

Beaver

BEAVER — The sympathy of this community is extended Mrs. Elizabeth McMaster in the passing of her brother, Mr. William Napier, at the Barrie Memorial Hospital, Ormstown, on Friday, March 15th, after a short illness.

For many years the late Wm. Napier lived in "The Beaver", later selling his farm to Mr. Maitland Platt and moved to the Allan Miller farm, on Dundee Centre Road.

Kilbain

KILBAIN — Many from this region attended the funeral of the late Charles Dalphin at Trout River, N.Y. He was the grandson of the late Dr. Dalphin of Malone, N.Y. Father Tumulty of Niagara University and six students also of the University and friends of the deceased were pallbearers. The sympathy of the region goes out to the bereaved family.

Mr. and Mrs. Jerry Robidoux and Debra of Montreal were week-end guests of Mr. and Mrs. John Robidoux. Congratulations to Mr. and Mrs. Jerry Gallagher of Montreal (nee Rita O'Connor) on the birth of a son.

Mr. and Mrs. Ceryl O'Connor of Gattineau Mills, Que., spent the week-end at the home of his brother and Mr. Walter O'Connor.

Franklin Centre

FRANKLIN CENTRE — Tapping became general on Friday and Saturday. Those who tapped on Thursday, report a good run and a little syrup was made of good quality. The sugar season and the work connected with it is now in full swing.

The Nazarene Y.P.S. met at their church on Friday evening and held their monthly Devotional Service. A large number were on the sick list and unable to be present.

Mr. and Mrs. Wm. Hope and Gordon visited at the home of Miss Maude Welch, on Sunday, at Ormstown.

Miss Edna McKinney of Malone, N.Y., spent Saturday with Mr. and Mrs. Wm. Hamill.

Mr. and Mrs. John Goldie returned home on Thursday afternoon from a three-week vacation which was spent at Springfield, Mass., visiting relatives.

Mr. and Mrs. Gordon Brooks and baby Cathy and Mr. and Mrs. Clifford Dickenson and daughter Mina, spent Sunday at Saranac Lake, N.Y., visiting at the home of Mr. and Mrs. George Dickenson.

Mr. and Mrs. Clarence Blair spent Sunday at Farnham, Que., and Miss Cora Blair returned home with them after a three-week visit with Mr. and Mrs. Otis Blair and family.

A number of the nearest relatives of Mr. and Mrs. Ross Brooks gathered, as a surprise, at their home on Saturday evening to celebrate his birthday. A social evening was spent playing cards and crokinole.

Sorry to report that Mr. Glenn Waller is still confined to bed. His many friends wish him a quick recovery.

Mrs. E. M. Sharpe had a successful operation on Friday and is now, we sincerely hope, on the road to a quick recovery at the Barrie Memorial Hospital, Ormstown.

Will YOU have an independent income?

Now is the time to arrange through a CANADIAN GOVERNMENT ANNUITY for the little it will take to brighten the days when you must stop working. You can purchase an Annuity NOW to come due at age 50, 55, 60 or 65, or other ages.

HERE IS AN EXAMPLE — Suppose you are a man of 28 and want an Annuity of \$100 a month, beginning at 65. Your monthly premium would be \$16.44.

AT AGE 65 the Government will begin paying you \$100 a month as long as you live! If you die within 10 years after age 65, the monthly payments will continue to your heirs for the balance of that 10 years. Thus, you will have paid \$7,299.36 for a minimum return of \$12,000.00 — which will be even greater if you live past 75!

IF YOU DIE BEFORE 65 the Government will pay your heirs the total sum paid up to the date of your death plus 4% compound interest.

There are several plans to choose from. For detailed information, consult your DISTRICT ANNUITIES REPRESENTATIVE, or mail the coupon below, postage free.

Regular Meeting and Annual Meeting Hemmingford W.I.

A progress report of the Hemmingford family sponsored by the W.I. was given in detail by Pres. Mrs. Thos. Cleland, at the regular monthly meeting of the W. I. held March 6, at 2 p.m. in the High School.

Mr. and Mrs. Charles Fisch are now residing in Hemmingford and are rapidly becoming accustomed to our way of life.

Mrs. Cleland thanked all who contributed to the shower of household articles held by the W.I. in February and which enabled the Fisch family to begin their new life with so many lovely and necessary gifts.

She described the Fisch family's happiness at such a welcome and was glad to report that Mr. Fisch, an accomplished upholsterer had already remodelled several chests and chairs for various people.

Mrs. K. Murray, wife of the United Church minister, is giving the whole family regular English lessons and the children, Susan and Charlie, are apparently fitting into Canadian school activities.

Convenor of Education, Mrs. H. McAdam, announced the annual Public Speaking Contest for Hemmingford School would be held March 18th and 19th.

Dr. W. Penfield's tour of the East under the Colombo Plan was the topic of an informative article read by Mrs. Wm. Beattie, Convenor of Home Economics.

Members were amused at the account of how English W. I. helped retain the respected name of Puddletown for their village, rather than "Piddletown", described as being geographically correct. This was from a newspaper clipping read by Mrs. D. Woodley.

It was announced the W. I. County Convention is to be held May 3 at Aubrey-Riverfield and the Provincial Convention June 25-28, at Macdonald College.

A letter has been received from Miss Campbell regarding a proposed course in painting. It was felt summer as suggested is not suitable and inquiries are being made for a later date.

Mrs. E. Moore, conducted a lively game "Grab Bag". Members were required to match articles brought by Mrs. Moore. A mousetrap, apple, scissors, button, tape measure and ash tray, were among the items successfully "matched" by members.

The monthly meeting was then adjourned and the Annual Business Meeting was begun.

Annual Report The annual business meeting of the Hemmingford W. I. was held March 6 at the close of the regular monthly meeting, with President, Mrs. Thos. Cleland in the chair. The members were informed in the Secretary's report that there were 42 paid up members and six members with perfect attendance.

The following reports were read and accepted en bloc: Programs for ensuing year — read by Mrs. F. Greer.

Finance Committee raised \$88.00 — read by Mrs. W. Keddy. Visiting Committee — read by Mrs. W. Clark.

Treasurer's Report — Mrs. E. Merlin. Amount raised 1956-57 \$265.33; amount spent \$335.77. Bal. March 1, 1957 — \$305.77.

