RAIL UNIONS REJECT NEGOTIATION BID

Would Open Talks On Board's Report, But Nothing Else

MONTREAL — (CP) — Railway union spokesmen today rejected the railways' offer to reopen negotiations on a wage-health-welfare demands dispute, but added: "If, however, they want a conference to discuss the details of implementation of the conciliation board's recommendations, that would be another matter."

The conciliation board had offered the 16 non-operating unions, representing 150,000 railway employees, more than half what they had sought from five Canadian railways.

The unions accepted the majority report with reservations.

The railways criticized the report and extended a renegotiation invitation, spurned today.

The railways were critical of the conciliation board report because it used the durable goods industry as a fair comparison for determining earnings of railway workers and because, the railways said, it recommended a settlement exceeding the railways' abilities to pay.

Frank H. Hall of Montreal, chairman of the negotiating committee of the unions, said today: "We are looking for peace and

Continued Dry Weather Ends Flood Threat

Continued dry weather has ended the flood threat that menaced more than 350 homes along the east bank of the St. Francis river here during the week-end.

Police, who had ordered riverside residents to prepare for evacuation Sunday night, said this morning that everything was returning to normal.

This morning the river stood at the 13½-foot level, about 3½ feet below flood point. Swelled by a 24-hour rainfall, the river at one time Sunday evening had reached the 17½-foot mark, barely six inches below flood level.

Deadlock On River Threatens Prospects For Mid-East Peace

JERUSALEM — (AP) — Lebanon lined up formally with Syria today in refusing to pledge a cease-fire with Israel unless the Israelis promise not to divert the Jordan river.

Israel was reported already to have turned down the Syrian demand for such a pledge.

Lebanon's condition for a cease-fire agreement was conveyed in a note to Secretary-General Dag Hammarskjöld of the United Nations as he prepared to leave Jerusalem for Damascus and last-minute talks with Syrian leaders on the water dispute. The Lebanese communication added urgency to his appeal to Syria for an unconditional cease-fire.

Bishop's University To Honor Six Distinguished Canadians

The honorary degree of Doctor of Civil Law will be conferred on six distinguished Canadians by Bishop's University, it was announced today by John Bassett, D.C.L., L.L.D., chancellor of the University. The annual convocation will be held in Lennoxville June 9.

The Canadians, distinguished for leadership in government, education, journalism and the church are:

Man. Hamlet Badly Hit By Floods

WINNIPEG — (CP) — With three-quarters of the district inundated by sudden flooding caused by ice jams on the Assiniboine river, the rural municipality of St. Francois Xavier is to ask the Manitoba government to declare the area a disaster zone.

Faced by possible still-higher water when crests come down from the upper Assiniboine, the municipal council last night passed a resolution making the request for benefits under the national disaster fund.

St. Francois Xavier is 20 miles west of Winnipeg.

Meanwhile, heavy equipment was being operated at a feverish pace to repair a 140-foot break in a dike on the north side of the Assiniboine in the Poplar Point area, a further 20 miles west.

Volunteers also were working on smaller breaks along the river, trying to make repairs before the crests arrived.

Civil defence chief Maj.-Gen. F. F. Worthington of Ottawa inspected the dike work Tuesday.

Hon. Paul Martin, P.C., Q.C., M.A., L.L.M., L.L.D., Minister of Health and Welfare in the Federal cabinet.

Msgr. Irenee Lussier, P.S.F., B.A., B.D.C., L.Th., L.Ph., P.D., rector of the University of Montreal.

Prof. A. L. Kuehner, M.A., F.C.I.C., vice-principal of Bishop's and head of the department of Chemistry since 1930.

M. Gratton O'Leary, L.L.D., vice-president and associate editor of The Ottawa Evening Journal.

Rt. Rev. Walter E. Bagnall, D.D., Anglican Bishop of Niagara.

W. C. J. Meredith, Q.C., M.A., dean of McGill University's Faculty of Law.

Entering the cabinet in 1945 as Secretary of State, Mr. Martin was appointed to the health portfolio a year later and has guided the department through a decade of notable accomplishments. The inauguration of the national health plan in 1948, the development of the old age security program and the dramatic success of Canada's Salk anti-polio vaccine are but a few.

Mr. Martin has brought honor to Canada on the international scene as well. He was Canada's spokesman on the five-power disarmament committee and also represented Canada in the United Nations Assembly. He was responsible for breaking the nine-year stalemate which brought 16 new members into the UN last December. (Mr. Martin will speak in Sherbrooke Friday night at the Governors' Banquet of the Rotary International Spring Conference).

Completing his first year as rector of the University of Montreal, Msgr. Lussier has been an important influence in Catholic education since 1935 when he began a 20-year association with Montreal Catholic School Commission.

He was ordained in 1930 and was vicar at St. Brigid, Quebec, for a year before leaving for Europe to complete advanced studies. He became director of auxiliary classes for the Catholic School Commission in 1935 and was later principal of the Institute Emmelle Tavenier for teachers specializing in working with retarded children.

A native of Kitchener, Ont., Prof. Kuehner has devoted 31 years of his teaching career to Bishop's University and has headed the Chemistry department since 1930. He was named vice-principal in 1951.

At Queen's University he won the degrees of bachelor and master of arts as holder of the National Research Council bursary, joining the Bishop's faculty after graduation. He has served many industries in the Eastern Townships as a consultant.

Gratton O'Leary is one of Canada's best known newspapermen, especially in the political field. He first served in the Parliamentary Press Gallery in 1911 and has been a close observer of the Ottawa scene ever since.

He has travelled widely as a foreign correspondent and was one of a party of Canadian newspapermen invited by the British Government in 1941 to report on the British war effort.

Mr. O'Leary is known in Canada as a brilliant writer, eloquent speaker and staunch supporter of the Progressive Conservative party. He is one of the 10 Canadians to be accorded a niche in the Hall of Fame at the Parliament buildings.

Born in County Tipperary, Ireland, Bishop Bagnall attended high school in Dublin before emigrating to Western Ontario. He was a padre in the RCAF for two years in the last war.

Condemned Man is Refused Appeal

NICOSIA, Cyprus — (AP) — The judicial committee of the Cyprus Privy Council today refused to hear an appeal against sentence of death imposed on a 22-year-old Cypriot for shooting and wounding a Briton last November.

The committee found Andreas Demetriou had no grounds to appeal to the Privy Council in London.

Private Operators Disagree With CBC

OTTAWA — (CP) — Private broadcasters and the CBC have put before the royal commission on broadcasting directly opposed views on the control of Canadian radio and television.

The private station owners want the federal government to drop the CBC as the ruling body, though not opposed to its continuance in broadcasting.

The private operators' stand was made public last night in a brief of the Canadian Association of Radio and Television Broadcasters, representing 137 radio stations and 25 television stations.

In the CARTB brief Tuesday, the commission heard these proposals:

1. The CBC's functions of operation and regulation should be divorced, with the federal government setting up an independent regulatory body over both the CBC and the private radio owners.
2. Private TV stations should be allowed to operate in any area. At present, they are barred from the six main cities reserved for strictly CBC operation. These are Halifax, Ottawa, Montreal, Toronto, Winnipeg and Vancouver.
3. CBC regulations should be modified to let private radio and television stations hook up in networks if they wish, which they now cannot do.

The suggestion of privately owned second TV stations in areas covered by the CBC got advance endorsement Tuesday from Mr. Duntun, who told the commission he considers a second television network a logical step.

However, he said, the CBC would want to "coordinate" such second stations with its own service and would need more money to feed them with the quantity of Canadian-produced programs it thinks they should carry. This might cost an additional \$10,000,000 a year on the current scale of TV operations.

The CARTB, however, suggested in its brief that the idea of a state broadcasting service directing the operation of private stations is foreign to the democratic concept.

Shakespeare Still Not Discredited

CHICHESTER, England (Reuters)—Clifford Hoffman, the American literary sleuth, touched off a withering barrage of sarcasm for his failure Tuesday to prove that Shakespeare was a fraud.

"Alas, poor Hoffman—nothing but sand, sand, sand," was the headline in the London Evening News, deftly misquoting the immortal bard's Hamlet.

In truth, nothing was rotten in Denmark. But the Evening News smelled a rat.

Hoffman's claim that Elizabethan playwright Christopher Marlowe, not Shakespeare, wrote Shakespeare's plays for him was as preposterous as "casting doubts on who wrote the Gettysburg address," the newspaper said.

According to the 46-year-old New York drama critic, the 15th-century tomb of Sir Thomas Walsingham, Marlowe's friend and patron, contained manuscripts of "Shakespeare" plays written in Marlowe's hand.

But when the tomb in St. Nicholas church here was opened Tuesday, nothing was found beside the coffin but sand—15th-century sand from Normandy, according to one expert.

A crestfallen Hoffman today still stuck to his guns and insisted that Marlowe wrote Shakespeare, as he attempted to prove in his recent book, The Man Who Was Shakespeare.

