REDS ESTABLISH 50-MILE FRONT IN SARNY SECTOR; FIFTH ARMY CAPTURED SEVERAL IMPORTANT HEIGHTS

Three Nazi Key Points Threatened

Soviets Strike Out in Several Sweeping Movements, Using Sarny as Pivot, to Menace German-Held Strongholds of Rovno, Pinsk and Kovel.

By HENRY C. CASSIDY
Associated Press Staff Writer
Moscow, Jan. 13.—(P)—Gen.

Nikolai Vatutin's highly mobile First Ukrainian Army, expanding its front on the Sarny sector to a width of fifty miles or more, struck out in several sweeping movements today to threaten the German-held strongholds of Rovno, Pinsk and Kovel.

The strong armored and infantry force of Vatutin's right wing which captured Dombrovitsa, 20 miles North of Sarny on the Rovno-Sarny-Baronovitsa railway, fought its way through frozen marshland country to within 50 miles Southeast of Pinsk, important centre on the Gomel-Brest-Litovsk Railway.

It already had passed the worst of the Pripiat Marshes and advance units were approaching the high rolling ground beyond the swamps. While this force was smashing its way to the Northwest, a new offensive launched Tuesday, to the North of the marshes by Gen. Konstantin Rokossovsky's White Russian Army was approaching the city of Mozyr, 80 miles Southwest of Gomel, along a 20-mile-wide front. Dispatches said German troops in front of Rokossovsky's advance were falling back towards Pinsk, and a second threat to that city apparently was developing. Pinsk is 140 miles West of Mozyr at the confluence of the Strumen and Pina rivers along the Northern edge of the Pripiat Marshes.

Using Sarny as a pivot, Vatutin sent other flying columns South and dispatches reported the operation within 25 miles North of Rovno, an advance of approximately 27 miles through marshy terrain to high ground beyond.

Other units were reported striking West from Sarny toward Kovel, an important junction on the Kiev-Warsaw railway.

Rokossovsky's drive above the Pripiat Marshes paralleled a fresh Russian advance along the Southern edge of the vast swamp area, where Gen. Nikolai Vatutin's First Ukrainian Army crossed the Sluch River and captured the rail junction of Sarny and Dombrovitsa, 20 miles to the North. Sarny is 270 miles East of Warsaw, on the Kiev-Odessa trunk railway.

In the Southern Ukraine, the left wing of Vatutin's forces encountered strong German counter-attacks East of Vinnytsa, but continued to smash through German resistance South of Belaya Tserkov. Further East Gen. Ivan S. Konev's Second Ukrainian Army, driving for a junction with Vatutin's group, scored additional successes against the enemy in the Kirovograd salient.

The Russian communiqué said more than 5,000 Germans were killed and 144 Nazi tanks wrecked in the past twenty-four hours, while the value of 1939 exports, set at \$935,000,000.

"Well over 70 per cent of these exports were materials used directly in carrying on this total war, and were sent where they would best serve the cause of the United Nations," Mr. MacKinnon said.

To indicate the trend in the export of war materials the Minister said that:

1.—The value of exports of motor vehicles and parts, including trucks,

Flaming Battle Over Reich Is Seen As Forerunner Of Mighty Struggle For Air Supremacy Before Invasion

London, Jan. 13.—(P)—The flaming battle which a great force of possibly 1,200 American bombers and fighters fought over Germany Tuesday with the rocket-firing Nazi air force was viewed on both sides of the English Channel today as a forerunner of the mighty struggle for air supremacy expected to accompany a land invasion of Western Europe.

A dispatch from Stockholm quoted a German military spokesman in Berlin as describing the three-hour air battle as a "rehearsal for the German defence force which will have to meet Allied invasion air fleets."

The mighty raid, directed against three desperately-guarded aircraft assembly plants in the heart of the Reich, was also linked to the forthcoming invasion by Gen. Henry H. Arnold, chief of the United States Army Air Forces.

"We're not for the continuing attacks against the production capacities of German aircraft factories," he told a press conference in Wichita, Kan., "Nazi efforts to double their fighter strength might have succeeded, with the result that the difficulties which must be overcome by Allied air attacks and also by amphibious landing forces would be incalculably increased."

His views were generally accepted here, and the Daily Express declared the attack "indicates the United States bomber force based in Britain

has reached a new strength which may soon equal the R.A.F.'s thousand plane (bomber) raids."

More than 700 heavy bombers and a probably record-size fighter escort formed the American aerial task force.

The attacks, directed against factories at Oeschersleben, Halberstadt and Brunswick (Braunschweig), all within a radius of 120 miles of Berlin, constituted possibly the most crippling blow of the war against the Nazi air arm.

Results were described officially as excellent. In beating their way to and from the objectives and unleashing their explosives directly on the targets, the Americans shot down more than 100 of the challenging enemy aircraft.

The London press was virtually unanimous in hailing it as a mighty blow to German air defences. The numbers and fury of Nazi fighters prove, the Daily Telegraph said, that "the battle of Germany is growing desperate" and heading for a showdown.

An 8th Air Force communiqué late yesterday said the assault cost 64 planes, a record loss. Fifty-nine were heavy bombers and five were fighters.

In contrast, Berlin propaganda outlets this morning still were claiming 124 bombers and 12 fighters were shot down, a claim they had put forth before release of yesterday's U.S. communiqué.

TRUMAN FIGHTS LABOR POLICY OF ROOSEVELT

New, Unexpected Opposition Arises From President's Request to Draft Civilian Labor Legislation.

Washington, Jan. 13.—(P)—President Roosevelt's request for legislation to draft civilian labor for the home front ran into new and unexpected opposition today from Chairman Harry S. Truman (Dem., Mo.) of the United States Senate's War Investigating Committee, for years an administration booster.

At the same time Chairman Robert R. Reynolds (Dem., N. C.) of the Senate Military Affairs Committee expressed doubt that a national service bill re-offered by Senator Warren R. Austin (Rep., Vt.) could survive Committee opposition.

Two top labor leaders, William Green, President of the A.F.L., and Philip Murray, President of the C.I.O., emerged from a conference with President Roosevelt yesterday with "nothing to say." They previously had issued scorching statements against the proposal. And those statements still stand, they said.

The military committee showed no disposition to hurry on the Austin bill, which would require men and women civilians to register for post-

FIRE DAMAGES WAR PLANT IN MASSACHUSETTS

Bay State Smelting Company Warehouse Wrecked and Adjoining Building Levelled in \$100,000 Blaze.

Cambridge, Mass., Jan. 13.—(P)—A furious general alarm fire caused damage estimated at \$100,000 when it wrecked the Bay State Smelting Company war production plant warehouse, levelled an adjoining building in the Boston and Maine Railroad yards and damaged a small structure early today.

The blaze, believed to have originated in a one-story wooden warehouse, jumped to the huge brick warehouse and touched off the smaller structure before it was brought under control by firemen of six cities and towns.

Flames 100 feet high leaped from the Smelting Company building, attracting hundreds to the scene. Firemen were hampered by freight cars on sidings in the Boston and Maine's receiving yards, and were forced to lay hose lines a distance of 800 feet from the Northern artery.

Sparks, driven by a strong wind, threatened other buildings in the heart of the Cambridge railroad yards which housed the wrecked and damaged structures. Firemen threw

Montreal White Collar Workers Go Back To Desks With Union Leaders Agreeing To Government Proposal

Montreal, Jan. 13.—(P)—Everything was back to normal at City Hall today and municipal officials said that "every one reported at the usual hour this morning according to a survey made by our department heads."

City officials added that the return of the 2,000 white collar workers, on strike for 23 days, was "effected quietly and everybody seemed happy to be back to work and ready to clean up the back log accumulated during the past three weeks."

Officially, the walk-out ended last night without the granting of the wage demands of the workers, instead, union leaders agreed to a Provincial Government proposal that the wage dispute be submitted to an arbitration board—an offer rejected three times previously by the strikers.

The call-off order was issued by the "Committee of Nine," representing three unions involved, who have been in direct charge of the strike, on recommendation of the executive committee of the Canadian and Catholic Confederation of Labor: The C.C.C.L., parent body of the largest of the three municipal unions, has been acting in an advisory capacity to the strikers.

The C.C.C.L. Executive Committee made its recommendation a few hours after L. E. Potvin, Chairman of the Quebec Municipal Commission which controls the city's fi-

Huns Offer 5th Severe Resistance

Fighting Patrols Active on Both 8th and 5th Army Fronts—British Destroyers in Adriatic Bombard Enemy Communications Along Coast.

Algiers, Jan. 13.—(P)—French troops fighting with the 5th Army in Italy have taken several important heights against stiff resistance and the Allied offensive toward the key city of Cassino continues, headquarters announced today.

British destroyers in the Adriatic bombarded enemy communications along Italy's East coast and the Air Force attacked Nazi positions around Orsogna in the British 8th Army sector, but otherwise weather restricted air operations.

The village of Cervaro, four miles from Cassino, fell at 4 p.m. yesterday, it was announced here.

The German High Command previously had said Nazi forces withdrew after being outflanked. The communiqué said fighting patrols were active on both the 8th and 5th Army fronts.

A naval communiqué said enemy shore batteries returned the fire of the British destroyers as they steamed near shore at Porto Cervo, 25 miles below Ancona, Monday night and added: "Although accurate it caused no damage."

Pedaso, 10 miles farther down the coast, also was shelled and those aboard the vessels saw a fire spring up.

In addition to the attacks on enemy positions by fighter-bombers, medium bombers blasted the railway junction in the Area area, also beyond the 8th Army line. Two enemy aircraft were destroyed and three Allied planes are missing.

As American troops were entering Cervaro, the French took two high points overlooking the village of Acquafredda, seven miles Northwest of Cassino, and advanced more than half a mile Southwest of Rocchetta, 12 miles Northeast of Cervaro.

Algeria, Jan. 13.—(P)—Allied troops of the Anglo-American 5th Army were pushing on past fallen Cervaro toward Cassino—70 air miles from Rome—today in the face of stiff German resistance and adverse weather.

Yesterday the German High Command announced evacuation of Cervaro, last strongly-fortified point barring the way to Cassino, but Allied headquarters here gave no official confirmation.

Progress toward Cassino, which is on the main inland railroad and highway leading to Rome, has been slow, with Lt.-Gen. Mark Clark, commander of the Allied 5th Army, pre-facing each hard-won advance with heavy artillery barrages.

On the British 8th Army front near the Adriatic coast remains quiet, although it was reported Lt.-Gen. Sir Oliver Leese might order his men to resume their drive on the port of Pescara shortly.

A German broadcast said an im-

Roosevelt Budget Message Calls For 100 Billion

U.S. Aircraft Attack Major Jap Outposts

U.S. Air Headquarters in China, Jan. 13.—(P)—Unescorted American bombers bombed the Japanese aluminum plant at Takao on the Southwest coast of Formosa and the Bangkok railroad yards in Thailand Tuesday, it was announced today.

It was the first blow at Bangkok, 1,500 miles Southwest of Formosa, by bombers from China bases.

(The Japanese said yesterday that Formosa had been attacked, and added today that Bangkok was raided for more than an hour and a half.)

Twelve tons of bombs crashed down on the aluminum plant despite intense anti-aircraft action and started fires. The plant is reported to supply a substantial part of the metal used in Japanese aircraft. Japanese leaders for several months have been appealing desperately for a greatly increased output of planes.

Unlike the November 25 raid on Formosa by medium bombers and fighters when thirty-one enemy planes were destroyed in the air and on the ground, the heavy bombers encountered no Japanese interceptors.

RATION INCREASE FOR NAZI WORKERS

New York, Jan. 13.—(P)—The Berlin radio, in a broadcast directed at Nazi forces in Norway, said today that an immediate increase in rations had been ordered for workers in armament factories and other vital industries in Poland.

MAGNESIUM AND SCRAP RUBBER ARE RELEASED

Ottawa, Jan. 13.—(P)—Canadian-produced magnesium and poorer grade reclaim and scrap rubber now may be used in the manufacture of civilian goods. Munitions Minister Howe announced today.

"The use of poorer grade reclaim and scrap rubber has been freed from restrictions, and these materials now may be used in the manufacture of any civilian article," said Mr. Howe, who last night announced the removal of restrictions on the use of steel and cast iron pipe, wire and wire rod and some types of aluminum.

The Minister defined the rubber materials now available for civilian use as "reclaimed and scrap rubber which have a rubber hydrocarbon content of 45 per cent or less of the total weight, and scrap rubber obtained from the buffing."

The restrictions on magnesium were lifted because Canada now has more than enough for war requirements, he said.

"With magnesium on the free market, it is confidently expected that Canadian metallurgists will be able to devise the new uses for this valuable metal about which there has been so much interesting speculation," said Mr. Howe.