Convenor: Agriculture — Mrs. Greer; Home Economics — Mrs. W. Beattie; Health Welfare — Mrs. Grass—read by Mrs. Moore; Citizenship — Mrs. C. Edgerton; Education — Mrs. H. McAdam; Publicity — Mrs. D. Woodley.

President, Mrs. Thos. Cleland, reviewed briefly the highlights of the year, and expressed thanks to all who helped her carry on, especially during her recent illness. She mentioned deep appreciation to the School Board and Mr. McLeod for the use of the school for our meetings and other activities.

Mrs. Cleland also thanked Mrs. E. Moore, Chairman of the Program Committee for the real fun we have all enjoyed throughout the year. The President concluded her retiring

speech with sincere good wishes for the officers for the ensuing year.

The meeting continued under the chairmanship of Mrs. H. Palmer.

The slate of new officers for 1957-58 was read by Mrs. J. Wylie, Chairman of the Nominating Committee:

President — Mrs. Wm. Beattie; 1st Vice-Pres. — Mrs. D. Orr; 2nd Vice Pres. Mrs. J. Wylie; Secretary — Mrs. E. Keddy; Treasurer — Mrs. D. Woolley.

Convenors: Agriculture—Mrs. F. Greer; Citizenship—Mrs. C. Edgerton; Health Welfare — Mrs. G. Grass; Home Economics — Mrs. T. Cleland; Education — Mrs. H. McAdam; Publicity — Mrs. R. Curry.

Sick and Visiting Committee: Mrs. W. Clark; Mrs. K. Campbell.

Finance Committee: Mrs. W. Keddy; Mrs. G. M. Brown; Mrs. R. Williams; Mrs. J. Wylie; Mrs. Thos. Cleland.

The Nominating Committee's report was moved and adopted. Mrs. H. Palmer expressed the regret of the Branch that Mrs. Thos. Cleland was retiring due to ill health. Mrs. Palmer thanked Mrs. Cleland for all the work accomplished and hoped that at a later date she would be able once more to take a more active part in Institute work.

The treasurer was authorized to send cheques to the following: Quebec Service Fund — \$42.00, achieving our goal of \$1 per member.

Pooling of fares — Macdonald College — \$12.00; A.C.W.W. and F.W.I.C. Travel fund — \$10.25.

Voting delegates to County Convention, May 3, at Aubrey-Riverfield are: Pres.: Mrs. Wm. Beattie; Sec.: Mrs. E. Keddy, Mrs. T. Cleland, Mrs. C. Edgerton.

Delegates to Provincial Convention, June 25-28 Macdonald College: Pres.: Mrs. Wm. Beattie, Sec.: Mrs. E. Keddy.

A letter of thanks to Mr. R. Petch is to be written for his work in again conducting an audit of our books.

The meeting was adjourned and refreshment were enjoyed by all.

Let Us Work For Better Representation

IT is practically certain now that there will be a Federal Election this summer. No date has been announced as yet, but hints have been thrown out.

While there may be no real general "beef" in the national sense of an election, we people of the Chateaugay-Huntingdon-Laprairie Constituency have one. At the last Federal Election, this constituency elected an entirely new man from the eastern end of the riding. He was nominated at the convention over the previous sitting member and this has evidenced to have been a mistake. Several delegates from the western and centre sections of the riding did not show enough interest at the time to be present at the convention.

Since the time that this newly elected member has been representing this constituency, the western and centre sections have been almost ignored as if they did not exist. We do not believe that the eastern end has fared very much better. While this member has been approached on numerous occasions to intercede on this and that, the results do not show that the constituency has benefitted. Several approaches have been made as to a grant for the Huntingdon County War Memorial in the form of a Skating Rink and so far the results have been negative. It would seem that nothing whatever has been done.

In view of the fact that an election will be held this year and very soon, people of the constituency and more particularly the Chateaugay and Huntingdon Counties area, should start getting organized to nominate more suitable candidates. More particularly, the supporters of the Liberal Party should see that they have a man who will really represent them if he is elected. We want a man who is going to look after our

interests at Ottawa, not just be a member in name only. It is our tax money which pays his indemnity and we ought to get some return for our money. When the constituents call for action on any matter, they want to see action. We certainly have seen none in the past four years or so in this section of the constituency. It is quite evident from the past record that the wrong man was chosen for the job. We can now reserve the right to depose this man and appoint someone who will give good representation. He has had a chance to prove himself, but he has been found wanting. Therefore let the Liberal Party supporters organize early and act around for someone who will be willing to work in the interests of the people of this constituency at Ottawa. Then let us see that such a man is nominated as the candidate in the forthcoming election. Let us become aroused and safeguard our rights in this matter.

Indications are that the forthcoming general Federal Election will be more than just a passive affair. It looks as though it will be on the old time footing of a two-party contest — That is the Liberal Party and the Progressive Conservative Party. As this is a Liberal Constituency at present, it may well be that the Liberal Party will hold sway — but only if they have a man who will really perform his duty to the electorate. It is possible that the election will see more Progressive-Conservative members in the seats of Parliament at Ottawa. This constituency may be one that will send such a member unless we can be assured of better representation than that experienced during this present Parliament. This is a serious matter and should be given very serious consideration during the time between now and the election.

No Sensational Features About The Budget

DESPITE the fact that an election is in the offing, the Federal Budget brought about no startling benefits in the lessening of taxation for the people of Canada. This is also despite the fact that a very large surplus has been built up. No one can say that the Government is using the budget to get back into power, for no one would regard the parts of the budget as giving them great benefits. True there are benefits but they are so slight, it is doubtful if they will be noticed. Possibly the greatest thing was an increase in the old age pensions of \$6.00 making the monthly payment after July 1st \$46.00 instead of \$40.00 as of now. Many a person in lesser circumstances receiving the old age pension, has found this sum inadequate and will welcome the increase.

There are many factors at the present time which could influence the government in not making too many cuts in taxation. The threat of inflation is with us and the Government is trying to control the economy in such a manner as this will not get out of hand. To reduce taxation too much would put extra money in the hands of the people and possibly cause the very thing which the Government is trying to prevent. Emphasis is being placed on savings and for certain types of savings, the Government will allow concessions on the income tax.