"I am through here," he said. "But it has not proved or disproved my theory. I shall continue my researches in other directions. I shall try to trace the Walsingham papers, which may help me."

Federal Aid To Pipeline Is Imminent

OTTAWA — (CP) — The government has decided to continue backing Trans-Canada Pipe Lines Ltd. even to the point of providing a huge federal loan to get the stalled 2,200-mile natural gas pipeline constructed under private ownership.

Prime Minister St. Laurent announced in the Commons yesterday that the government has extended to Nov. 1 from May 1 the time in which the company, entangled in a web of financial difficulties, must show financial ability to build the line.

At the same time, other authorities said the cabinet has agreed the \$375,000,000 Alberta-to-Quebec line is an economic necessity, but that all avenues of private ownership should be exhausted before the government would agree as a last resort to build it under public ownership.

On that basis, legislation is being prepared under which, it is understood, up to about \$80,000,000 would be provided out of the federal treasury to pay for construction of the Prairie portion of the line this year.

It appeared likely the money would be available to Trans-Canada as a short-term loan under commercial interest rates with the company putting up bonds as security.

Confronted by opposition members in the Commons with this news report of a possible federal advance or loan, Mr. St. Laurent would neither deny nor confirm the report, adding he did not want to say anything to encourage such newspaper speculation.

World News In Brief

TORONTO — (CP) — Police throughout Canada and the United States have been asked to watch for Edwin McDonald, 31, who jumped \$50,000 bail yesterday when he failed to appear in court to face a narcotics charge.

McDonald, youngest brother of Mickey McDonald, once Canada's most wanted criminal, had appeared in court Monday to face a charge of possessing drugs for the purpose of trafficking.

LONDON — (Reuters) — Princess Margaret was involved in a minor collision with another car Tuesday while travelling in a Rolls-Royce to London.

The princess escaped injury, and her car suffered only slight damage.

The collision occurred at Stanborough, Herfordshire, while the princess was driving from the royal residence at Sandringham to Clarence House, her London home.

HAVANA, Cuba — (AP) — President Fulgencio Batista ordered 39 army officers into retirement Tuesday, apparently as a result of Sunday's rebellion that misfired. Involved in the order were one lieutenant-colonel, three majors, seven captains, 10 lieutenants, 14 second lieutenants, three sub-lieutenants and a sergeant.

LEBANON — (AP) — Light earth tremors shook Lebanon early today. Preliminary reports said there were no casualties and no material damage. The tremors occurred in the same district as the March 16 earthquake which killed 103 persons and left thousands homeless.

QUEBEC — (CP) — Eugene F. Noel, a Quebec industrialist, last night was chosen Union Nationale candidate for the Quebec writ riding at the forthcoming provincial elections. Jules Savard, a Liberal member, represented the riding before the legislature was dissolved.

Fire In Montreal Destroys Building

MONTREAL — (CP) — A stubborn blaze in the city's east end early this morning destroyed a two-story brick building housing a Woolworth store and a bowling alley. There was no injury.

The fire broke out about 2 a.m. Before firemen were able to control the flames, about two hours later, the roof collapsed and part of the front of the building toppled over into the street.

Capital Hill Roundup

Harris Rejects Opposition Plea For More Aid To Municipalities

OTTAWA — Finance Minister Harris, rejecting opposition suggestions for more federal aid to municipalities, says the central government is already doing a great deal to help them.

From federal family allowance payments, hospital grants, old age pensions and other measures, he said Tuesday at the Commons voted down CCF and Progressive Conservative motions. "It must be evident that this government is doing a great deal to aid municipalities."

Canada's growing population required more schools and extension of other municipal services, but it also imposed additional responsibilities on the federal government.

"This government has assumed responsibilities which are commensurate with and are the direct result of the growth of population, and we need money for that purpose, too."

He spoke in closing the second day of debate on a Conservative motion calling for full pay-

ment of municipal taxes by Ottawa on federal property — now under certain exemptions — and elimination of sales and excise taxes on purchases by municipalities and school boards. A CCF amendment to the motion requested, in addition, federal aid for education.

Both proposals — in effect want-of-confidence motions — were defeated on straight party lines Tuesday night, all opposition groups voting against the Liberal majority.

The CCF amendment lost 132 to 61, the Conservative motion 132 to 64. Raoul Poulin (Ind.—Beauce) voted against the CCF motion and for the Conservative one.

Earlier Tuesday, in moving the CCF motion for federal education assistance to municipalities, R. R. Knight, a former high school teacher and member for Saskatoon, dared the government to do something about the "sacred cow" of education.

In refusing to give financial help to education on the

constitution makes that a provincial field, the federal government was pussyfooting and rationalizing. Grants could be made "without interfering one iota with provincial jurisdiction."

Control and administration of schools should remain in provincial and municipal hands, but there were many inequalities in educational opportunity for children across Canada. Ottawa had a duty to see that education does not fall below a certain acceptable standard in any province.

George Nowlan (PC—Digby-Annapolis-King) said his party has often suggested federal education assistance can be made without interfering with provincial control.

Municipalities still operated on a tax base granted in 1867 when they had only the little red school house, dirt roads and poor people to look after. By saying it should not share normal costs of municipal growth, the federal government now was closing its eyes to what has happened since Confederation.

CCFer Raps "Corruption" In Quebec

MONTREAL — (CP) — Mme. Therese Casgrain, Quebec CCF leader, said Tuesday night Quebec is one of the most cynically corrupt and graft-ridden areas in North America.

Quebec residents, she said, have too often continued to elect demagogues, "whose principal aim is to exploit them under the cloak of divisive nationalism and isolation."

The 57-year-old Montreal grandmother, twice defeated in two bids for House of Commons seats, spoke on the CBC trans-Canada network. The text of her remarks was released in advance.

She said: "The people of Quebec have yet to gain command of their own economy or reap the benefits of their own rich and bountiful resources. Instead of electing leaders who will serve their social and economic interests, who will press forward to give them so many things that are so badly needed, they have too often continued to elect demagogues."

Quebec residents had no quarrel with the rest of Canada nor did they wish to isolate themselves from Canadian progress.

"They ask only to be treated as equals, not superciliously as an inferior minority."

Today's Chuckle

The man chanced upon a big stock of a long, incredibly dull book that had no index. Since they were cheap he bought them up and mailed them anonymously to his friends with this comment: "I think you will find this book interesting, especially the reference to you, which I hope you will not consider offensive."

Canadian Commies Do Stalin Flip-Flop

TORONTO — (CP) — Tim Buck of Toronto, leader of the Labor-Progressive Communist party, told a May Day rally last night his party erred in its support of Joseph Stalin as premier of Russia and leader of world communism.

Speaking from a flag-draped rostrum, Mr. Buck, recently returned from the 20th congress of the Communist party of the Soviet Union in Moscow, said the support of Stalin had been a mistake.

"We accepted the cult of the great man, the theory of the great leader," he said. "We joined in the great area in which Stalin's word was accepted without question."

He said it now is clear Stalin took more and more into his own hands during the latter period of his leadership.

"Many shocking things were done, some not even justified

for survival of the Soviet Union."

Mr. Buck's speech was the first official pronouncement by a Canadian Communist on the recent campaign of denunciation against the late Russian premier.

At the time of Stalin's death, Mr. Buck told a meeting "tears would flow in the streets" if the people of Canada realized what they had lost by his death.

He told the audience last night the LPP party had heard of outrages against certain Jewish writers during the Second World War but had believed the measures were carried out after due process of Soviet law.

"Actions within the Soviet were discussed critically but within the framework of the idea to which we had become victims. We felt that Stalin must be right."

**COOKSHIRE—
Eastern Star
Holds Meeting**

COOKSHIRE — Cookshire Chapter No. 46, O.E.S., held its monthly meeting in the Masonic Chambers with Sister Gladys Bennett and Brother J. E. Drennan in the East.

The meeting was opened in regular form, and the Grand Instructor, of District No. 1, Sister Breta Dearborn, was welcomed. The minutes, correspondence and accounts were read and the bills ordered paid.

One petition was received and two favorable ballots were spread. The degrees of the order were exemplified for the benefit of the Grand Instructor.

Sister Bennett, Worthy Matron, presented Sister Dearborn with a gift from the Chapter. Following the closing in regular form, refreshments were served in the lower hall by the social committee.

Men Meet At
Stanstead**

STANSTEAD — The men of the Anglican Parish of All Saints and Christ Church met in Stanstead for a "quiet evening." The celebration of Holy Communion took place in Christ Church at six o'clock, after

which all retired to the parish hall. At white covered tables, the group were served an oyster supper by the ladies of Christ Guild.

The guest speaker, Rev. H. Lewis Clarke, of Bishop's University, based his address on "The Christian Man in the World of Today."

This was followed by a period of meditation before the showing of the film, "The Salt of the Earth." This dealt with the problems of man in relation to his church and community. There were 45 men attending.

