## Woman, 74, is tied up, life's savings are stolen \$3,250 taken from apron bag

SCOTSTOWN — Quebec Provincial Police said today they expect an early arrest of two women who tied a 74-year-old woman to her bed here Friday morning and escaped with her life's savings of \$3,250 in cash.

Miss Albertine Michaud, victim of the robbery, told The Record two women, one wearing a mask and the other goggles, entered her home shortly after 11 a.m., tied her to the bed, and stole the money which was in a bag tied to her apron.

"The women made me go upstairs to my room and then forced me to lie on my bed," Miss Michaud said.

She said the women were very rough. One of them started to choke her, she said, while the second tied her arms and legs to the bed with heavy twine.

Col. Raymond Bellemare, Quebec provincial police officer in charge of the investigation described the robbery as the meanest he has seen in all his years with the QPP force.

"Not only that, it was two women who did it," Cpl. Bellemare said.

Provincial Police said that four persons and two cars were involved in the robbery but only one car and two women went to Miss Michaud's home.

Neighbors who saw the car and women go to Miss Michaud's home thought nothing of it until after they saw the

car speed away from the scene a few minutes later. Mrs. Emile Belanger who lives on one side of Miss Michaud's home and Mrs. Rosario Robert who lives on the other side both said they saw the car and women go to the house but thought nothing of it because Miss Michaud received many visitors.

### Wood cut limit to be enforced

QUEBEC (CP)—Bona Arsenault, lands and forest minister, Friday warned the province's pulp and paper companies that the government will seize any wood cut over limits set by the government.

He also said there is "no question" of nationalizing the pulp and paper industry.

Mr. Arsenault, addressing a gathering of government officials, pulp producers and company representatives, said that 84,000 cords of wood cut by farmers and settlers last year remain to be sold.

A committee was formed at the meeting to find a market for the wood.

Referring to the companies, Mr. Arsenault said that they were asked last year to keep within the cutting limits set by the government. Some firms co-operated, others did not.

"It wasn't until I saw Miss Michaud come out of the house about five minutes after the car had sped away I realized something had happened," Mrs. Belanger said.

Mrs. Belanger told police that her son had seen the same car used in the robbery about 10 a.m. following a white convertible here.

A check by police officers later revealed the two cars had met at a nearby service station and one left about the time of the robbery with two women in it while the other waited for about 20 minutes before leaving.

Service station attendants told police that a man and woman were in the car which stayed behind at the service station.

Miss Michaud told police officers that the women acted and talked like women during the robbery.

Miss Michaud said she bought her home here in 1956 and worked for nine years as a housekeeper before having enough money to retire in 1961.

"I didn't put my money in the bank because I always had to buy things and was unable to get back and forth," Miss Michaud told The Record.

Provincial Police said today they have good eye-witness reports of the robbery and expect the persons involved to be arrested over the weekend.

## Saskatchewan medical plan

# Ask province to negotiate with doctors

By SCOTT SCHILL  
REGINA — (CP) —

The Saskatchewan government should lay aside its medical care insurance act and call in the doctors to negotiate, Dr. H. D. Dalgleish, president of the Saskatchewan College of Physicians and Surgeons, said Friday night.

The suggestion came at the end of a two-day emergency meeting held by the college at which about 600 of its 904 members overwhelmingly rejected the legislation as now written.

The doctors also reaffirmed their determination not to work under the plan, but Dr. Dalgleish said the college has urged its members to stay in the province until the issues are cleaned up.

Dr. E. W. Barootes of Regina, a member of the college's governing council, said the next move in the fight between the CCF government and the college "is not ours."

### WILL LIMIT SERVICES

The doctors said they will not practice under the compulsory health insurance act if they are prohibited from practice outside the plan they will limit their services to emergency work.

They said, through spokesman at a press conference at the end of the meeting, that the Medical Care Insurance Act in its present form prohibits them from private practice. The doctors did not spell out their emergency services program.

The medical care plan, designed to cover 892,000 of the province's 920,000 residents on a compulsory, comprehensive and prepaid basis, is scheduled to go into operation July 1.

The doctors were asked Thursday by Premier Woodrow Lloyd to co-operate and give the

plan a fair chance. He said it would start July 1 with or without "doctors' co-operation."

The doctors reaffirmed their stand against the plan in a resolution Friday and a standing vote Thursday. They have opposed it since it became an election issue prior to the provincial general election in June, 1960.

### OBJECT TO CONTROL

Dr. Dalgleish said at the press conference the doctors object to government control of the plan.

In his address Thursday Pre-

mier Lloyd said the commission that administers the plan will have the responsibility of only providing payment to doctors for their services.

Dr. Dalgleish said the college's counsel advised that there is no method to practice privately under the plan.

"We will continue to seek ways and means to practise outside the plan," he said.

Discussions of the plan between the college and the government ended last month. Both sides rejected compromise offers.

### Anglo-American move

## NATO nations await weapons proposal

ATHENS (Reuters) — Ministers from the 15 NATO countries today awaited new Anglo-American proposals that would give other members of the alliance a say in the maintenance of nuclear weapons in Europe.

Sources at the spring ministerial meeting here said a report on the proposals would be presented to an afternoon session by NATO Secretary-General Dirk Stikker.

In morning sessions NATO defence ministers were scheduled to discuss speeding up joint production of standardized nuclear arms while foreign ministers were holding talks on economic aid to Greece and Turkey.