On certain types of foods the sales tax has been dropped and should mean that prices on these articles could be lowered. Another factor to be considered is that of defence. Nuclear weapons are being more specialized as part of the future equipment of the armed forces. This is against the threat of possible war at any time. At the present time that threat is ever present. The surplus that has been built might come in very handy in case of sudden outbreak of conflict that could engulf this country and this continent in an all out war. Preparation

tion will be half the battle in the event of another war.

These factors are those which may have deterred the Government from making any spectacular cuts in the taxation structure. There is no doubt that under ordinary circumstances and with such a large surplus, the Government could have made many substantial cuts. In view of the circumstances existing however, such would not have been a wise move. It would be no sense plunging this country into the throes of inflation with the threat of war continually hanging over us. Were it not for the necessity of maintaining a solid defence preparation, the taxes collected today, could be cut considerably. With the prosperity as it stands in this country we can afford to pay the higher taxes in order to maintain the peace and avoid war if possible. Employment is at a high peak, production is at a high rate — these tend to keep the economy and living standards at a high peak. As long as we can stay off the trend of trying to live beyond that peak, the threat of inflation will fade. It is a time when everyone must keep their heads and reason things out in rational manner. Therefore, by investing in certain forms of savings, the taxpayer will benefit by taxation concessions as well as having a little to fall back on. At the same time with less money going into consumer goods, the economy will gradually fall back into line of the production to be obtained. When demand exceeds the rate of production, inflation will gain the upper hand by prices advancing too far beyond the peak. This is what the Government is seeking to avoid and the people must be prepared to lend a hand in order that the proper control be brought to bear. expected, bear along this time and figure that in the end it may be a saving factor for everyone.

Hazy Outlook in Middle East

THE situation in the Middle East — the Gaza Strip and Aqaba, is far from being clear. Reports are that an Egyptian General and staff have been allowed to enter the Gaza Strip and have announced that they will be taking over the administration of the area. The Israeli officials have become alarmed over this state of affairs and have appealed to the United States and the United Nations to see that only U.N. Forces have charge of the Strip. They warn that if this state is allowed to exist, Israeli will take other methods.

We realize of course, that the U.N. cannot force Egypt to take orders — that it must be done on a co-operative basis. However, all of Nasser's demands should not be met so quickly and without question. Something must be lacking in the command of the U.N. that no check can be made on Nasser and his forces under existing circumstances. We were of the understanding that the U.N. was to take over the Gaza Strip after the withdrawal of Israeli forces and that no other officials or other forces

were to occupy it pending a permanent settlement of some kind. That being so, why was an Egyptian General and staff allowed in? Surely there was laxity on the part of someone in command to allow this. It must have been known that Israeli would not just stand quietly by in the face of previous events and promises. If the U.N. has no more power than this that it is blocked at every move the Egyptian officials wish to make, then it is utterly useless. It is not the function of the U.N. to clear the path so that Nasser can again start in making a nuisance of himself. If Israeli is ordered out, then Egypt must be ordered out also until such time as guarantees have been received that there will be no more trouble in this spot from either of the opposing sides.

As the situation now stands, trouble could break out at almost any moment and the whole world could again be in a turmoil of uncertainty as to the outcome. The United Nations will never become a forceful

Looking Back Along the Trail

"Echoes From The Past"

Our first settlers are passing with a very quiet and inoffensive life as the leaves and at such a rate that there will soon not be a survivor left to tell the time when Huntingdon was an unbroken forest and its pioneers struggled under privations that would have discouraged any sane a dauntless race. The history of two, of whom we make some note, is of peculiar interest, for the first was the oldest man born on the upper Chateaugay, the second was the first born in the interesting settlement that was planted at the Lake shore.

Charles McClatchie, of the 1st concession of Hinchinbrook, who died last week while on a visit to a daughter in Ontario, was so far as we have been able to trace, the first child born of English-speaking parents in the county of Huntingdon. His birth went back to the time when the only residents of the county were a few American families, who lived by making Polish Hosiery. He was born in one of two French-Canadian homes who eked out a living by hunting and fishing on the banks of Lake St. Francis. The father of Charles was a Scotch carpenter, who landed at Montreal in 1801, where he was engaged to work on the Meadows. During the winter he became acquainted with his future wife, the daughter of one of the settlers on the Chateaugay, who lived near the blockhouse, and after whom Francis's rapids. They were married by a Justice at Chateaugay, N.Y., at New Year's time of 1803, and took up their abode at Dewittville, on the Stewart lot. Here they remained until 1810, and while at Dewittville Charles was born and his first recollection was seeing his father kill an otter in the Chateaugay. The family moved to the first concession of Hinchinbrook, going up in a canoe as far as possible, which was to a cove below where Mr. Boyce lives. Thence they followed a bush track to the grandfather's place, for 3 years before, Reed had left the Meadows, and taken up his abode on what is now known as Burnbrae farm. They stayed with the old people until McClatchie put up a shanty for them, which he did near the lot now owned by Mr. Matthew Wallace. The family did not lack for food, but Mr. McClatchie found great difficulty in keeping alive a yoke of oxen he had brought with him, and for which he had to fatten and bears as well as deer. Having the Scotch idea of keeping the Sabbath, he disliked particularly felling trees for them on that day. He developed into a great hunter and had abundant material for his skill, for the woods abounded then in wolves and bears as well as deer while panthers were not unknown. The soil was exceedingly fertile and yielded great crops of potatoes and corn with no exertion beyond the planting. When the war broke out he became one of the frontier service, and while on an errand for the government was fired at from under cover, and carried part of the charge to his grave. Of these momentous times, Charles had many recollections, and the pity is that they were not preserved. For his services, the father was given a grant of land near Two Mountains, but declined to leave Hinchinbrook Charles led

permission rendered the proceedings of the United Nations. From its very beginning, for no matter what was decided the minority could overrule the will of the majority — which was quite in keeping with the Communist version of "democracy." Andrei Vishinsky, the clever and crooked lawyer who sent hundreds of his associates to the firing squad in the Grand Purge of 1937, was appointed chief spokesman for the Soviet Union. For years his tirades were published by the world-wide news services. Meanwhile Soviet spies were operating through consular offices in Canada and the United States. Moscow-financed Communist parties were organized and entering into local and national politics, dominating trade unions and openly spreading their propaganda through public meetings and Red newspapers. Membership in the United Nations provided Soviet delegates and their retinue with contacts for obtaining inside information which was regularly transmitted to headquarters. Thus the privileges of the democratic countries were used to undermine those privileges, promote communism and disunite the free nations.