**Girl Guide
News**

Eleven Guiders from Coaticook, Waterville, Rock Island, Stanstead and North Hatley met with their Commissioner, Mrs. A. H. Stoddard, for a training meeting on Sunday, April 15, in St. Stephens Anglican Church Hall at Coaticook. Also present was Mrs. J. C. Barron, the president of the Coaticook local association.

Plans were made for the sale of Girl Guide cookies for 1956, —an annual event well known to the public—and it was decided to order these for the third week in August and leave it to the Guiders to sell at the most advantageous time in their particular districts.

A scheme whereby Guide units contributing towards the Trans-Antarctic Expedition to be made by Dr. Fuchs and Sir Edmund Hillary can receive maps and regular newsletters about the progress of the expedition, was brought to the attention of the Guiders.

The main topic of the evening was, of course, CAMP, and this year there is a wide range of choices for the girls. Before the meeting closed, plans were well under way for Company Camps and Brownie Pack Holidays.

The Patrol Leaders' Camp, to which the division may send three girls, is divided into three sections this year — a Hiking Camp at Spooner Pond, Richmond—July 3 to July 13; a Woodcraft Camp in the Ottawa Valley—July 16 to 25; and a Swimming Camp at Morin Heights—July 24 to August 11. Every effort will be made for the girls to go to the camp of their choice.

Then there is the Adventure Camp open to Guides, Guiders, Cadets and Rangers over 16 years of age, which will comprise a

**Sugar-On-Snow
Party Enjoyed
At Island Brook**

ISLAND BROOK — Around 70 young people from the Grace Chapel, in Sherbrooke, journeyed to the home of Mr. and Mrs. Thomas Burns.

During the afternoon they went to the sugar bush and watched the process of maple sugar making, and also sampled this delicacy on snow.

As evening approached they gathered at the house where lunch was served by the hostess.

The evening was spent as a fellowship meeting, commencing with a sing-song and Mr. Fred Warnbolt, of Magog, giving the message. The meeting closed with prayer.

General Notes
Mrs. James French, Mr. W. V. French and Mr. Alton Lister, motored to Richmond, where they visited Mrs. French's mother, Mrs. Scally, at the Wales Home.

Mrs. E. Smith and Mrs. M. Walkins have returned to their homes in Lennoxville, after spending a time at the Todd Home. The many friends of Mrs. N. D. Todd are sorry to hear she has entered the Sherbrooke Hospital. Mrs. Nora Hearn is at the Todd Home while Mrs. Todd is away.

Mr. and Mrs. Ian MacAulay and son, of Montreal, were weekend guests of Mr. and Mrs. Kenneth Morrow.

A Serious Charge

Ald. Everett Nicol's charge that "almost every hotel in Sherbrooke is open on Sunday (for the sale of whiskey) from 8 in the morning until 10 at night" warrants an answer from the Provincial Government's liquor police.

What will very likely happen is that Ald. Nicol's statement will be ignored and the hotels, if they are offending as the alderman claims, will continue to do so.

Ald. Nicol no doubt is willing to attest to personal knowledge of specific instances of such infractions of the liquor laws. If not, the statement

should never have been made.

Nor should it be allowed to die on his lips. Such a charge is a serious one and authorities charged with regulating liquor sales should be called upon for an answer.

To say that it is outside the jurisdiction of the municipality is not enough. If what he says is true, the municipality should make this information available to the Provincial Government.

How else is the Government to hear that its regulations are not being enforced? Certainly a hotel isn't going to inform on itself.

Put Up Your Douks

The Douks are at it again!

Those strange Sons of Freedom who inhabit British Columbia are all up in arms about threats to their freedom of religion. Canadian schools, they say, teach their children things that are contrary to the religious teaching they receive at home.

But apparently, the Doukhobors are mellowing with age. It used to be that no Douk worthy of the name could conceive of a riot without a good old-fashioned strip-tease. This habit made them, if not the most worthy Canadian citizens, at least the most colorful.

This seems true despite the comment of a reporter who was assigned to cover such an insurrection a few years ago that the wide expanse of the Doukhobor female made it the duller floor show he had ever seen. This cynicism undoubtedly was shared by many a newspaper editor who was presented with innumerable pictures which out of deference to the newspaper's reputation as a "family journal" had to be tossed in the wastebasket.

Then there was the clever bit about "Who abhors war more than the Doukhobors abhor war?"

Could It Be True?

Welcome news it was yesterday that Dr. Gordon Murray, noted Toronto surgeon, was predicting an early solution to cancer.

Coming from a medical man of Dr. Murray's stature, the prediction carries considerable weight. Dr. Murray is not given to wild statements.

What a wonderful thing it will be if the prediction comes true! That

one could be vaccinated against cancer as against polio seems almost too good to be true.

For there is probably no disease that can raise more sheer terror in the hearts of the afflicted. The misery and suffering that discovery of a cure will prevent!

Let us all pray that Dr. Murray is right.

Fine Firefighters

Excellent equipment, combined with capable and willing men, make Sherbrooke fire fighters among the best on the North American Continent.

The National Fire Prevention Association, after compiling statistics on 650 cities in Canada and the United States, have classed Sherbrooke well to the fore in fire prevention. The average figure for the ratio of fires per 100 population in Canada is 5.1, that of Sherbrooke, 1.3.

The reputation of a community so well protected speaks well for the

city authorities and the excellence of their men, and gives citizens a certain sense of security.

No doubt the Police Department will cooperate with their friends the fire-fighters, and crack down hard on those foolish ringers of false alarms. One out of every 11 calls was false.

Fire-fighting calls for courage and determination. Every time the alarm rings, whatever the hour, firemen must be prepared to risk life and limb that others may be safe. The punishment for false alarms is well merited, but sparsely bestowed.

On Other Side Of The Coin

(Kingston Whig-Standard)

The Americans do not like colonialism and they have been very vocal about it in the past few years. They have been particularly vocal on the question of Cyprus and remarks like those of Mr. Robert Wagner, Mayor of New York, that "Our hearts go out to those Greeks in Cyprus who are fighting for what we fought for in this country," have been all too common in the past six months.

Indeed, it is sometimes quite a close race as to whether the American or Russian leaders

are most scathing about Great Britain's colonial system.

On the other side of the coin we might notice a dispatch from Okinawa filed last Saturday. This dispatch talked of the obvious desire of the 800,000 inhabitants of the Ryukyus Islands, of which Okinawa is a part, to be returned to the sovereignty of Japan. The dispatch also stated that the American military and civil authorities interfered in the recent elections. The Army advised it advised voters not to support

the socialists and the paying out of certain aid funds during the campaign certainly helped the cause of the pro-United States party.

Despite the general desire for reunion with Japan which the Ryukyus have, the United States has made it clear that it will not quit Okinawa until it is ready to.

As George Orwell nearly said in Animal Farm some colonial powers are more colonial than others. American colonialism on Okinawa must be different from British colonialism on Cyprus. Whether the Okinawans would agree is a moot point.

Belated Mercy

(Toronto Globe and Mail)

One of the contradictions of civilization has been the primitive barbarity which has clung to its war on wildlife. There was excuse for early humans who depended for their survival on the conquest of predatory animals and for food on the capture of non-predatory species. So traps were made in the earliest times with little regard to the sufferings of victims—although even in pre-mechanical times there were devices to deal quick death.

But brutality continued into the commercial era, long after survival had ceased to be a motive. The incredible savageries of whaling and sealing, for example, are only now beginning to yield to international covenant. No such agreements seemed to take hold on land, yet the older world has long ago, of its own volition, evolved a measure of mercy in its

fur trade. It is to our own shame that we trail rather than lead such a movement.

So everybody with humanity in his soul will surely applaud the Canadian Association for Humane Trapping in its crusade against the senseless cruelty of the leg-trap. The association has humane, instant-death devices of both Canadian and European design and hopes their use will "some day" be universal in Canada. One might wonder why this is still a purely voluntary effort and why legislation has not made it mandatory long ago.

But if we can take no pride in our past record, we may well have better regard for our future. The humane trapline will come into existence when public opinion is roused enough to demand it. May that be soon, and full honor to our humane bodies who have fought their way uphill toward it.