A Belgian source said there also would be a meeting of officials from the six Common Market countries to discuss the deadlock in efforts to achieve political unification of Europe.

Sources said that under the Anglo-American nuclear proposals a NATO army group commander—not necessarily an American—could seek authorization in advance to use tactical atomic weapons if there were imminent danger of his troops being overrun.

The authorization would have to come from the U.S. president or, in the case of British tactical weapons, from the British prime minister.

Other features of the proposals provide for the U.S. to give its allies details of its nuclear stockpiles in Europe, consulting with them on the strength of its nuclear deterrent there.

A spokesman said Foreign Minister Maurice Couve de Mur-

### Expects Hamel to intervene in E. T. strike

Construction union director, Arthur Lapointe, said Saturday he expects provincial Labor Minister Rene Hamel to intervene in the 23-day-old Eastern Townships' construction strike soon.

Mr. Lapointe told The Record, that Mr. Hamel said in a meeting of officials of the Confederation of National Trade Unions and the provincial government Friday that there was no reason that the strike couldn't come to a settlement.

"Mr. Hamel gave us his full support and promised to take steps to stop the strike," Mr. Lapointe said.

The union and Eastern Townships Builders' Association representatives were supposed to meet with the minister yesterday but only representatives from the union showed up at the meeting.

Mr. Lapointe said he will stay in Sherbrooke in case the Builders' Association should decide to ask the union to meet for talks.

### ET weekend activity

## PCs dominate political scene

By CUTHBERT JONES  
(Record staff writer)

Progressive Conservatives dominate the political activity in the Eastern Townships for the next few days, the highlight of their program being the visit of Prime Minister John Diefenbaker to Granby Monday evening, following brief visits to Farnham and Cowansville in the afternoon.

In addition, the Government supporters have scheduled two nominating conventions on Sunday. The first, for Drummond-Arthabaska, will be held at Victoriaville at 2 p.m., and the second, for Megantic, will take place at Thetford Mines at 8 p.m.

Mines Minister Jacques Flynn will be the featured speaker at both gatherings.

With the holding of these conventions, the PCs will virtually complete their lineup of candidates in ET ridings.

The only district riding in which PC candidates have not been named is Stanstead, but there appears little likelihood of opposition being forthcoming to the renomination of Rene Letourneau, member since 1958.

A convention has called for Saturday afternoon, May 12, at St. Jean l'Evangeliste Church Hall in Coaticook when the nomination will be offered Mr. Letourneau.

Postmaster-General William Hamilton will be the chief speaker.

The fledgling New Democratic Party will try out its wings this weekend with a rally Sunday afternoon in St. Jeanne d'Arc parish hall, Gall street west.

Presenting the party's case at this meeting will be Michel Chartrand, Montreal labor organizer, and the candidate in Sherbrooke, Gustave Steenland.

Probably candidates in a number of other ridings will be announced at this meeting.

COMPLETING ENUMERATION — The enumeration of voters to be included on the official election lists must be completed by tonight and copies of the lists posted up in prominent places in each polling division Monday.

In many polls, however, the enumerators have completed their work and already the green covered lists are available for examination in many sections.

Within the next few days, printed copies of the preliminary lists will be mailed to each registered voter, each list containing the names of the voters, registered in the particular polling district.

The necessary instructions for applying for corrections and additions to the list will be included in the printed lists.

In cases where several persons with the same family name live at one address, only one copy of the list will be mailed.

NEIGHBORS QUESTIONED BY QPP — Mr. and Mrs. Emile Belanger neighbors of Miss Albertine Michaud, are questioned by provincial police officers while standing on the porch of their home. ### Election issue looming

## Surprise pegging of the Canadian dollar; Macmillan trade talks hit news spotlight

By CARMAN CUMMING  
Canadian Press Staff Writer

Canadian dollar pegged Macmillan talks trade Algiers has bloody day The Canadian government surprised the business community this week by pegging the Canadian dollar at a discount of 7½ cents in relation to the United States dollar.

The announcement by Finance Minister Fleming Wednesday night tied the dollar down to within one per cent of 92½ cents, nearly three cents below the going rate and some 12 cents under the premium it brought early in the decline of Canada's exchange reserves — which had fallen by more than \$500,000,000 in the last six months — was a major factor in the

decision. He told a press conference Thursday that the timing was influenced by heavy speculation in the Canadian dollar.

### STOCKS JUMP AHEAD

Effects of the move were felt quickly. The Toronto stock market broke a long slump and showed its best gain of the year Thursday.

Earlier in the week the Liberal party had issued a defence policy statement ruling out nuclear weapons for Canada "on basis of present information" and stressing the need for strengthening conventional forces.

The prime minister began the week with two days of talks with visiting Prime Minister Macmillan, mostly on Britain's proposed entry into the European Common Market.

## Army opium smuggler cut down to private

OTTAWA (CP) — Cpl. Maurice Hector Joseph Noel, 41, of Regina Friday became the second Canadian army soldier to lose both rank and temporarily—his freedom for non-military conduct by smuggling within Indochina last year.

A court martial, after deliberating for 2½ hours, sentenced Cpl. Noel to 90 days in an army jail and reduced him to a private for twice carrying opium across the border between Laos and South Viet Nam, and ar-

ranging two deliveries in Saigon.

Earlier, Cpl. Gerald Albert West, 33, was cut down to a private and given 30 days in jail on a similar service charge.