But that disunity really began with Britain's withdrawal from India and Egypt, for which the United States was largely responsible. Egypt was the last eastern outpost of influence and defence for the Western World, and its evacuation left the Middle East wide open to Russian penetration. The closing of the Suez Canal, the uprising in Cyprus, the revolutions in Syria and Algeria, and the isolation of Israel were all instigated by Soviet propaganda and intrigue. Churchill foresaw what had happened and warned against it. Washington was wise in its decision they did not like. That

unit until it comes under the authority of an International Parliament which is able to make its authority felt and have its orders obeyed. If orders are not obeyed then some sort of punishment must be given to the offending parties to bring them into line. Apparently the U.N. as it presently is, is unable to enforce what it sets out to do. In a situation such as this in the middle east, there must be a way of requiring the parties to stay with the agreements made. As it stands, there is nothing to prevent Israeli from again taking up arms to protect its interests. She withdrew on the understanding that the U.N. would see that her interests would be protected. What the outcome will be of all this muddling, can only be left to time to unfold.

The Week At Ottawa...

OTTAWA (CP) — Increased social security benefits — the biggest feature of Finance Minister Harris' budget — cover more than 3,000,000 persons and will total about \$93,000,000 in the new fiscal year opening April 1. As generally predicted, there were no cuts in corporation or income tax, but Mr. Harris gave taxpayers a break on deductions for super-annuation payments. And just about every Canadian family will benefit from abolition of sales tax on a wide range of commodities including tea, coffee, soft drinks, candy and chewing gum.

The new budget will allow taxpayers to deduct from taxable income up to 10 per cent of their earnings when used to buy any form of approved retirement or annuity plans. Main concession of the allowance — aimed at moderating inflation by encouraging savings — is to encourage deductions from employees to self-employed persons such as doctors, lawyers, accountants or corner storekeepers. It would also permit thousands of employees who work for companies without pension schemes to buy annuities and deduct their cost from taxable income.

Standard Exemption Taxpayers were free to choose a standard exemption of \$100, unsupported by vouchers — from net personal income on account of medical costs, charitable gifts, union and professional dues. For a claim involving more than \$100, receipts are required. This was to become effective on 1957 income tax.

Old-age pensions paid to all persons 70 years and over will be increased to \$6 a month to \$46, effective July 1. In social fields where costs are shared with provinces there would be — if provinces approve — a similar increase on July 1 to 95,000 persons between 65 and 69 getting old age assistance, 9,000 blind and 35,000 disabled.

About 1,800,000 families will benefit by a \$1 a month increase in family allowances. This will bring the bonus for children under six years of age to \$8 monthly and for those in the 12 to 14 age group to \$6. These increases, which go into effect Sept. 1, are the first in 12 years.

Also in the budget were increased benefits for 242,000 war veterans and their dependents. Compensation paid under the Pension Act to disability pensioners, war widows and dependent children are effective July 1, to be increased by about 20 per cent — a total cost of \$20,000,000.

Mr. Harris eliminated the 10-per-cent sales tax on tea, coffee, cocoa, prepared desserts, pickles, catsup, relishes, sauces.

Lacolle

LACOLLE — The World Day of Prayer was observed on Friday afternoon in the Sunday School Room of the United Church. There was a good attendance representing Anglican and United Churches. Mrs. Gaudine, President of the Women's Missionary Society, presided and was assisted by Mrs. Willis. Mrs. E. Dawson, Mrs. J. MacGeorge, Mrs. Borrowsdale, Mrs. Hood and Mrs. Thomas Van Vleet. The offering of \$14.75 was sent to the Women's Inter-Church Council of Canada to be used to buy literature for foreign and home Missions. Mrs. David Van Vleet presided at the piano.

A hot dish supper and social evening sponsored by the Women's Association of the United Church was held Saturday night, March 2nd, in the Consolidated School. There was a good attendance and everyone enjoyed the evening. The very satisfactory amount of \$143.00 was cleared.

Mr. and Mrs. Floyd Fadden of Noyan, were supper guests of the Misses Foshburgh, on Friday.

Mrs. Fred Orr of Hemmingford, was in town Thursday evening and called on several of her friends. It was nice to renew old acquaintance.

In the absence of Rev. Gaudine, Sunday morning the service was taken by Mr. Terence Golding, teacher in Feller Institute, Grand Ligne. Mr. Golding is a candidate for the United Church Ministry.

mayonnaise and salad dressings. The 10-per-cent tax on automobiles remains unchanged. But the tax was removed from motorcycles, fountain pens, ballpoint pens and similar items as well as gold and silver-plated ware, earthen ware, crystal glassware, china figurines, porcelain and pottery, door and window screens, septic tanks, potted plants, flower bulbs and cut foliage.

Cigarette taxes were untouched. But the eight-cent-a-pound excise tax on raw leaf tobacco was repealed and the excise duty reduced to the pre-war 10 cents a pound from 20.

Budget Highlights Officials estimate the entire tax cuts equal about three days' share of the record peacetime revenue of \$5,170,000,000 and expenditures of \$5,018,000,000 forecast for the fiscal year.

Deductible medical expenses in 1956 and future tax years to include full-time nursing-home care for taxpayers or dependents and full-time care for retarded children.

Mortgage Loans Canada's chartered banks have agreed to release \$150,000,000 this year for mortgage loans, announced in a statement by the Bank of Canada here following a meeting in Montreal last week between officials of the central bank and the chartered banks.

The statement said the housing loans to be approved will cover about 15,000 units. Preliminary discussions were also held in general terms on a proposal that the banks make larger amounts available for housing loans and other long-term investments, from depositors' personal savings. The latter suggestion was first made in the annual report of a governor of the Bank of Canada, James E. Coyne, released a few days earlier.

Regarding housing loans, President F. W. Nicks of the Canadian Bankers' Association said in a statement that the central bank had promised that sufficient new money would be made available to the banking system to permit National Housing Act loans to the extent of \$150,000,000 to be made, thus ensuring that this money would not come out of funds available for other banking operations.