"Light in weight, durable and strong, magnesium eventually may be used in countless articles such as washing machines, vacuum cleaners and other household gadgets, automotive parts, and a long list of other consumer items."

Production of aluminum has also exceeded present war demands, said the Minister in announcing that restrictions had been lifted on the sale and use of aluminum rivets, cast aluminum welding rod, aluminum welding wire, metallizing wire, aluminum wire for annealing and aluminum tie wire for electrical conductors.

Removal of the restrictions followed by a three-week lifting of a ban on the sale and use of scrap aluminum and secondary aluminum ingots derived from scrap.

The lifting of restrictions on the sale and use of steel and cast iron pipe, wire and wire rod will enable manufacturers to produce more water pipe, household pipe, hay baling wire, stove pipe wire, box strapping wire and other items in short supply.

FOUR U.S. AIRMEN DIE IN CRACK-UP

Sioux City, Ia., Jan. 13.—(P)—Four U.S. Army airmen were killed, two others were injured and a seventh escaped unhurt when a heavy bomber from the Sioux City airbase crashed and burned as it came in for a landing at the base last night.

Says Coming Year Will Be "Crucial" in History of United States and Mankind—Period Will See Decisive Action in Global War—Time at Hand for Wartime Readjustments and Preparations for Peace.

By C. R. BLACKBURN
Canadian Press Staff Writer
Washington, Jan. 13.—(P)—President Roosevelt's annual budget message to Congress today asked for \$100,000,000,000 to cover what he hoped would be the decisive effort toward victory and the critical problems of peace.

He requested his astronomical appropriation for the fiscal year ending June 30, 1945—about the same as the estimated total expenditures for the current fiscal year—and said about \$90,000,000,000 of the total would be for war alone.

The eighteen months between now and the end of the next fiscal year would be, he said, a critical time in the history of the United States and of mankind, a period which will see decisive action in this global war.

Total war expenditures by the United States on June 30, 1945, would be \$397,000,000,000, the President estimated, and the total public debt, by then, probably would be \$258,000,000,000.

The deficit on next year's budget would be about fifty-nine per cent of the total, he said, and he urged Congress to increase taxation, particularly on war profits, revenues for the current fiscal year are estimated to be forty-one per cent of expenditures and he did not anticipate any increase in the next fiscal year.

A request by the Secretary of the Treasury for additional taxation of \$10,500,000,000 has been whittled down in the two Houses of Congress to less than \$2,500,000,000, and is still under consideration.

The President said he hoped all the appropriations requested today would not be needed but it was necessary to have authority to spend this amount if necessary.

He assured Congress that the executive would be prepared to adjust expenditures to "changing strategic necessities," and would "use all the authority available to prevent needless expenditures."

Outlining the two-fold purpose of this budget he said: "While we move toward complete defeat of our enemies we must lay the groundwork to return the nation to peaceful pursuits. This double task is the essence of the Government's programme and must be reflected in the budget."

"As we win the battle of production implements of modern war we enter the period of decisive action on many battlefields throughout the world."

"We have attained superiority in war production. Production alone, however, does not assure victory. We must fight and fight hard."

Capital costs for production plant had dropped and would continue to drop. But costs of a growing fighting force would increase.

NEW LEDO ROAD IS PUSHED BY U.S. ENGINEERS

Somewhere in Burma, Jan. 13.—(P)—United States engineers have pushed the new Ledo road through the primeval jungle of Northern Burma almost on the heels of Chinese troops clearing the zone of Japanese.

The results as well as the hazards of this Allied effort were viewed first hand by Lt.-Gen. Joseph W. Stilwell, United States commander in the Far East, on his first tour of Burma since he marched out of the country in May, 1942, after it had been overrun by the invaders.

The results already are good. The new highway which will substitute for the old Burma Road already extends deep into Northern Burma and is being used by trucks. Ahead of the completed road are trails which a jeep may travel and they end only a short distance behind the front lines.

But the retaking of Northern Burma to permit construction of the Ledo road through to the Burma Road is bound to be difficult. The Japanese are unlikely to give up this important area without a terrific struggle.

It is apparent the Japanese lack planes for an aerial supply line for they are using elephants, horses and human porters and living off the land as much as possible.

Stilwell came into this thick jungle where American-equipped and trained Chinese soldiers commanded by Gens. Sun Li-jen and Ling Yao-Hsiang have pushed the Japanese into the upper reaches of the Chindwin River.

The Chinese have been mopping up the Hukawng Valley but the Japanese still hold positions around Taro in the Western part of the valley and Sharaw in the Eastern end. They are using pillboxes made of earth and bamboo so expertly camouflaged they cannot be detected ten feet away. Crackshot snipers who remain hidden in trees for days at a time also are causing trouble.

TEN PEOPLE KILLED IN BRITISH RAIDS

New York, Jan. 13.—(P)—Air raids on Britain last month caused the death of 10 persons the BBC said last night in a broadcast recorded at the CBS short wave listening station.

"Hospital cases numbered 41," BBC continued. "These casualties are a seventh of those of the previous months. Since the war began, more than 48,000 people have been killed in air raids in this country."

Heavy Damage Caused By Flames

Valleyfield, Que., Jan. 13.—(P)—Fire that partially destroyed Chateau Salaberry hotel was brought under control after causing damage estimated at \$100,000 and bringing injuries to two persons yesterday.

It was one of the worst fires in Valleyfield's history, but nearby houses were saved by Valleyfield firemen aided by detachments from Montreal 40 miles East of here.

Mrs. L. P. Godbout, wife of the owner of the hotel, suffered serious burns in the outbreak. Only other person reported injured was her sister, Miss Germaine Monette, who suffered minor burns.

The fire, of undetermined origin, broke out shortly before noon and was under control almost five hours later after threatening to spread to adjoining buildings. Hotel guests and patrons of a restaurant in the building made their way to safety after the outbreak was discovered.

Firemen were hampered early in the fight against the flames because of a lack of water due to frozen hydrants. Montreal firemen, responding to a rush call, arrived in mid-afternoon and the flames were controlled an hour and a half later.

GREATER INTEREST IN POLITICS URGED

Montreal, Jan. 13.—(P)—Gordon Graydon, National Chairman of the Progressive Conservative party, said here last night that if democracy is to become a "living, vital and virile thing" in Canada, the citizens of Canada must take an active interest in public affairs and encourage and participate in political discussions.

Expect Dairy Industry To Benefit From Improved Quality Of Cheese

London, Ont., Jan. 13.—(P)—Recent improvement in the quality of Canadian cheese may have far-reaching effects beneficial to the whole dairy industry, W. C. Cameron, of Ottawa, acting chief of the Agriculture Department Dairy Products Grading and Inspection Service, said today in addressing the Dairyman's Association of Western Ontario annual convention.

Of all cheese manufactured in Canada in 1943, 95.02 per cent was found to be first grade, an increase of 1.34 per cent over 1942.

"Of greater importance is the fact that 70.94 per cent of all cheese graded scored 93 points or higher which is an increase of 4.91 per cent," Mr. Cameron said.

Total cheese gradings in 1943 were 22.54 per cent less than in 1942. The decrease was unfortunate

because of the United Nations' need for food, but it did not indicate a slackening of the production effort, as milk output had been maintained. The demand for all dairy products for home use and export had been exceedingly heavy in the past year.

The improved quality of cheese had resulted in producers receiving larger payments in premiums. While the production of cheese had dropped 22.5 per cent, the disbursement of premium payments by the Dominion was down only 16.7 per cent.

Mr. Cameron said that butter production had increased and quality improved in 1943, with 314,024,353 pounds manufactured, a gain of 11.67 per cent over 1942. Of all butter graded in Canada last year, 34.79 per cent was scored 83 points or better, an increase of 1.29 per cent.

U.S. Torpedo Boats Sink Barges Crowded With Japanese Soldiers

Japanese Cut Off Escaping Jungle Trap

Allied Headquarters, New Guinea, Jan. 13.—(AP)—Swift patrol-torpedo boats of the United States Navy, darting at night among barges crowded with Japanese, are blasting to the bottom of Villavieja Strait many of the enemy trying to escape a jungle trap closing on them along the Huon Peninsula coast of New Guinea.

Allied Headquarters reported the sinking of nine barges and the severe damaging of eleven others by P. T. boats operating in darkness offshore between Saidai and Sio.

"Many of the barges contained enemy troops," the communique said.

Australians now are battling North-westward within five miles of Sio. From Saidai, invaded by U. S. 6th Army elements from the sea January 2, the other half of the nutcracker is being pushed Southeastward. Japanese trapped within the approximately 55 intervening miles, are taking to barges, preferring night movements apparently in an effort to avoid Allied bombers.

In all, headquarters reported the aerial and naval destruction of 43 more barges, including two loaded with troops which were sunk by U. S. Marine artillery while seeking to reinforce Nipponese now battling American invaders at Birgen Bay on Northwestern New Britain.

Moving swiftly in the wake of advancing Allied fighting fronts in the Southwest Pacific, Gen. Douglas MacArthur's air arm has shifted its bases forward and is smacking the Japanese along their vital supply and troop lines.

Within the past week the 5th Army Air Force has struck twenty-four heavy blows at enemy bases along the Northeast coast of New Guinea, using heavy and medium bombers operating from airfields North of the towering Owen Stanley mountains.

more than 80 towns and villages fell to the advancing Russians.

Captured in the Mozor offensive were Davidovich, 24 miles North of Mozor on the railway to Zhiobin, and Kozlovich, two miles West of the rail line previously severed by Soviet spearheads. The Germans resisted savagely in this sector, but their counter-drives were smashed and they fled the field, leaving behind 2,000 dead and many prisoners, the Soviet communique said.

The capture of Saray and the drive on Dombrovitsa forced the Germans back 195 miles to Brest-Litovsk for their next North-South supply line.

minant large-scale offensive was indicated, with large reinforcements of men and materiel moving up to the 8th Army lines.

The Greek port, Piraeus, was hit hard by an aerial one-two punch, the Allied communique reported yesterday. American bombers by day and R.A.F. bombers by night blasted harbor and railway installations.

American bombers also struck at railroads at Falconara, Northeast of Rome, and at Fabriano in North Central Italy. Night bombers attacked an iron and steel works at Pombino on the Italian West coast 40 miles South of Leghorn.

In all these operations, 11 enemy planes were shot down as against loss of seven Allied craft, the communique said.

Algiers, Jan. 13.—(AP)—Allied headquarters officially announced today that the West Nova Scotia Regiment has been fighting in Italy up to December 14, 1943.

The West Nova Scotia Battalion has been generally known to be in Italy, as part of the Canadian 1st Division with which it fought throughout the Sicilian campaign last summer, but its presence on the Italian mainland had not previously been formally announced.

Today's brief announcement gave no details. The West Nova Scotians are the 10th Canadian unit to be formally identified as fighting in Italy. The nine others are:

The Royal Canadian Regiment, the 48th Highlanders of Canada (Toronto) and the Hastings and Prince Edward Regiment, which together make up the 1st Brigade of the division.

The Princess Patricia's Canadian Light Infantry, the Seaforth Highlanders of Canada (Vancouver) and the Loyal Edmonton Regiment, which make up the 2nd Brigade.

The Carleton and York Regiment (New Brunswick), the Princess Louise Dragoons and the Three Rivers Tank Regiment.

Also known to be in Italy, though not formally identified by headquarters up to now, is the Royal 22nd Regiment of Quebec. All these battalions fought in Sicily before the invasion of the Italian mainland.

All-Time High

Continued from Page 1.

7.—Exports of non-ferrous metals such as aluminum, copper, nickel, lead and zinc increased from \$183,000,000 to \$333,000,000.

8.—Exports of chemical products jumped from \$2,400,000 to \$86,000,000.

"The growth of our export trade during the war period has far exceeded the substantial rise in imports entered for consumption, so that in 1943 our favorable balance of commodity trade will exceed \$1,350,000,000," Mr. MacKinnon said.

"That enormous figure, which is exclusive of our exports of newly-mined gold, was more than 12 times the favorable balance of commodity trade recorded in 1940, when it was \$111,000,000."

"Canadians may well be proud of their achievement on the home front in 1943."

Montreal White

Continued from Page 1.

benefit the workers had won when the strike was called off was an increase of 25 cents weekly in the cost-of-living bonus of \$3.25.

However, the Government made it clear in its eight-point proposal that it considered wage adjustments were necessary and this was taken by the strikers to indicate the probability that higher wages would result from the Conciliation Board report.

