RUSSIA CLAIMS LEAD IN H-BOMB RACE

Weekend Accidents — Two separate three-car collisions sent two to hospital over the weekend. Gene Lussier of Montreal suffered severe injuries when his car (top left) dropped over a 15-foot embankment near Magog last night. Two other cars collided as the accident occurred but neither

driver was injured. Top right shows the car owned by T. W. Parry of North Hatley which was badly mangled after it took to the ditch near Rolling Hills Motel Saturday night. Parry suffered back injuries. Two other cars driven by Francois Bresse, Ascot, and Clifford Marshall, Waterville, collided after Bresse had stopped to help Parry. (Record photo by Breton Studio)

Khrushchev Boasts Reds Have Exploded H-Bomb From Plane

BIRMINGHAM, England — (Reuters) — Soviet leader Nikita Khrushchev said today that Russia has exploded a hydrogen bomb from an airplane, the only power so far to do so.

He added that in addition he was sure Russia "will have a guided missile with a hydrogen bomb warhead that can fall anywhere in the world."

The Communist party chief was speaking at an industrial exhibit in Birmingham, which he visited during a day of sightseeing outside London with Premier Bulganin.

Referring to the H-bomb explosion from a plane, he said: "The Americans are only intending to do that. Their previous explosion was not a hydrogen bomb but only a hydrogen installation."

Khrushchev made the statement during an attack on the Western embargo of strategic goods to Russia.

"In spite of all that, you do not want to trade with us," he added. "The point I want to make is that these restrictions on trade do not prevent us in any way making advances in armaments. Therefore it is quite unreasonable."

The Communist party leader said that "only the development of widespread trade can smooth the road to really strong friendship" between Britain and Russia.

With a grin, he said Anglo-Soviet trade could hardly flourish when it is based on Russian crab exports in exchange for British herring "although your herrings are wonderful—particularly with a drop of vodka."

Russia had been forced to build up its machine-tool industry, although it preferred to buy machine tools from Britain.

"They say there should be no trade in strategic goods because of the possibility of conflict," Khrushchev said. "But what are strategic goods? Butter can also be considered as strategic."

After spending Saturday night at Chequers, the prime minister's

Canada's Share Cut In New Wheat Plan; Blame US Giveaway

OTTAWA — (CP) — Canada's share of foreign wheat markets under the proposed new three-year International Wheat Agreement will be reduced by one-third, forcing her to rely more on the purchasing policies of non-pact importers for a majority of sales.

Federal experts, greeting the new agreement without elation, said its effectiveness is reduced by major importing countries who have decided to buy less from the pact, believing they can get a lot of surplus wheat from the United States under "giveaway" terms.

The negotiators' communique, announced in London Saturday, said details of how much wheat will be handled under the agreement and how the market will be divided up among the exporters will be announced Wednesday.

But Canadians who attended the bargaining conference said Canada's annual export quota will drop to about 100,000,000 bushels from the 153,000,000 under the current pact. It was learned that instead of just four exporters—Canada, the U.S., France and Australia—currently supplying the importers, there will be six with the addition of Argentina and Sweden.

One top Canadian authority said that the only really significant result of the negotiations is that the bulk of importers recognize in this time of a world wheat glut that a price of between \$1.50 and \$2 a bushel for top wheat is a "reasonable price."

Down five cents a bushel from the current agreement, these prices will become the floor and ceiling of the new one to go into effect Aug. 1 if ratified by importers representing a majority of sales and shipments involved.

Canada's current price for No. 1 northern wheat at the Lakehead is about \$1.75 a bushel. It is the same for pact and non-pact customers, including Britain, the world's top buyer. For the second consecutive term, Britain will not be a member of the wheat agreement.

But the \$1.75 is down from the \$2.03 which prevailed at the start of the current international scheme when it went into operation in August, 1953.

However, the price is considered here as fairly steady and strong in the face of the U.S. subsidizing some exports which are either given away or sold under fire-sale prices and terms.

Whether that steadiness will prevail with the number of exporters rising to six from four is questionable. Argentina, coming into the pact for the first time, is a big wheat producer and is badly in need of trade.

In the last two years over-all Canadian exports were at an average of about 250,000,000 bushels. And where under the current IWA she seemed to have a hopeful market for 150,000,000 bushels or more than half her total exports, under the new IWA, she will have, at best, a market for no more than 40 per cent of average exports.

Unemployment Shows 1st Drop Since August

OTTAWA — (CP) — Employment between mid-February and mid-March rose modestly and unemployment showed its first decline since last August, the government reported today.

Number of persons with jobs rose 25,000 to 5,241,000 from the previous month's 5,216,000. The figure also was 242,000 above the 4,999,000 with jobs a year ago.

The moderate improvement in total employment came entirely from expansion of job opportunities in non-farm industries, with manufacturing, trade and construction leading the way. Farm employment remained virtually unchanged during the month.

The spring pickup in total employment began earlier than usual this year. Usually the level of employment remains unchanged between mid-February and mid-March.

The number of persons without jobs and seeking work was an estimated 295,000, a decline of 13,000 from 308,000 a month earlier and 106,000 below the March 1955 total, a joint statement by the labor department and bureau of statistics showed.

Two Killed, Several Injured In Townships Traffic Mishaps

Two fatal accidents were reported in the Eastern Townships during the weekend bringing the Eastern Canada death toll to 25.

Dead are: Fernand Landry, 22, of Thetford Mines; Denis Lefebvre, St. Johns, Que.

Landry was alone in his car yesterday when he hit a bump in the road at Thetford and lost control of his car. He was killed instantly as a result of a skull fracture.

Lefebvre was burned to death when his car rolled over into a 30-foot ditch near Sutton and caught fire last night. A second occupant of the car, Leo Poulin, also of St. Johns, is in critical condition in Sweetsburg Hospital.

At least seven persons were injured in other district accidents.

Jack Williams, 19, 1042 Walton St., Sherbrooke, broke his right collar bone and received a severe concussion when he was knocked off his motorcycle at the corner of Belvedere North and Montcalm St. The car was driven by Lorenzo Pepin, 45, 128 Gillespie St. Williams was taken to Sherbrooke Hospital for treatment.

Three young people were injured late last night when their car went out of control and hit a stump at the side of the road near Ulverton.

Driver Victor Beaudoin and his companion Romeo Vachon, 19, both of St. Felix de Kingsey, were rushed to St. Croix Hospital in Drummondville for treatment. Beaudoin with internal injuries and Vachon with multiple cuts to the face. The third occupant of the car, Miss Pauline Provencher, 20, of Richmond suffered severe cuts to the face but was not hospitalized.

The accident was investigated by Provincial Police Officers Wilfrid St. Cyr and Conrad Leach.

A three-car pile-up near Magog last night sent one car over a 15-foot embankment and its driver, Gene Lussier, 24, of Montreal, to La Providence Hospital, Magog.

CCCL Moves Closer To Big Union Merger

TORONTO — (CP) — With a union-splitting political donnybrook apparently averted by strategic back-room work, the Canadian Labor Congress today embarked on its founding convention aimed at uniting 1,000,000 workers.

The week-long sessions of the convention, the largest labor meeting of its kind in Canadian history, will weld the 600,000 members of the historic Trades and Labor Congress of Canada and the 400,000 of the younger Canadian Congress of Labor.

And even before the merger became effective there were weekend indications here that it could possibly be swelled by the 100,000 membership of Quebec's Canadian and Catholic Confederation of Labor.

TLC president Claude Jodoin — who will become first head of the enlarged congress this week — told a Sunday press conference preliminary discussions with leaders of the French-speaking group have been started with an eye to amalgamation.

"Discussions have been very congenial," Jodoin said. "There will be a possibility of amalgamation."

While he would give no details, it was learned later the talks started at Ottawa about a fortnight ago and included CCCL president Jean Picard and secretary-treasurer Jean Marchand.

Marchand, who is being extended the unusual courtesy of being an official platform guest at the CLC convention, told a reported the Quebec organization made the first move by asking for conditions of affiliation with the CLC.

"We put some conditions of our own on the table," he said. "So far, we have not received the answer, but the discussions are going well."

But he was non-committal about the chances of the CCCL moving into the big congress in the next year.

"In any case," he said, "we would have to submit anything to our own convention in September."

Since the prospects of formation of the CLC first appeared, it has been reported the CCCL has been anxious about the chances of heavy inroads on its membership by the new congress, whose No. 1 objective is an organization drive.