Referring to the suggestion of study of larger participation by the banks in the field of mortgage loans and other long-term investments, with regard to the growth in volume of personal savings deposits, the statement by Mr. Nicks said: "It was agreed that this matter was one which called for further study and discussion by all concerned."

Transport Surpluses Canada's publicly-owned transportation systems, the Canadian National Railways and Trans-Canada Air Lines, reported healthy surpluses on 1956 operations. The CNR's \$28,076,000 surplus was its largest in peacetime, second highest in its 33-year existence. TCA's net of \$1,556,000 was its sixth in a row. Both companies had a record volume of traffic last year, but the railway predicted a smaller surplus for 1957.

Eye Clinic Helps Many With Eye Trouble

Due to a program of prevention of Blindness organized with the help of the Canadian National Institute for the Blind and the Provincial Government, it was made possible to examine the school children's eyes, following a survey made in the schools by the Nurses of the Provincial Health Unit. A clinic held by Dr. Jacques Noisieux, ophthalmologist of Montreal, at Huntingdon, Tues., Feb. 26th, in the local of the Health Unit was proven very efficient. More than 35 scholars were examined. The examination showed that several will need glasses. In case of indigency the National Canadian Institute for the Blind will furnish glasses free of charge. Medicine has been prescribed for some and others will be sent to hospitals for operation. (Continued on page 7)

The monthly meeting of the St. Paul's United Bays Mission Band was held on Friday, March 15th, with 42 members present. President Margaret Bryson in the chair. The meeting opened by repeating the Mission Band Purpose. After the reading of the minutes and the roll call, eight members led a worship service on the theme of sharing. Participating were Carol L. Duncan, Florence Winter, Connie McClintock and Jean Sproule as Korean children, Connie Gamble, Betty McDougall, Cheryl Gamble and Janet Cavers as children in Hong Kong. A short playlet "Mission Band Pennies" was presented, demonstrating how two Mission Band members had saved for their Easter Thank-offering. Cast was as follows: Treasurer, Shirley Sproule, Mission Band Members, Nettie and John Tavenier, Pennies, Gayle Upton, Shirley Anderson, Betty Hughes, Carol Hughes, Janet McCartney, Wendy Cruickshank, Linda French, Susan Nussey, Nickels, Diane McCartney, Ann Cruickshank, Candy Pennies, Heather and Roberta Wallace. Thankoffering envelopes were then distributed to the members, and the meeting closed with a Korean song and a game.

The Royal Family Their Annual Income

I have often been asked various questions concerning the Royal Family and other royalties but nearly everyone seems to have the vaguest idea of how they receive their annual income, where it comes from and who pays into their upkeep. One would be amazed to hear some of the opinions on this question. As Canadians, we ought to know a few of the details and not be caught off guard whenever we get into a discussion about the financial situation of the Queen and the members of her family. Following are a series of questions and answers, the type of which are most often asked. It is hoped that a few of your questions may be answered here. Q — Does Canada pay toward the income of Queen Elizabeth II and her family? A: — No. Canada, nor any other Commonwealth member, pay nothing toward her yearly income. This expense is entirely paid by England. Q — What is the annual salary paid to the Queen? A: — Parliament pays the Queen \$1,330,000 a year. Q — Is this sum to be used as she so desires with no strings attached? A: — No. Out of this amount she has to pay the costs of running all the royal palaces which includes any entertaining, all food bills and for fuel for heating, all laundry bills, for her own cars and the gas that goes into them and for the upkeep of the horses in the Royal Mews and the cost of feeding them. She must also pay the palace servants their wages and all the salaries of the members of the Household. Q — What has she left after these expenses are taken care of? A: — \$168,000. Q — Has the Queen any other means of an income? A: — She has the revenues of both the Duchy of Lancaster and Cornwall, each of which brings in approximately \$250,000 annually. The Queen does not touch any of this, but instead, hands over these yields each year to the Treasury. Q — How many members of the Family circle receive annual incomes from the British Parliament? A: — There are five members only. The Queen Mother receives \$196,000 annually; The Duke of Edinburgh, \$12,000; Princess Margaret, \$16,800; the Princess Royal, \$16,800 and the Duke of Gloucester, \$98,000. Out of these salaries each one must pay the upkeep of their homes and the wages of their servants and staff. Q — Do the Royal Family pay Income Tax? A: — Yes, except the Queen herself, must pay Income Tax according to the income each receives. It is also effective for all other private income over and above what is shown in the above figures. Q — Who decides the question

of Royal salaries? A: — Parliament. It pays them a series of annuities called the Civil List. The amount of money provided for the reigning sovereign is decided at the beginning of each reign for the period of the reign. Do you have a question about members of the Royal Family? If you have and would like to have them answered please write C. A. McNaughton, Hemmingford, Que. All answers will be given through the Huntingdon Gleaner.

Gene "Highbrow"

A leading article in a recent Ayrshire Digest, titled "New England's Gene 'Highbrow'", reminded us that a herd sire owned by Henry O. Wallace, Fairview Farm, Athol, Que., is a grandson of Atwood Orchards Highbrow. That is, a 17-year-old Century Sire with over 1,000 registered progeny. Albert also a "Double Approved" Ayrshire sire-part of which is the preamble to the title of the above article.

Saved from Block

The article by Maurice H. Benson commences with: "If you haven't killed that bull, don't! I am interested in him."

"The excited voice on the end of the line was that of J. Leon Atwood, Plattsburgh, N.Y., who had just learned that Atwood Orchards Highbrow was in the hands of a butcher and was only minutes away from being slaughtered. Had Leon's call been a little later, Atwood Orchards Highbrow would not now be a Cen-

tury Sire with 124 tested daughters, would not have over 1,000 registered offspring and would not be in service at 17 years of age—the oldest Ayrshire sire in artificial service in the United States."

Varied Career

Atwood Orchards Highbrow was sold in the Clinton-Franklin-Essex Sale when nearly a year old for \$62.50 to E. J. Roach, Plattsburgh, N.Y.; was subsequently resold to Jerry Blanch, Merrill, N.Y., who kept him for three and a half years and registered 20 progeny. In 1944 Jerry Blanch sold his entire herd, to the dealer. It was at this point that Leon Atwood's telephone conversation kept this good sire alive. Leon paid \$125.00 for him, used him at his Doane Farm and then leased him for a year to Warren Colombe, Peru, N.Y., who registered 12 "Highbrows."

