.S. with Fraser and Bowers for Lennoxville. High scores for S.H.S. were J. Turgeon, bucking 15 points and M. MacLeod with 14. L. Katadotis and J. Woodward shone for L.H.S. with 14 and twelve points respectively.

Sherbrooke — J. Turgeon 15, M. MacLeod 14, M. Flemming 10, N. Smith 6, D. Rich 1, A. Atto, R. Carleton, M. Elkas, C. Anto, J. Arnold, A. Ilves, R. Innes, M. Echenberg. — Total 46.

Lennoxville — L. Katadotis 14, J. Woodward 12, D. Belland 4, A. Bowers 4, N. Knapp 2, M. Maurice, C. Carr, S. Lessard, S. Cleveland, J. Fraser, R. Crosby. — Total 36.

Special Rates Prevail For Canadian Skiers

An open invitation is being extended to all Canadian skiers to participate in the Canadian Skiers Week which will run from Jan. 28th to Feb. 2. This week is being sponsored by Ski Burke Mt., Inc., as part of their first anniversary program intended to make it possible for Canadian skiers to become acquainted with the Burke Mt. Ski Area, one of Northern Vermont's major skiing developments.

An interesting financial feature of this celebration lies in the fact that all Canadian skiers will be able to enjoy the facilities for only half of the regular prices of \$3.50 (weekdays) and \$4.00 (Saturday), thus bringing the price down to \$1.75 and \$2.00 respectively.

The Burke Mt. Ski Area is located in the Darling State Park in East Burke, Vt., and it was first opened on Dec. 29, 1956. A mile-long Poma-lift and a rope tow operate from 10:00 a.m. until 4:00 p.m.

There is a vertical drop of 1,537 feet from the summit to the base terminal of the Poma-lift at 1,730 feet.

There are plenty of new and varied trails for both experts and beginners, modern uphill facilities and excellent snow conditions, all of which constitute the reason for the growing popularity of Burke Mt. for an ideal family skiing holiday. Unsurpassable skiing conditions all through the winter are provided for by the northern exposure of the hills and trails. What is more, the spring skiing conditions are first class.

The Bear Den Trail, known as one of the finest trails in this section of the country is now classified as both an intermediate and expert trail due to the intermediate by-pass around the steepest part.

The Wilderness Trail, classified as expert, will prove a formidable test for the better skiers, while the Toll Road with its broad, winding, smooth surface will provide a two-and-one-half mile thrill for both beginner and intermediate. The smooth open tow area will also provide opportunities for the novice and intermediate to improve their skill.

Don Larsen Returns Unsigned Contract To Yanks And With Mickey Mantle Give World Champions A Financial Problem

NEW YORK (AP) — The perfect game Don Larsen pitched in last fall's world series is going to cost New York Yankees more money than the world champions have offered their glamor pitcher.

While most of the world champions have signed their 1957 contracts without any noticeable kicks, the club's two show pieces — Larsen and Mickey Mantle — are making no bones about wanting more money.

Larsen, who posted a 11-5 regular season record before hurling the first perfect game in world series history, said from his San Diego, Calif., home Wednesday that he had returned his contract and wants \$27,500. It is believed that would be mighty close to twice the value of his 1956 contract. Unofficially it was believed the Yanks offered him \$15,000 this year.

"If they don't do better than the offer they sent me," Larsen said, "I may end up tending bar."

Meantime, Mantle is waiting for a talk with Yankee general manager George Weiss, probably within 10 days when the baseball clans gather in New York for the annual writers' dinner.

Mickey, honored in Milwaukee Wednesday night as The Associated Press male athlete of 1956, has indicated he wants at least double the salary he received last year when he won baseball's triple crown hitting .353, runs batted in 130 and home runs 52. He is believed to have received around \$35,000 last year.

The Yankees did sign two more players Wednesday, however, when shortstops Billy Hunter and Jerry Lumpe sent in their contracts.

Other clubs also continued to line up their players without too much trouble.

Brooklyn Dodgers ran their list of satisfied players to 33, with seven to go, with the signing of three rookies—first baseman Jim Gentile, infielder Jasper Spears and utility man Mike Napoli.

Bob Cerv signed his Kansas City Athletics contract and right-handers Tom Brewer and Frank Sullivan, ace of the Boston pitching staff, signed with the Red Sox. Jim Hearn, also a right-handed pitcher, agreed to Philadelphia Phillies terms and St. Louis reduced its list of unsigned Cardinals to six with the signing of pitchers Don Liddle and Lloyd Merritt and first baseman Glenn Nelson.

Baltimore Orioles, who signed Joe van Durham, rookie outfielder, and Tommy Patton, 21-year-old catcher, reported outfielder Al Pilarcik, obtained in a trade with Kansas City, has balked at its first pay offer.

Chicago White Sox signed rookie first baseman Norm Larker, who batted .309 for St. Paul of the American Association and was drafted from Montreal Royals, southpaw reliever Paul Lapalme, and Walt Drogo, first baseman.

BREWER REACHES TERMS WITH SOX

BOSTON. —(AP)— Tom Brewer, who won more games than any other Boston pitcher last season, Wednesday signed to hurl for Red Sox this year.

Brewer, who won 19 games and lost nine last season received a substantial raise, said General Manager Joe Cronin.