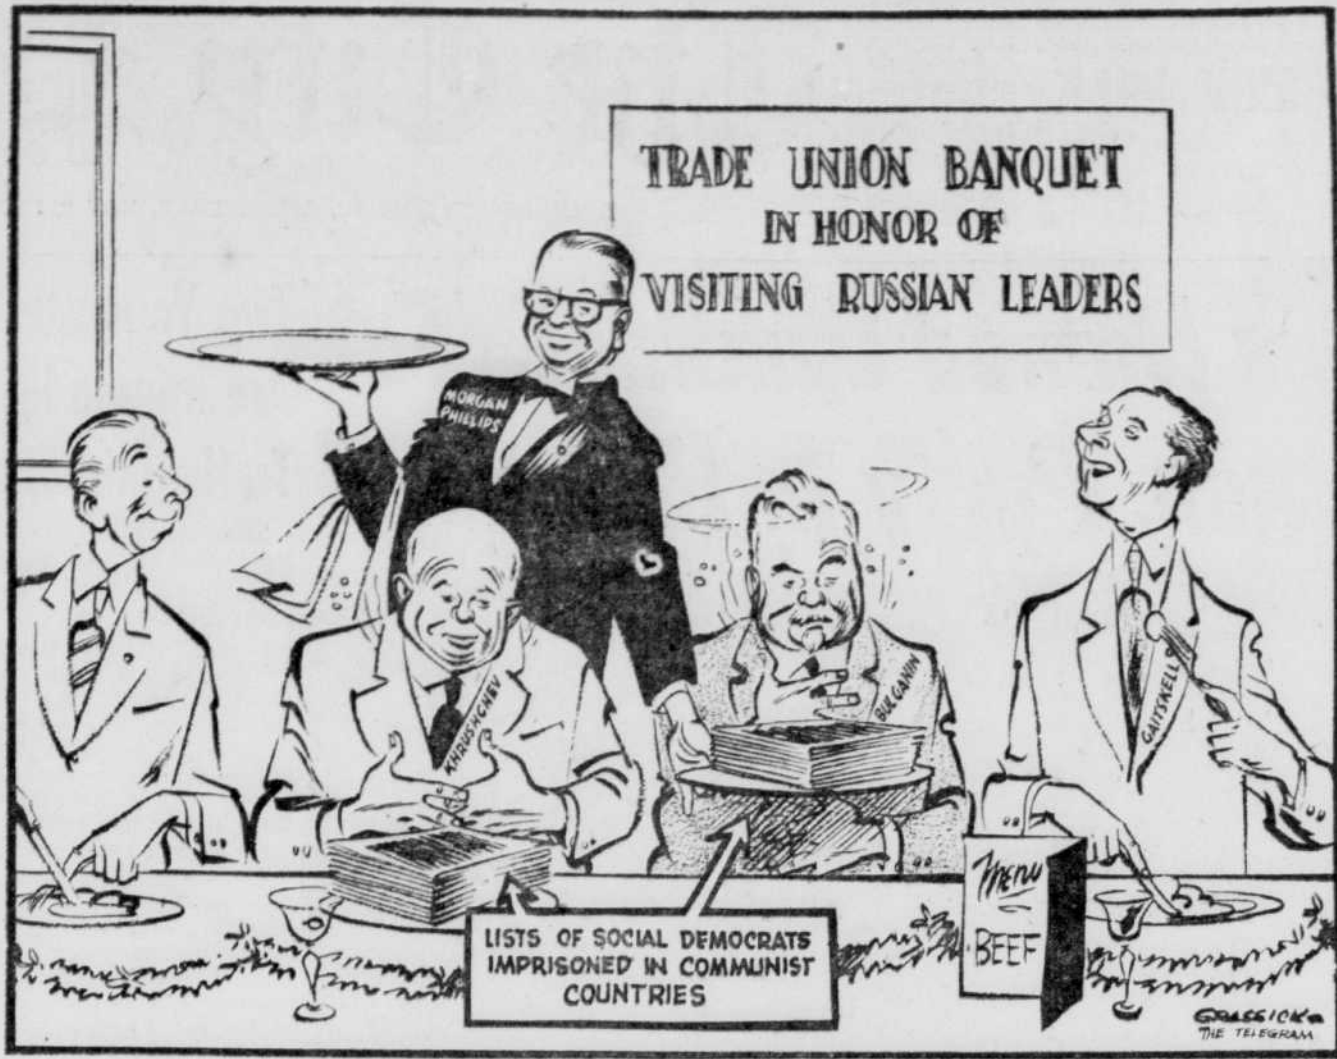

SHORT PANTS FOR BOYS

(St. Thomas Times-Journal)

It is reported that short pants are coming back for boys.

The habit of putting boys into long trousers prevailed not many years ago. They were no sooner able to run around than they were put into pants that terminated at the knee. The pants were worn during years of rapid growth and the boy soon outgrew them unless his parents were able to afford new pants frequently. But they gave boys a smart appearance.

Then the great day came when the boy was given his first suit with long pants. It was quite an event in his life; just as it is quite an event in the life of a girl when she is dressed "grown-up" with longer dresses and high-heeled shoes.

JUMBO STORY

(E. E. Edgar, Ottawa Journal)

P. T. Barnum, the master showman, was a confirmed teetotaler who was convinced of the evils of drink.

One of Barnum's most successful exhibits was the giant elephant Jumbo, the largest in captivity, which he purchased from the Royal Zoological Society in London.

One morning, shortly after he returned to the United States with his prize, he saw the keeper pouring whisky down the animal's throat. Barnum could scarcely believe his eyes. "What are you doing?" he cried out in horror.

"Don't worry," said the keeper. "Jumbo loves whisky."

"Take that bottle away!" roared the showman. "You'll ruin his health with that stuff!"

"It hasn't hurt him so far," commented the other, removing the bottle reluctantly. "He has grown to a pretty fair size."

"Maybe so," grumbled Barnum, "but he would be twice as big if he hadn't been stunted by alcohol!"

EXCEEDING THE BLITZ

(Vancouver Sun)

When some of Canada's top soldiers attack Canada's official defence policy the public sits up and takes notice. Parliament will hear more of this, especially from British Columbia's Major General Pearkes, Tory spokesman on defence. He, too, is critical of present defence policies though he may not see eye to eye with Lt. General Guy Simonds and Major General W. H. S. Macklin, both recently retired. The question is tough for laymen. Nuclear weapons have changed ideas of warfare. They apparently influence government defence thinking.

Jacoby On Bridge

By OSWALD JACOBY

END-PLAY MAY BE AVOIDED

The art of avoiding an end-play is a rare exercise in defensive skill, partly because it is needed only against the sort of declarer who is good enough to execute the end-play. Perhaps today's hand will elucidate.

West opened the ten of hearts, East played the discouraging deuce, and South won with the ace. It seemed clear that West would shift to clubs if given the chance, and South had good reasons for not wanting such a shift.

Declarer drew three rounds of trumps, ending in the dummy, and then led the jack of diamonds. East stepped up immediately with the ace of diamonds and returned his low heart, allowing West to win with the eight. This wasn't as desperate a play as it seemed, since West had discarded the nine of hearts on the third trump to make it clear that he held the eight and could win the second round of hearts.

West returned the eight of clubs, dummy played low, and East won with the jack. East could still get out with his low diamond, after which he could sit back and wait for a second club trick to defeat the contract.

Perhaps you noticed that East had to give the lead to his partner with a low heart as part of the campaign to avoid an end-play. East also had to win the first diamond trick in order to get out with a low diamond later on. If East hadn't taken these two precautions, he'd have been obliged eventually to lead clubs up to dummy's ace-queen; or he'd have led a heart, allowing dummy to ruff while South discarded a club.

East's precautions wouldn't have been needed against an ordinary declarer. The average South player would try a club finesse on his own, and East would be in no danger.

SLOWPOKE PENALTY

(Vancouver Sun)

Hundreds of motorists will cheer the story about a man being fined \$5 in Langley police court.

The evidence was all too familiar to anyone who drives on a week-end. The accused was poking along the Trans-Canada Highway at 25 miles an hour in a 50 mph zone.

Behind him 23 car drivers fumed. At any moment one of them might have invited disaster by swinging out impatiently to pass.

UNAVAILING SECRECY

(Windsor Star)

When property deals are involved, there always is the danger if news leaks out too far in advance prices will be jacked up. But, where civic business is involved, secrecy should not be carried beyond a certain point. Indeed, it cannot be. The grapevine works too well.

Civic affairs are the people's affairs, and the people should know what is transpiring.

HOCKEY AD INFINITUM

Optimist Club's president Fred Bean is shown presenting James Hilt, 1st high student of St. Patrick's Academy, with prize-money for winning first place in the Oratorical Contest sponsored by the Club. Others in the picture, from left, are Ron MacDonald, chairman of the boys' work committee; Marshall Handley, 3rd prize-winner, and Richard Bean, 2nd prize-winner. Both boys are from St. Patrick's. Rev. Father Ted Avallone, of St. Patrick's Academy, coached the boys.

James Hilt Wins Honor In Oratory

James Hilt, first year High student of St. Patrick's Academy, was chosen as candidate for the Sherbrooke Optimist Club in the oratorical contest to be held at Kingston, Ont. He was selected at a preliminary contest held at the regular meeting of the local club at the Hotel Wellington last evening.

Taking second place in the contest, the topic of which was "Freedom, Our Most Precious Heritage," was Richard Bean, second year High, with Marshall Handley, third year High, ranking third. Both these boys were from St. Patrick's.

The judges were Jack Lenaghan, Pierre Beaudry and Dr. Cecil Delaney.