The call-off order came just as there were indications that the strike—peaceful for its first 22 days—was beginning to take a more serious turn. A number of minor incidents were reported yesterday as "flying squads" of strikers toured the city to make sure that employees in local rationing boards, city clinics and other scattered establishments were in the strike.

The order came, too, a short time after Miss Eileen Flanagan, President of the Association of Registered Nurses of the Province of Quebec, said in an interview that the closing of Child Welfare and other health clinics in the city as a result of the strike was "a shameful and harmful disgrace."

"Whatever the reason or causes of the strike," she said, "there is no earthly sense to allowing children and mothers to suffer by it."

Truman Fights

Continued from Page 1.

sible labor conscription. It postponed further hearings until next week and Reynolds said several weekly meetings would be held before any action is taken.

Truman, whose committee has investigated practically every phase of the war effort, said he would oppose a civilian labor draft "unless something very convincing can be presented to show there is a need for it."

"As a matter of fact," he told a reporter, "we're at the peak of the manpower problem now and we can expect it to ease before long."

DETAILED WEATHER

FAIR

Forecast: Fresh winds; fair today and Friday, not much change in temperature.

STILL OPERATOR IS FINED \$100 IN LOCAL COURT

Pleading guilty to a charge of being in possession of a complete still, Levis DeLafontaine, of Ascot Townships, R.R. No. 1, Sherbrooke, was fined \$100 and costs by Judge J. H. Lemay in Magistrate's Court yesterday. The charge was laid under the Excise Act of Royal Canadian Mounted Police.

Acting on a tip, police told the court that the accused was about ready to begin distilling operations when they surprised him in a raid on the night of January 6. They said that ten gallons of mash were seized, as well as thirteen ounces of alcohol, apparently previously distilled.

The raid was conducted by Corporal R.W.M. Smith of the Sherbrooke detachment of the Royal Canadian Mounted Police, who was assisted by Constables R. B. McDonald and Jeff Charles.

Police said that it was the first complete still they seized during the past twelve months in the Sherbrooke district.

Roosevelt Budget

Continued from Page 1.

and other war agencies. But this total was a drop of 205,000 from the peak employment period of last June.

The President said there was as great a responsibility for ensuring maintenance of a peacetime economy as for winning the war. A great public works and improvements programme would be necessary in the post-war period and plans were being drawn up for it.

The President urged Congress not to alter the contract renegotiation laws, under which war production costs can be whittled down, or the automatic doubling of the one per cent social security levies which would have gone into effect January 1 except for Congressional action temporarily delaying the effective date.

He advised the lawmakers, too, that his estimates are based on the assumption that the wage and price line will be held.

Mr. Roosevelt said late 1942 saw the end of defensive warfare, followed by "the period of aggressive deployment of our forces."

He said January, 1944, marks the beginning of "offensive warfare," the last phase of the war.

While foreseeing the twin possibilities of an unfavorable turn in military events or victory in Europe "earlier than assumed," the President declared the time is at hand not only for wartime readjustments but for preparations for peace.

"Demobilization begins long before hostilities end," he added in setting forth seven problems he said require a "positive, not negative" approach to assure the soldier, the worker, the businessman and the farmer "against economic chaos."

He listed contract termination, surplus property disposal, industrial reconversion, manpower demobilization and re-employment, public works planning, veterans' legislation and social security, and international readjustment.

"While we are still expanding war production," the message said, "we have already terminated more than \$12,000,000,000 of war contracts; while we are still increasing the size of the armed forces, we have already discharged 1,000,000 men and women. If hostilities end on one major front before they end on other fronts, large-scale demobilization adjustments will be possible."

He said necessary while we are still fighting a major war."

Mr. Roosevelt said in addition to his thin distinction between "war" and "non-war" spending, still another classification—"aftermath-of-war"—is emerging.

In this category he placed three-fourths of the \$9,750,000,000 item for interest on the national debt, more than half the anticipated \$1,250,000,000 outlay for veterans, and a large portion of the \$1,799,000,000 contemplated as the cost of refunds, primarily excess profits and other war-time taxes.

Excluding such costs, Mr. Roosevelt said, the total of "other" governmental activities would continue the "steady decline which has been maintained since 1939."

A brief footnote in the main budget document said the estimates were being delayed "because of possible material changes in war conditions."

President Roosevelt said production of civilian goods would be resumed just as fast as munitions requirements would permit—but no faster.

"In a number of cases," he reported, "labor and material have been released for urgent domestic needs of indirect war importance."

"We shall release for civilian production any facilities, manpower, or raw materials that are no longer needed for war production, but only when we are sure that by doing so we shall not impair the war effort."

The twelve budget messages President Roosevelt has sent to Congress account for more than three times as much money as all his thirty predecessors spent.

The \$99,679,000,000 Mr. Roosevelt projected today for the fiscal year beginning July 1 brings his total of actual contemplated federal spending to more than \$378,600,000,000—more than \$295,000,000,000 of which was labelled for defence or war.

From George Washington's presidency until Herbert Hoover left the White House (including the remainder of the 1933 fiscal year for which he submitted the budget), governmental costs were roughly \$112,000,000,000.

Busy Period Comes Under Review At Meeting Of Y.W.C.A. Directors

The regular meeting of the Y.W.C.A. Board of Directors was held at the MacKinnon Memorial Building, with Mrs. George H. Carr presiding. Miss Brent, the General Secretary, conducted the brief opening devotional exercises, reading a passage from "The Prophet."

Miss E. Haight, the Treasurer, presented the financial report covering the two buildings, for the month of December. This report showed the following totals: Receipts, \$1,131.93; disbursements, \$1,718.15; balance in the bank on December 31, \$2,053.59; total accounts payable, \$294.94.

The Treasurer also read a letter from the Rotary Club, which had accompanied a cheque for \$100 to be used in the work of the Association. The President announced that the donation had been acknowledged most gratefully and, as requested, a proposed plan for using the money had been outlined.

Miss Haight then announced that a cheque for \$213.45 had been received from the W. S. Davidson estate, as well as advice that bonds to the extent of \$14,000, plus accrued interest, would be turned over to the Y.W.C.A. These additions to the Association's funds were very sincerely appreciated by all members.

The General Secretary, in her report, reviewed the activities of the Association since September, and then went on to say: "Our picture of the past few months is one of which we may be proud. Before us stretches another period during which we may build higher the structures whose foundations have been laid in these past few days. Foundations are often fairly easy to lay; the rest of the structure is more difficult. To us, as Board, Committee and staff, comes the challenge to go into the new year with a vision of what can be accomplished, faith that it can be done, courage to face and overcome difficulties, willingness to be tolerant, co-operative, generous in our attitudes towards others, and the assurance that where we work well, guidance and strength for the task will be granted to us."

The Corresponding Secretary, Mrs. W. S. Sutherland, read a letter from M. N. Tracy, thanking the Association for the use of the MacKinnon Memorial Building for a party for the blind of the district. Letters from Miss Rupert Wiggitt and Miss Louise Gaters were also read.

The report of Miss Frances Christie, Physical Director, told of the Christmas party for the tiny tots, when 35 very excited children were entertained, and of the party given the juniors and intermediates, when 75 children were present. Miss Christie thanked the members of the Health Education Committee for serving refreshments at these parties, and also Mrs. Carr for telling such a lovely story to the tiny tots. The Physical Director explained that the High School and Business Girls' gym classes were included in the All-Association Christmas party. Classes closed for the holidays on Thursday, December 16. Total enrollment in classes for the month was 221, and 92 persons used the swimming pool during the same period. Miss Christie also reviewed the December budget for the Health Education Department.

The War Services Secretary, Miss Ruby Hunt, reported on the "Open

House" at the Rendezvous on Christmas night. About 75 men who could not get home for Christmas were present, and 25 of the Co-Ed girls also attended. The men started to arrive about 7 o'clock and played games until the young ladies arrived, when dancing began. Mr. E. Blouin had very kindly allowed the free use of a nickelodeon for the evening.

Miss Hunt also reported on a tea which was held by the War Services Committee before Christmas for the wives of officers at the Windsor Mills Flying Training School. About twenty of these ladies were guests on that occasion.

A Christmas party was held at the Windsor Mills Flying Training School, when the new recreation rooms were opened. About forty-five members of the Co-Ed Club accompanied the ladies of the War Services Committee to Windsor Mills for this party. The donations from the Citizens' Committee for the two Christmas parties for the men in uniform were most appreciated.

Mrs. E. M. Wiggitt was appointed as the representative of the Board on the "Members' Council."

To keep this Association in touch with the thought of the large Canadian organization, Mrs. Carr presented the following resolutions, evolved during the discussions at the annual meeting of the Y.W.C.A. These resolutions are being considered by National Council.

1.—It was decided that the "Purpose" of the Association was not broad enough to meet present needs. It was therefore resolved that the National Executive be empowered to appoint a group of people, under the Secretary for Membership, in order to study the wording of the "Purpose" and bring in a report before the next annual meeting.

2.—It was resolved that a nationwide committee, to study minimum standards for Y.W.C.A.s in Canada, be authorized, and that an amount to make possible the calling together of such a committee be included in the National Council Budget for 1944, the Committee being asked to prepare a report for action at the next Convention.

3.—In view of the necessity of immediate action, to relieve the desperate plight of Anti-Nazi refugees in Europe, the World Fellowship Committee of the National Y.W.C.A. identify itself with other national organizations which are urging the Government to offer the refugees temporary asylum or permanent settlement in Canada.

4.—In order to base the reconstruction programme of the Y.W.C.A. on facts rather than on theory, it was recommended that the National Council immediately set up a commission, whose responsibility will be to direct and co-ordinate the thinking of the Association on reconstruction.

Mrs. Colin Campbell was appointed convener of the Committee to arrange the marathon bridge which is to be held in February and March, in aid of the Mrs. Winston Churchill Fund.

Miss Haight moved that the present Nominating Committee should act until after the annual meeting in February. The Committee, under the chairmanship of Mrs. Campbell, therefore took charge of the nomi-

nationing of the new Board of Directors.

The meeting closed with a prayer by Mrs. Carr.

The meeting was held in the MacKinnon Memorial Building, with Mrs. George H. Carr presiding.

This War Four Years Ago

By The Canadian Press

Jan. 13, 1940.—British scouting planes flew over Bohemia and Moravia in wide survey flight, German air raiders shot down over Firth of Forth. Russians bombed Helsinki, capital of Finland for second day in succession.

DIRECTOR

WHITMAN TAYLOR-BAILEY, of Montreal, whose appointment as Director of The Royal Bank of Canada was announced today.

Mr. Taylor-Bailey is Vice-President and General Manager of the Dominion Bridge Co. Ltd., Lachine, Que., Vice-President of Fairchild Aircraft Limited, Robt Engineering Works Ltd., Amherst, N.S., Eastern Canada Steel and Iron Works, Quebec, and a Director of a number of important Canadian firms.

LENNOXVILLE

Annual meeting of the Lennoxville Branch of the Canadian Red Cross in the workroom on Wednesday, January 19, at 8 p.m.

General Notes: Word has been received by Mrs. C. Caswell, Clough Ave., of the safe arrival overseas of her husband, Gnr. C. Caswell.

Friends of Mrs. Daisy Saunders, Main Street, will regret to hear that she is a patient in the Sherbrooke Hospital where she underwent an operation yesterday.

Mrs. John Sample was hostess to the Mayfair Christmas Club at her home on Reid Street where bridge was played at two tables. The winners were Mrs. Wall and Mrs. Boisland.

Recent guests at the home of Mr. and Mrs. John Sample, Reid Street, were Mr. Alex Buchanan, Mr. and Mrs. Earl Crawford and daughter, Lois, and Mr. Gordon Kerr and Miss Irene Kerr, of Island Brook.

up water screens to protect freight cars loaded with perishable goods and war materials.

Fifteen thousand gallons of turpentine stored in one of the damaged buildings withstood the terrific heat of the fire.

TYPHUS EPIDEMIC RAGES IN NAPLES

Cairo, Jan. 13.—(C.P.-Reuters)—Middle East Headquarters said today that a typhus epidemic is raging in Naples, much worse than the outbreak last October. Allied medical officers are giving all possible aid to the civilian population, the statement said.

Brig.-Gen. Leon A. Fox, Field Director of the United States Typhus Commission who has just arrived here from Italy said that Naples is seriously threatened and the menace can be expected to extend to Southern Italy.

He said that no cases are reported among the Allied troops but that more than 30,000 Italians are being treated daily with anti-vermin powders.

"Flying Squadrons" of doctors are standing by to go to outlying districts if any further outbreaks are reported.

nations (conducted by ballot), which were a feature of this meeting. This procedure was in accordance with the new Constitution and By-Laws, approved during the year.