Loss of rank means a basic-pay decrease of \$53 a month for both men, from \$187 to \$134.

Noel, father of two teen-age children, earned lost \$24 a month when downgraded from a cipher clerk to a teletype operator in the signals corps after his return to Canada.

Opposition party leaders served notice that they plan to make the move an issue in the campaign for the June 18 election.

Liberal Leader Lester B. Pearson called it a government confession of the complete failure of its economic policies and Social Credit Leader Robert N. Thompson termed it a "desperate mea-

WHY DO WE SELL MORE USED CARS than anyone else in the Eastern Townships?

Here comes one of the most important reasons: Emile Gobeil is one of our top mechanics, specializing in tune-ups. Although Emile has only been with us for two years, he has had seventeen years experience in his trade.

In order to keep our organization running smoothly we insist on having only top-notch men and women in our employ. Their efficiency enable us to keep our costs at a minimum and at the same time keep our quality of service and merchandise high. This assures you, the customer of the most value for your motoring dollar.

Used Cars get special treatment here at De Luxe. Before a car goes on our lot it is carefully checked and serviced and priced according to its true value. Why not look them over soon. Let us help you choose one to suit your individual needs and budget. We allow top prices for good used cars too.

EMPLOY THE HANDICAPPED WEEK

MAY 6TH — MAY 12TH

IT'S GOOD BUSINESS TO EMPLOY THE HANDICAPPED

During this week, the emphasis is placed on the advantages of hiring handicapped workers.

Are you aware that handicapped workers have as good, if not a better performance record than any other so-called physically fit worker.

Statistical data obtained at the occasion of several surveys conducted in the United States and Canada, have proven beyond any doubt, that handicapped workers' attendance records are remarkable. Furthermore, they are less prone to accident than any other categories of workers.

Are you in need of staff? Join the group of well-informed employers who are convinced that "It Pays to hire the handicapped".

Your nearest National Employment Service office will be pleased to list your vacancies.

As a business man, you can readily see the positive and practical aspect of this social and economic action. We ask you, firstly, to support the campaign with your influence and favorable opinion. And secondly, if you are ever solicited to consider hiring a handicapped person for a specific job in your establishment, we want you to know in advance, you will never be asked to lower your hiring standards. This rehabilitation program can be successful only if candidates are willing and able to do the job according to standards.

"He's given up trying to lose weight! He's just trying to REARRANGE it now!"

The Doctor Says

**TYPHOID VACCINE PROTECTS ONLY AGAINST THAT DISEASE**

Q—There has just been an epidemic of paratyphoid fever in our local high school. My daughter, who has rheumatic heart disease, was one of many victims. It has left her so weakened I don't think she'll be able to finish the term and she is heartbroken.

I was warned to protect her from all sorts of infections and just last year she had her shots for typhoid and paratyphoid fever. I think they call it triple typhoid. How then is it possible for her to come down with an attack? Shouldn't she have been protected by the vaccine? Or to the school doctor?

A—Your question and confusion are natural. Let me try to explain. The triple typhoid vaccine that contains the organisms also of paratyphoids A and B, actually protects only against typhoid fever. In fact, I have been unsuccessfully trying to convince manufacturers to omit paratyphoid organisms from the vaccine since they are almost useless as you've just found out and they add to the unpleasant reactions from the shots.

The reason they're useless is because there are dozens and dozens of paratyphoid organisms and the immunity that develops to any one is so specific it affords no protection against near relatives.

Because of this, the triple vaccine gives a false sense of security. Thus, what has happened to your daughter is not due to any carelessness on your part or on the part of the school doctor. Unfortunately, if another member of the paratyphoid family (called salmonellosis) or of the closely related dysentery group (called shigellosis) came along tomorrow, you'd have another outbreak unless public health authorities could swiftly discover the source of the contamination and control or eliminate it. The source could be water or milk supplies or a food handler.

Q—I just had a complete health examination and was told I was O.K. except for a high white count. What does that mean? Is it serious?

A—I can't answer satisfactorily without knowing more details. But the likelihood is that the high count has no significance or your doctor wouldn't have dismissed the finding so lightly. However, for your information and peace of mind, a high white count may be due to a technical error by a laboratory technician.

If it is correct, however, and due to an increased number of marrow cells (leucocytes), it usually signifies the presence

of infection with a staph or a strep or some related organism. If it is due to an increase in cells derived from lymph nodes (lymphocytes), it may also be due to infection but with organisms such as those of whooping cough or one of the typhoid fevers.

If it is due to an increase in what are called the mononuclear cells (single nucleus), you may be coming down with the so-called "kissing disease," infectious mononucleosis, that is most prevalent in the spring.

If the finding continues to bother you, despite this scant outline of possibilities, ask your doctor to have the count repeated in duplicate. Don't eat for a few hours before the time of the expected examination because the count rises after meals. If the increase persists, ask your doctor to explain.

**MRS. E. F. SOMERVILLE, OF RICHMOND**

RICHMOND — Mrs. Eliza Ferris Somerville, of Richmond, died in the Sherbrooke Hospital on Sunday, March 25, after a fortnight's illness, in her 83rd year.

Mrs. Somerville was born in Buckingham, April 5, 1869, the second daughter of the late Mr. and Mrs. Robert Ferris. She was educated in Buckingham and Ottawa and after receiving her diploma from the Ottawa Normal School she taught in a number of schools in that area, including Buckingham Academy.