Speakers from 18 clubs in District 28 will compete during the Optimist convention at Kingston, May 18-20, the Kingston winner appearing at the Optimist International Convention at Los Angeles in June. The top awards in the finals will be scholarships of \$1,000, \$750 and \$500.

A vote of thanks was extended to Rev. Father Ted Avallone, of St. Patrick's Academy, who trained the boys for the competition and to R. Finn and B. Buzzell, teachers at the academy, who attended the contest.

The Optimists' advance sale of peanuts officially started today with their Annual Tag Day to be held on June 15 and 16. Funds derived from the peanut sale will be used to finance Boy's Town, the hockey and baseball clubs, the weekly picnics for children, the donations of instruments to boys' bands and the Christmas baskets for deserving families. This year the Club has decided to dispense with the Sports Guide and to depend entirely on its peanut sale for support.

A business meeting will be held in the Wellington Hotel next Monday at 6.30 p.m.

Final Tribute Is Accorded To Col. L. Chevalier

Friends and businessmen from all walks of life gathered at Notre Dame du Perpetuel Secours Church yesterday morning to pay their last respects to Col. Leopold Chevalier, who died in Montreal Friday night at the age of 57.

Col. Chevalier was one of Sherbrooke's leading citizens, and at the time of his death he was head of the J. L. Mathieu firm. He participated in numerous other activities in the community and was also a leading figure in military circles.

The funeral cortege left his late residence on Portland Ave., proceeding to the church for a solemn Requiem High Mass. The body was received at the door by Rev. Father Leon Drapeau, superior of the Grand Seminary and padre of Les Fusiliers de Sherbrooke, of which Col. Chevalier was a former commanding officer. Mass was celebrated by Msgr. Maurice O'Bready, secretary-general of the University of Sherbrooke, with Rev. Fathers Irene Jacques, a classmate of the deceased and Joseph Mathieu, a cousin, as deacon and sub-deacon.

The cortege was preceded by a guard of honor headed by Brig. Julien Bibeau. Funeral director was Wilfrid Routhier and the bearers, all former commanding officers of Les Fusiliers de Sherbrooke were: Lt. Col. J. S. Bourque, Lt. Col. Aime Biron, Lt. Col. Gaetan Cote, Lt. Col. Roland Codere, Lt. Col. Alphonse Genest, and Lt. Col. Sarto Roy.

Pall bearers were: Albert Charpentier, Charles Codere, Joseph-Henri Codere, Dr. Rene DuBerger, Dr. Richard Gaudet, Louis Gaudreau, Lucien Lavallee, Albert Leblanc, Michael Stenson, George Sylvestre, Zoel Trudeau and Dr. Armand Trudeau.

Among the hundreds attending were: Maurice Gingues, M.P., Senator Jacob Nicol, Mayor Armand Nadeau, Ald. Felix Thibault, Ald. Carl Camirand, Ald. Everett Nicol, A. A. Munster, H. Blue, P. Francis, R. Paquette, C. Larose, R. Robert, Jean Gaudreau, P. Bourret, Ivan Dugre, Gaston Bertrand and R. Ferrand of the Provincial Bank, M. Denault, J. Denault, Judge Raymond Hayes, Jean-Marie Cote and Dr. J. Olivier.

Cards Of Thanks
We wish to thank our neighbours and relatives for food, flowers, cards and other acts of kindness shown us during our bereavement. Especially want to thank Rev. Harrington and Mr. Charles Townsley. Your kindness was much appreciated and will always be remembered.
MR. ROBERT JONES (husband), MR. & MRS. FRID CONVERSE, (son-in-law and daughter), MRS. R. MACKAY, (sister), MRS. R. McLEOD, (sister).

I wish to express my sincere thanks to my relatives and friends who visited me during my stay in the Sherbrooke Hospital and to those who sent cards, letters, gifts and flowers. I would especially like to thank Dr. Quintin, the nurses and nurses' aides on the fourth floor, and a special thanks to the Order of the Eastern Star, Ladies Auxiliary of the Canadian Legion and the Waterloo-Warden Women's Institute. Your kindness will always be remembered.
MRS. ASHLEY TRUSSLER, Waterloo, Que.

We wish to extend our heartfelt thanks and gratitude to all our relatives, neighbors and friends, for their loving sympathy and many acts of kindness to us in the loss of our dear husband and father Thomas Bennett Vincent. For the beautiful floral offerings, letters and cards of sympathy, to Rev. Mr. Brett, organist, bearers, and Sutton Valley Lodge No. 25 I.O.O.F., to all those who sent food, loaned cars, called or helped in any way to lighten our sorrow during our recent sad bereavement. Your kindness was deeply appreciated and will always be remembered.
MYRTLE A. VINCENT (wife), FRED & EVA ALLEN, (daughter and son-in-law), WADE D. VINCENT, THOMAS J. VINCENT (sons).

Men's Club At Thetford Mines Holds Meeting

THETFORD MINES — The St. John's Men's Club held a meeting with the president, Peter Riordon, in the chair. The secretary-treasurer, Ward Seecy, read the minutes and gave the financial report.

Future possibilities in the nature of money raising projects were discussed and the evening closed with a dart game and refreshments.

The Men's Club recently sponsored a return engagement basketball game between the Quebec Seminars and the Thetford Aces, high score of the game going to the visiting team.

It was the final game for Albert Nakash, who has since left for Jamaica. He will be greatly missed by his basketball team mates. Manager and organizer of the Thetford Aces is Henry Setlakew.

Proceeds of the game, as of all money raised by the Men's Club, goes to the Building Fund of St. John's Church.

General Notes

Mrs. Stanley Briggs, Johnson St., entertained at a tea in honor of her niece, Mrs. Jim Peers, the former Pat Johnson, prior to Mrs. Peers' return to her home in Burlington, Ont. Mrs. Peers has been visiting in Thetford Mines for the past two months, with the exception of two weeks, which she spent in Florida.

Briggs' guest list included many of the young married women of Thetford Mines and Black Lake, among them several newcomers to the district. Mrs. Andrew Johnson and Mrs. Andrew Gibb presided at the tea table.

Mr. and Mrs. S. P. Ogryzlo, Fecteau St., motored to Montreal to bring home their son Tom who is a first year engineering student at McGill University. Tom has accepted summer's employment with a newly organized prospecting company and his work will probably take him to New Brunswick, Northern Saskatchewan and British Columbia, in which places his company will be prospecting for copper and uranium.

Mr. and Mrs. Gonzague Tremblay, of Chicoutimi, are visiting briefly with the latter's father, Rev. M. H. W. Seecy, Alfred Street.

Fifteen Received Tenderpad Badges At Cub Ceremony

CUB PACK INVESTITURE COOKSHIRE, April 23, 1956— About 30 parents were present to see their boys invested into the Wolf Cubs and receive their Tenderpad badge at a regular cub meeting, Monday, April 23, in the Cookshire Legion Hut.

At 6:30 p.m. the boys assembled to have a short meeting and arrange seating facilities. Promptly at 7:30 the investiture of 15 boys was started, led by the assistant Cub master, Donald Standish, who acted in the place of Akala (Mr. Wilfred Taylor), who was unable to attend.

The boys invested were, from the red-six pack, Billy Cork, Orville Bailey, Andre Jacques, Jackie Matthews, Ronnie Langworth, Gordon Vogell; from the yellow-six, David Johnson, Brian Gilbert, Barry Matthews, Malcolm Learned; from the grey-six pack, Arnold MacMillan, Bobby Taylor, Lloyd Learned, Jimmy Waldron and Edward Northcott.

At the close of the ceremony the boys played a game. They had to blow a ping-pong ball along the floor and through the rungs of a chair and all the time have a marshmallow in their mouth. Three fathers acted as judges.

Ten minutes were spent reading the Jungle Books to the boys, and then Mr. O. Matthews organ-

ized a rope-tying race, all the boys had to balance a book on their head throughout the game. The boys gathered in their rock circle, and a new boy, Billy Tredinnack, was introduced, and brought in as one of the members of the Cookshire Pack.

Mr. George Johnson, president of the Group Council, gave a brief talk on what had been done in the past few weeks, what needed to be done in the future and an outline of the summer camp for the parents to consider, and stressed the need of the help of the parents to make the Cub movement a success. He also thanked Mr. Taylor, in absentia, Mr. D. Standish and Rodger Heatherington for what they had done.

Mr. A. W. Cook, treasurer, gave a financial resume, and told of the plans to raise money. The evening was brought to a close by the singing of God Save the Queen.

MASSAWIPPI—

Mr. and Mrs. Jerry Miltimore, of Waterville, were recent visitors of Mrs. Bertha Gilson, at the home of W. W. St. Dizier.

After spending the winter months in Hatley, at the home of Mr. and Mrs. Allan Wheeler, Mrs. Edith Corey has returned to her home here.

Mr. E. H. Smith, with his niece, Mrs. Goldie Kurnet, of Concord, N.H., are spending a week with his sister, Mrs. David Young and Mr. Young.