Mrs. Carr asked for the approval of the meeting to appoint a committee to meet with Miss Brent to plan for the annual meeting. The Committee appointed included Mrs. W. Davey, Mrs. W. Sutherland, Mrs. E. G. Bascam and Miss Alice Hutchinson.

At the close of the meeting tea was served.

Although Mr. Don Johnston is on Active Service, Johnston's Funeral Chapel will continue to serve as in the past.

The services of an excellent Funeral Director and an Embalmer have been secured and we can thus assure the public the same complete satisfaction in the future as in the past.

JOHNSTON'S FUNERAL CHAPEL

Members Of Social Club Entertain British Airmen Now Stationed At Bishop's For Special Programme

Continuing with the round of activities held in honor of the members of the R.A.F. Transport Command who are presently stationed at Bishop's University the members of the Social Club of this city were last night the hosts at a dinner given in their honor.

The dinner was held on the regular monthly meeting night of the club and the officials thought that this would give the members of the British force some idea of the way in which French Canadians conducted their meetings. The meeting was presided over by the President Dr. Richard Gaudet who welcomed the guests of honor of the club.

Mr. Justice J. Delma Landry the first speaker of the evening said that he was honored to have been chosen as the member to extend a most hearty welcome to the men in English. He told them that they were the guests of a part of the Province of which everyone was proud and he said that the institution at which they were staying was highly respected by everyone in the Province. Bishop's University is truly a little piece of England in Canada, the speaker told the men.

In speaking of the plan which brought the men to the University Justice Landry said that it was one of the finest that he had ever heard of and he told the men that while they were there that he hoped they would make the best of the lectures and courses that they were taking to teach them more about Canada and the Province of Quebec. "The lectures which you are receiving will give you a much broader idea of what Canada is and of what the people think and hope and fight for," the speaker said. "By being guests of this French Canadian Social Club tonight you are being given a first hand opportunity of seeing how they live and get along with the English because the way these men are carrying on tonight is only a sample of the way in which they work in harmony and accord in their everyday lives." This is one

AGREED UPON INCREASE FOR LOCAL FORCE

It was announced at the City Hall today that the City Council and a delegation of officials of the Independent Association of Police and Firemen, Inc. of Sherbrooke, "agreed" on a wage scale increase and other clauses contained in a contract, at a special meeting held last night. The bargaining agreement, submitted by the independent syndicate of the local police and fire force to the City Fathers, requested a general raise in salary and other provisions.

Officials, however, have not as yet made public the raise asked for and the increase actually granted by the Council, but it was understood in City Hall circles that a "compromise" was made at the session, following a lengthy debate by Acting Police Captain Edouard Moreau, President of the syndicate, and its legal adviser, Attorney Maurice Delorme.

The altered contract will be submitted by President Moreau to members of the police and firemen's syndicate at a meeting to be held today or tomorrow. If it is approved by the group, the agreement will come before the City Council at its regular meeting on Monday night for final approval.

The Association was represented by all its officers and directors. Those present in addition to President Moreau were Sgt. Detective Pierre Arcand, Vice-President; Constable Leopold Bignoness, Secretary; Roger Dion, Treasurer, and Directors, Corporal Herve Perusse, Constables Theodore DeGrace, A. Gosselin and Jean Donahue, and Majella Vigneault, Secretary of the Sherbrooke Police and Fire Department.

The local department has seventy-five members. Its association was sanctioned by an Order-in-Council late last year at Quebec.

WORK REVIEWED BY I.O.D.E. AT LENNOXVILLE

Lennoxville Maple Cone Chapter, at their regular monthly meeting, received the report of Mrs. A. L. Kuehner, which stated that sixteen baskets were packed and delivered before Christmas at a cost of \$42 of which all but \$7.50 had been covered by special donations.

The meeting was presided over by the Regent, Mrs. M. G. Stewart, and there was a fair attendance.

Mrs. R. L. Young, the Treasurer, reported satisfactory balances in both the General Fund and the War Fund of the Chapter.

Reports received from secretaries and conveners showed that work was going on in all branches of the Chapter's endeavors.

Miss C. A. Davis, Educational Secretary, had sold 31 calendars, given four to the local schools and hung one in the Institute Room.

Miss G. M. Stevens, Echoes Secretary, reminded members that subscriptions were due in February.

Mrs. J. B. Winder, War Work Conventor, reported 20 articles received during the month. A large number of cards and letters of thanks for chocolates and ditty bags were read by the Secretary.

Commenting on the letters, Mrs. Stewart emphasized the large part played in all these efforts by Mrs. Winder and thanked her once again for all her work in connection with War Service activities.

Mrs. A. O. Kruming had packed another box, containing 40 books and 150 magazines, for the I.O.D.E. camps libraries. A total of 600 books and over 1,000 magazines had been collected during the year for this object, as well as scrapbooks, playing cards and games.

The Regent called for the report of the Nominating Committee, which was read by Mrs. R. M. Boright. The slate of officers for next year was approved by the meeting and ordered posted, as usual, in the entrance of the Town Hall until the annual meeting.

An executive meeting was arranged for Saturday, February 12, at Mrs. Stewart's home.

This year the February meeting falls on St. Valentine's Day and also the day following "Founder's Day," February 13, when the I.O.D.E. was inaugurated. It was decided to serve tea after the meeting. In order to give time for the reading of reports and the election of officers, the meeting will be called for 2:30 instead of three. In this way, tea can be served without any undue delay.

This concluding the afternoon's business, the National Anthem ended the meeting.

So far the project has proven to be a success and Dr. McGreer said that he thought in due time the other universities from coast to coast would adopt the project and carry on the good work which has been started in the Eastern Townships.

Among those seated at the head table were Professor A. L. Kuehner, Hon. J. S. Bourque, Rev. B. Jones, E. Genest, Mayor Ross, Rev. A. H. McGreer, Mr. Justice J. Delma Landry, Professor A. V. Richardson, Hon. J. Nicol, Lt.-Col. A. A. Munster, Maurice Ginguere, M.P., F. L. Rust, Canon N. Codere, S. R. Newton, E. N. Holtham, G. Nadeau, L. Thibault, C. Mignault, F. L. J. Whitmore, F. L. G. Perrault, Major C. H. M. Church, L. Belanger, R. Webster, A. Labegee, L. Codere and Dr. Richard Gaudet.

Annual Exchange Of Visits Made By Local Snowshoe Club Members

Carrying on the custom of half a century wherein the members of the Sherbrooke Snowshoe Club and the Tuque Rouge have exchanged visits each year, some sixty members of the senior French snowshoe club of the city were the guests of the Sherbrooke club last evening at the Prospect Street clubhouse.

Members of both clubs gathered at the Magog House and from there, headed by the band of the Tuque

Rouge, the parade moved off, proceeding up Montreal Street and Portland Avenue to Howards where cars were waiting. Many of the participants took advantage of the transportation facilities provided, although a substantial number carried out the original purpose of both clubs and tramped to their destination.

The programme at the clubhouse opened with a short presentation by the drum band of the Tuque Rouge, which was followed by a number of volley ball engagements.

The traditional supper of baked beans and brown bread followed.

The guests were welcomed in a French address by Howard Kennedy, President of the Sherbrooke Snowshoe Club. Charles Vincent, President of Tuque Rouge, thanked their hosts for the hospitality extended in an English address. Other speakers included Emile Lafontaine, Honorary President of Tuque Rouge, and F. S. Rugg, K.C., President of the Sherbrooke Snowshoe Club. The latter recalled some of the earlier visits exchanged between the members of the two clubs.

Dr. A. N. Dupuis praised the spirit of good-will displayed by the two clubs, with other brief remarks being made by Senator Charles B. Howard, Edgar Gervais, A. C. Skinner, Reginald Smith, Henri Thibault, Rodolphe Langue, M. Lefebvre, Secretary of the St. Francois Club, and Rene Robillard, director of Le Boucanier of Montreal.

The entertainment opened with a sing-song led by the Chorister of the Sherbrooke Snowshoe Club, followed by a musical duet by D. C. Sterling and G. A. Reynolds, of Lennoxville; a song, "Flying Clouds," by David Trudel and several musical numbers by the East Sherbrooke Choir under the direction of Georges Sylvestre.

The meeting closed with O. Canada, and among the out-of-town guests were M. Franks, of Toronto, introduced by Nelson Lothrop, and Paul Oumet, of Montreal, by Leslie Hooks.

ATTENDANCE AT BLOOD CLINIC LITTLE HIGHER

Forty-Three Donors Present Last Evening. Although Approximately One Hundred Were Called—Clinic Held at Airport.

Officials at the Blood Donor Clinic were more encouraged with the number of donors who attended last evening's regular clinic, although many who had been called failed to come or to notify the clinic office.

It would be greatly appreciated if a person who receives a card to be present as a donor at a particular clinic and time but who finds it impossible to attend would let the clinic know so that others might be called.

Approximately one hundred cards were sent out for last night's clinic and forty-three donors responded. This is not as good as it should be, but it at least shows an improvement over previous clinics.

Yesterday morning the mobile clinic went to the Windsor Mills Flying School, where thirty-one donors gave blood. This number included airmen, members of the staff and several young ladies employed at the school.

On Tuesday afternoon next the mobile clinic will proceed to Beebe, where arrangements have been completed to hold a clinic in the Red Cross rooms.

FIRES EXTINGUISHED
Two stovepipe blazes and a chimney fire were put out by the Municipal Fire Department yesterday.

These occurred at the homes of Emile Robert, 39A Brown Street; A. Hatch, 119A Quebec Street, and Raul G. Geoffrois, 56 Cummings St.

Total damage was negligible.

South Carolina grew tea as early as 1848.

Three Men Fined \$25 And Costs On Mobilization Regulation Breaches

Medard Dubois, of Windsor Mills, was fined \$25 and costs by Judge J. H. Lemay in Magistrate's Court yesterday when he pleaded guilty to a charge of failing to report for medical examination in violation of the National Selective Service Mobilization Regulations. Dubois was turned over by Royal Canadian Mounted Police to military authorities at the Lord Sherbrooke Centre, of Sherbrooke, who also pleaded guilty to a similar count.

Paul Emile Dube, of Sherbrooke,

was assessed \$25 and costs on a charge of not re-registering in a judgment handed down by Judge Lemay. The case was taken under advisement on December 15 when Dube pleaded guilty. However, he was not ordered into the army because he is engaged in war work at a local plant.

When R.C.M.P. and Military Police raided local bowling alleys, pool rooms and taverns on November 20, Dube and Bourque were two of the thirteen men rounded up in the series of sweeps.

Given his third remark was Patrick H. Blais, of Ascot Corner, charged with not reporting change of address to the Divisional Registrar. A further investigation is being made by the Mounties, since accused contends that he is a farmer.

Found guilty on two of three breaches of the Excise Tax Act, Lorenzo Desruisseaux, operator of the Mount Pleasant Club, was fined \$25 and costs on each violation by Judge Lemay. The other charge was dismissed. Information in the cases was lodged by the Department of National Revenue, Excise Branch.

The companies concerned are the Asbestos Mine Corporation, Black Lake, the Asbestos Corporation of Viny Ridge, the Johnsons Company and the Bell Asbestos Mines, Limited, Thetford Mines.

The number of employees involved in the four local total about 1,400.

Nutmeg "Packaged" Well.

Well packaged by nature is the nutmeg. Its outside covering is a peachlike fruit, inside which is a pulpy, bright red mace, inside which is a brown kernel, inside which is the nutmeg.

Quality, Cleanliness, Service:
Our Motto.

Do You Suffer From Headaches?

It is hard to struggle along with a head that aches and pains all the time.

A headache need not be an illness in itself, but it may be a warning symptom that there is intestinal sluggishness within.

To help overcome the cause of headache it is necessary to eliminate the waste matter from the system. Burdock Blood Bitters helps to remove the cause of headaches by regulating the digestive and biliary organs, neutralizing acidity, regulating the constipated bowels and toning up the sluggish liver, and when this has been accomplished the headaches should disappear.

Fortin, C. H. Ferrier, A. E. Selby, W. R. Legge, L. S. Ingalls, A. J. Shepherd, E. T. Baker, E. H. Spencer, J. P. Onion, E. H. Christie and F. H. Baker.

IN THE WOMEN'S SPHERE

PRESIDENTS OF GUILD HONORED LAST EVENING

St. Peter's Guild Closed Year of Fine Achievement, and Elected New Officers.

Mrs. Everett Bayley, retiring President of St. Peter's Guild, and all members may well feel justly proud of the success achieved by their united efforts during the past year, reports on which were presented at the annual meeting held yesterday afternoon in the Parish Hall.

with the retiring President in the chair.

The general annual report of the Guild's activities, and the financial statement were both presented by Mrs. Henry Barlow, who for some time has so efficiently filled the dual position.