Jodoin said Sunday he hopes to see the CLC membership doubled in 10 years. Though Jodoin did not say so, observers consider a sizable chunk of this could be bitten off the Quebec con-

World News In Brief

QUEBEC — (CP) — Two persons were killed and three others injured Saturday in a two-car collision at nearby Lauzon.

Dead are Patrick Levesque, 37, of Cacouna, Que., and 33-year-old Mrs. Jean-Marc Bernier of St. David, Que. In hospital, where their condition is described as satisfactory, are Mrs. Bernier's husband and her two daughters.

Mrs. Bernier's eighth-month child was delivered alive in a Levis hospital following her death, but died a short while later.

BELLEVILLE, Ont. — (CP) — Clocks in this city of 25,000 persons were set back one hour Sunday as Belleville went on daylight time one week ahead of the rest of the province due to a council mistake in drafting a by-law.

The mixup which put Belleville one hour behind the rest of Ontario occurred because there are five Sundays in April this year.

Council approved a switch to daylight time on the fourth Sunday of the month as has been the custom in past years before the extra Sunday was noticed.

MONTREAL — (CP) — A contingent of armed guards greeted R. W. Ford, 24-year-old pilot, Saturday when snow cut air visibility and forced him to land his light aircraft.

Ford put his plane down in a potato field—farmed by inmates of Bordeaux jail.

A flock of guards and prison officials swooped down on the aircraft before Ford could leave his cockpit, apparently fearing a prison break-out was in the making. Damage to the plane was light. Ford was not injured.

NEW YORK — (AP) — Charles MacArthur, 60, playwright and movie writer and husband of actress Helen Hayes, died Saturday.

He entered New York Hospital last Wednesday suffering from nephritis, a kidney ailment, and severe anemia.

The co-author of the famous play *The Front Page*, a rowdy drama of the newspaper business, lapsed into unconsciousness shortly before he died at 7:01 a.m. Miss Hayes was with him at his death.

Dag Arrives In Syria

DAMASCUS, Syria — (AP) — Dag Hammarskjöld arrived today for talks with Syrian leaders in the next stage of his mission to bring peace to the Middle East.

The United Nations secretary-general was greeted at the airport by high Syrian and UN officials and a Syrian Army guard of honor. Shortly after his arrival he went into conference with Premier Said Ghazali.

and two other cars approaching from the other direction piled into each other when they saw the first accident. Neither of the other drivers was injured.

One man was arrested following a collision on the North Hatley Road late Saturday night.

The accident occurred when T. W. Parry, North Hatley, went into the ditch, smashing his car severely and suffering minor injuries to his back.

A second car driven by Francois Bresse, Ascot, stopped to help Parry and was hit in the rear by a car driven by Clifford Marshall, Waterville.

The Marshall car continued for another 1,000 feet before stopping. Marshall was arrested by Provincial Police.

Adolph Taube, 33, of 667 Patricia street, suffered cuts about the head and injuries on the knees after he was in an automobile collision on the road from Granby, yesterday.

French Gun Rebel Bands In W. Algeria

ALGIERS. — (AP) — More than 30 French planes machine-gunned two big rebel bands for two hours Sunday in western Algeria near the Moroccan frontier, French source said today.

The bands were described as "completely disorganized" by the attack. In accordance with a new French policy, no figures were given for rebel or French casualties.

During the week-end there were unofficial reports of at least 120 rebels killed, most of them in the Constantine area at the eastern end of Algeria.

In Algiers itself, police were looking for an informer who led them into an ambush Sunday night in a dead-end street of the Arab quarter of the city. They expected to find a rebel hide-out and they did—but the rebels were waiting for them. According to the French, one policeman was wounded and two of his assailants killed in a 20-minute gun battle.

Fail To Find Lost Plane

HALIFAX — (CP) — An American task force abandoned a search today for a pilot of a twin-jet Banshee fighter missing in the Atlantic off Nova Scotia's south-west coast but an aerial hunt continues.

A naval spokesman said the 11 ships, en route to Halifax for exercises, "covered the area thoroughly. There was nothing more they could do" to locate Lieut. Donald A. Wardrop, 31, of nearby Dartmouth and Winnipeg.

Lonely Motorcycle — A policeman directs traffic along Belvedere North following a collision yesterday between a motorcycle and a car. Jack Williams, 19, 1042 Walton St., received a broken collar bone and concussion when he was tossed five feet in the air by the impact. He was taken to Sherbrooke Hospital. Flood Situation Becoming Worse Along Assiniboine And Red Rivers

WINNIPEG. — (CP) — Piling ice on the Assiniboine river threatened further flooding today as dikes weakened and crumbled under the pressure of a floodtide of muddy water sweeping over southern Manitoba farmlands.

As the situation in the Portage la Prairie area, 55 miles west of Winnipeg, grew worse, work crews Sunday night began building up the dikes protecting this city of 400,000. The Red river continued its slow rise in the city and residents of low-lying areas began moving out of their homes.

Latest trouble spot on the Assiniboine developed at the "hoop n' holler," a twisting bend in the river four miles east of Portage la Prairie. A six-foot thick ice jam piled up in the bend and Joseph Omichinsky, a member of the Portage rural council, said if it was not cleaned out, trapped floodwaters would sweep into the nearby town of Oakville.

While most farmers evacuated their homes in the Portage district during the weekend, some preferred to remain with their livestock.

Agriculture Minister R. D. Robertson said Saturday night the government did not see how it was possible to stop flooding at many places along the Assiniboine. Many dikes now protecting farm land are not capable of being raised because they would not stand the strain.

Premier D. L. Campbell said a "further warning" should be issued to persons living along the Assiniboine.

A "telephone blanket" warning system had been set up in the danger area.

He described the situation along the Assiniboine as "very, very serious."

At midnight Sunday the Red river at Winnipeg had risen to 18.8 feet, eight-tenths of a foot above the initial flood stage.

Downstream, residents of suburban Elm Park, a narrow peninsula in a hairpin bend of the river, began moving out household belongings. Premier Campbell said the area, containing about 200 homes, can expect "major flooding" along with 60 other homes which were left outside the new dikes.

Elm Park, the worst-hit area in the big 1950 flood, is protected by a secondary dike capable of holding back a 24.6 foot water level. The flood forecasting committee has predicted a flood peak at Winnipeg on May 7 ranging from 27 feet to 30 feet above datum, or winter ice level, and a maximum of 33 feet.

Richmond Audience Urged To Give Full Support To Cancer Campaign

RICHMOND. — In the Richmond Town Hall, the Udoiphus Lord Aylmer Chapter, I.O.D.E., sponsoring the Cancer Campaign, had as guest speaker, Dr. Jacques Olivier, chief director of the Cancer Clinic at St. Vincent de Paul Hospital, Sherbrooke.

Dr. C. E. Manning, chairman of the campaign, spoke a few words of welcome to the speakers and audience.

Mayor Geoffroy then spoke in both languages and requested the public at large to subscribe generously to the good cause and well-being of the whole community.

The chairman introduced Mr. Plow, president of the Sherbrooke section of the Canadian Cancer Society who gave an outline of the work done by the society and told of the splendid work done through the Cancer Clinic at Sherbrooke. He urged that everyone should be on guard for the seven danger signals and avail themselves of the opportunity offered by the free clinic at St. Vincent de Paul Hospital.

Dr. Olivier then showed films which were very informative and gave illustrations of the work accomplished through the Cancer Clinic by early detection.

He emphasized the need for regular checkups to combat the dreaded disease and to continually look for the seven danger signals and if in doubt visit the doctor or clinic at the least sign.

In the last ten years the Canadian Cancer Society has spent more than \$3,000,000 on research.

At the close of Dr. Olivier's talk a question and answer period was held.

Mr. Plow thanked the audience for the keen interest and suggested that the campaign slogan "Get a check-up and give a cheque" be followed and in so doing, assure the success of the campaign.

Dr. Manning thanked the speakers for coming to Richmond, through the effort of the regent, Mrs. V. R. Beattie.

The following captains were appointed: Richmond, Ward 1, Gordon MacMorine; Ward 2, Paul V. Delaney; Ward 3, Dr. Cantin and Mr. J. L. Burns; Melbourne, Mrs. L. M. Fee.

Bishopton Group Closes Activities For The Season

BISHOPTON. — The Young Adult Group held its final meeting of the season at the home of Mr. and Mrs. Gordon Joyce. Routine business was conducted and plans were made to attend a sugaring-off at Mr. Stuart Joyce's on April 21. The meetings will convene in September.