Mr. and Mrs. Harry Downing and Sharon, of Nashua, N.H., were weekend visitors of Mrs. L. D. Schoolcraft and Jeanette.

Consider Plans For Removal Of Theftford Church

THEFTFORD MINES — Saturday evening, April 21, the congregation of Theftford Mines United Church held a "ways and means" meeting in regard to their proposed new church.

Rev. Mr. Matthews, of Sherbrooke, was in the chair and a lively discussion followed the submission by Oliver Morrison of a "three-possibility program" in regard to the church.

The three possibilities, as outlined by Mr. Morrison, who had been delegated to make a report on the subject, were: First, build an entirely new church; second, tear down, remodel and remove to a new site the old building now in use, or, third, accept the St. John's Anglican Church offer of their old church building, provided it could be moved to a new site.

It was finally decided, with expressions of gratitude to Rev. M. H. W. Seelye and his church board for their offer, to accept the Anglican church, provided the building could be moved.

A contractor has offered to attempt the removal of the church for \$11,000 and the building committee is now in the process of getting a premium price on a \$50,000 policy from Lloyds of London to cover the venture. Ted Reid and W. J. Hoogendyk are heading a finance committee to raise funds for the project.

General Notes

Miss Elizabeth Ann Blue, of Sherbrooke, spent the week-end visiting at the home of Mr. and Mrs. John Hayes, 5th Street, West. Mr. and Mrs. Hayes moved to Theftford from Sherbrooke about three months ago.

Mr. Albert Nakash left this week for a three-year stay in Jamaica, where he will be employed as an engineer with the Aluminum Company of Canada.

Mr. and Mrs. Henri Lagueux, 7th Avenue, have returned home, after an extended stay in Mexico and Miami, Florida.

Mr. John A. Marshall, of Inverness, who has been discharged from the Sherbrooke Hospital, where he was confined for the past two months, is now convalescing at the home of his son and daughter-in-law, Mr. and Mrs. Harry Marshall, Alfred Street.

INVERNESS—

Mr. and Mrs. George Lennon and Mr. and Mrs. John Hoy attended a party in the Knights of Columbus Hall in Quebec City, where Miss Shirley Lennon was crowned Queen of the Drescoil Institution.

Mr. John Cruickshank and Miss Ann Cruickshank were guests of Mr. Winston Duffy at his sugar camp in South Durham. While there Mr. Cruickshank attended an executive meeting of the I.O. O.F.

Mr. J. Jamieson of Kinnear's Mills, is a guest of Mr. A. J. Lowry for a few days, and also called on Mr. and Mrs. H. J. Lipsey.

Mrs. C. Pidgeon and family, of Sherbrooke, were recent visitors at the home of Mr. and Mrs. G. Lennon.

Mr. Guy Little has returned home after spending a week with his son-in-law and daughter, Mr. and Mrs. Lorne Kelso and family, in St. Pierre Baptiste.

Visitors at the home of Mr. and Mrs. Allan Little were Mr. A. Roy of St. Norbert, Mr. H. Jamieson of Kinnear's Mills, and Mrs. Harry Little of Theftford Mines.

Mr. and Mrs. W. Dacres were visiting friends in Kinnearville. Mr. Henry Campbell was a guest of Mr. and Mrs. A. White in Glen Lloyd.

Mr. George Marshall and Mr. Russell Marshall were in Montreal on business.

The members of the Guilds of St. Stephen Church, Rectory Hill, and of the Church of the Ascension, Inverness, held a meeting at the home of Mr. and Mrs. H. Campbell. Mrs. Campbell opened the meeting with prayer and minutes were read by Mrs. John Cruickshank. The treasurer was authorized to pay \$200 on the loan. The Guild members are planning an extensive drive to wipe out remaining portion of the debt on the parsonage. The first social event will be a dance in the Court House on May 4. Other plans were also made for the future. The meeting closed and refreshments were served by the hostess.

STANBRIDGE RIDGE—

Miss Gladys Duffy, of St. Johns, was a week-end guest at the Frank Corey home.

Mr. Methe, an aged resident of Bedford, Conn., who spent some time here as a school boy, over 60 years ago, was recently calling in the neighbourhood.

Rev. Hugh Corey, of Richford, Vt., called on his parents, when returning from a motor trip to Boston, Mass.

Mr. Leopold Paquette, whose house and adjoining buildings burned some weeks ago, is presently moving the house known as the Davis place, to the site of the one that burned.

Mr. and Mrs. Herman Sornberger, of Waterloo, were visitors here, prior to leaving for Montreal.

WATERLOO

Mr. Spencer Matheson has sold his place of business on the corner of Court and St. Patrick Sts., to Mr. George A. Young. Mr. Fred R. Dalton is a patient in the Royal Victoria Hospital, where he underwent an operation on his eye. Mr. Duncan Dalton is in the city to be near his father. Mrs. Fred Copping, of Richmond, was a recent visitor of her son, Mr. Ralph Copping and Mrs. Copping.

Mr. and Mrs. Percy Chapman, who have been visiting the latter's parents, and sister, Mr. and Mrs. Julien Martin and Miss Glenna Martin, in South Stukely, were also guests of Mr. and Mrs. J. H. Purdy and Mr. Lawrence Purdy over the weekend. Miss Myrtle Gaw visited Mr. and Mrs. John C. Sanborn and

daughters in South Roxton over the weekend. Mr. Alden Perkins is in Toronto and London, Ont., on business.

Mr. H. E. Bieber, of Richmond and Dr. R. Johnson, of Sherbrooke, were recent guests of Mr. and Mrs. R. B. Moysey.

Following a lengthy illness, Mr. Floyd A. Morin passed away at his home on Court St., on Wednesday, April 25th at the age of 78.

Mr. C. G. MacDonald, of Montreal, was a guest of his daughter, Mrs. Warren Reid, Mr. Reid and their three daughters, Frances, Jennifer and Gretchen. Among those from Waterloo who were in Cowansville to attend the reception for Mr. and Mrs. Clifford Boussada, who were observing their 25th wedding anniversary were, Mr. and Mrs. George Tetreault, Mrs. Mary Colwill, Miss L. Gilmour, Mr. and Mrs. W. Halloway and Mr. and Mrs. Roy Atkinson and daughter.

Rev. Mr. Boyd and Mrs. Boyd, of Newport, Vt., spent a few days with the latter's aunt, Mrs. Marcus Hackwell. Mrs. Hazel Sheppard, of Verdun, is spending a few days with her son, Mr. Gene Sheppard, Mrs. Sheppard and family. Mr. and Mrs. John Patrick and daughter, of Richmond, Mr. and Mrs. Victor Fortin, of Drummondville, Mr. and Mrs. Percy Patrick and three children, of Danville, were recent guests of Mr. and Mrs. Emmett Dunlavy and family. After a short stay at the home of her son, Mr. P. Daigle, Mrs.

Daigle and family in Montreal, Mrs. A. J. Daigle has returned to her home on Eastern Ave.

Mrs. Lena Lowry is spending a few days with relatives and friends in South Stukely, Bolton and Foster.

Friends will regret to learn that Mrs. Percy Ledoux is still a patient in the Royal Victoria Hospital, where she again underwent surgery.

Mrs. Ruth Chaddock has returned from Rock Island and Derby Line, Vt., where she had been the guest of Mrs. Willard

Jenkins and Mr. and Mrs. Georges Ames for several days.

Winnipeg Can Take Edinburgh Trophy With Win Tomorrow; Edge Royals 4-3 Last Night After Hard-Fought Battle

WINNIPEG — (CP) — Winnipeg Warriors can wrap up the Edinburgh Trophy with a victory here Thursday night in the sixth game of their best-of-nine hockey series against Montreal Royals.

Warriors took a firm grip in the battle between the winners of the Western and Quebec Leagues with a 4-3 victory Tuesday night which gave them a 4-1 edge in the series. If a seventh game is necessary, it will be played in Brandon Saturday night. The Winnipeg arena isn't available after Thursday. The circus is moving in.

Billy Mosenko and the time clock were against Royals, who reversed the pattern of most other games in the series by showing strength in the final period.

Down 3-0 after seven seconds of the last session, Royals rallied for two quick goals only to see Mosenko pump home another Winnipeg marker at 19:08. Montreal managed to creep within one goal again 20 seconds later but time ran out.

Besides Mosenko, Warriors got goals from Hugh Barlow, Skippy Burchell and Mike Nykoluk Denis Boucher, Ray Laplante and Andre Corriveau tallied for Royals.

The teams battled through a scoreless first period. Warriors went ahead 2-0 in the second but were outscored 3-2 in the final session.

Warriors' third-period lapse rated them an after-game blast from coach Alf Pike.

"It just goes to show that you can't let up for a minute, and they're on top of you. They'll do it every time."