These reports were most encouraging, and revealed that both socially and financially, the year just closed, had under the capable Presidency of Mrs. Bayley proved to be successful beyond all expectations.

The Reverend Russel F. Brown assumed the chair for the election of officers, and the results follow: Mrs. R. F. Brown, Honorary President; Mrs. James Strickland, President; Mrs. Walter Byham, Mrs. J. Plamondon and Miss E. A. J. Wilson, First, Second and Third Vice-Presidents, respectively; Mrs. Albert Byham, Secretary, and Mrs. Henry

PRETTY PROTECTOR

MARIAN MARTIN
Pattern 9004

There's young, refreshing smartness to Pattern 9004 with its deep, U-shaped neck and cute midriff effect. It's cut to look pretty over the nice frocks it protects so efficiently. Note how beautifully it covers you all up. The ruffling may be added or omitted.

Pattern 9004 comes in sizes small (32-34), medium (36-38) and large (40-42). Small size, 1 1/2 yards 55-inch, 3/4 yard for contrast ruffles. Send twenty cents (20c) in coins (stamps cannot be accepted) for this pattern. Write plainly size, name, address and style number. Send your order to Sherbrooke Daily Record, Pattern Department, Sherbrooke, Quebec.

WARDEN

Miss Myrtle Bowker, of Montreal, L.A.C. Clayton Bowker and L.A.C. John Butler, of Alberta, who is stationed in New Brunswick with L.A.C. Bowker, spent a holiday week-end with Mr. and Mrs. F. Bowker and family.

Miss Dorothy Wallace has returned to her teaching duties at King's Hall, Compton, after spending the holidays here with her parents.

Barlow, Treasurer.

Mrs. Fred Pearson was named to the Executive; Mrs. T. C. Hurn, Mrs. Fred Povey and Mrs. George Povey, to the Sewing Committee; Mrs. William Ward, Mrs. Northey and Mrs. Everett Bayley to the Food Committee; Mrs. Milo Lothrop and Mrs. J. R. McGregor, Supper Committee, and Mrs. Milo Lothrop, Tea Committee.

There ensued a happy interlude when Mrs. James Strickland, the newly-elected President, made a presentation on behalf of the members to her predecessor in office, and voiced their thanks and appreciation for Mrs. Bayley's untiring devotion during her two years as Chief Executive of St. Peter's Guild.

In turn Mrs. Strickland was warmly welcomed by all members, as she assumed the chair, and after thanking them for their expression of confidence in her election, new business was taken up.

The serving of refreshments at the annual Vestry meeting was discussed, and it was agreed to follow last year's precedent and also not to serve refreshments at Vestry meetings for the duration.

The meeting adjourned and during the pleasant social hour which followed, tea was served informally.

British soldiers can take courses in 82 subjects, including astronomy, Hindustani, business methods, drama and banking.

Social and Personal

Mr. and Mrs. W. E. Hodge, London Street, received a cable this morning from their son, Gnr. James Hodge, informing them of his safe arrival in England.

Mr. and Mrs. Robert Sells, of Kingsley Falls, Que., announce the engagement of their eldest daughter, Annie Kathleen, to Howard Rayson of the late Mr. Fred Frost and Mrs. Frost, of Danville, Que.

Mrs. O. R. Webster who since her return from Toronto, where she spent the holiday season has been in Montreal and at her home in Sherbrooke, left this morning to visit friends in Boston and in Portland, Maine.

Mrs. Harris Miller was hostess for this week's meeting of the Friendly Christmas Club, members of which assembled at her home on Prospect Street, yesterday afternoon. Cards were played at two tables, the prizes being won by Mrs. E. Samson and Mrs. E. Davies. At the conclusion of the game the hostess served refreshments, assisted by Mrs. Jean Miller and Mrs. W. Carter. Mrs. Will, Magog Street, will entertain the members for the club's next meeting.

Members of St. Mary's Guild, who met last evening in St. Paul's Parish Hall, under the presidency of Mrs. J. Allanson, first disposed of business and then enjoyed a friendly game of bridge. The minutes as read by the Secretary, Mrs. Irvin Smith, were approved, as were the suggestions to hold a Valentine tea party on February 12th. The President welcomed a new member to the Guild, following which bridge was played, the prize being won by Mrs. William Willard. On February 27th Mrs. John Ford will entertain the members at "The Rectory," McManamy Avenue. Before dispersing tea was served informally, by several members of the Guild.

Mrs. John Macdonald entertained the members of St. Andrew's Ladies Aid yesterday afternoon at her home on Belvidere Street, where, under the Presidency of Mrs. Arthur M. Edwards, plans for future activities were formulated. Final arrangements were made for the supper to be given in the Church Hall on January 18th prior to the annual congregational meeting. Further plans included a tea and musicale on March 8 and the Aid's Birthday Tea on May 17. Later the hostess served tea and dainty refreshments, Mrs. Lewis Dunsmore doing the honors at the pretty tea table which was covered with a hand-embroidered cloth, and centered with a plant in bloom. Assisting in the tea room were Mrs. A. J. Morrison and Mrs. Benjamin Dean.

MIND YOUR MANNERS

Test your knowledge of correct social usage by answering the following questions, then checking against the authoritative answers below:

1. If a friend or neighbor is willing to keep your house plants or pets while you are away should you expect her to come after them and bring them back?

2. If you have someone come in to stay with your children should you give the person an idea of how long you intend to be gone?

3. Should you impress on your children the fact that they must obey the person who watches them while you are away?

4. Should you teach your children that it is even more important to take care of the possessions of others which they happen to be using, than of their own?

5. When paying a person you have hired to do a certain job should you say "Thank you"?

What would you do if—
You are borrowing an article from a friend—
(a) Accept his offer to deliver it to you?
(b) Arrange to pick it up yourself?

Answers

1. No.
2. Yes.
3. Yes.
4. Yes.
5. It is the gracious thing to do when paying for services.
Better "What Would You Do" solution—(b).

Friends of Miss Becky Grease, Lennoxville, will regret to hear that she is a patient in the Sherbrooke Hospital.

Mrs. Chester Caswell, Clough Avenue, Lennoxville, has received word of the safe arrival Overseas of her husband, Gnr. Chester Caswell.

Friends of Mrs. W. A. Clearhuc, Queen Street, will regret to hear that she is again a patient in the Sherbrooke Hospital.

The Misses H. W. and Jeanne Breault entertained delightfully at their apartment home, 86 Court Street, on Saturday evening, in honor of Mrs. Laurier Bacon, who has just recently arrived from England.

Tpr. Carl Bonnalie was the guest of honor last evening at a largely attended farewell party given by his friends in the Community Hall, Brompton Road. Dancing and cards were enjoyed by upwards of sixty guests, and at the close of the evening delicious refreshments were served by Mr. and Mrs. Douglas Ross, Mr. and Mrs. Lemuel Clark, Mr. and Mrs. Murdo Macdonald, Miss Virginia Brown, Miss Irma Ross and Mr. Warren Ross. During the interim, Mr. William Lavallee on behalf of his friends presented Tpr. Bonnalie with a purse of money and a fitted letter writing case, and voiced their best wishes for "good luck" to the departing soldier.

WOMEN'S CLUBS

TONGUE IS ECONOMICAL WARTIME DINNER DISH

BY GAYNOR MADDOX

A whole boiled beef tongue is a good buy. Serve it hot as the big feature of dinner. Slice it cold, for sandwiches. Saute slices for combining with vegetables, creamed mushrooms. Cube it for casseroles. Slice it for salads. Chop it for hash.

Tongue and Spinach Rolls

(Serves 4)

One and one-half cups cooked spinach, 1 tablespoon butter, melted, salt and pepper, 12 thin slices cooked tongue, 3/4 cup top milk or cream, 1 tablespoon prepared horseradish, 1 teaspoon prepared mustard. Chop spinach; add butter. Season with salt and pepper. Place spoonful spinach on each tongue slice; roll up tongue slice and fasten with toothpick. Place in greased casserole. Combine top milk or cream, horseradish and mustard; pour over tongue rolls. Bake in hot oven (400 degrees F.) 20 minutes.

BREAKFAST: Stewed prunes, French toast with grapefruit marmalade, crisp bacon, coffee, milk.

LUNCH: Split pea soup made with ham hock bones, whole wheat bread, cottage cheese spread, mixed fresh fruit cup, oatmeal cookies, tea, milk.

DINNER: Boiled beef tongue, mustard sauce, parsley potatoes, spinach, enriched soft rolls, butter, apple Brown Betty, coffee, milk.

Scalloped Tongue and Noodles

(Serves 6)

Two cups cubed cooked tongue, 1 package noodles, cups creamed or cooked tomatoes, salt and pepper, 3/4 cup fine crumbs, 1 tablespoon butter. Cook noodles in boiling salted water until tender; drain. Arrange layers of noodles and tongue in alternate layers in greased casserole, sprinkling with salt and pepper. Top with tomatoes; sprinkle with crumbs. Dot with butter. Bake in moderate oven (350 degrees F.) 1 1/2 hour.

Tongue Slaw

(Serves 6)

Two cups cooked tongue, cut in strips, 1/4 cup finely chopped onion, 4 cups shredded cabbage, 1/2 cup mayonnaise, 1/4 cup chopped mustard pickle. Combine tongue, onion and cabbage. Combine mayonnaise and mustard pickle. Mix tongue and mayonnaise. Serve on lettuce or other salad greens garnished with additional mustard pickle.

CHERRY RIVER

Mr. and Mrs. Everett Martin and children, of Ayer's Cliff, were holiday guests of Mr. and Mrs. Archie McKelvey. Other guests at the same home were Mr. and Mrs. Kenneth McKelvey and daughter, Myrna, Mr. Frank Buzzell, Mr. and Mrs. Nelson McKelvey and family, and Mr. and Mrs. Percy McKelvey and family, of Magog.

Mr. and Mrs. E. J. McKelvey have received letters from their eldest son, Robert, who is with his unit in Sicily. Their eldest daughter, Doris, is in London and another son, Everett, somewhere in England.

Mr. Bertram Turner, of Sherbrooke, spent a week-end with his wife and son at the home of his parents, Mr. and Mrs. G. L. Turner. The people of this community were shocked and saddened by the sudden passing of Mrs. Edgar Schoolcraft, whose death occurred at the home of her eldest son, Clarence Catchpaw, in Magog. Deceased was a life-long resident of this place and had been in poor health for some time but the end came suddenly. Sympathy is extended to the bereaved family.

Word has been received of the death of Mrs. Cecil Powers, nee Agnes Buzzell, of Magog, who was a patient in the St. Vincent de Paul Hospital, Sherbrooke, for several weeks. The deepest sympathy is extended to the bereaved husband and family, some of whom are Overseas.

Glorify Yourself...

USE BEAUTY MASK TO ERASE MARKS OF HOLIDAY FUN

DINAR SHORE: Sparkling.
BY ALICIA HART

If you want to look twenty when you feel like a hundred, go down under a beauty mask and stay for fifteen minutes. That's the quickie prescribed by sparkling Dinar Shore, sequestress of the airways.

You can turn the trick, she says, with a mixture of uncooked oatmeal and almond meal and a few drops of milk. If you want your mask to bleach, add a few drops of lemon juice or peroxide. Clean your skin before applying, and for extra beauty dividends poultice your face with towels wrung out in hot water. This helps to soften up and rout blackheads that may polka-dot your pores. All cleaned up? Spread your paste. Lie down with your feet higher than your head and relax.

When your fifteen minutes are up and your skin looks like a baby's relief map, wash off the mask with cool water. Then, go see if you don't find a more radiant vision in your mirror.

BULWER

A very pleasant evening was spent at the home of Mr. and Mrs. A. W. Laberee on New Year's Eve, the occasion being the fortieth anniversary of their marriage. The party, which was a complete surprise to Mr. and Mrs. Laberee, was arranged by Mrs. W. S. Laberee. The evening was spent playing progressive crokinole. After a delicious lunch was served, E. A. Wheeler, on behalf of the friends present and some unavoidably absent, presented the bride and groom of forty years with a purse of money and the best wishes of all. Mr. Laberee thanked their friends for their gift and good wishes and expressed their pleasure at having them gathered at their home. All joined in singing "For They Are Jolly Good Fellows," bringing to a close a very enjoyable evening.

Mr. and Mrs. Wilbur McCurdy and son, Edgar, of the Spring Road, were guests of Mr. and Mrs. E. H. Parker.

Friends are sorry to hear of the continued illness of Mr. H. A. Smith. All hope that he will soon improve. Guests at the home of Mr. and Mrs. L. Lownd and Mr. and Mrs. B. Kingsley included Mr. and Mrs.