The president, Mrs. G. MacAulay, presented the secretary, Mrs. E. R. Jenkinson with a gift in recognition of her work in the group.

The remainder of the evening was spent playing games under the leadership of Mrs. C. M. Chinneck. Lunch was served by the hostess assisted by Mrs. C. Ainsworth.

Provincial Water Commission Will Study Pollution

RICHMOND. — The committee appointed by the Richmond and Melbourne Board of Trade to study control of pollution in the St. Francis River has been active and is in communication with the Provincial and Federal Governments. It has been advised that a Provincial water commission has been set up, with the sum of \$150,000 allotted for its use.

The commission is to investigate sources of pollution and work out methods of abatement and in turn persuade the different municipalities and industries located along the rivers to install adequate preventive measures.

The committee is studying a detailed report made last fall on pollution conditions in the St. Francis River from Lake Weedon to Drummondville. The report was prepared for the Quebec Federation of Fish and Game Associations and deals minutely with conditions as they now appear.

The committee is also considering the advisability of circulating a petition among the municipalities along the river with the view to having some remedial action taken. It is pointed out that fish can no longer survive for any length of time in the river, some municipalities are finding it difficult to purify the drinking water and recreational sites are not used owing to the absence of fishing and camping facilities.

SUNSHINE SOCIETY
The Sunshine Society met at the home of Mr. and Mrs. Cecil Ainsworth with a good attendance of members.

The evening was spent completing plans for the Canada Packers Cooking School to be held June 5. Lunch was served by the hostess, assisted by the committee, Mrs. W. J. Edwards, Mrs. S. N. Bishop, Mrs. H. Ainsworth and Miss Margaret Learned. The May meeting will be with Mrs. William Bentley.

GENERAL NOTES
Recent guests of Mr. and Mrs. S. N. Bishop were Miss Debra Rowland of East Angus, and Miss Julie Nicholls of Asbestos.

NORTH HATLEY Mrs. R. Gale Addresses W. A.

NORTH HATLEY. — The North Hatley United Church Woman's Association held its regular meeting in the Community Hall, April 9, with the president, Mrs. C. Smith, in the chair.

The devotional, conducted by Mrs. Mallalieu was followed by routine business. It was decided to hold a spring tea in the Community Hall on May 12.

Mrs. J. Hatrick then introduced the speaker of the evening, Mrs. R. Gale, of Waterville, who gave an interesting talk on the Quebec Presbytery and its work. The president thanked Mrs. Gale for her fine address, after which the meeting adjourned.

Refreshments were served by the hostesses, Mrs. E. Davis and Miss Jean Phillipson.

BACKACHE MayBeWarning

Backache is often caused by lazy kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest or that tired-out and heavy-headed feeling may soon follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulates the kidneys to normal action. Then you feel better—sleep better—work better. Get Dodd's Kidney Pills now.

Marriages

MACKINNON — REID
SHUBENACADIE, N.S. — A wedding of wide interest took place recently in the Shubenacadie United Church, when Sheila Margaret, younger daughter of Mr. and Mrs. Harold A. Reid, of Shubenacadie, was married to Mr. Gordon Alexander MacKinnon, son of Mr. and Mrs. John S. MacKinnon, of Barnston, Quebec.

The bride presented her bouquet to her great-aunt, Mrs. Alex Suide. For travelling Mrs. MacKinnon wore a flecked tweed suit with matching coat, and black and white accessories. Her corsage was of yellow tea roses.

Miss Margaret MacKinnon accompanied Mrs. John MacKinnon and Mr. Stuart MacKinnon to the wedding. Other out-of-town guests included friends from Mount Allison and Acadia Universities and guests and relatives from Halifax, Musquodoboit and Truro.

The bride graduated from Mount Allison University and the Institute of Child Study, University of Toronto. The groom is a graduate of the University of Western Ontario, where he honored in Economics and Political Science. The couple will leave shortly for Oxford, England, where Mr. MacKinnon is studying at Oxford University. In June they will leave for Uganda, East Africa, where Mr. MacKinnon will take up an appointment with the Overseas Civil Service.

The bride wore a gown of imported Japanese satin brocade, which was fashioned with a small train. Her chapel length veil was held in place with a sequined cap and she carried a bouquet of calla lilies with a centre of yellow roses. The matron-of-honour was gowned in Oriental taffeta of pale jonquil yellow and carried a bouquet of spring flowers.

Mrs. Reid, mother of the bride, wore a dress of Queen's blue silk crepe and Chantilly lace. Her matching hat of Milan straw had a feather trim and she wore a corsage of Better Times roses.

The groom's mother, Mrs. MacKinnon, was in a dress of French blue silk crepe with pale blue satin trim. Her hat was of yellow straw and her corsage of red roses.

Following the ceremony, a reception was held in the church hall which was decorated with spring flowers. The tea table was presided over by Mrs. Harry Gladwin and Mrs. Ian MacLeod.

Homemaking

Sheets should be changed frequently so they don't become too soiled before laundering. They should be reversed, top to bottom, and end for end, to insure longer wear.

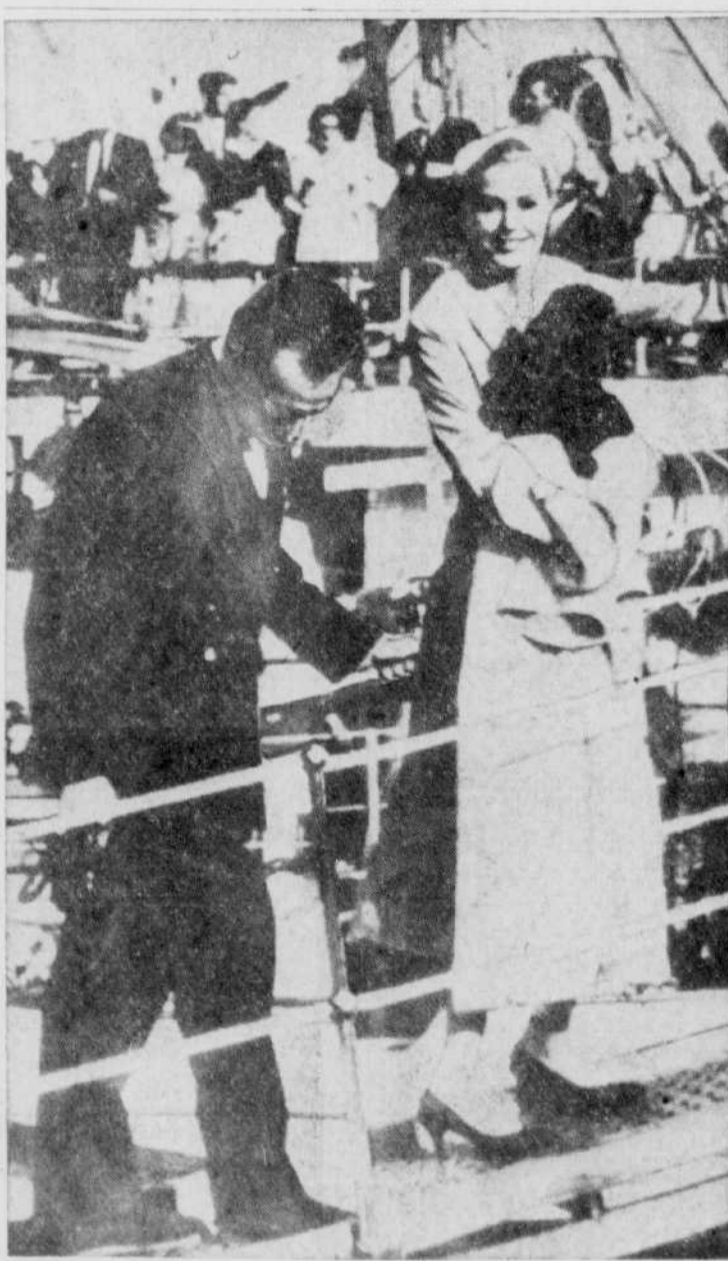

Parts of old mattress pads, old quilts or mattress covers are good to use between springs and mattress. They help prevent torn sheets and wear on the mattress.

Rough or broken wire on a bedspring should be repaired promptly to prevent damage to sheets and the tick on the mattress.

Plan storage space carefully, then partition with shelves, drawers and slots to hold all the items. Finally equip with sufficient hangers, hooks and racks.

White sheets remain white if washed with white clothes only. Any stains or spots that won't come out in laundering should be removed beforehand.