The still was a faint spark of optimism from Royals' coach Elmer Lach, who said:

"We still have a life, and anything can happen in hockey..."

John Landy Says There Are Other Fellows Running Now Who Are Quite Capable Of Breaking His Mile Mark

Los Angeles — (AP) — Australian runner John Landy says he believes "there are other fellows running now" who are capable of beating his mile record by four or five seconds.

Landy, second man ever to run a mile in less than four minutes and holder of the 3-minute 58 second record, listed six runners who he feels will be his top competition in the Olympic Games 1,500-metre race, the metric mile, at Melbourne this year.

They are Gunnar Nielsen of Denmark, Istvan Rozsavolgyi and Laszlo Tabori of Hungary, Brian Hewson of England, Merv Lincoln of Australia and Bob Seaman of the United States, UCLA.

Landy, who flew in from San Francisco to the Coliseum Saturday, said that if his physical and mental condition are perfect and the track excellent he feels he can run a mile in 3:56. But he thinks there are men running now who are capable under the same conditions of going even faster, 3:53 or 3:54.

"I don't have the basic speed that some of the others have," he said.

International League Comes North; Mayor Drapeau To Toss Out First Ball As Royals Clash With Jets

Baseball comes to the northern outposts of the far-flung International League today with openers scheduled in Montreal, Toronto, Buffalo and Rochester.

In Toronto, the Maple Leafs will be battling against hockey for the fans' attention when they open their home season against the Richmond Virginians. The Toronto Marlboros will continue their Memorial Cup junior hockey series against the Regina Pats tonight.

With their team riding along in first place on eight wins and four losses, Maple Leaf officials say there is a chance of breaking the Toronto attendance record of 20,202.

Veteran Lynn Lovenguth, 33-year-old righthander acquired this season from the Philadelphia

chain, will pitch the opener for the Leafs. He has won one and lost one so far this season and is 15-8 last year with Syracuse.

In Montreal, the third-place Royals will put an impressive opening-game record on the line against the Columbus Jets. Montreal has won 23 of its 28 home openers and has a string of seven straight going at present.

Lea Christante, a righthander with a 2-0 record so far, will pitch for Royals, taking over from Mayor Jean Drapeau, who will toss out the first ball. A crowd of between 15,000 and 18,000 is expected despite predictions of a cool 55.

Third-place Miami plays second-place Rochester in the opener in New York City, while seventh-place Cuba goes against the fifth-place Bisons in Buffalo.

Gene Littler Will Be On Hand To Defend His Labatt Open Title; Won Tournament Of Champions Last Week

Gene Littler, the crew-cut kid from Palm Springs, California, who last weekend won the Tournament of Champions for the second year in a row at Las Vegas, Nevada, has announced he will be among the pros vying for the \$26,800 purse at the 1956 Labatt Open which will be held on the magnificent course of the Royal-Quebec Golf Club at Boischatel near Quebec City, July 12 to 15 inclusively.

Littler, who not so long ago started what seems to be developing into an exceptionally successful career in golf's pro ranks, was labelled as the new Ben Hogan and has once more lived up to expectations by winning his second consecutive Tournament of Champions.

Littler and veteran Stan Leonard, Canada's own great star young playing pro at Lachute Golf Club, furnished the 1955 Labatt Open with a dramatic finish as 90th ended the four day trek with an identical total of 272 for the 72 holes. Littler came out on top of the first hole of a play-off round against Leonard to become the third winner of Canada's richest golf tournament.

Veteran Cary Middlecoff, of Memphis, Tennessee, finished second with 285 ahead of Lloyd Mangrum while Al Balding, of Toronto, ended the 72 hole on a par with Shelley Mayfield and Ted Kroll, all at 289. Last winner, Balding became the first Canadian to win a major pro tournament in the United States with his victory in the Mayfair

Open in Florida, which assured him of playing in the Tournament of Champions.

Last summer, Littler put together rounds of 67, 69, 68, 68 for his total of 272 while Leonard played 69, 66, 72 and 65. With Littler's entry, the Labatt Open will not only present last year's winner but the field will also include Doug Ford, from Kiamesha Lake, N.Y., actual P.G.A. champion and Jackie Burke, recent winner of the Masters at Augusta, Georgia.

Doug Ford became the first winner of the Labatt Open with his victory at Summerlea in the summer of 1953. Ford will play in Quebec City then move to Canton, Massachusetts, where he will defend his P.G.A. crown.

Ken Murray, manager for the Labatt Open since its inception has recently been named honorary life member of the Canadian Professional Golfers' Association, of which he has been president for many years.

Gil Coan Given Outright Ticket

CHICAGO. — (AP) — New York Giants announced Tuesday that they had received waivers on outfielders Gil Coan from all clubs in the majors.

The 32-year-old Coan has been given the option of accepting his unconditional release or of being shipped to Minneapolis, the Giants' farm club in the American Association.

Bob Bedard To Face Peter Phillips In Opener While Don Fontana Takes On Ivan McDonald; Rochon Won't Play

PORT OF SPAIN, Trinidad — (Reuters) — The No. 1 Canadian and West Indian players will meet in the opening singles match of Davis Cup play here Thursday.

Immediately after Canadian champion Bob Bedard of Sherbrooke, Que., plays Peter Phillips, Don Fontana of Toronto is scheduled to face Ivan McDonald in the second match.

The draw was made Tuesday after Phillips defeated McDonald in the finals of a qualifying tournament to earn his top ranking.

Earlier Tuesday Henri Rochon of Montreal, the Canadian captain, who suffered from heat exhaustion after a practice session Sunday, announced his withdrawal from active participation in the series, leaving Bedard and Fontana to handle both singles and doubles in the best-of-five round.

Despite a relaxation in competition rules permitting a longer intermission than the prescribed 10 minutes because of Trinidad's tropical climate, Rochon as the visiting captain agreed to the regular third-set break.

17 Horses Are Expected To Face Wire In 82nd Run Of The Roses; Needles Remains Horse To Beat

LOUISVILLE, Ky. — (AP) — The names of 17 horses are expected to be dropped into the entry box Thursday for the 82nd and richest Kentucky Derby. Needles remains the horse to beat in the opinion of the men who will tighten the saddle girths.

With only a dissenting vote here and there, the trainers went down the line today in selecting the son of Ponder, the 1949 Derby winner, to take down the major share of the \$125,000-added purse.

If all 17 three-year-olds parade to the post at Churchill Downs Saturday the race will gross \$167,400 with the winners earning a net of \$123,300. Both figures surpass the record 1955 totals when Swaps won \$108,400 of the gross purse of \$152,500.

Victory of Calumet Farm's Fabius in the Derby trial Tuesday and the expected strong showing of several horses behind him only tended to increase the size of the field. Only once since Count Turf defeated 19 rivals in 1951 have as many as 16 faced the starting barrier. Sixteen were in the field the day Determine won two years ago.

Asked to name the horse to beat after Fabius stepped the mile in 1:36 3/5 and turned back the surprising stretch challenge of Countermand with Head Man third, the trainers of the leading candidates still strung along with Needles.

The Florida Derby and Flamingo Stakes winner, owned by Jack Dudley and Bonnie Heath, is expected to go postward as the 2-to-1 choice.

Tigers In Seventh Spot As Yanks Move Back Into Top Spot; Braves Inch Into Leading Berth With Win

If only Dalatron, the electric brain could talk, maybe it would have some explanation as to why the Detroit Tigers are in seventh place in the American League today, just a half game out of the basement.

Dalatron, you may recall, picked the Tigers to win the pennant and no "ifs" about it. Most of the experts thought the New York Yankees would win it, but what is a mere expert compared to a mechanical whiz?

Actually, the reasons for the Tigers' failings so far are apparent enough and if Manager Bucky Harris can't cure them, perhaps Dalatron can tell him what to do.

The power boys of the Bengal lineup—Al Kaline, Harvey Kuenn and Ray Boone—haven't been hitting. At the moment, Boone is the slugger of the trio with a .262 mark. Kaline is hitting .227 and Kuenn .190.

The Tigers dropped a 9-2 decision to the Yanks in New York Tuesday—permitting Casey Stengel's men to take over first place—and although the defeat was a humiliating one, Harris found some cause for optimism. Kaline and Boone each collected two hits and Kuenn one. So they may be snapping out of it.

Whitey Ford handcuffed the Bengals for his third victory of the season. Mickey Mantle and Hank Bauer hit home runs for the winners. The game was close only until the third inning when the Yanks broke it open with four runs off loser Steve Gromek.

Elsewhere in the American League, the last-place Baltimore Orioles pulled out an 11-inning, 3-2 victory over the Chicago White Sox; Cleveland Indians turned back the Washington Senators, 3-2, on a run in the ninth, and the Kansas City A's edge the Boston Red Sox, 3-2.

The National League also had a new leader—the Milwaukee Braves. They inched past both the St. Louis Cardinals and the Brooklyn Dodgers by virtue of a 6-4 decision over the Philadelphia Phillies.