Famous for 50 Years "SALADA" TEA

Despite wartime difficulties the traditional high standard of this household favourite is maintained.

Grant Forgrave and children, Lois and Lynn, and Mr. Irwin McBurney, of High Forest, L.A.W. Margaret McBurney and L.A.W. Helen Davis, of Camp Borden.

Mr. Gerald Lownd was a guest of Mr. and Mrs. John McBurney, in High Forest.

Mr. and Mrs. Ivan Herring and son, Wesley, and Mrs. Leon Colby, were guests of Mr. and Mrs. A. Macdonald, at Haskell Hill.

Mr. and Mrs. L. Lownd were guests

of Mr. and Mrs. I. Harkness, in Sherbrooke.

Friends of Mr. Ernest Drake are very sorry to hear that he is a patient in the Sherbrooke Hospital. All join in wishing him a speedy recovery.

Mrs. Neal, of Montreal, spent several days with her daughter, Mrs. Percy Fox, and Mr. Fox.

A growing pig consumes as much as seven pounds of food a day.

BRIGHTEN THE MEALS WITH BISCUITS

MAGIC'S ORANGE MARMALADE BISCUITS

2 cups sifted flour 1 egg
1/2 tspn. salt 1/4 cup milk
4 tspns. shortening 1/4 cup orange marmalade
4 tspns. Magic Baking Powder

Sift dry ingredients together. Cut in shortening until mixed. Beat egg slightly in measuring cup; add milk and marmalade to make 1/4 cup and add to first mixture. Roll out about 1/2-inch thick; cut with floured biscuit cutter. Top each with a little marmalade; bake in hot oven (425°F.) about 15 minutes. Makes 16.

MISERIES OF Baby's Cold Relieved As He Sleeps

Now... here's a reliable home-proved N medication that works 2 ways at once to relieve distress of child's cold—even while he sleeps. Just rub throat, chest and back with Vicks VapoRub at bedtime. And instantly VapoRub goes to work to relieve coughing spasms, ease muscular soreness or tightness, and invite restful, comforting sleep. Often by morning, most of the misery is gone. For baby's sake try Vicks VapoRub tonight! It must be good, because when colds strike, most mothers use Vicks VapoRub.

COUGHING SPASMS—To relieve distress, melt a spoonful of VapoRub in a bowl of boiling water. Inhale the steaming, medicated vapors. Feel relief come right with the first breath!

DIXVILLE

The annual Christmas entertainment given by the Sunday Schools of St. Catharine's Anglican Church and the Baptist Church of Dixville, was held in the Town Hall on Christmas Eve, with Rev. E. C. Ward in the chair, when the following programme was given: Opening number, "God Save the King"; Chorus by Schools, "Hark the Herald Angels Sing"; Recitation, Grant Ward; Piano duet, Marilyn Norris and Norman Ann Ferris; Carol by the Schools, "When On Judean Hill-sides"; Song, Joan Byron, "I Wrote A Letter to Santa"; Recitation, David Ward and Arnold McIntyre; Recitation, Claudia Cunningham; Song, Junior girls, "Holy Child of Bethlehem"; Piano solo, Norma Ann Ferris; Drill, eight senior girls, with wreaths of roses; Recitation, Cecil Wallis; Recitation, Benny Cunningham; Carol by the Schools, "It Came Upon the Midnight Clear"; Song, Marilyn Norris and Norma Ann Ferris; Recitation, Robert Robinson and Marlene Barnes; Address, Mr. W. R. Jackson; Play by Juniors, "Santa Claus Carries On"; Carol by Schools, "Oh, Bring the Crown"; Song, Fern Byron, "Say A Prayer Over There," with an encore, "I'll Be Home for Christmas"; Carol by the Schools, "Silent Night, Holy Night"; Acrostic by nine children, "Goodnight." At the close of the programme, Santa Claus, impersonated by Mr. Jackson, appeared much to the delight of the younger folk. Each child received gifts of candies and oranges. Credit is due to the ladies, who donated so much of their time to the training of the children for their various parts.

Miss Emma M. Damon, who for a few months has been conducting evening classes in English in connection with the French School, was the guest of honor at a pleasant

gathering one evening, when the class held its last meeting before the holidays. At the conclusion of the session, Miss Damon was invited to the other school-room, which was brilliantly lighted and had been decorated for their Christmas exercises. There she was presented with a beautiful cake on a handsome tray, also a gift. This large cake made in the form of a cornucopia, or horn of plenty, was the work of Miss Nadeau, and was artistically decorated with tiny yellow roses, and bore the inscription, "A Joyous Christmas." It was filled with home-made candies, which over-flowed onto the tray. Each of the smaller scholars presented a smaller cake of the same shape as the large one. She also received a spray of carnations in memory of her brother, the late E. W. Damon. Miss Damon, in a few words, voiced her appreciation of the gift, and the accompanying good wishes.

Mrs. Harold Bean, of Cookshire, was a guest of Mr. and Mrs. Harold Mayhew and family, on Parker Hill. The Knitting Club met at the home of Mrs. Willis Wiggitt one afternoon.

Mr. and Mrs. A. A. Desmarais, of Montreal, who were called here by the death of Mrs. Desmarais' mother, Mrs. Mabel Holmes, has returned to the city. They were accompanied by Miss Laura Laroche, who will be their guest for a time.

The funeral service for Joseph St. Germaine, who passed away in the St. Vincent de Paul Hospital, Sherbrooke, was held from St. Mathieu de Dixville Roman Catholic Church on Wednesday morning, December 29, 1943, with interment in the Parish Cemetery.

Mrs. T. Archie Chamberlain, Miss Lena Chamberlain, and Master Donald, also Mr. and Mrs. Kenneth Chamberlain, and little daughter, of Coaticook, were guests of Mrs. Margory Chamberlain and family.

Miss Laura Laroche visited her parents, Mr. and Mrs. O. D. Laroche and family, in East Hereford.

Mr. A. E. Damon, who has been with his sister, Miss E. M. Damon, is spending a few days with friends in Island Pond, Vt.

The "Carry On" Club resumed its regular meetings at the home of Mrs. W. F. Wiggitt. There was a lot of sewing on hand.

Mrs. Annie Ham, recently of Lennoxville, who was the guest of Rev. and Mrs. J. C. Tannar for a day, is now caring for Mrs. Brooks at the home of her daughter, Mrs. G. W. Johann, Coaticook Road.

Mr. and Mrs. Graydon McIntyre, of Bishopston, were guests of Mr. McIntyre's parents, Mr. and Mrs. Ora A. McIntyre and family, at "Riverside Farm."

Mrs. E. C. Ward has been confined to her home by illness during the week.

Mr. and Mrs. Stanley Hurd and son, Emmerson, of Windsor Mills, and Mr. Randall Gooey, with the R.C.A.F., in Toronto, Ont., were guests of Mr. and Mrs. Reginald A. Mayhew and family and Mr. and Mrs. Irving E. Gooey.

Mr. and Mrs. C. J. Wright, of Sherbrooke, spent a week here with Mr. Wright's brother, Mr. Homer S. Wright, Mrs. Wright and his cousin, Mr. Edward E. Wright, and family, Norton Road.

Miss Leola Childs, of North Hatley, who is attending Stanstead College, was a holiday guest of her aunt, Miss Emma M. Damon.

Mrs. Eugene Major, Sr., entertained at a large family gathering during the holidays. Her guests included Mr. and Mrs. Eugene Major, of Island Pond, Vt., Mr. and Mrs. Theophile Major and daughters, Huguette and Henriette, of Coaticook, Mr. and Mrs. Hector Major and family, of Windsor Mills, Mr. and Mrs. Alex Cloutier, son, Roland, and daughter, Marthe, Mr. and Mrs. Alfred Charest and family, and Mr. and Mrs. Henry Major and family.

Mrs. A. F. Eggleston, of Claremont, N.H., was a guest of her sister, Mrs. H. Albert Norris, and Mr. Norris.

AC2 Gueph E. Parker, of the R.C.A.F., in Toronto, Ont., spent a holiday week-end at his home here.

Mrs. George Ladd and daughter, Betty May, of Island Pond, Vt., visited Mrs. Ladd's brother, Mr. A. W. Cushing, and family during the holidays.

Joan Byron, youngest daughter of Mr. and Mrs. Willard Byron, had the misfortune to break her arm, while at play. She was taken to Sherbrooke, where the fractured member was put in a cast.

Mr. and Mrs. Alfred Charest and Mr. and Mrs. Henry Major were guests of their brother, Mr. Theophile Major, and family, in Coaticook.

Mr. and Mrs. A. A. Desmarais, of Montreal, are spending a few days in town, being called here by the death of Mrs. Desmarais' mother, Mrs. Mabel Holmes. Mrs. W. Longe, of Richmond, and Mrs. W. H. Norrie, of Ayer's Cliff, sisters-in-law of Mrs.

Holmes, were also at the same home. Miss Phyllis Mayhew is spending a few days in Rock Island with her sister, Mrs. Ward May, and family.

Rev. E. C. Ward was a visitor in Lennoxville.

Mr. and Mrs. H. Albert Norris had an unpleasant experience, when the coal-stove in their living-room exploded, blowing the pipes down, and leaving a coating of soot on all the furnishings. The damage will be considerable.

Mrs. Irving E. Gooey has been ill with the grippe.

This friends of Mrs. Irving Gooey will be glad to learn that she is improving from her illness.

Mr. Robert Richardson, who has spent a year at Maplewood Farm, has been indisposed for two weeks.

Mrs. Norman Cutler entertained a few little folks on Thursday afternoon, December 30, in honor of the first birthday of her little daughter, Mary Lee.

Pte. E. Mailhot, of Vancouver, B.C., of the Canadian Army Corps, has returned to his duties, after spending the holidays with his par-

ents, Mr. and Mrs. Peter Mailhot. Mr. Robert Richardson was taken to hospital for treatment.

Mrs. Diana Norris, who has had pneumonia, is on the road to recovery.

Mrs. Jennie Gooey is recovering from the grippe.

Mrs. E. J. Barnes, of Montreal, spent a day with Mr. and Mrs. George I. Barnes.

Company No. 3 Mobile Police Force, of the Sherbrooke Unit, is stationed at the Dixville Headquarters, over Melrose's store.

Miss Joy Ward, daughter of Rev. and Mrs. Ward, is spending some time in Montreal at the home of Mrs. Ward's sister.

Mr. A. Byron spent a day with his son, James, in Stanhope.

Mr. J. Lambert, of St. Johns, spent the holidays with his parents, Mr. and Mrs. Frank Lambert.

Mr. and Mrs. Gordon Bellows were in Sherbrooke on business for a day.

Mr. Scott Dresser was in town on business.

Mr. Herbert Ferris, of Boston, Mass., who has been ill at his home here, has returned to work.

Miss Eva Tetreau, of Bath, Maine, spent the holidays with her uncle and aunt, Mr. and Mrs. Judson Norris.

Mr. Harold Bellows, of Coaticook Academy, spent his holidays at his home on the Norton Road.

Maxim Begin, who has been in the hospital for an operation, is now able to return to his office.

Mr. Raoul Frechette was a business visitor in town.

Word has been received that Lieut. Gordon Smith, with the U.S. Army, has been promoted to the rank of captain.

Messrs. Kenneth Norris and L. M. Melrose were in Sherbrooke on business.

Rev. and Mrs. Ward were in Lennoxville to attend the wedding of the daughter of Archdeacon Jones.

Nomination day for councillors will be held this week. The three retiring councillors are Homer Wright, William Chamberlain and O. McIntyre.

The funeral of Mrs. Walter

LEEDS VILLAGE

Mr. and Mrs. J. D. Hutchison, of Lemesurier, Mr. R. D. Hutchison, of Drummondville, and Mrs. A. W. Goff, Mr. and Mrs. J. D. Fortier and son, Forrest, were guests of Mr. and Mrs. K. D. Parker, one day.

Mr. and Mrs. Harold Robertson, of Lennoxville, were guests of the former's parents, Mr. and Mrs. C. L. Robertson.

Mrs. R. Y. Cruickshank has returned to her home in Lemesurier, after caring for Mrs. William Bailey, who is confined to her room by illness.

Friends of Mrs. Bailey will be glad to know that she is improving and all hope that she will soon regain her usual health.

Mr. and Mrs. W. C. Ross were

guests of Mr. and Mrs. Borden Ross, of Lemesurier.

Mrs. S. Craig has returned to resume her teaching duties, after visiting friends in Passaic, N. J., Sherbrooke and East Angus.

Mrs. A. W. Goff spent a day with Mrs. C. A. Fraser.