If sheets are dried out of doors, they should be hung where they won't flap in the wind. Strong winds may whip out corners of hems or break threads.

ALONE AT LAST After two days of ceremony, Prince Rainier and his Princess Gracia boarded their honeymoon yacht, the Deo Juvante which is taking them on a month's cruise. The new bride is holding her pet poodle, Oliver. (Fednews)

Women's Groups

WOMEN'S FEDERATION LENN. UNITED CHURCH

The final meeting of the Study Club of the Women's Federation of the Lennoxville United Church was held in the ladies' parlour on Wednesday, April 18. Mrs. A. E. Abercrombie opened the meeting and summarized the year's work. The various groups of the Federation had each been responsible for a meeting with the exception of one group whose members found it difficult to attend an afternoon meeting. The study had been based on "Coming Our Way," dealing with the immigrant and "No Vanishing Race," dealing with the Canadian Indian. The programs included a book review of "Anna and the Indians," a play, "Cross Eagle

and White Doctor," as well as talks and discussions. As a recommendation to the Federation, the group requested that a similar club be formed for the following year when the study will be based on the Middle East.

This meeting, being conducted by the Philathea Group took the form of a panel discussion, the topic being the attitude of Canadians toward the New Canadians and the Canadian Indians. The discussion was led by Mrs. F. Ross, ably assisted by Mrs. H. L. Wallace, Mrs. T. F. L. Coohon, Mrs. P. Sarrasin and Mrs. W. Stanford. It was decided that friendliness, courtesy and tact on the part of Canadians would go far in solving the problems encountered by each group.

The meeting concluded with a worship service following a similar theme led by Mrs. A. Drennan with Mrs. E. Francis at the piano.

I.O.D.E. Municipal Chapter Appoints New Conveners

At a recent meeting of Municipal Chapter, I.O.D.E., the following members were appointed conveners: Publicity, Mrs. George Smith; Empire and World Affairs, Mrs. R. Havard; Immigration and Canadianization, Mrs. F. P. Keenly; Commonwealth Relations, Mrs. G. Bennett; Films, Mrs. G. Harmer; Hospitality, Mrs. E. B. Sims; Empire correspondence, Mrs. N. Stafford; Canadian Association of Consumers, Mrs. E. T. Harbert; The honorary regent and the honorary vice-regent appointed were Mrs. A. A. Munster and Mrs. R. Havard respectively.

Miss F. Macdonald reported on the Chapter's part in the Dominion Drama Festival, at which the chapter is serving refreshments to those in rehearsal and to the stage hands in each performance.

Mrs. A. R. Jewitt reported on progress made regarding the recital of the eminent Canadian pianist, Malcolm Troup, whose musical education was financed by the Order. Mr. Troup will give a recital at the Bishop's University Auditorium on October 24. Announcement was made that tag days will be held on June 1 and 2 and the co-operation of the citizens of Sherbrooke is requested. Proceeds finance the charitable and educational work of the Order.

Educational secretary, Mrs. E. J. Singleton, gave an interesting resume of the provincial secretary's report at the annual meeting recently held in Montreal.

The following members were appointed to the house committee: Chairman and Treasurer, Mrs. A. Munster; assistant to the chairman, Mrs. R. M. Loughhead, secretary, Mrs. George Smith.

Mrs. R. Havard, convener of Empire and World Affairs, read an article on Dr. Albert Schweitzer, often called the greatest European of his Age, written on the occasion of his receiving the Order of Merit from her Majesty, Queen Elizabeth.

"The regent spoke of the National annual meeting of the Order taking place at Quebec City May 26 to 31, and requested all primary chapters to appoint delegates.

The provincial chapter of Quebec was invited to hold its 33rd annual meeting in Sherbrooke on April 10 and 11 next year. It will be held at the New Sherbrooke Hotel.

Mrs. George Smith, publicity convener, requested the chapters to use the I.O.D.E. publicity folders at all public functions sponsored by the chapters.

The next meeting of the Chapter was announced for Wednesday, May 9, and the June meeting for Wednesday, June 13.

Other announcements made, were as follows: King George V Chapter will hold a supper at I.O.D.E. House, May 23; Duke of Wellington Chapter, will sponsor an art exhibit and tea at I.O.D.E. House, June 7-8; 53rd Regiment Chapter will hold social evening at headquarters on April 26; Sir John Sherbrooke Chapter will have rummage sale, April 27.

Following adjournment of the meeting refreshments were served by the members of the Sir John Sherbrooke Chapter.

hall. The vice-president, Mrs. K. Herring presided in the absence of Mrs. H. Nichol, and welcomed a new member, Miss Olive Harvey to the Guild. Forty-two members answered the roll call.

It was announced that the Senior Guild was holding its annual rummage sale on April 28 and would pick up any rummage on the 27th.

Mrs. Hunting reminded the members of their donations toward the apron table.

It was decided to hold a handicraft exhibit, food table and tea on May 9 from 3 - 6 p.m.; and an evening exhibit with refreshments from 7 - 9 p.m. in aid of the Redevelopment Fund under the auspices of St. Monica's Guild.

The meeting was adjourned and Bridge, Canasta and 500 were played, prizes being won by Mrs. C. Parkin, Mrs. Loach and Mrs. E. Siveright, respectively.

Mrs. C. Parkin presented Mrs. J. Dunfield with a small parting gift on behalf of the Guild members, and wished her every success in her new home. Mrs. Dunfield expressed her sincere thanks and wished the Guild continued success in the years to come.

Refreshments were served by Mrs. G. Garard, Mrs. G. Patriquin, Mrs. B. Clarke, Mrs. G. Herring, Mrs. R. Pearce and Mrs. G. McClay.

The next meeting will be held a week in advance, on May 1.

Kiwanis Clubs Marking Good Will Week April 22-28

Peace Markers Link Two Great Nations

Kiwanis clubs in the United States and Canada have placed 25 "Peace Markers" pictured in the map above along the 3,000-mile unfortified border between the two nations.

Their object is to dramatize U.S.-Canada good neighborliness.

Each of the 25 peace markers pictured above bears a bronze plaque with the wording shown on the inset. The first Kiwanis peace marker was put in place by Michigan Kiwanians at the Ambassador Bridge which connects Detroit and Windsor. It was set up on January 22, 1935 during ceremonies marking the 20th anniversary of the founding of Kiwanis.

Other peace markers were set up by U.S. or Canadian clubs working singly, in pairs, or in groups.

Inspiration of the 25 Kiwanis peace markers was furnished by the establishment in 1925 of the Kiwanis International Good Will Memorial in Stanley Park, Vancouver. This memorial

was set up by U.S. and Canadian Kiwanis Clubs to emphasize the lasting friendship between the two nations.

It also commemorated the first visit of a U.S. President, in office, to Canadian soil. That president, a Kiwanian, was Warren G. Harding.

Each peace marker is located at an important port of entry between Canada and the U.S. Though they vary in appearance, each bears the following legend:

"This unfortified boundary line between the Dominion of Canada and the United States of America should quicken the remembrance of the more than a century-old friendship between these countries—a lesson of peace to all nations."

April 28 of this year marks the 138th anniversary of the signing of the Rush-Bagot agreement which demilitarized the Canadian-U.S. boundary. April 22 to 28 will be observed by Kiwanians in both nations as Canada-U.S. Good Will Week.

Local Kiwanis Club Has Good Will Week

The Sherbrooke Kiwanis Club will be one of several hundred clubs on both sides of the border celebrating Canada-U.S. Good Will Week tomorrow and next week.

Two good will meetings are to be held in this district during the week. On Monday, April 23, three U.S. Kiwanis Clubs, from Berlin, Norway-Paris, and Lancaster, N.H., will be guests of the local club bringing some 35 American Kiwanians to Sherbrooke.

The next night a delegation of Sherbrooke members will visit the Newport Kiwanis Club.

In a statement to the press recently Sherbrooke Kiwanis Club president Jo Faucher said: "We in Sherbrooke, only 30 miles from our American neighbors, realize the importance of good will emanating from both sides of the border."

The local club is noted for its work with crippled children in the district. It sends several crippled youngsters to the Camp for Crippled Children at Ayer's Cliff, each summer and helps to run the camp.

The club also runs the Easter Seals campaign in this district each year and this spring raised around \$2,500.

The Kiwanis Club raises the money through its annual Horse Show which this fall will feature the RCMP musical ride, and also puts on "gas day" in the city.