When the Colombe herd was dispersed Leon Atwood sold a half interest in "Highbrow" to Clifford Cooke, Burke, N.Y., who registered 13 progeny.

Graduated to A. I. Service

In 1950, Mrs. Elizabeth A. Mattson purchased "Highbrow", now 11 years of age, for \$1,500.00 (from Messrs. Atwood and Cooke) and then made arrangements to lease him to the New England Ayrshire Club for service in the New England Stud. This was in June, 1950, and "Highbrow" is still in regular service at the Massachusetts Selective Breeding Association, Shrewsbury, Mass. He has had 8,523 first services to his credit and it is reported that his conception rate has never been below 70% since he has been in service in the unit.

Time Dealt Kindly

"Highbrow" was classified "Very Good" at 9 years of age. When his photograph made at 9 years of age is compared with one taken at 17 years of age, it is evident that the years have dealt kindly with him. His photograph taken at 17 years of age shows him in very nearly the same condition as when he was previously photographed at under 10 years.

Daughters Popular

Because of their uniformity, it is claimed, "Highbrow" daughters have been very popular in North-eastern New York for many years, and breeders in New England who have owned "artificial" daughters have found that they are unusually uniform. The typical "Highbrow" daughters (like their sire) are nearly all red in colour, of average size, very dairylike, with good feet and legs and very shapely udders. They are also particularly persistent milkers.

High Ratings

Having been used in several herds which were subject to dispersals, as well as in artificial service, "Highbrow" daughters have naturally been widely scattered, which hasn't given him the chance for a high proof that many bulls have had. His daughters have been tested in 70 different herds.

Nevertheless very few sires have had their A. B. proof stand up as well in comparison with their natural proof as has Atwood Orchards Highbrow. He was first approved, July 1950, with 12 daughters averaging 10,161 lbs. M., 431 lbs. F., 4.24% F. M. E. In February 1956, his proof stood at 48 daughters, 101 records, averaging 9,815 lbs. M., 409 lbs. F., 4.16%. His present study, completed March 9, 1956, is on 124 daughters, having 199 records, which average 9,389 lbs. M., 386 lbs. F., 4.11%. Ninety of these tested daughters are artificially sired and their average alone is 9,323 lbs. M., 382 lbs. F., 4.11%.

Man O'War Blood

For the information of those who favour the Penshurst Man O'War bloodline, "Highbrow" carries a great deal of the blood of that great United States sire. His sire, Stratglass Jean's Man, was by Penshurst Man O'War 2nd, while his dam, Alta of Atwood Orchards, was a daughter of Penshurst Red Star (Approved) by Penshurst Man O'War.

Melody Lane Parnell

So much for the article. To return to Henry Wallace's Fairview Farm, Athol, Que., herd sire. He is Melody Lane Parnell, born March 10, 1955, bred by Frederick J. Bova, Burke, N.Y.

His dam, Danesia of Skytop Acres is a daughter of Atwood Orchards Highbrow. A year ago (probably has more now) her 5 Herd Test Lactation records (junior 2 yr. old to 6 years old) totalled 53,838 lbs. Milk, all on an actual basis. Her records include a junior 3 year old, 305 day record of 10,841 lbs. M., 535 lbs. F., 5.0%; a 5 year old record of 10,938 lbs. M., 538 lbs. F., 4.9% in 293 days; a 6 yr. old record of 15, 653 lbs. M., 771 lbs. F., 4.9%, in 305 days.

Melody Lane Parnell was sired by Melody Lane Red Dancer out of Maple Grove Melody, a cow with 9 Herd Test Lactation records totaling 79,869 lbs. M., 2,980 lbs. F. Her records include the following: 11,353 lbs. M., 444 lbs. F., at 4 years; 13,968 lbs. M., 537 lbs. F., at 5 years; 14,005 lbs. M., 500 lbs. F., at 6 years; 13,712 lbs. M., 497 lbs. F., and 17,068 lbs. M., 622 lbs. F., at 8 years.

Council Meetings

HOWICK VILLAGE COUNCIL

The regular March meeting of the Howick Village Council was held Monday, March 4th in the Town Hall with all Councillors present and Mayor W. G. Brown in the Chair. Ralph Reddick, who had been appointed to the Council to take the place of W. G. Brown, now Mayor, was sworn into office by the Secretary Treasurer Kenneth E. Lyall.

During the course of the meeting many subjects were discussed and appropriate action taken.

Stewart Russell, owner of land in the undeveloped section of Academy Street, attended the meeting to request the Council to extend present water and sewage lines on that street as he had people who were interested in buying land for the building of homes. Mr. Stewart stated that he would make the necessary land available for the road and ditches. After some discussion it was the opinion of the Council that the matter should be studied further and that Mr. Stewart would be notified of their decision.

In matters arising from the minutes, Mr. Lyall reported on a conference held with Mr. Cossette, the Village lawyer, on the matter of Arthur Brault's piggery in the Village and of the Charette children. With regards to the new garbage schedule of a collection every week in the Summer months and every two weeks in the Winter months, the Secretary-Treasurer reported that the Public Notices had been published and that householders had been notified by mail of the change of dates.

The Council acted on the appointment of Municipal Officers and the following citizens were appointed: Roads, Ditches and Fences, Eddie Pouncey, Keeper, Dr. W. Watson, Weed & Brush Inspector, Alex Desroselliers, Board of Valuers, James Crawford, Hiram Reddick and Paul Laberge. The appointments were moved by Councillor Charles Turcot seconded by Henri Marsan, carried.

Other matters discussed were a Health complaint, the request to the Government Roads Department for more stop signs, the painting of the equipment in the Pump House, an account from the Canadian National Railways and letters sent to property owners notifying them of their responsibility to pay water works accounts if their tenants fail to do so.

As a bond payment would be due April 1st for Waterworks bonds, the Secretary Treasurer was instructed to make the amount of \$8,840.00 available to cover the payments.

Councillor McArthur brought up the question of the Town Memorial Cenotaph located on land owned by the Bell Telephone Company. The Bell Engineers had informed him that the Cenotaph would have to be painted and improved or moved. After discussion the Secretary-Treasurer was instructed to check painting prices and to report back to Council at the April meeting.