Mr. J. R. Fraser, of Lennoxville, was an overnight guest of his mother, Mrs. C. A. Fraser.

Rev. H. I. Apps has returned from St. Malachie, where he has been spending some time.

Miss Shirley Robertson has returned to Kirkdale, after visiting her parents, Mr. and Mrs. C. L. Robertson.

Glorify the POT ROAST

COMMERCIAL OR
SPECIAL QUALITY

**BONELESS POT
ROAST**

lb. **32c**

POT ROAST AT ITS BEST

As guard of honour to a juicy, flavoursome pot roast, we propose golden carrots, bronzed potatoes, young turnips, subtle celery, onions that gleam like mother-of-pearl!

The fine flavours of really fine vegetables are enhanced by the dressing of meat-juices they receive during their cooking under and around the meat... and there are few better tricks for stretching precious meat, than that of sharing its superb flavour with fresh foods that we can use in lavish quantity.

For a pot roast of beef, you can use such cuts as the rump, short ribs, round, blade or chuck.

Dredge every surface of the meat with well-seasoned flour.

Brown it well in the heavy pot or roaster in which it will be cooked—you'll need a little hot fat, of course; be sure to give every surface a browning. (When browned, prepared horse-radish may be spread over the meat.)

Put a wire rack in the pot, place the richly-coloured meat on it, pour in 1/2 to 1 cup hot liquid (water from boiled vegetables, meat stock, tomato juice or plain water) and cover tightly.

For a 3 to 5 pound pot roast, allow 40 minutes per pound. Cook over low heat—no more than 300 to 325 degrees in top-of-stove pot or in the oven.

Turn the pot roast once or twice, so that it will cook evenly.

Vegetables should be allowed just time enough to cook—no more. With meat and vegetables removed to hot platter, make a wonderful gravy with brownings in the pan.

IF YOUR CHILD IS
THIN and NERVOUS

Try New, Improved Ovaltine

Children who are thin, nervous and under par, science has discovered, are often found to be eating foods which do not give them enough of the essential food elements everyone needs for health.

As a "protecting" food-drink, New, Improved Ovaltine adds to a child's meals the essential food elements most likely to be deficient in the diet.

Three servings of New, Improved Ovaltine furnish a child with a significant portion of his daily requirement of Vitamins A, B₁, and D, and the minerals Calcium, Phosphorus and Iron—also quick food-energy elements and high quality proteins—all for building sturdy bodies.

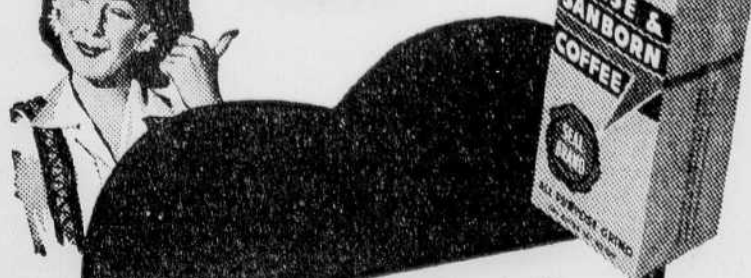

So—if your child is thin, nervous, under par, or eats poorly, why not start giving New, Improved Ovaltine regularly? Get Ovaltine at your drug or food store.

Q.S.H.L. ROYALS ENTER FIRST-PLACE TIE

Trounce U. Of M. Carabins To Draw Even With Aces, Ottawa

The Montreal Royals of the Quebec Senior Hockey League moved up into a first-place tie in the league-leading standing by virtue of their 8-3 win last night over the University of Montreal Carabins. The Royals gained four points from last night's victory and entered a top-spot deadlock with the Quebec Aces and Ottawa Commandos.

The game ended in a brawl, in which Jean-Paul Ranger was given a match misconduct, while Butch Larochelle earned a misconduct and Bernie Lauzon and Marcel Despeult drew majors.

Jerry McNeil was the start of the Royals, holding the Carabins scoreless for two whole periods, before he was beaten. Andy Perron was the offensive standout for the Carabins along with Lauzon and Morin.

Royals held play superiority in the first period and took a 2-0 lead when Campeau and Miller rapped in markers late in the frame.

The Royals came back in the second stanza and added two more to their total on goals by Laforce and Smart.

The third period opened with a goal by Desroches to put the Royals ahead 5-0. Carabins moved their first marker five minutes later when Ranger banged one past McNeil. Larochelle rapped in another for the Royals which was followed by one by Perron of the Carabins. Two minutes later, Perron again tallied, and the game ended with two more goals for the Royals which were counted by Paulsen and Carthy.

The teams:

U. of M. Royals
Leclerc goal McNeil

INTERMEDIATES ARE STILL AT LOGGERHEADS

Another meeting of the Eastern Townships Intermediate "A" Hockey League was held at the Elks Club last night, with the managers of the teams still getting nowhere after a great deal of argument and refused propositions.

The Richmond officials offered to drop Terry and keep the other three men, but this offer was turned down by the other three teams. The meeting got nowhere fast as neither side would make any concession, and finally President Gerry Wiggitt was called upon to make a decision. This Mr. Wiggitt refused to do, for he claimed that if he decided in favor of the Rand, Windsor and Army squads, the Richmond entry would immediately take the case to the Q.A.H.A., and if the decision went in favor of the Richmond, the other three crews would break affiliation with the Q.A.H.A. and form an independent league of their own.

So, trouble is still brewing with no immediate prospects of a settlement. The trouble has to be settled, and very soon, too, if the loop expects to operate for the rest of the season, and the sooner the team managers realize that each side has to cede a little ground, the better off they will be.

Secretary Ernie Taylor announced this morning that no definite plans had been made for another meeting, and that he hoped that an agreement would be reached between the team managers themselves.

Present at the meeting last night were Gerry Wiggitt, President of the league, Ernie Taylor, Secretary-Treasurer, Lt. F. Nobert and Lt. E. Charbonneau, of the Army, Gus "Pop" Leroux, of the Rand, Ed Harling, representing Windsor, Ft. L. G. O. Palmer and F.O. Doug Costley, of the Richmond Flyers.

So You're Complaining About Your Golf Balls

So you're complaining about golf balls and the shortage thereof? Well, just take a look at these. They have seen real service with service men.

They are precious relics sent from the South Pacific by Sgt. Frank Strafaci, who won the National Public Links, the North and South and other amateur championships.

Golf balls did not reach such condition in the bright, peaceful days, and these were played right up until Sergeant Strafaci exchanged a bright new one from a small assignment sent him by the United States Golf Association. There is no pro shops on the islands where you can walk in and pick up a nice new pellet to replace the one that sustained a slight nibble cut. You play with the ball you got or you don't play.

A Dutch captain, reports Sergeant Strafaci, considered his one ball so precious that it was one of the few valuables he took with him when the Japs conquered Java.

The balls go into the United States Golf Association museum as prize pieces. The USGA has shipped a number of dozen good and medium good balls to Sergeant Strafaci, who is a sort of sergeant golf club manager on his censored island. Clubs and individuals are contributing balls for the men Overseas. One club sent in a dozen brand new ones. The USGA didn't know there were that many in existence.

But it is doubtful if any balls will get more action than these.

Several are the British variety, smaller and heavier than the American ball, but the British and Australian players don't object. When you haven't any ball, even the American "foater," as the English call it, is a welcome addition to the kit.

Meanwhile turn over your old balls to your professional to be reconditioned.

That's the only way the game can be kept going.

Sherbrooke And Lennoxville Open Interscholastic League

The Sherbrooke and County Interscholastic Hockey League opens its schedule this afternoon. The first game is to be played at 4:30 at the local parade grounds.

In the season's opener, the Sherbrooke High School squad will receive a team from the Lennoxville High School.

Both teams have been holding practice drills for the past three weeks and a good, fast game is expected to be seen. The Sherbrooke High School is thought to have a good squad, and are thought to be able to give the season's opener from the Lennoxville crew.

Little is known of the strength of the Lennoxville High School's entry, but reports reaching here indicate that they can be counted on to give the Sherbrooke boys a hard fight.

The Interscholastic League was formed to give the older fellows in the various schools a chance to play hockey this year, since there are not enough players of juvenile age in the schools to make up juvenile teams, and still conform to the age limits laid down by the Q.A.H.A.

There are four teams in the league, and each squad is to play a six-game schedule. The teams in the circuit are: Sherbrooke High School, St. Patrick's Academy, Lennoxville High School and Bishop's College School.

Cleveland Top Bears 5-2 To Enter A.H.L. First-Place Tie

By The Canadian Press

Cleveland Barons have finally caught up to Hershey Bears and now both teams stand tied for top honors in the American Hockey League race.

Sparked by centre Tommy Burlington who scored two goals, Barons last night whipped Bears 5-2 for the first time this season. In the only other league game scheduled Buffalo Bisons defeated Pittsburgh Hornets 4-3.

In 29 games played this season, Bears have won 18, tied five and lost six. Barons have the same number of victories and draws to give them a total of 41 points, but have lost seven encounters.

Burlington became the league's leading scorer with 17 goals and 26 assists. Bears' Captain Wally Kilrea got only one assist and dropped back into second place with 41 points.

Gaston Gauthier and Johnny Harms scored Hershey's two goals in the opening period after Mike Shabaga - centre on Cleveland's first line - was put out of action with a broken ankle.

In the second period, Tommy started the scoring for Barons. Pete Bessone, defence star, added a second counter after the halfway mark. The same performance was given in the third round, with Tommy again bagging another counter and Pete getting his second.

Earl Bartholome scored Barons' fifth tally less than two minutes before the final whistle.

In the Bison-Hornet tangle Eldred Kobussen scored the winning goal at 15:24 in the third period after both teams were tied with two counters each.

Wendell Jamieson scored in the first period for Pittsburgh, but late in the round Fred Thurier evened the count for Buffalo. In the second frame, Fred Hunt and Lloyd Klein each bagged a goal to give Bisons a 3-1 lead.

In the last period Tony Hemmerling and Jamieson tallied for Hornets and made the score 3-3. However, Kobussen scored and gave Bisons the deciding goal.

In tonight's lone game in the circuit, Providence Reds play Bisons at Buffalo.

The teams:

Pittsburgh Buffalo
Bessette goal Ceryance
Howard defence Davidson
Mercer defence Leger
Roubell defence Thurier
Jamieson wing Hunt
Hemmerling wing Thibeault
Pittsburgh subs-Meckie, Shannon, Knipfel, Forgie, Gracie, Jones, Barton, Richard, Gau.

Buffalo subs-Walder, Waldriff, Kaminsky, Klein, Bennett, Rimstad, Kobussen, Atanas.

Officials: Hayes and Campbell.

First Period
1-Pittsburgh...Jamieson .. 2:24
2-Buffalo...Thurier .. 7:53
(Hunt)
Penalty: Richard.

Second Period
3-Buffalo...Hunt .. 7:07
(Thibeault) .. 8:07
4-Buffalo...Klein .. 11:18
(Bennett, Thurier)
Penalties: Kobussen, Bennett, (Roubell, Jamieson) .. 8:13
5-Pittsburgh...Hemmerling .. 12:59
(Hemmerling, Roubell)
6-Buffalo...Jamieson .. 15:29
(Atanas)
7-Buffalo...Kobussen .. 15:29

Los Angeles Intends To Have Major Ball League Franchise

By FRANK FRAWLEY, Associated Press Staff Writer.

Los Angeles, Jan. 13.—(P)—In one manner or another, Los Angeles intends to have a major league baseball franchise after the war, and it fully expects, also, to be represented in the national professional football league.

The nation's fourth largest city has been supporting, and liberally, a first class minor league club, the Los Angeles Angels, who have outdrawn at the turnstiles some of the major loop representatives, but, as Clarence (Pats) Rowland puts it, "we'll simply have to get major league baseball when this war is over."

Rowland, a shrewd veteran of the baseball wars was voted the minor leagues' top executive in 1943. He made the Angels the best drawing minor league club in America last season. He envisions the possibility of a third major league, operating from Portland, Ore., South of Los Angeles.

"This Pacific Coast area is the fastest growing in the nation," says Pats. "If my associate presidents don't agree with me in striving to get our league classified as a third major, then Los Angeles is going out to buy into the American or National just as soon as a franchise is available."

There are several hurdles to clear, as Rowland knows all too well. There was an amendment to the major-minor agreement enacted at the last session providing that if any major league team was placed in this territory, the purchaser would have to acquire the physical property, reimburse the coast league of loss of a member and also reimburse the league owners, individually.

It would cost considerable money, but this populous area undoubtedly is ready, and has been ready for several years, to pay for major league baseball.