The local club was first founded in August of 1948 with Newman Hunter elected the first president. Succeeding presidents have been Len Keeler, Guy Blanchette, Les Memory Gilbert Rheume, Jack Dunfield and Reg. Bishop. The present president is Jo Faucher and his executive includes: Dr. T. Cadman, 1st vice-president; Lionel Caron, 2nd vice-president; Henri Baudot, secretary; John York, assistant secretary; Eric Suther-

Directors are Sterling Allatt, Len Curtis, Jean Denault, Gaston Gaucher, Harry Grundy, C. Trudeau, John York and Reg. Bishop.

The observance takes on added significance each year and 1956 will be the 35th. In reality the week itself is only a symbol of the kind of program that should be in evidence throughout the year. As a further tribute to the good will and understanding which has so long existed between Canada and the U.S., Kiwanis International erected in Stanley Park, Vancouver, B.C., the Harding International Good Will Memorial which was dedicated with significant ceremonies Sept. 16, 1935. The inscription on this memorial is an excerpt from the address of President Harding to visit Canada.

This project and the whole purpose of Good Will Week have drawn applause from leading Canadian and U.S. figures.

Says J. G. Crean, president of the Canadian Chamber of Commerce: "I like to think that the 3,000 mile border between Canada and the United States joins us rather than separates us."

His American counterpart, president of the U.S. Chamber of Commerce, Boyd Campbell, recognizes the interdependence of the two countries.

"Kiwanis International is to be commended for its vigilance in this regard by affording us all an opportunity to observe United States-Canada Good Will Week," says Mr. Campbell.

Magog Kiwanis Club Has Successful Year

Magog Kiwanians entered 1956 with renewed faith in their club.

The group received its charter in November, 1950, and was the second service club to be formed in this textile city of 12,000 population.

Six years ago when the club formed it was decided to devote its efforts to the needy and underprivileged in the community. Although it started out with only 15 members, the club has built up an unparalleled reputation for itself and for Magog. It has been confronted with demands for assistance that were sometimes difficult for a club of its size, but Magog Kiwanians felt that where there was need, assistance should be

given. It was this attitude which has made Magog Kiwanians among the busiest men in the city.

Edward Foggo, president of the club, announced that the membership had risen to 20 last year, and more members are expected to join this year. He commended Ayer's Cliff members for their work with the club.

In summing up his club's activities for 1955, Mr. Foggo pointed to the work done in benevolent work. Garbage disposal cans were bought to line the lake front of the community in an effort to keep that part of the city free from refuse. Assistance was given to needy mothers, destitute families, aged and invalid persons, and time and effort have been donated to the Red Cross Drives and other projects.

This year got off to a good start the president stated. A blood clinic for the Red Cross was arranged and several fund raising projects completed. The biggest and most important project for funds in Magog is the combination Kiwanis-Lions-Army, Navy and Air Force Veterans' Fair held in June.

Highlights of the club's activities during the year, according to the president, were donations to the aged at La Providence Hospital, the Red Cross blood donor clinics, and a project for giving free meals and milk to less fortunate high school students.

Magog Kiwanians will join other Kiwanis Clubs at Newport, Vt., Tuesday to mark Kiwanis International, Canada-United States Good Will Week.

Mr. Lee Morrill, of Bradford, Vt., were recent visitors of his aunt and uncle, Mr. and Mrs. Weyland Pope.

Mr. and Mrs. Weyland Pope, Mr. and Mrs. Alvin Smith, Mr. and Mrs. W. Dobb and Beverly, Mr. and Mrs. Gordon Cass and Mr. Wendell Cass have been recent visitors in Sherbrooke, where they called on Willard Pope, who is a patient in the Sherbrooke Hospital.

Mr. and Mrs. Ross Kinney and son, Hugh, of Bradford, Vt., and Miss Cynthia McComb, of North Berwick, Maine, were guests of Mr. and Mrs. C. Pederson.

Mr. and Mrs. Weyland Pope spent a day in Cowansville, visiting Mr. and Mrs. Randolph Dustin.

The friends and neighbors of Mr. M. J. Smith enjoyed his hospitality when he entertained them at his sugar camp to a sugaring-off party.

Granby Kiwanis Active Club

The Granby Kiwanis Club, now 17 years old, is Granby's largest and most active service group.

This 65-member club supports a number of projects but concentrates on rehabilitation. It sponsors two rehabilitation centres in the community, one for crippled persons, and the other for victims of T.B. Over 200 attend the centre for crippled persons.

Granby Kiwanians play an important part in promoting their city. They take part in community welfare and promotion efforts, and one of the club's committees is instrumental in work with the Canadian National Institute for the Blind in the community.

Dr. Daniel Girard, president of the Granby Kiwanis Club described 1955 as a highly satisfactory year for the club and indicated that 1956 activities would be equally successful.

Granby Kiwanians will travel to Barre, Vt., for a joint meeting with that club during Kiwanis sponsored Canada-United States Goodwill Week.

Waterloo Club Has 30 Members

Tom Wilkinson heads the 12-year-old Waterloo Kiwanis Club which will be one of five Canadian clubs attending a good will meeting at Newport tomorrow night.

The banquet and meeting will be in honor of Kiwanis International, Canada-United States Good Will Week which is being held this week on both sides of the border.

The Waterloo Kiwanis Club boasts 30 members and devotes most of its energies to boys and girls work, supplying milk for the school children, buying glasses for needy youngsters, contributing towards the upkeep of Waterloo Lake and the development of the beach. The club is also active at the Bondville Home, an orphanage.

Money is raised through the sale of T.B. stamps, "gas day", and the sale of electric light bulbs.

The club executive includes: President, Tom Wilkinson; vice-president, Armand Russell; secretary, John Chapman; and treasurer, Gene Sheppard. Directors are Deet Hulet, Bert McColeman, Jo Rydzik, Pete Gunter, Wally Jenks, Les Hopper, and Jim Cody.

BROME—

The Ladies' Guild of St. John's Anglican Church met at the home of Mrs. Effie Libby, the pastor, Rev. F. W. Gedyo recited prayers and the president, Mrs. Jasper Byers conducted the meeting. Minutes were read by secretary, Mrs. J. E. Soles and some of the Lenten sunshine bags were received. It was decided to hold the meetings at the tea hour, from now on. The next meeting will be held at "The Elms", the home of Mr. and Mrs. David Tracey on Wednesday, May 9.

Mrs. Curtis L. Sheldon, of New Britain, Conn., and Mr. Rupert C. Libby, of Boston, Mass., were called to Brome due to the death of their father, Mr. Andrew Libby.

Mrs. Maude Rhicard has gone to visit her children in Springfield, Mass.

Coaticook Scouts Receive Charter — The official group charter was presented to the First Coaticook Boy Scout Troop at a meeting held in the Guild Hall. The presentation was made to the sponsors of the troop, the United Church and St. Stephen's Anglican Church jointly, represented by Rev. F. Cant and Rev. N. Tucker, by David Green, Provincial Field Commissioner, from Sherbrooke. Mr. Green also invested W. Lepitre and C. Mayhew as leader and assistant leader, while the troop stood in a half circle around the flag. Those present at the ceremony are shown above, from the left: Front row, Tony Woodman, Michael Rubenovitch, John Greer, Kirk Wells, Roy Hansford, Michael Barron, Donald Patenaude; centre row, Cecil Mayhew, Assistant Scoutmaster, Michael Tucker, Merriman Drew, Charles Adams, Robert Beerworth, Douglas Murphy, Philip Cant, John Chamberlain, Peter Racicot, Wilfrid Lepitre, Scoutmaster; standing, Stuart Low, Rev. Good Will Meeting Planned

Newport Vt. Kiwanians will be hosts to 11 Canadian and American Kiwanis Clubs at a good will meeting to be held Tuesday night in honor of the Kiwanis sponsored "Good Will Week."

Among the Canadian clubs attending will be those from Sherbrooke, Magog, Granby, Waterloo, and Thetford Mines. From the States will be North Troy, Barre, Montpelier, Hardwick and St. Johnsbury all in Vermont state, and Lancaster, N.H.

Newport club president Tom Cahill described the week as something which is looked forward to each year by Kiwanians on both sides of the border. He commended the good relations which exist between the two countries, and, speaking for his own country, said: "We appreciate having a good neighbor like Canada so near us."

The Newport club was founded 21 years ago and its present executive includes: Mr. Cahill, president; Harold Walker, 1st vice-president; Soteros Maniati, 2nd vice-president; Howard B. Goss, secretary-treasurer; and the following directors, Frank Curran, Vincent Rushford, Don McNally, Saul Sockal, Dr. E. V. James, James Palin, and Don Lindsley.