In June, 1901 she was married to the late William Somerville of Lachute, who predeceased her in December, 1925. After her husband's death she returned to teaching for a number of years. Since her retirement she had been living with her son and daughter-in-law, Mr. and Mrs. Lloyd Somerville, in Richmond.

She is survived by her son, Lloyd; two sisters, Mrs. W. E. Bengry, of Toronto, and Mrs. J. Benson, of Semans, Sask.; and three granddaughters.

The remains rested at her son's residence here and the funeral, which took place in St. Ann's Church, was conducted by the rector, the Rev. H. J. Apps. The bearers were: J. G. C. McMorine, E. J. Newell, J. H. Coles, K. H. Annett, M. J. Butler and K. A. Dixon.

Interment was in St. Andrew's East Cemetery.

**C. H. THOMPSON, OF ISLINGTON, ONT., (Formerly of Sawyerville)**

ISLINGTON, ONT. — Funeral services for Charles Henry Thompson were held in the Butler Funeral Home in Islington, Ont., with interment in Weston Cemetery, on March 29.

Mr. Thompson was the eldest son of the late William Thompson and his wife, Christina (nee Bailey), of Sawyerville, Que. Both his parents and three brothers, Victor, Gordon and Willie, predeceased him.

His early years were spent at the old home in Sawyerville. Later he came to Ontario, where for some 30 years, he was employed as farm manager for Mr. and Mrs. W. P. Bishop, in Islington.

At the request of Mr. and Mrs. Bishop, and with the concurrence of the surviving members of his family, the remains were interred at Islington, where he

had spent so many years of his life.

Mourning his death, in his 68th year, are a brother, and three sisters: Clive Thompson, of High Forest, Que.; Mrs. Jack Murray, Myrtle, of Birchton, Que.; Mrs. Margaret Reta Stowe, of McMasterville, and Edith, Mrs. Raymond Wood, of number of other relatives.

Bedford Que., besides a number of other relatives.

A niece, Miss Myrtle Ellen Thompson, of Montreal came by air to represent his family at the funeral.

**WALTER WILLIAM BROWN, OF LEADVILLE**

LEADVILLE — Walter William Brown, a life-long resident of Leadville, passed away at the Brome Missisquoi-Perkins Hospital, on April 3, 1962, after a brief illness. He was 85 years of age.

Mr. Brown, a well-known and highly respected resident, was born October 28, 1876, the elder son of William S. Brown and his wife, Ida Hallinbeck. In 1910 he married Mary Ellen Thompson, of Cassville, who predeceased him in June, 1937.

He is survived by three children: a daughter, Kathleen, Mrs. Ben M. Barnett, Highwater, with whom he had spent the winter months for the past several years, and two sons, Scott, of Montreal, and Wellington, of Toledo, Ont. He also leaves three grandsons, as well as many other relatives. A brother George, died in 1944.

The remains rested at the Wilson Funeral Home. The funeral was held at the United Church at Mansonsville on April 5. Rev. James Hendry, of Stanstead, officiated. Organ music was played by Mrs. Guy George.

Bearers were Kenneth Jones, Rupert Fullerton and two grandsons, Gordon and Brian Barnett.

Interment was in the Cassville Cemetery.

Friends and relatives from out of town attending were from Vermont, Ontario, Montreal, and Stanstead.

Every Chevrolet Truck has muscle where it counts! There is muscle in every Chevrolet frame — specifically designed to take maximum loads, combining ruggedness and flexibility for on- and off-highway use. Then, there's more muscle in Chevrolet's rear axles...husky Single-Speed axles with capacities from 3300 lbs to 18,500 lbs... 2-Speed rear axles with vacuum or electric shift and capacities from 13,000 lbs to 18,500 lbs and... mighty Tandem suspensions! So that no matter what your truck requirement may be, you'll find the right combination of axles and frame in a Chevrolet Truck — the right combination of muscles to do your job better!

Lift the hood of any Chevrolet Truck and you'll see what makes it hustle! For there you'll find the industry's most famous six — or a brawny eight... in fact, your choice of six power plants from 235 to 409 cubic inches. All are models of efficiency... delivering more power — rarin'-to-go horsepower — for your fuel dollar. And to match this wide choice of power you have a selection of no less than eleven transmissions available as standard or optional equipment — including 3-, 4-, or 5-speed Synchro-Mesh and two automatics plus 3- or 4-speed auxiliaries. This wide variety of engines and transmissions ensures the brand of hustle that only Chevrolet can deliver!

To experience man-size bustle—drive a Chevrolet! For whether it's a highway rig... a work-horse Tandem... or around-town pickup — you can feel the sure touch of positive control that Chevrolet has built into its steering. Even when heavily loaded, a Chevrolet Truck is still easy to manoeuvre in tight spots... easy on the driver on any kind of road. But that's also due to the Chevrolet ride... suspension systems that give maximum comfort — maximum protection to the load. Yes, in every category — muscle, hustle and bustle — you'll find that Chevrolet Trucks have more of it... more, to serve you better — and longer!

# For and about Women

## Today's recipe

**CORN AND NOODLE SUPPER**

1 pound sausage meat, ½ cup chopped onion, ½ cup chopped green pepper, ½ pound mushrooms, quartered, 1-10 ounce tin tomato soup, 1 soup tin water, 2 cups broken noodles, ½ teaspoon salt, Dash pepper, 1-20 ounce tin fancy cream style corn.