Continues Rowland: "Our baseball supporters definitely are major league-minded. In Los Angeles, we have all the essentials with which to successfully operate major league baseball. Our club last year could have finished fifth or higher in either of the major circuits. The surface of this entire Pacific Coast hasn't yet been scratched."

FOOTHILLS IS RIGHT

ALLOW JUNIORS THREE GAMES IN HIGHER LEAGUE

Emmett Kenalty, Vice-President of the Q.A.H.A., announced today that a new ruling concerning the number of games a junior can play in an intermediate loop without losing his junior rating had been made at a meeting of the C.A.H.A. board at Toronto last night.

The C.A.H.A. ruled that a junior who was a member of a farm club would be allowed to play in three intermediate games and still retain his junior rating. The previous number of games he could play was only one. However, the player must be a member of a farm club. Therefore, the only junior players affected by this ruling in Sherbrooke are the men on the Canadian team in the Sherbrooke Junior "B" Hockey League. This squad is the official farm club of the Windsor Mills Intermediate team. The new ruling will permit Dallas Grant to use each of the junior Canadians three times during the season.

DETROIT AND RANGERS GET NEW PLAYERS

By The Canadian Press

Detroit Red Wings and New York Rangers, striving to improve their lowly standing in the National Hockey League, are relying heavily upon men discharged from the Canadian Army to bolster their forces.

The Red Wings, holding fourth place by a two-point margin over Chicago Black Hawks, acquired new strength last week with the addition of Murray Armstrong, formerly of Toronto Maple Leafs and the disbanded Brooklyn Americans.

Last night it was learned Detroit had added netminder Conny Dion and veteran Forward Ken Kilrea, both discharged by the Army in Kingston, Ont. In an exhibition game at Kingston last night against Kingston Frontenac Army, Detroit won an 11-3 decision over the team which recently withdrew from the Senior "A" group of the Ontario Hockey Association because of the Army's new ruling on amateur hockey participation.

Both Dion and Kilrea played against Kingston and may be in the lineup tonight when the Wings travel to Montreal for an N.H.L. engagement against the leading Canadians.

Rangers, trailing the fifth-place Black Hawks by 11 points, entertain the Chicago club at New York tonight in a game which may mark the return to professional hockey of Kilby MacDonald, Calder Trophy winner with the Rangers in 1939-40. MacDonald, former Ottawa and Northern Ontario player, has been acquired from Buffalo Bisons of the American League in return for Hub Macey, last year with Rangers, Neeter Dubeck and Spencer Patchell.

MacDonald was discharged recently from the Canadian Army at Montreal and expressed a desire to return to Rangers.

Two other newcomers—Hank Dameron of Brooklyn Crescents, and Jimmy Jamieson of New York Royals of the Eastern States League—also are expected to don Rangers uniforms tonight.

Canadian Sport Snapshots

By CHARLES EDWARDS, Canadian Press Staff Writer.

By CHARLIE EDWARDS, Canadian Press Staff Writer.

Toronto, Jan. 13.—(P)—There's a great scramble around the country to affix the blame for blow-up of service hockey. Actually the Army-R.C.A.F. withdrawal from senior leagues was the result of dozens of incidents and nearly every section of the country is responsible to some extent.

In the first place, the C.A.H.A. lost control of the game party when it permitted free transfer of service personnel. Service officials took advantage of this situation by transferring players for team to team during play-offs with an eye to hockey rather than service training needs. Rink and team officials contributed by offering financial inducement to athletes enlisting in certain cities. They used influence to direct some service postings. Men who normally would have gone overseas were kept in Canada from hockey season to hockey season.

Public suspicion that service men were being used to cloak commercial hockey enterprises reflected on our war effort. But even so, opinion might never have crystallized against service hockey had it not been for incidents such as the Broda case and some of the statements by hockey officials.

The public will not stand for any suggestion the armed forces are being used as tools to promote civilian enterprise. Heads of the service rightfully intend to make sure there is no foundation for any such suggestion. For that reason alone, Air Force and Army heads were wise in withdrawing from hockey.

They couldn't be expected to swallow the proposition of President Jack Ryan of the Pacific Coast Senior League who announced the league has withdrawn from Allan Cup competition in hopes Army and Air Force teams would be permitted to continue; and in the same breath said that any team in the league could challenge for the cup when the play-off begins. To accept such a proposition would be an admission of stupidity.

Incidentally:

Kilby MacDonald, who won the Calder Trophy with New York Rangers as the National Hockey League's outstanding rookie for 1939-40, has been discharged from the Army at Montreal and has located with Buffalo ... Shep Mayer, who had a brief fling in the majors last season with Toronto Leafs, now is an R.C.A.F. pilot officer and has been playing this year with Pennfield R.A.F. station in New Brunswick.

Wilf Cude, former Canadiens goalie, is coaching the junior Canadiens in Montreal.

HAMILTON AND ATTO LEADING JUBILEE PLAY

Rinks skipped by Rupert Atto and J. S. Hamilton advanced to the second round of the first stage of the Royal Victoria Jubilee play at the Lennoxville Curling Club last evening. Atto taking Norman Benoit's quartette into camp by a score of twenty-two to five while Hamilton edged out Bob McMurray by seven to ten. Atto and Hamilton meet this evening to determine which quartette shall represent the Lennoxville club in the playdowns to the winner to meet a Sherbrooke aggregation in the district finals.

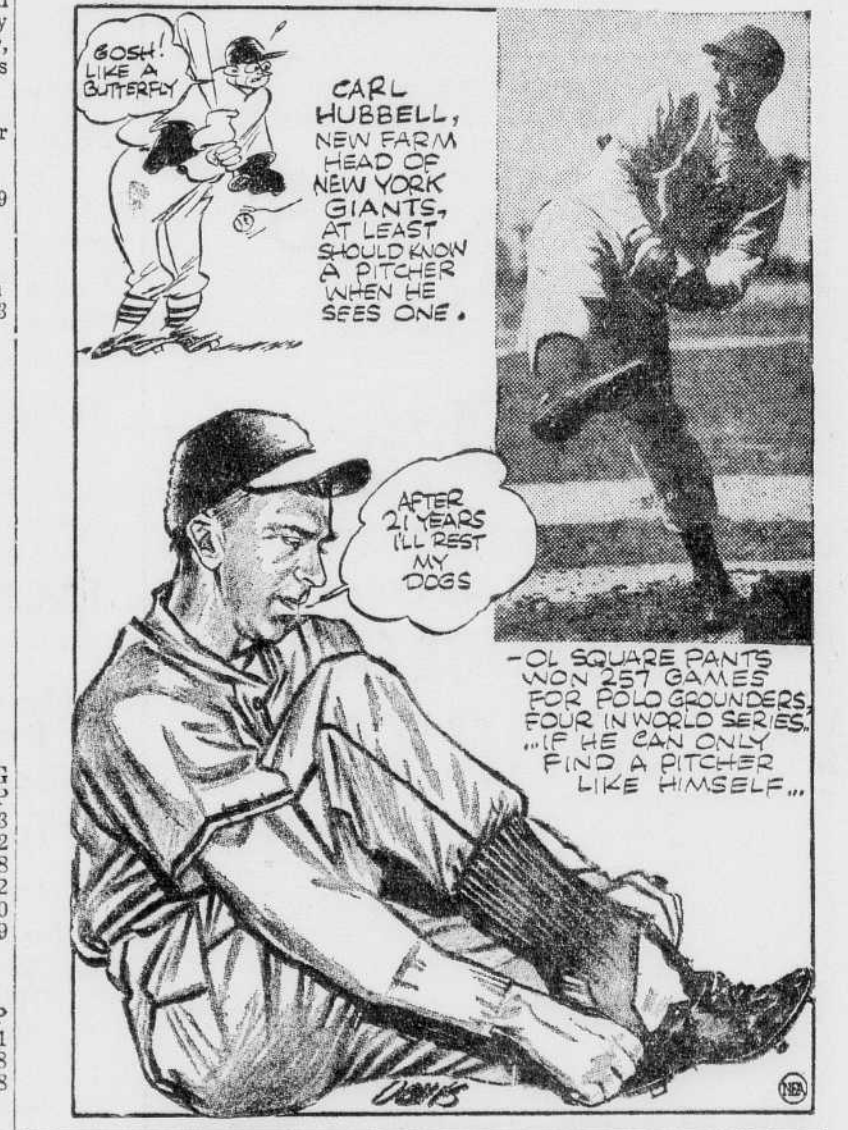

The rinks and scores in last night's Jubilee Trophy games were:

W. W. Nichol R. E. Mosher
W. S. Richardson G.M. Sutherland
R. S. Clarke C. R. Healy
R. T. Atto N. H. Beach
Skip—22
E. W. Gilbey R. H. Stevenson
H. P. White L. W. Atto
F. C. Baker L. W. Atto
D. R. Clark J. S. Hamilton
Skip—10 Skip—11

In the continuation of the Ladies' Cup play, Tuesday evening, victories were chalked up by Willie Lane and J. S. Hamilton, who defeated Allen Biao and Homer White by nine to eight and thirteen to four, respectively. The rinks and scores were:

H. L. Lessard C. E. Sterling
T. Saunders S. S. Messenger
W. S. Richardson E. W. Gilbey
A. P. Blue W. J. Lane
Skip—8 Skip—9
C. Waite G. B. Lewis
H. L. Loken R. E. Blake

4 TIMES EASIER TO DIGEST

THAN PLAIN COD LIVER OIL!

That's why it's so highly recommended

The reason Scott's Emulsion is such a great tonic is that it contains an abundance of vital elements—for adults to help build stamina, improve digestion and fortify the system against colds—children for aid in developing strong bones, sound teeth and sturdy resistance against common winter ills. Emulsified by an exclusive process for easy digestion. Pleasant-tasting, economical too. Buy today. All druggists.

SCOTT'S EMULSION

SPOONER POND

Mrs. Clarence Pope entertained the members of the Spooner Pond Women's Institute one afternoon, for the regular January meeting, with Mrs. John Hawker as joint-hostess. Due to the inclement weather, only ten members were present. The President, Mrs. V. R. Beattie, was in the chair, and the meeting opened with the Mary Stewart Collect repeated in unison, followed by the Women's Institute prayer for the Allied Forces. The minutes of the previous meeting and the financial statement were read by the Secretary-Treasurer and accepted. Mrs. I. Hawker, Mrs. P. Taylor and Mrs. B. Rodgers, Conveners for the "Challenge Card Party" held at the home of Mrs. Sinclair, were warmly thanked for their splendid work in making the party so successful. Two quilts were reported finished during the month, one of which was donated to a needy family. Nine boxes of fruit were sent to aged and shut-ins during Christmas week, and cigarettes were sent to the local boys Overseas. Plans were made to complete articles during the remainder of the winter for a sale. A quilt was voted to be finished this month and donated to the Red Cross. All business being disposed of, the meeting was adjourned by Mrs. Sykes, after which a delicious lunch was served by the hostess.

Gosh!

LOWER IRELAND

SCHOOL REPORT

The school examination results, in order of merit, follow:

Grade VII: Billy Christie 74.7, Willard Wright 61.8.

Grade VI: Merritt Henderson 82.5; Jean McCrea, unranked.

Grade IV: Ruth Cox 78.6, Grace Cox 64.

Grade III: Jane Briggs 78.4, Phyllis Wright 63.1.

Grade II: Jimmy Briggs 75.2, Waddy Christie 74.7, Donald Wright 62.1.

Grade I: Freddie Abraham unranked.

General Notes

A meeting of the Upper and Lower Ireland branch of the Red Cross was held in the hall on January 8. There were twenty-five ladies present, and a lot of work was accomplished. A short business meeting was held, with the President, Mrs. E. Johnson, in the chair. Several letters were read by the Secretary, Mrs. E. B. McCrea, from local boys in the services, who had received Christmas boxes. The hostesses for the day were Mrs. E. B. McCrea and Mrs. Frederick Cox, who served a delicious dinner. The following is a list of work shipped

NATIONAL SELECTIVE SERVICE

EMPLOYERS MUST REPORT

On Numbers of Persons in their Employ

EMPLOYMENT and Selective Service Offices have mailed Form DLR-1A to all employers—in industry, in commerce, in trade. These forms are for completion and return to the Local Office on or before January 15th, 1944.

The co-operation of every employer in giving complete and accurate returns is earnestly requested, as much of Canada's manpower planning depends upon the data they will contain.

If you have been missed, please ask the nearest Employment and Selective Service Office for blank forms, which carry full instructions on their use.

The completion of this form is required under National Selective Service Civilian Regulations. Employers in agriculture, employers of household domestic workers and Government Departments in respect of regular staffs, are not required to report.

1-44 HUMPHREY MITCHELL, Minister of Labour. A. MacNAMARA, Director, National Selective Service