Newport Kiwanians devote most of their energy to work with underprivileged children. Individual cases are looked after by the club and two or three clinics are sponsored each year to take care of tonsillectomies, poor eyes, etc., among children whose parents cannot afford to look after them. All cases are screened to make sure they are in need.

Money is raised through an annual booth at the County Fair and a radio auction during which goods donated by local merchants are auctioned off over the radio. Would-be buyers phone in their bids to the radio station. The Club is also planning a circus to be held in July this year.

POET'S RETREAT

Jr. Canadiens, Riled By Substitute Goalie, Edge Marlboros 3-2 To Force Seventh Game; Johnston Stars

TORONTO — (CP) — The Junior Montreal Canadiens, all worked up about a substitute goaltender, converted their indignation into a 3-2 win over Toronto Marlboros Sunday to force a seventh game in the eastern Canada Memorial Cup hockey final.

A crowd of 9,959 fans didn't hear general manager Sam Pollock's biting remarks directed at Marlboros after the game. But they saw Canadiens shove off a Toronto attack in the last period to take the win.

Marlboros lead the best-of-seven series 3-2. One game ended in a tie. The teams resume action tonight at Montreal. The winner of the series meets Regina Pats, western Canada champions, in the Canadian Junior final.

Bob Senior is the goaltender who upset Canadiens. He was allowed to join Marlboros from Barrie Flyers of the Ontario Hockey Association Junior A League after Len Broderick injured his shoulder in the fifth game.

"It looks as though the OHA just wants its teams to win," said Pollock. "I saw the doctor's report on Broderick and it just said 'He can't use his shoulder in a normal manner.' Look who

Buster McLennahan's Quartet Cops Consolation Event In Final Curling Fixture Of Season Saturday Night

Sid Cross and his Sherbrooke quartet won the Sherbrooke Curling Club Invitation Bonspiel Saturday evening while Buster McLennahan and his Canada Paper Curling Club rink walked off with the honors in the consolation section of the 'spiel.

Immediately following the finals President George Davidson thanked all the contestants and stated the Sherbrooke Curling Club was honored and pleased that they had this opportunity of repaying their friends who had supported them so well during past years.

President Davidson paid special thanks to Ivan Dugre and R. L'Esperance, local representative and District Sales Manager of the Dow Brewery respectively, for making the event possible. President Davidson then called upon Mr. L'Esperance to present the Dow Trophy to Skip Sid Cross and his rink. Ivan Dugre presented the prizes to the winners and runner-ups while Rollie Badger handed Skip Buster McLennahan and his Windsor foursome their prizes for winning the consolation section.

Everett Nicol then made a special presentation to Ivan Dugre on behalf of the Sherbrooke Club for his untiring efforts in helping to make the bonspiel possible. Skip Buster McLennahan spoke on behalf of the invited players and thanked the club and all those who made the bonspiel such an outstanding event and hoped that next year the event would be repeated.

In the final of the main event Sid Cross and Jim Fuller battled it out for the specially designed Dow Trophy. Cross' rink edged the winner 15-9 but only after a close battle. It was nip-and-tuck with the lead changing hands several times until the score was deadlocked at 8-5. In the ninth Fuller's quartet moved into a one point advantage but Skip Cross jumped back with a three-end for a 11-9 lead and from then on were never headed. In the final end they picked up a four to finish with a strong rally.

The battle for the consolation prizes was also a close one and it was only decided in the last few ends. Jim MacDonald and his Danville rink battled the whole way with McLennahan's Windsor quartet. The Windsor crew held a slight lead of 5-3 after five ends. The MacDonald rink picked up a singleton but McLennahan's crew posted a three-end to move ahead 8-4 with two ends to go.

The Danville foursome came up with another single marker but Windsor offset this with one in the ninth to lead 9-5 coming home. In the final end the outcome wasn't decided until the final stones were tossed it was that close. Danville was battling to tie the match but the outstanding playing of Skip McLennahan was just a little too strong for them and they were obliged to settled with only one point to lose 9-6.

In the semi-finals of the main Jim Fuller blanked Rollie Badger 8-0 while Sid Cross stopped R. Booth's Drummondville quartet 8-5. Buster McLennahan was forced to come through with a cold draw to edge his clubmate, Andy Michaud, to win his way into the semi-finals while Jim MacDonald of Danville dumped Dr. J. Dion, of Sherbrooke 8-2.

Royals Edge Cataracts In Overtime 2-1 To Win Quebec Hockey League Title 4-2; Meet Winnipeg In West

MONTREAL — (CP) — Montreal Royals Sunday won the Quebec Hockey League championship by defeating Shawinigan Falls Cataracts 2-1 on centre Phil Goyette's goal at 5:25 of the first sudden-death overtime period.

Lulu Denis of Royals, who assisted on Goyette's game-winning tally, sent the game into overtime when he blasted a 15-foot slap-shot into the Shawinigan cage with less than four minutes left to play in regulation time.

Right wing Dick Bouchard scored Shawinigan's lone goal after converting passes from defencemen Ted Hodgson and winger Jackie Wray at 8:36 of the second period.

A crowd of 11,299 saw Bouchard's tally hold up until 16:08 of the final period.

From a face-off in the Shawinigan zone, Goyette hooked the draw to line-mate Walter Bradley who flicked a pass to Denis. Perreault had little chance on his low blistering drive.

The game was the sixth in a best-of-seven final. Royals now play Winnipeg Warriors, Western Hockey League champions, for the Edinburgh Trophy, emblematic of Canadian senior hockey supremacy.

The first game in the best-of-seven series for the trophy will be played in Calgary April 25, and the second in Edmonton April 27.

The Cataracts won the QHL championship last year and went on to defeat Edmonton Flyers for the Edinburgh Trophy.

Bill Rigney To Protest Over Bottle Throwing

PHILADELPHIA — (AP) — Bill Rigney, rookie manager of New York Giants, said Sunday night he plans to protest to National League president Warren Giles against the bottle-throwing actions of fans at Connie Mack Stadium Sunday.

Some fans in the crowd of 24,771 began throwing beer bottles as the Phillies came to bat in the ninth inning of the second game of a doubleheader.

The Phils were behind 9-4 in a game they lost 9-7 when the bottles started flying so thick and fast the Phillies management called extra police to watch the crowd.

Whitney Lockman, Giant left fielder, called time and changed from his regular cap to the protective "hard hat" ordinarily worn only while batting. "Philadelphia fans are the worst in the world. They don't deserve major league baseball," he said after the game.

"I wouldn't mind getting hit by a regular bottle. But when they break the tops off and throw them at you, that's too much."

St-Jean Downs Glace Bay To Cop Jr. Crown

GLACE BAY, N.S. — (CP) — Montreal St. Jean's Braves downed Glace Bay Miners 8-4 to capture the eastern Canadian junior "amateur" hockey title Saturday.

St. Jean's won the best-of-five series 3-2.

O'Reilly paced the winners scoring three goals. Ches Melski, Jim Rousseau, each with two, and Caron fired the others.

Angus MacNeil scored three goals for Glace Bay.

Jean Pusie Dies Suddenly; Was Top Athlete

MONTREAL — (CP) — Jean Pusie, rollicking athlete of a score of years ago, died Saturday in hospital of a heart ailment. He was 43.

A former player with Montreal Canadiens and New York Rangers of the National Hockey League, Pusie's showmanship performances became widely known and relished in other fields of sports as well, in both Canada and the United States.

He became a professional wrestler and boxer — always willing to challenge anybody any time — and had a fling at semi-pro baseball and lacrosse.

The colorful young giant, who was six feet tall and weighed around 200 pounds, was generally conceded to make up in tempestuousness and eccentricities what he lacked in athletic finesse and ability.

Little was heard of him in recent years in Montreal, where he had been living. He was taken to Royal Victoria Hospital Thursday night and his condition then was considered virtually hopeless.

Vernon Canadians Wallop Chatham 6-2 To Square Allan Cup Series At 1-1; Third Tilt Tonight At Kelowna

VERNON, B.C. — (CP) — Vernon Canadians called on sheer power and hustle to beat Chatham Maroons 6-2 here Saturday night and square the best-of-seven Allan Cup final at a game each.

For 3,300 Vernon fans the win atoned for a 7-1 drubbing the eastern champions handed out in the opening game Thursday.

The series continues in Kelowna tonight.