Cook sausage meat, onion, green pepper, and mushrooms over moderate heat. When meat is no longer pink, add Tomato Soup, water, uncooked noodles, salt and pepper. Cover pan and cook slowly for 5 minutes, stirring frequently. Add cream style corn. Blend and heat thoroughly. Makes 6 servings.

**Cream Your Hands**  
If your home has more than one bathroom, be sure to keep a jar of hand cream in each so that you won't forget to use it after you've washed your hands after a household chore.

MISS JANET RAE ALMOND, daughter of Mr. and Mrs. A. R. Almond, of Lennoxville and MR. DAN CHARLES PATRIDGE, son of Mr. and Mrs. James H. Patridge Sr., of Palmyra, N.Y. The wedding will take place on June 2, in St. George's Anglican Church, Lennoxville.

## St. Paul's Ladies' Guild

**Friendly atmosphere prevails at spring tea**

Although inclement weather prevailed on Thursday, May 3, the ladies of St. Paul's Guild, were quite pleased with the attendance at the Spring Tea which they sponsored in St. Paul's church hall.

Although this is one of the smallest church halls in the city, there always seems to be ample room for everyone to enjoy a good hearty meal in a very warm and friendly atmosphere.

Receiving the guests at the door of the hall were: Mrs. R. Jervis-Read, the minister's wife and the president Mrs. G. Carleton. The cashier for the afternoon was Mrs. F. Staniford.

Pouring at the tea table, which was arranged with an ecrú embroidered cloth, centred with a low crystal vase of deep purple snapdragon and white shasta daisies, flanked by green candles in silver candelabra were: Mrs. W. Caswell and Mrs. H. Woolerton.

The individual tables were arranged with white embroidered linen cloths and centred with tall crystal vases of deep purple snapdragon, white shasta daisies and fern.

Mrs. Jack Drew was in charge of the dining-room and the waitresses were: Miss F. Wright, Mrs. N. Wort, Mrs. A. Simpson, Mrs. E. Jenkinson, Mrs. G. Murray and Mrs. A. Taylor, who served a very delectable plate of ham, scalloped potatoes, cole slaw and beet salad to the many guests.

The arduous task of kitchen duties was performed by Mrs. D. Sangster, Mrs. M. Morin, Mrs. A. Fearon, Mrs. H. Buckland and Mrs. G. Magoon.

The attractive fancy work table displayed many hours of handiwork in the array of lovely aprons of various designs and colors, knitted baby clothes, children's socks and embroidery were also displayed.

The novelty table also proved to be quite popular, especially with the young folk, who found a few cents to spend on mother. These tables were under the supervision of Mrs. A. Peck and Mrs. H. Lord.

The delectable food table also displayed a variety of home baked items, including, jams, jellies, breads, cakes, and squares, which were very soon disposed of by Mrs. M. Mandigo and Mrs. G. Dawson.

The parcel-post table which is always popular, was cared for by Mrs. A. Raymond and Mrs. S. Farmer, while the white elephant table was looked after by Mrs. B. Millar.

The tea was most successful both socially and financially.

## St. Andrew's Guild

**Mother's Day tea, social success**

Maypoles and spinning wheels were used effectively to decorate the church hall of St. Andrew's church on Thursday, May 3, when the ladies of the St. Andrew's Guild, sponsored their Mother's Day Tea.

On arrival the guests were welcomed by the president Mrs. D. McIntyre and the cashier for the afternoon was Mrs. C. Foley.

In the centre of the hall, which was decorated with pink and white streamers, which suspended across the ceiling, and entwining the posts, as in a maypole fashion, was the tea table, arranged with a white linen cloth, centred with a tall silver vase of pink sweetheart roses and white mums, flanked by four white candles in silver holders. Pouring tea were: Mrs. W. Brown, Mrs. M. Ross, Mrs. J. Littlejohn, Mrs. G. M. MacDonald, Mrs. W. H. Miller and Mrs. J. Imrie.

The tea convener was Mrs. J. Imrie assisted by Mrs. J. Leckie.

The stage was very originally decorated with a large spinning wheel, entwined with pink and white carnations and greenery, and on either side was a miniature spinning wheel. Posies of pink and white carnations and fern were scattered along the front of the stage, giving a most unusual effect. The carnations were made of pink and white facial tissues and were very hard to determine whether real or artificial. Mrs. W. Savage assisted by the Misses Jean Miller and Nancy Little, worked many hours preparing the decorations.

The individual tables were covered with white linen cloths and centred with low crystal bowls of pink sweetheart roses and pussy willows. Serving at these tables were: Mrs. C. Goodfellow, Mrs. E. Garbutt, Mrs. E. Wells, Mrs. H. Mayhew and Mrs. D. Jones. Guests enjoyed a very delectable vegetable salad, rolls, squares and tea.

The miscellaneous and homecooking table was cared for by Mrs. R. Norton, Mrs. V. Lee and Mrs. D. Whittingstall.

The kitchen convener was Mrs. G. Jobel and the dining room convener was Mrs. W. Savage assisted by Mrs. A. Goodfellow.

## Engagement

Mrs. Ronald M. Sampson, of Magog, wishes to announce the engagement of her daughter, Sandra Lea, to Mr. Clive Mortimer Reis, son of Mr. Dennis Reis and the late Mrs. Reis, of London, England. The wedding is to take place at St. Barnabas Church, North Hatley, on June 30th at two o'clock.