In view of the sudden death of Reverend William Edwards of the Howick United Church it

was moved by Councillor Peddie seconded by Councillor McArthur that the Secretary-Treasurer do convey to Mrs. Edwards the deepest sympathy of the Council and the Village they represent in her sad loss.

The need of Standing Committees for Village services was pointed out by Mayor Brown and after discussion of the matter the following committees were created: Street Lighting, Fire and Police, Councillors Marsan and Peddie, Building Bye Laws and Garbage, Councillors Grevier and McArthur, Waterworks, Sewage and Village Improvements, Councillors Reddick and Turcot.

PARISH TRES ST. SACREMENT COUNCIL

The regular meeting of the Parish Council for the Parish of Tres St. Sacrement was held Monday, March 4th, in the Town Hall at Howick. In the absence of Mayor John Robinson, III in the Montreal General Hospital, the Council appointed Councillor Hubert Desroselliers as Pro-Mayor.

In business arising out of the minutes the Secretary-Treasurer reported on a meeting with Lawyer Cossette on the Josephat Demers case stating that all documents relating to the affair had been left with Mr. Cossette. John Holmes attended the meeting requesting information on the fencing problem arising out of the Fertile Creek Road work done last Summer to straighten out the dangerous curve at that spot. After discussion it was decided by the Council that Councillors Harold Robertson and Peter Peddie with the Secretary Treasurer should meet with the citizens concerned at the site and get the matter settled to the satisfaction of all parties and to notify the Roads Department.

Raymond Anderson appeared before the Council seeking clarification of lot numbers on the Australia Concession on land he recently purchased. The Secretary Treasurer was instructed to go to the Registry Office in Ste. Martine and get the necessary information to clear the matter up.

A report was given to the Council that Mayor John Robinson was a patient in the Montreal General Hospital. It was the decision of the Council that the Secretary Treasurer should visit him and bring the best wishes of the Council for a speedy recovery.

Mr. Lyall, the Secretary-Treasurer presented a report of a complaint received from Mr. Barrington of the Logan Point Road objecting to the condition of the Road due to water and ice. The Secretary-Treasurer reported that Councillor James Cullen had investigated the complaint and had the matter cleared up.

Two hospital cards, one for

Denise Lord and the other for Mrs. Evans after discussion were signed by Pro-Mayor Desroselliers on a motion of Councillor John Bustand seconded by Councillor Harold Robertson.

The Municipal Inspectors, after discussion were appointed for a two year term. The Road Inspectors appointed in 1955 were re-appointed with the exception of Andrew McFarlane, who was replaced by Wallace Craig and Stanley Peddie was replaced by Archie Peddie.

The Rural Inspectors were re-appointed. The Bridge Inspectors were re-appointed, Wallace Templeton and Fred Descent were re-appointed as Valuers and Laurent Bergevin was replaced by J. D. Lang. The Weed Inspectors were re-appointed and all the Watercourse Inspectors were re-appointed and James Scoble was appointed to take the place of Robert Anderson deceased. Poundkeepers named were Dr. Watson, Donald McKell and Russel Kerr. The appointments were moved by Peter Cullen and seconded by James Peddie.

The group stood while tribute was paid to the memory of Mrs. Edith McKee, who had been an active member in the society.

A letter acknowledging the society's floral contribution was received from the late Mrs. McKee's family. A receipt for \$19.50 has been received from the Overseas Relief.

During the afternoon a quilt from the previous meeting was completed. A program of Household Hints followed, which proved very interesting and helpful.

Refreshments were served by the hostesses, Mrs. Jas. Curran and co-hostesses Mrs. G. Moore and Mrs. W. Potter.

Aubrey - Riverfield

AUBREY-RIVERFIELD — The annual meeting of Aubrey-Riverfield Women's Institute was held at the home of Mrs. George Robb, Aubrey, on Thursday afternoon. The meeting opened with the singing of the Ode and repeating the collect; twenty-one members and two visitors attended.

The roll call was answered with the payment of fees and displaying a St. Patrick's decoration; those who had not paid a fine and dropped the money in the cerebral palsy bank.

Plans were made for the officers and convenors to meet at the home of Mrs. Harry Angell to draw up a programme for the coming year.

Mrs. Annie Gruer and Mrs. Chester Orr were appointed delegates to the county convention to be held in Riverfield, in May. Mrs. Harold Robertson and Mrs. Burton Reddick as delegates to the Provincial convention.

A very pleasing feature of the day was the presentation of a life membership certificate and pin to Mrs. Annie Gruer by Mrs. C. Orr and Mrs. Janet Reddick, to which Mrs. Gruer very fittingly replied.

The programme for the day was the reports of officers and convenors. Very full and splendid reports were given by everyone.

The Secretary gave a concise report of all the monthly meetings. The Treasurer reported a balance of \$91.50 to start the new year's activities.

The Agriculture Convener told of the care of flowers, also various field crops and the harvesting of same.

Home Economics brought many useful hints very helpful in our every-day life in the home.

Welfare and Health had been fortunate in securing three doctors from Ormstown to conduct discussions on first aid in different accidents.

The President's address was interesting and also very informative. She chose "time" as her subject and told of the very many ways time could be used and ended by urging us all to use our time to help make people happier and the world better, to take time to do the right things.

The nominating committee submitted the slate of officers for the coming year. The meeting closed with the singing of God Save the Queen, followed by refreshments served by Mrs. G. Robb, Mrs. J. Angell, Mrs. Ewart Orr and Mrs. Janet Reddick.

Mr. and Mrs. Kenneth Dunn, Eleanor and John and Mr. and Mrs. Carl Taylor of Saranac Hollow, N.Y., were Saturday guests at the home of Mr. and Mrs. T. E. Robertson, also calling on Mr. and Mrs. Harold Robertson.

Sunday guests of Mr. and Mrs. Richard Bunbury were Mr. and Mrs. Arthur Bunbury, Nancy and Jimmie, of Iroquois, and Mr. Alasdair Mackie of Beauharnois.

Mr. and Mrs. J. W. Wolodarsky were at their home here on Thursday.

Mr. and Mrs. A. McNeil, of Ormstown, were Monday evening guests of Mr. and Mrs. Math McKell.

Mr. Brodie Templeton of St. Hubert spent a long week-end with his parents.

Mrs. Janet Reddick is spending some time in Valleyfield with Mr. and Mrs. John Cliff and infant son.