The upstart Pittsburgh Pirates knocked the Cards out of first place with a 4-2 victory, and the Cincinnati Redlegs, behind the

six-hit pitching of Johnny Klippstein, downed the Dodgers, 3-1. The New York Giants nipped the Chicago Cubs, 2-1.

Baltimore's victory over the White Sox had an ironic twist. The Pele Hose played their first six games without an error, but made four in this one, and, as fate would have it, one led to the winning run.

White Sox relief pitcher Dixie Howell threw wild on Billy Gardner's sacrifice bunt in the 11th, permitting Bobby Boyd to jog home. Bill Zverink, who pitched the last two innings, was the winner.

The Indians, triumph was a combination of the pitching of Early Wynn, who hung up victory No. 3 on a seven-hitter, and Al Smith's Clubbing.

The A's had to overcome a two-run Red Sox lead to gain the victory for Lou Kretlow. They scored once in the sixth and twice more in the eighth. Jim Finigan scored the winning run on a squeeze bunt by Joe Demaestri.

Bill Bruton doubled Joe Adcock home in the seventh to break a 4-4 tie and give Milwaukee its victory over Philadelphia. Eddie Mathews hit a two-run homer for the Braves in the third. Dave Jolly, who relieved Bob Buhl in the seventh, was the winner.

Carl Erskine and Clem Labine hurled creditably for the Brooks, giving up only eight hits, but they couldn't match Klippstein's work. He was tagged for a run only in the fourth.

Norris Admits He Had Exclusive Contract With Rocky Marciano; Suggests Elimination Tournament

NEW YORK — (AP) — Boxing promoter James D. Norris says he does not have exclusive contracts with the six leading contenders for the vacant heavyweight title but he would like to have them.

Testifying in federal court Tuesday, the tall, husky president of both the International Boxing Club (IBC) and Madison Square Garden Corporation said he does have exclusive contracts with three champions, featherweight Sandy Saddler, lightweight Wallace (Bud) Smith, and middleweight Sugar Ray Robinson.

He said he had an exclusive with heavyweight champion Rocky Marciano but that expired just before Rocky's successful title defense against lightweight Archie Moore last September. The undefeated Brockton Bomber abdicated his throne last week.

Norris suggested in court that the six leading contenders battle it out in an elimination tournament for the right to succeed Marciano.

Asked by Judge Sylvester

Ryan whether he had considered attempting to get exclusives with the top contenders, Norris replied:

"I would have to say I have been considering it. It has been in the back of my mind."

In reply to a question by his own counsel, Whitney Seymour, Jr., asking whether he thought it reasonable to acquire exclusive contracts with champions and leading contenders, Norris said:

"I think so. In a great many cases the contender has been developed through our services. It seems to me that his position as top contender is largely through our efforts and it seems reasonable that if he should win the title that we should have his exclusive services for a period of time."

The U.S. government has charged Norris, his partner Arthur M. Wirtz, the International Boxing Clubs of Illinois and New York, and Madison Square Garden Corporation, with monopolizing the promotion of championship fights in the U.S. between 1949 and 1953 in violation of the anti-trust law.

Regina Pats May Press A Couple Of Extras Into Action Tonight In Third Game Of Memorial Cup Battle

Toronto — (AP) — Regina Pats may press a reinforcement or two into the lineup tonight when they meet Toronto Marlboros in the third game of their Memorial Cup championship series.

Right winger Con Collie is expected to be dressed for the first time in the best-of-seven series. Left winger Jerry Walker may also see action, depending on Coach Murray Armstrong's requirements at game time.

This is a big engagement for the Pats. They trail the series 1-0 with one game tied. A further setback would put Pats on the spot and establish Marlboros as overwhelming favorites to win their second straight Memorial Cup. Marlboros beat the Pats last year for the Canadian junior hockey crown.

If Armstrong does make changes, it probably will be aimed at injecting more offensive power into the lineup. Pats were weak at shooting Sunday, when they took a 5-1 defeat.

Marlboro coach Turk Broda isn't figuring on any lineup changes.

"We'll go with the same team that beat the Pats Sunday," he said. "Pats can be plenty tough and this series is by no means a cinch for us. We'll have to go out there and play hard every minute if we expect to win the cup."

Fourth game of the series is scheduled Friday. The fifth will be Sunday afternoon.

GETTING READY FOR THE RACES — Stewart's Sister, owned by Fabi & Fils of Sherbrooke, is seen being prepared for a daily workout at the local track. Jean-Claude Denault is attaching straps while driver Frank Newell is holding the mare. With the extra rays of sunshine the trainers are making their big bid in order to be ready for the opener later this month to officially get the 1956 season underway.

NCAA Places Two Colleges On Probation List

NEW ORLEANS—(AP)—The National Collegiate Athletic Association's council Tuesday placed Texas A and M, Kansas and Mississippi colleges on probation for violation of NCAA rules.

The probations are effective immediately. They are for one year, except in the case of Texas A and M which was placed on probation until May 14, 1957.

During that period it was declared ineligible to enter athletes "or teams in national collegiate championship competition and those invitational events which co-operate with the NCAA in the administration of its enforcement program."

The NCAA council said Texas A and M was found guilty during April 1955, of offering at least two prospective student athletes "financial aid in excess of that permitted by this association and the Southwest athletic conference."

Both Kansas and Mississippi college violations occurred in basketball.

Lapalme Traded By Cardinals To Cincinnati Club

ST. LOUIS—(AP)—Left-hander Paul Lapalme, pounded hard in his only appearance this season, was traded by the St. Louis Cardinals to Cincinnati Tuesday for a Pacific Coast League second baseman.

The Cardinals receive 25-year-old Milton Smith, a Negro who was hitting .447 in his first 12 games with Seattle this season. Smith will remain at Seattle under option from the Cardinals.

Greyhounds Are After Two From Saint John Club

SAULT STE. MARIE, Ont.—Sault Greyhounds of the Northern Ontario Hockey Association Senior A southern group apparently are out to sign two of the top players with Saint John Beavers, eastern Canada Allan Cup finalists.

Steve Brklacich, playing-coach of the Beavers, and Ron Rubie, veteran centre and captain of the team, have taken summer jobs in the Sault. Greyhound officials are hopeful arrangements can be made to have them play for the team next season.

Brklacich, 26, is a veteran of professional hockey and spent most of his career as a defenceman. Rubie previously played in the NOHA for Sudbury Miners and Sault (Mich.) Indians.

Rubie was the centre of a controversy last year when he left the Indians and lined up with Saint John. Indians claimed he still was their property. The Canadian Amateur Hockey Association was asked to suspend Rubie until his case was cleared up. Finally sale terms were agreed

on. Saint John purchased his contract from Indians.

BBBC Strips Cockell Of His Boxing Crown

LONDON—(AP)—The British Boxing Board of Control Tuesday stripped Don Cockell of his empire heavyweight title—a year after the British fighter was hampered by Rocky Marciano.

Three official contenders were immediately named for the vacant title. They are Kit Lave, 22-year-old Tongan, Joe Bygraves, 24-year-old Jamaican and James J. Parker, 28-year-old Canadian.

The Commonwealth and Empire championships committee of the BBBC said that a fight between any two of the contenders would be recognized as an empire title bout.

The man responsible for the committee's strong action is Lave. The fighter from the Friendly isles in the Pacific floored Cockell five times before knocking out the tubby Briton midway through the second round in a fight at London's Earls Court stadium a week ago.

Potgieter To Fight Nieman

JOHANNESBURG—(Reuters)—Ewart Potgieter, giant South African heavyweight, has agreed to fight Andries Nieman, former South African Olympic boxer, in his first comeback contest here July 7.

Potgieter does well in the bout, the promoters will try to match him in a return contest with Canadian James J. Parker of Barrie, Ont., who drew with him in London last November. It was after his fight with Parker that Potgieter announced his retirement from boxing.

Major League Attendances Take Big Drop

NEW YORK—(AP)—Major league baseball attendance is down approximately 10 per cent so far this season, with 11 clubs showing a decrease in a comparison with last year's figures.

An Associated Press survey revealed today that the big league ball clubs have played before 1,059,172 fans this season. The total in as many home dates in 1955 was 1,176,172. With the weather a likely factor, the decrease is 117,695.

Only New York Yankees, Boston Red Sox, St. Louis Cards, Chicago Cubs and Detroit Tigers are showing gains.

Milwaukee, which has led in attendance since it went big league in 1953, has drawn 55,391 for three home games as against 65,271 last season, a deficit of 9,880.

Baltimore and Kansas City, the major's newest entries, also have tailed off. The Orioles are down 41,000 and the Athletics 35,000.

New York Giants, although they have drawn the most National League customers—74,327—are off 20,896 spectators.

The National League has drawn 491,171 customers this year compared to 531,470 in 1955—a drop of 40,299.

The American League 1956 total is 568,001 compared to 645,397 last year—a deficit of 77,396.