## Tips on frozen meats

**OTTAWA (CP)**—Frozen meat thaws more quickly at room temperature if it is placed in front of an electric fan.

As a general rule, two to three hours per pound thawing time at room temperature should be allowed, say home economists of the consumer section of the federal agricultural department. In the refrigerator, it will take up to 12 hours per pound.

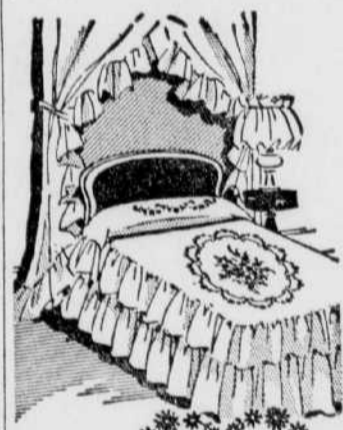

Meat that has been completely thawed out should be cooked promptly, not refrozen.

A guide to the maximum storage times is given in the department's booklet, "Meat—How to Buy, How to Cook."

**STORAGE LIMITS**  
For long storage the booklet gives these directions: Beef steaks and roasts, 10 to 12 months; veal roasts and chops, four to five months; pork chops three to four months; pork cured, smoked, four to five months.

**BAN CONTESTS**  
Beauty contests are banned in Burma under the revolutionary government as being "incompatible with Burmese culture."

## Women's groups

**ST. MARGARET'S GUILD**  
The May meeting of the St. Margaret's Guild was held recently at the home of Mrs. A. Farr, with eight members present.

The president Mrs. R. M. Loughheed, was in the Chair and opened the meeting with prayers.

Minutes of the previous meeting were read and the financial report was given by Mrs. J. H. Wark, showing that the recent food sale in the church hall had proved very successful.

Final plans were made for a card party to be held in the church hall on May 17 and a rummage sale on Thursday, May 21, at 2 o'clock, also in the church hall.

The next meeting will be held in the church hall on May 31, with Miss F. Knapp as hostess.

There being no further business, the meeting closed and refreshments were served by the hostess, assisted by Mrs. F. Saunders.

**QUEEN MARY CHAPTER O.E.S.**  
The May meeting of the Queen Mary Chapter O.E.S. was held at the Masonic Temple, Sherbrooke, on Tuesday last. An exceptionally large attendance was noted with visitors from Magog, Drummondville, Cookshire, Richmond, Stanstead, Montpelier, Magog, North Hatley, and St. Johnsbury, Vermont.

W. M. Carol Evans presided and welcomed the distinguished guests, Sister Margaret Walker, W.G.M. of the Grand Chapter of Quebec, and Brother Howard Walsh, W.G.P. of the Grand Chapter of Quebec, who were making their official visits to the Chapter, Sisters Ida White, Marion Hamilton and Emily Cobb, P.G.M.s and Brothers Harold McCullough and Henry Barlow, P.G.P.s, and Sister Mildred Wheelock, D.D.G.M. New regalia was dedicated in a ceremony by the W.G.M. The initiation ceremony was exemplified for the benefit of the W.G.M. who congratulated the officers on their proficiency. She was then presented with a charming nosegay, intricately designed of dollar bills and carnations, as a contribution to her special project, Cancer Research Sisters Irene Shepherd and Alice Rowat reported on correspondence held with the states for whom they act as Grand Representatives, namely New York and North Carolina.

Under new business it was decided to hold two food sales in May, one in Lennoxville and one in Sherbrooke, the date to be announced later.

After congratulatory speeches by several of the guests, the Chapter closed in form and a delightful supper was served in the diningroom. Here the tables were set up in the form of a star and were suitably decorated with colored tapers and miniature May poles in keeping with the season and theme.

**ST. ANDREW'S LADIES' AUXILIARY**  
The regular meeting of the St. Andrew's Ladies' Auxiliary met in the church hall on May 2, with a good attendance of members and one visitor.

The president, Mrs. H. W. Gilbert was in the Chair and opened the meeting with a Scripture reading.

The treasurer gave a very successful report on the Chicken Patty Tea, held recently.

Plans were made for a rummage sale to be held in the church hall on Frontenac Street, the middle of May.

The meeting closed with the Mizpah benediction. Lunch and a social hour followed.

Sport Shots and Pot Shots

"FOLLOW THE ALS AND WIN SOME MONEY." This is the motto the Sherbrooke Alouettes have adopted for the 1962 season.

The Als are trying to build a good club and from the look of things they seem to have got off on the right foot.

Several of the top local players have been asked to report for a tryout today, providing the weather clears up.

We are glad to see Jean-Guy Mathieu and Claude Prud'Homme are going to turn out as both these boys are good hurriers.

On Sunday, May 13th, the Als have an exhibition lined up with the Quebec Braves of the Provincial Senior Baseball League at the Park Avenue Stadium.

Little Bobby Rousseau won the Calder Memorial Trophy as rookie of the year in the NHL. He polled 141 points out of a possible 180 in winning the award.

Rousseau picked up 53 during the first half and in the second part he was just two points off being a unanimous choice with 88.

Today the "Run for the Roses" takes place at Louisville, Ky., and no doubt another outstanding crowd will be on hand for the famous classic.