The Maroons, as in the first game, grabbed a 1-0 lead in the first period and appeared the sharper club. But the western champs mustered a tremendous drive in the second period to outscore them 5-1 and assume a solid three-goal lead.

They maintained the relentless pressure in the third and refused to give the easterners an opening while boosting the count to 6-2 and outshooting them 15-3. Maroons mustered only eight shots on goalie Hal Gordon in the last 40 minutes while the Canadians were testing Marv Edwards with 33.

Captain Johnny Harms was the driving force in the Vernon victory, firing three goals and sparking the attack every time he was on the ice. Brian Roche, Merv Bidoski and Frank King bagged the others with Bidoski drawing two assists in a sparkling performance.

Rookie Standout For Baltimore

BALTIMORE — (AP) — A rookie who saw his first major league game only six days ago may be the one manager Paul Richards of Baltimore Orioles is looking for to bolster his tiny-manned pitching staff.

Fred Besana, six-foot-three left-hander from Roseville, Calif., made his first big league start Sunday and gained credit for a 7-3 victory over Washington Senators, although he needed relief help in the seventh inning.

The 25-year-old, 200-pounder has had only two years of minor league experience.

In Boston last Tuesday, Besana watched his first game in the big time as the Orioles opened against the Red Sox. The following day he blanked Boston without a hit in two innings of relief.

Head Man And Career Boy Will Give C. Whitney Big One-Two Punch For Kentucky Derby At Lexington May 5

NEW YORK — (AP) — Head Man, his perfect three-year-old record still intact thanks to a successful foul claim, entrains for Louisville Monday where he'll join Career Boy to give C. V. Whitney a powerful one-two punch in the May 5 running of the \$125,000 Kentucky Derby.

The stretch-running roan, son of Eight Thirty was beaten 2 1/2 lengths by Golf Ace, a non-derby eligible, in the 1 1/2 mile \$61,000 Wood Memorial at Jamaica Saturday.

But almost before the last of the field of eight three-year-olds had finished the race, Eddie Arcaro lodged a claim of four against Tony Desprito, who was up on Golf Ace from the Winding Way Farm. He claimed Golf Ace carried Head Man wide as the Whitney colt made his bid for the lead an eighth of a mile from home.

After looking at the pictures and deliberating for 10 minutes, the stewards agreed with Eddie. So Arcaro will go after his sixth Kentucky Derby triumph aboard a colt who has won all three starts this year and seems to be improving with each outing. The time for the Wood was 1:50 1/5, only one-fifth of a second slower than Correlation's stake record.

Head Man was the only eligible horse who showed enough in either the Wood or Laurel's Chesapeake Stakes — a mile and one-sixteenth race for three-year-olds — to rate a trip to Derbytown.

Frosty Mr., not eligible for any of the triple crown races unless he is made a supplementary entry for the Preakness and Belmont Stakes, turned in a real surprise in the Chesapeake. He beat Kingmaker, eligible only for the Preakness, by a length and paid a whopping \$200.80 for \$2.

Snowdon Beats Windsor To Win Gascon Trophy, Malone N. Y. And Hudson Lose In Net Semi-Finals

Snowdon, of Montreal, won the Provincial team badminton championship and the Gascon Trophy that goes with the crown when they beat the Canada Paper Club from Windsor Mills 6-1 in the finals played at the M.A.A.A. in Montreal on Saturday.

Snowdon beat Malone, New York, 7-0 to gain a berth in the finals while the Paper Makers won 7-0 over Hudson Heights.

Windsor Mills, Snowdon, Malone, N.Y., and Hudson Heights were the winners of their respective zones. Some 25 teams took part in the competition which got underway at the beginning of the season.

Snowdon had a power-packed team and had earlier in the season defeated all the other top Montreal teams, including M.A.A.A. and M.B.S.C.

Despite the 6-1 score most of the matches were close and several exciting rallies were witnessed.

Sophie Corber and Beaulieu Hawkins defeated Shirley Watt and Carol Witty 15-8, 15-12 to give the Montrealers their first point. Mrs. H. R. Cleveland and Mrs. Jack Bagnall tied up the match when they won a three-set victory over Peggy Langford

Red Wings Cop 18-Inning Duel From Miami; Royals Take Two, 6-3, 8-4, From Richmond; Jets And Leafs Tie

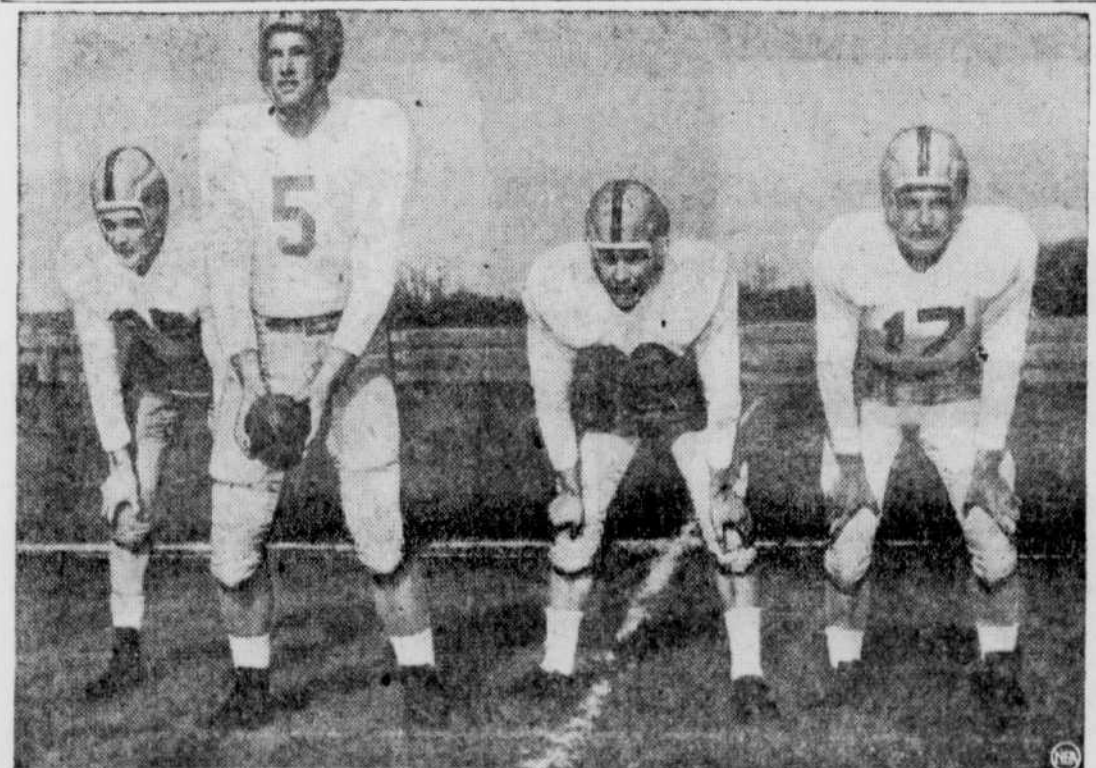

Rochester Red Wings and Miami Marlins plodded through an 18-inning, five-hour, 16-minute International League baseball game Sunday at Miami and when it was all over they played a nightcap.

The Red Wings took the opener 10-6 and Marlins edged out a 3-2 decision in the second game. Tom Burgess singled home the winning run in the 18th inning of the first tilt after second baseman Ron Plaza doubled to right to make up for three costly errors.

Montreal Royals scored three runs after two were out in the ninth inning to defeat Richmond 6-3 in the second game of a doubleheader. The Royals also won the opener 8-4 to spoil the league pitching debut of Ed

Thane Baker Runs Wild In Ohio Relays

COLUMBUS. — (AP) — Thane Baker, 24-year-old airman, beat one world track record and tied another at the Ohio State University relays Saturday.

He ran the 300-yard dash in 29.4 seconds—four-tenths better than the record set by Herb McKenley of Jamaica in 1946.

Baker ran the 100-yard dash in 9.3 seconds but officials said this won't be officially entered as tying the world record because the trailing wind was in excess of eight miles an hour.

Ezzard Charles Scores TKO Over Don Jasper In 9th

WINDSOR, Ont. — (CP) — Former world's heavyweight boxing champion Ezzard Charles, scored a technical knockout over Don Jasper of Duluth, Minn., in a scheduled 10-round bout here Saturday night.

Referee Johnny Weber of Detroit stopped the fight at the 2:46 mark of the ninth round after Charles' deadly punches had broken Jasper's nose in two places and opened up deep cuts over his right eye and the base of his nose. Blood was flowing freely from all three injuries when the bout was halted.