Sorry to report that Miss Janet MacFarlane has been ill and under doctor's care. All wish her a speedy return to her former good health.

Mr. Norman Stacey with her two little boys spent a week-end last week with Mr. J. Greer and Marlon in Ormstown.

Mr. Norman Stacey is presently under doctor's care, having suffered an injury to his foot while at his work at the seaway construction in Beauharnois.

Many from this community were thrilled to see little Lorraine Tanner appear on TV on Sunday evening on the programme "Show Time". Lorraine with several other small children gave a good demonstration of ballet. This little girl is the daughter of Mr. and Mrs. Dick Tanner (nee Reta Robertson), now of Toronto.

Mr. and Mrs. Eric Rice, Albert, Billy and Connie, of Ormstown, spent Sunday with Mr. and Mrs. John Milne and James.

Mr. and Mrs. Alan Hooker and family and Mrs. Mary McNeil were Sunday guests of Mr. and Mrs. Harold Robertson.

L.A.C. Raymond Cullen of Lac St. Denis has been a recent guest at the same home.

Hemmingford

HEMMINGFORD — The regular monthly meeting of St. Luke's Women's Auxiliary was held on Wednesday afternoon, March 13th, in the Church Hall. Ten members answered the roll call and three visitors were welcome.

The president, Mrs. C. E. Petch, called the meeting to order by repeating the members' prayer. A report on the sale of cook books was given by Mrs. R. Cleland, Mrs. Petch expressed a vote of thanks to Mrs. Cleland and Mrs. R. Hadley, who had worked so hard on this project. Money was voted Mrs. R. Hadley to purchase material for work for the fall bazaar. New seat covers for the church pews was discussed. A vote of thanks was given Mr. Barke who had rebound and donated a Bible to the Sunday School. As this is the Centennial Year of St. Luke's Church, a discussion of what was to be done to mark the occasion followed and it was left for the members to give it serious thought and the matter would be discussed again. The members were all delighted to know that a student, Mr. Knight, of the Theological College in Montreal, is going to be living here and making the Sunday Services for a while. Mrs. Knight and young son from New Brunswick are to arrive the latter part of this week and will be living at the parsonage. A woman was discussed for Mr. and Mrs. Knight and it was decided to hold it the first part of next week. The congregation is to be notified as soon as final arrangements are made.

Mrs. Aylmer Hadley served refreshments and a social time followed.

Due to the extremely icy condition of the roads last Tuesday morning, the school buses from both the Hemmingford High and Langlois Academy did not make their usual run.

Huntingdon Ladies' Curling Notes

On Tuesday, March 12th, a team composed of Mrs. D. L. Kelly skip, Mrs. G. McHardy, Mrs. R. Rowat and Mrs. W. U. Hughes, attended a "friendly" in Hudson, Que.

The all-day St. Patrick Bonspiel, on Saturday, March 16th, Mrs. Henry Wallace were Mr. and Mrs. Simon Eldner of Ste. Anne de Bellevue, Que.

Some farmers in this district have tapped their sugar bushes, but the real sugar season does not seem to have arrived, the weather is not just right. Despite the variety of weather, it seems as though spring cannot be too far away. At least if the arrival of the crows, robins and other birds is any indication. One resident in this community found a yellow butterfly in her house last week.

Miss Carol Ross of Montreal spent the week-end with her parents.

Robert McCleery Dies From Accident — Mr. and Mrs. Matt. Wallace, and Mrs. Henry Wallace were called to Montreal on Sunday morning owing to the sudden death of their uncle, Mr. Robert McCleery. Mr. and Mrs. McCleery had been visiting friends and as he went to unlock his car, another car came along and sideswiped him, knocking him down and tearing his clothes. He was taken to Queen Elizabeth Hospital where he passed away about 2 a.m. The sympathy of this community is extended to Mrs. McCleery (the former Jennie Wallace) in her very sad and sudden bereavement.

Mr. St. Amour has returned home after spending the past week in St. Jerome and Montreal.

In these days of modern living many older customs are in the discard. The old time quilting bees are now infrequent. So it was a pleasant change when Mrs. Morris McLean invited a number of neighbors to such a bee on Tuesday. As the ladies worked on the quilt there was lots of talk and neighbourly intercourse and that, plus a delicious dinner, made for a very good day. Let's have more of such neighborly gatherings.

proved very successful. Mixed curling was enjoyed afternoon and evening and a delicious supper was served by the Junior members. The winners of the Rosebowl Trophy were as follows: Mr. D. McGerrigle, skip, Mrs. E. C. Martin, Mr. Bill Rowat and Mrs. L. Sparrow. There were two winning teams in the runners-up, Mr. Mons Duke, skip, Mrs. G. McHardy, Mr. Gordon Tannahill and Mrs. W. U. Dundee

Mr. Garth McPherson, son of Mr. and Mrs. Wm. McPherson is out of hospital in Cornwall, Ont., where he was a patient for a few days. He is recuperating at his parents' home in Dundee. He and his companion were injured in a car accident when his 1952 Monarch sedan went out of control on Highway No. 2 near Morrisburg, Ont. about a week ago. The vehicle crashed through a guard rail and continued on to the bank of the St. Lawrence and finally landed in an overturned position on the river ice. Fortunately the car did not enter the deep water which was quite close, and not frozen. Both occupants when found were

taken to the Hotel Dieu Hospital in Cornwall, McPherson being in an unconscious condition. He had a cracked bone in his right leg and required several stitches in a facial wound. His companion received facial cuts and other injuries. The car was a complete wreck.

Both men are employed by Ontario Hydro and had just taken a third man to his home North of the highway when the accident happened at the intersection. Weather conditions and soft snow made driving conditions dangerous at the time which was about 6.30 p.m.

Miss Lorna Fleming of Shawville, Que. spent the week end with her uncle, Mr. Arthur Gordon. Her mother, brother Ronald, Mr. Everett Arnott and Miss Agnes Aigue have been in Florida for the past several weeks enjoying an extensive motor trip in the sunny south.

Mr. and Mrs. A. H. Fraser and family spent Sunday at Henrysburg visiting the Cockerline family. They called at the Barrie Memorial Hospital to see Mrs. Herbert Barrington of Hemmingford, who is a patient there following a recent paralytic stroke.