It will be the 88th running of the classic at Churchill Downs and the field of 16 or 17 will make it a rich purse for the winner.

Smelt fishing has opened but only on Lake Massawippi this is the official release from Chief Game Clement Bouchard.

The selection of the annual NHL All-Star has certainly come under heavy fire from sportswriters all over the country in naming a few to the squad.

This is nothing new as each year when the teams are released it is the same thing. The most noise was made by Jean-Guy Talbot getting the nod over Carl Brewer of the Maple Leafs.

The funny thing about the first club is that not a member of the World Champions Maple Leafs managed to earn a spot yet they won the championship.

Arnold Palmer claims if a man is going to be any good he's got to be a little mad. You must have a little fire if you wish to be a good tournament player.

India takes early lead in Davis Cup play with Philippines while favorites win in European tests

India grabbed an early lead over the Philippines in the eastern zone Davis Cup final Friday while favorites swept through opening round tests in the widespread European zone.

The Russians, taking their first shot at the international tennis trophy, go against The Netherlands today at Amsterdam.

India backed the Philippines into a corner when Jaideep Mukherjee, a newcomer to the team, outlasted young Juan Jose in New Delhi's blistering heat.

Krishnan, his volleying touch seldom better, won the first two sets 6-1, 8-6 and was leading 2-0 in the third when it got too dark to continue.

The biggest surprise in the European zone competition came at Madrid where West Germany's Ingo Buding defeated Manuel Santana, Spain's No. 1 player, in a five-set duel.

Smoke Eaters win Allan Cup 5-3

Trail is jubilant, champagne flows as team takes title after 24 years

TRAIL, B.C. (CP) — The southeastern British Columbia smelter city of Trail went on an Allan Cup jag Friday night when the Smoke Eaters captured the Canadian senior hockey title after a 24-year drought.

The Smokies wrapped things up with a 5-3 victory over Montreal Olympics, taking the best-of-seven series 4-1.

"We won, we won, we won," the Smokies shouted as they drenched themselves in champagne.

The winners traditionally gulp champagne from the cup or pour it over their heads. But the Smokies were so elated they buried their heads in it.

Trail coach Bobby Kromm said "it was a terrific team that won the Allan Cup this year and it will be a terrific team in the world championships in Europe next year."

The Smoke Eaters last won the Allan Cup in 1938. They captured the world crown that year and won it again last year.

The Canadian Amateur Hockey Association usually selects the Allan Cup kings to represent this country in the world championships. The Smoke Eaters got into the 1961 world event when Chatham Maroons, who beat Trail in the 1960 Cup final, rejected the trip in favor of an exhibition tour of Russia.

All was dejection and weariness in the Montreal dressing room.

"The boys are pretty tired but at least we fought all the way," said coach Maurice Filion.

It was a tough finish for the Olympics, who were formed only this season and fought all the way from third place in their Quebec Eastern Townships League to the Dominion final.

"It wasn't a bad effort for half a team," said Filion. The Olympics had only 13 men and a goaltender for Friday night's game following an injury to George James Monday and John Mentis' suspension after a fight with Trail's Ed Pollesel Wednesday.

Filion appealed to CAHA Secretary Gordon Juckes Friday to let Mentis play in return for a fine, but Juckes said no.

In a last-ditch attempt, the Olympics took oxygen in the final period after two quick goals which brought them within a goal of the Smokies.

The Olympics had experienced third-period fatigue in almost every game because of Trail's high altitude. The oxygen kept them in the game, but didn't increase their score.

Trail surged in a 3-0 lead in the first period before 4,300 fans and held a 4-1 edge after the second.

Howie Hornby led the Smoke Eaters with two goals. Adolph Tambellini, Cal Hockey and Russ Kowalchuk added singles. Jacques Gagne scored twice for Montreal and Connie Mendala got the other goal.

DOUBLE PRESENTATION — Peter Brown, of Cowansville, was presented with a Most Valuable-Player award of the Victoria Hockey team of Cowansville Wednesday night.

Injury forces Sir Gaylord out of Derby

LOUISVILLE, Ky. (AP) — Fate's lightning struck quickly three times at Churchill Downs Friday and eliminated a trio of top horses from the 88th Kentucky Derby.

A hairline fracture of the sesamoid bone of the right front leg, sustained during an early morning workout, knocked Sir Gaylord out of the \$125,000 added Roses run today and shattered the hopes of Christopher T. Chenery of Virginia.

Chenery's difficult decision recalled a 1931 race when favored Equipoise was withdrawn at noon on Derby day because of a cracked hoof. Twenty

Grand then won that Derby in record time. Donut King, a California-bred colt, owned by Verne W. Winchell Jr. of Los Angeles, also was withdrawn. But this didn't come as such a shock. Donut King has been ailing with an infection in the left hind foot. The abscess was opened Friday morning and drained and the colt will try to make the Preakness May 19 in Baltimore.

Ridan and Sir Gaylord were the heavy favorites for the derby. Ridan, unbeaten as a two-year-old, had smashed his field in the Blue Grass Stakes at Keeneland April 26. Last Saturday, Sir Gaylord easily won the Stepping Stone Purse at Churchill Downs, after having been laid up with an ankle injury since he beat Ridan handily in the Everglade Stakes Feb. 21 at Hialeah.

Sir Ribot, a British-bred colt owned by Fred Turner Jr. of Midland, Tex., and who has raced in California, is the third choice at 6-to-1.