It marked their first twin reversal by the Cubans since they entered the league in 1954.

Florida Racing Season Comes To End, Best Yet

MIAMI, Fla. — (AP) — Florida's richest and most thrilling thoroughbred racing season on record ended Saturday with the \$15,000 Hallandale Handicap highlighting the final program at Gulfstream Park.

Galdar Wins Hallandale Handicap

MIAMI, Fla. — (AP) — Galdar won the \$15,000 Hallandale Handicap Saturday in a tight finish. Galdar, a surprising second to Swaps a week ago in the Broward Handicap, was 9-to-5 favorite. He just nosed out the Florida-bred Marked Game.

Posts Second Win To Down Giants; Don Newcombe Hurls Three-Hitter; Yanks Blast Red Sox 13-6 Sunday

The closest bet to a sure thing in baseball is Robin Roberts to win 20 games. After one week of the 1956 season, Mr. Roberts has a head start toward a seventh straight year in the select circle.

The ace of the Philadelphia Phillies insists he never sets a goal but just does his best for the good of the ball club.

"I never think about records," he has said time after time. "I'm just glad to be up here."

Roberts doesn't put too much stock in low-hitters. With him a "winning game" in which he gives nine hits is a better job than a lost one-hitter.

The first two starts for Roberts in the new season illustrate the point. He barely staggered through against Brooklyn opening day, yet he won it. In Sunday's first game at Philadelphia, he needed a tight effort to beat Johnny Antonelli's three-hitter. Roberts gave the New York Giants five hits but Antonelli threw one bad pitch — a three-run homer by Ted Kazanski — and the Phils won 3-1.

The Giants climbed on Curt Simmons, making his first start, and batted out a 9-7 edge in the second game. Willie Mays hit a three-run homer off reliever Bob Miller in the ninth.

Don Newcombe got on the beam with a three-hitter as Brooklyn downed Pittsburgh 4-1 in a game called by rain in the seventh. Milwaukee remained in the National League lead by slugging St. Louis 13-5 in the second game after St. Louis took the first 10-4 on an eight-run sixth inning.

Homers by Ernie Banks, Monte Irvin and Solly Drake gave the Chicago Cubs a 5-4 decision over Cincinnati. Their second game was called by darkness, a 1-1 tie after seven innings.

The New York Yankees cooled off the Boston Red Sox, taking three in a row at Yankee Stadium to tighten their grip on the American League lead. Five Red Sox errors and homers by Don Larsen, Yogi Berra and Joe Colins added up to a 13-6 Yankee victory although Boston overcame an early lead to tie at 6-6 at the end of the sixth.

Billy Pierce of Chicago shut out Kansas City with three hits, 3-0 in a quick turnaround by the White Sox, who were slugged 15-1 by the A's on Saturday.

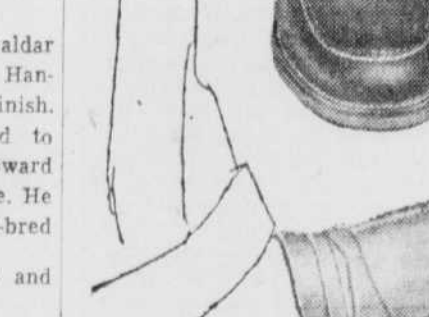

Two homers by Detroit's Al Kaline helped account for a first game victory over Cleveland 6-4, but Bob Lemon won the route to give the Tribe an even break with a 5-2 verdict in the nightcap. Rookie Fred Besana topped Washington in Baltimore's 7-3 opening victory, but Camilo Pascual earned a split for Washington with a 4-1 four-hitter in the second.

Winnipeg Dumps Vancouver 6-3 To Win Crown

WINNIPEG — (AP) — A five-goal second-period outburst gave Winnipeg Warriors a 6-3 victory over Vancouver Canucks Saturday night and the best-of-seven Western Hockey League championship by four games to two.

Warriors now will meet Montreal Royals, Quebec League champions for the Edinburgh Trophy. The best-of-nine series will be played in the West, with the first game at Edmonton April 27, the second at Calgary April 28 and the next three at Winnipeg April 30, May 1 and 3. The Winnipeg arena is not available for the opening games.

A crowd of 9,854 saw left winger Eddie Mazur pace the Winnipeg attack Saturday night with two goals. Billy Mosienko, Gary Alderson, Chuck Lumsden and Mike Nykoluk scored one each.

Roy Cyr, Phil Maloney and Tom McCarthy scored for Vancouver. Vancouver took a 2-0 lead in the first period but fell back when Warriors counted four goals in less than four minutes, then added another about eight minutes later before Canucks counted again. Winnipeg tallied the only goal of the final session.

Havana — Victor Talo Menendez, 134, Cuba, outpointed Jose Arguelles, 137, Mexico, 10.

Entertaining Program Is Presented By Coaticook High School Pupils

COATICOOK. — A fine program of entertainment was presented by the pupils of the Coaticook High School in the school auditorium.

The program opened with the singing of "O Canada" after which the principal, Mr. P. Lawrence, spoke a few words of welcome. Grade I pupils gave a dance number and a song "Mr. Noah". Miss Fraser presided at the piano.

Grades I and II rendered a group of songs, "Billy Boy," "Fussy Willow" and "Do Your Ears Hang Low?" Miss Susan Cant introduced the number by Grade II, a heel and toe dance. Derek Abdalla introduced the Grade III item, a rhythm band rendition of "Down by the Station," "Marching Through Georgia" and "Greenwald."

Two songs, "Evening Prayer" and "Peter Cottontail," were also well presented. Grade IV gave a group poem, "A Child's Prayer," and a square dance number. A piano solo, "The Shipbuilder," was given by David Rafal. A solo by Dale Ewin, "Open Up Your Heart" was then enjoyed.

During the intermission the children did a rousing business in a home made candy sale.

The pupils of Grade V put on two short French plays "Le Petit Chaperon Rouge" and "Il Etait une Bergere." Miss Melba Andrews introduced Patsy Mayhew, who gave a short speech.

Grade VI presented three short history plays written by the students themselves: "Red River" written by Peter Racicot, "Walter Scott and Thomas Douglas," by Carmen Laperle, and "Winter at North Assiniboine," by Wendy Potter.

Grade VII pupils put on a number by an orchestra of home made musical instruments, "Drink to Me with Thine Eyes," which featured musical drinking glasses, cymbals, triangles and many other articles.

Michael Barron introduced Michael Tucker who gave a humorous speech on the subject of his journey to Canada from England. Two girls of Grade X and XI gave

a musical drill with colored parrots, "Singing in the Rain." Patsy Mayhew then called four men from the audience, Louis Abdalla, Guelph Parker, Charlie Wells and Clarence Davis, to the stage, where they took part in a pie eating contest, much to the delight of the spectators. The winner, who downed his half of a lemon pie in short order, was Mr. Davis.

Grades VIII and IX pupils concluded the program with two songs, "Short'nin Bread" and "The Man Upstairs."

Mr. S. Beerworth congratulated the staff and pupils on the success of the program and thanked the entertainers on behalf of all present.

GENERAL NOTES
Mrs. Emma White was entertained on the occasion of her 92nd birthday, at her home, and several friends called to offer best wishes and congratulations. She was the recipient of many greeting cards, gifts and flowers.

Mr. Stanley Beerworth conducted the morning service at the United Church at Lake Megantic on Sunday.

Miss Wendy Potter is a patient in the Sherbrooke Hospital where she is undergoing treatment.

Dr. McLeod of Lennoxville, and Rev. F. Cant will be the speakers at the monthly meeting of the Coaticook Home and School Association. Dr. McLeod will speak on the modern methods of dental care and Mr. Cant on "The Tyranny of Fashion."

Quebec

is the only province having a specific housing law

In the past 10 years the Quebec Government has helped 28,622 families to build 24,569 single houses, and 4,053 duplexes, providing

HOMES FOR 119,769 QUEBEC PEOPLE

When the present Government took office in 1945, we had a most critical housing shortage. The Duplessis Government took prompt and generous action—getting legislation passed which guaranteed payment by the Province of 3% interest on mortgage loans for new homes.

This has averaged out to \$2,073.11 per householder as an outright gift

An interest fund of \$65,000,000 was provided to help those who wanted to build their own homes. Some \$60,000,000 of this has since been paid out. The approved mortgage loans have reached the astounding figure of \$200,000,000—proving the vital need and phenomenal benefit of this planned development.