San Francisco Giants blast Chicago Cubs 11-6 for 10th straight triumph, Orlando Cepeda drives in 5 runs

The Chinese calendar notwithstanding, this may be the Year of the Baby Bull.

The Chinese calendar, as many residents of San Francisco know, lists this as the year of the Tiger. But Orlando Cepeda, the Baby Bull of San Francisco Giants, may claim it for his own.

To the surprise of practically no one, but to the consternation of nine National League teams, the Baby Bull is on a rampage.

He drove in five runs on a homer, double and single Friday as the Giants blasted Chicago Cubs 11-6 for their 10th straight triumph. It also marked the 24th consecutive game the Giants had knocked out the opposition's starting pitcher.

They got help from Jim O'Toole of Cincinnati Reds, who threw a five-hitter and held off St. Louis Cardinals 3-2. It stretched the Giants' lead to 2 1/2 games over the Cards.

Pittsburgh Pirates edged Los Angeles Dodgers 5-4. Philadelphia Phillies quelled a New York rally in the ninth inning to beat the Mets and southpaw Ken Mackenzie of Gore Bay, Ont., 6-5 and Houston Colts defeated Milwaukee Braves 7-4.

Cepeda had the best season of his career last year when he led the league in home runs with 46 and runs batted in with 142.

His performance prompted Hall-of-Famer Roger Hornsby to observe that Cepeda may be the man to top Roger Maris' 61

home run mark. Cepeda, a long-time holdout this spring, started slowly but hit his stride in the 10-game winning string. Over that stretch he has hit 400 with 16 hits, including five homers and 6 runs batted in. He now is hitting .340, is tied for the league lead with eight homers and leads the league in runs batted in with 28.

His lusty hitting was the difference as Billy Pierce picked up his fourth victory without a loss, though needing relief help from Don Larsen. Billy Williams' homer for the Cubs in the first inning ended Pierce's string of 17 2-3 scoreless innings. Dick Ellsworth (2-3) was the loser.

O'Toole (2-3), 25, a lefty, allowed an infield hit to leadoff man Curt Flood, then retired 16 men in a row before he weakened and the Cards began threatening. Solo homers by Frank Robinson, Leo Cardenas and Vada Pinson gave him just enough working room. Larry Jackson (2-3) was the loser.

Bob Skinner's bases-loaded, pinch-hit single drove in the winning run as the Pirates snapped a four-game losing string against the Dodgers. The Pirates held a 4-0 lead before the Dodgers came back with three in the eighth and tied it in the ninth. Elroy Face (1-0) benefited from Skinner's single, while Joe Moeller (1-3) took the loss.

Football Association Cup final today between Tottenham Hotspur and Burnley is scalper's dream

LONDON (CP) — The Football Association Cup final today at Wembley Stadium is the ticket scalper's dream come true.

Tickets for English soccer's gala final game of the season always draw high prices. But this year the scalpers are getting as much as £10 for a five-shilling pasteboard.

Fighting it out in giant Wembley Stadium will be well-matched Tottenham Hotspur and Burnley. When the season opened last September the forecasters chose this pair as the most likely finalists from the hundreds of professional and amateur teams in England and Wales.

The tipsters believe the Spurs will be the team that files to the royal box after the game to collect the cup and winners' medals from the Queen.

Tottenham won the trophy last year by beating Leicester City 2-0, but two wins in a row will be a rare achievement in tournament history. SHOW NO NERVES The spurs are favored because of their ability to fight

down tension. Last year their star-studded lineup, worth perhaps £300,000 on the transfer market, showed no signs of the usual Wembley nerves.

Burnley, on the other hand, has never been in a cup final. The roaring crowd of 100,000, the carnival atmosphere and pre-match pomp and ceremony can have disastrous effects on a team's nerves.

Nine of the Spurs' team who collected medals last year will again be on show. The two newcomers are winger Terry Medwin, replacing Terry Dyson, and Jimmy Greaves, a £100,000 winter signing from Milan. He replaced Les Allen at inside left.

This may be skipper Danny Blanchflower's last game for the club. The 37-year-old Irishman may retire and direct his agile soccer brain into writing and television work.

Tee Time with BOB ROSBURG

4 --- Backswing

The best specific advice I can give about the swing is—START IT RIGHT.

You begin telling the average fellow where to break his wrists, how far to take the club back, how to shift weight and details like that—and he starts thinking about it. Once he does that, he's liable not to even get the club back.

The secret is to keep the club in a controlled arc. The best way to do that is to start the backswing low. Keep the clubhead near and parallel to the ground, taking it directly back from the ball until you run out of shaft.

The length of the backswing has very little to do with power. It doesn't matter how far you take the clubhead back, as long as you keep it in that controlled arc.

A long backswing is inclined to make more trouble than a short one, because it tends to make you lose control. Jack Nicklaus has a very long backswing, but he controls it perfectly. Doug Sanders, who is unorthodox, has a very short swing "because it affords less opportunity for error," he says.

Most of the so-called inviolable rules for swinging the club are no good if they don't fit.

For instance, most teachers

BOB ROSBURG "Start the backswing low"

insist the elbows must be kept close to the body, which is a good rule in general, but Doug Ford, another unorthodox swinger, disregards this so-called cardinal principle.

NEXT: The downswing.

FIGHTS LAST NIGHT
